If you need to follow new applications, permits, sales, franchises, grants and regulatory changes —

**TELEVISION & CABLE
ACTION UPDATES**

keep you up-to-date *and* ahead of your competition. The **Updates** give you the early intelligence you need to:

- Locate new leads for equipment and sales
- Track the expansion or new activities of competitors
- Target opening markets
- Explore acquisition opportunities

And

- Gain advance information about the use of new technologies.

The **Cable & Station Coverage Atlas** is *your* source for complete and accurate:

- Grade B Contour maps
- 35- and 55-mile Zone maps
- Maps showing locations of cable systems
- Listings of all operating television stations by market (with licensee name, call letters, affiliation and phone number)
- Listings of all cable communities (state-by-state, county-by-county with operator's company name and phone number)

And Much More!

If you need to follow new applications, permits, sales, franchises, grants and regulatory changes —

**TELEVISION & CABLE
ACTION UPDATES**

keep you up-to-date *and* ahead of your competition. The **Updates** give you the early intelligence you need to:

- Locate new leads for equipment and sales
- Track the expansion or new activities of competitors
- Target opening markets
- Explore acquisition opportunities

And

- Gain advance information about the use of new technologies.

The **Cable & Station Coverage Atlas** is *your* source for complete and accurate:

- Grade B Contour maps
- 35- and 55-mile Zone maps
- Maps showing locations of cable systems
- Listings of all operating television stations by market (with licensee name, call letters, affiliation and phone number)
- Listings of all cable communities (state-by-state, county-by-county with operator's company name and phone number)

And Much More!

To order, call collect:

--------------	----------	-------

If you need to follow new applications, permits, sales, franchises, grants and regulatory changes —

**TELEVISION & CABLE
ACTION UPDATES**

keep you up-to-date *and* ahead of your competition. The **Updates** give you the early intelligence you need to:

- Locate new leads for equipment and sales
- Track the expansion or new activities of competitors
- Target opening markets
- Explore acquisition opportunities

And

- Gain advance information about the use of new technologies.

The **Cable & Station Coverage Atlas** is *your* source for complete and accurate:

- Grade B Contour maps
- 35- and 55-mile Zone maps
- Maps showing locations of cable systems
- Listings of all operating television stations by market (with licensee name, call letters, affiliation and phone number)
- Listings of all cable communities (state-by-state, county-by-county with operator's company name and phone number)

And Much More!

If you need to follow new applications, permits, sales, franchises, grants and regulatory changes —

**TELEVISION & CABLE
ACTION UPDATES**

keep you up-to-date *and* ahead of your competition. The **Updates** give you the early intelligence you need to:

- Locate new leads for equipment and sales
- Track the expansion or new activities of competitors
- Target opening markets
- Explore acquisition opportunities

And

- Gain advance information about the use of new technologies.

All we need is a minute of your time.

Just :60 of prime time to get our recruiting message out.

Because more than ever before, it's a message that deserves to be heard.

The National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong-ready to protect your community and defend your country.

It's a commitment that takes dedication. Guardsmen give at least two weeks a year and two days every month to the Guard-and to you. Is a minute of your time really too much to ask?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20 or :10.

To obtain free dubs of Army National Guard PSAs write: National Guard Bureau, Advertising Distribution Center, P.O. Box 1776, Edgewood, Maryland 21040, Attn: SMSgt Pat Campbell.

Americans At Their Best.

HASTAD ENGINEERING
You can count on us.
Can we count on you?

Because more than ever before, our message deserves to be heard.

The Army National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong - ready to protect our community and defend our country. We have been there during natural disasters, in the fight against drugs and in the protection of our environment.

It's a commitment that takes dedication. Guardmembers give at least two weeks a year and two days every month to the Guard - and to you. Could we have a minute of your time?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20.

To obtain free dubs of Army National Guard PSAs call your nearest Army National Guard State Marketing NCO, or write: National Guard Bureau, Advertising Distribution Center, PO Box 1776, Edgewood, Maryland 21040.

Americans At Their Best.

You can count on us. Can we count on you?

Because more than ever before, our message deserves to be heard.

The Army National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong - ready to protect our community and defend our country. We have been there during natural disasters, in the fight against drugs and in the protection of our environment.

It's a commitment that takes dedication. Guardmembers give at least two weeks a year and two days every month to the Guard - and to you. Could we have a minute of your time?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20.

To obtain free dubs of Army National Guard PSAs call your nearest Army National Guard State Marketing NCO, or write: National Guard Bureau, Advertising Distribution Center, PO Box 1776, Edgewood, Maryland 21040.

Americans At Their Best.

You can count on us. Can we count on you?

Because more than ever before, our message deserves to be heard.

The Army National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong - ready to protect our community and defend our country. We have been there during natural disasters, in the fight against drugs and in the protection of our environment.

It's a commitment that takes dedication. Guardmembers give at least two weeks a year and two days every month to the Guard - and to you. Could we have a minute of your time?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20.

To obtain free dubs of Army National Guard PSAs call your nearest Army National Guard State Marketing NCO, or write: National Guard Bureau, Advertising Distribution Center, PO Box 1776, Edgewood, Maryland 21040.

Americans At Their Best.

HELP SPOT RUN.

Help Spot spread the message about the Army National Guard by playing an Army Guard NCSA/PSA spot. After all, the Guard is one of your community's greatest assets. When disaster strikes in America, it's the citizen-soldiers of the Guard that spring into action.

We offer people in your area money for college and many other benefits all for serving with us part-time. All we ask is a little of your air time. If you need our latest spot, just call your nearest Army National Guard State Marketing NCO.

**YOU
