Chain Reaction

JOAN JETT AND THE BLACKHEARTS, "I LOVE ROCK AND ROLL", BOARDWALK

Our #30 performer tops the reaction column with her second consecutive Most Added showing of 29 new believers. The debut Finch hit was #2 Most added three weeks ago for a total of 60 stations to date. We note a #45 Metro Chart debut and #44 on the Back Page. Already increased play on WHCN, WPYX, WNEW-FM, WBFU, KGB-FM, WDHA, KRQQ, and WBAB. Along with max play on WQBN, KRAC, and WLIR. Average play is 6.2 emphasis and 3.5 plays per day. On the top 100, "I Love Rock And Roll" jumps 89-69...More raves: Dave Krusenklau, WKQQ: "Looks like the hottest record of the last three weeks. Sounds better to me with every listen and I think we're going to be able to use both 'Rock And Roll' and 'Crimson And Clover'..." Bob Blitens, WHCN: "The #1 most requested song this week is 'I Love Rock And Roll' and not just from active teens but from a broad demographic spectrum"...Charlie Logan, WFYV: "A week late but you can list me with all the other believers. All I can say is the lady's long overdue plus she has sincerity and conviction comparable to Chrissie Hynde. So watch out Miss Spandex Benatar"...And from Ed Levine, WAQX: "Joan's album is infinitely better than her debut. Last night we featured it and top of the album doing very well (6.6 on a 10 scale), it got twice the response of any album we have featured in the last two weeks"...Adds Doug Podell, WQPS: "Rowdy hard rock and roll that is already pulling hot phones."

STARFIGHTERS, ARISTA

Frankly, we were able to log in heavy quote action on Joan and Doug and Bob but due to an early attack of the holiday spirit, there wasn't a whole lot of talk about other releases. On the stats side, though, Starfighters continued to build nicely. #2 Most Added with 21 including KSRR, KLOL, WNEW-FM, KTXQ, KGM, WYMF, WLIR, and WYX. "Silver Lady" and "Alley Cat Blues" lead.

DOUG AND BOB MCKENZIE, "THE GREAT WHITE NORTH", MERCURY

Our #3 Most Added with 16 and already fracturing funnybones along the border...Dave Kane, WDMF: "How about those McKenzie brothers, eh. Beauty. We've been rolling since we first heard the record. There isn't a person at the station who hasn't called somebody a 'hosehead' yet. 'Take Off' and 'The 12 Days Of Christmas' have already got the little hosers calling us all the time"...Paul Heine, WGRQ: "The record is working well here. We started playing 'Take Off' on a Friday and by Tuesday everyone was walking around calling each other 'hosers' and saying 'eh'. It is an instant reaction record that brings quick phones. It may burn fast but it's a real beauty, eh"...Dave Benson, WNET: "As I mentioned a month or so ago, 'Great White North' is going to be a major comedy item. If the phrase 'you hoser' doesn't become an everyday insult, I'll be amazed"...Hands down the first accent worth mastering since the "wild and crazy guy" days.

PETER CETERA, FULL MOON/WARNER BROTHERS

A builder of supreme, #5 Most Added this week with 17 reports for a total of 58 in the last 8 weeks. #2 in the past month. Another near prime move on the Index, with a 48-44-41 trend. We had a Metro underline, 39-34. Increased play on: KGB-FM, KTXQ, KLOL, WYSP, and WNOR-FM. Average play is 6.3 emphasis and 1.9 plays per day. On the Checklist, 47 not playing, 17 considering, 2 dropping, 11 maintaining, and 18 building-very strong. Builders include: WEBN, WFBO, WMYK, KTXQ, WYSP, KBPI, WYMF, KGB-FM, WAAF, and KGM. "Limelight" is still moving nicely 48-40.

BRYAN ADAMS, "YOU WANT IT, YOU GOT IT", A&M

Another solid week for Bryan. #6 Most Added with 11 stations and new on the Back Page at #49. WIOT, WBYR, WYYS, and KBPI increased play. "Lonely Nights" leads new at #59...Charlie Logan, WFYV: "Bryan Adams is a writer and performer with a distinctive sound all his own. This Ep has stuck around and is re-emerging now because of one reason. It's all in the grooves"...Roberta Haber, WMQQ: "I was really happy to see how many programmers mentioned Bryan Adams in response to last week's Question Of The Week. Who says new acts can't make it on radio anymore?"

EDDIE SCHWARTZ, "NO REFUGE", ATCO

Eddie is maintaining his #48 Index position but debuted at #48 on the Metro Chart. #7 Most Added with 10 including WYSP, KBPI, WGRQ, WIOT, and WILS-FM. Increased play on KSMB, KGB-FM, WDHA, and WMMR. Newly charted at KPFI and KSRR. "No Refuge" leads 93-81 on the Song Index.

HENRY PAUL BAND, "ANYTIME", ATLANTIC

Henry grabs a double underline, 22-17 Metro and 24-17 on the Back Page. A number of heavy tonnage play increases including: WQHE, KSHE, WNEW-FM, WMMR, WQFM, KTXQ, WYMF, KOPE, KBPI, WBAB, and KSMB. "Keeping Our Love Alive" moves 37-29 while "Living Without Your Love" jumps 66-51. On the Checklist this week, a solid 33 maintaining, 16 building (with sales reported by WXUS, KSMB, WGRQ, WQIZ, WQVE, WHCN), 10 not playing, 3 considering and none dropping.

CHAIN REACTION CONTINUED

8 new believers on the Saxon, including WQMF, WLRS, WYSP, and KQRS. "Out Of Control" and "Never Surrender" are the tracks to consider.

LAMONT CRANSTON BAND, WATERHOUSE

Track: "Shakedown".

BOB WELCH, RCA

Another prime move for Robert, up 42-35 Index, 34-31 Metro. On the top 100, "It's What Ya Don't Say" moves up 91-65. Increased play on: KSMB, KGB-FM, and WYNF. New on: KNXC, KSAS, WQFM, WBCN, and WQMF for a total of 66 to date.

TIM BOGERT, "PROGRESSIONS", ACCORD/TOWNHOUSE

A near miss on the Most Added but more credible calls including: WAAF, WIOT, KGB-FM, and WYSP. Hottest calls last week: KSHE, WBCN, and WCMF. Key on "Hold On To Her".

DONNIE IRIS, "RING COOL", MCA

Donnie faded 34-39 on the Index, but came in with a strong re-add week including DC101, WIYY, WQFM, KGON, and KQRS. If you're looking for some fresh music over the holidays, relisten to "Love Is Like A Rock".

CHECKLIST:

MOLLY HATCHET, EPIC. With 34 maintaining and 30 building (including: WEBN, KDKB, WMMS, WYSP, KQRS, WMMR, KOMA, and WKLS), Molly is holding strong at #14 both Metro and Index. 10 not playing, 3 close, and only 5 dropping.

BLACK SABBATH, WARNER BROTHERS. Sabbath moves 15-16 on both charts but is looking very healthy with 24 building and 35 maintaining. Builders include: KSHE, KDWB, WBCN, KYYS, KTXQ, WYSP, WCOZ, KGB-FM, WDVE, WMET, WMMR, and KOMA. Only 19 not playing and 2 considering; 1 dropping.

SNEAKER, HANDSHAKE. A prime move for Sneaker on the Metro Chart, 41-36 and moving 32-31 on the Index. We log in 24 building, 22 maintaining, 29 not playing, 8 considering, and 4 dropping. Of the 24 building, KDKB, KLBJ, KSMB, WRXL, WOUR, WPLR, WPYX all show phones and WAQX, KTXQ, WQDR and WDHA show some sales. "Don't Let Me In" #19 on the Song Index.

Best New Music, Album Network

New Action albums 2 weeks straight

...THE INDUSTRY BUZZ IS ON NOW:

- ★ Just completed dates opening for The Rolling Stones in St. Louis, Cedar Falls and Minneapolis/St. Paul
- ★ Interview with Kurt Loder of ROLLING STONE Magazine
- ★ Interview with NBC's SOURCE "ROCK REPORT"
- ★ Coverage on MTV Cable Network.

...AND PEOPLE ARE TALKING:

- ★ RICK BALIS/KSHE: "I'm sure your town is ready to be introduced to LAMONT CRANSTON BAND. Check into 'Upper Mississippi Shakedown' and chances are that it will be the last introduction that's necessary."
- ★ DOUG PODELI/KQRS: "LAMONT CRANSTON BAND is currently on tour with The Stones and they've got what it takes—a hit album."
- ★ RON SORENSON/KBLE: "With 'Shakedown', LAMONT CRANSTON BAND has come into its own."
- ★ MARK MILLER/WWCK: "This week's pick-to-click: LAMONT CRANSTON BAND. The band combines the best elements of ZZ Top, J. Geils and Molly Hatchet, still retaining their own identity. We did a real quick test on it and it literally blew the lines right out with a 100% positive response... Top 5 phones already in the first week of airplay and definite retail interest."
- ★ DANA JANG/KOME: (This week's only add) "This is the best LAMONT CRANSTON BAND album I've heard. 'Shakedown' and 'Streets' are my favorites."

Question Of The Week

Now this was a difficult Question to come up with: "What are your favorite albums or songs of 1981?"

SEAN COAKLEY, ATCO: "1981 will not be remembered in the music world as a terrifically important year. We seem to be in a holding pattern awaiting the next 'big thing'. As I compiled my list of faves, I realized that individual efforts, the 'solo' album, far outnumbered the 'group' effort. Here they are: Phil Collins, Mink DeVille, Elvis Costello's 'Trust', Smokey Robinson, Rolling Stones, James Taylor, Miles Davis, Steve Winwood, Eddie Schwartz, and Rickie Lee Jones...My favorite album title of the year: 'Intensities In Ten Cities'...Favorite concert: James Taylor at the Savoy...Favorite play: 'Amadeus'...Favorite book: 'Earthly Powers'."

MIKE BONE, ARISTA: "In light of the fact NYC is in the midst of a garbage strike and hence stinking to high heavens, I'm picking my favorite stinkers for 1981. These were albums that got the big push and got some airplay but couldn't quite cut the mustard on the retail level, or at least live up to what everyone would have expected...I'll start with one stinker of my own. #1, The A's. 'Woman's Got The Power' had the power to get decent airplay but couldn't run, walk, or crawl out of many record stores...#2. Who could forget Silver Condor? Rarely have so few spent so much to sell so little...#3. From down under came Ice-house, appropriately titled because their album froze to the retail racks...#4. What about that Mick Fleetwood solo album? Ouch!! Not even Bill McGathy could blast that one out of the step-downs...#5. After an auspicious debut, everyone expected a stunning follow-up for the Rossington Collins Band. We were wrong. They gave a new meaning to the words sudden death...#6. Billy Thorpe didn't fight; he switched from label to label. Between label hopping Billy zipped when he should have zagged at the retail level. Who's next, Billy?...#7. Marty 'L.D.' Schwartz had a couple of stinkers but New England turned a dirty dream into a nightmare...#8. Tommy Nast is gonna kill me but I couldn't leave Jaffe out of this. So Benny Mardones found out 'Sheila' was an ignorant slut and couldn't find the door of any record store...#9. Not even the red flag could raise any significant sales for Marko's Mayday. To take a line from their album: 'so young, so bad, so long!'...#10. Kix's 'Itch' proved to be nothing more than an annoying pain except in Baltimore where it festered into a full-blown body rash. A great Tom Allom production, though...I know I'm on #11 but I'm on a roll so why not insult every A&R man in America? Red Rider's 'Lunatic Fringe' got incredible play, a stellar job by Tusken and company. Unfortunately, only the terminally insane bought the album. (It was one of my favorites for the year, though)...In closing, here's wishing the artists and promotion staffs involved in all of the above projects better luck and better sales next time out. Happy New Year!...Now can someone negotiate an end for this garbage strike?"

JOEL WEBBER, INDEPENDENT: "Top ten in no particular order: Steve Winwood, Mink DeVille, Martin Briley, Hall & Oates (although not as good as last year), Tom Tom Club, Rick James, Rickie Lee Jones, Rolling Stones, and Joel Webber's Greatest Hits Volume II."

KEN BENSON, EMI: "Top ten songs of the year as I could think of them: 'Dirty Deeds'; 'Trouble'; 'Centerfold'; 'Mercury Blues'; 'Hitsville UK' and 'Call Up' by the Clash; 'Bette Davis Eyes'; 'Waiting For A Friend'; 'The Kid Is Hot Tonight'; and 'Don't Blow Your Life Away' from Phil Seymour."

ROY ROSENBERG, STIFF: "Go Go's; AC/DC, 'Dirty Deeds'; Nils Lofgren, 'Night Fades Away'; Ozzy Osbourne, 'Blizzard Of Ozz'; A's, 'Woman's Got The Power'; Lene Lovich, 'New Toy'; Doug and the Slugs; Santana, 'Zebop'; Any Trouble, 'Wheels In Motion'--plus an album to be named later. Just like in the sports trades."

BRUCE MOSER, COULD BE WILD: "Bryan Adams, U2, Stevie Nicks, BOC, Nils Lofgren, Police, Neil Young, Rosanne Cash, Tom Petty, and Loverboy...Best comedy album of the year: Bob and Doug McKenzie."

STEVE LEEDS, INDEPENDENT: "Stones, Squeeze, Kim Carnes, Phil Collins, Stevie Nicks, Bob Dylan, Police, Gary U.S. Bonds, Joan Jett, and 'Concerts For The People Of Kampuchea'."

JUDY LIBOW, ATLANTIC: "Police, 'De Do Do Do'; Police, 'Magic'; Mink DeVille, 'Coupe De Grace' (whole Lp); John Lennon, 'Woman'; Steve Winwood, 'While You See A Chance'; Foreigner, '4' (whole Lp); Hall & Oates, 'Voices' (whole Lp); Phil Collins, 'Face Value' (whole Lp); Billy Squier, 'Don't Say No' (whole Lp); and Squeeze, 'Tempted'."

MICHAEL PLEN, I.R.S.: "#1-'Homosapien' by Pete Shelley; #2-'Too Drunk To Fuck' by the Dead Kennedys; #3-'Antmusic', Adam & The Ants; #4-'Pleasure' by Iggy Pop; #5-'Burning For You', BOC; #6-'Dancing With Myself', Gen X; #7-'Radio G-String', Bow wow wow; #8-'Runaway Boys', Stray Cats; #9-'Electricity' by OMD; #10-'Dr. Jeckyll And Mr. Hyde' by the Damned...with a special mention for 'Our Lips Are Sealed'."

JEB BRIEN, CHAMPION ENTERTAINMENT: "Steve Winwood, Squeeze, Hall & Oates, Phil Collins, Foreigner, Rick James, Rolling Stones, the Go Go's, Prince, and Grace Jones."

KATE INGRAM, DB: "Joan Armatrading, Elvis Costello's 'Trust', Cramps, J.Geils, Jam's 'Sound Affects', Rick James' 'Super Freak', Rickie Lee Jones, New Order 'Ceremony', Ramones, and Romeo Void...I really regret the fact that most of these records have not gotten a lot of airplay. I would be hypocritical if I didn't say up front that our releases this year (Pool Q's, Kevin Dunn, and the Side Effects) were not right up there."

WYNN JACKSON, INDEPENDENT: "The Producers, Split Enz, Delbert McClinton, AC/DC, Quarterflash, Stevie Nicks, Tom Petty, Triumph, Billy Squier and the Pointer Sisters."

BOB MAJERSKY, WXUS: "38 Special, REO Speedwagon, Foreigner, Stevie Nicks, Journey, the Stones, Tom Petty, Moody Blues, Billy Squier, and Pat Benatar."

ART PHILLIPS, KILO: "See comments."

RON RIZZI, WRNW: "Easy. Phil Collins, Genesis, Rolling Stones, Police, Kinks, King Crimson, Dan Fogelberg, U2, John Hall, and the very last one is real tough but I'd have to go with Squeeze."

IRA GORDON, KFML: "Sinceros, Phil Collins, Stray Cats import, Santana, Rickie Lee Jones, U2 'Boy', Psychedelic Furs, George Winston 'Autumn', Dave Edmunds, and Greg Kihn."

KAREN ANDERSEN, WGIR-FM: "My favorites were: Kinks, Donnie Iris, Genesis, Moody Blues, Phil Collins, Stones, Foreigner, and Police's 'Zenyatta Mondatta'."

DAVE LANGE, WDVE: "#1 Police, Donnie Iris, Genesis, Rolling Stones, Novo Combo, Steve Winwood, Tom Petty, the Who, The Cars, and Foreigner."

BOB GELSM, WXRT: "Personal Top 10 for the year: This is not in any order, so here goes: Muddy Waters 'King Bee'; the Who, 'Face Dances'; Pretenders II; Any Trouble; Phil Collins; Dave Edmunds, 'Twangin'; J. Geils Band, 'Freeze Frame'; Little Feat, 'Hoy Hoy'; Elvis Costello, 'Trust'; and, last but not least, Genesis... Actually I came up with 33 records I liked a lot that I've been listening to over and over at home all year, but these 10 seem to get more play than the other 23."

KID LEO, WMMS: "Top 10 for the year in order: #1 'Coup de Grace', Mink DeVille; #2 Gary U.S. Bonds; #3 'Freeze Frame'; #4 Foreigner; #5 Police, 'Ghost'; #6 'Precious Time'; #7 'Golden Down', Willie Nile; #8 'Hi Infidelity'; #9 'Shake It Up'; #10 'Tattoo You'... Honorable Mentions: Duran Duran, The A's, David Johansen, and Benny Mardones."

ROBERTA HABER, WMJQ: "I can never seem to remember exactly what was released when, so please forgive me if some of these were actually released late in '80. In order of preference: #1 Steve Winwood, 'Arc Of A Diver' (this album got me through the Winter of 1981--uplifting and inspiring--his great music always is), #2 Tom Petty, 'Hard Promises'; not Tom's best, but great nonetheless. 'The Waiting' is a champ. #3 The Who, 'Face Dances'. Also not the band's best, but we're talking about The Who here. #4 Foreigner '4'. This is the best this band has ever done. Two great songs: 'Urgent' and 'Waiting For A Girl Like You'. #5 Phil Collins, 'Face Value'. Diverse, fascinating, and full-of-heart. Genesis meets the Jackson 5. #6 Warren Zevon, 'Stand In The Fire'; an overlooked LP with killer live versions of Zevon's best and some fine new material. #7 Billy Squier. Warmed over Led Zeppelin licks you say? Well, Zeppelin's gone and Billy is here. 'In The Dark' is a fucking great song. #8 Ry Cooder, 'Borderline'. This man's musicianship and versatility is second to none. #9 Bruce Cockburn. In a year without new music from Jackson Browne, Cockburn has the market cornered on songs with MEANING. Dig this one out and take a listen to 'How I Spent My Fall Vacation'. #10 Tubes, 'Completion Backwards Principle'; great rock and roll with tongue firmly planted-in-cheek."

DAN WALSTON, WIMZ: "Top 10 tunes of the year for me: John Lennon, 'Watching The Wheels'; the Who, 'Another Tricky Day'; Styx, 'Snow Blind'; Bruce Springsteen, 'Point Blank'; Rolling Stones, 'Little T&A'; John Entwistle, 'Talk Dirty'; Stevie Nicks, 'Leather And Lace'; The Kinks, 'Around The Dial'; Tom Petty & The Heartbreakers, 'Woman In Love'; Olivia Newton-John, 'Physical' just for something weird."

BOB WALTON, WQDR: "Foreigner, Icehouse, Ghost Riders, Tim Goodman, Go Go's, Moody Blues, Balance, J. Geils Band, Police, and Phil Collins."

RON PHILLIPS, WQDR: "English Beat, Todd Rundgren, Genesis, the first Loverboy, Santana, The A's, J. Geils Band, Rolling Stones, Police, and Foreigner."

RAY WHITE, WLIR: "My 10 faves for the year 1981 in no particular order: Steve Winwood; U2 (the first); Squeeze; Pat Metheny and Lyle Mays; New Music; Phil Collins; Joe Ely; Soft Machine; Billy Squier; and Genesis."

WMET, CHICAGO, IL M.D.-DAVE BENSON: "WMET Adds For The Week: The Little River Band; and, Bob & Doug McKenzie... To tell you the truth, I've been hearing LRB cuts on the other stations and it sounds too good to ignore any longer... And as I mentioned a month or so ago, Bob & Doug McKenzie's 'Great White North' album is going to be a major comedy item. If the phrase 'You hoser' doesn't become an everyday insult, I'll be amazed... We're also putting in another Rick Springfield cut: 'Love Is Alright Tonight'... Also: Stevie Nicks, 'Leather And Lace'... Sales Story: Journey, Rolling Stones, Foreigner, Genesis, and AC/DC duke it out for the Top 5 Sales honors... It's been so long since I've written any Hard comments, I'm kinda rusty... C'mon, Sky, cheer up, it could be worse. People could be blaming you for the music on your station."

WYSP, PHILADELPHIA, PA M.D.-STEVE FEINSTEIN: "Michael Picozzi is now officially P.D. of WYSP."

WQFM, MILWAUKEE, WI P.D.-BRENT ALBERTS/M.D.-MIKE WOLF: **MIKE:** "Thank you, CBS Records, for finally putting Bruce Springsteen's 'Santa Claus Is Coming To Town' on disc. Gone are the days when I feel like a Scrooge for turning down listeners offers to come to the station to record it! I still wonder why CBS doesn't release more of his live material. There's a certain magic in his live performances that doesn't always show up in studio work. In fact, I never was much into Bruce Springsteen until I saw him live. There are thousands of others, I'm sure, that are just waiting to be converted the way I was...Happy Holidays everybody."...**BRENT:** "A belated but big thank you to: RCA and Bill McGathy for allowing me to witness rock and roll history in the making. Seeing Bob Welch and all his friends at the Roxy was magic. I never thought I would get that close to Stevie Nicks. It was the best show I've seen in many years. It was also great to see Chris Miller, Cindy Tollin, Bill Todd, Jon Scott, Fred Moore, David Gariano, and too many more to mention. I loved LA, and I'll be back."

WMMS, CLEVELAND, OH M.D.-KID LEO: "The best to the Bill Hard Friday Morning Quarterback report family, and double digits to all and to all a good night."

KOME, SAN JOSE, CA M.D.-DANA JANG: "Top Sellers This Week: AC/DC, Foreigner, Rolling Stones, Journey, Hall & Oates, Police, Stevie Nicks, Cars, J.Geils Band, Rush, Genesis, and Rod Stewart...Request Leaders: AC/DC; Foreigner; Rolling Stones; Journey; J.Geils Band, 'Centerfold'; and, Black Sabbath...Starting to get some calls for: Jan Hammer, 'Wastin Time'; Rainbow, 'Jealous Lover'; Devo, 'Jerking Back And Forth' and 'Beautiful World'; 'Find Another Fool' from Quarterflash; and, Ozzy Osbourne, 'Over The Mountain' and 'Flying High Again'...Still good phones for: Kinks, 'Destroyer'; Pat Benatar; and, Rod Stewart starting to get phones around his concert date...I think this is the best Lamont Cranston album I've heard--Side 1 especially. 'Upper Mississippi Shakedown' and 'Streets Around Here' are my favorites."

KGON, PORTLAND, OR ASST. P.D.-GLORIA JOHNSON: "KGON Top Requests: #1 Foreigner, #2 J.Geils Band, #3 Quarterflash, #4 Journey, #5 AC/DC...In Sales: #1 AC/DC, #2 Foreigner, #3 Loverboy, #4 Journey, #5 Rolling Stones, #6 Quarterflash, and Ozzy Osbourne #12...KGON took 600 rockers on a Journey journey to Seattle last weekend. Most of the KGON staff went along and I gotta say, we've never been treated better. Nightmare and Columbia Records are both class organizations...Journey was great live, and it's not at all surprising to me that 'Escape' is #1 on KGON's Top 30 album list of 1981. Thanks to everyone involved for making this past weekend one of the highlights of the year for me...To Bob McKenzie and his brother, Doug: Thanks for the ID's and Christmas greetings, you hosers! Come to Portland and I'll challenge you to a game of beer hunters. Take off...Records to look forward to in '82: Johnny And The Distractions; Angel City; Sammy Hagar; and, Girl's School...Rock on, and enjoy the holidays!"

KAZY, DENVER, CO M.D.-DOUG CLIFTON: "Thanks to everyone for their patience the last several months. All of us at KAZY wish everyone a very Merry Christmas, Happy Hanukkah and a Happy New Music Year 1982."

WWDC, WASHINGTON, DC P.D.-RON DAVIS: "It's been an incredible couple of weeks here in Washington as the competition has been hot and heavy among the different stations all working the Rolling Stones concerts. Being the official Rolling Stones station in Washington has been a considerable help. We have got such plums as an exclusive interview with Bobby Womack, who is opening all three Stones shows in Washington. And Bobby confided to us that he and the Stones were sitting around the hotel room just the other night listening to DC101. Quite a stroke! We think we have successfully converted the Stones shows into DC101 events with numerous promotional items and on-air reports and such. We're very proud of our people with the success of the shows...On non-Stones fronts, we've had George Thorogood stop by and visit. He was in the Washington/Baltimore area a couple of weeks ago, and he stopped by and said hello and had some DC101 rock jam on his toast when he spoke with us...We also had Soupy Sales in, discussing the pros and cons of homosexuality with our morning man, Howard Stern. We would like to thank: Frank Falice for working out the Soupy deal...We'd also like to thank: Mark Weiss for arranging the Bobby Womack interview...Aside from that, we agree with Bill on the Bob & Doug record, except that Molsen's ain't as hip as LaBatt's Blue. If you're a true Canadian, you order LaBatt's Blue."

WSHE, MIAMI, FL P.D.-SONNY FOX: "On December 18th, the Stones are doing their last U.S. appearance at the Hampton Roads Coliseum in Virginia, and what SHE is doing--it's being carried live on satellite via On TV via subscription--starting at 10PM that evening. We're carrying the simulcast in stereo live as it happens. Between now and then, we're giving out a phone number asking the question, 'What's the last Stones album we played?' These winners are then being awarded On TV subscriptions, so they can receive the Stones by satellite and listen to it on SHE. In conjunction, we're also doing a mail-in promotion in which people just send post-cards to 'Stones Live' c/o WSHE. On the last day of the Book, December 16th, on Drew Townshend's afternoon drive show between 3 and 4 O'clock, he's drawing a winner. They have 30 minutes to call. If they don't, we'll draw another one until we get a winner--and that grand prize will fly two people to Hampton Roads, include two tix, etc, and, and also includes \$103 spending money."

WBCN, BOSTON, MA M.D.-MARC MILLER: "Despite the 20 inches of snow, it's still rockin' in Boston. On Tuesday, December 8th, WBCN presented a tribute to John Lennon on the first anniversary of his death. We featured Beatles music all day, and we've drawn up a petition declaring October 9th, Lennon's birthday, an International Day Of Peace. This petition will be submitted to the United Nations next year...In other news, I got to see AC/DC in Providence last week; in a word--awesome! Don't miss these guys and their guns when they come to your town...And now, here's 21-cannon Carla: 'Last night WBCN kicked off Boston's Best rock series at the Metro. The Jackals, Berlin Airlift, James Montgomery, and Stinko Feldman And the Marshknotts (rings a bell) had the club going wild. A round of applause to WBCN's own Carter Allen for organizing the entire affair...In the 'I-wish-we-had-the-room' dept.: Chet Bolin's 'All American Masher' on Straight Face Records...Now back to Sparky...Two records which you should absolutely not miss are: The Clash 'this is radio Clash' and Bob & Doug McKenzie's 'Take Off'...And to all you hosers out there, Merry Krimble."

KNAC, LONG BEACH, CA M.D.-JIMMY CHRISTOPHER: "First of all in the absence of any domestic releases, there are a few imports we're high on. One of those is the Stranglers, with the classic title 'Everybody Loves You When You're Dead'. Also, the Flock Of Seagulls Ep is very good instrumentally...The new Romeo Void is really good. I know that will do well here--lots of nice saxophone energy...The Dave Stewart and Barbara Gaskin single, 'It's My Party', is a nice cover of the classic...The Raybeats have a great surf guitar album on PVC...Finally, I'd just like to extend Christmas and New Year's greetings to everybody at the Hard Sheet. KNAC is ready to continue in 1982 as the alternative modern music station."

WLPX, MILWAUKEE, WI M.D.-BOBBIN BEAM: "Oops, I forgot to mention the Rolling Stones. I'm reflecting over the past year and my involvement in rock and roll. The Rolling Stones are the greatest rock and roll band. I saw them in Chicago last week, my fourth time. They demonstrated finesse. In fact, a write-up in the front pages of the latest Rolling Stone (their year end issue) defines my feelings to the fullest. They have the true spirit, the fun, the bounce--it's all still alive in their performance and their recorded music. Mick and the boys can be middle-aged and still rock and roll their butts off with panache. After seeing them, I thank the Gods for giving me rock and roll."

WLUP, CHICAGO, IL M.D.-SKY DANIELS: "Record Of The Year: Billy Squier, 'Don't Say No'. This parallels REO's success of 1980-81 in certain ways. It's representative of how much business acumen is required to succeed in rock today. Billy could still be flogging the Sidewinders through their tenth year of playing club dates. Instead, he kept pursuing his own vision; first with Piper, then solo. He learned a lot, did a lot, in terms of personally promoting this record. He got tough. People accuse Billy of Led Zep derivation and being overly calculated, but could they make this record and then make sure it sold two million?..Everyone is also asking me for comments all the time, so for the end of the year, I asked the local reps who passed through my office today to sum up 1981. Craig Lambert: '1981 was a year of cumulative information. The wise chose not only to use it, but to find info for themselves. The foolish discounted it. They will not only be hurt themselves, but they hurt the record industry in sales. In '81, radio and records filed for divorce'...Mark Benash, CBS: 'Coming to Chicago showed me the incredible difference between a medium and major market. A lot of people grew up in 1981. On the negative side, it was almost impossible to develop new artists with the consultants' rein'...Larry Green, MCA: '1981 was a year of survivors, people who really hung in. People who didn't, aren't working'...Steve Fingerett, WB: 'A further decline in sales. I'm disappointed toward album radio's tendency towards the classic cuts. Album radio now plays less currents than Top 40; and, unless we get our heads out of the past, we'll have no future'...Marvin Gleicher, E/A: 'A disasterous year for album radio. Programmers would take a passive Catch-22 approach. They'd stay off a record for 4 weeks, then collectively say it wasn't happening'...Eric Heckman, Epic: 'A gratifying year for Epic. REO proved it still could be done. The Midwest lays a great base for Shooting Star and Survivor. It was the year I also found out that Sky Daniels was a real person'...For me, 1981 was a year of heavy introspection. I have seen incredible critical evidence that rock and roll as the spirited, jubilant, rebellious music of the young may have changed beyond a shadow of recognition. The minute a song addresses a 16 year-old sentiment, it was tagged as retro-pop. It's as if 16 year-olds don't think like they did 15 years ago. They still get horny, don't they? Springsteen and Petty with 'The River' and 'Hard Promises' tried to consciously grow in their perspectives--writing that rock was more than cars, girls and guitars--and they got criticized for trying to be heady. So it was a no win situation for extremes. Everyone settled into hiding for cover, but the middle is no place for rock and rollers. A rocker doesn't hide. As I see it, safe only matters in baseball. So in 1982, like Sly Stone used to sav. if you ain't hid to rock and roll. 'all the squares go home'."

KQRS, MINNEAPOLIS, MN M.D.-DOUG PODELL: "New Adds: Saxon and Joan Jett...Our research says maybe, our playlist says we're full, but my gut reaction says a potential smash from a future superstar. Joan Jett has a runaway hit with 'I Love Rock And Roll' and also 'Crimson And Clover'. Rowdy hard rock and roll that already is pulling hot phones...Saxon's 'Out Of Control' jumps right out at ya...The buzz is starting to happen on the Donnie Iris record 'Love Is Like A Rock'. After talking with Mark Miller and giving this one a spin, the phone response started rolling in. It's working for us...When hearing Eddie Schwartz's 'Refuge' for the first time on the air, I thought, 'Oh, no, what have I done!' But after a couple of plays, I'm convinced that this Lp has got the sound that it takes to hit all demos. And that's not all bad...Question: Has anybody been getting negative response to the new Pink Floyd 'Money'? Most callers here say they would prefer to hear the original...Getting hot phones for: J.Geils Band, 'Centerfold'. By far the #1 request--currently #3 in sales...AC/DC's 'For Those About To Rock' is becoming a Twin Cities anthem...The Cars 'Shake It Up' is surprising everybody here but me...Finally, good to see the Twin Cities' own Lamont Cranston starting to break out. Apparently a few out there are starting to hear what we've known for years--that this band rocks! Compare them to whoever you want, but please check this record out...Considering: All Sports Band, Thrills, and Bryan Adams...Happy holidays to all. We'll talk to you again next year...A special Merry Christmas to: Skyboy, Craig Lambert, John O'Leary, and all the guys at ABX and RIF in Detroit."

WCOZ, BOSTON, MA M.D.-TED EDWARDS: "I'd like to take this opportunity to thank all the good folks that have done so much for me over the past year. It has been an incredible year for me, thanks to so many of you, both here at the rock and roll mother and at the Arctic Circle. I only hope this New Year is going to be as good for you as this one has been good to me...Thanks again! Happy Holidays!"

KBPI, DENVER, CO M.D.-JOE FOLGER: "Happy Holidays from Mile-High America...Thought Of The Week: Can a rock star make it with a name like Eddie Schwartz?"

WDVE, PITTSBURGH, PA P.D.-DAVE LANGE: "Well since this is the year end issue, I guess we should all reminisce. Overall musically, I don't think the year offered as much as I hope '82 will offer. Outside of maybe three albums, there are very few that are hot at the homestead...Final adds for this week include: U2 and a bunch of Christmas singles...I finally went with the U2--figuring that despite the lack of real deep hooks, the Edge's guitar playing has a good chance of growing on the audience. For the next album, I hope this band can step forward. That's what makes a great rock band vs. just another group that releases records."

KGB-FM, SAN DIEGO, CA M.D.-JUDY McNUTT: "After all this time, I still can't believe it."

WXRT, CHICAGO, IL M.D.-BOB GELMS: "I must admit I've been a hoser for years, eh!! With the Geddy Lee connection, the record should really take off. It's a bee-uty. Gotta go now, the dog is vacuuming the back bacon...I'd like to wish everybody a Happy Holiday Season with great expectations for the New Year."

KLOL, HOUSTON, TX ASST. P.D.-MICHELE ROBINSON SAYRE: "Happy Holidays to everyone from Chris and I, especially the hard working staff at Bill's new offices. Enjoy your time off. We'll see you next year."

WGRO, BUFFALO, NY M.D.-PAUL HEINE: "I'm still in awe from last night's Genesis concert in Buffalo--a dynamic, well-paced cross-section of new material which comes across real well and older Genesis classics. On stage Phil Collins is an animated, theatrical, humorous performer. The lights weren't bad either--a new computerized system that makes conventional concert lighting systems look obsolete. Thanks to: Mike Rutherford and Tony Banks for a lengthy on-air interview...Tonight Buffalo welcomes the J.Geils Band, and tomorrow night it's U2...The Bob & Doug McKenzie record is working well here, eh? We started playing 'Take Off' on a Friday, and by Tuesday everyone was walking around calling each other hosers and saying 'eh'. It's an instant reaction record that brings quick phones. It may burn fast, but until it's a real beauty, eh?...Top Five Retail: Stevie Nicks, Rolling Stones, Foreigner, Ozzy Osbourne, and Genesis...Also Selling Hot: Black Sabbath, Police, J.Geils Band, Triumph, and AC/DC...The Cars album is building in retail with the single kicking in...Bowie/Queen single is building...Medium Sales On: U2, Neil Young, and Molly Hatchet...Merry Christmas you hoseheads. See you next year."

KPRI, SAN DIEGO, CA M.D.-LAURA WILKINSON: "On behalf of Denise and myself, many thanks to: Lori Holder, Bobbi, and the folks at Epic for a great time at the Roxy last Friday night to see Gary Myrick And The Figures. Gary is a fine musician and quite the gentleman. If he comes through your town and you don't go see his act (which I might add is very polished now), then you are the fool! Don't let his record get buried in the swarm. Find room for him, and you won't be disappointed. Lori, it was a class act. Thanks! It was great being sober enough to recognize Michael Papale for a change...Musically: After probably too much deliberation, we added 'Wasting Time' from Schon/Hammer. Good stuff...Sneaker moves into hot...Henry Paul's 'Hollywood Paradise' is on, too...And just as I think we'll settle down for the holidays, Barry walks in with Joan Jett. Gut level rock. Definitely a contender...Sales: Go Go's still #1...Local News: I would like to extend a big welcome to Buster Bodine, our new Program Director, formerly of WNAP in Indianapolis. Welcome aboard!!!"

WHCN, HARTFORD, CT M.D.-BOB BITTENS: "The end of the year clean-up continues, as we tie together loose ends and make good on promises! Added this week are: a former Outlaw, and the latest AC/DC clone, that being Henry Paul and Starfighters...The #1 most requested song this week is Joan Jett's 'I Love Rock And Roll', and not just from active teens-but from a broad demographic spectrum...Honorable mentions that didn't make my Top 10: Phil Collins, Warren Zevon, Squeeze, Who 'Face Dances', Garland Jeffreys 'Escape Artist', Tom Petty, Foreigner, Pat Metheny 'As Falls Wichita, etc.', Miles Davis...To Dave Lange: U2 does work and it makes great relief amidst the AC/DC's and the Ozzy's. Try it, you'll like it!...To Roberta Haber: Now that you're feeling more positive about Joan Jett and now that things are so quiet in general, why not give a re-listen to her last record! The swagger and sneer were there too...To Rob Barnett: A quote-of-the-year award for another one bites the stroke...To everyone else: Have a strange, but happy holiday!"

WMJQ, ROCHESTER, NY M.D.-ROBERTA HABER: "I don't have any new records to discuss this week, but I'd like to backtrack a bit and mention a few Lp's that have been around for a while. I was real happy to see how many programmers mentioned Bryan Adams in response to last week's question-of-the-week. Who says new acts can't make it on radio anymore? The same applies to a few of my other recent favorites: Eddie Schwartz and Sneaker...I'd like to take this opportunity to thank all the record company people I deal with for realizing that clean, scratch-free records benefit both of us. Thanks for all the re-service. (I'll be hitting you up for more soon). Merry Christmas, Happy Hanukkah, Seasons' Greetings, Happy New Year, etc."

WIOT, TOLEDO, OH M.D.-BUCK McWILLIAMS: "It was a no-relief-weekend in Toledo as J. Geils and Red Rider rocked a sold-out crowd on Friday. Hot on the trails of the #1 Lp in town, J. Geils continued to amaze a town of people who for years have regarded them as one of the world's top bands...Foreigner and Michael Stanley invaded town on Saturday night for another sold-out show. Foreigner showed why they are one of the top contemporary bands. And Michael Stanley played with the confidence of a band who knows they're on the edge of stardom. It was good to close out the concert year on such a positive note. Now, if we could only get the Kinks and Triumph to play like they said they would...Nobody has more faith in an artist than Jayne Lippman of Atco does in Eddie Schwartz enough so to convince me to go on it! All I had to do is convince her that lazy music directors haven't made it to side 2 yet, where the strongest cut 'Heart's On Fire' is...Records not headed for a happy X-mas? Gary Myrick, John Hall, Al Stewart, Steve Miller, and Bob Welch...Finally, to those who have made my first season as M.D. such a pleasure? Have a great Christmas!"

WLIR, LONG ISLAND, NY M.D.-RAY WHITE: "Thanks to all who attended the annual WLIR Christmas Party at My Father's Place. As usual it was real sicko! Despite the new music drought, there have been an abundance of live shows and radio concerts. Monday we taped Yello Jackets who are one of the finest up-and-coming bands out of L.A. Live the band had more snap than on record! These guys are certainly deserving of rock radio airplay, and all at WB are totally supportive of the band. Now that things are slow, try fitting them in and don't be surprised if your audience responds in a positive way...The Knack was in town last week. We taped them also. Had them up on the air and I was very impressed. Not only was the show good, but the band is one of the finest bunch of guys I've ever run into. If you get the chance, put Doug and the boys on the air. They're quite good...The 'Great White North' record is destined to be an LIR classic. We're all SCTV fans and 'Take Off' better be DeBella's screamer next week! His current screamer is 'Radio Clash' by the Clash. The version we're playing is from the Import 45. It's a little more suited to what we're doing...No way was that new version of 'Money' recorded in 1981. Thanks to the Blizzard of Oz for the phone call. And it looks like Ozzy might end up being neighbors with us if he leaves England...Yesterday was the first anniversary of John Lennon's death and it was not easy doing a radio show. We were commercial free all day with Lennon and Beatle music, plus lots of interviews and rare recordings. Special thanks to writers Lou O'Neil Jr. and Musicians Magazine's Vic Garbarini for coming by and sharing their thoughts and feelings!"

WLRS, LOUISVILLE, KY M.D.-TERRY MEINERS: "Dear Mom, Dad, Sue, Dan, Ron, Eddie, Bryan, Dan, Bill, Al, Tom, Ross, Dick, Nancy, Jeff, Dave, Guy, Wynn, Beth, Van O, Heavy, Craig, Buzz, Mike Daryl, Bob, Mr. Bill, George, Susan, Louanne, Pamela, Jeff, everyone with whom I made some sort of contact with during 1981, everyone who I will make some sort of contact during 1982, and most of all Deborah: Bundles of joy during the holidays and blessed success during 1982. Never forget that all we have on this earth is each other. Let's make the most of our moments. Much love, Terry 'I still haven't said anything about music since September' Meiner."

WAPI-FM, BIRMINGHAM, AL M.D.-STEVE KELLER: "With all the currents we've got working so well right now - we decided to put the Christmas freeze on early this year. So, it looks like no adds this week... The Starfighters record sounds and looks good for us soon...To my ear the Joan Jett is a very solid record to work with, maybe on down the road...Personal to Mike Bone: You're gonna take me to the Ramrod next time I'm in NY? Gee, Mike, you must have misunderstood me last week. What I said was stop stuffing that Starfighters record down my throat so hard. I think perhaps you misunderstood me and uh... thanks, I think for the uh...it is a leather corset, isn't it? It's always a very pleasant surprise when someone shares something they made with someone else! I think your hobby in leather working is admirable and it shows you have interest in hobbies outside of records. I think you could have probably hand-tooled 'Property Of The Bone' into a much less conspicuous place. Thanks again! I'll cherish it forever--Merry Christmas!"

KZOK, SEATTLE, WA P.D.-NILS VON VEH: "To wrap up my year end comments, concert of the year: Tom Petty & The Heartbreakers at the Astro Park Club here in Seattle; movie of the year 'Prince Of The City'; worst bowler of the year David Gariano; prettiest bowler of the year EmmyLou Harris; best bowling shoes Bill Hard (two years in a row); MIA: Susan Costello...1981 has been a year of tremendous change both here in Seattle and throughout the industry. I'd like to thank everybody who has been understanding and supportive and I look forward to a prosperous and happy 1982 for all!"

WAAF, WORCESTER, MA M.D.-ROB BARNETT: "It's also the end of my first full year here. A big thanks to those that have helped and to those that I've learned from. Have a peaceful, fun holiday!"

WABX, DETROIT, MI M.D.-GREG ST. JAMES: "More good music in Motown, U2 was just in for a stunning show last week, and last night England's Bow Wow Wow wowed 'em in Ann Arbor! Speaking of England, I had lunch with two very nice English sorts today--Dave Stewart and Barbara Gaskin --through here to talk up their new single, a remake of Leslie Gore's 'It's My Party'. Great record!...Just gearing up for a happy holiday. Hope Santa stuffs your stocking with something nice!"

KSRR, HOUSTON, TX P.D.-ALAN SNEED: "Went with the Starfighters and Joan Jett. I was not knocked out by Starfighters at first as Jeff Cook knows, but it does sound like it fits on the air. We're giving the new Little River Band single a dayparted shot...We've also moved 'Abacab' to the powers...Fast Sales Movers Include: Rod Stewart, Quarterflash, Lindsey Buckingham, and Pink Floyd...Have a Merry Christmas and a Happy New Year, and good luck to everyone in '82."

KDKB, PHOENIX, AZ M.D.-J. DAVID HOLMES: "KDKB brought Del Shannon into town last night and raised the roof with a very special guest star, Tom Petty, at a local club here. The audience was wild and seemed to be very receptive to Del's new music...Also last night on the air, we had a special program called 'Remembering One Year Later', a two-hour tribute to John Lennon that I co-wrote and produced with the KDKB midday man, Larry Hayes. Phone response was very good for it, and we'll be repeating it this Sunday afternoon right after the Rolling Stones concert here in town...We're proud to be a part of the Stones concert with George Thorogood opening. We're inviting our listeners to come down to an instore Saturday night and meet Thorogood...Looking at: The new Tubes 12"...Strongly considering: Peter Cetera, Bob Weir, and the new Kinks single...Phones are heavy for: Loverboy, Rick Springfield, Cars, and J. Geils Band... I'd like to wish everyone in the business and their families a wonder Christmas and a very prosperous New Year."

WFYV, JACKSONVILLE, FL M.D.-CHARLIE LOGAN: "Record of the week: Joan Jett. A week late but you can list me with all the other believers. 'I Love Rock And Roll'--nothing could ever be a better image song. At first listen to the Christmas 12"--I laughed at Little Drummer Boy! I went away smirking cute, real cute. Then I put on the Lp and 'I Love Rock And Roll' hit home with me. It blew me away, so I put it on again and cranked it up. I was hooked! On it went a third time and by the time it ended, the police were banging at my door telling me I'd have to get a permit to have this type of party. All I can say is the lady's long overdue plus she has sincerity and conviction comparable only to Chrissie Hynde. So, watch out Miss Spandex Benatar. This is fresh, clean, fun rock and roll...Adds: Bryan Adams! Ever since this Lp came out months ago I've been real high on 'Lonely Nights'--One of my ten favorite Lp's of 1981! Bryan Adams has all it takes to stick around. A writer and performer with a distinctive sound all his own. This Lp has stuck around and is re-emerging now because of one reason--it's all in the grooves...In the spirit of the holidays we've added the tinsel to our musical tree, Springsteen 12", Billy Squier's Christmas 45, and the new single from Yes=men Chris Squire and Alan White...Saleswise: AC/DC at #1 and Rush at #2 for the second straight week; J. Geils at #4; Loverboy #7; Molly Hatchet moves 16-14 (surprisingly too, reaction to this record, being this is their hometown) and U2 debuts at #20. We are getting excellent phones everytime we play 'I Fall Down'. The Lp is starting to sell through. If you're not playing U2 yet, you're missing out on the brightest new band of the 80's... Finally, to Bill, Susan and staff of FMQB, enjoy your vacation. To everyone else from both Rad and myself, have a happy and safe holiday! Get ready because 1982 is going to be one helluva year!"

WPYX, ALBANY, NY M.D.-RON NENNI: "A good day from the best comedy TV show, SCTV's Bob and Doug McKenzie. And it's the best comedy album for our audience! How can they miss with Geddy Lee on 'Take Off'! Send down some badors so we can get loaded, eh?...A couple of things deserve a shot before '82. The Kiss record is not to be ignored. Why be afraid of good music? 'The World Without Heroes' is a h-i-t! To alleviate any image problem, we're back-selling it as music from 'The Elder'...Among the slew of metal, 'Silver Lady' is the cut for us from Starfighters. It will stand out as a balance song... Of course AC/DC is exploding...Encouraging progress on the following albums on sales and requests: Henry Paul Band, Joan Jett, John Hall, Neil Young, Molly Hatchet, and Greg Lake is up to #13 in sales... Outstanding response to Bryan Adams 'You Want It You Got It', 106-second record run promotion. There were over 6,000 entries. As the sleeper of the year everyone is finally waking up! We're confident that Bryan Adams will happen in '82...We'd like to thank everyone for a great year in music and support of PYX 106...May all the acts that deserved to break in '81, do it in '82...Happy Holidays. Now I can give my ears a break!"

WSYR, SYRACUSE/UTICA, NY M.D.-TOM NAST: "Okay you hoseheads, we've been playing 'Take Off' by the McKenzie Bros. for about two weeks, eh! All I can tell you is if you don't play this one you're real lame ducks, eh! Tell you what--get a couple of cases of cold ones, put the record on your stereo, eh, have a friendly game of beer hunter. I guarantee after that you'll add this to your playlist, eh. 'Great White North' will be the biggest comedy Lp of 1982, hands down! Just remember Moser rhymes with hoser...The Joan Jett record goes on this week. It's gritty rock and roll and since I used to have nocturnal emissions about Joan when she was in the Runaways, I figured I'd play this one. Already some retail interest on this one...The Starfighters cut 'Silver Lady' is the kind of song that will pull great phones after some solid airplay...Remember Saxon, drugs, and rock and roll? Play it loud and get some great nighttime phones...AC/DC starting to fly out of the stores now! It started slow but it's moving great now...Bryan Adams picks up sales consistently every week. Bryan is no doubt the best new vocalist of 1981...Hey, Jon Scott, when can we bet on another hockey game? Hope 1982 shows you continuing with your great conference calls...If any radio station in the Northeast or anywhere has a hockey team and wants to play our 94 Rockets, let me know."

WAQX, SYRACUSE, NY P.D./M.D.-ED LEVINE: "The Joan Jett album is infinitely better than her debut! Last night we featured it and on top of the album doing very well (8.6 on a 10 scale), it got twice the response of any album we have featured in the last 2 weeks, including the AC/DC...The Bob and Doug McKenzie is absolutely a natural, as close as we are to Canada. By the way, did you know how they named Canada? They just started spelling it out 'C eh? N eh? D eh?' The Geddy Lee connection may make it stick across the country...Speaking of canucks, I'm happy to report that Bryan Adams goes into heavy airplay this week. Judging by people's comments last week many share our commitment to Bryan. Glad to see the ranks of his supporters growing...Also wanted to mention that the Foreigner album (due to the single) is making an incredible resurgence--#2 this week in retail...The J. Geils is outselling the new AC/DC by a mile--it is #6 retail. AC/DC doing very well at #9...1981 has been a very good year for 95X--Two consecutive up books, and it has been a very satisfying one. Happy Holiday to everybody and talk to ya in 1982!...Personal Top 10 for the year: 'Tattoo You', Dan Fogelberg, Stevie Nicks, Foreigner, The Police, Journey, Billy Joel Live...New Years resolution: To take as many record calls as possible! Just call on the right days damnit!"

WQDR, RALEIGH, NC M.D.-BOB WALTON: "We finally added Bryan Adams and I'm more than happy to give this record a shot! I THINK IT DESERVES IT and I don't think it's going to disappoint us at all...The Eddie Schwartz record has gone beyond just a texture record. We're getting good calls, esp. female calls on the title track and 'Spirits Of The Night'. We moved John Hall up to heavy because of all the phone calls for it. Ditto with J. Geils band and the Police. Definitely our two hottest records, and our playlist is frozen til further notice (but we'll still take social calls)!"

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "G'day. How about those McKenzie Bros. eh? Beauty! We've been rolling since we first heard the record. There isn't a person at the station who hasn't called somebody a hosehead yet! We also have some real snappy ID's that Doug and Bob did for us. Beauty, eh? 'Take Off' and '12 Days Of Christmas' have already got the little hosers calling us all the time... Besides the McKenzie's we also added Starfighters, Adam And The Ants, and Clash 12"...By the time this issue hits the newsstands we will be finishing up the 12 days of AC-December. We've been giving away an AC/DC WCMF satin tour jacket for each of the 12 days before the 2 AC/DC shows on the 16th and 17th. Response has been overwhelming...For Christmas we have a tree in the air studio and we are inviting listeners to place homemade decorations on it for which they will receive an album...Personals: Thanks to Renaissance for the on-air visit and spectacular show...Congratulations to Polygram's Alex Maye and his wife, Barb, on the birth of a blessed event. Beauty, eh?...And on behalf of myself and the entire staff of WCMF, we wish everybody the merriest of Christmases and a rockin New Year. G'day!"

WMYK, ELIZABETH CITY/NORFOLK, VA P.D./M.D.-BILL SIMMONS: "Music was neglected this week due to the sudden announcement that the Rolling Stones would play their last two dates here in the Tidewater area... Merry Christmas to everyone from all of us here at K94."

KWXL, ALBUQUERQUE, NM P.D./M.D.-BILL STAMBAUGH: "Top 5 sales: AC/DC, Foreigner, Stones, Journey, and Loverboy...The real surprise seller so far this week has been the Go Go's. They came out of nowhere after a week's airplay. They're in the top 20 saleswise, and requests are building...Last night we had a George Thorogood concert. We were stop #47 on his 50/50 tour. He lived up to his name. He destroyed the crowd with over 2 hours of fabulous rock and roll...The only new music that interests me is the Donnie Iris. 'Love Is Like A Rock' really sounds good."

KSJO, SAN JOSE, CA M.D.-JIM ROBINSON: "Having seen Journey play last week at San Francisco's Cow Palace, one of 3 sold-out engagements, I have to salute the band and its management for the most coordinated sales effort I've seen in the business. They gave the audience the hits they came to hear, made their fans feel important, and they pitched them practically into the parking lot to buy shirts, buttons, hats, and you name it. A lot of money changed hands that night, and everyone seemed more than satisfied with the show. All rock and roll and no b.s., as it were...The Tubes are making appearances around the Bay area as well. Damn those guys are good! I wouldn't be surprised to see Fee Waybill as the star of the '80's. What an actor: Thanks to Jon Scott for the Tubes single from 'Modern Problems'...The Dead are playing Oakland Auditorium Arena New Year's Eve for \$20 a head. Somehow that doesn't compute, unless, of course, you eat the ticket stubs...Have a warm holiday."

WLVO, COLUMBUS, OH M.D.-TIM SMITH: "I have to talk about Starfighters. This is a town where we have played AC/DC since back in '77 and have always had great success with it. We are more than happy to play a record that sounds very much like the early AC/DC. I'm sure once kids find out who is in the band--they'll pick up the record as much as any 'Dirty Deeds'...Probably the best Christmas record to come out is the Billy Squier. Getting instant hot phones on this one...We decided to add Gary Myrick after seeing calls and trade adds for 3 weeks...Finally, the Josie Cotton record--it's most interesting, but I doubt if we'll ever play it."

KZOK, SEATTLE, WA M.D.-CRAIG MARTIN: G'day you hosers. Being located just south of the Great White North, we feel almost like brothers to Bob and Doug McKenzie. Wait, pass me one of those Molsons, eh? Thanks. All right then, all the hoseheads around here agree that the 'Great White North' is a great album, especially if you listen to it while drinking a couple of six packs--and have a ready supply of back bacon. Boy, I'll tell you, you'll be plenty hosed by the end of side two. 'Take Off' is a hit song because it's short and, like, has a hook, eh? And they tell me it would test well--even though I don't know what that means. Hey, my beer's finished. 'Take Off' and toss me a fresh one, eh? So, I'd just like to take time out from my Molson here to wish all you hosers in the lower 48 a Merry Christmas, Happy Hanukkah, and Happy New Year, eh? Now 'Take Off' you hosers. G'day."

WTUE, DAYTON, OH M.D.-JIM KINNEY: "Our only adds this week were Peter Cetera and 'In Harmony II'...Cheers to Columbia for finally making the Springsteen track available on a single record. I only question how people will know it is available to be bought...I'm glad Cetera is moving up. I liked the album when I first heard it, but I just wasn't sure how far it would go. I'm glad we finally added it this week...I'd like to mention a couple of tracks that I think people are missing. One of them is 'Tonight' by Ozzy Osbourne. If Jet doesn't release this as the second single, I won't believe it...The other one is on Black Sabbath. We're playing and getting a good amount of phones on 'Country Girl'...For the second week in a row McGuffey Lane is #1 in sales. I suggest people check out: 'A New Beginning', 'Start It All Over', 'Don't You Think About Me', and 'Outlaw Rider' for starters...Other sales notes: J. Geils Band takes over the #2 position, AC/DC is #3, and Ozzy is #8...And, last but not least, have a partying and stimulating holiday season from all of us here at TUE."

WLAV-FM, GRAND RAPIDS, MI P.D.-DAVE LOGAN: "Every so often we experience a concert that signals the birth of a fresh, new awareness in music. The one problem is that they arrive all too infrequently. In our case it was a double blessing this past weekend in Grand Rapids, where U2 and a bold, new quartet called Art In America met the audience on their own terms and captured their hearts and minds. U2 brought a quiet perseverance to the evening that washed everyone clean, and had the near-capacity crowd frolicking in the aisles...But the real coup of the evening came from a band that promised the moon and delivered it all--Art In America. This most inviting foursome embraced the crowd with a gentle sensitivity from start to finish, and gave my ears (and everyone else's) a lesson in how to listen to fresh, expressive, new music. That has to be the ultimate strength and gift of this outfit. Once you get past the visually arresting element of their presence, you find yourself exploring their music through a comforting two-way avenue created by the band. I can't recall being so taken by a first-time experience in years. Given their new sound affiliation and opportunities, I can only offer my wholehearted support for a band that I feel will bring the same freshness and glow to the ears of many of you in the months to come. I felt like I was 'part' of something, and that's a feeling that makes this job so rewarding in the first place...Back to earth. Not much in the sales department except the powerful surge behind the U2 album following the concert. It's now a top 20 item here...Also blowing its way into the big leagues is the Quarterflash album--now at #15...Gary Myrick continues to anchor himself in the top 10. The leaders for us continue to be the title cut and 'Penetrate My Heart'--though 'My Girls' is a strong item too...Requests monsters: 'Jukebox Hero' (this has to be the third single!), 'Lunatic Fringe'; and any J. Geils cut...Plenty of calls about the Journey import too, which Neal Schon said should be out in time for Christmas. Any truth to this, CBS?...One more note, for the past 10 weeks I've been enthralled with the Bill Champlin advance cassette. I realize this is a January release, but if Marty would let me, I'd have 'Satisfaction' and 'Stop Knocking On My Door' blastin' on the radio right now...P.S.: The Clash Ep is the future. Be hear now!--OK...And kudos to the Tubes single. Chevy Chase never had it so good in any of his movies."

KTIM, SAN RAFAEL, CA M.D.-BELLE: "GOOD RADIO YULE! So say our seasonal KTIM buttons, and this we say to you: Have a Happy Holiday, be well, and let's have some brave radio resolutions next year. If everyone took a stand on at least one issue of importance, and worked at positively changing or restructuring that inconsistency, think how much closer we would be to creating a medium that is informative and enlightening and competitive. MTV, cable radio, and video games are all flooding the market; and, if we're not careful, we will watch radio become obsolete or change dramatically in our lifetime. It's think-or-swim time. Me? I have floating capabilities (hold the super-lungs jokes, please)...Certainly the Tubes will always be around to keep us from going under. Fee Waybill is here at the station enamoring all the ladies and preparing us for the absolute greatest rock and roll show we'll ever see...Finally added the Blasters. Couldn't resist, especially since 'Marie Marie' did so well here when we played it by Shakin' Stevens. Now we can really focus on the booger and burn some styli mili on it...One more in the 'you-heard-it-here' button series before we blow this year off: Del Shannon--he plays this Saturday at The Stone in San Fran. Fashionably hip button for our high steppin' audience...Love the Lamont Cranston. It shot out of light airplay into medium--the dj's insisted...We also love the Romeo Void...KTIM live at Hun Sound. Creedence fans eat your heart out--Tom Fogarty plays for the Bay...Next year, y'all. Take care."

WOUR, UTICA/SYRACUSE, NY P.D.-DALE EDWARDS: "A safe and happy holiday to all of ya's. Pray for peace."

WPDH, POUGHKEEPSIE, NY M.D.-STEW SCHANTZ: "First of all, thanks to all record companies for their generous giving for our Christmas season at PDH. A Merry Christmas to all, and we're looking forward to a great '82...As for this week's music, The Clash are trash; the Tubes are better than anything on their last album; and, Billy Squier--finally the Christmas song."

KTYD, SANTA BARBARA, CA M.D.-SUSAN CHRISTOL: "Adds This Week Included: Romeo Void, Peter Cetera, King Crimson, The Clash 45, Tubes 45; and, a single by Dave Stewart and Barbara Gaskin...As Christmas nears, two things happen: Less new product, and we get a chance to reflect on things we just didn't have time to listen to before; and, holiday programming reaches the near-chaos level. We're doing all kinds of Christmas rock specials and running a food collection for the World Hunger Coalition. Yes, Virginia, people go hungry even in Reagan country...We're also busy promoting a 1982 KTYD Rock And Roll Calendar--which is going out the doors of local record and book stores at an unbelievable pace. We're featuring 12 local rock bands, 52 weeks, and 365 days...The air and programming staff enjoyed two excellent shows last week: Gary Myrick in LA and Greg Kihn here locally. The audience at both shows responded overwhelmingly. We at KTYD would like to wish everyone in radio and record-land a great Christmas and holiday season...See you next year."

WOBK, ALBANY, NY M.D.-LIN BREHMER: "Some end-of the year comments. The following is a list of records we played in 1981 that elicited enormous phone response, sold records, and were virtually ignored by the majority of album rock stations: Both U2 albums; Go Go's; The Dregs; Buddy Guy; Squeeze; Al DiMeola with John McLaughlin and Paco Delucia; Rocket 88; Elvis Costello, 'Trust'; The Clash; Rickie Lee Jones; Dave Edmunds; Gil Scott-Heron; Amy Bolten; Holly Stanton; and, the Neville Brothers. I think we should remember that radio can set its own standards for accessibility. Its influence can shape taste without being pedantic. There seems to be a stigma attached to stations that attempt to inform and challenge their audience. Yes most of us can point to a radio station that in more carefree days taught each of us a great deal about new music. What manner of contemporary musical heritage are we leaving in our wake? Where is the danger? Where is the passion? If we have learned anything about public reaction to new music, we have learned that reaction is greatest where we least expect it. Or have we forgotten how many surefire picks-to-click hits lasted less than a month. I guess I'm just waiting for a rebirth of wonder. I've been working as Co-Music Director for a year now, and I'd like to say I appreciate the help and concern for our programming I've experienced from record people I've talked with over the last year. I'd also like to mention my respect for Ron Nenni's ability to stretch the musical approach of an oppressive structure. I like to think our influence in the market helps him accomplish that...Have a great holiday. I'll be playing 'The Beer Hunter' with my brothers, Bob and Doug, eh..."...**ELLEN MCKINNON:** "End of the year listener album poll time is on us again. How quickly the year has passed! Q104 solicits listeners' fave LP's of the year and plays them 10PM each night during Christmas week. It'll be interesting to see what our listeners chose. My five programming favorites are: The Clash, Steve Winwood, Santana, Rolling Stones, and the Go Go's...At home faves: Nils Lofgren; Joan Jett; Buddy Guy; Elvis' 'Almost Blue'; and, 'Dirty Mind' by Prince."

WKWF, KEY WEST, FL M.D./P.D.-BRUCE YOUNGBLOOD: "Instructions for all P.D.'s and M.D.'s: Open Lamont Cranston, go directly to studio, and put in heavy airplay, 4 cuts deep, i.e.; 'I'm So Shy', 'Two Trains', 'Pebbles', and 'What Love Will Do'. These guys play the same essential style as many hard rock bands, only with more grace, skill, finesse, etc...Romeo Void's new Ep is good, progressive pop--musical texture everywhere...Adding another cut from the Zipper's Ep, 'Falling Off The Edge'...Moving U2 to heavy airplay--where they belong...About the Question Of The Week last week: the most overlooked band for the second year in a row was Sniff 'N' The Tears...To KZEW, Dallas: Send your winners to Key West. They'll get it all--great radio, sunshine, scuba, sand and sea, plus the most beautiful island and reefs in the USA...Happy vacation to one and all at the Hard Sheet. Merry Christmas and Happy New Year to everybody!...Adds: Lamont Cranston, Tangerine Dreams, Romeo Void, George Carlin, Starfighters, Raybeats, Clash Ep, Bryan Adams, Saxon...Singles: Blues Bros...New Wave Feature: David Byrne...All That Jazz: Appetizers."

WTPA, HARRISBURG, PA P.D.-JEFF KAUFFMAN: "Last Tuesday was the first anniversary of John Lennon's death and, unfortunately, too many people treated the occasion as a day of mourning. While paying proper respect to the tragic and premature loss of this creative genius, we tried to make it a celebration of a man and his music. The 5-hour BBC tribute to Lennon was the perfect way to express our feeling and, at the same time, share with our audience the proof and product of that genius. Lennon has always been our favorite Beatle and, after the group split up, it was evident that it was his bitterness that kept McCartney's music from being painfully sweet. After the breakup, McCartney went saccharin, while Lennon, free of that sugary influence, realized his full potential as a chronicler of our times and what his attempts to deal with the changes our times put him through. We miss him. But we'll continue to celebrate his talent... Adds: Starfighters, Eddie Schwartz, Joan Jett."

WYMX, AUGUSTA, GA M.D.-MARY PILLINGER: "Playing catch up. Adds last week were: Pink Floyd's remix of 'Money'; Billy Squier ('My Kinda Lover' lusting up the phone circuit); and Donnie Iris ('Love Is Like A Rock' is a monster on-the-air)...Adds for this week: I am flabbergasted at the response we got to the new Kiss album, but probably not half as shocked as the people who fell out of their chairs when they found out they were indeed asking for new Kiss. Nighttime requests heavily slant in favor of 'The Oath', while daytime and upper demos drive on 'World Without Heros'...So, while Kiss socks 'em, Joan Jett's been rockin' 'em. 'I Love Rock And Roll' is, quite simply, a rock alma mater...Peter Cetera's 'Limelight' was also an add this week...Heaviest phones continue for AC/DC; J. Geils ('Centerfold' is starting to burn-out, while 'Freeze Frame' begins to pick up momentum), Neil Young, and Stevie Nicks...Top sales: New at #1-AC/DC; Nicks, Police, Rod Stewart, and Stones...Our thanks to the Rossington Collins Band and the Henry Paul Band who put on one hell of a high energy show here to nearly a sell-out crowd. Owen is still drooling over Dale Krantz...And my personal thanks to everyone who helped ease me into my first year as Music Director of Rock 106. May Santa be as good to you as you've been to me...Looking forward to the New Year and the new product boom in 1982."

WOWD, TALLAHASSEE, FL P.D.-DICK BLACKMON: "D103 Adds: Joan Jett and the Go Go's...We're also playing 'For The Walrus' by Sando. I must admit, I was at least skeptical upon hearing that there was another John Lennon tribute on the way. But I find this to be one of the most emotional, reflective, accurate tributes I've heard. This Sando has managed to express his sadness, confusion, and loneliness about the Lennon tragedy in such a way that I feel relieved after listening. 'And this will be one yesterday we'll all remember'...I believe in the Donnie Iris record--so it moves up in rotation...This week in sales, leaders are: Stevie Nicks, the Cars, the Police, and Foreigner."

WMAD, MADISON, WI M.D.-DALE WOLTER: "Top 10: Rickie Lee Jones, Joe Jackson's 'Jumpin' Jive', Stones, Tom Petty, The English Beat, M&M & Val, Pretenders II, Phil Collins, the Kinks, and the Clash...Comments: Rush has come up with the perfect Christmas package--#1 in sales and requests this week. A close second, just happened to be AC/DC. And, we stand amazed at the longevity of the Kinks--monsters in calls, with sales not far behind...A few thoughts from the week: A fine Grateful Dead show in Mad-City, despite the lack of a certain Moran character...My god, first we're supposed to add 'Money' again, now we're expected to add a good Kiss album. I'm a bit confused...Thanks to both Ricks, and you other Atlantic folks, for helping to broaden those lines of communication...And, finally, Happy Holidays from all the guys and gals in Madison...Personal to Clifford in Long Island: Looks as though the Chicago Wimpos need a coach. Too bad Bart will be busy next year. The pack rules in '82!!!"

WVBC, PEORIA, IL M.D.-WENDY RICE: "Adds: Joan Jett's 'I Love Rock And Roll' and 'Little Drummer Boy'."

KKRQ, IOWA CITY, IA M.D.-TED BURTON-JACOBSEN: "The Silver Sow Award goes to: Tim Bogert. A good album by a hot talent to fill the pre-holiday gap...Please some major label, pick up Mal And Val and run with it. Our audience squeeze-box is on high speed, and we can't turn it off...Nice to see John Hall break through at last...Adds: Tim Bogert; Bruce Springsteen, 'Santa'; Lamont Cranston; and, Saxon...It's hard to believe it's been a year since we lost John Lennon. We're still all trying to figure out what he meant to us."

KSMB, LAFAYETTE, LA P.D.-SCOTT SEGRAVES: "Yes, they do party some here in Acadiana; and yes, that stuff does cause brain damage; and yes, some of the partiers thought we were playing with their head with the new version of 'Money'. (That's okay, the first time I heard it on the air, I did too)...The Stones concert was a Tazmanian tail-kicker, with an incredible lead-in from George Thorogood--87,500 maniacs there, with over 7,000 tickets sold here in Lafayette...Seasons Greetings to the Hardheads, and thanks to everyone who has made this such a great year for us."

WYFE, ROCKFORD, IL P.D.-LES COOK: "Congratulations to: Magic...To Mark Stevens: You've got a good man...Onto the music now...A Rockford group is coming out with a new album to be released on December 21st. It'll be distributed by MS. It's a good rock and roll record by the Dreamz, and the album is called 'Nightmarez'. It's a good Midwestern rock and roll record and worth a listen...Great new Christmas music by: Billy Squier, Foghat, Chris Squire/Alan White, and Joan Jett...A very Merry Christmas and Happy Holidays to all."

WRKI, BRIDGEPORT, CT M.D.-BRUCE GOLDSSEN: "Added: Bob & Doug McKenzie, eh!...Heavy: J.Geils Band, Rolling Stones, Cars, Quarterflash, Queen/Bowie, Rod Stewart, Steve Miller, Lindsey Buckingham, Loverboy, Molly Hatchet, Ozzy Osbourne, Genesis, John Hall, Red Rider, Survivor, Triumph, Black Sabbath, AC/DC, and the Police...Looking at and liking: Starfighters...Looking at: Neil Young...Nice seeing all the folks in the Apple last week...Thanks to: Robyn and Bone, and Linda and Bloom for the 'good times'...It's nice to know the 24-hour hotline number for S.L.I.C....As we all get ready for our year-end rest, which happens to coincide with our fifth anniversary, I'd like to thank all the many people who have believed and helped out I-95 since Buzz and I took over a year ago. You've made my job really easy and a lot of fun. Here's to a great '82, and have a terrific holiday."

KFML, DENVER, CO P.D.-IRA GORDON: "Our Adds: Cowboy Jazz (for fans of Dan Hfcks and the Hot Licks--don't miss this album); Claudia Schmidt; The db's import album (thank you, Steve Leeds--the first song is a hit); and, our local favorites, the Aviators Ep...If you'd like a copy, call us at 303-751-1390...Two Top 10 singles this week here are: Stray Cats import and Josie Cotton's 'Johnny Are You Queer?'. Thank you, Elektra Records for picking up on Josie. Now will somebody PLEASE sign the Stray Cats? I guess everyone last week was talking about Stevie Nicks' most recent appearance in Boulder--sure wish I was invited...Stay tuned, next issue the KFML staff music awards for 1981!"

WZZO, ALLENTOWN, PA M.D.-BRUCE BOND: "Arista should love us this week. Our two adds are: Starfighters and Bobby & The Midnites. Both the tracks that we're playing from the albums seem to grow and grow and grow on you: 'Silver Lady' and 'Too Many Losers', respectively...Speaking of Arista, rumors have been flying every which way of the Kinks stopping by the great Lehigh Valley for an evening of rock and roll. We told the Kinks, and they're just giving the people what they want. You think that's news? The Kinks beat AC/DC in requests this week with the Stones and J.Geils Band right behind. Now if we can get those three groups in concert!...In Sales: I just can't believe the Go Go's!! They'll soon run out of room. Those females moved up another notch, and are bulging at the #4 position surrounded by superstars at both ends...J.Geils, Genesis, Loverboy, and the Cars are picking up, and Kiss is being questioned...As for tonight, the beer is in the BMW, and Tom Kelly and I are going to be part of those about to rock. It's AC/DC at the Spectrum--I can't wait!"

WOMF, LOUISVILLE, KY M.D.-DUKE MEYER: "Still working for the Sneaker record. Really can't put my finger on what it is about the record, but I can feel it in my bones...True confession time. When the Peter Cetera solo Lp came in, I was lukewarm towards it. But after many listens and the help of Nancy O., I think it's gonna be a killer for us...Stevie Nicks, Quarterflash, Triumph, Cars, and Genesis still burning up research and the phones here...I listened to the Joan Jett record over and over again the other night and fell in love with not only the record, but with her. Oh, Joan, please come attack this greasy Arab. We added: 'I Love Rock And Roll'...Finally won the Bryan Adams battle. We added: 'Lonely Nights'...Also Added: Bob Welch, 'It's What You Don't Say' (there you go, Mike D.); Saxon, 'Out Of Control'; and, Pink Floyd, 'Money'...A great Christmas to all the record folks I deal with, and to the lovely ladies at the Hard Sheet who take my comments...To all the M.D.'s: May you get all the adds you ever wanted."

WRCN, LONG ISLAND, NY M.D.-JIM BUCKLEY: "Adds: McGuffey Lane and 'In Harmony II'."

WXUS, LAFAYETTE, IN M.D.-BOB MAJERSKY: "This Week's Adds: Bryan Adams, 'Lonely Nights'; Eddie Schwartz, 'No Refuge'; Joan Jett, 'I Love Rock And Roll'; and, 'In Harmony II', Bruce Springsteen's 'Santa Claus'...The entire staff at WXUS would like to wish all the fine people at FMQB and all of our friends in the record industry Happy Holidays, and we're looking forward to working with all of you in 1982."

KILO, COLORADO SPRINGS, CO M.D.-ART PHILLIPS: "1981-fun. KILO's Top 10: Steve Winwood; Kinks; Rolling Stones; Rush; Phil Collins; REO Speedwagon; Santana; Police, 'Ghosts'; Moody Blues; and, Tubes...Runner-up: Jon And Vangelis...Best New Act: Go Go's...Radio's Best Effort: Loverboy...Hardest Working National Promotion: Michael Plen for the Go Go's; Roger Lifeset for Ozzy; and, Lenny Bronstein for Diesel...Best Local Promotion: You know who you are, now get outta here...Denver's Rookie Of The Year: Mike Linehan; runner-up: Dan Ward...Soul Brother #1: Kid Leo...Best Concerts: Stones, Bruce, and Devo...Egg In Face: Meat Loaf...Long Shot That Paid: Chilliwack...Un-radio Faves: Iggy Pop, Undertones, Stray Cats, Psychedelic Furs, and UB40...Good numbers to all and to all good numbers...Final Adds: Peter Cetera, Jam Ep, and Tubes 45."

WAAL, BINGHAMTON, NY M.D.-JOHN CARTER: "We added Kiss this week. Someone last week mentioned that they were, in fact, selling it to their audience. I agree, and I think it's a real good piece of music. I hope people aren't tied down by an old image. You ought to give it a shot...For a touch of Christmas, Bruce Springsteen arrived with 'Santa Claus'...Adds: Peter Cetera, Starfighters, Fountainhead, Kiss, Bruce Springsteen 45, and Delbert McClinton."

RADIO ACTION CONTINUED

WRNW, BRIARCLIFF MANOR, NY P.D.-RON RIZZI: "Today's a rather sombre day, being the first anniversary of John Lennon's death. It seems however it's still a media event. The coverage here between the newspapers, radio and TV remind us of that grim day. We're broadcasting the BBC Lennon Special in his honor, December 15th--and today we are playing Lennon music along with our regular programming. On a lighter note, we have managed to get a hold of 144 different rock books including Dalton's 'The Rolling Stones'; Marsh's 'Rock Lists'; Harrison's 'I Me Mine'; and Henderson's 'Hendrix'--as well as 10 others. We'll be giving those away throughout the Christmas season and one lucky listener will receive the complete rock book library--along with a copy of 'The Complete Beatles', courtesy of various publishing companies...Music this week is light. We're adding: Starfighters, the Squire/White 45, the Clash 12", Midnight Flyer, the Blues Brothers and Yes and Grover Washington for our jazz programming...It's time for Christmas parties and birthdays. This month is a great one for all of that...Speaking of Christmas parties, thanks to Ray White, John DeBella, Denis McNamara, Bob Kranes--and all those great people out at WLIR. Their Christmas party was incredible...And thanks for allowing us to get crazy. It was lots of fun...Everyone at WRNW wishes all of those at WLIR Happy Holidays and a great 1982...Roy Rosenberg: Laurie said you can't cook dinner. No frozen foods, either!...Wolmark: Who was that girl?...Ray Free plays a mean sax--and Danny Busch knows more than chopsticks on the piano. Cheers!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN: "To all record folks, my apologies for being so-hard-to-get the past couple of weeks, but believe me I've been in a whirlwind...J. Geils and the Stones are battling out the top retail honors...Phonewise, J. Geils 'Centerfold' is taking off. Consistently it is one of our top requested tunes. We're seeing other phones for: Kinks, Quarterflash, Cars, Stones, Foreigner, Lindsey Buckingham, and Stevie Nicks...Promotion Director Rick Kelman went up to the Capitol Theater in Concord to give away some goodies last week-end. He has Joe Perry tickets, Lps, and food coupons to give away to anyone who showed up at the theater with a rock and a roll! We mentioned the fact that Rick was at the theater once, at about 5:30, and by 6PM all the giveaways were cleaned out! People were streaming into the theater--and Rick will be throwing rocks--and eating rolls for weeks. It was an impressive turnout...We're not adding anything this week; however, I'd like to air some views on Joan Jett. This Lp is more cohesive and better overall than her last one. Although I was underwhelmed with the remakes (as I usually am) I really liked 'I Love Rock And Roll'. It is one solid punchy rock and roll tune...We won't be reading each other until after the holidays, so I, along with P.D. John Seiv, wish everyone a wonderful holiday season. In January we'll be talking to each other again, and we'll do it all over in 1982. Enjoy!"

KLAQ, EL PASO, TX M.D.-ROB ROMAN: "Adds: Joan Jett, Savoy Brown, Delbert McClinton, Saxon, and re-add on Billy Squier for 'My Kinda Lover'...AC/DC is the top sales album this year for one given week. A new revival of Billy Squier--'My Kinda Lover' goes back into h-o-t rotation...Don't ignore the Saxon record! I know there is a lot of metal crunch out now but this one will fit right in. The cut is 'Out Of Control'...Thanks to Sharon White and MCA for the nice Who interview and promotion we aired during Thanksgiving. Thanks also to the smiling Italian, in the Golden West for all his favors. They are much appreciated... Looking at The Jam and Midnight Flyer for next week."

WDEK, DEKALB, IL M.D.-ED KNYCH: "With the slowdown in new releases, we've decided to push a few lesser known bands; namely: Rodney Crowell, Lamont Cranston, the Blasters, and Gary Myrick. All those have moved up to medium this week...Our adds are: Lamont Cranston, Commander Cody Band, McGuffey Lane, Roy Sundholm, Rough Trade, and The Jam...This will be our last report for the year as our music department makes its yearly hibernation. So, Merry Christmas to all and to all a good night. See you in '82!"

WKQQ, LEXINGTON, KY ASST. P.D.-DAVE KRUSENKLAUS: "It's been a very full week for us in the Bluegrass. We received five days notice that the Rolling Stones were going to include Lexington in this year's tour! The show is Friday night, and it has taken a lot of preparation for the station to score promotional value. All the pieces are falling into place for Friday night's concert, and we're looking forward to an exciting evening...Let me thank some people at various radio stations we have contacted this week for their help in putting together some concert updates...Looks like the hottest record in the past three weeks is the Joan Jett album. Sounds better to me with every listen and I think we're going to be able to use both 'I Love Rock And Roll' and 'Crimson And Clover'...I have to credit my local WB rep, Kevin Carroll, for his on target instincts in regard to Peter Cetera. On the first few listens, I didn't think this record had anything special--but Kevin kept plugging away at 'Limelight' and lo and behold the tune is working. That has convinced me to give the record a shot...Strong first week requests for the Go Go's...Getting strong phones for: AC/DC, the Kinks, and J. Geils band...Gotta run--so let me express my sincere best wishes for a prosperous and safe Holiday Season to all of my friends in the industry--and to the folks working at the FMQB. Congratulations on another year of excellent service to those of us in the radio business."

KKDJ, FRESNO, CA M.D.-JEFF RIEDEL: "Adds: Bryan Adams. I think it will take off!...Increased Sales: AC/DC, Police, Loverboy, Quarterflash...Top Request Items: AC/DC, J Geils, Loverboy, Foreigner...Ozzy Osbourne was scheduled twice in '81 with the last cancellation coming 1/2 hr. before the sold-out show. (Made a very tense scene). He's trying again on Jan. 3rd. Better make it this time, Oz or the Fresno fans might bite your head off!...Happy Holidays to all!...By the way, Dec. 8th, besides being Jim Morrison's birthday and John Lennon's death, is KKDJ's 2nd Birthday!"

WBLM, LEWISTON/PORTLAND, ME M.D.-JOSE DIAZ: "Somehow at the end of 1981 I thought I would have more to say, but it seems like '81 has come and gone with little fanfare. As I reflect back on new artists in '81, the only real breakthrough came from Billy Squier, Loverboy, and now it looks like Quarterflash is joining the group!...It seems like something is brewing and perhaps in 1982, we're going to see much more excitement...It seems like only yesterday that John Lennon was tragically murdered in NY. We've been playing his music all day with obvious great response...Also, let us not forget that Jim Morrison would have been 39 today!...Happy Holidays and many thanks to all in the industry who have supported us in the last year. May your jingle bells r-o-c-k!"

WWCK, FLINT, MI M.D.-MARK MILLER: "Everything remains pretty much status quo this week--nothing major happening. We do have the new #1: J. Geils Band checks in with #1 phones, #1 Lp sales, and #1 single--with 'Centerfold' Lp. Couldn't happen to a greater bunch of buys. You really deserve it. Hope to see you in these parts real soon...Lamont Cranston continues to be one of the hottest new releases I've seen all year. Top 5 phones in the first week of airplay, and definite retail interest."

WDHA, NORTH JERSEY, NJ G.M.-BOB LINDER: "Not another wine and cheese party. Yes, but this one's for free for our listeners. It's sponsored by Opicsci and American Dairy Assoc....Our big Christmas/Hannakah party will be December 23rd at the Lighthouse in Lake Pakon, again, free and everyone's welcome. We're expecting over 1,500...Our Pre-New Year's Eve Party the following week will be another all-out blast...Yet another free party we are holding this Friday will feature the Southern Cross Band...Starting with the Stones, there have been some major concerts booked for this last quarter. Hope it's not gonna be too bleak in January...We've been awarding selective tickets to listeners, currently to: Rush, AC/DC, and Rossington Collins...I'm looking forward to seeing Genesis this week at the Meadowlands Arena...Last week's thanks to Monrack (is that a relative of Conrail?) should have been Monarch and John Scher...WDHA is planning a week-long salute to the 10th Anniversary of the Capitol Theater. A special on December 16th there will feature: the Allman Brothers, Jack Bruce, Edgar Winter, Gary U.S. Bonds and more. John Scher deserves a lot of credit for helping bring N.J. its own musical identity. Our deepest congratulations on ten great years...WDHA's preliminary rock poll results. Best Album: 'Tattoo'; Best Artist: Stones; Best New Artists: Billy Squier/Go Go's; Best N.J. Artists: Springsteen; Best All-Time Record: 'Born To Run'...Top sales this week: Definitely Foreigner, followed by Stones, J.Geils, Genesis, AC/DC, and Police...Top requests: J.Geils, AC/DC, Foreigner, Go Go's, and Stones...To recurrent: The Knack and Mayday...Our biggest rotation increase goes to Foreigner, due to interest in 'Girl Like You'...I'm very thankful we all get a break from the typical weekly onslaught of new release priorities. Now it's up to the retailers and, hopefully, sales will do better than they've been...It's been a very exciting year. We'd like to thank our many good friends in the music business. In lieu of a personal greeting card to each person, Mark and I wish everyone 'A very happy Holiday Season'. After a needed rest, we'll look forward to working with everyone again in January. I'm going to Key West. Mark is going to listen to old tapes of Mickey Mantle hitting his 500th home run as a change-of-pace...As Steve Leeds says, 'It's better for you in '82'."

KBLE, DES MOINES, IO P.D./M.D.-RON SORENSEN: "End of the year 'Best Of' time again. During December, instead of featuring 8 new albums each week, KBLE features the best 16 new artists and the best 16 albums of the year. Albums receive additional airplay, and are referred to as 'One of the Year's Best'. At a time when many people are making more buying decisions about albums in 2 weeks than during the entire rest of the year, we feel this helps reinforce earlier exposure. In alphabetical order, here are this year's subjective selection: Debut albums: Johnny Average Band, BLT, Martin Briley, Karla DeVito, Doll By Doll, DVC, Four Out Of Five Doctors, Ghost Riders, Great Buildings, John Hall Band, Hawks, Icehouse, Gerard McMahan, Quarterflash, Jim Steinman, and George Wallace...Best albums: Gary US Bonds, Clash, Phil Collins, Dirt Band, Dan Fogelberg, Genesis, Garland Jeffreys, Greg Kihn, Stevie Nicks, Tom Petty, Police, Sad Cafe, Michael Stanley Band, 20/20, Who, and Steve Winwood...Don't forget KBLE's Annual Promotion Person Appreciation event, and the Second Annual Upper Midwest Rolling Fool Tournament on Sunday, December 20th, in Des Moines. For full frontal details (and Polaroids): Call 515-288-3033...Happy Holidays boys and girls...Adds: Arthur Lee, Clash Ep, EmmyLou Harris, Pink Floyd."

TUESDAY - DECEMBER 15

TODAY IS A 5

Mars governs the general activity level of people and where people want to expend that energy. This is a day when Mars changes signs, so our energy levels change. Mars enters Libra at 7:16 PM, E.S.T. and our energy is more persuasive, action-oriented, and ardent. Many people can sure use the "ARDENT PART." The Moon in playful Leo does not bode well for wanting to work, but get your shopping done before the Moon is Void-of-Course: In the East this is from 7:15 PM until 12:39 PM -- In the West From 4:15 PM until 9:39 PM. Instead of shopping after the work day, why not use a playful Moon in Leo to entertain yourself?

WEDNESDAY - DECEMBER 16

TODAY IS A 5

Yesterday -- Mars; Tomorrow -- Mercury. The changing of these planets always sets up a pattern of confusion, although this is VERY temporary. Good idea for today is to use the emotion-ruling Moon in Virgo in all its adaptable, earthy goodness. To the degree that you can stick to routine matters or shipping, the better off you will be. At 9:58 AM, E.S.T. the Sun and Neptune are joined at 25 degrees of Sagittarius. The Sun is our ego drive and mystical Neptune confuses reality. So if you are sitting around wondering "WHAT AM I TO DO?" -- well -- do a Scarlett O'hara on it and worry about it on Friday. It will be much easier!

THURSDAY - DECEMBER 17

TODAY IS A 4

No Void-of-Course Moon but there is a temporary communication/mechanical breakdown. The Moon is in Virgo and Virgo is a sign ruled by mental Mercury. It is the change of Mercury itself that aggravates today -- yet turns out to be a beneficial change once it is accomplished. At 5:22 PM, E.S.T., Mercury enters Capricorn until January 5. In Capricorn the general mentality becomes more rational, serious, and deliberate in the decision-making process. People are more conservative in their thinking -- so hopefully your friends have already purchased your Christmas presents. Not a super evening out, this one is better for details at home.

COSMIC MUFFIN CONT'D

FRIDAY - DECEMBER 18

TODAY IS A 7

The 3rd Quarter Moon is exact at 0:48 AM E.S.T. with the Moon at 26 degrees of Virgo and the Libra at 26 degrees of Sagittarius. The Moon is Void-of-Course at this time until entering Libra at 7:59 AM, E.S.T. The Moon is Libra is a more action oriented mood and this is a good day to sort through the problems that have plagued us. And at 12:33 PM, E.S.T. mental Mercury at 1 degree of Capricorn is at a 90 degree square to physical Mars at 1 degree of Libra. This stimulates the mind, but can give a sharp tongue. If your boss is one of those people who likes to yell, avoid them -- besides it is a good, social Friday night.

SATURDAY & SUNDAY - DECEMBER 19 & 20

SATURDAY IS 8 & SUNDAY IS 7

Hooray for those days when we get a breather to adjust to changes and have the energy to get things done. Such is the tone of Saturday -- so shop and party. Sunday gets busier with 2 MAJOR angles. (1) 5:52 AM, E.S.T., physical Mars at 2 degrees of Libra is at a harmonious 60 degree sextile to creative Uranus at 2 degrees of Sagittarius giving us a good dose of innovative sextiles. (2) 10:20 AM, mental Mercury at 4 degrees of Capricorn is at a 60 degree sextile to optimistic Jupiter at 4 degrees of Scorpio injecting good mental energies. Oh -- the Moon in Libra is Void-of-Course from 4:31 PM, E.S.T. until entering Scorpio at 6:40 PM, E.S.T. -- so a quiet, warm evening is upon us. Cuddle!

MONDAY - DECEMBER 21

TODAY IS A 4

Happy Hanukkah! This is a great day to be with family and friends for as of 8:28 AM, E.S.T. the Moon in Scorpio is Void-of-Course for -- Ready? -- 1 DAY; 22 HOURS; and 44 minutes! The Moon enters Sagittarius on Wednesday at 7:12 AM, E.S.T.! Since purchases and decisions are a mess, why not use this time to break bad habits and re-evaluate what you are about. HAPPY WINTER! The Winter Solstice is exact at 5:52 PM, E.S.T., -- and in astrological terms this is when the Sun enters Capricorn. This is a hyper time and a confusing day, but Hanukkah celebrations should alleviate this mess. Having problems? Be Jewish today -- you'll feel better.

TUESDAY - DECEMBER 22

TODAY IS A 6

Our first full day of Winter with the sun having entered Capricorn (the winter solstius) at 5:52 PM EST yesterday. Most important is the very long void of course in Scorpio--lasting a total of one day, 22 hours, and 44 minutes. This began Monday at 8:28 AM EST and ends tomorrow when the moon enters Sagittarius at 7:12 AM EST. Purchases and decisions are a disaster when the moon is freefloating and if you doubt this, you have plenty of time to research it for yourself! Remember that this is the optimal time to break bad habits, and you will find that interesting projects take unexpected turns. An unusual day--but not bad if you know what is going on.

WEDNESDAY, DECEMBER 23

TODAY IS A 7

The moon in Sagittarius as of 7:12 AM EST gets us in a more jovial, fun loving, and optimistic mood. What better time than before Christmas Eve to have the planets cooperating with us. The moon is the farthest from Earth that it gets on its orbit, so people are not going to be tripping over their emotions. If the holiday spirit has escaped you, things will be much better today. The Sagittarian moon holds plenty of promise for overspending but what the hell. Partying tonight is A-okay, and I would hate to see you waste it. In fact, let all the stops out and tell Scrooge to shove it! Let's party!

THURSDAY, DECEMBER 24

TODAY IS A 7

When you are on a roll, why would you want to complain? The moon in Sagittarius with no void of course moon, which is really great for the last minute shoppers. The air of hope and good times is aided by the high energy being generated by the budding new moon which will be exact Saturday morning. When holidays hit and the planetary cycles are cooperating what could be better? Christmas Eve continues in this vein. I would even go so far as to say that despite the economy there is plenty of good cheer in the air--and I'll drink to that!

FRIDAY, DECEMBER 25

TODAY IS AN 8

Merry Christmas! And I hope you got your Mercedes. If not--the moon in Sagittarius will lift your spirits anyway. The planets are being very cooperative in giving us one fine day. The moon is void of course from 1:05 PM EST until entering Capricorn at 8 PM EST. But who is doing Christmas shopping today? A festive jovial day. On this Christmas, I wanna give special cheers to Bill and Collie Hard, Noel and Lois Love, Herb Green at Polygram, Dick Borel and Andy Beaubien at WCOZ, Susan Heiss, and our entire radio network. Happy holidays to all our friends in the record industry, too. Here is a tip of the eggnog to all of you.

SATURDAY & SUNDAY, DECEMBER 26th & 27th

SATURDAY IS A 7 AND SUNDAY IS A 7

The new moon is exact Saturday morning at 5:11 AM EST with the moon and sun at 5 degrees of Capricorn, and the physical aggressive planet Mars is at a harsh 90 degrees square to both the moon and sun, Mars sitting at 5 degrees of Libra! This is a time when many people want to make changes, but the same energy can easily be used to entertain and clean up from the parties. No void of course moon either day, so why not capitalize on the old twelve days of Christmas and keep on doing. Saturday is a good night for celebrating while Sunday evening is perfect for resting. This is a get-things-done at home time. Have fun!

MONDAY, DECEMBER 28th

TODAY IS A 7

The moon in Capricorn is void of course from 1:14 AM EST until entering Aquarian at 7:54 AM EST. The emotion ruling moon in the fixed air sign Aquarius gives us just the dose of idealism and creativity that we need right after the new moon on Saturday morning. It is wise to 'hustle your bustle' right now as the internal weather gets a bit shaky as we prepare for 1982. Ideas that came to you over the weekend are best reviewed and implemented now. Sure, I know the problems of getting revitalized after the holidays, but I would sure hate to waste this one. The evening looks good too for work, relaxing, or play.

TUESDAY, DECEMBER 29th

TODAY IS A 7

This is one of those mentally active and creative days that should not be squandered. The emotion ruling moon in Aries Aquaries stimulates the idealist mind. Communication, verbal or written, is in good shape. Oddly enough today is one of those virtual astrologer recesses in that we are not being buffeted about major angles of planets. Time spent listening to new music will pay off during the day and this is a fine night to catch live acts. To the degree that you are an open minded person, you will benefit from today. And those calls you have been putting off, get with it!!

WEDNESDAY, DECEMBER 30th

TODAY IS A 4

A real nose dive occurs today with the moon freefloating or void of course in Aquarius from 11:41 AM EST until entering Pisces at 6:02 PM EST. Starting diets, internal re-evaluation and creative projects all get the green light, but major decisions and purchases are the pits. You will be able to note a more sensitive, mellow mood in the evening hours and this is not exactly what we would like for a raucous good time. I am avoiding a heavy work schedule and a heavy social evening tonight. Despite the short work week, this is no time to try to make up for lost time. Have some hot rum and relax.

THURSDAY, DECEMBER 31st

TODAY IS A 4

New Years Eve often tends to be treated as a harbinger of what the new year will bring. This is a silly superstition, and you will find people in a very serious mental frame of mind. Due to angle that is exact at 2:23 AM EST when mental Mercury at 21 degrees of Capricorn is at a difficult 90 degree square to restrictive Saturn at 21 degrees of Libra. This may be good for New Year's resolutions but it is lousy for levity and optimism. Big news: Venus turns retrograde or appears to back up as of 2:46 PM EST sitting at 9 degrees of Aquarius--and Venus will be retrograde until February 10th. This messes up large social functions and honestly I would have stalled this change if it were possible. I'll opt for the small party--after all it is Noel Love's birthday. Happy birthday Noel!!

FRIDAY JANUARY 1st

TODAY IS A 5

The emotion ruling moon in adaptable sensitive Pisces is good for this plop-plop-fizz-fizz first day of 1982. Venus retrograde is a time when treaties go badly and fundraisers fall short of their goals. Obviously this is not good news in this era of Reaganomics. Again, large social functions go badly so scale the parties and save the money right through February 10th. The moon in Pisces is void of course from 4:51 PM EST until Saturday at 1:34 AM EST when the moon enters Aries. Tonight is one to devote to those weary bones and oversized heads. Relax-city. 1982 is going to be a very tricky year, but I will keep you well informed and will get through it forewarned and forearmed. Happy 1982!

SATURDAY & SUNDAY, JANUARY 2 & 3rd

SATURDAY IS A 7 & SUNDAY IS A 5

The moon is in Aries as of 1:34 AM EST is fiery, aggressive, and high spirited. Just watch out for temper tantrums and impatience. This is only one half of the story--the other vital factor being the high energy of the first quarter moon exact Saturday at 11:46 PM EST with the moon at 12 degrees of Saturday evening. Sunday has a caution flag for at 10:13 AM EST mental Mercury at 27 degrees of Capricorn is at a 90 degree square to disruptive Pluto at 27 degrees of Libra. Many people will get the urge to make many decisions and changes. The worst thing is this is the worst time to do it--despite the fiery moon in Aries. Mercury is about to change signs. Cool it!

MONDAY, JANUARY 4th

TODAY IS A 6

Dispensing with the minor first--the moon in Aries is void of course from 2:18 AM EST until entering Taurus at 6:03 AM EST. The dominating angle is exact at 2 PM EST when loving Venus retrograde at 9 degrees of Aquarius is at a beautiful 120 degree trine to physical Mars at 9 degrees of Libra. This is a lot of movement and change. If you are going to make major moves, 1) let Mercury get settled into Aquarius tomorrow at 11:50 AM EST; 2) then scurry like hell before Mercury turns retrograde on January 23rd. The social evening is so-so, complete with the communication breakdowns that come when Mercury is about to change signs. Stick to routine and don't overschedule yourself.

Record Action

MARTY SCHWARTZ, ELEKTRA (213-655-8280): "1981 will be remembered as the year of the consultant for album radio. Its impact will only be measured in retrospect, the jury is still out. But certainly the amount of new music on the radio is still plentiful and hopefully next year it will be even more so. More importantly, all this translates to the consumer who makes our job as record people more exciting and your jobs as radio people continually fresh. What makes this industry the greatest in the world is the relationship between radio, records, and the public. Let's make sure we all participate in keeping this insane, wonderful interaction very much alive. Thanks again from everyone at E/A. Happy 1982!"

BRUCE MOSER, COULD BE WILD (716-885-5200). "Could be Christmas. Merry Christmas to everyone and I hope '82 will be a prosperous and healthy year for all...Give me an, eh. Bob and Doug McKenzie (SCTV fame) have the comedy album of the year 'The Great White North'. Start with 'Take Off' featuring Geddy Lee, the '12 Days Of Christmas', and 'The Beer Hunter'. If this doesn't get your audience laughing, nothing will. I hope Mercury will give them support. This show could be expensive to take on the road, eh? They would need a semi just to carry the cold ones (Molson's and the Back Bacon)...It's very rewarding to see the stations are responding to the Bryan Adams album on A&M Records. My prediction is that by this time next year Bryan Adams will be a major act. He has just finished a tour of Canada with Loverboy and after the first of the year he will spend two weeks with the Kinks in the Northeast...U2 continues to build as they play sold-out houses in Cleveland, Buffalo, and Washington this week. 1982 will bring U2 the recognition they deserve. In another album or two this band will be as big as the Police. Opening for U2 in Buffalo is Pauline and the Perils, a great new band to watch for. Call me if you're interested in hearing their demo tape...The Black Sabbath album continues to sell. This could possibly be their best album ever. The album has great depth with at least 4 tracks getting heavy play: The title, 'Turn', 'Voodoo', and 'Sign Of The Southern Cross'...Personal to John Gorman: Now that the Cleveland Browns are out of it, and you are cheering for Cincinnati, does that still make it the POC (Pride Of Cincinnati) or is it POO (Pride Of Ohio)?...Did you know that George Hawras is a huge Joan Crawford fan? Anyone with Joan Crawford photos or articles, please mail them to George...Some musical treats still coming your way before the end of the year: Romeo Void Ep, Moonlight Drive Ep, Aldo Novo, and a great follow-up album by Keith Sykes."

SEAN COAKLEY, ATCO (212-484-6400). "From The Atco Gang: Warm thanks to everyone in radio and retail who supported the Atco and custom label artists in 1981. Your commitment and enthusiasm allows us to continue releasing the highest caliber of sonorous delights. And thanks to Bill, for this valuable medium. You are a crucial bridge between records and radio, and we appreciate it!...Everyone have a wonderful holiday, and here's to a better '82."

WYNN JACKSON, INDEPENDENT (404-321-5228). "'Twas the night before Christmas when everyone was feeling merry. Mary got sick and had to go home so they all jumped for Joy...December brings on a new perspective these days. As I sit and listen to Lennon's 'Christmas Song' on the radio, it hardly seems like it's been a year. We love you John wherever you are...Coming just after the New Year will be the second 96 Rock Home Cookin' album. It's much harder than last year's. Scream if you'd like a copy...Really a pleasure not talking to everyone's favorite P.D. in Norfolk, VA this week. But no love lost. I fill the gap by having a long and interesting conversation on programming philosophies with my cat...I realize the world is changing for the better when my 3 yr. old daughter starts her day by requesting Bruce's 'Santa Claus Is Coming To Town'...Hope the holidays are good to all and '82 is the best year yet...Thanks to Mr. Bill for the opportunity to express attitudes, philosophies, and feelings over the past year. For the music!!"

ALAN WOLMARK, ATLANTIC (212-484-6017). "Thank you to everyone for Atlantic's greatest year. Superstar acts make all our lives a lot more pleasant and provide some great music--but this past year has shown me that much of radio is a lot less tolerant of new music than ever before. We all know the negative cultural effect of that attitude, yet it perseveres...It's been a great year for the production of quality music, just check everyone's top 10. We're going out, of course, with the industry record for 5 out of the top 10 and great records from the Henry Paul Band and Mink DeVille ready to jump in January...Thanks to everyone involved in those crazy times on the road in '81 and here's to a lot more of them next year!...Inevitably to Kid Leo: 'DeBella says hi, and I say Happy New Year!'"

JOEL WEBBER, INDEPENDENT (212-255-7408). "1981 could have been a really rotten year. It started out with the death of John Lennon and the election of Ronald Reagan; it seemed to promise only more of the same. By year's end the chances of new music happening on a commercial level were nonexistent mainly because the musicians ran out of viable ideas--not because of any loss of interest on the part of the fans. Despite these things 1981 was great for me personally, a year in which I finally have seemed to put my work and rock and roll into some kind of reasonable perspective. I want to thank everyone I have worked with over the last year, especially Bob Bittens, Dave Kane, Steve Feinstein, and Ron Nenni for giving me some faith in the future of album radio...I want to make a prediction concerning next year's most likely to succeed artist. Joan Jett looks like a sure thing...I wish everyone a wonderful holiday. See you in '82!'"

JON SCOTT, MUSICVISION/BACKSTREET (213-344-5599): "What a great rock and roll year! Thanks to everyone who believes in our weekly conference calls. Hope more of you out there will participate in 1982... Get ready for some more of the now famous 'Bowl-A-Thons' next year...And finally, some one left the cake out in the rain. I think I'll go write a song about it...Happy New Year from the gang at Musicvision and Backstreet."

THE SOURCE

NBC Radio's Young Adult Network

Denny Somach produces the report for the NBC Source Radio Network, fed daily to over 174 stations. You can get in touch with Denny at 19 Rock Hill Road, Bala Cynwyd, PA 19004; 215-667-5118. The following are excerpts from this week's report.

Sources close to KANSAS have informed the Rock Report exclusively that Steve Walsh has left the band to pursue a solo career. Kansas is continuing to work on their next Lp. There's no word on when that will be ready. The band is also auditioning for a new singer. An official announcement will be forthcoming.

ROXY MUSIC are back in the studio at Compass Point for the first album since 'Flesh and Blood' from early 1980. The new one, which contains all original compositions this time around, was again co-produced by Rhet Davies and lead singer Brian Ferry, and will be ready for release by early April with a tour to follow in May. Meanwhile, Roxy guitarist Phil Manzanera will release his self-produced solo Lp called 'Primitive Guitars' in January.

Although both of them are busy touring with their own bands, Andy Summers of the POLICE and KING CRIMSON'S Robert Fripp are collaborating on an album of their own. There is no title as yet, but the Lp is due in the Spring on A&M records.

There's a new album in the works from KEITH EMERSON due in February. The album will feature performances by Pat Travers, Mo Foster, who just toured with Jeff Beck, and also Ian Wallace formerly of King Crimson.

TED NUGENT, who recently celebrated his 33rd birthday, goes into the studio in the middle of February in LA with his next album. Drummer Carmine Appice will be co-producing the Lp with Ted-as well as playing on it.

THE GREG LAKE BAND have cancelled the rest of their scheduled U.S. tour, and will be relaxing until after the holidays when they'll get started on their second Lp. They already have songs written for the album, and Lake says that unlike his debut Lp-this album will be recorded as a band-without help from musicians outside the band.

RICKIE LEE JONES is recovering from a bout with pneumonia. She is resting now and hopes to be on the road by February. Get well wishers can send their cards and letters to her at 433 North Camden Drive, Beverly Hills, CA 90210.

If you have occasion to send flowers to someone in the music business, there is now a florist in New York who specializes in rockin' flowers. The name is Charles Leeds Florists. They're located at 1203 Lexington Ave, in New York

BIRTHDAYS THIS WEEK: 12/5: Dave Clark of the Dave Clark Five is 39; Carmine Appice is 35; 12/7: Paul Butterfield is 39, Paul Rodgers of Bad Company is 32; 12/8: Keith Richards is 38; 12/19: Alvin Lee is 37; 12/20: Peter Criss formerly of Kiss is 36.

Have a page to fill? No problem, Susan, run that bowling party pic Jon Scott sent...

L to R: Bill "Where's the left hand" Hard; Drake "Do ya think my nostrils are sexy" Hall; Dana "I'm here for the beer" Jang; Nils "It's not a perm, it's natural" Von Veh; Mike "Sears home haircut kit" Bone; Jon "I'm the Pearl Mesta of the record biz" Scott; Dave "Calling out" Garriano; Harvey "Watch me eat this bowling ball" Leeds; and Tommy "Big ball(s)" Hedges.

RECORD ACTION CONTINUED

MIKE BONE, ARISTA (212-489-7400): "The Kinks are coming, the Kinks are coming! Yes, students, the Kinks are returning to America in January to do a quick 3-week tour. Starting at the home of the beached (?) elephant Syracuse on January 8th, the tour goes on to end who knows where. Stay tuned for further information. 'Give The People What They Want' is stronger now than ever, moving up on last week's Airplay Index after 3½ months on the Chart. The album is selling like crazy; 'Better Things' is the track...Bobby & The Midnites is still Bob Weir and is still racking up more and more adds weekly, and is still selling. Look out California, 'cause Bobby and the Midnites will blow you away in person in January. 'Too Many Losers' is a winner...Starfighters rack up mondo impressive adds (are you watching Harvey?) and lo and behold the Telex machine bangs to life and spits out a complete tour with my good friend and old pal, Ozzy Osbourne. Starfighters begin on December 30th in San Francisco and go all the way through the Midwest. Airplay and a killer live performance in front of sell-out crowds sounds like the old deniable one-two, punch to break this band in the U.S. 'Alley Cat Blues' and 'Silver Lady' are the tracks...Al Stewart continues to crank 'em out at the retail level in the markets where we are getting the airplay. Several people are reporting significant reaction to 'Here In Angola'...Personals: Roy Rosenberg and Stiff Records have made a wise decision and signed Girl's School For America...Bruce Golden: You're not paranoid, you're schizoprenic. I thought that Starfighters record was on this week?...I'm late for dinner with a former M.D. Does anyone remember Larry Kleinman. So, let me end with wishing everyone Merry Christmas, Happy Hanukkah, and a Happy New Year."

JIM SOTET, POLYGRAM (212-399-7813): "My top 10 albums for '81 (strictly personal): 'October' U2; 'Still' Joy Division; 'Private Eyes' Hall & Oates, 'Mutant Disco' Zee Import (various artists); 'E1-X-Ray' David Lindley, 'Catherine Wheel' D. Byrne, 'Tom Tom Club' Tom Tom Club, 'Mission of Burma 12"', 'Was Not Was', and Teena Maria...No big message of comments. Thanks to everyone who listened, cared, and was a friend this past year. Peace on earth, good will to humankind, no more guns, no nukes, Merry Christmas and— a Happy New Year."

JEB O'BRIEN, CHAMPION ENTERTAINMENT (212-765-8553): "Some years just seem to be better than others. For us, 1981 was the best! Two platinum albums with 5 singles released: two have gone gold and number 1, two went top 5, and the new one is on its way to number 1 though we may have to wait till '82... Daryl Hall and John Oates made a definite mark in the logs for 1981. For those of you in radio, records and retail, I thank you, along with Daryl and John. Great product still needs commitment from all of us. So in fact, we all made it happen. We're selling 100,000 albums a week with 'Private Eyes' without the help of one major chain consultant. Sometime in February we'll be shipping the third single from 'Private Eyes' with the lp's best song, 'Did It In A Minute'. I hope you'll get an early jump on this cut— because it is the one!! We hope to have a re-e.q.'d 12" for your (album rock) ears only!...May you all have a safe and happy holiday with success in the new year from all of us at Champion Entertainment."

ROY ROSENBERG, STIFF RECORDS (212-431-1600): "I hope everyone had a chance to see the very mainstream Andy Gibb introduce Wendy O. Williams and the Plasmatics to his very mainstream audience this past week. In early January, Wendy O. will be on a segment of the very mainstream Today Show entitled 'Women In Rock'. One other guest already announced is Stevie Nicks. Would you say that the Plasmatics are starting to get out to a more mainstream type of person? 'Lunacy' and 'Twelve Noon' are the two tracks getting reaction. Both tracks are hard driving rock and roll!!! Just check out the guitar riff in the middle of 'Lunacy' if you're a doubter...There is a renewed interest in the Rough Trade lp 'Avoid Freud' with adds at WXRT and WDEK. As Bob Gelms said in FMQB last week: 'The lady who sings lead has the same sort of seductive vocal style that Chrissie Hynde exhibits with the Pretenders. If you listened to this once and didn't like it, go back again.' Credible words from a credible gentlemen. 'Fashion Victim' is the cut to listen to...Segue of the week: 'Radio Clash' into 'Can't Be Funky' from the Bush Tetras new Ep 'Rituals'. The Ep was produced by the Clash's Topper Headon...Still working and getting reaction: Madness 7 Lp, and Pigbag's 'Poppa's Gotta Brand New Pigbag'...BIG NEWS DEPARTMENT: Girl's School signed to Stiff. If you're not familiar with Girl's School, it is a 4-piece all-female heavy metal group from England. All female is no novelty with these ladies. The lead guitarist is a bitch on the sax. Look for a very interesting advance cassette in the mail soon with the album coming in late January... Personal to Ron Rizzi: You're a great cat (even though you're allergic to the little beasts)... Added to the Stiff List: Porn star John Holmes (alias Johnny Wad) suspected of killing 4 in California. Tell me that's not a mouthful!"

KEN BENSON, EMI (800-421-4155): "Knowing that J.Geils and John Hall are high on album charts everywhere, I thank all my friends in radio for another good year. As we head for Christmas, I hope you all come back."

JOHN SCHOENBERGER, RADIO RECORDS (305-565-7700): "The best of holiday wishes to everyone. See you next year with the new Glass Moon album. It is called 'Growing In The Dark' and it is great. Below are my top 10 of the year: The Police, Black Uhuru, Mick Fleetwood, AC/DC 'For Those About To Rock', Foreigner, Cassiopbia, Dennis Brown, Greg Kihn, Tom Petty, and Steve Winwood...Please add ASB asap! 'Can't Give Up The Feeling' sounds great on the air."

MICHAEL PLEN, I.R.S. (212-980-6874): "Happy Holidays! Below you'll find my IDENTIFY THE GO GO's contest." Each correct and returned entry will receive a SPECIAL 3-track Go Go's 12" record!!! GOOD LUCK!!!

Vejur Destruction: M.D. Tom Starr of WOUR For taking a 2-week vacation two weeks before Christmas. Kaboom!!

Happy Holidays! Michael

Send to: I.R.S. Records, 595 Madison Avenue, Floor 32, NY NY, 10022."

BETH ROSENGARD, INDEPENDENT (213-508-4550): "Here's wishing everyone a rockin' Christmas, a rollin' Hanukkah and a musical new year. I'm off for a couple of weeks vacation so I'll speak to you again in 1982. And, to Bill, Susan, George, Judy and Kathy, thanks for a great year and have wonderful well-deserved holiday!"

JOHN BELLIVEAU, MSI (212-595-6610): "SVT is hot on the airwaves and on the road. This band sizzles. If you're not already part of the SVT army, enlist now. The record is out there, accessible as hell, gutsy, no cop out rockin' metal. Play it, no regrets. Rock it, no regrets...All the troops keep rockin' out there...We got really fired up by a great call from Larry Groves saying he's added a second Hurricane Jones cut 'At Any Rate' which joins 'Deep Desire' in heavy rotation. Thanks to Larry and KROQ. You're first again!"

RECORD ACTION CONTINUED

KATE INGRAM, DB RECORDS (415-441-3711): "I've spent a lot of time telling you about our artists, but perhaps you would like to know something about the promotional staff of this company. Like me, the other people who represent DB come from radio backgrounds. Danny Beard, who is president of the company, went to school, like I did, in Athens, GA. He worked at an Atlanta radio station, WQAK which used to program swing music from the 30's. He has a record store called Wax 'n' Facts which has been in Atlanta for five years or so. Ask Harvey and Steve Leeds to tell you about the wide selection of non-promo used records and imports and the low prices. Now Danny has opened Wax 'n' Facts Jr. in Athens where Michael, the bass player from Pylon, is one of the employees...Albert O. is our rep in Boston and handles New England. Albert is from Louisville, KY, and he has been doing the 'Late Risers Club' on WMBR, home of another great radio personality, Oedipus. Albert now does 6-Midnight on WLYN, a 3,000 watt FM covering the Boston market, and he's programming new music entirely in this time slot...Now that I'm moving to San Francisco (yes, this is my last report from the East Coast), Anita Sarko will be representing DB in NY. She came up from Atlanta about three years ago, after leaving WRAS where she earned a reputation in that town for her progressive ear as the Sex Pistols et al were coming out. Upon Anita's arrival in NY, she began spinning at rock clubs like Mudd, Rock Lounge, Hurrah! and various other rooms throughout the dance-music craze... Albert is also a dance-music DJ, as he spins at Spit every Wednesday night (Oedi does the same on Saturday and the club has done a lot to popularize bands who get only limited exposure on radio)...For now, that's the entire promotional staff. But if we continue to grow at this rate in 1982, we'll have a staff of 20... 1981 has been a real year of change for me, and I have a lot of hopes for 1982. As the Cramps say, 'the natives are restless tonight', which is my quote for entering 1982."

JIM MCKEON, COLUMBIA (213-556-4936): "A rousing formal thanks to the radio community for helping us break a major in the past year. We are very proud of our efforts that have led to Loverboy achieving New Band Of-The Year. So wherever you might be at this moment, we raise a glass of holiday spirits to you...For all interested A&R departments, Rap reports to me that Adam David Rappaport is sporting extra long fingers. Surely a talented guitarist or pianist. All is very healthy on that front...I'm awaiting a fogbound plane to take me to San Antonio today to see Tommy Tutone, who is ripping through Texas and the rest of the West...I know December/January can be a bleak time for finding quality records to add--which is one reason we're going to reservice and rework Tim Goodman's 'Footsteps' right after January 1st. Tim is an artist we believe in, and we're fully committed to breaking him...Our best wishes for a rapid recovery to our Kansas City/St. Louis local pro, Billy Rusch, who suffered a freak accident over the weekend... Finally, let me wish everyone well on behalf of everyone at Columbia Records. May you enjoy the finest moments of the holidays with the ones you love most...P.S. To Sky: Hope Santa brings you some of the sense of humor that Pink Floyd had in titling their new album. After all, any band who makes an album called 'Umma Gumma' isn't looking at things in a traditional way."

ROGER LIFESET, KILLER KUT ENTERTAINMENT (213-506-0771): "Down to the wire for '81, as we all get to cool our buns for a few weeks. Instead of unlimited thank yous and accolades, let's just quote Stacy Penwick, federalist, farmer, and tipster of Medford, NJ, who in 1827 went on record as saying, 'Happy Hanukkah' and a merry gnu year to all, everyone'...Be back at ya in '82. Now get outta here and get personal with your wireless...Hot At The Hacienda: My space heater."

JUDY LIBOW, ATLANTIC (212-484-6063): "The more things change, the more they remain the same'. Reflecting back on this one year anniversary of John Lennon's death, there seems to be so much truth and irony to that statement. Let's hope the prayers for a peaceful and happy new year become a reality for all of us...Thank you, too, for a record breaking year on behalf of everyone at Atlantic, Atco and their custom labels...Happy holidays!"

EDDIE HUMBER, INDEPENDENT (707-585-2105): "As the season of no adds approaches, I want to urge you to listen to a couple of small label contenders that are definitely worth consideration. First, the Lamont Cranston Band on Waterhouse is a smoker running the gamut from the Little Feat influenced 'Two Trains Running' to the Springsteen-ish 'Moonlight On The Broken Glass'. The band really comes of age with this Lp filled with original material...Second is Tim Bogert's 'Progression' Lp. A seasoned pro album rock audiences can immediately relate to. 'Progression' is a straight ahead rock and roll album with the occasional raunch that fits so well...Let's not forget Del Shannon who's off to a good start on album radio...Seasons best from Dede and myself at the Coop."

LIEBERMAN CALL CONTINUED

PORTLAND/SEATTLE-Joe Maita

	<u>SALES</u>	<u>POTENTIAL</u>	
Greg Lake	4	7	Showing marginal gains each week.
Survivor	3	7	Not much to report.
Black Sabbath	6	8	Great record to program if you don't want females over 18.
Kinks	7	7	It's had a healthy run.
Donnie Iris	3	10	One of the classiest pop records of the year that could be a multi-format hit if approached with an open mind.
U2	4	8	"Tomorrow" should be a stone-cold album rock smash but I'm sure it won't be.
Grand Funk	4	8	Fans have bought it.
L. Buckingham	5	10	Great sounding record. Glad to see KGON go on it.
Bob Welch	2	6	
Vic Vergat	2	4	

"The David Byrne record is fabulous...Wait until the rest of the world gets the chance to hear Prince's 'Private Joy' and he will indeed be a superstar...Required reading: Horror novelist Stephen King's vision and feelings toward 1982 rock and roll radion in the January Playboy...A final thought for 1981. Where would rock and roll be today if the likes of Alan Freed and Dick Clark had the same attitude towards the new music of the 50's that most of today's programmers have toward 1980's new music. We must not forget how old Freed and Clark were to expose acts like Little Richard and Chuck Berry during an era when it could have been easy for them to turn their backs on them. We hope in '82 programmers will remember and recapture some of the spirit of the true pioneers of rock and roll and at least be receptive to a wide variety of music... Happy holidays to all!"

CHICAGO-Bruce Lowry

	<u>SALES</u>	<u>POTENTIAL</u>	
Greg Lake	5	8	Single is moving Lps. Too bad they had to cancel the shows.

Black Sabbath	5	6	The cult has bought it. Sales are starting to taper.
Kinks	5	7	Back into the top 25 this week.
Donnie Iris	3	6	Not up to expectations. Is it singles confusion?
U2	3	6	Not a breakout but steady sales.
Grand Funk	2	6	Show this week may turn it around.
L. Buckingham	5	8	Single has started album sales. It's make it or break it time.
Bob Welch	2	4	Needs some help.
Vic Vergat	2	6	Initial good sales suffering from lack of follow-through.

"As a long time fan of the Lamont Cranston Band, we're totally knocked out by their new album on Waterhouse. Our favorites are 'Shakedown' and 'Moonlight On The Broken Glass'...Other office faves are: Pigbag, Soft Cell, and Commander Cody."

DALLAS-David Nichols

	<u>SALES</u>	<u>POTENTIAL</u>

Before the lead cut listings, you will notice three columns of numbers. We feel that it is highly relevant to include the number of weeks a station has been on a given album--so we're listing that information in a third column at the far left...We list debuts with a small "d". That indicates that the LP is in the second week of play. So--this week, we took last week's debuts, and gave them a 3 in the "weeks on" column. Next week those 3's will change to 4's--and so on. It's pretty simple.

FOR YOUR INFORMATION:

When reading the individual station report, please remember that there are three ways in which album rotations are tracked.

1. **PLAYS PER DAY** - This refers to the actual number of exposures an album gets between 6 AM and Midnight on an average day of the reporting week.
2. **PLAYS PER WEEK** - Most of our weekly play reporters go back over their music logs for the previous week, and those totals are relayed to us and printed up.
3. **AIRPLAY EMPHASIS** - Be careful not to confuse this with PLAYS PER DAY/WEEK. EMPHASIS is a system of relative scaling, based on 10. If the highest rotation album gets 8 spins per day, it receives 10 points. If another album gets 4 spins, it merits 5 points, etc. This allows a much more detailed rundown than the conventional light/medium/heavy system.

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by converting all daily and weekly play reports to a 1-10 emphasis system and totalling the points on a given Lp. We use a simple percentage breakdown to indicate the amount of play on each track.
