Hard Choices

BOB SEGER, "LIKE A ROCK", CAPITOL... The excitement level generated by Bob's live "Fortunate Son", a song your listeners have heard a million times, should tell you the rock audience is rapt for any new Seger. And it's still building with 7 more adds, 9 ups, and a 19-13 move. Now that the single has peaked, the album is perfectly timed to give 'em a fresh blast of what they really want. We like the title track, "Miami" (with Don Henley), and "Aftermath".

THE MOODY BLUES, "WILDEST DREAMS", POLYDOR... Every time I write these guys off after watching them forget lyrics on a "comeback" tour--wham! They flash forward with a world class radio track. Keyboardist Pat Moraz sounds totally at home now--Tony Visconti's production sparkles, and with a signature song like this to sink their hooks into, Hayward and Lodge can take it to the bank. Week-end hippies rejoice!

THE BODEANS, "FADEAWAY", WB... In a week jammed with all kinds of fun musical surprises, the Bodeans have to rank as our office left field choice deluxe. Their name is a contraction of Bo Diddley and James Dean, and this throbbing little ditty is a delightful recreation of the simple, straightforward style of that era. Love that touch of twang, the killer-drum break--and, of course, the cowbell.

DANNY WILDE, "ISN'T IT ENOUGH", ISLAND... Once we've found five or six strong new songs, we tend to quietly hope that's it for the time being. And just when you think the consideration bin is way past the bulge point, in walks yet another one-listen gem like this. The guitar lines alone are hook city--a surprisingly rare occurrence in our axe-based idiom. And from verse to chorus to believable vocal, this track is fully realized. More than enough to get the job done.

TIP: FLO, "SO SERIOUS", CBS ASSOCIATED... After good, solid album radio spins on the single, and 300,000 units over the counter, we certainly wouldn't second-guess this act. When their sound is selling you can practically phone it in, and hasn't all their stuff sounded better since they started hanging with Dave Edmunds?

BOB JUNGKLAS, "BOYSTOWN", MANHATTAN... Memphis has long been renowned for spawning serious rock talent--and Rob more than lives up to the town's lofty tradition. He's got a Springsteen/Zevon quality to his voice, perfectly matched to some of the best narrative writing we've heard of late. As Redbeard says, "They are indeed mini-movie lyrics"...this is new music of the highest quality with more equally interesting, different and compelling material on the album. Out-of-the-box at WJLS.

GIUFFRIA, "I MUST BE DREAMING", MCA... It's about time Willie DeVille's permanship reaped its just rewards--but who in the world could have predicted Giuffria would be the act to do it? They've made a great song simply amazing. In what has to qualify as one of the smartest image adjustments in modern history. As artistically adroit as it is commercially viable.

ICEHOUSE, "NO PROMISES", CHRYSALIS... This band has always demonstrated a remarkable sense of drama and atmosphere, so the lush, hypnotic feel of this new song is really no surprise. In fact, Roxy's Rhett Davies and David Lord of Gabriel/ATC studio fame add exponentially to that special Ice-house ambience. We were, however, very pleasantly surprised at the great leap forward in song quality here, thanks to co-writing from guitarist Bob Kretschmer. They've always been ahead of their time--and for our money, the future is now.

ROARING BOYS, "HOUSE OF STONE", COLUMBIA... Their name implies some kind of truncated waveoid working class weirdness, but "House Of Stone" is anything but. We're quite taken by their smooth, layered Floyd meets Dream Academy flavor, and really intrigued by the very progressive song structure and build. It's the furthest thing from your garden variety "single" approach, but that could well be what puts the Boys on the Board.

TIP: LOVERBOY, "LEAD A DOUBLE LIFE", COLUMBIA Hey, how'd this Cars track wind up in a Loverboy sleeve? I can't believe a killer number like this didn't come up more in the comments and charts. "Lovin' Every Minute" scored big in part due to its uncharacteristic sound, and "Double Life" should heighten their rep as change of pace acts. And dig the live version on the flip.

Reaction Records

JOURNEY, "BE GOOD TO YOURSELF", COLUMBIA... Record of the week! No one else is even in the same time zone. 108 OTB adds and 46 max mentions cranks up the week's highest #9 debut--as Instart top 5 phones at WJOT, WDIZ, WQVE, WHCN, WKQQ, WAAF, WFBQ, WSKS, KGON, KTXQ, KMDD, KILQ, and many more bring in a debut at #6 Most Requested...Just under half of our reporters rate it a four-star classic, with plenty of "thank God they're rocking" comments. Now the reviews: Lex Staley, WFYV, "Kings of consistency"...Brian Taylor, KQDS, "Mid-life crisis is over--they're revitalized"...Amy Dahlman, WAQX, "Haven't seen reaction this strong in a long time"...Ken Anthony, XSJD, "Pure Journey rock and roll at its best with their patented sing-along hooks and Neal's smoking guitars"...Alan White KILQ, "Conveys a positive upbeat message and the audience response has been overwhelming"...Joe Blood, KEZO, "Outstanding. TIP: LET'S ACTIVE, "IN LITTLE WAYS", IRS... Producer Mitch Easter had a lot to do with REN's early successes and continues to reign as one of the key cult figures in the college/alternative milieu. This tip is as much for personal pleasure as for potential airplay. In hopes he tempts your musical palate with one of the best Beatles records never made.

KROKUS, "BURNING UP THE NIGHT", ARISTA... In keeping with contemporary programming trends, Krokus tones things down a notch or two--and comes up with 32 adds and a #67 Song Debut...KILO's Alan White feels "The Stone-ish riffing makes it palatable enough for anyone to get into"...More reaction: Jane Brown, WQFM, "Automatic phone-burner"...Bob Welch, WPYX, "Dare I say summertime anthem?...Steve Becker, WKPM, "Could be their crossover"...Steve Kosbaq, KRNA, "Pleasingly melodic"...Jeff Carroll, KLBJ, "Their best in years"...Glenn Stewart, WHJY, "Instantly memorable"...Pepe Lopez, KLAQ, "Hotter than ever"...Tim Drayer, WHIF, "Damn good record"...Curtiss Johnson, KUPD, "Nice move sound wise"...Inessa York, KGOH, "Great teen song"...And from Karen Andersen Small, WQTH, "Good hard rock with the guitar crunch of AC/DC"...Already on WLLZ, KISS, KORS, WLAJ, WVOK, WPMH, WHJY, WQTH, KLOL, KLPX, KMOD, WQHA, KILO and WBAB.

JOE JACKSON, "RIGHT AND WRONG", ANN... Joe's classy and unorthodox masterpiece finds a home on 29 more stations this week--as 59 now playing and ups at WHCH, WQHA, WHFS and WEZX make him the king of this week's statistical jungle..."Right And Wrong" ranks first in positions gained and second in points, moving 65-26, and the album's 44-26 advance ranks #1 in positions and #2 in points--as does the 49-27 Metro Primer...The second week calls look very healthy, too, with KMET, KRQR, WHCH, WPYX, WQHA, WRDU and WQGM all "excellent", and 15 more including KILO, WLAJ, WHEW, WOUR, WIOT, WRXL and WAKK listing "good" phones...Dren Gillispie feels "'Right And Wrong' has a slight Dire Straits feel, in that it has tasty guitar licks and an unusual vocal phrasing. Moreover, this record could fill the void that Steely Dan left years ago"...WKQD's Rob Ellis sez, "You gotta love it. Joe left the disco mirror ball at home and is back doing some hip rock and roll"...WHCH's Wayne Summers notes, "'Big World' is full of original flavor and flare, which spells Joe Jackson genius"...And from Bob Kramer, "The new one is a masterpiece, recorded by an artist whose talent continues to blossom with each release."

HOWARD JONES, "NO ONE IS TO BLAME", ELEKTRA... New air at WQHA, WHEW, WRDU, WLAJ, WLYQ, WBAB, WRDH, WQXK, WJHL, WKKI, WYDU, KPMX, and 12 more brings the remix album at #73, with hit predictions galore: Erin Miles, WMMR, "Marvelous re-recording"...Ralph Tortora, WBAB, "Anyone who doesn't hear this record should get out of the business"...Fenny Apple, WQXK, "How can you go wrong with Phil"...Mark Chernoff, WHEW, "His best yet"...Tom Starr, WQOH, "Phenomenal tune"...Jay Daniels, WEZX, "Great crossover record"...Rick Strauss, WZDQ, "Tasty playlist pick"...Lee Randall, WLYQ, "Tasteful melodic pop"...Bob Malton, WRDU, "Truly tasty"...Neil Koshair, CHOM, "His best single so far"...Russ Mottis, WAAF, "A perfect crossover single"...Rad Nessick, WQIZ, "Massive CHR Appeal"...Marcy Bender, "Great crossover song"...And from Linda Lancl, WENZ, "A great song. Definite hit."

BOB DYLAN AND THE HEARTBREAKERS, "BAND OF THE HAND", MCA... The adds ain't exactly blowin' in, to paraphrase one of Bob's better works--but the big guy did manage in, including WQVE, KLAQ, KUPD, WQFM, WHEW, KLPX, KMET and KEZO. WQFM's Jerry Gavin calls it "Excitingly different"...KEZO's Joe Blood bears "Gospel heartbreak"...KMET's Judy McNutt-Friedman calls it "Dylan we can play"...KGOH's Inessa York was "Nicely surprised"...K-97's Todd James says, "A great combination"...WQXK's Ray Bahman went so far as to pronounce it "A classic"...And KTXU's Redbeard feels it's "Rock and roll testifying"...WJLZ's Linda Lancl figures "Automatic on name value alone"...And from KLSJ's Jeff Carrol, "Very refreshing"...New at #80.

JIMMY BARNES, "WORKING CLASS MAN", GEPFEN... One of '86's most consistently added new artists rolls in at #10. Most Added again this week, as 13 new and 80 now playing combine with 8 ups (WOUR, KICT, WHIF, KLOS, KOME) for a 35-29 Underline. That album's move to #25 is this report's #5 rated point gain, with the 30-28 Metro gain also Prime...WTPA's Chris James validates, "We were a little hesitant on the 'Working Class' track, but the research on this is coming up very positive"...WKQD's Rob Ellis feels "'Working Class Man' is not only super rock and roll, but lyrically has a blue collar feel which seems to jive with the likes of Springsteen and Mellencamp."

ROBERT TEPPER, "DON'T WALK AWAY", SCOTTI BROS... Robert's new on WHEW, WQGM, WOUR, WLLZ, KATT, KRQR, WZDQ and 5 more, with opening air at WHJY, WQXK, KLPX, KMOD, WRUF and more--good for a #81 debut. As WZDQ's Garrett Hart sez, "This new track tested well for us, and combined with 'No Easy Way Out's' proven performance, we say this is an artist right for our format."

GRAHAM NASH, "INNOCENT EYES", ATLANTIC... Graham's got Highest Debut honors on this week's Back Page--at #16 Nationally and #21 Metro... "Innocent Eyes" adds at 15, with 11E total, 12 ups (KGOH, WFLR, KATT, WQHA, KLOL) and an Underline at #16. Automatics

THE STARSHIP, "TOMORROW DOESN'T MATTER...", RCA... The overall stats are at least as impressive at the #4 Most Added/30 station showing this week: 56 to date and ups from WBIR and WEZX bring the LP back on the Metro chart at #46, moving the National number 49-32, which rates #2 in positions gained and #4 in points..."Tomorrow" scores our second longest 64-38 Song Primer, ranking #3 in points gained.

HONEYMOON SUITE, "FEEL"/"ATTITUDE", WB... Their double header continues to build in stereo: Although Journey staples "Feel It Again" 2-10, it ranks #4 in play ups with 12 (WYXS, WYSP, WHCH, KATT, KISS, WQRI and with KTXU, KICT and WKOR, just in..."Bad Attitude" Primes 86-59, our third longest Song Underline, with new air on 11, including KMOD, WLLZ, WQHE, KLOS, KOME and KATT, with increased play at KMET, KDZD, KISW, KICT and WQFM...The album totals reflect with an 11-7 National and 11-9 Metro gain.

Now on 65 reporters...As WFXR's Jon Erdahl says, "The Hooters get the nod for medium as it really starts to kick in. Looks like they have another big one."

ROBERT PALMER, "HYPERACTIVE", ISLAND... With Robert's highest-ever hit profile, you'd have to work to find reasons not to seriously consider this one. WFLR's Amanda Tepper tells us "'Riptide' still has several hits left on it and 'Hyperactive' should be next. We're already getting lots of upper dem phones on this great song"...WRDH's Pam Brooks sez, "'Hyperactive' is the perfect follow-up, and we're finding that calls are being generated for earlier material. The man's style and voice prove that talent survives, surfaces and sells"...New on 7, topped on KTXU, KLOL, and WQHA.

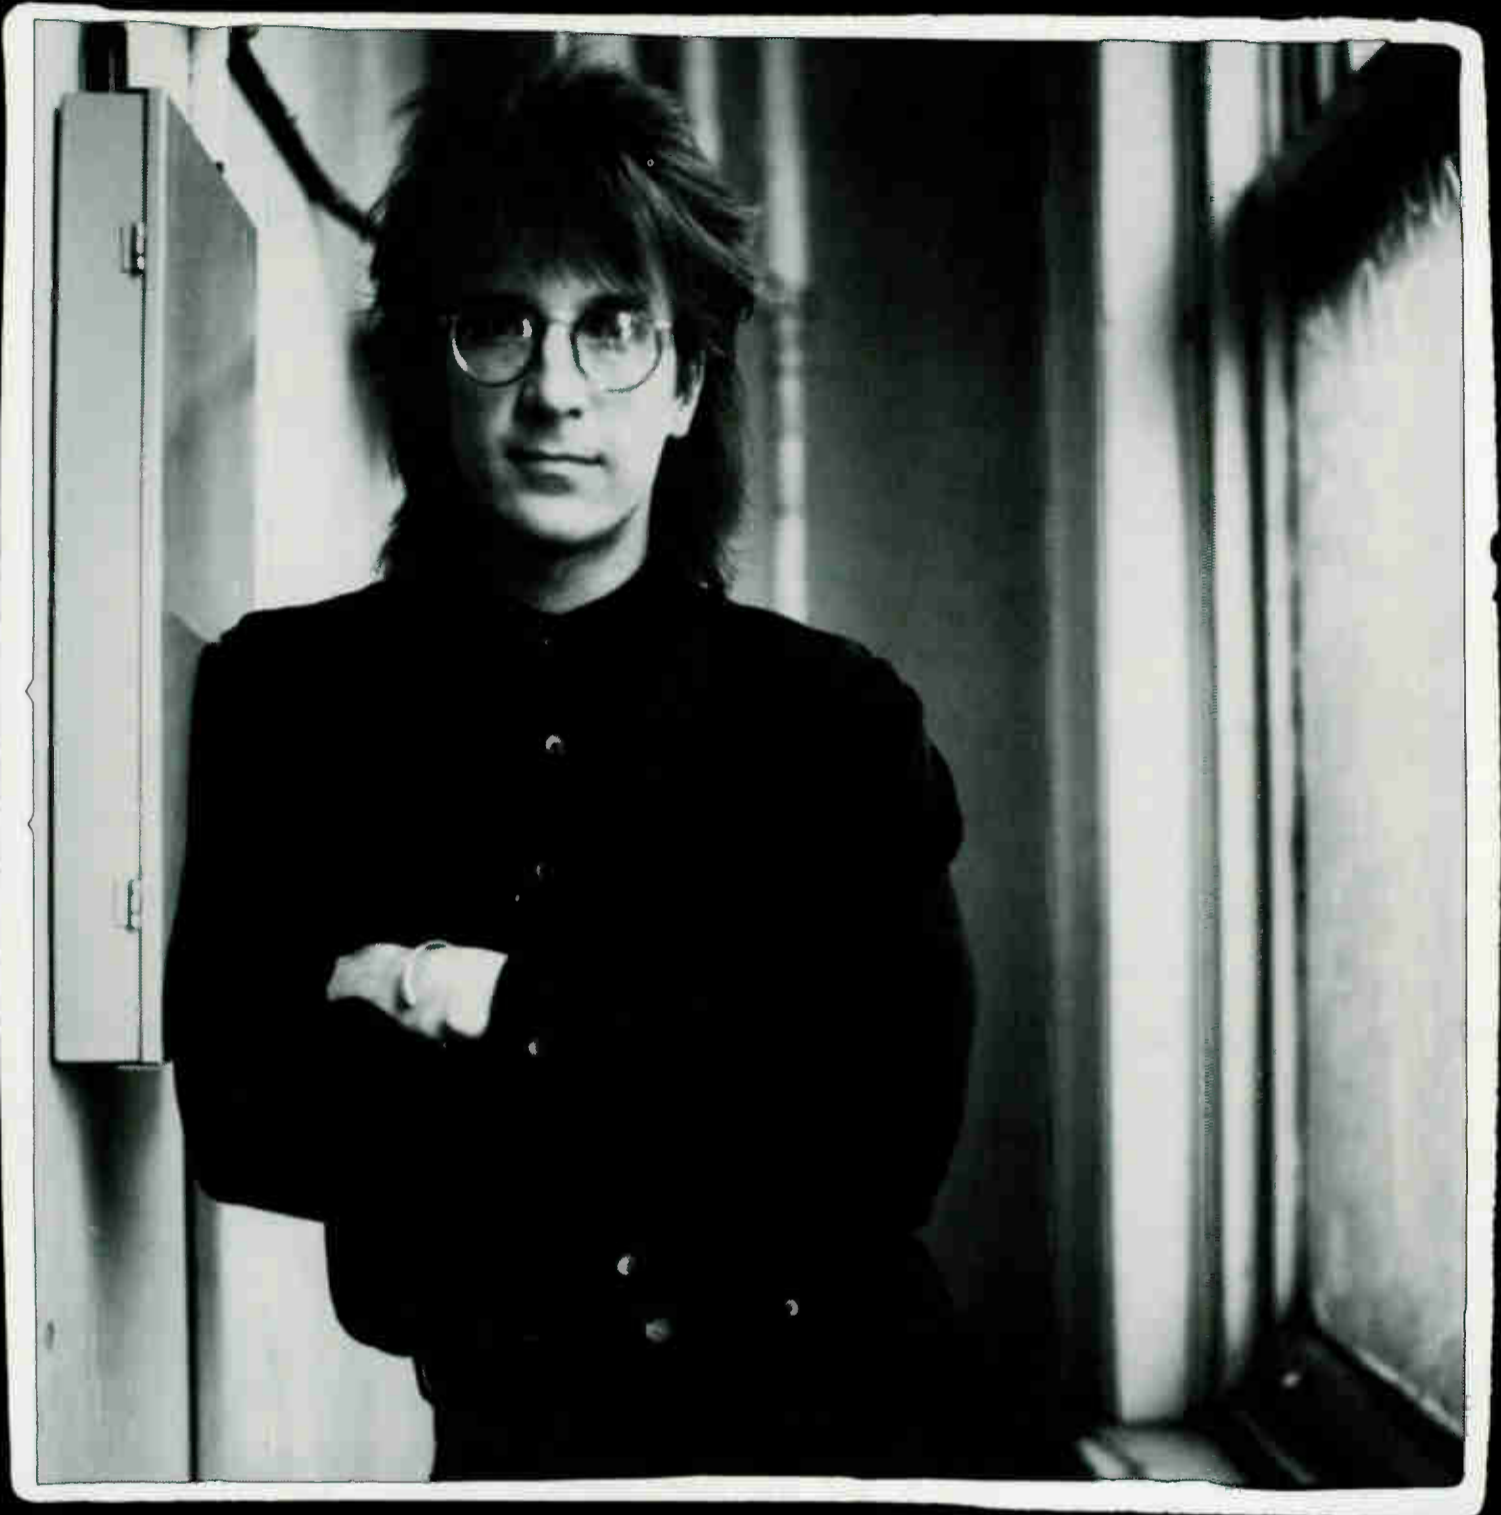

MR. MISTER, "IS IT LOVE", RCA... The week's third best 18 play ups give the single an Underline at #19--further fueled by adds at KATY, WTUE, KOME, KGB, KRQR and K-97. The album could well go top 10 again--with a 19-15 Underline and only 1 play decrease.

ZZ TOP, "ROUGH BOY", WB... The call count climbs--with WTUE, WQMF, WIOT, WRDH, WRBQ, WLYQ, WARR, KICT and more cooking up a 9-7 Most Requested move...Play ups at WERN, WQMF, WFXR, CIGL, KLOL, KRNA, and adds at KLOS, WQMF, WTUE and KAME Prime 11-8-7, holding the album at #4. Now max at 65.

MCA... Delivering The Music Of The '80s

Everyone is "Locked In" with Judas Priest

"We've never seen a Judas Priest song generate as much interest. You'll always get typical metal requests, but we're seeing the people that drive BMWs calling also!" **LEE ROBERTS, KICT**

"'Locked In' is burning up the phones. After the 9,000th phone call, we decided we had to play it." **BOB BITTENS, WHCN**

"We played it once over the weekend and on Monday people were calling for more details. Top 7 requests immediately." **JUDY McNUTT-FRIEDMAN, KMET**

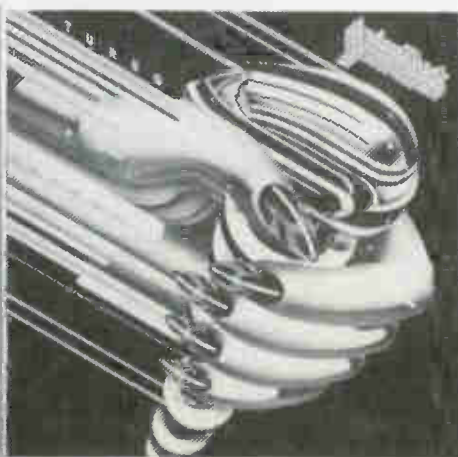

"Judas Priest was our #4 request last week, and that came after we only played the song once." **AMANDA TEPPER, WPLR.**

"I think they're the Steely Dan of metal, and you don't lose on the upper end, either." **RAD MESSICK, WDIZ**

"One spin was all it took to confirm the in-house raves and one spin on the air has done the same for our request line." **TOM STARR, WOUR**

"The best rock'n'roll song they've done since 'You've Got Another Thing Comin'. Rob Halford's voice never sounded better." **MIKE WOLF, WYSP**

DIRT ALERT!

CHRYSALIS, ARISTA AND POLYGRAM UNVEIL NEWLY EXPANDED ROCK DEPARTMENTS

Three major labels have enlarged their AOR promotion departments as recent events continue to reshape the face of the record industry. Chrysalis has tapped Jeff Laufer to direct West Coast album promotion, a position he recently held at Arista, and New Avenues Music's Mike Van Orsdale has also signed up in a soon-to-be-announced midwest capacity. "It's just a coincidence that the independent promotion thing happened in conjunction with our expansion" reasons Chrysalis VP Promotion Daniel Glass. "We needed these people anyway. Obviously the indy thing makes it more apparent and more timely." Glass cites a product flow that will double in the next 20 months making the period ahead "the most productive in our history" as a major reason behind the realignment.

Meanwhile, Northeast Regional ace Jerry Lembo, exits for the local New York slot at Columbia. Look for the Chrysalis butterfly to fill that post and flap its wings with additional hirings in the near future.

Although many will argue that "the indy thing" has sped up label promo expansion, Arista National Lp Promo Director Sean Coakley isn't alone in believing that "independents in many cases made up some of the best promotion people in the business. Now that they're available, we'd be foolish not to pick them up." Coakley, too, feels his department has "needed expansion all along" and notes that with Tony Gates enlisted to lead midwest album promotion, Arista now commands a four-man AOR team. Says Sean, "It's an obvious reflection of our very serious intent to maintain AOR contender status." Gates, a former WLAV Grand Rapids PD and MD, most recently with New Avenues Music, told FMQB, "As a firm believer of what goes around comes around, March was definitely my turn. With a birthday, the purchase of a new house, the birth of a healthy, happy son, and a new position with Arista, I'm on a roll."

Joining the regional A-team to cover the Washington/Baltimore area is A&M vet Johnny Powell, who had been doing independent work in that area. Meanwhile, the latest rumor on the street has Island VP National Promotion and calendar pin-up idol Phil Quartararo crossing the street for the same post at Arista.

And with PolyGram drafting Hot Trax Promotions' Fred Deane and Debby Appelbaum, Mr. Recordhead has gone from a single Lp to a box set. Deane, who dissolved his independent promotion company after three years of business, will hold the reins as Senior National Director of Rock Radio Promotion, while Debby, most recently Hot Trax' Promotion Director, will serve as his assistant. Sez Fred, "My independent tenure has allowed me to work with some of the top-shelf national directors of promotion in the business, a priceless benefit. In essence, I guess you can say I know exactly what I'm up against."

Reporting directly to Director of Promotion David Leach, the restructure reunites the two who worked together for PolyGram prior to the formation of Hot Trax in 1983. A veteran of RSO, and EMI, Deane will be based in Philadelphia, spending two days a week in PolyGram's New York offices. Wanna bet he has a car phone?

Continuing as National Director Rock Radio Promotion, Drew Murray told Dr. Dirt, "As far as PolyGram is concerned, AOR has gone from the bastard stepchild to numero uno. So, we've made the move from one guy to a department. I'm very happy with the arrangement. It'll free up my time to get away from meetings and paperwork and spend more time directly with radio, on the road and with my field staff." P.S.: Be on the lookout for PolyGram National Director of College/Alternative Promotion Jack Isquith (named College/Alternative Promo Man of the Year at the Gavin Convention) to join the Rock Dept. soon.

AND IN OTHER LATE-BREAKING PLATTER MATTERS

Look for Michael Caplan to seque from E/P/A/ AOR Promotion to the A&R department as soon as his replacement is found.

Enigma Records has signed a distribution deal with Capitol Records. More poop next week...

DALLAS DIRT: KZEW CLEANS UP

KZEW's new morning man is infamous industry legend Steven Clean (KMET, WMMR, WBCN, WCOZ, WLLZ), last seen as morning man/part owner at WMAD, Madison. Naturally, ZOO PD Rob Barnett orchestrated a suitable send off for outgoing AM driver John LaBella after 8 years of morning duty. Proclaiming April 4th "John LaBella Day", the Zoo broadcast John's last show live from a local club complete with limo, listeners, tux, gifts, the whole 9 yards. KZEW contacted every morning man in town, inviting them to bid LaBella adieu on the ZOO's air. "If they refused to comply, Steven did it for them, simulating their responses on the air"; sez Rob. The final farewell? A 20 piece jazz band's live rendition of "Stairway To Heaven" followed by John's tearful exit in a limousine.

The ZOO was among a handful of stations than yanked the DIR/HBO Comic Relief simulcast off the air after obscenities were uttered by Whoopi Goldberg ("motherfucker"---a required word at any "Aid" concert), and George Carlin ("shit"). The move brought KZEW tons of press, about 80% positive according to Barnett. To show its belief in the cause, the station rebroadcast the event at a later date, edited for airplay.

And in final ZOO news, Oz exits the night shift for afternoons/MD at 91X, San Diego. Hold your tapes and resumes for a later date---the station doesn't plan on filling the show permanently for awhile.

DIRT ALERT!

WNEW ROLLS 2 MILLIONTH RECORD; MUNI SIGNS FOR LIFE

It all began when WNEW-FM's Dave Herman revealed on the air his discovery that the station was very close to playing its 2 millionth record...From there, listeners were invited to guess the title and artist of song number 2,000,000, the date it will be played and which jock will play it. Five clues a week are making the task a little easier, and a 1st place prize of a \$40,000 1986 Porsche 911 Targa with \$1027 worth of lottery tickets in the glove compartment is making it worth the effort. So far 'NEW has received six figures worth of postcard entries, and there's more at the door. According to PD Charlie Kendall, the promotion is designed to "hammer home WNEW's longevity in the market and to hammer home the personalities. Plus, we'll get 'em with time spent listening since you have to count the songs and listen for clues."

And: Scott Muni's name has always been synonymous with WNEW-FM and VP/GM Michael Kakoyiannis plans on keeping it that way. He and the Professor have just inked a lifelong contract continuing the relationship between Muni and NEW that began in October '67 when the station began its 18 year AOR legacy.

NEW ENGLAND NEWS; GROSSMAN RESIGNS WCCC; PROVIDENCE SHUTS DOWN

David Grossman has resigned as WCCC AM/FM, Hartford PD effective April 18th. "Part of being a good programmer is knowing when you've taken a situation as far as you can. That's the case here, so it's time to move on." Reach David at the station if you're interested in him or the 'CCC job.

When WHJY's morning squad of Carolyn Fox and Glenn Stewart announced on April 1st that the Providence Labor Action Relations Board Committee had shut down the city for the day and everyone should go home, City Hall, local police departments and state agencies were flooded with thousands of calls. So was crosstown CHR WPRO. 'HJY had given out their number as a hotline for verification of the shut down. An hour after the initial announcement, 'HJY fessed up that it was just an April Fool's Day prank. The controversy generated extensive local press, TV coverage and headaches.

And: Former WHJY PD Ian Grace is back at the station assisting in the talent hunt for his replacement. Once a PD is found, Ian will continue in some sort of consulting role. 'HJY is also accepting T&R for possible jock openings: Ian Grace, 115 Eastern Avenue, East Providence 02914.

AOR RETURNS TO BUFFALO; NEW AC DEBUTS IN MILWAUKEE

Look for rock radio to return to Buffalo after over a year of AOR deprivation. The FCC has finally approved the license transfer of WUWU, Wethersfield (the station that made transmitter takeovers fashionable) to Chris Devine. Chris, who owns new Salt Lake City AOR KBER, plans to change WUWU's calls to WBER, hire Burkhart/Abrams to consult, and be on the air as soon as the business transaction clears, hopefully in 4-5 weeks. KBER PD Drake Hall will oversee the operation.

"It's my biggest client with this format so far" relates consultant John Sebastian on inking WBGK, Milwaukee (formerly CHR WZUU). "They have a great signal which I haven't had in the past with a lot of my clients, and I think it's going to be the thing that really takes this over the top." The New AC format will be completely in place at 'BGK by April 7th, guided by former WGRX Baltimore PD Alan Lawson. Sebastian sez his name change has sparked increased interest in the New AC format, and that he's very close to signing a top 5 market station.

NOW THIS

Steven Ferndo, Jr., the 18 year old charged with fatally stabbing Bobby Hattrik on January 30th, has made a videotaped confession, admitting that he had stabbed Hattrik at least 75 times with a folding knife he carried with him. The arrest came after Ferndo bragged to friends that he had murdered Hattrik.

On a much lighter note, from Steve Bridges, KFMH, Muscatine/Davenport: "KFMH held it's 4th Annual Stupid Contest and some 1100 people jammed into a bar in Davenport to see contestants swim thru sewage, tar and feather themselves, jump into basins of whipped cream, but the winner, according to the crowd reaction, were two brothers who could spit from a distance into each others' mouths."

Happy trails to local MCA Philly rep Joe Reagoso who transfers to the same post in Nashville.

DIRT ALERT!

AS WE GO TO PRESS, Lou O'Neill Jr flashes that Stevie Nicks kicks off her American concert tour on Friday, April 11th, at The Summit in Houston and will play the following cities before taking a break: Austin; Dallas; Oklahoma City; Iowa City; Lincoln, NB; Lexington, KY; Baton Rouge, LA; Biloxi, MS; Memphis and Knoxville, TN; Hartford, CT; Providence, RI; the Philadelphia Spectrum on May 6th; the Baltimore Civic Center on May 7th; the Sportatorium on May 10th; and the Sundome in Tampa on May 11th.

PRINCE received an absolute rave last week in the Sunday New York Times article by John Rockwell. The music critic said, "Prince's 'Parade' stakes his claim to popularity." The reviews have been nothing short of sensational all across the board on this new Prince album.

ROCK 'N' ROLL'S original wild man, Ted Nugent, will be at the Hard Rock Cafe in New York on April 8th from 11:00 'til 12:30 to donate one of his crazy and kooky guitars. The "Nuge" will present one of his gonzo classic Gibsons to the HRC, and it will immediately be added to the emporium's rock 'n' roll memorabilia collection. The Axe will ultimately highlight the collection at the Hard Rock's Dallas location when it opens this fall. As you know, Nugent is in town for a one-nighter with Aerosmith at Madison Square Garden also on April 8th.

EPIC RECORDING ARTIST, Robert Tepper, appeared on "Live At Five" last week with Sue Simmons. Robert had an interesting explanation of one of his famous songs, "Le Bel Age", which he wrote for Pat Benatar recently. According to Tepper, he wrote it in a hotel on Sunset Boulevard, and got the name from the inscription on the pen in his suite. As far as being an overnight sensation, Tepper has said, "Yes, I'm an overnight sensation that took eleven years to happen." Tepper talked about his persistence in hooking up with a label deal, and urged all people who were trying to get their act together as far as recording is concerned, "Don't give up. That's the message."

SAY WHAT YOU WILL about W.A.S.P. and Black Sabbath - featuring Tony Iommi - it's every man and woman for himself as these masters of metal dish it out to the crowd's delight. Last week in New York was no exception as Sabbath and W.A.S.P. (along with Anthrax) blasted their way into the metropolitan area with a nearly sold-out show at the Jersey Arena in the Meadowlands. Blackie Lawless, 6 foot, 4 inch-plus lead singer for W.A.S.P., made it all so simple when he screamed out in utter defiance, "We're every parent's nightmare!!!" The W.A.S.P. cult is building, and there's no doubt about it, this band has a big future. The only fly in the ointment might be Blackie's tendency to over-dramatize. The censors are looking at his act very, very closely...Speaking about Blackie Lawless, our sources at Capitol say the album is past 250,000 units and still selling well, with virtually no radio airplay.

WATCH FOR COLUMBIA to come with a live version of the old Eric Burden & The Animals' classic, "Don't Let Me Be Misunderstood", by none other than--Elvis Costello. It's coming to college radio next week, having recently been recorded by WNEW-FM during the morning show, "Live From Heartbreak".

DON MAGGI, veteran assistant to John Scher in the concert promotion business, is leaving Monarch Productions after five years with that organization. Maggi will announce his future plans shortly.

THERE WAS A SUPER JAM last week at New York City's China Club featuring some of the biggest names in the business, but no, Julian Lennon never made it to the stage. It looked as if his manager, Dean Gordon, almost had to tackle Julian to keep him from getting up on stage. Among the participants were: David Sanborn; Chuck Mangione; Nona Hendryx; and John Waite. Spotted around the China Club in the audience were: Elliott Easton of the Cars; the aforementioned Julian Lennon; Carlos Alomar; and many, many rock stars. Two nights earlier Steve Winwood was in the China Club, just hanging out.

STEVE WINWOOD AND RON WOOD, of the Rolling Stones, jammed at J.P.'s until six o'clock in the morning recently, but no one knew until it was too late. Jimmy Pulis was sworn to secrecy and he kept his word, so the jam came off in a sparsely occupied room.

TOM PETTY quietly returned to Los Angeles last week from his tour Down Under with Bob Dylan and friends, and is chomping at the bit, ready to go out with Bob this summer for their American campaign. It looks like it will be a 5-week stint and, in the meantime, Petty has a new album in the works that should be ready right after the tour is wrapped up. He's sort of doing it backwards, but those are the plans for now.

PETER FRAMPTON was great last week when he performed with the Paul Shaeffer Band on NBC's "Late Night With David Letterman". He meshed so well with his fellow musicians you couldn't tell he was a guest guitarist. The following day he did "Live At Five" with Sue Simmons, and was most articulate in explaining what happened to him after the "Frampton Comes Alive" album peaked in the late 1970's.

PAUL RODGERS, of the rock band The Firm, sat in at the China Club on Sunday, March 23rd, and sang "All Right Now" - one of the most famous rock songs out there, a tune Free made popular in the early 1970's. It's the first time Rodgers has performed that tune in quite some time.

SECRET STUFF: A famous English heavy metal group got the shock of its life when they took a guest junket South of the Border, but didn't realize the standards down there aren't up to our standards. It was a terribly dark Sunday for everybody!!

JULIAN LENNON was whisked into New York City last week for a slew of interviews on Wednesday, April 2nd, with the rock press and media, and still managed to come out of the day smiling. Julian is so professional talking to the men and women of the Fourth Estate that he could probably start his own public relations firm and give advice to others. His sincerity and his obvious good feelings come across in all his interviews.

BILLY JOEL and his wife Christie Brinkley purchased the home of the late Commodore Nixon Potter, right on the ocean between East Hampton and Amagansett. We won't tell you what it cost, but the figure would make your eyes pop out in amazement.

ALTHOUGH HER TOUR DID NOT DO WELL and had to be re-shuffled, Yoko Ono has not lost her sense of humor. The Quarterback notes that she appeared last week at the New York Music Awards program at the Felt Forum, and before a packed house went to the podium and joked, "It's so nice to see a full audience in front of me!"

So far, confirmed acts include U-2 and STING...Not to be forgotten is SOUNDWAVES FOR GREENPEACE, happening the week of April 21st at London's Royal Albert Hall. Slated to perform at those shows are: BIG COUNTRY, THE CURE, LLOYD COLE and the COMMOTIONS, ECHO and the BUNNYMEN, NIK KERSHAW, BLANCMANGE, plus GRAHAM CHAPMAN and MICHAEL PALIN of MONTY PYTHON. This is just a partial list. GREENPEACE is the organization dedicated to preserving the environment.

Speaking of BIG COUNTRY, that group is gearing up to release a new album this June via PolyGram. The first single will more than likely be "LOOK AWAY", a song the group plans to also release as their first British single. The B-side of the single will be a song called "RESTLESS NATIVES", which comes from a 1983 Scottish film of the same name. ROBIN MILLAR, known for his work with SADE, produced the Lp. Currently, BIG COUNTRY is touring Britain and chances are they will hit our shores sometime this Summer.

JOHN WAITE and DON HENLEY recently collaborated on a song, written by J. D. SOUTHER, for an upcoming movie titled "CAPTIVE HEARTS". The song was produced by DANNY KORTCHMAR. HENLEY is also planning to do the soundtrack to "THE COLOR OF MONEY", a remake of THE HUSTLER starring PAUL NEWMAN and TOM CRUISE.

THE ROCK REPORT has learned that BLACK SABBATH vocalist, GLENN HUGHES, formerly with DEEP PURPLE, has left the band. His replacement is RAY GILLAN.

PHANTOM, ROCKER and SLICK played the final date of their eight week tour at The Palace in Los Angeles last week. Joining them on-stage were JEFF BAXTER of THE DOOBIE BROS. and BRIAN SETZER, one time cohort of SLIM JIM PHANTOM and LEE ROCKER in THE STRAY CATS. Together, they performed an extended blues jam. PHANTOM, ROCKER and SLICK are taking a breather until June 1st when they will head back into the studio to begin work on their second album for EMI.

Talking about BRIAN SETZER, he begins his solo tour this week in Albany, NY with his RADIATION RANCH BAND. E-STREET BAND drummer, MAX WEINBERG, originally planned to hit the road with SETZER, but due to a schedule conflict, is unable to make it. WEINBERG's replacement is session drummer DAVID PRATER, who's played with SANTANA and BABY GRAND in the past.

THE ALARM is paying back their fans in a big way this week with a free concert happening at Janss Steps on the campus of UCLA. The show, which will be televised via satellite around the world, begins at 3:00PM Pacific Time on Saturday, April 12th. THE ALARM has just released a new single from their "STRENGTH" Lp, titled "ABSOLUTE REALITY".

PAUL RODGERS, vocalist with THE FIRM, recently went into a New York studio to record a new version of the BILL HALEY and the COMETS classic, "ROCK AROUND THE CLOCK". The tune will be used for the soundtrack to the upcoming Columbia Pictures release, "THE KARATE KID PART II", coming June 16th. Helping PAUL out in the studio is drummer STEVE JORDAN (DONALD FAGEN) and bassist DONALD "DUCK" DUNN. PAUL SHAFFER is arranging. The soundtrack will be released through United Artists Records.

News From Rock Over London

BELOUIS SOME, much featured on Rock Over London over the past few months, releases the follow-up to his breakthrough single "IMAGINATION" this week. Working on the principle that "Imagination" was a hit second time around, EMI are re-releasing his "SOME PEOPLE" and hoping for the same result, in spite of the fact that there's also a cover version of the song on release by MURRAY "ONE NIGHT IN BANGKOK" HEAD. Belouis is thinking about touring later this year.

U2 are to be honoured with their own quarterly fan magazine. "PROPAGANDA" will be designed to give U2 fans all over the world the inside information on the band's activities. A subscription costs 6 pounds for a year's issues, available from U2 World Service, PO Box 48, London N6 5RU, England. Cheques and postal orders payable to "U2 WORLD SERVICE".

QUEEN have announced details of their massive open-air concert at Wembley Stadium on July 12. Also on the bill will be STATUS QUO (back in action after their "retirement" from live work), THE ALARM and VIRGINIA WOLF, the band featuring JASON BONHAM on drums. It'll be Queen's biggest outdoor concert since Hyde Park in 1976. The Wembley appearance will have Queen on a specially-built 160 foot stage, big enough to fill one end of the stadium. Music will run between 2:00 and 10:00PM.

The ART OF NOISE, causing a stir in the UK with their new version of the "PETER GUNN" theme which features a guest appearance by DUANE EDDY, have their album "IN VISIBLE SILENCE" out here on April 14. We'll shortly be presenting an interview with the band and the Twangin' Man himself on Rock Over London.

Here's a real quirk of the British charts: HEART, finally breaking here with "THESE DREAMS", have never been in the UK singles chart before. Not with "Crazy On You", "Barracuda", nothing. Better late than never...

BRYAN FERRY, charting with "IS YOUR LOVE STRONG ENOUGH" from the film "LEGEND", now plans to do the music for a forthcoming BBC TV documentary on life in the Himalayas. We hear he's so keen, he's thinking of going there himself to soak up some of the atmosphere.

SIMPLE MINDS' UK release of "ALL THE THINGS SHE SAID" will feature a live version of "DON'T YOU (FORGET ABOUT ME)" on the B-side, once again recorded at their Rotterdam concert in December.

The PSYCHEDELIC FURS have announced their first British concert date in nearly two years. It'll be on the opening night of the Glastonbury Festival on June 20. The Furs are in Switzerland, at the moment, writing songs - their next album.

We thought we were seeing things at first, but yes, "BROTHERS IN ARMS" has finally been dethroned in the UK album chart. But it took a TV-advertised, various artists hits compilation to do it: "HITS 4" went straight in at #1, relegating the STRAITS to #2. DEPECHE MODE's "BLACK CELEBRATION" also made an impressive debut, entering at #4.

News of yet another charity single to benefit the starving of Ethiopia: It's HEAR 'N' AID, a heavy metal project put together by RONNIE JAMES DIO featuring TED NUGENT and members of IRON MAIDEN, MOTLEY CRUE and JUDAS PRIEST. The single "STARS" is out on April 11, with an album to follow mostly featuring unreleased material by those artists. All the money raised will go through the USA For Africa organization.

SIGUE SIGUE SPUTNIK will release their first album at the end of June...but "21st CENTURY BOY" now will not be out as a single until the end of April...Meanwhile, EURYTHMICS are completing their new album in Paris, with the first single due in June.

HOWARD JONES is recording his third album at Windmill Studios in Dublin with ARIF MARDIN, fresh from his work with Culture Club, producing. Howard's expected to do some additional recording for the Lp in New York and the finished product should be with us in the autumn.

Norway's 1986 entrant for the EUROVISION SONG CONTEST, the fearsome Europop competition which last year produced A-Ha, is a drag act called the GARLIC GIRLS. You have been warned!

Next-Big-Thing-Dept.: Indie chart favorites, THE VERY THINGS, will next week start filming a 3D video using 1950's filming equipment which includes a "double camera" boom rack, discovered in Germany. Funny how the new technology always seems to rely on the old technology. The 150-second clip will cost an estimated 35,000 pounds to produce.

Ageless British pop singer CLIFF RICHARD has reached #1 in our charts with a comic reworking of his 1959 chart-topper "LIVING DOLL", assisted by THE YOUNG ONES, the team of wacky funsters now seen on MTV. Britain's daily press has been mouthing off about how this is the first time that anyone has gone to #1 twice with the same song in UK chart history. Allow us to put them right: The trick was turned last year by GERRY MARSDEN, he of GERRY AND THE PACEMAKERS, when he sang lead on THE TEAM's charity version of "YOU'LL NEVER WALK ALONE", taking the song to the top for the second time (with some vocal assistance, we're bound to add, from Rock Over London's GRAHAM DENE). So Cliff is actually the second artist to manage this achievement.

FRANKIE GOES TO HOLLYWOOD's label, ZTT, have temporarily left England to set up business in Paris, while their artists are working in Europe. Meantime, the new Frankie album is currently going under the working title of "CUT OFF HIS LEGS! THE SICKEST ESCAPE INTO DEGENERACY SINCE WINSTON CHURCHILL".

Efforts to establish a new rock venue under canvas in Battersea Park, South London have been thwarted by the local council's development committee. They say that live music in the world's largest tent, which is the brainchild of promoter Mel Bush, would annoy local residents. So he'll have to find an alternative site in time to stage the concerts planned for later this year.

Indie band PSYCHIC TV have made the national Top 100 with a song called "GODSTAR", which is their tribute to BRIAN JONES, the late Rolling Stone. Psychic TV's leader is a former punk figurehead who revels in the name Genesis P. Orridge.

An unfortunate accident happened the other day during the filming of BRONSKI BEAT's video for their new hit "C'MON C'MON". JOHN FOSTER and LARRY STEINBACHEK were jumping onto a carnival float when it moved off rather earlier than they'd expected. Both escaped with only superficial injuries, but one of the extras on the set suffered a broken pelvis. We should also say get well soon to SHANE MCGOWAN, leader of the Irish group THE POGUES, who was hurt in a car accident recently.

The DREAM ACADEMY's KATE ST. JOHN, we hear, has so impressed VAN MORRISON with her oboe-playing that Van The Man is using her on eight of the songs from his forthcoming album. Meanwhile, the backing singers who adorn the Academy's Lp will also be appearing on DARYL HALL's solo set, coming soon...

Virgin is spending one million pounds on converting a 50,000 square feet store in Dublin to turn it into the world's largest record store, they say. The new shop will have a similar design to Virgin's Megastore in London's Oxford Street. Head man RICHARD BRANSON proudly says that the store will bring 100 new jobs to Dublin. **CONTINUED**

Rock Over London Continued

Stop press: DAVID BOWIE is in Paris working on his next studio album, the one that will follow his soundtrack for JIM HENSON's film "LABYRINTH". Bowie says that the second new album will be something quite different and he's producing it himself. There is also the strong possibility of some live appearances by David later in the year, although he won't be more specific than that at the moment.

On the coming week's ROCK OVER LONDON we'll feature two major comebacks: First, the return of the MOODY BLUES with their new TONY VISCONTI-produced "YOUR WILDEST DREAMS"; then the first release in 15 months from BIG COUNTRY, "LOOK AWAY". Our latest selection from the ROLLING STONES album puts the vocal spotlight on KEITH RICHARDS, just for a change. We'll also sample the new JULIAN LENNON LP and a classy new release from FINE YOUNG CANNIBALS, the band who feature two former members of The Beat. THE ROCK REQUEST digs deep into the U2 archive to unearth their first-ever UK chart appearance...THE MELTING POT has a round-up of all the weird and wonderful novelty hits of the moment, and the TOP FIVE is alive with new entries and an astonishing number one.

For further information about the above stories, call the ROCK OVER LONDON hotline at 441 (London) 437-7122 or 411 (London) 437-2860. Question Of The Week

We were so inspired by the irony that Bob Catania once worked in the Young Men's Department at Bambergers Department Store, that we couldn't resist this question. What odd, interesting, out of the ordinary or absolutely nowhere jobs were you employed at on your way to where you are now?

BOB CATANIA, ISLAND: "I can even top the Young Men's Department at Bambergers, based on my 4 years' experience at Bubbleland. Need I elaborate?"

KEVIN VARGAS, KWHL: "I got here the long way! First, I dropped out of high school to fight a small, yet noble, cause in a very tiny 5th world country. After achieving democracy, I was proclaimed dictator. Upon growing bored of the island paradise, I moved to the Hollywood Hills where I worked for a few years as a male prostitute. From there I moved to Wilmington, Illinois and worked in a car wash. After which, I headed to the nearest Unemployment Office and asked 'what am I most suited to be'? The man replied: 'Get out of my face, kid, and get into radio--you're a born rock 'n roll dj', and the rest is history being written!"

CHRISTA LANE, WIBA: "I waitressed in a country-western restaurant called the Red Wheel in Champaign, Illinois---and I hate country music!"

BEAU MICHAEL MOORE, WKLC: "I drove a taxicab in Nashville for two years. It gave me everything I needed to know about sex, drugs and rock and roll."

PHIL MANICKI, WWCT: "I worked as a life guard for five summers on beautiful 12th Street beach in Chicago. The stories I could tell you..."

JIM JONES, KM0D: "The most unusual and nowhere job I ever had was flying corpses in a Beechcraft Bonanza airplane."

ROB ROMAN, KBER: "Doing survey work at military installations throughout the Southwest. It was very ho-hum."

BOB BITTENS, WHCN: "There are two jobs I'll always remember fondly. One was as a dishwasher/short order cook for a place called the Bradford House which was the only part of W.T. Grants that made any money at the time they went bankrupt...I also ran the record department in a Bradlees. Both were excellent preparation for a life in the broadcasting industry."

PAUL SHUGRUE, WRXL: "I guess working the all-night shift at a White Tower prepared me for the abuse I take now."

LEE RANDALL, WLVQ: "I've done it all - fast food, truck driver, factory worker, life guard, night club DJ, gardener...not in that order."

MARGIE RYE, KLPX: "I was a waitress in a breakfast restaurant from 5 AM until Noon. I ran projectors in a movie theatre, and I was a bus-girl, but most important of all, I sold Girl Scout cookies - and it was all in Bisbee, Arizona, population 3,000."

DAVID HALL, WKDF: "I never had any weird jobs except all my jobs in radio."

KAREN ANDERSEN SMALL, WGIR: "In high school I worked on a fruit farm. I climbed in trees thinning peaches. All of that work for only \$1.00 to \$3.00 a tree, depending on size."

PEPE LOPEZ, KLAQ: "I was an electronic engineer for Motorola for three years."

MARK CHERNOFF, WNEW: "I was a substitute teacher; also after getting an MBA, an accountant at a major New York accounting firm. But that was the pits."

DAVE KANE, WCMF: "While breaking ground as a weekender and vacation sub, I was asked by the station VP for a favor. Naturally, being more than willing to please, I became the 'Wink' man. I dressed up in an outrageously loud green costume that included a cape and a stupid Wink t-shirt which said 'Wink if you want it', along with gigantic green sunglasses and visited all the area supermarkets handing out coupons, t-shirts, and buttons. What's the loss of a little self respect, anyway. Besides, the job furnished a company car, I was able to make my own hours, and paid \$200 a week cash."

BOB WELCH, WPTYX: "I worked as a tour guide one summer at Fort William Henry where we dressed in authentic British soldiers' costumes, complete with musket. The outfits consisted of red wool jackets and pants, white knee socks and a tri-cornered hat...I also worked at Long John Silver's, frying fish...And I was a salesman in a clothing store. All this was while I was working in radio at the same time."

STEVE BECKER, WKFM: "I worked for 17 Magazine in their promotion department. Luckily I made it through that job without being locked up. Oh - what jailbait."

FQM STARR, WOUR: "This is it and this is amusing enough."

DAVE SHEDLOCK, WYDD: "I was employed at a greenhouse and my job there was to replace the broken panes of glass on the roof."

INTERVIEWS

FALCO: "We've got some persons here (in Austria) who are quite comparable
 to elder people like Kenny Rogers in the United States, and they are all
 friends of mine -- we talk a lot together. I told them 'hey, come on, give
 some tips, give some tricks, give a message how to handle my future', and
 they all said don't break your head about the future. Just give your best
 because the response and the respect from the audience you make yourself
 with your own work."

QUESTION CONTINUED

LARRY "THE DUCK" DUNN, WLIR: "Believe it or not, before entering college, I made pizza for two years...To pay my bills through college, I worked as a pharmacist's assistant for 4 years. Can you imagine pizza and drugs paying the bills? Legally of course! It all makes for a well rounded Duck!"

TIM DRAYER, WHTF: "I was a bank teller and I was also a bookkeeper for a major auto parts warehouse. The bookkeeping job drove me nuts. I decided I didn't want to work anymore, so here I am!"

TOM SCHEPPKE, KISS: "Wolf and Chirp Pet Shop...Dishes at Denny's...and Beachmont Car Wash (left, front fender man)!"

MICHAEL PLEN, I.R.S.: "For eight years, I pumped gas. Now I'm pumping ethel."

REDBEARD, KTXQ: "The first job I ever had was delivering Domino's pizza. I cracked up the delivery car while chasing two girls. While I was working my very first radio job in Ohio, I was also the all-night janitor at a huge family restaurant chain and there are a few record promo guys who wish I'd go back there!!"

BRENT PETERSON, WPGU: "The only thing I can think of is flipping donuts when I was 14. It was an interesting job because I never knew when the grease would splatter up on me. It made the job exciting."

DON BERNIS, CFNY: "I held summer jobs in the post office sorting mail; I was camp counselor and a swimming instructor for beginning swimmers; I held a summer job one year as stock clerk in a department store; but my favorite job, which I held immediately before getting into radio part time, was as a soda jerk in a drug store. Take that as you will."

CURTISS JOHNSON, KUPD: "Working stocking shelves at the Alpha Beta store."

BOB WALTON, WRDU: "My first job was working in a church, the janitor was my boss. And more recently I built elevators in Saudi Arabia. I also got paid ten bucks an hour to water the sand."

GARY JAMES, WXLN: "Loading and unloading trucks in college."

LEX STALEY, WFYV: "I worked at all the fast food chains, delivered medical products to old people, almost had a budding career as a bag boy at Publix, hit an all-time low and sold radio for a while, and finished up slinging pizzas."

DUANE SHERMAN, WTOS: "I was a bicycle seat for Nancy Reagan before Ronnie took the job."

JULIE FOLLMAN, WYNF: "As a packer at a moth ball factory. I worked as a lap dancer at a lounge."

LEE ROBERTS, KICT: "I would have to say that my most nowhere job in radio was at a small market station in Fayetteville, Arkansas. I couldn't get a P.D. to listen to my tape or take a phone call from me. So I had to go back to work there. The day I was hired Bill Bruun called me up and asked me what I was doing, I told him I was waiting through twenty-two minutes of commercial time, this was right before Christmas. I'm talking minutes, not units or commercials. Mr. Bruun broke me out of that radio concentration camp. How 'bout a repeat performance, Bill?"

BRUCE MacDONALD, WFNX: "Worked in a wholesale liquor warehouse, and I worked as a general slave for Scandanavian Design Furniture Company."

INESSA YORK, KGON: "I worked at The Plaza, dahling!"

BOB BAILEY, WKLS: "I was one of the few who went from college to this station."

VINCE MERTZ, KZEL: "A bouncer at a place called the Lawrence Opera House. It was a biker/student bar with live music and an interesting mix of people who kept things jumping."

JERRY GAVIN, WQFM: "I had a job as a core wheeler at a foundry in 1972 during my college break."

PEGGY APPLE, WQBK: "I worked as a nutritionaid at a hospital, a nurses aid at a nursing home, and my favorite: a waitress at I Hop. I lasted 6 weeks."

KEN ANTHONY, KSJO: "I have to say my most unusual pre-radio gig was the summer of '77 when I spent a couple of months distributing 'free gifts for the lady of the house' (sample tampons) on a Union Square street corner in San Francisco. What was really amazing was how many men helped themselves to the samples as well!!"

ALAN WHITE, KILO: "I worked for the IRS, but it was part of their payroll division, so it paid all the employees through this one government branch. It was a computer place...I also worked for a shoe store warehouse, and I grew to love high heels because of it."

DAVE LANGE, WLAV: "After failing one college class in Wilderness Survival and resisting the military with all of my efforts, I worked in a PX store. There's a lot of cold campers out there."

ALISON STEWART, WBRU: "I pushed ice cream to snotty little kids while wearing a 110% polyester uniform. Now that's humiliation!"

ROBIN MATHIEU, WBLM: "I guess the oddest, most interesting job I've worked was in the crazy studios of WUVA. Other than that, I've spent all my time bartending."

WARREN, WILLIAMS, KSRR: "I was an attendant at a swimming pool bath house during the summer of college. Highlight of the job was puke patrol, which involved getting it out of the water before it dispersed among the many happy young swimmers."

AL BRANCA, WMOM: "While I was going to school, a few nights a week I worked as a male stripper in a South Jersey bar. The tips were good. Come on now, you promised not to laugh."

HAL BRANDT, WXKE: "I worked in a combination grocery store/gas station. On one particular 90 degree day they asked me to wash and wax the trash cans and I walked out. Then I worked in a mental hospital and then in radio."

GREG GILLISPIE, WDV: "I worked at Kenny Shoes once when I was just getting started in this business."

JIM STEEL, WIOT: "The most interesting job was when I was a runner for ABC Sports. A couple of years back when the Tigers and Royals played in the American League Championship, all 165 pounds of me was Howard Cosell's bodyguard after the Tigers had won the title. It was one of my most harrowing experiences."

WAYNE SUMMERS, WRCN: "I worked as a bus boy in a restaurant. Duties included vacuuming, portioning out French fries and other exciting things, like cleaning up the men's room after drunks had too much dinner."

AMY DAHLMAN, WAQX: "I spent my high school years seriously shoveling shit at a dog kennel in my quest to become a veterinarian. Now, instead of shoveling it, I get to take a lot of it."

PAM BROOKS WPDH: "My first job was as a checkout girl at the now defunked supermarket, Finast. They let me go because my cash drawer was always short. Then I schlupped ice cream at Friendly's and I quit because I couldn't stand strawberry syrup running down my legs and I couldn't reach the ice cream in the back bins. I had the illustrious position of assistant manager and sales person at Thom McAn and they let me go because I was dating the manager. So I realized that I had to get into rock and roll where you could do all kinds of sleezy things and not get in trouble. And I have been having great fun ever since."

GLENN STEWART, WHJY: "That's easy. Four years ago when I was 'between jobs' I administered the Pepsi Challenge in back woods Georgia towns and I worked on an assembly line assembling golf cart batteries."

QUESTION CONTINUED

RON SORENSON, KBLE: "A warehouse person...In the catalog department at Sears...Hobby department manager at K-Mart...Democratic party political hack for McGovern back in 1972...Struggling rock and roll vocalist."

MICHAEL DAVIS, KFMG: "Nothing but hippie, gypsy jobs like clearing land in the middle of nowhere, and other similar feats."

GARRETT HART, WGLU: "I worked on a line laying tracks for the Baltimore & Ohio Railroad in West 'By God' Virginia. We lived in a railroad car during the week and went home on weekends. This was back in 1973..Eight or 9 months later I landed my first radio job and the rest, as they say, is history. P.S.: I've been an expert on tracks ever since."

BRIAN ILLES, WCCC: "Before working at K102 in Ft. Lauderdale, I drove cabs. Sounds like the classic story, right? Cab driver becomes DJ. When I was in high school, I worked in a grocery store and my job description said I was to 'wrap, pack and inspect produce.'"

CHRIS JAMES, WTPA: "I was a basic go-fer for a morning team in Clarion, PA."

MARTY BENDER, WSKS: "Whaddya mean? I'm working in a nowhere job right now."

PAUL BROWN, ATCO: "I once worked at the Albany Plastics Corp., working the graveyard shift, making billiard balls. If you got balls, you probably got them at Albany."

RICHARD PACTER, PROMOTION IN MOTION: "I worked at Bethlehem Steel in Lackawanna, NY, and I was a Pinkerton security guard for a while...When I was in college, a booking agency had me write bios for all their bands. I did about 15 of them without ever having once seen any of the bands!"

MICHAEL CAPLAN, EPIC: "Waiting on tables in a Chinese restaurant, and being mistaken for being Chinese by patrons was interesting!...Managing an Italian restaurant where I was responsible for creating the concept of the Lobster Special--\$6.95!"

NEXT WEEK'S QUESTION: If you could work in radio in any part of the country, where would it be and why?--
Suggested by Kevin Vargas, KWHL.

Radio Action

WBCN, BOSTON, MA M.D.-BOB KRANES: "The 1986 WBCN Fool's Parade is happening as I speak. From Noon until 6PM this year's parade has already attracted more spectators than last year's (probably because of the weather)...Since I missed out in last week's comments, the Rolling Stones' record is intense and doing real well. 'Dirty Work' is definitely one of the best Rolling Stones' albums ever. They rock, they roll, they reggae, and they R&B. They be the Stones...Things are definitely getting crazy. And there are tons of records to listen to...The new Journey single is attracting a lot of attention. The band continues to make pertinent music and they have definitely recorded a record that will be around well into the fall...Joe Jackson's new one is a masterpiece recorded by an artist whose talent continues to blossom with each release...Bryan Ferry's 'Is Your Love Strong Enough' is a smash. No if's, and's, or but's. Put it on the radio and you'll see the phones light up...Some quick thoughts on some great shows: Cactus World News will undoubtedly be big in the USA. They have the songs, their message is potent...Charlie Sexton certainly came thru with flying colors, and the Bangles with the Hoodoo Gurus - two great bands, two phenomenal sets and a great time...Charles Laquidara's Big Mattress Song Of The Week is 'Johnny Come Home' from the Fine Young Cannibals."

WNEW-FM, NEW YORK CITY, NY M.D.-MARK CHERNOFF: "I'm really looking forward to the Howe/Hackett GTR project. Got a taste of the album at the Arista offices last week and it's mighty good. It sounds like what Asia should have done on the last couple of albums...By the time you read these comments, we'll have played our 2 millionth record and given away a \$40,000 Porsche to the person who knew the song and figured out the time it was played. We're also throwing in 1027 lottery tickets so the prize can be even more of a whopper."

WDVE, PITTSBURG PA M.D.-GREG GILLISPIE: "It's impossible for us to integrate one of the best records of 1986 into the musical mix. I'm talking about Prince and his new album 'Parade'. This guy is an out and out genius when it comes to crafting hit music. Just look at the progress and the difference of his last four albums and this record exemplifies that point even more. It's like the ingenuity of the Beatles meets the funk of Sly - and it's perfect for a 1986. 'Girls And Boys' will be huge this summer...I don't know whether record companies or management are directing the heavy metal bands to tone down in hopes of becoming more mass appeal and gaining airplay on AOR stations that are headed for upper demos, but whoever is urging these heavy metal bands to go through these changes could be making a big mistake. Think about it. If you're targeting 25+, chances are you won't be dealing with a heavy metal act unless it's the biggest of the big and the record is truly great and fits your station's sound. And if the bands do tone down, they run the risk of becoming just a homogenized hard rock band that may be less and less appealing to the heavy duty rock fans. I guess these bands should stand by what they've done all along and hope that AOR will split into two formats, one skewing younger and harder, or that their fans will get hip to their new releases via the metal publications, and the lyrics are right on for 1986...'Right And Wrong' has a slight Dire Straits feel, in that it has tasty guitar licks, and an unusual vocal phrasing; but moreover this record could fill a void that Steely Dan left years ago...The Bob Dylan/Tom Petty collaboration is just okay. But with the movie and the anticipation of the tour, this record will have high interest for a while...I was anxious to see how the big releases would fare the first week at retail, and the answer is in: Van Halen blew by everybody like they were standing still and debuts at #1. Stones jump in at #6, and Julian Lennon enters at #25. It's amazing that after about a year, Dire Straits maintains a #4 retail position...The Firm was in town last week and they've made great strides in their live performance since the first time around. The light show is one of the best I've seen for a rock and roll concert in a long, long time."

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "Bravo for Joe Jackson's latest. He consistently dares to be different by experimenting with various styles of music and is always successful. Personally, I'm glad to hear him rocking out more than he has in the recent past. The digital recording is simply stunning--it really leaps off the record...This week we go for thirds from Van Halen. 'Best Of Both Worlds' joins 'Dreams' and the single from what will be the year's most monstrous record. I firmly believe that 'Love Walks In' will be the killer cut...Up and coming department: Glen Burtnick, Jimmy Barnes and Brian Setzer are doing well and holding their own amidst all the major new releases...With springtime here, the concert season is starting to pick up. In the next two months we'll have visits from Kiss, Ozzy, Setzer, Simple Minds, ZZ Top, Aerosmith, with more on the way. I LOVE IT!...Thanks to WYNF's Carey Curelop, Ron Diaz and Charlie Logan for the hospitality during my vacation stay in Tampa town...Heavy at home--Van Halen and INXS (one of the best in '86)."

KSJO, SAN JOSE, CA M.D.-KEN ANTHONY: "Let's have a major thumbs up for the Journey advance, 'Be Good To Yourself', from the album 'Raised On Radio'. This is pure Journey rock and roll at its best, with their patented sing-a-long hooks and Neal Schoen's smoking guitars. And wait until you hear the album. Sounds like another mega rock and roll hit from the Bay Area."

RADIO ACTION CONTINUED

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "Who the hell is Eric Johnson? Only got the 12" but that's enough to grab my interest. This boy burns like Jimmy Beck on guitar. Zap indeed! and vocally sounds a bit like an underproduced Bryan Adams, which I mean as a compliment. Please give me the rest of the album intravenously. This guy smokes...Larry, I'll be even more blunt. Anyone who doesn't hear the Howard Jones record should get out of the business."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: New Krokus is so hot it's 'Burning Up The Night'. It's out of the box and heavy on KISS with phones and sales to match soon. Thanks to Arista's Jeffrey Schulman for the sneak preview...The new Dokken is 'Unchain The Night' and this one's a guaranteed cooker. (Jeff?)... Don't miss another Texas guitar hero in the making. Eric Johnson is going to put another lone star in the sixth shooter record book...Finally, King Kobra's newest is 'Dream On' and if you sleepwalk, watch out for the hooks...See you in L.A."

WCCC, HARTFORD, CT M.D.-BRIAN ILLES: "On the Breakers page of the R&R this week it says 98% of all reporters are on the new Stones Lp and 88% of all reporters are on the new Van Halen Lp. That means that 2% of all reporters are NOT playing the Stones and 12% of all reporters are NOT playing the Van Halen. The question was posed in these pages a few weeks ago about certain stations that may or may not be real AOR's. In my book, if you're not playing something off the new Stones Lp and something off the new Van Halen, then you're not an AOR. I don't care how many currents you play or don't play; if you're not playing these, you don't belong in the format."

CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERNIS: "The Sixth Annual CFNY Great Ontario Talent Search is off and running with close to 600 entries being narrowed down by a panel of music experts, including representatives from Canadian trade magazines, newspapers, record companies, concert promoters and radio. The 50 finalists are then pitted against each other in a nightly competition. At the end of the promotion, the winning band receives all kinds of neat prizes, including musical instruments and a year's services from an accounting firm that specializes in entertainment. On top of all that, we then vote internally on the best music that was played during the competition, feature it on Sunday shows, and send a tape of it all to various Canadian record companies' A&R departments. We feel this is a positive way to expose good young talent to the record industry and, believe me, there is plenty of good talent out there. Picking 50 out of 600 to play was not easy...It's been a good week for Live Mike interviews here thanks to Lloyd Cole, Steve Kilby from The Church and Mick Hucknall from Simply Red for dropping by...As predicted last week, the second Level 42 concert for later this month sold out in a day. Now it's on to show #3 with tickets on sale today. I can't wait for this one...This week's hot Canadian add is the 1985 CFNY Casby Best Non Recording Artist winner's first release, Chalk Circle and 'April Fool', (congrats to Salt Lake City's KGCL for being the first U.S. station on this great tune which sounds like a cross between Simple Minds and U2). If you want to hear 'April Fool', call Peter Vitols at Duke Street Records at 416-863-6994...Our hot import add this week is an incredible gorgeous ballad called 'Dreamer' by Keep It Dark...CFNY's interesting promotion: Pete and Geets, the morning team, commandeered the CFNY studio at the end of their morning drive show and they're still on the air - and will be on until 6, with various demands that were augmented by listener phone calls like: the CFNY Casby Awards be hosted by Yoko Ono and moved from the Ontario Place Forum to the Penthouse Forum; that they get steel plated safety t-shirts for public appearances; that rastarian ginger beer be put in the pop machine; and the one they were inflexible about, they want the station to buy them a Joe Cocker macrame tea cozy for their kettle. Response is great. People are down stairs in the parking lot tying yellow ribbons around things for their demands."

WHJY, PROVIDENCE, RI ASST. P.D.-GLENN STEWART: "Congrats to Fred Deane, Debby Applebaum and Al Perry, the Independents who've now crossed over to work with the big boys. If the indy ranks thin only as a result of these kinds of moves, I don't mind...With all the major-mega-monster albums happening, little did I expect to be blown away by Krokus. 'Burning Up The Night' lights a bonfire under the audience. When a song is this good, it doesn't matter what else is out there!...Certainly Joe Jackson won't be mistaken for Priest, or Ozzy or Krokus, but it is impossible to deny expertly crafted music that transcends traditional rock and roll definitions. 'Right And Wrong' is not only right, it's necessary!...Is this town big enough for two Stewarts? I think so--Welcome aboard, Alison!"

KKCY, SAN FRANCISCO, CA P.D.-KATE HAYES: "The latest 'jump up and down and scream' around THE CITY: Robert Greenidge and Mike Utley, Laurie Anderson and Joe Jackson...The brightness of Katrina And The Waves' latest has the phones going nuts...Watching strong sales locally for Simply Red, 'Absolute Beginners', and Elvis Costello...Great reaction record: Joe Cocker."

WGRX, BALTIMORE, MD ACTING P.D.-BOB PAYNE: "I'd like to thank the staff and M.D. Mike Butscher and especially our consultant, Alex DeMers, for their super-human effort in the last few weeks. I'm really proud of all of you. Thanks..." FROM M.D.-MICHAEL BUTSCHER: "The answer to last week's Question of The Week should have been EOR, not AOR."

WHTF, YORK, PA M.D.-TIM DRAYER: "The album sales for Van Halen '5150' have gone through the roof! The album debuts at #1 in album sales in Central PA this week...New adds: Joe Jackson 'Right And Wrong' is definitely a good sound. Check out the entire album...Also check out the new Moody Blues 'Your Wildest Dreams'. I consider this 'The Voice' Part Two!...Ozzy Osbourne is definitely doing very well in album and single sales. Do not let this one pass by!"

WTPA, HARRISBURG, PA M.D.-CHRIS JAMES: "Van Halen has exploded! Looks like a multi-multi track album!... The Sharks are eating up phones and sales...Sorry to hear about Hot Trax, but we send our best!...Glad to see Fred and Debby were picked up by Mr. Recordhead. Keep in touch!...We're taking a close look at the Wax record. We think it'll be a hit on three different charts...We added Fiona 'Boy'sWorld', giving a local girl a shot. This is another track that we'll share with CHR--Get in on the ground floor...We were a little hesitant on the Jimmy Barnes 'Working Class' track, but the research on this is coming up very positive."

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "We're very pleased with the success of our two sold-out co-promotes at the Beacon Theatre with the Bangles, Hoodoo Gurus, Divinyls, and The Cult...As we speak, we're very busy with last minute details on our non-formal ball at the Ritz. This year as part of our annual zany celebration, we're presenting Hoodoo Gurus and Lou Reed live...To round off the week, we're co-promoting Echo & The Bunnymen at the Felt Forum in a sold-out performance...Also we're proud to present Ministry in a sold-out performance at the Malibu Club the night after the ball, as well as Simply Red at the Ritz. We be happening and very busy!...Quickly, this week we're getting heavy phones on the new albums from Depeche Mode, Pet Shop Boys and Katrina And The Waves...The reaction to the new Howard Jones single has been ecstatic. It was Screamer last week, and the buzz hasn't let up...Thanks to Feargal Sharkey, John Lydon and members of the Hoodoo Gurus for stopping up live on the air...Screamer Of The Week: Depeche Mode 'A Question Of Lust'."

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "I like the new Judas Priest Lp. It's the right blend of rock and melody. Anyone playing the heavy stuff should have no trouble finding three or four cuts that work very well. We're playing 'Turbo Lover' and we'll take it from there. Even though their appeal can often be blinded to us by the view of junior high kids in the black tee-shirts, this is one heavy metal band that the kids go to and not visa versa. Their writing and rocking is for anyone who occasionally likes to crank it up...The new Journey song is fantastic. I hope this means we can expect a good rockin summer from these bay boys. Anyone who says this band is too corporate is being too self eclectic for me to ever buy a drink for...Thanks to EMI's Ken Benson for the giveaways; glad you were happy to hear Brian Setzer doing so well. Power rotation and top ten sales is not a bad start to a solo career."

WIOT, TOLEDO, OH ASST. M.D.-JIM STEEL: "While Rick Van Gil was on vacation, he saw an advertisement in the paper that said 'Actors wanted: Must be old 'Hogan's Heroes' fan!' Before you know it, R.V.G. lands a role as Sargeant Schultz in the up-coming two-hour remake special! But the character has remained within him since returning. 'He sees nothing, he knows nothing, and he hears nothing'. Soooooo, while R.V.G. reacquaints himself with all the quality music that's out, I'm here to say that in the very near future, both Rick and myself will be calling for reservice for everything...!!!And we're also in great need of CD's...Scratchy albums just don't cut it anymore!...Notes off the cuff: Toledo is gearing up for a sold-out ZZ Top show on the 12th and The Firm a couple of weeks later. Musically, the new Journey sounds great and even better cruising down the street with the windows down!...Sunshine, and rock 'n roll--it just can't be beat!"

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "WRCN gave Long Island the First Annual Fools' Day Parade on Tuesday. Listeners were calling wondering what was up, and some of the more gullible even turned out on Main Street in Riverhead to see the floats...There's no fooling, however, when it comes to the new Journey record. 'Be Good To Yourself' is right on and was Top five requests the first week on-the-air...Sounds like A&M has let Joe Jackson be Joe Jackson this time around. 'Big World' is full of the original flavor and flare which spells Joe Jackson genius!"

WRUF, GAINESVILLE, FL M.D.-VIRGIL THOMPSON: "A record that's causing a lot of excitement for us is Seger's version of 'Fortunate Son'. People seem much more into it than 'American Storm'. Plus, a member of our morning team, David Singer, was at Cobo Arena when it was recorded, so we always say: 'That's Bob Seger and The Silver Bullet Band, along with David Singer at Rock 104'...The new Greg Kihn 'Love And Rock And Roll' is, without a doubt, his best since 'Jeopardy'--but I was a little disappointed that he couldn't find another way to use Kihn in the title of the Lp...And we finally decided on Van Halen tracks. We'll go with 'Dreams' and 'Best Of Both Worlds' as we gear up for their show in Jacksonville on April 12th."

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "Dear Record Relatives: A slight change in music hours. Music calls will be taken Mondays from 2:00-5:00PM Mountain Time, with adds ready at 3:00PM Tuesdays. I'll be available for rotation calls between 3:00-5:00PM on Tuesdays...April Fool's Day was a riot here, including our Theatre Of The Mind Parade (thanks MMR); Joe's Bowling Alley/Concert Line, and other jokes we best not admit to...Journey is drawing h-o-t phones already...The Krokus is an automatic here. Just right on any night...Autograph nails down a rockin' version of the old Grand Funk classic...The Wax 'Right Between The Eyes' has really grown on us. It starts medium here!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "Being one of those enlightened individuals who knows that all other sports exist solely to fill the void between the last out at the World Series and the first pitch of opening day, all I can say is: PLAY BALL!"

WPLR, NEW HAVEN, CT M.D.-AMANDA TEPPER: "I love weeks like this! The weather is gorgeous and there's lots of great music to play. I guess Journey is the obvious place to start--already a Top 5 request here and it sounds totally familiar on-the-air...The new version of 'Mothers Talk' is so much better than the Lp version. Too bad they can't repress the album with this one on it. This arrangement is similar to the one they used live which got a killer response as I recall...Everyone who loves 'What You Need' will love 'Out Of Mind Out Of Sight'. After all, it's got a good beat and you can dance to it... 'Riptide' still has several hits left on it and 'Hyperactive' should be next. We're already getting lots of upper demo phones on it. What a great song!"

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "In the past, Journey has been a band that you either loved or ignored. But, 'Be Good To Yourself' finds the band reaching across the board. Out one week and tied for #1 most requested. We haven't seen a crowd reaction as strong to a track like this in a long time...The Dylan/Heartbreakers cut is a killer. A great exclusive for power cuts...Howard Jones finally gets his shot on the X's by teaming up with Do-No-Wrong-Phil Collins!...We're doing so well with Honeymoon Suite's 'Feel It Again' it's bumped into heavy...The Fabulous Thunderbirds 'Why Get Up' sounds great in the morning...A special congrats to Mimi and Jay Miggins on their latest release. The Stones and a daughter on the same day!... Congrats to Atlantic's Bob Clark (from now on we'll call you Mr. Buckethead, sir), and MCA's Randy Hock on their recent kick upstairs, and to Capitol's Jack Snyder (only a promo guy like you would overnight a rock)... Thanks!!!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "Journey has come out with a real good rock 'n roll record that fits well into the music mix...I love the new Joe Jackson record. There's a little bit of everything on 'Big World'. The production is excellent. I really like the crisp, clean sound that Joe always seems to get on his records, not to mention the playing is superb also!...This week's surprise goes to Krokus. 'Burning Up The Night' is a good hard rock record with the guitar crunch of AC/DC!"

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE: "This past Friday was WDHA's first satellite broadcast, as we aired the 'Hands Across America' broadcast! Congratulations to all involved in the project. Now let's all make it work!...I spent the whole weekend listening to only two albums: Katrina & The Waves is the new favorite around here! Drop the needle anywhere and you'll be jamming! 'Lovely Lindsey' is a great second choice!--The other album on the turntable was Graham Nash's. This guy makes some fantastic music. Check out 'See You In Prague' as a depth cut...Congratulations to Jerry Lembo and my main man, Fred Deane, on their new jobs! Great choices!"

WLAV-FM, GRAND RAPIDS, MI P.D.-DAVE LANGE: "Great out-of-the-box to Van Halen--outselling everying in sight! Sammy shows that he's a much better singer. Witness 'Love Walks In' or 'Dreams'...Increasing response to Level 42; Fiona; and Simple Minds 'All The Things'...Marillion passed through town last week and headlined great crowds. Our city is into these guys and held them over for three encores. These guys have a big future...Yeah, Bill, you're right on Howard Jones! This guy is no Beach Boy. He needs a tan as bad as Mr. Collins. He's a hero in this town, though...Good luck in the Arbs!"

WQMF, LOUISVILLE, KY MUSIC ASST.-KEITH TAYLOR: "Congratulations to 1986 NCAA Louisville Cardinals...Kentucky Derby is coming up...Get some Lou-a-h-vull hospitality!"

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "From the album that refused to die, 'Mothers Talk'--just a record that demands immediate air drumming. Looking for phones on this...I've been waiting for a long time to say over the air: 'And the new one from Suzanne Vega', and this week I get my wish. On limited airplay we got positive calls, and that makes me happy...Bob Dylan is out-of-the-box from some soundtrack somewhere. Dylan has got a great case of the 'Big Bad Blues'...I never thought I'd say it, but soundtracks are in. Thanks to The Psychedelic Furs; David Bowie; Suzanne Vega; and Mr. Dylan...More thanks are in order for those who made it to Providence for the last WBRU rock hunt: Semifinals--Bruce McDonald from FNX and Martha In-The-Morning from WBRU...Terrific tickets from Sal Ingemi; Karen Durkot; and Charlie D'Atri--and, by the way, Charlie and Joe Ianello, have fun in the Big Apple. Congratulations!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "Two welcome additions to the playlist are Syracuse favorites: Journey and Joe Jackson. Journey keeps perfecting their wall to wall sound with 'Be Good To Yourself', and Joe Jackson shows that rock 'n roll can have class with 'Right And Wrong'...Many thanks to Joe Kelly; Howie Castle; and Super Spots for an excellent TV spot. What a great way to start the Book off!"

KRNA, IOWA CITY, IA M.D.-STEVE KOSBAU: "If the Cars are hip in your market, the Eurogliders will fit you like a glove. 'Can't Wait To See You' generates very impressive female phones, and sounds extremely fresh on the radio... 'Love Walks In' pleases the most discriminating ears. The rock and roll of Van Halen combined with a truly mass appeal melody, makes this tune a sure-s-m-a-s-h... 'Be Good To Yourself' impresses me like few other tracks have in recent memory. It displays every ounce of Journey's traditional catchiness, seasoned with a perfect touch of rockin' guitar. What a monster hit... 'All The Things She Said' exhibits the unlimitable quality I've come to expect from Simple Minds. We'll be enjoying this tune for months to come...Tears For Fears 'Mothers Talk' is the ultimate adult grabber!"

KRKE, ALBUQUERQUE, NM M.D.-JESSIE BRICE: "Thanks to Pat Lascona for a great Cougar-Mellencamp show last Sunday and for the Cougar Lp's...Also thanks to Bob Catania at Island, Sharon White at MCA, and all the independents for their continued support...New this week, Joe Jackson, Journey and Starship."

KBER, SALT LAKE CITY, UTAH M.D.-ROB ROMAN: "It's great to be back in the saddle again talking to my old record buds and making new friends as well. We are definitely ready to rock 'n' roll here in Salt Lake. We have a great team and a desire to make KBER a winner...The Rolling Stones and Van Halen albums are blowing up the phones here...Nice to see Journey come up with a record with bite in it...Joe Jackson also brightens the day...Don't let Wax melt through your fingers...Thanks for the congrats from Pepe Lopez at KLAQ."

WFXR, CHARLESTON, SC P.D.-JON ERDAHL: "From gay, exotic Charleston--a wild concert weekend...First off, Friday night were the Call and Simple Minds in town to a sell-out crowd and the Call stopped by the studio to chat for over a half hour. My thanks to Jeff Cook from Elektra for all the help with the Call promotion... Saturday, it was off to Columbus, SC with ZZ Top and Jimmy Barnes. Thanks to Warren Hudson for the tickets and for the ZZ Top promotion, plus to Steve Pachter for the Jimmy Barnes call in...The Van Halen is still burnin' down the house in Charleston and the Rolling Stones officially kick in with their hottest album in many an eon. 'One Hit(To The Body)' leads the pack. Plus, the FOX will celebrate the Stones new release at a drive-in showing 'Let's Spend The Night Together' to a sold-out crowd...The Hooters get the nod for medium as it really starts to kick in. Looks like the Hooters have another big one...Both Tears For Fears and Robert Tepper have excellent hooks--enough to put them on the FOX out-of-the-box list. Don't be afraid of the Tears For Fears 12" because, after testing the track, it did extremely well, males 18-34...Stay tuned for more rock and roll. Good luck to everyone in the Book."

WQBK, ALBANY, NY M.D.-PEGGY APPLE: "Golden Apple of The Week: The Call 'I Still Believe'--a hit with us. 'Believe' in this record!...Katrina & The Waves knocks me out with 'Is That It?'...And Paul Brady injects a certain freshness this week on-the-air...Love that Joe Cocker album!"

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "It sure is nice to hear Journey rockin' again! 'Be Good To Yourself' conveys a positive, upbeat message and the audience response has been overwhelming...Joe Jackson is back in the mainstream with state of the art recording and playing. 'Right And Wrong' will bump him back to his rightful place on rock radio airwaves...The David Bowie song does sound better once it hits the air...Krokus earns the heavyweight honors this week and its Stones-ish riffing makes it palatable enough for everyone to get into...KILO retail: Van Halen jumps into the #1 spot, followed by Dire Straits; Judas Priest; INXS; and the 'Pretty In Pink' Soundtrack."

KICT, WICHITA, KS ACTING P.D.-LEE ROBERTS: "Julian Lennon on 'Rockline' was one of the best shows in some time. Julian sounded up and very positive about the new Lp. Speaking of Julian, 'Stick Around' is pulling great upper demo phones, especially from females...Ozzy Osbourne started his world tour here in Wichita and blew the roof off the venue. 9,000 people turned out for one of the best shows in a long time. Ozzy Osbourne is #1 retail and #1 most requested for the third week in a row...Good to see Jay Hart and Bo Segal from Elektra in for the show. Next time I promise I'll have more time to spend with you guys...More time next week for comments in these holy pages--until then, rock on!"

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "Needless to say, WPDH is extremely h-o-t on Journey 'Be Good To Yourself'. Not only are the phones already screaming for it--not only is it an album title that warms the cockles of our hearts--not only was it produced in our backyard, but the song's a power rocker from start to finish that guarantees to have every dial out there stuck on the station the needle hits...We're continuing our support and keeping the excitement going with the next s-m-a-s-h from Robert Palmer. 'Hyperactive' is the perfect follow up to the sensational 'Addicted To Love', and we find the calls are being generated with earlier material. The man's style and voice prove that talent survives, surfaces and sells... I'm in seventh heaven over the new Joe Jackson! I had the pleasure of seeing him perform his latest material and that, coupled with the Lp that followed, certainly makes me a happy Music Director. We're spinning the provocative 'Wild West' and 'Right And Wrong' to give our audience some great material to listen to and new topics to consider. Other personal faves are 'Soul Kiss', 'Shanghai Sky' and 'Precious Time'. I also appreciate the 4th side with nothing on it. Can't get into trouble for getting finger prints all over it... Our nod goes to the Del Lords 'Soldier's Home'. Some fine production by Neal, and strong material to be found inside the inner sleeve as well. Lead vocals, guitarist, and writer Steve Kempner (who went to college in our neck of the woods) has put together, with the band, an earthy rockin' album that should appeal to all demos. Our first choice 'Soldier's Home' follows in the steps of some other recent releases, and a nationwide sentiment that can only make it an easy add!"

WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-RICK STRAUSS: "I saw Charlie Sexton last week and 'Impressed' was the operative word. This guy has definitely got star potential...I was also impressed with the limo ride down to Philly for the show. Thanks to Joe Reagoso for the first class treatment. But then, you've always been a first class guy, Joe, and we'll miss you around here. Good luck in Nashville...Jimmy Barnes 'Working Class Man' is really taking off...Other records we have high hopes for include Howard Jones and the Models."

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI M.D.-RICK PANNECK: "After seeing Bob Dylan with the Heartbreakers at Farm Aid, I couldn't wait for a collaboration. 'Band Of The Hand' really shows Dylan with some new fire. Let's hope they tour the U.S. ...In the 'Never Say Die' category, the Violent Femmes get some space on the playlist this week. The album is Top 10 locally. The Femmes hail from Wisconsin, so the buzz on the band is unbelievable!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "Joe Jackson is taking the Shore by storm! A lot of interest calls about the new Lp 'Big World'...I think Van Halen's next track should be 'Dreams'. Actually, the whole album is getting a warm reception...This week's adds: Journey 'Be Good To Yourself'. Anything but wimpy, this rocker goes into instant heavy...Howard Jones 'No One'--great production and definitely a female grab... Robert Palmer 'Hyperactive'--Don't wait too long to jump on this one. It's a great follow up track to support his tour...Robert Tepper 'Don't Walk Away'. Stallone picks another winner! Maybe Bill Hard could hire him as an assistant between 'Rocky' movies...The Firm 'Live In Peace' also on...Thanks to Warner Bros. Stoney for stopping by for lunch last week!...Top five: Ozzy #1; Van Halen still strong as #2; Journey debuts at #3; OMD as #4 and, surprisingly, The Alarm back in at #5!"

WTKX, PENSACOLA, FL M.D.-J. D. STONE: "We certainly thank Butch Waugh from RCA, and Alan Orem from Columbia, for their help in the Big Bud Light Spring Break Concert! The Starship and The Outfield drew 60,000 people--only 47 minor arrests. We had a great time!"

WPGU, CHAMPAIGN, IL M.D.-BRENT PETERSON: "ADDS: John Lennon 'Karma'; Let's Active 'Talking'; Big Audio Dynamite 'Show'; Talk Talk 'Living'; Rolling Stones 'One'; Joe Jackson 'Right'...CONSIDERING: None... KFMQ, LINCOLN, NB ASST. P.D./M.D.-BOB ALLEN: "You can completely ignore the technical innovation of Joe Jackson's new masterpiece. The music itself is absolutely fantastic! When you throw in the punch and spontaneity of a live performance recorded with studio clarity, you have one of the most exciting and honest recordings ever made! Who could resist?...Thank you this week to the guys in Hooters and Loverboy, despite busy schedules both bands took the time to call us for chit chat. A class act from a couple of class acts!"

His range is very powerful and he can hit all the notes...Although we're not seeing great retail yet, the phones are still very hot for The Call. It's our #2 most requested record this week... Jimmy Barnes was a knockout opening for ZZ Top and the record is as good as his performance. Keep an eye out for 'Working Class Man'...Getting closer to the Hooters 'Where Do The Children Go'."

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: With the success of last summer's hit and with the weather the midwest is having, the windows are going down and the radio going up, with Katrina's 'Is That It'... 'Working Class Man' from Jimmy Barnes is not only super rock and roll, but lyrically has a blue collar feel which seems to jive with the likes of Springsteen and Mellencamp. A lot of album rock listeners are relating...You gotta love this new Joe Jackson. He left the disco mirror ball at home and is back doing some hip rock and roll. 'Right And Wrong' is right on...On a retail note here in Lexington, Van Halen is outselling the Stones 2 to 1, but the Stones CD is very hot...While we're talking Stones and Van Halen, our hottest phone tracks from these Lps after the singles are 'Winning Ugly' and 'Best Of Both Worlds'...Our listeners are making the call for The Call...Although it sounds a little predictable, the new Journey is getting great out-of-the-box response to the tune of #3 requests."

Record Action

DAVE DANNHEISSER, WARNER BROS. (404-344-4933): "Van Halen's 'Why Can't This Be Love' is the #1 track at AOR radio this week, and far and away the most requested--a big thank you from the band, E.L. Management, and Warner Bros. Records. We have over 100 stations on the 'Best Of Both Worlds' and the 12" is on your desk today. When the Van Halen tour hits your market, don't miss the show--it's great!..Speaking of shows, ZZ Top is moving up the East Coast--these guys are kicking ass on the road! 'Rough Boy' is a Top 10 airplay record, video and requests...A couple of new artists/Lps to check out are the BoDeans--12" out this week, 'Fadeaway'--the album 'Love And Hope And Sex And Dreams' hits the streets next Monday. T-Bone Burnett produced this Milwaukee band...Also listen to the Eric Johnson 'Tones' album--Texas AOR's did and added... In closing, remember that two honeymoons are better than one, so play 'Feel It Again' and 'Bad Attitude'-- check the stats and moves!"

JEFF " SHIP SHAPE" COOK, ELEKTRA (404-921-4086): "Yo! Listen up boys and girls, spring has sprung and the time has come to begin trimming all that winter flab from your format. Are your jocks listless? Is your audience lethargic? Have your clients been suffering from sleepy old songs that sedate their sales? Well, it's time you let Elektra put your station into ship shape. We'll get your jocks rocking and your audience hopping with some records guaranteed to give you a fit format...Jackson Browne 'Lives In The Balance': This track is a healthy follow-up to 'For America'-- the #1 track that had people jogging to the record stores. Jackson will be doing a major tour May through August, and we're committed to keeping Jackson jumping at radio. ...The Call: These guys are power hitters with a big first win at AOR, while still in spring training. 'I Still Believe' continues to push up the charts and next week we're coming with 'Everywhere I Go' as a single. Album radio says, 'We'll get this track too--no sweat'...Howard Jones' 'No One Is To Blame' is off and running. Howard and Phil Collins sound great together on this tune. We predict a marathon hit at all formats...Joe Lynn Turner 'Young Hearts': Have you seen who's adding this record? Just the industry heavy-weights. They know 'Young Hearts' is just what the doctor ordered for a tight and firm playlist. This record tested 94% positive at KLOL in Houston. Need we say more?...Dokken 'Unchain The Night': We're talking full court press on this one. You all know Dokken delivers, and this song is just made for those summertime back seat calisthenics. Unchain this momma!...Metallica's 'Master Of Puppets' 12" at radio on April 9th. Now touring with Ozzy Osbourne, the album is now gold with over 10,000 sold in one day this week. If you don't realize that you should be playing this one, you might be accused of have cellulitis for brains...Sharks', winner of MTV's Basement Tapes,'Only Time Will Tell' is a strong contender...Simply Red 'Holding Back The Years' is simply busting out at Top 40...Also shape up with 'Bittersweet' by the Hoodoo Gurus. We've got them and they are touring with the Bangles...Don't forget: P.I.L., The Cure 'Quadpus', 10,000 Maniacs, Sadao Watanabe and The Triplets...Now take a lap and go to the showers!"

MICHAEL PLEN, I.R.S. (212-605-0606): "I'd really like everyone to listen to Let's Active. Let's Active is really Mitch Easter, today's new American guitar hero. After building a recording studio in his garage dubbed, The Drive In Studio, in Winston-Salem North Carolina, he began producing dozens of acts from all over the country creating a whole new generation of new American bands who ventured thousands of miles to record at this hip and hot new spot of America's growing music scene. One of the first to record there was R.E.M. where Mitch Easter produced their first three albums. In fact, next month you'll be getting a brand new R.E.M. song produced by Mitch Easter which will be on our cancer benefit album called 'Live For Life'. By the way, it also features a new song done by Sting and Jeff Beck. So anyway, add 'In Little Ways' by Let's Active...And don't forget to watch the free Alarm live concert from UCLA next Saturday, April 12th, 3PM Western time, 6PM Eastern time. And add 'Absolute Reality'. It is another AOR hit. Be bold, set yourself apart from CHR...Lastly, I'd like to talk about girls. The Bangles single just went from #7 to #3 and it's likely to go to #1. AOR, you should wake up to these all-girl bands. You male program directors are all hot on women when it comes to love. But put a guitar over that female body and all credibility involving music seems to be lost. You're missing the boat with that band as well as our American Girls. So listen to 'American Girl' and 'Goodbye Amen'."

ANDY ALLEN, RCA (212-930-4518): "Bruce Hornsby is the lead vocalist and songwriter for the Range's 12" 'Every Little Kiss'. It can best be described as rock music for adults. I think you'll be pleasantly surprised at the honesty or sincerity of this music. It's completely original and uncontrived...Next week, look for our first release from Lou Reed's new Lp. The 12" is called 'No Money Down'...Give Autograph's cover of 'American Band' to your 7:00-Midnight guy (or gal) and watch the phones come alive. American R&R at its best...Multi-format Smash Department: Wax, Mr. Mister and Starship--all doing well...Blow Monkey's 'Digging Your Scene' is already a smash in England and turning heads in America--WTCZ, WLIR, KROQ, KCGL, WFNX, WHTG, WRAS, WHFS and out-of-the-box at WHTT, Boston."

RECORD ACTION CONTINUED

MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400): "We simply love the fact that you want Pete Townshend 'Secondhand Love'. Flat out a great song! The deeper we go into the 'White City' Lp, the more we realize that this band has no feet of clay...Caught you all by surprise with Bobby Barth 'Don't Come To Me', eh? No crunch, no bombast--just a perfect pan-demographic all day-part type of tune. The Lp 'Two Hearts One Beat' will back up this band's most mature offering to date...Likewise, check out the 'True For You' Lp from Paul Brady. This critically acclaimed artist from Ireland will sweep you off your feet, if given the chance. 'The Great Pretender' b/w 'Steel Claw' are only the tip of the iceberg. 'True For You' is simply a captivating Lp. Give this sucker a good hard one...Since you did, thanks for reading!"

JAY ZISKROUT, ARISTA (212-830-2179): "KROKUS is back and smokin'! Thanks for a great first week on 'Burning Up The Night'. Just as the Crocus is the first flower of Spring, this new one from Krokus is the first great 'roll down the windows and cruise' rock track of the season...Latin Quarter, a band that takes their name from Paris' cultural district, is a British group with hits in both its native England as well as Germany. 'Modern Times' is an album full of classy pop songs that address social issues with taste and finesse. Latin Quarter deserves your attention and your support...A note to the anxious: The long-awaited first 12" from GTR, 'When The Heart Rules The Mind' will be in your hands on Thursday, April 10th...P.S.: 'Thanks' to everyone who made time for me on the road these past few weeks!"

KEVIN SUTTER, CHRYSALIS (212-758-3555): "It's finally here--ICEHOUSE 'No Promises'! Two years in the making and the sound delivers. Melt down has begun!...Look at your playlist--it's a bird, it's a plane. No, it's UFO and if it isn't--it should be...A big 'thanks' to WQFM, KLBK, KCGL, and WLIR for finding the room for Divinyls 'Sleeping Beauty'. Maybe next week a few more of you will realize how great it is to be playing a track from an act who's coming to your town on tour playing for your audience."

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "JUDAS PRIEST! Check your sales, check your requests, check your female appeal--'Locked In' is BIG! We're selling records faster than lotto tickets. The tour has been announced and we are rolling. Look for massive staging and lights. This will be one of the biggest tours of the year. 'Rockline' April 21. Ask your Columbia rep. for copies of the Priest's video teasers--Rob Halford in a suit, doing the AMEX commercial--it's the greatest!...Next, look out for big B.A.D. call letters. 'Medicine Show' is a h-i-t and people are beginning to realize it. Read what John McRae from KRQR says--these are the facts!...Hope everyone has heard John Eddie's 'Jungle Boy' by now. This looks to be very strong and is just the beginning of a mighty big debut album...Check out the live 'Lead A Double Life' cut off the new Loverboy 12--it's smoking! With the boys reaching their high point in the tour, it's a terrific live option; in fact, throw out the option--play the live...Also on the cool side of the coin, check out our new terrific song called 'House Of Stone' by England's Roaring Boys. Kind of a cross between Dream Academy and Pink Floyd--not bad!"

RICHARD PACTER, PROMOTION IN MOTION (305-482-6629): "Glad to hear that Marko is up and around and causing trouble again! Don't scare us like that, bub!...Hope everyone had big fun at the bowling party thing. Sorry I couldn't make it, but I had to attend the Indy Aid concert...Robert Palmer is in automatic right?...Jeff Paris had a great first week with 'Back On My Knees'. This song belongs on the radio...Make sure you listen to Danny Wilde's 'Isn't It Enough'...Jimmy Barnes is home at last...Loverboy's 'Lead A Double Life' is h-o-t stuff. It's out-of-the-box time, folks, and remember--the glass isn't half empty, it's half-full!"

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets as defined by Arbitron.
