STARSHIP.....CRUZADOS.....38 SPECIAL.....GREAT WHITE.....THE FDOX.....JEFF PARIS
PAUL KING.....IN VITRO.....CHARLIE DANIELS BAND.....SIMPLE MINDS.....
 ROGER WATERS LP.....THE OUTFIELD LP.....ROGER DALTRY LP

STARSHIP, "IT'S NOT OVER ('TIL IT'S OVER)", GRUNT/RCA

Yeah, they needed to come up with a rocker, but on the Robbie Nevil penned "It's Not Over", Starship pull out all the stops with their most format compatible track since "Layin' It On The Line". Producer Keith Olsen sets up a slick bottom-heavy sound as Craig power chords his heart out and Mickey belts out a vocal like his life depended on it - all offset by a layer of shimmering synths and smooth sleek back-up vocals. Starship built their legacy by delivering one-listen mo-fos like this, so best add early and beat the final boarding call.

CRUZADOS, "BED OF LIES", ARISTA

How eager is Rock Radio to jump into this bed? Just ask: John McCrae, KRQR "Freshest new sound I've heard all year"; Summerfield Horner, KZEW "Nice clean unaffected sound"; Doug Clifton, KBCO "Best effort to date"; Lex Staley, WFYV "Sleeper record of the year" or Jim Steel, WIOT "This band's for real". "Bed Of Lies" captures the gritty essence of Cruzados: their renegade spirit, Tito Larriva's astonishing emotive ability, Marshall Rohner's exquisite double-tracked dueling guitars and the band's phenomenally tight synergy. An unqualified AOR smash from one of the year's most improved bands.

38 SPECIAL, "BACK TO PARADISE", A&M

"We've never been afraid to keep our ears open", says 38 leader Don Barnes, and to that end, you've got to give them credit for their uncommon ability to absorb and adapt to the current climate. They're truly masters of the mainstream, whose juxtaposition of elementary rock 'n roll with great melody works wonders on the air, on the silver screen and in concert. On the Jim Vallance co-produced theme from "Revenge Of The Nerds II", as well as one of two previously unreleased offerings from the forthcoming best of collection "Flashback", the emphasis is on vibrant guitars, richly layered harmonies and robust vocals. The result is a high performance T-top down track extraordinaire destined for automatic city.

GREAT WHITE, "ROCK ME", CAPITOL

It's hard not to compare this sexy, soulful steamroller to Zeppelin, especially since it so dramatically echoes the blues-based beginnings of that classic band. A finely wrought, passionately played track of epic proportions, "Rock Me" has already induced major pre-release mayhem: Inessa York, KGON "A tremendous surprise; don't miss this one"; Jeff Carrol, KLBK "Destined to be in our gold rotation for years"; Tim Jeffreys, KAZY "Look out"; Phil Thompson, KICT "Blew me away"; Joe Marino, WAQY "An epic killer" and Kim Alexander, WHCN "The next 'Still Of The Night'." Any major dude will tell you this quantum leap forward will obliterate any misconceptions about where the band's coming from and clearly demonstrates where they're going. We see a Great White future ahead.

THE FIXX, "DON'T BE SCARED", MCA

Although they've spawned scores of imitators, when it comes to first rate Euro-tech, The Fixx tower above the rest. The previously unreleased leadoff track from the forthcoming live Lp continues their distinctive tradition of combining swirling sensuous audio voyages with probing lyrics to arrive at that musical point where the present meets the future. There's a warmer, more humanistic sound this time, thanks to a rolling organ here, a cascading sax there along with the band's continued maturation. You want adult demos? Then give 'em a fix of sophistication with this artistic mid-tempo mauler.

JEFF PARIS, "SATURDAY NITE", MERCURY

The official launching of summertime wouldn't be complete without a sizzling hot, get down party anthemic rocker, and here it is! On "Saturday Nite", Bob (Bon Jovi, Cinderella) Rock engineers more of that potent, power driven melodic rock that's very conspicuously been dominating the airplay and sales charts for the past 12 months. Replete with all the guitars and big room drums you could ask for, Jeff belts out a major league vocal performance that's as catchy as it is memorable. Don't wait for Saturday Night!

PAUL KING, "I KNOW", EPIC

Paul King has been reigning high and mighty in England regarding fan and critical support, based on his two previous releases and electric live shows. Now with "I Know", Paul has delivered a mega crossover monster, Yankee style. Presented properly high-tech, blue-eyed soul of the King variety can add a refreshing breath of relief to any adult mix. This sophisticated production piece is chock full of surprises. The soulful tempo radiates neo-Motown and is punctuated throughout by high octane horns and tasty changes of pace. It's energetic, atmospheric, orchestral and best of all it's got style!

IN VITRO, "MAN AND WOMAN", MANHATTAN

When Shandra Beri and Peter Snell stopped by the office last week to play us their debut CD, we were immediately taken back by their charm, confidence and free-spirited intellect. Then we heard the record. Whew!! A bright, buoyant, acoustic-energized diamond, fronted by one of '87's most promising new voices. And when Bruce Hornsby lets his fingers do the talking toward the end of "Man And Woman", it's instant 25+ paradise. Sure, there'll be lots of comparisons to other celebrated female singers, but taken on their own terms, In Vitro have produced one of the freshest new songs we've heard all year.

CHARLIE DANIELS BAND, "BOGGED DOWN IN LOVE WITH YOU", EPIC

With the rebirth and current success of roots rock at radio, who better than the original devil went down to Georgia south of the Mason Dixon line general Charlie Daniels to come up with this bluesy powder keg. From that driving thumping bass to Charlie's "Jack Daniels" vocals and his downright best gear playing in many a moon, "Bogged Down In Love" is a veritable southern fried tour-de-force. From the swamps to your station.

SIMPLE MINDS, "PROMISED YOU A MIRACLE", A&M

From brat packers to baby boomers, Simple Minds command prominent respect from a wide strata of audience and their convincing airplay/retail/request track record over the past two years clearly qualifies them for format staple status. Many of you remember the original "Promised You A Miracle" from their pre-breakthrough days, but as WBCN's Carter Alan notes "These new versions (from the double live 'In The City Of Light' Lp) blast apart their studio counterparts." Jim Kerr's one-of-a-kind vocals and the band's zealous playing interact to net another magnificent Minds masterpiece. Alive and kicking indeed!

ROGER WATERS, "RADIO K.A.O.S.", COLUMBIA

"Radio Waves" is one of the most radio-reactive records out of the Floyd camp in a long, long time. Witness Top 5 phone power at WLQV, KGON, WYNF, WHCN, WGTR, WAAF, KPOI, WRCN and ten more, one of the week's best airplay increase totals (24), 64 heavy/power reports, 149 cume and the 18-17* Trax, 12-10 Most Requested gains. Now make your reservations for an exceptional audio excursion with this stimulating, upbeat, thought-provoking concept album, that pulls out many of the old Floyd special sonic effects. Our faves: "Sunset Strip", "The Powers That Be", "The Tide Is Turning" and all the Jim Ladd bits.

THE OUTFIELD, "BANGIN'", COLUMBIA

Carter Alan, WBCN tags "Since You've Been Gone", "Another obvious Top 10 single"; WIXV's Virgil Thompson reports "It's generating many calls, debuting in our Top 5 requests this week". Now that they've parked the leadoff track in the Top 15 -- with the week's second highest 35 play ups, 18 power reports, 53 heavies, 141 cume and Top 5 calls at KBPI, WYNF, KLAQ, KUPD, WPYX and six more -- it's high time to spend quality time with the Lp. After all, remember how many hits they pulled out of the first album? Start with "Somewhere In America", "Main Attraction" and "Playground".

ROGER DALTRY, "CAN'T WAIT TO SEE THE MOVIE", ATLANTIC

"Take Me Home", Roger's adventurous and gutsy solo outing, finds a home at 56 first weekers, including WMMR, KFOG, KZAP, WLLZ, WHCN, WLAV, WAAF, KBCO, KOME, KRQR, KYYS, KSJO, WDIZ, WGTR and WNEW for a #5 Most Added finish and a 51* Trax debut. "I love it", shouts Anthony Alfonsi, WDVE; "Very refreshing and hot", bubbles Pam Brooks, WPDH; "#1 record", declares Vern Argo, KZOO. Erin Riley votes it WMMR's "Fave rave of the week -- the vocals and arrangement are stupendous", while KILO's Alan White comments "A jazzed up arrangement and his gruff Tom Waits style vocal combine for a very unique sounding record. This could be a breakthrough". Looking for more conventional Daltrey material? Try "Heart Of Fire", "The Price Of Love" and "The Heart Has Its Reasons".

AUTOMATICS

Depth Trax From Established Albums

PETER WOLF, "LOVE ON ICE", EMI AMERICA

Peter Wolf's second solo effort was greeted and treated magnanimously by Rock Radio and the performance dividends paid off. "Come As You Are" spawned #1 and Top 10 tracks, and it's obvious that Woffa's well is far from empty. "Love On Ice" is a sultry, funkafized change of pace rocker featuring throbbing, penetrating percussion, compelling keyboards, clever lyrics and Peter's lusty vocal delivery. With Wolfie currently embarking on a major tour, don't put this "Love" on ice. Serve it up, it's rarin' to go!

LITTLE AMERICA, "THAT'S THE WAY IT STAYS", GEFLEN

Little America easily surpassed all the pre-release industry raves and expectations generated by the advance cassette. A quick glance at "Walk On Fire's" peak results, #9 Trax and #4 Most Requested, puts that case to bed rather rapidly. When initially auditioning the Lp, we were amazed at the sheer quantity and quality of first rate guitar dominated rockers offered up by these impressive rookies. Which sequentially leads us to "That's The Way It Stays", and the band doesn't miss a beat. It's more of what made Little America so big: Mike Magris's powerful and emotive vocals, that top notch rhythm section effortlessly shifting gears and directions, and factor in even more energy and punch this time around. Ding! Round Two!

GARY MOORE, "WILD FRONTIER", VIRGIN

This veteran axeman/singer/songwriter's new musical direction on "Over The Hills" met with wide acceptance from the format and the performance was quite satisfying, peaking #20 Trax, #10 Most Requested -- and now the follow-up. "Wild Frontier" is an even tempo mainstream rocker that possesses a genuine folk rock charisma and an equally charming story line that hits home anywhere, anyplace, anytime. Gary's poised and assured vocals are front and center, complemented by his own crafty axe work and a little countryside fiddle power to boot. The result is a more mass appeal rocker that warrants automatic attention.

U2, "SPANISH EYES", ISLAND

The Lp's been perched atop the Album Action charts since debuting 13 weeks ago and has thus far produced two #1 tracks, another Top 15 track ("Bullet" peaked at #14) and still boasts six cuts on the Hot Trax 100 ("Where The Streets..." rises 41-40* as three are new; "Trip Through..." debuts at 90*). (12 New/58 Cume)...WGIR's Karen Andersen Small endorses, "It's always a pleasure to play yet another track from the Georgia Satellites"...And leave it up to the Satellites to blast off with another chart rocket. On the heels of last week's #2 Trax Gainer, "The Myth Of Love" once again finishes near the top in the latest leg of the Hot Trax Gainer Derby by posting this report's #3 mover, 67-55*. Supplying the thrust for all that chart momentum is another 12 fresh spins paced by WRIF, KDKB, KBER, WAPL, WDIZ, WHMD, WGIR, KFMF, WMJY, KSQY and WUVA; 52 current mentions; increased air at WHEB, KEZE, KMBY, WRCN and WRUF, plus Heavy spins at KLOL, KZAP, WHEB, WRXK, KDKB, KOZZ and WIXV.

ROCK AND HYDE, "I WILL", CAPITOL

(12 New/30 Cume)...Tom Starr, WOUR has the floor, "Love this Rock And Hyde song. You might prefer an edit, but for our money the opening of 'I Will' is a perfect set-up and attention

getter for one of the summer's greatest hooks." And effective hook, as WRCN, WAAF, WAQX, KICT, WKGR, WIXV, KATP, WWWV, WMAD, KRNA, WBLM, and WAOR "Will" too this report. Now on 30 (WKLC, WOUR, CHOM, WPLR, CILQ, WQBK, WBYR, WCMF, WDHA), this tasty follow-up to the certified smash lead track "Dirty Water" also garners increased airplay at CFOX, KKDJ, WHEB and WMJY; is already in Power/Heavy rotation at CILQ, CFOX, KKDJ, WAAF and WIXV, while soaring 90-80* on the Hot Trax 100. Go ahead, deliver the double shot. Make your day.

JUDAS PRIEST, "YOU'VE GOT ANOTHER THING COMIN'", COLUMBIA

(12 New/28 Cume)...We checklisted this tasty live package (exploding 48-36* Metro—#2 Gainer, while debuting at 47* National) and found a plethora of programmers poised to provide positive testimony. Folks like Tim "A nighttime killer" Jeffreys, KAZY...Kim "Lights up the phones" Alexander, WHCN...Cathy "Priest at their finest" Down, WLNZ...Jeff "Red hot phones" Riedel, KKDJ...and Steve "Audience is starved for them" Bridges, KFMH. And although just about every track was mentioned as a personal fave, "You've Got Another Thing Comin'" continues to be the consensus cut to deal with at present. A debut at 97* Trax is influenced by new play at 12 (KISW, KSHE, KBPI, WBYR, KMOD, KICT, WRCN, KRNA, KFMG, KWHL, KBAT, KJOT). Included among the 28 now playing are Top 5 requests at KISS and WRCN, plus Power/Heavy play at KNAC, KBPI and KISS. Meanwhile "Living After Midnight" grabs new play at KSHE, WAAF and KWHL; "Rock You All Around The World" gets the nod at KTXQ and KATP. Catching the band at their rockin' best, this live collection is a guaranteed night mauler.

BRYAN ADAMS, "HEARTS ON FIRE", A&M

(10 New/151 Cume)..."Hearts" comet quick rise up the Trax chart of late has been imposing enough, but just take a gander at this week's 12-5* power cruise. Triggering that majestic move are another 10 new headlined by KISW, KZAP, KAZY, KQRS, KISS, KLPX, WHMD, WXP and KZOQ, combined with increased airplay at a robust 29 (third best in that category). Of the fat 151 now playing, 76 spin at Max (KLOL, KSJO, KRQR, WMMR, WYNF, KTXQ, KOME, KYYS, WFBQ, WLUP, WLVQ), while 45 more rotate Heavy (WBAB, WIOQ, KSHE, WEBN, KFOG, WHJY, WQFM), with Top 5 phones at KMOD, KTYD and WWWV. Just another Top 5 killer from the man who's name is synonymous with the word hit. The Hot Trax summit could very well be once again in Bryan's future.

ACE FREHLEY, "INTO THE NIGHT", MEGAFORCE/ATLANTIC

(10 New/112 Cume)...Ace's current column expands to a weighty 112 as KLOS, KZEW, KDKB, WZZO, WAAF, WAOR, WYMG, KQDS, WGLU and KFMX move "Into The Night" this week. And with an additional boost from increased airplay at WTUE, WAQX, WRCN, WTCS, KFMH and KMJX, the track elevates 33-29* while the LP upgrades 28-25* National and 26-23* Metro (that chart's #3 Gainer) on the Album Action charts. As 20 locations supply Max/Heavy emphasis, KAZY, KISS, KTXQ, KILO, WPYX, WDVE, KDJK, WBLM, KFMG and KGGO report Top 5 phone power. Can you say "close-out time?"

FROZEN GHOST, "END OF THE LINE", ATLANTIC

(10 New/65 Cume)..."End Of The Line" posts this report's #4 Hot Trax Gainer, blasting 55-45* on the wings of fresh play at WGTR, KUPD, CFOX, WCCC, WLAV, KBAT, WGIR, WOUR, WWWV and KZOQ, plus increased rotation at KBPI, KMBY, KWIC, WHEB, WMJY, WYMG and WRUF. Among the 65 locations now playing, 11 provide Max/Heavy emphasis (KFOG, KRQR, KZAP, WBYR, KOZZ, WAAF, WHEB, WLAV, WYMG, KRQU), while three more report Top 5 phones. The Lp holds firmly at 24* National while improving 28-26* Metro. At this point, anyone who still considers "Should I See" to be the end of the line for Frozen Ghost should best reconsider.

man and woman

i talk to me
you talk to you
i convince me
you convince you
it's black and blue
or black and white
it's kissy-face
or fight fight

why can't we learn
what not to do?
why did you let go of me?
why did i let go of you?
it will burn
it will freeze
it won't work
at zero degrees

man and woman
no good match
one think this
and one think that
one is bitter
one is blue
soon enough
two are through

though this emotion
is so old
it's still so hot
and still so cold
it will burn
it will freeze
it won't work
at zero degrees

BUZZBANDS

The Most Talked About New/Developing Artists

X, "4TH OF JULY", ELEKTRA

The operative word when describing the format's reaction to "4th Of July", from this week's #1 Buzzband X, is agreement, total agreement. We heard a multitude of "best ever/most accessible to date" comments from the likes of Slats, WHTQ; Joy Crosslin, WMJY; Lenny Bloch, WRCN; Elise Vander Borcht, KNCN; Dave Kane, WCMF; "Catfish" Phil Colwart, WHMD and more, plus dozens more "great timing" remarks from such luminaries as Doug Clifton, KBCO; Stacy Yelton, WKQQ; Mary London, WRFX, and Lex Staley, WFYV. Now sample these endorsements from Carter "Could be a breakthrough" Alan, WBCN...Robin "We're X-cited" Mathieu, WBLM...Bob "Good American fire-brewed rock and roll" Walton, WRDU...Jack "Great potential" Randall, KATP...Larry "Now we're talkin'" Snyder, KXRX...Alison "It's their turn" Stewart, WBRU...and Chris "Could be a classic" James, WTPA...Along with the tremendous buzz, the format also delivered quite a big start-up week with new play at 12 including KRXQ, KBCO, KZEL, WBRU, WRDU, KTCL, WUVA, KFMH and WEQX. This is X-actly the kind of record that could break the band. Let the fireworks begin!

FIRETOWN, "CARRY THE TORCH", ATLANTIC

The "Torch" continues to burn brightly in Fire Town, and the flames serve only to light the band's way along the road to major success within the format. We've been buzzing you about the reams of raves we've received over the course of "Carry The Torch's" stellar three-week run, and the vast amounts of airplay that buzz has spawned. Week four finds more of the same as new commitments are provided by WLLZ, WAPL, WWWV, WGLU, WYBR, WYMG, KFMU and WJXQ, expanding Fire Town's come to a fat 42 and initiating this report's #3 Trax Gainer, 78-66*, as well as a debut at 50* National on the Album Action charts. As WEZX, KZEL, KFMH, WIBA and WTCS increase air, the Max/Heavy column swells to nine, while KZEL and WIBA report Top 5 phones. Bill Robbins, WMAD takes center stage, "If you're not playing Fire Town yet, sit yourself down, remember your first love and listen to 'Carry The Torch'. Then ask yourself when the last time was that you heard such solid, straight forward rock and roll writing." Then fire the sucker up!

ENVY, "AIN'T IT A SIN", ATCO

Coming off two straight weeks as our number #1 Buzzband, Envy once again displays a top-priority add posture, despite the mega-volume of new releases from the heavy hitters—a strong indication of the excitement "Ain't It A Sin" has created at Rock Radio. New play locations include WLLZ, KRXQ, KUPD, WKLC, WDHA, KNAC, KWHL and KMJX, expanding the come to a solid 40 and stimulating a 79-75* Hot Trax trek. Increased airplay is provided by WYNF, WEZX and WTCS with KRXQ, WAQY and WYNF already supplying Heavy emphasis. "Ain't It A Sin" is currently inspiring Top 5 phones at WAQY, where Joe Marino sez, "I see some of you haven't added Envy yet. You'll be 'Envious' of those of us who did"...KRIX's Joe Kelley suggests, "Programmers might want to check this one out again and give it a chance." The real sin will be if you do not heed those words.

STEVE JONES, "MERCY", MCA

Charlie Logan, WYNF has the floor, "Steve Jones' 'Mercy' sounds better with each spin. For such a subtle song, this is generating strong phone reaction. Another perfect song for summer and those hot lazy nights." And "Mercy's" subtle, mesmerizing hooks are also motivating quite a notable batch of fresh commitments from week to week including this report's seven newcomers (KROQ, KTYD, WRKI, WHEB, WMGM, WOUR, KTCL). Included in Steve's three-week on tally (KFOG, WYNF, WCCC, WBRU, KMOD, WDIZ, WTPA, WEZX, KRNA) are increased rotation at KRXQ, WHFS, WQFM, WKLC, WDHA and WTCS, with heavy airplay already being

provided by KRXQ and WBRU where Alison Stewart preaches, "And of God, Steve Jones, you simply fool us if you don't consider this record. It's amazing! Nobody's foolin' Alison, there's a gigantic 58 stations considering—nearly half of which say they are close. Looks like big things are in Steve's future.

KEEL, "SOMEBODY'S WAITING", MCA

WWZU'S Mark Williams offers some good advice, "Go ahead, hammer the hell out of Keel. Top 5 phones already. Listen to the album; you'll find several more potential Rock Radio hits. How can you go wrong now that Keel's touring with Bon Jovi?" How can you indeed, especially since "Somebody's Waiting" has all the ear marks of their strongest, most widely accepted track to date. This week, WBAB, WHJY, WLLZ, WTPA, KRNA, KFMG and KRZQ give Keel the nod, joining KUPD, WEZX, WWZU, KWIC, KNAC, KLPX, KILO, KFMH, KBER, KATP, WKLC and more already on it. As WWZU increases air and reports Top 5, "Somebody's Waiting" impacts the Hot Trax chart at 99*. Glenn Stewart, WHJY steps up, "Keel's 'Somebody's Waiting' gets this week's Def Leppard soundalike award, but I'm not complaining." Somebody's waiting, but it shouldn't be you.

THE CURE, "KISS ME, KISS ME, KISS ME", ELEKTRA

With the Lp now pounding the pavement, The Cure raves shine even brighter. Bruce McDonald, WFNX shouts "The Cure Lp is fantastic! First week sales have been nothing short of phenomenal"...WTOS' Duane Sherman marvels "The new Cure is amazing; 18 tracks and not a bad song in the lot!"...and Harve Alan, WCCC comments "If you passed over the latest track, take a minute and go back. This record could be a hit!" Harve may be right on the money as "Why Can't..." debuts at 98* Hot Trax, The Cure are on their way to healing all summer stresses. "Just Like Heaven" grabs 4 new (KTXQ, KSTM, WTCS, WHTG), while airplay is quite diverse on this phenomenally selling 2-record set.

THE SILENCERS, "PAINTED MOON", RCA

This one's been quite active along the import pipeline and this week made available for mass consumption by those little nippers at RCA. WLIR, WFNX, WRAS, KFMH, WHFS and KTCL started the Buzz on this urgent and intense tasty rocker while KBCO and WHTG put on the Silencers for this report. We urge you to go immediately to the domestic 12" and catch the many hooks, melodic harmonies and overall mesmerizing effect. We'll turn it over once again to WXRT's Lin Brehmer, "If you're in the market for guarantees, I've got one for you. 'Painted Moon' will be a Top 10 Album Track by mid-July. A smash, I guarantee it!"

THE LONG RYDERS, "I WANT YOU BAD", ISLAND

The Long Ryders are proudly back in the saddle again as they do some sincere justice to this NRBQ gem. A couple of background vocal guest appearances by Debbi and Vicki Peterson of the Bangles add a little sparkle to this already bright and bouncy rocker. "I Want You Bad" has a rootsy flavor, an infectious hook and a magnetic melody. Hear it already on KROQ, WLIR, WXRT, WXXP, WFNX, KWIC, WMJY, KSTM and KFMU. Listen and take note!

THE EDGE & SINEAD O'CONNOR, "HEROINE", VIRGIN

If we read our checklists correctly, this record's slow start is not an indication of things to come for Edge's solo project/collaboration with Sinead O'Connor. Witness these rousing reviews from Pam "Eclectically beautiful" Edwards, KGB...Steve "Easily accessible" Becker, KFMH...Kim "Spend time with this—you'll love it" Alexander, WHCN..."Catfish" Phil "Another artful side to the edge" Colwart, WHMD...Stacy "Could be perfect" Yelton, WKQQ...Catt "Could be a pearl in disguise" Stone, WZEW...Jean "Has a lot of potential" Cashman, WZTA...Harvey "Even better than Lou Reed's original" Koijan, KLOL...and Mark "Almost as good as U2" Danese, WUVA...And to go along with the three new commitments this report (KGB, KFMU, WHTG) are another 23 considering/11 close. All we

can say it's not a bad idea to do the same. This one might eventually fool a lot of folks.

TSOL, "THE NAME IS LOVE", ENIGMA

With eight albums under their belt, TSOL has lived through many a personnel change and musical direction. On "The Name Is Love", TSOL combines raw power and emotion with a sort of AC/DC-Cult feel to deliver a 3:10 pure rock anthem. TSOL has been on the verge of major success for quite some time, and with their past dues paid, their time is here! Here it already on KNAC and KATP. "Hit & Run" with it.

BUILDERS

Displaying continued progress (Charts/Sales/Requests)

THE CULT, "LIL' DEVIL", WARNER BROTHERS

Cult no more! These little demons would make Mephistopheles proud as 8 join the devil worshipping cult (KLOS, WCCC, WBAB, WMAD, WYBR, KMJX, WRF, WHEB) and 5 inflate the fire (KISS, KTXQ, WBYR, WOUR, WGLU). "Lil' Devil" burns 38-33* on the Hot Trax 100 as the Lp heats 25-23* National, 21* Metro. See you in Hell!

STAN CAMPBELL, "YEARS GO BY", ELEKTRA

With Top 5 phones registered at 8 (KLAQ, KTXQ, KBAT, KATP, KPEZ, KZEL), KGON's Inessa York sums it up: "Very good response to Omar & the Howlers!" The Lp moves 19-17* on both Album Action charts. No hard times here!

FARRENHEIT, "LOST IN LOVELAND", WARNER BROTHERS

WDVE's Anthony Alfonsi nails it: "Farrenheit's 'Lost In Loveland' is another great song for the summer. This group will get alot of exposure as the opening act for Boston's tour!" WDVE, KZAP, WHMD, WWWV and KFMG join the now playing ranks (37 come) as "Lost" shuffles 74-65* Hot Trax. The Lp romps 46-44* National, 50-48* Metro. Feel the heat!

SUZANNE VEGA, "LUKA", A&M

With comments like these, Ms. Vega is quickly becoming Rock Radio's favorite heroine...WBCN's Carter Alan exalts: "Suzanne Vega blasts Motley Crue out of the # 1 request slot!"...WWCT's Paul Nelson professes: "Vega continues to light up the phones. It's a bonafide hit in all demos!" New at 5 (KBPI, WTUE, WGIR, WXKE, WBRU) and up at 15, "Luka" holds at 16* Hot Trax, and moves 9-7 Most Requested thanks to Top 5 phones at 28 stations. The Lp meanders 15-14* National, 16* Metro. It Luk-a like a hit!

DANNY WILSON, "MARY'S PRAYER", VIRGIN

While KBPI adds right into Heavy, Danny also picks up WIOQ, KBAT, and KKFM swelling the come to 50 (WLUP, KBLE, KNCN, WBAB, WLIR, WCCC, WOUR) and hurling "Mary's Prayer" 59-52* Trax. Play ups at KBCO, WMAD and WYMG influence a 43-37* National Album move (#4 Lp Gainer) and a debut at 43* Metro. Say your prayers.

Y&T, "CONTAGIOUS", GEFLEN

The new look Y&T is obviously A-OK with Rock Radio as KATT, WYMG, KZEW and WZZO give life and 9 more up the airplay (WQFM, WKLS, KFMQ, KEZE, KBER) providing "Contagious" with a 43-38* Trax jaunt. Now on 75 stations with 61 in Max/Heavy (KISS, WYNF, KSJO, KLOS, KSHE, KUPD, KOME, KNAC, KBPI) the Lp impacts the Album Action charts at 31*, National and Metro. It's transmittable!

JON ASTLEY, "JANE'S GETTING SERIOUS", ATLANTIC

We are all over this record and it is the Buzzband at 'BRU!'...KDJK's Beaver Brown is incensed: "Hey..Get Serious, why aren't you playing 'Jane's Getting Serious'?" The phones are going crazy!" New at 4 (WIOQ, WDHA, KNCN, WEZX), "Jane" jets 70-67* Hot Trax and is now on over 30 outlets (WSHE, WBAB, KBCO, KBLE, KDJK, WPLR, WMAD, KRNA). With 16 currently playing (KBCO, KBLE, WMAD, KTCZ, CFOX, CHEZ, CHOM, KFMH, KMMX, WHFS, WIZN, WZEW) and a hefty 43 considering, 11 of which are close, there's no Miracle needed here!

WAX TO WATCH!

THE JESUS AND MARY CHAIN, "APRIL SKIES", REPRISE/WARNER BROS.

This band from Glasgow, Scotland had a seminal hit last year with "Just Like Honey". "April Skies" is an uptempo rocker that will expose the Reid Brothers to more than a cult following. Bruce McDonald, WFNX raves, "'April Skies' is a combination of great pop melodies and crunching guitars. But this time out a more accessible and more polished effort from The Jesus And Mary Chain."

HOLLY NEAR, "THE PROMISE (HOW CAN ANYONE KNOW)", REDWOOD

Holly Near's latest release on Redwood Records is an exploration of some of her finest songwriting to date. Kenny Loggins chips in background vocals on "Promise" which fuses music and poetry with a striding rhythm. The emotional capacity of her voice is unequalled as her vocals range from gentle and earnest to downright torchy. The Broadway show styled arrangement will please your upper demos. Already on KBLE.

' ' TAKE ME HOME ' '

(PB 2043)

"Our fave rave of the week here at WMMR is the new one from Roger Daltrey. I realize for some it may take some getting used to. It seems he often strays from the Who sound intentionally, but this time he's done it in a big way. 'Take Me Home' is so believable in fact, it's unbelievable. The vocals and the arrangement are stupendous!"

DIRT ALERT!

NEW YORK'S K-ROCK GOES K-LASSIC

Boasting "New York's largest record library" and "New York's widest variety of classics," Infinity's WXRK switched to Classic Rock Friday, June 5, at 6:00PM. K-ROCK has increased its record library threefold, vows not to repeat a song within a 24-hour period, still carries "select" currents, and has positioned itself as "New York's Classic Rock 'N Roll Radio". Classic rock kingpin, Fred Jacobs, is consulting.

The move, rumored for several weeks, is more of a formatic adjustment and marketing move than a wholesale format change, according to PD Pat Evans. "It's a position we've always relied on," she told FMQB. "Since the day we signed on the air we've used the word 'classic' twice an hour, and we've always relied on a lot of classic material to make up the library. And as far as changing our position goes, we've never been on-the-air boasting about how much new music we play. With this, we're solidifying a market position and strategy, both on-and off-air. We've taken what we've always done, widened it, put a name on it, and decided to sell what it is that we're doing."

WXRK is Infinity's second album outlet to go the classic route. The other, WYSP, Philadelphia, also showcases "Howard Stern all morning and classic rock all day." New York has become the ninth Top 10 market to house a classic rocker; the only Top Toner that's classic-deprived is San Francisco.

K-ROCK has dropped current-oriented special programming, including in-house programs "Virgin Vinyl", "Heavy Metal From Hell" and "Top 10 At 10", and syndicated "Power Cuts". Regarding currents, Evans told us, "I'm still playing currents and re-currents, although we've cut down on the number that we're playing, and I've probably narrowed the selection on the types of currents we're playing. But we're definitely not an all oldies radio station."

Evans describes audience reaction as "immediate and overwhelming." The listeners aren't the only ones who've reacted. Crosstown rival WNEW-FM, who outdistanced WXRK by a full share 12+ in the latest Arbitrend, has beefed up positioners and liners emphasizing their classic heritage. AND - Look for a new MD at K-ROCK within two weeks to succeed outgoing Asst. PD Bob Kranes, who is joining Polygram as Manager of A&R.

SPENCER FOR HIRE: TIM SPENCER IN, HOWIE CASTLE OUT, AT WEGR, MEMPHIS

It's course correction time at The Eagle in Memphis. The station has replaced outgoing PD Howie Castle (who joined

last August) with former KTXQ, Dallas and KISS, San Antonio programmer Tim Spencer. Concurrently, consultant George Williams has been brought onboard, in addition to B/A/D/E, whose contract with the Eagle runs for another year and a half.

"George and Tim have worked together in other markets and have been a successful team before," says WEGR GM Sherry Sawyer. In fact, this will be the third time the two have played for the same team: Williams was Southern Broadcasting's VP Programming when Spencer programmed KTXQ; and when Williams held the VP Programming title for Satellite Music Network, he hired Spencer as SMN's Op Mgr. "We have good chemistry," adds Spencer. "We work very well together, so I'm looking forward to good things here. This is a tremendous opportunity because the station has such a strong AOR heritage. It's been through some hard times, but now it's a rather large diamond in the rough. The station's just waiting for a revival. I think what we want here is to make it a fun, upbeat, mainstream Memphis rock 'n roll station."

Spencer has fifteen years of radio experience in the Dallas market. Starting in the late '60's at The Big D's first AOR - Gordon McLendon's KNUS, which also spawned KLOS's Bob Coburn - Spencer went on to program KTXQ ('78-'80) and KISS ('80-'82). "After KISS," he told us, "I went to Cleveland where I thought I'd take on WMMS. We did OK (at WRQC, Cleveland, '82-'83), but just didn't have the tools to complete the job." Spencer served as Op Mgr at SMN from late '83 until earlier this month.

Williams' background as a consultant includes putting CHRs Q-105, Tampa and KKBQ, Houston on the air. Most recently, he's worked with the Eagle in Indianapolis.

WAAF'S BOB RIVERS BALTIMORE BOUND; NEW WIYY MORNING MAN

Bob Rivers, of WAAF, Worcester/Boston's infamous Bob & Zip morning team, has joined WIYY, Baltimore for mornings, where he'll be paired with nine-year 98 Rock news ace Bob Lopez. Zip remains with WAAF.

Rivers, top-rated in Worcester and one of Boston's Top 10 cuming morning jocks, replaces Alan Courduff who exited 98 Rock June 10th after ten years with the station, the last four as morning man. WIYY Station Manager Chuck DuCoty and PD Tom Evans stress that Rivers is not a shock jock. "He's one of the most creative morning guys that I've heard in the country," sez DuCoty of the man that gave us song parodies like "Just A Big Ego" (to David Lee Roth's "Just A Gigolo"),

"Ignorant Man" (to Billy Joel's "Innocent Man"), and The Greatest Hits, of Ban Jovi (banjo versions of Bon Jovi hits). "There's a nice hole in the Baltimore market for the kind of radio he does." "Baltimore's a major market and it deserves a jock like Bob Rivers," adds Evans. "And Bob deserves to be working in a major market with the kind of signal that can showcase his talents. I think he and Lopez will get along swimmingly."

The new, as yet unnamed, morning show hits the Baltimore airwaves in mid-July.

MACKENZIE MD, VALERI PROMO DR AT WAAF

WAAF, Worcester/Boston's new MD is Rick MacKenzie, effective June 8th. A six-year vet of the 'AAF airstaff, Rick replaces former Asst. PD/MD Russ Mottla, who's now programming KTYD, Santa Barbara. "I've always taken a big interest in the music here at the radio station," Rick told Dr. Dirt. "And I've been through some of the musical changes that 'AAF has experienced over the past six years - some of the subtle nuances we've gone through. It's always been a dream of mine to get into the Music Dept., and the timing's perfect. It also gives me the opportunity to work closer with my PD, Cynde Slater, which I'm looking forward to." Rick comes off his evening airshift in favor of "the obligatory two-hour MD airshift" - 10AM-12Noon.

And in other news at 'AAF: Ron Valeri joins as Promo Dr from WRKI, Danbury where he was Director of Marketing. And part-timer Ian O'Malley moves into 7PM-Midnight.

DIRTY SHORTS

PETERS PARTS WITH TK: TK Communications head honcho John Tenaslia tells FMQB that TK VP Programming Rick Peters is exiting the group, effective June 30 to pursue station ownership via his own company. He will continue to consult TK.

FROM THE LOOK FOR IT TO HAPPEN DEPT: Producer Sandy Pearlman is about to purchase 415 Records, as the label's president and founder Howie Klein exits to join Sire Records as GM. 415 will continue to be a CBS distributed label. Howie, who signed Red Rockers, Pearl Harbor, SVT, Romeo Void, Wire Train and Translator, will be based at Warner Brothers' Burbank HQ starting June 15.

FROM THE LOOK FOR IT NOT TO HAPPEN DEPT: KLOS Los Angeles PD Charlie West says rumors of WFBQ, Indianapolis' Bob and Tom joining KLOS are "Absolutely positively untrue". Charlie says they spoke once with them back in February, but that's as far as it went. Look for KLOS to narrow down final candidates for the morning opening in the next 2-3 weeks.

DO YOU BELIEVE IN MAGIC: WBEN-FM, Buffalo will remain CHR, but will adopt new call letters WMJQ. This marks the 2nd time PD Kevin Belcastro has worked using those calls—the first was at the then AOR WMJQ, Rochester.

CAPITOL'S GORMAN EARNS VP STRIPES; DEVINE ENLISTS FOR A&R DUTY

Capitol Records has promoted Tom Gorman to the position of VP/Pop Promotion, from his previous post as National Promotion Director. In his new position, Gorman, a five-year Capitol vet, will be responsible for all phases of CHR promotion, with the label's local and regional field promotion staff reporting directly to him. Gorman will continue to be based at Capitol's Los Angeles headquarters. During his 18-

year industry career, Tom has spent five years with Arista as Midwest Regional Promotion Director in Minneapolis, as well as holding various promotion positions in Cleveland, Detroit and Chicago. On his new post, Gorman commented, "I am excited to be part of the great new Capitol team that John Fagot, Don Zimmerman and Joe Smith have assembled. I am looking forward to breaking a lot of new acts."

Concurrently, Tim Devine has joined the label as Associate Director A&R, West Coast and will also be based out of Capitol's L.A. headquarters. Tim's priors include a two-year stint with MCA as Director of Artist Development; five years with Warner Brothers as a product manager; and a tenure in A&M's college promotion department.

E PLURIBUS DIRT

USA Today announced several dates for the second leg of the U2 tour in its June 9th issue, which spokespersons for Island Records have told us are not confirmed. Some of the announced dates are tentative, others incorrect. Hall reservations and final preparations are still being worked out at this time, and the label has asked us to urge radio not to announce the dates until they have been finalized. Look for an official announcement on the dates and venues to come sometime in the near future.

In conjunction with the Facility Management of Missouri, KSHE, St. Louis has set up a special "quiet room" at the St. Louis Arena so that parents escorting young concert goers have a place to find peace and quiet from all the "noise". Instead of having to drop off and then later pick up their children, or wait in the parking lot or a nearby diner, parents can now remain in the building in the "quiet room" while the concert goes on outside. Kids love it too because now their parents have little or no excuse to offer as to why they can't go to the show!

The longest-standing annual stadium festival in North America, The Texas Jam, will return to the Lone Star State on June 20th at The Cotton Bowl in Dallas. The Jam has always featured some of the hottest multi-band line-ups ever assembled, and this year's bill brings together Boston, Aerosmith, Whitesnake, Poison, Tesla and Fahrenheit. Sounds like the makings of one mighty, shit-hot show! In addition to live performances, the promoters will host the world's largest listening party when they preview two new Lp releases by Def Leppard and Sammy Hagar.

Steve Pritchitt, former VP/International for Polygram Records, has been appointed VP/East Coast Operations for McGhee Entertainment, Inc. Pritchitt's duties will be to function as a liaison between the company, its clients (Bon Jovi, Motley Crue and The Unforgiven) and their record labels, and coordinate all aspects of the company's international activities. McGhee Entertainment was founded and is headed up by Doc McGhee.

The Budweiser Chicago Choice Picks, an annual Windy City event which is designed to bring in out-of-town record label scouts, managers, booking agents, and publishers to check out the midwest music scene, has selected WXRT-FM as an additional promotional sponsor for this year's festivities. The showcase event, scheduled to take place June 18-21, presents live performances by a number of local bands in the categories of pop, urban/contemporary and heavy metal. WXRT will be playing material from selected finalists as a preview of the event's itinerary.

In commemoration of CFNY, Toronto's 10th anniversary and Canada Day, Molson Canadian Tour '87 and Pizza Pizza have scheduled a major, all-day concert event for July 1st (Canada Day) at Molson Park in Barrie, Ontario. The event will feature live performances from many of Canada's hottest acts including The Spoons, Images In Vogue, Pukka Orchestra,

The annual WBCN Rock and Roll Rumble, which puts 24 of Boston's best new bands on stage in a battle of the bands rock-off over the course of nine nights is rapidly approaching. Previous semi-finalists include Til Tuesday, The Del Fuegos, and Face To Face.

STATION TO STATION

Hubby Dean will take over the music director responsibilities at KZRR, Albuquerque, effective June 22. Dean, who has been with the station for three years as a weekend air talent, and has assisted current MD Jessie Brice for the past year, will also take over the station's 7P-midnight slot. Hubby replaces Brice, who is exiting the station to relocate to California with her husband. On naming Dean as his new MD, KZRR PD Frank Jaxson said "I'm real excited about Hubby taking on the responsibilities of MD at KZRR. Having been with us for three years now, and having worked closely with Jessie for a year, I feel he's well suited for the position." Talk tunes with Hubby on Monday from 12N-4P Mountain time.

Now that Dave Numme has decided to exit his MD chair at KSJO, San Jose to pursue the completion of his college degree, weekend air talent and former KMBY, Monterey MD Patty Martin will take over Dave's 7P-midnight airshift, and will help with the station's music chores, both on an interim basis until a final decision has been made about permanent replacements for both positions.

The Board of Directors for Taft Broadcasting Co. has agreed to sell the company to investment group TFBA Limited Partnership for a cool \$1.45 Billion. The group of investors, headed by Cincinnati businessman Carl Lindner, Jr., includes a number of major Taft stockholders, including members of the Taft Family. Some of Taft's more notable properties include WFBQ, Indianapolis; WKLS, Atlanta; WLVQ, Columbus; WDVE, Pittsburgh, and KYYS, Kansas City.

Steve Kerrigan joins WTUE, Dayton to team up with Angela Hall as the station's new wake-up crew. Kerrigan joins from WLVQ, Columbus. As a result, MD John Beaulieu moves back into PM drive, 3-7P, while Kevin Crisler switches from PM drive to overnights, 12 midnight-5:30A. Also, Chris Geisen takes over Production Director chores and moves to weekends, as Mark Bianchi comes aboard, also for weekends.

Terry Gladstone, formerly of KMET, Los Angeles is new to weekends at crosstown KNX-FM.

Congratulations to WORZ, Orlando, which will celebrate its one-year anniversary on June 16.

FMQB welcomes new reporter KFMU, Steamboat Springs, CO--the world's only wind-powered radio station. Reach MD Dave Ross for music calls on Monday, 12:30-3P, or Tuesday 12:30-2P. PD Kelly Thomas' music call hours are from 9A-12noon. Phone: 303-879-KFMU.

WKFM, Fulton/Syracuse Asst. PD Brian Illes has changed his music call hours to Thursday and Friday, 10A-12 noon, and Thursday night 7-7:30P.

KWHL, Anchorage MD Kevin Vargas has changed his music call hours to Monday through Friday, 11:30-1:30, Alaska time

Congrats to KMJX, Little Rock on the following monster March/April Birch numbers: #1 men 18-34 with a 29 share; #1 men, 25-54 with a 16.6 share. Kick some ass.

VINYL TAP

Rhino Records has acquired the licensing rights to the Bearsville Records catalogue, a move Rhino co-founder Harold Bronson deemed, "By far the biggest deal Rhino has made in its history." The Bearsville label includes albums by Todd Rundgren and Utopia, Paul Butterfield and Better Days, Foghat and Jessie Winchester, among others. The deal is said to be centered around Rhino's interest in the Todd Rundgren records, many of which are out of print and have never appeared on compact disc. The label plans to re-master the albums direct to metal for better reproduction on vinyl and cassette, as well as offering the entire 18-title Rundgren catalogue on disc. Look for "Runt", "The Ballad Of Todd Rundgren", "Todd Rundgren's Utopia" and "Initiation" to be available in July.

Mark Schulman has been awarded the newly created position of VP/Creative Marketing Services for Atlantic Records as part of an interdepartmental restructuring of five label divisions under one Creative Marketing Services department. The restructuring brings together under one umbrella the company's Advertising, Graphics, Merchandising, Packaging & Pre-Production and Video departments, with Schulman, most recently Atlantic's VP/Advertising and Video, overseeing the new system from the label's New York headquarters. On Schulman's new appointment, Atlantic Executive VP/GM Dave Glew commented, "By instituting a Creative Marketing Services area, we have formalized the critical links between five departments which together form the backbone of Atlantic's image in the marketplace. In the music industry of the 1980's, more than ever before, it is crucial that all these elements be closely integrated for maximum artist impact and development." Schulman, who joined the label in 1968, has served previously as Director of Album Product, Director of Packaging, Director of Advertising (1974-79), VP/Advertising (1979-84) and later his most recent post as VP/Advertising and Video (1984-present).

Moss Music Group has created a new division, RB International, consisting of four labels, each devoted to a different contemporary popular music form. Heading up RB International activities is Rick Bleiweiss, who joins the company as Division General Manager after a long career in marketing and promotion for such companies as Polygram (first as Singles Sales Manager, and later working his way up to VP/Promotion and finally VP/Marketing, Merchandising and Product Development); Pickwick, Telarc and Profile; as well as his most recent stint as president and owner of Great American Music Machine, a marketing consultant to the entertainment industry. Two of the labels making up the new division already exist under the Moss Group: Lifestyle, a progressive instrumental label, and The Golden Voyage, which sets natural and environmental sounds to an orchestrated array of accessible melodic themes. The two new labels spawned through the creation of RB International are RBI, which will concentrate on artists in pop, rock, jazz, dance, rap and other contemporary genres, and RIC, a non-artist-oriented label for specific projects. Bleiweiss' first staff appointments include Maria Roseman (with Moss Music Group since last September and a former consultant for Gramavision Records) as Director of Promotion, and Niko Anducich as A&R Director. Anducich has been with the company for a year, during which time he signed all acts currently appearing on Lifestyle. He is also credited with discovering European super group The Scorpions.

Buenos Dias,

Look, we know that CRUZADOS are a gritty rock band but we didn't mean for the last listening kit to be quite that literal. So, we live and we learn (a little!) and this time offer you an abridged version, minus the cactus (hoy!hoy!) and the margarita mix (hey, if you can't take it straight, you probably can't take it at all.)

Please enjoy this one even more and help us launch CRUZADOS into the stratosphere.

SALUD!

WMMR, PHILADELPHIA ERIN RILEY: Dear Atlantic Records: I just want you to know that the Twisted Sister album is too ugly to deserve an album conversion, sorry...Yuuuuch! It's a nightmare and a half...I was very upset to learn of the dismissal of **MICKEY THE MOOK** at WAOR, and just for that, I'm dropping the Sniveling Shits Record!!

WYSP, PHILADELPHIA MARK DIDIA: Last week, we almost ruined the career of Jon Bon Jovi. Jon & Band helped us kick off the 'YSP Softball season. All was going well until some greedy guy named **FRED DEANE** collided with Jon in center field. A sudden silence enveloped the ball park as hundreds of women gasped at the thought of Jon in pain. Needless to say, Jon recuperated and came back with two stunning leaping grabs on the field and one kickass rock & roll performance at the Spectrum. If you're not playing "She Don't Know Me", you should be sitting on the bench with Freddie D.

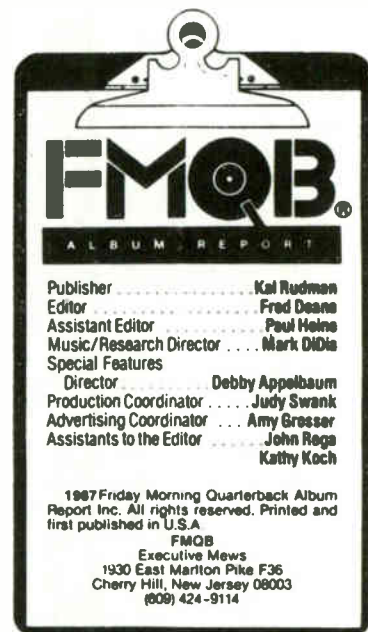

WMMS, CLEVELAND KID LEO: "Born In The USA" takes its rightful place along side the Declaration of Independence, the Constitution, Lincoln's Gettysburg Address and Mario Puzo's "The Godfather" as one of the most important documents in American history!

The Rock Request features the "Face Of '68" as he was in '69 - PETER FRAMPTON with HUMBLE PIE and "Natural Born Bugie".

This week's interview guest is the Irish singer-songwriter Paul Brady.

Another rock auction is coming up fast in the music calendar, at Christie's on August 28, and you can expect one of the most-publicised items to be the tape that's come to be known as the "first official live bootleg" in rock history. The recording of the Beatles' concert on August 29, 1966 at Candlestick Park, San Francisco, is up for auction, and although it's of poor sound quality, it's also of enormous historical significance because as any FAB FOUR historian knows, that was the group's last live performance with the exception of the famous '69 show up on the roof. The story goes that PAUL MC CARTNEY, for the one and only time, asked the BEATLES' press officer Tony Barrow to tape the concert. The tape survived, and it's that original Philips C-60 cassette that will be sold to the highest bidder at Christie's. It features 10 complete songs, including "Rock And Roll Music", "Baby's In Black", "Yesterday" and RINGO messing up the lyrics to "I Wanna Be Your Man" - plus an incomplete version of "Long Tall Sally", the reason for that being that the tape ran out as the BEATLES were playing it! After this last live show, of course, the group began work on "Sgt. Pepper". If you want that cassette, you'd better have some life savings tucked away somewhere.

All that talk some months ago of a solo album by the ROLLING STONES RONNIE WOOD now sounds a little premature. The word went around, mainly from the mouth of soul man BOBBY WOMACK, that the pair were in the studio working on the Lp and that it would see the light of day pretty soon. Well, they were in the studio all right, but they never go past the demo stage. Ron hasn't started recording the album itself at all, so don't hold your breath.

There was a significant legal development last week in the eternal battle between the British Government and pirate radio, as the Department of Trade's powers to prosecute were

cut drastically by a House Of Lords ruling. Five Law Lords decided unanimously that an appeal by the department should be turned down and that the DT no longer has the power to confiscate tapes and records from stations that are convicted of broadcasting without a license. They agreed with a court Of Appeal decision that confiscation was not legal because records and tapes do not qualify as broadcasting apparatus under the 1949 Wireless Telegraphy Act. This means that a Liverpool man who had 310 records and tapes taken in 1985 will now get them back.

Soul star BEN E. KING, in London for the PRINCE'S TRUST concerts and a British tour, told ROL's Paul Sexton last week how he came to have MARK KNOPFLER and TOM BAILEY on his new single, a re-recording of "Save The Last Dance For Me" produced by FOREIGNER'S MICK JONES. "Mark got involved because of MICK JONES, Mick was looking for someone to come in and do some little guitar lines for him, and he found out that Mark was moving around in London before going back on the road, so he gave him a call and he was more than happy enough to come in and help us out. I think the same thing more or less applied to TOM BAILEY of the THOMPSON TWINS. He was getting ready to go home, so we grabbed him and asked him to put some organ parts on it.

We hear that the PET SHOP BOYS (featured on last week's ROL with their new single "It's A Sin") have completed the song they've been recording with sixties legend DUSTY SPRINGFIELD. The title is "What Have I Done". Their album is now due for September release.

The mystery female voice on PAUL CARRACK'S current UK chart version of "When You Walk In The Room", which sadly spent just one week in the Top 50, belongs to a former singer with the British pop-soul outfit Shakatak, Jackie Rawe. The CD single version, incidentally, is good value, because it includes "How Long", the Ace classic that Paul sung lead on in 1974.

Speaking of CD singles, we'll be watching with interest to see which of the record companies will indeed stop releasing now that the BPI has excluded their sales from the singles chart. Whether they do or not, quite a few CD singles released so far are already collector's items, because they are usually issued in relatively small quantities and snapped up quickly. Both GENESIS singles released in this format, for example, are becoming collectible: we've heard of "Land Of Confusion" changing hands for L15 a time and "Tonight, Tonight, Tonight" already fetching L8 and it only came out in March! Most valuable of all, though, are the editions that were never available to the public but were only issued as promos. The special edition of DIRE STRAITS "Brothers In Arms" CD was one such, in August 1985, and believe it or not it's said to be worth between L75 and L150, less than two years after release.

U2 made their political feelings very clear in the pre-election concerts at Wembley Arena...they did a version of DYLAN'S "Maggie's Farm" which has become a standard anti-right wing anthem during the '80's and then urging their audience to exercise their right to vote with "C'mon Everybody".

When the BBC banned "Relax", FRANKIE GOES TO HOLLYWOOD laughed all the way to the bank as the record soared to number one. It doesn't have to be that way, as the BLOW MONKEYS themselves might put it: their single "(Celebrate) The Day After You", in which the "day" is the British election date of June 11 and the "you" is a certain Mrs. T, had a BBC ban slapped on it in the run-up to the election as the Corporation claimed it was anxious to maintain a "political balance". What this amounts to is that no one is making records in praise of Mrs. Thatcher, but anyway, the

consequent lack of publicity for the MONKEYS single had a devastating effect on its sales: after entering the national chart at number 52, it then summarily dropped to 55. The Beeb say the ban applies only up until the election date, but afterwards it'll surely be too late to save the record.

GEORGE MICHAEL'S "I Want Your Sex" already looked like a surefire number one whether it was banned or not, but sure enough the BBC is refusing to play it before nine o'clock at night on the Radio One network and it won't get any "Top Of The Pops" coverage either, as the lyrics are thought to be "too sexually explicit".

The choreographer/director on DAVID BOWIE'S current "Glass Spiders" tour is none other than TONI BASIL, the lady who had a massive worldwide hit with "Mickey" in 1982 - TONI of course had been a successful choreographer for years before that, having previously worked with BOWIE on his '74 "Diamond Dogs" tour. She recently choreographed Coppola's "Peggy Sue Got Married" film. Meanwhile, BOWIE'S new UK single from "Never Let Me Down" is to be "Time Will Crawl".

A Certain Ratio have left their long-time home Factory Records "by mutual agreement"...word is that ELVIS COSTELLO will follow his new US deal with Warner Brothers by inking a UK deal with the company as well...PAUL BRADY, interview guest on this week's Rock Over London worldwide radio show, has an excellent new single called "Steal Your Heart Away" from his "Primitive Dance" album.

ERROL BROWN, the lead vocalist on all of Hot Chocolate's 30-plus UK hits, has a new solo deal with WEA and a single called "Personal Touch" just out and he plans an album later in the year...meantime on the same group of labels, to coincide with his appearance at the PRINCE'S TRUST shows, ERIC CLAPTON has his LP duet with TINA TURNER, "Tearing Us Apart", out as the third single from "August" ROL will be at both nights of the 11th annual PRINCE'S TRUST gala - full report next week.

THE KANE GANG'S "Miracle" LP has been put back a couple of weeks and now it's due out in the UK on July 6. Meanwhile, the more we hear "Motortown" (the single we debuted a few weeks) the more it sounds like a major hit. The track listing for the album: "Motortown", "What Time Is It", "Looking For Gold", "Take Me To The World/King Street Rain", "Don't Look Any Further", "A Finer Place", "Let's Get Wet" and "Strictly Love (It Ain't)". The cover of Dennis Edwards' "Don't Look Any Further" was as we reported going to be the first single, replaced at the last minute by "Motortown". Meanwhile, it's interesting to note that Motown has just re-released Edwards' 1984 version.

The fine music of CHRIS REA has been so underrated by the singles buying public of Great Britain, it came as a particularly pleasant surprise to see his current 45 "Let's Dance" - a radically different version of an old Rea b-side - crashing into the national chart at 39 first week and looking good to overtake "Fool (If You Think It's Over)" and "Stainsby Girls" as his biggest UK single to date.

The CURE'S new single from the LP "Kiss Me Kiss Me Kiss Me" is an uncharacteristically slow number called "Catch", out on June 15 in the UK. It's their 17th single release in a record career that now stretches back almost nine years.

JACK BRUCE, former lead singer and bass player with CREAM, is to star in a musical called "The Tooth Of Crime" by the acclaimed playwright Sam Sheppard. He plays the part of Hoss, but no, it's not a "Bonanza" remake - Hoss is the lead singer with a band called THE TOOTH OF CRIME who enjoy a mercurial rise to fame. The musical opened this week in a theatre in Battersea in South London and will run until July 11.

BOB GELDOF is trying his best to revive interest in the "Deep In The Heart Of Nowhere" album with another single release - "I Cry Too" is backed with a previously unavailable track "Let's Go".

CLIFF RICHARD, who recently stepped out of "Time" releases a single on EMI this week called "My Pretty One" and has announced European tour dates from October to December.

GENESIS have taken the unusual step of releasing the 12 inch of their current UK single "Throwing It All Away" without a studio version of the song. The A side features a live recording from their L.A. concert and there's a live version of "Invisible Touch" on the B side.

SIMPLE MINDS are attracting the collectors with "Promised You A Miracle" their first release from "In The City Of Light". As well as the 7 inch with "Book Of Brilliant Things" on the flip, there'll be a 10 inch version which also features "Glittering Prizes" and an otherwise unavailable live recording of "Celebrate" from their concert at Barrowlands, Glasgow. This 10 inch also includes a free poster of the band on stage.

As expected, the MINDS' LP "Live In The City Of Light" went straight to number one in the UK album chart, their third in a row to turn that particular trick and interestingly, the first double live set to reach to top in Britain since LED ZEPPELIN'S "The Song Remains The Same" in 1976. It's also the fastest-selling live album ever and the first live LP at all to top our charts since...er...BARRY MANILOW'S "Live In Britain" did it in 1982. Next highest new entry on this week's chart was "Kiss Me, Kiss Me, Kiss Me" from THE CURE at six, and the other new ones on the top half of the list were GO WEST'S "Dancing On The Couch" at 19, "Bad Animals" from HEART at 23 (in spite of their continued lack of UK singles success) and a tasty compilation called "Atlantic Soul Classics" at 25. Further down, there was initial chart action for LITTLE STEVEN, TAMMY WYNETTE, LATIN QUARTER, THE WHISPERS and, particularly pleasingly, DEACON BLUE, the new band we're featuring on this week's programme.

An interesting WHITESNAKE package came into our hands this week. The 33 rpm picture disc of "Is This Love" came complete with special display stand, but incomplete as far as the tracks are concerned. The third song a version of the old Fleetwood Mac number "Need Your Love So Bad" was left off the record and instead was supplied as a white label 7 inch disc.

As GEORGE MICHAEL confessed his fear was being beaten to, or even replaced at number one by the re-release of TOM JONES' "It's Not Unusual" (our hot favourite), news comes in that "Respectable" by MEL AND KIM has been overtaken in the bestselling singles list for the year by STARSHIP'S "Nothing's Gonna Stop Us Now".

Hot independent singles of the moment which have yet to make a showing on the national Top 75 chart: "Love Missile F1-11", a cover of the Sique Sique Sputnik hit by Pop Will Eat Itself; a strong release by THE BOLSHOI called "Please" and "Nosedive Karma" by GAYE BIKERS ON ACID.

JULIAN COPE has been added to the line-up for the Glastonbury Festival...FREDDIE MERCURY has announced he's to make an album with Spanish opera singer MONTSERRAT CABALLE, known to her fans as "La Superba". They were the star turn at the Ibiza 92 festival - the first in a series of annual rock events leading up to the Barcelona Olympics in 1992. FREDDIE AND MONTSERRAT performed a song he wrote especially for the event called "Barcelona" with a backdrop of fireworks that may well have cost even more than

a Queen video. EMI are said to be none too pleased with his decision to start work on a rock operatic album at a time when he's supposed to come up with some new solo material. Other UK artists appearing at the event which has been filmed for worldwide TV distribution were MARILLION, CHRIS REA, DURAN DURAN, and SPANDAU BALLET...it was only a matter of days after MONTREUX, but we hear the weather in the Balleriac Islands is very pleasant at this time of year.

The BEATLE CITY memorabilia exhibition is to stay on this side of the Atlantic following its sale to London businessman John Symons for 200,000 pounds. Liverpool's Radio City who set up the exhibition three years ago have been losing money on the two million pound venture ever since and it was feared they would have to sell items to collectors in America. However, the original Magical Mystery tour bus will now stay parked in its home town along with FAB FOUR clothes, instruments and all sorts of other treasures.

ROGER DALTREY'S new album "Can't Wait To See The Movie" - the delayed release date of which practically became an ROL soap opera earlier this year - is finally out in the States with the UK following a little. "Hearts Of Fire" is still the UK single but it's interesting to note that his reported cover of ELTON JOHN'S "Don't Let The Sun Go Down On Me" didn't make the LP at all. ELTON JOHN has been visiting China with his soccer team Watford and their new manager...apparently the team's top scorer Luther Blissett is more famous there than ELTON is...anyway, this non-musical tour has given his singing voice - now reported to be deeper than before his operation - a rest before a surprise appearance at the PRINCE'S TRUST concert.

ROCK REPORT

JIMMY PAGE is currently in the process of completing the final mix on his soon to be released double album coming from Atlantic in late Summer or early Fall. Helping PAGE out on this debut are the son of the late JOHN BONHAM, JASON, on drums, keyboardist/vocalist JOHN MILES and bassist TONY FRANKLIN, a one-time

member of THE FIRM. Making guest appearances are BEN E. KING and old friend ROBERT PLANT, who lends his vocal abilities to no less than two tracks. PAGE will hit the road after the record is released with BONHAM and MILES accompanying him. He is now looking for a touring bassist as TONY FRANKLIN has just joined the former WHITESNAKE guitarist, JOHN SYKES, in his new band. Speaking of JASON BONHAM, his band, VIRGINIA WOLF, is gearing up for the release of their second Lp, Push, also due from Atlantic sometime this Summer. Chances are we'll see that band on the road upon the completion of the PAGE tour.

I CAN'T WAIT TO SEE THE MOVIE is the name of the forthcoming ROGER DALTREY album due from Atlantic in a matter of weeks. THE ROCK REPORT had a chance to speak with ROGER in London recently and he told us that we can look for such tracks as "Price Of Love" (also on "The Secret Of My Success" soundtrack), "Hearts Of Fire" (a tune written by RUSS BALLARD), "Alone In The Night" and "Balance Of Wires" to name a few. DALTREY also performs a song from

PRETENDERS songstress CHRISSIE HYNDE. The musicians on the Lp are basically the same as those who accompanied ROGER on the road last year, with the exception of drummer TONY BEARD. Producer ALAN SHAKLOCK, who also did DALTREY'S last Lp, "Under A Raging Moon", sat behind the board for this one as well. As far as touring plans go, ROGER wants to hit the road sometime hits Fall. With regard to THE WHO reunion we told you about last week, DALTREY said something is definitely planned for the band's 25th Anniversary, which happens in 1988. ROGER, PETE TOWNSHEND and JOHN ENTHWISTLE all met last week to discuss what they wanted to do to celebrate, and decided that an album is out of the question and a tour may be doubtful as well, but he couldn't say for sure. Meanwhile, you can look for DALTREY to surface as the next television spokesman for the American Express card.

WHILE IN LONDON WE WERE ALSO ABLE TO CATCH UP ON THE ACTIVITIES OF PETE TOWNSHEND, who's been busy trying to get a stage production underway entitled "The Iron Man". The fairy tale, written by TED HUGHES, has been a passion of PETE'S for some time now. No word yet as to when the show will premiere or if it will land on our shores, but when we know more we'll pass it on. Meanwhile, with the onset of the British elections, TOWNSHEND has been seen on the street campaigning for the Labor Party.

GUIITARIST JACK GREEN, formerly of T-REX and PRETTY THINGS, has just released a new solo Lp entitled "Latest Game" on the London based Revolver Records. The album features two songs penned for him by JOHN COUGAR MELLENCAMP. Playing on the record is a star studded line-up including BAD COMPANY'S SIMON KIRKE and BOZ BURRELL and one time TRAFFIC DRUMMER JIM CAPALDI. Speaking of MELLENCAMP, he's currently hard at work on the follow-up to "Scarecrow" with producer DON GEHMAN. We can expect the yet untitled Lp in the latter part of August via PolyGram.

QUEEN HAS BEEN HARD AT WORK in the studio on some new material which, according to guitarist BRIAN MAY, is a throwback to their "Bohemian Rhapsody" days as the music is very operatic and complex. The band, which believe it or not has been together for fifteen years, just wrapped up a most successful British/European tour. Along with his work with QUEEN, MAY has also been in the studio with guitarist STEVE HACKETT, who was once a part of GTR and is now out on his own.

ONE WAY HOME is the title of the second HOOTERS album due from Columbia June 28. Once again, utilizing the talents of producer RICK CHERTOFF, the band has added some depth to their sound by way of an accordion. Some tunes to keep an ear out for include JOHNNY B., SATELLITE, ENGINE 999, KARLA and the title track, "One Way Home". Look for THE HOOTERS to hit the road with BRYAN ADAMS this Summer.

DIM LIGHTS, THICK SMOKE AND LOUD, LOUD MUSIC is the name of the FLYING BURRITO BROTHERS compilation just released in the U.K. on Edsel Records. Containing material from various BURRITO albums like "Sleepless Nights", "Close", "The Honky Tonks" and the 1976 "Anthology", the record should be available in this country before the end of the year. Keep an eye out for it.

CUTTING CREW: Cutting Crew made their American debut in New Orleans on June 4th opening for the Bangles. After dates with Huey Lewis in southern California, the band will start a two month tour with the Starship in Des Moines on July 21st.

AEROSMITH FINISHING ALBUM IN VANCOUVER: Work continues on the next Aerosmith Lp, tentatively titled, "Permanent Vacation," with over 18 tracks to choose from. According to Steve Tyler, the band started pre-production in March and are recording from noon to midnight daily. Tyler met Bryan Adams' partner, Jim Vallance, and wrote a straight-ahead rocker called "Magic Touch," plus a tune titled "Ragtime," which he described as "A song about the clothes I wear onstage." A possible first single is a ballad called "Angel." Tyler concluded by saying, "I'm always really up when we finish an album and I'll say it's our best. But this time, I think we really have a groove down on this record."

SEARS 'ECSTATIC' AT BEING OUT OF STARSHIP: The English press is calling Pete Sears' departure from the Starship a "firing" from the band he helped found 13 years ago and is treating it as a major scandal, but back home, Sears' only comment is "To use the old cliché, we were going in different directions musically. I wasn't comfortable with the way they were going and I wanted to get more involved in other things." Sears is currently playing some "new age" music with mandolin player David Grisman and celtic harpist David Auerbach. Sears is also trying to form a new group with another Starship veteran, Aynsley Dunbar and guitarist Frank Marino of Mahogany Rush. Sears insists he feels "ecstatic" about being out of the Starship.

MOTLEY CRUE: Motley Crue's Nikki Sixx and Vanity have set the date for December. Vanity is showing off her diamond engagement ring on the set of her latest movie, "Action Jackson."

PAUL CARRACK: Paul Carrack of Mike and the Mechanics is recording a solo album for Chrysalis records. He may have an assist from a superstar before the sessions are completed.

HAGAR CALLS NEW LP "MOST PERSONAL": Sammy Hagar calls his new, as yet untitled Lp, "The most personal album I've ever made. It's coming from everything I've always loved in music, every groove and every lyrical concept," says Hagar. "It's the epitome of what I've always wanted my records to sound like." According to Hagar, three of the album's 10 songs were written before he joined Van Halen last year, but other material he'd written for a planned follow-up to the platinum "VOA" was shelved because he didn't relate to those songs any more. "I wanted songs that were more personal, and the result is an album that's really, truly Sammy Hagar," he said.

NEW COPYRIGHT LAW, PIRATING CRACKDOWN IN CANADA: Canada's 63 year old copyright law is being amended after several months of government meetings that included lobby groups from the recording industry. Songwriters and composers will now be paid more than just pennies for their recordings with harsh action taken against pirating of sound, video and computer software. The federal government is serious in its penalties with minimum fines of up to \$25,000, a prison term of six months or both. The maximum penalty for indictable offenses will be \$1 million and five years in the slammer.

Former Pink Floyd bassist Roger Waters is now putting the final touches on his vast tour, due to kick off on Friday, August 14th, in Providence, Rhode Island. So far, according to Lou O'Neill Jr., no New York City date has been booked. The man who's composed some of rock's most seminal and influential music, has tapped J. Stapley and Andy Fairweather Lowe to join him on guitar, and has also requested that Mel Collins be part of the band on sax. Rounding out the touring

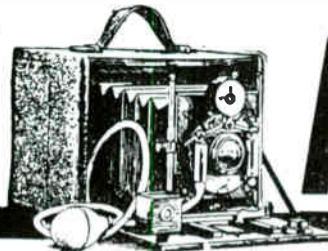

group are drummer Graham (Go West) Broad, and Paul Carrack (ex-Ace and ex-Squeeze and currently with Mike & The Mechanics) handling keyboards and vocals. Backing Waters will be singers Doreen Chanter and the very talented Katie Kissoon. Plans call for the tour to go almost everywhere in the world, with Waters fully prepared to support his new Lp, "Radio K.A.O.S.," his first release in a number of years. The man who wrote most of the music for the legendary "Wall" is excited about the opportunity to get back out on the road after many years of inactivity. Pink Floyd will be doing stadium shows, and multiple shows in arenas in all cities around America, with a stint at Madison Square Garden in early fall. Watch for a new and yet untitled Pink Floyd album to hit the streets by Mid-August. The band continues to rehearse in Canada to hone their live sound. The line-up will include a mind-boggling eleven musicians, including existing members of the band. It promises to be one of the most controversial and hottest tours of the summer and fall.

Texas guitar player Stevie Ray Vaughan was offered a part in the forthcoming movie by his close friend, super-actor Mickey ("The Pope Of Greenwich Village") Rourke. It's going to be called "Bikers", and Mickey asked Stevie Ray Vaughan to try "The Chariots Of Fire" on wheels. Stevie readily agreed, and now seven bikers are set to appear in the movie, which will be filmed in the San Francisco area. Vaughan will portray an Indian biker in the film, not so odd considering that his great-grandfather was part American Indian, and the rocker has been known to wear his genuine Cherokee headdress during encore performances on tour.

Bon Jovi's Lp, "Slippery When Wet", has passed the seven million mark in America.

BEST BITS

FOR CAR PHONES ONLY

Looking for a morning bit targeted at those most desirable yuppie demos? WMMR's John DeBella gave us all the details on one he's been doing in Philly for awhile now. "The bit is called 'For Car Phones Only', DeBella explained. "The main object of the bit is to accept the challenge that is put out on the air

and can only be done from a car phone. The challenge isn't simple, but then again the prize is very good. The prizes range from values of \$300 to \$1,500, anywhere from a microwave oven to all terrain vehicles." John went on to give some examples of some of their more successful "For Car Phones Only" contestants. "To celebrate the Bay Of Pigs conflict we challenged listeners to have a pig in the car with them. We were the ones who were surprised when seven different people called with pigs in their cars....One morning we wanted the person who was the furthest away from the station and we got a call from Las Vegas. He was a guy who lives in Las Vegas, but was from Philadelphia and missed hearing the show. His brother, who still lives in Philly, would go to work at 8:30AM, while he would be leaving for work at 5:30AM Las Vegas time. The guy in Philadelphia would put the phone next to the radio and the guy in Las Vegas would put it on his speaker phone in the car and drive to work listening to Philadelphia radio. When we asked for this particular car phone call he immediately realized that this was a bit for him. We had him drive to a supermarket, bring out a cashier and ask the cashier questions that the guy couldn't prompt her on. Once we identified the fact that they were in Las Vegas, he won....We did another one when it snowed on the first day of spring in Philadelphia. We had some guy get out of his car, hang the car phone out of the car and strip down to his underwear singing, 'Spring is here, yip, yip, yippee, spring is here,' running up and down the side of the highway. We had another guy pull over in the distress lane of one of the bridges, open the sunroof of his car and stand outside of it on one knee singing 'Swanee'.

"The key to the bit is the absurdity to which you make them do things. Keep in mind that people who don't have car phones don't like people who do. They look at it as something that only the rich can afford. Therefore, to appease those listeners, you've got to make those rich people do something degrading. To get the people to do something degrading you have to offer them great prizes."

JOKE JEOPARDY

106WHCN

Michael Picozzi and Gary Lee Horn make up the morning team at WHCN in Hartford

and have been successfully doing a bit called "Joke Jeopardy." "We give the punchline," Picozzi told us, "and listeners call in with the joke. For instance, 'If you really had to you could eat the bowling ball.' The joke is, 'What's the difference between Joan Rivers and a bowling ball?' We play the Jeopardy theme music and have our own Don Pardo sound-alike. Once the bit got going, listeners started coming up with a lot of jokes." We dare you to steal some of these. The punchline is, "So he drove her to New Jersey!" The joke?

"This guy and girl are making out and the girl says, 'Kiss me where it smells.' Get it?.....(Shall I continue?) The punchline: "He threw his baseball in the toilet." The joke? "It's this guy's wedding night and he's trying to get advice from his father. His father tells him, 'Remember what you used to play with when you were little? Well you put it where she goes to the bathroom.'"

Picozzi told us that sometimes they just give out the punchline of a joke and left us with this one, "Help me find the keys and we'll drive out." If you know the joke to this punchline please call. The suspense is killing us.

DON'T CALL THEM, WCXR WILL CALL YOU

If you're looking for some fresh ideas, make that new ideas, for your answering machine message tune in to WCXR, Washington for Paul Harris' weekly morning show feature "Dialing For Answering Machines". Paul

explained, "The basic premise behind the bit is that it's much too hard to do a morning show on your own so why not get the listeners to write your comedy for you. We also do it as a public service to those listeners who aren't creative enough to come up with their own good answering machine messages. We just ask the audience for numbers of answering machines, whether it's theirs or their friends' or a wrong number they dialed. We record them at various times during the week and we play them all back on Tuesday morning. It's great because you get people calling who have had messages on before but they change them just to be on the feature every week. People will call up and say, 'I just called my friend and he's got a great one!' We'll call it and it's not creative at all. Then we'll get people who go to extreme lengths to produce them and come up with the silliest, sappiest, goopiest things that are the best ones to make fun of. The best one I got was a call from a woman who's an operator for a long distance company. She worked in customer service and was calling a number on Long Island to find out who it was and what the number was when she got a machine, so she called me and gave me the message. I called and it was one of the best we had."

No prizes are awarded for best message, listeners just do it for the fun of hearing theirs on the air. Get the message?

Is your morning show funny? Do your listeners suffer from terminal laughter as a result of listening to your morning personality/team? Have some of your recent morning bits been nominated for dozens of awards for their creativity and entertainment value? Why not share these ideas with the rest of us and in the process help those struggling, dull, witless, droll, void of originality, ratingless morning shows get their act together. Send us your Best Bits on tape or in written form to FMQB, 1930 E. Marlton Pike, Suite F36, Cherry Hill, NJ, 08003.

POLYGRAM PRESENTS QUESTION of the WEEK

What are your long range career goals? What would you like to be doing five years from now?

DREW MURRAY, POLYGRAM: "I wanna be my son's agent. He's 4 years old, very tall. I figure he'll be at least 6'8" or 6'9". He'll play for the Celts. They pay white guys a lot, you know! Five years from now I'll still be waiting for the new Def Leppard album (just kidding!!)."

TOM STARR, WOUR: "I'd like to be curator for the baseball Hall Of Fame."

JACK RANDALL, KATP: "To continue working for a competitive station in a competitive market. Hopefully, outside of Amarillo. Five years from now - working record promotions either in Dallas or Los Angeles."

STACY YELTON, WKQQ: "Long term career goal for me is to stay within the realm of music in some matter. I am much more of a music lover than a radio junkie. I do want to concentrate more on my skills as an air talent, but above and beyond that, in whatever way possible, be it radio, retail or promotion - this kid wants to get back to the midwest's finest city, my hometown Cincinnati, Ohio."

JEFF MICHAELS, KSQY: "To party with Mick Jagger, and five years from now, I'd still like to be working here."

PAM EDWARDS, KGB: "I'd like to be either singing back-up vocals or hauling equipment for the Bloody Stools."

ERIN RILEY, WMMR: "Singing background or hauling equipment for Pam Edwards and The Bloody Stools."

CHIP HOBART, WQFM: "I'd like to own my own radio station."

LENNY BLOCH, WRCN: "I wanna live on a lake, sit on the back porch with my dog and watch the tower lights flash from my 50,000 watt flame thrower."

JEFF CARROL, KLBJ: "Five years from now, I'd like to be programming a network of radio stations, possibly owning and operating a television satellite station. I'd like to be winning the America's Cup and dating Rachael Ward."

BRAD HUNT, ELEKTRA: "I don't have a clue! My whole life revolves around Tuesday. I can't think about Wednesday, yet alone five years from now."

ELLEN GERDES, KYYS: "I have been one of those people who began in radio as an intern and struggled persistently to prove themselves worthy of being hired for a 'real job'. The question of the week is perfect because right now, I'm looking for a chance to begin a long career with many goals in it to accomplish. Promotions and ears for good music are my forte, and I hope to be doing something involving both. In five years from now, I want to be in a powerful position and making enough money so I can buy a bigger and better cardboard box and a huge bottle of Mad Don."

DANNY BUCH, ATLANTIC: "Living...Breathing."

POLYGRAM ROCKS RADIO ROCK N' QUOTE OF THE WEEK

"If programmers pay enough attention, **Tom Kimmel** is going to become a solid airplay choice. Just drop the needle and let it go...
'That's Freedom' is a brilliant hook filled record!"

—**Jim Steel/WIOT**

SEAN COAKLEY, ARISTA: "My long range career goals are that five years from now, I'm still counting the number of Cruzados albums that are blowing out the door!"

KIM ALEXANDER, WHCN: "Being from Philly, I'd love to go back someday. Boston is my second choice. I prefer an MD position, but wouldn't sneeze at a jock opening in one of those markets. Erin, promise you'll call me when you retire?"

TIM JEFFRIES, KAZY: "Five years from now my goal is to be senior VP of NBC Entertainment. Future goal: I hope to make enough money to pay the rent."

ALISON STEWART, WBRU: "Since I'm just starting my career, it would seem I have the world to conquer. Hopefully in the future, I will be involved in the music industry in terms of music journalism/record publicity, but God, I love to be on the air. Oh geez, I don't know, ask me this in five years."

GLENN STEWART, WHJY: "The next step for me is program directing in a strong market with the right tools, and five

years from now, I'll want to remain PD in any strong market with the right tools."

INESSA YORK, KGON: "There's so much going on day to day and it's all consuming, that it's difficult to plan career moves, let alone consider what I might want to be doing five years from now. But I would have to say that hopefully it all can become more creative and more flexible as time goes on."

BRIAN KRYSZ, WKLC: "My long range career goals are to be a group PD for a bunch of P-1 Top 40's...And I wouldn't even take a salary!"

KEITH TAYLOR, WQMF: "I'll be here five years from now hopefully, if this Aids epidemic doesn't get us all. A few promotions later, programming a station and maybe twenty years from now, owning about five or six radio stations, a winery or a horse farm."

DEB BRADY, WXXP: "This is actually a hard question for me to answer because I'm so dedicated to new music, it's more of a day to day career. Ultimately, I would like to be programming a number one new music station, for that matter, the number one station in a major market and, of course, making lots of money."

GREG MORRISON, WQRK: "Long range plans...My goal is to work closely with new music and beyond that, I'd like to be a fireman when I grow up."

LEX STALEY, WFYY: "My long range goals are to remain in programming and eventually corporate management. I want to bring the industry to my feet. But I won't do it like Pia Zadora did."

JESSIE BRICE, KZRR: "I want to be retired and rich and famous."

CHRIS JAMES, WTPA: "My long range career goal is to own my consultancy. In five years, I'd like to be lounging on the beach of Hawaii, with a Mai Tai in my hand, 24 hours a day."

DICK SHEETZ, KRZQ: "I want to move higher up in the music industry. Whether it be a representative for a record label or stay in radio and be a consultant. My life is radio, this is all I know how to do. I will never be president."

VERN ARGO, KZOQ: "Probably want to be retired, living in Montana."

MARKO BABINEAU, GEFFEN: "We create our own destiny so on that note, no offense Ed Rosenblat, if I'm still at Geffen, I hope I'm president of this company in five years. Beyond goals within Geffen, as record companies pertain today and as the business flow is now, there's a job that hasn't been created yet that I think could have major influence in our business. It's some kind of creative consultant between promotion and A&R; be it either after the artist is signed, going into the studio and giving him input in the creative sense on what is commercially accessible at radio (being so familiar from working radio) or more so, road tricks and tactics on how to tour, being more successful on the road, etc. I think there's a gap between promotion and A&R. They need someone physically consulting talent in the studio as to direction they should be going. To me that's something that should become a more day to day process. I think we'll eliminate a lot of these overpaid bands that, by the time their records come out, have a question as to why doesn't this work on radio - it worked a year ago? After being in the business this long, you start to see where the holes in the business are. This position could fill that void!

MARK WILLIAMS, WWZU: "Ownership. Retired."

SLATS, WHTQ: "I'm sure, like everybody else, I've got big plans too. So I'll let the future take care of itself and plan for world domination. Now, if I could just find the patience."

DAVID FORTNEY, WKLT: "My long range career goals are to organize a very successful staff at a very successful radio station and to be as popular as Greg Gillispie. In five years, I'd like to be working in a major market."

AL CAFARO, A&M: "Managing a hit band."

JEAN CASHMAN, WZTA: "Rich and famous. And I'll take donations."

CATHY DOWN, WLNZ: "As for long range goals, I'd like to do some kind of music consulting, or program a major market station, preferable in LA. As for five years from now, I hope to be doing more extensive music research and hopefully be a PD."

ELISE VANDERBORGHT, KNCN: "I didn't really pick radio as a career. It sort of picked me. But I find that I love it and hope to be working at a major market station soon. I would like to be a singer in a rock and roll band, but if (ha! when) that doesn't happen, I plan to be working in radio as a music director somewhere up north like Colorado or Canada."

TY BANKS, KQWB: "I would like to be off the air and writing comedy in Hollywood."

"CATFISH" PHIL, WHMD: "Five years from now, I'd like to be either programming a small market station or air talent on a top 30 market station. I'd like to be the master of my own destiny."

JENNIFER GIPE, WWTR: "My long term career goal would be to own a radio station and make lots and lots of money. I will be famous and remembered for a significant change in the radio industry. You'll have to wait 30 years from now to find out what it is."

ROBIN MATHIEU, WBLM: "In five years, I would like to be a music director in a major market, then perhaps in ten years, a program director in a major market or maybe I'll just scrap all that and move into the record industry."

JASON TYLER, WRUF: "I'd like to be a PD in a major market, Carole Alt as my wife, and making at least 6 figures, but above all, rockin' and rollin'."

KEVIN VARGAS, KWHL: "I want to be Music Director at KGB. I'd also love to contribute to the resurgence of a heritage station that had been suffering from a down time. I think that would be very exciting, challenging and gratifying."

DON BERNIS, CFNY: "My long range career goal is to move into voice-overs/acting. Five years from now, I hope to be PD of one of the Top 5 stations in Toronto, namely CFNY."

ANTHONY ALFONSI, WDVE: "Long range career goals: eventually I'd like to produce a record or somehow be involved in the actual making of a record...Five years from now, I'd still like to be employed, which is quite an accomplishment in this business."

DAVE KANE, WCMF: "What the hell is this, a job interview?????"

JIM STEEL, WIOT: "My long range career goal is to stay happy, so in five years I'll be doing whatever it takes to keep happy. If that's out of this business, then so be it, and if it's in this biz, that'll be even better."

QUESTION OF THE WEEK

Continued From Previous Page

BOB WALTON, WRDU: "My long range material goals are bigger bucks, bigger market and a bigger car. But personally, I'd like to be programming, and quite frankly I still enjoy what I'm doing. Five years from now? See above. I plan on doing this till I drop."

JIM ROBINSON, KMMX: "Sitting on a beach in St. Thomas."

JOHN FOSTER, KMOD: "Sitting on a beach in Cozumel with a rum swizzle."

ALAN WHITE, KILO: "I'd like to program. I definitely would like to stay within the industry in some capacity--either radio or records. This is all I know how to do."

MARY LONDON, WRFX: "Be in syndication."

BEAVER BROWN, KDJK: "I'd like to get into record promotion with a good record label or be a hit MTV DJ. Five years from now, I hope to have won the California lottery and be a millionaire."

LORRAINE RAPP, WAQX: "I would like to be a millionaire laying on the beach in the south of France."

TERRI DUGAN, WXP: "I'll probably be selling shoes. But, if I could stay in radio, I'd like work in Milwaukee, doing nights as a music director."

JOE MARINO, WAQY: "For me, I would like to be working in the city of Boston, where I grew up; and I could say hi to my Mom and Dad."

GENE ROMANO, WZZO: "Station management and ownership. Yea, that's the ticket."

TRICIA GRIFFITH, KBER: "Five years from now, I want to be so rich that all I have to do is lie in bed, watch TV and eat; then be able to go to a spa in Palm Springs and work it off."

BARRY LYONS, I.R.S.: "Five years from now, I'd like to be sitting on two things: 1) A million dollars; 2) Season tickets in the bleachers at Wrigley Field."

PAM BROOKS, WPDH: "My long range career goals are to have a job, to love my job, make a lot of money at my job, have somebody else pay 3/4 of the bills, and to still be surrounded by super-exciting music and the people involved in it."

GREG MULL, WRXK: "To remain in some form of radio and have some input into programming, either as a consultant or a group programmer. Within the next few years, I look to move into programming a top fifty market heritage AOR. The challenge there being to take an existing station, inject life into it and keep it exciting."

STEVE MCNEE, WZXL: "To be programming a major market radio station or consulting, but most of all, having fun."

RICK WEST, WXKE: "Continuing to follow the AOR audience as it grows up. As they make a lot of dough, so shall I."

RADIO ACTION

WIOT, TOLEDO, OH M.D.-JIM STEEL: "This business needs more people like Joe Walsh. His sense of humor and hooky tunes are so very refreshing...River Rally updates include 45,000 people for Rare Earth and 65,000 for Three Dog Night (actually it's Two Dog Night now). Not bad attendance for Toledo classic bands...Thanks to Mark Wescott of Columbia for the special treatment at the Eddie Money show at Pine Knob. My friends and I won't forget it...Kudos to the FMQB for the super high quality sampler cassettes. They're much more practical and usable than a sampler on CD, since I rarely have the occasion to listen to a CD sampler, but cassettes are with me all the time. Keep up the good work!"

KGB-FM, SAN DIEGO, CA M.D.-PAM EDWARDS: "The Call's 'I Don't Wanna' is their most passionate song yet, laced with a sense of urgency that propels the band to new heights. This is an automatic add for us, because The Call has become a staple in our AOR diet...U2's 'Spanish Eyes' is simply incredible! Bono's voice is up there in those lofty regions and he makes it sound easy. The Edge is - well, The Edge never misses. Freshen up your U2 category and include this B-side. It's too fine to ignore...Speaking of The Edge, we've also been captivated with 'Heroine'. It's quite an exceptional change of pace on-the-air...Listening to INXS team up with Jimmy Barnes is even better than cuddling Koala's. We've played the import with good results. There's also a B-Side on the import called 'Laying Down The Law', if you want to get a jump on your competition."

KAZY, DENVER, CO M.D.-TIM JEFFREYS: "You've got to love INXS/Jimmy Barnes with 'Good Times', sort of the Easy Beats of the 80's. Joe's on with 'The Radio Song' although it took a couple of listens for me...Future killers: look out for the Cruzados 'Bed of Lies' and Great White's 'Rock Me'."

KGON, PORTLAND, OR M.D.-INESSA YORK: "So much music and so little time. Some of the easiest listening includes INXS...A tremendous surprise from Great White. Don't miss that one...And as many cheers as I can muster for the new John Hiatt album; got to be one of the tastiest albums of the year. And what a band. No wonder they sound so good. Don't stop at the 12", you'll be doing yourself a complete disservice...Very good response to Omar And The Howlers. We're looking forward to a showcase with them. My favorite follow-up tracks are 'Lee Anne' and 'Don't You Know'."

KQRS, MINNEAPOLIS, MD M.D.-JOHN LASSMAN: "Thanks to Bon Jovi and Co. for two sold-out nights at the Met, an exclusive interview and the most bewildering basketball game of my life!...In response to last week's question describing our competition in 25 words or less, the KQRS programming department sez 'commercial free, 30 in a row'."

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "Jon Astley is #1 on the phones again. We are all over this record and it is the buzz band at BRU...Zevon lovers never fear; the new album is witty and nutty and as fresh as ever. 'Detox Mansion' is such a hoot. We couldn't wait to add it...INXS and Jimmy Barnes is a natural combination and add... The Call have clearly earned their shot. The rest of the album is gonna knock you out. 'I Don't Wanna' is only the beginning

for this band...There is lots of phone activity for the Boston band Scruffy The Cat. People dig this roots rock...Fire Town has also generated some great commentary. And of god, Steve Jones, you simply fool us if you don't consider this record; it's amazing."

WLIR, LONG ISLAND, NY M.D.-LARRY 'THE DUCK' DUNN:

"Tonio K. 'Sex with You'—I'm drooling, a summer smash, a killer. The speakers are still drying. There must be something in the air this week. Spring fever isn't over yet. We just added the Hard Ons in heavy rotation. I've heard programmers have trouble with this band. Why are they sitting on the Hard Ons? (Sorry, I couldn't resist.) This Australian band has been regularly played on our import show Off The Boat for the past couple of years. 'The Girl In The Sweater' is a great little psychedelic nugget...U2's 'Spanish Eyes' is the best non-Lp B-side to come down the pike since XTC 'Dear God'. My thanks to Ken Foreman of The Thrashing Doves and Alison Moyet for phoning in live...Screamer of the week: Danny Wilson's 'Mary's Prayer'."

WLVQ, COLUMBUS, OH M.D.-WENDY STEELE: "It's good to hear the old Neil Young again. That's what listeners are saying about 'Long Walk Home'. The tempo's a little soft but Neil can get away with it...Thanks Joe Walsh for the great plug of our medium. It's already creating early curiosity calls...There's always room for a good time, fun record and that's what INXS has with 'Good Times'. It is an interesting and unique collaboration. I foresee a Great White future for 'Rock Me'. It sounded great on the FMQB Sampler."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "Our Fave Rave of the week here at WMMR is the new one from Roger Daltrey. I realize for some it may take some getting used to. It seems he often strays from The Who sound intentionally, but this time he's done it in a big way. 'Take Me Home' is so believable — in fact it's unbelievable. The vocals and the arrangement are stupendous...Joe Walsh's new one again pulls from his vast and wild sense of humor. 'The Radio Song' will be just that...We're going on the latest from Patty Smyth, not only because it's a bonafide hit, but that our very own Tommy Conwell is the smokin' guitar player you hear...The Richard Marx record is performing fantastically. Requests are through the roof."

WHCN, HARTFORD, CT M.D.-KIM ALEXANDER: "Can so much happen in 2 weeks? June 1 was the 20th anniversary of 'Sgt. Pepper' and our morning show guest was Merv Amols, Capitol Records rep for almost 40 years. Thank you Merv for your colorfull insight and all the good poop and thanks Capitol for the new Marillion release. They now sound like 80's

Genesis..Wait 'til Great White hits your airwaves. 'Rock Me' is going to be the next 'Still of the Night', mark my words...This week I couldn't decide between John Hiatt, Tom Kimmel, and Steve Earle so I added them all. We'll let them duke it out on the airwaves...Finally, Los Lobos 'La Bamba' is a 2-1/2 minute instant party...Neil Young's 'Long Walk Home' is the ultimate in class."

KLOL, HOUSTON, TX M.D.-HARVEY "DR. K" KOJAN: "I knew right away I was in trouble. No doubt about it. The voice on the phone was undeniably menacing. 'So what's the deal on Hagar?', he demanded. 'Whaddya mean', I stammered. His voice rose, 'Aren't you playing the new Sammy Hagar?', he queried. 'Of course', I replied nervously. 'It's a heavy great song. What's the problem?' 'THE PROBLEM', he shouted! 'You didn't report it!' 'I didn't', I asked meekly. 'No', he replied, 'you didn't'. '140 stations managed to remember to report it; but not KLOL...I guess I'll report it this week...OK?' 'Yeah, right', he said...Then his foot came through the line...The Call's 'I Don't Wanna' is undoubtedly one of the very best songs of the year...absolutely mesmerizing...inspiring...an awesome tour de force. They actually pull off not one but two breathtaking chill-inducing climaxes! Michael Been delivers a truly brilliant vocal performance and the rest of the album is excellent as well, especially 'In The River'. Whew! By the way, congratulations to FMQB on a sizzling sampler, especially side two which puts me in rock 'n roll heaven. After Whitesnake and Great White, who needs Zeppelin?"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Best New Release: Warren Zevon 'Sentimental Hygiene'. One of the best albums of 1987...Best New Song: The Silencers 'Painted Moon'. The harmonica at the beginning grabs your attention right away...Building: Joe Walsh 'The Radio Song'; Stan Campbell 'Years Go By'; Danny Wilson 'Mary's Prayer'; Steve Earle 'I Ain't Ever Satisfied'. All move to power rotation...We've added in another Thrashing Doves song, 'Jesus On The Payroll'...And we switched to 'River Of Love' from Nicholas Tremulus — a very good record that's being overlooked...Retail: U2, Robert Cray, Suzanne Vega, Crowded House and the Nylons are the hottest selling adult records. Rounding out the Top 10 are Fleetwood Mac, XTC, R.E.M., Tom Petty and Oingo Boingo...Requests: U2, Suzanne Vega, Jon Astley, Dan Fogelberg and Mason Ruffner...Thanks: Michael Brannen and Randy Robbins for their visits."

WBVR, BUFFALO, NY ASST. P.D./M.D.- CAROLYN WESSEL: "Thank you to Geffen and Atlantic Records. Geffen provided Little America and Atlantic provided Brighton Rock for our first anniversary party. We'd also like to thank Bruce and Doug at Could Be Wild. They had a whole bunch of people call in and wish us a Happy Birthday including The Cult, Ronnie Montrose, Ozzy Osbourne, Jon Butcher, Kim Mitchell, Paul Kantner, Honeymoon Suite, Psychedelic Furs and Los

Lobos. Thanks to all the record people who had people call in."

WCCC, HARTFORD, CT P.D./M.D.-HARVE ALAN: "With the release of Joe Walsh, Neil Young and Roger Daltrey records, we see how you can play lots of currents (like 'CCC) and make your 25+ audience come to their feet...In parts of the country, The Cure has made some noise. If you passed over the latest track, take a minute and go back. This record could be a hit. 'Why Can't I Be You' is selling in Hartford and is on its way!...Talk about Hartford favorites, Marillion has always been popular and after the first play of 'Incommunicado', we know we have a big record on our hands...Major success in store for INXS. 'Good Times' is a smash. The song rocks...From the novelty file, just right for summer is Los Lobos' 'La Bamba'. Our whole office staff said 'play it again' while listening in my office...Finally, if I were to copy, copy, copy, I would be Hartford's #2 rocker. It's kind of funny how clouded one's thinking can be once they've been defeated, and now I'm so confused that I must go finish working on the ducts. I'm an air conditioning repair man, right? Ha, Ha!"

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-CHARLIE LOGAN: "As the lazy days of summer come upon us, I'm hearing three songs that really reflect a warm weather attitude from searing hot to a humid groove: INXS - the hottest song of the summer. 'Good Times' does not accurately convey the feeling I get upon hearing this song. I'm wild, I crank it, I start dancing, I'm singing - Man it's happenin'. I'm excited. Whew!!...Hege V - 'House Of Tears'. It's the year of Bayou swamp rock. If you dealt with the Satellites or even Omar, this is just as easy to get on. Break out the fly swatter, get ready to sweat, have a Bud and get down...Steve Jones' 'Mercy' sounds better with each spin. For such a subtle song, this is generating strong phone reaction. Another perfect song for summer and those hot lazy nights."

WHJY, PROVIDENCE, RI ASST. P.D.-GLENN STEWART: "First, we'd like to thank John McGann and everyone else who assisted in our 'Live From L.A.' broadcast this past week. New England's favorite high profile personalities, Carolyn Fox and Ruby Cheeks, took their show on the road to talk with Ray Davies, Motley Crue, REO Speedwagon, Wolfman Jack, Joe Walsh, Bernie Taupin and countless others. It was cinematic radio at its best...Joe Walsh's 'Radio Song' is the perfect marriage of lyrics and music...INXS and Jimmy Barnes is the best Aussie invasion since Crocodile Dundee...Keel's 'Somebody's Waiting' gets this week's Def Leppard sound-alike award - but I'm not complaining."

WIOQ, PHILADELPHIA, PA M.D.-DAVID ANDERSON: "Move over Dolly, Emmy Lou and Linda. I've found a new trio: Joe Walsh, Warren Zevon and Dan Fogelberg. That's not the Goodyear blimp that you see up in the sky, that's Joe (Got Any Gum) Walsh blowing a balloon-sized bubble and floating toward the rarified air of #1. I wonder if he'll do any traffic reports while he's up there. (He's done everything else on the radio)...Zevon is back and his knife is razor sharp. 'Hygiene' plays like a novel by Thomas McGuane or Vonnegut. 'Boom Boom Mancini' and 'Factory' are just the beginning of a new chapter for this truly unique performer...Dan Fogelberg's 'Exiles' is an almost perfect 25+ album. Males and females who appreciate quality with their music will enjoy it immensely. We're 2 cuts deep and getting good response to the 2nd track 'It Doesn't Matter'...Thanks to Frank Sciarra of Atlantic for the visit this week with Jon Astley, and to George Silva of EMI and Rich Tamburro of Manhattan for dropping by with the newly signed artist In Vitro."

KSJO, SAN JOSE, CA M.D.-DAVE NUMME: "Gotta do it. I'm gonna finish college so I'm leaving this wacky radio biz for

awhile. My past two years at KSJO have been great. I look forward to programming music again soon. Next time with a sheepskin on my back...Give Patty Martin a call. She's a fine babe who will be handling music. See ya!"

CFNY, TORONTO, CN ASST.P.D./M.D.-DON BERNIS: "The last few times I've gone to the El Mocambo (you know, the place where the Stones recorded one of their live Lps) it's taken quite a bit to get the audience on their feet - even Simply Red had to work their Ya Yas off - but the house was rockin' and dancing last night, and for a midnight show too. Who would sell out the house for a late night Monday show, you ask? None other than the Thrashing Doves, I answer, who apparently have been doing sell-out business just about everywhere they're playing on their six-week tour. Even cities where they're getting no radio play, the word seems to be getting out that this band is new, fresh and hot. Don't take my advice though, go see the Doves and find out for yourself. They are without a doubt one of the premier groups to debut in 1987...While others are wailing with 'Amy Grant' from The Fresh Young Fellows, we're off and running with 'When The Girls Get Here'. Any way you listen to it, this is young, fresh stuff that deserves as much airplay as it can get...Who do you suppose would have the balls to cover Hendrix's 'Purple Haze'? His name is Huge Marsh, he's Bruce Cockburn's violinist, and he doesn't sing - so he got a friend of his named Robert Palmer to handle the vocals. Not out in the U.S. yet, but as soon as Canada's Duke Street Records gets a deal, watch out!...Single Of The Week: Gary Numan's 'Radio Heart'. Crossover material if I've ever heard it. In fact, if you don't look at the label when you first hear it, I guarantee you won't know it's Numan. A welcome return to the airwaves for one of our core artists...If you've had success with 'Kiss' (the song), now comes 'Who's Afraid Of The Big Bad Noise' - where Age Of Chance (the group) meets Art Of Noise. This one's getting requests even before we put it on-the-air...And speaking of Art Of Noise, is there any way the 'Dragnet' theme is not going to be a hit? Get to it before the CHR's burn it to a crisp...And finally, with 'When Smokey Sings', ABC has a smash. Their best song in years."

WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI: "Neil Young's 'Long Walk Home' brings back some memories. This song grabbed me within seconds of listening to it...The INXS/Jimmy Barnes 'Good Times' is a smoker. It's one of the better power rockers I've heard this year...I must agree with everyone else, Joe Walsh's 'Radio Song' sounds like the Beach Boys. You never know what to expect from Joe...Farrenheit's 'Lost In Loveland' is another great song for the summer. This group will get a lot of exposure as the opening act for Boston's tour."

WBCN, BOSTON, MA M.D.-CARTER ALAN: "This week WBCN is preparing for its infamous Rock And Roll Rumble, which puts 24 of Boston's best new bands on stage over nine nights. Previous semi-finalists include: Til Tuesday, the Del Fuegos and Face To Face...We are also reeling from the weight of new releases and a fantastic load of great ones at that...We couldn't wait for the Simple Minds domestic live album, so the import has been liberally spicing the airwaves. These new versions blast apart their studio counterparts and include proven hits such as 'Alive And Kickin'' and 'Sanctify Yourself' as well as 'BCN faves 'Promised You A Miracle' and 'Waterfront'...Neil Young's new American anthem has prompted huge reaction at WBCN. I can hardly wait for the Lp...Joe Walsh checks in with his hit-bound 'Radio Song'. Not as biting as 'The Confessor', but more commercially appealing. It should be bound for CHR playlists...We are having great success with the Gary Numan tracks, and this week Suzanne Vega blasts Motley Crue out of the #1 request slot...U2's 'Still Haven't Found' forges to #2, with our 'Joshua Tree' favorite 'One Tree Hill' coming on strong as the 10th Most Requested song at 'BCN for the week.'"

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "The Radio Song' by Joe Walsh pays us the ultimate compliment with a fun-filled tune. Can a custom version be far away?...I Don't Wanna' by The Call relays the sense of urgency in Michael Been's voice. It draws you in and then drives you home with its catchy rhythm and melody...Roger Daltrey's 'Take Me Home' combines a jazzed up arrangement and his gruff Tom Waite style vocal that makes for a very unique sounding record. This could be a breakthrough...INXS and Jimmy Barnes produce a flame-thrower. 'Good Times' is a rocker in the Chuck Berry style...Marillion's 'Incommunicado' capitalizes on the British progressive sound vocally and musically...And Neil Young's 'Long Walk Home' was a tune he did in concert on his last tour that drew a roaring approval from his fans. This is pure Neil."

WLAV-FM, GRAND RAPIDS, MI M.D.-ARIS HAMPERS: "Paul Janz -- I don't know who he is but it's the best album I've heard from a new artist all year!"

WTPA, HARRISBURG, PA ASST. P.D.-CHRIS JAMES: "Joe Walsh, Joe Walsh, Joe Walsh. If I could get away with playing it every hour, I would. With so many great classics to his credit, it's difficult to say 'Radio Song' is the best ever, but it's up there. Play it loud and play it often...The INXS was a welcome surprise. Any disbelievers that they were not a straight-ahead rock and roll band, can take their foot out of their mouth now. 'Good Times' is an add to heavy and already shows good phones...If quality rock and roll is what you're looking for, the Marillion is perfect. Once again a smash if you're 8 to 80...We've been getting requests for Europe's 'Carrie' since 'The Final Countdown' was released. Besides how can you ignore a band that's sold one and a half million copies...Suzanne Vega continues to light up the phones. It's a bona-fide hit in all demos...Thanks to Rick Salvador of Capitol for your help in the 'Sgt. Pepper' promotion...Our 93 days of summer have just started to catch fire. Wait until the full inferno blazes in."

WAQX, SYRACUSE, NY ASST. P.D.-LORRAINE RAPP: "The challenge this week was finding room for all of the great music that's out. Many deserving songs are still on deck. The INXS/Jimmy Barnes combo was a real surprise, very unlikely, but a great rock and roll record...Going a step deeper with Gregg Allman and Peter Wolf...You've got to love Los Lobos 'La Bamba'. It's an instant feel good record that we are playing on the morning show...Marillion's best encompasses the sound of classic Genesis and Yes with their new song 'Incommunicado' -- don't overlook it."

KZRR, ALBUQUERQUE, NM M.D.-JESSIE BRICE: "The new music director, effective June 22, is Hubby Dean. Music hours will be 12N-4P Mountain on Monday. To everyone who's been so kind and helpful to me over the past year and a half, thanks for the memories."

KLBJ, AUSTIN, TX M.D.-JEFF CARROL: "Fabulous Thunderbirds' new album is great. The production and overall sound is going to make this a top contender. Check out the remake of 'How Do You Spell Love'...Great White has an excellent song that's destined to be in our gold rotation for years to come."

WAQY, SPRINGFIELD, MA M.D.-JOE MARINO: "The Warren Zevon album is a fantastic comeback for the guy we've all loved to listen to for years. It is album rock's duty to expose those younger than us to this great artist...If you just put aside the Marillion CD of 'Incommunicado' you did yourself a huge disservice. It sounds like Yes meets The Who meeting Peter Gabriel, which is a fantastic combination...I still see some of you haven't added Envy yet. You'll be 'Envious'

of those of us who did...And finally, watch out for the new Great White cut 'Rock Me'. It's an epic killer a la Zeppelin."

KICT, WICHITA, KS M.D.-PHIL THOMPSON: "It's a busy week music-wise and of course we're going on the 'Radio Song' by Joe Walsh. Someone told me in advance of receiving this record that it was really weird. I put it on my turntable and it was about as mainstream as I've heard. Then I figured, mainstream? Joe Walsh? That is weird...INXS and Jimmy Barnes -- a very hot combination. Looking forward to the rest of the soundtrack...This town is looking forward to the Little America show on July 1, and rumour has it that Hege V might be rolling the hearse into town that week also...Two new tunes that blew me away this week were the Cruzados 'Bed Of Lies' and Great White 'Rock Me'. Look for adds on those next week."

WRFX, CHARLOTTE, NC M.D.-MARY LONDON: "Feel free to help decorate our new studios."

WTUE, DAYTON, OH M.D.-JOHN BEAULIEU: "Boy, go on vacation for a week and look what happens. Walsh, Daltrey, Young and INXS -- it sure sounds good to be back. Thanks to Shelly and Al for the great CBS/Epic riverboat ride on the great Ohio. And to Bethel for the 'Sgt. Pepper' CDs...We'd like to welcome aboard Steve Kerrigan to WTUE for mornings. Steve comes to us from another winner, WLVQ, to handle 5:30-10AM with Angela Hall. I will be moving back into the 3-7PM slot after putting mornings back where they should be -- at #1. Kevin Crisler takes over the all night duties and Cris Geisen is now production director/weekends. Also, we welcome Mark Bianchi aboard for weekends. All kinds of changes to keep WTUE cookin'."

WEGR, MEMPHIS, TN M.D.-KELLY CRUISE: "INXS! INXS! INXS! INXS! INXS! INXS! INXS with Jimmy Barnes should be the smash hit of the summer...The Radio Song' from Joe Walsh is a natural for us. Joe has been a guest on our station several times since moving to Memphis and the song was recorded here at Ardent Studios...John Farnham's 'You're The Voice' is finally getting an add on the Eagle. I believe it's just one of those sleepers like Crowded House had been."

KDJK, OAKDALE, CA M.D.-BEAVER BROWN: "Hey, get serious! Why aren't you playing Jon Astley's 'Jane's Getting Serious'. The phones are going crazy...Australians must know something because John Farnham's 'You're The Voice' is great...Speaking of great, Ace Frehley is still it with me, and Motley Crue too. By the way, I'd love to see the outtakes of the 'Girls, Girls, Girls' video. Ouch!

KPOI, HONOLULU, HI M.D.-ANDY PRESTON: "Album radio should not overlook Hunter's 'Dreams Of Ordinary Men'. It's a really cool song!"

WRQK, CANTON, OH M.D.-GREG MORRISON: "Something about that searing harmonica in the beginning of 'Long Walk Home' brings the older Neil Young fans out of their closets. After test spins, the phones made clear that the old melancholy Neil was welcome back...The new Marillion blew me clear back to the 'Foxtrot' days. This is the kind of music that makes AOR so exciting...Motley Crue tops the local retail chart, but then what else is new...New Joe Walsh is custom made for Northeast Ohio. He always has a place here."

WRDU, RALEIGH, NC M.D.-BOB WALTON: "Our ears this week are focused on Southern California. First and foremost the Warren Zevon album. I've never been a huge Zevon fan, but I am now. From beginning to end it's a great rock n' roll record both musically and lyrically. Guitars, Dylan, twisted lyrics--it's got it all...X marks the spot. X continues to drop that old image and make some good American-styled fire-brewed rock n' roll with an album to put on while you're out on the fire escape drinking a cold one...And Joe Walsh: Rock n' roll's original class clown strikes again, with what

may be 'a serious song', but you gotta wonder if he was wearing nose plugs when he recorded this one."

KMJX, LITTLE ROCK, AR M.D.-DAVID ALLEN ROSS: "Like, check this out dudes and dudettes: The March/April Birch numbers are in. Magic 105 - #1 men (18-34) with a 29 share; closest competitor is a Top 40 at 15.3. Magic 105 - #1 men (25-54) with a 16.6; closest competitor is an FM country with a 15.2. We seem to be right on track."

WKFM, FULTON/SYRACUSE, NY ASST. P.D.-BRIAN ILLES: "Thanks to one and all for your patience during the past hectic week. Please note new music call hours: Thursday and Friday 10am to Noon - and for you left coast types: Thursday from 7:00 to 7:30 PM. Adds and rotations will be ready at the front desk Tuesday at 12 Noon. PLEASE, PLEASE, PLEASE try to stick to these hours! I want the music aspect of my job to be run much more efficiently, which I'm sure you can all relate to. Your help will be greatly appreciated. No, we are not changing formats, and no, the station is not up for sale. I look forward to speaking to you all soon."

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "John Waite 'These Times Are Hard For Lovers'; it's his best rocker since the Babys. Top 10 phones in one week...Marillion 'Incommunicado'; I'm sure that the tune will be an indicator that 1987 will be their year...INXS 'Good Times'; I got the same kind of chill I did when I heard 'What You Need' for the first time. Summertime smash...Joe Walsh 'The Radio Song'; The song title is so fitting with all the radio fill-ins he's been doing. I also love the Lp title...Heart 'Who Will You Run To'; 'Alone' was the perfect crossover leadoff track. Now it's time for AOR to own this project, and there's more than one great rocker on the Lp...Sammy Hagar 'Give To Live'; although we froze reports last week, this one went heavy out-of-the-box...The Outfield 'Since You've Been Gone'; They pick up where they left off, with another obvious Top 10 single...Also on: Steve Jones 'Mercy' and Neil Young 'Long Walk Home'...Top 5 phones: Motley Crue, Whitesnake, Ozzy, Heart and Suzanne Vega. Also significant calls on the Cult 'Lil' Devil'."

KATP, AMARILLO, TX P.D.-JACK RANDALL: "A big thanks this week to Virgin Records. If you haven't had a chance to see the Cutting Crew yet, definitely take the time. It was one hell of a tight show from a great group of guys that are going to remain at the top. Thanks to Bonnie Stacey for the trip to Dallas to see them. Also, thanks to Jeff Naumann in Los Angeles for the Cutting Crew CD...Of course, the Texxas Jam is coming up quick. See you in Dallas Friday and Saturday."

WRCN, LONG ISLAND, NY P.D.-LENNY BLOCH: "Congratulations to Bob Kranes. If he's as good an A&R man as he is a third baseman, look out!...Joe Walsh continues to take the road to the nuthouse. We love 'The Radio Song' and thank The Bomber for thinking of us...Warren Zevon's music is as sensitive as an open wound. I love 'Boom Boom' and 'Reconsider Me'...Isn't It Midnight' from Fleetwood Mac was our original fave and gets the nod this week...So, Neil Young is whining about the 'Long Walk Home', and early response from our listeners is positive. Mom always made me turn down my stereo when Neil was on. If she could only be in the studio with me when we play his latest. An album Radio automatic...For our 'Sgt. Pepper' tribute we ran a show produced by Russell Carey of WLVQ in Columbus, Ohio. Great show, mate!...We're selling chunks of garbage from the infamous Long Island barge for charity. Wanna piece? Call me."

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "Aren't you relieved to know that Warren Zevon remains twisted even when he's straight. Good initial phones on 'Sentimental Hygiene'...Love this Rock And Hyde song. You might prefer an edit, but for our money the opening of 'I Will' is a perfect set-up and attention getter for one of the summer's greatest hooks...Joe Walsh has done better, but not in a long time, and with lyrics that massage the medium like these, how can you go wrong?...Welcome back from the brink of oblivion to John Waite. Don't you wish you had a transcript of who else has been calling Desmond Child's machine?...If 'Long Walk Home' is any indication of things to come from Neil Young, we are primed...The Bears album is absolutely brilliant, which is no surprise coming from Adrian Belew, but it's commercial and radio potential did catch me off guard. Check out 'Fear Is Never Boring'...The announcement from Polygram's A&R department explains the reports of whooping Kranes we've been getting. Congrats to Bob. With his ears, this is a move we should all benefit from."

WLNZ, LANSING, MI M.D.-CATHY DOWN: "It's graduation time and the class of 1987 stands with honor and pride. The turn of the tassels and the awarding of the diplomas symbolizes the true class colors and spirit. Here at the University of WLNZ, we have issued masters degrees to the following '87 graduates: Joe Walsh and the combo of INXS and Jimmy Barnes - definitely proving that six heads are better than one...Bachelor documents are awarded to Steve Earle and Marillion, who are still working on their higher education stripes and continue to strive towards this goal with every spin...And Lansing's Lazer issued a special honorary doctorate degree to Neil Young's 'Long Walk Home'. Neil's still writing about the war but, finally, I think he's arrived home and plans to stay there with the thoughts of the '60's left in the past...As for the latest Roger Daltrey, personally I think he's a legend, but as for 'Take Me Home', I just hope this album stands up to his legendary status because the single definitely does not. So his degree is temporarily put on hold. As for the rest of the class of '87, a big congrats."

WPLR, NEW HAVEN, CT M.D.-CHRISTINA: "I'm going to buy me a Music Buoy and kick out the jams to the hottest track of the summer - INXS and Jimmy Barnes 'Good Times'. Put this one in power right away."

KFMU, STEAMBOAT SPRINGS, CO M.D.-DAVE ROSS: "We're excited to be in the QB. We highly respect this trade and look forward to reporting each week...KFMU is now in its 12th year as Colorado's finest rock. We also have the standing as being the world's only wind powered radio station...My hours for music calls are Monday, 12:30 to 3 PM and Tuesday 12:30 to 2 PM. You can reach P.D. Kelly Thomas on Fridays 9:00 to noon. Please make all calls to 303-879-5368...That's it for now from the world's only wind powered radio station."

KFMH, MUSCATINE/DAVENPORT, IA P.D.-STEVE BRIDGES: "Been hearing some bitches on the direction of Roger Daltrey. Cut the man some slack. Remember what Daltrey and The Who were all about and let him take his chance. The track is excellent and deserves some airplay."

WWCT, PEORIA, IL M.D.-PAUL NELSON: "The INXS song is the perfect summer song. Couldn't get it on the radio quick enough."

WGLU, JOHNSTOWN, PA M.D.-BRIAN WOLFE: "Thanks to Rob Ellis of Geffen and Little America for their great show and appearance here in Johnstown over the weekend...Some automatic adds this week: INXS, Neil Young and Joe Walsh...Roger Daltrey's new one is very different from his past work, with its guitars and rough vocal mix. It's one that we must give our listeners...Also, we break down and do Ace Frehley this week, and one that I've talked about before finally goes in, and that's Fire Town...Also Tom Kimmel has been receiving curiosity phone calls."

WKQQ, LEXINGTON, KY M.D.-STACY YELTON: "Radio Waves', 'Radio Song', radio's hot! Thanks for the salute, Joe Walsh. This song takes me back to the..., but seriously folks, sound and the timing couldn't be more perfect...From the goosebump department: 'Long Walk Home' from Neil Young And Crazyhorse is the record I've been waiting for since the 'Rust' album. Enough techno, hillbilly and do-wop. It has been a 'Long Walk Home'; we're glad Neil took it...Is there a bad track on Gregg Allman's 'I'm No Angel'? 'Can't Keep Running' shows off the versatility of the album in fine style...INXS and Jimmy Barnes prove they can move without sax and synth, but the classic INXS beat is there. You can't lose. 'Good Times' for all."

KNCN, CORPUS CHRISTI, TX M.D.-ELISE VANDERBORGT: "Inundated with tons of good new music, we did the only thing we could. We have expanded our playlist to include more new music. First off, grab that Marillion CD single, pop it in, crank it up, and relax to some of the best sounding music these guys have ever done. Then play it again for everyone else in the office...Finally got Pepe Lopez fingers' pried off the advance cassette from the Cruzados. It's just as good as he says it is...And how about the new Roger Daltrey? Old Who fans may be disgruntled, but I love the new direction he's taking...Stay tuned for a report on C-sculptures. Hope we don't get rained out."

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "It's a Cruzados crusade. What could be easier or more fun? A wonderful Lp chock-full of one great track after another, with Pam's picks being: 'Bed Of Lies' and 'Summer's Come, Summer's Gone'. 'After Dark' is a definite candidate for the school of 'I wore my copy out, send me another copy quick'. Hot stuff to make the long summer a real steamy one. I loved my listening kit, however I'm drinking the margarita to mourn the death of my cactus which didn't make the trip in tact. Needless to say, radio is going to be very exciting this summer season, with all of these exceptional releases coming our way...Some stuff I couldn't wait to get my hands on and rush right on to those turntables include the new Marillion. A loyal and ever-growing audience is still clamouring after the 'Misplaced Childhood' material, so my bet is 'Incommunicado' will be music to their ears as it bullets up the charts. A fresh and invigorating romp by Fish that has me wanting more...We also like the new turn that Dan Fogelberg has taken, so much that we're now exposing our listeners to another hot track, 'It Doesn't Matter' -- a cooker that teams Dan's superb voice with a real aggressive delivery that should open him up to a whole new audience. DO NOT ignore this Lp...Joe, Joe, Joe, - one of the most wonderfully offbeat voices of our time. 'The Radio Song' is top notch, so crank it up. I like to listen to music, sweet music for the 80's. Everybody, everywhere should be on this one...Gotta go, The Call is waiting."

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "Throw away the Armor-all, bring on the rust! Neil Young And Crazy Horse are back together and 'Long Walk Home' is a good start to what could be one of the summer's biggest and best albums. Just the cover of the 12" alone is encouragement. Now if only something could be done about allowing Neil to play with C.S.N...I thought the Marillion 'Incommunicado' sounded good on cassette, it sounds fantastic on disc and the album is sensational...Until further notice, KWHL music calls will be taken between 11:30 and 1:30 Alaska time (which is one hour behind the coast). Days: Monday through Friday. If I'm not at my desk, it's probably because I'm chained to the production board or have been sent on a promotional."

WRUF, GAINSVILLE, FL M.D.-JASON TYLER: "Another week

has passed and the great new music still arrives. (U2, INXS, Fabulous Thunderbirds, Joe Walsh, Neil Young and The Call). It's a music director's dream, and I wish I had more room...If you get a chance, check out 'Detox Mansion' from Warren Zevon's latest."

WGIR, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "Love the new INXS record. This one has hit written all over it and one of the strongest new records comes to the front of the pack...Joe Walsh has come up with a good 'Radio Song', which isn't as quirky as some of his past material and it's bound to be on the radio throughout the summer...Roger Daltrey's record is interesting. It's like nothing he's done before. It has a real 80's feel to it...And always a pleasure to play yet another track from the Georgia Satellites. These guys will be hitting Manchester along with Tom Petty and the Del Fuegos in July and I can't wait."

KFMQ, LINCOLN, NB M.D.-JOE SKARE: "Joe Walsh's 'The Radio Song' could be the radio song this summer. Great to hear Joe back and sounding so good...The same goes for Neil Young. 'Long Walk Home' is a great song with a stirring message and is already generating a lot of phone activity. Neil has a great following around here and I expect this one to go top five phones soon...Tom Kimmel's 'That's Freedom' keeps running through my mind long after I've heard it. One listen and I bet you're hooked...Thanks to Atlantic's Mary Tripodi for the visit and delivery of the new INXS...Whitesnake makes a resurgence to the Top 5 phones on the strength of 'Here I Go Again'. It moved into a heavy rotation."

KRIX, BROWNSVILLE, TX ASST. P.D./M.D.-JOE KELLEY: "Neil Young 'Long Walk Home'; what a great song! This song grabs you by the heart...INXS and Jimmy Barnes; warning: it burns like dry ice...The Call's 'I Don't Wanna'; starts off nice and slow and builds into a hurricane...Envy 'Ain't It A Sin'; Programmers might want to check this out again and give it a chance."

WUVA, CHARLOTTESVILLE, VA M.D.-MARK DANESE: "The Call is the best song this week. Everyone should be on it!"

WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON: "After weeks of airplay from the sampler, Neil Young is an official add, and an official Top 5 request item. Both men and women 25+ have been calling for 'Long Walk Home' and many already want to hear more of the album. I like 'Landing On Water', but I think 'Life' will be very big -- there's a lot of anticipation on this one...Geffen has another winner with Whitesnake now in round two. Several curiosity calls each time we play 'Here I Go Again'. This track could keep the Lp at the top of the sales charts for quite some time as a whole new audience is discovering the band...The Outfield is also generating many calls. 'Since You've Been Gone' debuts Top 5 requests this week."

KGRQ, CASPER, WY O.M./P.D./M.D.-FRED LEEMHUIS: "Do not overlook Stan Campbell. It's a very viable song. It's like the Doobie Bros. meets Sade."

WORZ, ORLANDO, FL M.D.-MICHAEL LOWE: "First off, Z102 will be one-year-old when you read this. We're celebrating our birthday. And as far as the competition goes, Q96, WHTQ is off to a great start. WDIZ has held their own through all the changes. And we're right in there with them. Now that everybody has their promotion and programming sprinkler systems running at full blast, it's now just a matter of how many people get wet and who runs out of water first."

WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS: "Go ahead, hammer the hell out of Keel -- Top 5 phones already. Listen to the album, you'll find several more potential rock radio hits. How can you go wrong now that Keel's touring with Bon Jovi...With hard rock in mind, ZOO-92 adds Ozzy 'Flying High Again'. Top sales on 'Tribute'...Also Autograph 'She Never Looked That Good' sounds great on the radio."

Support the band, this is their best ever...Like everyone else, we added Joe Walsh 'The Radio Song' - what a smashive summer hit! Distinctive vocals, tasty music make for a track to sizzle this summer...When you've got an album called 'Got Any Gum', it seems guaranteed to stick to the wall...That INXS/Jimmy Barnes tune - woah! I'm not gonna say stupid stuff like 'it sounds like Cougar'. Jimmy has a voice that he can call his own. Deadly, rasp, a lot of feeling and power. Combine that with the edge style of INXS and you've got a rock hit that will span all demos. 'Good Times' can make the wimpiest call letters stand erect."

WHTQ, ORLANDO, FL M.D.-SLATS: "How 'bout this Dan Fogelberg! One of two things must have happened: One, he's traded in his polyester slacks for Levi's and two, he doesn't eat shredded wheat for breakfast anymore. Nice record...And Neil Young must have seen 'Platoon' a few times. Everytime I hear the chorus, I duck under my desk for cover. Plus the cleaning lady screams throughout the hall, 'Incoming!!'...Joe Walsh sounds happy...And the U2 B-side collection just enhances their position in radio...INXS with Jimmy Barnes is just natural."

WHMD, HAMMOND/BATON ROUGE, LA M.D.-"CATFISH" PHIL COLWART: "Keep those FMQB sampler cassettes comin'! Thanks to Michele Higgins of TVT for sending ten listeners to see the Saints in New Orleans. It was nice interviewing Wendy Waldman of Cypress Records last week. Thanks Tami Shawn. The The's 'Infected' Lp has been out for some time now but has received very little airplay. But Epic released 'Slow Train To Dawn' anyway, so we're going to give Hammond a few weeks exposure to Matt Johnson's madness. Sometimes an infection spreads slowly."

WWTR, OCEAN CITY, MD P.D.-SKIP ISLEY: "Congratulations to Arista for their first good AOR track in a long time with the Cruzados. Also, congratulations on the most poorly thought out promo kit in recent memory. Did it ever occur to you that the dirt in the cactus might get into the CD and the cassette. Well, it did, not to mention how harsh that worm went down...A personal to Krysz, Remsberg and Stewart: The best body on the beach just keeps getting better and better and better."

WTOS, SKOWHEGAN/BANGOR, ME M.D.-DUANE SHERMAN: "ADDS: Call 'Wanna'; X 'July'; Steve Jones 'Drugs'; Urban Blight 'Go'; Killing Joke 'Adorations'; Joe Walsh 'Song'; Roger Daltrey 'Take'; INXS & Jimmy Barnes 'Good'; Cure 'Kiss'...CONSIDERING: None...MOST REQUESTED: U2 'Streets'; Roger Waters 'Radio'; Cure 'Why'; Wall Of Voodoo 'Do'; LL Cool J 'Go'...INCREASED PLAY: X; The Call; Joe Walsh; INXS & Jimmy Barnes; The Bears...The week of

heavyweights, X, The Call, Joe Walsh, and INXS with Jimmy Barnes all debut in heavy rotation. The INXS song is a great rocker, chock full of rock and roll cliches. A summertime cranker for sure. Also receiving strong phone reaction is X and The Call. These should be big. The new Neil Young is simply gut wrenching. It's great to hear him back with Crazy Horse. This is the type of song you rewind and you listen to again and again. The exploding guns send a chill...The new Cure is simply amazing. 18 tracks and not a bad song in the lot. I like the 'I Love You, I Hate You' feel flows throughout this double album set. Viva La Cure. In fact, the Cure record rates Pick Of The Week. And that track is 'Kiss'. Yes, it says the 'f' word, but so do I and I bet you have a time or two. Thanks to Island Records for the new U2 song on the 12."

RECORD ACTION

SEAN COAKLEY, ARISTA (212-830-2178): "Not even Mike Tyson can boast a one-two combination as powerful as the one you'll feel from Arista over the next few weeks. First comes a record that many have been talking about during the past month: CRUZADOS 'Bed Of Lies' is one of a half dozen gems that will eventually find their way onto album playlists during the next year. The first album was very good. This one is what we all hope for when a band goes in to make their second album, reflecting a vision and maturity that will surely find a home in the hearts and ears of listeners everywhere. The album arrives on June 26 but only a cold and useless heart would hold-off from playing 'Bed Of Lies'. Salud!!...Later this week you'll be getting what will amount to one of the biggest surprises of this or any other year: a new GRATEFUL DEAD studio release. 'Touch Of Grey' is the best song they've put on record in fifteen years. Anyone doubting this amazing band's popularity should stop to consider that despite no albums in seven years, they continue to sell-out arenas everywhere time and again. This summer, it's stadiums. 61,000 tickets in Foxboro, Mass. in two hours! Giants Stadium in New Jersey in four hours! We should be talking power rotation out-of-the-box. When was the last time you did that with an Arista release? Now you can understand why we're so pumped up...And to add to the excitement, you'll also be getting the CD of 'Long Goodbye', the most adult song yet from THOMPSON TWINS. Please listen carefully to this work

because it reveals an important maturation process that should find more album airplay than ever before...**PERSONALS:** Records being grossly overlooked: Chris Isaak, Williams Bros., Crenshaw."

MICHAEL PRINCE/ALEX MILLER, ATCO (212-484-6400): "We've been hearing lots of great comments on 'Ain't It A Sin', the debut Lp by ENVY. For those of you who have wondered if there would ever be a premier female rock guitarist, you must listen to Gina Stile of Envy. Gina's guitar playing has earned her a reputation as a future superstar. Kramer guitars selected Gina as a spokesperson for a new line of guitars made especially for her. Gina's sister Rhonni Stile sings with the emotion and conviction of a well seasoned performer. Rhonni's powerful vocals are the perfect counterpoint of Gina's hot guitar. 'Ain't It A Sin?' It is if you're ignoring Envy...**GARY NUMAN** may be a name from the past but his music is always based solidly in the future. Gary Numan is in the studio preparing a full-length Lp... Meanwhile, have a little heart and play 'Radio Heart'...Since you did, thanks for reading."

DAVID FLEISCHMAN, ATLANTIC (212-484-6017): "What do Logan & Chris Miller in San Francisco, Oedipus in Boston, Nenni in San Jose, Denis McNamara & Larry Dunn on Long Island, Deb Brady in Pittsburgh, Catt Stone in Mobile, Steve Avery in Ft. Myers, Daniel Cook in Reno, Jim Trapp in Eugene, Max in San Diego, Rick Carroll in Los Angeles, Bill Robbins in Madison, Lin in Chicago, Doug Clifton in Boulder, Alison Stewart in Providence, Bruce McDonald in Lynn, Mass., Chris Garrett in Portsmouth, Christina in New Haven, Tricia Griffith in Salt Lake City, Jonathan Rosen in Mesa, Arizona, Kevin Lewis in Laramie, WY, and Ted Habeck in St. Louis all have in common? They all will confirm the fact that 'Jane's Getting Serious' by JON ASTLEY is 'Seriously' working for their stations. The phones are 25+ male and female, leaning female. The 18-24's are supporting this record also. If the same reaction is happening in these diverse markets and at these diverse stations, it will work for you too!"

JEFFREY NAUMANN, VIRGIN (213-278-1181): "A big thanks to all my friends at KTYD, for a great time Sunday on the 'Welcome Russ Mottla' Booze Cruise. My only gripe is the band didn't know how to play 'Refried Boogie'...New from Virgin this week for adds is the second cookah from GARY MOORE 'Wild Frontier'. You should all have Gary's CD for the best on-air sound of 'Wild Frontier'...'Herione' by THE EDGE is getting some pretty heavy adds and strong comments by many programmers. Don't overlook a song as powerful as 'Heroine'...**WARREN ZEVON** gets the come-back artist of the year award with his brilliant new album 'Sentimental Hygiene'. And what a cast of musicians too, huh?...**DANNY WILSON** is breaking big out of the midwest moving into heavy rotation at the LOOP, Top 5 phones at KBCO, and a super add at KBPI just to mention a few success stories. Danny Wilson is a hit record that pulls phones. Don't be afraid of it - it really works. Drumroll - And now for the winners of the Danny Wilson Trivia Contest. The grand prize of a CD player and five Virgin CDs goes to Tom Evans of WIYY. The ten runners-up for the Virgin CD of their choice goes to: 1) John Lassman/KQRS, 2) Jack Randall/KATP, 3) Elise Vanderborght/KNCN, 4) J. David Holmes/KUPD, 5) Cathy Down/WLNZ, 6) Beaver 'Munchkin Balls' Brown/KDJK, 7) 'Catfish'/WHMD, 8) Jim Robinson/KMMX, 9) Jeff 'Tin Ears' Carroll/KLBJ, and 10) Keith Taylor/WQMF."

ED TRUNK, MEGAFORCE (201) 254-6533): "ANTHRAX blew the roof off the Beacon Theater in N.Y.C. this past weekend! It was a hometown headlining show that was sold out with 3000 Anthrax fanatics. This has been the story everywhere the band has played, so far nine of their last ten shows have been totally sold out! The video for 'Indians' has just premiered this past weekend on MTV's Headbangers Ball, which the band hosted...**AMONG THE LIVING** continues to fly at retail, and with a tour and video just hitting there seems to be no end in sight. The album's also racking up heavy airplay on college

radio and commercial metal shows (it's been in CMJ and Hard Report's Metal Top Five for over a month)...ACE FREHLEY AND THE COMET are just about to hit the magic hundred radio stations playing 'Into The Night'. It was only a matter of time before the video hit the MTV top ten requests and Ace made a special appearance along with Tod Howarth on MTV last week. 'Into The Night' continues to build nicely on all the trades and 'Frehley's Comet' looks set to become the rock and roll record of the summer. In addition to 'Into The Night', airplay is starting to build for 'Rock Soldiers' and 'Calling To You'. A video for 'Rock Soldiers' is currently being planned...TESTAMENT has just returned from a festival date playing in front of 18,000 people in Holland. They will start an opening slot for Anthrax in July...OVERKILL continues to kick ass on tour with MEGADETH. Look for a shocking new Overkill Ep to be released next month. It's a song the fans have loved from this band for years and they're about to get it on this new Ep. The song is called 'F**k You' and needless to say we expect Top 40 airplay out-of-the-box!?! Regardless, it's been a concert favorite for years, and we expect it to sell very well and boost the sales of the 'Taking Over' Lp. So maybe 'F**k You' doesn't fit into your format, but 'Into The Night' from Ace Frehley is a proven winner that should have a home on any station!

MATT POLLACK, RELATIVITY (718 995-9200): "Never a dull moment in this felines life. Here's some more proof: WNCN-VT., KTAO-N.M., KGKG-S.D., WQZK- W.VA., WTCS-W.VA., WBRU-R.I...Scruffy The Cat is the word and 'Time Never Forgets' and 'Never Never' are the songs. Watch for them on the latest 12" in two weeks time. Couldn't get better right? Wrong; how about checking them out live. They're doing the East. Call me for the whereabouts of the cat clan. If you're not in the vicinity, consider relocation. The Pushwangers

have hit the airwaves. The boys from Sweden were caught recording live interviews with KZEL-UT, WTCS-W.VA., and KGKG-S.D. If you haven't heard the band's latest 12" yet 'Strangler From Behind', your breed is nearing extinction.

PROGRAM PRODUCERS

ED PINKA, RADIO INTERNATIONAL (212-302-1670):

"Remember I kept alluding to a special SPECIAL we had in the works? Well, check your mailboxes, we've been watching the charts and have 2 great shows from 2 of the hottest artists on radio right now. First up for July, we've got a 90 minute Gregg Allman spectacular, new album cuts, old classics with the Brothers and the interview was just done last Friday. Then for August we've got an extravaganza with Lou Gramm and Foreigner. Maybe we'll get an answer to the musical question, 'Does he or doesn't he', still sing with Foreigner. Those are windows I'm sure everybody can live with and the programs are, of course, authorized. Give me a call if you haven't received this info yet, need more or want to sign up, before your competition does."

GARY RAMONA, ABBE AND LYNN, MJI BROADCASTING

(212-245-5010): "This week on MJI's heat-seeking missile, Rock Today, Dan Baird of the Georgia Satellites reviews the rock and roll Caravan '87, this summer's hottest concert ticket. Caravan: parties of merchants, pilgrims, or others traveling together for greater security, especially across deserts. Caravan '87 kicks ass courtesy of Tom Petty, the Del Fuegos, and the Georgia Satellites. Plus: Eddie Murphy gives Rock Today the shakedown on 'Beverly Hills Cop II', another hot ticket for summer '87. Comedy Hour: Do you spell your name with a 'v' or 'ph'? Steven Wright: Both. This week's guest on the Comedy Hour: Stephen Wright. (Ladies, you can finally tell your mother you met Mr. Wright.)"

INTERVIEWS

TOM PETTY: The one thing that we did decide very quickly was let's not bring anyone around us...no producers, no friends or extra musicians...just because we hadn't done it in a while. We wanted to see what we could get of ourselves, so all the background vocals and everything really, all the percussion, is the Heartbreakers.
