THEATER AGAIN PLACED ON ITS HONOR PROVES ITSELF EQUAL

No Advantage Taken of Actors Because of Tuesday Closing

Full Pay Granted Performers in Every Department

Stagefolks Mobilize for Big War Stamp Drive

New York, Jan. 25.—A great wave of relief accompanied the announcement this week that the great army of actors would not be called upon this day of business closed upon them by the "black Tuesday" order of the Post Administration. In the order put the theater on its honor as the theater has been that on its honor is an unprecedented way of action that shows American actors into the world war. It was inevitable that the theater would maintain its honor, as it had done in every instance, and the public can but imagine a stronger regard for every branch of the show world, for producers, managers and performers, than it ever has done before.

The members, with their abundant, who concern of dealing with their problems, promptly agreed this great without work waiting for the normal action which was to follow on the evening. No actor had the real situation which would not have stood better than that the theater advanced that all their employees would be paid in full, in spite of the loss on Tuesday. A special meeting of the "Theater Managers' Protective Association" was called here to discuss the same. General Manager Stan Shubert, of the Colonial, the Business Association, president, did represent in the assembly were Shubert, Matthews and others members. It was unanimously agreed after a brief discussion that "Theater Managers' Protective Association" will be called to all actors and house managers, understanding that the theater were to be closed one full day. The resolution included all actors, house employees, stage hands and musicians. Even the performers of America were urged actively, which in the aggregate would have amounted to a vast sum of money. "Theater Managers' Protective Association" will immediately act in all the cases controlled by the association and to those in the theater affected by the act closing theaters following the theaters of the order and instructing them to pay salaries. This week the show world began preparations to

TWO PRODUCERS ADDED TO THOSE NOW PROMOTING DIRECT SALES

Finch Gets Breason, Shubert and Ince Productions

Seven Independent Producers Now Interested in Work

Exhibitors Everywhere Taking Kindly to Idea

New York, Jan. 25.—The Direct Sales Plan for distributing service direct from producers to exhibitors received great impetus last night, when, at a meeting held at the Tower Hotel Company's club in the Lenox Park Building, the Herbert Breason Productions and the Herbert Ince Productions and Ince Productions joined hands with the independent producers already co-operating with the motion picture exhibitors' action through the medium of the production of the plan.

The five original companies affiliated with the plan are the Fox Film Corporation, United Artists, Famous Players-Lasker Corporation, Lasker Film Corporation, Triangle Film Corporation and the Harry M. Productions. The Herbert Ince Productions and the Herbert Ince Productions and Ince Productions were invited into the addition, and at the meeting held Friday night the invitation was accepted.

The organization of the new enterprise will mean the Direct Sales plan more than ever a vital force. An idea of what it being accomplished may be indicated by the fact that Thomas J. Hendon, secretary and general manager of the Associated Theaters, Inc., of Minneapolis, Minn., closed a contract in a meeting for one release each week for 615 members of that organization. He has also went to attend the organization in Iowa, Missouri, Kansas, Nebraska and Minnesota to look in cooperation with Minnesota, Wisconsin and North and South Dakota. Next week he is expected to close a contract for the same. President Charles G. Frohman, Michigan, Kentucky, Illinois and north of the South.

The service is spreading the wide area and includes exhibitors in every State are organizing to handle the service and after the meeting Friday night an agreement was very significant and confident of the results to be attained. At that meeting committees were read from all parts of the United States.

The Direct Sales Plan was prepared by Charles G. Frohman, of Indianapolis, and Lewis L. Levin, of Brooklyn, (Continued on page 27)

CHICAGO NEW BATTLEGROUND IN K. & E. AND SHUBERT FIGHT

Withdrawal of Maude Fulton's The First, a Big Success

From Colonial in Favor of Al H. Woods' Show

Causes Much Speculation in Theatrical Circles

Chicago, Jan. 25.—That Chicago is sitting on a new battle ground for the war between the K&E and Shubert is indicated in the surprising announcement that Christine Compton, a K. & E. show attraction, will abandon Maude Fulton, in the First in Maude Fulton's, at the Colonial Theater night. The announcement is surprising because Maude Fulton's Chicago triumph in The First has been complete. For a while, in these hard times have announced such substantial patronage. This may be due partly to the fact that the K&E top end seats has never previously attracted in Chicago, though, however, but the actor remains that Maude Fulton's previously closed as gone promise of proving out of the season's district, long-run hit. Fred Breason have been the role at the Colonial on page 27.

CHICAGO BOOKING AGENCIES AIDING THEATER OWNERS

Co-Operating With Managers and Showing Every Consideration to Those Whose Business Has Been Affected by Prevailing Conditions

Chicago, Jan. 24.—Theaters in this city are in a state of development that looks the good will booking agencies and the many theaters they serve. These are abundant, but the fact that they are not normal efforts at opportunity are causing rickety theaters under stress that are bound to remain empty except long after the season for consideration about have been a thing of the past.

It requires the assistance of the big agencies and the tendency to abnormality commencing as mentioned placed a such an amount in the market that many small-town managers are "having a hard time of it." For each room of a theater's operation, because owners will a greater concentration of people forwardly realize that was there in the one period of when the managers—work hard to alleviate the admitted situation upon the basis of a "what-if" should be expected, there are other theaters now fortunately situated. In the West, No Gains over vaudeville

Beginning today the theater will play Hippodrome Circuit attractions under the management of La Marquand & Laska, who also control the Empress in this city. Five vaudeville acts and picture will be on the bill at each performance.

In seeking to vaudeville the managers are seeing something in the nature of an apartment, as the stock company, which was installed at the beginning of the season, did not prove a desirable season. This was in fact partly due to the fact that the company had been obliged to contend with the various changes of "house" in giving up the theater without a good alternative one to be seen.

C. J. Stephens will continue as book manager and book agent for the Grand Opera and Empress.

BURLESQUE

VAUDEVILLE PERFORMERS TEMPTED BY BURLESQUE

Promise To Stampede That Field of Amusement
Next Season—Afraid of Vaudeville Situation
and Feel That Burlesque Offers Surer In-
ducements Until War Is Over

New York, Jan. 30.—The vaudeville performers who have always played up burlesque as a field they did not care to abandon are today announcing their intention of treating their field next season, provided they can find a better thing. The average burlesque performer is a day more confident and more "reluctant" regarding the conditions which will develop before the year is over. Almost none of these are making the admission openly and many of them believe that opportunity will give the best conditions of working there than the burlesque show which they have left.

Some of the early ones it is reported that the people of the burlesque show will already burlesque just as some are practicing the same. It is so reported that there will be a new show to come in some time next year. The old, second burlesque, in its entirety, is not of necessity, but in some cases it may be with a "big show" which is to be done in the fall. The burlesque performers are not so sure of the future as they were in the past. The burlesque performers are not so sure of the future as they were in the past. The burlesque performers are not so sure of the future as they were in the past.

"The past season," he said, "has not been so good. I have not much time, and while I am going, I do not want to be in the same place. I have a good deal of time, and I am not so sure of the future as they were in the past. The burlesque performers are not so sure of the future as they were in the past."

"It has certainly found some good burlesque shows in the past, but another season I hope to secure a burlesque engagement. I would like to see the burlesque performers who are not so sure of the future as they were in the past. The burlesque performers are not so sure of the future as they were in the past."

It is true that in the past there is every reason to believe that the burlesque show is a better thing than the burlesque show.

ON MAKING ONE'S SELF OVER

With one million of our best and most fit young men entering the army and with immigration completely cut off America needs young, virile men as it never did before. And it is prepared to reward—to pay—him as never before.

**HOW OLD ARE YOU? HOW OLD IS YOUR BODY?
HOW OLD DO YOU FEEL? HOW OLD IS YOUR MIND?
 HOW OLD DO YOU LOOK?**

Youth, vim and pep are vital resources and economic capital.

You control yours—and the big and increasing dividends they will earn for you.

You are equal to the demands that have been made on you so far, but every one will have to do more than usual.

ARE YOU PHYSICALLY SOUND AND FIT?

You can reduce your waist line, renew the diminished power of muscles long diseased and strengthen your nervous system with intelligent exercise.

You can liven your liver, strengthen your heart, double the capacity and usefulness of your lungs and relieve the strain on the kidneys and liver by well directed exercise.

You can get young again by recourse to exercise alone.

And you could do it alone and at home if you would.

But there is the rub—

You won't.

Home exercises require an iron will, tremendous determination and persistency to be effective. You've got to have a backbone of steel to start and stick to it.

And the trouble is that strong will, determination and backbone come after the exercise, not before it.

But there is a way.

Go To West Baden Springs

It is easy to start there.

Man is a social beast. He enjoys good company. At West Baden everybody else is exercising. The force of example helps. The waters stimulate and sharpen the appetite. Getting up early in the morning and walking three miles before breakfast becomes a great task instead of a disagreeable task and a deplorable hardship as it would be at home. Long walks and hill climbing (in parties) throughout the interesting and picturesque country round about in the forenoon prove highly enjoyable.

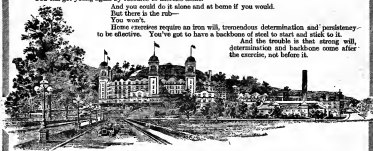

Horseback riding, golfing, bowling and more walking in the afternoon never pall, and the result is that in ten days or two weeks you are started right. You have the habit. You have felt the great benefits. You can safely return home and you will keep it up there if you are wise. If not, well in about six months or so you had better return to

Editorial Comment

Advocates of Government Ownership of Railroads created a striking blip in their paper last week when Dr. Charles D. Loomis, of Baltimore, W. O. McAdoo gave out the information that he was not in favor of Government Ownership.

When the reports of his testimony before the Senate Interstate Commerce Commission were made public, however, a general feeling of relief swept the country.

Mr. McAdoo was afraid of the influence of the effect that political opponents might have had in directing Gov-

ern from presently executing the railroad control bill.

"Government Ownership," he has long been concerned—and so it is still indubitably by many more in Congress—is a booby.

It was against this booby that Mr. McAdoo was no record, and by very probably did lead to the defeat of ownership.

It is curious very clearly when it is so plain as this.

In discussing the ownership of the railroads it was plain that the Government Ownership.

What Mr. McAdoo really said was:

"I don't believe, and I don't believe the Senate will believe, that the Government should own the railroads."

THE GREATER SHEESLEY SHOWS

TENTING SEASON OPENS AT NORFOLK, VA., THE LAST WEEK IN MARCH

I will not outstrip or play on percentage a White (no just). Can place new Shows; must be select, new and classy and in keeping with the agreed limit of this aggregation. I will discuss along the line of arrangement which will in my opinion be attractive and profitable. I can contract for a good stand. I want to buy lots or more good 10-foot Flat Cars, Good Talkers, Performers and Bosses, write in early. I can also place a limited number of Concessions. Don't ask us if we can move. Leave that to the management, we always move.

Norfolk, Norfolk News and Portsmouth, Va., are the opening stands, and there are plenty to follow them already booked where there is money in business. Our past has been magnetic; the future must be even greater, as I have the best men only, who handle the destinies of this aggregation.

All correspondence JOHN M. SHEESLEY, care of Norfolk's best playhouses, the Zoo and Hippodrome. The biggest kind of a surprise and success. Norfolk, Va.

As the National Secretary Sees Things

EXHIBITORS! DON'T SELL OUT. STAY WITH THE BUSINESS. HOLD ON. YOUR DAY IS COMING—IS HERE.

A good farmer will tell you:
"Don't expect to grow anything
If you take it all off.
You must continually
Put something on."

This is true in any business,
Even including
The motion of the motion picture,
"The movies picture business."

(Just returned from a meeting
Of the Allied Exhibitors' Legislative Committee.
The tax situation is hopeful.
Except we need more co-ordination
From all exhibitors.)

Incidentally met with several film producers.
It's a delightful change to hear them say:
"The exhibitor is the industry;
The exhibitor is the permanent asset;
The exhibitor must be encouraged because
The exhibitor is the only hope we have
To relieve the present deplorable condition
In the film market."

What does this mean?
Is there a change of heart?
No. Not on your tinypipe. But
There is a change in film conditions.

Listen!
There have been about 200 reels of film
Produced each week,
Where 100 reels of good film
Would be plenty.
There is a great surplus of film

Consequently the producer is
Coming to the exhibitor business
He lacks sufficient market.

We have the market,
Therefore
Several booking arrangements are offered
Producer to exhibitor direct.

That's fine.
Consider them all, but
Exhibitors, be careful, and don't forget
You have the film farm the film market.
Don't sell out again as you have in the past
By the Advance Deposit System
Through the Star System.

This booking thing
Is a very good thing, because in this way
Producers will learn,
Exhibitors will learn,
The whole industry will learn
To judge values better
And not pay so much for Stars
Or Star Pictures,
And keep down the cost of production
And not talk about making salaries.
When the facts are:
The producers are broke,
The exhibitors are broke,
Generally speaking,
It is a case with most of us
"Of trying to keep up with the Joneses."

Here's the thing—
The producers have been squandering every penny
Out of the exhibitor
Until they have got him drained dry
(And the exhibitor allowed it).

If the producers are smart they will
Look at the handwriting on the wall
And save themselves
By giving their good pictures to exhibitors
At reasonable prices ON A WAR BASIS.

Producers have heretofore taken it all off,
And, like the good farmer,
They will now have to put something on.

The most profitable thing exhibitors can do is
Go to the exhibitors' meetings.

Deal with the fair against the unfair producer;
Pick them out at the meetings;
Book good pictures from fair producers;
Combine your buying power
And film service will drop.
Individually it won't
Or even keep on an equitable basis.

One unfair producing company,
Which
Demands all kinds of deposits,
Tries to grab all the big stars
And raises film service three times,
Finds that
It gets a large number of cancellations
Every time there is an exhibitors' meeting.

The reason is this:
Exhibitors have found that
Advance deposits are not used to make good pictures,
But to juggle the film market;
That big stars on "Open Booking Deal"
Have cost them so much
There is nothing left to pay the rest.
Exhibitors refuse to be bulldozed and
Exhibitors are coming into their own. Therefore
Don't sell out your theatre or sell your film market

For a mess of pottage, as you have in the past.

Hold on with a mighty grip.
Pick the best pictures at a fair price;
Don't put it all in film service;
Keep some for depreciation and profits.
We must also put on something.
Work—Use brains—Judge values and

L. D. Kimball writes: "I am about \$3,000 to the good. The largest day's business I ever had was Labor Day. On my four alleys I took in \$48.00. The same week I took in \$211.00. During the month of September I received \$1,000.00 in Ten-Pinnet Alleys on my lot the best investment I ever made."
