# Communications Daily

The Authoritative News Service of Electronic Communications

Read the only publication the Federal Communications Commission (FCC) and the National Telecommunications and Information Administration (NTIA) have subscribed to electronically for *all* their employees...

"CD has the sources, the facts and the intelligence to put it all together. I rely on CD every day."

Timothy A. Boggs  
Senior Vice President for Public Policy  
TIME WARNER

The only daily publication covering the entire telecommunications industry, **Communications Daily** follows the latest news in telephone, broadcasting, cable TV, electronic information distribution, satellites, cellular radio and all other important segments of communications.

The **Daily** condenses a tremendous amount of valuable information into each compact issue. You get the maximum amount of news about your industry—the very latest intelligence to help you make key business decisions—in an easy-to-read format that takes you just minutes each day to digest.

Fifteen veteran editors and reporters cover the news for **Communications Daily**. They keep you abreast of new developments in industry, the FCC, Congress, the White House and of other important telecommunications news at home and around the world.

Communications Daily makes news by covering the news. Order your subscription today. If you have a computer and e-mail address, you may choose to have your subscription to CD delivered *electronically* (via the Internet).
