

NATIONAL RADIO CLUB

VOL 2-11

DX NEWS NOVEMBER 7, 1934

Well we hope that you have all had a very successful week of DXing since we last put out our Bulletin. We have a lot of news this week for you which we hope will be of interest to all of you.

First of all we have a couple of new members that we want to welcome into the NRC. They are: Paul V. Trice, 379 Grant St., Sharon, Penna.; Pat Liebich, 4844 Montrose Ave., Chicago, Ill. and John C. Kalmbach, Jr. 41 Densmore Ave., Buffalo, N. Y. We sincerely hope that these three will find their membership in our club very beneficial, and that our Bulletin will be of great assistance to them in their DX efforts.

We received a very splendid letter from Mr. R. R. Hayes, Chief Operator of KMAC, San Antonio, Tex. who recently ran such a splendid DX program for our club. The contents were so interesting that ye editor could not resist the temptation of printing a few excerpts from it in the Bulletin this week. From Mr. Hayes' letter we quote as follows: "First of all let me express my thanks to you, and to the members of your club for the fine turn our DX program took in spite of the fact that weather was bad all over this part of the country. We sure revel in the fact that it was such a success, 102 letters, not only the most we have ever received but I was surprised at the type of letter some of our listeners wrote, they were as a whole the most helpful bunch of letters I have ever received on a DX or test program. It will no doubt be cooler here on our next program for your club, and if I get any more letters I'll have to get a secretary of the DXERS on the staff." This letter indeed pleases us very much, we are glad to know that your response to this program was so fine and we only hope that you will continue to report on our DX programs in such fine style, let's make Mr. Hayes go through with his threat to get a secretary or need one by an overwhelming bunch of reports on their next program for our club, of which date you have already been notified and will be reminded of again at a later date.

Alec Kinghorn, who is doing such fine work for our club down in Cuba advises us that he has arranged for a special DX program for the members of our club on Sunday morning, November 11 from 2:00 to 3:00 A.M., E.S.T. They operate on 775 kycs. and are located in Havana, Cuba. It is needless for us to say that Alec would like a large response on this program, let's give him our loyal support by each and everyone sending in a report on this program.

While we are on the subject of Cuban DX specials we want to thank Alec for the mighty fine program which he put on for the members of our club on Nov. 3 over station CMW in Havana, unfortunately for some reason or other we had a very difficult time on keeping this station from fading and we were only able to catch a few snatches of it from time to time, we do not know whether this was due to the new frequency on which this station now operates or whether it was the reception conditions on that morning. It certainly disappointed us very much here at headquarters that we were unable to hear more of this broadcast, for from the little bit that we did hear we know that it was another very fine program and we want to thank Alec for the fine work that he did at the mike during this broadcast.

At this time we want to thank Floyd Smith for arranging for a DX

program for the members of our club over stations KGEZ Kalispell, Mont. and KIT Yakima, Wash. for the latter part of December. The exact date and time of these broadcasts will be sent to you in plenty of time to arrange to hear them. Ye editor also has secured a DX program from WWSW Pittsburgh, Pa. of which you will be more fully advised at a later date.

We also want to thank Earl Roberts for having arranged for special DX programs for the members of our club over XEZO Tijuana, Mex.; XEAA Mexicali, Mex; and XEAO also located in Mexicali. We also want to thank C.G. Huber our grand advisory chairman for having arranged for a DX program for the members of our club over station XEFJ Monterrey, Mex. You will be advised regarding the dates and details of these broadcasts at a later date.

FEDERAL COMMUNICATIONS COMMISSION NEWS COMPILED BY C. G. Huber Adv. Chr.

APPLICATIONS GRANTED

Call letters of WGLC, Albany, N. Y. changed to WABY.

APPLICATIONS DENIED

KSLM, Salem, Ore. to operate daily except Tuesday and Friday until 6:30 P.M. and Tuesdays and Fridays until 11 P.M. P.S.T. pending action on application for unlimited time.

APPLICATIONS RECEIVED FOR CONSTRUCTION PERMITS TO ERECT NEW STATIONS.

1120	kycs.	Boston, Mass.	J. M. Kirby (Amended)
1120	"	Fredricksburg, Texas	L. J. Blanchard (Resubmitted)
1200	"	High Point, N. C.	Hart and Nelson.
1340	"	Lufkin, Texas	Homer York. (Amended)
1370	"	Alexandria, La.	Liner's Broadcasting Station.
1370	"	Astoria, Oregon	Abraham Shapirs (Amended)
1370	"	Poughkeepsie, N. Y.	J. R. Longenegger.
1420	"	Daytona Beach, Fla.	W. W. Esch. (Amended)
1420	"	Bellingham, Wash.	Bellingham Publishing Co.
1420	"	Erie, Penna.	Broadcaster of Penna., Inc.
1420	"	West Palm Beach, Fla.	Hazlewood, Inc.
1480	"	Los Angeles, Calif.	J. B. Kiefer (Amended)
1500	"	Dallas, Texas	Dallas Broadcasting Co.
1500	"	Salt Lake City, Utah	Utah Broadcasting Co.

C. G. Huber also advises us that WHEF 1500 kycs. Kosciusko, Miss. runs DX programs starting at 1 A.M. on Monday and Wednesday of each week except the first week of each month.

We wonder how many of you heard CJGX Yorkton, Sask. this past Sunday morning. They operated on 630 kycs. instead of 560 kycs. as we had indicated in our DX Calander, we regret very much that we did not show the proper frequency for this station, however the source from which we got this tip, advised us that the broadcast was to be on 560 kycs.

William Wheatley, 254 Cleveland St., Brooklyn, New York would like to hear from other NRC members and promises to answer your letters by return mail. We know you will find Bill a very excellent correspondent.

John J. Barlow, advises us that he is supplying Fred Jansen with advance NRC tips. It seems that Fred has some method of supplying the West Coast DXers with tips each week. We appreciate your securing this publicity outlet for us, John.

Elwin H. Bullard was at the mike for a short time during the VE9EK broadcast on Sunday morning, we know that Elwin's many friends welcomed this opportunity to hear him over the air. Incidentally VE9EK came in here at York much stronger than we have ever heard them before. Must have been nearly as strong as most of the 250 watters are most of the time.

Singletons held:

Henry Allen - W2XAG. (res Pa.)
Donald Farnes - PRA3. (res Iowa)
John Donaldson - Stockholm, JOGK; CP4. (res Pa.)
Bill Garrison - PFBI. (res N. Y.)
Arnold Gerrard - LR8, YVLRG. (res Ohio)
T.E. Gootee - TIGP. (res Mo.)
Charles Huber - CJRC. (res Pa.)
Ray Lewis - CMHJ, KFQD, VOWR, XEYZ, XFO, IMI, Cardiff, LVL, FQN. (res Ohio)
Bob Rawstron - CHCK, KZRM, 1ZR, 2UW, 2XN, 3B0, 3KZ, 4YA, 5KA, OKB, Athlone, Lie-
pzig, JOAK2, JOBK1, JOCK1, JOCK2, JOFK, JOJK, JOAK, LR4, LS9,
TIRCA. (res Mass.)
Pat Reilley - KWTN, WMEX. (res N.Y.)
Earl Roberts - CMCR, CMJF, 2FC. (res Ind.)
Jack Thompson - XETB, 1YA. (res Pa.)
Bill Wheatley - CJLS, WAGF. (res N.Y.)

Eliminated since last publication:

Stuart Garnett - Busted's CJAT.
Maynard Fischer - Schlobohm's WBRB.
Pat Reilley - Schlobohm's CHSJ, Barnes' KADA.
Sidney Steele - Huber's CMBD.
Bill Wheatley - Schlobohm's WHBI, WLNH. Reilley's CMCO. Steele's CRCK.

Stations not regularly in Radex which are eliminated:

28U, 2CH, 2CO, 2GB, 2SM, 2UE, 2YA, 3AR, 3LO, 3YA, 4BC, 4QG, 5CK, 5CL,
2R26, EQ7, EW7, JOAK1, JOIK, P.P., SBH, VE9CB, W2XBF, W8XAR, W9XA,
Beromunster, Fecamp, Frankfurt, Stuttgart, Turin.

Possible Singletons:

We want to thank Sidney Steele for assisting Ray Lewis in his assign-
ment on the Mexican nights. We know that Ray too, appreciated this fine
help. It is this fine spirit of co-operation that is making the CPC such
a brilliant success this season.

At this time we want to welcome John S. Wyborski, 3151 Cedar St.,
Philadelphia, Penna. as a member of the NRC, we certainly hope that he
will find his membership in our club very helpful to him in his DX eff-
orts.

Mrs. A. C. Johnson, our fine lady member in Henry, S. D. sends us
word that the new station in Aberdeen, S. D. will probably be on the air
by December 10, and that it's call letters will be KABR. Mr. Robert J.
Dean, who has been the manager of station KGDY ever since it's reorgan-
ization will go to Aberdeen to take charge of the construction of this
new station. Incidentally KWTN, Watertown, S. D. writes C.G. Huber that
the reason they have been so slow about verifying reports is that they
have been busy moving their studios.

We want to take this opportunity to introduce our big prize contest. Our worthy member from Worcester, Mass; Bob Rawstron is offering one Lynch Antenna System and two Night Lights as prizes. This contest will begin December 15 and end March 30. In order to participate in this contest you will have to verify our NRC specials. We are going to give each one verifying one of our specials 3 points, if he verifies more than one he will get 3 more points for each additional verification. To further the interest in our specials we will also award one point for each thank you letter or card that is written to a station that put on a DX program for us, the honor system will be in effect during this contest, however in case of any dispute we will call your verifs in for inspection. Remember all verifications must bear the date between Dec. 15 and March 30. We also will require that you make a duplicate copy of each thank you card or letter to be called in, in case of a dispute. Let's all enter into this contest, the judges will be named later.
