## THE CPC CORNER

Senor Mann againsheads the list with specials from YV5RI & YV5RA. Ed-  
don Addy comes through with his first program as a CPCer and Leo Herz  
tells us WWNY will be on thru his efforts. Dick Cooper adds WGAA & WLAG  
to the steady growing list of Club Specials.

YV5RI Caracas, Venezuela sent Steve Mann a last minute telegram advising  
they would DX on Mon Sept 29 from 3-4 AM on 590 kcs and 3380 kcs. This  
information was received too late to notify members and it is unlikely  
that many heard this splendid program. Steve tells us the program was  
the best he has ever heard and that they broadcast a special message at  
the conclusion advising him the intent to present such a program EVERY  
Sat FOR THE NRC FROM 3-4AM EST. We are most grateful for this favor and  
urge all members to drop this station a card at once thanking them and  
telling them you will listen and report future programs. Cards and re-  
ports should be sent to Sr. Oscar Vicentelli, Director, Radio Continente.

YV4RA Valencia, Venezuela will honor our club on the morning of Oct 8th  
from 3-4 AM EST. This station operates on 1350 kc with 330 watts. Their  
slogan is "La voz de Carabobo" and reports should be addressed to Sres.  
H and G Degwitz. They are publicizing the program on their SW transmis-  
sions but this program will be broadcast only on 1350 kc. They will use  
English if permission is granted by their government. (Mann)

KDTH Dubuque Iowa through their Chief Engineer Stanley Beck have agreed  
to broadcast a DX program for ou on Tues October 21st from 5-6 AM EST.  
They operate on 1370 kcs and should be heard from coast to coast.(Addy)

WGAA Cedartown Ga. have complied with our request for a DX program for  
us on Sun Oct 26th from 5-6 AM EST. They will present a live-talent show  
and are extremely anxious that they receive many reports. Other DX clubs  
are urged to publicize this program. Mr. Rounsaville, the V.P. of the sta-  
tion tells us WGAA has coverage equal to 1 kw and accordingly they should  
be widely heard by DX fans. (R.Cooper)

THE CPC CORNER cont

WLAG LaGrange Ga. advise they will be glad to present a DX for us on Mon Oct 27 from 5-6 AM EST. Our good friend Ed Mullinax is General Manager of this station and has long been a friend of DX fans. We hope he will receive many reports. (R. Cooper)

WWNY Watertown N.Y. The Chief Engineer notified Leo Herz they would tentatively schedule a DX program for Wed Nov 5th from 4-5 AM EST. Full plans will be sent us later. (L. Herz)

Space does not permit us to stress the importance of listening to all of these programs. Stations go to considerable expense and trouble to conduct DX programs. It is our responsibility to report all special programs, especially those arranged for our own club.

Grant Batson has been named a Director caused by the resignation of Mr Randolph Hunt as Vice Chairman-Director and Member of the N. R. C.

The World Wide Dial Club will have a Bowling meet Oct 11th at 8 PM CEST time at the Dearborn Jackson Recreation 229 S Dearborn. All are welcome

World wide Dial Club of Chicago

The first fall meeting of the WWDC was a huge success and was attended by the Milwaukee Chapter of the NRC consisting of F Brocherdt-Bob Hetzel-C Mouzis and H Krumrei and Lo and behold who should favor us with a visit but Jack Siringer, Bob Breymaier & Chuck Wolfe from Lakewood and Ruthie Butts and her 2 daughters from Columbus. 24 persons showed up for the meeting and it looked like a small convention. Hi. Jerry put on a grand feed for all and served all the beer his company could take. TARZAN Siringer even went so far as to tickle the ivories and Doc (W93ZW-W9TMQ) Weintraub & Joe Michalski tried their skill on the Violin to every ones satisfaction. Of course we had friend Herz do his famous renditions of 21 Years and Home On The Range. Several quartettes were formed through out the evening. At 1:30 AM 16 went bowling till 3:30 AM.

S I D E L I G H T S

TOMMY GREY as usual had the highest bowling average. FRITZ now claims that he has no PIGS, can it be that the NRC was wrong. BOB BREYMAIER challenges LEO & HEINE for high honors as NRC Champ eater. GAIL BEYER had high game at bowling Sunday with a 179 game. Altho CHUCK WOLFE scored only 37 in his 1st game he came back with 135. Hope RUTH BUTTS is feeling better now, Guess she missed Walter, thats all Thanks to Jerry Jansen and his SISTER etc for the truly wonderful treat. CHUCK WOLFE couldnt wait to get to bed--so he could do some DXing-Hi. The MILWAUKEE gang were so busy they didnt sleep & forgot to eat dinner JACK SIRINGER seen showing "LEONA" around Chicago. Giving her a break-Hi WWDC Prexy MATT KANDLE is now official CAKE CUTTER at all events. Heine Krumrei lose his bet on the Green Bay Packers who lost to Chi Bears. CHARLIE TREZISE is bowling again after recently breaking his thumb. CHARLIS MOUZIS paid for GAIL's TOMMY'S COCA COLAS as a result of losing a three way bowling match, lost only by two points at that. JERRY JANSEN is now giving bowling lessons to WWDC members. BOB HETZEL drove the MILWAUKEE gang down in his newly aquired Studebaker. FRITZ washed no dishes this time, and he lloks so sweet in an apron. MILWAUKEE & CHICAGO arranged to visit each other every 2 months. Rumor says TARZAN JACK thrilled his passengers with a driving exhibition MILWAUKEE boys decided to quit trying to beat CHICAGO gang at bowling. Was ED SCHENK sober? He actually tuned a receiver the 1st time in months.
