## Graf, Paulich Join R&R/Nashville

R&R/Nashville is very proud to announce two additions to our family.

Clear Channel Entertainment Dir./Sponsorship **Gabrielle Graf** is coming aboard as our new sales representative. Currently based in CCE's Los Angeles offices, she is spending this week working in R&R's L.A. office while preparing to move to Music City. She'll be in and out of the Nashville office throughout late December and will be in the Nashville office full-time beginning Jan. 5.

Graf has spent the last three years with CCE, where she received the 2003 LES Rock Star Award given to the company's top regional live-event sales revenue producer; in 2002 she was honored with the CC President's Club Award, which goes to the company's top revenue producer in each of five regions.

Prior to joining CCE, Graf spent a year with the NHL Columbus Blue Jackets as a Client Services Associate. She's a 1998 graduate of Ohio University.

Also joining R&R/Nashville is **Kyle Anne Paulich**, our new Office Manager. She graduated from Belmont University in May 2001. During her last two years there, she served as an intern in the Creative Services and Marketing departments at Sony/Nashville. Since graduation, she has worked at the Sparrow Label Group in addition to operating a freelance promotional project and CD design business.

Plus, we invite you to take a deep look inside your crystal ball to offer up a few predictions of what you think might be in store for 2004. Now, here are some important dates to keep in mind for R&R reporting and special issue schedules:

- **December 30:** Keep an eye on the ol' fax machine and your email in-box — we'll have a special Country Hotfax to you on this Tuesday morning.
- **Jan. 2:** R&R's first issue of the new year. This is a news-only edition and will contain no music information..
- **Jan. 5:** The first reporting day of the new year. Adds from Mediabase-monitored stations and reports from R&R Indicator stations will be taken until 3pm ET/noon PT, as usual. You will get an R&R Country Hotfax on Jan. 6 that contains this music information.

From all of us at R&R/Nashville, have a wonderful holiday season.

### CC Sells KKAT; Format Fate Unknown

In last week's **R&R** Country Hotfax story detailing the exit from Country of Clear Channel's KOYT/Tucson, we had a Street Talk piece that suggested the company's Country KKAT/Salt Lake City might also be in the cross hairs. But it was far more than a mere format change. What we couldn't tell you last week came to fruition yesterday. As **R&R's Adam Jacobson** reported at [www.radioandrecords.com](http://www.radioandrecords.com) yesterday:

"Clear Channel has agreed to sell Country KKAT and the facilities currently being used by CHR/Pop KZHT/Provo, UT — both of which serve the Salt Lake City market — to 3 Points Media for \$26 million. 3 Points will assume control of KKAT via an LMA on Dec. 22. With the deal, 3 Points will now own five FMs along Utah's Wasatch Front, and it already owns KOSY simulcast partner KRAR/Brigham City, KMGR/Delta and a construction permit for a station in Franklin, UT.

"Concurrently, CC will acquire Mercury Broadcasting's Alternative KCPX and Soft AC KOSY in Salt Lake City for an undisclosed price. CC had already been operating the two stations via a joint sales agreement with Mercury."

At press time there was no word of KKAT's formatic future. You might recall that there are

four FM Country outlets in SLC. In addition to KKAT, there's Citadel's KUBL, KSOP Inc.'s KSOP and Simmons Media's recent sign-on, KEGA.

### Radio News

**For The Record:** Last week we mistakenly wrote that **Jack O'Brien** had left Citadel Country outlets KJJY & KHKI/Des Moines. He's still there and is the OM for the combo. New KJJY PD **Andy McCoy** and new KHKI PD **Jimmy Olsen** report to him. We apologize for the error.

**Programming:** **Trey Brooks** is the new PD/morning personality at KFXI/Lawton, OK. He had been with KWOX/Woodward, OK.

**Personalities:** Longtime Nashville radio personality **Carl P. Mayfield** is out at Sports/Talk WGFX/Nashville. The 30-year Music City radio vet moved into the slot from sister Country outlet WKDF in August. Rumors abound that his replacement is a music-industry icon who will give WGFX listeners a much more monastic experience.

**Kudos:** Congrats to KUPL/Portland, OR MD/PM driver Rick "Bubba" Taylor, who yesterday celebrated his 18th anniversary at the station. He marked the occasion with a special show that featured previous live performances from artists including **Pam Tillis, Randy Travis, Andy Griggs** and **Lonestar**. Taylor also featured notable interviews from his years on air including **George Jones, the late Tammy Wynette, Vince Gill** and **Travis Tritt**.

### Street Talk

In last week's **R&R** Country Hotfax Street Talk we wondered if Clear Channel was getting ready to change an Orlando station to Country. Well, our geography was a bit hazy on that one. The latest cup of tea leaves suggests that the home for a new CC Country outlet will be a little further north and west

### Industry News

Buddy Lee Attractions has inked Columbia recording artist **Jace Everett** for booking ... Universal Music Publishing Group has moved to 1904 Adelia Street, Nashville, TN 37212. New phone: 615-340-5400; and fax: 615-340-5491.

### Stationality

Congrats to WUSN (US99.5)/Chicago, which set a new Country Cares for St. Jude’s Kids radiothon record by collecting a whopping \$1,309,416. This was US99.5’s 13th annual event, and it raises the station’s lifetime total to over \$9 million for St. Jude.

KPLX(The Wolf)/Dallas just wrapped its Dream Home promotion, which raised over \$900,000 for St. Jude. Heatherwood Homes donated a \$350,000 home in Corinth, TX, and WolfFans bought raffle tickets for \$100 each. More than 9,000 tickets were sold.

WUSJ/Jackson, MS morning teamers **Cory & Wendy** are in the middle of their annual Cory and Wendy’s Breaking and Entering Christmas promotion. Each day this week, Wendy will go into a less-fortunate Central Mississippian’s home with a Christmas tree, which she will decorate, complete with presents.

WICO/Salisbury, MD’s 10th annual Feed A Friend Marathon — a continuous radiothon with the mission statement “Fifty hours of sharing and caring” — set a record this year by collecting more than 36,000 non-perishable food items for the Salvation Army and local food pantries.

### R&R/Bullseye: Will Country Listeners Ring The Register? Pt. II

Once again this week **R&R Country Callout America** by Bullseye asked 200 Country listeners about their plans for Christmas shopping and spending. We asked, "Do you have an actual budget for Christmas spending? How much do you plan to spend on gifts this year? Is that more, less or about the same as last year?"

This week's results are for a total sample of 400 Country listeners, 39% of whom said they actually take the time to make a budget. The range was from a high of 41% males and 35-44s to a low of 35% from P2s.

Our holiday spending question broke down the spending ranges in five increments: "Less than \$100," "\$100-250," "\$250-400," "\$400-500" and "More than \$500." Of the total sample, 10% said "Less than \$100," 13% said "\$100-250," 22% said "\$250-400," 21% said "\$400-500" and 34% said "More than \$500."

The percentages of respondents were in a surprisingly narrow range across all the age and sex cells. Among those answering "Less than \$100," the high percentage came from males, 25-34s and 45-54s at 16%. On the other end P2s, females and 35-44s were at 9%. Among those who said "\$100-250," the high of 15% came from 25-34s, while the lows were from 35-44s at 10%. Of those in the "\$250-400" range, the highs were 45-54s at 25%

and the lows were 25-34s at 19%. For those spending "\$400-500," the high end of respondents was among P2s and 35-44s at 23%, while the low end was among 45-54s at 18%. Finally, among the big spenders who gave the "More than \$500" answer, females led all cells at 37%, while the cheapskate males came in the lowest at 32%.

According to our poll, retailers expecting a high-spending Christmas season might be disappointed. Of the total sample, 27% said they will be spending less on Christmas gifts this year, and 56% said they'd spend the same as last year. Only 17% said they'd be ringing the registers more this year.

For complete breakouts — including Men and Women 25-34, 35-44 and 45-54 — check out the **R&R Country Callout America** by Bullseye research page in the Dec. 5 issue of **R&R**.

112 Country reporters. Songs ranked by total points for the airplay week of 12/7-12/13. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
