Records Are Better Than Ever

For years now, the more esthetic souls both in and out of the music business have decried what they considered the poor quality of songs and records which they claimed the industry was turning out. They objected to the "new sound phase", the shouting phase and the other phases which the record industry passed through.

But in the last few months, we've noticed a definite decline in the number of these complainers. And as a matter of fact, at the present time many of the complainers have gone completely over to the other side. The opinion now seems to be that records are getting better than ever.

These people are right. Records are getting better and better and there's a simple explanation for it.

In the past several years a revolution in this nation's musical tastes has taken place. Folk music and music based on folk origins has come into its own. More of America's popular music than ever now comes from the Nashville area from writers who either were hillbilly artists or who were influenced by them.

At the beginning—and the beginning was just after the war—these tunes were taken over in their entirety, without changes, by pop artists in the music field. To those writers and record people who were accustomed to the polished tunes of New York composers, these new melodies and lyrics seemed harsh. To them it represented the decline of the popular idiom.

But as folk music became more and more accepted by the public, even the established writers had to make some attempt at that form. And so over the past few years, we have witnessed folk-like songs written by authors whose only knowledge of Nashville is that it is somewhere south of New

York. Naturally these top writers brought their own polish to the folk medium so that these songs sounded better to those who liked both folk music and also the more sophisticated popular music.

In addition, the folk artists, who originally introduced these tunes—usually writing them themselves—have also, over the years, become more sophisticated. They have earned a great deal of income in a short while and their tastes and conception of the world has changed. This has to be reflected in the songs they write—and it is.

This polishing of folk music has led many observers in the field to come to the wrong conclusion that folk music is losing its influence on the popular market. Such stories have been printed recently in other trade papers. On the face of it these conclusions are obviously wrong. For by just going over the list of the top 50 tunes in the nation, you can easily see how many have either come directly from the folk field or have been influenced by it. These mistaken observers have misunderstood this fact—that folk music has been evolving into a more polished form. They have heard the more sophisticated versions and this has led them to the belief that folk music is losing its influence.

It isn't. And as a matter of fact, as it grows more polished and meets the needs of even greater amounts of people, it is more strongly entrenching itself into the American culture.

Today therefore we can truly say songs and records are better than ever. For we have gone through a great change in American tastes. The rough edges have been smoothed out. And what we can look forward to in the future is even better songs, better records from this great music industry of ours.

The trade was saddened this week by the untimely passing of Art Segar, president of Segar Records. Many of the jocks who new Art through his promotional journeys knew him to be one of the finest in the music business. . . . First guest to visit with Jack Dugan since he moved to WGAT-Utica, N. Y., was Laurie Layton, Jubilee's new recording artist. Jack extends an invite to all artists passing through Utica, to stop in and chat a chat. . . . Visiting jocks in New York this week included Lou Barile (WKAL-Rome, N. Y.), Mitch Reed (WITH-Baltimore, Md.) and Dick Gilbert (KTYL-Phoenix, Ariz.).

BOB DREWS (WAAF-Chicago)

Pic of the week—Bob Drews has completed his announcing chores as far as stock car racing from Soldier Field, Chicago, is concerned. This car crazy guy is getting his own car and will now partake in races. Better move the stands back an extra 100 yards or so. . . . Buddy Friedlander and Rusty Draper will visit with New York jockeys on September 21 and 22. Following day, Rusty opens at the New York Paramount Theatre. . . . Don Kimmel (WCAP-Lowell, Mass.) vacationing in New York will hit a low ball this week when his future mother in law was hospitalized with a cerebral hemorrhage. Connie Gerber, Don's attractive fiance who works for Capitol Records in New York, says: "I work with the greatest bunch. Dick Linke is a genius; Sid Feller is one big sweet guy and the rest of the gang are tops." . . . Elmer Snodgrass (WAKE-Greenville, S. C.) asks that agents of record stars get in touch with him for personal

appearances on proposed Saturday shindigs. . . . Topper's new show, aired over WENR (ABC outlet in Chicago) from midnite to 3 a. m. Monday through Friday is something quite different for a deejay radio show. Refreshments are served continuously and the public is invited to "stroll in." Plus music and guest interviews. Program attracting lots of stay-up laters. . . . George Goldner, Tico and Rama prexy, on a three-week trek through key cities, will visit with distribs and jocks to stir up action on his mambo disks. The mambo craze is spreading rapidly and Goldner is anxious to get with jocks who are not yet hup to the Latin beat. . . . Some radio station or record exploitation firm would do well to get with Vic Cowan, recently of WINS, N. Y. An excellent programmer, Vic handled production, script, etc., having assisted dj's Jack Lacy and Charlie Stark.

Jack Walker (WOV-New York) no longer has the sweet voiced gal, Evelyn Robinson, working with him. Reason is that Miss Robinson has taken over the reigns of her own show, "Ladies Day," also on WOV. . . . WQAM running large space advertising in the Miami newspapers plugging Harry Burge and his Juke Box Serenade, Monday through Friday, 4:45 to 6 P.M. Harry presents the day's top ten tunes on Greater Miami's Juke Boxes. . . . The Cash Box scroll to The Clovers, Atlantic's "hot" vocal group, was presented last Thursday at the Apollo Theatre in Harlem. The Clovers won the recent Cash Box disk jockey poll as the most programmed rhythm and blues vocal group in the nation.

JERRY DUANE
(Trend 59; 45-59)

C "LONDON IN JULY" (2:51) [Criterion ASCAP—Duke, Cahn] Van Alexander's perk sets up a fitting showcase for Jerry Duane's tenor vocal job on a pretty ballad. Effective reading.

C "WILL YOU STILL BE MINE?" (2:33) [Embassy BMI—Dennis, Adair] A happy ditty with a jump backing by Van and the crew is treated in ok fashion by the soloist.

RALPH FLANAGAN ORCH.
(RCA Victor 20-5451; 47-5451)

B "SOMETHING SPECIAL" (2:32) [Coachella ASCAP—J. Rotella] Following fast on the heels of his "Rub-A-Dub-Dub" clicker, Ralph Flanagan comes through with another exciting piece of jump instrumental wax. Slow drag and solid remaining sound is terrific.

B+ "PETER PIPER BOOGIE" (2:48) [Coachella ASCAP—R. Flanagan] Buddy Victor, the Young Sisters and the boys in the band handle the vocal chores on this rocking boogie item that's loaded with belt. Real raucous side that could click too.

DAVID ROSE ORCHESTRA
(MGM 30802; K-30802)

B "NOSTALGIA" (3:16) [Bergmann, Vocco & Conn ASCAP—D. Rose] The lush strings of the David Rose orch set up an imaginative and most beautiful backing for Woody Herman's bluesy sax solo of a slow number.

B "SEPTEMBER SONG" (3:06) [Crawford ASCAP—Well, Anderson] A lovely oldie currently being revived in the musical production, "Knickerbocker Holiday," gets the beautiful treatment of David Rose. Lush and illustrious listening.

LARRY CLINTON ORCH.
(Bell 1004; 45-1004)

B "VAYA CON DIOS" (2:54) [Ardmore ASCAP—Russell, James, Pepper] With Larry Clinton and his men supplying the backdrop, Anne Lloyd comes through with a fine bit of multiple voice coverage of one of the country's current hits.

C "P.S. I LOVE YOU" (2:48) [La Salle ASCAP—Jenkins, Mercer] Another oldie that was recently revived by the Hilltoppers is being styled by Anne L. Larry offers her a fitting backing.

TABBY CALVIN & THE CHORDIALS
(Kern 2725; 45-2725)

C "JINNETARIS" (2:15) [Richard Joy BMI—Joyce, Richards] Tabby Calvin takes on a pert and happy childish voice for her treatment of a "Mairsey Doates" type of novelty that comes over lightly. The Chordials accompany with whistling and harmony.

C "WHIFFENPOOF" (2:20) [Miller ASCAP—Minnegerode Pomeroy, Galloway] The famous Yale University classic gets a new and refreshed treatment from the Chordials as they first treat the number softly and blend into a jump styling. Interesting.

THE CASE BOX SLEEPER OF THE WEEK

"PA-PAYA MAMA" (2:13) [Sheldon BMI—Coleman, Gimbler, Sandler] PERRY COMO (RCA Victor 20-5447; 47-5447)

"YOU ALONE" (2:46) [Roncom ASCAP—Stillman, Allen]

PERRY COMO

● Although not a N. Y. Yankee, Perry Como is gunning for his fifth flag in a row. In the record field, that is. Starting with "Don't Let The Stars" Perry has had four consecutive smashes in "Say

You're Mine Again," "Wild Horses" and currently, "No Other Love." With variety an important factor in his waxings, the warbler dishes up a gay beaty number with a happy Mexican flavoring with an introduction similar to "Stars." It's a real lively platter with Hugo Winterhalter, the ork and the chorus adding a punch to this novelty, labelled "Pa-Paya Mama." On "You Alone," Perry hands up a moving reading of a terrific love song and for the first time in his career he sings in Italian on a record. Another great accompaniment by the Winterhalter crew enhances the beauty of the deck. Either end could smash through for the artist.

"LOVE WALKED IN" [Chappell ASCAP—Gershwin, Gershwin] THE HILLTOPPERS featuring JIMMY SACCA (Dot 15105; 45-15105)

"TO BE ALONE" [Randy-Smith ASCAP—B. Vaughn] of the boys' latest release should be sitting right up at the top. On one end, they take a top quality Gershwin standard, "Love Walked In," and belt it out to a sensational shuffle beat with Jimmy Sacca carrying the vocal lead in grade "A" fashion. The instrumental accompaniment by a guitar, piano and organ adds a great quality to the rendition. The segment where the piano takes a solo run is very infectious. "To Be Alone" is the lovely ballad on the flip side. It's a beautiful song with a powerful set of lyrics which are perfectly wed to a great melody. Another two sided smash for the crew.

THE HILLTOPPERS

● Here's a two sided followup by the Hilltoppers that can't miss. As in the case of their current hits "P.S. I Love You" and "I'd Rather Die Young," it looks like both ends

"ANSWER ME, LORD ABOVE" (2:35) [Bourne ASCAP—Sigman, Winkler] FRANKIE LAINE (Columbia 40079; 4-40079)

"BLOWING WILD" (2:57) [M. Witmark ASCAP—Webster, Tiomkin] solid sides which should also be strong contenders for laurels. "Answer Me, Lord Above" is a slow semi-religious number with a similarity to "I Believe." Backed by Norman Luboff's chorus and Paul Weston's subdued orking, Frankie gives everything he's got for the emotional and moving number that builds. It's a real strong side with an overall excellence. "Mr. Rhythm" does a first quality job on "Blowing Wild" too. It's a beaty rousing chant on the style of "High Noon" and will be sung by Frankie in the motion picture "Blowing Wild." The number was written, incidentally, by the author of "High Noon," Dimitri Tiomkin. Both decks rate in the "A" class.

FRANKIE LAINE

● Currently making a strong bid for top honors with his rousing version of "Hey Joe," Frankie Laine follows through with two

LEE RICHARDSON
(Lloyds 104; 45-104)

C "DON'T TAKE YOUR LOVE FROM ME" (3:05) [ASCAP—Nemo] A biggie of a few years back that's now on the come back trail, is treated to a deep voiced rangy reading by Lee Richardson. Number has a blues air.

C "I HAD TO LOVE AND BURN" (3:00) [ASCAP—Johnson] Lee comes out with another deep rounded voiced job on a ballad. He sings with oomph.

LOUIS PRIMA ORCHESTRA
(Columbia 40064; 4-40064)

B+ "BARNACLE BILL THE SAILOR" (2:25) [Peer International BMI—Robinson, Luther] Louis Prima is back on wax once again and with a solid contender at that. With Keely Smith to help on the vocal, he bounces through the revamped lyrics to the popular ditty that's been around for ages. Could hit again.

B "SHEPHERD BOY" (2:28) [Roger ASCAP—Bagdasarian] Keely and Louis hop through another lively piece with plenty of beat and excitement. A catchy novelty full of zip.

THE FIESTA EIGHT
(RCA Victor 20-5439; 47-5439)

C "RUMBA RHAPSODY" (3:00) [Remick ASCAP—R. Audinot, A. de Brui] A popular rumba in the U. S. for quite a number of years gets a rhythmic going over from the Fiesta Eight. Appealing rhythm augmentments the pretty piano lead. Good Latin filler in the jukes.

C "ALMA LANANERA" (2:12) [Peer International BMI—Gitierez] Many instruments take part in this lively Latin beat item. Makes for ok listening.

CINDY LORD
(MGM 11575; K-11575)

C "HAPPY HAPPY HEART" (2:47) [Alamo ASCAP—De Rose, Tobias] Pert voiced Cindy Lord liltz through a happy bouncer with an catchy and inviting novelty air. Wonderful accompaniment by Joe Lipman's ork.

B "SOMEONE IS CRYING" (2:20) [Mills ASCAP—Bidari, Venuto, Wood] The sweet voiced thrush hands in a beautiful vocal job on this end as she romances through a ballad. Another fine job by the ork.

DOROTHY SQUIRES
(London 1371; 45-1371)

B "FROM YOUR LIPS TO THE EARS OF GOD" (2:44) [Regent BMI—N. Willmot] Supported by the lush backing of Malcolm Lockyer, Dorothy Squires offers a tender and touching semi-religious item, real moving. A wonderful set of lyrics. She has a tear in her voice. Might happen.

C "SORRENTO AND YOU" (2:46) [Box & Cox ASCAP—W. Brown] Used here in a male's introduction is Dorothy as she softly treats a pretty ballad. Her voice is most inviting.

LU ANN SIMMS
(Columbia 40084; 4-40084)

ⓑ "I WON'T BE HOME NO MORE" (2:20) [Acuff Rose BMI—H. Williams] Lu Ann Simms offers a pop treatment of Hank Williams' big country hit in her individual manner as Percy Faith's ork assists with a fitting ork job. Number really jumps.

ⓐ "YOU COULD BE MY LOVE" (2:15) [Old Town BMI—L. Patterson] The fragile quality in Lu Ann's voice comes through on this end as she lilts through a steady jump beat item.

JOE MARINE
(Decca 28817; 9-28817)

ⓑ "MARIA ELENA" (2:50) [Peer International BMI—Barcelata, Russell] Joe Marine does a solid job of emoting in his treatment of a lovely oldie. The guitar in the backdrop supplied by Charlie Taylor's ork adds that Italian flavor to the number.

ⓑ "MASQUERADE OF BROKEN HEARTS" (2:32) [Leeds ASCAP—M. Curtis] Joe Hums the introduction and eases into a soft ballad with a country flavor. A warm offering with a pleasing result.

JO ANN LEAR
(Gira 2)

ⓐ "GI-GI-GI-GIRA CON ME" (2:13) [Gilio BMI—N. Gilio] A pretty waltz number gets an inviting waltz treatment from Jo Ann Lear as the Steve Maik ork assists with a pretty backing. Chorus adds effect to a pretty tune.

ⓐ "ENJOY WHAT YOU'RE DOING" (2:38) [Gilio BMI—N. Gilio] The Latin beat takes over on this end for Jo Ann's appealing version of a light and cute item with lyrics that carry meaning.

JAN AUGUST
(Mercury 70206; 70206 x 45)

ⓐ "DANCING IN THE DARK" (2:21) [Harms ASCAP—Schwartz, Dietz] The flowery Jan August piano style sounds particularly smooth as he renders a lovely standard. Real soft dinner music.

ⓐ "NIGHT AND DAY" (2:19) [Harms ASCAP—C. Porter] The talented artist works over another standard and comes through with a fine job. Both decks make for good filler material in the boxes.

THE CASH BOX DISK OF THE WEEK

"AM I TO BLAME" (2:20) [Feist ASCAP—Lewis, Baer]
"WHY BREAK THE HEART THAT LOVES YOU" (2:18)
[G. Paxton ASCAP—Nelson, Kaye]

BOB CARROLL
(Derby 831, 45-831)

BOB CARROLL

● Bob Carroll, who cracked down and showed his ability with the hit "Say It With Your Heart," comes up with another

lovely ballad that has the qualities needed for hitdom. "Am I To Blame" is a romantic ballad with a pleasing lilt to it on which Bob opens up and sings with a round and pleasing voice. The melody and the lyrics go well together and with Jimmy Leyden's ork and a chorus in the backing, the results are terrific. "Why Break The Heart That Loves You" is the dubbing on the lower lid and features another good showing by Bob. The tempo for the number lilts along contagiously and adds a colorful atmosphere for the vocal. Look for "Am I To Blame." Should be a big one.

LEO DIAMOND
(Ambassador 1004; 45-1004)

ⓐ "OLD VIENNA" (2:51) [G. Schirmer ASCAP—L. Godowsky] Leo Diamond does a solid job on the harmonica as he lilts through an inviting number with a catchy melody.

ⓐ "MOUNTAIN HIGH-VALLEY LOW" (2:23) [Golden ASCAP—Scott, Haighen] The ork sets up another fancy backing for Leo's effective harmonica instrumental with an oriental flavor. Should get spins.

BILLY LIEBERT ORCH.
(Imperial 8209; 45-8209)

ⓐ "TILAT OLD GANG OF MINE" (2:14) [Bourne ASCAP—Henderson, Rose, Dixon] One of our great oldies comes back with an added warmth as presented by the fleet keyboard styling of Billy Liebert. Accompaniment by the ork fits well.

ⓐ "MOONLIGHT COCKTAIL" (2:15) [Jewel ASCAP—Roberts, Gannon] Another top standard of not too long ago is treated on the 88's by Billy. The lilting fashioning is infectious.

KID ORY'S CREOLE JAZZ BAND
(Good Time Jazz 84)

ⓐ "MAPLE LEAF RAG" (2:24) [Scott Joplin] The favorable rag time sound is well portrayed by Kid Ory's jazz crew as they ease through the appealing music. Instrumental solos come over well.

ⓐ "WEARY BLUES" (2:31) [Arlie Matthews] The boys pack a load of sock and excitement into this quicker beat side with plenty of rhythm and oomph.

VICENTICO VALDES
(Secco 7310; 45-7310)

ⓐ "LA ENANADORA" (2:30) [E. Jorjiri] Rene Hernandez sets up a rhythmic mambo backing for Vicentico Valdes and his Spanish reading of a pretty tune. Slow and appealing but fitting for highly specialized locations.

ⓐ "PLAZOS TRAISSONEROS" (2:28) [L. Marqueti] Another Spanish reading of a Latin piece is invitingly styled by the balladeer. Fans of the music should love both ends.

TEDD LAWRENCE & THE SKYSCRAPERS
(Roma 16; 45-16)

ⓐ "SKA-DOODLE" (2:26) [Fifth Ave. BMI—M. Craft] A good shuffle rhythm jumper that's loaded with pep gets a fashioning from Tedd Lawrence and his Skyscrapers. Tedd does a bit of warbling on this end.

ⓐ "LOST IN THE SHUFFLE" (2:25) [Fifth Ave. BMI—M. Craft] Another solid instrumental arrangement is offered by Tedd and the gang. A steady and good piece of dance material that should go well in the dancing locations.

BILL HEYER
(Okeh 7007; 4-7007)

ⓑ "CLOSE YOUR EYES AND DREAM" (2:34) [Al Gallico ASCAP—Marchese, Stock, Meadows] A light and inviting number gets a pretty vocal job from Bill Hoyer as Joe Reisman and the ork accompany. A good delivery on an interesting number.

ⓑ "THEY MUST HAVE CHANGED THE CORNER" (2:13) [Rush BMI—S. Howard] The Leyden Brothers set up an up beat tempo for Bill's recital of a tasteful item. The chorus joins in to add to the deck.

PATTY ANDREWS
(Decca 28852; 9-28852)

ⓑ "I FORGOT MORE THAN YOU'LL EVER KNOW" (3:08) [Fairway BMI—C. Null] Patty Andrews sends up a sincere and colorful reading of a tune that's bidding for the top in the country market. Jack Pleis adds a country flavored guitar to the orking.

ⓐ "WHAT HAPPENED TO YOU" (2:48) [Masque IND—W. Byron] Patty has plenty of tenderness in her voice as she caresses the lyrics of a lovely ballad to a slow waltz tempo.

MARILYN MILLS
(Coral 61056; 9-61056)

ⓑ "DARLING COME HOME" (2:45) [Sam Fox ASCAP—Kennedy, Singer] The soft and fragile voice of Marilyn Mills makes an impressive debut on a tender waltz item that she presents with heart. Don Costa sets up the fitting accompaniment.

ⓐ "TILL THEY'VE ALL GONE HOME" (2:35) [E. H. Morris ASCAP—Alstone, Hilliard] The sweet voiced thrush offers another waltz item on a tune that's making a stir on the charts. A pretty tune with meaning. Fine lyrics.

JOSE MORAND ORCH.
(RCA Victor 20-5395; 47-5395)

ⓐ "LAS VEGAS MAMBO" (2:39) [Pemora BMI—R. Martinez] A good piece of mambo material is belted out by the instruments of the Jose Morand crew to a rhythmic beat that should go well in the spots where this music takes. Solid dance stuff.

ⓐ "DREAM MIST" (3:01) [Pemora BMI—R. de Kers] The band does a good job of portraying the title in a soft Latin tempo manner. Real dreamy material on the quiet and romantic side.

NEW YORK:

After a week of holidays, the music biz is really swinging into high gear. Top records are coming from both the majors and independents and all signs point to tremendous business . . . It seems to us that one of top future stars in the record field will be Bob Dini. Bob, who records for Larry Newton's Derby

BOB DINI

label, already has a hit in "Too Long," and his next disk can't help but be a smash. Currently in the army, Bob is slated to take over the spot Eddie Fisher used to have on the army shows . . . Some radio station or record exploitation firm would do well to contact Vic Cowan (it can be done through The Cash Box) who was recently at WINS and who has programmed shows, handled production, written script and assisted such top djs as Jack Lacy and Charlie Stark . . . Dinah Washington is showing what a great artist she is with a completely new show done at Cafe Society which features pop standards and even spirituals . . . Everyone in the record business who knew him has been saddened by the sudden death of Art Seger, who was head of Seger Records. Art was one of the sweetest guys in the business and we're going to miss him . . . Lennie Wolf informs us that Audivox is preparing its first EP featuring the Raymond Scott Quintet and Dorothy Collins . . . King Records is going all out in promoting Bonnie Lou's "Tennessee Wig-Walk." Frankie Lohmann is working on the disk . . . Ed Walker has joined Bob Hammer, handling disk promotion.

CHICAGO:

Met star, Helen Traubel, the talk of the town. This great lady had first nite audiences at the Chez Paree beginning for many. Haven't heard deafening applause like those she received in years. "Specially when she renders that 'native folk song,' 'St. Louis Woman.' What a talent! . . . Another opening nite audience cheered Jim Lowe at the Edgewater's Marine Dining Room, as he gives out with his own compositions, 'Gambler's Guitar,' 'Lighthouse,' and 'Pretty Fiddle Darn!' All Jim's Chicago friends pulling for the lad to really make the grade. . . . Mike Maitland announces that Si Paul, formerly with Capitol's Philly office, replacing Don Foreman here in the Windy City effective October 1 . . . Bestest of best wishes and warmest congratulations to Rocky Rolf and his Betty Calamari on their coming marriage. We wish them only health, wealth and loads of happiness. Nice letter from one of the sweetest guys in the biz, Herb Kessler. Herb all thrilled with reception being given Al Alberts' first solo effort . . . After closing Chicago Thitter, Ames Bros. headed away out East and opened the Statler Hotel, Washington, D. C. . . . Chicago Theatre show now headed by The Gaylords, in their very first Chicago appearance. Art Karel, the 'A' Train's . . . Abe Chandler . . . Lorene Younglove has replaced Evelyn Aron as record librarian at Station WIND . . . Georgie Shaw, handsome, new addition to Decca's stable, spent a couple days in town, plugging his latest, "Rags To Riches." Hopped from one deejay to another, as Larry Green stands by and beams his approval . . . Marty Hogan just back from a few busy weeks in the big town . . . Julius La Rosa's "Eh, Cumpari" has really broken wide open. Disk, which didn't even show as recently as two weeks ago, is now the number one seller here . . . Seems the greatest variety of deejay shows is offered after midnight. With programs headed by Howard Miller, Linn Burton, Topper, Jim Mills, and several others. And all past the witching hour.

LOS ANGELES:

First came "Dragnet" then the Jack Webb theme was played backward and we got "Tengard" (Dragnet spelled backward). Now Capitol has released a hilarious new twist to the Dragnet theme called "Goes to the Sun" . . . Also two brand new sides by the ever popular Kay Starr have just been released by Capitol called "Swamp Fire" and "When my Dreamboat Comes Home" . . . Another popular Capitol artist, Duke Ellington, comes up with his second release titled "Voodah" which is a revision of the old time favorite "Take the 'A' Train" . . . Abe Diamond's eyes lit up like 40 watters when he heard that Al Jarvis had gone out on the limb and predicted that the waxing of "Of Shore" on the Ambassador label would be a hit. Abe paused from all the excitement and calmly stated that construction will soon start on his new building. This will make him the only distributor along Pico to own his own building . . . Spike Jones had them rollin' in the aisles when he put on another of his Musical Depreciation Revues at the Pasadena Civic Auditorium recently. Spike returns from a tour of one nighters and a successful engagement at the Sacramento State Fair. He plans more recording sessions for Victor . . . Before signing with MGM records, Vicki Hens cut "Don't Make Waves" on the midnight predict will be released October 15th under the new Della label. We also hear that Della's current big seller "This is New York" is now number 15 on the charts at Wallihs' Music City . . . At Sunland Music Company Gordon Wolf reports that they have so many hits that he's considering changing the firm to "The House of Hits" . . . Local Mercury Distributor, Harry Bloom, says that Vic Damone's vocal version of "Ebb Tide" is getting a lot of reaction from operators and deejays. Claims it should reach the top pop lists before very long . . . QUOTE AND UNQUOTE—Jack Lewis, California Music Company "It is my prediction that Eartha Kitt's new release of 'I Want to be Evil' will be twice as big as her waxing of 'C'est Si Bon' . . . The big news this week is that the powerful PYE TV and radio concern is breaking into the record market. A long-term plan to press and distribute records featuring British, American and Continental artists is now being put into operation. Charles Stanley chief of the \$12,000,000 Pye organization said "Our records will be available to the public in a few weeks." Though no American label has been mentioned, it is strongly rumored that negotiations are at present going on with the Coral label which is not available in this country as yet.

Arrived this week for his two weeks at the Palladium in Bob Hope. This time he is accompanied by lovely Gloria de Haven who gets a very nice slice of the bill posters. They're off to Belfast and Dublin before the London opening.

"Crying in the Chapel" has been banned by the BBC as I thought it would be and some restrictions have been imposed on the performances on "Vava Con Dio" Still there is always Radio Luxembourg and the D.J.'s over there have made many a tune for the publishers and the record companies. . . The "Gentleman Prefer Blondes" pic has been shelved till January 1954 because of an embargo operated from New York. This was to protect a possible stage version here. Jack Hylton who was interested in the stage production could not proceed with it as he could not find a suitable leading lady. All the same there is no embargo on the release of sheet music so next week the new wows will ring out those cheerful tunes (if not banned!).

Rose Murphy ("Chee-Chee") left these shores on Thursday for New York where she will be playing the Blue Angel. . . Thanks to Sid Parnes I got to hear Eartha Kitt's platters and fail to see why HMV doesn't re-release them over here. "C'est si bon" is a natural both for the Dee-Jays and the public. So why must the public wait months to get the opportunity of buying a good record. . . wouldn't be surprised if they decided to issue it on the Overseas label!

One of our leading independent labels has turned out a winner in the "Wondertones" recording of "Mystery Street." Someone ought to get on to those young fellows who turn out such fine disks. . . Yes indeed that Polygon label may not be the biggest but it certainly has a big future.

13 Man Victor Sales Team Kicks Off New Glenn Miller Album

Manie Sacks, RCA Victor Records vice president and general manager (seated), and Larry Kanaga, general sales and merchandise manager, go over the company's plans for the new Glenn Miller Limited Edition album.

counter display merchandiser. Since the Miller set comes wrapped in cellophane the demonstration disk is provided so that dealers will not have to break open an album. The counter display is designed to display both the 33 $\frac{1}{3}$ and 45 rpm versions of the set and is designed so that it not only shows off the merchandise but also serves as a self-service unit. Dealers also are being allocated a special Miller streamer for wall or window use.

6. Distributor Level Publicity and Promotion—Each distributor is receiving a publicity and promotion kit containing photos of Miller and stories about the late bandleader. All of these are designed for local placement. A second section of the kit contains tips for local promotion stunts.

6. Advertising—In their talks before distributors, RCA Victor executives unveiled the national advertising campaign, which includes trade advertising and spots on RCA Victor's network radio and TV shows.

NEW YORK—RCA Victor record department top brass kicked off the company's new Glenn Miller Limited Edition album with a week-long series of distributor sales meetings, ending on the 19th.

The Miller album, which contains five, 33 $\frac{1}{3}$ rpm or fourteen, 45 rpm records, will list at \$24.95. Conceived along the lines of the Beethoven Ninth of last year, it is felt that the Miller set may do twice the business garnered by the Toscanini album, which racked up sales totalling \$1,000,000.

In informal talks before distributors in every major U.S. market, a 13-man RCA Victor sales task force pointed up the potential of the Miller set and showed off the sales aids devised by the record company. Major points covered in the presentation included:

RCA Victor's sales task force for the special Miller meetings with distributors included: Howard L. Letts, Assistant General Manager of the New York Department, who covered New York, Newark, Albany and Syracuse; Roy McClay, General Plant Manager, and Larry Kanaga, General Sales and Merchandise Manager, who handled El Paso, San Francisco and Los Angeles; Bill Alexander, Advertising Manager, who spoke in Kansas City, Omaha, Sioux Falls, Minneapolis and Milwaukee; Frank Amaru, Manager, International Record Sales, Domestic Department, who handled Charlotte, Knoxville, Birmingham, Atlanta and Miami; Bill Bullock, Manager, Sales Planning Section,—Chicago, Davenport, Peoria, St. Louis and Louisville; Jack Burges, Manager Domestic Commercial Field Sales Section,—Buffalo, Cleveland, Toledo, Detroit and Saginaw; Bob McCuskey, Manager, Country and Western Sales Section,—Indianapolis, Cincinnati, Huntington, Pittsburgh and Harrisburg; Bernie Miller, Manager, Public Record Promotion Group,—Richmond, Washington, Baltimore and Philadelphia; Ben Rosner, Manager, Advertising Services,—Memphis, Little Rock, Shreveport and New Orleans; Irwin Tarr, Manager Coin Operator and Syndicate Store Sales Section,—Denver, Salt Lake City, Portland, Seattle and Billings; Dick Weddell, Manager, Red Seal Promotion Group,—Oklahoma City, Amarillo, Dallas and Houston; and Bob Yorke, Manager, Merchandising Section,—Portland, Boston, Providence and Hartford.

Arthur Seger Dies

NEW YORK—The trade was saddened this week by the sudden death of Arthur Seger, president of Seger Records. He died Friday, September 11 after failing to recover from an operation which he underwent several days before.

One of the most universally admired men in the business, Seger won many friends through his sincere concern and desire to help those whom he came into contact with.

In the record field, he made his mark as an independent manufacturer by introducing Bernice Parks to the American record buying public. It was also through the Seger label that the songstress came to the attention of the trade.

Recently Seger, who always had an eye out for the unusual, had cut Margaret O'Brien and her disks were waiting for release when he took ill.

Seger entered the record business right after the war and had various companies including Asa Records and Top Ten Records.

Comment among his friends in the field this week was that the entire music business would miss him and the humanitarian qualities and approach which he brought to the industry.

Ellington Dedicates "Artist's Society of America"

CHICAGO—On Tuesday, September 15, Duke Ellington officially dedicated "The Artists Society of America," created to aid new talent in all phases of the entertainment field.

Meeting, attended by approximately 50 guests, including disk jockeys and newsmen, was held at the Sutherland Hotel, recently chosen national headquarters for the society.

As Duke says, "People in show business are noted for their tendency to help everyone but themselves. We want to try to aid our own members." He added that a program including legal, health, informational, and publicity services will be offered.

Alfred A. Duckett of Chicago has been appointed executive secretary. Other officers include Mahalia Jackson, vice-president; Sammy Dyer, treasurer; Marion Stevenson, secretary. Attorneys constituting legal counsel are, Earl Brooks, Eddie Johnson, and William Rhetta, Dr. Arthur Logan of New York City will head the health department.

National advisory board consists of Nat Cole, Illinois Jacquet, Ken Blewitt, Al Monroe, Fred Watson, Dan Burley and Dr. Roy P. Garrett.

ASA is mainly interested in enrolling aspiring entertainers, both those now engaged in show business and those planning to enter the field. Special emphasis will be placed on programs to aid songwriters and for artists engaged in the spiritual and gospel fields.

National headquarters will remain here in Chicago, but branch offices are planned for New York, Los Angeles, Detroit, St. Louis, Philadelphia, and other cities, as they become necessary.

ASA is not a union and will cooperate with and respect all established agencies, unions, and like organizations.

It will mainly function in an advisory capacity.

TORONTO TOPICS

In line with their policy of having each of their record labels operating independently, Quality Records goes into the fall season with Eric Bird, in charge of MGM; Bill Carry, in charge of Mercury; Frank Weaver, in charge of Quality and Quality-King labels and Frank Kirton handling Remington with Don McKim in charge of the overall operations. Frank Weaver reports they have a very hot Quality release forth-coming in "On The Carousel" which they are pressing from the Rainbow master. This Arlene James with the Dimensionals group, is expected to click big in Canada. . . . Alec Finlay back in town at Massey Hall with his all-Scottish company and the usual good business. The old country people really turn out for his annual dates. . . . At Massey Hall on September 23rd, Norman Granz's Jazz at the Philharmonic makes its annual appearance with Canuck Oscar Peterson, Ella Fitzgerald, Roy Eldridge, Ben Webster, Charlie Shavers, Ray Brown, Raymond Tania, Flip Phillips, Benny Carter, Bill Harris, J. C. Heard, Herb Ellis, and Willie Smith. . . . Back again at the Colonial is Phil Napoleon and his Dixieland Music. Phil could have his Canadian citizenship papers anytime he wants them. . . . Up from

ELLA FITZGERALD

Wheeling, West Virginia are Doc and Chickie Williams and their group to play two weeks of Ontario dates before heading into the Maritime Provinces. Hear that Doc's song, "Roses Are Blooming," which has been a Quality best seller, will soon be out as a Pop. Several issues ago, we predicted this could be a hit. The Doc Williams show will play the Canadian Legion in Toronto on September 21st. . . . Glad to hear that Bill Long will be on the WYVA Wheeling Jambores. Currently in Minot, North Dakota, Bill moves east to Wheeling next week. Long a favorite with Canadians, this folk artist will find a ready audience awaiting his air appearances from West Virginia. . . . Bobby Gimby and his orchestra back at the Palais Royale for a fall run which makes a merited repeat date for this popular maestro.

MONTREAL MEMOS

Record business off at a great pace for the fall season with all of the local distributors and their staffs reporting extra heavy volume of business. . . . Vaughn Monroe, working as a single, headlines this week's show at the Seville Theatre and is expected to be a real money maker for the house. . . . Week before last, Decca's Four Aces did close to record business at the Seville, and tied in with their Montreal date, the platters locally pre-released their new disk of the standard "Laughing On The Outside (Crying on the Inside)." Frank Ramspurger and his International Music Store advises that they have had very good customers' reaction on this disk. . . . Coral's Johnny Desmond did very good business last week at the local vaude house. . . . Incidentally, Les Gardner of the record department at International is moving to Toronto where he will be with RCA Victor. . . . Lee Mendell, formerly manager of Capitol Records local office is now Montreal manager of RCA Victor's record division. . . . Curly Hachey and the Sunset Playboys currently headlining at the Hotel Maurice in Three Rivers, after which they play a two-week date at the Chez Emile in Quebec City. . . . Opening the new fall season at the Ritz Carlton Hotel will be Cecilia Lipton with the society favorite Johnny Grant presiding at the Ritz keyboard. . . . Sammy Davis Jr. with his dad and uncle, Will Mastin doing extremely well on their repeat engagement at the Chez Paree. The Will Mastin Trio is a U.S. act that became a headliner in Canada, probably before they reached their preeminence in their homeland. They have been tops in these parts most of the past two decades and have a raft of friends, as well as fans in this part of the continent.

VAUGHN MONROE

PRAIRIE PRATTLE

Local pride becoming almost as hot in disk and music circles as it is in sports, with Scotty Stevenson and the Edmonton Eskimos now recording for RCA Victor's Bluebird label. Scotty's first disk "Edmonton Waltz" with "Let's Get Married Tomorrow" on the flip side has the northern Alberta fans going for its success and it sounds good to us. . . . CKXL's Stu Davis and CFCN's Hod Pharis keeping in the music limelight with their Aragon platters and Hod has just cut his song "Somebody's Calling" for early Aragon release, which has been getting strong reaction on his radio programs. The tune should be a natural follow up to his earlier originals "Call Of The Mountains" and "I Heard The Bluebirds Sing," which did so nicely for him and Aragon and were covered by the U.S. majors. . . . Apex star, Eddie Mehler back home in Estevan, Saskatchewan for his first holiday since trucking came. Here he will be calling in on the western D.J.'s and ops before he returns to Ontario at the end of this month. . . . Buddy Reynold is organizing his own group in Winnipeg and intends to make that his base of operations for the coming season. Buddy's Aragon platter of "Centipede," in his own tune, could happen and we hear some of the U.S. A & R men are watching it for possible cutting on their labels.

**10 Millionth EP
Recording Rolls
Off RCA's Press**

NEW YORK—The record industry's 10,000,000th extended-play 45 rpm recording rolled off the press on September 15 at RCA Victor's 24th Street plant here. The company has pressed more than 7,000,000 of the eight-minutes-per-side discs since introducing them a year ago this month.

Total sales volume for the industry on EP merchandise has already passed \$14,500,000, according to Manie Sacks, vice president and general manager for the Victor record department. Sacks presided at brief ceremonies at the record plant and presented the 10,000,000th EP disc, "Rise Steven Sings Songs by Idabelle Firestone," to Miss Stevens.

The record industry probably will hike its volume this year to \$225,000,000—a rise of 12 per cent over 1952—Sacks estimated. He said the extended-play recordings had contributed greatly to the current boom, and that sale of 15,000,000, EP discs during the next 12 months could be expected.

EP records considerably reduce the price of recorded music through a technical development which lengthens the playing time of a 45 rpm record from four to eight minutes per side. Thus an EP record carries four popular tunes instead of two, and cuts the cost of pop music albums almost in half.

Hundreds of medium-sized classical works which formerly required a "break" in the middle while a record was turned over now are complete on one side of an EP. An extensive new series of these medium-length works, performed by famous artists, has been released this fall by RCA Victor under the title of "Concert Cameos."

"EP records," Sacks emphasized, "make it possible to offer vast numbers of potential consumers with only \$1.50 to spend a substantial package of music for their money." Before World War II, 80 per cent of classical music purchases were in single records, but with the advent of the longer-playing disks that figure fell to 20 per cent. EP records have reopened the market for single and shorter classical selections, the RCA Victor official said.

**Danny's Hideaway
Now Celebrated
On Recording**

NEW YORK — Danny Stradella, youthful owner of Danny's Hideaway Restaurant is experiencing a new thrill these days. Tex Beneke has just recorded a tune on the Coral label called "Danny's Hideaway."

Danny, still amazed at the whole thing, said the other day: "When I was a kid living in Hell's Kitchen and went dancing to bands like the late Glenn Miller's, I never dreamed that Tex Beneke, who played in the band at the time, would one day record a song honoring a restaurant I owned."

In honor of the event, Danny is giving a party at his restaurant on Tuesday, September 22, which is expected to be attended by his great host of friends in the music, recording and entertainment world.

Ames Brothers In Chicago

CHICAGO, ILL.—Linn Burton's Steak House was the scene this past week of a party given for the Ames Brothers by RCA Victor. The boys were playing the Chicago Theater. Seen in the photo above are, l to r: Attorney John Phillips; Ed Ames; Bill Gersh, publisher of The Cash Box; Mrs. Sam Evans; Mrs. Bill Gersh; Karyl Long of The Cash Box staff; and Betty Calamari.

**Darnel & Lee Stewart
Relive Past At WFIL-TV
"Bandstand Picnic"**

PHILADELPHIA — Lee Stewart, co-m.c. of the "Bandstand" on WFIL-TV Philadelphia, is riding the crest of enthusiasm that the fast-growing disk show is generating in local and national record circles. Bill Darnel in town last week for an engagement across the river at Chubby's is also sitting pretty thanks to his hit "Tonight Love." But it wasn't always that way for the boys. Back when Darnel was aiming for "the break" and Stewart was working on different radio shows, the two teamed up to share a New York apartment that soon became a clearing house for other members of the disk trade also looking for their opening.

Located not far from the Brill Building, Stewart and Darnel's apartment house was jammed with people in show business, and their room provided a place to sleep for many of the fellows who today are top stars in the entertainment business. Songs were written in the apartment—arrangements were set—and jobs were gotten in the apartment which acted as a New York address for vocalists, actors, announcers, etc.

Needless to say there was a record player there and young song writers who had just had their first tunes recorded would bring the disk over to get opinions.

Here too, the new sounds that Dizzy Gillespie and his followers were making were played over and over again, and their effect on the music trade discussed. These early acetates kept each of the struggling singers and disk-jockeys up on the trends in their trade.

That's part of a past that Stewart and Darnel brought out when Stewart and his co-emcee Bob Horn spun Darnel's waxing of "Tonight Love" at the WFIL-TV "Bandstand Picnic."

Dewey Bergman Becomes VP And A & R Head of New Record Firm, Triangle Records

DEWEY BERGMAN

NEW YORK—Ben L. Kulick, president of the new company, announced, this week, the formation of Benida Enterprises Corporation, a record manufacturing firm which will have Dewey Bergman as its vice president and A & R head. The diskery is to be called Triangle Records.

In a statement of policy, Mr. Bergman said that it is Triangle's object to record with fresh new talent. With this in mind, Bergman is asking operators and disk jockeys who know of good talent in their areas to inform him of the fact and, if possible, to accompany the information about the artist with an acetate. Both disks and ops will be given careful consideration.

The first artists signed to the roster are Mark Stuart, vocalist, and Bob Dewey's Orchestra. The company's first release is expected to be in October.

Sidney Ascher has been named public relations and advertising manager while Paul Brown will be in charge of record and sales promotion.

Some 25 distributors have been set up and an announcement of their names will be made prior to the diskery's first release.

In line with Bergman's search for talent, it might be interesting to note that he was an important factor in the discovery of Guy Mitchell, Steve Lawrence and Tommy Prisco. Bergman, in the past six years was A & R head of King Records and was also in the A & R department of RCA Victor.

Kulick is president of Saysan Distributing Co., in Buffalo, distributor of Admiral products and Mills Amusement and Vending Machines. Kulick was formerly a Wurlitzer distributor in the Buffalo territory.

Tiffany Reading West Coast Branch Office

CHICAGO—With Tiffany Records' first release getting a great reception nationally, Pres. Henry E. Doney is on an extended tour of the southwest and west coast, reading an announcement of a branch office in Los Angeles.

Tiffany's first release, "My Love For You" and "Granada" sung by Clark Dennis, is getting a big play by disk jockeys and juke boxes. Both sides are being covered by other labels using name vocalists.

In California Doney is negotiating for names for the new label plus Tiffany's first album which may be the score of a new film. Hollywood figures closely in Tiffany plans, as is witnessed by the first release, "My Love For You," an exclusive of Mack Gordon's lyric of the Alfred Newmann theme melody of the 20th Century-Fox film, "The President's Lady." It is reported that a name movie femme, never before recorded, will soon debut for Tiffany.

Doney, former manager of the Merry Macs and Earl Fisher Hines, has lined up an impressive list of top independent distributors including: Benart Distributing Co., Cleveland; Cosnat Distributing Co., New York and Philadelphia; Diamond Distributing Co., Los Angeles; Dobbs of Dallas; Hit Record Distributor Co., Cincinnati; M. S. Distributing Co., Chicago; Music Suppliers of New England, Boston; Oklahoma Supply Record Co., Oklahoma City; Pan-American Distributing Co., Detroit, and Schwartz Brothers, Washington, D.C.

Tiffany also aims to cover Canada.

Goldfarb Agency To Enter Music Field

NEW YORK—The Robert Goldfarb Agency, placement specialist catering exclusively to the personal needs of the entertainment industry, announced, this week its intention of offering its services to the record and music publishing field.

To this point, the agency, under the direction of Goldfarb, former personnel director of United Artists Corporation and RKO Radio Pictures, has been servicing the motion picture industry, radio and television fields.

Now that it has received universal acceptance in the above facets of the entertainment industry, the agency will offer its services to the record and music publishing fields. According to Goldfarb, "We believe that in addition to the fields we already serve, we are equipped to take on this added responsibility without affecting our operating efficiency." Goldfarb further stated that a definite personnel problem exists in the music field. The ever present problem of finding the right person for a specialized job, "It was with this very thought in mind," he said "that I founded this agency, a centrally located office where the employers of the industry could register their job openings from top executive, through the secretarial line, down to the office boy."

The new offices of the agency are located in the heart of the music center at 1650 Broadway.

Party For Four Lads

NEW YORK—The Four Lads welcomed guests at a cocktail party given at the Hotel Warwick by Times-Columbia Inc. to help promote their new record of "Istanbul" and, "I Should Have Told You Long Ago."

Members of the trade papers, disk jockeys and record company officials were present.

Mitch Miller, Columbia A & R head, introduced the quartet and its manager Mike Stewart. The Lads took the floor and entertained the guests with an exhibition of some of their songs. The greatest applause came after the boys gave their version of their latest recording, "Istanbul."

"Many Times" Taking Off At A Fast Clip

NEW YORK—With "Many Times" breaking for the fastest hit of the new season, Julie Stearns, general professional manager of Broadcast Music, Inc., is virtually set to make it three in a row for BMI's own publishing unit. "Many Times" follows "Because of You" and "The Song From Moulin Rouge," the latter still selling strongly after hitting the 700,000 mark in sheet music and over 2,500,000 records. "Many Times" which has just started has the Percy Faith instrumental recording on Columbia and Eddie Fisher with Hugo Winterhalter on Victor. (Rack order was in last week).

"Moulin Rouge" which is high on the "Hit Parades" in many foreign countries, has the foreign rights sold now in more than 20 European and South American countries, as well as England and Australia.

Surprise Visit

MONTREAL, CAN.—At a recent appearance of the Four Aces at the Seville Theatre, this city, the boys were surprised by a visit from one of their disk jockey friends in Montreal on vacation at the time. Stan Pat, program director of station WTNJ-Trenton, N. J., now back at the mike, is still raving over the royal treatment accorded him by the Aces. The Four Aces current release is "Honey In The Horn" and Al Alberts, lead singer of the group, is out with a solo effort titled, "Endless."

"It's What's in THE CASH BOX That Counts"

THE CASH BOX RHYTHM & BLUES Ramble

NEW YORK:

"Shake A Hand" continues to "shake" up the market in no uncertain terms and the disk bids fair to become one of the years biggies. With the Atlantic's release of another Faye Adams disk a bit of confusion arose in the trade. One distrib, who hands the Herald line wrote in asking who owns Faye Adams. The story is this. Faye was with Atlantic under the name of Faye Scruggs. When "Shake A Hand" hit with such sock impact, Atlantic released one of the tunes they had cut when Faye was under its banner. Faye Adams is now signed to a long term contract with Herald. Al Silver, over at Herald, excited as all get out about the distrib reaction to the samples sent on "I Had A Notion" by Joe Morris with Al Savage doing the vocal. Al thinks he has another big hit on his hands. . . . Seeco Records announces the appointment of Elite Record Company of Canada as exclusive in Canada from coast to coast. . . . The Clovers awarded The Cash Box Disk Jockey Award at the Apollo Theatre last week. . . . Stan Lewis, Stan's Record Shop in Shreveport, La. was host last week to Art Rupe, Specialty; and Leonard Chess, Chess and Checker. Stan now has nation wide coverage with his new 50,000 watt stations KWKH in Shreveport and KTHS in Little Rock, Ark. . . . George Goldner off on a three week tour of the country. George, with tongue in cheek and fire in his eyes, naively asks: "Is it a measure of success when your records start being bootlegged?" . . . The Ravens have a great sound on their new "Rough Ridin'" and "Who'll Be The Fool". Will be greatly surprised if Jimmy Ricks and the group don't hit with these sides. . . . Ruth Brown, Atlantic Thrush, was named winner of the annual "The Tears Keep Tumbling Down" and "I Would If I Could" starting to show strong action. . . . Miriam Abramson, Atlantic Records, expected back shortly from her European sojourn.

CHICAGO:

Duke Ellington spent a day in town this past week, to officially dedicate the Artists Society of America, of which he is Chairman, at a press party and business meeting held at the Sutherland Hotel. Guests included Eartha Kitt, Vivian Carter of WGRY, Gary, and also of Vee-Jay Records, Sam Evans, McKee Fitzhugh, and ohsmayn others. Duke's son, Mercer, acted as official host, most ably assisted by Al Duckett, veep of the newly formed group. Everyone came away feeling that here, at last, is an organization that is going to help the aspiring newcomer to get a foothold in this show biz of ours. . . . McKee Fitzhugh informed us that he has opened a second record shop. This one is called McKee's 'Bop Shop #2'. Seems that McKee, business is always booming. . . . Heartfelt that Louis Jordan skedded for a Chicago date October 17. But still not definite about the place. The Orioles, who're riding right on top with their "Crying In The Chapel", also set for the Windy City. But not 'til November 1. . . . Sid McCoy, popular deejay, is once again proving to be Johnny-on-the-spot to those in need. Sid now in the process of planning a benefit tour to aid victims of the recent tragic South Side fire. Busily engaged signing up stars to appear for this worthy cause. . . . Eartha Kitt has gone and gotten herself a brand new Ford Convertible. But why hasn't someone told her that driving in the heavy Loop traffic with only two lessons is living a little too dangerously? . . . Al Benson just back from a visit to Detroit where he found himself quite a bit of talent. Also happily reports that while in the Motor City, he took an initial order on Coleman Hawkins' "I'll See You Later" of better than 1,000 records. . . . When Eddy "Lockjaw" Davis opens at the Beehive Lounge on September 25, Junior Mance, a local lad, will be handling the '88's.

LOS ANGELES:

With summer sales soaring to an all time high all the indies are expecting an even bigger fall season. . . . Leo and Eddie Mesner of Aladdin expect to get their share of the fall sales with Charles Brown and the original combination of Johnny Moore's 3 Blazers swinging through "Cryin' and Driftin' Blues". . . . Another Aladdin waxing that is taking hold and is slated for big Autumn sales is the Shirley and Leo version of "The Proposal". . . . Percy Mayfield starts on his Eastern tour as his waxings of "Bachelor Blues" and "How Deep is the Well" on the Specialty label starts to click. . . . We hear that the Sweethearts of Rhythm will be touring the West Coast the last of October. This is the first Western tour this group has made for quite a spell. . . . Joe Bihar is back from his business trip through the East and Midwest. He looked real pleased as he saw the first big orders for B. B. King's latest etching of "Neighborhood Affair" and "Please Remember Me" (RPM). . . . We hear that the dispute between Modern Records and the writers of the Dragnet theme has at last been settled with Walter Schumann signing the final release which delays the right to program Johnny Moore's "Dragnet Blues". . . . James Moody has recently been booked for one night appearances through the Northwest. This area has become a popular territory for the R & B field. . . . Art Rupe of Specialty Records gets back into the swing of things after his Eastern trip. He states that Jimmie Ligins' waxing of "Drunk" is smashing all previous sales records. . . . Bill McCall, Jr., prexy of Big Town Records, says to watch out for Jimmie Wilson's "Blues at Sundown" and "A Woman is to Blame" on the Big Town label. . . . The Ink Spots have been so popular here on the West Coast that they have been booked for return engagements. They will re-open at Del Mar, September 25th, and Bakersfield, October 23rd. They will also appear at Vancouver where they will do a two weeks stint at the Palomar Supper Club. . . . Ralph Bass, A & R for Federal Records, says: "Tell friend, Bill Gersh, that the new sensational, colossal, gigantic, whooper-doopero disk that he recorded is no one other than the Lamplighters' version of "Goin' Me Loose" which is causing lots of noise all over. He stated further, "If he didn't hear nothin' yet tell him to perk up his ears cause they've just cut another super-doozero that he's willing to wager his career away on again."

Traveling

NEW YORK—Irving Marcus, Duke and Peacock national salesmanager, took to the road this week after locating in New York for the past several months.

Marcus will tour the eastern distributor setup gradually working his way to Florida and then westward back to the coast, his main point of operation. With Johnny Ace's "The Clock," up until recently the number one hit of the nation and still selling very strong, paired with Willie Mae Thornton's newest, "They Call Me Big Mama," Marcus felt this was the time to visit his distributors.

Seeco Head On Latin American Tour

NEW YORK—Sidney Siegel, president of Seeco Records, is off on an extended business trip to Cuba, Puerto Rico, Peru, Colombia and Venezuela. Siegel will visit with the trade and spend much of his time talent hunting.

Siegel, who makes these trips three or four times a year, and more often when the need arises, will utilize the trip to further cement relations with his Latin American distributors and to promote his fall releases.

Seeco has been one of the leading labels in the Latin American field in the South American countries for many years. Recently, Siegel put on Bob Rosen as general sales manager with the developing of the domestic market his first responsibility.

ATLANTIC CITY, N. J.—Jo Ann Tolley (third from left) is shown greeting Mr. & Mrs. E. Baird of Parma, Ohio, (left) winners of the "Summer Sweetheart" contest in front of the Ritz Carlton Hotel in Atlantic City where they are spending a week's all-expenses paid vacation as guests of MGM Records. The couple was flown to the resort area by TWA airlines who cooperated in the contest. On Jo Ann's right is John Tenney sales manager of the Ritz Carlton Hotel. PERCY MAYFIELD
(Specialty 473)

B "HOW DEEP IS THE WELL" (2:38) [Venice-BMI-Mayfield] Mayfield pens a slow philosophical blues and sings it convincingly. The chanter's performance and material are top flight and a potent contender for the charts.

B "THE BACHELOR BLUES" (2:47) [Venice-BMI-Mayfield] Flip is a slow blues with Mayfield handling the lyrics as tho he is slightly on the "loaded" side. The artist had love once but no more. A strong effort.

SMILEY LEWIS
(Imperial 5252)

C "LITTLE FERNANDEZ" (2:16) [Commodore-BMI-Bartholomew] Smiley Lewis sings a middle tempo calypso in Latin tempo. "Little Fernandez, he's a good man," says the lyrics as Smiley chants a fetching and litting ditty.

C "IT'S MUSIC" (2:17) [Commodore-BMI-Bartholomew] Flip is a slow bounce blues. Smiley sings it out against a rhythm backing for an ok platter.

BIG MAYBELLE
(Okeh 7009)

B "MY COUNTRY MAN" (2:32) [Kirkland, Wyche] Raucous voiced Big Maybelle sings enthusiastically about her country man. A middle tempo bounce that rides.

B "MAYBELLE'S BLUES" (3:15) [Crestwood-BMI-Smith] Maybelle pulls out the stops on a slow blues and sings it from the toes. Her gravel tones and feelingful reading could send this disk a long way.

SARAH McLAVER
(Brunswick 84018)

B "BLUES FOR REX" (2:56) [Challenge-BMI-Sarah McLawler] An original by Sarah is treated to the great sounds the gal can produce from a Hammond. A dramatic and tense piece that would be great for production dramas.

C "YOUR FOOL AGAIN" (3:06) [Popular Music-ASCAP-Campbell] Sarah McLawler sings on this deck. The talented artist sells a strong slow blues.

JACK DUPREE
(King 4651)

B "AIN'T NO MEAT ON DE BONE" (2:46) [Jay & Cee-BMI-Dupree, McRae] Jack Dupre etches another quick tempo novelty. The man wants to eat some meat. He is tired of looking at the bone. A bouncing ditty that could stir up some action.

B "PLEASE TELL ME BABY" (2:37) [Jay & Cee-BMI-Jack Dupree] The under lid is a slow blues delivered smoothly and with appeal.

THE CASE BOX

★ AWARD O' THE WEEK ★

"YOU'RE A FOOL" (2:41)
[Terrific-BMI-J. Turnero]
"MONDAY WOMAN" (2:43)
[Goday Music-Mabon]
WILLIE MABON
(Chess 7529)

● Willie Mabon continues his feud with his woman in "You're A Fool". In this slow rocking blues, Mabon takes the offensive and vindictively spits out harsh words as he berates his "Ba-a-by" with items like "You're the dog-gonestt fool I've ever seen" and "You stay so drunk you don't know what it is to stay on your feet no mo". Vocal is done in talky style. A strongly novelty item that should follow in the sales trend of its predecessors. The flip, "Monday Woman", is Mabon at his vocalizing best. Willie bounces through the fetching piece with the support of some heated orking.

"PLEASE HURRY HOME" (2:41)
[Modern-BMI-King, Taub]
"NEIGHBORHOOD AFFAIR"
(2:39) [Modern-BMI-Taub]
B. B. KING
(RPM 391)

● B. B. King, presently possessor of one of the leading hits in the country, "Please Love Me", makes sure his name will continue to be high in the charts for the next few months with his latest pair. "Please Hurry Home", is a shouty fast beat that King belts with enthusiasm and fire. His top flight vocal is supported in no uncertain style by a torrid ork backdrop. The flip, "Neighborhood Affair", is a slow romantic item in which King tenderly recounts his loneliness as he revisits his old haunts. He's still waiting for her to come back to him. King sings warmly and with much feeling. Two good sides and either or both could make it big.

BRO. CLEOPHUS ROBINSON
(Peacock 1719)

C "WHEN I CAN READ MY TITLE CLEAR" (2:41) [P.D.] Bro. Cleophus Robinson is in great voice as he sings a slow tender gospel piece with much emotion.

C "IN THE SWEET BY AND BY" (2:38) [P.D.] Robinson is tops on this deck as he etches a similar religious number warmly and with feeling. The tune changes tempo midway becoming a rhythmic bounce and the gospel singer gives it everything. An exciting disk that should sell big.

RAY CHARLES
(Atlantic 1008)

B "FEELIN' SAD" (2:46) [Delta-BMI-Jones] Ray Charles sings a slow down home blues in the Ray Charles manner. Ray etches a strong disk for his market. Could be a big one.

B "HEARTBREAKER" (2:51) [Progressive-BMI-Nugette] The flip is a fast rhythmic blues. Charles sings of the gal who broke his heart. Employment of the bongo in the backing lends much color to the etching. A definite contender for the charts.

DON ARCHER
(Allen 1001)

C "GEORGIA BLUES" (2:40) [Golden-BMI-Archer] Don Archer does well with a routine blues.

C "FATHEAD BLUES" (2:29) [Golden-BMI-Archer] Archer has a quick tempo blues on the flip and treats it to a driving vocal. Side has power and could get action.

THE ZION TRAVELERS
(Score 5052)

C "LORD I'LL GO" (2:19) [Aladdin-BMI-Watkins] The Zion Travelers etch a slow religious piece smoothly. Lead handles his chores in top flight manner.

C "TELL THEM THAT YOU SAW ME" (2:48) Another gospel side performed in Hebraic chant style. Two potent religious etchings.

THE FIVE KEYS
(Aladdin 3204)

B "I'M SO HIGH" (2:35) [Aladdin-BMI-Demetrius, Toombs] The Five Keys pattern their style after the trend and dish up a quick beat item with romantic lyrics. Don't need liquor to get high. The Keys do it on love. The Keys could have it on this one.

B "TEARDROPS IN YOUR EYES" (2:35) [Aladdin-BMI-Smith] The Five Keys change pace on the flip as they blend on a slow ballad. A good performance on an ok tune.

RUFUS THOMAS, JR.
(Sun 188)

C "SAVE THAT MONEY" (2:41) [Delta-BMI-Thomas] Rufus Thomas, Jr., the "Bearcat" man, sings a slow blues advising his listeners to save their money as he reminds them of the ill fated depression years.

B "TIGER MAN" (2:46) [Delta-BMI-Louis, Burns] Rufus, Jr. shouts out a heated vocal against a stirring jungle beat and good guitar support. Side is wild and pulsating. Could happen.

THE SWALLOWS
(King 4656)

C "PLEADING BLUES" (2:23) [Jay & Cee-BMI-Pierce, Johnson] The Swallows harmonize on a quick beat bounce as they belt the lyrics pleading for baby to come home.

B "TRUST ME" (2:30) [Hollybrook-ASCAP-Edwards] The vocal group blends on a slow romantic ballad in easy fashion. Backing is soft and in the mood.

Rhythm 'N' Blues THE CASE BOX SLEEPER OF THE WEEK

"ROUGH RIDIN'" (2:52)

[Rockaway-BMI-Fitzgerald, Jones, Tennyson]

"WHO'LL BE THE FOOL" (2:44)

[Marge-BMI-Sanford, Ricks]

JIMMY RICKS AND THE RAVENS
(Mercury 70213)

● Jimmy Ricks and The Ravens give further evidence as to why they have been able to stay at or near the top of the heap for so long. With their latest release, "Rough Ridin'", the group bids for a national hit of sock proportions and seems to have put forth their best sound in years. A middle tempo bounce with a litting melody is given a smart blend of voices and

the excellent lead treatment of Jimmy Ricks. Ricks begs for another chance to prove his love. The under lid, "Who'll Be The Fool", is a slow ballad expertly chanted by the group. Ricks lead performance is stand-out as he handles the sad romantic lyrics deftly. Like both sides with a definite nod in the direction of "Rough Ridin'".

Rare Critter

BALTIMORE, MD.—For weeks now, Buddy Deane of WITH in this city has been featuring this little animal—a very rare critter indeed. He calls it Chumley, and of course any records that Deane likes are Chumley approved. As can be seen from the photograph, Chumley is approving the record which is held by Buddy.

Wurlitzer-Laine Contest Enters First Week of Five Week Period

N. TONAWANDA, N. Y.—Indications are that the next few weeks will be busy ones for transcription recording companies across the country. Youngsters aspiring to singing careers are trooping in to cut the disks required for their entries in the Frankie Laine—Wurlitzer \$5,000 Vocalist Scholarship Contest. For these young aspirants the bell rang at midnight, September 14, and 40 disk jockeys, 40 Wurlitzer distributors and 40 Columbia distributors in as many cities stood ready to accept their en-

tries on opening day, September 15. During the past week the Wurlitzer factory at North Tonawanda has received a constant flow of letters from youngsters wishing to participate in the contest and asking for the addresses where they may enter their recordings. Each communication has been answered.

Since the contest activity was last recorded, indications of sponsoring acceptance have been received from 14 more disk jockeys in the nation's major cities. They include: Paul Planagan, WTRY, Albany, N. Y.; Hugh Wanke, WCAO, Baltimore, Md.; Maurey Farrell, WAPI, Birmingham, Ala.; Ed Penney, WTAO, Boston, Mass.; Mike Rast, WCOS, Columbia, S. C.; Bill Randle, WERE, Cleveland, O.; Al Rockwell, KRNT, Des Moines, Ia.; Wayne Stitt, WHB, Kansas City, Mo.; Beecher Frank, WKLO, Louisville, Ky.; Bob Larson, WEMP, Milwaukee, Wis.; Jack Thayer, WTCN, WTCN-TV, Minneapolis, Minn.; Jerry Kay, WVEZ, New Orleans, La.; Wally Nelskog, KRSC, Seattle, Wash.; Ron Curtis, WFBL, Syracuse, N. Y.

Each disk jockey has been supplied with concise forms which he is asked to fill out weekly as a report of the number of entries received by his station. Saturday of each week is the deadline for the report in order to make possible a weekly total tabulation as an indication of growing contest interest. The report will also act as a barometer of the contest's attraction in various sections of the country.

Entry forms and information concerning the contest were sent to the president of each of the Frankie Laine Fan Clubs in the United States which number about 200. A personal note from Laine suggested that the fan club members assist in spreading news of the contest among their friends at schools, colleges and other gathering places.

INSIDE HARLEM

Disk Jockey Jack Walker who spins the platters nightly from the heart of Harlem informs us that the reason we no longer hear the pleasant voice of his gal Friday, Evelyn Robinson (She's the sister of Sugar Ray) is because Evelyn has taken over the reins of her own show. She's the star of the daily feature "Ladies Day," also aired over W.O.V. . . . Harlem friends of Irv Marcus Peacock and Duke salesman(ger) really sorry to see him depart. Before leaving, Irv took time out to inform us that prexy Don Robey has cut some great sides on his recent trip to California. Tunesmith Rudy Toombs around town saying thanks to all for making Amos Milburn's latest waxing, "One Scotch, One Bourbon, One Beer," the big one that it is. Rudy wathound this week. . . . Happy to hear about the big bonus that bandleader Joe Morris received for his excellent work in penning "Shake A Hand." Joe informs us that he's booked solidly for the next few months and that Herald Records, the label he's now waxing for, has offered him the job of A & R Gaught the opening of Little Esther at Harlem's Baby Grand Cafe and, as usual, she knocked them in the aisles. . . . Bobby Robinson, the little guy who operates Bobby's Record Shop and Red Robin Records has been put to bed for a month by the medics and told to keep away from work until after the first of the year. Bobby doesn't have to worry, tho, 'cause his old friend and stamper, Joel Turner, will be looking after things until his return.

Skeets McDonald leaves next month for a tour of one-nighters as well as radio and TV appearances in Texas, Oklahoma, and Arkansas. His current release of "Hi Diddle Dee" and "Worried Mind" finds him teamed with pop songstress Helen O'Connell. Skeets wrote "Hi Diddle Dee," and the novelty is catching on fast . . . Bill McCall Jr., of 4-Star records states that their new release by Gene Davis "A Boy's Prayer" and "My Sweetheart" will be an up and coming disk to watch. 4-Star's current release of "Let Me Be the One" and "I'm Tired of Bumm'n Around" by Hank Locklin seems to be breaking big throughout the country . . . It is interesting to note that the Carlises' waxing of "Is Zat You Myrtle?" is still holding its own on the western charts.

BILLBOARD REVIEW SEPT. 12
The label debuts impressively with good singer and good tune. Jack Loyd sings the weeper ballad about divorce with feeling and a group of good musicians back him neatly. The tune is good one and the disc should pull spins.

NEW YORK—The Billboard, which also delves into the coin machine business, ran a story in its September 19 issue headed "N. Y. Kiddie Ride Distributors, Ops Set to Throw in Sponge." It would appear from this statement that the kiddie ride business is completely done for. Exactly the opposite is the case. The kiddie ride business, like all new enterprises is just starting—but the chaff must be separated from the wheat. Just as was the case with the pin game and the music machine when these businesses got started. Many entered the field who had neither the talent nor the experience needed. Kiddie ride manufacturers who knew nothing about the manufacture of coin operated equipment opened and produced equipment that was inferior in both construction and design—and at the same time upset the market by selling at low prices. New blood was promoted into the operating division. These men, in their ignorance bought these machines, and then undercut commissions. Then came the awakening. Neither the equipment nor the operating firms could stand up. In a majority of cases, they're gone and buried. The old line manufacturer, who turned out substantial machines, and the operators who knew their business, and who paid better prices but received value, plus the fact that they conducted their business at a level which brought in profits—proper locations and proper commissions—are still around, and will be years from now. The kiddies, the millions of them, are still crazy about riding the machines, and each year will bring added kiddies. From now on, we'll see the kiddie ride business conducted properly and profitably—the fringe manufacturers and operators are disappearing rapidly.

LONDON, ENGLAND—The World's Fair (English coin machine trade weekly) reports that leading coin machine firms of England, France, Belgium and Switzerland met in France during the summer with the intention of forming an international association. The companies represented at the meet were: British Automatic Co., Ltd., England; Compagnie Generale des Distributeurs Automatique, Berne, Switzerland; S. A. Francaise des Appareils Automatiques, Paris, France; and Automates Belges and Cie Belge des Automatique, both of Brussels, Belgium. One of the resolutions agreed upon was to contact coin machine firms in the United States and elsewhere for the purpose of exchanging information.

DURHAM, N. C.—R. J. Reynolds Tobacco Company is considering introduction of a king size Camel cigarette, according to H. H. Ramm, assistant to the chairman. However, he added, nothing definite has been decided.

The juke box operator who made the above statement is William L. Schafer of Bakersfield, Calif.

Bill Schafer has been engaged in the industry for over 20 years. He is, by the way, a member of *The Cash Box*' "20 Year Club".

It was during a conversation among operators, gathered in the showrooms of a well known juke box distributor, when Bill Schafer made the above statement.

He elaborated on this statement, according to the facts and figures which had been published in *The Cash Box* a long time ago.

He pointed out that, even if the play did drop 50 per cent when the juke box operator switched over from nickels to dimes, the operator was still 50 per cent ahead.

Because, as Bill Schafer explained, the operator then enjoys 50 per cent less wear and tear on his phonographs; 50 per cent less wear on his records; and saves better than 50 per cent on service calls.

This, as Schafer, and a great many other juke box operators who have switched to dime play, state, "is many times the difference between profit and loss on any route anywhere".

If an operator can earn just as much on dime play, as he can on nickel play, then certainly that operator is better off changing over to dime play.

The savings effected by the 50 per cent less wear and tear on his machines and, especially, the 50 per cent less servicing overhead expense mean some profit to him.

It is a known fact that the overall average pickup on dime play runs somewhere in the neighborhood of 15 per cent. This is, indeed, a very small percentage of additional income, especially when compared to the tremendous 100% to over 300% increases in costs of equipment, parts, supplies, labor, and so forth, which the average juke box operator is enduring since the beginning of the post-war era.

Yet, whatever extra coin he can realize, even a break-even point, so that he saves that 50 per cent wear and tear and servicing, keeps the operator in the automatic music business and, thereby, gives him the hope that there will be a sufficient pickup down the line at some future time, so that he may yet see a decent profit return on his investment.

In addition to the tremendous increase in capital investment outlay and in overhead expense of all kinds, the juke box operator is also faced with the fact that a great many of the nation's best locations, the taverns, have been closing down with increasing regularity.

This, in addition to other retail spots which have closed down, actually forces him to change over to dime play (and the dime of today is worth less than the pre-war nickel) in an effort to somehow pull out of this deadening loss morass.

Therefore, as this well known operator, Bill Schafer of Bakersfield, Calif., has pointed out, and as *The Cash Box* long ago explained to the satisfaction of such outstanding juke box operators as Bill Schafer, even if the operator breaks even (in short enjoys no increase in his collections) when he changes over to dime play, that operator is still 50 per cent ahead.

Is there any operator, anywhere in the nation, who can argue against this tremendously logical fact?

It is surprising, then, that more operators of automatic music equipment haven't already switched over to dime play.

In addition to dime play, the juke box operator who wants to enjoy even a meager profit return on his investment, should also obtain a definite "minimum front money guarantee".

By itself dime play is not the complete answer. The operator must obtain minimum front money from each and every one of his locations to assure himself a profitable juke box operating business.

MOA MEET POINTS TRADE'S PATH

Board of Directors Agree With Geo. A. Miller Public Relations is Juke Box Industry's Big Task. Appeal to Nation's Juke Box Ops to Donate Generously to Fund Needed to Successfully Oppose McCarran Bill Before Senate's Judiciary Committee on October 26

PHONO MFRS. ASSN. ASSURES M.O.A. 100% COOPERATION

M.O.A. Votes 100% Endorsement of Walt Framer's "Jack-In-The-Juke Box" National Network TV Show. Also Vote to Allow Exhibit Space at M.O.A. March '54 Chicago Convention to Vendors, Kiddie Rides, Coin Controlled TV and Radio to Fill Entire 8th Floor at Palmer House.

CHICAGO—"The most outstanding and successful meeting we have ever held", is the way George A. Miller, president and general manager of Music Operators of America (MOA), expressed himself at the close of the second day of discussions by the Board of Directors of this organization at the Palmer House, this city.

He also said, "Every single member of the Board of Directors was present. All were optimistic and enthusiastic and, at the same time, were here to discuss business with most complete seriousness. All offered extremely helpful suggestions."

Many people with ideas regarding cooperation of MOA toward music publishing organizations, as well as the possible creation of a third copyright agency, spoke before MOA's Board of Directors.

Bill Gersh, publisher of The Cash Box, was also on hand to speak before those present. He discussed the forthcoming McCarran Bill as well as other problems facing the juke box industry.

Most outstanding development of the two day Board of Directors meeting here at the Palmer House (Monday and Tuesday, September 14 and

15) was the fact that all present agreed the big task facing MOA was the creation of a Public Relations Program which would aid the entire juke box field and would bring about better understanding and closer cooperation.

Next to that came the appeal from George A. Miller, as well as from all the members of the Board of Directors and, especially, from Sidney H. Levine, legal counsellor for MOA, for more funds to help successfully oppose the McCarran Bill at the forthcoming hearings in Washington, D.C., on October 26, before the Senate's Subcommittee of the Judiciary, headed by Senator Alexander M. Wiley of Wisconsin, and composed of: Senator Jenner of Indiana and Senator Eastland of Mississippi.

This was the most important topic concentrated upon at this meeting of MOA's Board of Directors (just as had been predicted by The Cash Box for the last few weeks' issues) and obtained complete support from all present.

As those present were told, the need for vigorous opposition to the McCarran Bill, would require bringing operators from all over the country to testify before the Senate's Subcommittee on the Judiciary. This is

GEORGE A. MILLER
President and General Manager, MOA

a very expensive process. In addition to the testimony which these men would give, the very impressiveness of their attendance, would also count heavily in the final decision of the Sub-Committee.

But all this requires much money to be expended and that, at the present time, the exchequer of MOA just didn't have the money necessary to pay for the men who would have to attend to vigorously oppose the McCarran Bill.

Attorney Sidney H. Levine made a passionate appeal to all the Board of Directors to do everything in their power to raise the funds needed as well as to arrange for witnesses to be present in Washington on October 26.

The Phonograph Manufacturers Association sent a delegation to attend a luncheon with MOA. This delegation was composed of Morris Bristol, attorney for the Rudolph Wurlitzer Company, Larry Meyers, secretary-manager of the association and Ed Ratajack, western regional manager for AMI, Inc.

The manufacturers assured everyone of the music operators in the nation, thru the Board of Directors of MOA, of their 100 per cent cooperation in opposing the McCarran Bill in Washington on October 26.

A 100 per cent vote of endorsement was given to Walt Framer of New York, who spoke before the Board of Directors, and told them of his plans for a national network TV show called, "Jack-In-The-Juke Box".

Not only was this program enthusiastically endorsed by the Board of Directors of MOA, but, at the same time, MOA offered its complete and fullest cooperation to Walt Framer, to help him in every possible fashion, to make this one of the most successful TV network shows.

The men individually complimented Framer. Some were present with him at a dinner he gave at the Chez Paree where he spoke on the subject over the radio.

Also very impressive was the fact that MOA's Board of Directors voted to "open up" the forthcoming convention at the Palmer House here on March 8, 9 and 10, 1954. The entire 8th floor has been reserved for exhibitors.

The meeting hours have been cut down to from 9 A.M. to 12 A.M. The afternoon and the evenings to be completely devoted to the exhibitors. Such allied line as coin controlled radios and TV receivers will be invited to show their wares at this forthcoming Convention.

Also the manufacturers of vending machines and kiddie rides will also be invited.

The record firms and all other organizations, allied to the automatic music industry, are already clamoring for exhibit space, it was reported.

This vote to expand the convention is expected to make this forthcoming MOA Convention the biggest in all the history of organizations in this industry.

George A. Miller stated, at the meetings finished, "This was the most successful and most thrilling meeting I've ever attended.

"Everyone was present and everyone was on time for each and every discussion period.

"The men simply threw themselves into their work with enthusiasm and this, in itself, made this two day meet here in Chicago, the most outstanding in all the history of Music Operators of America."

Seacoast Distributing To Open Offices On N. Y.'s Coinrow

Rock-Ola Distrib To Run Big Party Oct. 3, 4 & 5

NEW YORK—After searching for quite a while, Dave Stern of Seacoast Distributors, Inc., advises that the

firm has taken space on New York's coinrow for the display and sale of the Rock-Ola phonograph.

Seacoast has secured one of the street's choice locations—594 Tenth Avenue (southeast corner of 10th Avenue and 43rd Street). Extensive alterations are now under way, with decorators, carpenters, painters, et al, rushing to get the quarters set for immediate business.

Stern advises the firm will hold a three day party, Saturday, Sunday and Monday, October 3, 4 and 5, at which time a tremendous surprise is in store for the city's operators.

The new offices will be staffed with efficient and experienced men, who'll be shifted over from the firm's Elizabeth, N. J. offices. Stern will devote most of his time to the New York office.

David Rosen To Run Big House Warming Party September 27

DAVID ROSEN

PHILADELPHIA, PA.— Dave Rosen, David Rosen, Inc., this city, will celebrate the completion of the re-

building of his quarters at 855 N. Broad Street, with a big house party on Sunday, September 27.

A serious fire, some time ago, swept thru the Rosen building, and from that time on, renovating and remodelling the structure, both inside and outside has been under way. The building is now completely modernized and stands out as one of the most beautiful in the industry, as well as being set up to give the operator the finest service on both new and used equipment.

"This is a happy occasion for us" says Rosen, "and we want everyone to join us for the celebration."

The party will start at 2 PM and guests are invited to stay as long as they desire. Food, refreshments and entertainment will be available. In addition, Rosen advises he is preparing some pleasant surprises for his guests.

United Steps Up Production On Shuffle Alleys For Third Time

BILL DeSELM

CHICAGO—United Manufacturing Company, for the third time in as many months, has ordered engineers of the firm to step up production.

This is being done in an effort to handle the orders which are avalanching into the firm on United's new "Imperial Shuffle Alley" and "Royal Shuffle Alley".

Both games have clicked with the trade. The king size bowling pins are reported to be the most outstanding feature on both games.

"These king size pins," Bill DeSelm, general sales manager of the firm said, "are winning admiration from players, operators as well as jobbers and our distributors.

"Never before", DeSelm continued, "have we had such a marvelous re-

action to a new feature on any of our shuffle alleys."

Also winning much good comment from the trade is the triple match feature which appears exclusively on the "Imperial Shuffle Alley". The triple and double scores. The 5th and 10th frames feature triple scores. An added feature is that either alley can be adjusted to a 5 frame game.

Groenteman Back In Phila After Trip Thru Europe

PHILADELPHIA, PA.— Sal Groenteman, International Amusement Company—Scott-Crosse Company, this city, returned last week from a 30 day trip thru Europe. Abe Witsen, the other partner of the firm, had already spent a month in Europe earlier in the year.

Groenteman covered 7 countries and 26 different cities within the space of 30 days, which he claims wasn't enough time to give him the opportunity to see many friends and customers. "Wherever I went" said Sal, "I received a royal welcome and was treated wonderfully with dinners and parties." He also returned to this country with loads of business.

Groenteman relates that upon his return to the Philadelphia office he found that Witsen was loaded up with domestic business as well, and now the two of them are working night and day to serve their customers, both in Europe and the United States.

Ajax Holds 3 Day Open House Party

NEWARK, N.J.—Al Cohen, Ajax Distributing Company, played host to most of New Jersey's coinmen, who visited the firm at its new quarters at 123 W. Runyon Street, during a three day open house party, Monday, Tuesday and Wednesday, September 14, 15, and 16.

With the acquisition of these new large quarters, Cohen has expanded the wholesaling of all types of equipment, music, games, kiddie rides, and vendors.

"We were very well pleased with the turnout during the three days," stated Cohen, "which served its purpose of acquainting those in the trade with the fact that we are now in a position to serve all their needs with every type of equipment. In addition, some of our friends even placed orders."

Assisting Cohen in greeting the visitors was Harold Chasin, general manager.

Cohen advises that the firm will start a campaign offering weekly specials of all types of equipment to the trade.

Apco Intros 4 New Cup Vendors

NEW YORK—Apco, Inc., this city, introduced four new cup vending machines at the recent NAMA Convention in Chicago, notably expanding its line of "Automatic Soda Shoppes". The new machines include the "8-Drink", "4-Drink", and "Junior Soda Shoppes", as well as the "Soda Shoppe-Coffee Bar", a combined cold drink and hot coffee vendor.

According to Mel Rapp, Apco VP, "The '8-Drink Automatic Soda-Shoppe' is a true 8-Drink machine, serving 5 carbonated and 3 non-carbonated drinks. It's the only dispenser of its type of the market which can vend cola and root beer in addition to the usual line-up of fruit flavors. This is very important to the operator because root beer is the second largest selling soft drink in the country. Apco's '8-Drink Soda Shoppe' operates on 5 syrup tanks, with 2500 drink syrup capacity. It also has 1200 cup capacity.

"The '4-Drink Soda Shoppe' spaces out the Apco line between its famous standard 3-Drink, and super-selectivity 6-Drink cup dispensers. The 4-Drink machine serves 3 carbonated and 1 non-carbonated drink from only 3 syrup tanks. It has a 1200 cup capacity and 1900 drink syrup capacity.

"The 'Soda Shoppe Junior' is a 3-Drink machine vending 2 carbonated and 1 non-carbonated drink, with a large 1000 cup capacity and 1000 drink syrup capacity. This machine is an exact replica of the standard '3-Drink Soda Shoppe'.

"Another addition to the Apco line is the 'Soda Shoppe-Coffee Bar', which combines the mechanisms of the Bert Mills hot coffee vendor and the Apco '4-Drink Soda Shoppe' to give the operator an opportunity of vending four cold drinks (carbonated and non-carbonated) as well as hot coffee in all its forms."

As I See It

A Weekly Column by **AL SCHLESINGER**

A New York City operator has asked me why the record manufacturers don't open up a record mart in New York City. His idea was for all the record manufacturers to rent space in one large lot and then allot space to each individual manufacturer. Booths could then be erected for the manufacturers to install record players. In this manner, he claimed, all new releases by manufacturers could be presented every week. Each manufacturer could have a representative in each booth to play their current numbers and also take orders if they thought it advisable. With this procedure, the operators of approximately 30,000 phonographs would be able to visit the mart weekly and be able to hear all the releases by all the manufacturers. Operators from greater New York, Conn., N. J. and Westchester could then organize their business so as to be able to spend a morning or afternoon one day each week to hear all the latest releases. For the record manufacturer it would give them an opportunity to present their new numbers and get quick response to operator trends.

That there has been much confusion among operators in the purchase of records, goes without saying. Some purchase from manufacturers salesmen, others from distributor salesmen, some from one stop shops and a dozen other ways. All their purchases are practically based on polls and opinions, of graphs, charts, professional consultants and much hearsay. The number of stiffs purchased each year in America by operators would probably cover the country if laid end to end.

If opening a record mart in New York City was successful, there is no reason why it could not be duplicated in key cities all over the country. Every operator of juke boxes considers the purchase of records of prime importance to his business. It is the key to his success or failure. Outside of the cost of his juke box, his biggest expense is the purchase of records weekly (labor excepted). If an operator took time out each week to visit the music mart and was enabled to add two or three more good numbers than he is getting now, just imagine how much more income this would mean at the end of the year. Or, if, by visiting the mart he was able to avoid buying a stiff now and then, think how much he would be able to save each year. These are important items in the operation of a juke box route. They mean dollars and cents to an operator. Actually it could mean the difference between loss and profit at the end of the year.

As I see it, the idea has tremendous operator appeal. It could help end a lot of confusion for operators and manufacturers. It would be another step in helping operators conduct their business on a more scientific basis.

Artie Daddis, AMI field representative in New York, where he puts the Runyon service crew thru a refresher course of the machines internal workings. These service men will now hold classes for local music ops. Artie, Irv (Kempy) Kempner, and Nat Gutkin will leave Monday, Sept. 21 for Connecticut, where starting Tuesday, Sept. 22, they will conduct service schools in Hartford; Sept. 23 in Norwich and Sept. 24 in New Haven. . . . Visited the Newark offices of Runyon this week, and it's as beautiful, large, and modern as any in the country. Intrigued by the scientifically arranged line that is used to renovate used equipment; the spray paint booth; and the pressure machine that washes down the machines. Abe Green and Ed Burg exceptional hosts. . . . Also visited Irv Morris, Gottlieb distributor, while we were in Newark. Irv, one of the finest gentlemen in the business, enjoys the utmost confidence of his customers, and does quite a job with amusement machines. Visiting Morris at the time were operators Mike Rimsky, Phil Eiseman, Henry Skolinsky and Frank Eska. Irv Rosenfeld, Irv's manager, wanted to be remembered to Bill Gersh. . . . We attended the open house party of Al Cohen, Ajax Distributing Co., Newark, who had recently moved into new large quarters. Assisting Cohen in greeting the visitors were Harold Chasen and George Ball. . . . Joe Weisz, Larchmont Vending Co., Larchmont, N.Y. together with Dick DiCiccio of Westchester Amusement Co., making the rounds of coinrow's wholesalers.

A. T. Snyder, Wilton, Conn., visits Joe Young, Young Distributing. Young and Abe Lipsky have arranged with a number of ops, schools, et al, to display the Wurlitzer-Frankie Lane Vocal Scholarship Contest. The dj handling the assignment here, Paul Brenner of Station WAAAT, has announcements on the contest every day. . . . Les Boyd's charming daughter, Mary Ann, spending her junior year at Ladycill, a private school close by West Point, N.Y. Les, by the way, still drives up to Westery, R. I. on week-ends for some boating and fishing. One of his recent guests, N.Y. op Frank Breheny, reported to have caught a slew of big ones. . . . With export biz demanding more reconditioned music machines, and the local ops placing orders, Hymie Koepfel, Koepfel Distributing Co., scurrying around the south buying up equip. Sam Rabinowitz visits along coinrow. . . . Willie Aronson, games operator, returns from a two week sojourn at Seacroft Manor in the Adirondack Mountains. He had spent two weeks there during July. . . . Nat Cohn, Ritevay Mfg. & Sales, tells us he's been flooded with inquiries both by mail and phone requesting additional information on the "3-D Theatre" color movie machine announced in last week's issue of The Cash Box. Nat asked us to repeat once again that the machine is not ready as yet for delivery—and probably won't be for another three or four weeks. . . . Jack Sheppards, well known multiple operator, who's been out of the business for the past several years, now has returned to his home town and is operating music. Jack is extremely interested in bringing the music operators' association back to where it is at full strength and of service to the operators.

Bally Begins Deliveries Of New "Dude-Ranch"

JACK NELSON

CHICAGO—According to Jack Nelson, Bally general salesmanager, the Bally Manufacturing Company, this

city, began delivering a new "in-line" game named "Dude-Ranch."

Nelson described "Dude-Ranch" as having all the popular features of previous Bally in-line games with popular 2-cards play, plus a big play inviting Super-Card scoring 4-in-line for 3-in-line. Two attractive Super-Lines score 4-in-line for 2-in-line. In addition to the 2, 3, 4 and 5 in-line scores, the profit proved Corner Scores, Advancing Scores, Spot Roll Overs and Extra Balls features are included. The colorful cabinet and brilliantly lighted backglass are illustrated in a flashy "Dude-Ranch" atmosphere. New printed circuits available with the new "Dude-Ranch" game are said to greatly simplify service.

Willie Blatt, president of the Automatic Machine Operators Assn., reports: "The troubles that have beset the cigarette machine operators for the past several years are beginning to clear up since they joined our association, but it will take quite some time before we can cure all their ills as they have been many and have been very badly neglected. A typical example is the way some of the cigarette machine operators will take another operator's location and pay a 2½¢ commission and sell cigarettes at 25¢ per pack when we have a 5¢ state tax. . . . Willie Levey is in New York for a 10-day vacation. . . . Bert Lane complained that the holidays last week hurt his deliveries of the "Merry-Go-Round" to the extent that it will be almost impossible for him to catch up to meet the continuous demand. . . . Ozzie Truppman and Ted Bush are smiling again since Wurlitzer settled its strike and phonographs are beginning to arrive. They can now start to fill their orders which have piled up. . . . Coimhen here looking forward to a big turnout for the AMOA banquet scheduled for Saturday night, December 12 at the Saxony Hotel. This is the association's third annual party. . . . Lucky Skolnick, recent permanent arrival from New York, still trying to win at "gin." Competition down in "The Playground of the World" is probably a lot tougher than in the big city.

Pinballs To Be Licensed In Portland, Ore.

PORTLAND, ORE.—The City Council, here, by a 3-to-2 vote directed the city attorney last week to prepare an ordinance to license pinball machines in the city again.

Commissioner Stanley W. Earl, sponsor of the bill, didn't specify license fees to be incorporated in the proposed ordinance.

A 1951 Portland-city ordinance outlawing pinball games has been inoperative under a restraining order

granted pinball operators by the Circuit Court, who were awaiting a decision on their appeal to the Oregon Supreme Court. This 1951 ordinance will now be superseded by the impending ordinance.

The city license division estimated that the city was losing \$100,000 annually while the machines operated under injunction, as operators paid \$20 per machine yearly, and each operator paid an annual fee of \$750.

Runyan and AMI To Run Three Conn. Service Schools

ARTIE DADDIS

IRVING (Kempy) KEMPNER

NEW YORK—Service schools for operators of AMI phonographs will be held in three cities of Connecticut Tuesday, Wednesday and Thursday, September 22, 23 and 24.

Runyan Sales Company and AMI, Inc., are combining their efforts to bring the operators up to the minute with any service problems which may crop up.

Artie Daddis, AMI field representative, Irving (Kempy) Kempner and Nat Gutkin of Runyan will supervise the classes.

On Tuesday, September 22, classes

will be held at the Hotel Bond, Hartford; on Wednesday, September 23, at the Hotel Wauregan, Norwich; and on Thursday, September 24 and the Hotel Garde, New Haven. Sessions will get off promptly at 8 P.M. and will probably continue until about 11 P.M.

There will be general instruction, and then the engineers will answer individual questions.

After each class is concluded, refreshments will be served. Every operator attending will receive gifts from AMI, which are important in the conduct of their operations.

Sam Tridido busy as a bee trying to buy up all the pin games he can find. . . Leonard Goudeau in town with his two sons. Darned if he looks old enough to have a boy of twenty. Len is now the sole owner of the L & M Amusement Company of Cotton Port, La. and has changed the name to the Goudeau Music Company. Everybody who knows Len wishes him nothing but success. . . Frank Mancuso goes around in circles whenever his right hand girl, Rex, takes a bit of time off from her duties. . . Clay Simonsaux, Air-Line Cigarette Service nursing a glorious sun burn on the top of his head. Picked it up on his Labor Day outing. . . Jack Young, Lafayette, La., in town trying to sell his 27 inch television set so that he can replace it with a 27 inch screen. . . Albert Huffine, New Orleans Novelty salesman, selling everything in reach. . . Mary Nassar of Tac Amusement back from a trip to Texas where she greeted her returning Korean vet nephew. . . Louis Boasberg busy on long distance telephones, but never so busy that anyone is fluffed, no matter how small. . . Betty Albano of Jay Amusement just back from Colorado where she visited her ill mother. . . Mr. McCann, McCann Music, Alexandria, La., getting in a lot of good fishing lately. Ditto for Al and Ruby Young of the Bop Shop, New Orleans. . . Jimmy Lague, Prichard Amusement, has been driving to market in a snazzy new Plymouth this week. . . Congratulations to Mrs. Johnny Rush who is a brand new grandmother. Mrs. Rush just returned to Alexandria after visiting her daughter and the new arrival. . . Our "Orchid" this week to Annie Bell of the Bop Shop. . . Whatever happened to August of Perez Amusement?

The usual August heat in Dallas waited until the middle of September this year. And just when a cold snap had stepped up business. But rain has been good this summer so operators are expecting a prosperous year. . . Over at Walbox Sales Company Fred Barber reports that business is as usual. . . Phil Venable, Bally representative, in East St. Louis, Ill. this week. . . Tommy Chaiten spent last week in Louisiana. He is very enthusiastic over his newest account, Bruce Vending Machine Co., Shreveport. Said they have just received delivery on a whole carload of Wurlitzers. . . Also from Shreveport we hear Harry Levine of Tri-State Amusement Company is doing a bang up business. . . Jim Crosby of Wurlitzer, New York, is visiting Commercial Music in Dallas this week. . . The folks over at Seeborg gave a company dinner for S. H. Lynch last week. He has just returned from Europe and entertained the group with tales of his trip.

THRU THE COIN CHUTE CALIFORNIA CLIPPINGS LOS ANGELES

LOS ANGELES—Distributors and operators alike are looking for a bright fall season. They all agree that employment is at the highest level ever—wages are higher and people have more money to spend. With all these factors present business should flourish. . . Everyone was surprised to hear that Bob Bever had taken over as the new manager of the Dan Stewart Company. Bever has been manager of Dan Stewart in Lake City for the past five years and is well known in the area as he originally opened up the local branch. When queried Bob stated, "I'm looking forward to renewing old acquaintances as well as meeting all the operators around LA and surrounding communities." Former manager, Jack Dolan, says that he will have several things brewing but his plans are not definite as yet. He added that he'll, all the way back, have to announce his plans soon. . . Saw Irving Gayef, San Bernardino heading for Las Vegas with a load of games. Here's one fellow that has won the title of the "Paul Revere" of the coin machine industry as he covers such a large territory. . . Mr. and Mrs. Al Anderson of Shafter were amongst the many visitors who dropped in on coinrow recently. They stated that they had just returned from an enjoyable vacation up along the Russian River. Al Miller of Blyth made the long 235-mile trek to visit and take care of business along West Pico. Says he still makes the trip through the grueling heat at least once every three weeks. . . Al Badger Sales Company, Fred Gaunt announced that the new Genco "Night Fighter" is one of their big sellers. They are expecting a new shipment in any day now. Al Silberman is back hard at work after his combined business trip and vacation. . . All the operators showed plenty of interest when they saw the headlines in the Evening Herald that a new chief of police had been elected. Of course, they all laughed and walked away when they saw the news that the new chief was to be Ray Gehl, 1922 issue. They stated that memories to the old timers. Bill Olson from San Pedro dropped in to visit here and there the other day. It is claimed that he is one of the biggest arcade men in the business with arcades scattered from Chinatown here in LA all the way up as far as Oxnard. . . Everyone wonders who the cute little teen ager is who has a hand in the coinrow recently. They say her name is Eddie Lee (Little Bit) Braughton and that she has really taken over the place. If you operators have any teen age boys that you don't know what to do with when you come into town just drop them off here and "Little Bit" will be glad to entertain them for you. Robert Bard, Marvin Jones and E. R. "Ed" Kendall all depend on this little gal to get things done. Speaking of teen agers brings back memories of when Robert used to work for his dad when LA was wide open. He used to slave away separating the checks from the money at the ripe old age of eight years old.—By the way, anyone that has been in the coin-biz that long we feel deserves to be included as a member of our Cash Box 20 year club—"eh Robert"! All kidding aside, we feel that he has been in the business to build up one of the largest routes in the area. . . Another well remembered old-timer who occasionally visits along the Pico strip is Russell "Buss" Sheffer. "Buss" is one of the few remaining pioneers of the coin machine industry in this area. He once manufactured the first "Sheffer" console scale back in 1929. His new route is in the San Bernardino area. He has a partner, Guy G. Robinson and Company Charley Robinson and Al Bettelman both stated that a new model of the United "Classic" would soon be out which they are anxiously awaiting. . . Other out of town visitors who visited along coinrow recently were "Pop" Burris, Montebello; Ben Korte, Glendale; Lee Nelson and Walter Hennings both of Santa Ana; William Bradley, Covina; and Ed "The King" of Bill Black from Bakersfield. Long Beach was represented by Fred Allan, Cliff Jones and James Forbiss. Kennie Wolfe showed up from San Diego and Lloyd Dindinger from Carlsbad, California.

Things are really quiet over at Leuenhagens Record Bar without Barbara Chandler around. Clark and Kay Sells stated that she was a lot of help and they sure do miss her since she went back to school in Marysville. Jack Simon of Simon Distributing Company is stocking up for the big fall season with large shipments of all types of amusement devices arriving from New Orleans and St. Louis with more expected any day. . . In at Paul A. Laymon Company the boys had the pleasure of welcoming Walter Petzel, field engineer from the Wurlitzer factory, who stopped in to show the fellows in the service department all the latest mechanical twists. He caught them all in the midst of redecorating, as paint singer, Charlie Daniels slapped on the finishing touches while Don Gilbertson and Karel Johnson assisted. Paul and Lucille Laymon were seen picking up the operators as they gathered in for business for the big Frankie Laine-Wurlitzer contest. California Music Company was well represented at a party that was thrown by Spike Jones. Guests included: Mr. and Mrs. Sam Ricklin, Gabe Orland, Jack Lewis and his very pretty girl friend. . . Saw Lyn Brown driving around in his red truck rounding up all the solotone distributors for the Lanz Hedderger loan representatives. "Mac" will make the second year Lyn has furnished all the kiddie rides concessions.

Things are humming along with all hands on deck at Auto Photo Company now that sales manager, Van Natten, is back from his business trip. Says that he had planned to be gone only a couple of weeks but business was so good that he stayed an extra two weeks longer. He also stated that in addition to handling distributor for Auto Photo in New York and the New England States, E. A. Hanna, "Photo Studios," will also act as the distributor for Maryland and Washington, D. C. General manager, Bryant Herren, is contemplating a trip to Europe early in November to work with distributors abroad. . . Charles Peddicord presy of N & M Amusement Company in Anaheim surprised everyone along Pico when he came in all dressed up in his Sunday's best. Says he thought he'd give the boys a treat for a change. . . L. B. "Mac" McCreary, general manager of Solotone Corporation, reports that the new coin operated TV is getting a lot of comment from operators and location owners alike. F. E. Wilson, president of the firm, just returned from the big family reunion in Colorado Springs, Colo. to the Lanz Hedderger loan representative for National Rejectors, Inc., gets ready for another business trip. This time he's headed up through Oregon and Washington. Says he opened up along coinrow in 1946 with a pair of pliers and a screw driver and has been busy and on the move ever since. He plans to get away for a little vacation in the near future. Goes hunting up in the wilds of Canada in a few weeks. . . Phil Robinson, Western Representative for Chicago Coin, recently returned from his business trip through the Western states calling on distributors. . . It was reported that business at Minthorne Music Company has been running at a furious pace. New machines are constantly going out at a pace that makes it almost impossible to keep up with deliveries.

THIS WEEK'S USED MACHINE QUOTATIONS

15th Year of Publication
 729th Consecutive Week's Issue

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FORWARD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than average prices, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; second price listed is highest price quoted.
