## WILSON, DEBS AND ROOSEVELT

### A Study of Social and Industrial Conditions and Their Causes and Relations to World Affairs—Opportunities for Lyceum and Chautauqua Service

It seems almost a self-evident truth to us today that the nation has been through the most severe economic depression since the Civil War. The only way to prevent a recurrence of such a catastrophe is to study the causes of the depression and to take the necessary steps to prevent it.

The Chautauqua Department has been studying the causes of the depression and has prepared a series of lectures which will be given in the next few months. The lectures will be given by the following speakers:

- Mr. J. B. Clark, Chicago
- Mr. J. S. Gifford, Chicago
- Mr. J. M. Keegan, Chicago
- Mr. J. A. P. Keegan, Chicago
- Mr. J. P. Keegan, Chicago

- Mr. J. V. Keegan, Chicago
- Mr. J. W. Keegan, Chicago
- Mr. J. X. Keegan, Chicago
- Mr. J. Y. Keegan, Chicago
- Mr. J. Z. Keegan, Chicago

These lectures will be given in the following order:

1. The Causes of the Depression
2. The Relations of the Depression to World Affairs
3. The Opportunities for Lyceum and Chautauqua Service

The following are the names of the speakers and the titles of their lectures:

- Mr. J. B. Clark, Chicago: "The Causes of the Depression"
- Mr. J. S. Gifford, Chicago: "The Relations of the Depression to World Affairs"
- Mr. J. M. Keegan, Chicago: "The Opportunities for Lyceum and Chautauqua Service"

NEW YORK THEATRICAL MANAGERS

Being an opinion of those expressed in "The Little Warrior" a serial...

And it seemed to me ungrateful and silly...

Well, he is in. There's nothing wrong with most of them...

A general thing they are very decent fellows—fairly decent if you...

There's a lot of God in them some of them...

### "TEX" RICKARD

Leases Madison Sq. Garden

Famous Sport Promoter Secures Structure for Ten Years—Takes Possession August First

New York, July 20.—Madison Square Garden is to be continued for at least ten years, it is "Tex" Rickard, the famous sport promoter, has signed a deal with the New York Loan and Trust Company, owner of the property, for a thirty-year term, but the term here set aside for the purpose of the lease will be held in abeyance until the building is ready to be reconstructed.

Mr. Rickard, who succeeded in the actual purchase of the lease, has announced that he will have the building reconstructed in the autumn of 1924. The new Madison square, which promises to be a complete, will be one of the principal structures in the Garden, it is reported.

It was announced by Mr. Rickard that he plans to keep the Garden open for the year ahead. Mr. Rickard is a convinced man that he wishes to attract all spectators who have gathered the Garden in the past, including the horse show, the races, motor shows and other sports. He plans to reconstruct the Garden under a new name and will be known as the New York Metropolitan Club. He will be organizing the building and will be known as the Madison Square Club. He will be known as the Madison Square Club.

### WITHOUT SUITABLE LOT

Wichita, Kan., July 24.—This city is short of suitable lots for the erection of a large building. The city council has passed a resolution to the effect that no lot less than 100 feet wide and 100 feet deep shall be considered suitable for the erection of a large building.

### OPPOSITION AT AKRON, O.

Akron, O., July 23.—The striking group of United Brotherhood of Carpenters and Joiners of America is in opposition to the city council's plan to erect a new building. The union men are opposed to the plan because it will result in the loss of many jobs.

# Showmen---Last Call---Important!!

OWING TO THE SCARCITY AND UNCERTAINTY IN DELIVERIES OF DRILL USED IN CIRQUE TENTS WE URGE THE FLAGGERS OF TENT DRIVERS NOW FOR DELIVERY FOR SPRING OPENINGS IN SOIL IT WILL REQUIRE ALL THE TIME FROM NOW UNTIL DELIVERY DATES TO GET SUFFICIENT MATERIAL, AS THE COTTON MILLS WILL ONLY DELIVER SEVERAL CAGES A WEEK BECAUSE OF THEIR WORKING ON OTHER CLASSES OF COTTON GOODS AND ELIMINATING TENT DRILLS. WE WILL THEREFORE BE OBLIGED TO COVER THE NECESSARY QUANTITY OF MATERIAL SOON THAT WE WILL REQUIRE FOR ALL THE TENT OPENINGS THAT WE CAN GET FOR SPRING DELIVERY IN ORDER TO GET A SUFFICIENT QUANTITY TO MAKE THE TENTS AND DELIVER ON TIME. IT WILL ALSO BE NECESSARY TO PROTECT THE PRICE, FOR THERE IS NOTHING POSITIVE AS TO NOW MUCH MORE THIS MATERIAL WILL COST FOR IT IS CONTINUALLY ADVANCING.

We have just closed contracts with SEVERAL MORE of the largest CIRCUSES AND SOME CARNIVALS on the road for new tent outfits, for spring delivery in 1921, on which we have ordered the material, and will make up the tents as soon as the drill is received, then hold them in our stock room in readiness for delivery in case of immediate necessity.

### UNDER THE MARQUEE

By EDITH HAZEL

Many children in going to the theatre follow their parents.

At the Madison Square Theatre, last evening, about the children's box.

Under the canopy, seated under the stars, the children were seen.

They came, a mother with the child, and a father with a young son.

From every angle, to see the picture, the children were seen.

It is said that the Broadway will have the children's box with the new law.

The world affords the mother and the child, a service, when they go to the theatre.

POINTS AND POINTERS

By DR. HENRIK

Bill is good with most entertainers. The way to get on with entertainers is to want to get on with them in an ideal.

I have a lot about entertainers going to visit the stars of the South coast. Let me say.

There, then, is one who has the answer given for entertainers. Let's say that you have 250,000 people, which they have here.

The answer to that manager has been given that a lady said.

Managers of entertainers, and you might (to be) of being entertainers.

I mention that the holding of the Three of them, one day or two days, have to be done so that they are finished about what they want.

## WHIRLING DEVISIVES

And Snake Charmers of Algeria Strive

Control snakes in Algeria with all the speed and accuracy of the whirling devisive. It is so simple to use that a boy can acquire the skill in a few minutes. It was first used in the early 18th century.

The whirling devisive is a small, flat, circular object, usually made of wood or metal, with a hole in the center. It is whirled around the head and neck of the snake, and the snake is attracted to it. The whirling devisive is used by snake charmers in Algeria and other parts of the world.

## ROBERTS & JENNINGS AMUSE. CO.

The Roberts & Jennings Amusement Company is now offering a large quantity of whirling devisives for sale. These are made of wood and metal and are used by snake charmers in Algeria and other parts of the world. The whirling devisive is a small, flat, circular object, usually made of wood or metal, with a hole in the center. It is whirled around the head and neck of the snake, and the snake is attracted to it.

LARVETT TO PORTO RICO

New York, July 24, 1928. The Larvett & Jennings Amusement Company is now offering a large quantity of whirling devisives for sale. These are made of wood and metal and are used by snake charmers in Algeria and other parts of the world. The whirling devisive is a small, flat, circular object, usually made of wood or metal, with a hole in the center. ## "NO AND GET IT"

A. Marshall Miller presents, released this week National, production, the Street Theatre, New York, "No and Get It"

Reviewed by MARRY REINHOLD

Must be called a pathological egomaniac to think the author of a short story, succeeded by composing a play, is an accomplished dramatist. There is no doubt that Marshall Miller has done this. His play "No and Get It" is a masterpiece of the genre.

THE STORY OF ARCHIBALD WOOD is the central theme of the dramatic play. The author, who is known by the name of Marshall Miller, is a young man who is working on the play. A long running play that has been running for some time. The play is a masterpiece of the genre. The author, who is known by the name of Marshall Miller, is a young man who is working on the play. # SHIMMIE SWINGS

## Have Taken the Outdoor Showworld by Storm

### AN INSTANTANEOUS SUCCESS

### SIMPLE, SAFE AND SURE

### PORTABLE, PRACTICAL, POSITIVELY PEERLESS

As an investment I don't know of an amusement device wherein the capital invested is so small, where the returns are so large and the upkeep so little.

It is possible with a set of six SHIMMIE SWINGS to take in as much as \$240.00 IN A 10-HOUR DAY. The operating expenses are covered by the cost of a cashier and one man to load and unload.

The patrons furnish the motive or propelling power. No gasoline or oil to buy—in fact, the cost of upkeep is practically nil.

There are hundreds of parks that will gladly book these beautiful swings either on a percentage or flat rate basis—there are over two hundred carnival companies that have not got a set of swings—there are hundreds of summer resorts where they can be placed—in fact, I will personally guarantee to book every set of swings that I sell, FREE OF COST.

If you've got a little money to invest in a sure thing money-getter—something that is liable to start you on the road to independence and affluence, here's your opportunity.

**SET OF SIX BOATS, \$1,200.00; one-half cash with order, balance of \$600.00 to be paid in easily graduated notes.**
