effects of Hurricane Ivan on WKSJ (95-KSJ)/Mobile, AL. We're happy to report the station is back on the air. PD **Bill Black** explains, "We lost about 1,500 feet of tower around 3am Thursday [Sept. 16], right after hurricane landfall." The damage also darkened WPMI-TV (NBC-Clear Channel)/Mobile, WYOK/Mobile (Cumulus), WJLQ/Pensacola (Cumulus) and WBLX/Mobile (Cumulus), as all shared the tower.

"We were back on air around 6:30pm Friday," Black says, noting that his staff jumped in to help with 'round-the-clock coverage on Clear Channel sister stations that remained operational. "Even today, 95-KSJ continues to air three reports an hour concerning relief efforts along the coast," Black says.

The station is currently pumping 25kw on borrowed tower space. "I have never been more proud of a group of broadcasters," Black says. "I would also be remiss if I didn't mention the quick actions taken by my market manager, David Coppock, and Clear Channel engineers from Birmingham and Tulsa, who worked around the clock to get KSJ up and running in record time."

### Rogers Named KTNT GM

KTNT-FM/Eufaula, OK has tapped **Mike Rogers** as GM. "I am thrilled that Mike has signed on to the team," said K95.5 Inc. Regional VP Will Payne. "We needed to act fast, and we are very excited. Mike has tremendous vision and experience in radio and is ready to lead this station to the next level." Rogers' previous gigs were all in Tulsa at KTFX-FM and KVOO-FM. He also served as club manager at Tulsa City Limits. (Country Format Room, [www.radioandrecords.com](http://www.radioandrecords.com), 9/15)

### The Great Race

New KFDI/Wichita morning host **Dan Tooker** is riding his bike to work — from Phoenix. Hoping to

raise money and awareness for The Law Enforcement Memorial of Sedgwick County (KS), Tooker is bicycling 1,400 miles to the new gig he starts Oct. 1. He left yesterday and will be heard periodically on KFDI detailing his journey. Though he is expected at the station Oct. 1, his first official day on the air is Oct. 4. "I have a lot of respect for law enforcement, and that's why I want to do this ride," Tooker says. "My best friend is an officer, and I worry every night he goes out. This is a great way for me to get involved with the Wichita community."

### CMA Clubs Benson

CMA Executive Director **Ed Benson** was recognized for his 25 years of service with the organization during board meetings last week. An episode of GAC's *Country Music Across America* was being screened by the board when a "breaking news" interruption announced that Benson was taking over as host. The surprise segue led to Benson being presented with a lifetime membership to the Old Natchez Country Club.

113 Country reporters. Songs ranked by total points for the airplay week of 9/12-9/18. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
