Tampa's Outlaw Rides Into The Sunset

Immediately following its broadcast of the Brickyard 400 from Indianapolis yesterday, Infinity's WYUU (Outlaw Country)/Tampa flipped to a Tropical-intensive contemporary format as "La Nueva FM 92.5 — El Sonido Latino de Tampa Bay." The Outlaw first rode on to the scene in November 2003.

Rico Blanco is WYUU's new PD, succeeding **Mike Culotta**, OM of Country WQYK-FM, WYUU, Sports WQYK-AM and the Buccaneers Radio Network. With the format change, WYUU middayer **Barbara Ann** has exited; the fate of the other Country personalities, including morning hosts **Cowhead** and **Brent**, is not known at this time.

Street Talk: Back at WYUU sister WQYK, look for its new morning show to be announced any day now. (You may recall the new Clear Channel Country outlet stole Skip Mahaffey and some of his cohorts a few months back. Mahaffey is still sitting out a noncompete.) And, if everything works out, the new show is going to *really*

surprise you. It might well feature not one, but *two* Nashville names.

Logan Leaving Bakersfield

KBKO/Bakersfield onsite consultant **Lee Logan** is wrapping up the gig he's had there since January. He'll be leaving the station at the end of this week and is looking for new opportunities. He can be reached at 615-972-2900 or leelogan@ix.netcom.com. KBKO's Steve King is searching for a PD and can be reached at steveking@clearchannel.com.

Watson Joins Pacific Time

Industry vet **Dick Watson** has signed on as National Promotion Director for Pacific-Time Records and will remain based in Phoenix. Watson's previous stops include, most recently, West Coast Regional for Broken Bow, as well as stints at Giant, Curb and Asylum. He'll handle promotion for the label, initially working "American By God's Amazing Grace" by soldier Luke Stricklin.

pected to abandon Country sometime last week. Well, it happened last Thursday, and the station is still stunting with a continuous loop of Prince's "1999."

Exiting the station were MD/middayer **Ryan Fox** (903-399-2507 or uscfoxx@gmail.com) and personalities **Sherry Garrett** and **Bob Gamble**. PD **Don Jones** remains with the cluster in a production capacity.

Aspirion Records Bows With Raye

Collin Raye has signed with Aspirion Records, and his first single for the new label, "I Know That's Right," goes to radio in September. Industry vet **George Collier** heads the label, which will release Raye's album in October. **Joe Kelly** is heading radio promotion for the venture, with the label's marketing and media efforts directed by **Steve Baker**. Navarre distributes.

Street Talk

Judging by the rumor-generated heat rising from Music Row the last few days, it looks as if news regarding the new label involving Toby Keith and Scott Borchetta will pop any day now. Some of the street talk singeing the pavement:

- That ol' show dog Toby played to a packed house at Philips Arena in Atlanta Sunday night. Among those seen milling around backstage were Borchetta, former MCA/Nashville regional and former Universal South Dir./National Promotion **Denise Roberts**, former UMG/Nashville Promotion Manager/Charts & Syndication **John Zarling** and former BNA Southeast Regional **Tony Morreale**.

This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President **John Hart**. Here's a look at some of the biggest stories Hart looks at in next week's issue (Aug. 12):

"During the R&R chart week of June 21, Toby Keith had the No. 1-testing song at Callout America, both positive and passion, with 'As Good as I Once Was.' Since then this song has dominated the sample, and this week it's still the No. 1 song, both positive and passion. The battle for the No. 1 position on the R&R spin chart heats up, and both Sugarland's 'Something More' and Faith Hill's 'Mississippi Girl' are the likely heirs to the spot, showing strong research and ranking No. 2 and No. 4, respectively. Sara Evans' 'A Real Fine Place to Start' is the No. 3 song overall in this week's sample. Craig Morgan is new to the top ten this week, with 'Redneck Yacht Club' ranking No. 7, up from No. 13. Brad Paisley moves into the top 10 at Callout America, with 'Alcohol' up strong, from No. 17 to No. 8. Sheldaisy are also new to the top 10, ranking at No. 9, up from No. 11."

Think maybe they all just drove down there together to save a little gas money?

- Isn't there another former Nashville label president involved in all this?

Country Gets More Good News From Arbitron

Another stellar batch of Country ratings rolled in last week. It really looks like Country is having one of its best sweeps in a long time. Be sure to catch the huge leaps made by WGNA/Albany, NY; WYNK/Baton Rouge; WTQR/Greensboro; WRNS/Greenville, NC; WXBQ/Johnson City ; WGKX/Memphis; WKSJ/Mobile; and WLLR/Quad Cities, IL-IA. Plus, 12 stations repeat at No. 1 12+, while two stations — KKNQ/Oklahoma City and WGKX — vault into that exalted position.

As always, each week's R&R Country Hotfax will show you how other Country stations have fared. For daily full-market updates, go to www.radioandrecords.com and click on "Ratings" — it's free! A "+" indicates a Classic Country outlet, a "^" designates Country stations in the same market owned by a single operator, and a "*" indicates a tie.

121 Country reporters. Songs ranked by total points for the airplay week of 7/31-8/6. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
