**FROZEN
CHART**

NEW YORK This first edition of Billboard for 1987 is Volume 99, No. 2. Billboard publishes 51 times a year, ending the year with a double issue and skipping the first week of the new year. Hence, there is no issue No. 1. This keeps Billboard synchronized with the U.P.C. code that appears on page 1 each week. Put the blame on progress.

Actual note from the 1/10/87 issue of *Billboard*.
