BEELINE[®] COUNTRY... AWFULLY BIG IN BUYING

... and **BEELINE RADIO** is a proven way to reach this important market

When the 2,981,000 people in Beeline Country shop, they really load up. No wonder. Effective buying income of this 47-county western market is more than \$7 billion. Combined farm income in

1965 was greater than any one of 46 states — \$2.06 billion. This is the market you tap when you put your message on Beeline Radio... the key to California's Inland Valley and Western Nevada.

After 36 years... REDISCOVER THE ALL-NEW WIS RADIO

WIS Radio, for 36 years, has been the symbol of Quality Broadcast Service to South Carolinians and advertisers alike. Today, WIS Radio... constantly alert to the many new scientific and electronic advancements being made in the broadcasting industry... is once again on the move!

This "montage" by Jak Smyrd depicts the WIS Radio staff moving into new and enlarged offices and studios, located on a 58-acre site northwest of Columbia off Highway I-26 and Bush River Road. This newly designed, multi-purpose facility begins with three 448 feet high steel towers, de-

signed for a clearer, sharper, and far-reaching broadcast signal. Four fully-equipped studios (two on-air and two production and recording), are electronically designed with the latest completely transistorized audio and control equipment. Many other technical advancements in the industry have been incorporated in the design and operation of the new WIS Radio.

This new move has been accomplished in order to keep pace with WIS Radio's constant goal... providing a total AM broadcast service to South Carolina.

All figures shown are gross before deduction of any discounts or agency commission. This makes them comparable to data for other media including network radio, spot TV and network TV.

Brand expenditures are, in most cases, based on breakouts as reported. In the few instances where exact figures were not available due to product scheduling on a rotating basis, RAB has projected estimates of brand expenditures.

Educational and religious broadcasters are not included in this spot radio listing. The five leaders in this category are: Goodnews Broadcasting Assn., \$1,600,000; The World Tomorrow, \$1,057,000; Radio Bible Class, \$750,000; Billy Graham Evangelistic Assn., \$412,000; Gospel Broadcasting Assn., \$400,000.
