Cumulus Buys Susquehanna; Adds Three Major-Market Country Stations

In a blockbuster \$1.2 billion deal announced yesterday morning, Cumulus Media is acquiring Susquehanna Radio through a new partnership it has formed with three private investors. The new partnership — Cumulus Media Partners — is a joint venture of Cumulus, Bain Capital, the Blackstone Group and Thomas H. Lee Partners.

Under the terms of the deal, Cumulus will contribute two of its stations in Houston and two of its stations in Kansas City in return for a 25% ownership stake in the partnership and will be paid a quarterly management fee to run the Susquehanna stations. The deal also includes performance incentives that could ratchet Cumulus' stake in the partnership to about 40%. The deal is expected to close in the second half of 2006.

Cumulus Chairman/CEO **Lew Dickey** said, "Susquehanna is one of the radio industry's most admired companies because of the quality of its assets and the quality of its people. We look forward to partnering with the management and employees of Susquehanna to continue their great tradition of serving listeners, advertisers and communities."

Susquehanna owns 33 stations in eight markets, including Country outlets KPLX (The Wolf)/Dallas, WFMS/Indianapolis, WYGY/Cincinnati and KIKT/Greenville, TX.

Dickey also explained that his company's decision to team with investment partners rather than go it alone helped it to ultimately beat out other bidders in the auction for Susquehanna Radio's assets.

"This structure made a lot of sense for a number of reasons," Dickey said on a Monday-morning conference call. "It enabled us to put on more leverage than we would be comfortable with on the public side. We needed to bring capital into the business to do it, and this made more sense than going out and raising public equity at current multiples.

"This enabled us a chance to do a transaction which we believe is at historically low multiples based on where these assets have traded." Indeed, Dickey had high praise for the Susquehanna stations and staff. "A chance to acquire a group of this quality in terms of the people and the overall assets we're bringing on board comes up once in a very great while," he said.

Street Talk

As the Country world gears up for a trip to New York for the 39th annual CMA Awards on CBS-TV Nov. 15, one press release from the CMA is conspicuous in its absence. We've gotten the word about the very special pairings of Dolly Parton and Sir Elton John, Jon Bon Jovi and Sugarland's Jennifer Nettles and Willie Nelson and Paul Simon. But nary a word regarding two country fan favorites — and two of country's biggest stars. We know that **Faith Hill** is set to sing "Like We Never Loved at All" on the show. That's her latest single, of course — the one hubby **Tim McGraw** sings on. We also know Tim will be in New York the night before the awards show for the inaugural Ya Gotta

Believe Gala, benefiting the Tug McGraw Foundation, a nonprofit organization devoted to funding neuro-oncology research to improve the quality of life of those who survive brain tumors.

But — no word of Faith and Tim singing together on the CMA Awards show. Announcement or not, this is something that *has* to happen, right? No one is commenting for the record, but we'll do some digging — even though we are slowed by crossed fingers.

Stationality

WSLC/Roanoke's second annual "Robynn Jaymes Pajama Jam for Breast Cancer" raised more than \$30,000 over the weekend. Clay Walker headlined for the audience of 400 pajama-clad women. Jaymes told **R&R**, "He knocked us all out with his performance and a \$10,000 donation to the American Cancer Society." Hot Apple Pie and Little Big Town were also on the bill.

LifeNotes

Sincerest get-well-soon wishes to WB/Nashville SE rep **Brooks Quigley**, who was in a horrific car accident Sunday afternoon. He was traveling north on I-65 just outside of Huntsville, AL when a southbound car came across the median and struck him head-on. The three people in the other car, including an 8-year-old boy, were all killed. Their vehicle is reported to have burst into flames on impact.

Miraculously, Brooks suffered only cuts and bruises — no broken bones or internal injuries — and was kept in an Athens, AL hospital overnight for observation. He was released Monday afternoon. You can pass along your best wishes at brooks.quigley@wbr.com.

120 Country reporters. Songs ranked by total points for the airplay week of 10/23-10/29. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
