Country Music Reaches A Crossroad!

As Country disk jockeys, artists and record company executives prepare to gather in Nashville this week for the 6th Annual Disk Jockey Festival which is being held in conjunction with Grand Ole Opry's anniversary, it is a fitting time to consider the crossroads which the Country music field has reached.

Only a few years ago, Country music was almost completely restricted to specific areas in which people grew up with it, understood it and loved it. Came World War II in which there were mass population movements, in which soldiers were trained in very different parts of the country than those in which they were brought up and suddenly people who had never been exposed to Country music before began hearing what to them was a strange sound. But as they heard it and came to understand it, they too took to it and as a result after the War there was a great upswing in the acceptance of Country songs. However, what happened was that while these songs were originally introduced by Country artists, for the general national audience they were usually redone by Pop artists. What we saw therefore was a strong influence of Country music on the Pop music field, but Country artists still remained regional favorites.

After the introduction of Rock 'N Roll, Country music went into a decline for a while because the Rock 'N Roll beat simply overwhelmed every aspect of the music world but it wasn't too long until Country artists and writers found that there was no reason why they too could not take advantage of that beat and combine it with Coun-

try rhythms. This was readily done and with such success that today many people deeply involved with the Country music field feel that it may eventually lead to a diminution of the separate entity by which we have been able to label Country music.

This is the crossroads which Country music faces today: whether to continue on its current path of becoming a part of the great body of American music in which it is achieving national acceptance on a Pop level or whether it should attempt to restrict its activities to the traditional Country regions emphasizing Country audiences while of course still playing an influence in the general national picture.

There is much to be said on both sides of the question although it seems to us that the adherents of either point of view are not going to be able to change the tide of events very strongly. It seems obvious that those who would like to restrict the current developments of Country music are fighting a losing battle and those who would like to expand the role of Country music on the national scene are being carried along on an inevitable tide.

Today all American music is in the process of becoming accepted on every level. Country music is part of that American picture. We can expect it to grow and expand and reach new heights not only in the regions where it originated but in areas all over the nation which until recently had never had the opportunity to know and understand and love it.

**PLEASE TAKE JUST A MINUTE:
IT WILL PAY BIG DIVIDENDS!!!**

We at Phillips International and Sun Records have always tried to create, never copy. Why — because that is the essence and life of the music and record business.

We were fortunate enough to come up with what looks like one of the biggest records to hit the nation in modern times. We believe you know the record we are referring to.

Now some uncouth and very unrealistic claims are being made as to "who has the hit"—Our answer to this is, we are willing to have you compare, if you haven't already, all records on it. But, more than that, we are happy to just wait till, the verdict of the record buying public is in! Every major market in the country has put Bill Justis's version head and shoulders above the sale of all cover records combined! And the reports from distributors and disc jockeys all across the U.S., almost unanimously agree that "Raunchy" will probably be the biggest instrumental since the original version of T.D.'s "Boogie Woogie."

We view this reaction with real pride, because we know it can be a tremendous "shot in the arm" for instrumental music in months to come. This will add more of a balance and variety to the music business which has been so good to us all. Let us never become stereotyped and parasitic. The best in commercial music has yet to be discovered. Let's create—so as to continually find it.

Anyway, in this case, you can rest assured we know the best record will win—then we can all view the results together.

Appreciatively,

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

DINAH WASHINGTON
(Mercury 71220)

B+ "EVERYBODY LOVES MY BABY" (2:36) [Pickwick ASCAP—Palmer, Williams] The great blues welter teams up here with Eddie Chamblee (leader of the ork) for a delightfully swinging version of the standby. Miss Washington is in top form here, and the result is a side that could go places on the charts. Keep close tabs on this one.

B "BLUES DOWN HOME" (2:45) [Roosevelt BMI—Chase] Miss Washington takes the solo spotlight on this portion, and does so in her best dynamic blues manner. Deejays will love.

HELEN CARR
(MGM 12578)

B+ "LOVE IS A SERIOUS BUSINESS" (2:37) [Leeds ASCAP—Topper, Bennett, Schroeder] The thrush has some of her finest disk moments on this colorful, Latin-beat opus. Miss Carr hands in an exciting, well-phrased account of the number's inviting melody and good lyrics. Rich ork-chorus support headed by LeRoy Holmes. Waxing could make the sales grade. Should be watched.

B "IT'S BEAUTIFUL" (2:47) [Remick ASCAP—Skylar, Frisch] Miss Carr tenderly fashions an affectionate romancer with due warmth.

DANNY WINCHELL
(MGM 12577)

B+ "I DO, I DO" (2:25) [Porgie BMI—Kaye, Zaffos] Winchell, back on the MGM label, has a side here that looks good from any rock 'n roll angle. Written by a pair of teen gals, the ditty has a strong beat, effective lyrics, and a reading by the artist that makes the most of those ingredients. Natural juke box entry, and fine contender for sales honors.

B "MY LITTLE TREE-HOUSE" (2:11) [Bourne ASCAP—Layne, Shuman] A tuneful, Hawaiian-flavored opus is invitingly conveyed by the performer. Cute, uptempo portion.

VICKI BENET
(Liberty 55100)

B+ "ALWAYS IN MY HEART" (2:31) [Southern ASCAP—Lecuona, Gannon] The thrush offers a convincing vocal view of the oldie, which could put the song on a new chart journey. Miss Benet notes the melodic distinction of the song, and for the modern touch, adds a light beat. The lush Spencer-Hagen ork-choral support also possesses a light beat. Pressing should be watched.

B "AFTER MY LAUGHTER CAME TEARS" (2:46) [Shapiro-Bernstein ASCAP—Turk, Tobias] Miss Benet effectively plays the disenchanted role on the sad romancer. Top half will hold the platter's commercial future.

STAN KENTON
(Capitol 3836)

B "BABY YOU'RE TOUGH" (1:54) [Beige BMI—R. Kelly, L. Niehaus] Kenton goes commercial on this half as the boys in his band open this side with a teen appealing vocal that leads into an inventive Kenton instrumentation. Side has good sound and beat. Wild and brassy stuff.

C+ "LEMON TWIST" (2:18) [E. H. Morris ASCAP—B. Troup] The Kenton piano and ork blend imaginatively once again on the free-swinging jumper.

The Cash Box Disk of the Week

"PUT A LIGHT IN THE WINDOW" (2:23)
[Planetary ASCAP—Roberts, Jacobson]

"THE THINGS WE DID LAST SUMMER" (3:30)
[Styne & Cahn ASCAP—Cahn, Styne]

THE FOUR LADS (Columbia 41058)

● The group, which can delight in either a ballad or novelty vein, has a side in "Put The Light In The Window" which engagingly showcases its harmony to excellent chart advantage. Backed by the spirited ork-chorus work of Ray Ellis, the foursome pours a wealth of vocal imagination onto this catchy, uptempo opus, which describes the fella's approaching visit to the gal's home to set the date. On the flip side, the vocal crew's warm ballad way is expressed in a great evergreen. The rendition appeared in the Lads "On The Sunny Side" LP. The "Put A Light In The Window" pressing looks like a smash item from here.

"UH HUH" (2:10) [Vanderbilt ASCAP—Bradford, Lewis]

"WHY CAN'T THEY REMEMBER" (2:23)
[Central BMI—Carvel, James]

SONNY JAMES (Capitol 3840)

● James, who brought the kids such rock 'n roll ballad hits as "Young Love," and "First Date, First Kiss, First Love," turns to a rhythmic sparkler in "Uh Huh," and it all adds up to a sure-fire smash by the artist. The tune is structured for a "sound" reading, which is exactly what James and the combo-vocal support read into the effort. The kids are going to find the side an irresistible juke box-sales issue. On the "Why Can't They Remember" waxing, James emotionally encounters a strong beat ballad about teenage love. The "Uh Huh" slicing has the makings of a chart triumph for the performer.

"SPEEDY"

[Progressive BMI—Bobbettes]

"COME-A COME-A"

[Progressive BMI—Bobbettes]

BOBBETTES (Atlantic 1159)

● That all-important second hit barrier seems to have been overcome by the vocal team in its second issue for Atlantic, the first having produced the impressive pop & r & b hit, "Mr. Lee." Both sessions here have that chart feel. "Speedy" contains a sizzling rock 'n roll quality, and like "Mr. Lee" and flip side here, "Come-A Come-A," it was written by the gals. With the fresh, gimmick-loaded harmonic blend of the crew to further the hand clapping ends of the piece, "Speedy" comes off as a certain teen pleaser. On "Come-A Come-A," the Bobbettes turn in vibrant voicings, which can also give the kids reason to cheer the pressing. Watch these sides go.

"I ONLY WANT TO LOVE YOU" (2:55)

[Planetary ASCAP—Spina, Elliott]

"BY LOVE POSSESSED" (2:20)

[Cromwell ASCAP—Sigman, Leahy, Lampkin]

DELLA REESE (Jubilee 5307)

● When Miss Reese scored with her last Jubilee pressing, "My Heart Reminds Me" it was fitting outcome for a stylist who has had stardom in her vocal delivery for some while. Once again, the artist is in exceptional form as she portrays the feelings of being in love on two class ballads. The "I Only Want To Love You" entry has an honest, melodic way that's enhanced by Miss Reese's refreshingly dynamic rendition. Miss Reese offers another fine vocal on the haunting, "By Love Possessed," the title of nation's best-selling novel. We give the sales edge to "I Only Want To Love You."

TEDD LAWSON
(Roulette 4033)

B+ "WASTELAND" (1:59) [Jefferson ASCAP—Lehrman, Berman, Whitcup] Lawson and the vocal-instrumental crew maintain a solid teen sound here, and the disk could develop into something to be reckoned with. The upbeat affair is decked out with a lyric that nicely draws analogies between wastelands and the guy, whose gal has left him. Pressing has lots to offer the kids.

B "ONE WAY LOVE" (2:37) [Jefferson ASCAP—Lehrman, Berman, Whitcup] More difficulty with the dame is expressed in slower, bluesy beat by the artist and ensemble. Another well-sounding side.

SAMMY DAVIS, JR.
(Decca 30479)

B "MOMENT OF MADNESS" (3:02) [George Paxton ASCAP—Coleman, Leigh] A class tune with a smart lyric and a jump beat is excitingly fashioned by SD. Wonderful love tune that could end up on the standard shelf.

B "ALL DRESSED UP AND NO PLACE TO GO" (2:47) [Chappell ASCAP—Schweikert, Reardon] From the B'way bound musical "Rumple" comes this finger-snapper which Sammy presents with a contagious bounce. Good new song that dee jays will enjoy spinning. Two good Jack Pleis arrangements and orchestrations.

VIC DAMONE
(Columbia 41057)

B+ "JUNIOR MISS" (2:37) [Chappell ASCAP—Fields, Lane] Once again, Columbia turns to Damone for a big ballad treatment, and the vocalist responds with a well crooned effort on a melody from the forthcoming TV musical, "Junior Miss." The appealing lyrics relate the transformation of the youngster to a "Junior Miss," and are thus directed at the teen gals. Damone's reading and the TV production make the disk an effort to be watched.

B "I CAN'T CLOSE THE BOOK" (2:46) [Joy ASCAP—Gallop, Weisman] A deft romancer is handsomely supplied with a wistful, sometimes multi-track delivery by Damone. A relaxed ballad rendition the jocks will take to.

LOUISE MANNING
(Safari 1004)

B "DID YOU EVER" (2:18) [Monument BMI—Fishman, Trester] Here's a sleeper that could catch on in one area and spread. It's a dramatic rock and roll ballad chanted with heart by the polished voice of Louise Manning. Strong tune that tells a touching love story. Watch this side, it's got potential.

C+ "TEACH ME TO LOVE YOU" (2:39) [Monument BMI—Smith, Evelyn] The band ups the beat for Louise's swinging rendition of a R & R jumper.

JOHNNY O'NEILL
(RCA Victor 7069)

B+ "PICK ANOTHER BABY" (2:00) [Oxford ASCAP—Weisman, Wise] Newcomer Johnny O'Neill hands in a fine job on his Victor debut disk as he rhythms thru a contagious rock-a-billy ditty with a cute sound and a happy beat. Colorful dance opus the kids should find to their liking.

B "HOW LONELY AM I" (2:17) [D'Vorzon BMI—D'Vorzon] A touching and tearful slow waltz ballad is penetratingly handled on this end by the versatile youngster. Pretty arrangement of a fragile song.

MARIE McDONALD
(RCA Victor 7068)

B "HOW DEEP IS THE OCEAN" (2:45) [Irving Berlin ASCAP—Berlin] Disk is the star's first pressing for Victor. After a lush ork-chorus intro, Miss McDonald enters the evergreen at the release, and goes on to a convincing expression of the standard's sentiments. Deejays have an interesting issue here.

C+ "HE TOOK ME BY STORM" (3:07) [Woodbine ASCAP—Borne] Once again, a ballad is the performer's program. Warm stint.

MERRILL JAY SINGERS
(Cabot 110)

B "WASHBASH CANNONBALL" (2:35) [Marla BMI—Adapted by J. Leyden, M. Jay] The folk song favorite is inventively rendered by the male group. Vocal build-up by the group has the effect of an approaching train. Well-performed version of the durable.

B "CASEY JONES" (2:33) [Shapiro Bernstein ASCAP—Seibert] Another evergreen on a railroading theme is appealingly fashioned by the ensemble.

RED FOLEY

(Decca 30452)

B+ "STRIKE WHILE THE IRON IS HOT" (2:35) [Fred Raphael ASCAP—Roberts, Katz, Clayton] The star country performer has a session here that could become a chart contender in pop circles. Foley and the Anita Kerr Singers set a hefty rock 'n roll pace on a cute, uptempo number. Side has lots to offer the kids. Platter spinners have fine teen turntable time in this corner.

B "THIS COULD VERY WELL BE IT" [Copar ASCAP—Wilkin] A slow beat romancer is effectively performed by Foley, who receives noteworthy support from the Anita Kerr Singers.

RAY HENRY

(Dana 3272)

B "BARBER POLKA" [Dana BMI—Dana] One of the mainstays of Dana's polka line-up, Henry and the ork whip up a hearty polka entry here. Polka traffic will find the effort a dance-floor treat.

B "WINDING BROOK" [Dana BMI—Henry] Another polka winner is performed with accustomed gusto by the Dana crew.

JEROME COURTLAND

(Disneyland 59)

B "THE SAGA OF ANDY BURNETT" (2:40) [Wonderland BMI—Blackburn, Bruns] The title song of a series currently being seen on the Disneyland TV show, is performed by the story's star, Jerome Courtland. Galloping tempo western flavored theme that has a ready market in the kiddie fans.

C+ "LADIES IN THE SKY" (3:19) [Wonderland BMI—Blackburn, Bruns] From the same TV tale comes this outdoor tune with a western flair.

LUCHO GATICA

(Capitol 3828)

B+ "IF I LOVE" (3:00) [Beechwood BMI—Gaste, Miller] Lucho Gatica, one of Latin and South America's best selling crooners, makes his English singing debut with a beautiful romantic ballad that could establish him as a U.S. favorite. Gatica has a refreshing and original singing style that falls very pleasantly on the ears. Lovely side to watch. Excellent Nelson Riddle accompaniment showcases the artists perfectly.

C+ "BLUE MOON" (2:25) [Robbins ASCAP—Rodgers, Hart] The gifted songster further displays his soft, soothing vocal talents as he warmly chants a top drawer standard.

JOHNNY MADDIN

(Dot 15641)

B "YOU KNOW" (1:47) [Maddin BMI—Maddin, Vandervoort, Freeman] Maddin treats this rock 'n roll tale of affection in a romping manner. Side is geared for the teen market and possesses plenty of r&r drive to prove it.

C+ "TONGUE TIED" (2:16) [Maddin BMI—Maddin, Vandervoort, Freeman] A novelty beat ditty is humorously read by the artist.

The Cash Box Sleeper of the Week

"PRETTY BETTY"

[Progressive-Kensington BMI—
Darin, Kirshner]

"DON'T CALL MY NAME"

[Progressive-Kensington BMI—
Darin, Kirshner]

BOBBY DARIN (Atco 6103)

● The noteworthy talents of Bobby Darin recently received territorial recognition with "Million Dollar Baby," his first Atco release, and his second for the diskery looks like its going to widen his audience on a national level. Either side here has tremendous chart potential. The "Pretty Betty" number is a sparkling, quick-beat tribute to the gal delivered with polished rock 'n roll zest by the artist. Darin is again in sensational rock 'n roll form with "Don't Call My Name," a heavy beat ditty which the performer wraps in exciting style. Bright Ray Ellis ork-chorus direction. Both sides of the disk have chart stature. It seems as if the youngster's star is going to burn brightly on the wax horizon.

"GOOD MORNING LIFE" (2:13) [Larry Spier ASCAP—Allen, Mayer]

"MAKIN' LOVE UKELELE STYLE" (2:10)

[Mayfair ASCAP—Werick, Hayes]

DEAN MARTIN (Capitol 3841)

● Martin, who has proven disk stature with such prominent hits as "That's Amore," and "Memories Are Made Of This," may well have a companion waxing to these efforts in a snappy, happy-go-lucky number, "Good Morning Life." The joyful romancer has a rinky-dink, sort of 1920's flavor, and the entertainer's reading admirably catches the optimism of the affair. On the flip side, Martin does well with a relaxed, Hawaiian-like melody. We favor the "Good Morning Life" effort for chart honors.

"AT THE HOP" (2:31) [Singular BMI—Singer, Medora, White]

"SOMETIMES" (2:38) [Singular BMI—White]

DANNY AND THE JUNIORS (ABC-Paramount 9871)

● ABC-Paramount has obtained a master, which contains the efforts of a well-sounding group. Of particular interest here is the boys' stint on "At The Hop," an opus tailor-made for the rousing treatment given it by the artists. This rhythmic romp has all the ear-marks of becoming a favored teen entry. A ballad rocker is the offering on "Sometimes," which the crew reads sincerely, and with a good beat. Figure "At The Hop" for the big teen play.

"HEY, SCHOOLGIRL" (2:15) [Village BMI—Garfunkel, Simon]

"DANCIN' WILD" (2:17) [Village BMI—Garfunkel, Simon]

TOM & JERRY (Big 613)

● This debut by the vocal duo looks as if it is going to make a strong bid to give the boys, and the Big label an initial high chart run. On the "Hey, Schoolgirl" session, the two have the stuff of which hit teen pressings are made. The uptempo, "Hey, Schoolgirl" has its setting in the classroom. Tom & Jerry, with some vocal resemblance to the Everly Brothers, get the tune off invitingly. "Dancin' Wild" is a lively issue highlighted by the twosome's bright harmony. Keep tabs on the "Hey, Schoolgirl" run-through.

"WHAT IS THE SECRET OF YOUR SUCCESS?" (2:25)

[Tiger BMI—Leiber, Stoller]

"SWEET GEORGIA BROWN" (2:43)

[Remick ASCAP—Bernie, Casey, Pinkard]

THE COASTERS (Atco 6104)

● Two tremendous sides that bid fair to follow in the footsteps of their other two-sided hit, "Searchin'" and "Young Blood". (See R & B Reviews.)

CLIFF CROFFORD

(Tally 113)

B "LET ME TELL YOUR FORTUNE" (2:10) [Lu-Tal BMI—Crofford] The performer's command of the rock 'n roll idiom is effectively displayed in this catchy, medium-tempo opus. The sound is appealingly tuned to teen tastes. Worthy juke-box entry.

B "LOVE CONQUERS ALL" (2:35) [Lu-Tal BMI—Crofford] Crofford expressively reflects on the subject of love, and its relation to the one he hopes will fall for him. A wistful essay, well handled.

JOAN REGAN

(London 1767)

B "CROSS MY EVER LOVING HEART" (2:35) [Wood ASCAP—O'Brien, Johnson] The English thrush encounters this warm affirmation of love with conviction. A straight ballad waxing which should find a berth on many deejay turntables.

B "SEVEN AND A HALF CENTS" (2:55) [Frank ASCAP—Ross, Adler] Miss Regan is joined by Max Bygraves in a rousing treatment of one of the fine songs from the "Pajama Game" score.

RUSSELL ARMS

(Era 1048)

B "I WONDER WHERE MY DARLIN' IS TONIGHT" (2:17) [Thunderbird ASCAP—Saxon, Mirkin] The former "Hit Parade" vocalist, and chart winner with "Cinco Robles," renders the tune in an uptempo, sometimes multi-voiced delivery. Side should realize some activity from the deejays.

C+ "I'M TIRED OF PRIDE" (2:32) [Warman BMI—Olsen, Blair] The guy is ready to admit he was wrong during the quarrel, and is prepared to make amends in this romancer tearfully treated by Arms.

MARTHA LOU HARP

(Prep 121)

B "CRAZY TO CARE" (2:35) [Ross Jungnickel ASCAP—Schroeder, Subotsky] The stylist who will sing the melody in the forthcoming "Jamboree" pic, knowingly reads the torchy affair. This is a first-rate vocal performance offering jocks class programming.

C+ "ESKIMO KISSES" (2:02) [Blue Chip BMI—Elow, Elow] Miss Harp has this rockin' situation well in hand, and gives the kids much to cheer about.

THE THREE SUNS

(RCA Victor 7072)

B "SENTIMENTAL JOURNEY" [E. H. Morris ASCAP—Green, Brown, Homer] The inventive guitar-accordion-organ trio tends less to the sentimental than to upping the tune's tempo, and giving the evergreen a solid beat rendition. Fine deejay material.

B "TUMBLING TUMBLEWEEDS" (2:22) [Sam Fox & Williamson ASCAP—Nolan] The team offers a steady, horse-like instrumental gait plus some high reaching notes from the organ. Another inviting display by the trio in a relaxed manner.

HOWARD W. BRADY
(Flagship 914)

C+ "HOT ROD BOOGIE" (1:45) [Flagship ASCAP—Brady] The entertainer impresses a hearty boogie-rock 'n roll stamp to this tale about a fella's experiences with a souped up Ford. Uptempo teen entry rhythmically displayed.

C+ "WEARY WALKIN' BLUES" (2:18) [Flagship ASCAP—Sardo] Brady offers a country vocal on the weeper. Side is squarely aimed at the country trade.

LIONEL NEWMAN
(Coral 61892)

B "DON'T SIT UNDER THE APPLE TREE" (1:41) [Robbins ASCAP—Brown, Tobias, Stept] The waxing is a sound track item from the "Kiss Them For Me," pic, and is a swinging revival of the World War Two favorite. A bouyant issue deejays will find an able turn-table spin.

C+ "ALTERNATE RIFF" (2:29) [Weiss & Barry BMI—Newman] The ork maintains an imaginative outlook throughout in another sound track pressing from "Kiss Them For Me." Some sizzling ork work here.

TOMMY CHARLES
(Decca 30354)

B "LOVE, YOU'RE A STRANGER" (2:38) [Cedarwood BMI—Walker, Pierce] Charles makes an effective, emotional showing on the ballad rocker, which leaves the fella befuddled as to the gal's intentions. Dramatic melody the kids will like.

C+ "THE MASQUERADE IS OVER" (2:53) [DeSylva, Brown & Henderson ASCAP—Magidson, Wrubel] Another lament is powerfully portrayed by the artist on an oldie.

SAMMY HAGAN & THE VISCOUNTS
(Capitol 3818)

B+ "DON'T CRY" (2:16) [Longhorn BMI—Curtis] Reading a tune that made some noise in the country area, Hagan and the crew react with solid teen appeal to the romancer. Lead voice Hagan catches the feel of the ditty beautifully. First-rate guitar work. Polished rock 'n roll performance that's a natural for juke box-play.

C+ "WILD BIRD" (2:03) [Planetary ASCAP—Alfred] An uptempo with a "Butterfly" theme gives the vocal combo a good opportunity for a highly rhythmic reading. Fast-paced platter for the youngsters.

THE PAGE BOYS
(Prep 117)

B "WAITING" (2:06) [Miller ASCAP—Barnes] The Page Boys, a polished new group with a commercial sound, make a strong debut as they lean into a good shuffle beat rock and roll ballad. Teeners should go for this solid swing item. We should be hearing about these lads. Good debut offering.

B "THIS I GIVE TO YOU" (2:23) [Miller ASCAP—Conover] One of the voices carries the lead on this potent rock and roll ballad. Both sides are replete with teenappeal.

JAYE RAYE & HIS ORCH.
(Epic 9241)

B "FINESSE" (2:25) [Joy ASCAP—Maltin, Doll] Roy Conniff, who performs under the Jaye Raye moniker for Epic, fashions an attractive and flirtatious melody on the keyboard. A chorus, singing without lyrics, joins in at midpoint adding charm and color to this lighthearted lilter.

B "STEEL GUITAR ROCK" (1:43) [Concal BMI—Conniff] The steel guitar takes over on this Conniff composed rocker. Here again a chorus assists sans lyrics. Good dance stuff for the young boppers.

ART BARRETT
(Charm 9571)

B "NEVER THOUGHT 'TWOULD HAPPEN TO ME" (2:32) [Shangri-La BMI—Ballou, Anthony-Hedberg] Both the diskery and the performer are new entries in the industry, and to start things off for the two, Barrett offers a bouncy romancer. The vocalist has a velvety delivery, which has a good swinging quality here. Lively session.

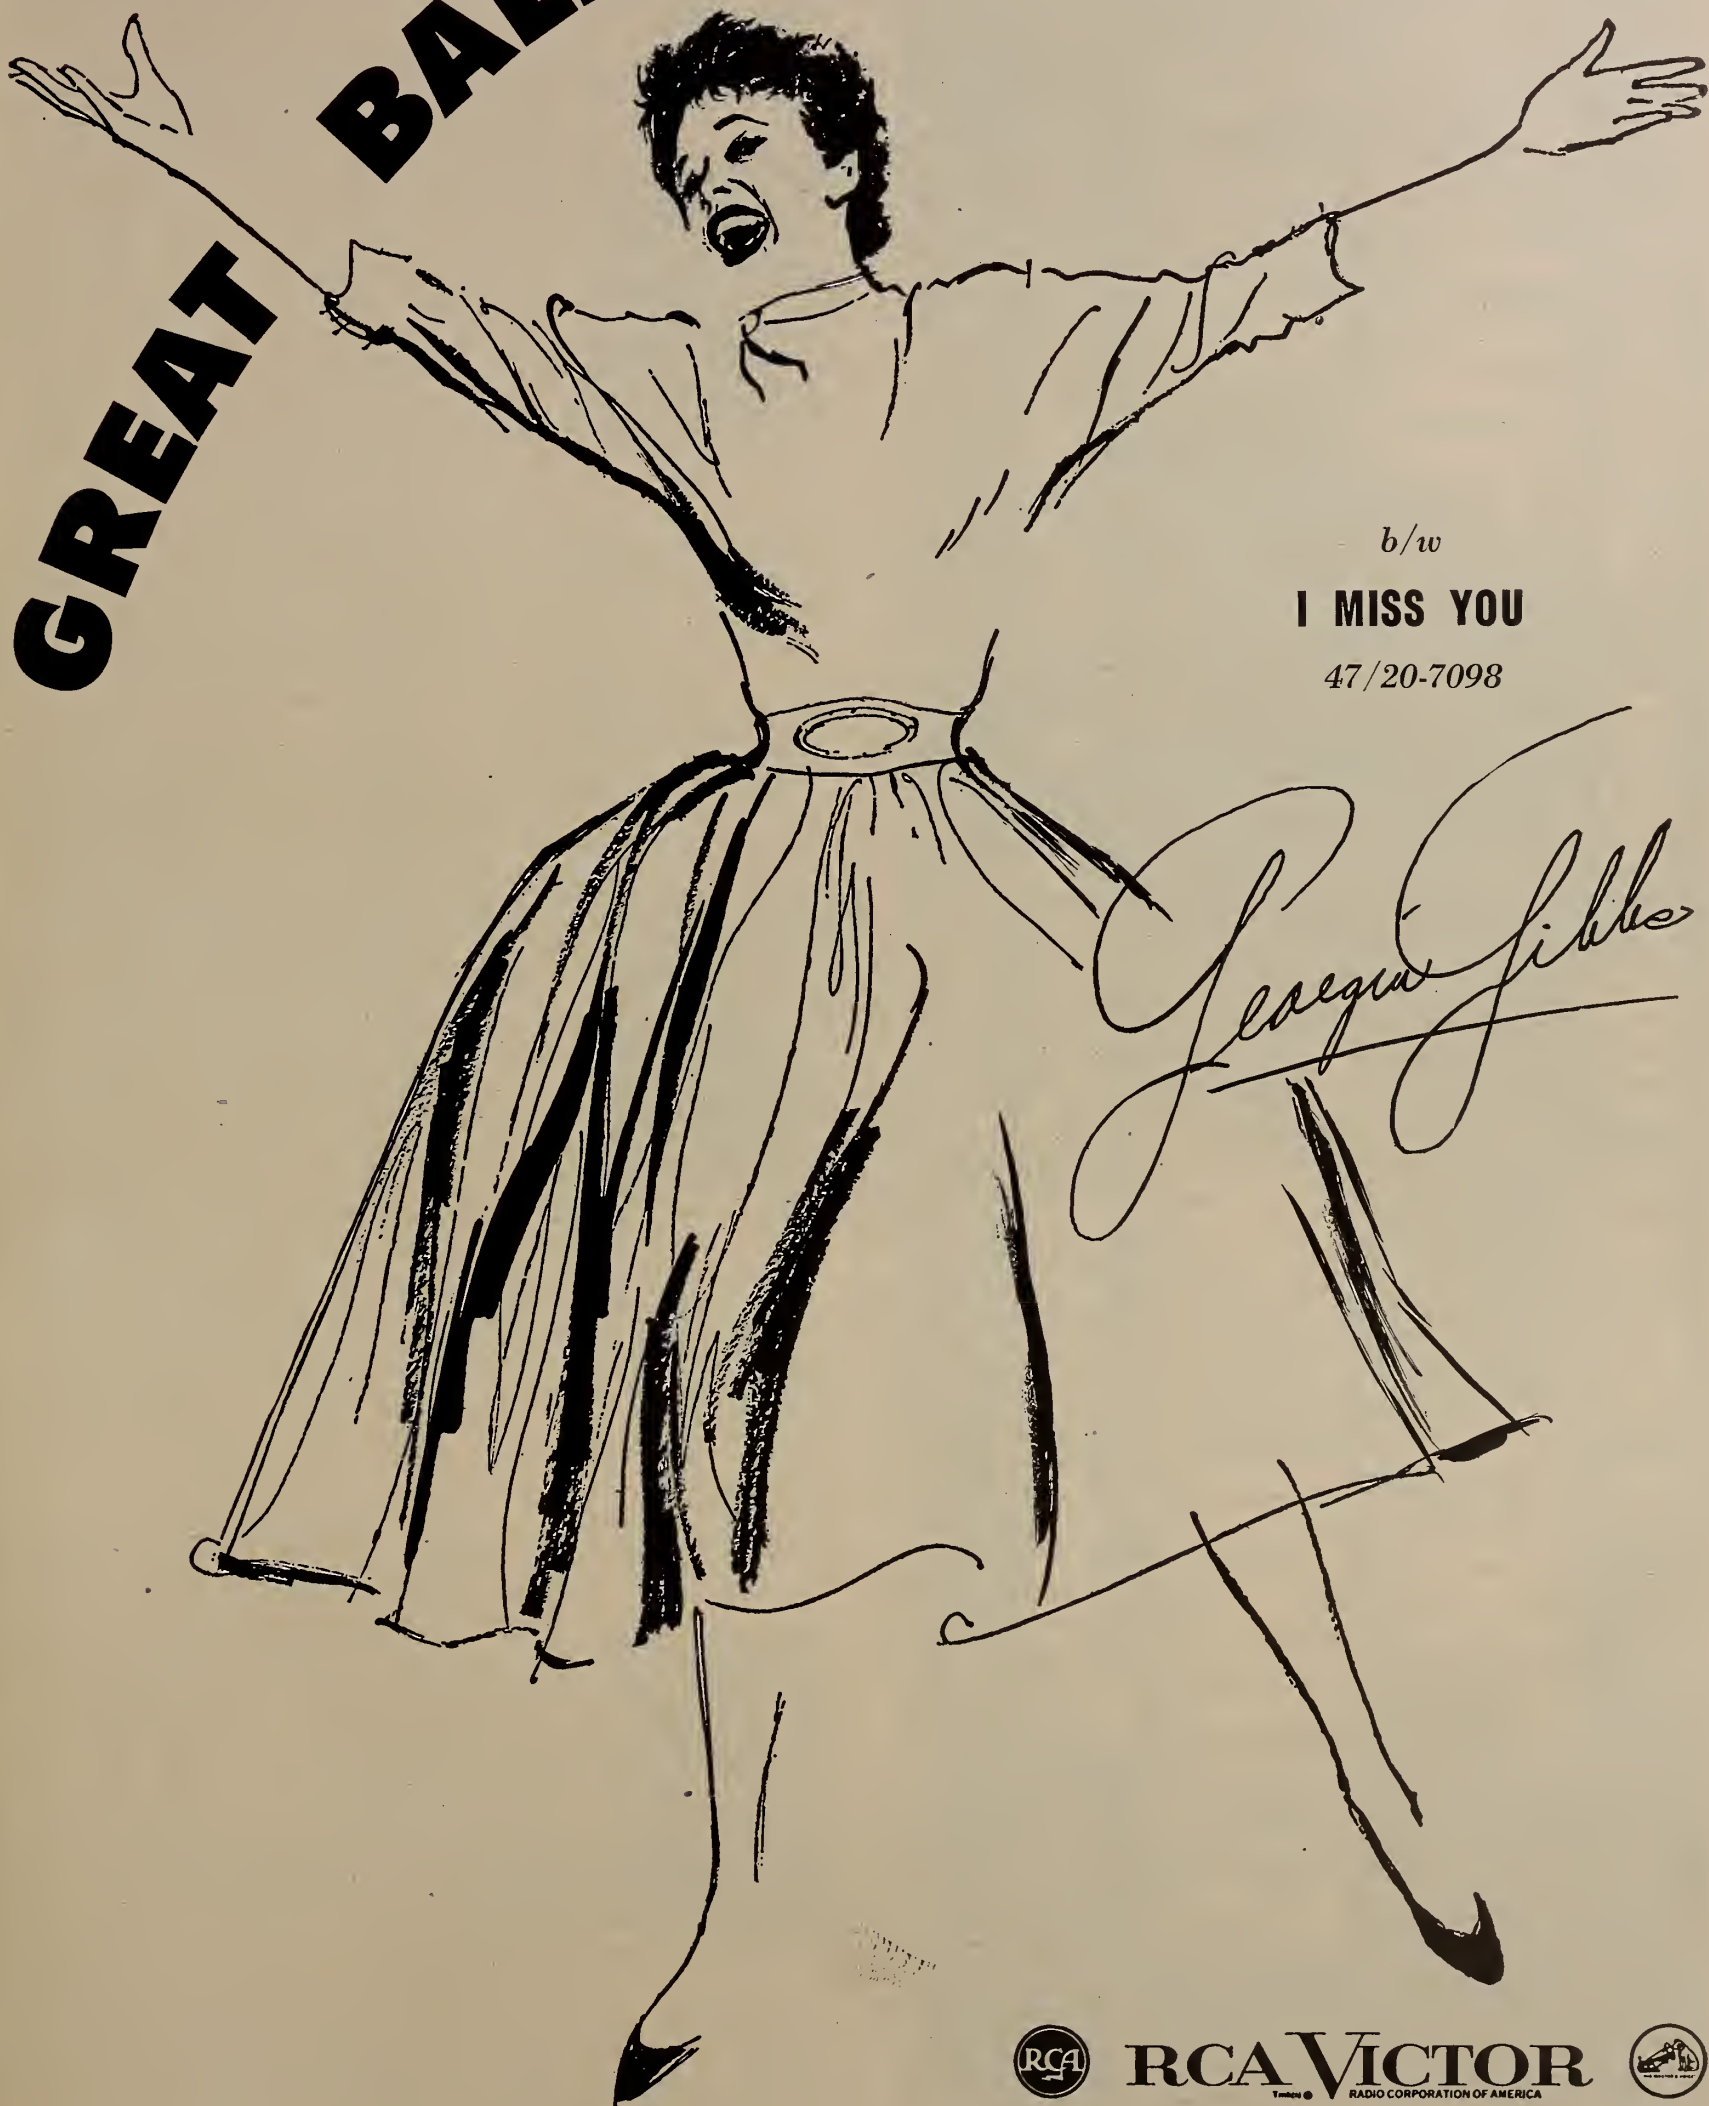

C+ "THE MOUNTAINS ECHO" (2:37) [Cherrio BMI—Hedberg] A smooth vocal by Barrett on an item with something of "Shifting, Whispering Sands" in its make-up.

ROGER KING MOZIAN
(Decca 30491)

B "ROCKIN' THE OLD GREY MARE" (2:20) [Suburban BMI—Zareh] The session was taken from the recent LP by Mozian and the ork, "Dancing On A Rainbow," and features a bright new look at the familiar oldie. Besides the rollicking ork-work, personnel in the ork offer several choruses of the tune. Platter spinners should convey this joyful disk to their listeners.

B "RHUMBA RHAPSODY" (2:50) [Remick ASCAP—Audinot] Mozian's trumpet rhythmically leads the way in this sparkling rumba affair. Rich, Latin dance-step waxing.

THE WORD ON PLAYS

LATE FLASHES:

Hot on the heels of **Sputnik** (and capable of as many headlines) comes "Captain Hideous King of Outer Space"—an air-worthy satire complete with beeps 'n bleeps straight from **Sputnik's** sound track. The mastermind behind all this is the fabulous West Coast Television personality, **RED BLANCHARD**, who backs it with "ZORCHI," a discourse on some of the 'cooler' current slanguage (4—41051) . . . the beat that's got the kids dancing these days is right up **THE SOUTHERNERS'** alley . . . witness their first release, "Say Yeah" *b/w* "(I Only Know) One Way to Love You!" (4—41052) . . . **RICK TUCKER** and the **PICKS**, another new Columbia group serve up for their debut a strictly-by-request 'beat' duo titled "Patty Baby" and "Don't Do Me This Way!" (4—41041). This is the latest addition to Columbia's across-the-board repertoire with plenty of sales-appeal! . . . **TONY BENNETT**, riding a flood tide of popularity, gives it an extra boost as guest star on the Steve Allen Television Show November 10 . . . **JERRY VALE** guests on the **JIMMY DEAN** Television Show November 25-29.

Phil Lind (WTAQ-La Grange, Ill.) currently putting all his spare time into a "Pennies For Cancer" drive, in which he hopes to reach a goal of one million pennies for the "Cancer Fund." Phil, who in two weeks has collected eighty-five thousand pennies, has been getting the cooperation of various personalities (June Valli, Joy Lane, Barney Ross, Cal Tjader), newspapers, TV, movies, and local high schools. . . . All-night deejay Nat Wright (WWDC-Washington, D. C.) has received a letter of commendation from the 1100th U. S. A. F. Hospital, Bolling Air Force Base in Washington, and was appointed "Medic" in good standing for "his talent for good music, tremendous sense of humor, and the ability to pass the night in a friendly, humorous light." . . . Studs Terkel (WFMT-Chicago, Ill.) has written a book, "Giants Of Jazz," which covers the stories of twelve of jazzdom's major musicians (Duke Ellington, Fats Waller, Dizzy Gillespie, Louis Armstrong, Billie Holiday, etc.). . . . The F. C. C. has given KCBQ-San Diego, Calif. the go-ahead to boost its power from 5,000 to 50,000 watts, the highest power permitted by the F. C. C. . . . Dick Smith (WASK-Lafayette, Ind.) is currently running a three and a half hour deejay show, and the stint consists of telephone taped recorded interviews and requests, which Dick says has been a very successful gimmick. Artists may be interviewed by calling Lafayette 24300 between 6.30 and 10:00 (C. S. T.) . . . Thanksgiving Day Turkeys are to be given away by KXOK-St. Louis, Mo. from November 18 to 25th in drawings from postcards sent in by listeners. Paul Cowley's (WKLO-Louisville, Ky.) sponsor has built a new studio on the roof of the restaurant where he broadcasts from nightly. Paul has a beeper phone now and would like to hear from artists anytime between 8 P. M. and midnight C. S. T. from Tuesday thru Saturday nights. The number is TWinbrook 5-9361. . . . Larry Gar (WKBC-North Wilkesboro, N. C.), has a fifteen-minute seg, "Meet The Artist," which he uses to showcase recording stars. . . . On November 18th, a "Disestacular" will be held in Ottawa, writes Johnny Murphy (CKOY-Ottawa, Can.), and will star Paul Anka, whose hometown is Ottawa. . . . Vic Aime (WNNJ-Newton, N. J.) says that two "fine ballads" deserving the attention of other deejays are Richard Hayes' Decca disk, "The Last Time I Spoke To You," and Tommy Prisco's Epic effort, "I Don't Want To Love You". Vic also notes a good reception to Florian Zabach's "Runaway Romance" on Mercury. . . . Bob Furry, who recently moved from KRUX-Phoenix, Ariz. to KTAR-Phoenix, Ariz., has an early morning show over KTAR which reaches all of Arizona plus parts of neighboring California, Nevada, Utah, New Mexico, and Mexico. Bob reports that all Phoenix spinners were invited to a press party for band leader Skinnay Ennis at "The Flame," where the artist is appearing. . . . In the October 26th "Disk Jockey Regional Record Report" we incorrectly listed the name of "Little Bob" Liddle (KXL-Portland, Ore.)

John Vaughn (WNAX-Yankton, S. D.), WNAX Production Director, writes that the station, which serves over two million people in seven states, would appreciate service from the diskeries. . . . Roy Lamont (WRVA-TV-Richmond, Va.) recently celebrated the first anniversary of his program, "Teenage Party." . . . WGBH-TV-Boston, Mass. is producing a series of seventeen one-half hour kinescope TV programs for the National Educational Center in Ann Arbor, Mich. called, "Jazz Meets The Classics" featuring George Shearing and His Quintet with commentary by Father Norman J. O'Connor, C. S. P. This series will be for educational outlets only. Two programs will be devoted to rhythms, four to melody, five to harmony, two to expression, two to improvisation, and the last two to Forms of Jazz. . . . Bill Reifel (WSHS-Floral Park, Long Island, N. Y.) writes that WSHS will present "The Sewanhaka Record Rally" from Stanford Hall in Sewanhaka High School. The four-hour show, from 8 to midnight, will feature the top records in the land from The Cash Box charts plus personal appearances by record artists. Personalities interested in participating in the affair should contact Bill at FLoral Park 4-1500, Extension 60 before Wednesday, November 13th. Posters, album covers, etc. from record companies would be appreciated, too. . . . Johnny Sandison (CKRM-Regina, Saskatchewan) wonders if the new sound in 1958 will be rock-apolka.

Joan Moré

RAIN

B/W

SWISS

Chalet

45-8500

About Joan Moré . . .

The raven haired, brown eyed beauty was born 23 years ago in Berea, Kentucky and is an alumna of that city's famous Berea College. Later, when her show business career would permit, Joan attended classes at the University of Kentucky and Columbia University.

At an early age she showed a flair for both acting and singing as well as writing poetry. Her big break came through her appearance in the Paul Green pageant, "Wilderness Road."

It was during the third year that Murray Nash, Nashville, Tenn., publisher-producer saw her performance and went backstage to confer with the talented performer. Soon after, Joan was appearing in the Nashville area and decided to take Nash up on his offer. The result was the cutting of two sides, "Rain" and "Swiss Chalet". Advance reports indicate a hit in the making. Thus, Joan is headed for stardom and the opportunity of fulfilling two of her lifelong hobbies—traveling and meeting people.

BOBBETTES BACK WITH A BIGGER HIT

A hit is a lovely thing to contemplate. That is, until you try to follow it up with another.

Frankly, we didn't think that we would be able to find as strong material for THE BOBBETTES' second record as "Mr. Lee." Then the girls themselves came to our rescue. They brought in two tunes that they had written (THE BOBBETTES also wrote "Mr. Lee." Remember?) and immediately we knew we had the winning combination again.

"Speedy" is a swingin' rhythm side with even more razzle-dazzle than "Mr. Lee." The flip, "Come-A Come-A" is a humorous, catchy novelty that is also loaded with plenty of that good old A.S.I. (Atlantic Sales Insurance).

Mrs. Bourne Pres. Of Bourne, Inc.

Entire Operation To Be Geared To Step Up Activities

NEW YORK—An air of optimism and enthusiasm is apparent these days at the Bourne, Inc., offices and its affiliated companies.

Mrs. Bonnie Bourne has taken over the complete operation as President. She will oversee all the departments. Mrs. Bourne was always close to the entire workings of the Bourne dynasty, having travelled frequently with Saul Bourne on his business trips in the United States and abroad. Mrs. Bourne is extremely cognizant of the assorted facets of the music industry.

In addition to being one of the most active firms in the music business in both "pop" hits and performances of standards, future plans cover a wide scope in every phase and field of music publishing. The "pop" department currently has many top recordings already cut and soon to be released. These include recordings by major and independent labels and artists. Many albums are also in the works and future plans call for greater and more elaborate activity in the package field. The Bourne and ABC catalogs contain many of the great standards.

The professional department, under the wing of Lester Sims as general professional manager, will step up all its activities with Jerry Lewin assisting in New York and Sammy Friedman in charge of the West Coast office.

Ken Walker heads up the educational department and is looking forward to a banner year. From the amount of business now scheduled it appears certain that last year's income will be more than doubled.

Many new agreements and deals have been set up with publishing firms in Europe in addition to the firm of Bourne Ltd., which headquarters in London. Plans also call for greater activity in the International field.

"The picture for Bourne is very rosey," said Mrs. Bourne, "and will continue in the great tradition of the late Saul H. Bourne who developed the firm to the great stature it enjoys today."

Norton App't'd Assistant LP Prod. Mgr. At Columbia

NEW YORK—Joseph Norton has been appointed assistant LP product manager, according to an announcement today by Stan Kavan, LP product manager. The appointment, effective immediately, brings Norton into a new position dealing principally with popular LP merchandising.

Prior to joining Columbia, Norton had been advertising manager of Times-Columbia Distributors for both the New York and Newark operations. He brings to the new position a rich background in distributor merchandising and promotion.

Norton will headquarter in New York and report to Kavan.

"Pink Sweater Angel"

NEW YORK—Planetary Music Publishing Company decided what better way to promote its tune "Pink Sweater Angel", recorded by Johnnie Ray on Columbia, than to hold a "Pink Sweater Angel" contest. And—what better way indeed, judging from the winner, Miss Dolores Fuller who topped thirty-nine other contestants. Above we see "Pink Sweater Angel" on a deejay tour to promote the record. Accompanying her was Dave Bernstein of Planetary. Top left, Peter Tripp (WMGM); top right, Jack Lacey (WINS); second row, left, Dave Bernstein and the "Angel" checking off the list of deejays still to be visited; second row, right, Lacey again ('cause we wanted to see more of "Angel"); Center, left, Al Trilling (WNEW); Center right, Mike Comito, producer of the Klavan & Finch Show on WNEW; fourth row, left, Mitch Miller; fourth row, right, Jerry Marshall (WMGM); bottom left, Joe Saccone (WMGM) and bottom right, Martin Block.

Hank Snow Goes "Squidding"

NASHVILLE, TENN. — Every fisherman knows what great bait squids are, but going on the theory that many record buyers are not fishermen Hank Snow explains as follows.

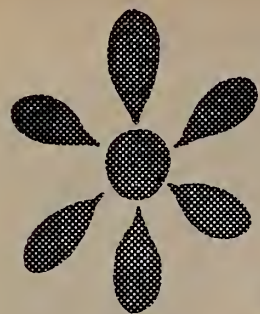

"The squid is a species of cuttlefish—a mollusc with 10 tentacles growing out of the head, with suckers at the end of each tentacle, and a fin at each side of the tail. It is soft bodied, brown-tan in color, and ranges from 8 to 12 inches in length. When pursued or taken, the squid squirts out an inky liquid, which the wise fisherman takes care to avoid.

"Squid occur in huge schools along certain parts of the Newfoundland coast, usually during the months of

August, September, and October, and, though edible, are chiefly prized by the local fishermen for bait.

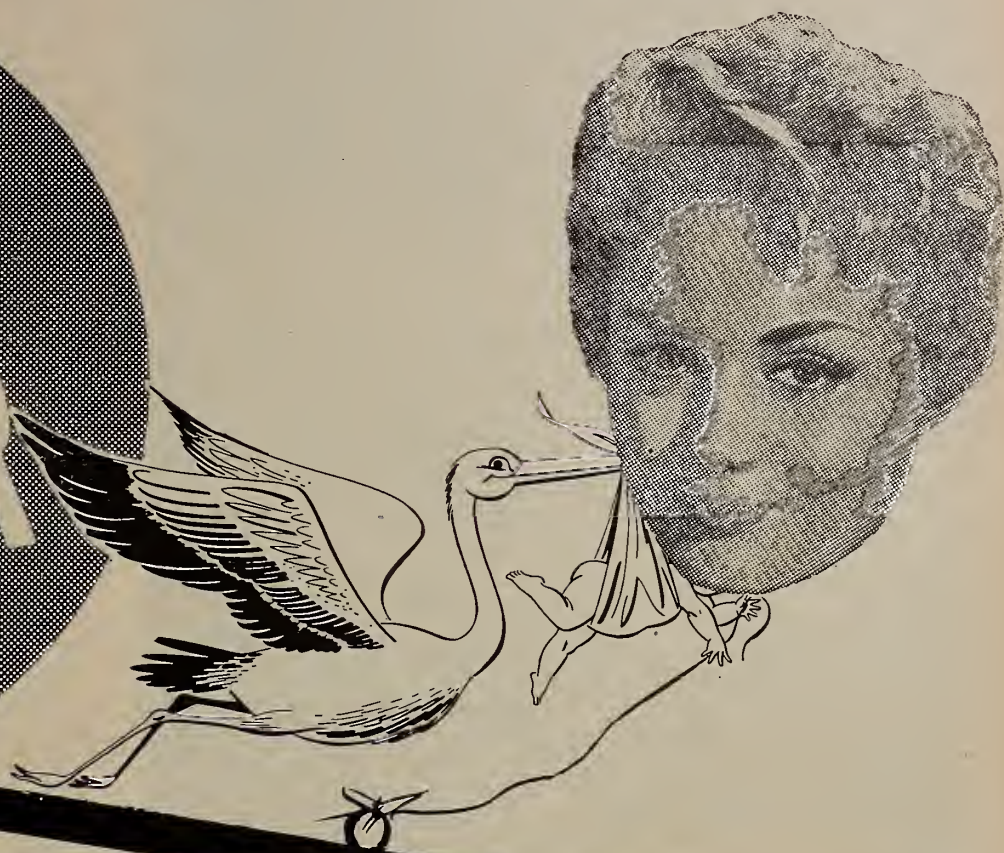

"When the squid strike in, or are 'on the grounds', the fishermen cluster their dories, or small, flat-bottomed boats, close together amid the school of darting fish, and pull them in with line and jigger as fast as they can. It is quite an interesting sight, and the fishermen make sport among themselves during the operations, for the pace is fast and furious as they load the dories with the precious bait."

And just why is Hank Snow so anxious to explain what a squid is? His newest RCA Victor record is titled "Squid Jiggin' Ground".

London Lowdown

LONDON

Back in London, the important news is the announcement of the stars who have been asked to take part in the Royal Variety Command Performance. Four American stars have been given the honor of appearing before the Queen. They are Judy Garland, at present enjoying a great success in London, Mario Lanza, Count Basie and the Goofers. The show, which will take place at the Palladium will also include Gracie Fields, Frankie Vaughan, Vera Lynn, Ronnie Hilton, Alma Cogan, David Whitfield, Max Bygraves, Winifred Atwell, Dickie Valentine, Harry Secombe, Dennis Lotis, the Kaye Sisters, Malcolm Vaughan, Teddy Johnson, Norrie Paramor's Banjo Band, and this year's outstanding newcomer, Tommy Steele. Also among this array of stars will be Jack Hylton, Tommy Cooper, Leo de Lyon, Ben Lyon and prima-ballerina, Alicia Markova. This should be quite a night when great honor bestowed on fine talent.

Mantovani is to undertake yet another U. S. concert tour and will leave for the States about January 23rd.

ABC Paramount chief, Sam Clark, has concluded a deal with BMI to handle the Paramount catalogue over here.

Harry Richmond on European visit. E. R. "Ted" Lewis, boss of English Decca London records flying to the States this week.

Rumored that Julie London due over here in the middle of this month may be joined by Bobby Troupe and it is possible that wedding bells may ring on this side of the Atlantic.

COPENHAGEN

Here in Denmark, the U. S. influence in the pop field is a little milder than in Sweden, which is, perhaps, due to certain import restrictions which make it more difficult for them to catch up with the many hit records from the States. But, they get here just the same.

Just like in Sweden, Denmark's present idol is Tommy Steele, whose albums literally sell by the thousands. For a small country, the figure of Steele album sales is quite remarkable. This is the only European country with more record stores to the square mile than any other place I know.

The Danish network beams a fair amount of pop music, and has a TV show called the "Living Record," where wax stars are invited to mime their latest disks. The network boasts one of Denmark's most popular shows, "Saturday Night Confetti," which has a dance band under Kai Mortensen's direction, and light orchestra conducted by a woman, Grethe Kolbe. This gal's great. Also featured on the program is the famous Sven Saaly Choir, and a host of guest stars.

Denmark and most Scandinavian countries cry out for talent and especially recording names, for this is so important for the whole record business. One personal goodwill appearance can make you Denmark's hottest thing on wax. Look what happened to Tommy Steele after one appearance. I urge U. S. talent to think seriously about this matter—after all, a great deal of records are sold in Europe, and U. S. disk stars can increase sales by making an occasional goodwill tour in Europe.

GERMANY

There seems to be an evergrowing market over here for records. The German population now getting acquainted with three-speed record machines, is beginning to follow the American Hit-Parade very closely and it is quite common to hear Elvis Presley, Harry Belafonte, or Little Richard in juke boxes all over the country.

The American pop song obviously has a slight language handicap over here but this is overcome by an immediate follow-up of the hit song in

German by some of the top recording stars over here. The big names are still Caterina Valente, Lis Asia, Vice Torriani, and the orchestra, of Helmut Zacharias and Wil Glahe who is presently enjoying a healthy success in the U.S. with his "Lichtensteiner Polka."

Juke boxes are in ever increasing number with leading American makes displayed in most bars and cafes.

Even German films now begin to gather their top names from the record world. Germany's most expensive movie, "Casino de Paris" features Caterina Valente and France's Gilbert Becaud.

While over here, I heard an album by Sweden's Sven Assmussen. This was cut by the Philips Company and I understand that American Columbia has put in a hefty order on this album.

The German networks feature deejay shows several times a week but all music is on tape. A so-called record show is not on record therefore. They have the great advantage of hearing America's latest records thanks to the powerful transmitters of the American Forces Network operating throughout Germany and reaching well over the Continent of Europe.

Avakian Recuperating

NEW YORK—George Avakian, a & r Columbia Records, is ill at home for the last month, it was revealed by Columbia this week.

Avakian had left for a vacation, but after one week was stricken with mononeucleosis, a disease of the blood. He has responded nicely to treatment and is expected back in his office before the end of November.

Dave Dreyer Forms BMI-ASCAP Pubs

NEW YORK — Dave Dreyer announced this week that he had formed BMI and ASCAP music companies in association with Ralph Serpe, Lou Capone and Howard Kreitsek.

These companies will publish the music from films produced by Ralph Serpe and Howard Kreitsek, starting with the current "Mister Rock & Roll", a Paramount Pictures release.

The next picture, "The Boys From Tennessee" starring Ferlin Husky and Faron Young is scheduled to start shooting December 1st. Also in prep-

aration are two important historical films.

Dreyer states that another important phase of this alliance is Serpe's affiliation with Dino DeLaurentis, of Rome, who is responsible for such important pictures as "La Strada", "War & Peace" and the current hit showing at the Fine Arts Theatre, "Cabiria", with a score by Nino Rota for which several of the major record companies have already put in their bids for the sound track, it is reported.

DJ Tribute To Capitol

Flying High

DETROIT, MICH.—Photo above taken on Shaye Cogan's recent promotion tour in Detroit on behalf of her new Roulette recording of "Billy Be Sure" and "Doodle Doodle Do". In order for Shaye to make all the disc-jockey appearances, Roulette's promotion representative in Detroit, Saul Starr, came up with a unique answer. He hired out a helicopter to avoid the usual traffic snarls and also because Shaye's record is "flying high" in the Detroit area. That's Robin Seymour (WKMH) greeting Shaye Cogan upon her arrival to do his show.

EPs In The Distrib Sales Picture

NEW YORK—The role of the EP in the distributor sales picture, and the successful EP merchandising program of a distributor has been described by John G. Trifero, Administrator of EP planning and Marketing for RCA Victor, in a special distributor "45-EP Mail Bag" report.

Trifero notes two important facts concerning the proportion of EP sales to LP's and singles: Of a distributor's total album business, EP's are responsible for 27¢ to 30¢ of every sales dollar. For every dollar in single record sales, EP's correspondingly bring in 50¢. "If your figures do not come close to the above mentioned figures," says Trifero to distributors, "it cannot be shrugged off, since you are losing profits, even though your

over-all sales figures show substantial increase over 1956."

As an example of what one distributor is doing, as the Victor slogan goes, "To Double Your 45 Rate By '58," Trifero discusses the dealer program of Chuck Foster of L. J. Meyberg Company. Foster has a weekly mailing to his dealers which keeps them up-to-date on new and best selling EP releases. In the San Francisco area, Foster began a rack promotion to retailers, whereby he offered, free of charge, a rack holding 50 EP's with a sign featuring key artists and types of music. The distributor told Trifero that the program was very successful in getting inventory in the dealers' stores and display at point-of-sale.

Grand Award Christmas Plan

NEW YORK—Grand Award Records unveiled their special Christmas plans this week, as announced by A&R chief Enoch Light. Selected albums from the label's catalog, such as "Paul Whiteman 50th Anniversary," "Chimes At Christmas Time," "When Christmas Comes To Our House," "The Children of Paris," "The Children's Hour," "Pops For Tots," "The Roaring 20's" volumes 1, 2 & 3, "Knuckles O'Toole" volumes 1, 2, & 3, and "Happy Days Are Here Again," will be presented to the Christmas buying public specially wrapped for the Yule season. Grand Award has designed a removable plastic cover imprinted with "Merry Christmas" to fit over the albums selected for this promotion. The plastic cover will not be sealed therefore the dealer can remove it after the holidays and is spared the problems of an overstock of Christmas material.

from that era of music and dance bands. Light believes that this new package is one of the strongest things done by the label to date. The new double album of music from the "Roaring 20's" will contain 24 new songs, performed by Enoch Light and the Charleston City All-Stars.

Advertising plans are also under way to expose the labels new releases and bring them to the attention of the retail market as well as the trade. In addition, there will be extensive Christmas display material available for the dealer with such items as streamers, signs, and a big window display sign featuring the "Paul Whiteman 50th Anniversary" album.

Light also announced plans of two special releases, which will also get the Christmas treatment, "The Roaring Flirty 30's" and "The Roaring 20's". Both packages contain two 12" LP's and will list at \$7.98 each. "The Roaring Flirty 30's" contains 24 songs

Grand Award Records, predominantly an LP catalog, has also announced a special release of 12 EP's which brings their total EP catalog up to 23. Light announced that sales on Grand Award EP's have proved excellent, to date, with racks and one-stops accounting for a heavy portion of the sales in addition to the increased demand for EP's by dealers who are enlarging their stock and displays.

Riverside Offers Christmas Pkges

NEW YORK — Riverside Records has announced the release of a series of multi-disk and single-disk LP packages, which the diskery hopes will make an effective Christmas offering to consumers.

The highlight of the multi-disk issues is a four LP version of "Alice In Wonderland" featuring the narration and singing of actor Cyril Ritchard, and music by Alec Wilder. Some of the stand-out packaging points here will be a facsimile of the first edition of the Lewis Carroll classic, and the drawings which appeared in that first volume. The New York Woodwind Orchestra will perform the Wilder score. The release retails for \$25. For sports car devotees, Riverside has the 1957 Sebring Grand Prix in a two-waxing set. Scenes from that event are narrated by Barrett Clark, and interviews with the drivers are conducted by Bill Grauer. Pricing of the effort has been set at \$12.

There are two new entries in Riverside's "Modern Voice" series for drama lovers, and they include a complete presentation of Jean Paul Satre's "No Exit" starring Betty Field on two-disks, and Sean O'Casey's "Pictures In A Hallway" with the recent Broadway Cast, also on two-disks. Both issues have a \$12 price tag.

In the jazz field, Riverside has a special series of twelve separate packages in its "Traditional Jazz" category featuring the late Jelly Roll Morton in never-before-released "Library Of Congress" pressings. Riverside has re-processed the recordings for a higher quality of sound reproduction. The twelve disks have been released simultaneously, and retail at \$5.95 each. Other new Riverside jazz issues include a jazz reading of the "Pal Joey" score featuring trumpeter Kenney Drew; and the first disk meeting of Gerry Mulligan (baritone sax) and Thelonious Monk (piano). Both waxings are tagged at \$4.98.

Capitol's November Release Offers 27 LPs

HOLLYWOOD — Capitol Records introduced its largest, most potent November album program this week highlighted by Mary Martin and John Raitt, Nat "King" Cole, Jackie Gleason, June Christy, Louis Prima, George Shearing, Joe Bushkin and others in the pop field and Leopold Stokowski, Louis Kentner, Marcel Grandjany, Agi Jambor and the Hollywood Bowl Symphony Orchestra in the serious music category. The release also includes 10 new packages in the 'Capitol' of the World series. There are 27 new high fidelity sets in all.

From the new production of the musical comedy, "Annie Get Your Gun," Mary Martin and John Raitt are co-starred singing the Irving Berlin numbers they will present in a two-hour NBC spectacular colorcast Thanksgiving eve, Nov. 27 from 8:30 to 10:30 p.m. PST.

Other albums in the release are: "The Wildest Show At Tahoe" starring Louis Prima and Keely Smith with Sam Butera and the Witnesses.

An album of George Shearing at the piano, without any accompaniment, is introduced in "The Shearing Piano." With backing by Billy May and his orchestra, Ella Mae Morse belts out a dozen songs, including "Jersey Bounce," "I Can't Get Started," "Baby Won't You Please Come Home" and others in "The Morse Code."

Billy May steps to the podium again to back Nat "King" Cole in "Just One Of Those Things."

Jackie Gleason offers a new album simply titled "Ooooo!" with the voices of Artie Malvin.

"Gone For The Day" is the title of June Christy's newest.

No less than 50 familiar Irving Berlin hit tunes are offered in another new Capitol high fidelity album, "Bushkin Spotlights Berlin" which features the piano artistry of Joe Bushkin and his orchestra. "Whisper Not" is the musical suggestion of the Al Belletto Sextet.

Fresh from the beach at Waikiki, Webley Edwards, creator-producer-announcer of radio's popular "Hawaii Calls" for more than a score of years, presents "Hawaiian Shores" (Favorite Instrumentals of the Islands: Vol. 2) with Al Kealoha Perry. Merle Travis's "Back Home" includes his original version of "Sixteen Tons" (which he composed a few years before Capitol's Tennessee Ernie Ford made a smash multi-million seller of it as a single record).

An album of "All-Time Favorites — Pop Selections" rounds out the popular releases for the month. Included are "Lover" by Les Paul, "Imagination" by the King Sisters, "Stardust" by Ray Anthony, "Embraceable You" by Nat "King" Cole, "Laura" by Stan Kenton, "Sugar Blues" by Clyde McCoy and other songs by Margaret Whiting, the Dinning Sisters, Paul Weston, The Pied Pipers, Diana Lynn and Clark Dennis.

The new classics from Capitol for November include:

Leopold Stokowski as conductor of the Houston Symphony Orchestra offers Glier's "Ilya Mourometz" (Symphony No. 3 In B Minor, Op. 42).

The November release also offers the debut album for Capitol by noted pianist, Louis Kentner, winner of both the Chopin Prize and the Liszt Prize. This artist performs Chopin's "Impromptu No. 1," "Nocturne Op. 27, No. 2" and "Fantasie Impromptu" and Liszt's "Faust Waltz" and "Sonetto del Petrarca Nos. 47, 104 and 123".

Another artist debuting on the Capitol label this month is Marcel Grandjany, who offers "Pour la Harpe," which features music of French origin transcribed for harp.

Agi Jambor, pianist, plays Chopin's "Ballades and Impromptus." And the newest in the long string of Hollywood Bowl Symphony Orchestra presentations by Capitol is Felix

Slatkin conducting Tchaikovsky's "Nutcracker Suite" and Mendelssohn's "Incidental Music to A Midsummer Night's Dream."

"Carnival Week In Rio," authentic mardi gras music by some of Brazil's best artists, featuring Ary Barroso (recorded in Rio de Janeiro); "Japanese Sketches," featuring the Shin Ensemble of Tokyo conducted by Ikuma Dan (recorded in Tokyo); Renato Rascal's "Italia" (recorded in Italy); "A Summer Evening In Athens" (recorded in Greece); "Music of the African Zulus" (recording in Johannesburg); "Israel Today," featuring the Trio Aravah (recorded in Europe); "Follow the Sun," by Philip Green and his Mayfair orchestra (recorded in England); "El Gran Gatica!" spotlighting the voice of Lucho Gatica and the orchestra of Jose Sabre Marroquin (recorded in Mexico and Chile); "Hi Fi Haitian Drums," featuring the talents of Issa El Saieh (recorded in Haiti), and Norrie Paramor's "London After Dark," a moody listening music album featuring Patricia Clarke and the Romantic Paramor Violins (recorded in England).

With its merchandising and promotion guns aimed at the nation's record dealers on the theme "A Record Sales Month For You," Capitol plans an all-out national push of the new merchandise.

The campaign for the new show album, "Annie Get Your Gun," includes a quadruple play, in special die-cut window displays, disk jockey promotion, advertising and publicity. The company, under the supervision of director of merchandising Gordon R. "Bud" Fraser, has distributed thousands of giant, full-color "Annie" window display pieces in the form of a large round target, with cut-outs of stars Mary Martin and John Raitt in the foreground; an "Annie" divider display for dealers' browser boxes; special "Annie" sticker and supplement (glued stickers may be used on cash registers record booths, etc.), the supplement may be used as an envelope stuffer or give-away; 8x10 photographs from the production to help dress up dealer windows, and a special press kit to the nation's key television editors on both newspapers and magazines, together with a special promotional copy of the "Annie" album for review and comment purposes. In addition, there will be advertising in such national publications as Esquire, Holiday; co-op ad mats for local newspaper advertising; thousands of complete "Annie" albums to disk jockeys for programming use. All of this will further be promoted by the production of the Irving Berlin musical on the coast to coast NBC network, in a two-hour color and black and white spectacular on Nov. 27, featuring Mary Martin and John Raitt. It is the music from this production that has been recorded by Capitol in high fidelity.

Capitol's overall promotion for November popular albums will include distribution to thousands of deejays of a full-color, double record Preview Kit featuring selections from all of the company's new pop packages. In addition, complete albums of "Annie," and others by Cole, Gleason, Christy, Shearing, Prima and Paramor have been serviced to the nation's radio stations.

Other selling aids include divider cards on the new Christy, Cole, Shearing and Webley Edwards albums, plus miniature record displays, each featuring one of the new pop albums of the month.

Thousands of copies of a new eight-page, four-color consumer's buying guide, picturing all the new albums for October-November plus Capitol's great new lineup of Christmas albums have been distributed to the nation's record dealers. National consumer ads have been placed in such top publications as The New Yorker, Saturday Review, Holiday, High Fidelity magazine, and others.

A special plus for November is deferred billing on all Capitol products, including all the new November albums . . . and 100 percent exchange privilege on new November albums through Nov. 29.

In addition to the 27 new album releases from Capitol this week, the label issued two new stereophonic tapes, one "The Music of Christmas," with Carmen Dragon conducting the Hollywood Bowl Symphony Orchestra, and "Joy To The World" by the Roger Wagner Chorale, both previously released in album form by Capitol.

RCA Victor Custom Opens New Recording Studio In Nashville

NEW YORK—On October 28th RCA Victor Custom Record Sales opened the doors of its new recording studio-building in Nashville, Tennessee. The new studio, of modern design, is equipped with the latest in recording equipment. It is designed specifically for "dead-type" recordings and eliminates acoustical problems normally inherent in buildings not so designed. The entire studio-building is constructed of concrete block whose sound-proofing and structural characteristics are ideal for recording studio construction. The extensive use of perforated transite, acoustical tile and fibreglas eliminates low and high frequency reverberation problems.

RCA Victor's new studio will provide Custom clients with both stereophonic and monaural recording and reproducing facilities. Equipment includes an automatic scully lathe and Westrex feedback cutter for cutting high-quality 45 RPM reference lacquers. In addition, the studio will be equipped with a 12-microphone posi-

tion two-channel mixer console with facilities for adding echo and equalization to each microphone position. The console equipment also includes automatic gain reduction. The new studio enables the engineer to mike each orchestra section individually and facilitates the addition of reverberation and equalization to each section without affecting other sections of the orchestra. Both the studio and the building were constructed according to plans drawn by William Miltenburg, RCA Victor's Chief Engineer and Manager of Recording. Situated at 800 Seventeenth Avenue South, the studio replaces facilities RCA Victor has been using in Nashville previously and represents RCA Victor Custom Record Sales' policy of providing its customers with more "one-stop" recording and pressing service. Other studios and facilities are located in Chicago, New York, and Hollywood. Selby Coffeen is the resident engineer and Ed Hines is the Custom Record Sales representative for the Nashville area.

Cadence To Award "Millions" Distribbs With Diamond Studded, Gold Cuff Links

NEW YORK—Because his order for 10,000 records on October 14th, at 12:10 P. M. was the one putting Cadence's "Wake Up Little Susie" over the million sales mark, Cadence distributor Phil Goldberg of Bertos Sales, Charlotte, North Carolina, will receive a pair of diamond studded, gold cuff links from Archie Bleyer this week.

The cuff links, made in the form

of a record, will be inscribed "to Phil with love and a million kisses, from 'Little Susie'".

"Cuff links for Clicks" will be standard policy with Cadence in the future. According to president Archie Bleyer, a pair of them will go as a gift to the Cadence distributor whose order is the one that pushes a Cadence record over the million mark.

The prize will be a date with Jimmy Bowen for the girl and \$100 Bond for the disk jockey who sent in the winning photo. Five girls and five disk jockeys will be chosen as winners. The screening of the pictures and the choosing of winners is now in progress and Roulette urges all disk jockeys who ran the contest in their area to send in their entries so that final judging may be concluded.

Roulette Signs Guy Pastor

NEW YORK—Guy Pastor, son of orchestra leader Tony Pastor has been inked to an exclusive Roulette Record's contract. Series. Tony asked Hugo Peretti and Luigi Creatore, A&R directors for the label if his son could cut one song for the album. Slightly reluctant, the A&R team agreed. After hearing the boy sing, they insisted that he do another side. At Roulette's recent distributor conclave, the Pastor LP was previewed and everyone present went wild over Guy's vocalizing, and requested that the two sides be released as singles. This week, "Life Is A Bowl Of Cherries" & "This Is My Lucky Day" will be released and Guy will hit the road for an extensive promotion tour. Both Hugo and Luigi have waxed ecstatic about their new find. "We think Guy will be the brightest new star on the record horizon. Voting Continues Heavy In 12th Annual Juke Box Op Poll

NEW YORK—The third week of The Cash Box Annual Juke Box Operator Poll finds the returns continuing to maintain a record level and should this trend continue it becomes apparent that more votes will be cast this year for favorite songs and artists than ever before.

The results of the poll, to be announced in the December 7th issue, will determine the top money making recordings and artists in the pop, r & b and country fields during 1957 and will also show which artists juke box operators consider most promising.

Voting is limited to juke box operators and is tallied on the basis of one vote for each machine or wall box an operator owns. Voting will cover a 5 week span—the results to be announced in the December 7th Issue.

To aid the operator in voting, an alphabetically arranged list of 1957's top favorites is shown below. To cast your vote, simply fill out the special form which appears on the preceding page.

The party was held in the private room at the Stockholm.

Retailers' Corner

A Phonograph Sale Is Just The Beginning Of More Record Sales

Phonograph business is good business and cannot always be measured in terms of immediate profit. Everytime a phono is sold a new record customer is created.

Proper display and merchandising is the answer to creating interest. Once this is accomplished the rest is up to you.

When a customer is interested in your lowest priced machine does he buy that one? With the wide variety of features available and the progressive price set-up, "selling up" should become an easy task. If we used the sales approach that is presented in selling automobiles every dealer would have a much happier end result on his profit and loss statement . . . and this is the reason you are in business.

Every phonograph manufacturer is making it easier to follow this pattern. For example the new Capitol and Columbia phono lines. It is time to start selling rather than dreaming up excuses for losing sales.

Capitol Intros New Line Of Phonographs

NEW YORK — Capitol has introduced a new line of phonographs this fall. Included in their portable line is a four speed manual model 720 which features a built in 45 RPM insert, 4" Alnico front mounted speaker, flip over cartridge with two sapphire needles, plus individual tone and volume controls. This model will be available in a choice of three color combinations and the suggested retail price is \$29.95.

For the 45 RPM fan Capitol is introducing a 45 that is fully automatic and plays up to twelve disks. Model 721 incorporates a front mounted 4" speaker, a Weatherproof cartridge with a sapphire needle, and individual outside mounted volume and tone controls for easy use. The colors are brown, or red, or black, and white and suggested retail price is \$49.95.

Model 722 is a deluxe manual four speed phono. With such features as twin fronted mounted 4" Alnico speakers, built in 45 insert, external

volume and tone controls, and turn over cartridge with two jeweled needles. Available in brown and tan. Suggested retail list price is \$39.95.

The four speed automatic model 724 has an intermix changer with a four pole motor and automatic shut off after the last record is played. A 5" front speaker, turn over cartridge with two sapphire needles, outside mounted volume and tone controls and a leatherette case are included. Choice of blue and white or coral and white are the color combos. Suggested price \$59.95.

Model 725 is a deluxe four speed automatic phono. It has a three tube amplifier and rectifier, 5" speaker and 1.47 ounce magnet front mounted, turn over cartridge and sapphire needles, and external volume and tone controls. Suggested retail price is \$69.95. The colors are brown and white or black and white.

Four speed automatic high fidelity phono model 727 includes a four watt push-pull amplifier with three tubes and selenium rectifier. It has dual 6" speakers with 2.15 ounce magnet and coaxial built in tweeter. Audio response from 15 to 15,000 cps. High fidelity turn over cartridge, two sapphire needles, and intermix changer with automatic shut off as standard equipment. The set comes in either brown and ivory or charcoal and white. Suggested list price \$79.95 (seen here).

All prices are slightly higher west of the Rockies.

Columbia Bows Fall Phonograph Line

NEW YORK—Columbia offers an impressive line of phonographs for the fall season ranging from small portables to their famed masterworks series.

Of the portables they offer, models 512 and 513 both are four speed manual machines with built in 45 RPM adapters, front mounted speakers, turn over cartridges each with two jeweled styli, and separate tone and volume controls. Model 512 has a 4" speaker and comes in a selection of four color combinations. Model 513 has a 4" x 6" speaker and is available in charcoal and grey with pink trim. Suggested retail price on models 512 and 513 is \$29.95 and \$39.95 respectively. (The latter shown here)

Columbia's bid in the 45 RPM market in the low price field is an automatic portable which plays up to fourteen records. The unit contains

a 4" front mounted speaker, and individual external volume and tone controls. Suggested price for model 540 is \$49.95.

Models 541 and 515 includes a four speed automatic changer with shut off, outside volume and tone controls, and turn over cartridge with two jeweled styli. 541 has a 4" front mounted speaker. It comes in brown and ivory and lists for \$49.95. 515 comes in ginger and tan with a 5" front mounted speaker. Retail price \$59.95.

New Stereo Series From Livingston

CALDWELL, N.J.—A new series of fine stereo recordings has just been announced by Livingston Audio Products Corporation, this city. Embodying a new concept in programming, "Livingstonettes" are collections of musical material especially suited to shorter playing time. Since consumer interest in this direction is mounting steadily it is expected that the new and beautiful packaging created for the "Livingstonette" series will make these premium quality recordings extremely popular.

The first group of "Livingstonettes" will be available on November 15th, with subsequent releases already planned for regular issue. Available in either "stacked" or "staggered" form, the first five stereo "Livingstonette" reels include "Dancing Along In Stereo," "Peer Gynt Suite," "Enchanting Strauss," "Lenny Herman Gems," and "Music For A Midnite Mood." Although the music covers a wide range of musical tastes, the accent here is on "listenability."

Each tape will be a full 5" reel, and will be subjected to Livingston's strictest quality control procedures. Priced at \$6.95, "Livingstonettes" are expected to open a new field of home stereo entertainment.

Grand Award Enters Stereo Field

NEW YORK—Enoch Light today announced that Grand Award would release its first stereophonic tapes the beginning of November. These tapes will display a full-range distortion-free sonic spectrum to satisfy the most avid high fidelity enthusiasts for the suggested list price of \$9.95 per 7" x 1200' reel (7½ ips). The first release will consist of a package containing ten tapes in a special prepack unit designed as an excellent counter browser for Grand Award tapes. After carefully checking the market for tape demands, Light decided to issue the first Grand Award stereo tapes in the popular vein, choosing the very strongest items in the catalog "The Roaring 20's" volumes 1 & 2, "The Roaring Flirty 30's" volumes 1 & 2, "Charles Magnante Polka Party," "Paul White-man Hawaiian Magic", "Around The World In 80 Days", "Knuckles O'Toole" volumes 1 & 2. The response from Grand Award distributors, to date, has been excellent, exceeding all suggested orders. In a survey made by Grand Award with top dealers and department stores in different areas it was revealed that they are now beginning to get a good demand for popular type music on tapes and, customers are shopping for lower prices.

Album Reviews

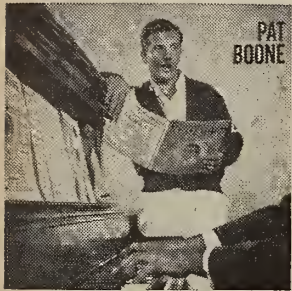

HYMNS WE LOVE

POPULAR

"HYMNS WE LOVE"—Pat Boone—Dot DLP 3068 (1-12" LP)

The vocalist currently has a successful EP of hymns, "A Closer Walk With Thee," and this collection of similar material by the artist is a certain chart entry. Boone's smooth delivery is a perfect vehicle for such inspirational favorites as "Sweet Hour of Prayer," "Softly and Tenderly," and "The Old Rugged Cross." Fine ork-chorus accompaniment arranged and directed by Billy Vaughn.

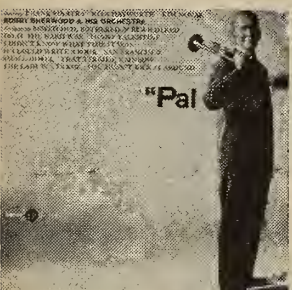

"PAT BOONE SINGS IRVING BERLIN"—Dot DLP 3077 (1-12" LP)

The waxing is another in recent disk tributes to the great cleffer's fiftieth anniversary as a song writer, and containing, as it does, the voicing of Pat Boone, chart sales are assured. Fourteen favorite ballads by Berlin are smoothly read by the singing star, who gets fine instrumental support from arranger-conductor Milton Rogers. Songs include "How Deep Is The Ocean," "What'll I Do," "Always," and "The Girl That I Marry." Pressing should join Boone's current package smash, "Pat's Great Hits," shortly.

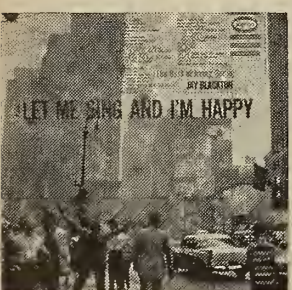

"JIMMY RODGERS" Roulette R-25020 (1-12" LP)

Jimmy Rodgers is currently riding the charts with "Honeycomb", which ought to give sales stature to this Rodgers LP bow. Some of the songs performed by the artist include "The Ballad Of Black Gold", "Women From Liberia", "Honeycomb", and his current chart bidder, "Kisses Sweeter Than Wine". Besides his ability to jump through a real rocking number, Rodgers shows that he can also portray ballads with necessary tenderness. The disk should appeal to his many fans.

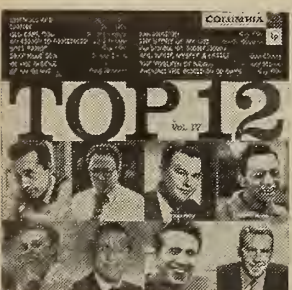

"PAL JOEY"—Bobby Sherwood & His Orchestra—Jubilee JLP 1061 (1-12" LP)

Jubilee's big-band version of the "Pal Joey" film score is brightly in tune with the sparkling Rodgers-Hart music. Credit arranger-ork leader Bobby Sherwood for his zestful approach to the music, which contains such breezy melodies as "You Mustn't Kick It Around," "That Terrific Rainbow," "Do It The Hard Way," in addition to those fine ballads, "I Could Write A Book," "Bewitched, Bothered And Bewildered," "My Funny Valentine," "I Didn't Know What Time It Was," and "There's A Small Hotel." Excellent band work that will cash in on the "Pal Joey" popularity.

"LET ME SING AND I'M HAPPY"—The Best Of Irving Berlin—Jay Blackton His Orchestra And Chorus—Epic LN 3408 (1-12" LP)

In recognition of Berlin's Golden Anniversary as a composer, Epic has issued this wide panorama of his melodies expertly performed by the Jay Blackton conducted ork and chorus. The disk traces the Berlin out-put in medley fashion, and engagingly encounters such Berlin evergreens as "Say It With Music," "Cheek To Cheek," "White Christmas," "Always," "Isn't This A Lovely Day," "Play A Simple Melody" and a host of other songs. Extensive notes on book-type package. Waxing has strong chart potential.

"TOP 12" (Vol. 4)—Johnny Mathis—Ray Ellis—Norman Petty—Vic Damone—Jimmy Dean—Marty Robbins—Don Cherry—Columbia CL 1057 (1-12" LP)

An LP recap of recent Columbia singles, the waxing is a solid teen attraction. The sides include the hit pressings of such personalities as Johnny Mathis ("Chances Are"); Tony Bennett ("In The Middle Of An Island"); Vic Damone ("An Affair To Remember") plus good versions of hit disks by Ray Ellis ("Fascination," "Tammy"); Don Cherry ("I'm Gonna Sit Right Down And Write Myself A Letter") and Norman Petty ("Old Cape Cod").

"JO STAFFORD SINGS SONGS OF SCOTLAND"—With Words By Robert Burns—Music By Alton Rinker—Paul Weston And His Orchestra—Columbia CL 1043 (1-12" LP)

Returning to sincere vocals and accompaniment after their hilarious off-key conspiracy in "The Piano Artistry Of Jonathan Edwards," Miss Stafford and hubby Paul Weston team again for a lyrical encounter with twelve Robert Burns poems set to tender, Scottish-like music by Alton Rinker. Miss Stafford renders the words and music sweetly and convincingly, and Weston makes his sweet strings effective ork support. Appealing package.

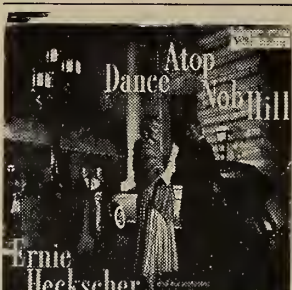

"HAWAIIAN MAGIC"—Paul Whiteman and his Orchestra—Grand Award GA33-356 (1-12" LP)

The veteran maestro leads his ork through twelve bright melodies descriptive of the islands. With the accent on strings, the ork sails through such Hawaiian numbers as "My Little Grass Shack", "Song Of The Islands", and "Moon Of Manakooa". This disk is a fine sequel to Whiteman's recent Grand Award Album celebrating his fiftieth anniversary as a musician.

"BILLY WARD AND THE DOMINOES"—Decca DL 8621 (1-12" LP)

The sides feature the popular vocal crew on twelve items cut when it worked for Decca. Eight of the twelve tunes are brightly rhythmic looks at such evergreens as "Oh, Lady Be Good!", "To Each His Own," and "September Song," while three Ward originals and a single click by the group, "St. Theresa Of The Roses," round out the program. An important issue for the teen shelf.

"DANCE ATOP NOB HILL"—Ernie Heckscher And His Orchestra At The Fairmont—Verve MGV-4007 (1-12" LP)

Verve's first entry in the society ork field, the disk is a fox-trot-waltz round-up of thirty-four tunes performed with typical society ork zest by the San Francisco situated crew. The melodic material on the ork's program include such stand-bys as "Falling In Love With Love," "But Not For Me," "Rosalie," "S'Wonderful," "Lover," and "Who." Smartly styled dance-floor platter.

"MOONLIGHT COCKTAIL"—Stanley Black His Piano And Orchestra—London LL 1709 (1-12" LP)

This disk marks Black's twenty-seventh package venture for London, and features a moon theme during its lush course. The supple Black keyboard and reliable string support work their mood magic over such sturdy items as "Blue Moon," "The Moon Of Manakooa," "Moonglow," and "How High The Moon." Friends of mood music have one of the ablest purveyors of the approach here.

"HI-FI HARMONICA"—Leo Diamond—Roulette R-25019 (1-12" LP)

The disk is Diamond's initial package effort for Roulette since his new pact with the diskery, and the artist roams with skill and sentiment over a collection of oldies, and several originals. Lush ork and occasional chorus work also have their musical say. The bill offers the likes of "C'est Magnifique," "Dolores," "Mam'selle" and "Hindustan" to spotlight the various Diamond tempos. Polished harmonica sessions.

"CHA CHA CHA AT MALIBU"—Marty Franklin And His Orchestra—Cadence CLP 1022 (1-12" LP)

Franklin made some noise recently with a satirical pressing on "Mama Look A Booboo," and with this Cadence issue supplies the cha cha beat he has been providing the Long Island nitery over the past few years. The three man crew competently takes to the cha cha on bill which includes several "cha cha evergreens" ("Speak Up Mambo," "Together 1-2-3," "Sweet And Gentle," and "Lessons In Cha Cha Cha"). Above-board cha cha entry.

"ANN LEAF AT THE MIGHTY WURLITZER"—Westminster WP 6064 (1-12" LP)

The artist, who gained fame as a radio organist, has the massive instrument under rhythmic and often delicate control. On a foundation of such melodic and colorful ditties as "I'm In The Mood For Love," "Saint Louis Blues," and "In A Persian Market," Miss Leaf displays full acquaintance with the varied tonal capabilities of the pipe organ of the Byrd Theater, Richmond, Va. Smart organ presentation.

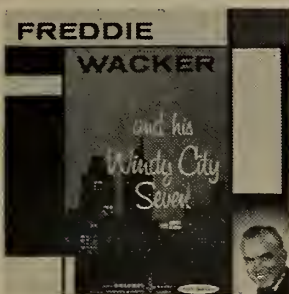

Album Reviews

"SWINGIN' PIPE ORGAN"—Billy Nalle With Ray Mosca At Drums—RCA Victor LPM-1521 (1-12" LP)

Nalle offers a fine, swing-era review on the pipe organ on this Victor pressing. Representative of the swing feel here is Nalle's program of nine tunes associated with Tommy Dorsey ("Im Getting Sentimental Over You," "There Are Such Things"), which the artist handles, among others, with not only a swing concern, but a knowledge of the instrument's varied musical dimensions. Excellent sound. Impressive organ work.

"FREDDIE WACKER AND HIS WINDY CITY SEVEN"—Dolphin 9 (1-12" LP)

The group is principally a society ork, but it delivers the fox-trot beat with a decidedly jazz viewpoint, which ought to interest the big market of society ork disks. Led by drummer, Wacker, the crew dishes up eight mostly ever-green sessions with a New Orleans' feel, and a fox-trot base. Members of the combo include a former Louis Armstrong trombonist, Russ Phillips; a Meyer Davis alumnus, saxist (and arranger), Spencer Clark; and from the Ted Weems ork, pianist, Ralph Blank. Waxing could get an impressive sales response.

SPOKEN WORD

SHAKESPEARE: "Hamlet"—The Old Vic Company With John Gielgud As Hamlet—RCA Victor LM-6404 (4-12" LP)

This Hamlet is the first complete presentation of the play on records, and the expert performance of the work here makes the package the definitive entry on wax. Celebrated English actor Gielgud, with an excellent supporting cast in members of the Old Vic Company, is brilliantly articulate as Hamlet. Lovers of the drama will turn to this disk version of the work. Dealer's should note the set's Christmas gift-giving value.

CHRISTMAS

"THE BERKSHIRE BELL RINGERS"—Audio Fidelity AFLP-1804 (1-12" LP)

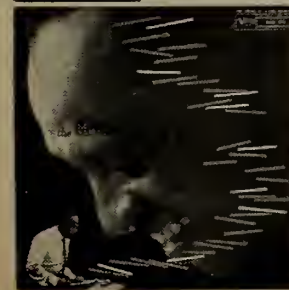

The six Berkshire Bell Ringers, using only handbells, capture the essence of fourteen Christmas selections. This is a recording in which the natural beauty of the instruments is revealed in superb hi-fi sound. Some of the pieces performed here are, "O Little Town Of Bethlehem," "God Rest Ye Merry Gentlemen," and "It Came Upon A Midnight Clear". The disk is housed in a very attractive French-door-like cover that will appeal to many Xmas shoppers. Excellent holiday entry.

"AROUND THE CHRISTMAS TREE"—Various Artists—Decca DL 9056 (1-12" LP)

The disk offers fourteen previously released seasonal sessions by a star-studded group. Among the Holiday pressings assembled here are Judy Garland's "Have Yourself A Merry Christmas," Bing Crosby and the Andrews Sisters' "Twelve Days Of Christmas," Peggy Lee's "Ring Those Christmas Bells," the Mills Brothers' "You Don't Have To Be A Santa Claus," and the Four Aces' "The Christmas Song." Others in the lineup include Victor Young, Jesse Crawford, Guy Lombardo, and Dick Haymes. Large following of the many artists should help Xmas sales.

JAZZ

"THE GENIUS OF LIONEL HAMPTON"—Verve MG V-8215 (1-12" LP)

The veteran vibist, on nine sessions, is featured in a combo and big-band format, and sets forth a ballad and socko swing pace. Three of the five combo moments take a warm course ("Where Or When," "The Man I Love"), while the remaining two offer a hearty "All God's Chillun Got Rhythm," and a rousing "What Is Thing Called Love," which includes such jazz greats as Art Tatum (piano); Harry Edison (trumpet); Buddy Rich (drums); and Barney Kessel (guitar). The remaining four takes put Hampton in an inventive big-band light. Excellent jazz performances.

"SPOTLIGHT ON SIDEMEN"—Ted Heath And His Orchestra—London LL-1721 (1-12" LP)

Some of Heath's capable sidemen soloed here include Keith Christie (trombone); Bobby Pratt and Bert Ezzard (trumpet); and Red Price (tenor sax). They and the ork give an inventive account of themselves on such standards as "I Can't Get Started," "Love For Sale," and "Lullaby Of The Leaves." Waxing should delight Heath's large following.

"POCKET FULL OF DREAMS"—Ruby Braff, Trumpet—Ellis Larkins, Piano—Vanguard VRS 8516 (1-12" LP)

The two jazzists are on moody jazz ground here as they take on a bill of mostly standards, and hand out some beautifully expressive ballad sessions. Warm, and melodically-inclined, Braff and Larkins sense with jazz taste the glow of such goodies as "You Are Too Beautiful," "Skylark," and "What Is There To Say." Smooth jazz moments by two polished performers.

"ROOMS"—Cadence CLP 1019 (1-12" LP)

"Rooms" is a ballet opus written by Kenyon Hopkins, who penned the "Baby Doll," "Twelve Angry Men," and "The Strange One" movie scores. The work consists of eight jazz vignettes, which describe certain aspects of city life in haunting, far-out jazz terms. A jazz quintet, under the composer's direction, expertly reads the work. Jazz fare with an unhackneyed touch.

CLASSICAL

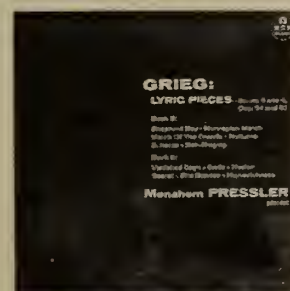

Dukas—"The Sorcerer's Apprentice"; Weinberger—"Shwanda—Polka and Fugue"; Liszt—"Les preludes"; Strauss—"Salome—Dance of the Seven Veils"; Dimitri Mitropoulos conducting the New York Philharmonic—Columbia ML 5198 (1-12" LP)

Mitropoulos and the ork offer brilliant presentations of the orchestral-melodic pieces contained in the disk. The ensemble's ability to create a variety of moods is brought into view beautifully through the light classics heard here. The Dukas' piece gained greater popularity as one of the subjects of Walt Disney's "Fantasia". Excellent sound. Exciting works expertly performed.

BEETHOVEN: Symphony No. 7—William Steinberg Conducting The Pittsburgh Symphony Orchestra—Capitol P 8398 (1-12" LP)

This is Capitol's first issue on the oft-recorded lyrical symphony. The due grace and tonal beauty accorded the work by the noted conductor and orchestra awards this version a major, well-earned position in the catalogue. Stand-out sound is another important sales feature of the pressing. Should be readily available to classical purchasers.

GRIEG: Lyric Pieces—Books 5 and 6, Opp. 54 and 57—Menahem Pressler, Pianist—MGM E 3198 (1-12" LP)

Pressler has already recorded the first four books of the "Lyric Pieces" on two previous MGM entries, and here the artist presents the melodic descriptions of the fifth and sixth book (six pieces each) with warmth and grace. Much of the material here has been set down orchestrally on various waxings as a "Lyric Suite." Appealing music, admirably performed.

ORFF: Carmina Burana—Sylvia Stahlman, Soprano—John Ferrante, Tenor—Morley Meredith, Baritone—Hartford Symphony Orchestra And Chorale—Fritz Mahler, Conductor—Vanguard VRS 1007 (1-12" LP)

The individualistic composing skill of Orff is at its striking best in "Carmina Burana," a work profuse in orchestral and choral wonderments. In three sections, and set to twenty-five verses on wine, women and spring, the opus is performed with orchestral-vocal authority by the assembled cast. Fine sound. Pamphlet translates Latin-German text. A unique musical experience.

Ramblings

NEW YORK:

Coast diskeries sharing the spotlight as they take over the number one and two spots in the nation's best selling chart. Keen Records the object of many envious eyes as it makes the number one niche with its first release, "You Send Me", by a new artist, Sam Cooke. Just a shade behind Aladdin's

Thurston Harris and Class's Bobby Day share honors via "Little Bitty Pretty One". This is the first crack at star status for the trio. . . . Lou Krefitz, Poplar Records, reports his Do Rey Sisters are riding along nicely with "Only You Can Give Me Happiness". "And I've got a zinger due out next week", reports the Poplar chieftain, by Al Jones. This kid is so good that Feld signed him for his tour starting next January just from listening to the pre-release. . . . Atlantic offers a special release featuring The Bobbettes with "Speedy". This bears all the marks of another national best. . . . Don Robey tells us his Back-Beat "Tell Me Why" by The Rob Roys is now making its weight felt on the west coast. Duke-Peacock & r head, Joe Scott, busy cutting new sides. He just finished sessions with Buddy Ace and Paul Perryman in New Orleans, and is now set for a week-end date with Bobby Blue Bland. Robey sending out new catalogues listing all releases on his four labels, Duke,

ALAN FREED

Peacock, Back-Beat and Giggles. . . . Atco Records is issuing its first LP and it features, naturally, The Coasters. Buyers will find such Coasters' hits as "Searchin'", "Young Blood", "Down In Mexico", "One Kiss Led To Another", "Smokey Joe's Cafe" and "Riot In Cell Block 9". The new Atco release, Bobby Darrin's "Pretty Betty" and The Coasters' "Sweet Georgia Brown" and "What Is The Secret Of Your Success?" has started out with a reaction that indicates two hits. Atco immediately followed with another duo of releases, "Lost Love" and "Don't Say Goodbye", The Superiors; and "Fine Fine Baby" and "Moments To Remember You By", The Romeos. . . . Jerry Winston, Onyx Records, has decided to put out The Pearls' "Love Love Love" and "Wheel of Love". This makes three. The fast climbing "This Could Be The Night" by The Velours and The Impressors' "No No No". . . . Alan Freed this week signed with Shaw Artists, Inc., for a six week national tour skedded for early Spring, 1958. According to Milt Shaw the package will play all the major concert halls and auditoriums from coast to coast and will be the most ambitious event of its kind ever attempted. Shaw indicated that the roster will include only top names in current nationwide favor. . . . Jolly Joyce back from Hollywood where he was arranging moving picture

BOBBETTES

contracts for his clients. Joyce announced that he had signed Bobby Darin for every phase of showbiz. Darin is managed by Al Lewis and Don Kirshner. . . . We hear Fats Domino will play London and Paris for three weeks in February following his Aussie tour for \$17,500 per. . . . Archer Associates has signed Joe Morris, Atlantic Records, (Joe fathered his first baby boy, Joseph L. Morris, Jr. on November 4. Wife, Julia, is at the Flowers Fifth Avenue Hospital); The Glow-Tones of East-West; The Hollywood Flames, Ebb Records, who were originally known as The Satellites when they backed Bobby Day on his Class hit, "Little Bitty Pretty One"; Mickey Smith, Nashville youngster who records for Dot Records; and Richard MacAdoo, coast singer. The Flames will be reunited with Bobby Day at the Apollo Theatre in Harlem for the week of November 8. Also on the bill will be Ernie Freeman who supplied the backing for Day's hit. . . . The Alan Freed Paramount Christmas show will have to make \$148,000 to break even during its ten days on Broadway. . . . When Ray Charles makes the Apollo Theatre the week of November 28 it will be his first New York appearance in several years. . . . Le Cupidon has renewed Bobby Short (Atlantic) for an additional four weeks. . . . Vern Ray and The Raytone's (Epic) will do Paul Sherman's show at the Essex St. Armory, Newark November 9. . . . "Hound Dog" Lorenz recently broke all records at The State Theatre in Hartford during his two day stint there. He came into Hartford from four previous one-nighters at Buffalo, Rochester, Scranton and Providence. With Lorenz were Billy Williams, The Bobbettes, Roy Hamilton, The Tune Weavers, Doc Bagby, The Clovers, The Mello-Kings, Thurston Harris, Little Joe, The Lovers, Screamin' Jay Hawkins and Duke Jenkins and his orchestra. . . . Don't know why everyone is picking on Marvin Deane, Cadence promotion man, but from what we hear his buddy, Pete Spargo, Robbins Music, is the felal planting all the stories. In one week we heard that Marvin is so short he couldn't catch the Asian flu—he caught the Asian flea (phewww); When playing shortstop for the songpluggers against the deejays a ground ball went over his head; and he wore out the seat of his pants while walking around visiting stations. . . . Bill Mullen (WSID-Baltimore, Md.) will also go on once a week starting mid-February on WAZA, Bainbridge-Ga. via tape. Bill has already started playing Christmas records in order to give them a decent chance to break out in the sales department. . . . After a very successful concert tour of this country's leading churches and auditoriums, Sister Rosetta

BUDDY ACE

Tharpe will leave on November 19th, 1957 for an extended tour of England and Scotland. This will be her first trip out of the United States. Due to the popularity of Sister Tharpe, a line of ladies' hosiery has been named after her.

CHICAGO:

Three veterans of night-life comedy, the Choclateers, are cavorting as headliners in the rockin' show at Club De Lisa. . . . Howard Caro, Jubilee Records, informs us that Big Al Sears' "Chicken Walk" is a climber. Sears features the organ and a honkin' tenor in this deck. Howard also says keep an eagle eye on the Storm Trio's "Wonderful Love". . . . Morty Palitz, Jubilee exec, was selected to handle musical supervision for the upcoming Jerry Lewis spectacular on TV. The Marshal Sings

BOSTON—TV's Wyatt Earp in the person of Hugh O'Brian guested on the Norm Prescott show to answer questions asked by ten youngsters. These ten were chosen in a contest held by Norm Prescott.

Newton-Bergman To Hit The Road Newton to Concentrate On Singles—Bergman On Xmas LPs and January Plan

NEW YORK—Continuing a policy of close coordination and liaison between the home office of ABC-Paramount and distributors, Larry Newton, national sales manager for the label announced that both he and Dewey Bergman, Jr., the firm's director of album sales and merchandising, will take to the road on Monday, November 18, for a lengthy sales tour.

Newton's sojourn will take him through upstate New York, along the eastern seacoast, and points south. During his trip, the sales topper will concentrate his attention on such fast-rising disks as George Hamilton's "Why Don't They Understand"; "At The Hop," by Danny and The Juniors; The Sparkletones' latest waxing, "Penny Loafers And Bobby Socks"; "Let Me Be Loved" and "Love Me Forever," the double-sider by Eydie Gorme; and "I Love You Baby," the new Paul Anka winner.

Bergman's visitations will center on the current exploitation for such album items as "Christmas In A

Monastery," "Home For Christmas (twenty Christmas songs and carols)," "Christmas in Hi-Fi," and "Hugh O'Brian Sings." In addition, Bergman will call attention to the forthcoming January promotional plan for the twenty specific package items which the diskery will release at that time.

In the meantime, Irwin Garr, Am-Par's national disk jockey flack, is on an extensive motor tour to hypo the label's current plugs to tie in with the general exploitational campaign, which will probably keep him rolling until close to the end of the year.

Freed On Mutual Net Daily?

NEW YORK—Reports have it that Alan Freed will join the Mutual Network of over 600 stations 4 to 6 PM daily with WINS' blessing.

Cole (Not Nat)

NEW YORK—Not Nat "King" Cole but a reasonable double in the person of younger brother, Freddie Cole, left, flashes a smile as he records in a New York studio for the Winley label. Playing and singing the tunes, "One More Night" and "Dream Of You Last Night", Freddie rehearses before the session as 22-year-old Paul Winley, owner of the firm looks on. Cole also signed a personal management contract with Winley who said Cole has the talent to put him on top like his famous brother.

R & B Reviews

A AWARD & SLEEPER **B** VERY GOOD **C** FAIR
B+ EXCELLENT **C+** GOOD **D** MEDIOCRE

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

NOBLE WATTS (Baton 249)
B+ "HARD TIMES" (The Slop) (2:41) [Dare BMI—N. Watts Noble Watts] A middle beat instrumental blues highlighting the searing sax. Excellent sound and dance tempo. Deck should grab off a big reaction from the teenage buyer. Watch this closely—it could be the next big instrumental.

B "I'M WALKIN' THE FLOOR OVER YOU" (2:23) [American BMI—E. Tubbs] Noble Watts and his Rhythm Sparks rock out a happy little quick beat bouncer with fascinating effects. Good coupler.

SMILEY LEWIS (Imperial 1417)
B+ "SCHOOL DAYS ARE BACK AGAIN" (2:28) [Reeve BMI—Bartholomew, King] Smiley brings the said reminder to his young friends, "vacation time is over, school days are back again." It's a middle beat jump delivered in the sizzling style of Smiley Lewis. A good bet for action.

B "BAD LUCK BLUES" (2:15) [Reeve BMI—Ester, Bartholomew] Lewis ups the beat on this side and dishes up the blues with a swinging vocal treatment that commands attention. Lewis wails this one for the teenage jump fan.

RANDY CARLOS (Fiesta 085)
B "SMOKE" (2:32) [Morand Music BMI—Humo] Randy Carlos turns out a delectable quick beat mambo with a sound and arrangement that put life into the aging limbs. Authentic Latin with the gimmicks the mambonicks look for.

B "THE MONKEY'S GUAPACHA" (2:47) [Morand BMI—Carlos, Lourie] Carlos backs with a middle beat cha cha that should provide the Latin stepper with the change of pace desired. Two potent decks for that evening at home.

HERB LANCE (DeLuxe 6150)
B "YOU CAN'T BE SURE OF ANYTHING" (2:26) [Men Lo BMI—Toombs, Mendelsohn] Herb Lance dishes up a slow, rhythmic ditty with a moving treatment. Lance sells effectively and the side comes off an ok deck.

B "BY THE CANDLEGLOW" (2:47) [Lewis ASCAP—Johnson, Stevenson, Smith] The big voiced Lance offers a middle beat pretty styled for the romantic teener of all markets. Shuffle type ballad turned out dreamily and with a tender touch.

JOHNNY STEWART (Vita 169)
B "LORRAINE" (1:58) [Spark BMI—Stewart, Rogers] Similar comments on another melodic pretty set to a fast beat. Tuneful and appealing material handled in good style.

C+ "ROCKIN' ANNA" (1:55) [Spark BMI—Ilah Haynes] Johnny Stewart does an ok job on a fast riding melodic bouncer that would be stronger if the engineering had been better.

BIG BOB DOUGHERTY (Westport 137)
B "MOVIN'" (2:31) [Westport BMI—Big Bob Dougherty] Big Bog Dougherty turns his sax talents to an effective reading of a slow rhythmic blues instrumental. Solid effort with a good dance beat.

C+ "THE BEAR" (2:00) [Westport BMI—Big Bob Dougherty] A quick beat jump novelty with a chanted vocal and interjected comments. Ok dance number with an adequate vocal job.

The Cash Box Award o' the Week

"SWEET GEORGIA BROWN" (2:43)
 [Remick ASCAP—Bernie, Casey, Pinkard]

"WHAT IS THE SECRET OF YOUR SUCCESS" (2:25)
 [Tiger BMI—Leiber, Stoller]

THE COASTERS
 (Atco 6104)

● The Coasters back two mighty potent waxes and there's no choice but to pick them both. "Sweet Georgia Brown", is a wailing job on a slow beat tune that lifts you right into the Sputnik orbit. The Coasters do a tremendous job of teaming a riot of vocal tricks that labels this deck a must. The cou-

pling, "What Is The Secret Of Your Success?", is another slow beat shuffle written by that top team of Stoller and Leiber. Material and a great reading make this every bit as powerful as "Sweet Georgia Brown". Could this be another "Searchin'" and "Young Blood"?

"BABY DO LIDDLE" (2:10) [Angel BMI—S. Braverman]

"JUST A MEMORY" (2:00) [Angel Slebon BMI—B. Myles]

TOMMY RIDGLEY
 (Herald 508)

● Tommy Ridgley comes off "When I Meet My Girl" and offers two powerful sides that have every chance to match or exceed its sales strength. Ridgley bounces merrily through an up tempo novelty, "Ba-

by Do Liddle", on one side and turns mellow as he hauntingly turns in the middle beat rhythm love story, "Just A Memory" on the other. Two excellent sides that command your close attention.

"7-11" (2:12) [Peer Int'l BMI—Prado]

"DOWN YONDER ROCK" (2:21) [RealGone BMI—Goldner]

GONE ALL STARS
 (Gone 5016)

● The long time best seller "Mambo #5" is given a rock and roll arrangement by George Goldner and it emerges under the title, "7-11". The swinging instrumentalists ride high-wide-and handsome on this Prado tune injecting

excitement and some overpowering instrumental soloing. The result is a wax to watch. The flip, "Down Yonder Rock", is a slow beat blues instrumental you can dig your teeth into. Two top drawer decks with "7-11" in the lead for the big noise.

"OH! YES" (2:10) [Aladdin BMI—Anne, Rigard, Mesner]

"HE'S GONE" (2:20) [Aladdin BMI—Anne, Mesner]

THE CHARMERS
 (Aladdin 3341)

● The Charmers turn in an infectious reading of the middle beat rocker, "Oh! Yes". The group lends the swinging exciter the right vocal shadings to make it a strong possibility for "hitdom". The flip,

"He's Gone", is a slow beat mood pretty that more than accomplishes the chore it set out to do. It is a moving love tune that reaches you. However, we look to "Oh! Yes" for the big action.

"SPEEDY" (2:11) [Progressive BMI—Bobbettes]

THE BOBBETTES (Atlantic 1159)

● Following "Mr. Lee", The Bobbettes look very strong again with "Speedy". See Pop Reviews.

"PRETTY BABY" (1:41)

[Progressive Kensington BMI—Darin, Kirshner]

BOBBY DARIN (Atco 6103)

● Looks like a top prospect for the hit charts. See pop reviews.

LLOYD GLENN
 (Aladdin 3400)

B+ "LOVE FOR SALE" (2:55) [Harms ASCAP—Cole Porter] The fluid fingerings of the talented keyboard magician pay off with a delectable treatment of the middle beat rhythm tune with a cha cha arrangement. Top listening enjoyment.

B+ "HYDE PARK" (2:47) [American Academy of Music ASCAP—Duke Ellington] Glenn swings out with a quick beat that showcases his individual piano styling. Two corkers for the piano fans and Glenn's in particular.

JUNIOR WELLS
 (Chief 7005)

B+ "TWO HEAD WOMAN" (2:39) [Melva BMI] Junior Wells etches a quick beat jumper in which he tells the story of a two headed woman who knows everything he does. Infectious jump done with a touch of the down home.

B "LOVEY DOVEY LOVEY ONE" (2:31) [Melva BMI] Wells swings out on another rocking quick beat with all the sparkle and zest the kids demand. Good tender bait.

BILL JENNINGS/WILLIS JACKSON
 (King 5087)

B "DOWN BOY" (2:25) [Jay & Cee BMI—Jennings, Jackson] Bill Jennings and Willis Jackson combine their instrumental talents and come up with an engaging quick beat instrumental wax. Happy driving deck that stirs up the pulsebeats. A go-go side with plenty on the ball.

B "WISHBONE" (2:26) [Jay & Cee BMI—Jennings, Jackson] Jennings and Jackson offer a slow beat drifter on the flip. Blue mood etching that showcases the two talented artists. Dim lights wax.

THE JAY-HAWKS
 (Aladdin 3393)

B "THE CREATURE" (2:46) [Aladdin BMI—J. Johnson, C. Fisher] A weirdie that brings in all the "creatures" made popular by the current flicker horror fad—and timely what with the current "sputnik" headlines. Novelty the kids should like.

B "EVERYONE SHOULD KNOW" (1:50) [Aladdin BMI—J. Johnson, Fisher] The Jay-Hawks team on a straight melodic quick beat ballad and turn in a strong effort. Ok side.

SPIRITUAL

ERVIN GOSPEL SINGERS
 (Angle Tone 508)

B "ETERNAL LIFE" (2:38) [Mac-Avery BMI—Wilber Ervin] The Ervin Gospel Singers team on a slow paced gospel etching with moving sincerity. Simple but inspiring wax.

B "I FELT THE POWER" (2:42) [Mac-Avery BMI—Wilber Ervin] The Ervin Gospel Singers turn to a jubilee shout as they dish up a quick beat item with excitement and a quality vocal. Good gospel deck.

FAMOUS BOYER BROS.
 (Vee-Jay 851)

B "NOTHING LESS THAN JESUS" (2:25) [Conrad BMI—J. Boyer] The Famous Boyer Bros. blend effectively on a slow, sincere religious number. The Boyers express a sincere conviction that nothing less than Jesus will be accepted by them.

B "I HEARD FROM HEAVEN" (2:55) [Conrad BMI—J. Boyer] The Famous Boyer Bros. up the tempo to a middle beat rhythm rock as they sing joyfully of having heard from heaven. A good deck to get the audience in the mood.

It's Fun To Dance

LOWELL, MASS.—The Four Lads, shown dancing at the Commodore Ballroom in Lowell, Mass., prove what the 500 member National Ballroom Operators Assn. has been saying right along: "It's more fun to dance in a ballroom where the dance floor is bigger and the music is better." With the Four Lads are four Lowell girls, at left, Martha Smith (President of the Lowell Four Lads Fan Club) with Connie, Mary Keefe with Frankie, Eleanor Condon with Jimmie, and Mary Vaughn with Bernie.

Fidelitone Announces New Merchandising Program

CHICAGO—Permo, Inc., this city, manufacturers of Fidelitone phonograph needles, announced this week the latest step in their revolutionary new method of merchandising phonograph needles. This phase of their merchandising program carries their "Key Identification" system directly to the consumer, thus assuring the dealer of a large-pre-sold needle market.

"We accomplished this," said Bill Anton, vice president in charge of sales, "by supplying the dealers with our new Fidelitone "Key" leaflets. These leaflets, when distributed to the consumer, enable him to decide in his own home just which needle he requires. The Fidelitone "Key" leaflet accomplishes this by illustrating 42 of the most popular tone arms in use today. The consumer need merely refer to his set name listing to find out which of the illustrated tone arms are used in that particular make of phonograph; then it is just a matter of matching one of the phonographs with the tone arm on his phonograph."

"We, at Permo," Mr. Anton continued, "have long recognized the need for supplying the consumer with aids which will enable him to give the dealer enough accurate information to consummate the needle sale. Fidelitone's "Key Identification" program was initiated with this thought in mind. We have supplied dealers with catalogs encompassing key features of all phonographs and tone arms. We have supplied dealers with wall posters with 6 of the best selling needles and their key identification features and now, as a further step, we are supplying the dealers with these Fidelitone "Key" leaflets to be used by the consumer. With the ever growing demand for replacement phonograph needles, we feel that our responsibility as a manufacturer lies in supplying the dealer with the tools necessary to enable him to supply the demand."

Liberty Eyes Xmas Trade

BEVERLY HILLS, CALIF.—Liberty Records is releasing eight new single records immediately utilizing top names and talent with an eye towards the upcoming Christmas shopping season. Single releases along with a strong LP album catalog are expected to give Liberty new record sales for the holiday season.

Welcome To WSM's 6th Annual Disk Jockey Festival

JOHN H. DeWITT, JR.
President

It is indeed gratifying to all of us at WSM that our Annual Disk Jockey Festival honoring the anniversary of the Grand Ole Opry has become the real highlight of the year in the field of Country Music. The interest shown has grown to the extent that we have received inquiries throughout the year regarding plans for this year's Festival. It is with extreme pleasure that I welcome once again the many Country Music disk jockeys, representatives of publications, publishing firms, recording companies, and Country Music artists. We are proud of the fact that these people set aside their busy schedule each year to be in attendance at the celebration of the birthday of the Grand Ole Opry. We at WSM welcome everyone to the Sixth Annual Disk Jockey Festival and we sincerely hope our visitors enjoy the Festival as well as their stay in Nashville.

DEE KILPATRICK

Director of Artist Service Bureau & Grand Ole Opry

We're delighted that you have come to help us in celebrating the 32nd anniversary of the Grand Ole Opry. It is our sincere hope that each and everyone of you will return to your position with an added knowledge of country music that will aid in making it more applicable to your individual operation. The past year has been a banner one for Grand Ole Opry personal appearances, and record sales by Grand Ole Opry artists have exceeded greatly all previous sales. On behalf of the entire cast of the Grand Ole Opry we take this opportunity to thank you for the assistance you each contributed toward these achievements. As manager of the Grand Ole Opry I extend a "Welcome Mr. Dee Jay."

OTT DEVINE Program Director

Since the beginning of the Grand Ole Opry 32 years ago, Country Music has been WSM's "Bread and Butter." The program department joins the entire WSM staff in welcoming you, and expresses sincere thanks for your contribution in making country music such a great factor in the music and entertainment world.

ROYAL McCULLOUGH

Director of Public Relations

Without the assistance of the Country Music Disk Jockey our efforts to promote Grand Ole Opry would have been limited to a great extent. Your continuous enthusiasm and loyal support have been a prime factor in keeping Grand Ole Opry a symbol of the tradition of Country Music. We feel that your visit to the Sixth Annual Disk Jockey Festival will be a profitable one and that the information gathered and contacts made will provide you with greater tools for better promoting Country Music. I wish to thank you for your promotional support and welcome you to the Capitol of Country Music.

BOB COOPER Manager of WSM-Radio

Our gathering this week is sort of like a big fraternity homecoming. For you Country Dee Jays share with us at WSM what has been called "The best kept secret on Madison Avenue." The secret of course, is the selling power of the Grand Ole Opry and its little sister Friday Night Frolic (both 100% commercial), which are the chief exponents of Country Music. On behalf of WSM I extend a welcome to the Sixth Annual National Disk Jockey Festival.

On Friday and Saturday of this week, WSM will play host to more than 1200 of American radio's top Disc Jockeys and the leaders in the recording, publishing and publication fields.

The occasion is WSM's 6th Annual Disc Jockey Festival. The fact that the cream of the entertainment world makes this annual pilgrimage to Nashville is incontrovertible proof that WSM has single handedly, created a new kind of American music... and that, on it's 32nd Anniversary, the Grand Ole Opry stands alone as America's most fabulous entertainment phenomenon.

Country Round Up

The national spotlight falls on Nashville this week. Nov. 15th & 16th have been marked off on the calendar as the days for celebrating WSM's 6th Annual National Disc Jockey Festival in honor of the 32nd anniversary of the "Grand Ole Opry". Congratulations from the entire Cash Box staff are extended to everyone concerned with the big doin's!

Royal McCullough, WSM's Director of Promotion, reminds the jocks that the Friday nite, "Mr. Deejay, U.S.A." show is still going strong and that platter spinners wanting to appear on the 45 minute program whirling records of their choice and guested by "opry" stars should contact Royal for reservations. Sez Royal, an interesting tidbit is that WSM is listened to by the 3rd largest nitetime audience in the nation.

Upcoming network television appearances for "Opry" stars include Minnie Pearl on the "Tennessee Ernie Show," November 14th, the Everly Brothers on the "Perry Como Show", December 7th, and June Carter on the "Jim Bowie Show" sometime in November.

The Army's at it again! For the past couple of weeks the U. S. Army has ben in Nashville filming Recruiting shows starring "Opry" talent. At the present approximately 150 TV stations and 1,836 Radio stations carry the show.

Ferlin Husky was on hand to emcee the November 2nd Prince Albert portion of the "Opry" and the guest was Justin Tubb. Faron Young and Mac Wiseman step up to the mike for the November 16th affair.

MINNIE PEARL

"Uncle" John Brunell tells us that since he's taken over as Program Director at WSKI-Montpelier, Vt., he's expanded the country music programs to the point where WSKI has become the largest country music station in the state. John is on the air with a daily, 70 minute afternoon show tagged the "Hillbilly Jamboree", a 25 minute show at 6:35 in the evening and the 4 1/2-hour, Sat. show, the "WSKI Jamboree". He'd appreciate better c&w wax coverage from both the indies and majors and would be real happy with taped interviews and station-breaks. Artists and diskeries take note!

The Red Foley Show, Dow Chemical Company's weekly NBC Radio Network program, has as its guest, Saturday, Nov. 16th, the stuttering comic of the Sons of the Pioneers, Shug Fisher. On Nov. 23rd, Red plays host to Warner Mack.

Red's new release on Decca couples "This Could Very Well Be It" and "Strike While the Iron Is Hot." The "It" side was written by Springfield singer and tunesmith Marijohn Wilken.

ABC-TV has made arrangements whereby Country Music fans on the West Coast now see the "Jubilee" the same night the show is telecast, only a few hours later than it's "live" versus the two-week delayed broadcast schedule which was formerly observed in the Calif.-Ore.-Wash.-Nev.-Mont.-Utah area.

Everybody at The Crossroads of Country Music sends good wishes to the many friends gathering this coming weekend in Nashville. . . . Arrangements have been completed between Si Siman and Jim Halsey for Hank Thompson to guesstar on the Jubilee Nov. 30th. . . . Willie Washam and Pat Stewart of the Jubilee Promenaders square dance set were married Sun., Nov. 3rd.

Isabelle Carter (Aunt Emmie) pens the praises of United's 16-year old newcomer, Loretta Thompson. The young canary, an Ohio High School student, has already appeared on a host of radio and TV shows which include Jimmie Skinner's and Ray Scott's WNOP-Newport, Ky. shows. She'll be at the DJ shindig in Nashville and while there she'll guest on Ernest Tubb's WSM-TV'er on the 17th. Her initial United waxing, out this week, is tagged "Let's Change The Alphabet" and "Hi De Ho Rock And Roll".

Received the 2nd issue of Buckskin Bob's "News From Country Capers". Bob whirls the c&w wax over KIKI-Honolulu, Hawaii.

Eddie Ruton, who runs the "Hillbilly Park" located near Newark, Ohio, tells us that Dot's Jimmie John, whom he manages, got his start at his park. Jimmie is currently doing nicely on the charts, especially in the Akron area, with his initial Dot pressing, "Rosie's Gone Again".

Jack Tucker, Bell-Aire recording star, has left Los Angeles where he has lived the past several years, to live in Kansas City where he hopes to start a band of his own.

Dick Miller has organized his own western swing band and is now appearing at the "Empire Ballroom" in Pomona, Calif. Tommy Duncan will fill the vocalist spot whenever he's not out of town on bookings. Guests will be booked in from time to time.

The November personal appearance schedule for Victor's Blackwood Bros. Qt. includes dates in Tenn., Ala., Ark., Ill., Miss., Texas, Okla., Mo., N.C., S.C., and Fla.

Barbara McCool writes that MGM's Bud Deckelman recently completed appearances at the big 19 day Dallas fair and then took off for a 25-day jaunt thru Miss., Fla. and La. Joining Bud on the trip were Lloyd McCullough and the Stompers, the band that backs up Eddie Bond on his Mercury-Starday pressings.

Mona Massey, who runs the Hawkshaw Hawkins fan club from her 10 National Rd., Wheeling, W Va., address, notes that she would like to hear from everyone concerning the "Hawk". The artist, an "Opry" regular, can currently be heard via his recently released RCA Victor etching, "Sensation" and "Is My Ring Still On Your Finger".

JUSTIN TUBB

Jack Dunigan, who runs the "Country Style Roundup" over WJTN-Jamestown, N. Y., sends along a note of thanks to all the people who have answered his request for c&w slicings.

Clifton "King Bee" Smith tells us that since the advent of the 'rock-a-billy' performers his varied programs at KCOH-Houston, Texas now include many country tunes along with the mixture of r&b, and rock 'n rollers.

HAWKSHAW HAWKINS

A star-studded "Grand Ole Opry" package, spotlighting Ray Price, Kitty Wells and Marvin Rainwater played to a full house in Regina, Saskatchewan, Canada recently according to word from CKRM-Regina deejay, Johnny Sandison.

KWKH-Shreveport, "Louisiana Hayride" artists with soon due releases include Gary Bryant and his debut Starday waxing, "My Kind Of Girl" and "Since You Left Me", Columbia's Johnny Horton with "Lover's Rock" and "You're My Baby" and Mercury-Starday's James O'Gwynn with "Two Little Hearts" and "You've Always Won". Tillman Franks, KWKH's Artist Service Director tells us that the "Hayride" has a big Country Gospel Night scheduled for Nov. 9th. Due in are the Louvin Bros., Ira & Charlie, George Jones, Buck Owens (now on Capitol) and the Stamps Hilltoppers Qt. Also on hand will be "Hayride" stars Johnny Horton & Band, James O'Gwynn and Johnny Mathis and the entire "Hayride" cast.

Slick Norris & wife Betty type that they recently visited with XERF-Del Rio, Texas, Paul & Ann Kallinger and Walter & Frankie Bailes and with KMAC-San Antonio's Charlie & Margie Walker and that everyone agrees that James O'Gwynn is gonna have a big one with his newest Mercury-Starday effort, "Two Little Hearts". Both Kallinger and KTLW-Texas City deejay, Pete Hunter would appreciate better service from the majors.

After a year away from the turntables, Earl Aycok, is back once again spinning the country wax over the KRCT-Pasadena, Texas airwaves.

JACK BRADSHAW

Lou Epstein, who runs the Jimmie Skinner Music Center in Cincinnati, Ohio, writes that he, Jimmie and Ray Lunsford are currently visiting the Nashville jocks plugging Skinner's current Mercury-Starday clicker, "I Found My Girl In The U.S.A." The trio'll stay in town for the big shindig during which Jimmie'll cut another session. So who's watching the store?

Harry Glenn, Mar-Vel Records, reports that Jack Bradshaw's new waxing on the Mar-Vel label is really catching fire in the Chicago area. The tune "My Heart, My Heart" and "Searching" was first introduced by Randy Blake, WJJD-Chicago deejay on his Supper Time Frolic Show; and, according to Glenn, within the week was selected as one of the top tunes for the record pack produced by Stewart Sales Company. James H. Martin is local distrib for Mar-Vel. Glenn reports that he is leaving for Nashville to visit deejays in the area and that during his busy schedule he'll be represented at the deejay convention in Nashville by Tex Justus, WBNL-Booneville, Ind. deejay.

Jerry Shifrin of The Cash Box' advertising staff sends along his thanks for the wonderful hospitality extended to him by all the folks he met during his recent Nashville jaunt.

THE CASH BOX

BULLSEYE

"UH HUH" (2:10) [Vanderbilt ASCAP—S. Bradford, A. Lewis]

SONNY JAMES (Capitol 3840)

● Sonny James' most powerful contender for dual-market honors since his "Young Love" gold-disk is this delightful, romantic novelty rocker tagged "Uh Huh". Smash possibilities. (See Pop reviews).

"TAKE THE DEVIL OUT OF ME" (2:44) [Starrite BMI—G. Jones]

"CUP OF LONELINESS" (2:39)

[Starrite BMI—G. Jones, B. Stephens]
(Mercury-Starday 71224)

"NEW BABY FOR CHRISTMAS" (2:10)

[Starrite BMI—Jones, Blackwell]

"MAYBE NEXT CHRISTMAS" (2:10)

[Starrite BMI—Jones, Blackwell]

(Mercury-Starday 71225)

GEORGE JONES

● Mercury-Starday issues two, almost back-to-back, George Jones platters and chances are they're both gonna see heavy action during the coming season. One release couples two sacred items culled from his newest LP, "George Jones Sings". Topside is a quick moving affair tagged, "Take The Devil Out Of Me" while the flip is a slightly up tempo opus labeled "Cup Of Loneliness". And George reads 'em both with the utmost conviction. The other pairing features the songster on a charming romantic bouncer titled, "New Baby For Christmas" and a heartfelt lilter tagged, "Maybe Next Christmas". Both couplings mean Xmas money in the bank for all concerned.

"CRY, CRY DARLING" (1:58) [Acuff-Rose BMI—Newman, Miller]

"YOU'RE THE IDOL OF MY DREAMS" (2:22)

[Tree BMI—J. Joiner]

JIMMY NEWMAN (Dot 15659)

● Jimmy Newman makes his bid for a place among the best sellers in both the country and pop departments with both ends of his latest Dot release. The songs, "Cry, Cry Darling", Newman's country click of a while back, and "You're The Idol Of My Dreams", are two romantic shufflers treated to a wonderfully full and rich, pop-oriented choral and instrumental backdrop. And Jimmy's polished tones come across with telling effect on both halves. Two classy performances with a slight edge going to the upper end.

THE WINTER BROTHERS

(Columbia 41045)

B+ "FOOLISH ME" (2:04) [Golden West Melodies BMI—D. Winters] The Winter Brothers, Don & Floyd, display some superb country harmony as they artfully carve out this up tempo lover's lament. The boys read the touching lyrics with loads of expression and the deck comes off a real winner.

B+ "YOURS FOR A LIFETIME" (2:08) [Cedarwood Pub. BMI—F. Robinson] They're equally as effective on this end as they wonderfully cruise thru a quick beat tale of love and devotion. Top drawer coupling. Either end, or both, can happen. The boys have the goods. Watch their stock soar.

SKETS McDONALD

(Capitol 3833)

B+ "I'M HURTIN'" (2:33) [Central Songs BMI—S. McDonald] Skeets McDonald comes up with a solid piece of wax that can develop into his biggest hit in some time. The chanter receives a superb pop-styled, choral and instrumental assist as he skillfully spins this r&r-fish beat romantic pleader. Watch it. It's got 'big hit' markings notched into every groove.

B "LOVE WIND" (2:39) [Central Songs BMI—D. Dickerson, J. Littlejohn] Again the ork and chorus support McDonald in grade "A" fashion as he warmly caresses a moderate paced romantic weeper. Standout pairing.

GLENN REEVES

(Decca 30481)

B+ "PRECIOUS YEARS" (2:14) [Amber Music ASCAP—J. Gluck, Jr., D. Lampert] Glenn Reeves is provided with a fetching, strumming of the strings backdrop as he flavorfully glides over a foot stompin', quick beat sentimental weeper.

B+ "MY TORTURED HEART" (2:58) [Copar Music BMI—M. B. Axton, D. Levey] On the reverse etching Reeves puts his heart into his delivery of a tear-compelling love affair set to an r&r-fish beat ballad pace. Potent vocal and musical support.

RUSTY WELLINGTON

(MGM 12581)

B+ "ROCKING CHAIR ON THE MOON" (2:11) [Valley Brook Pub. ASCAP—Haley, Broomall] MGM takes advantage of the current satellite publicity with this swingin' r&r novelty item engagingly waxed by Rusty Wellington. Catchy set of lyrics on this dandy intro offering. Should attract loads of sales and spins.

C+ "I LOST SOMEONE TO SOMEBODY ELSE" (2:15) [Arcade Music ASCAP—Wellington, Shannon, Amway] On the under end the artist tenderly etches a slightly up tempo, crying towel love affair. Look for the action to come on the top half.

"LOVER'S ROCK" (2:33) [Golden West BMI—Burgess]
 "YOU'RE MY BABY" (2:28) [Starrite BMI—Tomlinson]
 JOHNNY HORTON (Columbia 41043)

● Johnny Horton, currently represented on the charts with "I'll Do It Everytime", comes up with two tunes that are a sure bet to kick up loads of attention in the country-rock 'n roll circles. On the topside the artist hands in a tantalizing reading of colorful ditty tagged "Lover's Rock". Tune has a contagious beat and musical backdrop guaranteed to make the ops and jocks sit up and take notice. Flipside Horton flavorfully glides over a most appealing, multiple-voiced romantic swinger labeled "You're My Baby". Terrific coupler. Watch 'em both.

"SUGARTIME" (2:15) [NorVaJak BMI—C. Phillips, O. Echols]
 "ONE FADED ROSE" (2:46) [O. Echols, N. Baggett, C. Phillips]
 CHARLIE PHILLIPS (Coral 61908)

● Coral introduces newcomer Charlie Phillips on a tremendous debut pairing that has the necessary ingredients to carry the artist into the 'magic circle' of hits pop and country-wise. And one listen to either end of the platter should readily convince everyone that the artist has what it takes in the talent department. Top end, "Sugartime" is a contagious, romantic rocker that he belts out in sparkling style. And he's joined by a chorus on the moderate paced "One Faded Rose", a beautiful, religious-flavored love affair that he projects with touching sincerity. Splendid musical backdrop on this double-barreled threat.

"LOVE MY BABY" [Hi Lo BMI—Parker]
 "ONE BROKEN HEART" [Knox BMI—H. Thompson]
 HAYDEN THOMPSON (Phillips 3517)

● The new Phillips label (affiliate diskery of Sam Phillips' Sun Records) already off and winging in the r&b and pop fields with Bill Justis' "Raunchy"—comes up with a sensational rocker that can bust thru country-wise and go on to grab off all-market honors. Capably handling the vocal chores is Hayden Thompson who drives out a torrid coin-catcher labeled "Love My Baby". However, he slows down the pace on the flip as he puts his heart into his delivery of a modified, rockin' weeper titled "One Broken Heart". Both sides have the same great vocal and instrumental sounds found on the Sun pressings. Top half looks like a biggie.

LONNIE SMITHSON
(Starday 330)

B+ "ME AND THE BLUES" (2:05) [Starrite BMI — E. McDuff, O. Couch] Lonnie Smithson could have a 'sleeper' hit on his hands as he turns in an impressive vocal effort on an infectious, quick moving piece. Inviting musical assist rounds out a side that bears close watching.

B "IT TAKES TIME" (2:06) [Starrite BMI—Smithson] More attractive vocal and instrumental effects on this delectable, fast moving romantic piece that Smithson knocks out in spirited style. Light-hearted entry that should ride the turntables aplenty.

ROME JOHNSON
(Sage 250)

B "WILD DESIRE" (2:05) [R & R Pub. BMI — D. Dickerson] Roy Lanham's Band neatly backs up Rome Johnson as the chanter swings out on a captivating romantic rocker that's sure to make the boxes jingle with excitement.

C+ "TRUCK DRIVER BLUES" (2:25) [Rialto Pub. ASCAP—T. Daffan] On the reverse portion the mellow-toned song stylist sends up a persuasive reading of a steady beat, blues item cut from the "I Almost Lost My Mind" mold.

SKEETER DAVIS
(RCA Victor 7084)

B+ "LOST TO A GEISHA GIRL" (2:10) [Fairway Music BMI—L. Williams] Continuing the current trend of having the guys fall for foreign gals Skeeter Davis sadly reflects that her sweetie's heart has been captured by a Miss from the Orient. It's an intriguing, quick beat affair with which the chirp could spin to the top of the popularity charts.

B+ "I'M GOING STEADY WITH A HEARTACHE" (2:09) [Hummingbird Songs BMI—B. Weber, F. Kane] A tear-compelling, up tempo weeper with a hula-flavored musical backdrop serves as a fine vehicle for Skeeter's dulcet tones. Terrific teenage fare. A 'must programming' two-sider for the jocks.

LORETTA THOMPSON
(United 214)

B "LET'S CHANGE THE ALPHABET" (2:10) [Annis House BMI—Arkill] A cute little, happy-go-lucky romantic novelty gets treated to a refreshing vocal performance by newcomer to the wax market, Loretta Thompson. Her Rocker's lend a pleasant musical assist on an easy-on-the-ears etching that bounces merrily along in gay style. Rates the spins.

C+ "HI DE HO ROCK AND ROLL" (2:04) [Annis House BMI—Munz, Bartel] On the under lid the canary cuts one for the teenage set as she appealingly belts out a snappy r&r ditty. Should make the hoofers happy.

Here and There

NEW YORK — Television viewers, when looking on at some of those elaborate and star-studded shows, must wonder just how money is being spent by these national zillionaire firms. Just for the fun of it, here's the ten top 1956 spenders (amounts are only for gross space and time, and do not include mechanical costs): General Motors \$112,984,049; Proctor & Gamble \$78,975,193; Ford \$55,709,495; Chrysler \$47,409,368; Colgate-Palmolive \$44,465,989; General Foods \$41,460,613; General Electric \$34,010,728; Lever Bros. \$30,252,961; R. J. Reynolds \$23,535,492; and Distillers-Seagram \$22,743,843. And the expenditures for 1957 will be away beyond this.

WASHINGTON, D. C.—Is the day coming when we'll see importation of European coin machines? Well, maybe. Who'd have thought that the European manufacturer of passenger cars would be able to sell his product in the U. S. in competition to those great American car manufacturing firms? According to figures released by the Automobile Manufacturers Assn., for the first 7 months of this year, 137,107 cars were imported worth \$156,200,000. Leaders, in order, are: Britain, West Germany, France, Italy and Sweden.

DETROIT, MICH.—So you think your payroll is large? Just for your amazement, let's look at Ford's weekly pay outlay. John S. Bugas, vice president of industrial relations stated this week that the company's employment and payroll during the first nine months of 1957 were the highest for any comparable period in the company's 54 year history. During the nine months, a record average of 193,672 Ford hourly and salaried employees across the United States earned an all-time three-quarter year high of \$910,875,072. The former record was set in 1955 when an average of 178,595 employees earned \$819,872,000.

WASHINGTON, D. C.—Like others thruout the nation, we've been reading some pretty pessimistic reports by economic "experts" and businessmen. However the staff of the Congressional Joint Economic Committee, releasing the findings of a special study of the economic outlook emphasizes the fact that they feel that the pessimists among economic forecasters are "overdoing it." The Committee pointed out that a further substantial rise in consumer spending took place in the third quarter, and another is expected in the fourth.

HELP Your Locations To HELP You

One of the greatest problems facing operators everywhere is how to get more people to visit their locations.

As all operators and all merchants realize, a definite percentage of the traffic in any location, will purchase one item or another, play the phono, enjoy the games.

Prior to War II, whenever a work slowdown came into being, operators could look forward to a play increase in every one of their locations.

While the workers waited to be recalled to their jobs, they enjoyed a beer or sipped a coffee and, in the meantime, relaxed to the music from the phono and also played the games in the locations.

These same workers, waiting for recall to their jobs today, are still drinking beer and sipping coffee. But they're doing it at home. In front of TV receivers.

That's the big problem that faces many operators everywhere in the nation. How to get these same people away from the TV receivers. How to get them back into the locations. So that the location owners, as well as the operators, will also enjoy some income

For years this publication has urged the operators to tie in with restaurant week, with tavern week, with all campaigns to bring people out of their homes and into the restaurants, taverns and other locations.

Operators, themselves, should serve as examples in their communities. They should take their wives and families out to dinner. They should start the play on phonos and games in the places they frequent. In this way they encourage all others to do the same.

In addition to his wife and family, the operator should invite some friends along—each time different friends. Once people get away from their homes for a night's relaxation, they get to like the food, the drinks, the activity, and very likely it could become a habit. They, in turn, will invite

their friends out. It's a cycle that could easily stimulate "dining out". And the more patrons in a restaurant or tavern, the more play coin operated equipment will get.

But, even more important, operators should join in with their location owners to bring people into the locations.

Associations of operators, ranging from MOA (Music Operators of America) all the way to small, local groups, should tie in with National Restaurant Week and with National Tavern Week and with all such campaigns to encourage people to visit their local taverns, restaurants and other locations.

This should become one of the outstanding and most important purposes of every operators' association.

It should be the greatest and most important job of each individual operator.

It should be placed foremost on the agenda of the most important things that must be done by every association of operators everywhere in the nation.

This is the one way in which operators can help their locations to help them.

By bringing more people out of their homes, away from in front of TV receiving sets, into restaurants, taverns and other locations in every community in the nation, the operators will be helping themselves to enjoy better collections than ever before.

In this way the operators will be merchandising their own service business. They will find that a very definite percentage of the people, who frequent any one of their locations, will insert coin in the phono as well as in the games. This means more income for the location as well as for the operators.

The new slogan of every operator and, especially, of every operators' association in the nation should become:

"Help Your Locations To Help You."

Manufacturers Report:

U. S. BIGGEST SALES MARKET

Whether It's Games, Phonos or Vendors, U. S. Operators Buy More Than All Others Combined

CHICAGO — "Regardless of the great amount of export business we are enjoying at this time", reports a well known manufacturer here, "we still consider the U.S. our biggest market."

Similar such reports are forthcoming from other leading manufacturers.

They have every reason to regard the domestic market, their U.S. customers, are their biggest sales market.

There are over 575,000 automatic phonos on location in the U.S. It is also believed that there are far over a million games and vendors on location.

Even if the manufacturers enjoy only a 15% or 20% turnover of this tremendous number of machines each year, the domestic market can keep

them busier than can all the rest of the world.

"The fact remains", says a manufacturer, "that we have all been thrilled by the fine business which we are enjoying from the world's markets these past few years."

"But", he adds, "we shouldn't overlook the fact that we must continue more interested in our own U.S. market because it is still the biggest user of all equipment manufactured."

Manufacturers are, therefore, continuing to slant their products towards the domestic market.

They are of the belief that, if a new machine clicks in the U.S., it will also be accepted everywhere else in the world.

Look To MOA Board Meet To Bring Forth New Ideas For Greater Play Action

CHICAGO—It is extremely interesting to note that there is greater interest in the meeting of MOA's Board of Directors in Miami this week than there has been in other such meetings.

Music operators are looking to the meeting taking place this week November 11 to 15, at the Sans Souci Hotel, Miami Beach, to bring forth some very fine ideas for the benefit of all the automatic music industry.

A large number of music operators are hoping that MOA's Board of Directors will point the path to help stimulate play action all over the nation.

As many have read in this publication, and as they have suggested in the past, there is great hope that MOA will arrange for co-operation with leading retailer organizations to help bring greater patronage to locations.

National Tavern Week, National Restaurant Week, other such national programs, should be part and parcel of MOA's effort to help bring more people into locations everywhere in the country.

One of the biggest problems facing this, and many other industries, is to get people out of their homes and away from watching TV receiving sets.

A vigorous program, intelligently presented and just as capably managed by MOA and its various members all over the nation, tying in with the leading retailer organizations, is bound to gain commendation

for the nation's music ops.

Certainly such programs can develop greater friendship and, at such times when there are legislative battles going on in Washington, retailer friends can prove tremendously important to the music industry.

This is but one of the great hopes held by operators all over the country as concerns the meetings of MOA's Board of Directors now taking place in Miami Beach, Florida.

Operators also look forward to the creation of a "National Tax Council" as well as a "National Public Relations Bureau" as propounded by *The Cash Box* for so many, many years.

Both such divisions of MOA are extremely important today to operators all over the country.

George A. Miller, president of MOA, has indicated that he is trying hard to bring into being a "National Tax Council" as well as a "National Public Relations Bureau".

Miller's own organization in California, CMMA, has worked very closely with restaurant and tavern owners. It is therefore hoped that he will be able to arrange for such close co-operation among all the MOA members so that there will be national tie-in programs between MOA and the tavern and restaurant owners.

The greatest good that MOA's Board of Directors can do at this time is to present a logical plan on how music operators can help stimulate patronage for their locations so that they, the music operators, will enjoy better collections.

National Publication Depicts Psychological Value Of Pinball

NEW YORK — Over the years, pinball machines have taken many a beating by all the phases of public communications—newspapers, magazines, radio, television and movies. Most of these news items as well as the fictionalized stories have been fairy tales pictured as truths offered to satiate public demand for sensationalized reading, viewing and hearing.

So, when a story appears, giving the pinball machine and the industry a favorable break, we must report its existence.

"The Lure of Pinball", by Julius Segal, appears in the October, 1957, issue of *Harper's Magazine*. Sub-head reads "The machines pay off in something mightier than cash—a chance to Beat the System, do a little harmless cheating, work off your aggressions, and make the world behave."

The author of the article made a serious study of the pinball player. He bases the theme of his article on the psychological effect of the game on the player. He compares the resultant feeling of the player who "wins" with that of a person who has succeeded in a phase of his life battle against obstacles which usually stand before him. "It seems to me" writes Segal, "that when a pinballer invests his nickel, he pits himself—his own skill—against the combined skills of American industry."

He points out that the Chicago manufacturer has constructed the pinball machine to permit this American individual to pit his skill against the machine, even to the point of including a "tilt" device. The player is permitted to cheat a little by jig-

gling the machine—but if he goes too far, the machine is inactivated.

In commenting about the various court decisions as to whether or not "free plays" are "things of value", Julius Segal indicates that he is convinced that psychologically, at least, they are, because it brings to the player a vicarious realization of a few cherished dreams—he has convinced himself that he can overcome any obstacles placed in his path by his industrial masters, and that he is the master of the machine rather than the reverse, and in addition has built a fortune in points. As Segal says, "... if you don't believe he did it himself, just stand aside and he will show you he can do it again."

Get a copy of October issue of *Harper's Magazine*—you'll get a tremendous thrill out of "The Lure of Pinball."

Geo. A. Miller To Continue Travels After Miami Meet

MIAMI, FLA.—George A. Miller, president of Music Operators of America (MOA) disclosed that he plans to make several visits following the Board of Directors meeting being held in this city.

At the conclusion of the Miami meet, he plans to go on to Jacksonville, Fla., and New Orleans, La., where he plans to meet a number of music operators to discuss the possibility of appointing a national director in these areas. Miller's trip will take him on south into San Antonio, Texas, and other points south. He advises he expects to return to Oakland in possibly a month.

Atlas Holds Second "School For Mechanics"

CHICAGO—Atlas Music Company, this city, held its second class of the rotating "School For Mechanics", sponsored by four Chicago phonograph distributors, last Wednesday evening, November 6.

14 servicemen from nine of the participating operators were at the Atlas showrooms to learn more detailed information on the operation of the Seeburg phonograph.

Class was conducted once again by Newell Bellamy, Seeburg factory sales engineer. Using schematic drawings or visual diagrams on a blackboard, Bellamy stressed the general operation of the Seeburg models.

He explained to the intently interested servicemen what the functions of the various electrical circuits accomplished, and stressed quick repairs on location.

Edward Ginsburg of the distributing firm acted as host and was present all during the evening. Refreshments were served.

Ginsburg stated that operators in the Chicago area will receive notification of the next session of the "School For Mechanics". Other servicemen than the ones who have been attending the last two schools will be invited to attend.

Ginsburg said that many servicemen have expressed a desire to attend, but because the classes are small, they have not yet had the opportunity to be present. However, Ginsburg said, letters to these operators will be in the mail next week, inviting all servicemen who wish to attend to apply promptly.

Next week, the second session of the second cycle will be held at World Wide Distributors (Rock-Ola) on Wednesday evening, November 13, at 7:00 P. M.

Movie Includes MOA Banquet In Script

Great Publicity for Industry

NEW YORK—Vanguard Productions will release a movie "Jamboree" thru Warner Bros. starting the middle of November, which gives the juke box industry its most valuable and favorable publicity in all its history.

The picture is built around a thin thread of a plot—boy meets girl, boy and girl split up, boy and girl make up. Most of the footage of the film purveys rock and roll artists (which have been money makers for juke box operators), and which should find favor with teenage audiences.

These artists are woven into the story very cleverly. A recording studio. A TV marathon. A theatre. And the final showplace is at an annual banquet of MOA at a Chicago hotel.

Of interest to the music machine industry is the final portion of the film, where the MOA banquet is used as the vehicle for showing a number of top recording artists. Coinmen and their wives are shown dancing to the music of Fats Domino. A majority of couples are in "black ties" and evening gowns, while the others are the younger people in slick business suits.

Warner Bros. has arranged to show the film to members of MOA's Board of Directors and officers at their meeting at the San Souci Hotel, Miami Beach.

US GALS

by Cissie Gersh

Home. We've been home for a week now. And just getting adjusted to Central Standard Time. The first few days, I just couldn't hold my eyes open at 9 P. M. But, actually, it was 4 A. M. The difference of time when you come back home is something that takes a week or more to conquer.

In the meantime, on my arrival back home, I found a great, big, batch of pictures we'd taken all over Europe awaiting us. Therefore, thought to myself, I'll publish some of these in a "picture column". So here goes.

Top L—That's my dear Jean (Mrs. Marcel) Stellman and myself in London discussing just where we'd continue our shopping.

Top R—That's me in front of the unique and extremely beautiful "flower clock" of Geneva, Switzerland. All the numerals, from 1 to 12, are clusters of flowers. This huge clock, of which thousands of tourists have taken pictures, keeps perfect time.

2nd Row L—Here I am having dinner with those two marvelous people, Franca and Dr. Vittorio M. Franceschini in Milan, Italy. Isn't Franca just beautiful? And just as charming as she's pretty.

2nd Row R—This is for all of the golfers who read this column. That's Germaine (Mrs. Marcel) Lucca and myself wandering over the most fantastic golf course I've ever yet seen in all my life. It's at Divonne, France. And the course is built right into and around and thru the Jura Mountains. This is the alpine part of France: Just on the border of Switzerland. Divonne is a resort town with an entertaining casino. So, gals, if you like to play golf and want to hit 150 meters (about 165 yards) and have some real hiking thrills, shooting from mountain peak to mountain peak, just try this course.

Cautions Trade About "Drifter" Mechanic

SPOKANE, WASH.—Every once in a while some distributing or operating firm in the country runs into an employee who causes them untold grief and trouble.

We have a letter from Robert T. Follett, Lewis & Follett Music Company, this city, who ran into this sort of trouble, and wishes to caution others in the trade.

"I had a Jack Wilson in my employ from August 15 to September 30", writes Follett. "He is a drifter and has been employed in all sections of the country. I have sworn out a warrant for his arrest for grand larceny. He left his job without notice, made three collections unknown to me until

after his departure, took a complete set of mechanic's tools, one complete set of my master keys, and left town owing many bills and obligations.

"He is 48 years old, five feet four, reddish blond hair, and partially bald. His ears protrude slightly, has a slight Texan accent, and is a heavy drinker. This man has a very reddish complexion, and always has a smile on his face. He could pass his age off as 40 years old. He has followed the amusement machine trade all his life. He could turn up in almost any section of the country. I will pay a \$50 reward for anyone knowing his whereabouts so that a warrant may be served him."

3rd Row L—That's me leaning against the pole in Amsterdam, Holland. Tho't you'd like to see what a "straat" looks like in Amsterdam.

3rd Row R—Bill caught this shot of Jeanne (Mrs. Frans) Van Malder and myself in a very marvelous, little restaurant in Brussels. We were just listening to the waiter making some really mouth-watering suggestions.

4th Row L—That's Jean Stellman and myself in London again. And what would anyone search for in London? Silver, of course. So here we are—just looking.

4th Row Center—That's Alice (Mrs. Sam) Clark and myself walking down the Via Condotti in sunny Rome with Sam Clark approaching to tell us what marvelous ties he'd seen—and so cheap.

4th Row R—I took ill in Paris, but, held up until Amsterdam. And then Bill called the hotel doctor. Who turned out to be the very handsome Dr. J. Kater. He was just marvelous. And, gals, he isn't married.

Bottom L—That's me and my dear, dear Karla (Mrs. Alfred W.) Adicks in Hamburg, Germany. That's the day we went shopping for Bavarian leather shorts for my daughter, Gail. And does she love them. Gals, when you're in Germany, don't forget to buy all your children (and yourself, too) the Bavarian leather shorts.

Bottom Center—Here we are, Alice (Mrs. Sam) Clark and myself right in front of the famous Doney's on the Via Veneto in Rome. It was too early as yet for the tables to crowd up. But, Alice and I wanted to get started early.

Bottom R—That's my very dear friend, Marcel Lucca, who took us to a festival of one of the Cantons. It was really something to see. Marcel is one of the top hosts of Europe.

Oh, well, I could go on for hours and hours. I've so many, many pictures at hand. And so many full color photos, too. But, just picked these at random. Do hope you like them.

Won't you let me hear from you?

Wurlitzer Names Pacific Dist. Corp. For San Diego

NORTH TONAWANDA, N. Y.—A new Wurlitzer distributor has been selected to handle the sales and service of Wurlitzer phonographs and allied equipment in San Diego, California. Pacific Distributing Corporation has become the new Wurlitzer outlet, effective at once, according to an announcement today by Robert H. Bear, Wurlitzer sales manager.

Heading the new organization is Noble P. Craver, an automatic music man of 20 years experience and wide connections throughout the industry. He has headed one of the largest music operations in the San Diego area for the past eleven years. Craver holds the title of President and General Manager of Pacific Distributing and also will be responsible for the corporation's sales efforts. He will be ably assisted by his wife Marion, a long time partner and secretary of the corporation.

Pacific Distributing Corporation is located in a new building at 3367 India Street, San Diego 1, California. The building is undergoing extensive remodeling to include a showroom and parts department which will complement the new distributorship. During the past year, San Diego has become the third largest city in the state of

California. This was cited by Bob Bear as the reason for selecting this Metropolis as the location of an important Wurlitzer distribution point.

Gary Sinclair, Wurlitzer West Coast district sales manager, has been working closely with Craver in developing the sales plan. Walt Peteet, a Wurlitzer field service engineer based in San Francisco, has spent the past two weeks in San Diego and has thoroughly schooled Craver's three mechanics in Wurlitzer products, maintenance and service. The new distributorship will cover the California counties of San Diego and Imperial, and Noble Craver has made plans to call on every operator in his territory in the shortest possible time. He is owner and pilot of a Cessna 182 monoplane which he uses extensively for business.

Mrs. Marion Craver is something of a celebrity in her own right. A commercial pilot with an instrument rating, she has for several years participated in the ladies "Powder Puff Derby", a cross-country race requiring flying skill and navigation know-how. In 1956 she and her copilot, another woman, placed third in the Derby and in 1957 took fourth place. She looks forward to a first place win in 1958.

Noble Craver's 20 years in the coin machine business have encompassed a good portion of the United States geography. He began operating in Monroe, Louisiana, at the Deluxe Novelty Company, moved to Corpus Christi, Texas, and thence to the present city he calls home, San Diego.

Noble and Marion are the parents of two boys, Leo, 20 years old, who is in business in Los Angeles, and "Butch" (Noble, Jr.), who has his own route of coin operating scales.

In acknowledging his assignment of the Wurlitzer distributorship Craver said, "I feel this is a great opportunity. Wurlitzer is an outstanding name in automatic music and we will do our best to represent them in the manner which they have a right to expect. The territory which we cover enjoys excellent year-round climate and is growing unbelievably fast. Who could ask for a better area in which to expand coin operated music?"

Two of the items most commented on are the dual-speakers and the single selection feature. While Ed Wilkes is taking orders on Bally's "ABC Champion Bowler", Jimmy Wilkens is having just as much success with his sales of Bally's "ABC Super Deluxe Bowler". Both of these pieces of equipment remain very popular with the local operators. Charlie Daniels says that the sale of used equipment, particularly with the newer models, has been tremendous all year.

Meyer Parkoff Cited For Juke Box Donation

NEW YORK—Meyer Parkoff, Atlantic New York Corporation, this city, who has contributed many juke boxes thruout the years, was extremely gratified this week upon receipt of a letter from St. Joseph Hall, Brooklyn, N. Y.

Sister Anne Maria wrote:

"If only you could have been here this morning when the juke box arrived. You would have seen for yourself how much it means to the girls. Such excitement! Believe me, the records have been playing continuously.

"To you, we express our sincerest and deepest appreciation. You and yours shall be remembered daily in our prayers. We extend a cordial invitation to you to visit us at any time. You can be sure of a hearty welcome.

"May God bless you!"

United Adds Match Model "Deluxe 6 Star Shuffle Alley"

CHICAGO — Bill DeSelm, sales manager, United Manufacturing Company, this city, reported this past week that, in addition to the puck type bowling game, "6 Star Shuffle Alley", the firm is also delivering to its distributors a new match-a-score model of the game—"DeLuxe 6 Star Shuffle Alley".

For the optional use of the operator, "DeLuxe 6 Star Shuffle Alley" provides a 3-way match feature for added, play-stimulating suspense.

At the end of the game, each player may match the last number of his score to either a number which lights up on the back glass, or a star and number, or a clover and number.

"Other than this popular match-a-score feature" DeSelm stated, "our new "DeLuxe 6 Star Shuffle Alley" has the same sensational profit-making qualities of our regular model, which also continues in production.

"Both models of the puck type shuffle game", he added, "are being produced as a result of many months of pent-up demand on the part of everyone in the trade.

"When demand gets that strong for this type of game", DeSelm said with an enthusiastic smile, "you can be sure our production will continue for a long time."

DeSelm also reported that United's king size ball bowler, "Jumbo Bowling Alley", still continues on large-scale production and being shipped daily in "split truckloads", including regular and match models of "6 Star Shuffle Alley".

CMMA To Help Boston

OAKLAND, CALIF. — George A. Miller, president, The California Music Merchants Association, this city, reported that the organization voted to make a sizeable contribution to the Boston music operators to assist them in their fight against the overall \$160 a year business license per phono.

Contributions are being received daily, Miller advises, and as soon as the drive is over, a check will be mailed to Dave Baker, president of the Music Operators Association of Massachusetts for at least \$1,000 and possibly more.

Miller points out that a license of this kind could set a precedent for every State. It is a matter of such a serious nature that operators and associations all over the U.S. should render support, financially and otherwise, to the operators in Massachusetts, Miller stated.

EASTERN FLASHES

Operators report slight increases in collections this past week. Nothing sensational, but on the up-rise, which is encouraging. Maybe the flu epidemic is slacking off. One operator, in discussing the flu condition, relates how one of his locations was hit. The bartender and cook were both out ill, and the owner had to scurry between the bar and kitchen to serve the customers. "And", reported this op, "the customers weren't beating down his doors either."

* * *

The news of Georgie Holtzman's accident flew thru coinrow. Georgie, one of the industry's best liked coinmen, was hit by an auto on Friday night, Nov. 1, while crossing a street to service a location. Immediate attention at Kings County Hospital probably saved his life. He transferred over to the Long Island College Hospital on Tuesday. While he's seriously injured, and we hear he'll have to undergo surgery, which will keep him out of action a long while, he is expected to recover in good style. . . . **Barny (Shugy) Sugerman**, Runyon Sales, reporting business continues steadily, more interested in telling us of his son Nate's experiences at Ft. Dix. Nate, going thru basic training, has lost 12 lbs. Seems to us Shugy took them on. **Buddy Fox**, who was out serving two weeks Jury duty at Supreme Court, now back handling promotion. Tells us one of the cases resulted in the plaintiff winning an award of \$320,000. . . . **Carl Pavesi**, president Westchester Ops Guild, on the street shopping. Carl flying down to Miami Sunday for MOA Board of Directors meet. Had to leave his missus home so she could be on hand to help out in the event another Pavesi arrives—a grandchild. Carl, Jr., who is associated with Pavesi, expecting a 2nd baby. . . . **Al Simon**, Albert Simon, Inc., really excited over Genco's "Motorama." "Shork and Shaffer Arcade has five" states Al, "and collection reports exceptionally high." . . . **Ben Haskell** and **Sandy Warner**, attorney and pres. of amuse game assn respectively, back from a visit to Chi factories for advertising for their annual journal. No sooner does Haskell return, but **Teddy Blatt** (the other half of this lawyer partnership) takes off for Miami Beach for MOA board meet. Will then fly on to Haiti.

Ted Parker, Wurlitzer regional rep., in for the N. Y. Ops' banquet this week. Came in from Boston and Albany. Really busy at **Sandy Moore's**. **Bernie Levine** and **Sandy Moore** in conference; **Abe Lipsky** and **Mickey Wichinsky** at their desks tied up with paper work; and **Joe Young** out seeing customers. **Danny Subarsky**, who for many years worked out of N. Y. with the Wurlitzer distrib at that time, and then later joined **Sam Kresberg**, now Eastern representative for **J. H. Keeney**. Was in visiting with **Sandy Moore**, who has taken on the Keeney line. . . . **Jack Semel** on the street, and we enjoy reminiscing about old times—and old timers. . . . **Joe Kochansky** visits along the row. . . . With each succeeding week, more work completed on **Mike Munves'** building front. Looks terrific. Next week a large display sign goes over top of the window. Then sidewalk will get complete concrete job. . . . Load of music machines **Harry and Hymie Koepfel**, Koepfel Distributing, picked up last week, all gone, and now the brothers out hunting for more to fill orders. . . . **Meyer Parkoff**, Atlantic N. Y. Corp., one of industry's leading exponents of promoting better public relations, receives a letter from **Sister Anne Maria** of St. Joseph Hall, Brooklyn, which brings a glow of satisfaction. "Not only does this type of promotion aid all in the industry" said Meyer, "but it certainly gives me great personal pleasure." **Murray Kaye** smiles happily as new Seeburg phonos move out on truck headed for delivery to customers. . . . Pinball operators urged to read October, 1957 issue of "Harper's Magazine". Feature story by **Julius Segal** "The Lure of Pinball" greatest plug for the biz ever encountered by your correspondent. . . . Another tremendous boost for the industry will come about when movie "Jam-boree" is released in mid-November. This one for music operators. Portion of picture takes place at annual banquet of MOA in Chicago.

CHICAGO CHATTER

Reports from ops here and everywhere indicate they're doing more this season to improve juke box routes than ever before. Many admit they have let inflation and increasing costs win the battle against profitable net income.

SAM WOLBERG

Sales reps returning from road trips report that phono ops still on nickle chutes are finding out that, under present conditions, they must get the music route over the profit line, into the black. Or sell out. As The Cash Box has pointed out time and time again, Dime Play is not enough. It's got to be Dime Play "PLUS". And from all indications, it will soon be with us to the tune of nearly 100%. . . . Avron Gensburg at Genco making hustling tracks between office and factory. Watching all details of production and trying to increase output to fill waiting orders. Al Warren stopped long enough to state: "Motorama" is taking the country by storm, and inquiries coming in from all over the world". Ralph Sheffield coming from the experimental dept with a great big smile to report he has just developed a new way to make some gadget work perfectly.

"Business here is keeping us all terrifically busy", says Bill O'Donnell. "Bally's got what the ops want and need in games." This big plant is practically a One-Stop for distribbers. Producing ball bowlers, puck-type bowlers, in-lines, kiddie rides and 5-balls to perk collections for all in the trade. . . . Paul Huebsch back on the job at Keeney after a week's bout with the flu. Showing the pink pills (50¢ apiece) that did the trick but fast. "But I didn't stop working while home", he claims, "because I had time to think up some new ways to catch up with our backlog of orders". . . . Sam Wolberg, pres. of ChiCoin, has been honored countless times for his philanthropic activities. Last Wednesday, he was chairman of the Patron's dinner held in the Morrison Hotel for the benefit of the Jewish Theological Seminary in NYC. . . . Sam Gensburg advises that production of the firm's "Classic Bowling League" continues steady and satisfactory." Mort Secore conferring with Ed Levin on the first of Mort's extensive coast to coast trips.

Bill DeSelm at United smoking long Havana cigars again. "Helps me concentrate while I figure out these split truckload orders", he claims. Adds Bill, "We're enjoying good Fall business, and we're off to a flying start again with these new '6 Star Shuffle Alleys'". Al Thoeke reported going thru Wis and Michigan's upper and lower peninsula. Contacting all ops in the area for United distribbers, and taking pics of players in action on the firm's bowlers. Bob Bever on extended trip around N. J., heading for Philly and Balt. John Casola covering Cinci, Pitts and eastern cities this past week. One more item: "The Big Swede" made a fast trip to Munising, Mich., to see his wife, Dot, who is recovering from recent successful operation. . . . Charles and Betty Johnson did send us a post card from Paris, Franch. But Charles (Little Jimmy) Johnson of Globe Distributing, this city, phoned to advise he merely took the Bally Toonerville Trolley to Chinatown, Little Italy, Goose Island and Bucktown. (Anything burning, Jimmy?) . . . Two distinguished-looking ops striding along the near north side—Vic Comforte and Marvin Bear of DCI.

Alvin Gottlieb telling how samples of each game go all over the world for testing in all types of locations. "We know in advance", says Alvin, "that 'Silver' would be an outstanding producer." Dave and Nate Gottlieb and Judd Weinberg report production and worldwide shipments "going along at a steady clip". . . . Nice to meet oldtimer Clyde Darter and his son, Joe, Kankakee ops. Both shopping for games and phonos. Clyde proud of the fact that Joe has made the juke box route as profitable as his, Clyde's, games route. Joe states, "I use The Cash Box' Top 60 charts exclusively and consistently for buying all my records". . . . Chet Gore at Exhibit working on new series of cards for his 1958 line of venders. . . . Charlie Nicholas of Marvel Billiard Supply advises he carries any kind of pool table made—14 different kinds and sizes—for players 5 years old to 75. Also folding tables for gifts. . . . Most elated coinman in town this past week is John Frantz as he begins production of the "Aristo" scale for Int'l Lions Clubs for charity projects. . . . Art Garvey, phoning the Bally-plant from eastern cities all week, reports sales of all Bally products big.

Always amazed at John Watling's driving energy and pep. Packing away a deskful of work at the end of the week finds John as vigorous as any trained athlete. . . . Over at World Wide Joel Stern reports new and used phonos going exceptionally well lately. Len Micon adds that ops in the territory very impressed with the all-new programming and sound of the new Rock-Ola 120-selection model. . . . Bill Phillips, sales rep for Atlas Music, advises that Floyd Altman, Lincoln, Ill., shot down two ducks with one shot. Bill also reports that ops are bearing down on making phonograph routes more profitable, and finding the locations "understanding and cooperative". . . . Bally's Herb Jones, pencil flying over paper, advises he's got headlines and deadlines to make for his next issue of "Bally-Who". . . . Joe Kline at First Coin sipping coffee and talking on the longdistance phone. Fred Kline, always happy and always accommodating to the many visitors, says there's always a cup of coffee on Joe's desk. Noticed several foreign language dictionaries on Sam Kolber's desk, with one in use on an inquiry from Italy.

Empire's Jack Burns accuses Joe Robbins of being a Navy fan. "And," he adds, "I'm suspicious of Gil Kitt." To which Gil retorts, "Since I grew up in Baltimore, and that's only 20 miles from Annapolis, I should be a Navy fan, too". Jack strictly for Notre Dame—win, lose or tie. . . . By the way, all coinmen would be interested in reading article "The Lure of Pinball" in Oct. issue of Harper's Magazine. Very good for public relations. . . . Joe Calderon of Trans-World Trading states, "For business, I read the coin machine section of The Cash Box. For recreation, I turn to the album reviews so I can buy the best albums". . . . Vince Shay at All State had plenty to handle this past week, with Stan Levin home with a cold. . . . Ed Gilligan of Chicago Music, who recently returned from a trip to his native Ireland, likes to recall the time when he was with Chi's fire department and operating phonos on the side. "Until one day", he reveals, "the fire chief told me

**Wurlitzer Issues
Sales And Earning
Report**

CHICAGO — R. C. Roling, president, The Wurlitzer Company, this city, issued a sales and earnings report this week.

Sales for the second quarter (July, August and September) were \$8,513,526, down 9% from \$9,387,916 in the corresponding quarter last year. Net earnings were \$178,003 or 21¢ per share of common stock. This figure compares with net earnings of \$131,491 or 16¢ for the corresponding quarter last year.

Sales for the first six months (April to September inclusive) were \$15,576,579, down 5% from \$16,464,810 last year. Net earnings were \$196,053 or 23¢ per share compared with \$219,661 or 26¢ for the same period last year.

"We are now coming into our customary heavy fall selling season", stated Roling. "During October we shipped to dealers, both foreign and domestic, more conventional pianos, more electronic pianos, and more electronic organs than a year ago, and if this trend continues during November and December our third quarter (October, November and December) operations should be good."

"As we have pointed out before, the music business is seasonal, and if our business this year follows the same pattern as previous years, sales and profits for the fiscal year ending March 31, 1958 should be satisfactory."

How To Use "THE CASH BOX PRICE LISTS"

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games—and \$25 to \$30 on Phonographs.

New! Your AMI distributor is now showing the "H-200 M"! Come in to see it soon.

**A
GOOD
SERVICE MAN
IS WORTH
HIS
WEIGHT
IN GOLD**

See that the juke boxes he cares for make no unreasonable demand upon him—or you. Let him get in and out faster on maintenance calls, get more calls out of your service dollar with the Model "H". Just look: the wrap-around hood swings up. All the way up. Locks in place. Your man gets in fast. Gets out fast. And no knuckle busting. The mech slides out. Turns around. Service is chair height. Parts? You have less parts inventory with this one than any other juke box ever made. One solenoid on the H-200 does the work of hundreds of separate magnets on other juke boxes. There's less to go wrong. And any AMI operator will tell you—less does go wrong with an AMI. Give your service man the chance to make the most of his valuable time. Call your AMI Distributor.
