# CANADA CARRIES ON

**W**ITH Canada engaged in an "all out" war effort, Canadians are carrying on as always, despite war-time conditions. Industry is operating at capacity, new factories are coming into production, employment is at a peak, retail sales show steady gains. The average Canadian is sharing in these improved conditions.

In a country geared to increased production, the Canadian Broadcasting Corporation also "carries on". The CBC national network is playing an increasingly important role in the Dominion. Its modern facilities offer a *complete* broadcast service to advertisers who seek to reach the Canadian market.

We'll stay together till  
Victory—and long after.

Strengthen and extend  
the friendship of Cana-  
dians toward your com-

pany and its products by
