NEWS ITEMS

Mr. F. J. Pippenger, our sales manager, has just returned from a trip to Monroe, Louisiana, where he completed the details on a 5 KW sale to a radio station there. He was more than overwhelmed by the proverbial southern hospitality, thanks to our good customer, Mr. J. C. Liner and his son.

Some of our distributors report that they have good prospects for the new Gates transmitters that are soon to appear. Canton, Ohio; Blytheville, Arkansas; St. Louis Broadcasting; Pampa, Texas; Elizabeth City, North Carolina are a few of the Stations that will have our New 250C in use before long.

Our new CB-10 has taken its bow and already four of them are on their way to stations. These are the finest turntables on the market and have many new features that make them stand out in Turntable competition.

Cooperate...remember the banana...each time it leaves the bunch it gets skinned.

They say Mother Eve was the first
Bookkeeper; at least she was the
first to use the loose-leaf system.

And They Celebrate In December

Sympathy

To Dick Eickmeyer, whose grandmother passed away last week.

Executive: So you want a job? Had any experience?
She: Oh yes, sir, some wonderful ones.

When an idea gets into an empty head—it has the time of its life.

The world is like a fruit cake; it would be incomplete without some nuts in it.

Have you heard what happened to the girl in the cotton stockings???
Nothing.

A NEW YEARS RESOLUTION

Wouldn't this old world be better
If the folks we meet would say,
I know something good about you,
And then treat us just that way?

Wouldn't it be fine and dandy,
If each handclasp warm and true,
Carried with it this assurance:
I know something good about you?

Wouldn't life be lots more happy,
If the good that's in us all
Were the only thing about us
That folks bothered to recall?

Wouldn't life be lots more happy,
If we praised the good we see?
For there's such a lot of goodness
In the worst of you and me.

Wouldn't it be nice to practice
That fine way of thinking, too?
You know something good about me!
I know something good about you!

Speedy Recovery

To Mrs. C. B. Gates, Mrs. P. S. Gates, Barbara, and Janet who are confined in the hospital, and "P.S." who should be!

TO ALL OTHERS WHO WERE
OR STILL ARE VICTIMS OF
THE FLU BUG.

Irate Father: And what do you mean bringing my daughter home at 4 o'clock in the morning?

Johnnie Beckgerd: Well you see, sir, I have to be at work by 8:00 o'clock.

Static From The Line

The atmosphere has definitely changed with all the boy friends and husbands back the office looked like a "Jap fort" the last two weeks with all the deserted desks after the blitz from the Flu Bug. . . . Clara has kept the 2d floor humming with her singing and whistling of "Oh! Johnny, OH! Johnny" Mary K's apt. name should be "Do Drop In" they don't even leave her enough food for breakfast. . . . LOST in the move: Ginny Linneman's "Kline Side Cutters", suitable reward for finder. . . We are happy to see Neva Mitts back on the line with Mary, Elma, Ann, Gail and Bert. . . . Frankie had a chance to walk down the aisle Nov. 21 but it was as best man and not as groom, too bad. . . . If Mr. Mac's other wall was also glass how nice it would be to see who is behind that door, 'twould save a red face sometimes. . . . Art Myers has taken over his desk again and how that has upset things, since it was such a nice place to put all our catch alls. . . . Wally had to leave the bus backwards last Saturday because he heard a lady say she was going to grab his seat when he got up. . . how can we get to Halbach's for Nylons so early in the morning. . . . Nellie Nichols has left work to be with her husband just out of the Army. . . . Johnnie Anderson's car got loose and after bouncing around against the building, hit two cars, then came to an abrupt halt—the factory door was in the way. . . . that's all.

HAPPY NEW YEAR!

The bowling team had a big time Monday nite bowling against Merkel Bros. and it seems that Gates was again the weaker of the two. G. B.'s scored one game out of three. Francis Wentura was high man with a 'lowly' 220.

Joe's Xmas Plea!!!!

Give me a wild tie, Marge,
One with a cosmic urge!
A tie that will swear
And rip and tear
When it sees my old blue serge.

Give me a wild tie, Marge,
One with lots of sins!
A tie that will blaze
In a hectic gaze,
Down where the vest begins.

Oh some will say that a gents
cravat
Should only be seen, not heard;
But I want a tie that makes men
cry
And renders their vision blurred.

I YEARN, I LONG, for a tie so
strong,
It will take two men to tie it;
If such there be, just give it to me
Whatever the price, PLEASE
MARGE, BUY IT!

Dick: You look all in today,
What's the trouble?

Earl: Well I didn't get home till daylight and I was undressing when the wife woke up and said "Aren't you getting up pretty early, Earl?" To save an argument I put on my clothes and came down to work.

What Do You Think of the Move to '123'?

Marvin Holt, Drafting Engineer: Very fine, only homesick for old place. More room and everything up to snuff. Joe Branham, Plant Supt.: More composite, everything in one place, up-to-date, modern factory. No more could be desired. Harry King, Stock Dept.: It will be O.K. if we ever get organized and things lined up. Ivan Ryan, Foreman in machine shop: Light and heat are two important factors in the change; each man has room to turn around. Joe Pippenger, Sales Mgr.: Definitely YES. It's "cuter". Alvera Schmuck, Steno: One of the most up-to-date offices in Quincy. Light and airy, and plenty of room.

Our best wishes to Art Myers who is back at his desk after seventeen months with Uncle Sam. Art is in charge of the production control department.
