FMQB ALBUM REPORT

November 26, 1982

BILL HARD, Editor

Pinch Hit

MICHAEL JACKSON, "BEAT IT", EPIC

More than at any time in recent memory, album programmers are trusting their instincts and rolling with records they simply feel good about. That increased reliance on gut has made for a most musically interesting year. The Clash, Men At Work, Stray Cats, The Fixx, Talk Talk, Duran Duran, etc. all struggled with initial image problems and radio skepticism, but ultimately validated our ink and your airplay. In short, radio is bullish on experimentation and the audience is actively responding. Now, logic dictates that if heretofore avant-garde bands can cross to mainstream, major Top 40/AC artists should be able to do the same thing with the right song. We just received a cassette advance of 'Beat It' and we're convinced it's that perfect crossover track. Eddie Van Halen's guitar positively smokes, the energy is unrelenting, and Michael's hard-edged vocals are unmistakably rock and roll.

Chain Reaction

LED ZEPPELIN, SWAN SONG

It may be outtakes, pick-up trax, etc., but for programmers and listeners alike it beats the hell out of still more spins on their toasted catalogue--#1 Most Added with 117...WACX's Ed Levine says it all, "The greatest Christmas present radio could have. It will probably admit that as a long time Zap fan, it's great to have this record"...Me Like "I Can't Quit You Baby". Other early interest centers on "Darlene", "Poor Tom", "Ozone Baby", and "Wearing And Tearing".

SAMMY HAGAR, "YOUR LOVE IS DRIVING ME CRAZY", GEFEN

With 15 first week reports, Sammy has secured his album radio base, and sets himself up for that multi-format hit the career doctor ordered...Joe Folger, KQRS, "Sammy balances himself perfectly on the tightrope between heavy and soft. This record should be an automatic everywhere"...Gloria Johnson, KDON, "Sammy has done it again. The new single is a home run straight down the middle with a feeling that is irresistible and 'I Don't Need Love' rocks with a vengeance. Thanks, Sammy, I know you wouldn't let me down"...Greg Gillispie, KEZO, "I think it's become obvious that Sammy Hagar wants a hit single and he's certainly giving it his all on 'Your Love'"...Rob Roman, KLAQ, "Sammy Hagar's latest sounds real nice to us. Good directional change for them"...Jose Diaz, WBLM, "'Your Love' is smoother than Seagrams in a snifter"...Dave Krusenklous, WKQQ, "I agree with Bill that the Sammy Hagar single could go multi-format. A great radio record."

OZZY OSBOURNE, JET/CBS

We can't begin to equal our witty and perceptive Easy Choice write-up last week, so let's punch the quotarama button...Bob Bittens, WICV, "These days, when many parents of teenaged kids grow up on rock and roll themselves, it takes something a bit more potent to turn their stomachs. It would be hard to find something better that satisfies this need than a man who bites the heads off animals and vomits strawberry jam on his album covers. Ozzy is the natural choice"...Ron Diaz, WYNF, "The human lightning rod, Ozzy Osbourne, shows us why some species eat their young. Ozzy's appeal cannot be denied. The riverheads must be fed their metal"...Curt Gary, WERN, "I've heard rumors that graffiti saying 'Ozzy Osbourne sucks' is being found backstage at Black Sabbath concerts. Can you blame them when he beats them to the punch on a great live record? This one has been previewed on WERN to glowing reports from the rabid fans"...Karen Andersen, WGIR-FM, "Predictably enough, we saw immediate phones once the live Ozzy music hit the airwaves. Ozzy is a master at his brand of heavy metal music"...#2 Most Added with 84, including 29 Level 1 stations.

NIGHT RANGER, BOARDWALK

The add pattern of the past two weeks certainly justifies our Hard Choice--44 stations last report and 25 more this week, for #3 Most Added. We log in 23 Level 1's to date and a #47 index debut--excellent performance for a new band. "Don't Tell Me You Love Me" roars in at #39 with "Sing Me Away" also active...Radio Action: Mike Wolf, WQFM, "A very impressive debut album. 'Don't Tell Me You Love Me' has the right combination of guitar licks, hooks, and harmonies to make it an equal to anything released by a superstar act in the last few weeks"...Tom Starr, WJUR, "No matter how good the sound and packaging on a debut record may be (and in this case, both are top notch), it is still a major accomplishment to land the numbers they have in the time they have. We're talking turntable meltdown and major speaker blowout with 'Don't Tell Me You Love Me'"...Craig Martin, KZOK, "A slick sounding rock and roll album which should do well with the callouts and has more depth to it than many of the callout champs of the past year."

CHAIN REACTION CONTINUED

DURAN DURAN, CAPITOL

Combine a hot remix with a crack field staff and a Front Red Page Tip, and what do you get?--23 adds on a record out many months for #4 Most Added...Key calls: KZEW, WLWQ, WMMR, WGRQ, KBPI, KGB-FM, WFYV, WHCN, and WIOT...Radio: Ted Edwards, KGB-FM, "Capitol has made an extremely wise decision on the remix, and I think the album is now much more appropriate for the format"...Tim Smith, WLWQ, "We have had consistent positive response to Duran Duran on our new music show and the timing is right now for an official add with full-time rotation"...Bruce Goldsen, WRKI, "They did so well during our test last week that we're giving it full-time air this week. MTV play has definitely familiarized the audience with the band and the song. If people haven't heard it, the moans and screams certainly will attract their attention"...Bob Linder, WDHA, "We've re-added Duran Duran. Another example of MTV's influence. But the real credit should go to Capitol Records for the exceptional quality of the videos and their promotional follow-through."

KISS, CASABLANCA/POLYGRAM

The adds might catch your eye--14 in all, led by WDVE, WLPX, WKLS, KZAP, WBCN, and WIOT, but the real goods is the strong audience response to "I Love It Loud", not the station count to date. This one is shaping up as a reaction cut to be reckoned with...Mark Miller, WWCK, "The amazing Kiss story continues--#2 sales behind J. Geils to go along with continuous top 5 phones. Apparently the folks who joined the Kiss army in 1973 as privates have become career officers"...Neil Lasher, WKLC, "Much to our surprise, the Kiss album is getting very heavy phones, specifically 'I Love It Loud'. Never assume a group is dead"...Chip Hobart, WAPP, "Tested it last night without telling 'em who it was and they came in 8.1, one of the top 4 or 5 ratings since we started the feature. I get as many requests for Kiss every afternoon as for the new Zep. They know it's out there. They do have an image problem to live down, but we are watching the record, and if we do play it, we won't say who it is. We'll use the album title only."

J. GEILS BAND, EMI

Last week's 114 adds convert for the highest new chart entry--#9 Index and Metro...Consultants: 14-10 Sebastian, 17-15 Doubleday, 16-14 Pollack...Max play mentions include WMEC, WLLZ, WDVE, DC101, WCOZ, KYYS, KTXQ, KMET, WROQ, WLWQ, WIOT, WHJY, WHCN, WMMR, WQXM, and WSHE...Strongest early request action: WLPX, WWCK, WXRT, and WHJY...Trax: "I Do" leads, followed by "Centerfold" and "Love Stinks".

ADAM ANT, EPIC

The blockbuster build continues: This week's Index prime move champ with a 29-19 advance, up 33-25 for that Metro underline, too...#7 Most Added with 10, led by KISW, WMET, KZAP, KGON, and KZEW...Increased play: WYSP, WQXM, WMMR, KGB-FM, WBCN, WSYR, WQDR, WLWQ, WLIR, WCMF, WAQX, WSKS, WOUR, and KZEL... Max play: WSHE, WLPX, KROQ, KQRS, WIOT, WILS-FM, and WFYV...Top 5 requests at WHCN, WAQX, WIOT, WDIZ, WBCN, KYYS, WLPX, WCMF, WZXR, WKLS, and WHJY plus 9 more secondaries...Top 10 retail reports from WMMR, WCOZ, WGRQ, WHJY, WILS-FM, and WBAB...Those stats should close just about anybody, but just in case, check these quotes: Dave Kane, WCMF, "Adam moves into heavy rotation backed up with large sales and calls"...Jose Diaz, WBLM, "It's building steam to the point where it can no longer be ignored. 'Goody Two Shoes' is definitely one of the bigger reaction cuts to come down the pike in a long time"...Dave Krusenklous, WKQQ, "'Goody Two Shoes' is already pulling in great female phones. It looks like all of the ants are coming to the picnic"...Steve Feinstein, WYSP, "We moved it up in rotation due to the extraordinary sales and phone response. This seems like it's going to be the party record of the season."

VANDENBERG, ATCO

Up 47-45 Metro, 46-42 near prime move on the Back Page...Look for the super strong add week (KDWB, WLUP, WAPP, and KZOK) to crank those Metro Chart numbers in our next report...Airplay: 39 steady, 3 down, 2 up: KWXL, KLAQ...Heaviest on: KSJO, WSYR, KGON, WQFM...Checklist: 16 maintaining, 16 building: WAVA, WSYR, WYFE, WMAD, WZZO, KMOD, KSHE, WSKS, KATT, WBAB, KLAQ, KSJO, WPYX, WPDH, KWFM, and KZEL...14 of 31 not playing are considering...The majors testify: Chip Hobart, WAPP, "I didn't hear it at all at first, but it grew on me. Now I think 'Burning Heart' is safe and could do well"...Sky Daniels, WLUP, "Vandenberg goes so far that even the name reminds me of Van Halen. It would be safe to say they mine the same territory and do it well"...Joe MacCabe, KYYS, "Vandenberg is getting good initial calls. I thought it would take longer to pull in the phones, but after two weeks, calls are active"...Mike Wolf, WQFM, "If Scorpions and Judas Priest are big in your market, watch out for this. It's an instant request item"..."Burning Heart" moves 50-37 underlined.

PRETENDERS, "BACK ON THE CHAIN GANG", WARNER BROTHERS

We loved the single when it was floating around as an import & found it strange more stations didn't find it and add it sooner. Now we can finally sleep nights since the domestic release is getting the exposure it deserves...Up 56-25 on the Top 100, and with 25 adds, expect a big leap next week...Heaviest on: KWXL, KNAC, WBRU, and WSKS...Top 5 requests: WDHA, WXRT, WMAD, and WLWQ.

FRANK MARINO, COLUMBIA

Thanks largely to Mr. Lifeset's phone moxy, Frank gets a leg up on the Metro Chart - debuting at #49... New on WAVA, KGON, KAZY, WKLC, WRCN, and KKRQ for a total of 19 FMQB stations in the last 3 weeks, including WLLZ, KQAK, KMET, KBPI, KGB-FM, KQRS, WEBN, KPKE, and KISS..."Strange Dreams" is the tune... Radio: Curt Gary, WEBN, "'Strange Dreams' is starting to pick up familiarity on the air after three weeks and starting to get phone calls, too. Looks like it will go all the way for us"...Ted Burton Jacobsen, KKRQ, "Frank deserves a shot. Simply put, 'Strange Dreams' is a searing track"...Doug Davis, KWXL, "We've been on the record since July and after going Top 10, it's recurrent. But we always knew that 94ROCK not only plays the new music, but stays with it"...Checklist: 16 of 44 not playing are considering, 1 dropping, 3 maintaining, 10 building: KEZY-FM, WPDH, KLAQ, WRCN, KATT, KMET, WYSP, KMOD, WHJY, and WLLZ.

PSYCHEDELIC FURS, COLUMBIA

As noted on the Red Page last week, the Psychedelic Furs have been methodically bringing in more majors weekly, and thanks to spins on KGB-FM, KFOG, WMMR, WAPP, WSHE, KRQR, WGRQ, WLPX, KBPI, and KQAK, the Furs check in at #50 on the Metro Chart...New: WAAF, WSYR, and CHEZ-FM..."Love My Way" sounds smashing on the radio, the tour is grabbing rave reviews, and we're feeling a healthy progressive retail buzz. A song well worth your serious reconsideration as the holiday traffic thins out.

PHIL COLLINS, ATLANTIC

Racking up those airplay totals, Phil churns up 11-7 Index, 10-7 Metro...Airplay: 83 steady, 3 down and 12 ups: KSMB, KTIM, WHFS, WBLM, WAAF, WPLR, WWCK, KAZY, KSHE, KYYS, KOME, and WYSP...Most active requests: WHCN, WOUR, WILS-FM, WBRU, WCMF, KLAQ, KFOG, KTIM, and WQBK...Strongest early sales: WQXM, WBAB, KOME, and WLRS...Up 17-13 on the Retail Index...Consultants: Pollack 14-13, Doubleday 4-2, Superstars 14-7, Sebastian 5-2...Top trax: "I Don't Care Anymore" 19-16, "Do You Know Do You Care" debuts #81, as the single falls back 47-99.

CHAIN REACTION CONTINUED

FRIDA, ATLANTIC

There was a possibility that Mr. Collins' new solo would put the bite on Frida, but programmers obviously feel the single has legs and the charts back it up--38-31 Index Prime Move, 41-35 Metro Underline...New on: KZOK, WBLM, WQFM, WKQQ, WKLC, and WKDF...Airplay: 32 steady, 7 down, 6 ups: WLLZ, WYSP, WGRQ, WOUR, KILO, KTIM...Heaviest on: KDKB, WNEW-FM, WMET, WSYR, WPLR, WLAV-FM, WRNO, and KWL... "I Know" is #23 on the Top 100.

"BRIMSTONE AND TREACLE" SOUNDTRACK, A&M

Double underlines for the soundtrack--48-43 Back Page, new at #44 Metro, as "I Burn For You" climbs 44-31...KILO upped play, 19 more held steady, 2 down...Heaviest on: WSHE, WQXM, WNEW-FM, KSJO, WKZL, WYV, and WBRU.

GOLDEN EARRING, 21/POLYGRAM

Nudging up the Back Page 22-20, and really cranking it on Metro with a 21-16 Prime Move. Back on the Most Added List with 6 stations, WAPP, KROQ, KQRS, WAQX, KATT, and WCKN...Airplay: 61 steady, 3 down, and 6 up: KYYS, WYNF, WMMS, WMMR, WHCN, and WOUR...Now heaviest on: DC101, KISW, WKLS, KLOS, WYSP, KZEW, KRQR, KPRI, KPKE, KMET, KGON, KGB-FM, KDKB, and WYV...The Checklist's a crusher, too: 18 maintaining, 3 dropping and 31 building...Sales and Phones: KZEL, KYYS, KLAQ, WYNF, WILS-FM, WMMR, WAPI, and WYSP...Phones: KILO, WOUR, WBRU, KFOG, KZAP, KZOK, WDVE, WBAB, WIMZ, WQDR, WKQQ, KMOD, WMAD, WGRQ, WHJY, WYFE, and WLQ... "Twilight Zone" moves ahead 13-8.

HENRY PAUL BAND, ATLANTIC

Double debuts for Henry--#48 Index, #46 Metro...New: KSJO, WCMF, KATT, WTOS...Airplay: 22 steady, 1 down, 2 up: KILO, WNEW-FM...Checklist: 13 maintaining, 7 dropping, 8 building: KILO, KBLE, WYNF, WDVE, WILS-FM, KBPI, WHJY, and WSYR...Trax: "Heat Of The Night" jumps 100-71 on the Song Index, "Nightline" follows.

THE ENGLISH BEAT, IRS/A&M

It's got that modern rock base cooking along, and we remain convinced "Save It For Later" is a prime crossover candidate for mainstream radio...New: KGB-FM, KBPI, WKLS, WSYR, KLAQ, and WPDH.

RIOT, ELEKTRA

With the push track "Showdown" out just a few months back, we're talking your basic live option gambit here. New on KPKE, WEBN, KDWB, KMET, and WBCN...Also consider subbing "Restless Breed".

TALK TALK, EMI

The title track powers up 11-7-4 on the Top 100 as the Lp moves up to 17 Index and a near prime move Metro, 24-20...Play increases: KAZY, KGB-FM, KSJO, WMMR, WQXM, WLRS, KOME, and WNEW...Only one add, but it's a biggie--WPLJ.

HALL & OATES, RCA

Still coming on--25-21 Index, 29-24 Metro underline...Airplay: 52 steady, 3 down, 5 up: WABX, WSYR, WCMF, KILO, and WKDF...Top 10 retail reports: WPYX, WLPX, WAQX, WBCN, WCOZ, KATT, WDHA, WGRQ, and WZZO...Trax: "Maneater" 26-24, "Family Man" 74-57.

ROSE TATTOO, MIRAGE

We had a solid WIYY test early on, and the two week add totals are encouraging: WDVE, WLQ, WYSP, WSYR, WAQX, WMAD, KLAQ, WHCN, and WILS-FM. If you're in the market for industrial strength metal, "Scarred For Life" gets our vote.

THE FIXX, MCA

The Lp closes in on Top 10 play (14-12 Index, 13-11 Metro) but the real story this week is the Song Index progress of "Stand Or Fall" - up 7-3-2- in the last three weeks...Airplay: 69 steady, 4 down, and 11 up: WYSP, WQXM, KOME, KZEW, KYYS, WPYX, WTUE, WILS-FM, WHCN, KEZY-FM, and WOUR...Best requests: WDIZ, KPRI...Retail: WIOT, and WBAB...New: KPKE, KAZY, KWFM.

Dear Album Radio Programmer,

In August 1979, Epic Records released Michael Jackson's solo album, "Off The Wall", which has sold over 5 million copies in the U.S. alone, making it the third largest seller in Epic history. Although that album got minimal album rock exposure, we noticed many album programmers asked us for copies for home listening.

Now, Epic takes great pride in announcing the release of Michael's follow-up solo entitled, "Thriller", and this time we're confident in much more than at-home listening. We want to alert you to a track with excellent album radio crossover potential. It's entitled "Beat It" and showcases Eddie Van Halen on guitar. Between Michael's proven mass appeal and Eddie's unmistakable sound, this track has what it takes to break down barriers at radio, in the spirit of "Rock The Casbah". Give "Beat It" a listen and capitalize on a platinum opportunity to broaden your audience and expand your demographics.

Sincerely,

Bill Bennett, Harvey Leeds, Jon Kirksey, Walter Winnick, Frank DiLeo, Lenny Collins, Biff Kennedy, Michael Caplan, Ray Free, Jeff Shane, Michael Conway, Craig Brashear, Tom Genetti, Larry Wall, Michael Moore, Joe Bravo, Debi Lipetz, Gerry Thompson, Don Miller, Joe Carroll, Bill Johnson, Dan Denigris, Bill Heard, Lori Holder, David Newmark, Charlie Strobel, and Doug Hammond.

More Ranger raves ...

Craig Martin, KZOK: "A slick sounding rock and roll album which should do well with the callouts and has more depth to it than many of the callout champs of the past year."

Tom Starr, WOUR: "No matter how good the sound and packaging on a debut record may be (and in this case, both are top-notch), it is still a major accomplishment to land the numbers they have in the time they have. We're talking turntable meltdown and major speaker blowout with 'Don't Tell Me You Love Me'."

Mike Wolf, WQFM: "Night Ranger is a very impressive debut album. The song 'Don't Tell Me You Love Me' has the right combination of guitar licks, hooks, and harmonies to make it an equal to anything released by a superstar act in the last few weeks."

Curt Gary, WEBN: "Night Ranger is doing really well and is just starting to pick up familiarity on the air. It's no holds barred once that takes place."

JERRY CASALE, DEVO

DEVO feels compelled to respond to the comment made by Les Cook in East Lansing. We work hard designing multi-media shows that give our fans value for their concert dollars. There was a severe problem with the lights at the East Lansing show, and it obviated doing our usual encore. Also, no member of DEVO 'flipped a bird' at the audience. Our supposed 'attitude' seems much more a fiction created by Les Cook's attitude towards us. In the future, he should try getting the facts straight before using his power to make damaging attacks. Thank you for this chance to respond."

KPKE, DENVER, CO M.D.-RANDY RALEY: "This comment goes out to the Atlantic and Warner Brothers reps in the Denver area. Your actions concerning the Led Zeppelin album are juvenile and ludicrous. Do not tell me that I cannot play a record that no one else has. I don't care about KBPI. I don't care about KAZY. I am not in this business to please them or you. I am in this business to win and to please my listeners. Therefore, we will play these records and will play them in the order we see fit. Your actions this weekend have caused a great loss of credibility. I'm sorry it has to be this way, but it's time for the apathetic days of this radio station to end. Thank you."

DAVE GARIANO, SEBASTIAN, CASEY & ASSOCIATES: "Missed last week's deadline due to some heavy-duty travelling. Good to mingle with Andy, Paul, and the crew at WCOZ...Also, special thanks to the entire staff and management of WBLM for their awesome '10th Anniversary Celebration Of Radio' party. What a star-studded lineup: Andy Beaubien, WCOZ; Noel Love; Eric Heckman; George Skaubitits; Joe Ianello; Al Perry; and, the highlight of the entire evening, Arnie 'Woo Woo' Giorsberg. You guys sure know how to throw a party... I'm writing these comments while on a working vacation in New York. WAPP and WPLJ are really duking it out with WNEW-FM right in the middle...Good to see the gang at FMQB. (Susan, you don't really look like a nun!) Had a very pleasant lunch with our fearless Editor, George Meier, McNuttski (your curls are cute), and special guest, John David Kalodner. John, it's good to hear your ears are on radio's side...Personal to E.J., Mark, and Russ: The morning show sounds great. Glad you got your BMW back, EJ!...Hope everyone had a wonderful Turkey Day! Little over two weeks left in the ARB. Keep the onslaught up. We'll talk again soon."

WQXM, TAMPA/ST. PETERSBURG, FL M.D.-DICK BASCOM: "As we enter the Thanksgiving holiday, I'd like to take a moment to get mushy and thank all of those for their help and support over the past year. First, thanks to my wife, Lucinda, for putting up with all the insanity; thanks to Led Zeppelin for 'Coda'; and, I'd also like to thank: Les Cook, Brent Alberts and all the boys at Y95 in Rockford, Rad Messick, Diane Upson, Jay Evans, Baxter, Steve Jones, Craig Lambert, Larry Mundello, Ed Neuffer, Paul Yeskel, Sean Coakley, Wynn Jackson, Train, Michael Harris, March, Richard Pachter, Bone, Marko, Bill Hard and Susan, my mom and dad, the boys in Axe for giving my brother a job, Beth Rosengard, Dave Prescott, Jeff Cook, Bill Bartlett, everyone at Burkhart/Abrams & Associates, Ray Carlton, Richie T., Jeff Shane, Dave Danneheisser, Chris Hensley, Bill McGathy, George Luthin, Derek Shulman, and everyone else who I have not forgotten, just ran out of room to mention."

KQRS, MINNEAPOLIS, MN M.D.-JOE FOLGER: "Sammy Hagar balances himself perfectly on the tightrope between heavy and soft. This record should be an automatic everywhere...Since it's a short week, we're not doing much with our chart...Christmas is just around the corner, so Happy Holidays."

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-RON DIAZ: "George Hawras has resigned as P.D. of WYNF, Tampa/St. Pete to form Quantum, Inc., a marketing firm targeting the young adult demographic. The first project will involve the development, manufacturing, and testing of a product to compete with the T-shirt. He leaves WYNF with an 11.2 in the Oct/Nov Birch. Prior to WYNF, Hawras had major successes in Buffalo, taking WGRQ from a 3.6 to a 9.7 in the Arbitron; and, also at WZZO in Allentown, taking it from a 2.1 to a 12.4 in the Arbitron, both all-time highs at those stations to this date. You can reach him at 813-785-4973. Best of luck to George...Now onto music...Hot holiday tunes from Hagar. Sammy's 'Your Love Is Driving Me Crazy' is top-of-the-chart bound. We went 6 deep on his last Lp, and this single shows us his growth will continue...Anytime you get something new from a band like Zeppelin, you better be all over it...Buck 'Born To Rock' Dharma says it all with that title...The human lightning rod, Ozzy Osbourne, shows us why some species eat their young. Ozzy's appeal cannot be denied. The rivetheads must be fed their metal...I would like to thank: A&M's Rich Pachter for a dinner I'm still laughing about. Special guest stars for the 'second sitting of the Last Supper' were: Henry Paul and pirates from our radio crew. Primal dining at one of the finest eateries of the day. Henry Paul will be given credit for the line that will live on forever (or at least a couple of weeks anyway). Grabbing the waiter by the back of the collar and seat of the pants, he ordered, 'A wine I can freebase'."

KQAK, SAN FRANCISCO, CA ASST. P.D.-BELLE NOLAN: "The Quake breaks new ground. December 6th will put the Quake on the map as the first solar powered major market rock radio station. We'll be using energy supplied by Solar Genny I--the first state of the art solar powered generator (recently used at a Styx recording session in Chicago). The whole thing caps off with some special activities on 'Rockline' that evening. More on that next week...Yes, we're breaking new ground as the Solar Quake, and we're breaking Cushman's too (a Cushman is a three-wheel vehicle driven by meter maids while giving out tickets). Enough with these outrageous parking problems! In an effort to show this city our disgust over the terrible parking situation, we have decided to find ourselves a Cushman, and in the spirit of 'don't get mad, get even', we're going to get a sledge hammer and level that thing to the ground. Listener response has been beyond encouraging. We have people asking us what they can do to get involved. Obviously, we've hit a sensitive spot with listeners and it says 'no parking'. I just hope we don't get ticketed for inciting riots...Wonderful dinner with Jim McKeon, Rap and Burt from Columbia, and the Psychedelic Furs last week. Especially rewarding was reminiscing with Rap about the early days of Phoenix radio, breaking Bruce on KDKB and remembering the man who did for Phoenix radio what Tom Donahue did for San Francisco radio and that is, making it an integral part of the city's heritage. William Edward Compton--still missed."

KZOK, SEATTLE, WA M.D.-CRAIG MARTIN: "We added more records this week than any other in the past year. Maybe it's because the holidays are here and we're feeling especially generous, or maybe it's because we're just a swell bunch of guys. Whatever the reason, it sure is fun...The obvious add is Led Zeppelin (obvious only because it's the Zep, not because it's a great record). I like the track 'Darlene' a lot, but personally I like the Robert Plant Import we're playing ('Far Post') better than anything on 'Coda'... Other adds this week include: Night Ranger, a slick sounding rock and roll album which should do well with the callouts and has more depth to it than many of the callout champs of the past year...Dire Straits gets an add because it's such a classy album it deserves airplay. We're using: 'Industrial Disease'... Other album adds are: Frida, Vandenberg, and the winner of the worst cover of the year, and who more deserving of that honor than Ozzy Osbourne. I thought Uriah Heep had the award all wrapped up with the cover of 'Abominog', but leave it to the Oz to come in with a last minute gross out."

WXRT, CHICAGO, IL M.D.-JOHN MRVOS: "Many thanks to all parties involved for their cooperation in the recent UN Concert tapings of Billy Idol, Payolas, and two of the finest performers in their field, Buddy Guy and Jr. Wells. We look forward to airing these exciting shows...It's gratifying to see records that we here at WXRT believed in early be supported by their respective labels; and despite the traditional 'deaf ears' of album rock radio, can still find success on other formats, as is certainly the case in this market. With minimal to no support from other album radio stations in this market, groups such as A Flock Of Seagulls, ABC, Toni Basil, Joe Jackson, and Stray Cats have done very well. And, again, kudos to their respective labels for hanging in there and ultimately delivering...The staff at WXRT extends their best wishes for a Happy Holiday to all their friends...P.S. to Jon Scott: Our consultants, Savard, Secord And Larmer, tell us that the callout on the Hawks winning the Stanley Cup are 90% positive--Any bets?"

 WQFM, MILWAUKEE, WI P.D.-LEE ARNOLD: "I would like to comment on last week's Question, since we just wrapped up our 'first in the industry' double hometown album. Milwaukee's hottest local bands: Grey Star, Bad Boy, Short Stuff, Wally Cleaver, The Rage, Whiz Kid, and a band called Dan Grenier And The Hitters. Actually, there's more that I could list. Matter of fact, there's so much strong local music, we went for the double disc package. Call me if you'd like a copy."

WEBN, CINCINNATI, OH M.D.-CURT GARY: "Let's start with the obvious: I've heard rumors that graffiti saying 'Ozzy Osbourne sucks' is being found backstage at Black Sabbath concerts. Can you blame them when he beats them to the punch on a great live record? The record has been previewed on WEBN to glowing rabid reports from the fans...Of course, Led Zeppelin's 'Coda' cannot be overshadowed by the Ozzy Osbourne record. It becomes quite obvious that the Led Zeppelin sound was in John Bonham's drums. It's a great record, and once again America's album rock radio is gonna be hammering out Led Zeppelin from dawn till dusk. Check out 'Darlene' for starters...Speaking of live records, I have to concur with many that 'Showtime' is the best since 'Full House'. 'I Do' seems to be working really well for us after the second week. I wonder if this was devised along with the help of Keith Richards in some back room? I read that during the Stones' tour, they formed a do-wop band with Keith Richards and some of the roadies... Riot's 'Restless Breed' gets a lot of work here, so we'll put the new album into the live option category...My Fave Rave Of The Week: Pretenders, 'My City Was Gone'. Certainly the flip side for the State of Ohio is a must...Sammy Hagar's new one will definitely be a hit on the Top 40 side if nowhere else. It has all the elements of a hit song...Night Ranger is doing really well. Just starting now to pick up familiarity on the air, and it's no holds barred once that takes place...Same goes for Frank Marino. 'Strange Dreams' is starting to pick up familiarity on the air after three weeks, and starting to get calls too. Looks like it'll go all the way for us...Big Surprise This Week: Crosby, Stills & Nash. From our 'better-late-than-never' department, 'Southern Cross' went from an add to heavy in one week...We're considering adding that entire WEBN Album Project 7. Any of you A&R guys who want to save air fare, just give us a call here at WEBN. A compilation of 12 of Cincinnati's finest awaits your ears."

KGON, PORTLAND, OR ASST. P.D.-GLORIA JOHNSON: "Requests: #1 Kiss, #2 Judas Priest, #3 Ozzy Osbourne, #4 KGON Album, and #5 Night Ranger...Sales: #1 Men At Work, #2 Pat Benatar, #3 Judas Priest, #4 John Cougar, and #5 Supertramp...Sammy Hagar has done it again. 'Your Love Is Driving Me Crazy' is a homerun hit straight down the middle with a feeling that's irresistible. And 'I Don't Need Love' rocks with a vengeance. Thanks, Sammy. I knew you wouldn't let me down. Looking forward to the cut with Mike Reno and Jonathan Cain...Led Zeppelin is a necessity for any Zep fan's collection. I especially like 'Darlene' and 'Ozone Baby' as well as the new version of 'I Can't Quit You Baby'. Can't believe that one was recorded at a sound check. Page's guitar work is breathtaking. I also think it was a class move to include 'Bonzo's Montreux', a fitting tribute to the man who is unequalled when it comes to a rock and roll drum solo."

WNEW-FM, NEW YORK, NY M.D.-JIM MONAGHAN: "Now that most of the major releases for the rest of the year are out, I'd like to ask you to go back and relisten to Little Steven And The Disciples Of Soul. We've been playing it heavy for the last couple of weeks and getting great response. Our listeners don't seem to have a problem with his voice or horns or whatever other excuse we programmers use to avoid music that has some soul in it...Had a chance recently to see the English Beat before a packed house at Roseland. You really should consider 'Save It For Later'...This week's left field shot is, strangely enough, Marvin Gaye. 'Sexual Healing' will be a huge crossover hit. Ask your Columbia rep for a copy and give it a serious listen...Thanks to Atlantic Records for a wonderful time last Tuesday at the Supreme. How do Wolmark and Vargas eat there so much and stay so thin?"

WMMS, CLEVELAND, OH M.D.-KID LEO: "We were one of the many stations to World Premiere the Led Zeppelin album. These guys aren't bad for a band that is longer in existence. To show you how live these guys are, our listeners hung on every single word of the Cease and Desist order, which was three pages long. Expect a massive and a merry Christmas for the band...Ozzy is a nasty son of a bitch. I mean, he does have a right to do the songs he performed with Black Sabbath since he was with them for the bulk of his and their career, but I heard that Sabbath is coming out with a double live soon. One up for Ozzy... The Hagar single is very formula. I hear the album is very hard rocking, so I look at this as a career move, period. It ain't a bad song either...The Rodway has the potential to explode. If that song hits, it'll hit big...Increased Play: Scandal (the song is starting to take hold); Golden Earring (simply getting more play)...Basically, the monsters are getting the bulk of the play: Phil Collins, Pat Benatar, Tom Petty, Led Zeppelin, The Who (due to the concert), Men At Work, Stray Cats, etc."

WDVE, PITTSBURGH, PA M.D.-RON NENNI: "So, the swan leaked--in fact it was a liquidation sale. Our listeners are in awe over the Led Zeppelin. 'Coda' is an instant classic. 'We're Gonna Groove' is in, and 'Ozone Baby', 'Poor Tom', and 'Darlene' are ready for massive airplay. Retail will be unbelievable. And if it's not a request for the Zeppelin, it's for Ozzy...The new Sammy Hagar is great, as expected. I'm dying to hear the duet with Mike Reno on the album--sounds like a power rotation cut to me...They 'Love It Loud' at night. The Kiss should certainly satisfy the headbangers...The DVE Pittsburgh Rocks Vol. II is out and sounding good on the air. The rock shops in Gimbels are cranking out our merchandise... And out of 40,000 entries, we're sending a listener to see The Who at the Tangerine Bowl in Florida, along with a 3-day pass to Disney World, rental car, hotel, and \$102 spending cash per person...Geils is sounding hot on the air...Night Ranger is enjoying early response."

WAPP, NEW YORK, NY M.D.-CHIP HOBART: "In the continuing story of Led Zeppelin, I'm getting tons of calls on my shows for it. I decided on a nice wooden frame for the cease and desist order. Best reaction to: 'We're Gonna Groove', 'Poor Tom', and 'Ozone'...Went with the Golden Earring. I figured 5 years between albums was enough time for these guys to get back on the radio...The Vandenberg is something I did not hear at all at first, but it grew on me. I think 'Burning Heart' is safe, and it could do well... And speaking of being wrong at first, it looks like Bill Hard and I were both off base at first on the new Kiss album. Tested it last night without telling who it was and they came in with an 8.1, one of the top 4 or 5 ratings since we started the feature. I get as many requests for Kiss every afternoon as for the new Zep. They know it's out there. They do have an image problem to live down, but we're watching the record. And if we do play it, we won't say who it is--we'll use the album title only... Rainbow powered right in. The live track is good. Thanks to Roger Glover and Ritchie Blackmore, it's just as good as the old Deep Purple stuff...We're sorry the Utopia was inadvertently deleted from our list this week. Obviously a mistake. We're very proud to be hooking up with the national satellite live broadcast this Thanksgiving evening. It's the first live broadcast we've done since signing on, and we're excited about the whole thing...A very Happy Thanksgiving to all--get stuffed is my advice."

WYSP, PHILADELPHIA, PA M.D.-STEVE FEINSTEIN: "The Zeppelin album has the phones going bananas. Response so far has been mostly to 'Darlene' and my personal fave 'Poor Tom'...Same response for the Ozzy album, too...Adam Ant had a great week. We moved it up in rotation due to the extraordinary sales and phone response. This seems like it's going to be the party record of the season; one that we may end up remembering the holiday season by...There are a few records that didn't blow me away at first, but I've come to enjoy a lot: The Culture Club, 'Do You Really Want To Hurt Me'; Rough Trade, 'All Touch'; and, Police, 'I Burn For You'. All three of them could be backdoor sleepers...Other at home listening includes: Dexys Midnight Runners and Marvin Gaye's 'Sexual Healing'...Kudos to: Roger Lifeset on his outstanding work for the Frank Marino record...Knocked out by the Squeeze anthology...If you haven't already, it's time to deal with The Fixx. This is another crossover record. A New Wavey sound that seems to be working well with the mainstream audience, too...Sales: #1 Joe Jackson, #2 Stray Cats, #3 The Clash, and #4 Men At Work...Just want to put another word in for the Payolas Import 45. 'Soldier' is a killer."

KYYS, KANSAS CITY, KS M.D.-JOE MACCABE: "Re: 'Rock Wars'--loved it! Nothing better than seeing one new record an hour max from all these people telling us to get behind more new music. We broke it in Denver!! Yuk Yuk!!...Calls on the Led Zeppelin will not 'cease and desist'. Actually, we're pissed we didn't get a C&D to hang on the wall with our McCartney. It sounds a bit frantic on first listen. I'm keying on 'Ozone Baby' and 'Darlene'...Finally, we added Fashion, a record I like a lot. Not sure of how it will do in KC. 'Picture' is the track...Also went with Night Ranger. Should be a good radio cut...Ozzy goes straight to live option. I want a tattoo just like his!...Vandenberg is getting good initial calls. To be honest, I thought it would take longer to pull in the phones but after 2 weeks calls are active...Adam Ant is dominating the phones based on our play in combination with you know what...The Hagar 12" just feels real good to start off (like every other Hagar cut)...Also rolled the Pretenders' single. It's very good and don't know why I waited (probably has something to do with our football league)...We switched to 'Born To Rock' on the Buck Dharma. Hopefully that will do it!"

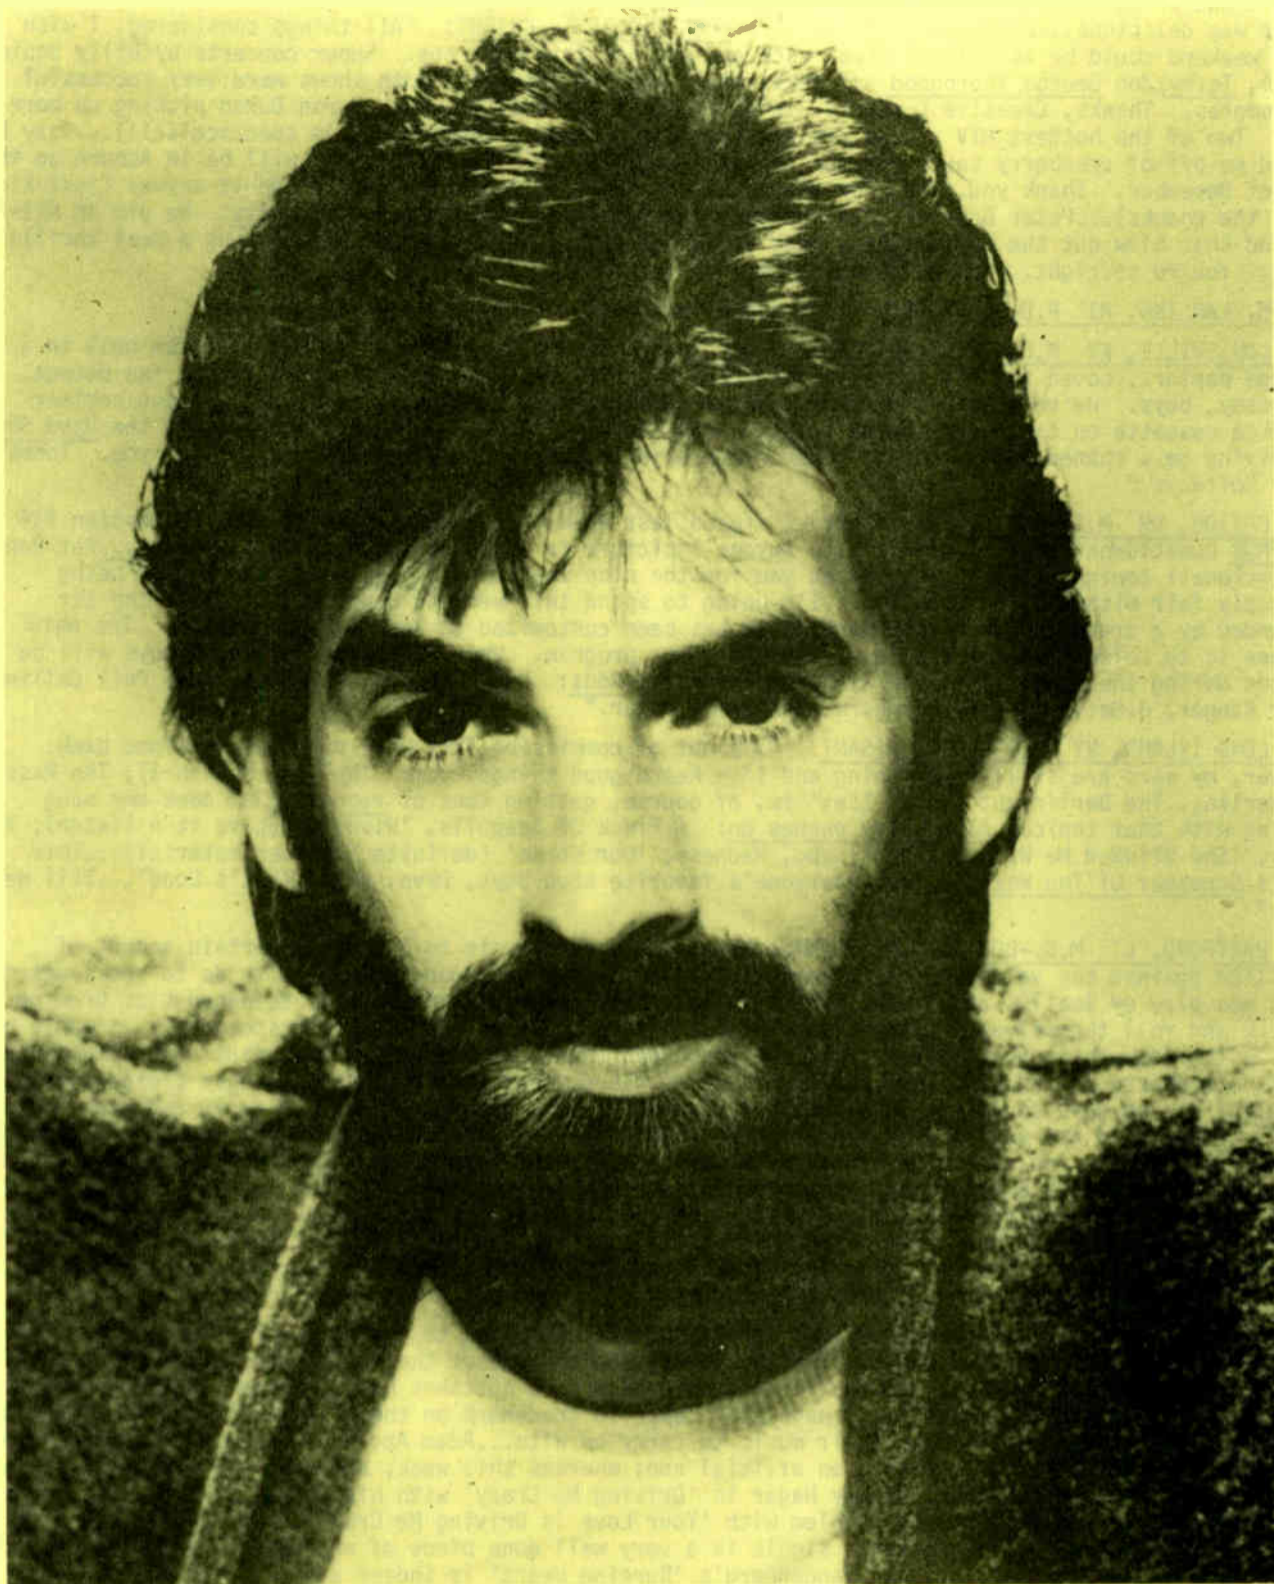

WLUP, CHICAGO, IL M.D.-SKY DANIELS: "Record Of The Week: Sammy Hagar's 'Your Love Is Driving Me Crazy'. 'Crunch-o single'? Sometimes I wonder where the editor comes up with these fine adjectives! Whatever the word, this one is that smash. Come on Geffen, do your stuff! I need songs like this because when you get them you get PUMPED UP AND POPPIN!!! The 'Red Roker' is driving me crazy!...Both Night Ranger and Vandenberg play straight down Midwest mainstream lines...It looks like Brad Gillis will be faced with the decision: To Ozzy or not to Ozzy?...Vandenberg goes so far that even the name reminds me of Van Halen. It would be safe to say they mine the same territory and do it well...Is it true that Don Arden has brought Ozzy and Black Sabbath back together? Is Ronnie James Dio out or will the forthcoming Black Sabbath live feature covers of 'Crazy Train', 'Flying High Again', etc...I've got mixed reactions about the Zeppelin Lp. 'Ozone Baby' is really hot, so are a couple of others, but as Roger Daltrey has said, this is the kind of project that prevents new bands from getting fair attention. On one hand it provides profits for Atlantic to subsidize developing acts--on the other hand, they take up a lot of airtime with outtakes...Speaking of new bands, the Culture Club's 'Do You Really Want To Hurt Me' is giving all indications that it will be a Human League, ABC-like hit...Kevin Roland should be receiving his due for assimilating celtic folk and funk music together on Dexys 'Come On Eileen'. A very exciting arrangement that has me hooked!"

WQFM, MILWAUKEE, WI ASST. P.D.-MIKE WOLF: "What a great week for new music! Sammy Hagar picks up where he left off on his last album. Sammy still creates the most intense hard-driving, yet polished, sound around today. He's sounding better than ever and to say that I'm looking forward to the album would be an understatement...Night Ranger is a very impressive debut album. The song 'Don't Tell Me You Love Me' has the right combination of guitar licks, hooks and harmonies to make it an equal to anything released by a superstar act in the last few weeks...Talking about superstars, Led Zeppelin's 'Coda' is surprisingly good for a posthumous release. 'Ozone Baby' and 'We're Gonna Groove' possess that awesome electricity that is the trademark of Zep. Great packaging, too...As the parade of superstar release thins out in the next few weeks, may I suggest a few tracks that are doing extremely well that may have been overlooked by most stations: #1) 'Burning Heart' by Vandenberg--If Scorpions and Judas Priest are big in your market, watch out for this--it's an instant request item; #2) 'Who's Gonna Love You Tonight' by Steel Breeze. Too many people threw the album away after 'You Don't Love Me Anymore' burned out. A definite homerun that will keep you sounding fresh during the Holidays; #3) 'I'm Leaving' by Taxi. The backbeat on this is so potent, it's addictive. Wherever it gets played, it moves into h-o-t rotation within two weeks. The only thing that held this release back was the lack of support from the company, not the quality of the music. Why not check these out in the next few weeks, instead of freezing your list?"

WMMR, PHILADELPHIA, PA M.D.-LISA RICHARDS: "Whenever Atlantic Records releases a major, it never eludes that hunger, that suspense, that first to be first in radioland! Why? It's just too exciting for words. And, of course, 'Coda' is just an absolute monster. This album is a major tribute to the drummer of all time. Each song just booms and sizzles and shakes with his touch. 'Bonzo's Montreux' is one of the best Led Zeppelin songs I've ever heard. It blows 'Moby Dick' out of the water...And just in time for the holidays, it's a live Foreigner album. Very nice packaging, too...Did I forget to mention Ozzy? That cover may scare away the 9 year olds. He must have some love life, huh?...A close second for Record Of The Week is: Dexys Midnight Runners, 'Come On Eileen'. I haven't been this excited about a song since 'Just What I Needed'. It's a smash!! It's a hit!! It's hook city!! It's big in England. It's the DeBella Screamer Of The Week. This could be a #1 hit single. Just take out 4 minutes and 12 seconds of your day and listen to it--that's all there is to hearing it...Stray Cats returned to the City in another WMMR Event and sold it out again. These guys are electricity on stage...So is Adam Ant, that charismatic little gypsy. He played to a soldout crowd on Friday and Philadelphia went nuts. We added 'Goody Two Shoes' out-of-the-box. It's been in heavy rotation for three weeks, and the response on phones and sales is on a steady upswing...Billy Joel did a truly amazing show at the Spectrum this weekend, with people of all lifestyles and practically every demo. His album moves to #2 retail...The Cats and The Clash continue to burn up the phones, the cars, and the record stores...By the way, our Big Shot Ep is finally out. A hot local band called The Missiles are the winners. They get the national 45 single to be distributed by E/A. There are four other great bands on the Ep. Anybody interested, give me a call."

KGB-FM, SAN DIEGO, CA M.D.-TED EDWARDS: "Welcome to the first edition of Ted Edwards' Adventures In Paradise. Kudos to: WMMR and the KATT in Oklahoma City--both sounded great as I headed across the country. Other than that, not much to report on radiowise. There's a lot of space in between the right and left coasts where there are no radio stations at all...To my friends in Boston, who I didn't have time to say a decent 'see you later' to: Hey, I'll see you down the road...In our first week here at KGB-FM, we've added some hot records: Top of the list, of course, Led Zeppelin. A nice little Christmas package that should keep people's ears right up against the radio...We also put on the Night Ranger album this week. A pleasant surprise in my first week of listening here. We'll start with 'Don't Tell Me'...We also put on the new Hagar single...We'll go with the Pretenders, which is now in domestic release and sounds better with every listen...Also in this week, the English Beat. We could no longer 'Save It For Later' (Plen, you owe me)...We also went with Duran Duran. Capitol has made an extremely wise decision on the remix, and I think the album is now much more appropriate for the format...A couple of personals: To Dave 'ex-coworker' Kane at WCMF: Thanks for the congrats...Also thanks to: Pam Newman--the balloons were great; and to Paul Lemieux. Remember, you'll always be like a sheep to me."

WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-BRUCE BOND: "To Billy Squier: Thanks for the interview, and you gave the Lehigh Valley a great show. You're a gentleman and a scholar. And yep, there aren't many of us left. Thanks to: Michael from Capitol for everything...Speaking of Billy, I finally got to see Billy in concert. His first song in the concert is 'Allentown'. Great choice!...I'm impressed with the Led Zeppelin album. Some real heavy tunes from the past Led Zeppelin lives on...My New Wave show is going real well. I can feel the audience building. Hot this week on the show: The Members, 'Working Girl'. Listen, you'll like it...The Musical Youth 'Pass The Dutchie' is a real exciting record that fits the reggae mode. That's popular these days...Thus, my two projections! Duran Duran moves to medium; Missing Persons moves to heavy...Top Five Sales: Stray Cats, Men At Work, Billy Squier, Pat Benatar, and Joe Jackson...Top Five Requests: Trio, Judas Priest, Adam Ant, John Cougar, and The Clash 'Rock The Casbah'...Yes, Trio with the 'Da Da You Don't Love Me' song is in medium rotation and is tops in requests this week. Play it!...I'm now going to pray that Penn State beats Pitt -- Because who needs the NFL when you got a '65 Dodge."

WSYR, SYRACUSE/UTICA, NY P.D.-BERNIE KIMBLE: "Thanks to: Terry Van Dyne for the great Billy Squier concert and promotion...Also thanks to: Alex of EMI. The Thorogood concert was incredible and the rib dinner was delicious...Duran Duran is hot!"...FROM M.D.-CHIP KNIGHT: "All things considered, I wish every weekend could be as full of great rock and roll as this past one. Super concerts by Billy Squier. (Thanks, Terry). And George Thorogood (Thanks, Alex, you old hippie). Both shows were very successful co-promotes. Thanks, Creative Concerts...Kiss is still the hottest, with Duran Duran picking up more each play. Two of the hottest MTV videos are now from Duran Duran...Sammy Hagar is spectacular!!!...Ozzy has turned me off of cranberry sauce forever, but the kids love him!!!...Stray Cats will be in Auburn on the 13th of December. Thank you, Ted, for the cease and desist. I didn't want to add it anyway (just kidding about the thanks)...Peter Gabriel, Pat Benatar, and Saga are riding high on requests. We did an All-Request Weekend that blew out the phone lines, much to the dismay of NY Telephone, but gave us a real thrill!!!... Howie: You're so right. Not tall, but right!"

WILS-FM, LANSING, MI P.D.-LES COOK: "Led Zeppelin...Have a Happy Thanksgiving."

WLRS, LOUISVILLE, KY M.D.-TERRY MEINERS: "Judy Swank, insure those hands. I bet you'd be hell in a message parlor...Loved the Led Zeppelin cease and desist tug-of-war with the guys across the street. Get ready, boys. We're gonna be breaking the new Osmonds album early next week. I'll leave another unmarked cassette on the receptionist's desk. Look for it, Tom...Thanks to all of you at the Hard Sheet for giving me a chance to say thanks to everyone else in the industry. Thank you. Thank you. Thank you... Happy Holidays."

WTUE, DAYTON, OH M.D.-BOB CLARK: "Sorry I missed last week, but I was trying to answer question #14 in the FMQB Questionnaire and I didn't have anyone's picture to find out who had the best ears...Pat Benatar's in Cincinnati tonight. Guy Evans, thank you for the nice seats...Bill Heltemes, thanks for being perfectly fair with the Led Zeppelin...I'm going to spend this weekend hanging 50 feet in the air suspended by a crane inside a Volkswagon that has been customized to look like a Pac-man. The main purpose is to raise toys for the local Toys For Tots program. Whoever guesses how many toys will be donated during the time I'm in the air wins the car...Adds: Led Zeppelin, Ozzy Osbourne, Phil Collins, Night Ranger, J.Geils Band, Pretenders, and Sammy Hagar."

WLIR, LONG ISLAND, NY M.D.-ROSIE PISANI: "I'm out of commission this week due to a sprained back. However, my ears are still functioning and I've heard good things from: The The, Heaven 17, The Passions, and Berlin...The Berlin cut called 'Sex' is, of course, getting tons of requests, as does any song dealing with that topic...Also heavy phones on: A Flock Of Seagulls, 'Wishing' (give it a listen); Thomas Dolby, 'She Blinded Me With Science'; and, Madness, 'Our House' (definite Screamer material)...This week's Screamer Of The Week is from everyone's favorite spud boys, Devo, with 'That's Good'...Till next week."

WHCN, HARTFORD, CT M.D.-BOB BITTENS: "Kids have always used music to express a certain amount of rebellion against the values of their parents. When I was a teenager, all I had to do to gross out my folks was play my Beatles and Stones albums. These days, when many parents of teenaged kids grew up on rock and roll themselves, it takes something a bit more potent to turn their stomachs. It would be hard to find something that better satisfies this need than a man who bites the heads off animals and vomits strawberry jam on his album covers. Ozzy is the natural choice...What, no easy choice for Led Zeppelin? Those guys could put 30 minutes of farting on vinyl and radio would play it and kids would buy it. Look hard and you'll find two or three good tunes on 'Coda'. 'Ozone Baby' and 'Darlene' sound pretty good to me. And as a blues freak from way back, I just love Jimmy Page's guitar work on 'I Can't Quit You Baby'...About 6 months ago, I mentioned something in my comments about Duran Duran's 'Hungry Like The Wolf', but Capitol was too busy with other projects at the time. Glad to see the label getting behind it now. The song has certainly proven itself overseas and in the U.S. clubs. Now it's radio's turn to make it a hit...One more time for Sammy Hagar...Time to stop talking turkey and start eating it instead. Here's hoping you had a great Thanksgiving."

WYFE, ROCKFORD, IL ASST. P.D.-THE DOCTOR: "First of all, I'd like to extend a very sincere wish for a Happy Thanksgiving to you and yours. May the joy spread throughout the entire season...Well another Led Zeppelin album is upon us, and you'll find more than just outtakes here. 'Coda' contains a couple of outstanding tracks that definitely have that Zeppelin trademark on them. The band may no longer be, but it's great that we still have their music to carry on with...Adam Ant has tested out extremely well. Last week I mentioned that it wasn't an official add; whereas this week, not only are we adding it, but it's going into heavy rotation...Sammy Hagar is 'Driving Me Crazy' with his latest, and he just keeps on getting better and better. No problem with 'Your Love Is Driving Me Crazy'. And you're right, Bill. This is an automatic...The Pretenders single is a very well done piece of production, and this week we'll start it off in a medium rotation...Vandenberg's 'Burning Heart' is indeed a fine track not only for gonzo rockers but for those looking for mass appeal as well. It's kind of in the same vein as Nazareth's 'Love Hurts'. I think it'll work if just given a chance...Fashion is going into our light rotation this week as well...Considering for next week: Duran Duran's 'Hungry Like A Wolf'. I think it's outstanding, and the audience reaction to the band is already high. As we noticed when Duran Duran opened for Blondie here, the better response went to Duran Duran...We're also keeping our ears on Night Ranger. I do believe the formula is there for something to happen...Talk Talk is building for us this week. That has moved to a medium rotation...Top Sales This Week Include: Pat Benatar, Stray Cats, Billy Squier, Dan Fogelberg, and Men At Work...It was nice to see BeBop and Tony Smith from EMI dropping by the station. Please head on by again real soon, you're always welcome...See ya next week. I hope you saved some room for Christmas turkey."

WLVO, COLUMBUS, OH M.D.-TIM SMITH: "A well-deserved tip of the hat goes to: The WEA organization for lowering the list price on catalogue albums. I see it as a long overdue acknowledgement of a way to deal with the economy and a realization of product value. Other record companies will soon have to face the fact that the lack of cut-to-cut excellence found on, for example, 'Who's Next', does not justify top dollar. Keeping supply and demand laws in mind, one has to wonder about the 'beached whale' syndrome. Is this a close-out sale? Free 45's for the kids? So as the finances and emphasis move towards newer artists, we appreciate the Modern Rock section of the Sheet. Additional cut information would be helpful as well as service from the labels. We're block programming new rock and need the product...We have had consistent positive response to Duran Duran on our new music show, and the timing is right now for an official add with full-time rotation...And, hey, one listen to the new Sammy Hagar tells us that the song will blow our competition off the dial."

WMJQ, ROCHESTER, NY ASST. P.D.-MICHAEL ISABELLA: "WMJQ hopes everyone had a happy Thanksgiving and we'll see you next week."

WWCK, FLINT, MI P.D./M.D.-MARK MILLER: "The amazing Kiss story continues. #2 sales behind J.Geils to go along with continuous Top 5 phones. Apparently, the folks who joined the Kiss Army in 1973 as privates have become career soldiers...It becomes increasingly apparent why the songs on the new Led Zeppelin album were locked in a vault so long--to gather interest. The interest is indeed there, but the principle is sadly lacking. A couple of tunes, 'Darlene' and 'Ozone Baby', sound like they might have been good enough for the 'Presence' album but little else...Personal to B.M. (or should I say B.S.): All things considered, I guess B.M. sort of fits. Your head is getting used for a football if you're not careful. Thank you. Over and out."

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "Glad to see that the glut of superstar product has eased up a bit, gives us some time to concentrate on some other deserving acts. We're looking at: Moving Pictures, Riot, Spoons, Duran Duran, and the English Beat...We're also expecting to go a bit deeper on: Stray Cats, Saga, and Judas Priest. So there's plenty to keep us busy for the next few weeks...WCMF Adds This Week: Led Zeppelin, Henry Paul, and the Sammy Hagar 12"...The Zeppelin album is a resurrection for the audience who are getting burned on the old Zeppelin songs. This Lp rekindles the fire that many thought was out for good. The songs we're using are: 'Poor Tom', 'Darlene', and 'Ozone Baby'...Sammy Hagar's 'Your Love' is just what this guy needed. A slick, well done song with all the rough edges smoothed out. Should be a smash-a-roo...Henry Paul also gets the nod, as Upstate has always been kind to him...Records that are unfortunately in trouble here are: Frida, Vandenberg, and Buck Dharma...No trouble, however, for Adam Ant as he moves into heavy rotation backed up with large sales and calls...Finally, this past Saturday we were held hostage for 2½ hours by George Thorogood, who showed no mercy in his energetic showing of how rockin' rhythm and blues should be played. Thanks to: Alex Maye and Howard Resnick of EMI for the usual good time."

WIOT, TOLEDO, OH M.D.-BUCK McWILLIAMS: "Rock and roll returns to our playlist. Ozzy and Led Zeppelin light up the phones and put retail outlets back in business... 'Never Say Die' and 'Paranoid' are leading favorites with Ozzy, who looks like he's been with the wrong gorilla at the wrong time of the month...Zep has got people real curious, so we'll give the album good exposure with: 'Poor Tom', 'Wearing And Tearing', 'Walter's Walk', 'Ozone Baby' (about Susan Austin?), and 'Darlene'...Sammy Hagar scores well with the flipside of his Ep on 'Smash Or Trash', so that goes into heavy...We're more than happy to go back on Duran Duran since we were one of about five stations in the country that played and crusaded for him in August...If someone would have told me that we'd be playing Kiss this year, I would have shipped 'em off to Louisville. But sure enough, 'Love It Loud' is getting attention. Someone tell this band to stay away from Christmas specials and cartoons this time...Whatever you do, don't stay away from a Peter Gabriel concert. You'll never experience a show like this, and I just wish I could have seen him with Genesis. Many thanks to: Linda Baker from Warner Brothers...A Thanksgiving question for those who like to fool around: What do you get when you have sex with a bird? Chirpees! How about sex with a midget? Twirpees! And while we're on the subject of food, what do you call a Vietnamese with five dogs? A rancher!...Is it true that sooner or later everyone who works at FMQB Album Report grows a beard? Three days' growth on McNutt?"

WSKS, CINCINNATI, OH M.D.-CHRIS GEISEN: "Question of the day: Will the new Led Zeppelin record debut at #1? I have to admit that this is the first (and probably only) new Zeppelin record I have worked with as a music director. I would love to go spaz with this record, but I guess that would be the general attitude with any unreleased Zeppelin product. My picks (not necessarily in this order) are: 'Darlene', 'Ozone Baby', 'Poor Tom', and 'Wearing And Tearing'. Phone response is already here. Obviously this is a big record...Another record gaining immediate response is the live Ozzy Sabbath record. We have live optioned all the Sabbath stuff. Wouldn't it be funny if we started getting requests for that new guy Black Sabbathbourne?...After tearing my hair out for two weeks on the Kiss record, we'll go with 'I Love It Loud'. The way I see it, it's now or never (thank you, Paul Anka)...When I put the Sammy Hagar on the turntable, I guess I was expecting another 'One Way To Rock'. In reality, it's more like 'I'll Fall In Love Again'. We'll go with 'Crazy' and wait...I like the Duran Duran and the Scandal records, but with the Christmas blitz here, I'm having a problem fitting in all this good music. We'll try again with those next week...Also still having a problem deciding about the Frank Marino. I keep expecting the track 'Dreams' to kick in or something. It's a cool record to play. Maybe another 25 times on the turntable will help...Finally, welcome to Marty Sobol from M-105 in Cleveland. And a special welcome to P.D. Mike McConnell's 7½ lb. baby buggy that arrived over the weekend. She'll have comments next week."

WPYX, ALBANY, NY M.D.-BOB WELCH: "This week we added: Led Zeppelin, Ozzy Osbourne, Sammy Hagar, Night Ranger, Kiss, Robert Plant (Imp), National Lampoon, and Bill Cosby...Due to a tremendous amount of requests, Kiss goes on the air this week. Our audience doesn't seem to know about any image problem, they just want to hear the record...We love the new Sammy Hagar. 'Your Love Is Driving Me Crazy' is a hit. And make sure to check out the flip side...The phones have been ringing off the hook for the new Led Zeppelin since we got it. So this is what Jimmy Page has been up to. It's a pleasure to play. We're on: 'Ozone Baby' and 'Darlene'. Obviously it's going to be a monster in sales and requests...Speaking of monsters, Ozzy is back. The record sounds great and Ozzy's fans will love the cover. Just the thing to find under the Christmas tree--about 6 feet under...Give 'em more Zep. Find a copy of the Robert Plant import and check out 'Far Post'...In Sales: Men At Work #1, Phil Collins moves #22 to #7, Saga breaks into the Top 10 at #8, and Tom Petty debuts at #14."

WAQX, SYRACUSE, NY P.D./M.D.-ED LEVINE: "The greatest Christmas present radio could receive is the Led Zeppelin album. It'll probably be very chic in some circles to put it down, however, the audience is going crazy over it. And I've got to admit that as a long-time fan, it's great to have this record. We're playing every cut in rotation except 'Bonzo's Montreux'. After all the furor over who had it first and all that, the bottom line is this is a great record for album radio...Speaking of great records for the format, a bullseye for Ozzy. Choosing to do old Sabbath material was perfect because a lot of these tunes still have 25-34 male credibility and the kids are getting into stuff like 'Sweet Leaf' for the first time. A lot of calls on that...The Hagar single should actually sell this record. Plus, I heard the duet with Mike Reno and this will certainly keep the Loverboy fans happy...We're starting to pick up some calls on: 'Black Widow' from Starship. So we moved it up in rotation. It's got that right feel to it...I want to talk one more time about 'Burning Heart' by Vandenberg. It is now pulling requests and, more importantly, curiosity calls when it's played...The Pretenders record is shaping up as a hit. Getting consistent calls after a couple of weeks, and we look forward to moving it up next week."

KTIM, SAN RAFAEL, CA M.D.-TRISH ROBBINS: "Happy bird!"

WHFS, BETHESDA, MD P.D./M.D.-DAVID EINSTEIN: "A tight race for the top 3 slots on the playlist, with the Stray Cats and Joe Jackson even up on points and Joni Mitchell only down by one...Primary movers this week are: Joe Piscopo, Prince, and Marvin Gaye...Station favorites include: The The. Still pulling phones for the third straight week, though it might be noted the reaction is 'What was that? I like it' as opposed to 'Please play' -- it's cognitive identity profile still being unestablished...We also like: Mental As Anything, 'Let's Cook' and 'Got Hit'. Another fine record that seemingly hasn't been given a fair shot by programmers. It's a solid Lp, albeit a sleeper, and the band performed impressively on stage as the opening act for Men At Work...If you haven't checked out Holly And The Italians 'Honalu' by now, look at this. It's the Pretenders, but not just an imitation. A good solid piece. Is anybody out there listening?...Onto newer things. The Culture Club's 'Do You Really Want To Hurt Me' is a hit for a number of different formats."

WQBK, ALBANY, NY M.D.-LIN BREHMER: "We're going out on a limb with the new Led Zeppelin this week. Segue of the week: Led Zeppelin's 'Poor Tom' with John Fahey's 'Funeral Song For Mississippi John Hurt'...John Cooper calls the Waitresses 'Christmas Wrapping' the best rock and roll Christmas song of the last 10 years (better even than Fear's 'Fuck Christmas'). We played 'Christmas Wrapping' last year to popular acclaim...We've gotten our messianic hands on excellent imports from A Flock Of Seagulls and Human League. These bands will not be flashes in the proverbial pan...Top Five Airplay This Week: Phil Collins, Stray Cats, Pretenders, Hall & Oates, and Missing Persons...We've burned out a bit on Duran Duran since last June. But for those of you who are considering 'Hungry Like A Wolf', I can say that the song has been one of the most popular tunes on the air."

RADIO ACTION CONTINUED

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "If you're having a tough time deciding what to go with on 'Coda', imagine what an agonizing decision it must have been to exclude some of these gems from previous releases. More often than not, compilations of material that was 'in the can' come out sounding like they belong in another kind of can themselves. So it's natural to be skeptical even when former band members are directly involved. One listen to 'Coda', though, blew my doubts right out the window. 'Ozone Baby', 'We're Gonna Groove', 'Poor Tom', and 'Darlene' all possess that old spine-tingling Zep power that takes your breath away. Zeppelin is like the rare prize fighter with the good sense to quit the ring when he's at the top. Listening to 'Coda' is like thumbing through his scrapbook--it documents some great knockouts you missed if all you saw were his title bouts...Great to see the Petty lock up the top spot on the Airplay Index. There ain't a moment to this Lp that isn't great, but don't overlook one of the real clinchers, 'We Stand A Chance'. Once that tune gets going, it's going to roar through the pack on the Song Index...Frida was added while I was on vacation and it simmered along nicely for several weeks. Just when I was getting ready to phase it out, phones started to come thru for it. We've upped it, accordingly, to a boil...A 'well done' to the support team assembled for the Night Ranger project. No matter how good the sound and packaging on a debut record may be (and in this case both are top notch), it is still a major accomplishment to land the numbers they have in the time they have. We're talking turntable meltdown and major speaker blowout with 'Don't Tell Me You Love Me', and don't miss 'Eddie's Coming Out Tonight'...It seems the label hit me up the side of the head repeatedly about the last David Lindley record, and though I never did hear that one as a radio album record, the new one is quite another story. 'Something's Got Ahold' and 'Turning Point' both sound great on the air. Seems to me that Bruce Moser is the only one who's ever mentioned it to me...Burt, you're on the mark on the Henley record. There's lots more that should qualify as prime airplay material, and relegating 'I Can't Stand Still' to recurrent just wouldn't do it justice. It's a hit."

KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON: "Glad to see the increased buzz and Bill's Tip on Duran Duran. We've been playing this record since June; and, although for us it's dropped from Top 10 heavy to a light play item, it's still on the air. If you've been a bit slow to pick up on this excellent band, you now have additional peer group pressure to jump on it...The Led Zeppelin is a joke, right?...The Sammy Hagar is no joke. Bill's Tip described it to a T. It's mass appeal quality rock and roll and a possible breakthrough for Sammy...Ditto for 'All Touch' on the Rough Trade Lp. Maybe not so mass appeal as Sammy, but much more listenable than their debut...It's list time again. We made ours and checked it twice and what follows is a highly subjective KBLE Top 40 albums for 1982; a mutually exclusive list of the 20 best Lps and the 20 best debuts. Neither list is in any particular order. New Artists: Kithain, Men At Work, Marshall Crenshaw, The Church, A Flock Of Seagulls, Talk Talk, Eye To Eye, Moving Pictures, Clocks, ABC, Human League, Greg Copeland, After The Fire, The Act, Stray Cats, Asia, Thomas Dolby, Paul Carrack, Haircut One Hundred, Paul Brady...Best By Established Artists: Dwight Twilley, Wendy Waldman, John Cougar, Paul McCartney, Alan Parsons, Roxy Music, Fleetwood Mac, CSN, Chicago, Pete Townshend, Who, Duran Duran, Joe Jackson, Steve Winwood, Dire Straits, Billy Joel, Donald Fagen, Supertramp, Phil Collins, Joni Mitchell...This Week's Adds: Steppenwolf, Sammy Hagar 12" 'Driving', Led Zeppelin, Rough Trade, Michael Berger, Prince, Duck's Breath 45, Dr. Demento."

KNAC, LONG BEACH, CA M.D.-MARY GODGES: "New music is scene and heard on Rock 'N' Rhythm NAC. This week's favorites: Berlin, Culture Club, Psychedelic Furs, English Beat, Prince, The Damned, and R.E.M.... An automatic 'go' on the new Yaz and Human League singles."

WBRU, PROVIDENCE, RI M.D.-DAVID FILIPOV: "You gotta love Squeeze's last single 'Annie'. Great songwriter till the last, and this one's got some dandy production. Pity we can't look forward to more things from Squeeze...Culture Club's 'Love Twist' has finally got me this week. We're using an edit on that and it sounds very nice...Of course, Led Zeppelin goes in. The real interesting ones are: 'Poor Tom' and 'Darlene'...Happy Turkey Week to everyone out there."

WKQQ, LEXINGTON, KY ASST. P.D.-DAVE KRUSENKLAUS: "The earthdogs have died and gone to heaven with the release of the new Led Zeppelin album. Wow! Does this thing rock! It's pulling in mega retail in just three days. I like three cuts on the album: 'We're Gonna Groove', 'Wearing And Tearing' and my favorite 'Darlene'. It's a must for every Zeppelin collection and I also like the idea of the title 'Coda'...A final passage. Sure, Adam Ant works on MTV because the videos have always been a visual delight but I wouldn't give a nickel for any of the songs! Until now. 'Goody Two Shoes' is a dance monster at this time. Mr. Ant didn't forget the hooks! 'Goody Two Shoes' is already pulling in great female phones. It looks like all of the ants are coming to the picnic...Very close to 'Back On The Chain Gang'. I love the patented Pretenders' sound and if you ask female vocalists, such as Pat Benatar, who her favorite singers are, ChrissieHynde is not far from the top...Saga is picking up nicely in sound...Adam Ant and J.Geils are making strong first week showings...I agree with Bill that the Sammy Hagar single could go multi format--a great radio record."

KEZO, OMAHA, NB P.D.-GREG GILLISPIE: "Adds This Week: Led Zeppelin, Ozzy Osbourne, Sammy Hagar 12" 'Driving', Pretenders 'Chain', and The Members...Coda means a concluding musical section, but is this really the last Led Zeppelin album? You know these guys must have tons of material along these lines stashed away somewhere. We got the album in time for our Led Zep/Pink Floyd Weekend, and the audience went absolutely nuts. So far the favorites seem to be: 'Groove', 'Poor Tom', 'Darlene', and 'I Can't Quit You'. I'm glad they included the dates, and I'm wondering if the Bonham solo was one of the songs intended for the synthesized instrumental Lp they were working on while Plant was recovering from his car accident?...The Ozzy Osbourne certainly lit up the phones this week. This is probably as true to the original as you're gonna get. I'm just wondering if the Black Sabbath Live album in the beginning of the year will imitate the Oz...I still think 'Talk Of The Town' was the best song by the Pretenders, but 'Chain Gang' certainly comes close...I think it's become obvious that Sammy Hagar wants a hit single, and he's certainly giving it his all on 'Your Love Is Driving Me Crazy'...We tested The Members 'Working Girl' last week, and the response was quite nice...Also, we tested Kiss and the positive response was 2 to 1 over the negative response. But the people who responded negatively were so vocal and adamant about it that their response just about equals the positive response. We'll wait and see...I think the Buck Dharma record has an identity problem. Even though we mentioned he's from BOC, the response has been rather poor...Saga continues to build a strong case. Up three more points in sales and strong on the phones...Top Sales: Pat Benatar, Billy Squier, Men At Work, Tom Petty, Stray Cats, and Supertramp."

KKRQ, IOWA CITY, IA M.D.-TED BURTON JACOBSEN: "Adds: Led Zeppelin, Sammy Hagar 45, Ozzy Osbourne, Frank Marino, Moving Pictures, David Lindley, and John Lennon...'Coda' is awesome. If there's more where that came from, maybe Zeppelin will be with us well into the next century...Frank Marino deserves a shot. Simply put, 'Strange Dreams' is a searing track...The Moving Pictures album turns out to be really quite deep. Get to the track 'Round Again' and you'll see what I mean...The new direction for Sammy is one that surely can't hurt him. He should be rewarded for his adventurism...Pretenders and Golden Earring are holding down the top end of the requests."

K5MB, LAFAYETTE, LA P.D.-SCOTT SEGRAVES: "Telephones are blazing for Kiss. It ain't just the army. Also for Ozzy and Zeppelin...With the new Zeppelin and Ozzy, the continued strength of Tom Petty, Pat Benatar, The Who, Joe Jackson, The Clash, Stray Cats, and Billy Joel...And now with the WEA price cuts, maybe Santa will grant a lot of Christmas wishes to both record recipients and record companies. All this and the return of Pro Football too!"

WWV, CHARLOTTESVILLE, VA P.D.-JAY LOPEZ: "Adds: Sammy Hagar, Night Ranger, Duran Duran, Led Zeppelin, and Rough Trade."

KTYD, SANTA BARBARA, CA M.D.-RICK WILLIAMS: "Adds: Led Zeppelin; Sammy Hagar 12" (Both Sides); Squeeze, 'Annie'; Depeche Mode; Spoons; Rough Trade; Thompson Twins single; and, Rodway."

WKCO, MIAMI, FL M.D.-TRISH ANDERSON: "This Week's K102 Adds: Led Zeppelin, Ozzy Osbourne, Sammy Hagar 12" 'Driving', and Night Ranger...Wow! Is all I can say about both the Led Zeppelin Lp and the sales. The area stores have only had the album for a couple of days and already it's in our Top 10 sales...As for the Ozzy, the reaction to the cover is always the same. Yuck! or Gross! But he always seems to capture the evil in all our minds and souls. Phones are heavy on it already and sales look good... Turning to the new Sammy Hagar, 'Your Love Is Driving Me Crazy' has an excellent hook, and the way South Florida goes for him, it was an automatic this week...And last but not least is Night Ranger, an album featuring some fine guitar work, which is something we're always interested in...Here's some facts and figures for you: Phil Collins moves into heavy this week, as does Adam Ant as he continues to take South Florida by storm...Duran Duran gets bumped up to medium, along with J.Geils Band...Our Top Five Lps This Week: Stray Cats, Men At Work, Joe Jackson, The Clash, and Pat Benatar...We're getting phone on: The Pretenders, Don Henley, Billy Joel, and Pat Travers (whose South Florida concert appearance K102 has the pleasure of presenting)...Only testing one song this week and that's Scandal's 'Goodbye To You'. Let you know the results on that next time...Until then, keep touching those toes and doing those situps and before you know it that extra poundage from Thanksgiving will be just a memory."

WKLC, CHARLESTON/HUNTINGTON, WV P.D.-NEIL LASHER: "Adds: Frida, Led Zeppelin, Pretenders 45, Little Steven And The Disciples Of Soul, Sammy Hagar 45 'Crazy', Ozzy Osbourne, and Frank Marino...FM105 is ecstatic about being part of the live Source Linda Ronstadt show from Dallas on Thanksgiving evening. This is our first live satellite concert and we're very proud...More firsts for West Virginia. As we look at our records in hot rotation, we find Adam Ant makes it to the hottest. This without the aid of MTV! There is no MTV in our market. New music is certainly taking off in West Virginia and the people love it...Top Five Retail: Men At Work, Pat Benatar, Stray Cats, Joe Jackson, and Tom Petty...Missing Persons debuts in sales at #14; Phil Collins at #16. The music out today is wonderful...Lots of calls on Led Zeppelin out-of-the-box...Much to our surprise, the Kiss album is getting very heavy phones, specifically for 'Love It Loud'. Never assume a group is dead...Congratulations to my dear friend and astrological twin, Jeff Bacher of Arista in New York. There's no one in the business who's more deserving of a promotion than Jeff. He's one of the hardest working people in this business. Congratulations, Jeff."

KWXL, ALBUQUERQUE, NM M.D.-DOUG DAVIS: "It's really nice to see that rock radio has finally accepted Frank Marino's 'Strange Dreams'. We've been on the record since July, and after going Top 10, it's recurrent. But we always knew that 94ROCK not only plays the new music but stays with it."

KBOS, TULARE/FRESNO, CA M.D.-SIMON JEFFRIES: "I just wanted to say what a pleasure it is getting the FMQB each week. It's been two years since I was Music Director of WFBQ. I haven't kept up with the Sheet's evolution, but the information that Bill offers is tremendous and very much appreciated."

KFMO, LINCOLN, NB M.D.-BOB ROSEL: "Adds: Led Zeppelin, Sammy Hagar 12" 'Driving', and Ozzy Osbourne...FLASH: From around the world, across the nation, state to state, and just a stone's throw away from the bathroom, Gloria Hanukah--oops, that's Haneca and Bob 'the light fantasia' Catania of RCA stopped by to see us. While sorrow, kids, and cartoons usually don't mix, they sure did this time; not to mention that incredibly expensive glass of water with turkey, no roast beef in it. Will Gloria understand my directions to the station? Will Tom change his hair style? Will Bob Catania see the world from the torpedo room of the submarine? Will Tom and I try to bankrupt RCA at the next meal? Is there life after Heckle and Jeckle? Stay tuned to the next visit for the answers. Thanks...Best selling records in Lincoln: Pat Benatar, Men At Work, Springsteen, Dan Fogelberg, and Stray Cats...Hot Requests Include: Adam Ant, Stray Cats, Men At Work, The Fixx, and Joni Mitchell...Some of the new releases that sound good to me include: Portions of the new Led Zeppelin, Sammy Hagar, Moving Pictures, Pretenders, J.Geils Band, and Frank Marino's 'Strange Dreams'...Go back and listen to Marino's 'Strange Dreams', gang. This could be a monster...I'm too full to finish this, so from one stuffed bird to the rest of you, more Bromo faster."

KQDS, DULUTH, MN M.D.-BRIAN TAYLOR: "Adds: Ozzy Osbourne, Led Zeppelin, 'Brimstone And Treacle' Sound-track, Sammy Hagar 12", Pretenders 12", Tony Carey 12" and Suburbs 12"...The phones are ringing off-the-walls in response to the new Led Zeppelin Lp! Just the dose needed for us Led Zeppelin addicts! Hats off to Atlantic for a great package!... The Suburbs are a great local act out of the Twin Cities... Also, increased sales on Benatar, Tom Petty, Hall And Oates, Supertramp and Donald Fagen...A special thanks to Chuck Oliner and John Grady of Chrysalis for dinner and the Benatar/Saga show. You've got to give Chuck credit for getting to Duluth twice in one year. The show was h-o-t and Benatar is really putting it together on this tour. Also, a big thanks to Dan Denigris of Epic for his help with Saga and Charlie Daniels' shows this week. The interviews were fantastic. By the way, Dan, how did you get ahold of my wife's preserves for the Ozzy cover?...And finally, to Michael Sadler and Saga, my hopes for peace, love and understanding to you for all those you'll meet along the way who refuse to look below the surface and see what talented young men you really are!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN: "Adds: Led Zeppelin, Ozzy Osbourne...Hots: Men At Work, Don Henley, Pat Benatar, Joe Jackson, Billy Joel, Stray Cats, Supertramp, Tom Petty, Phil Collins, Clash...Considering: Pretenders, Adam Ant, Sammy Hagar, George Harrison...One comment I have this week is on the Ozzy Osbourne album cover. I know we don't play the covers, but this Ozzy cover is one of the biggest exercises in poor taste I've seen! C'mon and someone draw a line at the hype! However, predictably enough we saw immediate phones once the live Ozzy music hit the airwaves! Ozzy is a master at his brand of heavy metal music, but he doesn't need the blood and gore to go along with it...This week's big success story on the phones is Pat Benatar. 'Shadows Of The Night' is going to be among the biggest request items we've ever had, and there are plenty more cuts on the Lp that are bound to follow suit...I had the opportunity to see Billy Joel in Worcester and boy, am I glad I did! The man is incredible! Billy Joel is a true entertainer. It's a two-hour plus show that shouldn't be missed... That's it! Happy Turkey Day, and let's all party cause the Holiday Season is finally here!"

WDEK, DEKALB, IL M.D.-JOANIE WILLIAMS: "Adds: Spoons, Lene Lovich, John Martyn, Led Zeppelin, Spooner, Grover Washington, Jr., Shadowfax, Musical Youth 45...Hots: Supertramp, Donald Fagen, Tom Petty, Dire Straits, Spyro Gyra, Hall And Oates, Phil Collins, Joni Mitchell, Billy Joel, Peter Gabriel, Starship, Don Henley, David Lindley, Steve Winwood, Joe Jackson and Who...Mediums: Mike Rutherford, Novo Combo, Rush, Linda Ronstadt, Missing Persons, Al Di Meola, Shoes, Santana, Loggins, Fabulous Thunderbirds, ABC, Steve Douglas, Apprentice, Fashion, Talk Talk, Little Steven and Jimmy And The Mustangs...Happy Thanksgiving! Don't let too many people slip you a bird!"

KLAQ, EL PASO, TX M.D.-ROB ROMAN: "Ozzy rules! This album should keep the munchers happy for quite a while...Sammy Hagar's latest sounds real nice to us. Good directional change for them...Duran Duran looks good on video, on MTV, and sounds fine on the radio. We like 'Rio'. It's perfect for those of us along the fabled Rio Grande...Also added Lene Lovich and the English Beat and, of course, Led Zeppelin. There may be doubters on this album who think either the production is down or the songs are too old, but they won't think this way for long! The audience here thinks this album is s-o-l-i-d g-o-l-d, and we're sure it'll be super-platinum!...Happy Turkey Day, folks!"

WPDH, POUGHKEEPSIE, NY M.D.-STEW SCHANTZ: From Pete the P.D. "There are more than two stations in America you can hear ROQ music on. WPDH is looking for record service for our special weekly program 'Foreign Affairs' which features imports, club rock, techno-pop, art rock, etc. Please send records to Pete Clark"...From Stew the M.D. "Glad I had room to put in the English Beat 'Save It For Later'. This is a great song. Til next time!"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Adds: Led Zeppelin, John Martyn, Bananarama, Culture Club, Little Steven And The Disciples, Steppenwolf, Duran Duran (Re-add), the Clash (Re-add), Bruce Springstone 45... Just had Bob Rock and Paul Hyde of the Payolas drop by to visit with one of the biggest fans here in Boulder--Steve Paoli. Paoli had to give the Payolas a ride back to Denver because they had a blowout on their way up to the station... We also had Craig Chaquico of the Jefferson Starship drop by for an on-air interview, on Monday, the 22nd, before their show at the C. U. Events Center... Moving Pictures, Devo, and Jimmy & The Mustangs move into h-o-t... Retail leaders in Boulder include Joni Mitchell, Joe Jackson, Donald Fagen, Men At Work, Missing Persons and Dire Straits... The new Led Zeppelin album has something to offer most album stations. For KBCO, the best cut is 'Poor Tom', but we're also playing 'I Can't Quit You' and 'Darlene' at night... Because of new action on Duran Duran, we have re-added that record. We're using 'Hungry Like A Wolf' but are looking to add other cuts from the album... We're also on a couple more Clash cuts, including 'Innoculated City' and 'Atom Tan', since we're between Rocky Flats and the new home for the 'MX missiles!'"

KFMH, MUSKATEEN, IA P.D.-STEVE BRIDGES: "Adds: Ozzy Osbourne, Duran Duran (Re-add), Spooner, Grover Washington, Jr., Rough Trade, Sammy Hagar 45, and John Martyn... John Martyn's album is the classiest released this week! Key cuts: 'Could Have Been Me', 'Gun Money', and 'Hiss'... Sammy Hagar's 'Your Love Is Driving Me Crazy' is keeping the phones very busy--almost as much talk as for the new Zeppelin... Spooner's 'Every Dance Corner' is just that--the 1980's answer to the Beach Boys and that ain't bad! Harmonies and production are right. Recommended: 'Member Of The Family', 'Will You Remember' and the title cut... Ozzy Osbourne will get play unless he goes and eats some poor animal or poses in Billboard without his wig! He looks like my father except my father doesn't have tattoos... Rough Trade concludes the rock adds... In the jazz category, Grover Washington, Jr. is a well-produced album and deserves mention... Also, we have re-added Duran Duran and 'Rio'. I understand other people are doing the same... KFMH will be giving its Ugly Album Award and also our Ugly A&R Award soon! Call us and vote for your favorites!"

WRKI, BRIDGEPORT, CT M.D.-BRUCE GOLDBSEN: "Adds: Led Zeppelin, Sammy Hagar 45, Duran Duran, Ozzy Osbourne... To heavy: Joe Jackson 'Chinatown'... Top sales: Men At Work, Stray Cats, Clash, Phil Collins, Joe Jackson and Peter Gabriel... Duran Duran did so well during our test last week that we're giving it full-time-air this week. MTV play has definitely familiarized the audience with the band and song. And, if people haven't heard it, the moans and screams certainly will attract their attention! A tip of the cap to Mery and Dave at Capitol for their persistence with this record--bring it home!... Thanks to Michael Caplan for the Big Mac and to Harv for the video--I doubt I'll see that Culture Club track on MTV... Congrats to Swan Song on making the 4 days leading up to the release of 'Coda' some of the most confused I've ever seen--a truly botched job! The Atlantic/Atco staff must have had a printing press for cease and desist orders. Maybe they'll get it more together for the next Zeppelin album... Hope everyone enjoyed the long weekend, not to mention the upcoming 6-week vacation!"

CHEZ-FM, OTTAWA, CANADA M.D.-GREG TORRINGTON: "Adds: Psychedelic Furs, John Martyn, J. Geils Band, Led Zeppelin, Lene Lovich, Joe Piscopo 45, Pretenders 45... Naturally, the Led Zeppelin is on everyone's minds and playlists. On a scale of Led Zeppelin albums, I'd put it just behind 'Presence'. The closest we can get to key tracks are 'Darlene' and 'Poor Tom', which probably never made it to vinyl before because of its resemblance to the Stones' 'Prodigal Son'. Now there's a superstar segue!... The Pretenders' track 'Back On The Chain Gang' sounds great on-the-air, especially the 'ooo o-o-o-a-h-h' musical reference to Sam Cook's 'Chain Gang'... Lead requests: Besides the Led Zeppelin, are still: After The Fire's 'Der Kommissor', Kate Bush 'Suspended In Gaffa', Don Henley 'Dirty'... The Joe Piscopo pulled in heavy response for two days then disappeared; however, retail is starting to buzz... Store callouts are indicating reaction to ABC, Joe Jackson, Dire Straits, Supertramp and Joni Mitchell, with increasing interest in Kate Bush, The Fixx, Kim Mitchell, Hall And Oates, and Linda Ronstadt... CHEZ would like to thank Tom Holser from Kinetic and MCA for helping us with The Fixx performance last Saturday night. It became our first live broadcast of a non-North American band. The Fixx are superb live and are embarking upon an extensive tour that should increase the well-deserved attention that their album's been getting... Recommended readings: An article called 'The Death Of Corporate Rock', in the latest edition of Musician!"

KKDJ, FRESNO, CA M.D.-JEFF REIDEL: "Adds: Led Zeppelin, Duran Duran, Ozzy Osbourne, and Sammy Hagar 12" ... Sales have the Stray Cats finally making it to #1 (after enjoying several weeks of healthy sales), followed by Men At Work, Pat Benatar, Supertramp, and Joe Jackson. Joni Mitchell's at #10, Hall And Oates at #15, and Tom Petty with a slow start at #19... The Zeppelin material is A-O.K. by me. We're playing 3 cuts and happy to report that there were no leaks in our market. The local record store beat us to the punch so we humbled ourselves and went down and bought a copy. Hopefully, I'll be reimbursed!... Ozzy Osbourne's album cover is typically disgusting... Sammy Hagar's single sounds like a winner... After one week the J. Geils live Lp is in h-o-t rotation, along with progress from Phil Collins and Night Ranger... Requests have Mr. Bobby Vilari, alias Program Director/morning man Dean Opperman, at #1 with his latest s-m-a-s-n 'Lock The Snack Bar'... You all remember Lucille's promotion last year where there was a winner every week on choosing the most winners for pro and college football? From last year's co-turkeys, have a very Happy Thanksgiving!"

WBLM, LEWISTON/PORTLAND, ME M.D.-JOSE DIAZ: "The new Led Zeppelin Lp is a surprisingly powerful piece of vinyl, considering these are outtakes and the band never considered them seriously for release! Early leaders around here include: 'We're Gonna Groove', 'Ozone Baby' and 'Darlene' and it's so good to hear Jimmy Page wailing on the acoustical guitar on 'Poor Tom'. Perhaps it's because this album is in memory of John Bonham, or maybe the drums were mixed h-o-t on this Lp, but they really stand out on this album... The Adam Ant is building steam to the point where it can no longer be ignored. 'Goody Two Shoes' is definitely one of the bigger reaction cuts to come down the pike in a long time... The new Sammy Hagar cut 'Your Love Is Driving Me Crazy' is smoother than Seagrams in a snifter... The Joe Piscopo 'Rock And Roll Medley' is one of the tackiest things to have appeared around here lately and it has us all in stitches! The big band arrangement, along with his Sinatra impersonations, is superb. Definitely a valuable tool to break the monotony of non stop rock and roll... The Frida has been bubbling under for weeks now and Atlantic's patience has paid off. We're gonna give it a try and see if it's one of those things where our personal taste coincides with what the audience wants on the airwaves... One of the most exciting things to happen in this area last week is the confirmation of a Pat Benatar date on Dec. 20th. With her new Lp #1 in airplay around here, no doubt it's gonna be one huge show and it doesn't hurt that Saga is opening! Definitely a match made in rock and roll heaven... We continue to have a significant amount of success with Billy Idol's 'White Wedding'. This is a song that I didn't hear at first but now it's irresistible!"

WIMZ, KNOXVILLE, TN M.D.-DAN WALSTON: "Surprised by the Culture Club song 'Do You Really Wanna Hurt Me'. We'll pass on the disco BS but this has a definite Smokey Robinson feel that had me singing right along before the 1st play was over... On the Night Ranger, the future of hard-edged rock is well produced. Asia with teeth... More than willing to give the hot new re-mix of 'Hungry Like A Wolf' from Duran Duran a few spins. Had listened to it before but it just got lost in the shuffle... Station news--Rollvember '82 rolling right along and we'll wind it all up as of this reading with our Magic Busload of crazies to Lexington, KY to bid farewell to the Who with Schlitz providing the fuel on the bus, not for the bus. A port-a-john or two would be nice... 'Brimstone And Treacle' adds some Police texture to the airwaves... Of course, everyone likes Phil Collins--what's not to like?"

WRCN, LONG ISLAND, NY M.D.-JIM BUCKLEY: "As a rule every week we track about 70 albums with most of the retail outlets in our listening area, and it's beginning to look like the record buying public is just not accepting most of the product that is released, regardless of whether it gets airplay or not. Just for a change of pace, let's look at the albums that came out on the very bottom of this week's retail report. The bottom five are: Golden Earring, Buck Dharma (which we've been playing the hell out of for almost 2 months), Firefall, Jesse Colin Young and Vandenberg. Some of the others in the bottom 20 include: Poco, Chilliwack, Foghat (who live on Long Island), as well as locals Twisted Sister. Also in there: Pat Travers, George Harrison, Kenny Loggins and Saga. We are, or were, playing most of these and our ears tell us that most of them are pretty damn good. We used to be able to judge our playlists by the retail lists but that just isn't possible anymore. If we did, we'd still be playing John Cougar, The Clash, and Genesis in superheavy rotation. They are all constant chart toppers. Granted, some of our worst selling albums are doing brisk business in other parts of the country, but not here. And that brings us right back to our current programming method which is our ears and not much more than that, other than listener input via the phones which is limited to a small percentage of our audience. Any suggestion would be greatly appreciated... This week our ears added: Ozzy, Night Ranger, Sammy Hagar, Frank Marino and the so-so album from Led Zeppelin which will undoubtedly be a million seller!"

WDHA, NORTH JERSEY, NJ G.M.-BOB LINDER: "Almost Thanksgiving and three free parties planned for our listeners, many are home from school for the holidays... We checked out Adam Ant last weekend at the Capitol Theater in Passaic. Like the Rocky Horror Picture Show', the audience at the concert was as good or better than the actual show. Besides elaborately costumed with makeup and mostly quite young, the audience was definitely liberated sexually. The evening's mood was tribal and a lot of fun... We're heavily dayparting Ozzy. The cover is quite offensive for most of us, although his fans will probably want to hear his Black Sabbath songs... We've re-added Duran Duran, another example of MTV's influence. But the real credit should go to Capitol Records for the exceptional quality of the videos and their promotional followthrough... Well, Led Zep hit the airwaves with considerable impact. Mark wasn't too happy to have to drive to NY to get our copy on time but at least it's quality was worth the effort! Zep fans are thrilled and with cease and desist orders flying for unauthorized early airplay, it looks like the flight of the Zep is far from over... An early copy of Sammy Hagar reached us last week to our listeners' delight... Also an add for Night Ranger--a very good listening, well produced album, but not distinct enough to generate sizeable sales. We may be wrong but it sounds like another turntable hit! The advance digitally-mastered cassette sent to radio stations was of exceptional quality--when is that kind of quality going to find its way to the consumer?... Hope everyone had a Happy Thanksgiving... Congratulations to Jeff Backer on his promotion to Director of National Promotion of Arista!"

Question Of The Week

We would realize this Thanksgiving Question would be on the streets the week after, but we thought we'd have some fun. So in the spirit, this week's Question is: What's your nomination for Turkey Of The Year?

CURT GARY, WEBN: "John DeLorean! Anybody with that amount of money falling into such a ludicrous trap has got to be a turkey."

JIM HUSTE, WFYV: "Ronald Reagan. He's in the deep freeze now, but he'll get cookin' in '84."

JEFF REIDEL, KKDJ: "I nominate Ed Garvey for Turkey of the Year."

TOM STARR, WOUR: "Hands down, Chrysalis Records. They know why, unless they care so little they haven't bothered to pay any attention at all."

DAVID FILIPOV, WBRU: "Joel Webber. We've argued about more records than I think anyone ever has. Long, vicious, brutal arguments. Happy Thanksgiving, Joel."

PAUL LEMIEUX, WCOZ: "Ozzy Osbourne because on his album he already has the cranberry sauce in his mouth."

DEAN OPPERMAN, KKDJ: "I nominate John Sebastian for Turkey of the Year. Just kidding, John, have a nice Thanksgiving."

JIM BUCKLEY, WRCN: "How about the NFL for going back to work? I'm not a football fan and I had a good time watching the old movies on Sunday afternoon. Now it's back to house repairs."

MIKE LYONS, WDIZ: "My Turkey of the Year award goes enthusiastically to the LeRoux video of "Addicted."

CHRIS GEISEN, WSKS: "We 'bn trying to figure that one out since July, but there's no more room left in the freezer. We'll get our heads together and we'll move on that soon."

TOM STEIN, WZXR: "Ronald Reagan fits the bill physically with that extra 10 pound flap of skin under his chin... Any record person who thinks that records are selling because radio is not playing new music."

BOB ROSEL, KFMQ: "I nominate George Steinbrenner for Turkey of the Year."

DOUG CLIFTON, KBCO: "Reaganomics. It's not working!"

TRISH ANDERSON, WCKO: "I nominate the MX Missles."

RON NENNI, WDVE: "REO Speedwagon. After "Hi Infidelity" success, all the eggs were in the basket for 'Good Trouble,' and somebody dropped the basket."

QUESTION CONTINUED

- KAREN ANDERSEN, WGIR-FM: "Turkey comment of the year. Lee Iacocca saying if you find a better car, buy it. And everybody's buying the imports."
- ROB ROMAN, KLAQ: "Motley Crue."
- JOSE DIAZ, WBLM: "It has to be the NFL football season."
- LIN BREHMER, WQBK: "Ronald Reagan for all his radiating stuffing."
- RALPH TORTORA, WBAB: "Andy Kauffman. He's just not funny anymore."
- LES COOK, WILS-FM: Devo, because of their attitude problem."
- TERRY MEINERS, WLRS: "Mike Bone for being the #1 cracker in the Big Apple."
- JOHN MVROS, WXRT: "The Who for the hype of the year."
- ROSIE PISANI, WLIR: "Rod Stewart because of his leopard skin spandex pants."
- JOANNE PETERSON, WAPI-FM: "James Watts."
- GLORIA JOHNSON, KGON: "Ronald Reagan for obvious reasons."
- TIM SMITH, WLVO: "The biggest nerds on Columbus radio: Pat and Wags of QFM 96...And Mike Bone's haircuts are pretty good too."
- GARY JACKSON, WCKN-FM: "I nominate anybody associated with the NFL for Turkey of the Year."
- LARRY REISMAN, KEZY-FM: "Any rock group or artist who would connect themselves with any alcoholic beverage or blank tape company."
- ART PHILLIPS, KILO: "KPKE and the entire Doubleday chain. They're a cancer in our industry."
- GREG GILLISPIE, KEZO: "Joe Folger."
- CRAIG MARTIN, KZOK: "There are just too many people who qualify this year for the Turkey of the Year to give it to just one person."
- BONNIE STACY, KNCN: "Gene Upshaw."
- RON SORENSON, KBLE: "Ronald Reagan."
- DAVID HALL, WKDF: "Ozzy Osbourne."
- CHIP KNIGHT, WSYR: "Anyone who knows this market knows who the Turkey of the Year award should go to, and knows how much he deserves it. Have a Happy Thanksgiving E.L."
- TRISH ROBBINS, KTIM: "Ronnie."
- RANDY RALEY, KPKE: "Kid Leo and Skyboy for reasons they are both aware of."
- SKY DANIELS, WLUP: "I'm such a nice guy, I wish to hold malice toward none."
- BOB BITTENS, WHCN: "The Who, collectively, for going back on their word about several things. Pete Townshend is the man who for years said he would never do another general admission show, and is now doing them all across the country. This is the same band who said the fans always come first, yet announced, then cancelled a date in Hartford for more money in Chicago. In general, it looks like the first farewell of the U.S. has turned into the, 'Take The Money And Run' tour."
- DAVE KANE, WCMF: "I nominate Ronald Reagan for Turkey of the Year."
- STEW SCHANTZ, WPDH: "Ozzy Osbourne because of the disgusting album cover."
- NEIL LASHER, WKLC: "Buck McWilliams. No, make that Larry Berger. No, make that all the VPs who fired all their local men. No, make that record companies who give too much hype to bullshit product. I'm sorry, just too many turkeys to name this year."
- BILL SIMMONS, WMYK: "It would have to be Ronald Reagan. Basically, because unemployment is at an all time high, the rich are getting richer, the poor are getting poorer, and he wants to stay the course."
- BUCK MCWILLIAMS, WIOT: "It's gotta be Terry 'The Shiner' Meiner, because I hear all the Louisville women like to gobble him."
- WARREN WILLIAMS, KATT: "Cover of the Ozzy Lp. Give the gift of music, put chunks of Ozzy barf under your tree. Ick."
- HUGH SURRAT, KMET: "The L.A. Rams featuring Sugar Ray Malavasi."
- BOB WALTON, WQDR: "Until recently, any album cover on MCA."
- DAN WALSTON, WIMZ: "Ronald Reagan comes to mind first."
- SCOTT SEGRAVES, KSMB: "It would mess with my karma to utter it, but I hope to have cooked it by this time next year."
- MICHAEL KIRVEN, WPLR: "Ronald Ray-gun. He's got to be the biggest Turkey of the Year. Hopefully, he'll be plucked from office."
- BOB WELCH, WPYX: "Eddie Schwartz."
- LARRY BRUCE, KGB-FM: "Bill Hard for stabbing his dear friend Larry in the back...John DeLorean for not delivering my car as promised...The Soviet Politburo for picking the head of the wrong KGB to negotiate with Ronald Reagan...Ronald Reagan for worst hair-style and cheeks in recent history...NFL Players Association for turning loose all those fans on Sunday and ruining my weekend."
- TED EDWARDS, KGB-FM: "Ronald Reagan. It's self-explanatory."
- JEFF RICCIO, WHJY: "Ozzy album cover. Gross. Huh?"
- BILL WESTON, WGRQ: "On the short term I must say it has to be the Ozzy album cover, the most tasteless piece of garbage since Wendy O bought her first roll of electricians tape."
- DENSIE RUSSO, KPRI: "Tane Cain."
- THE DOCTOR, WYFE: "Biggest flock of turkeys are Rockford drivers, worse even than Boston, Tijuana, and Chicago."
- BELLE NOLAN, KQAK: "Ronald Reagan, if for no other reason than anyone who calls a bomb a 'peace keeping device' has definitely got to have a few screws loose upstairs... Of course, I didn't want to mention any of the consultants that deserve the Turkey of the Year award."
- RICK WILLIAMS, KTYD: "I nominate any of those folks in programming who are content to blindly follow the lead of any of the consultants merely because they happen to be consultants; or worse yet, those who are so late on everything that you can tell they're not doing anything on their own, but working strictly out of the trade sheets. A little personal input would be appreciated; who knows, you might even like it."
- LEE ARNOLD, WQFM: "My first impulse is a female music director at a major metropolitan radio station, but on my lawyer's advice, I must withhold comment."

Kid Creole and the Coconuts performed their video of 'Stool Pigeon' and 'Annie, I'm Not Your Daddy' in the streets of New York... Culture Club and REM both move into heavy rotation this week. WMBR, BOSTON, MA M.D.-TAMI HEIDE:

ADDS: Panther Burns, Siouxsie & The Banshees, Rank And File, Vandals, Dangerous Birds.
HEAVIES: Mission Of Burma, Forgotten Rebels, Gunclub, Young Snakes, R.E.M.
INCREASED PLAY: Bauhaus, Angry Samoans, Rik Agnes, Green On Red, Dream Syndicate.

RETAIL

ROCKET, HAYDEN CRILLEY/FRED JEFFERY:

TOP SELLERS: J.Geils, Men At Work, Pat Benatar, Stray Cats, Tom Petty, Billy Idol, Fixx, MSG, Gary Shane & Detours, Phil Collins, Dire Straits, Jam Ep, Motley Crue, Y&T, Joni Mitchell, Accept Imp, Yaz, ABC, Adam Ant, English Beat.
INCREASED SALES: Fixx, Yaz, ABC.
RECORD FUTURES: Fixx, ABC, Thompson Twins 12", Flock Of Seagulls 45.
COMMENTS: After almost three months of doing absolutely nothing, The Fixx took off like a shot last week! It's either due to WBCN's recent play or MTV exposure...I was really surprised at how quickly the Flock Of Seagulls 45 of "Space Age Love Song" started. This could spark a second life for the Lp...We've been getting lots of requests for the Thompson Twins "Lies" 12" and it's selling well now that we have it...One of the things that has worked well for ABC is that they have two excellent videos on MTV and that's been the key to the sales we've seen here... Customer requests have qud us to look for Q-Feel which we're getting in tomorrow...Since Public Image Limited has been touring all of their records have been doing well again...We're starting to see small but measurable sales on the two Import Lps by Church and we're getting the beginnings of something on Musical Youth.

STRAWBERRIES, CHRIS FERRIO:

TOP SELLERS: Marvin Gaye, Pat Benatar, Men At Work, Joni Mitchell, J.Geils, Stray Cats, Devo, English Beat, Lionel Richie, Billy Joel.
INCREASED SALES: Flock Of Seagulls, English Beat (#20-8), Devo (#13-7), Adam Ant, Joe Jackson, J.Geils.
RECORD FUTURES: Lene Lovich, Shakatak.
COMMENTS: This English Beat album is a little more MOR than their previous albums, which makes it more accessible, and it's #20-8 move this week in sales makes that point. This will surely be their best selling album... Devo moved from #13-7 off of the song "Peek-A-Boo" and the release of a 12" on the song has been a factor. It helped them get into the R&B market ...I can't put a handle on why The Flock is coming back but their sales have definitely rebounded. They moved from #27-17 in just the last week... After a weak 2nd Lp, this album should bring Adam Ant back to life...I see a cross between Chuck Mangione and Manhattan Transfer in the Shakatak and I expect it to do well.

HARVARD COOP, BOBBY HALL:

TOP SELLERS: Tom Petty, English Beat, Lene Lovich, Gang Of Four, Material, P-Furs, Seagulls, Adam Ant.
INCREASED SALES: Bauhaus, Mission Of Burma, Kate Bush, Berlin Airlift, Marshall Crenshaw.
RECORD FUTURES: Little Steven, DeDe Stewart.
COMMENTS: Mission Of Burma is a local band and they've got a big following here. With a break, they could do well!

CLUBS

THE CHANNEL, HUGH MUNOZ:

CLUB HITS: Modern English, November Group 12", Bananarama, Prince, Q-Feel, Brian Brain, The Clash, Thompson Twins, Lene Lovich, Tears For Fears.
NEW ACTION: November Group, Bananarama.
RECORD PICKS: Ice House, DAF.
COMMENTS: I've been playing Prince's "1999" 12" but after hearing the album I felt that the song "Let's Pretend We're Married" was better suited for our club and it proved to be true...Recently, Germany has again become an abundant source for new music like the visionary Kraftwerk. Keyboards and synthesizers are the primary instruments, but the newer sounds are funkier and more up-tempo and much warmer (as warm as the German language allows). Of these new bands, DAF has emerged as a major influence and their latest single "Verlie Dich In Mich" has crossover (dance, underground and radio) potential.

SPIT, ALBERT O.

CLUB HITS: Clash 12", Devo, Peter Gabriel, Toni Basil, Stray Cats, Billy Idol, Seagulls, Men At Work, Adam Ant, ABC, Lene Lovich.
NEW ACTION: Musical Youth, Culture Club, Marvin Gaye, November Group, E.S.G., Heaven 17, Wall Of Voodoo, Rubber Rodeo.
RECORD PICKS: Human League 12", Wham, The Dark, Material.
COMMENTS: There are a minimum of three songs on the Stray Cats Ep which I can play and with people dancing more to rock sounds once again, they've made it easy to mix in things that haven't been danced to in a while... The Human League is less electronic and more Motown in sound...That one minute theme in Rubber Rodeo is so good that it should be extended and made into a dance mix!

LOS ANGELES IN-DEPTH

KROQ, LOS ANGELES

ADDS: DOA, Sparks (Imp) 45, Musical Youth 12", Rodway.
Kid Creole, Human League.

Berlin, Devo, Culture Club.
INCREASED PLAY: P-Furs, Culture Club, Johnny & The Mustangs.

Kingbees, Modern English, Tears For Fears, Q-Feel, Joan Jett, New Order,
Plimsouls, Dexys Midnight Runners.
INCREASED PLAY: Bananarama, Dexys Midnight Runners.
MOST REQUESTED: Berlin, Laurie Anderson, Billy Idol, Culture Club, Yaz

RETAIL

RHINO RECORDS, NILS CLINE:

TOP SELLERS: Rank & File, King Sunny Ade, The Dream Syndicate, Human League 12",
Japan 12", Green On Red Ep, Culture Club, DOA 12", Pretenders 12",
The Last Musical Youth 45.
INCREASED SALES: The B People, The Flirts, Rank & File, GBH, The Fall.
RECORD FUTURES: Musical Youth, Chief Commander Ebenezer Obey, Gregory Isaacs.
COMMENTS: Nigeria highlife music and reggae together has a certain freshness to it
which will endure...Dream Syndicate represents one of the freshest and most
unpretentious developments in the U. S. rock scene. One of the beauties
of their music is never knowing when it's going to fall apart and turn
into chaos. That creates tension.

VINYL FEDISH, JOSEPH BROOKS:

TOP SELLERS: The Cure 12", Malcolm McLaren 12", GBH, Heaven 17, Theater Of Hate,
Siouxsie & The Banshees, Simple Minds, Culture Club, Blanc Mange,
Bananarama.
INCREASED SALES: Virgin Prunes, Human League, Bauhaus.

CLUBS

LHASA CLUB, PETER WESLEY:

CLUB HITS: Shriekback, Thompson Twins, Pauline Black.
NEW ACTION: Material, Barry Reynolds, Simple Minds.
RECORD PICKS: Lene Lovich, Prince.
COMMENTS: My favorite band right now is the Simple Minds. They have the class of
Talking Heads, with the commercial appeal of Flock Of Seagulls...The German
version of Peter Gabriel's "Shock The Monkey" is the one really working
for me. It's a lot better for club purposes because it gives a burned
out song some freshness...A record to watch for by a local L.A. band
called Red Wedding is "Sleeping On The Airplane". This thing is like a
rough Billy Idol and should do well when released shortly...Material is
having trouble finding an audience because they are a white band playing
R&B music, but they're really good at it!

MOODYS, FLORENTINE GARDENS, LE HOT CLUB/RICHARD BLADE:

CLUB HITS: Berlin, ABC, Duran Duran, Yaz, Men At Work, Oingo Boingo, Missing
Persons, Stray Cats, Toto Coelo, Devo, Adam Ant, Bananarama, Felony,
B Movie, Slow Children.
NEW ACTION: Culture Club, Blasters Live, Thompson Twins, Musical Youth, Lene Lovich.
RECORD PICKS: Yello, Depeche Mode, Sparks Imp 45.
COMMENTS: The 12" U.S. remix of ABC's "Look Of Love" should be avoided at all costs
and if possible, withdrawn by the record company. They are making the
same mistake as they made in '78 with disco. They are taking a great
3½ minute song and destroying it and its content by padding it out to 7½
minutes of boredom. The dancers do not want to hear boom, boom, boom.
This remix loses the entire magic and beauty of the original song and
promotes a negative reaction to both the song and the band. I was told
Martin Fry, of ABC, did the remix as a joke. Don't push it or the joke
will be on you. I'm still playing the album version...Nice to see reggae
breaking in the States with Men At Work's "Down Under", Musical Youth's
"Pass The Dutchie" and Culture Club's "Do You Really Want To Hurt Me".
It's a good indication of the fact that today's dancers are prepared to
accept different forms of music...For L.A., two local bands continue to
dominate the scene: Felony with a 45, "The Fanatic" and Berlin with
the #1 requested record on radio and in clubs, a cut called "Sex".
Their album "Pleasure Victim" also has two other tracks which pack the
floors and light up the request line: "Tell Me Why" and "The Metro".

NEW YORK IN-DEPTH

WLIR, NEW YORK, NY P.D.--DENIS McNAMARA:

MOST REQUESTED: Konk, Heaven 17, Higsons, Psychedelic Furs, ESG.

NEW YORK CONTINUED

RETAIL

99 RECORDS, ED BAHLMAN:

TOP SELLERS: ESG, Talking Drums 12" (Imp), Falco (Imp), Tin Tin 12", Naked Lunch.
INCREASED SALES: 13th Clime (Imp), Colour Box 12", Allez Allez 12", Heaven 17 (Imp).
RECORD FUTURES: Talking Drums, Tin Tin, Falco, Jah Wobble, Musical Youth.
COMMENTS: The ESG record is selling as well as anything that we have in the store. They're a cross between the Go Go's and the Supremes. Both WKTU and WBS are doing well with it, and WLIR is playing it at night...I don't know who these guys are, but Tin Tin sounds like it should do real well on-the-air...I like the Talking Drums, too.

METRO, PHIL McCAFFERTY:

TOP SELLERS: Ultravox, Siouxsie And The Banshees, Pretenders, Phil Collins, Psychic T.V., The Damned, Human League, Devo, Bad Brains, Culture Club, XTC, Psychedelic Furs, Killing Joke, Kiss Trio, The English Beat, Ozzy Osbourne, UB40, Japan, "Burning Ambitions, A History Of Punk".
INCREASED SALES: Culture Club, Ultravox, Ozzy Osbourne, Japan.
RECORD FUTURES: Culture Club, Siouxsie And The Banshees.
COMMENTS: The Ultravox popularity is probably due to the fact that it's not coming out domestically until January. People know that and they have been buying it.

DISC-O-MAT, MIKE BONVENTRE:

TOP SELLERS: Marvin Gaye, Joe Jackson, Men At Work, Don Fagen, Supertramp, Prince, Joni Mitchell, Bruce Springsteen, Led Zeppelin, Tom Petty, Chaka Khan, Clash, Lionel Richie.
INCREASED SALES: Adam Ant, Kate Bush, Hall & Oates, The Roches, J. Geils, Phil Collins, Ozzy Osbourne, English Beat.
RECORD FUTURES: Culture Club, Saga, Waitresses, Depeche Mode, Grace Jones, Yaz.
COMMENTS: MTV is really helping out the newer bands. Some examples are: Men At Work, Yaz, and definitely Adam Ant, who probably has the hottest video going...I feel that the Culture Club will be really big. The tune is infectious... Critical acclaim has helped Prince to sell across-the-board.

SAN FRANCISCO IN-DEPTH

AQUARIUS, EVA LAKE:

TOP SELLERS: Psychedelic Furs, Peter Gabriel, Lene Lovich, Pretenders 12", Elvis Costello 45, Bauhaus, Bill Nelson, ABC, Mutants, Rank & File.
INCREASED SALES: Berlin, Soweto Compilation, Panther Burns, The The, Siouxsie And The Banshees, Dream Syndicate, Simple Minds, Music And Rhythm Compilation, The Deutschland Compilation.
RECORD FUTURES: Musical Youth, Yellow Magic Orchestra, Shriekback, Simple Minds 12", Bauhaus 12".
COMMENTS: Out of everything listed here, Bill Nelson is my favorite. It's been selling continuously since it came out...Another band that is up there with me is Bauhaus. They have done so many different things, and I expect them to sell even more since they are coming over here in December...I think that ABC is great with their soapy, sarcastic, love approach.

TOWER, MARSHALL:

TOP SELLERS: Joe Jackson, Prince, Men At Work, Pat Benatar, Peter Gabriel, Dire Straits, A Flock Of Seagulls, Devo, Clash, English Beat.
INCREASED SALES: Grace Jones, The Fixx.
COMMENTS: The Grace Jones record is probably going to be the biggest record in S.F. from now to Christmas...And, The Fixx has come on from 5 records a week to 50 records a week in the last two weeks.

LEOPOLDS, STEVE COUNTRYMAN:

TOP SELLERS: Men At Work, Prince, Clash, Peter Gabriel, ABC, Joe Jackson, Dire Straits, English Beat, Siouxsie And The Banshees, Ultravox.
INCREASED SALES: Bananarama, Mutant, O.D.W., Bauhaus, Trio, UB40, Simple Minds, Waitresses, The Fixx, Peter Gabriel (German)"Shock The Monkey".
RECORD FUTURES: The Spoons.
COMMENTS: Although all the emphasis has been on one song, when you go and listen to the whole album you find that the Trio is a lot deeper...The Fixx is definitely starting to happen...Other than the predicable college play, Peter Gabriel's German version of "Shock The Monkey" is getting play on KFOG and we can't keep it in stock.

ROUGH TRADE, MARY SVIRSKY:

TOP SELLERS: Cabaret Volaire, Augustus Pablo, Throbbing Gristle, Bauhaus, The Fall (U.S.), The Fall (Imp), M.D.C., Rank & File, Dream Syndicate, Don Carlos, Siouxsie And The Banshees, The Dreg At The Controls Orchestra, Crass 45, Robert Wyatt, Psychic T.V.
RECORD FUTURES: Decentents, The Mad Professor.

NEW ACTION: DVA, Pop-o-Pies, Disconnection, Mona Mur.
COMMENTS: Pop-o-Pies is a great left field record. It's a very clever version of the old Dead tune "Truckin'".

NBC Radio's Young Adult Network

Denny Somach produces the report for the NBC Source Radio Network, fed daily to over 174 stations. You can get in touch with Denny at 19 Rock Hill Road, Bala Cynwyd, PA 19004; 215-667-5118. The following are excerpts from this week's report.

DAVE EDMUNDS has just finished producing the new album by the STRAY CATS, in only 15 days. Some songs that might be included are: "Sexy And Seventeen" and "Rebels Rule". Edmunds will also have a new single out next week called "Run Rudolph Run", from the soundtrack to the forthcoming movie, "Party Party" starring Sting of the Police. Edmunds will get into the studio in mid-December to work on his next album. It should be out in March.

The ROCK REPORT has heard the new NEIL YOUNG album "Trans", which has been pushed back to after the first of the year for release. "Trans" will include a remake of the classic Buffalo Springfield song "Mr. Soul".

OZZY OSBOURNE'S tour of the States will start around Valentine's Day. He'll be playing places he missed on his last tour. It'll be a 6-8 week tour, and he'll be playing mostly old Black Sabbath material. And, since Ozzy has released a live album of Black Sabbath tunes, his old band, Black Sabbath, will do the same. Their double live album will be called "Live Evil", and will be out in February.

CARLOS SANTANA is laying down tracks for his new solo album at the Automat in San Francisco. No word on a title or release date yet.

The new album from DEF LEPPARD, "Pyromania", features their new guitarist Phil Collin. It was produced by Mutt Lange and will be out January 21st. Songs include: "Rock Of Ages", "Photograph", and "Stage Fright".

BUTCH PATRICK, who played the role of Eddie on the TV show "The Munsters", has a new group called Eddie And The Munsters. Their first single is called "Whatever Happened To Eddie". Patrick is now working on a video to go with this song.

IAN McLAGEN, formerly of the Faces, has formed a new band called The Bump Band with Bobby Keys and Mitch Mitchell. Keys was a side man for the Stones, and Mitchell was a drummer in the Jimi Hendrix Experience.

The ROCK REPORT has learned that Elektra Records will sign the San Francisco band, 415. The band is represented by the same people who manage Journey.

BIRTHDAYS THIS WEEK: 11/29: John Mayall of the Blues Breakers is 49; 11/30: Dick Clark is 53; 12/1: John Densmore, ex-Doors, is 37; 12/3: Ozzy Osbourne is 34; 12/4: Gary Rossington, ex-Lynyrd Skynyrd and Rossington Collins Band, is 30, and John Cale, ex-Velvet Underground is 42.

Program Producers

NORM PATTIZ, WESTWOOD ONE (213-204-5000): "I'd like to welcome Robin Wren to Westwood One. Robin was formerly National Promotions Director for Epic. He will be working with our new V.P., Richard Kimball, as Director of Concert Programming. He will be responsible for securing acts for our five national concert programs...In '83 we'll be producing over 140 concert programs (not counting simulcasts), including 26 album radio 'In Concerts', 36 CHR/AC 'In Concerts', 10 Coca Cola Summer Superstar Concerts, 26 Black and Urban "Concert Hours", 52 Country Concerts "Live From Gilley's". That should keep our mobile recording studio plenty busy and our affiliates well supplied...I've just completed arrangements with HBO to provide the FM stereo simulcast for the January 23rd Olivia Newton-John TV Special. This will be followed in February with our Fleetwood Mac Stereo Simulcast, also with HBO...Coming up in December on "In Concert": Steel Breeze and Paul Carrack with Nick Lowe, Kansas and Pat Travers, X, and the Waitresses...Coming up on our pop version of "In Concert": The Little River Band, Air Supply, and Olivia...Add, Men At Work for features airing on the Rock "In Concert" series, and we've got the land down under covered - uncovered?... It's definitely time to sign off. See you next time."

JOSEPH MIRABELLA, STARFLEET/BLAIR (212-752-0400, ext. 490): "Congratulations to our stations on the Rick Springfield network for a job well done. So, here we are approaching the end of 1982. The last year, from a programming point of view, has been very strong. The Source achieved its highest rating in the history of the network with Elton John. We supplied to the network an exclusive broadcast with one of the most controversial bands of the day, The Clash. From the perspective of programming, no one can imply that we are just another program supplier providing the same concerts as everybody else. For that matter our past year has proven that as a network we don't have to give everyone The Beatles week in and week out to be successful. Take a look at the timing of some of the artists we have chosen to broadcast. John Cougar for one went platinum on the day he went live from Denver. The Clash was a band that only six months ago was a personal favorite of everyone, but radio wouldn't play. BOC and Aldo Nova provided us with a vehicle to be innovative in live broadcasting by delivering the first duel bill live broadcast. As tricky as production was for that show, it was exciting and that excitement came across to our affiliates as well as to our listeners. So, we have been time conscious, we have been innovative, and we have seen trends in programming change to a degree. Even some of the most influential consultants in our industry have gone 180 degrees, acknowledging the fact that superstar programming, by its repetitive nature, becomes boring in light of the fact that they are just taped concerts over-exposing artists. Starfleet/Blair will continue in this same vein. We are not just program producers, we are programmers who do not just respond to trends but help make them. On behalf of Sam Kopper and all of us at Starfleet/Blair, I would like to say thank you for not only helping us present the best of the stars, but thank you for helping us make the stars."

JAY GOLDMAN, CLAYTON WEBSTER CORP. (314-726-0906): "Retro Rock has a tremendous holiday in store for you with rare live recordings from Starship and the Police. Kicking off the month of December, Retro Rock takes off on the Starship. Tracing back to their origins as The Airplane, Retro Rock brings you such memorable hits as 'White Rabbit', 'Somebody To Love', and '3/5 Of A Mile In Ten Seconds'--Live! With the evolution of the band to Starship, Retro Rock presents 'Have You Seen The Stars Tonight', 'Chained', 'Miracles' and 'Find Your Way Back'. Tune in to Retro Rock during December for a trip with Starship from their roots to their current music...Later this month Retro Rock will feature The Police, but more on that later...Rarities in December offers a potpourri of new and unusual recordings like the first single by A Flock Of Seagulls, John Cougar's 'Factory', and a duet by Carlene Carter and Paul Carrack. Later this month Rarities offers your holiday listeners a treat with several rare and unusual versions of 'Run Rudolph Run', an old favorite 'Sock It To Me Santa' by Bob Seger, plus many, many more...The Sporting News Report this week focuses on the question: 'Where are the best coaches, in the NBA or college?' And, 'Is soccer claiming an American audience?'"

CINDY TOLLIN, GLOBAL SATELLITE NETWORK (213-344-5651): "First of all, I just l-o-v-e the Phil Collins record, and I can't wait to have him on ROCKLINE on December 20th. Other guests for ROCKLINE in '82 will be Foreigner, Linda Ronstadt, Peter Gabriel, Saga, and The Who...Congratulations to Pat Still and WLWQ for joining the Global Satellite Network. Don't forget - we'll be presenting more great LIVE programming in '83. So stay tuned for details - and if you're not already hooked up with our weekly excitement, by all means, it's time to do so!...In closing, I'd just like to thank A&M Records and the Solar Lobby for a great party (not to mention the solar Margaritas), but even more important is that I got to see THE SOLAR GENNY ONE which is the first, state-of-the-art solar powered mobile generator, which by the way, provided the energy for this great party (including the blenders, of course!). The possibilities for the Solar Genny One's impact on rock and roll are limitless, and I intend to make full use of them. So, LOOK OUT!"

Record Action

JERRY ALDINI, POLYSUTRA (212-489-7400): "A phone call from Allentown. 'Jerry, hey man, how are you?' Look I'm calling 'cause I need a band to play at our annual goat roping celebration next week on the lawn of the local sewage treatment plant. It's the highlight of our Book promotion and we were thinking about the Rolling Stones...Oh, they are in the studio?...Well, they could fly over, play, and fly back to London the next day...Okay, just ask for me will you? Say, by the way, how about sending me 25 of every Stones album ever recorded for giveaways out of our station van...Oh that reminds me, my G.M.'s aunt lives in NY and wants to see Barry Manilow tonight at Radio City Music Hall. I know it's sold out, but I promised him I could arrange it. You would really help me out if you could hook this up...Say, speaking of me, did I ever tell you about the time I drove my BMW to NY, picked up a woman hitchhiking on 42nd Street, and the next day my car was stolen? Oh, I did. What you mean, new records? You know we're in a very competitive situation here with a 10 watt college station from Muhlenburg. Okay, go ahead. Oh yea, Boy George And The Hasedic Houserockers. Yes, I love it, but the P.D. hates it...Throbber Grisel and the Power Lovers? I love it, the P.D. loves it, but we're being stonewalled in Atlanta...Wendy Seagulls and the Flock Of Matics. Yes, I know it's top 10 on the Airplay Index, and we are the last station east of the Mississippi to add it, but just because it's selling top 15 here doesn't mean we should consider it this week for an add. Allentown is a very unique market. How about test rotation on the B-side midnight to 3 A.M. on Sundays? Look, I love Wendy and the satin jacket she sent looks great, but you know I don't have enough power to pull a greased broomstraw out of an elephant's asshole. I just screen the phone calls for the P.D. Say, can you get me a backstage pass when Wendy plays the Spectrum? Oh, I know a great restaurant in Philadelphia, three-star Michelin. Maybe we could get together before the show and kill what's left of this year's T&E budget, ha ha...Don't forget to call about the Stones and the Manilow tickets, okay? I'll try for the test on Wendy in two weeks."

SEAN COAKLEY, ATCO (212-484-6400): "It's hard to believe that we're coming down the home stretch of '82. My God, where did it all go!...We're confident that our Vandenberg record is solidly entrenched on album radio. Phones have been ringing wherever the record is being aired and sales are following suit. A tour is in the works for January. We'll be talking about this one for months to come... 'Coda', 'Coda', 'Coda'... (I've changed my phone number)...Personals: To Barry Grant: I beg to differ with you regarding WPIX and their shortlived 'Elvis-To-Elvis' format. It not only was the best-sounding station in this market, but it was also the only one which used their main programming tool music in an intelligent and creative way. In many ways, this station was a forerunner to the KROQ's of today. I think a lot of people would agree that if Meg and Joe had been given the necessary time, WPIX would have gained very respectable numbers in NY...Dave Logan: You're sly, but you're honest. I appreciate that."

RECORD ACTION CONTINUED

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "Go directly to San Francisco! Go right now and turn on your radio. Your mind will be blown. There are more exciting formats in this one city than in probably half of the country. It's so alive, it reminds me of the beginning of the format. Do you want to hear one of the best album rockers in the country? Tune into KRQR. Do you want to hear the beat of the street? Tune into KUSF. Do you need a nice mixture of both? Listen to KQAK, especially Belle. Do you want to hear one of the future's most exciting formats ever conceived? Check out Dave and Lee's KFOG. Do you want to meet four people who battle it out on the street every day but are mature enough and believe in themselves enough to actually hang together for a drink or even dinner? Then go to San Francisco. These people are breathing new life into our industry and boy, it feels great...Thanks so much to all who are on the P-Furs train. We are picking up steam and our destination is in sight. For all those who have seen the show, we weren't lying, huh!? These guys are really on their way to becoming a very big musical force. Thanks to: The Fox for coming out; M.P., king of the radishes for being one of the hardest working guys I know. Plus thanks to: Jimmy Christopher, Denise Russo, Kenny 'Street' Ryback, Richard Gossett, Howie Klein, Larry Bruce, and everyone else who made the Furs' West Coast swing a dynamite success...P.S. Logan: I couldn't convince CBS to let me stay in San Francisco for four whole days but the day and a half was sufficient to blow my mind. Grassroots!!...P.S.S. The Furs have finally come to your realization and their next Lp will be entitled 'Smokin' O. P.Furs'."

LENNY BRONSTEIN, INDEPENDENT (213-450-6224): "As promised last week, my favorite record, Berlin. Moser, you better send me a copy, 'cause I wore out the one I bought...Frankly, this discourse is my way of gloating about the best music since 1976 to hit our turntables. It's a joy to receive and even buy records again. Many of you have been rightfully cautious about new music and are struggling with its rapid acceptance by your audience via MTV as well as various music publications and tours. In fact, this wave may be crashing our shores a bit too quickly for us to absorb in the framework of album radio programming since the early seventies and since refined, defined, and categorized by various consultants and individual programmers. It's hitting us fast and we just don't know how to fit it in, how much to fit in, where to fit it in, and what to do with all the music we've beaten to death for the last few years that has been so dull and forgettable. I don't advocate plunging into the bottomless pool head first, but I think the water's warm enough for much more than one wavering toe. It's not too late to play Roxy Music, Flock, and Talk Talk. Is there really any station not playing Missing Persons? I hope not and I can't imagine not being on at least three cuts by now. We have returned fun to radio listening again via the music if not via the jocks themselves. The days of free-form may not be back in style, but the enthusiasm and creativity are back. There is a great simplicity to an Adam Ant, Bananarama, Dexys Midnight Runners, Toto Coelo, etc. It's almost a return to the late 60's power pop that progressive rock and top 40 both embraced. It's a wonderful time to be listening to the radio for new music and it's in your hands to spawn new faces and voices while finding a resting place for many of the dinosaurs. Your audience is not as loyal to you exclusively as it once was. Its entertainment timeframe and available dollars are being divided by more factions and diversions competing for a piece of the pie than ever before. You're only a part of their lifestyle and you're free. They'll always be there and always come back especially if you give them an intriguing, beguiling, seductive, blend of music with lots of pleasant, positive surprises. Your talents as a music director and programmer are being stretched, tested, and tantalized more than you can remember. Respond. Become a music junkie again for music's sake. Years ago, music directors discovered new groups to get the obligatory gold record with their names on it. It still exists in a rarified form, but the music now is the reward. Compete with your contemporaries to find the new stars. Everyone will benefit...Thanks for reading and listening. Stay heavy and daring."

THOM O'HAIR, AUDIO INDEPENDENTS (415-864-0700): "Just a Happy Thanksgiving and a reminder to drive carefully. 73's, O'Hair."

LOUIE NEWMAN, CHRYSALIS (213-550-0171): "After 10 retail working days, Pat's album is platinum. Thanks to all radio and industry friends for such great support. Catch Pat on the road! Here are some upcoming dates: Cleveland, November 30th; Toronto, December 1st; and, Richmond, December 3rd...Remember the name, Divinyls."

JUDY LIBOW, ATLANTIC (212-484-6063): "So, now there's Zep and any minute the Foreigner. Not a bad way to close out 1982! Please be aware that the Foreigner 12" features a 6-minute live version of 'Hot Blooded' recorded in Germany (it's on the Lp as well). As in the title, it is hot!!! The inside album picture is pretty neat, too...Phil Collins is just exploding--3 to 4 cuts deep and no end in sight! Phil will be doing Rockline on December 20th, and don't forget to stay tuned for Phil and the Fabulous Jacuzzi's on the road...In the Cookin' Dept.: Henry Paul, Rose Tattoo, Frida, and Vandenberg. They cannot be denied!...Thanks to all for the Midwest hospitality and the great weather. Almost made it to Joplin, Missouri, but at the last minute, came to my senses. I think I'm in trouble now...P.S. Some Monday night game, huh kids? How many of you went to sleep after the first half??? Not The Raiders! Roxy--You should have! Hope everyone had a good turkey."

BOB LAUL, GENETIC (212-496-8326): "The Members have just had an amazing week at radio. Not only has the ever-increasing Member-ship expanded to new stations and markets, but those who believe have seen the light (phones) and upped their rotations. There is every indication that 'Working Girl' will be the theme of the 1983 tour of the year across America (more details on that later). Meantime, either join or sit back and watch...Personals: Oriental lunch award to: Steve Feinstein, WYSP; and, Denis McNamara and Rosie Pisani at WLIR."

IRWIN SIRROTA, PASSPORT PVC (201-753-6100): "Early gifts for the holiday season: To Jimmy Christopher, KNAC, Denis McNamara, WLIR; David Einstein, WHFS; and, Gary McCauley, WRAS--50,000 watts of clear channel power...To Buck McWilliams, WIOT--a consultant's job...To John Mrvos, WXRT--a lifetime subscription to Smoke Enders...To Larry Groves, KROQ--25 more stations just like yours...To Kid Leo, WMMS--a phone and lessons on how to use it...To Michael Plen, I.R.S.--a gold record for the English Beat...To All Program Directors and Music Directors who never paid attention to Bill Nelson or Robby Krieger--One year in a small room being forced to listen to Barry Manilow and REO albums...To Dave Logan, KFOG--#1 in the market forever...To Bill, George, Susan, Judy, et al--The maximum amount of success this crazy business allows...I'll be going in for knee surgery (I feel like Joe Namath, I wish I had half his money), and I'll be working from home for several weeks. That number is 516-485-7212. Call and make me smile...Happy Holidays...Play these records: Bill Nelson, Robby Krieger, Ze Christmas Album, Brand X, Dr. Demento, and National Lampoon."

DEREK SHULMAN, POLYGRAM (212-399-7071): "Can you believe the action on this Kiss record? Neither could we, but it's real. And it's selling 5,000-10,000 a day. Not shabby for a band with supposedly the worst image since Richard Nixon's solo album. It's way past the Kiss Army stage and looks to be a real left field winner. Yaahoo...A quick word of thanks to: Paul Lemieux, Rob Barnett, Rob Lipshutz, and the entire entourage of WBCN for a warm welcome on a couple of cold days last week in New England with Pat Travers, who by the way is doing extremely well on tour...The Golden Earring record is taking hold now at CHR and also looks like it's going all the way. Who said we bring 'em back alive! It's true. We do... A couple of records to watch: Falco, Der Kommissar, Charlie You Heart It From Me, and our own Dexys Midnight Runners...Also Hot At Home: Prince, English Beat, and still, Duran Duran...Don't forget, only 31 shopping days till Christmas, so get your 'Christmas Wrapping' by our own fab five Waitresses on your turntable today...That's it for now. TTFN, The Dogs Body."

RECORD ACTION CONTINUED

MICHAEL PLEN, I.R.S. (212-980-6698): "This week I want to blow the doors off of your radio shacks for 'Mexican Radio' by Wall Of Voodoo. Some of the toughest and most mainstream programmers have not only consented to play 'Mexican Radio' but have also succeeded with it. By success, I mean an incredibly active record, lots of phone response, lots of excitement generated upon hearing this song. A lot of mainstream programmers who aren't playing it yet already feel that this record could be the off the wall smash of the year. It's as different from a regular rock record as 'Goody Two Shoes' is different. It has its basic rock 'n' roll core elements: guitar, hard drums, interesting vocals, but remains left of center with its interesting arrangements and use of keyboards and synthesizers. You guys out there who keep saying this record is not accessible are full of it. Play the 12" version. That's the one with the Voodoo doll heads coming out of the ground on the cover and is more suitable for album radio. You're kidding yourselves if you let a name or different sound slip by you. MTV has already cranked this video up three times a day, and there are a number of markets where excitement is brewing. It's not just a border hit, and the excuse that it would only work in 'Mexican' markets is not even valid. I suppose you can't like Adam Ant's record unless you don't drink or smoke. Is that excuse relative? Wake up and stop building walls that ultimately stand in the way of your radio station sounding good or bad. Don't forget to listen to the English Beat (now over 90,000 records sold) and the Go Go's live on the Source Network, December 17 and 18th."

BRUCE MOSER, COULD BE WILD (716-885-5200): "Best idea of the month: WEA is lowering the list price of their entire old catalogue \$2.00. Maybe this will be the shot in the arm retail needs to get people back in the stores...I saw the Stray Cats this week. They sounded great and the audience enjoyed them as much as they enjoyed being on stage. A fun show. Don't miss them...Rumor of the week: Ed Levine's favorite record is Bauhaus...The Pop-O-Pies have a smash with their novelty record on 415. One side is a punk version and the other side in a funk rap version of the Grateful Dead's 'Truckin''. Even Jerry Garcia likes this one and has given it band endorsement. Call Howie Klein for details...The Bruce Springstone record is not only a great request item, but it's also beginning to retail very strong...Sammy Hagar is off to a great start. If you're excited about the single, wait until you hear the album. There's a song, 'Remember The Heros', which is a duet with Sammy and Mike Reno from Loverboy. This track will sell the album. It's one of the most powerful songs of the year...Be sure to read Buck Dharma's review in the new Rolling Stone. It captures what a great solo album Buck has delivered. He's now filming two videos including one of 'Your Loving Heart'. If you have the balls to play this song, it will explode. Could be another 'Freebird' in terms of audience reaction...And prediction for 1983: Bryan Adams will have the first platinum album of the year. I heard two tracks 'Take Me Back' and the title 'Cuts Like A Knife'. This album will give Bryan the recognition he deserves. Could be a star."

MIKE BONE, ARISTA (212-489-7400): "The Seagulls continue to soar higher and higher. 'Space Age Love Song' is now a legit top 40 hit and you can take that to the bank. Look for the Seagulls on New Year's Eve on MTV, live from New York...The Members give new meaning to the term 'Working Girl'. The new meaning is H-I-T. Watch for Philadelphia to explode that now that everyone is in the Member-ship...Martin Rushent was in the office this week with even more goodies from the Genetic label. I can't wait...Fashion continues to kick ass and take names with more majors. See Miscellaneous Album Adds for some head-turning call letters...Jerry Garcia continues to sell and sell at a very brisk pace. 3 million Deadheads can't be wrong...Coming soon: The Bus Boys, 'The Boys Are Back In Town' single from the Eddie Murphy movie '48 Hours', the Ministry Ep, the Starfighters second album 'Inflight Movie', Heaven 17 American debut, and the group guaranteed to make your liver shiver, your bladder splatter, your left ear itch and your right eye twitch, the Thompson Twins!!"

JEB BRIEN, CHAMPION ENTERTAINMENT (212-765-8553): "And now, the mighty K-MET falls to the sounds of 'H2O'. San Diego, San Jose, and San Francisco closed! RCA West keeps the build strong and hot with the Lp now top 5 in the trades and 'Maneater' on its way to #1. It's time to add more depth and rotation. I assure you this Lp will be around for quite a long time. There are three cuts for album radio to key on other than the single. Hall & Oates are the next big thing! The industry knows it and so does your audience. The feature in this month's Playboy deals with the fact that Hall & Oates are the sound of the 80's. And their live show is 'one of the best you'll ever see!' Our upcoming 55-city tour will back up this rave notice...Watch for giant increases in sales starting next week. A massive TV and radio buy starts December 2, 3, & 4 as we shoot for platinum plus by Christmas. Remember, we wrote a half a million initial orders on this Lp which shipped October 4. Even in these depressed times, the accounts are aware of the power and potential of Hall & Oates at the consumer level, as is the image conscious MTV, who has now put both 'Maneater' and 'Family Man' in power...Don't run silent, run deep with 'H2O'...With Sky banging the shit out of 'Maneater', records are starting to fly in Chicago...GREATEST EXCUSE YET: 'I won't play the 'H2O' because it debuted #1 in sales in my market and I'm not on it. Which means if they're pop base is that big, I won't touch the act.' This was a statement made by a major market programmer. I won't mention his name because he doesn't deserve the fuckin' attention, but if you call me, I'll tell you who it is."

JOHN SCHOENBERGER, RADIO (212-764-4396): "Hi, gang. It's a strange feeling not to be working a record after 12 years straight. As you read this, I'm already on my way to L.A. Please note the number above as that will be my contact number out there...Here's my personal Top 12 of the year: Tom Petty, Roxy Music, Pat Metheny, Haircut One Hundred, Black Uhuru, Men At Work, Genesis, Joni Mitchell, Santana, Marshall Crenshaw, The Time, and Bobby Wolmack...Happy Holidays to everyone. Talk to you the first of the year."

FOR YOUR INFORMATION:

When reading the individual station report, please remember that there are three ways in which album rotations are tracked.

- PLAYS PER DAY** - This refers to the actual number of exposures an album gets between 6 AM and Midnight on an average day of the reporting week.
- PLAYS PER WEEK** - Most of our weekly play reporters go back over their music logs for the previous week, and those totals are relayed to us and printed up.
- AIRPLAY EMPHASIS** - Be careful not to confuse this with **PLAYS PER DAY/WEEK**. EMPHASIS is a system of relative scaling, based on 5. If the highest rotation album gets 8 spins per day, it receives 5 points. If another album gets 4 spins, it merits 3 points, etc. This allows a much more detailed rundown than the conventional light/medium/heavy system.

Before the lead cut listings, you will notice three columns of numbers. We feel that it is highly relevant to include the number of weeks a station has been on a given album--so we're listing that information in a third column at the far left...We list debuts with a small "d". That indicates that the lp is in the second week of play. So--this week, we took last week's debuts, and gave them a 3 in the "weeks on" column. Next week those 3's will change to 4's--and so on. It's pretty simple.

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by converting all daily and weekly play reports to a 1-5 emphasis system and totalling the points on a given Lp. We use a simple percentage breakdown to indicate the amount of play on each track.
