The Big Problem:

HOW TO PICK A HIT TUNE

There is probably no more important factor to a recording artist than the song he has to work with.

A singer whose ability is already proven knows he can put over a song. He knows too that, in most cases, the production behind him will be good—the musicians, the direction, the engineering.

What he doesn't know is the commercial potential of a new song.

In this business, there is practically no one who is not trying to find the right tune, the right melody, the right combination of lyrics that makes for a hit.

The song is literally the basic material.

As far as an artist is concerned, he has two ways in which to tackle the problem of finding proper material. First, he can accept the recommendations of the A & R man—in many cases he has no choice but to accept them—or secondly, he can set about finding his own material.

Both methods can bring success. But most artists feel the second procedure is more effective.

Many artists claim that they should in fact have a great deal more to say about what they record than they do at present.

Their contention is that an artist should go about finding a tune he really can feel, that he can put his heart into.

And it is a fact that folk artists, for instance, usually have had very much to say about the hits they've turned out. Many times they've even written the song themselves. And it often happens that folk sessions are set with artists simply coming into the studio and recording—no rehearsals, no nothing. The same applies to the rhythm and blues field.

It's true an artist should feel a song, and unless he has a clearly objective viewpoint, shouldn't be forced to wax tunes he doesn't like. But it is also true that most ventures of artists into the publishing field, where they pick tunes and then record them, haven't been productive of a great number of hits.

Probably the whole thing boils down to the fact that picking hits is one of the most difficult things in the world. Any one who could do it on a consistent basis would be worth unlimited amounts of money to publishers, record firms and everyone else in the music business. And indeed it is usually the case that those who are the most successful in this business and are placed highest up are the men who have been able to pick those hits on a more consistent basis than their fellow industry members.

As far as choosing tunes today goes, we're apparently reaching a state where a compromise is being worked out. Songs that are being recorded, for the most part, are ones that both the A & R men want and ones which the artists at the same time feel.

This seems the most likely way of accomplishing the end in sight—to get a hit—for in such a procedure everyone can bring his experience, judgment and picking ability to bear.

But no matter who picks the tunes, the big problem is to make those smashes which make money not only for the artist, publisher and record firm, but also for the dealer and juke box operator.

The one thing to always keep in mind is that making records is a commercial enterprise. The object is to make a profit.

Getting in on the current drive of all facets of the music industry to plug and thereby boom the band business, Joyce Martin presented an all-Ellington show on her June 21 jazz stint "Joyce 'n Jazz," on WMUR-Manchester, N. H. with the great Duke Ellington as her featured guest. Joyce and her two member panel carried their tape to the Duke's one-night stand and recorded one of her best shows to date. Ellington refuses to believe there is anything wrong with the dance band business that a few good dance bands wouldn't cure. . . . Station WAUG of Augusta, Ga. has announced a new deejay lineup. The morning show has been taken up by Ed Tacy; Wayman White has the "Duke Of Wax" show. Wayman is the only negro jock in Augusta; Don Melvin airing the afternoon pop show; and Joan-Ellen does the "Voice Of The Turtle" show. . . . Congratulations on our 10th Anniversary issue are still pouring in. Donn Tibbetts (WKXL-Concord, N. H.) wires: "Congratulations on Cash Box Tenth Anniversary. There is no better than Cash Box in the trade. Sincerely."

Robin Seymour (WKMh-Dearborn, Mich.) has just celebrated his 6th year at the station. He is on five hours a day, and one of his program highlights is his daily report on the top five records in the area. Bob obtains this list by calling 20 "recommended Record Stores" for their listings. Seymour never fails to do four school or charity appearances every week. He is particularly happy about having signed a long-termer with Meck T.V. for sponsorship. . . . Len Ross (KRUX-Phoenix, Ariz.) is now mc'ing a daily disk show "Telequest Time With Lucky Len." Ross conducts several contests each day and needs autographed records, albums and photographs. . . . While appearing on the Bill Randle show at station WERE in Cleveland, Buddy Costa and Bill were interrupted by a phone call into the studio. The call was from the public relations officer of the Cleveland Police Department to thank Bill for his cooperation during the school term in preaching safety to his many scholastic listeners. After the show, Buddy, Bill and promotion man Morris Diamond went down and across the street for breakfast. Up pops a cop ready to give the trio tickets for jay-walking. Bill assumed responsibility for the two New Yorkers, and when proper identification was furnished by Randle, the matter was dropped after a lecture of course. . . . Ex cop Jack Rowzie went back on the "Night Beat" July 1, but he won't be pounding the pavements. Rowzie took over WWDC's (Washington, D. C.) all night show (1 to 6 A.M. every morning except Sunday) and in his honor, being an ex policeman, the station changed the name of the show from the "Yawn Patrol" to the "Night Beat." Rowzie replaces Felix Grant who, in turn, will remain with the station as a staff announcer.

Lee Murray, ex WMCK (Pittsburgh, Pa.) announcer is back from service with Uncle Sam in Korea via the AFRS. He rejoins the staff next week. . . . The Pittsburgh territory disk jockies are giving Phil Brito's new Congress disks a nice working over. Seemingly favored is "Love Me, My Love." . . . Sid Dickler, also of WMCK is moving in with Joe Hiller, theatrical agent, in the Century Building, downtown Pittsburgh. . . . Bob Poole, of MBS, just added 4 more stations to his network, making it an all time high of 554. Poole needed the four additional stations "like a moose needs a hat rack." Currently five national magazines are doing pieces on Poole. . . . Joe Sallay (WATH-Athens, O.) conducting "Summer Sequence" featuring big solid bands and hot vocalists. The show is aimed at the younger set since 75% of his audience comes from the local high schools and colleges. Athens is the home of Ohio University. In the past year the following artists have been on his show, either live or taped—Woody Herman; Billy May; Patti Page; Ralph Flanagan; Frankie Laine and Stan Kenton.

DON CHERRY

(Decca 28292; 9-28292)

C+ "PRETTY GIRL" (2:24) A melodic number with a moderate fast beat is given an enjoyable going over by Don Cherry as the cute lyrics make this a strong side.

B "MY NAME IS MORGAN BUT IT AIN'T J.P." (2:23) Here Don sings a cute novelty with amusing lyrics to the tempo of a light Latin beat. Group support and whistling in spots make side a pleasing one.

KAY STARR

(Capitol 2151; F-2151)

B "FOOL, FOOL, FOOL" (2:11) A male vocal group backs Kay Starr as she gives her low down interpretation of a rhythm and blues type number. The Harold Mooney ork sets the belting pace.

B+ "KAY'S LAMENT" (2:17) Kay delivers a very fast moving and powerful rendition of another R & B style number this time with the aid of a very speedy Latin beat in the backdrop.

LIBERACE

(Decca 28279; 9-28279)

C+ "VELVET MOON" (3:18) Liberace's fleet fingers cruise smoothly over the keyboard as he plays a slow number with an inviting melody. Lush ork backing is fitting.

C+ "IT'S SHADOW TIME" (3:12) The pianist deals out some expressive dance music as the full ork backing showcases his tender touch. Slow number offers some good mood music.

THE WINNERS

(Derby 802)

B+ "MY SIN" (2:49) The Winners ease through a terrific number with a great lyric and melody combination. This terrific reading could make the boys a hit over night. Slow number shows their voices to full advantage.

C+ "TO THINK WE'RE ONLY FRIENDS" (2:47) Supported by rhythm accompaniment again, the group dish up another slow number and create a good sound. Top lid shows off the vocalist's talent to better advantage.

KEN GRIFFIN

(Columbia 39775; 4-39775)

C+ "ROSARY LANE" (2:28) As Ted Stanford chants the pretty melody, Ken Griffin backs him with a great deal of feeling on the organ. Number is done in a waltz tempo.

C+ "IN A CHAPEL BY THE SIDE OF THE ROAD" (3:20) Ken softly presents the organ backing to a nostalgic number with a slow beat as Ted sings again. Lyrics are tender.

ELTON HAYES

(Decca 28214; 9-28214)

C+ "WHISTLE MY LOVE" (3:08) From Walt Disney's latest flick "Robin Hood," comes this pretty, slow piece that Elton Hayes warbles with the aid of Philip Green's ork.

C+ "RIDDLE DE DIDDLE DE DAY" (3:01) Elton chants a gay and amusing bounce item with a Gaelic flavoring as the Green crew backs him once more.

THE CASH BOX DISK OF THE WEEK

"WISH YOU WERE HERE" (2:55)

"THE HAND OF FATE" (2:55)

EDDIE FISHER

(RCA Victor 20-4830; 47-4830)

EDDIE FISHER

● Whether he learned it in the armed forces or not, Eddie Fisher is using the idea of always keeping a replacement ready to full advantage. That's just what the crooner has been doing with his picks. As soon as one hit reaches

the top ten, another one is released to join it. Now Eddie comes up with a wonderful slow ballad entitled, "Wish You Were Here" from the musical of the same name. As Hugo Winterhalter provides the lush backdrop with a light Latin beat, the vocalist offers a warm and tender rendition of a most attractive tune. Eddie's voice sounds as great as ever. Flip is another soft romantic ballad called, "The Hand Of Fate." Supported by the Winterhalter crew once again, the chanter shows all the warmth and appealing character that his voice possesses. We're thrilled by the top deck and it looks like a natural for the peak of the charts.

DANNY SUTTON

(Federal 14004; 45-14004)

B "PLEASE OPEN YOUR HEART" (2:20) Danny Sutton gets the aid of group harmony as he sings a beautiful slow ballad with all the warmth and feeling his voice carries.

B "KNOWING YOU AS I DO" (2:39) Some grand listening is dished up by the vocalist as he tenderly reads through another soft and slow ballad.

TOMMY DORSEY

(Decca 28257; 9-28257)

C+ "DEEP IN THE BLUE" (3:01) The familiar and pleasant trombone of Tommy Dorsey leads the ork as they provide some fitting backing to Francis Irvin's chirping of a slow ballad.

C+ "YOUR DADDY'S GOT THE GLEEKs" (2:46) TD changes the tempo to a moderate beat. Charlie Shavers sings the rhythm and blues type number dynamically. Ork backing is stirring.

THE CASH BOX

BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

- ★ "MY SIN" The Winners Derby 802
- ★ "FORGETTING YOU" Kay Karol Rainbow 178
- ★ "KAY'S LAMENT" Kay Starr Capitol 2151; F-2151

THE MERRY MACS

(Intro 6046)

C+ "I'LL ALWAYS BE IN LOVE WITH YOU" (2:45) Supported by Ike Carpenter's Sextette, the Merry Macs blend their warm voices in a pretty reading of slow ballad. Harmony is fine.

C+ "RIPPY DIPPY DIDO" (2:40) The artists' ballad type harmony now turns and bounces through a cute ditty that plays on tricky wording. Light number is pleasant listening.

HARRY JAMES ORCHESTRA

(Columbia 10076; 4-10076)

C+ "SERENADE IN BLUE" (2:53) The sweet and tearful trumpet of Harry James pipes out a beautiful sounding melody of a slow ballad. Oldie comes from Harry's album called "Soft Lights, Sweet Trumpet."

C+ "SEPTEMBER IN THE RAIN" (2:48) Harry gives this slow number the low down expressive treatment of the horn and delivers some beautiful dance and mood music.

HELEN O'CONNELL

(Capitol 2137; F-2137)

B "ZING A LITTLE ZONG" (2:15) Helen O'Connell supported by the Harold Mooney ork presents a cute little ditty with a catchy tune and a humorous play on the Dutch "Z."

C+ "BODY AND SOUL" (3:12) Here a grand old ballad is softly chanted by the chirp in her own sweet and feelingful fashion. The Mooney ork again deserves credit.

DEAN MARTIN

(Capitol 2140; F-2140)

B "COME BACK TO SORRENTO" (3:11) With his side kick Dick Stabile supplying the backing, Dean Martin comes up with a soft and smooth rendition of a beautiful favorite that he sings in his native Italian and in English.

B "OH MARIE" (2:22) The chanter warbles another slow Italian standard in a tender manner and changes the pace at mid point into a rhythmic jump as he continues the lyrics in English.

SARAH VAUGHAN

(Columbia 39789; 4-39789)

B "STREET OF DREAMS" (2:58) The great range of Sarah Vaughan's voice spans the octaves as she lilts through a pretty number in her stirring fashion. Providing the full stringy backing for this slow ballad is Percy Faith.

B "TIME TO GO" (2:47) Again teamed with the wonderful music of Percy and the crew, Sarah sings a slow blues type number in her feelingful torchy style.

LIONEL HAMPTON ORCHESTRA

(Decca 28230; 9-28230)

C+ "IF YOU EVER LEARN TO LOVE ME" (3:13) Lionel Hampton and the boys provide a lush backing to a sweet vocal reading by Irma Curry. The pretty melody shows the fitting voice of Irma.

C+ "JELLY ROLL" (3:00) A moderate jump beat is the pace set by Hamp's gang as Sonny Parker belts out a rhythm and blues type number while ork members solo dynamically.

ROUND THE WAX CIRCLE

NEW YORK:

Latest confirmation reveals no basis for Dave Kapp exiting from RCA Victor. . . . Robert N. McCormick, veepee and general manager of the southern division of Decca Records has just been made a Colonel on Governor Robert F. Kennon's staff. It's Colonel Bob for the third consecutive time. . . . Dave Cavanaugh moves from New York to Capitol's Hollywood office. Cavanaugh takes over Repertoire for the company's Children's Department.

ALAN DEAN

. . . Alan Dean's new MGM waxing "Luna Rossa," backed with "I'll Forget You," looks like it may be a real winner for the young Britisher. A click performer in clubs and theatres, Dean begins an engagement at the Skyway Club in Cleveland, July 7th. With Cleveland's top jock, Bill Randle, one of his most ardent fans, Alan Dean may well crack wide open within the next few months. . . . Buddy De Franco is really hot on his personal appearance tour in L.A. and San Francisco. Buddy's agents, MCM, plan to keep him on the coast from 3 to 6 months. They are working on several picture "deals" and T.V. guest shots. . . . Helen Grayco and hubby Spike Jones resting at home after a strenuous tour of one-nighters. Spike and his Musical Depreciation Revue broke existing records everywhere they went. . . . Toni Arden and brother Jan teamed up for "Blow Out The Candle" and "Where Did The Night Go." It is the first time we

can remember a brother and sister duo on wax. . . . Guy Mitchell has been signed to play a two week engagement at the famed Palladium in London, July 21. Guy has been a favorite of the British since his "My Heart Cries For You." . . . Cathy Page, Irving Berlin Music secretary, vacationing in California. . . . Folk balladeer Harry Belafonte is currently setting the Cleveland jocks and press on fire. Appearing at the Alhambra, Harry is on his first lap of a cross country tour which next takes him to the swank Thunderbird in Las Vegas in August and the Mocambo in Hollywood in September. . . . Ray Anthony has signed for his 5th annual engagement at the Cafe Rouge of New York's Hotel Statler, opening January 12 for 5 weeks. . . . Now that he is home from overseas, Pvt. Vic Damone is stationed at Fort Jay, N. Y., and is slated to be assigned to activities aimed at recruiting women for the armed services.

CHICAGO:

Billy Williams phoned. Said he would visit us the very next day. Right "after the first show." But, from what we gather, Billy got so busy, he just couldn't get around to it. Billy claimed Chicago Theatre "doing very splendid" regardless of torrid weather. . . . Teddy Phillips called around. Advised, "The band is enjoying its greatest year." But, butted, Teddy, "Sure wish we had a clickeroo record." . . . Some guys 'round town claim that Frank Sinatra "sounds like Frankie of old" on his latest wax: "Tennessee Newsboy" b/w "Luna Rosa." . . . Nice long distance phone call this past week from nervous Harry Link of Marks who said, "Boy, we are goin' places with Les Paul and Mary Ford 'In The Good Old Summer-time.'" (Just like we didn't know. Harry, better go back to that gorgeous home on Long Island and relax. You gotchaself a clickeroo). . . . Tess White over at Forster's, while Fred on his vacation, being driven absolutely wild with the way requests are coming in for: "I Remember When." The tune over which little Eddie Fisher is getting the public wild . . . Thanx to friend Herb Graffis of the Chgo Sun-Times and also to very grand guy (Kup) Kucpinet for their very nice remarks anent our Tenth Anniversary Issue. . . . Max Miller, star of the 88's, is now also a disk distrib.

For 'Life Records.' . . . Rocky Rolf of RCA-Victor (one of the really sweet kids 'round our town) just back from a vacation at Lookout Mountain, (of course) Tenn. Rocky praised our Tenth Anniversary Issue. (Thanks, Rocky, and hope it serves you as well as you believe it will). . . . Leonard Chess (who seems to click whether it's "Chess" or "Checkers") is down in the deep South. Reports back that what the folks down there go for is Al (Fats) Domino's dinking of "Baby, Please No, No." . . . "Satchmo" over at the Blue Note. Grand person. Terrific artist. And biggest torrid, humid weather crowd puller 'round these parts. (Should play the 'Satch' in White Sox Park). . . . Noted friend Buddy Lester having himself some of Jimmy Moy's food with wife and dotter at the new Driftwood. . . . Thanks to good friend, Mack Clark of King Records, for his verry, verry nice complimentary remarks concerning our Tenth.

LES PAUL & MARY FORD

LOS ANGELES:

No amount of modesty could prevent us from mentioning the really terrific response to the Tenth Anniversary Issue of The Cash Box in these parts. . . . Compliments and congratulations poured into our office from many folks in the business, record company execs, artists, ditributors and operators. . . . Among those who thought the issue was just about the finest of its kind ever was King prexy Syd Nathan who happened to be in town and keeping branch manager Al Sherman on the jump (not that Al isn't normally an up-and-at-'em character). . . . Syd didn't seem displeased with that full page article on him, as reprinted from the Revere Copper publication. . . . Syd's Federal A & R head Ralph Bass was busy cutting a first session with Jimmy Witherspoon, whom he'd just signed. . . . Also signed by Ralph was Big Jay McNeely, the man who went real crazy with his sax at the recent concert featuring Earl Bostic.

FLOYD DIXON

Another record company topper who expressed his pleasure with the anniversary issue was Leo Mesner, whose Aladdin label has one breaking fast on the hot charts in Floyd Dixon's "Call Operator 210," we're happy to report. . . . Decca appears to have a sleeper taking off in a hurry on "Till the End of the World," the familiar tune on which Bing Crosby pairs with folk artist Grady Martin. . . . If you recall John Laurenz' voice on Mercury and other records as sounding the closest ever to the late, great Russ Columbo, we'd like to suggest you hear his new Palace label recordings of "At Your Command" and "Tell Me That You Love Me Tonight."

(RCA Victor 20-4789; 47-4789)

SUNNY GALE

● Sunny Gale, the gal who made the original dynamic recording of "The Wheel Of Fortune" dishes up a sure hit on her first waxing for

RCA Victor. The tune, tagged "I Laughed At Love," is a driving jump number that's just chock full 'o rhythm and is given an expressive and effective piping in the distinctive style of the chirp's. As a group supplies the vocal rhythm for Sunny, Ralph Burns and his ork set the pace for the bouncer by sending up a grand backing. The bottom deck labeled "Father Time" is a slow number that's emotionally worked on by the thrush. Her grand style, a pretty tune, and slick instrumental accompaniment by Ralph and the boys, add up to some fine listening. Keep your eye on the top lid 'cause it's gonna be up there with the best.

YOGI YORGESSION
(Capitol 2135; F-2135)

STANLEY BLACK ORCHESTRA
(London 1206)

HENRI RENE ORCHESTRA
(RCA Victor 20-4791; 47-4791)

B "MANDOLINO MANDOLINO" (2:19) As the name might indicate, a mandolin takes the spot light in this slow pretty Henri Rene type instrumental. Subdued tango beat adds to number.

C+ "BYE BYE BLUES" (2:37) Henri and the boys ease through another lush instrumental that has a lovely melody and is presented in a lilting manner.

**Cole - Kenton - Vaughn Sign
For "Biggest Show of '52"**

NEW YORK CITY—Tim Gale and Cress Courtney have signed Nat King Cole, Stan Kenton and Sarah Vaughan and are negotiating for four top supporting acts to complete the cast of their fall edition of "The Biggest Show of '52," which will begin a 10-week tour on September 19. The combination of these three great stars on one stage spells out a tour that could be more successful than any of the previous Biggest Show packages.

The Cole, Kenton, Vaughn package marks the third edition of the "Biggest Show" policy which was started in 1951 by Tim Gale and Cress Courtney. The first show, starring King Cole, Sarah Vaughan and Duke Ellington broke every conceivable record and established itself as an immediate solid hit. The second edition, which starred Frankie Laine, Patti Page and Billy May, surpassed even the records established by the "Biggest Show of '51." These two editions of the "Biggest Show" racked up close to a two million dollar gross, making the "Biggest Shows" one of the largest box office attractions in the history of show business.

The Cole, Kenton and Vaughn "Biggest Show of '52" unit represents an investment of close to a half million dollars which is twice the investment necessary to put on a hit show such as "South Pacific." During its 10-week tour, it is estimated that the "Biggest Show of '52" will gross \$1,300,000, which is almost three times as much as "South Pacific" earned over any 10-week period of its long run.

The plans for the "Biggest Show of '52" were completed on June 24 and by the morning of June 26—only a day and a half later—it was 60 percent booked. The "Biggest Show" will play 7 evenings and 4 matinees every week.

Paul Weston Expands Duties

Paul Weston, Columbia's West Coast Director of Popular Artists and Repertoire, will expand his duties to include full planning and recording of pop albums in the company's Hollywood studios, according to an announcement by Goddard Lieberman, Executive Vice President.

Reporting directly to Mr. Lieberman, Mr. Weston will, in addition to supervising all popular single disc recording on the West Coast, create and develop new albums. He will have full authority to arrange for tie-ins with motion pictures and West Coast television.

Mr. Weston supervises all popular recordings made on the West Coast by such top Columbia stars as Frankie Laine, Doris Day, Jo Stafford, Frank Sinatra and Harry James, who make their headquarters in Hollywood.

Singer Sells Ops On His Latest

NEW YORK—Alan Dean, MGM recording star is shown presenting his latest record to the board members of the Automatic Music Operators Association. The tunes "Luna Rossa" and "I'll Forget You" are two of Alan's best and he's hoping the juke box operators give them a heavy play. Left to right are: Sidney Levine, attorney for the AMOA; Joe Connors; Al Denver; Alan Dean; Arthur Herman and Sol Trella.

MOA Meet Expected To Be Biggest Yet

CHICAGO — Advance reservations for rooms and exhibits being received by Ray Cunliffe and Phil Levin, who constitute the Reservations and Exhibit Committee for MOA, (Music Operators of America, Inc.) indicate that the forthcoming MOA convention, September 11, 12 and 13 at the Congress Hotel, this city, will be the biggest yet seen.

It is also predicted that the three days of the MOA showing will be jammed with operators from all over the nation.

Some years back *The Cash Box* urged the trade to an "all shows same

week" plan. In this way, this publication explained, everyone would save money. Operators would have but one expense as would exhibitors.

The closest to this plan is now the MOA and NAMA conventions. MOA will be here in Chicago for three days prior to the opening of the NAMA show on September 14.

The reservations which have poured into MOA offices and the fact that the NAMA show immediately follows the MOA convention has had its effect on operators everywhere in the nation.

Hayes "High Noon" A Hit

NEW YORK—Bill Hayes, MGM artist and singing star on the "Show Of Shows," shows his co-stars a copy of his latest release "High Noon," from the picture of the same name. Seen with Bill are Judy Johnson, Imogene Coca and Sid Caesar.

Best Selling Records

COMPILED BY JACK "ONE SPOT" TUNNIS

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reverse side.
 • The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

Cindy Delivers The Mail

WALTHAM, MASS.—Cindy Lord, MGM Records singing starlet here conducts mail call for the Korean battle casualties convalescing at Murphy Army Hospital in Waltham, Mass., after being voted "The Gal We'd Most Like to Deliver Our Mail" by the returnees. Her fan club at the hospital accorded her the honor following her personal appearances there and as result of her plea to record-fans to write to service personnel each time they hear her rendition of "Walk-in' To The Mailbox." The teenaged, talented and tuneful thrush is currently appearing coast-to-coast on the ABC Network's Don MacNeil Break-fast Club.

Musicians Leave Kaye Form Co-op Orchestra

NEW YORK—It was announced this week that the members of the Sammy Kaye band have formed a co-operative unit under the leadership of Ernie Rudesell, drummer with the Kaye group for eighteen years. This decision was the result of a notice from Kaye advising the members of the band that they were on notice until September, as he was taking a vacation until that time. The musical aggregation will continue its Saturday evening teevee show until July 19 under the supervision of Sammy Kaye, which will mark its last date under his baton.

Of the fifteen members of the current orchestra, ten will be with the new unit. Pump Handel, who has been doing the arranging for Kaye for ten years, and who originated the now popular Kaye style, will now work with Rudesell and the new group. Also, Roy Maxwell, who was Kaye's road manager will act as manager for the new organization.

The band has signed with General Artists Corp. and the first booking is set at Bill Green's in Pittsburgh July 21. Curiously, Bill Green's is where Sammy Kaye had his first big date about twenty years ago.

At present, the plans of the band are to keep the Kaye musical format, and there is a possibility that it may also use the "Swing and Sway" tagline. The use of the popular theme that has been associated with Kaye for so many years depends on legalities that must be straightened out.

The musicians who are leaving Kaye have been with him from one to twenty one years. They are: Ernie (Cecil) Rudesell, 18 years; Charlie Wilson, 21 years (member of the trio); Chubbie Silvers, 350 lb. comic and jazz tenor man; Don Rogers, feature vocalist and one of the Kaydets; Phil Gilbert, 1st Trumpet and member of the trio; Eddie Lucas, 1st Alto; Frank O'Blake (trumpet and valve trombone, 20 years; Jerry DiFalco, baritone sax; Jim Thorpe, tuba and string bass; and Jerry Carretta, piano. Ernie Rudesell will front for the band, and taking his place at the drums will be Ernie Rudesell, Jr., who is currently with Blue Baron.

For the present, the band does not plan to add a female vocalist. It was only in the recent years that Kaye used a girl singer.

Corn In The Corn Capitol

DES MOINES, IA.—Quartet chief Billy Williams, who likes a gag as well or better than the next guy, joins in a bit of clowning with Don Bell, disk jockey at KRNT, Des Moines, the corn capital, about the time Bell was staging his "Don Bell Zany Hat Contest". Wacky ladies' chapeaus came in, in droves. Williams guested the Bell show one day and here's proof of the repartee that took place.

Ramblings

As a tribute unique in music business history, a gold pressing of "Cry" was presented to Columbia's Okeh Label director Danny Kessler, who discovered Johnnie Ray a year ago. Kessler's award was inscribed: "To Danny Kessler, for his efforts in acquiring Johnnie Ray and this million-selling record for Okeh and Columbia." Kessler was appointed director of Columbia's newly activated Okeh Label in May, 1951. Within a month he had signed a recording contract with his first major "find," Johnnie Ray, easily the year's most remarkable talent-scouting job.

Rev. Dwight "Gatemouth" Moore, ex blues singer and now known as Dixie's Father Divine, opens a 41-day tour starting in Detroit. Moore is one of most exciting gospel singers around. Proof of the pudding is that he took \$11,000 out of a concert in Chatanooga recently. Manager Ben DeCosta just completed a deal with Coral Records that called for a hefty piece of change to be paid out in advance plus a royalty deal. Teddy Reig, chief A & R man for Coral will fly to Birmingham for a session with Moore and his choir. . . . Jesse Powell, Federal recording artist, has been booked by the Gale Agency for a one-nighter tour to start in September.

W. R. Berkson, who built the bands of Larry Clinton, Les Brown, Van Alexander, and chirp Maxine Sullivan, is back in the music business as a p.a. . . . Joan Shaw (Coral) into New York's Savoy with her Blues Express Ork July 30 and then to Ebony Club in Cleveland, O. . . . The Buddy Johnson Orchestra moves out to the west coast after it's Regal Theatre stint in Chicago. . . . Frank Sands, top one-nighter booker for the Gale Agency, has arranged a Texas tour for Ivory Joe Hunter, M.G.M. recording artist. . . . Lou Chudd of Imperial dropped into the office while in New York. Lou was here with the family mixing a bit of pleasure with business.

* * *

Bob Weinstock, Prestige Records, beating the bushes of the southlands in search of blues singer talent. . . . Lou Krefetz, Atlantic legman, is currently swinging through the country on one of his periodic visits to distrib and dee-jays throughout the R & B circuit. . . . Some of the famous Okeh records made back in the early twenties will be re-issued. Among them will be Louis Armstrong's "I'm Confessin'" and "If I Could Be With You"; Bessie Smith's "Gimmie A Pig-foot" with "Take Me For A Buggy Ride"; Jimmie Lunceford's "It's Time To Jump And Shout" and "Cheatin' On Me"; and others by Cab Calloway and Count Basie.

"BABY BABY BLUES"

MEL WALKER & JOHNNY OTIS
(Mercury 8289)

● A currently hot item in the blues field is given an excellent reading by Mel Walker, who handles the vocal, and Johnny Otis on the instrumental end. The tune is a slow beat low down number that Walker chants with feeling. His dramatic delivery of the sentimental lyrics receives the polished support of the Otis aggregation. Orking is smooth and is in no

small way responsible for the effective waxing that the collaborating artists turn out. The under portion is a moderate tempo piece that Mel and Johnny do a solid job with. Tune is a rhythmic number and Walker sings the cute lyrics with zest. The musical backdrop is up to the usual Otis standards and the result is a fine backing although we look for the upper deck to break fast.

THE SONS OF CALVARY (Score 5038)

ⓐ "JESUS WILL HELP ME" (2:55) The Sons of Calvary, with a smooth voiced lead and easy chorus chanting, wax a light jubilee gospel number.

ⓐ "FRIEND OF MINE" (3:15) The group sings a slow beat inspirational number that changes to a shouty rendition at midpoint.

MICKEY CHAMPION (Aladdin 3137)

ⓐ "TWO FACED DADDY" (2:55) Mickey Champion does an enthusiastic vocal bit on a moderate beat blues. The fem thrush handles the cute lyrics expressively as she is supported by Maxwell Davis and his All Stars.

ⓑ "DON'T SAY YOU LOVE ME" (2:53) The same artists collaborate on a slow sentimental piece. Dynamic chanting and solid orking make this a strong contender.

ARNETT COBB (Okeh 6887)

ⓑ "OPEN HOUSE" (2:46) A quick beat item is given an instrumental waxing by the Arnett Cobb orchestra and the result is a happy sounding effort excitingly done. Arrangement of the tune features the brass section. Blend of the instruments produces an interesting sound.

ⓑ "WHISPERING" (2:51) The flip side is another excellent rendition of the moderate beat oldie.

AHMAD JAMAL'S THREE STRINGS (Okeh 6889)

ⓑ "PERFIDIA" (2:53) Ahmad Jamal's Three Strings run through the Latin beat oldie that is currently being revived in the pop field. An exciting arrangement, softly done, with a rhythmic undertone, makes this a solid side.

ⓑ "BILLY BOY" (2:37) The under-deck is a fast tempo oldie done with a latin rhythm. The group's instrumental treatment makes this a desirable disk.

THE FOUR INTERNES (Federal 12086; 45-12086)

ⓐ "IN THAT GREAT REUNION" (2:08) The Four Internes do a slow spiritual with an easy delivery that becomes a moderate beat rhythmic number about midway, with the harmonizing on the shouty side.

ⓐ "ONE OF THE MORNINGS" (2:19) The group belts out a wildish jubilee type spiritual aided by shouty chanting and rhythmic handclapping.

L. C. WILLIAMS (Imperial 5195)

ⓑ "ALL THROUGH MY DREAMS" (2:56) L. C. Williams chants a slow blues with a low down treatment. The artist sings the romantic lyrics backed with some rambling pianoing and solid guitaring.

ⓐ "WANT MY BABY BACK" (2:25) Flip is a similar item handled smoothly by the singer.

JOE HOUSTON (Imperial 5196)

ⓑ "BOBBY SOX RAMBLE" (2:09) A fast tempo instrumental is treated to the expert orking of Joe Houston and his group. Solid horn blowing stands out on the waxing.

ⓐ "HURRICANE" (2:50) The instrumental aggregation drive out a wild beat jump tune. As on the upper deck, the horn blowing is featured.

SLEEPER OF THE WEEK

"MAM'SELLE" (2:30)
"CALYPSO SONG" (2:00)

THE RAVENS
(Okeh 6888)

THE RAVENS

● The Ravens dig deep into the oldies for their newest release and come up with that melodic and appealing "Mam'selle". The group

blends its voices excitingly as it handles a rhythmic and exhilarating arrangement with zest and polish. The orking of the moderate beat item is solid, with emphasis on a sax solo, and does much to lift the dinking into the "hit" class. This end fills the requirements needed to rise to the top. It has the tune, the arrangement, and most important, the talent. Ops had better not hesitate with this one. Flip "Calypso Song", is a rhythmic ditty that shows the group off to good advantage. The Ravens handle the happy tune with style.

THE FIVE KEYS (Aladdin 3136)

ⓑ "I HADN'T ANYONE TILL YOU" (3:12) Taking hold of a slow soft item, The Five Keys give it their individual treatment and come up with a strong side.

ⓑ "HOLD ME" (2:02) The under siding is a change of pace item that The Five Keys harmonize smoothly. The fast beat oldie is sung in different tempo off and on to make it an effective reading.

DAVE BARTHOLOMEW (King 4544)

ⓐ "MY DING A LING" (2:49) A double entendre item is given the cute treatment by Dave Bartholomew. Soft orking of the moderate beat item supports the singer.

ⓐ "BAD HABIT" (2:49) The under deck is a slow blues effectively presented by the artist.

THE GAYLORDS (Savoy 852)

ⓑ "GO ON, BABY" (2:43) A wildish waxing with a fast moving beat, is enhanced with handclapping, shouts in the background, and deep voiced inserts from time to time. Lead singer comes through in fine style.

ⓑ "GET MAD, BABY" (2:41) Another driving side with cute lyrics handled with gusto by the Gaylords.

THE GAY SISTERS (Savoy 4037)

ⓐ "OH LORD, SOMEBODY TOUCHED ME" (2:44) The Gay Sisters give a shouty reading of a fast beat rhythmic gospel item. Piano and organ provide the musical assist.

ⓐ "HE KNOWS HOW MUCH WE CAN BEAR" (2:43) The sisters do a change of pace as they sing a slow spiritual.

PRESTON LOVE (Federal 12085; 45-12085)

ⓑ "STRICTLY CASH" (2:29) With a driving item as material, Preston Love and His Orchestra wing their way through an exciting instrumental rendition. Solid saxing stands out in the fine treatment.

ⓑ "LIKE A SHIP AT SEA" (2:45) Love and the ork run through a slow oldie in grand style.

Morey Mimics Ray

NEW YORK—Morey Amsterdam does a take-off on Johnnie Ray for the television audience on the Don Russell TV disc jockey show over station WABD of the Dumont Network in New York. Russell was playing Morey Amsterdam's new Decca recording of "True, Mon, True" and "My Wife Does The Cutest Things."

Fifth Annual Patti Page Picnic

NEW YORK—Kappi Jordan was hostess to a gathering of over three hundred people who came from all over the country to attend the fifth annual Patti Page Picnic held in Tuxedo, New York, on Saturday, June 28.

Each year Kappi invites sundry members of the music industry; disk jockies, artists, contact men, music publishers, and trade press, to spend a day in the country with their families. A mobile unit of over ninety cars continuously streamed in with fun seeking occupants until late in the afternoon. The last to arrive was Bert Taylor, whose car broke down, and delayed his arrival until about three o'clock. An unusual coincidence was the fact that one of the occupants of the Taylor car was Phil McClean, Cleveland deejay, who also arrived late last year, and for the same reason.

A day marked by hilarity, boating, swimming, and an abundance of good food, was highlighted with a baseball game captained by Mitch Miller and Jack Rael. The Mitch Miller team was victorious and will crow over the vanquished until 1935 when the Rael lineup will have its rematch.

Sunset started the weary, sun-burned, but happy crowd back to the city.

Record Distributors Additional Listings In Next Issue

NEW YORK—In the extensive research that went into the compiling of the "Record Distributors And The Lines They Handle," which appeared in our June 28 issue, there were a few listings omitted. In order to keep this invaluable list complete and up to date we are printing a list of additions in our July 19 issue and suggest you clip it and attach to the original for your future reference.

DJ Gilbert's Wife Killed

PHOENIX, ARIZ.—Ruth Gilbert, wife of Dick Gilbert, KTYL (Phoenix) disk jockey, was killed instantly on June 20 while driving her convertible. Accident occurred when the driver of the oncoming car fell asleep at the wheel, and in the collision, Mrs. Gilbert's car was completely demolished.

Mrs. Gilbert is survived by husband, mother, and sister.

"Strange Sensation"

NEW YORK—June Valli turned the tables when she gave instead of receiving boxes of candy to disk jockies in celebration of her birthday. June is now riding high with her dishing of "Strange Sensation" on the Victor label.

THE CASH BOX FOLK and WESTERN ROUNDUP

Hank Williams (M-G-M) playing Harry Smite's "Buck Lake Ranch" in Angola, Indiana Sunday, July 6th. Hank's divorce from Audrey became final last week. One of his recent remarks was "I'm now free, white and twenty-nine."

Johnny Rion has taken the spots at KSTL in St. Louis left vacant by the recent death of Pat Cook. Mrs. Cook is continuing to promote the live week-end shows in St. Louis which were started by Pat last summer.

Eddy Arnold (RCA Victor) takes over the Perry Como Show for the summer on July 14 on CBS-TV. Eddy is taking steel guitarist, Roy Wiggins and Hank "Sugarfoot" Garland with him for this series that was set by Mgr. Tom Parker. Reports from the jockeys are thick and heavy on Eddy's latest record, "A Full Time Job." Seems it is taking off faster than any of the jockeys remember in some time.

Fred Wamble has resigned as staff announcer at Birmingham's WVOK to devote his full time to taping shows for border stations XERB, XEXO and XEG. That gives Fred over eight hours per day of air time.

Little Jimmy Dickens appeared in the KRNT Theatre in Des Moines, Iowa, on June 6th. Appearance was promoted by Smokey Smith via his d. j. shows on KRNT. Gimmick used was a contest in which listeners wrote why they would like to attend the show and have their picture made with Jimmy. Winner and family was treated to the prize with 50 more passes to the runner ups.

Bob Thompson has just had his KPLC time in Lake Charles, La., increased by 1:45 each day. Bob writes that the country tunes are drawing more and more attention in the Louisiana area.

St. Cloud, Minnesota, furnishes Don Opheim of KFAM with over a hundred pieces of mail each Saturday. Don tells us that "Grand Ole Opry" influences his listeners for most of these letters call for WSM artists.

HANK WILLIAMS

Dwight Gordon's "1320 Corral" takes the 12:30 to 2 PM spot on KXLW in St. Louis. Dwight also does "The Bunk House Frolic" from 5:30 to 7 PM each day. Shows are mainly country records but Dwight picks up his guitar for a little live pickin' and singin' very often.

Reports are coming in from everywhere about Faron Young, Capitol's new country singer. Faron recently joined WSM in Nashville. Among others Joe Morris, WKDK in Newberry, S. C., and "Uncle Bill" Rhodes, KAOK in Lake Charles, La., have made special mention of this new star.

Cactus Joe Nixon made his entry into Ft. Worth, Texas, last week in full costume riding a mule. Local papers and his station, KCUL, made a big celebration of it before Joe settled down to his 5-6 AM and 4-5 PM daily spots.

"Sleepy Eyed" John Lepley has taken over the country record work at WHHM in Memphis. John's highlight during each day is his 35 station network show that covers Kentucky, Florida, Georgia, The Carolinas, Tennessee, Mississippi and Alabama.

All the artists as well as the listeners are looking to Sheriff Tex Davis of WLOW in Portsmouth, Va. Tex has long been big with listeners and just recently he has opened one hour of his Saturday afternoon show to invite two local artists to appear for 30 minutes each. They are free to plug their appearances, etc.—the big thing is that they are plugging Sheriff Tex Davis and his WLOW shows everywhere they go.

New jockeys around the country include Bob Jeambey on KLMS in Lincoln, Nebraska, and Ray Godwin with WWGP in Sanford, N. C. While not new by any means Steve Wainer does a lot of waking up around Frederick, Md., with his WFMD show from 5:30 to 7:15 each AM.

Colwell Brothers are now planning a tour being set by their manager, Cliff Carling. The boys are still in their 'teens and could be the nation's top western trio within a year. Columbia Records signed them in record time and released their version of "The City Song" and "Thing-A-Ma-Jig," the latter by Cindy Walker.

"A FULL TIME JOB" (2:25)
"SHEPHERD OF MY HEART" (2:50)

EDDY ARNOLD
(RCA Victor 20-4787; 47-4787)

EDDY ARNOLD

● Another Eddy Arnold release. Another hit. The Tennessee Plough-

boy seems to have that magic ability to come up with a tune, dress it up with his smooth, enjoyable, and individual styling, and issue disk after disk which receives a tremendous amount of spins from his legion of followers. The upper deck, titled, "A Full Time Job", is a quick tempo bounce number on which Eddy employs his full bag of vocal tricks. Arnold's personality treatment and the lilting melody add up to a happy end. The under siding is a slow sentimental piece that the western artist sings smoothly and with feeling. Eddy's guitarinø is standout on both sides.

HOMER & JETHRO
(RCA Victor 20-4770; 47-4770)

● "I'M YORN" (3:00) The duo does a comic takeoff on the current big pop favorite "I'm Yours". The pair collaborate on a humorous etching.

● "LIL OLE KISS OF FIRE" (2:05) Homer and Jethro harmonize on another top pop hit with the result a very funny side.

JOHNNIE AND JACK
(RCA Victor 20-4765; 47-4765)

● "SLOW POISON" (2:30) Johnnie and Jack sing a moderate beat sentimental weeper. Their individualized harmonizing makes this melodic item a strong possibility.

● "HEART TROUBLE" (2:07) A quick tempo romantic lament is sung with feeling to a Latin rhythm. Strings support the pair.

CLAUDE KING
(Specialty 705)

● "SHE KNOWS WHY" (2:22) Claude King, with the aid of his Hillbilly Ramblers, lightly yodels a moderate beat romantic ditty.

● "SHE'S MY BABY" (2:20) Flip-side is a slow sentimental item vocalized on by King with a string backing.

CHUCK WELLS
(King 1083)

● "UNDECIDED GAL" (2:21) A strong bit of chanting is waxed by Chuck Wells as he comes up with a moderate-fast piece.

● "CRYING TEARS" (2:33) Chuck sings a slow sentimental ballad smoothly. The artist is set up on both lids with strings.

EDDIE HAZELWOOD
(Intro 6057)

● "DIRTY LINEN" (2:56) Eddie Hazelwood gives his interpretation of a moderate beat romantic lament. Eddie's easy delivery is aided by his Carolina Woodchoppers.

● "HOLDIN' MY BABY TIGHT" (2:45) Flip is a similar beat number with sentimental lyrics sung feelingfully by the artist.

HAWKSHAW HAWKINS
(King 1081; 45-1081)

● "I LOVE THE WAY YOU SAY GOODNIGHT" (2:35) A slow romantic ballad is given the smooth vocal treatment of Hawkshaw Hawkins. Hawkins warbles the light bounce with ease and a bit of vocal wavering.

● "LOADED WITH LOVE" (2:22) The artist's country reading of the melodic item is well done. String backing supports the singer on both levels.

GRANDPA JONES
(RCA Victor 20-4771; 47-4771)

● "I'M NO COMMUNIST" (2:20) A patriotic and anti-communist theme is the story told in fast tempo by Grandpa Jones. The timely topic is done in talky fashion.

● "PICKIN' ON ME" (2:07) Grandpa sings another quick beat item with cute lyrics in typical country style.

CHARLIE MONROE
(Decca 28281; 9-28281)

● "THESE TRIFLIN' WOMEN" (2:17) Charlie Monroe sings a fast beat piece in a nasal manner and comes through with a solid side.

● "FIND 'EM, FOOL 'EM AND LEAVE THEM ALONE" A similar beat item with cute lyrics is delivered fetchingly by the country warbler.

COINBIZ HOTTER THAN WEATHER

Manufacturers Producing Best Equipment in Years. Demand for New Machines Continues High. Ops Report Collections Holding Up Regardless of Torrid Weather. Acclaim This Summer Season as Best in Many Years. Resort Spots Tops.

CHICAGO—As the Fourth of July Holiday got under way, reports from all over the nation indicated that, regardless of how hot and humid the weather has been and is, or will be, the coinbiz is still hotter, from the standpoint of better business and continued high collections.

As distribs have remarked over the past few weeks, manufacturers are, this summer, ironical as it may seem, producing the finest equipment they have presented in a long, long time.

Almost every single one of the manufacturers in this city has a hit game under way.

And, instead of the summertime dulling the business, it has continued to step up the pace.

In addition to the games manufacturers, the phonograph producers are also going along at a speedy clip.

In fact, phono distribs report that their biggest problem is to get more and still more phonos delivered to them. This is the current complaint thruout the entire nation.

Even the vending machine manufacturers report that they, too, have seen fit to continue high production schedules this summer. Some are even preparing to present new machines.

What is even more impressive is the fact that operators, in almost every territory, report that collections are holding and, in most cases, are continuing up.

The resort spots are tops. The torrid weather has been driving the public to the mountains, lakes and ocean spots as well as far into the woods country.

This has boomed business in resort spots far above what has ever been expected by even the most optimistic operators.

Because of all this, and further because the manufacturers are working on top speed production schedules, presenting the finest machines they have built in many, many months, business continues to go ahead hotter than the weather.

Perhaps the expression of one well known coinman in this city covers all statements.

He said, "We just can't believe it. Only hope that it continues at this pace. We are seriously thinking of speeding up our production beyond any point we reached even during the past Fall and Spring season.

"Each time", he continued, "we speed up somewhat, we find ourselves again behind on deliveries.

"Whatever happens in the months to come, this summer season", he concluded, "is proving itself one of the greatest, if not the best, in all coin machine history."

MUSIC OPS WANT DEPRECIATION SCHEDULE

Demand Grows For A National, Uniform And Equitable Phonograph Depreciation Schedule As Tax Officials Challenge Juke Box Ops On Present Rates

CHICAGO—News has reached this publication from juke box operators that, once again, they are running into difficulties with tax officials regarding depreciation schedules.

This has been one of the pestiest problems the juke box operators have yet had to face.

In territories where associations exist, arrangements have been made with local tax offices for a uniform depreciation rate for that area.

Yet, none of these are nationally uniform.

In one area operators depreciate their capital investment in a new phono over a period of three years.

In others, four years and, in some areas, over a period of five years.

Each depreciation schedule is different and arranged by the local tax offices.

For a long time now juke box ops have wanted a uniform, national depreciation schedule to be arranged, which would be acceptable to all tax officials and which would, at the same time, be completely equitable as far as the juke box operators are concerned.

Leo P. Kaner, C.P.A. of this city, suggested such a schedule some years ago. An article appeared in this regard in the August 19, 1950 issue. This article was repeated in the June 28, 1952 (Tenth Anniversary) issue of *The Cash Box*.

Herman Jaffe, C.P.A. of New York City suggested that operators thruout the entire nation arrange for a meeting in Washington, D. C. with the

proper committee, and that arrangements be made to present correct facts, so that a depreciation schedule equitable to the operators, and uniform in scope on a national basis could be arranged.

There have been other plans suggested. But, all seem to agree with these two well known Certified Public Accountants, who have a very fine working knowledge of the industry, that first some schedule be arranged, proof be compiled, and a meeting then be held in Washington, D. C. with the proper officials so that such a schedule would be nationally accepted by the nation's tax officials.

C.P.A. Leo P. Kaner's plan was:

- 40% depreciation, first year
- 30% depreciation, second year
- 20% depreciation, third year
- 10% depreciation, fourth and final year.

Other plans which are already in operation, and which were also recommended, follow:

- 50% depreciation, first year
- 25% depreciation, second year
- 25% depreciation, third and final year.

In some territories, it is reported, the following plans are in effect:

- 25% depreciation each year for four years.
- 33 1/3% depreciation each year for three years.

C.P.A. Herman Jaffe believes that, by showing the value of the new equipment after the first year, according to *The Cash Box*' "Confidential Price Lists", and the drop in value each year thereafter, that an equitable depreciation rate can be scheduled by the tax officials which would become national in scope and uniform for all concerned.

Every operator realizes that, within

the first year, new machines drop anywhere from 40% to over 50% in value, depending on the equipment's popularity, mechanical perfection, and other factors.

Within two years' time after that first year, the machine has fallen to an extremely low mark, because introduction of new models has now placed that machine in the "old equipment" category.

Therefore, many juke box operators are of the belief that depreciation should be scheduled, to be equitable, at the rate of 50% the first year, 25% the second year and 25% the third year.

Some feel that it might be best to schedule depreciation rates on the basis of 50% off the first year, 25% off the second year, 15% off the third year and 10% the final and fourth year.

Most necessary at this time is for the arrangement of a national, uniform and equitable depreciation schedule, which would be accepted by all Internal Revenue offices thruout the nation and which would, once and for all time, eliminate any future problems re: depreciation rates.

This can only come about if a meeting of leaders of all the 48 states will get together to travel to Washington, D. C. with a well known Certified Public Accountant to present the facts before the committee which arranges to hear such matters.

Editor's Note:

'The Cash Box' would appreciate hearing from other phono operators regarding the above depreciation schedules, or about whatever depreciation schedules have been approved in their areas. Please address all communications to: *Bill Gersh, The Cash Box, 32 West Randolph Street, Chicago 1, Ill.*

Phil Levin Belittles Golf Challenge Of Vince Shay

CHICAGO — In answer to Vince Shay's statement: "This year I'll beat Phil Levin's ears back at the Bunker Hill Juke Box Golf Tournament," which appeared in the past week's issue of *The Cash Box* (Page 22), Phil Levin, secretary of the Recorded Music Service Association, who just returned from a vacation, reported:

"Better tell Vince Shay to get out and learn how to play this game before he challenges champs."

Further, according to Phil, "Vince Shay is taking a lot on his shoulders to state that he'll pin my ears back."

"I beat Vince last year at Bunker Hill. I'll do it again this year."

"In fact," Phil continued, "to really make this a contest, I've challenged Perry Como, Eddy Howard, Don Cherry and Bing Crosby, guys who are really golfers."

"Where does Vince fit in this class?" Phil asked.

As someone stated 'way back when, 'the battle is joined.'

Vince and Phil will meet at the Chicago juke box ops golf tournament and outing at Bunker Hill Country Club on Milwaukee Avenue this coming July 23rd.

With interest what it already has grown to be, looks like Chicago's juke box ops are in for the biggest, and most successful outing of their entire history.

(By the way, odds on Phil and Vince are 6-5, take your choice.)

MOA Notifies Exhibitors About Sept. 11-13 Convention

Greatest Number Of Exhibitors And Music Machine Operators Expected

GEORGE A. MILLER

OAKLAND, CALIF. — George A. Miller, president of Music Operators of America, Inc. (MOA), has sent notification to prospective exhibitors (manufacturers of phonographs, records and auxiliary equipment, as well as other firms closely affiliated with the music machine business) this week, calling attention to the forthcoming MOA Convention to be held September 11, 12 and 13 at the Congress Hotel in Chicago.

Application blanks for exhibit rooms were mailed out a few weeks ago, and entrance fees are as little as \$150, with a maximum of \$250 for the larger deluxe rooms.

"The exhibit rooms are completely furnished and will be nicer than anything we have had in the past," explains Miller.

Cost of room rent to the Congress Hotel is \$13 or \$14 per day, and the exhibitor must sign up for five days, as the exhibit rooms can be set up the day before convention time and taken down the day after. The entrance fee for the exhibitor, which is additional to the room rent goes to MOA to defray the cost of promoting the Convention, plus the possibility of bringing in some money into the treasury. In the past the money derived was just about enough to cover the expenses of running the show. As Miller points out, it is most important that some money be turned into the MOA bank account as the cost of running the organization over the year is costly, particularly as it has had to spend certain sums in the past few years in its successful efforts to combat ASCAP sponsored legislation.

Business meetings by MOA will be held from 10 A.M. to 1 P.M. Exhibitor rooms will be open from 2 P.M. to midnight, so there will be no conflict between the MOA functions and the exhibitors' displays.

Application for exhibit space and check to cover should be sent to either Ray Cunliffe, 3018 East 91st Street, Chicago, Ill., or George A. Miller,

Music Operators of America, Inc., 128 East 14th Street, Oakland, Calif.

Altho complete plans have just recently been announced, every indication points to a record breaking attendance of both music machine operators and exhibitors. During the past conventions, exhibitors have stated that they are highly elated over the results of their showings, and as word passed along to others of these successes, many who hadn't exhibited in the past now state they will be on hand to greet the music ops.

Attendance should be the greatest of any previous MOA meeting by far. The three days of the show just precede the NAMA Convention, giving the operators the opportunity to attend both shows during the space of a week. And both for the same traveling costs, and the saving of many days time used in travel if it were necessary to make two trips. In addition, many music machine operators have become aware of the wonderful work accomplished by MOA, and now feel the responsibility of participating in future plans of the organization.

Vacation Closing
To Speed Produc-
tion Of New Games**

CHICAGO—"Due to the tremendous demand which we are enjoying at this time for our new 'Six-Player Match Bowler' and 'Six-Player De-Luxe Bowling Alley' we have decided to cancel the general two week's vacation for our factory's employees", officials at Chicago Coin Machine Company reported this past week.

Instead of the all-out complete two week's vacation, the plant has decided to stagger employee's vacations over the entire summer.

This is due to the fact that they have already found themselves with a backlog of orders for these new bowling games and the backlog, according to executives of the firm, is growing bigger each week.

As employees start out on vacations, the firm has been desperately seeking new workers.

Not only is it carrying ads to this effect in the press here, but, is also asking its employees to bring in whatever people they can, so that the plant can actually step up production to meet the demand it is enjoying.

As one of the firm's execs stated this past week, "We've never before seen anything like this in the summertime."

"And to think", he continued, "that this is being of the hottest and most humid summers of all time, makes all of us here really proud of the games we are producing which can win such play at this time."

**Coven Plans Own Building To
House Distributing Organization**

CHICAGO—Ben Coven, head of Coven Distributing Company, this city, announced that the firm had purchased a lot located at the corner of Fletcher Street and Elston Avenue, and that plans are being set to build a building to house the firm's organization.

The new building will be located on the same block that Coven now rents space. The lease now in effect will expire in about a year and a half, and Coven expects the new building to be

completely ready for occupancy at that time.

Architects are now drawing up plans for a one story building, to cover the 14,000 square feet of the lot.

"This building will be used entirely for our distributing organization" stated Coven, "and when completed will definitely be the most modern, tasteful and scientifically correct distributing offices, showrooms, shipping and display ever seen in this industry."

Operator Objects To Bell Telephone Comparing Juke Box Excise Tax

ARLINGTON HEIGHTS, ILL.—Anthony C. Hesch of A. H. Entertainers, this city, wrote in today to complain of the cartoon which appeared in the June, 1952 issue of "Telebriefs".

"Telebriefs" is the small publication which is enclosed with monthly telephone bills by the Illinois Bell Telephone Company.

This little four sheet featured a cartoon with a headline: "What's Wrong With This Picture?"

It showed a telephone and a juke box and, in the campaign now under way by Illinois Bell Telephone Co. and all the subsidiaries of A. T. & T. in an effort to lower present excise and other taxes on telephones, compared the excise telephone rate as against the juke box rate.

The article stated in part, "The average excise tax on each Illinois Bell telephone last year was \$17. A juke box is taxed only \$10 a year."

Of course, as Hesch complained, and as others know, this is only the Federal Tax per juke box. Excise taxes are paid by operators on what the juke box manufacturers pay and which the manufacturers have complained about many times in the past.

The comparison is, therefore, entirely unfair, and is actually pulling wool over the public's eyes.

As Hesch writes, "I feel that the Illinois Bell Telephone Company is entirely unfair to quote us as paying only \$10 per year Federal tax. We not only have to pay excise tax on records but also on the machines we buy."

Hesch is right in his statement. The telephone company is "unfair" in this case. This is the type of unfair comparison used by many large organizations in an effort to win their points with the public.

Top Flight Ball Team Represents Ft. Wayne Operating Firm

FORT WAYNE, IND.—Sam Dicter, Southern Automatic Music Co., this city, is mighty proud of the soft ball team representing the Cue Ball Company, this city, which is establishing a terrific reputation in this area. What makes Dicter so happy over the team's successes is the fact that "the owners are 100% exclusive AMI Juke Box operators."

Some great athletes are members of the Cue Ball team, whose names have been given national prominence over the years. Johnny Bright, All-American halfback from Drake University, has established all time records for scoring for major football

teams, leading the nation for several years. It was only last year that he failed to hit the all-time high, and this was due to injuries suffered, which took him out of action for the last few games. Also a member of this club is Willie Russell, well known Toledo University basketball star, who will probably sign a professional contract this fall. Bobbie Milton, a member of the team, was unable to be on hand at the present time as he's in Europe on tour with the Harlem Globe Trotters. Other members of the team are well known local athletes.

THRU THE COIN CHUTE EASTERN FLASHES

With the 4th of July week-end approaching, coinmen were making last minute preparations for what all hoped would turn out to be a big money-making holiday. As many of the preceding week-ends, including the Memorial Day holiday, were washed out by bad rains and terrible weather, operators with equipment in shore and resort locations are keeping their fingers crossed for a good break in weather. Although operators report that collections have dipped slightly in the big city locations, those to whom we spoke are not disturbed at all, pointing out that the drop was expected, and they were most happy that collections are comparably higher than a year ago. Wholesalers along coinrow state that sales of both new and reconditioned music machines and games continue brisk, and that the problem at the moment is to get enough equipment in from their factories to supply the demand.

* * * * *

Joe Grandis, Queen Music, has lunch with Abe Green, Runyon Sales Co., in Newark, N. J., and then drives in to New York to see Barney (Shugy) Sugerman, where he places an order for additional AMI "D-80" phonos. Shugy's main problem is to get the equipment from AMI to satisfy the operators' demands. . . . Dave Stern and Tom Burke, Seacoast Distributors, Elizabeth, N. J., Rock-Ola distributors in Northern New Jersey and Metropolitan New York, very mysterious these past few weeks—"just tell everybody" smiles Dave, "that we're going to have a terrific surprise for them very soon." . . . Caught Mike Munves sitting at his desk, and thought that biz had slowed up, but was mistaken. Mike was busy opening letters (with checks naturally), and when this happy task was completed, immediately started moving at his usual hurricane speed. . . . Had a nice chat with Seymour Pollak, Westchester operator, who was on coinrow doing some shopping. Pollak is very enthusiastic over the progress made by the Westchester association, and his only regret is that it wasn't formed many years before. . . . Dave Lowy, Dave Lowy & Company, still in Florida. Ann Sens, Lowy's secretary recuperating rapidly from her recent accident, and has the cast removed from her leg this week.

* * * * *

Al Simon, Albert Simon, Inc., reports that ChiCoin's latest shuffle game, "6-Player Match Bowler" going great—can't even keep a sample on the floor. Al will be breaking with a surprise in a few weeks. . . . Business continues at a fast clip over at Koepfel Distributing Co. Harry and Hymie Koepfel shipping plenty of reconditioned music—and they report plastics orders have increased in the past few weeks. Hymie has to solve a problem involving his teen-age daughter, Toby. We can't come up with a suggestion, except to appeal to her good judgment. Hey, Toby—let's cooperate with "Pop" this time. . . . Willie Aronson and Al Gilbert, United Play Machines, Inc., coinrow's newest wholesalers, making fine progress. "We're coming along fine" says Willie. . . . Sam Getlan, union head for the Westchester operators, visits along the street. . . . Sid Mittleman, Cascade Products, Irvington, N. J., manufacturing overhead scoreboards for shuffleboards, reports orders for more equipment than he's been able to ship. However, Sid increasing his production line and reports that he'll be in good shape in a week.

* * * * *

Herman Paster had a most wonderful time while in town last week, according to reports. Barney (Shugy) Sugerman spent several nights with Herman. . . . Jack Mitnick, regional representative for AMI, in town to spend the holiday week-end with the missus. . . . Joe Young and Abe Lipsky, Young Distributing, (Wurlitzer distributors) out seeing the music ops when we dropped in. . . . Sidney Levine, attorney for the Automatic Music Operators Assn., and the music Operators of America, being highly complimented on his brilliant article on the ASCAP situation which appeared in the 10th Anniversary Issue. We at The Cash Box agree with them. . . . Sam Kresberg, Automatic Products Co., in town for the next few months, visits along the row.

CHICAGO CHATTER

Hot as the weather is, and it sure has been plenty torrid and humid, as all will agree, this great Coincenter is even hotter than the weather. In fact, leaders here believe this to be, "The greatest summer in years." The reason? Because every manufacturer has a "hit" in production. Gottlieb is going great with "Four Stars." Williams still in production and shipping "Domino." Keeney doing grand on "League Bowler," as well as its famed cigarette machine. Bally's "Champion" horse and brand new "Palm Beach" keeping that factory humming away. United clicking with "Stars" and "Six Player Super Shuffle Alley." Exhibit going to town in a big way with "Big Bronco," and preparing an all-out campaign on another great machine. Chicago Coin stepping up production (and actually withholding employees' vacations) because of the success of its "Six Player Match Bowler." Genco reported to be on the way to big production with its new upright pinball, "400." And, as far as the phono mfrs are concerned, the only problem here, their distribs state, is to get deliveries. Every juke box maker is shipping as fast as he can get the new phonos off of his production lines. Whatta summer season this has turned out to be!

What's even more impressive is the fact that collections are holding even in the heat-ridden cities. And growing tremendously in the resort country. Resort ops report that they've "never seen anything like it before." . . . Which proves, as Ray Moloney used to say: "If you give 'em what they want, there's no such thing as a 'season.'" . . . Never saw a happier guy than Sam Lewis over at Chicoin. Sam really is thrilled the way their products are moving. . . . Paul Huebsch over at Keeney is starting to get ready for some scooting about the territory while Roy McGinnis takes over. Paul keeps himself busier than a bee. . . . Frank Mencuri of Exhibit Supply in one conference after another and, at the same time, getting ready for one of his big wide sweeps about the country, as the firm gets ready to break with some big news.

Jack Nelson in Baltimore this past week talking 'Champion' and more and still more horses. . . . Ted Rubenstein of Marvel pleased with the way orders keep coming in for the firm's shuffleboard scoreboards even with employees on their annual two weeks vacation. . . . Nate Gottlieb bidding goodbye to his son, Shelley, as Shelley leaves for Camp Ojibwa at Eagle River, Wis. . . . Ralph Sheffield dashes up to Wisconsin to enjoy a few weeks of fishing and lolling about. . . . Bill O'Donnell all thrilled with the beautiful flowers growing at his home garden in Wilmette. Says his three children tremendously enjoy suburban life. As does Mrs. O'Donnell. . . . Lew Gensbhrig of Genco dashes off to his island up in Wisconsin to spend the holidays. . . . Tom Callaghan got himself thirty bucks worth of driving lesson the other day. Backed his car out of the Bally parking lot and right smack into Art Gravey's auto. Just thirty bucks worth of damage.

Happy Birthday this week to: Bill Wolf in L. A.; Frank Mencuri of Exhibit Supply; Sidney H. Levine of New York. . . . Georgie Jenkins won't admit to being "past 39." Says, "I had a couple Leap Years in between." . . . Need a good mechanic? Get in touch with Rudy Barnett, 1345 West 59th Street, Chicago. Rudy formerly with Universal. . . . Can't blame Andy Hesch one bit for getting hot at the Illinois Bell Telephone Co. because of the cartoon they printed in this June issue of "Telebriefs" (which comes with your telephone bill). Shows a comparative rate between what juke boxes pay as "excise(?) tax" and what a telephone pays. Says Illinois Bell: Juke boxes pay \$10. Telephones paid (last year) \$17. That's pulling the wool over the public's eyes. Juke boxes pay \$10 as governmental tax per unit. But, as far as excise taxes, each juke box op pays that on every single recording he purchases, as well as on every juke box he buys (which juke box mfrs also pay), and also on many, many other items. (So go fight City Hall). . . . Sam Stern and his Missus to visit their folks in Philly. Philly is home town of both Sam and Ellie Stern. Maybe Sam will be able to take in the All Star Baseball game at Shibe Park.

If you are interested in oil, maybe you'd like to know that John D. Rockefeller started his oil empire on July 8 (1860). . . . Demand for an uniform, national depreciation schedule for automatic phonos continues to grow. Reason is that some juke box ops are now faced with problem of explaining to Internal Revenue Dept. on "how come?" they take depreciation at such and such a rate. Almost every area in the nation has a different schedule. Some take four years at 25% per year. Some take three years at 33 1/3% per year. Others take five years at entirely different schedule. Everyone different. And all know that a new depreciation rate should be arranged. Only way it can be done is for leaders from all states to meet with proper committee in Washington and have this taken care of once and for all time.

Thanks—Wally Finke—for that very beautiful, complimentary letter regarding our Tenth Anniversary Issue. It's most sincerely appreciated. . . . Thanks to my good friend, Herb Graffis of the Chicago Sun-Times, for his marvelous letter of congratulations on our Tenth Anniversary Issue, in which Herb states: "It's a swell number and something that I'll be able to use as a reference work for sometime." . . . H. F. Burt, president of Silver King, reports that this summer's vending machine sales season one of the biggest. In fact, Silver King now making vendors for special accounts. And going ahead at a speedy clip.

Some distribs will be given the heave-ho very soon by certain mfrs if they don't "get on the ball." . . . Wanna take a little of your time here to talk about the "End-Of-Month Inventory Issue" which will appear for first time July 26, 1952. Many who have seen the proposed plans have tremendously complimented the idea. These men, as well as noted accountants, have stated that, "This is one of the very greatest ideas we've ever seen to benefit the industry." They also admit that it will act as a "safeguard" regarding taxes. It's the kind of issue wherein the writer sincerely urges everyone engaged in the industry to get in with some sort of ad. This is the type of issue which will be held onto by all concerned for a long, long time to come. (Seven years, according to the statute of limitations). And this is but the beginning. There will be similar issues each and every end of the month. Prepare your ad campaigns accordingly. . . . After listening to many offers in coinbiz, Art Weinand has decided to leave the industry. Will be engaged in visualization ad agency in Chi's Loop.

Please mention THE CASH BOX when answering ads—it proves you're a real coin machine man!

We find that most of the folks along the L. A. Row we've talked to this past week would talk about almost nothing else but the tremendous job done by The Cash Box in putting out that king-size Anniversary Issue. . . . Just to quote a few of the folks, Nick Carter of Nickabob Distributors said, "It's really great. Only thing I'm hoping for now is time enough to read every line of it." Seems Nick is extra busy these days, with demand for the AMI among local city ops keeping him right on Pico Blvd. of late. . . . As explained to us the other day by an out-of-town operator, one reason the AMI does so well in outlying areas is its being so trouble-free with a minimum of servicing.

Jack Simon was another who thought the issue was a real credit to The Cash Box and to the entire industry. He seemed especially fond of that "Bucaroo" ad in there, and said he expects to get a new rush of orders from it. Otherwise, Jack noted that business the past few weeks was unusually good, "with our getting a little bit of everything." . . . Lyn Brown and his wife, Marian, with whom we chatted, were both impressed with the Anniversary Issue and made sure to bring a copy home before it walked off from Lyn's office. The pair of 'em are very busy at present in the process of buying a house and everything that goes with it. We can just see Lyn, mounted on his Exhibit "Big Bronco," riding herd over his Valley domain, with garden hose in one hand and weed puller in the other.

Over at Leuenhagen's, Bill and Mary Solle told us the Anniversary Issue was the greatest ever and that they'd really want to keep it in the permanent files for reference as to who's who and what's what during the last 10 years in the music business. . . . Phil Robinson, who also remarked it was a great issue, was getting ready to take off for San Francisco following the Fourth of July. Seems Chicago Coin's "Match-A-Score Bowler" is off to a flying start, with orders piling in from all over the Pacific Coast. . . . Phil's stablemate Mac Sanders is a busy guy these days, what with his miniature golf course locations just starting to pack 'em in. Not only has Mac lost out on his loafing time but he's hard pressed to take care of his flourishing sideline business, raising parakeets.

"It's a wonderful issue, and Bill certainly deserves a hand for the job he and his staff did on it. No operator should be without a copy, in my opinion." The attractive lady expressing this opinion was no less an authority than Lucille Laymon, and husband Paul went right along with her on this appraisal. . . . Back on the job at Laymon's, mechanic Red Creswell told us what was wrong with vacations: They have a way of ending so suddenly. Actually, we suspect that Red is happiest when he's taking an ailing game apart and putting it back together almost as good as new. . . . Charlie Daniels left on his San Francisco, Yosemite and points North trip. . . . Visiting the Laymons and other friends along the Row was Dave Gottlieb, out of Chicago. . . . Vacations seemed much in vogue these few weeks, with many out of town ops and their local brethren taking off to visit relatives, cross-country, fishing trips and just-get-away-from-it-all rests. . . . A few of the folks seen along the Row past week were Mr. and Mrs. Lloyd Barrett with young daughter from Pomona. . . . Mac MacGlone of Santa Ana. . . . Burbank's Ed Wilson.

Charlie Sersen of St. Cloud, Minn., is really all smiles. He came into town with his son, Tom, and his daughter-in-law, and granddaughter. Tom Sersen and family are visiting the folks from his home in Utah, where Tom is a mining engineer. . . . Joe and Clarence Totzke made their first trip into the Twin Cities in a long time. Besides taking care of their route, they have been very busy installing television sets, and the recent high windstorms has conked out a lot of television antennae and gave them a lot more work to do. . . . Iz Alpert of the Twin Ports Sales Company, Duluth, Minn., was in the Twin Cities for a day and stopped in to distributors to see what was doing. . . . Bruce Windhurst of Huron, S. D., made the trip to the Twin Cities to pick up some supplies for his route and to get ready for the 4th of July week-end. . . . Some of the operators who were in town from the Wisconsin area were: John Gallup of Menomonie; Emil Sirianni of Eau Claire; Leo DeMars of Ashland; and Jim Donatell of Spooner. . . . Stub Schoefer of Valley City, N. D., made a quick trip into the Twin Cities and although he usually is in and out of town the same day, he stayed a couple days this time, inasmuch as Mrs. Schoefer was along on this trip. . . . Frank Ray and Bob Agnew of the Dakota Amusement Company, Dickinson, N. D., spent several days in town, and also did some practicing up on their golf game.

Mr. and Mrs. Jack Harrison of Crosby, Minn., were in and Jack reports the steel strike is affecting business up on the Range, inasmuch as the iron ore mines are not operating as long as the steel companies are out on strike. This makes it a little bad for everyone up there. . . . Don Smith of Sioux Falls, S. D., decided to make the trip into the Twin Cities just to see what was new in coin operated equipment and to say hello to a few of the boys. . . . Seen here and there at the different distributors and record supply houses, picking up supplies and records were: Dick Grant of Mound, Minn.; Cecil Terveer of Winona, Minn.; Hank Krueger of Fairfax, Minn.; Joe Hanson of St. Peter, Minn.; Bun Mraz of Brainerd, Minn.; and Ted Heil of Gaylord, Minn.

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price.
