NUMBER 26

One of the surprises of the current record season has been the great strength which The Crows' waxing of "Gee" has shown in the pop market. Originally a rhythm and blues hit, the disk has now taken off all over the country. Above The Crows surround George Goldner, president of the Rama label on which the record was issued, and Mona, Goldner's assistant. Goldner also heads the Tico label on which he has another hit, "Baion" with Joe Loco.

# SUCCESS

The fourth annual MOA (Music Operators of America) Convention was a smashing success.

It was the biggest ever held. It had the most exhibitors, the most guests, the most visitors, the most artists . . . the most everything.

The convention, in short, fulfilled the greatest expectations of every one of us.

Why was it so successful?

For many reasons.

The most important is that the juke box operator has today become one of the most vital factors in the creation of a hit. Without his purchases, no record could reach the top category. Without the promotion which disks receive on the half million juke boxes of this country, the record business would be in an untenable position.

As a result, every major record firm and almost every independent attended the convention of operators. All of them wanted to show the ops just what was in store for them in the coming weeks and months, the records which were being made, the artists who were being promoted and the hits which were being planned.

And this was all natural for everyone in the record business knows that juke box operators are responsible for approximately 25% of all records sold.

Since it is estimated that approximately 200,000,000 pop records were sold last year. Operators bought approximately 50,000,000 of them. At 55 cents a record, it adds up to \$27,500,000, a hefty chunk of business in anyone's language.

It's no wonder then that record firms are going to do everything they can to attract as much of this business as possible. They're going to turn out the records that operators feel will make money and that their customers in turn will put coins in the juke boxes to play. They're going to find ways of telling the operator just how their records can make a profit for him. In other words they're going to direct their promotion to the operator.

For if one factor alone in a business is responsible for 25% of all sales, that factor gives the business its stability, the base from which everything else stems.

And so the MOA convention was a success because the juke box and record businesses have become so inter-related that one is completely dependent upon the other. Wherever large numbers of juke box operators gather, the record companies know it is the wisest thing they can do to appear.

They did that in Chicago last week. And from the results, it is obvious that everyone was happy that they did.

**BERNIE WAYNE**  
(Coral 61139; 9-61139)

**B+** "BOCA CHICA" [Sunbeam BMI—Wayne] Bernie Wayne leads the orchestra through an exciting Latin arrangement of one of his own creations. A thrilling deck with lush strings and a beautiful melody.

**B** "WALTZ FOR MARILYN" (2:14) [Sunbeam BMI—Wayne] The strings blend wonderfully on another Wayne original set to a waltz tempo. Dreamy, floating music for the quiet hour.

**REDD EVANS**  
(Redd-E 002; 45-002)

**C+** "IDLE GOSSIP" (2:37) [Redd Evans ASCAP—Huddleston, Meyer] A pretty ballad is vocaled by publisher Redd Evans on one of the new diskery's first platters. Tune has quality and could make the grade.

**B+** "TRAPPED" (2:30) [Jefferson ASCAP—Burns] A lively rhythm item with a Latin beat, with bongos in the backdrop, is the setting for a clever piece of material that could catch. Real fine job.

**BOB ANTHONY**  
(Eagle 107; 45-107)

**C+** "DO I WORRY" (2:30) [Melody Lane BMI—Worth, Cowan] Crooner Bob Anthony comes through with a fine showing on a pleasant piece of romantic material. Howard Gibeling and the ork support.

**C+** "TURLI - TURLA - TURLU" (2:41) [Songland BMI—Sabatino, Salcito] A pretty piece of waltz material gets a relaxing and ok fashioning from the songster.

**FRANK CHACKSFIELD ORCH.**  
(London 1406; 45-1406)

**B** "FLIRTATION WALTZ" (1:35) [Bourne ASCAP—Heywood, Saroni] A beautiful waltz number that's been making noise in England gets an appealing instrumental styling from the Chacksfield men. Lush arrangement that could click.

**B** "PRELUDE TO A MEMORY" (2:43) [Carolyn Ltd. ASCAP—Chacksfield] The leader presents some more beautiful instrumental material, this one a self composed piece. Dreamy music.

**HELEN FORREST-CHARLIE DE FORREST**  
(Bell 1030; 45-1030)

**C+** "SECRET LOVE" (2:05) [Remick ASCAP—Fain, Webster] Morty Palitz and his Magic Strings accompany Helen Forrest on her version of the country's number one tune. Nice cover job but much too late for top honors.

**C** "YOUNG AT HEART" (2:42) [Sunbeam BMI—Richards, Leigh] Another tune that's aiming for the number 1 slot gets a going over by Charlie De Forrest. Tune is terrific.

## THE CASH BOX DISK OF THE WEEK

"SOMEWHERE (THERE IS SOMEONE)" (2:40) [Sheldon BMI—Nathan, Heifler]  
"WON'T YOU FORGIVE ME" (2:48) [Roncom ASC—Kahan, Snyder]  
**LOU MONTE**  
(RCA Victor 20-5691; 47-5691)

LOU MONTE

● Lou Monte, whose talent was finally recognized by the public via his hit recording of "Darktown Strutters Ball," which is currently

heading toward the number one slot, offers a first class follow-up that could also become a tremendous hit. Aided by a lush Henri Rene orking and the voices of a full chorus, Lou leans into a romantic ballad dubbed "Somewhere (There Is Someone)." It's a warm and beautiful job that proves the artist can sell a love tune as well as a novelty. "Won't You Forgive Me" is another outstanding job of crooning by the versatile songster. Two equally beautiful ballads. Hugo Winterhalter supports on this deck. Monte is hot. He could easily make it three in a row by clicking with this two sider.

**JANE FROMAN**  
(Capitol 2755; F-2755)

**B** "BACKWARD, TURN BACKWARD" (2:52) [Sheldon BMI—Coleman] Popular Jane Froman does a top grade job on a slow pretty waltz item. Her voice adds extra meaning to the tune.

**C+** "I SOLEMNLY SWEAR" (2:34) [Bourne ASCAP—Handman, Moore] Henry Sylvern backs the songstress with a lush setting as she fashions a warm ballad in her sincere and polished manner.

**ROSEMARY CLOONEY**  
(Columbia 40187; 4-40187)

**C+** "BRAVE MAN" (3:07) [Famous ASCAP—Livingston, Evans] From her current flicker "Red Garters," Rosemary Clooney, assisted by Percy Faith, delivers a sentimental love tune. Tearful job well done.

**DEAN MARTIN**  
(Capitol 2749; F-2749)

**B+** "HEY BROTHER, POUR THE WINE" (2:36) [Frank ASCAP—Bagdasarian] A lively drinking song with a fine wedding of lyrics and melody is Dean Martin's follow-up to "That's Amore." Unusual tune that could make it.

**C+** "I'D CRY LIKE A BABY" (2:35) [Starlight ASCAP—Gallop, Steiner] Dick Stabile dishes up a rhythm backdrop for Dean's interesting version of this clever lilter. Colorful offering.

**GISELE MacKENZIE**  
(Capitol 2743; F-2743)

**C+** "RIDIN' TO TENNESSEE" (2:31) [Johnstone-Monte BMI—Dailey, Bowman, Sminote] Nelson Riddle and the ork supply Gisele MacKenzie with a fitting backdrop for her lively version of a bouncer with a familiar melody. Peppy.

**C+** "DOGGONE IT BABY I'M IN LOVE" (2:08) [Hill & Range BMI—Keefer, Amway] Another lively piece is sent across by the thrush. Good delivery of a good tune.

**THE NOCTURNES**  
(MGM 11700; K-11700)

**B+** "SING IT PAISAN" (2:15) [Sam Fox ASCAP—Biondi, Viola, Messina, Candelmo] With the Italian tune trend on the way up, The Nocturnes offer just such material as they glide through this cute bouncer. Could hit.

**C+** "I SAW A STRANGER" (2:16) [Sam Fox ASCAP—Mason] The boys get a fitting accompaniment on this romantic lilter. They have a harmony and style all their own that could make a name for them. Top half could do it.

**GAYLA PEEVEY**  
(Columbia 40182; 4-40182)

**B** "THREE LITTLE BUNNIES" (2:25) [Joy ASCAP—Hoffman, Manning] Little Gayla Peevey, whose talent was recognized via her Xmas "Hippopotamus" disk, comes up with a cute Easter ditty that the kids will go for.

**C+** "WISH I WUZ A WHISKER" (2:53) [Joy ASCAP—Tepper, Bennett] Another light and lively ditty for Easter is rendered by the young chirp. Pleasant job with Paul Weston's ork in the backdrop.

**DOTTIE DILLARD**  
(Dot 15138; 45-15138)

**B** "I DON'T WANT TO SET THE WORLD ON FIRE" [Cherio Music—Seiler, Marcus, Benjamin, Durham] Dottie Dillard and the chorus offer a shuffle rhythm rendition of a favorite oldie. Nice job.

**C+** "TREASURE ISLAND" [Joe Morris ASCAP—Leslie, Burke] Another rhythm number that switches to a Latin tempo, makes good listening as presented by the artist. Pretty tune.

**JOHNNY MADDOX**  
(Dot 15142; 45-15142)

**B** "JOSEPHINE" [Feist ASCAP—King, Bivens, Kahn] Keyboard master Johnny Maddox teams up with his Rhythmasters on an old fashioned cornball rendition of catchy ditty. Should enjoy the strong Maddox sale.

**B+** "JOHNNY'S BOOGIE BLUES" [Gallatin BMI—Maddox] The pianist rides over the 88's with a sensational arrangement of a boogie woogie item. Artist can really jump. Youngsters should love this.

**MEN OF ROBERT SHAW'S CHORUS**  
(RCA Victor 10-4214; 49-4214)

**C+** "ANGELA MIA" (3:00) [Crawford ASCAP—Rapee, Pollack] Here is another version of this lovely ballad, this one voiced by the Robert Shaw Chorus under the direction of Ralph Hunter. Beautiful arrangement and harmony.

**C+** "EASTER PARADE" (2:50) [Berlin ASCAP—Berlin] The Easter holiday's most popular standard gets a going over by the men. Shuffle rhythm makes the arrangement interesting.

## THE CASH BOX SLEEPER OF THE WEEK

"DREAM, DREAM, DREAM" (2:55)  
[Leo Feist ASCAP—Parish, McHugh]

"ELEANORA" (2:35) [Tannen BMI—Arendo]

PERCY FAITH ORCHESTRA  
(Columbia 40185; 4-40185)

PERCY FAITH

● Arranger, composer, conductor Percy Faith, who is among the best in each of these categories and who

has had a number of instrumental hits, comes up with another contender in this beautiful new item labelled "Dream, Dream Dream." It's real mood material with a perfect blending of the strings that adds a wonderful beauty to the melody. It's music designed for the quiet hours. On the bottom portion, Bernie Leighton takes over at the harpsichord on a fast moving Latin item similar to Faith's success, "Delicado." It's a fascinating number called "Eleanora." Excellent coupling for the boxes. Top piece could be real big.

"MY SIN" (2:02)

[DeSylva, Brown & Henderson ASCAP—DeSylva, Brown Henderson]

"I'LL ALWAYS BE HAPPY WITH YOU" (2:36)

[Hill & Range BMI—Claypun, Giambusso, Henning]

GEORGIA GIBBS  
(Mercury 70339; 70339 x 45)

GEORGIA GIBBS

● Her Nibbs, Georgia Gibbs, whose voice is real pleasure to the

ears, comes through with her best offering in quite a while as she fashions "My Sin." The tune is a great standard, and with Georgia's treatment, set to a shuffle rhythm backdrop, the chirp has a sure-fire contender. The bounce arrangement adds an interesting flavor to this top drawer material. The lower end stars the femme on a sentimental ballad tagged "I'll Always Be Happy With You." A strong, emotional delivery on a feelingful number. Georgia is ripe for a big clicker. "My Sin" looks like it.

"CRAZY RHYTHM" (2:39)

[Harms ASCAP—Caesar, Meyer, Kahn]

"MOUNTAIN HIGH-VALLEY LOW" (3:00)

[Michael Goldsen ASCAP—Scott, Hanighen]

DOROTHY COLLINS  
(Audivox 107; 45-107)

DOROTHY COLLINS

● Dorothy Collins, the popular songstress of "Your Hit Parade" could have a tremendously success-

ful platter if it gets enough exposure. Two tunes, expertly engineered are placed back to back to make a great juke box coupling. On one end, the thrush hands in a superb vocal effort on the fast moving standard "Crazy Rhythm" as George Barnes assists with some fancy guitar work. The chirp's multiple voicing and catchy vocal gimmicks makes this a most commercial side. On "Mountain High-Valley Low," Dorothy creates, with her one voice, the effect of an entire choir. Great number that needs loads of play to catch on. Top half should catch first. But watch both. They're great.

**EYDIE GORME**  
(Coral 61138; 9-61138)

**B** "CROCODILE TEARS" (2:13) [Vim ASCAP—Wayne, Sherman] Eydie Gorme offers some terrific vocal dubbing on a lively and colorful bouncer with the chorus assisting. A real bouncy handclapper.

**B+** "FALLEN APPLES" (2:58) [Shapiro-Bernstein ASCAP — Reid, Altman] Dick Jacobs' ork sets up a pretty backing for Eydie's sincere rendition of a sentimental love song. Thrush could come through with this one.

**AL MORGAN**  
(“X”-0004; 4X-0004)

**B+** "SWEET KENTUCKY SUE" (2:25) [Sherwin ASCAP—Sky-lar] Al Morgan revives a beautiful ballad with which he clicked some years back. Wonderful job on a very pretty tune.

**C+** "YOU TOLD ME TO GO" (1:58) [Warock ASCAP—Morgan] On this end, the singer-pianist bounces through a lively lilter with a pleasing arrangement.

**BETTY JOHNSON, 3 BEAUS & A PEEP, ANNE LLOYD & CARILLONS**  
(Bell 1031; 45-1031)

**C+** "CROSS OVER THE BRIDGE" (2:21) [Valando ASCAP—Benjamin, Weiss] Betty Johnson and the Three Beaus and a Peep team up on a fine cover version of a current top-spot contender.

**C+** "I GET SO LONELY" (2:05) [Melrose ASCAP—Ballard] On this end, Anne Lloyd and the Carillons unite on a lively handclapper that's bidding for high honors. Good version of a happy tune.

**LENNIE FORREST**  
(Derby 845; 45-845)

**C+** "MONEY" (2:35) [Kavelin BMI —Freberg, Raksin] An amusing recital about money is offered by Lennie Forrest as Eddie "Piano" Miller assists with a cornball bar-room type piano. Catchy item.

**B** "THE PARCEL" (2:31) [Mecca ASCAP—Lisbona, Connor] Another piece of material with a recital in it, is treated by the artist. A light and colorful item with a catchy delivery. Should draw spins.

**SPENCER-HAGEN ORCHESTRA**  
(“X”-0007; 4X-0007)

**B** "ANGEL BELLS" (1:48) [M.S.I. ASCAP — Hagen, Spencer] A beautiful tune gets a fascinating chime and string arrangement from the Spencer-Hagen ork. Group has a beautiful sound and excellent material here. Could happen.

**B** "BLACK SAPPHIRE" (2:32) [Simon ASCAP — Hagen] The strings cast a sentimental air as they glide through this bluesy melody. More penetrating material with another great treatment. Ork could make the hit grade.

### NEW YORK and CHICAGO:

As you walked through the Palmer House in Chicago last week, you could see more music people gathered than has ever appeared in one place before. Top execs from every major diskery and almost every independent of note were there. Artists from all companies were in the rooms talking to ops, greeting them and telling them about their new records. There were so many grand people that it's impossible to mention them all but they were everywhere from the minute we got on the plane at LaGuardia until the time we left the Palmer House. Among those on our plane were Randy Wood, Moe Gale, Harry Link, Goldie Goldmark, Dewey Bergman, Bill Stegmeyer, Louis

EDDIE FISHER

Boorstein, Paul Cohen and more. At the huge Cash Box party held on the 23rd floor of the hotel on Sunday night, literally hundreds of visitors passed through and it was 5 o'clock in the morning when the last guests, Dave Miller and Jules Malamed, said good-night. It was great party—if we must say so ourselves. The banquet on Tuesday night was the highlight of the whole affair. Never in our memory has there been such a gathering of recording stars from every company. The very top names in the business were there to entertain the ops and the show couldn't have turned out better. Mahalia Jackson stunned the audience with her magnificent rendition of "I Believe"; and Eddie Fisher's teaming up with Eddie Calvert for "Oh My Papa" was another highlight. Tony Bennett received an ovation as well as Eddy Arnold. All the artists did themselves proud. One final word, and that is about the display rooms. Victor had an outstanding one. It was dark, air conditioned and "Hot." BMI had a great attraction in its peep show. Benida's honky tonk set-up was another stopping point. The Cash Box room was a central meeting place for almost everyone walking through. Decca and Coral had top execs greeting the guests. The same was true for Capitol and Columbia. The new Label "X" and Groove had a fine cocktail party in their suite on Monday. Mercury had the booth next to The Cash Box. And Dave Miller's Essex room was jumping, naturally.

Now for some of the New York news this week: Mannie Greenfield is the new manager of Toni Arden. . . . Eddie Kleinbaum wearing a broad smile these days and still passing out cigars now that he's a father of a boy, Jeffrey Paul. Eddie is counter man to the operators and dealers at Cosnat Distributors in N. Y. . . . Decca's label was printed wrong in listing the publisher on Kitty Kallen's "Little Things Mean A Lot." Should have been listed as Feist Music instead of Robbins. . . . Tony Bennett's wife and 4 week old baby were in Chicago with him last week as he played the Chicago Theater. . . . Bobby Breen visiting local deejays with his new Jubilee waxing of "Break My Heart" and "Melancholy Serenade." . . . Pat Terry and Eydie Gorme open at Cafe Society March 22. . . . Henry Okun and Original Records have parted company on amicable terms. . . . Bobby Worth and Cy Leonard have joined Eagle Records in executive capacity. . . . RCA Victor reissuing "Put The Sawdust Back On The Floor" to capture the St. Patrick's day biz.

TONY BENNETT

### LOS ANGELES:

After a very successful MOA Convention everything is getting back to normal again. Southlanders who attended the show have returned home and are back on the job again. . . . Harry James and band scheduled to open at the Diamond Knee in San Francisco on March 19th. His latest release is "Stomp and Whistle" on Columbia. . . . Frankie Laine now spotlights the show at the Palomar Supper Club in Vancouver, B. C. . . . Tony Bennett is riding high with two hits in the top ten listings. His latest Columbia waxing is "There'll Be No Teardrops Tonight." . . . Peggy Lee opened at the Chi Chi in Palm Springs on March 8th. It's her first engagement since her recent illness. . . . We hear that Jack Webb's ex wife Julie London will be on wax soon. . . . Around the night club circuit Dick Contino was welcomed back to the Mocambo where the accordion playing maestro entertains nitely. . . . Julius LaRosa, top Cadence recording star, is now making his first West Coast debut at Ciro's to packed audiences. . . . RCA Victor staged a cocktail party for Eddie Fisher on Fri. March 5 at the Brown Derby. On hand to greet their top star were Victor execs Jack Burgess, Martin Bennett, Hal Maag, Harry Geller and Tom Mosley along with Art DePaul and Dorothy Vance of Leo J. Meyberg Company, RCA Distributors. A large gathering turned out for the event which was also tied in with the preview showing of the flicker "New Faces" starring Eartha Kitt. All who attended the party also were invited to the preview. . . . Les Paul and Mary Ford whizzed into town to visit with their many friends and to make a couple of one night appearances in Pasadena and San Diego. They opened at the El Rancho Vegas in Las Vegas on March 10th for a four week stint then it's back to LA and the Ambassador's Coconut Grove for two weeks. . . . Al Kavelin's first release by "Big Jim" Buchanan on his new Century label titled "Money" has caused such a furor around wax circles that Capitol has now covered the tune with Mel Blanc. . . . Mary Rose Bruce's latest Victor waxing of "Said The Little Moment" sounds great. The gal sings better than ever and her manager Max Lutz is mighty proud of her. . . . George Jay's photo postcard of Miss "Latin Lady" of 1954 plugging Hugo Wnterhalter's waxing of "Latin Lady" is terrific. If the tune is anything like the picture—Wow! Watch out!! . . . Micki Marlow, former photographers model, is due in soon for new recording sessions. It'll be her second for Capitol. . . . George Wyle, songwriter of such hit songs as "I Said

MARY ROSE BRUCE

My Pajamas," "You Broke Your Promise" and many others is now directing the music for singer Howard Keel at the Last Frontier in Las Vegas during his two week engagement there.

# MOA CONVENTION IS GREATEST EVER HELD

## Music Men Meet From All Over Nation

### No Action Taken On Proposals For Setting Up Publishing Firm Or Third Performance Rights Agency

CHICAGO — What was without doubt the biggest and best MOA (Music Operators of America) Convention ever held, took place here last Monday, Tuesday and Wednesday, March 8, 9 and 10.

Top record officials, publishers, distributors and artists came from all parts of the country to greet the juke box operators who were present. There were more exhibitors than ever before, more guests, more visitors.

For the music people, the convention started on Sunday when almost every plane that landed during the day from New York brought greater numbers of the trade to the show.

The most important question discussed, as far as the record business was concerned, was whether to take some action on setting up a publishing concern or a third performance rights agency to counteract the effects should any of the proposed ASCAP legislation ever go through. Larry Spier proposed the publishing setup while Barney Young advocated the performance rights agency. Both would be dependent upon operators' agreeing to buy certain amounts of records each month. Both of these proposals were merely discussed at this convention with no action taken either way and with both due for a great deal more consideration before it is decided whether either one—or any—will be adopted.

Trade attendance at the meeting

was the largest ever. Every major diskery was represented and almost every independent who had anything currently hot. Many of the booths were quite striking with RCA Victor all dressed up in "Hot" fashion, Benida offering a Coney Island set-up, BMI giving out with a peep show and others such as Decca, Coral, Essex, Label "X", Capitol, Mercury and Columbia entertaining lavishly.

Nashville was represented by a contingent from Grand Ole Opry and many top folk stars could be seen walking through the exhibitions all during the convention.

The halls of the eighth floor of the Palmer House were busy from morning to night for the entire three days. Top artists were in every record firm's rooms. Publishers had come in from New York and the coast. It was a meeting of music people such as seldom has taken place.

The highlight was the banquet at which star after star got up to do a bit and the audience just couldn't get enough of it.

With this convention, the MOA proved to be the natural meeting place for everyone concerned with the music business. And while this was several times bigger than previous conventions, its success makes it certain that next year's convention will be even bigger yet.

**HOLLYWOOD, CALIF.**—Helen Troy, latest Vito Records pactee, launches Tony Romano's latest release "Goombye Goomba" with a pizza pie which they both feel will be just as good as the record. Event took place during an Italian dinner staged by the diskery at the MOP restaurant on the Sunset strip March 3rd. Dinner was held to introduce members of the press and deejays to the two new recording stars. Helen's new waxing is "A Kiss In The Dark" b/w "I Get The Blues When It Rains".

## James, Bennett, Anthony, Hilltoppers Win Poll

**NEW YORK**—In WNEW's annual "Make Believe Ballroom" Popularity Poll, Joni James, Tony Bennett, Ray Anthony and the Hilltoppers won the No. 1 spots as America's favorite disk entertainers, after four intensive weeks of voting in WNEW's 28th Poll conducted by the Ballroom's Jerry Marshall.

As announced by Marshall on his Thursday night (March 11) edition of "Make Believe Ballroom", the all-time high balloting found newcomers taking over the higher spots in every category of Marshall's poll. Although Joni James and Ray Anthony held onto their top crowns, both for the second consecutive year, Tony Bennett and the Hilltoppers unseated old favorites Perry Como and the Four Aces, slipping them down a notch to second place in both lists. Every category also showed new entries to the Top Ten—including Julius La Rosa, June Valli, Eartha Kitt, the orchestras of Frank Chacksfield and Richard Hayman, and the Mariners and the Ink Spots vocal groups.

## Sammy Kaye Contest Winners

**NEW YORK**—The second grand prize winning song in Sammy Kaye's RCA Thesaurus "So You Want to Write a Song" contest has been chosen by the bandleader. The tune, entitled "Let's Just Fall In Love," was submitted to radio station WGNS, Murfreesboro, Tenn. by E. E. Wilson.

## Tiffany Sets New Sessions

**CHICAGO**—Scheduled for early April release, Tiffany Records will cut eight sides on March 25-26, four each with singers Guy Cherney and Pat Scot. Cherney currently is a hold-over hit at the Black Orchid and Miss Scot, a native of Milwaukee, is a CBS singer here.

Conductors of the two sessions, both new to Tiffany, will be Jacques Belasco of New York, whose musical treatment won a movie Oscar in 1953, and Joseph Gallicchio, musical director of NBC's central division.

President Henry E. Doney of Tiffany also announces that Polygon Records of London will distribute all of Clark Dennis' Tiffany disks under a recent contract. Distribution is for the British Isles. Clark currently is riding high with "Granada" seven months after its original release and also is moving well with "You and Your Smile."

## Disk Biz Aids Sunday School Week

**NEW YORK**—With April 12 through 18 being celebrated as the 10th annual observance of National Sunday School Week, a strictly non-sectarian campaign sponsored by the Laymen's National Committee, disk jockeys and record shops are tying in with the cause, offering all out help. Both RCA Victor and Capitol Records have suitable tunes-for-tots that might be played that week. Singer Tex Ritter has one on Capitol and Jack Berch waxed one for RCA Victor.

### CLASSICAL:

**MUSIC FROM MODERN NORWAY**—Harald Saeverud, Fartein Valen, The Oslo Philharmonic Orchestra, Oivin Fjeldstad conducting.—Mercury Classics MG 10149 (1-12") List: \$4.85

The music of two of Norway's modern composers, Harald Saeverud, who would be about 57 years old today, and Fartein Valen, who died only about two years ago, are interpreted by the Oslo Philharmonic Orchestra. The companion piece to Mercury's Norwegian Pop Concert should carry more sales potential with the longhair buyer.

**CESAR FRANCK**—"Sonata For Violin and Piano in A"

**RICHARD STRAUSS**—"Sonata For Violin and Piano in E-Flat, Op. 18" Jascha Heifetz and Artur Rubinstein Side One—Jascha Heifetz and Arpad Sandor Side Two—RCA Victor LCT 1122 (1-12") Price: \$5.45

A must collectors' item re-issued by Victor in its "A Treasury Of Immortal Performances" series. Despite technological advances since performances were originally released, the virtuosity of the performers is obvious and thrilling. Should have tremendous sales appeal in view of the artists' name attraction.

### POPULAR:

**RALPH FLANAGAN & His Orchestra**—"The Freshman-Sophomore Frolics"—RCA Victor LPM 3190 (10" LP) List: \$3.15

VIENNA, CITY OF MY DREAMS; NIGHTS OF SPLENDOR; A ROSE AND A STAR; WASHINGTON MACHINE; SONG OF LOVE; OYE NEGRA; CAPRICE VIENNOIS; SMOKE DREAMS.

One of the most popular bands with the college set is Ralph Flanagan's. His frequent appearances at the various campuses throughout the country in the past few years, since the creation of the aggregation, has left a memorable impression on the student hooper. His arrangements are ultra-danceable and the polished, smooth sound of the orchestra is very reminiscent of the great Glenn Miller band. This platter, containing a good selection of standards, designed in the Flanagan fashion, makes it obvious why the band has such a great appeal. Perfect package for a teen-age party.

**RALPH FLANAGAN & His Orchestra**—"Junior-Senior Prom"—RCA Victor LPM 3189 (10" LP) List: \$3.15

I'LL BE WITH YOU IN APPLE BLOSSOM TIME; YOU; RED RIVER VALLEY; MERRY WIDOW; SMOKE GETS IN YOUR EYES; GYPSY VIOLIN; WHY; A-FLAT SWING.

With Harry Prime and the Singing Winds presenting vocals on some of the numbers, Ralph Flanagan and the ork dish up another piece in the college dance series. Treatments of the tunes featured in this album are basically the same as in the "Freshman-Sophomore" album. But, of course, other tunes are used. Same comment as for above record.

**"ORIGINAL COMPOSITIONS"**—The Noblemen—King Records LP 265-11 (1-10" L.P.) List: \$2.95

ADIOS MUCHACHOS; MY HEART AT THY SWEET VOICE; THEME FROM 'ROMEO AND DELILAH'; O SOLE MIO; ANDANTINO; TANGO IN D.

King Records comes up with an idea that should catch a goodly share of L.P. sales. The idea of presenting original compositions from which pop hits were born is intriguing. Violin with organ accompaniment. Fuller orchestration would have enhanced its sales appeal a great deal.

**BILLY ECKSTINE**—"The Great Mr. B and his All Star Band"—Deluxe LP 265-12 (10" LP) List: \$2.95

BLOWING THE BLUES AWAY, IF THAT'S THE WAY YOU FEEL; I WANT TO TALK ABOUT YOU; I GOT A DATE WITH RHYTHM; GOOD JELLY BLUES; OPUS X.

Prior to his success as a solo vocalist, which the public recognized on a record called "Caravan," Billy Eckstine made music with his All Stars. This crew was comprised of such greats as Dizzy Gillespie, Al Killian, Trummy Young, Gee Ammons and a host of others. This platter features Mr. "B" and the band on numbers to which thousands thrilled. Eckstine fans will go for this in a big way. These are Eckstine waxings which are seldom heard on the air or at Billy's performances.

**XAVIER CUGAT**—"Mambo"—Mercury EP-1-3178 (EP) List: \$1.47

SUN SUN; MAMBOLETTE; CHINA BOY MAMBO; MAMBO MANIA.

Xavier Cugat, who is probably better known for his Latin rhythms than any other band leader in the world, shows exactly why on these four treatments of the mambo. Although many other Latin organizations may appeal to the mambo addict, Cugat's is still the most commercial to the non-critical dance set. Fine mambo material for dancing and listening bound in a most attractive cover. "Sun Sun" should serve as a persuasive salesman.

**TED WEEMS**—"Dance Set"—Mercury EP-1-3167 (EP) List: \$1.47

MICKEY; CIRIBIRIBIN; HINDUSTAN; CANADIAN CAPERS.

The perennial favorite Ted Weems, who is probably best remembered for his two-time clicker "Heartaches," presents four delightful swing items among which are the two great standards "Canadian Capers" and "Ciribiribin." Weems' light and inviting instrumental touch characterized by the whistle in the foreground makes excellent listening and dance material. Pleasure on the relaxing side.

### JAZZ:

**"NEW NEW ORLEANS JAZZ"** Wilbur de Paris—A440 Records AJ 503 (1-10" L.P.) List: \$3.85

I'VE FOUND A NEW BABY; THE WORLD IS WAITING FOR THE SUNRISE; CHANGE OF KEY BOOGIE; IN A PERSIAN MARKET; WAITING FOR THE ROBERT E. LEE; BOURBON ST. PARADE.

Just what the title indicates. This is "new" New Orleans jazz. The improvisations of Wilbur de Paris on the tailgate, his brother Sidney, on the trumpet; and such stalwarts as Omer Simeon, clarinet; Eddie Gibbs, banjo; Don Kirkpatrick, piano; Zutty Singleton, drums; and Nat Woodley, bass; collaborate on the swinging treatments of such jazz classics as "Robert E. Lee," "Bourbon St. Parade" as well as exciting and novel readings of "In A Persian Market" and an original De Paris "Change Of Key Boogie." Well worth the price of admission.

**WILLIE SMITH AND HARRY EDISON PLAY**—Aladdin Records EP 515 (1-EP 45) List: \$1.50

AIN'T 'CHA GONNA DO IT; EXIT VIRGINIA BLUES; I BLOWED AND GONE; LAURA.

Harry Edison on the trumpet and Willie Smith on the alto sax team up for four sides with lots of appeal to the jazz fan. Supporting Edison and Smith are Billy Hadnot, bass; "Shadow" Wilson, drums; and Arnold Ross, piano. Norman Granz supervised the job, no doubt, before his present set up. Item is one of a series of jazz E.P.'s being issued by Aladdin.

RHYTHM & BLUES:

**BILLY WARD AND HIS DOMINOES**—Federal EP-212 (EP) List: \$1.47  
SIXTY MINUTE MAN; DO SOMETHING FOR ME; HAVE MERCY BABY; DON'T LEAVE ME THIS WAY.

Some three or four years ago, Bill Ward and his Dominoes created a storm and made themselves the top names in the Rhythm and Blues field with their sensational waxing of "Sixty Minute Man." Ever since that time, the boys have attracted a huge pop and blues following and are today one of the top R & B acts. Not long after their initial smash, the vocal crew hit again with their version of "Have Mercy Baby" which also ranked as one of the top tunes of the year. Here the Dominoes offer those two greats coupled with two other Ward quality arrangements. Should enjoy a long and healthy sale. The classic "Sixty Minute Man" is a great demonstrator.

LATIN-AMERICAN:

**JOSE MELIS** "Piano Classics—The South American Way"—Mercury EP-1-3177 (1-EP 45) List: \$1.47  
HUNGARIAN RHAPSODY; MOONLIGHT SONATA; LIEBESTRAUM; STARDUST.

Jose Melis and his Latin American Ensemble provide a dozen minutes of light and highly pleasurable Latin treatments of four great items familiar to everyone. Melis' keyboard technique is flashy and colorful.

SPECIAL MATERIAL:

**NORMAN VINCENT PEALE**—The Power of Positive Thinking—RCA Victor LM-1794 (1-12" LP) List: \$5.45

BELIEVE IN YOURSELF; HOW YOU LOOK AT IT; PEACE OF MIND; TRY PRAYER POWER; EXPECT THE BEST AND GET IT; HOW TO BREAK THE WORRY HABIT; HOW TO SOLVE YOUR PROBLEMS; HOW TO RELAX.

Dr. Norman Vincent Peale, a powerful name through his best seller "A Guide To Confident Living and The Power of Positive Thinking", the best selling book in all categories in 1953, his radio program, "The Art Of Living", a coast to coast NBC network show and syndicated articles appearing in leading papers throughout the nation, narrates select excerpts from the book supplemented by material especially written for this recording. This disk should find a wide market and could become another best seller for the Doctor.

X Records To Issue 100 Jazz Originals

NEW YORK—In one of the most ambitious jazz programs ever undertaken, "X" Records will release an unprecedented series of long-play reissues aimed at the rapidly expanding market for good jazz.

Called the X "Vault Originals," the series will consist of 100 albums to be released over a period of three years. The first release, consisting of 10 albums, is scheduled for April, with a follow-up of two albums each month thereafter.

The program is designed to make effective use of the huge and valuable storehouse of basic early jazz (or "jass") to be found in old master files. It will include some of the best known jazz names of all time such as Ben Pollack, Eddie Condon, Jelly Roll Morton, Jack Teagarden, Jimmy Lunceford, Jimmy Yancey, Rex Stewart, Johnny Dodds, Bennie Moten, the Original Dixieland "Jass" Band and others.

It is expected that the X reissues will explore a potential but virtually neglected market. The "Vault Originals" are rare collectors' items in most cases, and very few of the selections have been available at all in the last 25 years. There have been jazz reissues of this kind from time to time, but X is the first label to initiate a comprehensive program to be carried out on a steady-release-schedule basis.

According to Joe Delaney, sales head of X Records, the "Vault Originals" will be of interest not only to jazz collectors but also record buyers of Americana repertoire; college student groups interested in the origins of this native American folk music; "modern" jazz fans curious about backgrounds of their music, plus music lovers in general.

X has planned special packaging, attractive album covers and extensive liner notes to accompany every album. The selections themselves have been pressed from the original metal parts in nearly every case, rather than scratchy copies, and all are reprocessed according to modern record engineering standards.

Kaye Band Kicks Off Annual Road Tour; Booked Thru Summer

NEW YORK—Bandleader Sammy Kaye, kicking off his annual road tour, is apparently heading for his busiest year since 1949. His current one-nighter and location itinerary has him booked up to his opening at the Astor Hotel, beginning May 24th and continuing through the summer. Among locations already set are the Horizon Room, Pittsburgh, March 11th and for one week; and the Roosevelt Hotel in New Orleans, on March 25th, for four weeks. One night set-ups include appearances on college campuses and before Lions and Elks Club groups. His manager, Dave Krengel, still completing dates is negotiating with a strip hotel in Las Vegas for a fall date.

Schoolmates Crown Hayes "King For A Day"

BROOKLYN, N. Y.—Crooner Richard Hayes' Class of 1947 will be feted by more than 500 of his high school alumni at the Boys High School 75th anniversary luncheon March 20 at the Towers Hotel here.

Hayes' latest Mercury record, coincidentally, is "King For A Day."

Music men who are alumni of the school and who would like to attend the party should contact Irwin Zucker, of M-G-M Records publicity department.

Other alumni of the school include Alfred "Kismet" Drake; popular composer Arthur Schwartz; classical composer Aaron Copland; and actors Arnold Moss and Edward Everett Horton.

**Ames Bros. Open At  
Copa March 18**

NEW YORK—Fresh from triumphs in top nightclubs and theatres across the nation, the Ames Brothers, Ed, Vic, Gene and Joe, bring their talents to the Copacabana as the headline act starting March 18th, for three weeks.

Their recorded versions of "Rag Mop," "Sentimental Me," "Undecided," and "You, You, You," have all sold over a million copies. Their two latest RCA-Victor releases, "The Man With The Banjo" and "Man, Man, Is For The Woman Made," are already well up in the top-seller lists.

Despite their success on wax, the Ames Brothers are not primarily a "record act," having been well on their way to show-business before they ever cut a platter. Their act includes comedy, pantomime, satire and dancing, in addition to singing.

Appearing on the same bill will be songstress Beverly Dennis and Blair and Dean, dance duo.

**Jackpot Year For  
Eartha**

NEW YORK—While "New Faces" is showing at the Roxy in New York (with a jukebox in the lobby playing all of her records), Eartha Kitt is still with the original company, appearing in St. Louis. Her final appearance with the show will be a two-weeker to follow in Detroit; then the fabulous Eartha cuts out on her own with club dates at top money at El Rancho Vegas (2 weeks at \$10,000 per) in April, Boston's Latin Quarter in May, and New York's La Vie En Rose starting May 27.

Eartha's current Victor sides, "Somebody Bad Stole De Wedding Bell" and "Lovin' Spree" are running neck and neck and she's set to sing 'em on TV's "Your Show Of Shows" May 29. "That Bad Eartha" album is doing great, too.

Looks like Eartha's big year!

**Billy Eckstine Set To  
Sail For Europe**

NEW YORK—Billy Eckstine will sail for Europe soon for the first time in his career—and on the eve of his departure he has scored with his biggest record seller since "I Apologize" of a few seasons ago.

It's Mr. B's fast-rising platter of "Lost In Loveliness," the top ballad by the late Sigmund Romberg from the current Broadway musical, "The Girl In Pink Tights."

M-G-M record execs report hefty sales on the Eckstine platter. The disk hit the best-seller charts in "The Cash Box" two weeks ago.

Eckstine's "Tenderly" album has also been racking up healthy sales.

# "The Banquet Was Terrific"

CHICAGO—The one word used by almost every person who attended the Tuesday evening banquet and entertainment of Music Operators of America in the Red Lacquer Room of the Palmer House here was, "Terrific."

For over three solid hours one great recording star after another went on stage.

And even tho it was decided to hold one and all down to "but one tune" many simply could not be put on. These artists, ladies and gentlemen that they are, begged off. They were tremendously applauded by the overflow crowd when their names were announced by Hirsh de La Viez prior to the opening number.

It was a gala event. And far surpassed any entertainment ever seen at any coin machine gathering.

The banquet was opened by the presentation of the colors and a pledge of allegiance from a noted Boy Scout Troop which won the hearts of all concerned.

Then Hirsh de La Viez took over in his capacity of Chairman of the Entertainment Committee.

To say that the show was "fabulous" or "terrific," featuring the words used by all who were present after it was all over, would be to but beggar the description of this gala evening.

All present applauded until their hands were sore. They shouted until their throats were raw. They stamped their feet and called for, "More. More. More."

It was, without doubt, the greatest entertainment ever seen in this city for any organizational affair of any kind. It helped brighten the flame of enthusiasm which continued to sweep thru the entire MOA membership.

All were stars who appeared on this great show climaxing the 4th Annual Convention of Music Operators of America. Perhaps the two who stood out somewhat might be Mahalia Jackson and Eddie Fisher. But, discounting even this, let it be noted here and now, every single artist who performed before the nation's juke box operators at this banquet, was just as great a star as ever did appear on stage to sing for the people.

The show was opened by Bill Darnel of Label "X" and his strong upbeat style lifted all to a great and grand evening. With Billy May's ork to background him. Bill's opening performance zinged right off into a really gala evening.

Bill was followed by Lillian Roth, who came thru with flying colors singing the songs she has made great.

"Big" Jim Buchanan followed with a pantomime to his recording of "Money."

Young and handsome Bob Manning sang his well known, "The Nearness Of You," and won a very great hand from one and all.

Marty Robbins was applauded before he even started to sing for the great disks he has produced and his rendition of his favorite was outstanding.

Sunny Gale ventured into a new path "The Birth Of The Blues" and won great applause.

Johnny Maddox thrilled the crowd with his piano dancing fingers.

Karen Chandler, with Jack Pleis to accompany her, opened with a very cute little speech and won great applause with a grand tune.

Don Cherry proved that he can sing just as well as he can play golf. And that is singing.

Then came Eddie Fisher for whom all had waited. Eddie flew in from his engagement at the Desert Inn, Las Vegas. With the well known Harry Akst at the piano, with the great former champion, Barney Ross, standing in the wings smiling from ear to ear, Eddie was the first of the artists for whom Hirsh de LaViez was forced to break the rule of "only one tune" as the crowd screamed for more. All continued to call for "Oh Mein Papa" which Eddie seemed to be saving for his finale.

He then introduced Eddie Calvert, who had been flown from London, England, and a history-making duet

was heard rendering a tune for which they split recording honors.

Calvert's marvelous speech to the crowd regarding how much he liked America and how nice everyone had been to him won the hearts of all present.

Following the duet, Eddie Calvert proved his trumpeting skill with his rendition of the tune made famous by Harry James, "You Made Me Love You."

The next recording artist to appear was Jerry Vale, who gave out with his "Purple Shadows," and won a tremendous round of applause from the crowd.

Then came Mahalia Jackson, who opened with "I Believe" and, long before the chorus was well under way, the house was hushed and the thrill of the crowd felt by all. The applause was just simply deafening. She was forced to come back to do another number. And with her second great tune of going "Down To The River" the entire house joined in with hand beating time until it sounded like an old time revival meeting. Not only did the gathering beat hands in time with Mahalia's great voice, but, they beat their hands raw in an effort to hold her on stage. The gal's just simply great.

Stewart Hamelin followed and won the hearts of all present with his great singing and his rendition of a very great tune.

Buddy Greco was warmly greeted with everyone agreeing that this youngster is on the way to one of the great futures in recordings.

Johnny Desmond rendered his hit, "Woman." And the crowd joined right in with him, making this one of the very finest arrangements and a great compliment to Johnny's artistry, both as a performer, as well as a singer.

Then came the well known Eddy Arnold and he, too, like Eddie Fisher and Mahalia Jackson, was pulled back again and still again. The crowd wouldn't let him go. His opener, "Boquet of Roses," and everyone of his great hits, just simply added to the glory of his performance this evening, and won him even greater glory, if that's possible, as an outstanding recording artist.

Micki Marlowe, a very, very cute gal, took over as the next disk artist, and grabbed herself great applause for her effort.

Richard Hayman's harmonica won the applause of everyone present.

The young Tommy Leonetti, for whom a great career is predicted, rendered his "I'm Available" to please the crowd. All agreed that he was going 'way up the ladder.

The applause which greeted Tony Bennett proved of itself how much everyone likes this frank and honest youngster. They wouldn't let him off stage. But Tony, in feeling for everyone of the performers, begged off on the theory that he should stick with the agreement to sing but one tune. This won even greater applause for his sportsmanship.

Sensational looking Wyomah Winters proved that she had more than just a figure when she appeared on stage to the whistles and applause. The gal won herself many a buyer of her records with her performance this evening.

Jane Kelly was the last of the disk artists to appear, but, not the least to be applauded. In fact, many a juke box operator followed out to the wings, off stage, to ask for the names of her disks and to assure her that her records were going to be featured in many a juke box.

It wouldn't be possible to close this report without mentioning that, all during the entire performance and right up to a dynamic closing, the heckling and outstanding artistry of LeRoy of the team of Curry, Byrde-LeRoy still has the crowd talking. Without any doubt this act was in its perfect performance peak during the entire evening.

Even those who sat at the same table with LeRoy can't get over the fact that he never appeared to be a professional performer at anytime.

## 3 Way Promotional Tie In For Book, Movie And Song "Heidi"

NEW YORK—One of the biggest three-way tie-ins yet launched between a book publisher, a music publisher, and a film company was recently announced by Media Music, Inc. The major publicity tie-in is between Media, United Artists Pictures, and Grossett and Dunlap for the song, film, and book version of "Heidi."

The tie-in will cover almost every facet of publicity-promotion and is designed to stir up mass interest for all three versions of the children's classic.

Professional copies of the sheet music were sent to every television station and selected radio stations throughout the Country. Along with these, timed spot announcements about the song and film were also sent.

The movie's New York run at the Little Carnegie Theatre in New York City has been coincided with a special New York disk-jockey promotion. Kits containing timed-spot announcements, professional copies of the music, and the Prom label record of the song

"Heidi" were sent to 64 disk-jockies in the metropolitan area.

The Prom recording, featuring Loren Becker on the vocal and Eddy Manson on Harmonica, will be played over 479 radio stations under an arrangement with Grossett and Dunlap who will buy air time to push their "Heidi" books. The record will be heard in conjunction with the radio ads.

The three-way tie-in is further underlined by ads for the different book editions of "Heidi" which appear on the back pages of the regular sheet music copies. Also, title pages of the sheet music are being made available to theatres for lobby display.

This music promotion is part of United Artists long-range plan to promote their film releases through the use of music.

The film "Heidi" was produced by Lazar Wechsler and stars ten-year-old Elsbeth Sigmund. The words and music to the song were written by Stefan Samek.

Mitch "Svengali" Miller was entertained and met by the press at a party given by Philips Records in London. Among those who came to greet him were: Mantovani, Geraldo, Cyril Stapleton and many other famous personalities of the music business. Mitch told me this is a whirlwind tour of all the Columbia parent companies here and abroad. Hope you enjoy your trip, Mitch. . . . Back to the States after another guest appearance with the BBC showband, went Rosy Clooney and hubby.

That popular group of singers, the Stargazers, really hit the jackpot with "I See The Moon." Look at the best seller list and you'll see what I mean! . . . Nat "King" Cole, who arrives here in a week's time, has now included dates on the Continent during his European tour. They include Paris, Amsterdam, Stockholm, Copenhagen and Oslo. . . . Many people in business mourn the passing of Noel Gay, one of our top pop song writers. His big hit was "The Lambeth Walk."

Roberto Inglez has had another offer to go to Brazil for several weeks. This guy certainly knows what the Brazilians like. . . . From Paris, I hear that record dealers are being asked to pay a standing royalty of 10,000 francs a year for recordings that are heard but not bought. The royalty must be paid because the customer and others in the store enjoyed three minutes of music. If the record is listened to in a booth the royalty demand is waived. Wonder what happens if the street door is left open? . . . Noel Coward has written a new musical titled "After The Ball" based on Oscar Wilde's "Lady Windemere's Fan." . . . Nice letter from Charles Tobias. I'll be glad to see you when you reach London. Just give me a call and we'll get together. . . . Almost certain to appear in Europe's leading cities, this fall, will be Duke Ellington and Ray Anthony. . . . Kay Starr is in Santa Monica recuperating after a slight operation. All your fans over here wish you well, Kay.

For the third year running, Ted Heath and his Band were voted the tops in the annual Melody Maker Poll. . . . Earl Bostic still going strong on disks over here, in France and in Germany. It seems the Earl has captured a great big public on this side of the Atlantic, and a little personal appearance (arranged by some bright impressario) might not be such a bad idea!

Frank Chacksfield has just made his first L.P. for London Records. I'd like to tell Chacksfield admirers that it's really great title is "An Evening in Paris" and can only describe it as "Tres-OO-Lala!" Makes for excellent listening.

# THE CASH BOX RHYTHM N' BLUES Ramblings

## NEW YORK:

Most New Yorker r & b diskery execs found themselves tied down to detail work and recording sessions, making it impossible to attend the juke box Chicago convention. However, Bess Berman of Apollo Records, and Jerry Blaine of Jubilee dropped everything and spent several days visiting with distribs and operator friends. . . . The Crows "Call The Doctor," after a slow start, is beginning to move upwards in sales. The group continues to build into a big name unit with the fascinating success of "Gee."

THE CROWS

George Goldner, Rama exec, announced the appointment of Hal-Mark Distributing Company, Charlotte, N. C. as Tico and Rama distrib. . . . Jack Angel, Herald Records, no sooner back from the coast than he's off again. This time to Houston, Texas, where Jack is signing new talent. Al Silver and Jack Braverman advise us Angel has a great surprise in store for the trade when he announces the names of the new Herald stablemates. Herald will release the awaited Dickie Thompson "13 Women And Only One Man In Town" and "I'm Innocent" this week. . . . Groove comes up with a novelty narration by a newcomer, Miss Peaches, called "Callin' Moody Field," that might do for the trade what some of last year's novelties did. Gal handles the chores in sultry and humorous manner. Could break real big. . . . Zenas Sears moving from WGST, Atlanta, Ga. to WAOK-Atlanta. WAOK, a new station, will be on the air from 6 a.m. to midnight and will place its programming emphasis on gospel, blues and a smattering of pop. Zenas has a man-sized spot. His "Digging The Disk" runs from 3:30 to 8 p.m. One other jockey has been set for WAOK. Ray McIver from WBGE-Atlanta. . . . "A Thousand Stars" by the Rivileers on Baton moving solidly in sales and continuing to break out in new spots. . . . Herman Lubinsky, Savoy Records, pleased as punch with two new items showing real strength. "What If You" by Luther Bond and "Red Headed Woman" by Baby Face. . . . Reprint of editorial in recent issue of Ebony Magazine by Atlantic Records a service to the trade. If you haven't read it, suggest you write Atlantic for a copy.

## CHICAGO:

Everybody still buzzing about the MOA Convention. Largest ever held. Monte Bruce and Morty Craft of the Bruce diskery made many new friends for this new label. Told the ops about the Harp Tones' new release, "My Memories Of You." The 'Tones' are still riding high with "Sunday Kind Of Love." . . . Joyce Bryant looking very beautiful as she, too, greeted various ops who popped in and out of the display rooms. Another Bryant, Briscoe, by name, the verry, verry popular Detroit disk jockey on Station WJLB, flew down to personally greet so many of the artists whose records he continually spins but so seldom gets to meet. . . . The topic of the banquet, however, is the greatest of greats, Mahalia Jackson, who really knocked 'em dead. Tho each artist was supposed to do only one number, when Mahalia finished her "I Believe," the audience simply wouldn't let her off. So, as she jumped right into her second number, Bess Berman sat by quietly grinning from ear to ear. . . . Turning to the local scene, the NEW Blue Note set to open early in April. This should please the artists as well as patrons, 'cause as Sarah Vaughan put it, when she learned the Blue Note had closed, "Gosh, where will I appear now?" . . . Shaw Artists Corp., this week announced the signing of Big John Greer as well as the Myrtle Young Ork. . . . The Beryl Booker Trio, three real gone gals, joined Don Shirley and Johnnie Pate at the Streamliner this past week. . . . Since calypso music seems to be the trend these days, Josephine Premice should be just what the doctor ordered when she opens at the Black Orchid on March 16. Born in Brooklyn and reared in Haiti, gal proved herself a Chicago favorite at the 'Orchid' about a year ago.

MAHALIA JACKSON

## LOS ANGELES:

The long awaited Earl Bostic tour got under way as part of the Gene Norman Concert package on Friday, March 12 at the Coliseum in San Diego. . . . While in Southern California B. B. King waxed two new sides that look like his best yet. The blues boy does a great job on "Love You Baby" and "The Woman I Love" on the RPM label. . . . Oscar McLollie has also kept the recording studios busy. His two latest couplings of "Mama Don't Like" b/w "What You Call 'Em Joe" sound like they could easily top his current best seller "Lolly Pop." . . . Along with signing up new talent and conducting recording sessions with their top artists the Bihari brothers have been plenty rushed this past few weeks. Johnny Parker and his orchestra have jumped on the RPM bandwagon with two strong sides titled "Tired of Everybody" b/w "What You Did To Me." Other artists with new releases are Saunders King & Orchestra (Flair), Baby "Pee Wee" Parham (Flair), Jerry Thomas & Orchestra (Modern) and Ricky & Jennell (Flair). . . . Aladdin's newest pactee, James Waynes, is out with a new disc called "Lonely Room" and "My Greatest Love." The Mesners are holding great hopes for Waynes and are going all out with complete promotion on his first efforts under the Aladdin banner. Critics all agree that Louis Jordan's latest waxing of "I'll Die Happy" looks like his best yet. Leo Mesner has just completed final construction of his beautiful new home in Sherman Oaks. It's the latest in modern architectural design, complete with heated swimming pool and all. . . . Guitar Slim, top Specialty Recording Star, is now touring through Texas and Oklahoma. . . . Art Rupe, head of the Specialty diskery, announced three new waxings that have just been released. Frankie Lee Sims comes up with a low-down blues coupling titled "I'll Get Along Somehow" and "Rhumba My Boogie." Marvin and Johnny follow up their hit "Baby Doll" with their own version of "How Long She Been Gone." It's a strong side which could easily go POP.

## Open House

BOSTON—Boston Record Distributors had an open house when it moved into its new quarters at 1337 Washington St., this city. Owner Jerry Flatto prides himself in the fact that "We have the nation's finest one stop in service, stock and facilities." Pictured above are some of the artists, along with the sales staff, on hand to help celebrate the event. Back row—left to right: Cindy Lord, Sherm Feller, Judy Valentine, Bobby Wayne, Mary Mayo, Pete Lane, Jill Corey, Dean Parker, Ruth Casey, Florian Zabach, and Mike Di Napoli. Kneeling in front is the sales staff—left to right: Mal Thomas, Jack Sager, Jerry Flatto, Helen Sherlock, and Danny Avery.

## Ward's Dominoes Break Philly Theatre's Record

PHILADELPHIA—During their week's stand at the Uptown Theatre here, box office records weren't the only things that Billy Ward and his Dominoes smashed. Ask the Broad St. restaurant owners, and you'll learn that the group was also indirectly responsible for a few store windows being broken.

Across the street from the theatre, Ward was being interviewed by a group of high school newspaper editors. Over 200 of his teen-age fans pressed against the windows to get a look at him. Suddenly the heavy plate glass of the eatery gave way under the weight of the crowd. But luckily nobody was hurt.

This mob scene was repeated daily during their week's engagement. Sam Steiffel, owner of the vaudeville house, urged the group to stay in its dressing room as he feared one of them would be hurt if they ventured outside the theatre.

Steiffel said that never in the history of the Uptown have as many teenagers bought tickets to gain admittance. He had to hire four special cops to handle the overflow crowds. Previous attendance records were held by Sugar Ray Robinson and the Joe Louis revues.

## Madigan Into Hollanden

NEW YORK—MGM starlet Betty Madigan has been signed to headline the show at the Hollanden Hotel in Cleveland, for two weeks starting March 18th. Betty will make several guest radio and TV appearances while in Cleveland and then she'll head to the Hilton-Jefferson in St. Louis for two weeks.

**Seeco Records To Issue Discos Columbia In United States**

NEW YORK—According to an announcement made last week by Michael Kestler, vice president and general manager of Discos Columbia, S. A., and Sidney Siegel, president of Seeco Records, Inc., recordings produced in Mexico by Discos Columbia, a subsidiary of Columbia Records Inc., will be released on the Seeco label in the United States.

Seeco is planning a full campaign in this endeavor, and at a later date, more detailed plans will be announced.

**Nola Studios Introduces Low Cost Program**

NEW YORK—What amounts to an out-of-town tryout for radio programs and transcriptions of commercials, has been made available to program producers and advertising agencies by Nola Recording Studios, according to an announcement by V. Thomas Nola, vice president of the company. Operating in conjunction with their Broadway rehearsal studios, the plan permits recording the expendable dress rehearsal at less than half what such a production would cost at Nola's Penthouse Studios at Steinway Hall.

The plan thus provides a director or account man with the opportunity to objectively clean up any rough spots in a show or commercial without prohibitive expense. The system could also be used to provide full-production audition disks to clients at little cost.

A number of leading TV shows that use Nola's Broadway rehearsal studios, are currently using the plan to integrate music, pre-record ensemble singing and record stream of consciousness voice tracks, etc., etc.

**Honey's Note Attracts Trade's Attention**

BRYN MAWR, PA. — Theodore Presser Music Publishers has employed the use of a confidential love note from "Honey" to aid in the promotion of their tune "They Don't Play The Piano Anymore" recorded by the Mariners. The personal note written in long hand ends with a bright red lip print of "Honey."

The letter is unusual in that it attracts the readers attention which too often does not occur in promotional fliers. Response to the note is reported to be very good.

**McHugh, Parish Pen New Tune**

NEW YORK — Two of Tin Pan Alley's top tunesmiths, Jimmy McHugh and Mitchell Parish have teamed up on a new ballad tagged "Dream, Dream, Dream" which was published by Leo Feist and has been recorded by Sunny Gale and Percy Faith.

**RHYTHM 'N BLUES REVIEWS**

DISK & SLEEPER	GOOD
EXCELLENT	FAIR
VERY GOOD	MEDIOCRE

**THE CASH BOX SLEEPER OF THE WEEK**

**"CALLIN' MOODY FIELD"**  
 Part One (2:08) Part Two (1:55)  
 [Lowry Music BMI—Elsie Griner, Jr.]

**MISS PEACHES**  
 (Groove G-0009)

● Here's a novelty that could break away and do for the trade what "I Don't Know," "Hound Dog" and "Mama" did last year. Titled "Callin' Moody Field," Miss Peaches talks in dulcet tones, in sultry tones, in "Judy Holidayish" tones backed with a rambling jazz blues piano that sets the mood. A rib tickling recitation without that "hammer on the head" humor. A two sider that should pull two plays into the boxes. Disk jockeys won't run into trouble on programming as both sides run only 4:03.

**LITTLE SONNY JONES**  
 (Imperial 5275)

- "TEND TO YOUR BUSINESS BLUES" (2:14) [Commodore Music BMI—D. Bartholomew] Little Sonny Jones wails an ok slow blues. A colorful torrid horn spices up the platter.
- "I GOT BOOTED" (2:13) [Commodore Music BMI—D. Bartholomew] Chanter rocks a quick beat with gusto. Live deck with strong possibilities.

**WALLY WILSON**  
 (Sabre 106)

- "THE HUNT" (2:41) [Joni Music BMI—V. Spreegs] Willy Wilson sings a middle tempo bouncer with chorus backing. An infectious love ditty infectiously sold.
- "IF YOU DON'T LOVE ME" (2:37) [Joni Music BMI—W. Spreegs] Wilson shouts a change of pace on the reverse deck. A slow and romantic blues. Material routine.

**THE BLUE FLAMERS**  
 (Excello 2026)

- "WATCH ON" (2:31) The Blue Flamers rock through a quick beat southern blues in solid fashion. Side has a great beat and should pick up action.
- "DRIVING DOWN THE HIGHWAY" (2:35) A fast moving ditty infectiously worked over by the group. Lyrics tell of driving down the highway to meet his woman and his impatience to get there.

**HENRY GLOVER**  
 (King 4701)

- "LOVERS ONLY" (2:16) [Jay & Cee BMI—Henry Glover] Henry Glover writes, sings and directs the session on this wax. The result is a romantic bop item engagingly performed.
- "UNDERNEATH THE LAMP POST (On The Main Stem)" (2:46) [Jay & Cee BMI—Glover, Weismantel] The reverse deck is a slow tender item intimately whispered by Glover. Backing is feathery.

**FLUFFY HUNTER**  
 (Federal 12172)

- "LEAVE IT TO ME" (2:13) [Armo BMI—Dwight Davis] Fluffy Hunter belts a dramatic delivery of a religious flavored blues with gusto. Item should prove a solid seller and if the public hasn't had enough of the "Shake A Hand" kick, it could break out for a hit.
- "THERE'S SO MUCH TROUBLE" (2:35) [Armo BMI—Jesse Ervin] The flip deck is a quick beat exciter shouted out by the full voiced fem. Gal really delivers stirring performance.

**SISTER BONNIE BRADFORD**  
 (Federal 12167)

- "HE STOPPED ME FROM STRAYING" (2:45) [Armo BMI—Rubin] Sister Bonnie Bradford sings a slow religious item with soul and earnestness.
- "GLORIFY HIS NAME" (2:32) [Armo BMI] The under lid is a quick gospel item excitingly wailed. Assist by the piano and tamborine help color the deck.

**THE CHARMS**  
 (Deluxe 6034)

- "BYE BYE BABY" (2:08) [Lois BMI—Peak, Penn] The Charms blend on a slow rocking beat in intriguing fashion. Team works together well and comes up with a strong side.
- "PLEASE BELIEVE IN ME" (2:36) [Lois BMI—Bradley, Parks] A slow melodic blues balled etched smoothly. An ok pairing for the upper deck.

**BLAIR GOSPEL SINGERS**  
 (Nashboro 542)

- "ANYHOW" (3:06) The Blair Gospel Singers chant a slow sacred item with feeling. A good religious deck.
- "I'VE GOT HEAVEN ON MY MIND" (3:11) A rhythm to middle tempo religious tune swayingly etched by the Blair aggregation. Lead performs a potent effort.

# Dreams Come True

KENT, ENGLAND—A young lad of sixteen, a resident of Kent, England, will realize at least one of his chosen ambitions when he arrives in America as an official guest to attend the National Hillbilly Day Celebration, honoring "America's Blue Yodeler," Jimmie Rodgers, on May 26th in Meridian, Mississippi.

Ian received a special invitation from the Mayor of Meridian and will begin his voyage to America aboard the Queen Elizabeth, sailing May 13th. The youthful admirer of Jimmie Rodgers will be met in New York upon his arrival by Justin Tubb and Jimmie Rodgers Snow, sons of Ernest Tubb and Hank Snow, whose efforts have been largely responsible for the event.

Devotion to an old phonograph record opened the way for Ian's visit to the United States. The old phonograph record was a recording by Jimmie Rodgers, "The Singing Brakeman." In quest for more information about the voice and style he heard on the record, Ian wrote the Mayor of Meridian, Jimmie Rodgers' birthplace; and his answer came in the form of an invitation from the Mayor of Meridian to attend this year's celebration.

An ardent fan and collector of Jimmie Rodgers recordings, Ian Lee has learned to play a guitar, which his mother bought for him, and it has been told that he is disappointed only to one extent . . . that he is unable to yodel as Jimmie Rodgers.

Adlai Stevenson will also be a guest and principal speaker during the celebration!

## Country Artists Star At Convention

CHICAGO, ILL., March 9 — Performing before a capacity audience at the Music Operators of America Convention Banquet gathered in the swanky Red Lacquer Room of the Hotel Palmer, Country Music Artists carved commanding attention, and approval from the spectators at an event highlighting the fourth annual convention of the organization.

Included among the top artists of the recording profession, Country Music Stars took their turn to proclaim the show a huge success!

Big Jim Buchanan of Century Records started the parade of Country Artists, with his rendition of "Money, Money, Money" song. Marty Robbins of Columbia and Grand Ole Opry of

Nashville, Tennessee received a wonderful reception from the crowded banquet guests, singing his newest release "Isle Of Golden Dreams"! Stewart Hamblen, writer of "It Is No Secret" came through well, with a winning version of a "Service" song . . . titled "Old Man" and exited with rounds of applause! Eddy Arnold, RCA Victor's "Tennessee Plowboy" came through in shining fashion as he entertained MOA members with a medley of his 'hit' tunes down through the years.

The Country Music Stars who participated will be remembered well for their top performances and efforts that climaxed one of the most eventful occasions in our field of endeavor.

## Fifteen Years A DJ—Country Style

ART BARRETT

PORTSMOUTH, VIRGINIA — On April 1st, Art Barrett will round out fifteen years of commercial radio activity, most of which has been spent as a country music disk jockey in the Tidewater Virginia area.

"Back in 1939, though, we didn't know what the term 'disk jockey' meant," Art said. "The term hadn't been thought up then. If it had, we'd never heard it. I was working for WGH, Newport News then, and among my staff duties now and then was a thirty minute show called 'Old Familiar Tunes.' We didn't have too many records—a couple by Jimmie Rodgers, Vernon Dalhart, the Carter Family—but we had a whole raft of transcriptions by the Feilds and Hall Mountaineers. We had to repeat a whole lot, but the folks didn't seem to mind. But if they did, there wasn't much they could do—we had only two radio stations in Tidewater then—WTAR and WGH."

A hitch in the Army Signal Corps followed for Barrett, and when he returned to his job at WGH, it was to a different setup. "I found myself replacing the Saturday afternoon broadcast of the Metropolitan Opera with a little something called 'Opera on Records.' It was my job to prepare and air a complete opera, recorded, every Saturday afternoon. I started at 2 o'clock in the afternoon, and sometimes I'd finish before six. When I did, I had to be summer replacement for 'Tea and Crumpets.' But I can't say I didn't enjoy my Grand Opera experience. I learned a lot, and even got tagged 'The Milton Cross of Virginia.'"

Uncle Sam called again, briefly this time, and Art went to the Communication Division, Department of State,

Washington. But when WASL, Annapolis, Maryland, began to operate, Barrett was on hand as signon man.

It was in Annapolis that Barrett, reintroduced himself to country music. "I played an Eddy Arnold record one morning just because I happened to like the tune. The response to that one record was the most tremendous thing I'd experienced since I'd started the show, so I approached the PD with the idea for a hillbilly session in the early morning. There was born the 'Early Morning Frolics.'"

"Early Morning Frolics" moved to WHYU, Newport News, Virginia, next and finally came to rest later at WSAP, Portsmouth, Virginia. Then last September WSAP was sold and became WAVY. The new owners thought they wanted something other than a country style beginning to their morning, so Art Barrett became a "pop" jockey with a "hillbilly heart." A newspaper survey in 1951 had named Art Barrett as the number one country music jockey in Tidewater radio, and the friends and fans of the oaters were not happy with Art away from the straw. Art's bosses began looking around for a time slot. Result of this search is the program Art now conducts six nights a week, Monday through Saturday, 11:15 p. m. to 1:00 a. m.

"The past fifteen years has been fun," Art Barrett said, recently. "Can't say it has not been varied. I've been a soldier, state department man, spent 15 months in Paris, France, and I've picked up a wife and family. Career-wise, I've gone from Grand Opera to Grand Ole Opry. Right now, I'm head over heels in debt, but I'm happy! But, what else does a guy want, anyway?"

# Folk And Western Notes From California

## LOS ANGELES:

Fabor Robison, fast working head of Abbott and Fabor labels, flew from Hollywood to Chicago for the MOA convention taking one of his most prized discoveries, Jim Reeves, who was invited to sing before the annual banquet for delegates. After the convention, Robison headed for Shreveport on business before returning to his home office on the coast. Popular Ginny Wright has been busy with dates on the Coast. She recently completed TV guest spot appearances in Cleveland and Louisville with Pee Wee King and his orchestra. . . . Ferlin Huskey's brand new Capitol release is "Eli, The Camel" b/w "Somebody Lied." It is said to be one of his greatest of all time. Huskey is now home with his family near San Diego for a rest after the longest personal appearance tour of his career. Ferlin's "Eli, The Camel" should draw smiles as well as some promotional help from a well known cigarette manufacturer. That's the camel he sings about. Capitol's Ken Nelson has a number of Huskey sides for spring and summer release. . . . Sheb Wooley is getting plenty of spins on his own number, "Don't Stop" on MGM, which has several cover discs. Sheb's composition, "Too Young To Tango", recently passed the million mark on total sales of all versions. . . . Rex Allen, Western Star, left the Good Samaritan Hospital recently and is now convalescing at his Van Nuys home. The star broke his leg in a skiing accident and doctors say he will be able to resume his movie work in about 3 months. However, he will make personal appearances, minus his horse KOKO starting about the last of March. Rex has always worn mismatched socks for good luck and has never deviated from the custom since starting in Rodeo and Show Business. Lo and behold, the day he broke his leg skiing, his socks—yes, you guessed it—he wore matched socks for the first time. . . . Arlie "You All Come" Duff has a new release coming out on Starday "Let Me Be Your Salty Dog" and "Back To The Country". Arlie wrote both songs. . . . Tommy Collins of Capitol is being booked for ten dates in Texas by Neva Starns. He will appear with Blackie Crawford, Arlie Duff, Sonny Burns and other Starday artists. . . . Don Pierce planning to leave April 8 for a cross country swing contacting Starday and Hollywood distributors. Corky Carpenter has signed with Starday. He cut four sides recently and was backed by Joe Maphis, Merle Travis, Wes Tuttle and others from the Compton Town Hall Band. First Starday release will be out in March coupling "Chapel of Memories" and "My Heart Would Like To Know" . . . Smiley Burnette was at his home in Studio City, California just long enough to visit his family, have a recording conference with Fabor Robison concerning his current release "Chuggin' On Down 66" and "Mucho Gusto". Also to transcribe several radio shows, discuss some TV film plans to be announced soon and pose for a number of publicity pictures. Needless to say he's a very busy man. . . . Johnny Bond, who collaborated with Joe Maphis in writing "Put A Little Sweetnin' In Your Love", a fast-moving C&W ditty, has been informed Capitol is rushing out a pop version. Here's one that could take off in all directions from Johnny's original Columbia version. Also have a listen to "Cimarron", another from the pen of Johnny Bond, with music by Tex Beneke and a nice vocal by Betsy Gay. Johnny has a new Columbia disc due out soon. Previewers call it his best bet in five years. . . . Dilly Dee signed a recording contract recently with Fabor Robison and it looks like he will have a hit on his first release, which was the case with Jim Reeves, Mitchell Torok, Ginny Wright, Carolyn Bradshaw, etc. Billy Dee and his new "Drinking Tequila" b/w "Falling Star Waltz" sold more records through the Los Angeles distributor than any of Fabor's other artists during the first 10 days the platter was on the market. We have high hopes for Billy, said Fabor, and he seems to have a style which is certainly different and is proving very commercial. Tune has been slanted mainly toward the boxes and all the operators on the West Coast have been really stocking up with reports of very good play.

## THE CASH BOX BULLSEYE OF THE WEEK

**"EDGAR, THE EAGER EASTER BUNNY" (2:24)**  
[American BMI—M. Torok]  
**"LIVING ON LOVE" (2:18)**  
[American BMI—M. Torok]

**MITCHELL TOROK**  
(Abbott 156)

● It's another pair of Mitchell Torok originals and that means that the ops should see their sales multiply like the Easter bunny. The smooth-voiced country chanter comes up with some top-drawer seasonal material and treats it to his appealing style. The tune, dubbed "Edgar, The Eager Easter Bunny", is a lilting, light-hearted ditty that youngsters from 6 to 60 should enjoy. "Living On Love", on the flipside, is a quick beat bouncer warmly fashioned by the artist. A two-sided coin-catcher with "Edgar" leading the way.

**"MAKE LOVE TO ME" (2:39)**  
[Melrose ASCAP—Norvas, Copeland, Roppolo, Mares, Pollack, Brunies, Stitzel, Melrose]

**"YOUNG AT HEART" (2:05)** [Sunbeam BMI—J. Richards, C. Leigh]

**GOLDIE HILL**  
(Decca 29069)

● Goldie Hill crashes through with her strongest sales gatherer in many releases. The thrush applies her soft and polished chords to a pair of high flying pop tunes and the results are two potent sides. "Make Love To Me", on the top deck, is a lovely, quick beat romantic piece that Goldie treats to a spirited reading. Flip, a pretty, moderate beat tune titled "Young At Heart", receives another winning performance from the chirp. Both ends should make the jukes jump with joy.

### MOON MULLICAN

(King 1337)

**B+** "WANTED" (2:14) [Witmark ASCAP—Fulton, Steele] Moon Mullican bids fair to walk away with top honors as he dishes up a zestful vocal effort on the current pop smash. It's a quick tempo treatment with solid string support. Could be a real clicker for Moon.

**B+** "GOOD DEAL, LUCILLE" (2:04) [Acuff-Rose BMI—Terry, Miller, Theriot] Under portion is another powerful performance by the artist on a fast moving piece with tantalizing lyrics. Two terrific decks.

### JIMMY SWAN

(Trumpet 198)

**B** "ONE MORE TIME" (2:31) [Globe BMI—J. Swan] Jimmy Swan shows up to good advantage as he infectiously vocals a slow moving, tearful item. The Range Riders effectively support the warbler as he renders the touching lyrics in top-calibre fashion.

**C+** "LONESOME DADDY BLUES" (2:37) [Globe BMI—Trumpet] Bottom lid is a quick tempo feelingful item waxed in enchanting style by Swan. The reason that Swan feels the way he does is because he has told his untrue woman to leave him.

### ARTHUR SMITH

(MGM 11704)

**B** "I GET SO LONELY" (2:07) [Larry Taylor ASCAP—Ballard] Arthur Smith and his Cracker Jacks team up in a sparkling manner on a tune that's hitting in the pop market. The boys have a real appealing quality in their voices.

**C+** "OUTBOARD" (2:13) [Lynn BMI—Smith] Flip is a fast paced instrumental that Smith and the gang belt out in colorful fashion. Two tasty decks.

### CURTIS GORDON

(RCA Victor 20-5639)

**B** "TD DO IT FOR YOU" (2:18) [Lowry BMI—C. Carrier] Curtis Gordon promises to create a good deal of excitement in the jukes as he comes up with a polished reading on an up-tempo ditty with inviting lyrics. A fine arrangement.

**B** "YOU CRAZY, CRAZY MOON" (2:45) [Acuff-Rose BMI—A. Horn] On the lower half, Gordon dishes up a tender vocal on a pretty piece of material. A slow tempo item capably fashioned by the chanter.

### RAY BATTS

(Excello 2028)

**B** "STEALIN' SUGAR" (2:40) [R. Batts] Ray Batts etches an exciting, quick beat handclapper with delightful lyrics. The chanter turns in a real lively reading on a tune that rides merrily along.

**C** "MAYBE IT'S YOU SWEET-HEART, MAYBE IT'S ME" (2:52) [R. Batts] Bottom deck is a moderate tempo love tune distinctively styled by Batts. A tender interpretation by the artist as strings support in ok fashion.

### LULU BELL SI

(Hamilton)

**B** "SWEET KISSES AND A COLD HEART" (1:49) [L. B. Si] Lulu Bell Si gets hold of a splendid piece of material and treats it to a fine reading. Strings add color on a deck that should garner a good share of spins.

**C** "COME BACK TO MY HEART" (2:10) [L. B. Si] The Country Melody Boys provide Lulu Bell with another fitting accompaniment as she smoothly glides over a middle tempo sentimental tune. Two flavorful platters.

### PETE LANE

(Imperial 8235)

**B** "NO MORE LOVIN'" (2:28) [Commodore BMI—J. Giambusso, W. G. Leavitt] The velvety tones of Pete Lane wax a sprightly, quick beat cutie with peppy lyrics. Lane's engaging reading coupled with a catchy melody provide for a pleasant deck.

**C** "TLL ALWAYS BE WAITING FOR YOU" (3:05) [Commodore BMI—C. Cobb, W. G. Leavitt] Lane dishes up a relaxed vocal effort on a slow tempo romantic piece. A fetching etching that should attract spins.

### COTTON HENRY

(Starday 129)

**C+** "ALIBYING SWEETIE" (1:56) [Starrite BMI—J. O'Neal, J. Tyler] Cotton Henry comes up with an enticing, quick tempo rhythmic ditty. The artist's smooth vocal effort is backed in adequate fashion by the Oklahoma Hillbillies. An easy-on-the-ears disk.

**C** "ESKIMO NELL" (1:58) Label stating "Not suitable for radio use" should gain some attention. It's saucy but not that saucy.

Tommy Duncan of Los Angeles, Calif., has just recorded his first number for Coral. Johnny Thompson, Country A&R rep and Sales Manager for the Southern Division Office, Cincinnati, has just completed a tour of the Southwestern states and was in Chicago for the convention. Hear that Hawkshaw Hawkins (RCA Victor) made a guest appearance not too long ago on the Circle Theatre Hillbilly Jamboree. Hawk's latest is "Watin' For My Baby." . . . Johnnie and Jack, who first came out with

the "Latin-tempoed" style on their recordings, are departing from this style at the moment to team up on an old tune that is currently creating a lot of attention pop-wise. The Johnnie and Jack unit from Grand Ole Opry, managed by Frankie More, have just completed touring Mississippi, Alabama and Tennessee. Starting April 18th, the group will begin a tour of the West Coast, and the package will include Little Jimmy Dickens, and Dell Wood!

Jack Gale, WSRS-Cleveland, Ohio has added a Saturday afternoon Hillbilly Heaven show in addition to his daily morning show. Jack also emcees the Hillbilly Jamboree at the Circle Theatre every Saturday night in this town. Wink Lewis, KTRE-Lufkin, Texas has just started his Thursday night Jamboree show with top names scheduled to appear. Air time for the show is 7:30 to 8:30 PM and the place is the V.F.W. Hall. DAVIS SISTERS

Hank Snow is set to open at the Olympia Theatre, Miami, March 17th. Dub Allbritten who directs the affairs of Snow will leave prior to the date to set up extensive promotion and advance work for the opening! The bill also includes Marty Robbins (Columbia) Moon Mullican (King), Joyce Moore, (RCA Victor) and The Duke of Paducah! The Davis Sisters (RCA Victor) just completed guest spot on Grand Ole Opry's Prince Albert Show. Saturday, March 13th. Ernie Young, Nashboro and Excello Records head, has gone into the Country Field and has his first release out with a fella named Ray Batts. Ray's current release is "Stealin' Sugar" and "Maybe It's You Sweetheart, Maybe It's Me," on Excello, and is now in the hands of the deejays. Looks as if Jim Reeves continues to build with his fine style of singing on the Abbott label. Jim has a new one out that is creating some advance talk that seems mighty good, title being "Echo Bonita" and "Then I'll Stop Loving You." We mentioned a few issues back that young Bobby Wright, (Decca). . . Country Music's new child star would stir up a lot of attention before too long . . . well, it seems that the boy is living right up to his expectations. Young Bobby sings with a solid beat and should be with us for awhile. Currently, his first release is "You'd Better Not Do That" and "My Mama Didn't Raise No Foolish Children." While Hank Snow is set for a grand opening in Miami, Florida at the Olympia Theatre March 17th, Ernest Tubb is playing in the extreme end of the country . . . opening at the Casino Theatre in Canada. Allbritten, artist's manager, seems to believe in keeping them "spread out." Chet Atkins (RCA Victor) turns in some mighty fine pickin' on his newest record, "Wildwood Flower" and "Simple Simon." X. Cosse, manager of Martha Carson has the artist booked consistently and Martha's current record, "Lazarus" and "Bye and Bye" appears to be another big one for her! Cowboy Copas (King) out with a fine number. . . "(I'm A) Stranger In My Home" and "I'll Be There (If You Ever Want Me)". Kitty Wells (Decca) selling great on her new release . . . "After Dark" and "Release Me!" And, while talking of records, would like to mention that Dewey Mousson's artist, Little Jimmy Dickens seems to have one of his best numbers in sometime . . . title is "You'd Better Not Do That." More record news. . . Randy Wood, Dot Records, just released Lonzo and Oscar's first . . . "Let Me Be The One #2" and "Wild Oats"! Carl Story and his Rambling Mountaineers" who have been working out of Charlotte, North Carolina will begin work at WNOX, The Mid-Day-Merry-Go-Round Show and Tennessee Barn Dance from Knoxville, Tennessee, beginning March 29th. Carl and his boys record for Columbia. "Something Called The Blues" and "Someone Ughed On Me" seems to be catching the fancy of the listening audiences for Justin Tubb . . . his latest release! Jimmie Rodgers Snow, son of Hank Snow, has cut his first records for Victor, with release date forthcoming soon. One humorous incident of Jimmie's recording session was that he used his Dad (Hank) as a sideman . . . working furiously on the steel guitar. Hank laughingly admits he doesn't mind playing sideman to his son! Hickory Records, Nashville, seem to have gotten off to a bang-up start with one of their new and initial releases. . . Al Terry's "Good Deal, Lucille" and "Say A Prayer For Me" hittin' on all the deejays tables, with popularity of the record still climbing! Curtis Gordon (Victor) from Mobile, Alabama getting big start with his latest offering "I'd Do It For You" and "You Crazy, Crazy Moon"! Singing a fine song on her first release, Ruby Wells, daughter of Kitty Wells, is expected to catch on right away with her new Victor recording of "Why Fall So Slowly" and "Kiss Me." Goldie Hill (Decca) out with a brand new number that is delivered in the most favorable fashion and is certainly one of Goldie's best efforts to date . . . title of the new one is "Make Love To Me." Carl Smith (Columbia) just completed a week's theatre engagements in Ohio territory with his Tune-smiths! Carl is currently receiving lots of spins with his recording of "Doggone It Baby, I'm In Love" and "What Am I Gonna Do With You."

### Here and There

DETROIT, MICH.—Altho Ford and General Motors have been rushing out new cars like mad, other auto manufacturers have curtailed their productions. One of the problems reported was that consumer sales had slowed up, and in addition, the used car sales were away off. Now comes a report that sales of new cars by retailers have improved 12 per cent in February over January. The report on used car sales shows that gains started to show up several weeks before the gain in new car sales, and that as of February 20 used car stocks were lower than on January 31, and were well below the November 30 high. Another hopeful sign is the Chrysler Corporation's rehiring of 5,300 last week at its Plymouth assembly and auto body plants, which followed up the return of 2,400 workers the previous week.

NEW CASTLE, DEL.—The first modern airport terminal designed to meet the growing need for both passenger and freight service will be constructed here. Plans have been completed and ground will be broken in the spring. It is estimated the new airport will handle a passenger volume of about 13 to 15 thousand persons in its first year. This will be a fine location for some enterprising operator in that area. The New Castle County Airport Commission is handling the deal.

WASHINGTON, DC.—Americans consumed more beer and ale in 1953 than in any other year except 1947, which was the industry's all time high. However, the disturbing feature of the report is that while packaged beer increased, draught beer declined 5.9 per cent, which means that patronage at bars and taverns suffered. Altho the hard liquor industry was hoping for a reduction in the current excise tax from \$10.50 per gallon to the previous \$9 a gallon, it now appears that the high rate will continue. Rep. Emanuel Celler (Dem., N.Y.) appealed to the House Ways and Means Committee to reduce this tax, and charged that the liquor industry was being discriminated against. He pointed out that liquor excises were increased from \$4 to \$10.50 a gallon since World War II. A reduction of this excise tax would be greatly beneficial to coin machine operators, as taverns and bars would appeal to more patrons and there would be additional coins for play in juke boxes and amusement machines. However, it appears that all concerned will have to wait another year—if it does happen at that time.

In the years in which *The Cash Box* has been in existence, it has seen many of its "dreams" come true. (The use of the word "dreams" is taken from that used by some of the leaders in this industry who stated some time ago, after MOA (*Music Operators Of America*) had become an established fact, that this should not "just be called a suggestion of *The Cash Box* which had come true, but instead", these leaders emphasized, "it should be called a 'dream' of *The Cash Box* come true.")

Following thru on this same theory, and in view of the fact that one dream of *The Cash Box* has come true, that of *Music Operators Of America*, in which *The Cash Box* had a most complete and personal hand in creating, other suggestions which this publication has made over the years may, one of these days, also become "dreams that came true".

For example, and from its very first issue, *The Cash Box* has urged that the industry create a "National Public Relations Bureau". Some attempts were made at such a Bureau in the past. So far none have continued ahead. When the C.M.I. (Coin Machine Industries, Inc.) had such a Bureau it was responsible for raising \$270,000 for the Damon Runyon Memorial Cancer Fund. This, in itself, in those infant days of this cancer fund, won much credit and glory for this industry.

Proving that a *Public Relations Bureau* can be of extreme importance in gaining better understanding for this industry and, surely, arrange for better public relationship which, of itself, is most vitally important.

Since then, of course, the industry has split into three divisions. These are most clearly defined today. Music. Amusement. Vending.

Each of these has its own organizations and its own theories in regards to the other divisions of the industry.

Yet, whenever and wherever the general public congregates, anything that is coin operated is still called, "A coin machine". So segregated, or not, this is still "the coin machine industry".

The thousands of words which have appeared in this publication, regarding a "National Public Relations Bureau", will be passed by at this time, so that *The Cash Box* can continue with the rest of its suggestions, its hopes and, perhaps, what many call its "dreams".

These are that, in addition to some day seeing a "National Public Relations Bureau" come into being, that this industry will get together to also create a "National Tax Council".

Such a Council is becoming ever more necessary. It has become a hardship, in many cases, for the nation's operators to raise the money necessary for the license fees requested of them, so that they might continue in business. This is becoming more and more apparent each day, as more communities and more states continue to raise higher and higher the license fees for the operation of the products of this industry.

Thousands on thousands of printed words have appeared in *The Cash Box* in regard to a "National Tax Council". More will appear from time to time. Until such time as there will come into being a "National Tax Council" to benefit all concerned with the industry.

This next suggestion of *The Cash Box*, which has appeared over the years, and which originally came into being in print in this publication early during War II, when OPA and other initialed agencies of the Federal Government wanted "all engaged in the industry" to meet with them, is probably really a "dream" for, with the industry split up into separate divisions, it seems hardly possible that a single, strong unit of cooperation and understanding will ever become an actuality.

Yet, *The Cash Box*' "dream" of all the nation's music operators getting together to defend themselves from adverse national legislation came true. So why not a "National Board of Trade" for the coin machine industry?

The fact remains that, if all the leaders in the industry will sit down and just talk it over, there can yet come into being a "National Coin Machines Board Of Trade". To act for each division's welfare in all national problems and, at the same time, to set up a code of ethics which will be practical for all divisions to follow. So that all will be able to enjoy the finest sort of inner-industry relationship.

Last, but not least, *The Cash Box* still hopes that there will come into being a "School For Coin Machine Mechanics". This is as great a necessity today as it ever was. This is something all agree should have come into being when it was first proposed by *The Cash Box* years ago.

Regardless of all the various service schools which are being conducted, these teach present mechanics the new twists and angles and methods. But, these do not create new mechanics, which are so greatly needed by so many.

The above four oft recommended suggestions may still be considered just "dreams" of *The Cash Box*. But this publication believes that—if the members of the industry will sit down together and talk it over—these dreams, too, can come true.

# MOA SHOW GREATEST EVER

## Big Crowds Jam Largest Number Of Exhibits And Make 4th Annual Convention Tremendous Success. Enthusiasm For Even More Outstanding Shows In Future

CHICAGO—What might be termed, "stage fright," gripped officers, well-wishers and almost all MOA members, as the day of the 4th Annual Convention dawned. The general prayer was, "Let's hope it'll be a success."

Now that it's over, the enthusiasm which has enveloped every officer and member of MOA has flooded over into all others. These men now confidently look forward to "even bigger and better conventions in the future".

To put it as mildly as possible, "The Music Operators of America's Fourth Annual Convention was the very biggest and greatest ever held". This is the very statement which was used by what might be termed some of MOA's severest critics and equally severe skeptics.

Those who came to cry, stayed on to laugh and thrill with one and all, as the crowds continued to grow bigger with each passing hour, once the 4th Annual Convention of Music Operators of America got under way.

Many who were doubtful about exhibiting at this show openly stated that they were sorry they hadn't arranged for display of their products. These men, along with many others, now plan to arrange for display rooms in 1955 much earlier than they did for this 4th Annual Convention.

At one stage, Monday evening, it was estimated that "about 3,000 people" were jamming up the corridors of the 8th floor of the Palmer House, as mechanics, servicemen, and their families from nearby areas, as well as from Chicago, came "to see the MOA Show".

After viewing these crowds and noting their enthusiasm, every one of MOA's officers and members realized that their convention had reached close to the proportions of what is today known in the trade as, "the old time coin machine shows".

They came from everywhere. A delegation of Mexican music ops from Mexico City was on hand to meet and greet MOA. Another delegation from Canada was in attendance and even had its own display room, to meet and greet all who attended the convention. Operators from as far away as French Morocco were present.

As far as the U.S.A. is concerned, there wasn't a state left unrepresented, as far as attendance at this Fourth Annual Convention of Music Operators of America was concerned. It was also claimed that every major city in the nation, every important town, and hundreds of hamlets were represented at this show.

The meetings were well attended. That there was some tenseness in the air, is the belief of many close observers for, it is said, "The time has come for operators to get on the offensive and off the defensive."

In short, the nation's juke box ops now believe that they simply must halt adverse national legislation from upsetting their business lives any further. They feel that just remaining on the defensive in the matter of national legislation each year is hurting their businesses.

They want to find the answer to this problem as well as to many others. Most of what the music operators

want to know was published in the past week's "MOA Special" issue of *The Cash Box*.

The men want to know about public relations effort. They also want to know what plans are being made to assure their businesses from being constantly harassed by one agency after another.

They also would like to see come into being many important agencies for their future welfare but, most of all, they want to once and for all time, put a stop to the year after year harassment of adverse national legislation. This, the majority feel, is the big job ahead for the officers of Music Operators of America, Inc.

But, regardless of these problems, and regardless of the fact that all continue to "seek the answer", everyone admitted, "MOA has grown up".

This 4th Annual Convention of MOA has definitely proved this organization is well on the way to fulfilling the dream of many an operator 'round and about the nation as it has fulfilled the dreams of *The Cash Box*.

This publication received applause and praise from all members of Music Operators of America at the Fourth Annual Convention at the Palmer House, Chicago, March 8, 9, and 10, who recalled how *The Cash Box* put together the nucleus of this organization six years ago.

## Operator "Teaser" Mail Indicates New Wurlitzer Phono Coming

ROBERT H. BEAR

NEW YORK—A post card being received by music operators throught

the country, which came to our attention this week, indicates that The Rudolph Wurlitzer Company of North Tonawanda, N. Y. is preparing to show a new music machine in the near future.

On the side of the blue blotter type card carrying the name and address of the operator is the message: "Confidential—to uncover secret message on other side, dip this card in water." The side referred to is completely blank—but when dipped into water a message in white letters on the blue card appears stating: "Watch Wurlitzer For The Greatest Phonograph Of All Time. Coming Soon! At your Wurlitzer Distributors' on National Wurlitzer Days."

## Smokeshop To Premiere Cig Vendor At NATD

NEW YORK—Smokeshop Corporation, a division of Apco, Inc., this city, announces the premiere showing of its 18-Column "Smokeshop Lo-Boy" in booths Nos. 63 and 64 at the NATD Convention, March 28 through April 3 at the Palmer House in Chicago.

Sam Kresberg, Apco president, said: "The 18-Column "Smokeshop Lo-Boy" is the most revolutionary advance in cigarette merchandisers developed to date."

Fully automatic, the all-electric cigarette machine vends regular, king size, flat packs and filter type cigarettes at five different prices through the same coin-acceptor.

## Churchman Most Skillful Pinball Player

ALLENTOWN, PA.—Melvin J. Missmer, Allentown games and music operator, recently donated a juke box and pin-ball game to St. Paul's Lutheran Church in his town. Shortly thereafter he received a letter from Richard C. Klick, pastor, which said: "... heartfelt appreciation for your kindness . . . delighted with the excellent condition of both instruments and in the happy choice of the baseball game in the pin ball machine. The truth of the matter is that I believe to date the pastor is high scorer on the pin-ball machine with fourteen runs . . . you will have the satisfaction of participating in our sincere effort to keep the youth of Allentown out of troubled ways. . . . Again heartfelt thanks."

## As I See It

A Weekly Column  
by  
**AL SCHLESINGER**

Ken Willis, salesmanager for the Bush Distributing Co., Miami, Florida, flies thousands of miles each year to visit his customers. As Wurlitzer distributor, this firm covers South Georgia, Florida and Cuba. Since Miami is the nearest port to the Caribbeans, the firm in 1951 sent Ken Willis on a good will tour of Panama, Colombia, Venezuela, Trinidad and Puerto Rico to find out two things. Possibility of sales, and the logical people to handle these sales. There had been a few prospects from Puerto Rico who visited the firm's showrooms in Miami, and this tended to start the ball in motion.

Having over twenty years of coin machine experience, Ken Willis was an ideal man to search for new markets. Ken operated Exhibit "Iron Claws" in Los Angeles in 1930. He claims he was the originator of that terrific hit called "Lite-O-Line" which he sold to Fred McClellan. He had the sole selling rights for this game in Texas in conjunction with the late Earl Reynolds. He later designed many pin games and was in charge of special sales for the Pacific Manufacturing Co. He had charge of special sales for one year for the late Jack Keeney throughout the southwest. He joined Ted Bush in Minneapolis in 1938 and travelled the entire northwest. Came to Miami with Ted in 1949.

On his flying trips through the Caribbean and South America, Ken takes about three weeks to complete the trip. This he does on an average of three or four times a year. In Colombia, he holds a temporary residents visa. This gives him easy access to the country and gives him the right, every right that citizens enjoy, except the right to vote. It also makes him eligible for the draft in case of war. When Ken leaves Colombia he has to be released by the army. When he opened up in Peru and set the first juke box there, his greatest thrill came when he watched the crowd set up chairs in front of the machine and sit there for hours each taking turns to insert a coin. They were hypnotized by the automatic action of the machine and the music it brought forth. Today, there is a disc jockey in Lima who plays American popular music daily between 12 and 1 o'clock. Almost every South American country today presses its own records; all Spanish except Brazil, which is Portuguese. Colombia has eight firms at the present time turning out Spanish numbers. All tabs are in Spanish including popular American numbers. When Ken first started traveling these countries he had to learn Spanish, which he speaks very fluently now.

As I see it, our government is always seeking ways to create good will with our South American neighbors. Music is one of the avenues of creating this good will. We, in this industry owe a debt of gratitude to anyone who can foster this idea and bring about friendlier relations. Ken Willis is only concerned about one thing on these trips. He is anxious to get home safe to be greeted at the airport by his wife and his two year old granddaughter. (Adios Amigo).

## A. W. "Art" Daddis Named Southeast Wurlitzer Rep

A. W. "Art" DADDIS

He remained in the business until 1941 when he joined the Army Transportation Corps. Most of his service took place in the European Theatre of Operations. Following the war in 1946, Art joined Telematic, an organization furnishing industrial and background music. In 1948 he became associated with AMI in the sales and service department at Grand Rapids, Michigan. More recently he was appointed Southeastern district representative for that company.

As Wurlitzer district sales manager, Daddis' territory will include South Carolina, Alabama, Florida, Louisiana, Mississippi and North Carolina.

He will continue residence in his present home at 2251 Wiley Court, Hollywood, Florida. Daddis is married and has one grown son who is also in the coin machine business.

Said Bob Bear in making known the appointment, "We are certainly happy to have Art with us. His long experience in the coin phonograph business and his pleasing personality make him a well-informed and pleasant man to work with. He is well-acquainted with operators throughout the Southeast, and we feel that he will do much to insure increasing profits from every operation by pointing up the unusual values offered by Wurlitzer."

All his friends in the industry extend their congratulations on his new appointment and wish him every success.

NO. TONAWANDA—A. W. "Art" Daddis, well-known in the automatic phonograph business, has been appointed Wurlitzer district sales manager for the Southeast territory. The announcement, made by Robert H. Bear, Wurlitzer sales manager, stated the appointment was effective March 1.

Daddis' career in the phonograph industry started in 1932 when he became an operator in North Jersey.

## THRU THE COIN CHUTE

### CALIFORNIA CLIPPINGS

## LOS ANGELES

LOS ANGELES—As this column is being written the MOA Convention is taking place at the Palmer House in Chicago. It will be interesting to see what new developments will come out of this great event. It certainly has stirred up more interest among the operators and the music field than any other convention of its kind ever held. Those who were unable to go to the show will all be anxiously awaiting first hand reports from their many friends who were able to attend. . . . Paul and Lucille Laymon will probably be the first ones to return to Southern California with the latest information about the meet. Meanwhile Ed Wilkes, Charley Daniels and Jimmy Wilkens hold down the home front over at the Laymon establishment. There's an old saying that when the boss is away the boys will play but this certainly doesn't hold true with the Laymon crew. Caught N. G. "Red" Creswell busily checking out some games to make sure they were all in tip top shape while Karel Johnson, Don Gilbertson and Don Peters went over some phonos in the service department. Even Russell Early was rushing around doing this and that. Can truthfully report that Paul and Lucille don't have to worry. Things are well in hand. . . . Lyn Brown and Sam Gabler are getting all set for a shipment of Exhibit's new "Twin Rabbit" Kiddie Rides. These two make quite a team. Sam not only operates his own route of coin operated TV sets but also always seems to find time to give Lyn a helping hand whenever he needs it. . . . We hear that Fresno operator Orville Morgan has moved to new quarters. . . . Other notes from the San Joaquin Valley:—Bert Hoff, Visalia, has gone into partnership with Harvey Moulam. The two were recently in town buying equipment. Joe Van Workum recently negotiated a deal with Russell Hendricks, Hanford, to take over his route. Eileen Bloomer, co-owner of Valley Music, Mojave, announced that they have been remodeling their route with bingo games. Eileen recently took a few days off to celebrate her birthday. She says it's her thirty sixth. . . . Claude Tomlinson has been expanding his operations of cigarette vendors from Visalia to Fresno. . . . Wes Elster, Fresno, whizzed into town to visit here and there before catching a plane to Chicago for the MOA Convention. . . . At Badger Sales Company Fred Gaunt says he just can't keep those great Keeney "Bonus" Bowlers on the floor. Pete Ley has been busy covering the San Joaquin Valley for Badger Sales. Ray Powers recently returned from a business trip up North. He's now completing plans on his new house at Lake Tahoe. Construction will start again as soon as spring thaws clear the ground of snow. . . . Since getting in United's "Team" Shuffle Alley Charley Robinson and Al Bettleman have been plenty busy over at the C. A. Robinson Showrooms. Everyone wonders if Charley will ever branch out into the music field. When queried on the subject he stated emphatically that he's strictly a games man himself. Some of the old timers about town say they would lay odds at fifty to one that if Charley was presented with a good proposition from one of the major phono manufacturers he wouldn't turn it down. . . . So many operators from out of town drop in at California Music Company that Sam Ricklin and Gabe Orland have a hard time remembering them all. Guess they'll just have to put a register by the door and make everyone sign it as they enter the door. . . . Execs from RCA Victor were seen visiting the two one-stops when Tom Mosley and Jack Burgess dropped in at California Music and Leuenhagens. . . . Also making the rounds were Julius LaRosa and Jerry Johnson. . . . Phil Robinson is still anxiously waiting for the first shipments of Chicago Coin's new Baseball Game. . . . Atsie Stein, Max Moore, Al Hanlin, Mort Leeman and Enoch Simon have moved from their former headquarters on Catalina near Adams and now share new offices at 3417 Crenshaw. Atsie recently returned from a trip through Texas, Arizona and New Mexico where he set up new routes of kiddie rides. . . . Aubrey Stemler, Western representative for Eastern Electric, recently returned from a successful trip through Arizona. He says it's no more traveling out of state for him until the weather gets warmer. He'll work in good ole' Southern California for a few weeks. . . . Nick Carter, prexy of Nickabob Sales Co., recently took over distribution for Southern California on the new Lehigh "Ad-A-Unit" cigarette vendors. These new units can be attached to either or both sides of present vendors giving them two to four extra columns for king size or regular cigarettes. Varied color combinations are made to match with present machines. Gives added capacity without being bulky or hard to service. . . . Bill Leuenhagen and Mary & Kay Solle of the Wm. H. Leuenhagen Co. attended a recent party for Eddie Fisher at the Brown Derby. Event was held by RCA Victor. Those attending the party were also invited to the preview showing of the musical "New Faces." In the movie Eartha Kitt sang all of her intimate songs which have been put on wax by RCA Victor. . . . After attending the convention Van Nattan, sales manager for Auto Photo Company, will cover the East and Midwest before returning to the Los Angeles plant. . . . About every operator in the city of San Bernardino must have been in town recently. Seen along Pico Boulevard were Louie Troise, Mr. & Mrs. Tex Nowka, Irv Gayer, Stewart Metz, Lee Felkens and M. Janes of the G. I. Novelty Co. . . . Oscar Tetzloff, Ken Arnold and Lela Smith were also in town from Barstow. . . . Other visitors included Val Jones, Pioneer Town; Manuel Trevino, Oxnard; George Lecalli, Ontario; Walter Shinkell, San Diego; George Kirby, Riverside; Ted Meyers, Ventura; Jack Neel, Riverside; S. L. Griffin, Pomona; Joe Tamulonis, Banning; Larry Collins, Whittier; Walter Henning, Costa Mesa; "Doc" Dockins, Santa Ana; and Jusus Del Real, Brawley. Charles Cahoone and Orville Kending were both in from Long Beach. . . . Several out of towners from the San Joaquin Valley also came in to take care of business. They were Carl Thomson, Delano; Oscar Holtzhausen, Tehachapi; Cecil Ellison, Lancaster; Russell Hendricks, Hanford; Tom Reese, Bakersfield and Al Borth, Arvin. . . . Let us emphasize again the importance of attending the next meeting of the California Music Guild, Los Angeles Division, on March 31st. Every operator should attend. Ben Chemers, newly appointed business manager, and the Board of Directors are meeting this week to pick a site for the next meeting. Watch this column next week for the time and place. In the meantime all interested parties should contact Gabe Orland at California Music Company, 2940 W. Pico, Phone Republic 3-1196.

With many local coinmen away to Chicago for the MOA convention, it was thought activity along coinrow might be slowed up. However, the weather warmed up and the sun shone brightly, bringing out arcade men—and operators as well. Mike Munves, smiling broadly, remarked "Just as you wrote several weeks ago when we had a spell of spring weather. All that's needed is a sunny day, and out come the buyers. If it gets cold tomorrow, we won't see any arcade men around here." But, regardless of the weather from now on, with the arcade season approaching, as well as summer areas getting ready, coinrow will see considerably more action. As a matter of fact, resort agencies have stated that 1954 will see the greatest auto vacation travel of all time. These cars will be stopping off at motels, roadside restaurants, and amusement centers. Coinmen should be ready to provide the best in coin operated entertainment.

April 1 thru 10 is "National Laugh Week". So, friends, oil up your laugh apparatus. . . Jim Smith and Seymour Pollak, two Westchester ops on coinrow, picking up equipment and supplies. These men tell us a story, pointing out the value of association membership, which brings operators in the same area closely together. In August 1952, Ben Fagan of Tarrytown, N.Y., an association member, was severely injured in an auto accident. Since that time he's been hospitalized and in bed, unable to take care of his route. While Mrs. Fagan does the collecting, members of the association, as time is available, are servicing all the equipment. "Ben hasn't lost even one stop in all this time", stated Pollak . . . Joe Young and Abie Lipsky, Young Distributing (Wurlitzer distribes) supervising a general spring cleaning. Inside, showrooms and service dept. being dolled up, while the outside of building gets a new coat of paint. . . Herman Perin, sales mgr. for The General Music Sales Co., Baltimore, Md., visits with Irv Vidor of Cavalier Coin Machine Co., Virginia Beach, Va. Spreading the good cheer for AMI phonos, no doubt. . . Fred Iverson, well known coinman, commutes from Sheldon Sales in Buffalo, N. Y., to his home in Newark, N. J., practically every week-end. . . Bob Koff, Long Island op, on coinrow, picking up equip.

Al Simon, Albert Simon, Inc., back from an extended stay at Miami Beach, well tanned and looking disgustingly healthy. Al returns just in time to set up Genco's new exciting competitive "Basketball" game. Also expects Chi-Coin's "Super Frame Bowler" and "Baseball" games before the end of the week. . . Mike Munves also displays several new pieces—Exhibit's "Shooting Gallery"; "Fussball Match," an import from Stuttgart, Germany; and three of his own, "Air Football," "Air Hockey" and "Set Shot Basketball." . . It was quite a party Harry Siskind, Brooklyn op, ran for his daughter's (Zelma) engagement. In addition to many recording artists and executives, a number of coinmen were present. Among these were: Jack Ehrlich, Phil Raisen, Barney (Shugy) Sugerman, Meyer Parkoff, Joe Young, Stanley Feldman and his father "Pop" Feldman (who started operating in 1918), Teddy Blatt, and Arthur Herman. . . Marty (Blackie) Blatt and his beautiful bride, return from their Miami Beach honeymoon. . . Bert Blatt and his family go to Miami, connecting up with his dad, "Little Napoleon" Blatt. . . Seacoast Distributing takes on the exclusive distributorship of Cole Products drink vendors for Metropolitan N. Y., Lower New York State, and the State of New Jersey. The "Cole-Spa" machine is on display at the firm's New York showrooms. Al Cole and Clarence J. Inabinet, Jr., divisional mgr. on hand to meet the ops as they drop in to look over the machine which vends 6 drinks, 4 carbonated, and 2 non-carbonated. With Dave Stern in Chicago for the MOA show, Bob Slifer, sales mgr., greets visitors. . . Due to a rush of orders, Harry Koeppl, Koeppl Distributing Co., unable to get away to the MOA show. . . Dave Lowy, Dave Lowy & Co., reports back to his office from Chi that he completed several fine deals.

Dixie Coin, local AMI Distributors, report the company's new policy of regularly scheduled service schools around this area is paying big dividends in the many new friends the company has won. Most recent schools were held in Meridian, Miss. and Laurel, Miss. . . Paul Bartness in mourning because of the loss of his sister in Shreveport, La. The trade offers its sympathy. . . Albert Huffine of Coin Machine Service, showed us his new feature that can be added to all Bally Card Games from Spot Lite thru Frolics. It can be installed by any operator in just a few minutes. Huffine says, tests show sensational results and advises operators to watch for his coming ad in The Cash Box. . . Dick Sturgell of A. I. # THRU THE COIN CHUTE

## CHICAGO CHATTER

This has been the most hectic week since "the old time coin machine conventions." An this was said by more than one coinman who attended the MOA's 4th Annual Convention. They came from everywhere. By Monday evening the corridors on the 8th floor were so jammed (some estimated the crowd at "over 3,000") that a great many simply fought their way to their suites to get away from the 'crush'. And this was really a "crush." But none will ever forget the banquet. Or the tremendous array of talent. Someone said that, "If we had to pay these stars to sing here it would have cost over \$100,000.00 for the evening." Regardless of the price, none will ever forget "LeRoy," of that grand team of Curry, Byrd & LeRoy. Nat and Lillian Cohn will swear to this day that LeRoy was just a "drunk." And that his heckling would never be recognized as that of a professional. This is, without a doubt, one of the very finest of the heckling acts ever presented to the American public. And tho many, many bows and much applause to all the fine entertainers—none deserve a greater hand or more applause than "LeRoy" (who goes under the name of Charley West when working at a table) and the grand, grand heckling job he did to entertain the crowd.

Pat on our own back. Because we predicted in advance that: George A. Miller would be re-elected. As would all the other officers. Clint Pierce, Al Denver, Hirsh de LaViez, Martin Britz, Bill Hullinger, Les Montooth, all are veepees. Ray Cunliffe, Treasurer. Harry Snodgrass, Sect'y. Tom Withrow, S'gt-At-Arms. Board consists of: Jack Mulligan, James Tolisano, Mel Missmer, Howard Ellis, Larry Marvin, Dick Steinberg, Willie Blatt, Lou Ptacek, Max Hurvich, Vic Ostergren and Norm Gefke. . . . The Friday before the week opened, Maurie and Eddie Ginsburg bust things wide open with a special "Prevue" showing of their new "Atlas Music Bldg." There were two more showings after that. At this showing saw: C. T. (Mac) McKelvy, Bruce Jaeger, Bob Dunlap, Fleming Johnson, J. P. Seeburg II, Noel Seeburg, Norm Peterson, Mel Binks, Samuel Gensburg, Sam Lewis and Avron Gensburg, Ray Riehl and Herb Oettinger, Paul Huebsch, Sam Stern, Sol Gottlieb, and so many, many others.

The Wurlitzer boys pulled into town. All fired with pep, energy and the spirit of "get-out-there-and-do-it." They, too, took over. Among them: A. D. Palmer, Irv Sandler, Ray and B. H. Williams, Ben Coven, Ted Bush, M. H. Rosenberg, Mark Bloom, John Balk, F. A. Blalock, Paul and Lucille Laymon, Harry Jacobs, Jr., Bob Bear, Gary Sinclair, Bob Hamilton, Jim Crosby, Art Daddis, Jay Confer, Joe Steele, Shorty Culp and some more. . . . Jackie Cohen came in from Cleveland with his wife, "Gorgeous" Gertie, along with his two beautifull dotters, Jeanie and Barbara, and entertained at Shangri-La Larry and Lillian Marvin and Wes Elster and others. . . . Most outstanding and most publicized expression at the pre-opening of the show on Saturday afternoon was that of Hirsh de LaViez when he helped us to go out to the airport and pick up the convention issues of The Cash Box. Said Hoish, "Now that's what I call speed."

Art Weinand didn't even get out of his office at Exhibit to get down to the Palmer House and he was visited by Dave Lowy, Leo Dixon, Pete Whey, Harold Scott, Eddie Zorinsky, Joe Raskob, Al Blendow, Nat Cohn, Paul Bennett and many, many others. . . . Sam Stern of Williams was at the Chez doing a terrific entertaining job. . . . So was Ray Riehl, Herb Oettinger and Bill DeSelm who kept the waiters hopping every night of the MOA show. . . . Barnet (Shugy) Sugerman, Herman Paster, Harold Lieberman, Dave Rosen, and so many, many others, including Sam Taran, Sam Weisman, Dave Stern, Mort and Leo Weinberger, and a hundred more were at the Chez to help the party. . . . Gil Kitt, Stanley Levin, Vince Shay, Howie Freer, Jack Mitnick, Bill FitzGerald, John Haddock, and so many, many others around. . . . And the Bally plant was actually working overtime entertaining guys like Jake Friedman and Al Calderon and so many others. If Bill O'Donnell and Jack Nelson or any of the Bally boys rested at all—it's a miracle. . . . Irv Blumenfeld and a gang of the Gottlieb distribs went out to visit with Sol Gottlieb, Nate Gottlieb, Alvin Gottlieb, along with Harry Silverberg and Bill Getz and others. . . . It was open house here, there, and everywhere in town. The parties just partied along.

Walking thru the convention floor: Dave Rockola, J. Ray Bacon, Kurt Kluever, Jack Barabash, Leo Dixon, Jack Mulligan, Dave Stern and a whole flock of the Rock-Ola distribs. . . . Ever before the busy convention action got under way, Larry Meyers, of the Automatic Phono Mfrs Assn phoned to advise that N. Marshall Seeburg requéted his resignation as President and Director of the Mfrs Assn. He expl: ned that matters necessitating his frequent absence from the city made it practically impossible for him to serve in this capacity. R. C. Roling, President of Wurlitzer and President of the Mfrs Assn in '52 and '53 was then elected President for another term. J. P. Seeburg II replaced his Dad as a member of the Board of Directors. . . . Mike Hammergren, Ray Melback, Jackie Fields and the boys from United Sales & Service were among the busiest in town while the MOA show under way. . . . Cliff Horton of those Texas Kiddie Rides a very enthusiastic guy about the kiddie ride biz. . . . Al Blendow was busier than ever. . . . So was Irv Kaye.

Joe Cohen and the Ristau brothers. . . . Les Rieck, Dick Hood, Jr. and all the others over at H. C. Evans & Co. . . . Bill Bye. . . . Ralph Emmett. . . . The twins: Al Denver and Sid Levine. . . . Oscar Schultz. . . . Ray Cunliffe and Phil Levin. . . . Bud Brandom. . . . Lou Koren and Vic Comforte. . . . Jake

Friedman and his Georgia drawl. . . . Al Schlesinger gauging the temperament of the ops. . . . Joe Fishman and Meyer Parkoff. . . . Joe Abraham, George George and Roy Monroe of Cleveland talking it over. . . . The new firm that came into being: "Tolisano, Mulligan & Marvin." . . . Bob Lindelof with Lou Casola. Lou just returned from the west coast where he got himself all suntanned like anything and loved the west coast country. . . . Harry Stern loving that picture he took with Pat Morrissey. . . . Romeo Laniel and his Montreal French accent explaining, "This is for publicity." . . . Irv Morris of Newark, N. J. telling how the ops come to him to "check the prices." They should. Irv's been working with them 100% for as long as we know him.

H. T. (Heinie) Roberts explaining to a gang of the guys that "the surprises are still to come." . . . And, in the very midst of everything hectic here in Chi, a most refreshing and cooling letter from friendly and effervescing Johnee Stephenson. All the way from Nome, Alaska. Johnee anxious to get going on dancing, but, without the 20% Federal Excise Tax. So we tell Johnee that MOA and the National Tavern Owners Assn working on this right at this very minute in Washington, D. C. . . . Yes, it's been a very great show. Like an 'old time coin machine convention'. We, of The Cash Box, feel proud for, as all know, it was The Cash Box that created MOA six years ago and, with the help of people like George A. Miller and Sid Levine, Al Denver, Hirsh de LaViez and all the others, is extremely proud to watch this grand team help push this organization to its present point of acceptance. . . . And now that it's all over—this late, late Wednesday eve, please don't wake us up until next Monday morning. . . . So to bed.

## THIS WEEK'S USED MACHINE QUOTATIONS

15th Year of Publication  
75th Consecutive Week's Issue

### How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]  
**FOREWORD:** Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.  
**METHOD:** "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.  
**FOREIGN BUYERS:** To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin games — and \$25 to \$30 on Phonographs.
