COMMENTS:

After five of the most stimulating and creative years of my radio career I have submitted my resignation as P.D. and M.D. of WCCC-AM & FM. Our president and G.M. Sy Dresner extended to me an opportunity to lead, learn, and grow and I have found my experiences exceedingly rewarding. I leave with a feeling of affection and respect for the entire organization. I wish them continued success.

My future plans are as yet undetermined, but spending some time with my wife, Donna, and our children are definitely on the agenda. I will announce my future plans at a later date.

William F. Nosal
