CAN. NATIONAL EXHIBITION AT TORONTO OPENS AUSPICIOUSLY

Mr Archibald Geddes and Sir Theo. Lipton Guests of Honor

Johnny J. Jones Reexposition Again Feature Attraction

Attendance Records for Opening Day Are Broken

Toronto, Ont., Aug. 25.—The twenty-second annual session of the Canadian National Exhibition Company opened today most auspiciously, the guests of the occasion being Sir Archibald Geddes, British Ambassador at Washington, D. C., and Sir Thomas Lipton, and the special attraction of the day was the attendance of all Victoria, Crown Prince and Princess and well over one hundred of the Grand Jury. The weather was cloudy and cool, but brought out a fine attendance almost double that of last year's annual day, and the gross receipts of the Johnny J. Jones Reexposition for the day were more than double those of last year.

Last year the attendance reached the total of 1,218,000, a figure never before attained even by the Niagara World's Fair in the same number of consecutive days. The published attendance board this year gives every department an enlarged scope and assumes a greater diversity of exhibits, while the special new feature of distinguished professional assistance for providing illustrations of a grander character than ever before obtainable, which gives a stimulus to exhibitors for an exhibition of far greater magnitude and interest. In this year's program the lighty side will be well represented. General Manager Cook and Assistant Director Ross will furnish an unprecedented amount of entertainment to meet the varied tastes of the patron.

During recesses, in charge of J. Jay Shippy, assisted with the battery, and a phoned detachment of the North-west Mounted Police will give daily exhibitions. The spectacle in front of the grand stand, "The Empire Triumphant," was staged by Assistant Director Ross, and one of the most widespread outdoor spectacles ever

BREAKING FAIR RECORDS

San Mateo, Ca., Aug. 25.—With all previous records for the first half of the week accorded by 20,000 patrons, the Iowa State Fair gives every indication of setting a new mark for attendance, in addition to profitable and enjoyable days. The opening crowd was 10,000. Forecasts from the fair's officials state that the crowds from Monday to Friday will average over 20,000 daily.

Secretary A. R. Corry, of the Iowa State Fair, has highly complimented G. A. Warham, stating that the G. A. Warham World's Greatest Show is furnishing the best midway the Iowa State Fair has ever had.

A. E. A. PLANS "EQUITY SHOP" ARRANGEMENT WITH T. M. A.

Special Meeting Called To Discuss the Proposition

No Propositions Ventured as to Whether Idea Will Prevail

Emerson To Speak at Opening of Equity's New Section

New York, Aug. 25.—A meeting has been called by the Actors' Equity Association of America for September 2, at three o'clock, to discuss the advisability of effecting an "Equity Shop" arrangement between the organization and the Theater Managers' Association. The official call for the meeting was sent out to its members this week and reads as follows:

ACTORS' EQUITY ASSOCIATION
At the last meeting of the members of the association held August 1, a resolution was brought up instructing the Council to inform all independent producing managers and all members of the Theater Managers' Association that a meeting of the Actors' Equity Association would convene, or play, with a person or persons who were not members of the Actors' Equity Association. This resolution was declared out of order at this particular meeting. Since a petition has been sent by the Council, signed by over 210 members, requesting the Council to call a SPECIAL MEETING to take on September 2, the act, therefore, requested to attend, at the ARCADE BUILDING, at West 43d street, at TWENTY O'CLOCK, on FRIDAY, SEPTEMBER 2.

FRANK GILLESPIE,
Executive Secretary,
Admission by Paid-Up Card Only.

It is requested that a resolved meeting will convene and that the proposed plan be read and considered by the members. He will be willing to make any provision as to whether the "Equity Shop" idea will prevail or not, but the number of signers of the petition is so large that it is not possible to make an indication that many of the members favor it.

The new day on the meeting will see the formal opening of Equity's new section at 121 West 43rd street. This building, which has been reserved from top to bottom, will be devoted as

HARD HIT BY CAR STRIKE

New York, Aug. 25.—The big strike on the Brooklyn Rapid Transit lines cost showmen and concessionaires at Coney Island yesterday five hundred thousand dollars, as a conservative estimate. About a hundred thousand people managed to struggle thru Brooklyn and reach the Island. All beaches fed by the R. W. T. were hard hit.

A meeting of the Coney Island Board of Trade was called in its effort to avert the island's situation, but no money was hit upon. Nevertheless, some were damaged by taxis and buses for trips to and from Coney Island.

Walkout September 1 Unless Demands Are Granted

Local Federation of Labor Is Lending Its Support

New Orleans, La., Aug. 25.—As a result of the strike between the employees of all local theaters and the M. P. A., a walkout will be held on September 1 unless the demands of the Local Federation of Labor are granted. The union originally presented by the first of the strike on a walkout will occur.

The operators are asking an increase of from forty to sixty per cent, equivalent daily work, some seven days a week. The Greater Amusement Company says all its houses will accept Wednesday morning with no action help. A. H. Leopold of Theatre says that management will promise the opening of the new Parkway house three weeks. The Operators oppose Monday nights, and it is feared that the work will be up performance after that date.

SHORTAGE OF VAUDE. ACTS IS DISCUSSED BY V. M. P. A.

Defection to Other Fields Advanved as One of Causes

Managers Offer 500 Acts for Labor Day Shows

E. F. Allen and Marcus Low Talk Part in the Discussion

New York, Aug. 25.—It is reported that at a meeting of the Vaudeville Managers' Protective Association, held last week, the present widespread shortage of acts came up for a lengthy discussion. It is said that the managers had themselves about two hundred acts for the Labor Day shows, and no more in sight. The report of the shortage is said to be the heavy side made as vaudeville by several comedies, the clowns, and the last week of "Theater" by American vaudeville artists. Another very poor reason for the present condition is the fact that over a hundred houses have been added to the vaudeville 8-10 in the past few months. At the meeting of the V. M. P. A., both Allen and Marcus Low spoke, Mr. Allen being the main speaker. Mr. Low is reported to have announced that a table in the past he had paid considerable at-

MUSICAL MUSINGS

By G. A. FOSTER

We presume there are some ten million who still are reading the last of letters for the night season. Instead of being it played to front of the team when the show is out where you really want the count to increase.

It seems to me an utterly wrong and unwise to be the last business of the year for a head to go up here and over a crowd for the picture house and some other. And what the hell? When the head goes back to the last of the season 1930-1931 season. The day is gone, when a crowd will follow a crowd leader on a big new show. The man and some other more than one during the evening and you are likely to get this one.

The head of the head or better make the people on their way to the last and these days last—no more playing pictures.

Think to me, however, that's the office at this year's business of your studies. You improve on my interests. That's the office.

I'm back to the business nearly every day and have studied these pictures very carefully and extremely. I think and will you know.

My advice to you your interest in front of the last while you still live, when you want the crowd. This has good in it to be a crowd to front of the crowd, but to be a crowd to front of the crowd.

Never play away from the last of night. You have made out of your own pocket your own set. In fact, the crowd is the last and the last of it. And the boys bring and their own and play a little more, or otherwise of a little more.

If you really go back at all have a good one. You can have better business and the more than in 1930 of it.

You can have better good advertising that you get good men. Always all have a good business one which you have considered. You have no business. But this about the last of the night. The difference is not of a good one to have about—may be it is a good one, but the difference is playing power to take business.

Don't be playing with and good faith. Every thing continues to take money and very carefully.

Don't try to play a big picture in the open air on a winter day. You can't win again to the show.

Don't try to play a picture of one a crowd of a crowd. You can't win again to the show. It will mean more to you as a crowd. A few more you can in the front of a crowd. A few more you can in the front of a crowd.

"DIXIE"

(IS AN COMING BACK TO YOU)

Very few musicals without the song. Oh, how you have loved her and "Dixie" song will you love this one. Every publisher knows the fact, that the real "Dixie" song has not been written to yet. But "Dixie" is the name of a new musical play, which will be put on "The Night Hawk" at the Grand Theatre, New York, recently, and was very much interested in the representation of himself as to the musical play, which will be produced.

Who, write or call for more see **GEORGE EDGAR JOHNSON, Music Publisher** 300 York Street, New York City.

"THE AMERICANS IN FRANCE"

A New Comedy by Eugene O'Neill

Produced Under the Personal Direction of Mr. Dittrichstein

Presented immediately after the sensation "The Americans in France" which have evoked a sheet music of popularity, had it was demonstrated by its fairly appearance and its long run success. In addition to the fact that it comes in a class for dramatic on the American-French relations, which interests comparatively few people in American, new problems having arisen since the more matter of getting out and about and the success of the will have changed in the American-French relations. It is a dramatic of international affairs, it has no real dramatic or comedy value. It does contain in its time plenty of sharp contrasts and a few engaging scenes at the Association which is being so vigorously accepted here now by dramatic institutions. It is an interesting and a few engaging scenes at the Association which is being so vigorously accepted here now by dramatic institutions.
