VOLUME XXI—NUMBER 32

APRIL 23, 1960

Freddie Cannon, one of the hottest teenage stars on the disk scene during the past twelve months with an unbroken chain of hits including "Tallahassie Lassic," "Okeefenokee," "Way Down Yonder In New Orleans" and "Chattanooga Shoe Shine Boy," says thanks to the people who helped him achieve fame as the Chattanooga lad might have done it. Surrounding Cannon are: (far left & far right) Bob Crewe and Frank Slay, who produce all of Freddie's sessions for Swan Records; (second from right) Tony Mammarella, president of the Swan label; and Bernie Binnick, Swan's secretary-treasurer. Cannon's latest single couples "The Urge" with "Jump Over."

Harris Probe To Continue

EARLY CONCLUSION HOPED FOR

Next week, the Harris Committee's investigation of payola in the broadcasting and record industry reopens. We hope that this series of hearings will be the last.

The committee should have no doubt that both industries have been guilty of mal-practices. There is also no doubt that the guilty have learned their lesson.

Payola is a monster which only a small few in the record industry wanted to be a part of. Unfortunately, monsters have a way of getting out of hand to a point where they are uncontrollable. The Harris probe has done a magnificent job of helping the radio and record industries clean house. It is hoped that the Committee's suggestions to Congress will prevent payola from enveloping the business again.

Throughout these hearings the

record business has functioned under trying circumstances since many of the innocent had to conduct business in an unhealthy atmosphere of insecurity and fear. Although the end effect of the probe will benefit both industries, the harm that has been done to some of the innocent will be impossible to measure.

The Committee has made its point. Although further investigations may uncover additional mal-practices, they will probably be similar to those uncovered in previous hearings.

Therefore, it is urgently hoped that the hearings will come to a conclusion in the very near future and the record and radio industries will be given an opportunity to turn over a new leaf and function in clean and healthy surroundings.

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Pick of the Week

"SWINGIN' SCHOOL" (2:15)
[Columbia Pictures ASCAP—
Mann, Lowe, Appell]

DING-A-LING" (2:25)
[Lowe ASCAP—Mann, Lowe,
Appell]

BOBBY RYDELL (Cameo 175)

Rydel, who's compiling the hits at a 'record clip', has two more Cameo smasheroos to follow his current "Wild One"—"Little Bitty Girl" double-decker. He tears it up one side, "Swingin' School," the house-rocker featured in the Columbia flick, "Because They're Young." On the "Ding-A-Ling" side he's in captivating, teen beat-shuffle form. Ork and choral backing on both ends is sensational. Tremendous coupling.

"THEME FOR YOUNG LOVERS" (2:59) [Marpet ASCAP—Faith]
"BIMINI GOOMBAY" (2:09) [Ludlow BMI—Broussolle, Calvet]
PERCY FAITH ORK (Columbia 41655)

Percy Faith & his Ork check in with another beautiful instrumental affair that could make the gold-disk, "Theme From A Summer Place" grade. It's an enchanting, string-filled Faith original that features the soft, ear-arresting "Summer Place" beat-ballad arrangement. "Bimini Goombay (Le Marchand de Bonheur)" is a cha cha flavored musical delighter that should win loads of airplay.

**"COMING 'ROUND THE MOUNTAIN" (2:08) [Monarch ASCAP—
Arr. Bagdasarian]**
"SING A GOOFY SONG" (2:27) [Monarch ASCAP—Bagdasarian]
DAVID SEVILLE & CHIPMUNKS (Liberty 55246)

Charming "Coming 'Round The Mountain" cut provides a winning and often different-sounding Chipmunks release. Backing for the gimmick-voices reading of the oldie is an intriguing, slow march-beat. "Sing A Goofy Song" is a merry, tuneful outing for Seville and friends. Chart-looking deck follows "Alvin's Orchestra."

"CITY LIGHTS" (2:23) [TNT BMI—Anderson]
"JUST FOR A TOUCH OF YOUR LOVE" (2:58)
[E. B. Marks BMI—McCoy, Lebosky]
DEBBIE REYNOLDS (Dot 16071)

Debbie Reynolds covers another big country tune and it looks like she has another big hit on her hands. Her latest for Dot, the steady, middle beat "City Lights," is another heartbreaker that should easily follow in the footsteps of "Am I That Easy To Forget." The very pretty ballad-with-a-mild-beat romancer, "A Touch Of Your Love," rounds out a top notch pairing. Excellen ork-choral showcases by Billy Vaughn's crew.

"EXCLUSIVELY YOURS" (2:16) [Rumbalero BMI—Wolf, Raleigh]
"ONE LITTLE GIRL" [Compton ASCAP—Verge, Roberts]
CARL DOBKINS, JR. (Decca 31088)

Dobkins can get back into "My Heart's An Open Book" big hit territory with this new Decca ear-pleaser. Tune is a most attractive, chorus-backed toe-tapper on which Carl pledges an "Exclusively Yours" love for the gal. "One Little Girl" is a potent, beat-ballad romancer tailored for the teen set. Two solid money-makers here.

"IF THERE ARE STARS IN MY EYES" (2:42)
[George Pincus & Sons ASCAP—
Hoffman, Manning]

"HOW DO YOU KNOW IT'S LOVE" (2:10)
[Meridian BMI—Wolf, Raleigh]

TERESA BREWER (Coral 62197)

Miss Brewer offers two strong follow-ups to her recent "Peace Of Mind" chart-rider. On one end, she dishes up a warm, sincere reading of a lovely, Latin-flavored ballad romancer tabbed "If There Are Stars In My Eyes." The other half, "How Do You Know It's Love," is a rhythmic bouncer on which the lark bubbles over with enthusiasm. Slick Dick Jacobs' ork-choral assists on both lids.

"THE TOUCH" (2:34) [Duchess BMI—Wiener]
"CHUG-A-LUG" (2:05) [Martrick BMI—Viscounts]
THE VISCOUNTS (Madison 129)

Chances are the Viscounts are gonna make it two instrumental hits in-a-row with this Madison outing. The artists, who recently had a big one with their haunting revival of "Harlem Nocturne," weave a similar spell with their up-dating of the short-while back noise-maker, "The Touch (Le Grisbi)." Watch this one take off. Backing's a solid rafter-shaker dedicated to the beer-drinkers.

ELLA FITZGERALD (Verve 10209)

(B+) "MACK THE KNIFE" (2:42)
[Harms ASCAP—Weill,
Brecht, Blitzstein] The star delectably delivers the recent Bobby Darin smash in a session cut at an in-person appearance in Berlin. A cozy combo supports. A version of the tune that adds fresh listen-value.

(B) "TOO DARN HOT" (3:05)
[T. B. Harms ASCAP—Porter] From the same concert comes a similar treatment of the sly Cole Porter song from "Kiss Me, Kate."

FRANKIE VAUGHAN
(Columbia 41638)

(B+) "HEY YOU WITH THE CRAZY EYES" (2:18) [Miller ASCAP—Cahn, Van Heusen] Smart ballad swinger from the forthcoming flick, "Let's Make Love," is brightly surveyed by the British star, who has a featured role in the flick. The Dominic Frontiere ork swings joyfully. Good for hefty jock play.

(B) "THE KEY" (2:12) [Leeds ASCAP—Junior, Kahn] Vaughan and the ork-chorus turn to a soft teen-beat here and results are effective.

SONNY BURKE ORCH.
(Decca 31069)

(B) "HENNESEY" [Crystal ASCAP—Burke] A swinging "sailor" theme from the popular TV'er of the same name. Good-natured, pro instrumental issue.

(C+) "MARTHA" [Crystal ASCAP—Burke] A sentimental opus from the show. Pretty stuff. Jackie Cooper and his nurse are featured on special sleeve.

JOAN SHAW (Epic 9368)

(B+) "UNSUSPECTING HEART" (2:10) [Tee Pee ASCAP—James, Beal, Shank, Sibger] The thrush gives a good account of the attractive romantic. Fine beat-string backdrop includes French-sounding accordion statements. It's a deck that could move.

(B) "BLUE" (1:59) [Tee Pee ASCAP—Curtis, James] The oldie is revived with the teeners mostly in mind. Good-sounding date.

JANET & JAY/JAY LEONARD
(Hanover 4549)

(B) "HAVE SOME POPCORN" (1:41) [Herb Reis BMI—L&J Ogsbury] A good novelty-instrumental. Against an interesting penny whistle-led arrangement of a catchy melody, a twosome at the movies make whispered comments.

(B) "I WAS WRONG" (2:05) [Elbury BMI—Ogsbury] A haunting opus is given a wistful reading by songster Jay Leonard.

DUKE STEVENS (Okeh 7132)

(B) "YEAH, YEAH (You Were Ever So Right)" (2:25) [Tune House ASCAP—Shanky, Goldman, Jones] Affable blueser has a steady shuffle-beat sound, with the Steven's vocal getting "yeah-yeah" bits from the chorus. Stacks-up as good blues-market listening.

(C+) "WON'T YOU SAY YES?" (2:24) [Tune House ASCAP—Shanky, Goldman, Jones] Steven's has more of a spotlight as he nicely portrays the tender opus.

JACK SURRELL (Hob 116)

(B) "YOURS IS MY HEART ALONE" (2:44) [Shubert ASCAP—Lehar, Herzer, Lohner, Smith] The familiar melody gets an interesting reading from the mixed chorus and keyboard-led combo. Off-beat version of the tune.

(C+) "I'M SO GLAD" (2:12) [B&B BMI—Robinson, Gantz] Songsters blend inventively again in this lazy ballad affair.

STEVE WRIGHT (Lin 5025)

(B) "FAR AND DISTANT LANDS" (2:12) [Leonard Productions BMI—Danbom] The newcomer sings a catchy calypsoish item about a guy who can't find anyone, anywhere to match his flame. Good combo-chorus backdrop.

(C+) "LOVE, DEVOTION AND LOYALTY" (2:08) [Leonard Productions BMI—Danbom] As the title suggests, this is a warm-beat session.

CARMELETTES (Alpine 61)

(B) "SOMETHING TELLS ME (Ding-Dong-Ding)" (2:07) [Tryton BMI—Verdi] The ding-dong-ding chants by the gals is the big, if familiar sound factor in this happy beat session. Good teen sunny.

(C+) "ACHING FOR YOU" (2:23) [Saratoga BMI—Verdi] Gals deliver the beat-ballad in pleasing fashion.

AMBERS (Todd 1042)

(C+) "ALL OF MY DARLING" (2:27) [Shapiro Bernstein ASCAP—Burton, Francis, Durant, Vignola] Interesting keyboard-percussion bit opens this OK beat-ballad essay from the songsters. Opening is the highlight here.

(C+) "SO GLAD" (2:09) [Skidmore ASCAP—Lee, Burton, Durant, Vignola] Again a good-sounding opening, this time headed by guitar and sax. Catchy opus.

BARBARA LYONS
(ABC-Paramount 10098)

(B+) "MY CONFESSION OF LOVE" (2:20) [Sequence ASCAP—Tobias, Strouse] Thirteen-year-old lark proves she's "older" when it comes to a teen-directed date. The effective declaration is strongly rendered by the performer, and the Richard Wess accompaniment is a fine rock-a-string job. Solid label bow.

(C+) "LEO, MY LOVE" (2:00) [Iris—Trojan BMI—Merlo, Welch] OK sing-a-narrative on this end.

EDDIE HEYWOOD (Mercury 71603)

(B) "OUT OF BOUNDS" (2:07) [Brenda BMI—Otis, Corso] Pianist Heywood heads a good-listening mood piece with a slight Latin touch.

(B) "THERE YOU ARE" (2:20) [Benda BMI—Otis, Towns] Softer mood doings here. Both sessions have first-rate mood appeal.

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Pick of the Week

"HAY RIDE" (2:13)

[Patricia BMI—Hawkins,
Magill, Helm]

RONNIE HAWKINS (Roulette 4249)

Hawkins weighs in with two powerful contenders for chartdom. Both are culled from albums and both can ride side by side up the singles hit lists. The inviting shuffler, "Hay Ride," is from the "Mr. Dynamo" package. The hard beat "Ruby Baby" originates from his "Ronnie Hawkins" package. Sock support by the Hawks on these two terrific coin-catchers.

"WHEEL OF FORTUNE" (1:59)

[Laurel ASCAP—Benjamin,
Weiss]

LAVERN BAKER (Atlantic 2059)

Thrush can get chart notices on either side. With "Wheel Of Fortune," stylist revives the one-time Kay Starr hit with a strong blues touch, receiving expert rock-a-string and chorus support. Lovely "Shadow Of Love" has a soft spiritual feel. Watch 'em both.

"CUT ACROSS SHORTY" (1:51) [Cedarwood BMI—Wilkin, Walker]

"THREE STEPS TO HEAVEN" (2:21) [Metric BMI—Cochran, Cochran]

EDDIE COCHRAN (Liberty 55242)

Cochran's reading of the C&W tune, "Cut Across Shorty" (cut by Carl Smith on Columbia), can go places in the pop field. Story of a race between two fellas to decide which one wins the gal's hand is conveyed in strong, rapid-fire beat fashion. Coupler is a contagious medium-beat date.

"ABOVE AND BEYOND" (2:19) [Jat BMI—Howard]

"ONE HEART" (2:14) [Jat-Texical BMI—Muth]

JERRY FULLER & DIANE MAXWELL (Challenge 59074)

"Above And Beyond," the country click introduced a few months back by label-mate Wynn Stewart (and currently hitting in that field via Buck Owens' version), could make the pop grade this time out. Here, the quick moving shuffler receives a solid duet job by Fuller and Miss Maxwell. Could step way out. Pleasant companion piece in the up beat, country-styled "One Heart."

The Cash Box Best Bets

ROGER WILLIAMS (Kapp 331)

(B+) "LA MONTANA (If She Should Come To You)" (2:41) [Hollis BMI—Moreu, Wilder, Alguero] While the pianist performs a pretty theme, strings and percussions offer exciting bits. Off-beat instrumental that could pick-up important coin.

(B) "WHAT LIES OVER THE HILL?" (3:10) [Garland ASCAP—Tobias, Frisch] Tender, inspirational-like affair.

CLYDE McPHATTER (Atlantic 2060)

(B+) "DEEP SEA BALL" (2:20) [Progressive BMI—Scott] Songster contagiously relates the good-time had by various species of fish at a "deep sea ball." Kids should welcome the happy sound; watch it.

The Cash Box Best Bets

STEVE LAWRENCE & EYDIE GORME (ABC-Paramount 10,104)

(B+) "THIS COULD BE THE START OF SOMETHING BIG" (2:25) [Rosemeadow ASCAP—Allen] Man-and-wife singers team brightly on the Steve Allen-penned romantic charmer. It's an engaging swinger that's sure to crop-up on many deejay's programming.

(B+) "DARN IT, BABY, THAT'S LOVE" (2:36) [Chappell ASCAP—Duddy, Edwards] More good listening as the twosome swing a similar-type item.

HOLLYWOOD FLAMES (Ato 6164)

(B+) "BALL AND CHAIN" (2:45) [Progressive BMI—Nelson, Williams] Some good chant gimmicks highlight this bluesy novelty romantic. Could also step out.

SPARKLETONES (Paris 546)

(B+) "SOFTLY" (2:11) [Greta BMI—Millet, Dornstein, Kassin] Appealing, indeed softly, relayed romancer. The pretty item is caressed by the songsters against an often purring rock-a-string backdrop. This inviting date could make it.

(B) "WHAT THE HECK" (1:52) [Greta BMI—Bennett, Arthur] A different beat matter here as the boys pound one out about a gal who's giving the guy a tough time. Good novelty sound.

STARLETS (Astro 202)

(B+) "P.S. I LOVE YOU" (2:36) [LaSalle ASCAP—Jenkins, Mercer] Gals give the durable a haunting teen view. Fine lead receives solid soft-spoken remarks from the other larks. Could happen.

(C+) "WHERE IS MY LOVE TONIGHT?" (1:57) [Tee Dee BMI—Allbut] Less success as the team tries a rock-a-cha theme with a "Little Star" flavoring.

EL TIGRE (Bear Cat 702)

(B+) "THE SASSY MUCHA-CHAS" (2:46) [Amelia ASCAP—Curtis] Instrumental carries solid rock-a-cha weight. Sax and percussion do the highlight stints. The sound may do things.

(B) "THE HAPPY MUCHA-CHOS" (2:18) [Amelia ASCAP—Curtis] Similar arrangement here, tho an organ is employed. The Jay-Gee set-up handles the label.

MALCOLM DODDS (Ramrod 3)

(B+) "EVERYTIME WE SAY GOODBYE" (2:41) [Chappell ASCAP—Porter] Songster Dodds and a Richard Wess arranged-directed ork give the stand-by a fine swing go. It's got strong programming potential; could move.

(B) "THEN I'LL BE TIRED OF YOU" (2:30) [Harms ASCAP—Schwartz, Harburg] A rock-a-string approach to another evergreen. Stan Applebaum heads the ork setting.

TONY MARTIN (RCA Victor 7728)

(B+) "ONCE WHEN THE WORLD WAS MINE" (2:07) [Bradshaw BMI—Parker] Vet songster does a fine job on the "pop" adaptation of a familiar melody. A handsome ballad deck that could make noise.

HANK BALLARD & THE MIDNIGHTERS (King 5341)

(B+) "FINGER POPPIN' TIME" (2:30) [Wisto BMI—Ballard] Slam-bang rhythm affair is carved out with infectious glee by Ballard and the crew. Solid swinger that the kids'll really go for.

(B+) "I LOVE YOU, I LOVE YOU SO-O-O" (2:20) [Lois BMI—Ballard] Another rocking Ballard special, this one a cha cha. Songster holds down the lead vocal with his usual rhythmic poise. Blues jukes will collect coin on both halves.

JOHNNY MASTERS (Coed 527)

(B+) "SAY IT ISN'T SO" (2:23) [Irving Berlin ASCAP—Berlin] A thoughtful teen reading of the durable by songster Masters, who receives simple, but effective combo-chorus support. With sufficient exposure, side could come-thru.

(B) "THE GREAT PHYSICIAN" (2:42) [Winneton BMI—Keyes, Smith] Masters convincingly surveys the inspirational.

BUZZ & AL (ABC—Paramount 10,107)

(B+) "TOMORROWS THAT MAY NEVER COME" (2:26) [Jimskip BMI—Buzzeo, De Felice] Boys blend hauntingly on the feelingful opus and also receive haunting and original sounds from the combo. Can happen with sufficient exposure.

(B) "JEANNIE MARIE" (2:01) [Armo BMI—An-cell] The team turns to a sunny name-song. Infectious beat.

GEORGE HERNANDEZ ORCH. (Dot 16069)

(B) "THEME FROM 'OUR MAN IN HAVANA—DOMITILA'" (2:11) [Hall Of Fame BMI—Diaz] Colorful cha-cha instrumental-chorus based on a theme from the satirical spy flick. Album source is "Cuban Fireworks."

(B) "LA BELLA CUBANA" (3:33) [Vin-Sun ASCAP—White, Hayet, White] Soft cha-cha on another (and inviting) theme from the flick. Track comes from another LP, "Playtime In Havana."

LOS CINCO LATINOS (Columbia 41624)

(B) "TI-PI-TIN" (2:05) [Leo Feist ASCAP—Leveen, Grever] The popular attraction in South America debut up North with a colorful blend of the standard, singing in Spanish and getting a solid Latin-styled beat. Group can appeal to the youngsters.

(B) "DIMELO TU" (2:30) [April ASCAP—Gallo, Inigo] Team achieves a sound here that's right-up teen-beat alley.

PAUL SMITH TRIO (Verve 10203)

(B+) "MY FAVORITE THINGS" (2:35) [Williamson ASCAP—Rodgers, Hammerstein] One of the delights of "Sound of Music" is read with a delectable Latin-styled approach. It's jazz, but able to stand pop exposure.

(B+) "DO-RE-MI" (2:40) [Williamson ASCAP—Rodgers, Hammerstein] Another standout from the show gets a similar treatment. Two ingratiating sides.

FORD HOPKINS (Apex 7757)

(B) "YA FINE, FINE, FINE" (2:36) [Josette BMI—Hopkins] This belter goes back to earlier rock 'n roll days, but its persuasive sock quality should find an appreciative teen audience. Solid rocker.

(C+) "SHE WAS NOT MY KIND" (2:32) [Josette BMI—Hopkins] Hopkins makes an OK plaintive case here.

TONY DALLARA (Mercury 71609)

(B) "ROMANTICA" (3:15) [BIEM—Rascal, Verde] The warm item—this year's San Remo Festival winner—is given a good, semi-dramatic reading by the Italian songster, who made noise with "Como Prima" several years ago. Backing is rock-a-string. Should get spins.

(C+) "NOI" (3:10) [BIEM—Palesi, Molgoni] Another San Remo entry is done in a similar manner.

BUDDY EMMONS (Decca 31076)

(C+) "BLUE WIND" (2:36) [Dandelion BMI—Day] Hawaiian-like guitar heads this lazy song-of-the-islands smoothie.

(C+) "FOUR WHEEL DRIVE" (1:47) [Champion BMI—Emmons] Brisk-beat tempo for the guitarist here.

KINGS (Epic 9370)

(B) "BUMP-I-DY BUMP" (1:52) [Trinity & Jalo BMI—Holcomb, Gale] Boys try tried-and-true vocal chants as they hop thru the happy beat item. It's a fella's heart that goes "bump-i-dy bump" because of a certain gal. Good sock sound from the combo. Lively item for hop spins.

(B) "I WANT TO KNOW" (2:03) [Trinity & Jalo BMI—Minter, Gale] Lead does a handsome job on the feelingful expression of true-love. Kids have a solid pairing.

SABRES (Fox 105)

(C) "B O M P B O M P" (2:24) [Chant BMI—Sabres] Some "bomp" bits from the sax are the sound feature of this middle-beat combo stint.

(C) "RUSTLER" (2:09) [Chant BMI—Sabres] Voices make statements in a faster-tempo beat product.

EDDIE WILLIAMS (Roulette 4237)

(B) "THE NICEST THING (That Ever Happened To Me)" (2:30) [Planetary ASCAP—Hoffman, Manning, Armand] There's a pleasant easy-go quality about the Williams vocal and his sentimental ork-chorus backing. Tune old-fashioned flavor fits reading to a T.

(C+) "SAD AND LONELY" (2:20) [Roncom ASCAP—Acquaviva, Varnick] Moody touch to this blues-styled statement.

HI-LO'S (Columbia 41647)

(B+) "A LOT OF LIVIN' TO DO" (2:06) [Edwin H. Morris ASCAP—Adams, Strouse] An engagingly swinger from the upcoming musical, "Bye Bye Birdie," is delectably delivered by the jazz songsters, who drop much of their familiar "far-out" phrasing. Top programming item.

(B) "CINDY'S PRAYER" (2:30) [Alaska ASCAP—Beach, Salingler] Something of a "Greenfields" touch here. Lovely folk-styled side.

SUNNYSIDERS (Zenith 4)

(B+) "TRAMPOLINE" (2:00) [Winston-Landowne ASCAP—Fielding, Barnett, Rosoff] Group—which had the hit, "Hey, Mr. Banjo," (revived on the flip side), offer a contagious ditty about the novelty sport currently clicking on the West Coast. This sunny could score.

(B) "HEY, MR. BANJO" (2:00) [Mills ASCAP—Morgan, Malkin] Songster' onetime click gets a new session.

BOBBY MAXWELL (Fargo 1009)

(B) "STAY WITH ME" (1:51) [Instant & Zanzi—Towns, Towns] Songster warbles against a Latinish backdrop. A catchy, yet warm offering.

(C+) "YOU'RE LAUGHING AT ME" (2:14) [Instant & Zanzi—Towns, Maxwell, Exploits] A blues-market directed disenchanting. Tune's not the Irving Berlin opus.

MGM Adds Two In Expansion Move

NEW YORK—MGM Records, in a move to expand its recording, sales and sales promotion departments, has added two new members to its staff and has reassigned two other staffers to new posts.

Sol Greenberg who had been in charge of the sales division of the Lion label now moves into single record sales. Greenberg, a veteran with thirteen years experience in the record business, has been on the sales staff of RCA Victor's Newark distributor and with All State, MGM Records' distributor in Newark. He also has a background of retail store experience.

Ed Heller, who has been working on both sales promotion and A&R, has been assigned to handle A&R work only with particular emphasis on special album product tie-in projects.

Harry Anger, Jr., who was formerly associated with the record divisions of Warner Brothers and RCA Victor, moves into the post of sales promotion manager with special concentration on album sales promotion on the distributor, dealer and consumer levels. In this area he will work closely with Sol Handwerker, who heads advertising, publicity and public relations.

Frank Luther, long active in the record industry as writer, director, producer and performer, joins MGM Records' A&R division in a special capacity, bringing with him his new concepts of album recording. In his many years in the record industry, Luther has recorded over 3,000 records with a total sales exceeding 65,000,000 records throughout the world. His Theatre Guild musical production of "Tom Sawyer" set an all-time high in TV ratings for the U.S. Steel Hour.

DJA Adopts Code Of Ethics

At Minn. Business Meet

NEW YORK—The first annual meeting of the Disc Jockey Association in Minneapolis last week (9, 10) produced a code of ethics stressing the responsibility of disk jockeys.

The code points out that deejays have a "primary responsibility to the public" and an "obligation to entertain and inform to the best of our ability within the framework of station policy and industry-wide governmental regulations." The code also tells the DJA membership that it "shall avoid interested parties' favors which might tend to evoke a sense of personal favoritism or professional obligation" and it "shall have no outside interests, business or professional connections without their station managements' knowledge and approval." Deejay conduct on and off the air is to bring "credit, distinction and approval to the broadcasting industry."

DJA president Jim Hawthorne (KFWB-Los Angeles) said that "adverse publicity—much of it unwarranted—was leveled against all members of the industry, despite the fact that a tiny minority was involved in the malpractices."

The association decided to stick to its by-laws which state that the association will not act as a bargaining agent between deejays and their stations.

Elected to new DJA terms were: Hawthorne, president; Scott Muni (WMCA-New York); Bob Larson (WRIT-Milwaukee); Ed Hohl (WAME-Miami); Grahame Richards (Storz Stations, Omaha); Bob Cooper (KVI-Seattle); Gene Kaye (WAEB-Allentown, Pa.), vice-presidents; Bill Enis (KEWB-San Francisco), treasurer; Bill Gavin (San Francisco), secretary.

Decca Stockholders; Elect Officers

NEW YORK—The board of directors and stockholders of Decca Records met here last week (12) and elected officers and members of the company's board of directors.

Officers elected were: Milton R. Rackmil, president; Leonard W. Schneider, executive vice-president; Louis A. Buchner, vice-president and treasurer; Milton Gabler, vice-president; Martin P. Salkin, vice-president; Samuel Yamin, secretary; Isabelle Marks, assistant secretary; Irving Wiener, assistant treasurer.

Board of directors elected were: Albert A. Garthwaite, Rackmil, Salkin, Schneider, Harold I. Thorp and Samuel H. Vallance.

Stockholders also approved the designation of Peat, Marwick, Mitchell and Co. as the independent public auditors of the company for the ensuing year. At the meeting there were 1,144,377 shares, or over 89% of the company's capital stock in the hands of the public represented.

UA Product Moving

NEW YORK—Things are swinging at United Artists with the release of a flock of new singles and albums that are reportedly racking up "impressive" sales figures. A's distribs in Chicago, Indianapolis, Pittsburgh, Cincinnati and Cleveland are reporting Don Costa's, "Theme From The Unforgiven" as the hottest new single they are handling, according to Andy Miele, UA's national sales manager. Miele has put a top priority on pressing orders for the record.

Other UA singles which are keeping the label jumping are Vaughn Monroe's "Ballerina"; The DeJohn Sisters' "Yes Indeed"; The Clovers' "Lovey"; Johnny McKay's "After You"; The Delicates' "Your Happiest Years" and of course Marv Johnson's top ten item, "I Love The Way You Love."

New album product is also contributing heavily to UA's rosy sales picture. Sets by Ferrante & Teicher, "Dream Concerto" and "Tito Rodriguez At The Palladium" are getting a good response from the label's distributors. UA's "Madison" album by Dicky Doo and The Don'ts has come in for "hefty" advance orders and pressing orders have been boosted to keep up with the action on the set. The success of so much of the label's new releases is shaping up UA's current sales situation as its best since entering the record field.

Capitol LP Debuts Thrush

HOLLYWOOD—Capitol Records is introducing its new singing discovery Nancy Wilson, in a special mid-month release devoted entirely to her debut album, "Like In Love." Billy May arranged and conducted for her first album. Miss Wilson was discovered singing in New York nightclubs last year.

Vincent High On Two New Clanton LP's

NEW YORK—Johnny Vincent, Ace Records' prexy, has put the finishing touches on a special LP package by his number-one artist, Jimmy Clanton.

The package, which consists of two albums by Clanton, "Jimmy's Happy" and "Jimmy's Blue," is being merchandised thusly: the purchaser can buy both albums together with a huge foldout photo of Clanton or buy the LP's separately.

"The dealer anticipation, as far as this package is concerned," Vincent said, "is beyond everything that I had hoped for. The advance orders have been coming in from my distributors all over the country prior to the release of the package, based on information that I had sent to them while it was in production. There is every indication that this will be by far and away the biggest thing that Jimmy has ever had in either singles or album fields."

Christy Master Purchase

LOS GATOS, CALIF.—Christy Record has purchased a master by the Workman Bros. from Cal Verde, president of Twin Oaks Publishers, Modesto, Calif. Sides are "Yes, I Do" and "Lou Ann." The label also announced the signing of a contract with Fast Records of Belgium.

See FCC Easing of Directive

NEW YORK—There were indications last week that the FCC would declare an easy-go policy on certain aspects of its Section 317 directive to the broadcasting industry. First—and perhaps most important—easing is expected to concern announcements stations must now make when free disks are programmed. This was learned as a result of a meeting last week in Washington between Oren Harris, the Arkansas Representative who heads the House subcommittee looking into payola, and FCC Commissioners. It was made clear that this easing would not apply to a situation such as the one involving the Boston station which “overnight” created a \$10,000 library at no cost. However Harris felt that the FCC’s view that a single record was a thing of value was carrying the point too far.

There were rumors within broadcasting and diskery circles last week that FCC clarification of the directive would be made in a matter of days. However, they were discounted by FCC press information officer, George

Gillingham, who said that the FCC was holding to its decision to withhold remarks until May 2, the deadline set by the agency for the filing of comments by stations.

It was also learned that Harris was displeased with the directive, and told the Commissioners that he thought the directive too quickly overturned time-honored methods of doing business. Also indicated from the Harris-Commissioners meeting was that the Commissioners themselves realized that there were legitimate complaints coming from those affected by the directive and that they would examine possible faults in the directive before May 2.

Meanwhile, stations (and diskeries) still have to contend with the directive as originally set-forth, and it is being handled in various ways. Some stations have adopted a “due-bill” arrangement with labels. Instead of paying cash for disks, a few stations are providing labels with commercial time equal to the cost of the disks. In a lighter vein, KPHO-Phoenix has sold

the 30 announcements it makes each day identifying the source of free disks to a single sponsor, a real estate agent. After the labels are mentioned, the announcer states: “The preceding announcement was presented by Ed Post. When you think of real estate, think of Ed Post, Arizona’s leading real estate organization with four convenient offices to serve you. That’s Ed Post Realty.”

Attempt RIAA—ARMADA Meet With NAB

NEW YORK—The week also provided a sincere effort by Irving B. Green, President of Mercury Records and President of RIAA, and Ewart Abner, President of Vee-Jay Records and President of ARMADA, to bring together a committee of both record manufacturer organizations to discuss the FCC directive with NAB execs. At presstime these efforts were to no avail.

Many directors of ARMADA planed to New York on Thursday, April 14, for a meeting to discuss the FCC “Sponsorship” ruling. On Friday, April 15, the ARMADA board of directors met at the San Moritz Hotel in New York to discuss 1) the selection of a committee to work with RIAA and NAB regarding future legislation and to help interpret existing rules regarding airplay. 2) The appointment of a lobby to represent the record industry before the Harris Committee, the FCC and the FTC. 3) To finalize the agenda and related details for the ARMADA 1960 Convention in Atlantic City on June 13 and 14 at the Traymore Hotel.

American Beauty

NEWARK, N.Y.—During Jerry Keller’s recent promotion trip to this upstate New York town, he assisted Bud Paxton (WACK) in the station’s “American Beauty Rose” contest. Paxton’s contest was held in conjunction with Keller’s Kapp recording of “American Beauty Rose.”

Above, contest winner Judy Gardner holds a box of roses presented to her by Keller (c) and Paxton.

NRC To Distribute Image

NASHVILLE, TENN.—New offices for Image Records were opened here last week at 617 Exchange Building.

The local office, headed by Kenny Marlow, will handle the production of all masters for release on Image, distributed by Bill Lowery’s National Recording Corporation, of Atlanta.

Marlow also announced the signing of Bobby Russell, Gary Warren, and Jane Benson to recording contracts, and that new records will be released shortly on all three artists.

Stimler Leaves Han-Sig To Form New Import Firm

NEW YORK—Irv Stimler, of Hanover-Signature, last week announced his resignation as vice-president of the labels to form his own national distribution business for foreign labels.

Stimler has made agreements with a number of foreign record labels—approximately fifteen to date—and will import their records for distribution here in the U.S.

The foreign product—top LP’s from the companies’ lines—will be sold here in its original form with foreign produced jackets and the titles in the foreign language.

The new company (as yet unnamed) will distribute here through independent distributors. In essence, one distributor in a territory will handle the fifteen labels for his area. Distributors are currently being set up. Countries whose product will be represented include France, Italy, Germany, Japan, Australia and England.

Kingston's New Album Off To Strongest Start

NEW YORK—The new Kingston Trio LP, "Sold-Out," has made good its title. Over 100,000 albums were sold last week, making the LP the fastest breaking of all LP's by the group. Top cities reporting to Capitol included Hartford, Philly, Detroit, San Francisco, Boston, Baltimore, Louisville, Dallas and Pittsburgh. The disk jumped into the #14 spot in its first week on the best seller list.

Holzman To England For Distribution Deal

NEW YORK—Jac Holzman, Elektra Records president, flew to England last week to finalize the label's distribution deal there. Elektra will be distributed under its own label in the United Kingdom by Audio Fidelity.

Holzman also will visit other European cities to set additional Continental distribution deals. "With our line of specialty, folk, popular and jazz albums, there's a growing demand for our product around the world as well as in the United States," he said.

While in England, Holzman will record the MacPherson Singers of Scotland. This large choral group has been playing to big audiences in the UK and on the Continent, and is expected to come to the U.S. later this year. Their Elektra album will be the first to be distributed in this country.

Other Elektra plans call for release of three albums in the latter part of April. These are "Boating Songs And All That Bilge," by Oscar Brand, another in the Specialty Series; "We Sing Of The Sea," with the Seafarers Chorus conducted by Milt Okun; and "World In My Arms" by Anita Ellis. There will also be a re-release in a new jacket of an LP by the New York Jazz Ensemble, re-titled "Adam's Theme."

Talent To Perform For N.Y.'s Africa House

NEW YORK—An all-star benefit show will be staged at the Majestic Theatre on April 24 to aid Africa House, founded in New York in 1945 as a home for African students here on partial scholarships. Among the performers will be Sarah Vaughan, Miriam Makeba, the Mitch Miller chorus, Dinah Washington, Buddy Rich, Jerry Mulligan, Geoffrey Holder, Cannonball Adderly, Herbie Mann's Sextet, the Mitchell-Ruff Duo and Ernestine Anderson. Produced by benefit chairman Michael P. Grace, with Joe Glaser heading the talent committee, the show's proceeds will be used to install a sprinkler system and other improvements in Africa House, which was ordered closed for lack of these installations. Africa House is maintained by the African Academy of Arts and Research, 459 W. 140th Street, and tickets for the benefit are available there as well as at the Majestic Theatre.

Wilson Cuts LP For SESAC

NEW YORK—Songster Jackie Wilson has cut an LP for SESAC, the music service. Produced by Nat Tarnopol, Wilson's manager, under the musical direction of Dick Jacobs, executive producer of the Coral and Brunswick labels, sides will be released on Brunswick.

Presley LP Released Heavy Advance Reported

NEW YORK—Elvis Presley's first LP since his discharge, titled "Elvis Is Back," was released last week to one of the largest advance-order demands in the history of the industry, RCA Victor disclosed.

The record, which was cut in Nashville two weeks ago at a marathon all-night 13-hour session, contains a dozen tunes. The package itself is flap-type, bearing full-color photos of Presley on both the front and back covers and a special bonus offer on the inside sleeve of Presley army photos from his G.I. days.

A special sticker on the front cover of the album carries a listing of all twelve tunes on the LP. Material for "Elvis Is Back" includes rock tunes, ballads and blues. Among the titles are "Fever," "Such A Night," "Reconsider Baby" and "Dirty Dirty Feeling."

Presley's new LP will be the subject of a widespread advertising and promotion campaign that will take in all media, including full-page newspaper ads, magazines and TV, in addition to elaborate in-store display material.

The first Presley single, "Stuck On You," (b/w) "Fame And Fortune" which was released just under two weeks ago with advance orders over 1,250,000 records, is the number one tune in the country.

Presley, who has been busy since last month's discharge at Ft. Dix with making new records in Nashville and taping the May 12 Frank Sinatra Show in Miami, now heads for the coast to start work on his first post-army movie, "G.I. Blues."

Rendezvous Activity

HOLLYWOOD—Rendezvous Records' recent move to new Hollywood headquarters with expanded facilities sparked an announcement from the label's president Rod Pierce of a new Spring program of increased activity in the singles field, with releases stepped up to one or more per week, and additional plans firming up for the production of LP's by several Rendezvous artists following the "success" of the company's first album, "In The Mood."

With Ernie Fields' latest single "Chattanooga Choo Choo" climbing the charts, Pierce reports "solid reaction" to The Glenns' "Chapel In The Moonlight" b/w "More And More."

Last week Rendezvous shipped nationally "Everybody" b/w "I'm Just A Country Boy" by Gary Faulkner and The Hightowers.

Set for her first single release next week is newly-signed Georgia Carr, former Capitol and Dot artists, to be followed by another new Rendezvous pactee, Frankie Ervin, lead singer with The Shields on "You Cheated." Other key Rendezvous artists are Johnny Moore and His New Blazers, Ray Cook, and Babette Bain. Pierce, who sees "no new trend at the moment and finds r&r still potent in the market," disclosed that choice of material for his singles will cover all kinds of music, from "pretty" and upbeat ballads to very strong rhythm and blues. Pierce maintains that the success of Ernie Fields' single, "In The Mood" is evidence that "public liking for an exciting beat is strong and international."

Bofill To Gotham Post

NEW YORK—Herbert M. Moss, president of Gotham Recording Corporation, recently announced the appointment of David Bofill as chief engineer, construction and planning. Bofill comes to Gotham from MGM Records, where he served as assistant chief engineer. He is already supervising pre-construction planning of Gotham's new stereo editing and mastering facilities.

Atlantic Session

NEW YORK—Chris Connor and arranger-conductor Richard Wess go over a fine point in Wess' arrangements for the singer's latest Atlantic session. Miss Connor and Wess (fronting a big band) appeared on the same bill at New York's Basin Street East last week.

MJQ, Dance Group Leave For Europe

NEW YORK—For the second time within six months, The Modern Jazz Quartet (John Lewis, Milt Jackson, Percy Heath, and Connie Kay) recently left New York for Europe to play a tour which will take the group through Germany, France, Denmark, Sweden, and Yugoslavia. Unlike its other trips, however, this time the Quartet will not travel alone. The four musicians will be accompanied by four dancers, Louis Johnson, Lelia Goldoni, Cristyne Lawson, and Kevin Carlisle, who make up the remainder of the company of eight which will give the world premiere of the jazz ballet, "The Comedy," in Paris on April 22.

Previous to the Paris opening of the theatre presentation, which is produced by the quartet and subtitled "A Jazz Entertainment," the four jazzmen are playing a series of solo concerts which began in Paris on April 9, and continues through Brussels, Stockholm, Gotenburg, Copenhagen, Munich, Berlin, Hamburg, and Hanover. Upon returning to Paris, the Quartet will rejoin the dancers for the company's final rehearsals for the jazz ballet opening.

The Modern Jazz Quartet's last European tour, completed in Dec., was a big success for the award-winning group.

The seven albums are "Bahama Bash," by "Little G," "Scotland's Pride" by The Royal Scots Guards, "With My Love" by Ernest Maxin, "No Greater Love" by Don Butler and the Sentimentals, "Warm Hearted Polkas" by Ted Maksymowicz, "More Swinging Strings" by "The Knightsbridge Strings" and "What In The World's Come Over You" by Jack Scott.

Lauren Winds-Up Extensive Tour; Gets Film Role

NEW YORK—As the wind-up to one of the most extensive and successful artist tours ever launched, young RCA Victor recording artist, Rod Lauren, headed into New York last week. Immediate plans in New York call for a live appearance on the Ed Sullivan Show, Sunday night, April 24 and the taping of a second Sullivan Show shortly thereafter.

Subject of the biggest artist build-ups in recent show business history, Lauren's tour took him on a swing of southern and eastern cities. In a period of three weeks, he visited Dallas, San Antonio, Houston, New Orleans, Miami, Jacksonville, Atlanta, Birmingham, Richmond and Washington. The first part of the tour, in late '59, had Lauren visiting major markets in the east, mid-west and west.

Climaxing the tour was a major take out on Lauren which appeared in the April 11 issue of Life magazine.

The young artist, who drew crowds as large as 10,000 to hops on his visit in the south, is now getting ready for his first major movie appearance in Hal Wallis' motion picture "The Sons of Katie Elder."

After his New York visit and Ed Sullivan appearances, Lauren will fly to the coast where he makes his home and records in Victor's Hollywood studios. His new single is "This I Know" and "Listen My Love."

Cleveland Dealer "Lanza" Promo Clicks Big

NEW YORK—Higbee Department Store in Cleveland, Ohio, launched a giant promotion late in March via radio station WERE on the new RCA Victor double LP, "Mario Lanza Sings Caruso Favorites." This special album—which also contains an LP of Caruso performances—is being offered for a limited time only for the price of one LP.

Higbee reported that results of the radio promotion were so successful that the offer was re-broadcast on April 11. At the same time, several major markets were planning similar radio promotions on the album, based on the Cleveland success story.

TV Helps Tammy's LP

NEW YORK—Proving once again the power of TV to sell records, the Off-Broadway label's Tammy Grimes album, which has been sold "only modestly" since it was released six months ago, has suddenly broken into big sales figures as a result of the recent video spectacular starring Miss Grimes and Eddy Albert doing songs from motion pictures, according to the diskery.

Abbot Lutz, president of Vintage Productions, which merchandises the Off-Broadway label through the Pickwick Sales Corporation, revealed that retailers who displayed the LP in the window the day after the show reported an immediate run on the album with strong "word-of-mouth" repeat business.

The Tammy Grimes recording, which retails at \$4.95, has reportedly been moving at the rate of better than two thousand a day since the TV show and Lutz stated that his orders have been increasing daily.

Russian Fan Club For Boone

NEW YORK—Pat Boone, who has over 4,200 fan clubs in the U.S. and more than 350 fan clubs representing foreign countries, just received a letter from a girl in Minsk, Russia, telling him that a new club has been established there in his name. Miss Benn, who addresses the singer as "Dear Patt Booney," informs him that there are many young people in the U.S.S.R. who enjoy his singing on the radio and on "gramophom records."

New NARAS Head Sends First Letter To Members

HOLLYWOOD—In his first letter to members, Sonny Burke, newly-elected president of the Los Angeles Chapter, National Academy of Recording Arts and Sciences, lauded the work done by outgoing-prexy Paul Weston, his administration, and by national chairman Jim Conkling, for their efforts which developed NARAS from an idea into a respected institution of permanent stature. Burke pledged himself and the new Los Angeles Chapter officers to maintain the lofty goals and high ideals upon which the Academy was founded.

Mr. Burke also announced that the first official action taken by the newly-elected board of governors was to unanimously pass an amendment to provide that outgoing chapter presidents automatically serve on the board the following term. It was hoped that his provision would insure the availability of their past experience and assistance to the new board. In taking immediate effect, this amendment automatically instates Weston, first outgoing prexy, as member of the new Los Angeles Chapter Board of Governors. Weston continues to be one of the national trustees. Burke also revealed plans for a general membership meeting, the date to be announced shortly.

Recent chart items included the Everly Bros. last Cadence effort, "Let It Be Me" and Tillotson's "Why Do I Love You So."

NEW YORK—E. R. Lewis, President of London Records, has announced the appointment of D. H. Toller-Bond as executive vice president of the company and Leon C. Hartstone as vice president and general manager.

Standard Stereo Terms Proposed By MRIA

NEW YORK—The Magnetic Recording Industry Assoc. standards committee, under C. J. LeBel, and the National Better Business Bureau have proposed the following standards as regards certain stereo terms:

1. A CHANNEL is a single complete electronic transmission path for sound; it must include one or more separate microphones; an amplifier, and one or more loudspeakers. It may have a recorder and reproducer interposed as a time storage device. In a multi-channel system, the number of channels is equal to the number of main transmission paths.

2. A TRACK is a path which contains reproducible information left on a medium by recording means energized from a single channel.

3. When a time storage device is used, the channel may be divided into two parts: the recording channel, and playback channel.

A. A RECORDING CHANNEL includes the means by which sound is prepared for storage on a single track.

B. A PLAYBACK CHANNEL includes the means by which the recorded sound on a single track is reproduced.

Note: In a multi-channel system, the number of channels cannot exceed the number of tracks.

LeBel has written to all MRA members for their comments. The terms will then go to the board of directors for approval, after which the National Better Business Bureau would be advised of MRIA's action.

Airborne "Can-Can" Promo

HOLLYWOOD—Capitol Records Distributing Corp. branches on the Pacific Coast took to the air last week to promote Capitol's original soundtrack recording from the motion-picture "Can-Can."

At 1301 hours (1:01 pm), 1301 gas-filled balloons (the album No. is W-1301) were cut loose from the top of the Capitol Tower here and from the roofs of the tallest buildings in San Diego, San Bernardino, San Francisco, Portland, Seattle and Spokane.

Happy Talk

HOLLYWOOD—Bob Keene (center), president of the Del-Fi and Donna labels, is engaged in a happy discussion of the Donna single, "I Love You So" by Ron Holden, with radio KDAY staffers Jack Gilbert (left) and Bruce Wendell.

Margaret Whiting To Play Summer Stock "Venus"

HOLLYWOOD — Margaret Whiting has been set for the starring role in "One Touch of Venus," a summer stock production of the Broadway musical hit of the 40's which will tour major East Coast cities for twelve weeks this summer. According to her public relations office she is also being paged to star in two upcoming Broadway shows which open this fall, "Hold Back The Dawn" and "The Tattooed Countess."

These dramatic roles for Miss Whiting come on top of the heavy schedule of singing engagements booked for her this spring. She opens at the Casino Royale in Washington on April 25, and follows this with a two week national promotion tour for her new Verve album, "Margaret Whiting Sings Jerome Kern," being released May 8. Bookings are being set for Mister Kelly's in Chicago and Basin Street East in New York.

Plans are also being made for the singer to star in a TV special next year based upon the biography of her late father, Richard Whiting. Title is set as "Beyond the Blue Horizon."

Two hundred balloons in each group contained a certificate which instructed the finder to exchange it at any record store for a copy of the "Can-Can" album. Each balloon was imprinted with the "Can-Can" sig and Capitol plug.

His latest Liberty album on release is "Enchanted Sea." He will record a new album before sailing for Hawaii late in May.

New London Record Company Formed

LONDON—After six months' active preparation, a new record company, Associated Recordings Ltd., was launched this month operating from a well equipped suite of offices, incorporating a large store room, in the center of London's West End.

The company was founded by managing director, D. M. Bennett, with the object of presenting the record buying public with "high quality recordings of a type not previously available and at an acceptable price." The company issued four labels, Whitehall and Parliament—both retailing at the low price of 22/6d—and Westminster and Artia which sell at 39/9d.

All disks are 12" LP's, packaged in attractive and tastefully designed albums. K. L. Whiting, sales manager, stressed that, despite their low price, the Whitehall and Parliament labels would receive the "same high standard of processing and production as the others." The A & R manager for Associated Recordings Ltd. P. H. C. Higgins (who, like Whiting, is late of Deutsche Grammophon Gt. Britain Ltd.) told The Cash Box that the initial releases which total 54 albums (19 on Whitehall, 26 on Westminster, 5 on Artia and 4 on Parliament) are confined to the classical repertoire and folk music. Material for all labels contains a certain proportion of first recordings of a highly original nature, such as "Passport to China" by The Chinese National Song and Dance Ensemble on Artia as well as more familiar works, one of which, Prokofiev's Piano Concerto No. 1 in D Flat Minor and the Bach Piano Concerto in D Minor by Sviatoslav Richter was The Cash Box Classical Pick Of The Week in March this year.

Although expansion into the 'pop' field is planned for the future, this will not take place until really suitable material is available. Issues on the Whitehall and Westminster labels are direct imports from America, while Artia and Parliament contain many Czech, Rumanian and Hungarian recordings pressed by Recording Artists Music Corporation of America. Direct distribution is handled by the company's sales force headed by Whiting who stated:

"We are anxious to establish good manufacturer to dealer relations and

Top Rank's Friedman To England, France

NEW YORK—Harold Friedman, independent consultant and director of the executive committee of Rank Records of America, left last week (10) for a two week trip to England and France to confer with top members of the Rank Organisation Record Division.

Friedman will meet with Bernard T. Ness, general manager of the Rank Organisation Record Division, Bob Roberts, commercial manager of Rank Records Ltd., Dick Rowe, A&R head of Rank Records Ltd., Phil Green, Musical Director of the Rank Organisation, Paul Lynton, commercial manager of Rank Audio Plastics, Ltd. and Christopher Salmon, president of Rank Records of America, who is flying in from Toronto to attend.

In France, Friedman will hold discussions with the top executives of Hachette, partners with the Rank Organisation in Rank Audio Plastics, Ltd.

our policy, which aims at giving every assistance to the dealer in the sale of our product, includes a special launch offer of 40% discount on all orders of over 50 records received during the first month."

The company's entry into the market has been backed by an intensive trade advertising campaign. In association with RAMCA managing director, D. M. Bennett with A & R manager P. C. Higgins and Production manager Geoffrey Child recently visited Moscow and Prague where they obtained exclusive rights to the Russian repertoire. Much of this material will be pressed in the States and released on the Artia and Parliament labels whilst some original Russian pressings will be issued under a new English label for marketing in the Western countries. Bennett considers the Russian standard of pressing to be as good and, in some cases, superior to Western recordings.

Album Reviews

POPULAR PICKS OF THE WEEK

"REFLECTIONS"—The Platters—Mercury SR 60160

The Platters reflect on a brace of real oldies, reaching as far back as the Twenties for the material. David Carroll's ork supplies the graceful, mild beat ork support. Tunes include "Lazy River," "Red Sails In the Sunset," "Rainbow On the River," "Sleepy Lagoon" and "Reflections in the Water." All "water" songs, they are appropriately handled smoothly and with calm assurance. Should soon find a chart niche.

"THE FRANZ LISZT STORY"—Carmen Cavallaro—Decca DL 8999

"Song Without End" is a forthcoming flick about the life of Liszt. Cavallaro gets a jump on the track LP with his own album of famous Liszt numbers. He and ork leader Jack Pleis have arranged and condensed the longer works into a beautiful program that will broach appeal to pop and classical markets. "Lieberstraum," "Les Preludes" and several of the Hungarian Rhapsodies are present among others. The excitement the pianist created with the Eddy Duchin track LP could be repeated here.

"TOWN AND COUNTRY"—The Browns—RCA Victor LPM 2174

A pleasing package in which the smooth vocal harmony of the trio assures pleasant listening. They gloss lightly over the strains of "Red Sails In the Sunset," "My Adobe Hacienda," "Scarlet Ribbons," "True Love" and the current hit, "The Old Lamplighter." The country-ish approach to the material gives it an even more relaxed atmosphere. Has that winning look.

"HELLO LOVE"—Ella Fitzgerald—MG VS-6100

The first lady of song turns up here in a moody ballad groove, offering scintillating readings of such lovelies as "Willow Weep For Me," "Everything Happens To Me," "I'll Never Be The Same" and "Stairway To the Stars," among others. Frank DeVol, in ork support, is tasty and reserved, allowing Ella full frontage on the songs. Another series of great performances by Miss Fitzgerald.

"WOODY WOODBURY'S LAUGHING ROOM"—Stereodiddies MW 2

With his first album making amazing headway up the best-selling charts, Woodbury's second album promises to follow it right up. Recorded live in a Miami Beach hotel, Woody again proves his biggest interest is booze and comes-up with some wildly hilarious drunk stories. Other types of comedy are used, but it is the drunk who reigns supreme in this comedian's domain. Definitely not for air play, the disk will nevertheless be a big seller.

"DINAH SINGS SOME BLUES WITH RED"—Dinah Shore with the Red Norvo Quintet—Capitol ST 1354

This is probably the best Dinah on records. Norvo's support points up her natural swing, her timing and phrasing abilities which do not always come through on her usual dates. Most of the tunes are not blues, however there's an Ellington blues number present—"I Ain't Got Nothing But The Blues"—to contrast the fine array of pop songs here. They include "Lucky In Love," "Sky-lark," "It's All Right With Me," and "Someday Sweetheart."

"SONGS OF THE BAD OLD DAYS"—Pearl Bailey—Roulette R 25116

The Twenties and Thirties provide the wonderful array of songs which Pearl Mae gives a charming kick here. Reminisce with "I've Got The World On A String," "Memories Of You," "Ain't Misbehavin'," "Stormy Weather" and "As Long As I Live." And the interesting arrangements are by Don Redman, who was the first big jazz band arranger (with Fletcher Henderson in the Twenties). Attractive, vivacious vocal album.

"MADISON"—Dicky Doo & The Don'ts—United Artists UAS 6094

First album to hop aboard the "Madison" train and its timeliness could mean a lot of teenage loot. The Dicky Doo band, sounding fuller than it has ever been, romps through two "Madison" tracks as well as an array of other dances set up here for teen appeal. They include "Cha Cha Rooney," "Do The Slop," "Charleston," "The Stroll," "The Bop" and "Rock and Roll Waltz." Has chart potential.

"DIETRICH IN RIO"—Marlene Dietrich—Columbia WS 316

Marlene Dietrich's engagement in Rio de Janeiro was a record-shattering one. This live cut from her appearance at the Copacabana Palace preserves the excitement generated by her and includes her between-numbers chatter, and, most naturally, the enthusiastic audience reaction. Songs she performs includes "Look Me Over Closely," "You're The Cream In My Coffee," "The Boys In The Backroom," "Das Lied ist aus" and "Makin' Whoopee!" She's still a grand performer.

"CONCERT FOR LOVERS"—The Magic Strings and The Golden Brass conducted by H. Nirenberg—Musidisc MS-16011

A fascinating concert of familiar and cherished classical themes occupies side one. Tender care is given the "pop" interpretations of Grieg's Piano Concerto, Borodin's Polovetsian Dances, Tchaikovsky's 5th and 6th Symphonies, and Rachmaninoff's 2nd Piano Concerto. Many pop songs emanated from these pieces and their tunes will be proudly recognized. Pop medleys of "Porgy & Bess" and others fill out side two nicely. Stereo sound is excellent.

"LIKE IN LOVE"—Nancy Wilson—Capitol ST 1319

A polished youngster with an easy-swinging gait debuts on a collection of songs of various tempos and feelings designed to show off her talents and versatility. And she does very well by the songs. Her phrasing is clipped—similar to Carmen McRae's but not as sophisticated. She has more of a pixie-ish approach. Tunes include "You Leave Me Breathless," "People Will Say We're In Love," "Passion Flower" and "All Of You." Another star-bright.

"MUSIC OF DESIRE"—Warren Barker and His Orchestra—Warner Bros. W 1364

Barker's approach to "exotic" music differs from the usual fare in that he puts particular emphasis upon strings, brass and woodwinds in interplay as well as the expected rhythms. It is this full ork sound that makes for an exciting listening experience here. The tunes used for the session include "Magic Is The Moonlight," "Amapola," "Maria Elena," "Monique," "Orchids In The Moonlight" and "The Moon Was Yellow." Fine excursion into "exotica" for Barker.

"HENNESEY"—Original Music From the TV Series—Jackie Cooper and His Orch.—Signature SM 1049

Sonny Burke has written an interesting pseudo-jazz score for the popular TV series which stars Jackie Cooper. It is similar to many such successful jazz-oriented TV scores and on this basis holds strong commercial potential. Cooper does double duty as ork leader for the album. Thankfully, the music is quiet and moody and does not hit you in the head like much TV "jazz." Highly saleable merchandise.

"HERE COMES JERRY KELLER"—Kapp KL 1178

Having scored with "Here Comes Summer" last year, the songster bows on his initial album with a program of evergreens. He carves out solid readings of "Unchained Melody," "Sixteen Going On Seventeen," "The Girl That I Marry," "True Love" and his latest single release, "American Beauty Rose." Another newcomer of merit who deserves a hearing.

Album Reviews

"IN TIMES LIKE THESE"—Gene McDaniels—Liberty LST 7146

A skillful new singer with a serious approach, Gene McDaniels debuts with a program of superior ballads which goes a long way in establishing him as a contender for future chart honors. He carefully essays "Love Is Here To Stay," "When I Fall In Love," "It Might As Well Be Spring," "Yesterdays" and "Gone With The Wind." Strings and voices are directed by Johnny Mann. Rewarding session for listeners.

"HYPNOTIC SWING"—Reg Owen and His Orchestra—Palette MPZ-1001

Owen's arrangements are swinging, contagious and exciting. And the material he has chosen for this outing are naturally meant to be swung. Most of the tunes are re-arrangements of spirituals, such as "Jericho," "Down By The Riverside," "Solomon Stomp" and "Swing Low, Sweet Chariot." A lively, tuneful, big band album.

"THE RUSS COLUMBO STORY"—Paul Bruno—Coral CRL 57327

For those who remember Columbo, hearing Paul Bruno render his songs will be a true experience, for the youngster bears an amazing vocal resemblance to Columbo, not only in sound, but in style, approach to the lyric and intensity. Columbo's songs are given this treatment here—"Temptation," "Guilty," "Prisoner of Love," "If I Could Be With You"—and should prove an unusual attraction for adults.

"LIFT EVERY VOICE AND SING"—Marie Knight—Carlton LP 12/119

Gospel shouts, spirituals and sacred hymns are all present in this album which is subtitled "the best loved songs of the American Negro." Marie Knight is backed by a choir and the usual organ and rhythm accompaniment in her vigorous treatment of this contagious music. Selections include "In That Great Gettin' Up Morning," "Leaning On The Lord," "Joshua Fit The Battle Of Jericho," "Little David Play On Your Harp" and "Sometimes I Feel Like A Motherless Child." Stirring performances by Miss Knight.

JAZZ PICKS OF THE WEEK

"FIORELLO"—The Oscar Peterson Trio—Verve MG VS-6134

The Peterson brand of hypnotic swing is now taken to the score from the smash Broadway musical and it comes up a winner. His infectious handling of the delightful tunes—"Little Tin Box," "Politics and Poker," "Gentleman Jimmy" and "Til Tomorrow"—realizes the score's success as a stimulating jazz vehicle. Another top notch jazz-show album from the pianist.

"JOE VENUTI PLAYS GERSHWIN"; "JOE VENUTI PLAYS JEROME KERN"—Golden Crest 3100; 3101

One of the elite of jazz violin, Venuti is heard on two albums honoring two greats of the American pop scene. Here with small combo (guitar-bass-drums-piano) he swings brilliantly through such Gershwiniana as "Fascinating Rhythm," "I Got Rhythm," "Oh Lady Be Good" and "Embraceable You." The Kern disk contains "A Fine Romance," "Smoke Gets In Your Eyes" and "Lovely To Look At." A stimulating pair of records. All done in exquisite taste.

"SWINGING 'GUYS AND DOLLS'"—The Manhattan Jazz All-Stars—Columbia CL 1426

The group is a studio band alternately made up of six, seven and eight men, and includes such names as Zoot Sims, Bob Brookmeyer, Mose Allison, Addison Farmer, Phil Woods and Teddy Charles. Using arrangements by Charles and Teo Macero, the combos offer delightful entertainment through the melodic Frank Loesser score. It is approached in an appropriate light-hearted vein with humor and tongue-in-cheek. Charles and Macero have really outdone themselves with this straight-entertainment date, so unlike their past disk experiments.

"THE ART OF JAZZ"—Zoot Sims—Seco CELP

This is the kind of session needed to appreciate Sims' talents. He has a free hand here, blowing gustily all the way, tearing off long, solid statements in his vigorous, assertive manner. Valve-trombonist Bob Brookmeyer is in tow and gets his licks in as well as a cooking rhythm section comprised of Milt Hinton, Gus Johnson and John Williams. A couple of standards are interspersed among some Sims originals. This is good, swinging jazz.

"THE SONNY SIDE OF STITT"—Sonny Stitt—Roost LP 2240

Though not as popular as many of his contemporaries, Sonny Stitt is one of the more original sax voices today. A skillful disciple of Parker, he has developed his own style and sound and continues to grow inventively. These Roost sides present him in solo light (with rhythm backing), his best atmosphere, playing "Don't Worry 'Bout Me," "Day By Day," "I Never Knew" and "I'll Remember April." Invigorating album.

"ROOSTER BLUES"—Lightnin' Slim—Excella LP 8000

Slim's blues art lies somewhere between the rough country blues and the more sophisticated city blues singers, for his material and approach embraces both styles. With guitar in hand he beats out the striving messages on "Bed Bug Blues," "Sweet Little Woman," "Tom Cat Blues," "I'm Leavin' You Baby" and the gutty title tune. Jazz buffs have recently re-awakened an interest in the blues and Slim's a top current example of the art.

CLASSICAL PICK OF THE WEEK

LEHAR: "The Merry Widow"—Sadler Wells Opera Company and Orchestra, William Reid, conductor—Angel S 35816

Franz Lehar's delightful operetta is treated to an elegant recording by Angel. A new English version by Christopher Hassall is used, thus making the cherished work understandable to new American audiences, yet retaining the flavor and charm of the original German. Performances all around are excellent. The stereo depth completes a beautiful picture.

STRAVINSKY: "Petrouchka"—Pierre Monteux conducting the Boston Symphony Orchestra—RCA Victor LSC 2376

A new stereo recording of the famed Stravinsky ballet music by the conductor who first introduced the music to America. Long associated with the Stravinsky work, Monteux puts on a display of conducting insight, which definitely proves his acknowledgment as the foremost interpreter of the music. Solidly saleable.

"THE SPANISH GUITARS OF LAURINDO ALMEIDA"—Capitol SP 8521

In a dazzling display of virtuosity, this great of the Spanish (Flamenco) guitar serves up a tasty program of classical pieces transcribed for two and three guitars. Multi-tracking completes the picture. Among the eleven numbers is a selection from Falla's "The Three Cornered Hat," an Almeida original, and pieces by Chopin, Debussy, Ravel, Bach, Rachmaninoff. An artist of consummate skill.

JANACEK: "Sinfonietta" and "Lach Dances"—Bretislav Bakala conducting the Czech Philharmonic Orchestra and the BRNO Radio Symphony—Artia ALP 122

The vibrant, stirring "Sinfonietta" and the exuberant, lively "Lach Dances" are among the Janacek compositions now being "discovered" by American audiences. The stimulating music offers contrast between his first works, the dances, and his last, the "Sinfonietta." Artia has done a valuable service in bringing these important works to these shores.

ENGLAND

Contained in the back cover of each book is an L.P. recording of the play by well known actors and actresses subtly backed with appropriate music by the world's greatest composers. When the Everly Brothers arrived in London they were accompanied by their Manager, Wesley Rose, Boss of the Acuff-Rose publishing firm and Lester Rose who will travel with them throughout their nation-wide tour. Wesley Rose, who remains in London, told The Cash Box that his plans in England are three-fold. (1) To see The Everlys safely launched on their first tour of this country. (2) To establish closer relations between Acuff-Rose of America and their European publishing firms and (3) As Chairman of the Board of Directors of the Country & Music Association to explore the Country & Western field over here and promote interest in this kind of music still further. He is also interested in presenting an all Country & Western package show in this country. Rose, who is on his first visit to England and the Continent, expressed his appreciation of the treatment given to The Everly Brothers by The Grade Organization and all concerned with the wonderful reception they have received. Immediately prior to leaving the States Rose was engaged in the Everly Brothers first sessions for Warner Bros. when they cut their new single "Cathy's Clown" and "Always It's You" and twelve tracks for an L.P. entitled "It's Everly Time" to be released in three weeks. Before returning to the States Wesley Rose will visit Acuff-Rose publishing houses and associate companies in Brussels, Munich, Rome, Milan, Zurich and Paris (already reported in "The Cash Box" of April 2nd).

Nesuhi Ertegun, A & R Manager for Atlantic and responsible for all Atlantic and Atco albums is in London en route for Stockholm and Copenhagen to record The Modern Jazz Quartet in concert. Ertegun told The Cash Box that resulting from a new long range contract with Decca in this country, the next week or two will see the first releases here on the new London-Atlantic label. Titles are as yet unknown. Ertegun who is enjoying his first visit to England since 1936 hopes to return soon to hear more British artists and musicians. In the meantime he will visit Atlantic affiliates in Germany, Italy and France before returning to the States. Paul Rich, London Manager of Atlantic and Atco's publishing company, Progressive Music, has the new Craig Douglas Top Rank release "The Heart Of A Teenage Girl" and Conway Twitty's fast climbing "What Am I Living For" on M.G.M.

Flying to Luxembourg this week-end is Bob Kingston, Managing Director of Southern Music London, to promote his latest publications. Bob is confident of success for the new British number "All On My Own" by up and coming writer Johnny Farlane, who he has also put under contract. The two disks released this week are by Lance Fortune on Pye and Alex Murray on Decca. Another Southern number "Dream Talk" (recently in The Cash Box Top 100) has strong coverage over here by Michael Holliday on Columbia, Alma Cogan on H.M.V. and Chas. McDevitt and Shirley Douglas on Top Rank. Italian singer Little Tony has followed up his recent hit "Too Good" with the American number "Princess" released here on Decca, with Continental release on the Durium label. Current Southern hits already in the charts include "Running Bear" by Johnny Preston on Mercury, "What In The World's Come Over You" by Jack Scott on Top Rank, "Be Mine" by Lance Fortune on Pye and "Clementine" by Bobby Darin on London.

Following his success with "Looking High, High, High," Bryan has signed to star in a ten-week summer season at Brighton and TV offers from Germany, Italy, Belgium and Holland and a concert tour of Yugoslavia are under consideration.

The famous Coldstream Guards have cut an L.P. for Top Rank entitled "The Guards Go West." Rank plan to release it in the States later this year to coincide with the Guard's American tour.

American singing star Howard Keel lined up for ATV "Sunday Night At The London Palladium" on April 24th.

"The Music Box Show" starring Liberace presented by the London Palladium's new Chief, Leslie A. Macdonnell, opened this week and was warmly received by an enthusiastic first night audience.

Jack Good ABC TV Producer whose past successes include the popular teenage shows "Oh Boy," and "Boy Meets Girls" has a new series scheduled for weekly viewing commencing April 23rd. Entitled "Wham" the program will feature resident singers including Billy Fury and Joe Brown plus an eighteen piece band led by Syd Dale.

Major April release from R.C.A. is the new Elvis Presley disk "Stuck On You" backed with "Fame and Fortune." With advance orders for the disk here totalling 150,000 it looks a cert for the No. 1 spot. Della Reese makes her first appearance here on R.C.A. with the slow-beat version of "Someday" currently a hit in the States. Her first disk for the label "Don't You Know"—a success in America—was not issued in this country. Within a week of the recording session Decca released a new Winifred Atwell waxing of two current hits "My Old Man's A Dustman" backed with "Fings Ain't Wot They Used T'Be." Making her bow on the Decca label is Lynn Cornell with a beatnik love song called "Like Love"—a one time chorus girl in TV's "Boy Meets Girls," Lynn is being hailed as the new Peggy Lee.

Singing star Joan Regan comes up with her second disk for the Pye label with "O Dio Mio" backed with "If Only You'd Be Mine." Another artist making his second Pye recording is Lance Fortune who follows his successful "Be Mine" with "This Love I Have For You" (written by yet another Pye star Joe Henderson) backed with "All My Own." On the same label Dickie Valentine sings "Standing On The Corner" from "The Most Happy Fella" coupled with "Roundabout."

Mavis Rivers makes her single debut on the Capitol label with "Longing, Longing, Longing" and "So Rare." Also on Capitol is the new Kingston Trio recording "El Matador"—a background of guitars adding to the Spanish flavor. The flip side "Home From The Hill" is from the film of the same name. Another debut disk, this time on Parlophone, by Keith Kelly with his own compositions "(Must You Always) Tease Me" and "Ooh-La-La." Also released here on Parlophone this week Santo and Johnny's American hit "Caravan" backed with "Summertime."

June Valli's successful "Apple Green" is released here this week on Mercury. Latest disk by Alma Cogan on H.M.V. is "O Dio Mio" with accompaniment directed by Stan Foster backed with "Dream Talk" with The Michael Sammes Singers and Orchestra." On the same label Kevin Scott, star of "The Flower Drum Song" waxes two of the show's titles "You Are Beautiful" and "Love Look Away." Fabian's two current stateside hits "String Along" and "About This Thing Called Love" are released here on H.M.V. coinciding with the London showing of his first film "Hound Dog Man." His L.P. "The Fabulous Fabian" is also issued here this month.

Golden boy Cliff Richard's first release since his return from the United States, "Fall In Love With You" with vocal and instrumental accompaniment by The Shadows on the Columbia label is currently high in the British charts. The backing is "Willie And The Hand Jive."

AUSTRALIA

CANADA

The whole retail trade here is anticipating a tremendous sale with Elvis Presley's new single "Stuck On You" c/w "Fame And Fortune." Dick Harkness, manager of RCA's Melbourne distribution outlet, tells me that even before the titles were known his office had received orders for several thousand. This type of action from retail level is practically unheard of in this country. The Presley record has already received valuable advance publicity in the daily press from leading newspaper columnists. If present indications can be taken as an accurate guide, RCA and Presley could have their biggest single yet in Australia.

On the publishing side "Fame And Fortune" is handled in Australia by a new (see last week's column) publishing house, Belinda Music (Australia) Pty. Ltd., with headquarters in Sydney; Norman Whitely is the General Manager. Belinda Music should make a powerful entry into the publishing field with "Fame And Fortune".

The Boston Symphony Orchestra has been booked for an Australian tour, commencing in June.

An interesting new single issued here by W & G records is the performance of the big instrumental hit success "Summer Set", by the Billy Longstreet Sextet. It is from the Artone label in Holland and is released here under the terms of a reciprocal agreement between Artone and W & G records.

The latest album releases on RCA's low-priced Camden label carry material by Perry Como, Jeannette MacDonald, Sir Harry Lauder and the London Philharmonic Symphony Orchestra.

Billy Eckstine will be a special guest in a televised charity appeal (from HSV-Channel 7) on Good Friday on behalf of Melbourne's Royal Children's Hospital Appeal. Eckstine has been booked to appear at The Embers, a popular night spot.

Scotty Turnbull and Hal Blain, guitarist and drummer who visited this country with Tommy Sands for the recent Lee Gordon Show, stayed behind after the other American artists left. In four days they recorded seven new songs—which Turnbull had composed—with some of Australia's top popular performers. Having written "She's My Baby" for Johnny O'Keefe—which was a success here—Turnbull also composed O'Keefe's next two songs. O'Keefe recently returned to Australia on the completion of his hectic American tour to launch his latest Australian single release "It's Too Late".

Col Joyce's latest Festival single "Bad Man" has taken off quickly. Col and his group presented the number to a wildly enthusiastic audience in Melbourne Town Hall this week during a special guest appearance on Radio Station 3DB's Pops Concert.

John Laws, one of the nation's top disk-jockeys, (2KO Newcastle, New South Wales) has a new single out on the Rex (all-Australian) label. Top side is "I Remember" a number written by John in collaboration with 2UE D-J Tony Withers.

A new release on the Top Rank label is Jack Scott's album "I Remember Hank Williams". This one should chalk up good sales following Scott's success with his single of What In The World's Come Over You".

Belock Returns From European Distrib Meet

NEW YORK—Harry Belock, president of Everest Records and The Belock Instrument Corp. and Joseph Goodstadt, foreign sales manager, have just completed a European trip where they personally set-up and conducted "detailed" meetings with the diskery's European distributors. The four day meetings—held in Paris—were the first in a series of conferences designed to plan and project the growth of Everest on the Continent.

The primary topic discussed was the outlining of a special program in which the firm's albums and single releases would be properly planned and coordinated.

The following foreign distributors were at the meet with Belock and Goodstadt: Frank Chalmers of Rank Records Ltd. of London; J. L. Dasque, A. Chagneau, J. Grelbin of Festival Records of Paris; Harry Jansen of Dela-

U.S. Indies Asking Too Much For Masters?

AUSTRALIA—Are American indie asking too much for their masters in Australia? Reports are that there has been quite a bit of persistent "internal record-trade talk" about the financial agreement terms that some American indies are seeking for representation here, and Australian diskery execs feel the difficulty boils-down to this: American labels lose sight of the fact that Australia's population is about 1/17th that of the U.S. (10 million against 170,000,000). These execs say that if this fact were always given top consideration by U.S. labels during negotiations with Australian diskeries, it could serve to eliminate any further adverse criticism here of American indies.

As a result of the situation, the Australian company often finds it a better proposition to invest its capital in the production of disks by local artists—in some cases covering American hits that it has refused to handle because of demands made by American indies—especially in the form of "big advances" and "steep guarantees."

ITALY

Mr. Candida, VCM General Sales Manager (His Master's Voice—Columbia-arconiphone), introduced me to Mr. Lee, artistic manager of VCM and Mr. Gaslini, publishing director. Maestro Gaslini is well known in Italy as a jazz enthusiast. He has already published some of his jazz compositions and last year he received an invitation by John Lewis of the Modern Jazz Quartet, to go to the States to teach jazz in his school at Lenox.

Arigliano (Columbia) is touring France and Germany. Arigliano's records maintain a very high level. . . . Gene Vincent is reported touring Italy. . . . Eddie Calvert, in Italy for some time, performed in Milan. Received a copy of the latest record by Nat "King" Cole in Italy, "Time And The River," the sales of which are slightly higher than average.

Mr. Palthe, deputy Director of Holland Philips sales department is in Milan. Had the pleasure of meeting him at a cocktail party organized by Mr. Panvini, in which numerous personalities of the music world took part.

Miles Davis in Milan with Norman Granz' troupe. Mr. Carriaggi of Philips invited him to return to Italy for the Olympic Games. Davis records for Fonit which is distributed by Philips.

Wilma De Angelis has recorded with M. LeGrand's Orchestra in Paris.

"Rocking Doll" by P. Hampton is a Philips best seller. This information is from the record firm itself. The melody has been chosen as the opening tune of Discobolo, the broadcast in which Vittorio Zivelli, the only disk jockey in Italy, presents a successful record a day.

Umberto Bindi, successful composer of "Arrivederci" and "E'Vero," and other hits has accompanied Eddie Calvert on his tour of Italy. Interviewed during his Milan concert, he said that he will take care of the sound track of the movie, "Le Ninfette" by Lattuada and of "I Fratelli" (The Brothers) by G. Visconti. The title of his latest song is, "Invocazione."

I recently had a long talk with Emilio Daniele (Vicolo Pattari 4, Milan). His record's best seller is at present, "Ehi Tu" (Hello You) which has become extremely popular in Italy, by Gloria Christian, Germana Caroli, Natalino Otto, etc. "Ehi Tu," written by Medini-Fenati, has already been published in the States.

International Music has recently been established in Milan. Mr. Panvini, manager of this new organization, though he is very young, is thoroughly conversant in the music business. The purpose of this International Music is to handle relations among foreign and home publishing and record firms. Of course, this organization deals with those houses which do not have their own representatives already. Another aim of International Music is that of keeping foreign publishers well informed of Italian hits, and contributing to the drawing up of copyright contracts. Mr. Panvini does not act by himself, but is backed up by a sound commercial structure. He informed me that he will make a trip to the States next month.

The latest Italian rock and roll song is "Coccinella" sung by Ghigo on the primary label. It is one of the most played in Italian juke boxes.

SCANDINAVIA

Metronome Records arranged a party here on April 18th celebrating the opening of its new recording studio at Karlbergsvägen 57. The studio was formerly a cinema, but since motion picture business is not what it used to be, several cinemas are closing down. It is equipped with the latest modern equipment for all kinds of recording in mono as well as stereo field.

Helena Eyjolfssdottir and the Atlantic Quartet, among the best money-making record artists in Iceland today, are planning a tour in Norway and Denmark this summer. They are also interested in including Sweden in their plans. They are recording for the Icelandic label Islenzkir Tonar in Reykjavik.

Helge Roundqvist of Cupol Records, back in Stockholm from a journey to the principal continental cities of Europe. Roundqvist reports he had a successful business talk with Oriole in London, Vega in Paris and ITN in Zurich. He also went to Brussels where he acquired the rights for releasing Rocco Granata's new disk in Scandinavia. His company, Cupol, did a very good business handling Granata's first record, "Marina," in this territory.

The problems between the European record companies and BIEM-NCB (mechanical licenses collectors) have been resolving themselves and the record business can continue again in Europe. Sweden, however, still has its own problems what with the strike of the musicians. They are not allowed to participate in any recording sessions arranged by members of Record Manufacturers Association, to which most of the main companies belong.

Modern Jazz Quartet gave concerts at Stockholm Concert Hall on Monday, April 11th. It is a Norman Granz troupe handled here by Nordisc, a promotion and publicity unit consisting of mainly Karusell and Metronome Records in Sweden.

Jacqueline Boyer, daughter of well known Lucienne Boyer, winner of this year's Eurovision Song Festival from Royal Festival Hall in London, was contracted for appearances in Danish TV before the result of the Festival was known. After she had won, Miss Boyer received requests from almost every TV company in Europe, including the Swedish. However, as far as Sweden is concerned, she refused because of already signed contracts with Denmark.

American night-clubs, particularly in Las Vegas, seems to have become very interested in Swedish girls. Some months ago, seven Swedish dancers left Sweden for Las Vegas. Now Stockholm has been visited by a Miss Mills, who is searching for Swedish talent for the Lido Show this summer. Last year, the whole matter was used for sensational frontpage headlines by some of the evening papers, who wrote about "white slavery" and caused great interest in the whole affair. This time most of the newspapers didn't consider it worth more than one or two lines.

Elvis Presley's first record for RCA after leaving his military duties, looks like it will be a tremendous success in Sweden. A "golden disk" is given here after the sale of 100,000 records. RCA reports that they have so many "advance orders" (before it was recorded in America) that it might be necessary to think about a "golden disk" from Sweden even before the record is received.

A new way to give a golden disk was introduced by Knäppupp. Its EP with Martin Ljung, a monologue titled "Final Olsson," sold 50,000 in a very short time. The flip side was a song parody of some popular numbers by Povel Ramel, and sung by himself. The company gave the artists their golden disk after the sale of 50,000 pointing out that "Martin Ljung sold 50,000 and Povel Ramel also sold 50,000, making a total of 100,000. . ." They made only one golden disk giving each artist one half.

Brazilian Audio Fidelity Rep In States For Business Confabs

NEW LORK—Last Week The Cash Box office here was visited by Sebastiao Bastos, president of Audio Fidelity Do Brasil Ltda., the Brazilian representative for Audio Fidelity Records. Basto was in the U.S. for business conferences with Sidney Frey, president of Audio Fidelity.

Bastos told a very interesting story about his operation in Brazil. His plant is located in Sao Paulo, the industrial center of Brazil, and a staff of five salesmen cover an area equal to that of the U.S. These salesmen service the retailers directly, using planes (2nd World War Catalinas) to get to the interior jungle areas of the country. There are no distributors in Brazil and these five men are responsible for the entire sales operation of the company. Therefore they are continually on the road—or more approximately—in the air.

Bastos began his business six months ago with fifteen Audio Fidelity albums. He builds up his catalog by releasing three new albums each month. The firm now sells 4,000 LP's a month, with a projected 1960 total sales expected at 60,000 LP's. The most popular artist in the AF line, the only line which Bastos handles, is Joe Basile.

Bastos said that Brazil was the second country in the world to press stereo records. His introduction of stereo in Brazil paralleled Sid Frey's introduction of the sound process in the U.S. Bastos' introduction of the process also prompted the production of stereo equipment in the country, a new industry which is now booming.

Bastos presses all the records him-

self. From masters he receives from AF in the states, he makes new masters through a disk-to-tape-to-disk process. A Johnny Puleo record was the first stereo album to be pressed.

In discussing the Brazilian record market, Bastos said that 78's are still the most popular disk form there. 45's are only a small percentage of the singles market because of lack of new equipment. Despite this, Brazil is the 4th largest record market in the world. The reason U.S. record manufacturers have not been attracted to Brazil is that only occasionally do U.S. rock and roll records become hits there. The present taste runs primarily to authentic Brazilian music.

As to modernization, the LP market differs quite a lot from the singles picture. Bastos noted that 20% of all LP sales in Brazil are stereo records—the highest percentage in the world.

Bastos was in the U.S. looking for "high quality" labels to represent in his country. He said that he has complete modern pressing equipment and facilities for reproducing album covers. His plant also includes a modern stereo recording studio which he intends to put to use soon to cut his own records for release on the Audio Fidelity label.

Expansion plans for Bastos' operation include the opening of branch offices in major South American cities.

ALL ABOUT DISK JOCKEYS

In what he calls, "an attempt to bridge the gap between the songwriter and the disk jockey," Joel Sebastian of KLIF-Dallas has written an article on popular music to be featured in the next issue of "Songwriter's Review". Many disk jockeys would probably like to know what's prompting the songwriters to turn out the type of material they're recording nowadays. But Sebastian's article will be basically directed at the cleffers. . . . The first issue of Morty Wax's Programming Guide debuted last week featuring a thumbnail sketch of Ted Brown (& The Redhead), popular WMGM-New York air personality. It also included the startling news that on April 5 Pocahontas and John Rolfe were married (in 1614). . . . Note from WOKY-Milwaukee infos

that a couple of groovy gals dropped into the studio recently but the boys were thwarted, since Annette was escorted by her mother and Anita Bryant was sporting a diamond given her by Bob Greene. We also learned that the station is on its way toward solving the (Ronn) Terrell Metheny controversy and expects things to be ironed out within a couple of years. . . . Larry Gar (WLBG-Laurens, S.C.) was in Savannah, Ga. last week for the area finals of the "Talentsville U.S.A." contest with his Hi-Fi Club winners, The Naturals. Larry says the boys go the Kingston Trio route, but are younger and have great potential, win or lose. Also on the "Talentsville" beat is Walter Randy Powell (WBVL-Barbourville, Ky.), Phil Taylor (WCTT-Corbin Ky.) and Bill Sharpe (WMIK-Middlesboro, Ky.) who recently joined forces for a regional network show from a gym in Middlesboro. The three are hoping that their local winner will do well in the regional run-off in Columbus. . . . The Massachusetts Pageant Committee has selected WHYN-Springfield-Holyoke personality Ken Gaughan to emcee the Miss Massachusetts contest. Last year Ken was official escort for the local Miss. He acted as her publicity director and spent a week in Atlantic City with her during the Miss America finals. Last year Michael Jackson, WHYN morning man did the emce chores, and Larry Therien of the station has also had his fling at it.

Schenley Park Oval in Pittsburgh was the scene of a huge Easter Egg Hunt, "The Big K Egg Scramble", sponsored by KDKA in cooperation with the Easter Seal Society. Registration fees of twenty-five cents (for the charity) were received by the station from hundreds of youngsters and similarly, hundreds of colorful eggs were scattered throughout the area. KDKA personalities were on hand to personally supervise the proceedings. . . . WJAB-Portland, Me. pitted three of its jockeys against each other in a ski race down Pleasant Mountain when the three co-emceed a four hour record show from the ski lodge at Bridgton, Me. Jim Sands, Frank Fixaris and J. Jay had never been on skis before and provided the assemblage with plenty of laughs during the race. Frank Fixaris won the race—hands down! (His actual finish-line position). . . . Old tricks flip news dogs in Tyler, Texas or so Jim Brand, program director of KDOK tried to (and did) prove when he substituted a year old Top 40 survey on April 1. Listeners were "gassed" reports Jim, who says, "Old records never die, they just get filed away". . . . Phil McClure getting ready for the big summer outdoor record hop in and around WVLK-Lexington, Ky. Hops will be staged under the lights on the tennis courts around town with Phil the top dog emcee. And on the subject of hops, Phil reports that the FCC has put the quietus on their promotion in his town with attendance down 50%. He's hoping for eventual reversal of the trend, and wonders if other jockeys are finding the same problem. . . . Buddy Basch trying to drum up interest in a "Miss Sweet Sixteen" contest in conjunction with Don Heller's Gillette waxing of "Sweet Sixteen." Interested deejays contact Buddy at 17 E. 45 St., NYC. Heller recently guested with Dennis Hill over WWIN-Baltimore. . . . Howard Anderson (WCNF-Weldon, N.C.) held his first hop since joining the station last December. Laurie's Don Press was featured and, according to Howard, put on a great show for the kids.

VITAL STATISTICS

Ron Tomberlin has been added to the staff of KRAK-Sacramento, infos director of operations Bill Stewart. Ron was most recently program director of WLOS-Asheville, N.C. . . . C. Dalmar Dengate was named assistant program manager of WIP-Philadelphia. Dengate is in his 21st year at the pioneer Philadelphia station. He will revise the station's public service schedule. . . . WYSL, the new McLendon station in Buffalo (formerly WINE) gets vet Ron Baxley as program director. He has served in a similar capacity at McLendon stations in San Antonio and Shreveport. . . . Paul Williams was appointed to the post of production manager of KDOK-Tyler, Texas. . . . Decca Signs Sammy Kaye

NEW YORK—Leonard W. Schneider, executive vice president of Decca Records, announced the signing of Sammy Kaye to a long term contract. Kaye will begin recording for the label after his contractual agreements with Columbia are terminated in August. Plans are currently being formulated for a revolutionary new concept in recordings of singles and albums for the "Maestro," and a television series in the fall. This marks the reunion of Kaye and Leonard Schneider, who worked together at one time on the Brunswick label.

Kaye, who is presently fulfilling commitments for a series of, "One Nighters," will record under the direction of Milt Gabler, Decca A & R chief.

The long standing popularity of Sammy Kaye, band leader, songwriter, and instrumentalist, has been spurred by his many appearances on network TV, club dates, ballrooms, and college proms. It has further been

enhanced by his success as a songwriter, with such tunes as "Daddy," "Until Tomorrow," and "Hawaiian Sunset." His many civic honors have brought him additional acclaim; he has been made an Admiral in the Nebraska Navy, a Kentucky Colonel, an Honorary Sheriff of Honolulu, a Texas Ranger, and Mayor of Tin Pan Alley. He has just been named "Best Dressed Man In America" by the Custom Tailors Guild. Kaye has also been involved in many altruistic projects such as Savings Bond Drives, Recruiting Campaigns for the Armed Forces, The Sister Kenny Foundation, March of Dimes, Heart Fund, Christmas Seals, Red Cross, Muscular Dystrophy, Cerebral Palsy, United Jewish Appeal, and church groups of all denominations.

Shown above at the signing ceremonies are Decca brass Marty Salkin, Leonard Schneider, Sammy Kaye and Milt Gabler.

Decca Premieres "Snow Queen"

CHICAGO—Shim Weiner and Ed Walker, of Decca's regional office in the midwest, assisted in the promotion of Walt Disney's "Snow Queen" world premier in South Bend, Indiana, April 1.

Weiner advised that the Hans Christian Andersen fairytale cartoon extravaganza opened April 8 in Chicago at the Loop theater. Meanwhile, he said, initial orders on the sound track score on Decca have been fantastic the past few weeks.

Other Decca promotions making headway, according to Weiner, are the Carmen Cavallaro April push and "The Franz Liszt Story" album.

Lee Gallo Dies

NEW YORK—Lee Gallo, Jubilee and Josie Records' promotion head, died last week (12) of spinal meningitis at the age of 33. Gallo had his own publishing companies, Aurelio (BMI) in the U.S. and Leeann Ltd. (ASCAP) in Europe and also ran the Fame and Gallo labels. He was also set to open Vita-Sonic Studios here. He is survived by his wife, Ann.

Moss To Freelance On Coast

NEW YORK—Jerry Moss, formerly promotion rep for Coed Records, last week left for the West Coast to form his own publishing company and handle promotion. His initial promotional assignment will be the yet unnamed legit review opening May 6 at the Seward Theatre in Hollywood. Moss will also handle freelance promotion for record companies and artists. He can be reached at 1040 South Norton Ave. in Los Angeles.

Bob White Joins Budd

NEW YORK—Bob White, formerly musical director of station WMCA here, has become associated with Budd Productions, an independent promotion firm. According to Budd Hellawell, the firm's topper, the move is the first step in the expansion of the year-old outfit. White and Hellawell will contact radio stations, reviewers, record companies and talent. The two are currently working on: Pip Records' LP, "Smash Flops"; Dot's George Hernandez dishing of "Theme From Our Man In Havana"; Avant-Garde's "You Up There" by Tommy Hazard. They will also handle an upcoming Pat Boone single.

NAMM Beauty Contest Judges Selected

NEW YORK—Four more top television celebrities—singer Tennessee Ernie Ford, announcer Hugh Downs and dance masters Kathryn and Arthur Murray—have been added to the panel of judges who will select the Music Queen of 1960 to rule over the 59th annual Trade Show and Convention of the National Association of Music Merchants.

They will join the Kingston Trio, Hedda Hopper, Arlene Dahl and Ann Landers in selecting from the nation's music retail stores the outstanding beauty who will be crowned Music Queen at the Palmer House in Chicago during the NAMM Trade Show July 10 to 14.

List Labels To Exhibit At MOA

NEW YORK—Here's the list of diskeries to exhibit at the MOA convention at the Morrison Hotel in Chicago, May 9, 10 and 11: MGM, Mercury, Capitol, Decca, RCA, Dot, Jay, Christy, Shasta and Mulkay.

George Miller, MOA prexy, stated that exhibit space was practically sold-out, and that this phase of convention business would probably be completely set by the end of last week.

Many record companies have confirmed to Miller the names of their artists who will perform at the all-star Floor Show, Wednesday, May 11. A list of names will be printed in **The Cash Box** when all confirmations from diskeries are in MOA headquarters at the Morrison Hotel. Radio-TV personality Howard Miller will emcee the show. Frankie Masters and his Mercury Recording orchestra has been slated to accompany the array of talent.

Kern-Foster Works Debut Pittsburgh Symph. On Everest

NEW YORK—Charlie Schicke, general sales manager of Everest Records, has announced the immediate release of the "World Premiere" Recording of "A Commemoration Symphony To Stephen Foster & A Symphonic Story of Jerome Kern" specially arranged and orchestrated by one of America's foremost composers and arrangers, Robert Russell Bennett—performed by William Steinberg and The Pittsburgh Symphony Orch. rendering their debut on the Everest label.

The Foster work was written in 1959 for the Pittsburgh bicentennial celebration. The choice of Foster music was natural, as he was born there in 1826. The symphony was given its first performance on December 30, 1959 by the same forces who have recorded it here.

The Symphonic Story of Jerome Kern came into being shortly after Kern's sudden death in New York in the fall of 1946. A close friend of Kern's, Bennett admired him and his music greatly. He created this "symphonic story" as a review of Kern's career, weaving into the symphonic fabric nine songs that provide a chronological outline of his musical life.

These are the Kern songs: "They Didn't Believe Me" from the "Girl from Utah," "Babes in the Woods" from "Very Good Eddie," "Siren Song" from "Leave It To Jane," "Left All Alone Again Blues" from "The Night Boat," "Wild Rose" from "Sally," "Ol' Man River" from "Showboat," "The Song Is You" from "Music in the Air," "Smoke Gets In Your Eyes" from "Roberta" and "All the Things You Are" from "Very Warm for May."

Cadence Pacts Don Shirley

NEW YORK—Archie Bleyer, head of Cadence Records, announced that jazz pianist, Don Shirley, has been signed to an exclusive recording contract.

Immediate plans are for Shirley to cut a new LP and a single record. He already has six LPs in the Cadence catalog.

On April 25 & 26 Shirley will play concerts at Duke University and the University of North Carolina. Currently he is appearing at the Tartan, a New York East Side nite spot.

Jive Session

CLEVELAND—Brook Benton and WAB disk jockey Bill Clark jive it up at the piano as bandleader Paul Williams observes the shenanigans. Scene took place during a recent Benton one-nighter in Youngstown, Ohio.

Schuster To Head Paxton Music Firms

NEW YORK—George Paxton last week announced the signing of Wally Schuster to a long-term contract as general manager of the follow Paxton publishing firms: George Paxton, Winneton Music, Chatsworth Music, Whiting Music, Coronation Music, Tuxedo Music. Schuster will accompany Paxton to Europe within the next three weeks to further solidify the Paxton holdings thruout the European Continent.

Alan Dale Signed By UA

NEW YORK—Vocalist Alan Dale has been signed to an exclusive recording contract by United Artists Records, it was announced last week by David V. Picker, executive vice president of the company. The singer will record both albums and singles for the label. Dale's first album for UA, "Alan Dale Sings Great American Hits In Italian," has just been released. UA director of A & R Don Costa arranged and produced the Dale album.

During 1956 two of his recordings were big hits at the same time, "Cherry Pink And Apple Blossom White" and "Sweet And Gentle." Dale was one of the first popular singers to have his own television show—a weekly series over the Dumont Network that lasted a year and a half. After that, he guest-starred on the top TV shows including Ed Sullivan, Steve Allen and many others. He has made frequent headline appearances at the country's top night clubs and theatres.

Randolph To Del-Fi Post

HOLLYWOOD—Jim Randolph has been appointed national promotion manager of Del-Fi Records by Bob Keene, president of the label. Randolph is a former disk jockey who was most recently heard over KGfJ in this city.

Del-Fi also announced that it has taken over distribution of two records that are attracting attention on the West Coast. They are "MoJo Workout" on the Tide label and "Please Take A Chance On Me" on Pan World Records.

THE CASH BOX BULLSEYE

"TWICE AS BLUE" (2:22) [Cedarwood BMI—Wilkin]

"LIVING ALONE" (2:30) [Cedarwood BMI—Walker]

GOLDIE HILL (Decca 31083)

The thrush's enticing warbling of the bright "Twice As Blue" opus could easily return her to chart security. Penned by Marijohn Wilkin, the tune's a sprightly upbeat lament with a solidly felt blue message. "Living Alone" on the bottom is a poignant story that should not be neglected.

"ALL NIGHT LONG" (2:06)

"EMPTY HOURS" (2:10)

[Cedarwood BMI—Tillis, Pierce]

[Cedarwood BMI—Walker]

BILL PHILLIPS (Columbia 41646)

Latest entry from Phillips has hit written over both sides. The up half, "All Night Long," penned by Mel Tillis and Webb Pierce, is a tempting piece of country fun, done up in infectious hand-clapping, chorus fashion. The sincere weeping on "Empty Hours" also sets it for a chart spot.

NORMA JEAN (Columbia 41636)

(B+) "WHAT DOES A POOR GIRL DO" (2:15) [Cedarwood BMI—Walker] The gal should set the coin chutes a-jingling for a listen to her poignant weeping on this lilting waltz affair. Has the strength to stir up lots of interest.

(B+) "JUST LIKE I KNEW" (1:53) [Cedarwood BMI—Wilkin, Tillis] Here she steps out brightly on a contagious, chorus-assisted, up-tempo romantic slice. Hand-clapping and multi-tracking give it that irresistible sound.

ERNEST ASHWORTH (Decca 31085)

(B) "EACH MOMENT" (2:30) [Acuff—Rose BMI] Songster carves out a picture of sad reminiscences set to languid steel guitar accompaniment. Has a good commercial sound.

(B) "NIGHT TIME IS CRY TIME" (2:03) [Acuff—Rose BMI—Newman, Miller] The pace is picked up and the steel guitars remain to help Ashworth kick off this middle-beat weeper in fine style.

STUBBLEFIELD BROS. (Pace 1006)

(C+) "GUIDING LIGHT" (2:30) [Acuff—Rose BMI—Wallace] Rousing gospel stanza gets across the message with true hillbilly feeling.

(C+) "MY FRIEND" (2:35) [Acuff—Rose BMI—Wallace] A sacred hymn stirringly essayed by the boys. Two good gospel sides.

JIM PARKER (Country Jubilee 529)

(C+) "I DREAMED" [Ralph's Radio Music BMI—Parler, Hyde] Songster tearfully reminisces about a lost love. Setting features steel guitar.

(C+) "DID I DO ALRIGHT" [Ralph's Radio Music BMI—Furman, Whitworth] Quick paced romantic ditty is handled in infectious hillbilly fashion.

HOYT JOHNSON (RCA Victor 7731)

(B+) "ECA-LA" (2:28) [Sanama BMI—Johnson] The strains of this odd sounding, up-tempo sob story have a haunting aura which quickly grows on you. Title is a gal's name and the singer mourns her absence. Could be a surprise sleeper.

(B+) "TOO SHY" (2:10) [Jack BMI—Clement] Here Johnson takes on a more familiar type country song—a happy-go-lucky, easy-going romantic with a delightful femme chorus on hand for the proceedings.

LEX THOMAS (Starday 473)

(C+) "ST LOUIE ON THE RIVER" (1:56) [Starday BMI—Meyer, Thomas, York] Thomas and chorus go romping hand-in-hand through a brisk honky-tonk opus. Piano and banjo do justice to the honky-tonk sound.

(C+) "CALL ME" (2:05) [Starday BMI—Fikes] Here Thomas is joined by a soft voiced femme for a duet slice of the sentimental romantic.

LARRY BUTLER (Allstar 7201)

(C+) "I'VE GOT A RIGHT TO CRY" (2:28) [Songwood BMI—Butler, Wilson] Heartfelt waltz weeper is essayed sincerely by Butler.

(C+) "I COULD NEVER BE UNTRUE" (2:35) [Songwood BMI—Adams, Butler] Another similarly styled session is carved out here.

THE HOOPER TWINS (Azalea 130)

(C+) "STOLEN KISSES" (2:30) [Betsy BMI—Tyler, Austell] Soft duet by the pair on a tender, sad romantic. Easy-on-the-ears waxing.

(C) "COUNTING MY HEART-ACHES" (2:16) [Betsy BMI—Paul, Butler] Familiar country weeper is delivered with conviction.

The "Opry" packages touring now, featuring intermittently Johnny & Jack, Kitty Wells, Marvin Rainwater, Bill Phillips, Faron Young, Roy Drusky, Buck Owens, Wynn Stewart and others, is causing quite a bit of favorable comment from jockeys and fans wherever they play. Bill Mack of KDAV-Lubbock, Texas, spent an evening with Johnny & Jack, Kitty, Marvin, Bill Phillips and the Tennessee Mountain Boys, when the group stayed overnight in his town while touring the Southwest and commented that "these are some of our oldest and dearest friends in the business." Mack also recently talked with Jimmy Dean when Jimmy played the San Antonio Rodeo and stopped off to visit his family in Plainview for several days. While there Jimmy put on a few shows and packed the house each time. Home town fans really turned out en masse to

greet the lad. . . . And Mack also had Johnny Horton, Wynn Stewart, Jan Howard and Archie Campbell in for a show just recently. Mack sincerely believes that Wynn and Jan are two of the greatest performers he's ever had the pleasure of watching, plus two of the finest persons he's met. Ditto for Archie says Bill. . . . Lorne Harasen (CJGX-Yorkton, Saskatchewan) reports on the most important development around town in some time—his wife Velma gave birth to a seven pound boy. Lorne tells us the area's really jumping as far as personal appearances are concerned, with Johnny Cash, The Tennessee Two, Gordon Terry and Bill Monroe in recently, followed by one of the above-mentioned "Opry" packages. Lorne is quite thrilled with these p.a.'s and looks forward to meeting many more country stars in the months to come. . . . And over at CJLX-Fort William, Ontario, Johnny Murphy informs that an "Opry" lineup consisting of Faron Young, Kitty Wells, Roy Drusky, Bill Phillips, Johnny & Jack, Wynn Stewart, Buck Owens and two bands—Faron's Country Deputies and the Tennessee Mt. Boys, played the town. CJLX's Ted Daigle handled the emcee chores and did a stint as vocalist with the station's own country band, the Sunny Mt. Boys. This was the first live country package sponsored by a radio station to play the area in many years according to program director Murphy.

Starday prexy Don Pierce announces that he's working on the "Seasons of My Heart" side of the new Johnny Cash outing. The tune was clefted by George Jones a few years ago and was fairly big for him. Jimmy Newman also had a nice size hit on it for Dot a while back. Don is working with his London affiliate, Starday of London, Ltd., to secure the release of the record in foreign countries and plans are underway for foreign language translations of the lyrics. Don will personally service deejays with a copy of the Columbia record. Just contact him at Box 115, Madison, Tenn. . . . The Starday diskery also announced that Margie Singleton's "Eyes of Love" and Merle Kilgore's "Dear Mama" have been released in England on the Melodisc label. . . . C. R. Henderson, president of the Ozark label, letters that Shorty Bacon's "Fire of Love" and "Speakin' of Angels," the label's ninth release, is Ozark's biggest selling record to date. They're very excited about its chart possibilities. . . . Sklyark Enterprise is looking for talent and songs to record. Interested parties get in touch with B. J. Jones at the firm, Box 150, Elizabethtown, Ky. . . . Rex Allen jaunted last week (12) to Acapulco, Mexico on a combination business-pleasure trip. While there, Rex will stay at the Flamingon Hotel of which he is a co-owner with John Wayne, Red Skelton, Fred MacMurray and Bo Roos. Then Allen will fly to Springfield, Mo. for a May 7 appearance on the Red Foley "Ozark Jubilee." . . . Columbia's Johnny Humbird had his wings clipped when he met with over 150 members of his teen-age fan club in Great Bridge, Va. The entire crew of females mobbed the songster after his performance and demanded souvenirs—pieces of his clothing. When he left the hall Johnnie was wearing only a horse blanket and shoes and a smile on his tired face. Johnnie recently fulfilled an engagement at the New Dominion Barn Dance in Richmond, Va., co-headlining with George Hamilton IV.

Johnny Horton is set for a May 1 appearance on the Ed Sullivan TV'er. He'll naturally sing his latest smash, "Sink the Bismarck." . . . Tillman Franks and the "Louisiana Hayride" staff are looking forward to the release of the new Gays' record on Decca, "I Wonder." Deck will be out very shortly. Last week the "Hayride" played four consecutive dates in various Texas towns. Cast included Johnny Horton, the Gays, James O'Gwynn, Jerry Jericho, Dee Mullin, Tony Douglas and Leon Payne. . . . The latest success story from Connie B. Gay is the unprecedented success of the world's only FM country music station, WGAY-Silver Spring, Md. Last June Connie began operation of the station, which serves the Maryland-D.C.-Virginia area, on a non-commercial experimental basis, refusing sponsorship on the basis that "the audience be built both in size and composition to a point where this FM outlet would sell merchandise and services comparable to the good old days when I (Gay) was a disk jockey on a former country music AM station in the Washington area." Well now Gay has "made it!" He's gone commercial, issuing a rate card, with Muntz TV, the first sponsor, grabbing up 70 hours of the 120 weekly hours available—the largest single time buy by any one sponsor in the history of FM (and possibly AM) according to Gay. WGAY is also the only one-man radio station, completely automated under the Schafer System. L.L. Sonny Stewart is station manager as well as sales staff, program staff, engineer, etc. Another milestone for Country Music.

Changing Times Demand Changed Thinking

The coin machine industry, in its short span of life, has seen a number of changes take place. And like all industry, these changes in the coin machine industry are determined by the changes in the temper and economy of the public and the physical revision of the cities and communities in which they live.

In the early days of our industry, as we know it today, created by the introduction of the pinball machine (10 marble balls for 1¢—non-electric) the location was primarily the candy store. Music machines were being operated—but usually in “juke joints” and similar type locations. The biggest boom to the industry was the repeal of prohibition. Every tavern, bar, restaurant, roadside inn, etc., that opened was a prospect for machines. Not only did the pinball (now at 5¢) find a new home, but the music machine became a necessary fixture. The business boomed. New operators entered the business. New manufacturers produced machines. New play type machines were invented and manufactured.

Then came the war. Manufacturers went into armaments, drying up the flow of new equipment. However, the operator prospered. Locations were kept busy day and night by members of the armed forces, as well as by factory workers seeking relaxation.

In the years following the end of the war, the business at all levels settled down to routine.

However, in the past few years, several developments have come to light. One, affecting big city operators in particular, has had an adverse repercussion. Slum clearance programs thruout the nation in these big cities have wiped out many lucra-

tive locations. It has been stated that for every five locations destroyed, only one new one is opened. Another factor in big city operating which has decreased income in certain sections is the migration of city dwellers to suburban areas. Coinmen concentrating their operations in these city areas have been hurt. However, some operators with facilities to service locations in the suburbs, have been able to offset their losses by lining up new locations as they open up to serve the expanding population there. These new outlets, fresh, clean and furnished in the modern decor, need specialized service—new modern music machines, probably a wall box and speaker installation, and the most up-to-date amusement machines. The operator, in addition, if he has the equipment, can probably set in a cigarette vendor. Also, in certain type locations, background music is a possibility.

Another development in the last few years is the tremendous growth of bowling alleys and super stores. Both these type of locations offer coinmen the opportunity to expand their activities. While the super store type operation is highly specialized, requiring large capital and a special organization, the bowling alley location is one any capable operator can seek. The American Bowling Congress reports that there are 23,000,000 bowlers in the country, with the possibility of 35,000,000 in 1966. At this time there are 87,145 bowling alleys in the U.S.—and more being built every day. These locations need all types of equipment, music, amusement and vendors.

It would be well for the coin machine industry, like all others, in these changing times, to keep abreast of all new developments.

MOA Attendance Reports Rise Sharply

Miller States Exhibit Space Near Sell-Out

CHICAGO—George A. Miller, president and managing director of the Music Operators of America, reported from his convention headquarters in the Morrison Hotel last week that he and other MOA officers have been constantly receiving numerous telegrams and letters from the various other trade associations and the membership of MOA from all over the nation, guaranteeing very heavy operator attendance at the forthcoming convention in this city from Monday, May 9 through Wednesday, May 11.

Miller hesitated briefly from his task of designating convention exhibit space and other vital organizational business to further advise that he has been receiving excellent cooperation from all other segments of the coin machine industry.

He happily added that most of the exhibit space which has been allotted for the convention has already been sold, and that this phase of convention business would probably be set by the end of the week.

Among those exhibitors already contracted for the 1960 MOA convention are National Rejectors, the James Cabinet Corporation, Tape-Athon Corporation, Automatic Music, Inc. (AMI), Jay Jay Records, The Cash Box, Christy Records, Billboard, Allen Hawes Kiddie Rides, Shasta Records, Mulkay Records, MOA booth, Star Title Strip Co., MGM Records, Mercury Record Co., Capitol Records and Decca Records.

Other exhibitors include RCA-Victor Corp., Dot Records, J. H. Keeney & Co., Inc., Valley Sales & Manufacturing Co., Paul Bennett Needles, National Vendors, Auto Photo Co., United Manufacturing, United Music Corp., Capitol Projectors, Automatic Products Co., Wico Corporation, Irving Kaye Co., Bally Manufacturing, Logan Distributing Co., Tusko Company, Southland Kiddie Rides, American Shuffleboard, Bally Vending Co., Fischer Sales &

Manufacturing Co., Schroeder Coffee Machines, Cine Sonic Co., Continental Vending Co., the Coin-Machine Council for the industry's public relations program, Williams Electronic Manufacturing Co., Watling Scales, and Standard Financial Co.

Howard Miller, well-known radio and television personality will serve as master of ceremonies during the annual star-studded Floor Show, following the gala banquet in the Terrace Casino of the Morrison Hotel, Wednesday evening. Frankie Masters and his Mercury Recording orchestra has been slated to accompany the array of talent which is being booked for the show.

Many record companies have confirmed to Miller the names of their artists who will perform at the all star Floor Show immediately following the banquet, Wednesday evening. A list of the names will be posted in The Cash Box when all confirmations from record companies are in MOA headquarters at the Morrison Hotel.

Miller further reported that several inducements for increased interest in this year's convention are Door Prizes. These include a mink stole for a lucky lady, and a stereophonic combination Hi-Fi and television donated by the Music Operators of America.

The following manufacturer exhibitors have also advised Miller they will add their prize contributions to the convention for the operators. AMI offered an AMI automatic phonograph, United Music Corporation added their contribution of a phonograph, Bally Manufacturing lists a Bally bowling game for a lucky operator. Williams Electronic will give away one of their popular new "Official Baseball" amusement baseball games, Valley Sales & Manufacturing placed a six-pocket billiard table at the disposal of MOA, and Fischer Sales & Manufacturing will present a coin-operated bumper billiard table to a lucky winner.

AMOA Of Penna. Coin "RPM" Slogan

HARRISBURG, PENNA.—Felix Kadel, president of the AMOA of Pennsylvania, advised that the board of directors recently launched its 1960 drive for greater "RPM's." . . . Relations, Prestige and Membership. The meeting was held in the Dutch Room of The Hotel Penn Harris. The group also decided that all future meetings will be held at a different Harrisburg hotel each time they meet.

During the meeting Kadel drew an analogy between coin machine conditions in New Jersey and in Pennsylvania. "By positive constructive cooperation between the groups involved, a very acceptable coin machine law has been written into the statutes by the Jersey authorities," stated Kadel.

The association has been on a mem-

bership drive for some time and according to Kadel, the directors were pleased to accept the membership of David Rosen, Inc., to the present distributor membership of Scott Crosse Company, Philadelphia; D&L Coin Machine, Harrisburg; B. D. Lazar, Pittsburgh; Atlas Music, Pittsburgh; and Bill LaBre, Erie. Distributors are associate members of the organization.

The board acknowledged the financial assistance of these leading coin machine distributors, informed Kadel.

Pictured here at the meeting are, from left to right, Al Greb, Fred Lex, Ben Sterling, Marvin Speigalman, Paul Smith, Bob Fetters, Mrs. Fetters, Felix Kadel, Leon Taksen, Pat Houser, Harry Beck, William Triplett, John Butala, William Magaro and Bill La Bre.

Bally Releases "Ball Park" Ball Game

CHICAGO—Bill O'Donnell, general sales manager has advised that "Ball Park," a baseball game with miniature 3-dimensional base-runners romping around a diamond manned by a 3-dimensional fielding staff, is the newest addition to the line of games produced by Bally Manufacturing Company, this city.

Announcing immediate delivery on the new game, O'Donnell said that location-tests indicate that the new baseball-game is a consistently strong money-maker in all types of locations.

"The sustained high earning-power of 'Ball Park,'" O'Donnell added, "is not a lucky accident but the result of play-producing design based on extensive location surveys of player preference.

"Although 'Ball Park' is alive with baseball atmosphere, realistic baseball action and official baseball scoring, the basic 'swing-shot' skill-appeal attracts all types of people, men and women, young and old, regardless of their interest in baseball.

"Complicated, confusing target arrangements are carefully avoided. Players are not forced to 'figure out' how to play. They simply walk up and play—and keep on playing because 'Ball Park' permits them to relax, to show their skill, to improve their skill by practice, to compete with each other, to play without fussing with tricky gadgets.

"The strong skill-appeal of 'Ball Park,' highly productive of profit now, as the nation heads into the baseball season, will keep it going strong on location, month after month, long after the baseball season is forgotten. 'Ball Park' is an all-season investment in continuous earning-power, because all-seasons play-appeal is built right into the game.

Comfort-Styling

"The strong skill-appeal of 'Ball Park' highly productive of profit now, as the nation heads into the baseball season, will keep it going strong on location, month after month, long after the baseball season is forgotten. 'Ball Park' is an all-seasons investment in continuous earning-power, because all-seasons play-appeal is built right into the game.

"Another factor that contributes to the remarkable earning-power of 'Ball Park' is the comfort-styling of the cabinet. Instead of fumbling for various buttons and levers, player operates the entire game with 2 conveniently located and oversize buttons—one to pitch, one to bat. The jumbo pitch and bat buttons permit players to keep their eyes on the ball, increasing the pleasure of play and speeding up play.

BILL O'DONNELL

Moving Target

"Constant 'change-of-pace' batting—which keeps player interest alive month after month—is insured by the popular Moving Target feature built into the new game. All targets are lit with white light, excepting one lit with red light, which scores 4 extra runs in addition to the indicated value of the target—single, double, triple or home run. After each base hit, red light shifts to another target, keeping players constantly alert for the top-scoring target," continued O'Donnell.

"The big, brilliant backglass of 'Ball Park' is devoted entirely to scoring data. Progress of the game is easily followed by watching the miniature diamond, surrounded by realistic grandstand decoration and set into the back-cabinet. Miniature 3-dimensional base-runners travel around the diamond in response to every successful target hit.

Fast Play

"Speeded up base-running mechanism, new light-weight, lively ball and the famous Bally high-speed totalizers, result in the fastest play—and fastest earning-power—ever achieved in the baseball class. Game is 3 innings, with 3 outs ending each inning.

1 or 2 Can Play

"'Ball Park' is fun for the solo player double fun for 2 players. Each player deposits a coin, and, because the game is ideal for competitive play, it gets plenty of double-coin play. It requires only the floor-space of the average pinball-game—24 in. by 58 in., and is available in 2 models—Replay and Non-Replay—'Ball Park' is a terrific money-maker either way," concluded O'Donnell.

Appointed to serve on the executive committee are John Bilotta, Rex-Bilotta Corporation, Syracuse; Anthony Hesch, A&H Entertainers, Arlington Heights, Illinois; Herbert B. Jones; Joe Kline, First Coin Machine Exchange, Chicago; Samuel B. Lewis, Williams Electronic Manufacturing Corporation, Chicago; Harold Lieberman, Lieberman Music Company, Minneapolis, Minnesota; Les Montooth,

Slifer, National Coin Machine Distributors Assn., Chicago; and Art Weinand, Chicago Dynamic Industries, Inc., Chicago. Lieberman and Bilotta are also vice-presidents of The Coin Machine Council.

Named to serve on the finance committee and membership committee are Casola and Slifer.

Milwaukee Ops Association Meets Victory Dinner Re-Scheduled for May 16

MILWAUKEE—The Milwaukee Coin Machine Operators' Association held their regular monthly meeting, Monday, April 11, at the Ambassador Hotel in this city. The meeting was presided over by Sam Hastings, owner of Hastings Distributing Company, and president of the association. The attendance was large.

Hastings reported that two factors, vital to the membership, were opened to all for discussion and resolution.

"First and foremost," he said, "we decided to re-schedule our previously planned May 9 Victory Dinner affair to May 16, so as not to conflict with the Music Operators of America convention, May 9, 10 and 11, at the Morrison Hotel in Chicago.

"Secondly," he added, "we discussed the great success we are enjoying toward vastly increasing our organizational membership throughout all of Milwaukee County.

"The May 16 affair will initiate our desire to have a gala annual affair every year. In this particular case it will be a victory celebration of our accomplishments during the past year of getting the organization kicked off successfully, and for our achievements toward benefitting operators in this area.

"Naturally," Hastings continued, "we will celebrate our fine membership increase of the past few months.

"The main purpose of the Milwaukee Coin Machine Operators' Association is to continue increasing our membership, and to inspire interest in more personal contact among all members of the coin machine industry."

The association also laid plans during the April 11 meeting for the first annual Picnic, for Sunday, July 24. Picnic grounds have not as yet been decided upon.

Hastings reflected on past and future association plans, when he said: "When you consider the fact that our organization is just one year old, and our accomplishments during this short period considerable, you can readily see that our plans for the future are much more ambitious. With the unity we are enjoying we cannot miss.

"Our first meeting was held in March of 1959, and based on past organizational performance, the future then appeared very dim indeed.

"However," he added, "everyone pulled together to help get the association off of the ground floor. All of the past animosities vanished. In fact, operators immediately set about ironing out all of the gripes among themselves. The die was cast for organizational unity in numbers.

"Now we are laying plans for better understanding among operators throughout the entire state of Wisconsin. We are currently in the process of designing a very attractive label for each coin-operated machine on location, indicating that the owner is a member of the association, for the whole state.

"Another pursuit on the agenda for future consideration," Hastings added, "is an active attempt to sell location owners on the idea of joining the association for greater alliance and better relationship between operator and location owner.

"We further plan to improve the servicing of equipment on location by setting up our own service school arrangement. The organization may, in this regard, utilize the services of an expert machine serviceman to train our operator members. This one factor may ultimately become our single greatest accomplishment," he said in conclusion.

Std. Financial Nets \$314,453 1st Quarter Shares To Be Listed On N.Y. Stock Exchange

NEW YORK—Earnings of Standard Financial Corporation for the quarter ended March 31, 1960 rose to \$314,453, or 19.6 cents per share, compared with earnings of \$273,802, or 18.1 cents per share, in the same 1959 quarter, Theodore H. Silbert, president, told stockholders at the company's annual meeting held here today.

Earnings were the highest for any first quarter in the company's history, according to Silbert.

He also told stockholders that the New York Stock Exchange has approved the stock of Standard Financial Corporation for listing on that exchange. Standard Financial will make the move to the New York Stock Exchange from the American Stock Exchange, where it currently traded, on April 25. The company's ticker symbol will continue as SFR.

On March 31, 1960 there were 1,572,145 shares outstanding compared with 1,473,189 shares outstanding as of March 31, 1959.

At the meeting, directors and officers of Standard Financial Corporation awarded to Theodore H. Silbert a plaque commemorating 25 years of outstanding service for Standard Financial Corporation.

The company was presented with a Meritorious Achievement Award for excellent management-stockholder relations from the United Shareholders of America, Inc.

Standard Financial has its principal office in New York City and branches in Los Angeles, Chicago, Philadelphia, Pittsburgh, Dallas and Elmira, New York.

UJA-Coin Div. Drive Has 2 Weeks To Go

NEW YORK—Officials for the UJA-Coin Machine Division here announced that a Passover Dinner would be held on Thursday evening, April 14, during which time the committee would review its present drive and concentrate on the remaining two weeks time in order to collect funds before the annual victory dinner scheduled for April 30, at the Commodore Hotel.

Spokesmen advised that the meeting on Thursday would organize telephone groups who were expected to contact all remaining potential contributors to the UJA in the coin industry and "wrap-up" what has appeared to be a most successful 1960 drive. The campaign this year has been conducted under the chairmanship of Irving Holzman, Black Sales Company, this city.

The guests-of-honor for the victory dinner will be Tom Greco, president New York State Coin Machine Association, Jack Wilson, president New York State Operators Guild, and Carl Pavesi, president, Westchester Operators Guild.

Ticket sales for the annual banquet have been reportedly good with a big turnout expected in view of the Saturday evening date. Holzman has stated all during the campaign that ticket response has been exceptional and that the move to change the dinner date from the usual weekday to a Saturday evening has resulted in greater attendance.

Greco Bros. Holds 2nd Rock-Ola School

Distrib's Phono Sales Exceed Earlier Estimates

GLASCO, N.Y.—Greco Bros. Amusement Company, Inc., this city, held its second phonograph service school under the auspices of the Rock-Ola Manufacturing Company on April 5 and 6. Jack Barabash, Rock-Ola service manager conducted the school and was assisted by Bob Papineau, Rock-Ola eastern regional sales manager. Tom Greco, president of the firm, advised that eleven operating firms were represented at the service school which used as its principle subject the Rock-Ola "Tempo II" phonograph.

Greco indicated that since the first service school was held, several operating firms have advised that they would not attend this second service school since "there was no need for instruction other than that received at the initial session since the phonographs evidently do not require any degree of servicing." Greco quoted the upstate ops and at the same time pointed to these remarks as reason for his recent sales success on the 1960 phonograph line. "Greco Bros. have exceeded estimated sales figures on Rock-Ola phonographs in the franchised territory and expect to be responsible for record sales by the end of the fiscal year," quoted Tom Greco.

The 2-day service school was attended by the following operators: Bill McCarthy, Catskill Amusement Co.; Mr. and Mrs. Bill Green, W. J.

Green Amusement Co.; Mrs. Macarelli and Paul Priolo, Macarelli Amusement Co.; Mike Mulqueen, M&M Amusement Co.; Ed Taxter, Highland Amusement Co.; Dick Darling, D&D Amusement Co.; Mac Douglas and Howard Purdy, Paramount Vending Co.; Joe Broatkowsky, Marlboro Games; Collins Troy and Joe Napoli, Trojan Vending Co.; Joe Reich and Ray Curtis, Tannersville Mountain Vending Co.; and in attendance from the Greco Bros. Amusement Company were Tom, Jack, Frank and Joe Greco. The Greco sales and service staff also included James Cousins, Frenchy DuBois, Bruce Hall, Albert Cardino, Walt Hilji and Gino Amato.

Boost Keeney "Red Arrow" Production

CHICAGO—Paul Huebsch, vice-president of J. H. Keeney & Company, this city, declared this past week that Keeney's "Red Arrow," the most recent addition to the upright console line of models which have proven very successful over the years, looms as the finest, and most desirable amusement game for Keeney during 1960.

In announcing the release this week of "Red Arrow," Huebsch said: "Along with all of the many fine features we have created for 'Red Arrow' we are introducing Keeney's new 'Panascopic' screen viewer, which is located at the top of the trim, streamlined cabinet.

"As the player pulls the lever to play 'Red Arrow,'" he continued, "the characters which show up for scoring on the backglass, are flashed across the 'Panascopic,' as it is commonly referred to now.

"The score earned by the player registers on the colorfully illustrated backglass. The symbols (characters) shown on the backglass are reminiscent of the famed one-ball games of previous years.

"Another exciting feature in 'Red Arrow,'" Huebsch said, "is the 'Red Arrow' symbol on the backglass, which is 'Wild,' and registers in favor of other pairs of symbols when they show up on the 'Panascopic.'

"We must point out the fact," he continued, "that the flashing of the symbols on the 'Panascopic' is not a filmed reproduction, but actually shows the action as it is occurring."

This amusement game has three separate scoring build-ups; such as "400," "200" and "100," plus many other build-ups.

"Red Arrow" is housed in a modernistic, two-dimensional cabinet with modern legs. The cabinet decor is in a three color Hamaloid finish, and

streamlined to fit with ease in the smallest type locations; and yet can be easily seen in the largest locations, according to Huebsch.

He further advised that, despite the fact that he played down the availability of "Red Arrow" to the trade to date, nevertheless orders have been pouring in to his office with a fury during the past week. As a result production is immediately being pushed to the hilt.

PAUL HUEBSCH

"It appears that we shall have to go into a six-day a week production schedule (keeping the plant open on Saturdays) to meet the demand.

Only in this way can we catch up with the rapid accumulation of back orders," Huebsch added.

Production for Keeney's "Eleven Belles" one-ball pin game is maintaining a high, steady pace and Huebsch feels that this production run will not slack off for quite a while.

Munves Firm Sign Additional 9 Distributions For "Ingo Grip Test"

NEW YORK—Joe Munves, vice-president in charge of sales for the Mike Munves Corporation, this city, returned last week from a 30-day sales trip across the United States during which time he visited approximately fifteen arcade and coin centers lining up distributors for the firm's "Ingo Grip-Test" machine and also to allocate arcade equipment orders for the opening of the 1960 arcade season.

According to Munves the arcade season holds great expectations for resorts and pleasure operators in the nation with equipment sales an indication of this optimistic thinking. As reported in The Cash Box last week, the calendar is supporting the wishes for a combined long-holiday-weekend season with three triple day weekends scheduled—Memorial Day, July 4th and Labor Day.

Distributors signed for the "Ingo Grip-Test" unit are: State Music, Dallas; Dan Stewart, Salt Lake City; Advance Automatic, San Francisco; Paul Hawkins, Tucson; McGuire Bros., Kansas City; Central Distributors, St. Louis; B&B Distributing, Louisville; Coin Mart, New Orleans; and Le Sturgeon Distributors, Charlotte.

This brings to a total of nineteen, the distributors signed to handle the arcade and tavern location unit "Ingo" which is manufactured in Sweden and named after the heavyweight champ of the world. The distributors signed on a previous road trip, by Munves, are: Cleveland Coin Machine Exchange, Cleveland; Miller-Newmark, Grand Rapids; Taran Distributing, Miami; Friedman Distributing, Atlanta; Roanoke Vending Exchange, Richmond; Empire Coin Machine Exchange, Chicago; Banner Specialty Co., Philadelphia; Redd Distributing, Allston; Rex-Bilotta Distributing, Syracuse; and Calderon Distributing, Indianapolis.

In addition to the firm's equipment sales Munves announced that the 1960 Arcade and Coin Equipment Catalog is ready for mailing and will be sent to operators all over the world within the next two weeks.

The Munves firm will display the "Ingo Grip-Test" machine at the forthcoming Music Operators of America Convention, in Chicago, on May 9, 10 and 11, at the Morrison Hotel.

Munves commented on deliveries of the "Ingo" machine mentioning that all orders are received via the import route from Sweden which has impeded delivery in this country.

JOE MUNVES

Equipment on hand has been shipped to distributors with additional orders awaiting the arrival of the units which are expected within 7 days. According to Munves the machine has received an even greater reception than was originally expected and eventually the success of the machine carries over to other countries resulting in smaller quantities being shipped. However, Munves advised that the situation should have cleared up within the week and that all "Ingo" orders will receive immediate attention.

Economy Vending To Distribute Cole Line

OCEANSIDE, N.Y.—Hal Zimmerman, president, Economy Vending Service, Inc., this city, has advised that his firm has been appointed authorized factory distributor for the Cole Products Corporation, Chicago vending machine manufacturer. The firm will handle Cole distribution in Metropolitan New York, Nassau and Suffolk Counties, Westchester County and Connecticut.

Zimmerman advised that a complete stock of parts and supplies will be maintained as well as a staff of servicemen.

Zimmerman stated, "We expect an all-time high in sales now that the General Food Finance Plan permits the purchase of equipment on a 10% down—3 years to pay program, at 6%."

ChiCoin Ships "Pony Express" Rifle Game

CHICAGO—J. A. (Art) Weinand, director of sales for Chicago Dynamic Industries of this city, announced the release this past week of Chicago Coin's "Pony Express" rifle-target amusement game.

Weinand stated that this game, which is loaded with target and scoring features, was originally inspired by the commemoration this year of 100 years since the creation of the Pony Express—the first rapid (at that time) mail service in the wild and woolly West.

"The Centennial celebration of this courageous, romantic mail delivery service was naturally singled out by our designers as a timely, and exciting theme, tying in Chicago Coin's 'Pony Express' rifle game with the commemoration by the United States government of the beginning of the original Pony Express."

Both Weinand and Mort Secore, of the sales department of Chicago Coin, singled out as the prime feature in "Pony Express" a "running Indian target. As the Indian runs sideways to get to the other side of the target area the player attempts to shoot him. When he is hit he turns and runs back to hide behind a rock.

Other targets on the huge, 3-dimensional backglass include moving "Black Panthers" on the front row, facing the player, "Indians" on the second row of targets, and "Buffaloes" on the third row.

At the extreme right of the backglass is a list of "Markmanship" ratings for the player to qualify. They are "Scout," "Rifleman," "Frontiersman," and, finally, the highest rating—"Top Gun."

"Pony Express" also features extended play. When the player shoots a perfect score the target area lights up, and the target score is automatically re-set back to "0". However the player's score continues to accumulate on the backglass, instead of the previous, customary free play awards.

J. A. (ART) WEINAND

Weinand explained that sample shipments are being rushed out to Chicago Coin's distributors all over the country and abroad. He concluded by stating that a heavy return of repeat orders is anticipated due to immediate, and wide interest already shown "Pony Express," after distributors were advised of its availability.

Irving Kaye Co. Adds "Klub Pool" To Line

BROOKLYN, N.Y.—Officials of the Irving Kaye Company, Inc., this city, have announced Spring plans for the combined promotion of the firm's five pool tables. According to a recent announcement, sales concentration will be on the three six-pocket models and two novelty pool tables.

The "Fleetwood" single ball viewer, six pocket table measures 77" x 44" with the Jumbo model measuring 90" x 52". The "Eldorado" single ball viewer measures 82" x 46" and is a six-pocket table finished in mahogany.

According to Irving Kaye, president of the firm, all of the six pocket tables feature a unique method of returning the balls to the viewer window in such a manner as to make ball-jamming a virtual impossibility. "All three tables have the time and labor-saving removable front section to eliminate slate top removal. Feather-touch push coin-chute is easily adjustable and completely cheat-proof," stated Kaye. "Recessed pockets, formica top rails and modern, sturdy console legs not only enhance the beauty of the cabinets but are practical as well. All three tables now use the full size 2 1/4" balls and two-piece walnut butt cue sticks as well as top grade accessories."

"Klub Pool" the firm's new bumper pool game measures 48" x 32" and features jumbo metal bumpers, according to Kaye. A pull-out drawer affords fast accessibility to the interior without removing the slate top. The "Klub Pool" game is finished in mahogany plextone with gold trim and matching formica top rails. The styling of the cabinet is modern.

"Cue Ball," novelty front-end game introduced several months ago by the firm has enjoyed wide sales success, stated Kaye. It measures 75" x 42" and according to Kaye, "offers the operator a change-of-pace game for locations demanding such a change. Pull-out front, console legs, formica top rails and fluorescent light fixture that illuminates the playfield and all add up to a big value for the operators," concluded Kaye.

The firm will exhibit at the forthcoming Music Operators of America Convention, during which time the complete line of pool tables will be on display.

Trailevator Adds Stake Sides

BAY CITY, MICH.—Trailevator Division of Magline, Inc. has announced hydraulically elevating lifts equipped with stake rack sides available on both the 1/2-ton and 1-ton models, it was advised by the firm last week. The wooden racks are offered in two sizes—25" and 48". According to company officials the stakes increase the overall trailer box enclosure height to 42" and 66".

Split hitch arm for lowering trailer without detaching from towing vehicle is offered as standard equipment on the 1-ton unit and is optional on the 1/2-ton.

EASTERN FLASHES

Looks like another successful arcade season in the making for the nation's arcade men after hearing a report from Joe Munves, Mike Munves Corp., talk about his recent road trip which included stops in practically every major city in the country. Arcade equipment is at a premium what with export orders accounting for some of it and regular shipments filling orders during the past several weeks eating into present supplies. However, Munves expects to continue shipping from a large inventory and sales to date have indicated a good year. Joe advised that resort spots and playlands are loading up with great anticipation after witnessing a solid 1959 season last year.

More vending equipment being sold than ever before with cigarette and drink machines getting much of the play these past few weeks. The factory baseball games are continuing to make sales inroads with Bally's "Ball Park" preeming, following on the heels of ChiCoin's "World Series" and Williams' "Official Baseball." Music machine sales are moving along well, according to the Tenth Avenue distributors and, of course, shuffle alleys still getting much play. Export orders, mainly to Europe, are a steady outlet for additional sales in many distrib outlets with several wholesalers spending more time than others cultivating what they expect to be an eventual larger portion of sales.

Irv Kempner, Runyon Sales Company, left early Tues. morning to attend funeral services for William Bell, Kimberly Amusement Company, 259 York Street, W. Haven, Conn. Bill Bell was buried from the Keenan Funeral Home, in W. Haven. He died at the age of 47 after spending more than 20 years in the coin machine business. Irv capsuled his feelings about Bell when he remarked that Bell was "a sweet and quiet guy . . . one of the nicest in the business."

Barney "Shugy" Sugarman, Runyon Sales Co., spent Tuesday in the showrooms in constant touch with the Newark offices and Abe Green, Ed Burg and Myron Sugarman. Runyon is kept busy with its many facets of the coin machine business and the staff is expert in each department. Morris Rood busy with the telephone, took time away from the phone for some "in person" business after receiving several visiting ops on the Avenue. Perry Lowengrub is still doing a good business on the Bally "Official Jumbo" shuffle alley. "We're ordering the games by the truckload," commented Lowengrub, "and I'm not kidding!" Louis Wolberg, meanwhile, handles the "books," the part of the business that pays the bills, literally. . . . Carl Pavesi, cheerful president of the Westchester Ops Guild, drops down to the Avenue and states that the 9th annual affair will be a sell-out with Jack Wakefield emcee and a nice evening planned. . . . Al D'Inzillo, Albert Simon, Inc., commented that Rock-Ola sales, which were doing very nicely, took on an even better sales look last week, when sales took an upturn. Al Simon, out to lunch when we called, was reportedly in very good spirits with sales on music and games these past few weeks. Auto-Photo units, of course, enjoy solid sales at this time of year with arcades buying up the new models for what is expected to be a very good year. . . . Sy Redd, Redd Distributing, Allston, Mass. telephones that business is very good and this means equipment sales, collections and general coin biz in the New England area. Good to hear! . . . Abe Witsen, Scott-Crosse, Philly, moving down the street to a new showroom with a plan whereby buyers of equipment now will be eligible to win prizes once the drawing is held on moving day. . . . Almost forgot Larry Feigenbaum's jaw. Its swollen and the tooth should have been extracted by the time you read this. He's been smiling on the left side of his mouth all week. . . . "Red" and "Whitey" Druckman hold down the fort at the Black Sales Co. outlet with orders for United's "Big Bonus" pouring in. Arcades have accounted for this outlet's increase in sales, too. Murray Sandow busy with the export business, and offering several deals on some "like new" machines in line with general sales work and contact via telephone. Irving Holzman manages some outside the office biz in conjunction with his chairmanship of the forthcoming UJA-Coin Div. drive. Banquet date is set for April 30th at the Astor Hotel, here. . . . A nice sight along coinrow is Mrs. Gertrude Browne, perennial Tuesday visitor to Tenth Avenue in search of parts, supplies, and equipment. . . . Tom Greco of the N.Y.S. Ops Guild reports brisk ticket sales on the up and coming annual banquet-weekend affair at the New Roxy Hotel, Loch Sheldrake, set for June 11th. Mac Douglas, of the N.Y.S. Ops Association has suggested to all of his members that they attend and make the affair a solid turnout of New York coinmen. . . . Felix Kadel, president AMOA of Penna., reports that at a recent meeting the association has decided on a Relations, Prestige and Membership slogan for progress. The AMOA is trying to interest all local Pennsylvania organizations in joining one parent organization in the state. Dave Rosen joined Scott Crosse, D&L, B. D. Lazar, Atlas Music, and Bill LaBrea who are already members. . . .

Mike Munves happy over recent arcade equipment sales and also over the results of Joe Munves' road trip. With every "Ingo Grip-Test" order filled to capacity with available equipment, additional shipments from Sweden are scheduled for fast delivery to distributors throughout the country. Joe signed up an additional ten distributors for the "Ingo" line adding to a list of about ten previous distributors. The firm has a regular national network of distributors for the "Ingo" line and other equipment. The firm's 1960 Catalog is off the presses and will be mailed out any day now. It looks like a most complete catalog of arcade equipment, as usual listing and illustrating the very old and the very new. Munves has a new burglar alarm in the showroom for use on music, games and arcade equipment that looks like a winner at the price. . . . Mac Pollay, local city operator, on the avenue with his "girl" Momma Pollay, Mac's mother. . . . Harry Koepfel, Koepfel Dist. Co., shipping the European market with music for foreign lands advises that brother Hymie will leave for Arizona by the time you read this item. . . . Meyer Parkoff, Atlantic New York Corp. happy with the way Seeburg Model "Q" phonos are selling while Murray Kaye "diversifies" on the telephone, and confirms shipment of vending equipment to a local vending operator. . . . Looks like a good turnout from New York City at the M.O.A. show in Chi with most coinmen reporting they will be there.

CHICAGO CHATTER

MOA prexy George A. Miller arrived in town April 5, and immediately set up shop in suite 1728 to finalize convention plans, skedded for May 9, 10 and 11. George enthusiastically reports that very few exhibit booths are available (at press time), and also that trade associations from all over the country are contacting him with wires, letters and phone calls assuring him of excellent attendance during the convention among their membership rosters. Another newsy item from George indicates that radio & TV star Howard Miller is slated to emcee the gala All-Star Floor Show following the banquet Wednesday evening, May 11.

Sam Wolberg, president of Chicago Dynamic Industries, returned last Wednesday from an exciting western style vacation in Tucson, Arizona—complete with broncos and outdoor barbecues. The Arizona sun beats anything, according to Wolberg (ride 'em, cowboy!). Art Weinand made a brief sojourn to Montreal, Canada, t'other day. He returned in time to give us a test run of Chicago Coin's new "Pony Express" rifle-target amusement game. It is significant that this game is being released now, to coincide with the Centennial celebration of the famed Pony Express. Harry Glick advises that Chicago Coin's "Commando Machine Gun" gallery installations are popping up in amusement parks all over the country. Some of the outstanding installations reported by Harry are Ponchartrain Beach, N'Orleans; Euclid Beach (Cleveland), Hershey Park (Pennsylvania), Gwynn Oak Park (Baltimore), Willow Grove Park (Philly), Joyland Park in Wichita, Kansas; Fairyland Park in Kansas City,

and Chain O' Lakes Park (St. Louis). . . . Bill O'Donnell, Herb Jones, and Art Garvey are all singing the praises mightily for Bally's new "Ball Park" baseball amusement game. It features 3-dimensional base runners and a baseball diamond manned by a 3-dimensional fielding staff. Bill infos that location tests indicate it is a strong play puller and money maker in all types of locations.

D. Gottlieb & Company's sales offices are in a dither over the terrific success already being accomplished by Gottlieb's new "Wagon Train" pinball game. Dave Gottlieb, only recently returned from his annual Miami sabbatical, can't praise this game highly enough. Nate Gottlieb and Alvin Gottlieb cite the great sales they've received from "Wagon Train's" predecessors. However, this one will show 'em all up, they say. . . . Missed Herb Oettinger, Bill DeSelm and Roy Kraehmer at United since they held a big pow-wow when we called. Bill phoned the good news that United Manufacturing's big ball "Falcon" bowling alley is breaking all records. Bill also advised that United Music Corp. is presenting a phonograph to the MOA as a convention door prize for some lucky operator. . . . World Wide's Joel Stern and Len Micon snapped out of the spring fever this lovely weather brought on, as business is really booming at World Wide Distribs. Fred Skor relates that Joel and Len are becoming more golf conscious day by day. Everyone at World Wide is beginning to become MOA minded also, now that the big convention looms closer.

Sam Lewis informs us that it's no secret at Williams Electronic Mfg. that the new baseball game, "Official Baseball," is rapidly becoming identified as one of the most exciting games in the United States. Reaction, according to Lewis, was spontaneous right from the start. Both Sams (Stern and Lewis) tell us they are giving an "Official Baseball" game away to some lucky operator during the upcoming MOA convention. It will be offered as a door prize. . . . There's no time at Atlas Music Company for Spring Fever—especially with the usual flow of business this time of the year. Music and vending equipment is enjoying high sales results. Nate Feinstein and Harold Schwartz are kept busy every minute of the day showing Seeburg equipment to visiting operators. This is definitely the ideal time of the year for Eddie Ginsburg and his family, since every spare moment they have is enjoyed "working" on the lovely Ginsburg farm west of Chicago.

J. H. Keeney & Company's Paul Huebsch is having his problems of late trying to rush shipments of Keeney's new "Red Arrow" amusement game. However, now that the cabinet problem has been licked, Paul tells us, he'll be in full production with both, "Eleven Belles" and "Red Arrow." Clayton Nemeroff and Harold Dorgan are back in the offices at Keeney after a rapid swing through their territories. However V. N. "Al" Allbritten is continuing on through the southland, and reporting fantastic sales on Keeney's "Popcorn Vender." . . . Empire Coin's Joe Robbins infos that he and Jack Burns can't praise Williams Electronic's new "Official Baseball" game highly enough. It sure is popular with operators in this area. Gil Kitt, owner of Empire Coin, is seriously thinking about the upcoming MOA conclave, and the plans which have to be made by him and his staff.

We're happy to see Joe Kline back in the swing of things at First Coin, and in the pink of condition, after a rough siege of illness recently. First Coin's Sam Kolber, Fred Kline and Joe were in a huddle t'other day laying plans for First's hospitality suite at the Morrison Hotel during the MOA convention, May 9, 10 and 11. Sam urges operators not to forget to drop into First's hospitality suite and visit with them. . . . We recently called on Mike and Irene Detzek in Champion Distribs new headquarters at 3451 North Milwaukee, and watched Mike and Irene hard at work preparing the swank new building in time for visitors at MOA convention time. Mike opines he'll have to work up quite a sweat to make the deadline—but, make it he will!

Rock-Ola's Kurt Kluever tells us Edward Doris and George Hincker are definitely due back in the Rock-Ola offices within the next few days. Other early arrivals will be Frank Mitchell and Lester Rieck. The gang were on the road singing the praises of Rock-Ola's "Tempo II" 1960 model phonographs. . . . Ted Rubey, prexy of Marvel Manufacturing, is pushing his phonograph plastics replacement production line to the limit to meet the demand of operators. Estelle Bye entered the conversation at this time to remind us that Marvel's "Lucky Horoscope" is still enjoying an uninterrupted and continuously successful sales climate after 10, these many months. . . . Morrie Wiczer and Milt Wiczer gave us a preview glimpse of the Wico Corp. parts and components display which will be on exhibit in booths 47 & 48 at the upcoming MOA conclave. Ed Ruber reports that the Wico parts line continues to grow in quantity, quality, and popularity among the firm's customers in this country and abroad.

Auto-Bell's Al Warren informs us Auto-Bell's "Mermaid" is receiving excellent reception all over the country. Sales maintain a steady level, according to Al. . . . Vet coinman Jack Mitnick, as chipper and genial as ever, has been covering a lot of territory the past few weeks. Jack is looking forward to seeing many of the oldtime 20 year clubbers at the upcoming MOA convention. . . . Word has not reached us from Sam Hastings, president of the Milwaukee Operators Association, regarding the change of date for the organization's gala Victory Dinner and Cocktail party. Affair was previously skedded for May 9, but since this would conflict with the MOA show the board of directors decided to push the date up farther into May. We'll give you the word just as soon as we receive it from Sam.

The Coin-Machine Council booked a booth on the exhibit floor at the MOA conclave to be available to all coinmen in attendance. Council officers Lou Casola, Herb Jones and Herb Oettinger urge everyone to stop at the booth and sign up. Sam Lewis is singing the praises of the public relations group to one and all. . . . Mort Levinson, National Coin, showed us how rapidly Gottlieb's new "Wagon Train" pinball game is moving on the floor. He relates that export business is booming also. . . . Herb Perkins took "himself out of the rut" we put him in last week. He wasted little time in telling us (between guffaws) that he is heading for the west coast this week for a three day business trip. Herb stated that business at Purveyor Distribs has maintained a steady pace since the beginning of this year. He just hopes the pace will continue on through the year. . . . The big news at Donan Distribs this week is Bally's new "Ball Park" baseball amusement game. Don Moloney and Mac Brier are already setting plans for the upcoming MOA shindig, and they are looking forward to heavy attendance.

French Operator Tours U.S. Coin Markets

NEW YORK — After a tour of several of the most important coin machine markets in the Eastern part of the United States, Ben Guettaf flew home to Paris, France, on April 14.

Guettaf arrived in the United States on March 25. He visited wholesalers in New York City, Boston, Philadelphia and Detroit. He made a tour of the manufacturers' plants in Chicago. Head of Societe S.I.F.E.M., operators, distributors and importers, with offices in Paris and Marseille, Guettaf visited the American coin firms with the expectations of buying equipment in the near future, as well as studying methods of American coin firms. He feels certain that the French Government will lift its import restric-

tions on coin operated equipment by early 1961.

Guettaf visited the New York offices of The Cash Box prior to catching his plane for Paris, and expressed his thanks and gratitude for the courtesies extended him while visiting the many coin firms.

Ruffler & Walker Take New Quarters

LONDON—Gordon Walker, director of Ruffler & Walker, sole importers for Rock-Ola in this country invited The Cash Box to look over the company's new factory now nearing completion at Clapham Junction. Pictured here is a section of the first floor stock room in the new Ruffler & Walker plant.

R. J. Murray, general manager and L. Cullem, works manager, explained that the building which two years ago was a dilapidated and disused bakery, comprises three floors and covers an area of 17,000 square feet. The premises have been the installation of a fully automatic central heating system giving a permanent working temperature of 65 degrees. Lighting will be on the ground floor and all new equipment from America will, on arrival, be taken direct from the lorry by electric powered lifts to the first floor stock room for sorting, uncrating and inspection—thence by power lift to the ground floor for any necessary adjustments and despatch. The second floor will provide storage for spares and replacement parts, etc. One wing of the original building is

to be pulled down and rebuilt to provide rest rooms for both male and female staff together with toilets and wash rooms. Existing garages will also be demolished and new ones built to house the company's fleet of some 25 vehicles.

Walker told The Cash Box that the acquisition of their new premises had been brought about by the need for more room to cope with ever-expanding business, manufacturing, importing and servicing. Complete occupation of the new factory originally scheduled for Easter will not be possible until June after which date the present headquarters (situated a short distance away) will be devoted to offices and showrooms.

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "THE CASH BOX PRICE LISTS"

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

CODE (Numeral Preceding Machine)

1. Prices UP
2. Prices DOWN
3. Prices UP and DOWN
4. No change from Last Week
5. No quotations Last 2 to 4 Weeks
6. No quotations 4 Weeks or Longer
