New York

With this book, Arbitron implemented the expanded sample frame (ESF) technique in the New York Metro. This new technique is designed to supplement the standard sample by including households with unlisted telephone numbers.

WABC (R) back up to 8.1 from a low 7.3 and a solid number one in the market. **WOR** (PA/T) down from their top slotted 8.1 to 7.0. **WBLS** (B) up again 5.6 to 5.9, their highest book in over a year. **WCBS-FM** (O) 2.4 to 3.5. **WNEW-AM** (PA) with great gains 2.6 to 3.8. **WHN** (C) 2.9 to a solid 3.6. **WKTU** (A) 1.1 to 0.6. **WPLJ** (A) the AOR success story in the market, moving up 3.4 to 4.4 with their highest book. **WNEW-FM** (A) 2.2 to 2.3. **WNBC** (PA) apparently back on the track with their first upward trend in a year, 1.8 to 2.2. **WXLO** (R) 3.1 to 2.8. **WWRL** (B) 2.4 to 1.5. **WPIX** (R) holding at 1.6.

WAYS/Charlotte Scoops Barbara Walters On Cuba Story

Stan Kaplan, owner of **WAYS/Charlotte**, scored a major coup not only for his station but for radio in general by becoming the first broadcaster to report directly from Cuba on the air at **WAYS**. Kaplan made arrangements to travel to the formerly off-limits island with **Frank Mankiewicz** (former South American Peace Corps chief) and Chicago White Sox owner **Bill Veck**.

While there, he arranged to report to **WAYS** three times daily, commenting on Cuban broadcast industry topics, and becoming the first radio or television reporter to dispatch on-the-spot newscasts from Cuba. Kaplan's broadcasts preceded by a considerable margin of time the highly-publicized Cuban reports by national network newscasters.

BODIES, BIKINIS, BEAVERTEETH BOMBARD BEACH BOOGIE—WSGA/Savannah's annual free "Beach Boogie" attracted 30,000 people to a local beach May 28, including the statuesque beauty pictured above, a winner in the station's bikini contest. Shown enjoying their proximity to the lady are (l-r) WSGA PD Jerry Rogers, RCA's Mike Craft, and Bob Holliday, manager of RCA recording act Beaverteeth, one of the groups performing at the event.

CLEANING UP WITH WMAQ—WMAQ/Chicago's Bank Withdrawal contest allowed a lucky listener to literally rake in the cash. Actually, the winner used a shovel, several bushel baskets, and his 9-year-old son to help him sweep up \$25,000 off the floor of a local bank vault in one minute and 20 seconds. Under the rules, the winner of the call-in registered drawing could bring anything he could carry into the vault to scoop up the cash, so he carried his son on his back and cleaned it all up in short order. Chicago White Sox announcer Harry Caray of WMAQ did a live play-by-play broadcast of the event. Above, WMAQ Vice President/GM Charlie Warner conducts an enjoyable "inspection" of the cash, and (right) winner and son making their "withdrawal."

KLIF, Charlie Van Dyke Go To Bat For Rangers' Batboy

During a recent ABC Monday Night baseball telecast, a Texas Rangers bat boy picked up what he thought was a dead mike and voice his personal sentiments about **Howard Cosell**. Unfortunately, his invitation—"Bite me, Ho-

ward, all of Texas hates your guts"—went out over a very live mike, and as a result the bat boy was quickly fired, with the understanding that if he apologized to Cosell publicly and Cosell accepted the apology, the bat boy would

be reinstated. **Charlie Van Dyke** and **KLIF** charitably lent a hand, airing the bat boy's apology during Charlie's show. Shortly thereafter, Cosell was heard on **KLIF** accepting the apology, and the Rangers rehired the bat boy.

Computer Broadcast Services Formed

Computer Broadcast Services, a computer-linked information bank intended for the radio industry, has been formed by **George Burns**, **Nick Anthony**, and **Bernie Torres**. Utilizing a central computer and a terminal in each subscriber's office, the system will provide station management with information on music research, employment data, budget counseling, and other areas incorporating "all phases of broadcast operation."

Burns, formerly Vice President of Programming for Pacific and Southern Broadcasting, is in charge of the Marketing and Sales area for the firm. Anthony, a former Director of Broadcasting for Globetrotter Communications, is responsible for client services and data control. Torres, ex-Vice President of Drake-Chenault Enterprises, will handle operations and systems. The company's goal is to provide an all-encompassing range of information and guidance through computerized communication.

NICKS EMBRACED BY ALIEN—Stevie Nicks, the lovely lead singer of Fleetwood Mac, was seen attending a special screening of "Star Wars." Also in the audience was 20th Century recording artist Peter McCann and "Star Wars" bad guy in black, "Lord Darth Vader (who offered Stevie an intergalactic recording contract). From left, Stevie Nicks, Peter McCann, Vader (in back).

NABET Asks Advertisers To Avoid ABC

In further developments in NABET's continuing strike against the ABC network, the union has sent letters to prominent network advertisers requesting they suspend their ad schedules on ABC until the strike is settled. As a result of this action, Blue Cross of Southern California has reportedly decided to halt its ABC advertising for the duration. In addition, NABET's Hollywood local has mailed well over 100 letters to advertisers whose commercials have been affected by technical problems (in the absence of NABET technical personnel at the network).

Meanwhile, in New York, an AFTRA meeting called to weigh recognition of the NABET strike, adjourned without reaching a conclusion on the issue. In an amusing sidelight, AFTRA organizers awarded door prizes in an effort to induce local members to stay late at the meeting and make their opinions known. Prizes ranged from tap-dancing lessons to the thrill-of-a-lifetime prize won by WABC afternoon

UA Completes First Phase Of Russian Record Exchange

United Artists Records has successfully concluded the initial phase of negotiations for a reciprocal licensing deal with the Soviet Union. Under the pact, the Russian export and import agency for recordings would issue records by Shirley Bassey, Paul Anka, and the Nitty Gritty Dirt Band (who recently completed a tour of Russia). In return, UA would be licensed to distribute records by Russian pop-oriented artists in selected territories. Handling the negotiations for UA were Harold Seider, President of UA International, and UA President Artie Mogull, who also announced that Shirley Bassey will launch a three week tour of the Soviet union in September.

McIntyre Takes On New Duties At Expanding Century 21; Starr Resigns

Tom McIntyre, Vice President of Century 21 Productions and Programming, has taken on the General Manager position as well, replacing the resigning Dick Starr. Century 21 is involved in automated programming, jingles, contests, and specials.

McIntyre announced, "We're expanding our automation programming services into Adult Contemporary and Country very soon," citing high ratings for

Century 21's Rock "Z Format." The new services will be called "E-Z Format" (for Pop/Adult) and "Super Country," with the former debuting next month on six stations and the Country format reaching completion later in the summer.

Starr resigned his General Manager position at Century 21 for personal reasons." He announced, "I have entered into an agreement with Toby Arnold and Associates of Dallas to provide programming production services for selected products."

Heilicher Resigns From Pickwick International

Ira Heilicher has announced his resignation from the Director of Distribution position for the Pickwick International distributing firm. The announcement came three days after Pickwick officially merged with American Can Company, as previously reported in R&R. Amos and Daniel Heilicher, Heilicher's father and uncle, were expected to remain with the firm, while Ira told R&R that his future plans would be announced shortly.

Azoff Signs Steely Dan

Steely Dan, the ABC recording act with five hit albums to their credit, have been signed for worldwide representation by Front Line Management, R&R has learned. Irving Azoff, President of Front Line, announced that an extensive fall tour is being planned for the group, with their new album, "A.J.A.," due for release in August.

EASY AS PIE

Want your picture in R&R? It's as easy as pie.—An outbreak of pastry-popping developed last week, as KSTP/Minneapolis PD Rob Sherwood got his "just desserts" from 20th Century artist Kenny Nolan during a charity radiothon, which raised almost \$30,000. An anonymous pledger paid \$50 for the privilege of watching Sherwood take a lemon meringue facial. Meanwhile, KFI's comic duo Lohman & Barkley, sporting the latest in doubleknit leisure suit wear for the signing of their new longterm pact with the station, were pleasantly surprised by matching pies thrown by KFI PD John Rook and Manager of Operations and Programming Biggie Nevins. Lohman & Barkley signed the new contract anyway.

COCOA BEACH CAR KRAM

CK101/Cocoa Beach held its second annual CK Car Kram, awarding the high school or civic group with the ability to cram the maximum quantity of youthful masochists into a single car. The flexible student bodies of Rock Ledge High managed to fit 58 people into one car, not only winning the event but establishing a new world's record. Pictured are the 58 finalists, all of whom seemingly escaped without permanently crippling injuries.

Supreme Court Speaks Out On Truth In Advertising

The **U.S. Supreme Court** recently made two controversial decisions that affect advertising regulations in most states. The court turned down a New York state law prohibiting the advertising of contraceptive devices, stating that although the ads might be offensive to some, they could not justify the law because of First Amendment protection. Some Supreme Court members also voiced strong complaints on a recent decision upholding the conviction of an "obscene" film maker, protesting that the jury in the case used advertising of the film to determine that it was "sexually provocative," and that the film itself may not have been obscene. The court members stressed that the film maker should not be punished for advertising a truthful description of the movie. Another Supreme Court decision relating to advertising is expected during their current session as well; the court will attempt to decide whether state bar associations can restrict advertising by lawyers.

"Star Wars" To Create Star Toys

Children will soon be playing with toys named "Artoo-Defoo," "See-Threepio" and "Luke Skywalker" thanks to the smashing success of 20th Century Fox movie "Star Wars." The film is hot enough to start a fast product licensing trend for toys and other spin-off items from the movie. **General Mills' Kenner Products** sub-

siary has already signed a major product license for the film's characters, as well as other toys and games. Most of the items will not be in retailers' hands until 1978. More than 200 other companies are also hoping to grab onto a "star" by marketing other tie-in products.

RCA Exec Predicts 1/4 Million Video Recorders

With the support of manufacturers and distributors, **RCA Marketing Vice President Jack Sauter** feels that videocassette recorders could reach up to 250,000 homes this year, and possibly nearly 3/4 million by 1978. RCA's four hour videocassette recorder will be unveiled in August, with a major promotional campaign. Other industry experts expect to see prices for the recorders drop dramatically in the near future, with mass amounts sold as soon as most manufacturers offer prices in the \$1000 range.

Goodbye Farrah, Hello Sylvester

The now-famous bathing suit clad body of **Farrah Fawcett-Majors** has taken a back seat to **Sylvester Stallone** recently. The huge selling poster of Farrah is now number two to posters of the sexy Stallone, according to Stallone's poster distributor. That distributor also owns rights to the "Star Wars" merchandising products. The company has noted that merchandising for "Star Wars" looks like it will definitely eclipse "Rocky" items, which have been the biggest sellers in recent movie history.

Following the Angels in ranking were: "Police Story," "Police Woman," NBC pilot for "Scanlan" series titled "Nowhere To Hide," "Laverne & Shirley," "Baretta," "All's Fair," "Fish," "Sonny & Cher," and "Happy Days." ABC's **Barbara Walters'** special came in 11th for the highest showing special of the week.

New York's top 10 shows in Arbitron's TV meter survey for the week of May 28-June 3 placed as follows: 1) "Barney Miller" and "Laverne & Shirley," 3) "Fish," and "Happy Days," 5) "Best Of Donnie & Marie," and "What's Happening!" 7) "Baretta" and "Charlie's Angels," 9) "Starsky & Hutch," and "Welcome Back Kotter." Top 10 in Los Angeles: 1) "Charlie's Angels," 2) "Baretta," 3) "Best Of Police Story" and "Laverne & Shirley," 5) "Best Of Donnie & Marie," and "Sonny & Cher," 7) four way tie between "Barney Miller," "Fish," "Happy Days," and "Police Woman."

Starland To Vocalize On CBS

August 7th is the kickoff date for the **Starland Vocal Band's** CBS summer variety series.

A NEW ANGEL SPREADS HER WINGS—The lovely lady pictured here, Cheryl Ladd, has been afflicted with a strange, rare malady. She recently sprouted "wings" and has become the newest "Charlie's Angel." Ms. Ladd, daughter of actor Alan Ladd, will be billed as Farrah Fawcett-Majors' "sister" on this fall's series, while Farrah is still battling with the Angels' production company, and has refused to film more episodes.

New Electronic Games Hit Adult Market

Major video and electronic game manufacturers are coming up with more and more sophisticated toys, some of which are complicated enough to be restricted to adult game players only. **Parker Bros.** will sink nearly \$1 million in advertising for a new submarine chase game, "Code Name: Sector." The computerized game keeps track of each player's moves and changes the submarine's course to one of nearly 5000 possible sections of the game's chart. **Mattel Toys'** pocket sized battery operated

games are pictured here. The games will be introduced this fall, with an ad budget in the \$1 million range as well. The "Missile Attack," "Auto Race" and "Football" games will have their own built in playing screens and computer brains that are pitted against the player. **Milton Bradley's** "Comp IV" is a number logic game that is also programmed to try to match wits with the player. Among other new adult oriented games to be introduced soon are an electronic chess gameboard that will retail around \$200, and **Atari Inc.**, makers of "Pong," will market the "Video Computer System," which will offer 14 to 50 video game variations with pre-programmed cassettes.

"Peanuts" Characters Into Record Biz

Disneyland-Vista Records will create an 18 album line of childrens' records based on the **Charles Schulz** "Peanuts" characters. The first album will reach consumers around Christmas in the form of "Charlie Brown's Christmas," based on the television production. Besides the Peanuts releases, Disney is also planning release of a children's record from the upcoming film "Pete's Dragon," starring **Helen Reddy**.

A Modern Screen Comes To Drive-Ins

A quarter million dollar project to create a drive-in movie screen who's picture will be contained to the confines of the theater is in the final stages of completion. The screen will initially test at a Southern California theater late this year. Besides keeping the projection inside the open theater, the screen also intensifies nearly 10 times the light projected onto the screen and can control light interference from outside. This first test screen will cost the theater approximately \$50,000 for installation.

Sonderling To Purchase Interest In MGS

Sonderling Broadcasting Corp. has agreed to purchase 60% of the interest in **MGS Services**, a subsidiary of **Teletronics International**, for \$1.5 million cash. The MGS company is a major distributor of television commercials.

Take The Colonel To The Country

The outdoor eating season has started, and **Kentucky Fried Chicken** is telling consumers to "Go Picnicking" with the Colonel. The multi-media ad campaign was kicked off this month, and will run through the summer months. Premiums will be offered as well, including "Go Picnicking" iron-ons, T-shirts, kites and frisbees.

Drink "Swampwater"

Schieffelin & Co. has started their campaign to get Americans to drink "Swampwater," a mixture of the company's **Green Chartreuse** liqueur and pineapple juice. Ads will offer Swampwater party kits, including mason jars to drink out of, party invitations and printed napkins.

Wald, DeBlasio Form Company

Jeff Wald and **Ron DeBlasio** have jointly announced the formation of their new management company **Jeff Wald/Ron DeBlasio Associates**. The team will manage **Helen Reddy, Donna Summer, David Steinberg, Peter Boyle, and Richard Baskin**.

BMI Issues Payment Increase For FM's

Broadcast Music Inc. has issued a new payment schedule which includes significant increases in payments for the use of songs on local FM radio. The rate has now doubled to one cent for each performance on an FM station. Network radio performances' royalty payments will be computed by the number of stations carrying the music multiplied by the minimum rate. Other new rates were set up for network and local TV use as well, and BMI has set up a bonus system based on songs played over 25,000 times. These performances will be given 1 1/2 times the regular base rate of payment. The new rules and regulations take effect July 1, 1977.

Letters:

"Leaders Corrupt?"

R&R:

I read with interest in the May 27th edition of **Radio and Records**, "FCC Employees Hit With Conflict Of Interest Charges."

My god, is it true, our (broadcast industry) leaders and teachers are corrupt? After all these years of believing they were pure?

Being a 20 year veteran of the broadcast industry and programming for 11 of those years, maybe it's time to see about getting the politically appointed politicians out and the people that know broadcasting in!

Maybe now is the time to see about getting the great broadcast industry where it belongs, out of the red tape, and into serving the public.

KGW Sets Basketball Mania To Music

KGW/Portland joined in on the celebration of their city's Trailblazers' National Basketball Association title by setting music to the "Blazer Mania" in town. Since music is KGW's business, the station took a recent lunch hour to write a song about the Trailblazers and Portland's fanatic fans. Program Director **Mike Phillips** immediately phoned the lyrics to a Dallas jingle company from a phone booth at the luncheon spot, and two days later he picked up the produced song at Portland's airport. That same evening the Blazers defeated the Philadelphia '76'ers leaving only one game for them to win the title. Again, the KGW staff went to work, this time in front of TV cameras. The volunteer talent combined their song with a little "fancy dancing" on camera. pro-

CKLW 'Walk For Mankind'

Over 25,000 walkers took part in CKLW/Detroit's "Walk For Mankind" to benefit Project Concern. Eight separate walks took place on June 4th throughout the greater Detroit/Windsor area. The Osmonds and Shaun Cassidy helped out the cause by greeting the walkers as they passed through the various checkpoints along the walk. Nearly 95% of all the walkers finished the entire course, helping raise nearly half a million dollars.

In Dearborn Shaun Cassidy signed autographs for many of the walkers.

Jay and Wayne Osmond also gave away autographs in Down River, Michigan. Jay and Wayne are accompanied by CKLW News Director Keith Radford and Pam Mitchell.

K-Men Walk 72 Hours

KMEN/San Bernardino did a twist on the usual charity walk-a-thons recently in their "1977 K/MEN Walk Back & Forth." All six of the KMEN air personalities walked back and forth between San Bernardino and Riverside 24 hours a day for three days to help raise money for Muscular Dystrophy. The jocks helped raise \$13,000 for the event. Winning personality was Jim Zippo, morning man, who walked 64 miles non-stop, beating Scott Taylor by one step. Over 4,000 listeners joined the K-Men in walking back and forth and a total of 5000 more were there to greet Jim as he finished his walk. Shown is an exhausted Zippo as he crossed the finish line.

SEVEN GREAT NEW SINGLES ON A&M RECORDS. 

TOP-40

Congratulations to Bobby Poe for running a very successful convention last week. A lot of great radio and record folk turned out. It was really nice seeing many of the R&R reporters that I met in Dallas last February and especially the radio people I had never met in the past.

Street talk is that WCFL/Chicago is up for sale. Bearsville's Paul Fishkin visiting Stevie Nicks parents in Phoenix. The rumor on the street in Miami is that Y100 has been sold to Norman Waine.

Ron O'Brien is going to WFIL/Philadelphia, exiting the WPGC strike scene. John Conlee is now the Music Director of WLAC/Nashville for super Dick Kent, who by the way had a great joke at the Poe Convention.

Olivia Newton-John will appear in the upcoming movie "Grease," which goes before the cameras here in Hollywood sometime this summer. WMOD-FM/Washington D.C. will go Country in the coming weeks.

WISM/Madison is promoting on the air that they will go Country as of next week. Actually what they'll be doing is broadcasting the morning show from a barn on someone's farm—all to tie in with National Dairy Month.

Mike Powell is the new PD at QUAD 104 in Memphis and old buddy Greg Hamilton is the station's new Music Director. Both Mike and Gret were former PDs at WMC-FM/Memphis a few years back.

Congrats to Bob Hamilton and his numbers at KRTH/Los Angeles... Ditto, Kevin Metheny at KMJC/San Diego. The books are coming in and now let's see who stays and who goes. What a crazy business!

Dave Masters has been promoted to Music Director at KQDI/Great Falls. Thanks to WVBF/Boston Program Director Bob Christy for sending one of his stations summer T-shirts.

I understand that TM Productions, Dallas, donated a copy of its oldies library to J. David Stone and his staff at KBIM/Roswell. As I mentioned before, the station lost almost everything in a fire several weeks ago.

Two jocks have split from KHJ/Los Angeles—J.B. Stone and Mark Elliott.

DOOBIE BROTHERS & SISTERS—WISM/Madison gave their listeners a chance to be an official "Doobie Brother or Sister." People called in to win Doobie Brothers' Greatest Hits albums and concert tickets and at the same time qualified their name to be a Doobie Brother or Sister.

VAN SHOW ANTICS—KSLQ/St. Louis didn't win any prizes for the "non-custom" painted van pictured here, but the station personalities did have a good time at a local outdoor van show.

This week's Photo Flashback is from 1968 and shows (L to R) WQAM/Miami Program Director Jim Dunlap when he was the Music Director of WQAM, recording artist Al Wilson and former WQAM Program Director Dan Chandler.

Slade and the local Toyota dealer congratulated the lucky winner of the contest sponsored by Toyota as part of their safe driving tip campaign.

Z93's DREAM HOME—The couple pictured at right are the winners in Z93/Atlanta's "Spring Prize Scramble." They guessed the correct price tag on the home pictured here to win the down payment, closing costs and first year's payments on the home.

PUPPY PRESENTATION—CFTR/Toronto and Rogers Radio Broadcasting Vice President for Programming, Chuck Camroux, presents the Toronto Fire Chief with his very own Dalmation mascot. CFTR decided to help the fire department continue the age old tradition of Dalmation mascots. The yet to be named dog will be fully trained for "personal appearances" at the fire station.

BREAK A LEG, K.C.—WFIL/Philadelphia 6-10pm man K.C. Hill is pictured emerging from Program Director Jay Cook's office after discussing the latest Arbitron. Actually, K.C. is recovering from a serious auto accident. Hill claims that he "fell asleep at the wheel while listening to a competing station." Shaun Cassidy recently guested on Hill's show, and took time to autograph K.C.'s cast, which will be given away on the air after he's totally mended.

JERRY & JERRY—WSGA/Savannah Station Manager Jerry Rogers was recently honored with the title of Chairman of the Muscular Dystrophy "Carnival" program in his city. In conjunction with his duties for the charity, Rogers attended a MD conference in Los Angeles, where he met with Muscular Dystrophy President Jerry Lewis. Jerry presented Jerry with his very own WSGA belt buckle during their visit.

DR. HOOK DOWN UNDER—2SM/Sydney, Australia has recently been "invaded" by a host of superstar performers during their summer season. Rod Stewart, Alice Cooper, Gladys Knight, Jackson Browne, The Commodores and a long list of others have visited "down under." While 2SM was involved with all the tours, they were particularly fond of the antics of Dr. Hook. Pictured in the 2SM studios is afternoon drive jock Ron E. Sparx, surrounded by Dr. Hook's Dennis and Ray. The picture session was just a part of a crazy 60 minutes the group's members spent on the air at the station.

KZUE HITS THE STREETS—To kick off their brand new sound and call letters, KZUE/Oklahoma City (formerly KAFG) air personalities took to the streets, complete with sandwich boards. Pictured (left to right): 10pm-2am Jim West, 6-10pm Les Michaels, 2-6pm Johnny Lane, 2-6am Tony Scott, and morning man Dave Baur. 10am-2pm man Steve Jaxon is absent from this shot. (See if you can guess why).

ducing a 60 second television version of the tune. The video tape was distributed to Portland's four television stations and was utilized in news and special programming after the Blazer's final victory. The musical tribute to the team is being heard extensively on KGW, and has met with great response from listeners.

MARATHON FOR MONEY—WAVZ/New Haven raised over \$12,000 for the Arthritis Foundation in the first annual WAVZ Stop Arthritis Radiothon. The event was broadcast for 36 hours non-stop from a mall in downtown New Haven. Thousands of listeners visited the location during the broadcast to donate money to stop the crippling disease. Thousands more phoned in their pledges to a special bank of telephones. Local Connecticut Rock bands arrived at the mobile site to lend their support through on air pitches and by manning the pledge phones. Many record labels and management firms lent their support as well through the donation of superstar souvenirs which were auctioned off. Included were Bette Midler's diamond necklace, Barry Manilow's stage costume shirt, autographed photos from Elton John and Lynyrd Skynyrd, and Alice Cooper's souvenir shirt. Pictured during the fund raiser are (left to right); WAVZ afternoon man Lee Roberts, PD Pete Salant, and night man Willie B. Goode.

CFOX/Montreal's air personality Gary Bell is pictured here in full Captain Cook dress. Bell dressed up as part of the station's "Lobster Festival," where 100 CFOX contest winners were treated to a lobster dinner at the local Captain Cook restaurant.

BALLOONFEST—When Wichita's annual River Festival ran short of funds to finance the event, KLEO donated the several thousand dollars needed, and took over promotion of the festival. The KLEO Balloonfest drew 50 hot air balloonists for the nationally sanctioned competition. KLEO tied in with in-flight broadcasts by jocks, a parade, and gave away T-shirts, souvenir programs, a CB radio, and a free balloon ride.

HAGERSTOWN'S "FARRAHEST"—Two WQCM/Hagerstown air personalities recently MC'd a Farrah Fawcett-Majors look-a-like contest held at the local Sheraton Motor Inn. Over 600 listeners filled one of the Sheraton's ballrooms for the event, and the contest results were broadcast live on the station. Pictured (left to right); PD and afternoon personality Don Rooney, winner of the contest, and morning man Pete Wilson.

KRKE'S NEW "CRUISER"—KRKE/Albuquerque Program Director Bill Burkett is shown behind the wheel of a Porsche 924 which was utilized by the station during their recent window sticker spotting campaign.

GARBAGE CLEAN UP—CHAB/Moose Jaw, Canada was recently involved in a very successful city wide clean up campaign. In conjunction with the national "Pitch In '77," and McDonald's restaurants, the station awarded a free McDonald's drink to each child who returned a full litter bag. Each participant was also registered for a drawing for a 10 speed bicycle. During the Sunday event, sanitation workers donated their time to man trucks at certain locations to pick up the trash. In one of the pictures here, CHAG morning man Jack Ross and Director of Community Affairs Reg Neiszner make an effort to "clean up the city" by throwing a local dignitary into a garbage truck. Also pictured is Jack Ross congratulating the bike's winner.

JOCKS CLOWN FOR CONTEST—KSTT/Davenport's entire jock staff got together for this rare photo, which was tied-in with their latest contest. Two sailboats were the grand prizes in the "KSTT Sails Into Summer" campaign. Listeners dropped by area retailers to see this picture and then sent in a postcard guessing which of the KSTT jocks is hidden in the back of the shot. The two grand prize winners were selected from the correct entries, and five runners-up each won five albums. Left to right are: Harrison Street Steve, Jay Gregory, Dan Vance, Rick Fields, PD Dr. Don Michaels, and Larry Marshall. Jim O'Hara is the mystery jock who is raising his hands.

AOR

Mike Harrison

Now that my feet are back on the ground after seeing *Star Wars*, I'd like to pass along a related tale that might be of interest to your listeners. A&M recording artist **Shawn Phillips** had just finished the cover photo session for his forthcoming album entitled "Spaced." The idea was to capture a shot of Shawn dressed in full spaceman gear standing in a parking lot with empty "spaces." Across the street, *Star Wars* was playing in a theatre at which the line went all the way down the street. Shawn wanted to see the movie, but didn't care for the idea of waiting on the seemingly endless line. To save time and capitalize on the situation, he went up to the doorman of the theatre dressed in his space suit, seeming very much a part of the promotional scene, uttered a few words in alien-ese, and was granted immediate admission to the theatre! Thanks to A&M Publicist **Dorene Lauer** (a dead ringer for Olivia Newton-John) for this one.

Evolution

Music Director **Dennis Constantine** of KRNW/Boulder informed R&R that the station was recently sold by **Bob Wilkenson** to Centennial Wireless Broadcasting. The new letters KBCO are being applied for, pending FCC approval. According to Constantine, the station (about 90 miles out of Denver) more than adequately blankets the Denver market with a tower 8,600 feet atop a mountain. Within the next four months, plans are to increase that height even further. The station has been "free-form" AOR, but now a more disciplined AOR approach is being mapped out. At present they're playing between 60-70 current albums. According to Constantine, "What I'm trying to put together is a station that has a **Texture** rather than just playing the hits." In terms of actual sound, Constantine commented: "The sound of Boulder is soft Country-flavored AOR." **Randy Morrison** is Operations Director of the live, 24 hour operation...**Roger Layng** exits the Program Directorship of 94-FM (KPOL-FM)/Los Angeles and **Nancy Trabish** is no longer Music Director of the soft Album Oriented Rocker. 6-midnight air personality **Caron Brenner** is now acting Program Director.... **KTIM/San Raphael** 10pm-2am air personality **Bill Scott** has been plucked away by KMEI/San Francisco to do mornings. **Dusty Street** (the original one) has been upped from weekends to 10pm-2am on KTIM. **Tony Berradini** moves from overnights to middays on the station...**Greg Lindahl** has switched from Research to Music Director of Y-11/Minneapolis...**Newspace** has added the radio version of **Chuck Ashman's** "Ashman File" to their bill of fare. Ashman is a leading Southern California investigative journalist who anchors KTTY (channel 11)/Los Angeles "Metro News" and "Metro News-Metro News"...**Tom Jeffreys** has joined TK-101/Boston as morning man. **Bill Palmer** moves from mornings to afternoons and **Bob Knight** moves from evenings to all nights. **L.A. Patton** will be doing evenings...In a recent issue we reported **Alan Young's** promotion to PD of WYXE/Madison. That was incorrect by one call letter. He's PD of WYFE(Y95)/Rockford...**Rog Berk** will exit the Program Directorship of KAZY/Denver in July to join Group One Broadcast Consultants as Operations Manager. **Bob Carter** will be upped to PD of KAZY... **John Schoenberger** exits the National Album Promotion position with ABC Records to join Arista...**Clark Smidt** has resigned the Program Managership of WEZE/Boston to accept the Program Directorship of CBS-FM O&O WEEI/Boston. Both WEZE and WEEI are mellow AOR's. **BILL SMITH** has moved from Production Director of WBZ/Boston to replace Clark Smidt as PD of WEZE and **Vinnie Perruzzi** has become MD of WEZE from MD of WBZ...Just for the record: WB Records, WB Studios, and WB Pictures are in Burbank, but WB Music (publishing wing of Warner Communications Inc.) is in Los Angeles at the 9200 building on Sunset Blvd. Pacific Records also operates out of that building.

Color

EVERYBODY LOVES A PARADE: Even if it's an imaginary one. WCOL-FM/Columbus presented their first annual Memorial Day Parade which consisted of cutaways for direct coverage of the make-believe event every 15 minutes. WCOL-FM air personalities **Jason Hunter** and **Mike Perkins** called the color elaborately describing the imaginary floats and events. A highlight of the extravaganza was one float that sported killer clams coming out of the Olentangy River led by **Kid Casper** to invade Columbus...The station also presented **Tim Moore** in a 92¢ concert.

WYXE/MADISON presented a party before the ELP concert for local record people, retailers and distributors.

SUMMER FASHION: WXRT/Chicago has embarked on a gigantic T-shirt promotion. The station is making them available at many outlets around the city.

WCCC/HARTFORD gave away **Billy Joel** albums.

BIONIC SELF PORTRAITS: It all started when KYYS (KY102)/Kansas City got a new photo copy machine in the office and the staff started messing around with it. Staffers **Jay Cooper** and **Dick Wilson** started the "Dick and Jay Bionic Self-Portrait Showdown" in which listeners were invited to send entries in one of two categories: a) Facial (or head) and b) Other body parts. The winner in each category received "10 relatively new" albums.

GIVE A LITTLE BIT: WKDD/Akron celebrated the local **Supertramp** concert there with a mini concert special on-the-air composed of most of the tunes from the forthcoming concert. In addition, T-shirts and autographed albums of the group were given away.

WGVL/GAINESVILLE gave away **Firesign Theatre** packages consisting of their albums, T-shirts, and posters. The station also presented the screening of the movie "Everything You Know Is Wrong" at the University of Florida and drew over 8,000 people.

A DAILY RADIO REPORT ON FREE HAPPENINGS of all kinds is now available to the listeners of TK101/Boston, according to PD **Bill Heizer**. The report is called "Beggar's Banquet."

More On Jazz

...Before I go I'd like to mention that we've received enormous response to the recent feature on Jazz AOR station WRVR/New York. There were many inquiries about the format with substantial indication of interest among programmers to incorporate more Jazz in their programming. Here's an item of importance to people interested in Jazz: **Joe Collins**, host of Jazz AOR program "Miles High" has kicked off the Miles High Jazz Network, making the program available to radio stations on a syndicated level. Joe is a former Program Director of KQIV/Portland and KFIG/Fresno. He was also Music Director of KMET/Los Angeles.

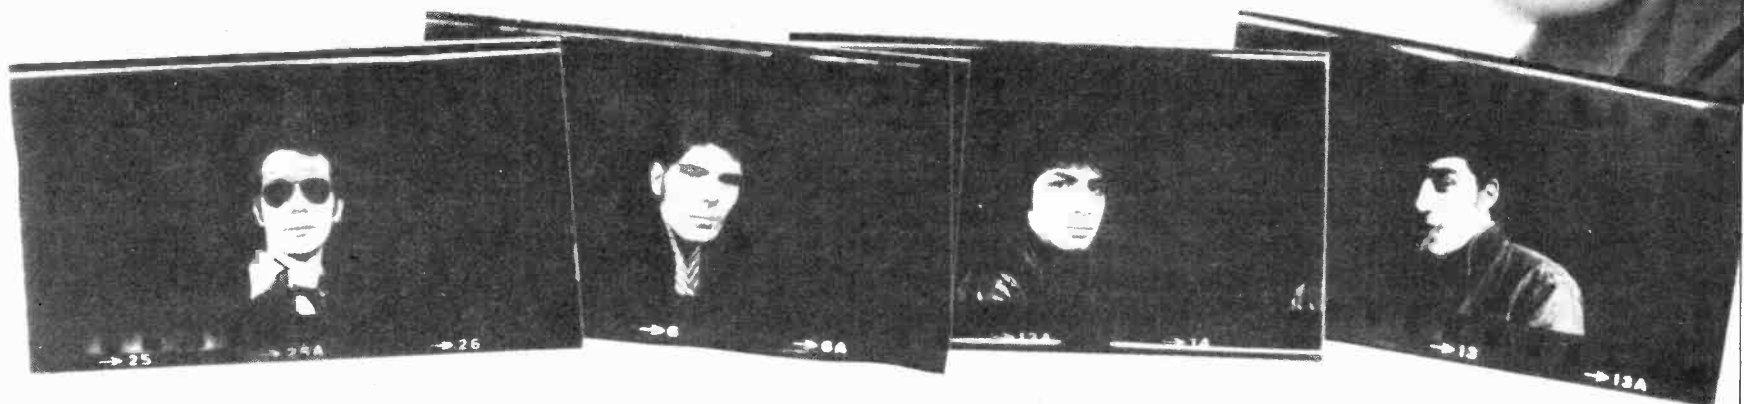

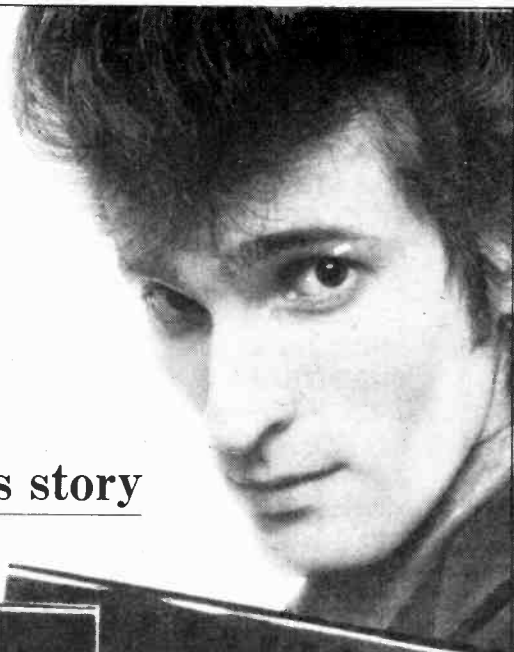

"Miles High" has been running successfully for the past 3½ years on KTYD/Santa Barbara between 9 and midnight on Sundays. It has recently been picked up by KZOZ/San Luis Obispo and KMMT/Mammoth Lakes.

According to Joe, the show is programmed for AOR radio listeners using AOR methodology and research rather than just slapping records on the air "...like a lot of Jazz stations do." The cost is negotiable per market size and competitive with local production costs. Available in 60 minute modules or complete air shift packages, the service includes custom cut commercial announcements upon request and all necessary promos and ID's.

Newspace is handling the syndication of "Miles High." Interested stations should call (213)874-9434.

WLUP (the Loop)/Chicago Program Director J.D. Blackburn sent R&R some samples of the entries received by the station in their "Win a Trip to Jamaica During Harvest Time" promotion. Listeners were invited to enter by sending a photo of themselves with the logo "the Loop" displayed somewhere on their bodies. The resulting entries were creative, to say the least.

Shown here at WMMS/Cleveland is Shelley Stile, the station's Music Director, taking time out to chaperone The Babys during the group's live interview with DJ "Matt The Cat." Pictured from left to right: Mike Corby, John Waite, Shelley Stile, Tony Brock, and Walt Stocker. The Babys are currently rehearsing material for their forthcoming second LP, scheduled to be released in September.

A&M Records artists Supertramp, midway through their 1977 North American Tour, were recently honored by Mayor Henry W. Maier of Milwaukee with a City Proclamation designating their concert dates as "Supertramp Days In Milwaukee." Shown left to right are: Roger Hodgson, Dougie Thompson, John Helliwell, Rick Davis, Bob C. Benberg, Supertramp; Charlie Prevost, Supertramp Tour Manager; Marty Rache, WZMF-FM.

PITY THE MOTHERS AND BLESS THE CHILDREN. WIDOWMAKER IS HERE.

From day one, Widowmaker's new album has gotten national and heavy AOR play. From KSAN to WNEW, with tremendous regional action in Texas, the Northeast and Northwest, "Too Late To Cry" has been spreading and selling.

And now just to bring it all home, Widowmaker is going on their biggest American tour. First with Ted Nugent. Then with Mahogany Rush.

Widowmaker is on their way to becoming a household word.

Direct From Duncan

Radio...

This note came across my desk last week from TERRY SLANE, Music Director of WGTO/Cypress Gardens, Florida: "Our special congratulations to BILL ANDERSON on his latest hit 'Head To Toe.' Listen to the song. It marks the very first time in the history of Country music that a vocal artist has given an organ recital." (Slane: you are going to have to stop smoking those alligators!)...It seems like everyone I talked to in Nashville this week somehow survived the madness of this year's Fan Fair. Some of the radio-related highlights included WWL's CHARLIE DOUGLAS acting as the emcee for the Independent label show...KVOO's BILLY PARKER and WLW/Cincinnati personality JACK RENO co-hosted the International Fan Club banquet and show...Radio Luxembourg did a three hour live broadcast from Columbia's studio B... "The Biffer" has more highlights and details in his column this week...By the way, for your information, PETE PORTER resigned his PD job at WPOC-FM/Baltimore. I neglected to mention that when I made the announcement of LARRY CLARK, from WEEP/Pittsburgh, taking over the position. Porter informs me he will be taking over a Pop/Adult station as Operations Manager sometime in July and will convert it to an all Country format upon his arrival. The station is somewhere in Pennsylvania. More facts later...There have been rumors of another Country station hitting the scene in St. Louis. I'll keep you posted...TOMMY WRIGHT has resigned his group-PD Job with Grab-et, Inc., who own KHOS and KRQQ-FM/Tucson and KLVC AM & FM/Las Vegas. Wright has been selected to host Tucson's portion of the ABC-TV "Good Morning America" show. He had been doing TV weather for the station and this should be a good shot for him. My best wishes to a good friend and excellent R&R reporter for the last three years. No replacement has been named yet by GM BILL PHALEN...THOM SMITH, GM of WDEM/Macon, Georgia, has announced the appointment of WALTER BARTLETT to the position of Director of Operations. Bartlett, who has been with WDEM for the past two years, will continue to do his afternoon drive air shift...ANDY ANDERSON is the new Assistant Operations Director at KFOX/Long Beach. He will be giving out the music information each week...PAT O'BRIEN has left KFOX to join KSON-FM/San Diego... "Big Al" GILSON has been promoted from weekends to the all night show at KGA/Spokane...WUBE/Cincinnati General Manager VERN WHEELER, was at the Beverly Hills nightclub May 28, the night of the tragic fire that made national headlines recently. Wheeler was the first to feed the story to the AP Network and the Independent Network in London. His account, naturally, was heard on WUBE, as well as, a local TV station...LEE PHILIPS, of WNYN/Canton, has been named PD of WOKO/Albany. He will take over the first of July. WNYN is looking for a new PD. After seven years with WOKO, "Cheerful Charlie" PITTS will be moving on. He is available after July 1. His home number is (518) 732-7924. Good man...June 17 and 18, KUGR/Green River, Wyoming, will be holding an open house in celebration of their first anniversary on-the-air...BILL ANDERSON's station in Provo, Utah, KFTN, has been given approval to increase their tower from 120 to 485 feet. The increase will give the station at least five times the coverage and should make them very much a factor in the Salt Lake City market, which is about 24 miles away. The new tower goes up sometime in September...WMC/Memphis PD BOB YOUNG announces the fourth annual WMC Music Workshop, July 9, at the Memphis Hyatt Regency. The seminar will teach interested folks about the business of being a songwriter and/or performer...NICK REYNOLDS, MD of WRCP/Philadelphia, has announced the station will increase its playlist from 35 to 40 current records...WPLO/Atlanta, is in the process of remodeling and expanding their offices and studios...WJJD/Chicago has a new mailing address, according to Operations Director BILL HART: 2355 Ballard Road, Des Plaines, Illinois, 60016...

...and Records

During Fan Fair, Phonogram/Mercury Records held a small seminar for their artists at the Vanderbilt Holiday Inn. Key executives of the label's operation, both Nashville and Chicago, were on hand to give the artist an insight to the workings of the company. According to FRANK LEFFEL, National Country Promotion Director, the response was tremendous. This is the first time the label has put together such a seminar...MEL STREET and BOB LUMAN have both been signed by Polydor Records in an expansion-of-the-label move...BRENDA MOON has been named Country Promotion Director for Starcrest Records, Nashville. She had been with GRT...Broadcaster and Country performer, MACK SANDERS, has created Pilot Records based in Nashville. Sanders heads up the vocals on a new Western Swing album to be released in late summer...MICKEY GILLEY and Gilley's Club, in Pasadena, Texas, are the subject of "Special Edition," a new half hour television program which will air in September...GEORGE KENT has been signed by HAL FREEMAN's Cin-Kay Records...RCA Records in Great Britain has had tremendous success by re-issuing 16 ELVIS PRESLEY singles, all of which have hit the British charts. The singles were released in celebration of "The King's" 21st anniversary in show business...

WLAS/Jacksonville, N.C., PD and morning man Royal Bruce leads the new station line-up (Nancy, midday; Don Ramon, afternoons; and Stu Wright, evenings and MD) in an inspection of the "little house out back" (or is that "little out house in the back") at their new studios. (To us at R&R it looks like this building could be called, The WLAS brick "hit" house!)

After the meeting and lunch, Hank Jr. performed for various one-stop, rack, distributors and radio people, along with WB Sales and Promotion executives. The meeting and show were held at the Sheraton Inn, Atlanta.

Biff Collie Inside Nashville

FAN FAIR '77: The thousands of fanatics from all over America, Canada, and 19 other countries who descended on this Music City like an attack of locusts, devouring the millions of souvenirs, pictures, autographs, and dreams, fulfilled at least in part with those moments the fans got to touch, talk and store away in their

favorite stars. Over 500 booths filled both the basement and the ground floor of Nashville's controversial Municipal Auditorium, forming an intricate web of artist, record and publishing company showcases in which the stars protect themselves from the affectionate physical crush of their adoring fans. The fan club booths competed for the prize as the best booth, and JOHNNY RODRIGUEZ' booth took the top prize. Second was JOHNNY CASH fan club booth, a professionally constructed bank, complete with teller cages, and \$1,000 bills with Johnny and June's picture on them. The ODESSA CHUCK WAGON served an elaborate western-type Texas barbecue meal midday each of the Fan Fair days, free for the registrants who

paid \$30. The fee also included admission to over \$200 worth of Country music entertainment, presented by all major record companies and talent agencies. This year they introduced, for the first time an independent labels show, dotted with big names, illustrating the number of outstanding acts on independent labels. JERRY WALLACE, CLAUDE KING, DAVID HOUSTON, DON KING, KENNY PRICE, RED SOVINE, BOBBY LEWIS, RANDY BARLOW, and a bunch of talented young record acts. CHARLIE McCOY was Music Director, TEX DAVIS produced the show, and WWL/New Orleans's CHARLIE DOUGLAS hosted. RAY GRIFF is drawing up plans for a new trophy room in his Nashville home after taking that six-foot Fan Fair softball tournament trophy home for the second straight year. If he wins next year, he'll keep the trophy permanently... BILL ANDERSON's "Horoscope-Scorpio" booth, MCA's dance contest JIM REEVES Enterprises' living mannequin, RONI STONEMAN's "Outhouse" (really!!), CON BRIO's "Hot Buttered Country Revue" and the continuous show featuring all RCA's Country artist roster in a slick video presentation, were among the heaviest regular traffic items on this year's midway. Five years ago I predicted that "Fan Fair" would become "the World's Fair of Country music," with a real mid-way, real sideshows, barkers, ultra-special international flavor and style. Conservatively, a quarter million dollars was spent in building

the over 500 booths at this year's Fan Fair; each year it becomes more elaborate. The estimated expenditure of the record crowd at this year's Fan Fair estimated conservatively at 15,000, according to the Nashville Chamber of Commerce was \$1,550,000 (less than a week). No wonder Tennessee's tourism spots suggest to the local populace "Be nice to our visitors; they're very nice to us!"

The annual reunion show drew nearly 200 Country music "oldtimers" from all over the world for an afternoon of reminiscing, renewing old friendships and some high-spirited pickin', climaxing in a salute to MERLE TRAVIS, including a "This Is Your Life"-type segment where, after Merle himself performed, we paraded across the stage special people in his life: his wife Betty, his teacher and inspiration, MOSE RAGER, who is 79 years old and played in public for the first time in 25 years (super!), GRANDPA and RAMONA JONES, ERNIE LEE, BILLY STRANGE, JOE & ROSE LEE MAPHIS, and CHET ATKINS. I had the thrill of hosting the reunion show, along with GRANT TURNER, DUKE OF PADUCAH, and MIKE HOYER. You should have heard and seen the closing "jam" center stage, with Chet, Merle, Mose, Joe Maphis, Billy Strange, TOMMY ALLSUP, and FRED CARTER "wailing" on Travis' classic "John Henry."

We had a wonderful time; wish you could have been there!

This is the new logo being used by KLVI/Beaumont, Texas.

WKCQ/Saginaw and the Saginaw County Police Chiefs Association sponsored a benefit country show at the Saginaw Civic Center, where all proceeds were donated to the Burn Unit at St. Mary's Hospital in Saginaw. The show featured Jim Glaser, Tommy Cash, Margo Smith, and Rex Allen, Jr. Pictured (L to R) backstage after the show are Rex Allen, Jr., WKCQ PD Tommy Samoray, Margo Smith, Kevin Hawley and Keith Smith, WKCQ air personalities.

POP/ADULT NOTES

MIKE KASABO

Many of us have had our share of problems with the telephone company in the past, but none quite like Meri Wilson. Her release on GRT, which she wrote and runs only 1:58, appears to be a runaway smash at WGST moving 19-11 in just the second week of airplay at that Atlanta station. New key play is recorded at WJNO, WGN, WCBM and WLNH.

The new America went right on WHIO and WHKM.

"Neon Nites" by the Atlanta Rhythm Section is already in hot rotation at WGGGA and was added at WCCO, KOGO, KBLF, WEEI-FM and KGB.

George Fischhoff's new release on Columbia "Piano Dancing" went right on KSL, WFTL and KDWN.

Peter Frampton's "I'm In You" showing some early P/A action at WTRX moving 38-19 and also reports hot at WQUD. See New & Active for latest station play.

The new Henry Gross showing some solid airplay action already at WASH, WCBM, KMBZ.

Engelbert Humperdinck shows continued airplay action with "Goodbye My Friend." Check New & Active.

Pablo Cruise is starting to show some Pop/Adult activity with "Whatcha Gonna Do." New adds include WASH, WTRX, WGGGA and WLVA.

The new Elvis, as usual, double-sided, and is splitting in the favor of "Way Down." The flip "Pledging My Love," which is the old Johnny Ace original, went on WFTL, WSB, WIOD and KHOW.

The new Bonnie Raitt getting some initial attention at KULF, KHOW and KUKI.

Linda Ronstadt's "Lose Again" has had it's best week so far...see 'New & Active. Same for Merrilee Rush's "Save Me."
