**TRUST**  
*the 4th Dimension of WBRZ-TV*

Beyond sight, sound and action there is a 4th dimension of television: *Trust*. WBRZ-TV News, for instance. Here is trust through truth. WBRZ-TV locks on local-national-international news. Locks on news like radar. Tracks news. Analyzes news. Relays news... with razor-sharp presentation. WBRZ-TV News is more than immediate. It scans back. Projects forward. Retests, compares, coordinates. Polishes, refines, brings news down to earth. WBRZ-TV beams current events: conflict to conference. WBRZ-TV builds *trust* through truth.

# Stations DO Have Personality!

LES BIEDERMAN, PRESIDENT

In the case of the Paul Bunyan stations, the personality is that of its founder and president, Les Biederman.

A northern Michigan broadcast pioneer, Les built his seven stations - one community at a time.

The stations carry the "stamp" of Les Biederman. A local businessman recently referred to Les as the "conscience of the community" and as "guardian of the public trust", because of his community and editorial stands.

This is the image of Les and of his stations. This is the kind of image that established the "trust" of the audience in the station (and in the products it sells).

FLINTSAGINAWBAYCITY

## All together, it's Michigan's 3-in-1 shopping center and America's 37th Metropolitan TV market!

And why *not* put it together, as it is on our sign? After all, that's exactly what happens every time WJRT turns its transmitter on: the highways shrink, the hyphens fall out and you get metropolitan Flint, Saginaw and Bay City in a single TV buy. A buy that, by virtue of its 188,280 metropolitan TV homes, represents the 37th market!<sup>1</sup>

If you're an advertiser, you'd do well to look into

WJRT, which created "FLINTSAGINAWBAYCITY" in the first place. Which gets the lion's share of the TV audience, morning, noon and night.<sup>2</sup> And registers a 70% or better net weekly circulation in most of the surrounding 23 counties.<sup>3</sup>

Better call Harrington, Righter and Parsons today. Just ask for "FLINTSAGINAWBAYCITY"!

## **WBEN-TV** serves a great community with a great public service effort

Three-million-plus people in WBEN-TV's coverage area offer a challenging composite of diverse interests and backgrounds.

WBEN-TV meets this challenge by a continuing creative effort in developing public service programs that satisfy all interests — that entertain as well as inform.

During the past months WBEN-TV cameras focused on the installation of the Buffalo Diocese's new bishop, recorded five documentaries on cancer at famed Roswell Park Memorial Institute, caught the action of the All-American Bowling Team battling Buffalo's top bowling five during the ABC Tournament, brought new

insight to area viewers on their rights and obligations under the law in "The Law and You" series that again won the top State Bar award, and captured the gaiety and color of the Chopin Society's beautiful choral music and exciting Polish dances.

Religion, medicine, sports, the lively arts — all are in range of WBEN-TV's production facilities, mobile remote unit and enterprising staff.

That's why, in this great market — extending from northwestern Pennsylvania to the Canadian Niagara Peninsula — pioneer WBEN-TV retains its unsurpassed audience loyalty.

# THE SHOW WITH THE

## TALENT

**RUTH LYONS**—the power-packed personality with no equal in broadcast history—has led her smash “50-50 Club” program through its merry paces every weekday at noon for 17 years on WLW Radio and for 15 years on WLW Television, the last 6 in full color. She’s the modern American Radio-TV phenomenon—femcee, performer, pianist, composer, singer, wit, wise-cracker, brain, sage, character, Reds baseball booster, and housewife—who livens up the dial and has ‘em in the aisle!

The show’s own talented staff are all stars in their own right. All join in the fun to become fancy or foible for Ruth as she keeps ‘em stepping and guessing with one hand, and the audience in the palm of her other hand. Ruth and her happy show have been written up in the *Saturday Evening Post*, *Ladies’ Home Journal*, *Look*, *American Home*, *Billboard* and many other magazines.

## GUEST STARS

With her magic ability, Ruth makes the stars come out at noon in WLW Radio-TV land. Because of the popularity and influence of her show, guest stars by the star dipperful appear on "50-50 Club"—to the delight of audience and sponsors. Where else can advertisers get such a who's who about what's what in one program package? Musicians, show people, authors, statesmen, sports figures, everybody who's anybody. Just to name a few—

DR. ALBERT SABIN	CAROLE CHANNING
GUY LOMBARDO	VIC OAMONE
ANDY WILLIAMS	RUDY VALLEE
BILL DE WITT	AL HIRT
HUGH O'BRIAN	VAN CLIBURN
HENRY CABOT LODGE	MILTON BERLE
GEORGE GOBEL	BOB NEWHART
EVA GABOR	JIMMY DURANTE
GORDON & SHEILA	PETER NERO
MC CRAE	the stars of
OSCAR ROBERTSON	"BONANZA"
THE CROSBY BOYS	TROY DONAHUE
HELEN HAYES	THE FOUR SAINTS
JACK WEBB	ADELA ROGERS
HEDDA HOPPER	ST. JOHNS

## HAPPY SPONSORS

It wouldn't take a psychologist to conclude that the happiest people in the world are Ruth Lyons sponsors. And they stay happy for years. Prime proof of the pudding! Nu-Maid Margarine has been on the show for 17 years; Fels soap products and Folgers Coffee for 11 years; Frigidaire for five years. And the list goes on and on.

## AUDIENCE

Ruth's bouquet microphone can reach into 3 million homes. Her hour-and-a-half noonday show Monday thru Friday is carried on WLW Radio and the 4-Station WLW regional TV network—WLW-T, Cincinnati; WLW-D, Dayton; WLW-C, Columbus; WLW-I, Indianapolis. Tickets to her luncheon program at luncheon cost are sold out 3 years in advance. And could be sold out for 9 years if Ruth would permit it.

## MAIL

Ruth Lyons program in 1962 received over 1,726,000 pieces of mail. A big part of this is Ruth's fabulously successful Telephone Exchanges for various sponsors, with prizes up to \$1000. Even though listeners and viewers are not required to send in sponsors' labels, an overwhelming 98% of them do! Proving the loyalty of Ruth's audience to her products.

## PUBLIC SERVICE

This is the factor which really reflects the power and the glory of Ruth Lyons. Through her program alone, she raised over \$381,000.00 in her 1962 annual Christmas fund for equipment and toys in the children's wards of 59 hospitals. In the 23 years the fund has been in existence more than \$2,256,749.00 have been distributed. A fantastic accomplishment for which her only reward is an endless number of unknown children made well and happy.

**WE ARE PROUD** to say that Ruth Lyons is an example of the unique dynamic leadership and community spirit of the WLW Stations—which have made the Crosley Broadcasting Corporation a standard bearer in Radio-TV programming, talent, and engineering in this great world of communications.

The South's 19th largest Metro Market • The 97th largest television market in U.S.A.

Tri-Cities Offers Economical, Efficient Distribution and Advertising Coverage

## spotlight on wcyb-tv

Within the center line of the map above, you have Tri-Cities (the South's 19th largest metro market), the home office of 12 Tri-Cities food brokerage firms and WCYB-TV. Within the middle line, you have the home offices of 20 wholesalers, who are sold from metropolitan Tri-Cities. Within the entire area of the outer line, you have 1400 retail food stores who depend on the distributors within the second line for their merchandise. This entire area represents over a million people with a purchasing power in excess of 1.28 billion dollars. It's a big market . . . and a

growing market. Covering it like a blanket are the powerful signal and programming voice of WCYB-TV (grey area on map). Tri-Cities is a unique market. Over 80 per cent of the business is done by independent stores and local chains. Through a broker or your own resident salesman, you can economically and efficiently effect distribution for your product. Tri-Cities is fringe to no other market. Effective distribution can only come from within. Tri-Cities is unique, too, because only television gives you comprehensive coverage of the total market . . . and the most influential voice in television is WCYB-TV.

if you were a

You'd know prime time and prime cuts of beef have a lot in common. That's natural for a Texan — to demand strip sirloin if that's what he paid for. And ... that's why we figured out a simple, equitable and highly versatile rate card that separates the filets from the sirloins, the T-bones from the club steaks. Well ... we didn't exactly think of it, but like any good Texan, we're willing to accept full honors. We'd like to brag it's the kind of rate card that makes you feel like a Texan because it's 'custom cured' to fit your particular requirements ... providing choice cuts of prime time purchases on the basis of their individual values. Simple ... purposeful ... analyzed buying power. Sorta makes you feel like a Texan ...

## **“PLACES, EVERYBODY!”** (You’re on WSAZ-TV tonight!)

When we cover a dam dedication, we really cover a dam dedication!

With, for example, 34 newsmen-cameramen strategically stationed to film the 400 dignitaries who cruised 15 miles down the Ohio River for the opening of Kentucky’s Greenup Dam.

Or with a fleet of cars waiting to hustle the film coverage back to our Huntington studios.

And with a complete 30-minute broadcast—processed, edited, scripted and aired in four and a half hours after Commerce Secretary Hodges opened the Army Engineer Corps’ latest dam.

Why the fuss? Because Greenup Dam is a vital link in the economy of the 4-state 72-county “Supermarket”

served by WSAZ-TV. As well as in the affairs of the 2 million people who live in Supermarket—and who create their annual \$4-billion payroll in the factories, mills and farms served by the Ohio and Kanawha River waterways.

As Supermarket’s dominant television station, we’re strong believers in coverage like this for the 495,000 TV homes\* here.

Just as we believe that local interest, information and public service are as much a part of good business as they are of good broadcasting.

If you’re an advertiser, may we remind you that WSAZ-TV is represented nationally by the Katz Agency? (\*ARB Coverage Study, Fall, 1960.)

# First in Milwaukee\*

## ...and still first!

Station Image, more than any single quality, has made Channel 4 Milwaukee's number one TV station . . . in the eyes of both viewers and advertisers. This "Total Image" is the sum of these parts:

**PROGRESSIVENESS** — The history of television in Wisconsin is literally the history of WTMJ-TV. It was the first station in Wisconsin on the air . . . with network shows . . . with color. And it's first in coverage (a population area of 4,468,903 people).

**EXPERIENCE** — Most of WTMJ-TV's people have worked more than 15 years in television and form Wisconsin's largest, most experienced station staff in live and network programing.

**QUALITY PROGRAMING** — Program policies of good taste are traditionally practiced in local production and in selection of network programing.

**HIGH-STANDARD ADVERTISING POLICIES** — Advertising rates are clearly stated and explained in an official Rate Card, with rates the same for all. WTMJ-TV does not "triple-spot," will not accept advertising it feels would be objectionable.

**PROGRAM VARIETY** — WTMJ-TV believes in programing to meet its community's varied needs: entertainment, information, education. Included in its balanced schedule are daily high-quality live shows and the station's own feature and news programs. For more detailed information on what makes up the Total Image of WTMJ-TV, write:

# CATV's "FIRST TEAM"

## THIS JERROLD TEAM BUILDS MORE CATV SYSTEMS ON A "TURN-KEY" BASIS THAN ALL OTHER MANUFACTURING CONTRACTORS COMBINED

Since the birth of community-antenna television, pioneered by Jerrold, no organization has contributed more than Jerrold to the growth of this important industry.

The Jerrold "turn-key" team has already made TV available to a million viewers through Jerrold-constructed systems alone—and there are millions more who benefit from Jerrold-equipped systems in over 1,000 CATV communities in the U.S. and Canada.

Jerrold's tremendous experience and nationwide organization are prepared to help you in every way—

assist and guide in applying for franchises and pole-line agreements; conduct signal surveys; engineer the complete system; supply all electronic equipment, including microwave; construct the entire plant, from antenna site to housedrop, put it into operation, and train your personnel... *plus* complete financing on terms to meet your needs. This complete service—or any part of it—is yours from Jerrold.

Your first move to assure a successful CATV operation is to contact Jerrold's Community Systems Division.
