This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President **John Hart**. Here's a look at some of the biggest stories Hart looks at in next week's issue (May 20):

"Andy Griggs' 'If Heaven' takes over the No. 1 slot, up from No. 3, and becomes the No. 4 passion song. Trace Adkins' 'Songs About Me' is up to No. 2 for the week, from No. 4. Keith Urban is new to the top 10, with his 'Making Memories of Us' up strong at No. 9 from No. 15. Blake Shelton is also new to the top 10, with his 'Goodbye Time' ranking at No. 10, up from No. 12. SheDaisy make strong gains, with 'Don't Worry 'Bout a Thing' ranking at No. 16, up from No. 21. Heads up on Buddy Jewel's 'If She Were Any Other Woman,' which moves to No. 19 from No. 25."

three other writer-artists. Seems he was in Music City working on a new comedy album, some of which was recorded live at the Bluebird.

Stationality

KKBQ/Houston's A Day in the Country listener-appreciation show at the historic George Ranch drew an estimated 45,000 fans on Saturday. **Brian McComas, Rick Trevino, SheDaisy** and **Big & Rich** played at the station's first such event in several years. Congrats to Warner Bros./Nashville VP/Promotion **Gator Michaels** and his crew on posting an amazing 107 adds on the new Faith Hill single, "Mississippi Girl." Hill's debut at No. 27 is also the highest first-week chart number of her career.

The only other singles to notch triple-digit first-week adds were **Toby Keith's** 103 on "I Love This Bar" in August 2003 and **Alan Jackson and Jimmy Buffett's** 117 on "It's Five O'Clock Somewhere" in June 2003 (a feat accomplished with an R&R Country Reporting Panel of 155 stations, compared to the 121 this week).

The Week's News In Review

Here are some of the major stories that have appeared in **R&R Country Daily** since May 10. Subscribe to **RBCD** by visiting our website, www.radioandrecords.com, and clicking "About Us" and "How to Subscribe."

R&R Country Daily, May 10: Bob Dakin was named VP/Dir. of Sales for NextMedia's Greenville-New Bern-Jacksonville, NC cluster, which includes Country WRNS-FM.

Jimmy Buffett's 7-year-old Radio Margaritaville 24/7 Internet channel will be added to Sirius' lineup later this summer. The offering features a wide variety of music, live broadcasts of Buffett's concerts and other unique programs.

RBCD, May 11: Bonneville flipped Country KZBR(The Bear)/San Francisco to "Max 95.7 Max FM," playing "'70s, '80s... Whatever We Feel Like!" Max's format mirrors the presentation found on the many "Jack" and "Bob" eclectic Adult Hits stations that have popped up across North America over the last two years.

The entire Bear staff was let go, including PD **Ray Massie** (radiatoray957@sbcglobal.net), APD/morning driver **Rick Taylor** (rickt@ev1.net or 832-746-2662), middayer **Katie Mason**, afternoon driver **JD** (jdcya@aol.com) and evening talent **Billy Michaels**. The Bear replaced Classic Hits KKDV in August 2003. Its demise means that the nation's fourth-largest market is once again without a Country station. KATM/Modesto, KRTY/San Jose and KRPO/Santa Rosa, CA can be heard in parts of the Bay Area.

Curb VP/Field Promotion **Eva Wood** is leaving her label home of 14 years on June 15. This isn't retirement — just a "time-out." She says it's time for a change, and she will be looking for other opportunities offering a creative challenge. Contact her at evawood@comcast.net or 888-992-9220.

Universal South and **Marty Stuart** have formed Superlatone Records, an imprint that will serve as a foundation for a number of Stuart's musical and creative offerings. The label's first release will be a gospel album titled *Soul's Chapel*, due Aug. 28. Other planned releases include a bluegrass album called *Marty Stuart & His Fabulous Superlatives Live at the Ryman* and a Native-American project titled *Badlands*.

The CMA Awards will air on a new network in 2006, according to a report in Monday night's (May 9) *Variety*. "Country's Biggest Night" will move to ABC from CBS following this year's broadcast, set for Nov. 15 at Madison Square Garden in New York. The piece said that ABC reportedly offered substantially more than the \$9 million CBS had been paying in annual license fees. CBS has been the show's network home since 1972.

RBCD, May 12: Veteran urban programmer **Sam Nelson**, PD of Cumulus' WEAS and Gospel WJLG in Savannah, GA, was upped to OM of the cluster, which includes Country WJCL.

Clear Channel KFAB/Fargo, ND flipped from Country to a Jack-like format as "92.7 My FM."

WUSN/Chicago launched an HD Radio multicast tagged "Chicago's Future Country." Programmed independently of WUSN-FM, WUSN HD-2 will focus on new music. The station received experimental authorization from the FCC for the multicast, which Infinity says is the first continuous HD offering from a commercial broadcaster.

POWERED BY MEDIABASE

121 Country reporters. Songs ranked by total points for the airplay week of 5/8-5/14. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180.

Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number. Average Quarter Hour Persons used herein with permission from Arbitron Inc. (© 2005, Arbitron Inc.) © 2005 Radio & Records.
