1960 has seen Warner Brothers Records' stock score tremendous gains on the record scene. Since the beginning of the year the company has been riding high in disk sales with the sextet shown above. On right are Phil and Don Everly who sparked the label's rapid climb with their #1 single "Cathy's Clown" and their top selling "It's Everly Time" LP; Bob Newhart, (front and center) who stepped out of the ranks of the unknown to become one of the comedy field's most exciting new talents, thanks to his #1 LP, "The Button Down Mind of Bob Newhart"; (top right) Connie Stevens, who hit big with "16 Reasons" and is currently on the charts with "Too Young To Go Steady"; (top center) Joanie Sommers, a promising young WB talent currently hitting with "One Boy"; and on left, Bing Crosby, who has one of the label's best selling albums in "Join Bing And Sing Along".

A MESSAGE FROM MGM RECORDS Arnold Maxin, President

We have just returned from the most successful Convention Presentation in MGM history.

Spectacular enthusiasm greeted the MGM STARPOWER RELEASE which was unveiled to our distributors, and which appears for the first time on these pages, to the right. An incalculable amount of blood, sweat, tears, care and thought lies behind these albums.

The STARPOWER concept, which is an MGM exclusive of which we are justly proud, begins naturally with A & R. We've sought for and achieved new and exciting ideas for today's market; gotten the maximum in entertainment and sound quality from our superb artists, who are the most valued elements of our "equipment"; and we've packaged them, sold them and are promoting them in the most provocative and effective ways possible. We take special pride in the pace-setting Spectacular Series.

We know the results will be more than worth our unprecedented efforts. We know you'll see it that way, too.

MGM Announces a Great New Connie Francis Album of Spanish Favorites

Singing Star's Mastery of the Language Adds Still More Sales Appeal to her Hits

Connie Francis—the best-selling girl singer in the entire business today—is back with another great album that promises to be even bigger than her "Italian Favorites." Record dealers across the country were unanimous in demanding another album of hit caliber, and MGM gives it to them with "Connie Francis Sings Spanish and Latin American Favorites." This great album will not only be a hit follow-up, riding on the coat tails of her last one—it's a magnificent masterpiece on its own that makes the most of Connie's fluent Spanish. She studied the language for five years, and her natural accent adds much native authenticity to each of these popular Spanish and Latin songs.

Connie Francis consistently scores on every best-seller list in the country. Matter of fact, her voice has such a magnetic quality, she's considered today the number one singing star of two continents. Her Spanish and Latin

American numbers can only reinforce that prevailing opinion, and catapult her into still greater popularity.

An outstanding package that reflects Connie's vivacious personality as well as her vibrant voice, the MGM album includes an infectious collection of some of the most popular Spanish and Latin tunes written—in a variety of tempos and moods. Among the favorites Connie does so well are "Siboney," "Magic Is The Moonlight," "Malaguena," "Jealousy," "Green Eyes," "Besame Mucho" and others.

Keep your eyes on Connie Francis—she's up there and still rising to greater stardom. And keep "Connie Francis Sings Spanish and Latin American Favorites" both in your rack next to her "Italian Favorites" and on your counter for special promotion and impulse buying, especially when her new MGM movie, "Where the Boys Are" comes to town.

MGM Spectacular Series in Super Stereo Features 5 Smash Instrumental Sellers

Brass, Percussion, Accordions, Harps And Harmonicas Star in Plush Arrangements

MGM makes a spectacular impression with a new sonic dimension—Super Stereo—and five instrumental albums produced and recorded to show just what all the hi-fi and stereo excitement is all about.

Called the "Spectacular Series" by MGM—because they are just that—the albums are magnificent showpieces of sound. Listening to them, you are impressed with the tremendous dimension of the sound. Masses of the same instrument, dramatically arranged, present a startlingly different and better spacial sound effect than anything else produced to date. The albums demonstrate the interest, excitement and constant motion that can be ideally achieved in an effective stereo recording, and are strikingly effective, monophonically, too.

Five Albums to Start

MGM has started the "Spectacular Series" with five instrumental albums, each featuring masses of a single, particular instrument. Each has been conceived, planned, researched, arranged, engineered and recorded on the highest imaginative level—a display piece for the conductor, arranger, soloist, musicians and MGM.

The titles include "Spectacular Percussion" and "Spectacular Brass," both

Conway Twitty Packs a Real Wallop In New MGM "Greatest Hits" Album

Former Baseball Star Hits Four-Bagger With Double-Cover Deluxe Package

Leave it to a former baseball star to continue hitting homers after he gives up the sport for singing. Conway Twitty has done just that. Rarely a week has gone by during the past two years that a Conway Twitty MGM disk hasn't been among the best sellers. And his latest long-playing album, in monaural as well as stereo, recaps his sensational career with another MGM personality package.

"Conway Twitty's Greatest Hits" album is just what the title implies. Here are all the favorites that have skyrocketed the singer to stardom—including his first million-seller, "It's Only Make Believe." Add the other greats such as "Danny Boy," "Heavenly," "I'll Try," "Is a Blue Bird Blue," "Mona Lisa" and others, and you know it's one for the front shelf plus a special counter display. And watch it move!

Packaged for Sales, Too!

The new Conway Twitty album is deluxe in every sense. Inside, the double-covered album contains huge illustrations and photographs of Conway,

candid shots, a biographical sketch, special tear out letter and a magnificent twelve-inch by twenty-four inch pin-up poster for Twitty's teenage fans. When you see it you'll agree it's one of the handsomest personality packages the record industry has seen. And it's from MGM.

Bonus for Buyers

There's a big bonus for every one of your customers that buys this big new Twitty Album—and to promote the album's sale, it's featured right on the front cover, announced by a bright gold sticker saying "Special Offer Inside." And it's a sensational bonus for your Twitty customers. MGM will send each purchaser two previously unreleased Conway Twitty singles that cannot be bought in any store. They have real "collectors' item" appeal and they're easy to obtain. Your customer merely sends MGM the coupon inside the album together with 25¢ for handling. The Conway Twitty album will move under its own power, and this special bonus will give it a little added push!

THE STARPOWER SALES RECIPE Sidney Brandt, Vice-President

It is generally admitted that we are all facing one of the most complicated and competitive selling seasons the industry has seen.

To survive, to be seen and to be sold, today's product must, as never before have the necessary entertainment and sales ingredients; product today simply can't "sell on its own." It needs intelligent planning, spectacular promotion and massive merchandising, which is exactly what we've given you, if you take a serious look at the product, the concepts behind the product and the special push we've placed behind each album in the release.

That's our recipe, the MGM STARPOWER recipe, for today's challenging market. We at MGM aren't kidding when we say: STARPOWER means PROFITPOWER!

Joni, Personality Packages, Promise Big Sales In Labels New Release

STARPOWER — the right artists, right arrangements and right compositions—gives you real sales power with a parade of MGM personality packages that has everything for everybody.

Here are the stars and the sounds that sell records — the qualities dealers and distributors demanded, because they sell. MGM Records new personality packages have the artists that helped carry MGM to its current sales heights — the reason for calling MGM the Starpower label. Each is a collection of selections that will complement your customers present libraries of these top name artists.

Joni LPs Bigger in Pairs

Singles sell, but albums sell more — and these pairs of albums should break all records established by MGM for these artists.

Two big ones by Joni James are a double opportunity for sales. When they pick one, show them the other. They're a perfect pair and they sound sensational. The 100 Strings and Joni James are featured "In Hollywood" and "On Broadway." The string orchestration blend with Joni's voice as though they were meant to go together. These are albums that are bound to make the same kind of sales history

achieved by her world famous singles "Your Cheatin' Heart" and "Why Don't You Believe Me." Each is a collection of outstanding songs, carefully selected, artistically arranged and, best of all, sung by Joni in her cash-registering style.

Hank Williams "Wait for the Light to Shine" offers another side of the immortal Hank. Here the outstanding talent that racked up millions in sales throughout the country, gives his followers his inimitable versions of sacred and inspirational material, seven of which he wrote himself. One of the greats in the personal appearance field, Hank Williams projects his voice and style on these selections that provides the kind of "presence" few artists can achieve.

"Baby brother" of a famous name in popular music, the Dinning Sisters, Mark Dinning's "Wanderin'" album brings his folk music talents into sharp focus with a sincerity and sensitivity that makes each of the titles sound fresher than many of today's pops. He's been called one of the brightest young stars in music these days, and he's on the MGM Starpower label with a great personality package of his own that's bound to appeal to your folk music fans.

The Cash Box Pick of the Week

"MY HEART HAS A MIND OF
ITS OWN" (2:26)

"MALAGUENA" (3:06)
[E. B. Marks BMI—Lecuona]

[Aldon BMI—Greenfield, Keller]

CONNIE FRANCIS (MGM 12923)

The same writers, Greenfield and Keller, who provided Miss Francis with her current chart-topper, "Everybody's Somebody's Fool," can come thru again with "My Heart Has A Mind Of Its Own." It's another fine country-styled weeper that Connie dual-tracks in convincing middle beat fashion. "Malaguena," the great Ernesto Lecuona favorite beautifully revived (in Spanish) by the lark, can make this a back-to-back smasheroo. Joe Sherman grabs orchestral honors on the former while Geoff Love does likewise on the latter.

"KOMMOTION" (2:25)

[Gregmark BMI—Hazlewood,
Eddy]

"THEME FOR MOON

CHILDREN" (2:15)
[Debbie-Jo ASCAP—Linda, Ford,
Thompson]

DUANE EDDY (Jamie 1163)

"Because They're Young" is Duane Eddy's current smasheroo. Both "Theme For Moon Children" and "Kommotion" should follow suit. The string-filled "Theme" portion is taken for a haunting, slow driving ride while "Kommotion" is a quick moving affair that picks up steam along the way. Both ends mean money-in-the-bank for all concerned.

"COME BACK" (2:41)

[Miller ASCAP—Crane, Tucker,
Jacobs]

"WAIT" (2:05)

[Hill & Range BMI—Pomus,
Shuman]

JIMMY CLANTON (Ace 600)

Take your pick here. Clanton checks in with two sales heavyweights for his follow-up to "Another Sleepless Night." They're the touching, slow paced romantic pleader, "Come Back," and the beat-ballad hip-swinging, "Wait." Chorus and ork support are top drawer on both stanzas. A two-sided powerhouse.

"ROCKING GOOSE" (1:47) [Vicki BMI—King, Mack, Fowler]

"REVIVAL" (2:24) [Vicki BMI—King, Mack, Zinn]

JOHNNY & THE HURRICANES (Bigtop 3051)

Johnny & the Hurricanes follow their recent Bigtop chart-maker, "Down Yonder," with another hot item dubbed "Rocking Goose." It's a teen-styled delighter with a good 'sound' effect made by the reed on Johnny's sax. There's an inviting instrumental "Revival" of "When The Saints Go Marching In" on the flip.

"NICE 'N' EASY" (2:43) [Eddie Shaw ASCAP—Spence,
Keith, Bergman]

"THIS WAS MY LOVE" (3:24) [St. Lawrence BMI—Hebart]

FRANK SINATRA (Capitol 4408)

"Nice 'N' Easy" is the tag of Sinatra's current hit LP and also his newest single (deck is already breaking big nationally). Tune, as the title implies, finds Frank at his light-swing romancin' best, capably backed by the Nelson Riddle crew. "This Was My Love" makes for a beautiful, moody companion piece.

"TIME MACHINE" (2:22) [Aldon BMI—Greenfield, Mann]

"DREAM LAND" (2:21) [Ultra BMI—Sheeley]

DANTE & THE EVERGREENS (Madison 135)

It's a good bet that Dante & the Evergreens will have a smash follow-up to their big version of "Alley-Oop." This 'natural,' tabbed "Time Machine," is a string-filled historic-novelty is loaded with hit ingredients. However, don't overlook the most attractive up tempo romancer on the lower half, "Dream Land." It also has that chart look.

GEORGE SHEARING (Capitol 4418)

(B+) "HONEYSUCKLE ROSE"
(2:25) [Joy ASCAP—Waller,
Razaf] In a rare singles appearance,
the famed pianist offers interesting
blues musings in his reading of the
evergreen. Billy May strings &
rhythm section are around for at-
tractive, soft-spoken effect. Will get
jock reaction.

(B) "BLUE MALIBU" (2:10)
[Bayes BMI—Shearing, Heg-
ner] Pretty Latinish phrasing finds
Shearing in familiar quintet sur-
roundings plus full ork. Side's from
his latest LP, "White Satin."

WILD BILL DAVIS (Everest 19372)

(B+) "BOOGIE WOOGIE" (2:01)
[Melrose ASCAP—Smith] In-
strumental oldie—getting renewed
disk activity—is in authoritative
hands, as the organist rocks it out
against a steady sound from the
combo. Teeners will find lots of beat
color here.

(B) "BLUES FOR BARBARA"
(2:13) [Allendale BMI—
Davis] More relaxed stint by the pro
and his backing.

CARRIE NELSON (Coed 534)

(B+) "COME A'RUNNIN'" (2:40)
[Winneton BMI — Smith,
Mapp] Lark gets the "Fever"-type
number's bluesy picture while the
backing has a sly touch which in-
cludes occasional string remarks.
Should interest the jocks.

(B+) "IT'S ME, IT'S ME" (2:23)
[Winneton BMI — Smith,
Jones] A polished portrayal of a
romantic re-write of the famed spiri-
tual, "Standin' In The Need of Prayer."

DAVE DENNY (Golden Crest 550)

(B) "THE NAUGHTY FLY"
tan] Contagious novelty-rocker with
(2:21) [Gamut ASCAP—
Leviton] Contagious novelty-rocker
with a country feel from the songster
and bright combo. Happy-beat item.

(C+) "I GOTTA HAVE MY
BABY BACK" (2:37) [Peer
International BMI—Tillman] Senti-
mental oldie is given a proper, easy-
beat reading.

RUDY RENDER (Dot 16120)

(B+) "TOO MUCH TO LOSE"
(2:12) [Moss-Rose BMI—
Blake, Vanadore] Current Carl Belew
country click receives an appealing
pop pose from the singer and easy
combo-femme chorus. Enough plays
could get deck off the ground.

(B) "THE HEART YOU BREAK
MAY BE YOUR OWN"
(2:35) [Vin-Sun ASCAP—Render,
Baum] Straight pop ballad is warmly
rendered.

RUSTY DORE (Luck 106)

(C) "WHY WAS I BORN" (2:49)
[T. B. Harms ASCAP—Ham-
merstein, Kern] Stylist offers an af-
fected, slow-beat treatment of the
mainstay against a sextette sound.

(C) "LITTLE GIRL" (2:19)
[Leeds ASCAP—Hyde, Hen-
ry] Another oldie is heard in a simi-
lar light.

MILT GRAYSON (Columbia 41754)

(B) "ONE MORE ONCE" (2:14)
[Tempo ASCAP—Ellington]
Fine, deep-voiced band songster en-
ters the Columbia catalog with a zest-
ful rendition of blueser penned by
Duke Ellington, the man heads the
bright ork backing. Solid legit
swinger.

(B) "LOST IN LOVELINESS"
(2:55) [Chappell ASCAP—
Robin, Romberg] An appealing return
for the neglected oldie.

MASCOTS (King 3577)

(B) "Do The WIGGLE" (2:35)
[Lois BMI—Adriotto, Vasis,
Redd] Boys "instruct" with a pro
beat-sound. Lead voice is Eddie Lev-
ert, and other singers support with
good novelty touches.

(B) "THE STORY OF MY
HEART" (2:50) [Wisto BMI
—Adriotto, Vasis] Same lead again
in a sentimental-rock showing.

QUINCY JONES ORCH.
(Mercury 71665)

(B+) "MOONGLOW" (2:48) [Mills
ASCAP—Hudson, DeLange,
Mills] The Quincy crew, which has
been getting rave notices in its Euro-
pean tour, displays inventive swing
reasons why in this smart arrange-
ment of the evergreen. Mighty fine
affair.

novelty with, of course, the title the
main gimmick sound.

(C+) "DO YOU HAVE THE

tassa] Lead offers a plaintive and
boys chant softly in the setting.

LILLIAN BRIGGS (Coral 62223)

TO BE LONESOME" (2:43)
[Tree Champion BMI—Anderson]
The strong, onetime country success

The performer in her familiar role
as a sock-rock attraction.

GEORGETTES (United Artists 237)

Pleasing portion.

An American gal meets a non-English
speaking Don Juan in this light tango

"I GOT A WOMAN" (3:29) [Progressive BMI—Charles]

"MESS AROUND" (2:46) [Progressive BMI—Nugetre]

SAMMY DAVIS, JR. (Decca 31136)

What could develop into the multi-talented performer's biggest sides to date is his fantastic up-dating of the Ray Charles winner, "I Got A Woman." Sammy puts his blues-heart into it as he, along with a fabulous Morty Stevens ork assist, drives out the tune with solid sales authority. Sy Oliver and Davis team up for a fine, fast moving performance of the blueser, "Mess Around." Both lids are culled from his new Decca LP, "I Got A Right To Swing."

"AND NOW" (2:36) [Alexis ASCAP—Weiss, Peretti, Creatore]

"THERE'S NOTHIN' LIKE A BOY" (2:01) [Alexis ASCAP—Worth]

DELLA REESE (RCA Victor 7784)

Della Reese turns in another beautiful, classical-flavored ballad performance on this new Victor release. It is a heartbreaker tagged "And Now," and it features an ultra-lovely reading by the thrush. Superb orchestral accompaniment by the Glenn Osser crew. "There's Nothin' Like A Boy" is the soft and pretty ear-pleaser on the other half.

"PLEASE" (2:05)

"I'LL PRETEND" (2:00)

[Famous ASCAP—Rainger, Robin]

[Carrie ASCAP—Gowans]

DEBBIE REYNOLDS (Dot 16119)

Miss Reynolds appears to have a pair of chart items in her latest for Dot. On one side she warmly revives, shuffle ballad-with-a-beat style, the lovely oldie, "Please." The other half, "I'll Pretend," is a very pretty romantic weeper taken for a teen styled, soft cha cha beat ride. Excellent ork support on both halves supplied by the Billy Vaughn outfit.

"LET THE GOOD TIMES ROLL, CREOLE" (2:17)

[Omell ASCAP—McFarland]

"SO RIGHT TONIGHT" (1:34) [Valley Brook ASCAP—Haley]

BILL HALEY (Warner Bros. 5171)

Bill Haley & his Comets should soon be rolling back into hit territory with his terrific teen beat entry, "Let The Good Times Roll, Creole." It's one of the crew's most commercial outing in quite some time and it should keep the coin chutes jingling day and night. The quick moving "So Right Tonight" also has a bright chart outlook.

"I GOT TO FIND MY BABY" (2:05) [Arc BMI—C. Berry Music]

"MAD LAD" (2:00) [Ro-Gor BMI—Davis]

CHUCK BERRY (Chess 1763)

Berry oughta get back to 'big-hitsville' real soon with this new Chess slice. It's an exciting jumper on which Chuck wails "I Got To Find My Baby." The teen hoofers'll be thrilled with this one. Artist's fine guitar work is highlighted on the captivating instrumental thumper "Mad Lad." Sensational coupler. Can also happen big.

THE BELL NOTES (Madison 136)

Two sensational teen beat rock adaptations of "Shortnin' Bread" hit the wax market and both versions look like big winners. One deck is by newcomer Paul Chaplin & his Emeralds and it's on the new Harper label (distributed nationally by Monte Bruce and Gone Records). The other release, on the hot Madison line, is by the Bell Notes of "I've Had It" fame. Chaplin has a new rocker, flipside, while the Bell Notes offer a warm, beat-ballad revival on their undercut.

JACK DAILEY (Jamie 1162)

(B+) "LITTLE CHARMER" (2:05)
[Joy ASCAP—Goehring, Warren, Farrow] This is the singer's English version of a catchy German import (his German version appears on the label's affiliate, Guyden, reviewed below). Cute stand that could move.

(B) "PLEASE UNDERSTAND" (2:54) [Metorion BMI—Westlake] A warm German import receives an English-lyric version (German lyric date is on Dailey's Guyden effort).

JACK DAILEY (Guyden 2038)

LITTLE BUCK (Duke 324)

[Lion BMI—Malone] Sincere blues expression in this corner.

BOBBY BREEN (NRC 055)

(B) "THEME FROM A SUMMER PLACE" (2:26) [M. Witmark ASCAP—Wiscant, Steiner] Former child star sings the lyric version of the recent Percy Faith instrumental hit against a lush ork-chorus setting. There's a soft triplet sound.

(C+) "HAWAII CALLS" (2:10)
[Santly Joy ASCAP—Owens] Arrangement is appropriately Hawaiian-flavored in this romantic outing.

REX ALLEN (Vista 363)

(B+) "CHARRO BRAVO" (2:19)
[Koko ASCAP—Allen] Happy Spanish-type ditty is brightly handled by the songster and ork-chorus. Number is in an upcoming Allen-featured flick, "For The Love Of Mike" and could come-up with solid airtime.

(B) "I LOVE YOU SO MUCH IT HURTS" (2:30) [Peer International BMI—Tillman] Proper sentimental view of the oldie.

GATEMOUTH BROWN (Peacock 1696)

(B+) "SLOP TIME" (2:34) [Lion BMI—Frank, Scott] Teen-beat dance is presented with a good Afro-Cuban rock approach by the band. Arrangement includes novel string effects. Teeners will deck as a listening and/or dance attraction.

(B) "GATE'S TUNE" (2:21)
[Lion BMI—Frank, Scott] The band smoothly portrays a pretty blues piece.

MARC STEWART (Columbia 41750)

(B) "LET ME BE THE ONE YOU LOVE" (2:05) [Cedarwood BMI—Wilkin, Westberry] Vocalist bows on the label with a good job on the tuneful, middle-beat affectionate. Effective shuffle sound from the ork-chorus. Nicely in the teen groove.

(B) "A BOY AND A GIRL IN LOVE" (2:42) [Camarillo BMI—Glasser] A reverent-type ballad gets a sincere survey from Stewart.

LARRY NOLAN (Eagle 110)

(B) "THE BALLAD OF FRANCIS POWERS" [Bob Miller ASCAP—Red River Dave] A well-defined march-beat to this version of the oft-cut re-write of "There's A Star-Spangled Banner Waving Somewhere."

(B) "GLORIA" [BMI—Navarro] The one-time teen click is given a pleasant soft-beat revival.

WEAVERS (Vanguard 35010)

(B+) "SINKING OF THE REUBEN JAMES" (2:39) [ASCAP—Guthrie, Hellerman] Outstanding folk-group tells of the sinking of the first U.S. vessel by a Nazi submarine in World War 2. Side—from the team's Carnegie Hall (Vol. 2) LP—has a commercial sound, and could collect big spins.

(B+) "ON MY JOURNEY" (2:35)
[BMI—Hays, Hellerman, Gilbert, Darling] Good spirits in another item from the LP. Tune is a re-write of "East Virginia Blues."

MARIA MARSHALL (Kent 347)

(B) "LIKE I'M THE LAZIEST CHICK IN TOWN" (2:40)
[CMA ASCAP—Jackson, Snel] Well-done blues-singer from the lark and Chubby Jackson ork.

(B) "YOU FALL IN LOVE WITH EVERYBODY" (2:53) [CMA ASCAP—Jackson, Snel] Same teaming in this faster-tempo date.

RUSSELL GARCIA (Verve 10217)

[Robbins ASCAP—Garcia] Another pretty selection from the pic score.

"JOLLY BOY" SHEPARD (Okeh 7735)

(B) "YOU CARE" (2:19) [Leeds ASCAP—Shepard] Blues artist gives a good light blues jump account of the ditty. Mostly a blues-market entry.

(B) "LOW DOWN DIRTY SHAME" (2:27) [Leeds ASCAP—Shepard] A "low-down" blues opus is socked-out by the performer.

"MARY" (1:50) [Vicki BMI—King, Mack, Jones]
"SOMEWHERE" (2:37) [Vicki BMI—King, Mack, Jones]
WILLIE JONES (Bigtop 3050)

This one's a real sizzler and it can put newcomer Willie Jones up among the front runners in no time flat. Artist is backed up in fabulous vocal and musical fashion as he cries out for his gal "Mary." Also keeps close tabs on the fine blues with a ballad beat, "Somewhere." Liza Smith convincingly joins in on this end.

"THIS OLD HEART" (2:08) "WONDER WHEN YOU'RE
[Wisto BMI—Brown] COMING HOME" (2:30)
[Wisto BMI—Brown]
JAMES BROWN (Federal 12378)

James Brown, and his Famous Flames, coming off two great blues performances in "Think" and "You've Got The Power," offers two more tremendous chart threats in the quick paced "This Old Heart" and the moving "Wonder When You're Coming Home." Both have the hit goods, vocally and instrumentally. Get with 'em.

"TING-A-LING (MY BANJO SINGS)" (2:42)
[Kingsley ASCAP—Niessen, Fleming]
"PENNY MELODY" (2:16) [Kingsley ASCAP—Niessen, Fleming]
JAN & KJELD (Jaro 77032)

Jan & Kjeld's bow on Jaro, the Top Rank affiliate, can follow the success path of their recent Kapp hit outing, "Banjo Boy." This one, tabbed "Ting-A-Ling," retains the charming, happy-go-lucky vocal and instrumental sounds of their aforementioned hit. "Penny Melody" is another delightful quick beat offering.

"C JAM BLUES" (Part 2) [Robbins ASCAP—Ellington]
"C JAM BLUES" (Part 1) [Robbins ASCAP—Ellington]
RAY BRYANT TRIO (Columbia 41761)

For the many fans who went wild over Ray Bryant's twin helping of "Little Susie" (which is still attracting loads of loot) comes another tempting jazz-oriented two-parter. This time it's Duke Ellington's famed "C Jam Blues" that the crew (Ray Bryant on piano, Tommy Bryant on bass and Jimmy Griffin on drums) up-dates with solid sales authority. Side to watch is part 2 where things pick up in swingin' style.

"SLOW DOWN SANDY" (2:16) [Westbury BMI—Quinteros]
"LINDY LOU" (1:23) [Clifton BMI—Quinteros]
EDDIE QUINTEROS (Brent 7014)

Quinteros, who broke into the chart ranks with his house-rockin' "Come Dance With Me," is back with more of the same powerhouse stuff that the kids'll delight to. The new pile-driver is dubbed "Slow Down Sandy" and it should get off to a fast sales start. "Lindy Lou" is also from the rockin' school.

"KING NEPTUNE'S GUITAR" (1:58) [Aldon BMI—Ford, Gallo]
"BEATNICK HOEDOWN" (1:47) [Aldon BMI—Ford, Gallo]
KING CURTIS (ABC-Paramount 10133)

Sax man King Curtis and his crew can step way out with this haunting instrumental debut for ABC-Paramount. It's an earpleasing beauty tabbed "King Neptune's Guitar" and it's replete with inviting sound effects a la "Enchanted Sea." It's loaded with chart potential. "Beatnick Hoedown," on the flip, is a tantalizing musical-novelty rocker tailored for the teeners. Outing is a Nevins-Kirshner prod.

"TEARDROPS ARE FALLING" (2:20) [Merrimac BMI—Kasha, Ott]
"NO MATTER WHERE YOU ARE" (2:42)
[Merrimac BMI—Kasha, Battista]
AL KASHA (Brunswick 55168)

Ace tunesmith Al Kasha can step out on his own with this terrific rocker from the Jackie Wilson school. It's dubbed "Teardrops Are Falling" and it's belted out with money-making teen spirit by Kasha and the Dick Jacobs' ork-chorus. Al demonstrates his winning ballad-way on the lower stanza.

ROD McCULLOUGH (Domino 902)

(B) "MY LONELY NIGHT"
(2:20) [Balcone BMI—McCullough] Haunting date, with the songster telling of a fella who finds his love just before he is to commit suicide. Combo and falsetto femme offer an intriguing setting. Might interest some jocks.

(2:33) [Stebrita BMI—Robbins, Toombs] An almost reverent approach to Robbins' statement here.

BILL COURTNEY (Roulette 4269)

(B+) "PETTICOATS FLY" (1:45)
[Vanlee ASCAP—Pockriss, Vance] Upbeat charmer from the songster, who is cheerfully assisted by a femme chorus. Gay teen sound that deserves airtime.

(B) "BLANKET ON THE BEACH" (2:15) [Vanlee ASCAP—Pockriss, Vance] Side's right-in-the-summertime-groove with its theme and lazy-rock quality. High-light is a chant sound from the gals.

GLORIA SMYTH (World Pacific 822)

(B) "WHEN YOU'RE SMILING"
(2:40) [Mills ASCAP—Shay, Fisher, Goodwin] Stylist takes a smilin' jazz attitude on the standard, while pianist Les McCann heads his crew with an almost gospel-like keyboard chore.

(B) "BILLY" (1:57) [Mills ASCAP—Paley, Kendis, Goodwin] Steady upbeat handling of the years-back Kathy Linden hit. Ronnie Ball is the hip pianist here.

KENNY RANKIN (Decca 31124)

(B) "CASEY JONES (The Brave Engineer)" (2:40) [Shapiro, Bernstein ASCAP—Newton, Seibert] Popular folk ditty is translated into a teen affair with good-sounding results. Rankin's vocal is bright, and Jack Pleis heads a fine swing-rock ork arrangement.

BEVERLY SISTERS (Mercury 71671)

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Pick of the Week

The following records were erroneously listed as Best Bets in the Aug. 6th issue:

"I WALK THE LINE" (2:45) [Hi-Lo BMI—Cash]
"WONDERING WHERE YOU ARE" (2:42)
[Hill & Range BMI—Blackwell]
JAYE P. MORGAN (MGM 12924)

Jaye P. Morgan's infectious up-dating of the while-back Johnny Cash country-pop smash, "I Walk The Line" can put her back up among the front-runners. Thrush hands in a stand out vocal job as the rhythm and string sections back up in attention-getting manner. Backing, "Wondering Where You Are," is a ballad-with-a-beat lovely that can also kick up a chart fuss.

"YOU TALK TOO MUCH" (2:21) [Ron BMI—Jones, Hall]
"I LOVE YOU STILL" (2:15) [Ron BMI—Jones, Hall]
JOE JONES (Ric 972)

This one by singer-band leader Joe Jones is already kicking up territorial sales reaction. It's an up tempo hip-swing on which Joe complains that his gal "Talks Too Much." He does the tune in the pic "The Dead One." "I Love You Still" is the fetching beat-ballad romantic blues coupler.

"LA BAMBA" (2:05) [Kemo BMI—Valens]
"IT'S TIME TO GO" (2:27) [Kemo BMI—Valens]
THE CARLOS BROTHERS (Del-Fi 4145)

"La Bamba," the sensational Mexican-rocker cut in hit style a short while back by the late Ritchie Valens (who also penned it), again has that smash outlook. This time it's by Del-Fi's Carlos Brothers, and their pounding vocal and instrumental (with strings). Rendition is just great. Coupler's a soft, appealing beat-ballad romancer.

"ROBOT MAN" (1:47) [Joy ASCAP—Dee, Goehring]
"WE'RE THROUGH WE'RE FINISHED" (2:25) [Joy ASCAP—Horton]
JAMIE HORTON (Joy 241)

Jamie Horton, who clicked with an item dedicated to "My Little Marine," has another entry that can follow suit. Stint, tagged "Robot Man" (the Connie Francis English hit), is an r&r handclapper from the romantic novelty dept. Jamie, the ork and vocal group knock it out with coin-catching glee. Pretty, beat-ballad self-penned weeper on the lower half.

"I MISS YOU ALREADY" (2:25) [Tree BMI—Rainwater, Young]
"MAID OF HONOR" (2:27) [E. H. Morris ASCAP—Cherdak, Loring]
MARGIE RAYBURN (Liberty 55273)

Margie Rayburn can have her biggest money-maker in quite some time as she culls one from the country hit ranks. It's the Faron Young biggie, "I Miss You Already," and it's a poignant, pop-styled job by the chorus-backed canary. Can be a smash. On the flip she tearfully tells that she's come off second best as the "Maid Of Honor."

"EVERY STEP OF THE WAY" (3:19)
[Pauline ASCAP—Stillman, Allen]
"IT TAKES TIME" (2:52) [Marin ASCAP—Segal, Fisher]
BILLY BORLYNN (Columbia 41765)

This one's bound to make the deejays sit up and take notice. "It's a very pretty, country-like sentimental ballad, titled "Every Step Of The Way," and it's warmly warbled by the smooth-toned Billy Borlynn. Soft Glenn Osser setting that includes sans-lyric femme chants. Much romantic appeal in the "It Takes Time" stand.

"YOU ARE MY GIRL" [Rabnack]
"SINKIN' THE ROBERT E. LEE" [Rabnack]
THE 3 STOOGES (Spinit 105—Now on Epic 9402)

There's loads of sock commercial sounds packed into this release by a group tagged the 3 Stooges. Dubbed "You Are My Girl," it's a pounding rafter-shaker that has a growling sax, Minsky's-like ("Pretty Girl Is Like A Melody") opener. Fetching lyrics tell about a gal who's the 'pride of the old witches home.' The rockin' instrumental flip also has a slow paced opener. Solid entry for the hoofers.

VINNIE MONTE (Jubilee 5391)
(B+) "TRAIL OF TEARDROPS" (2:00) [E. B. Marks BMI—Barry, Raleigh] Natural teen songster is involved in a good rock-a-cha romantic. Femmes & guitars are the important setting sound. Strong label debut for Monte.
(B) "RED INK" (1:58) [Ark-La-Tex BMI—Jay, Obrecht] Real busy rocker, with Monte knocking out a tale about guy who's got his gal's name written in red ink in a host of places. Fine sock performance by combo-chorus.

JEANIE JOHNSON (RCA Victor 7782)
(B+) "JOHNNY MY LOVE" (2:44) [Acuff-Rose BMI—B&B Bryant] An appealing return for the pretty, onetime Wilmer Lee & Stoney Cooper country hit. Lark's touching tale is supported with a silken combo-femme chorus setting. Could get around.
(B) "WISHING WELL" (2:35) [Sure Fire BMI—Johnson, Helms] More wistful warmth from the performer and support.

PING PONGS (United Artists 236)
(B) "SUMMER REVERIE" (2:17) [G-Note BMI—Winterfield, Rosenstock, Garson, Petrone, Chicofsky] Providing a break from the rash of summertime novelties, boys do a handsome job on the pretty soft-beat ballad. Effective percussion sound in the backdrop. Kids will feel for the take.
(B) "ZYZZLE" (1:58) [G-Note BMI—Garson] Gal calls the guy "zyzzle" (supposedly the last word in the dictionary) in this good-sounding shuffle beat rocker.

VIC GARCIA (Manco 1003)
(B) "BLACK SHADOWS" (2:50) [Bluebonnett BMI—Robin] Songster-guitarist offers a dramatic, Spanish-styled offering. His colorful guitar work produces the better commercial sound.
(C+) "DESIGNED FOR LOVE" (2:50) [Bluebonnett BMI—Robin] Straightforward ballad spotlights Garcia's nice vocal sound.

RONNY ANDREWS ORCH. (Myers 109)
(B) "ON THE ROAD TO MAN-DALAY" (1:57) [G. Schirmer ASCAP—Speaks, Kipling] Perennial gets updated in a smart swing manner. Plenty of zip to this session. Merits bright instrumental-time spins.
(B) "LONESOME IN A CROWD" [Myers ASCAP—Tumolo, Andrews] Joan Eden is a nice band-styled thrush in this moody display. Tune is classy.

MUSIC MASTERS (Mark 1 1010)
(B) "THE OTHER SIDE OF THE MOON" (2:21) [Coursey BMI—Bradshaw, Thompson] Generally intriguing Latin touch to this all-combo attraction. Guitar plays the tune against soft percussion work.
(B) "VAPOR TRAILS" (2:10) [Coursey BMI—Bradshaw, Thompson] Guitar is employed more trickily in this easy-rock stint.

DUTCH BAND ORGAN (HiFi 5003)
(B) "TENNESSEE WALTZ" (1:45) [Acuff-Rose BMI—Stewart, King] Smooth 3/4 time playing by the organ, which has a HiFi album named after it. Source of this session.
(B) "YOU CAN'T BE TRUE, DEAR" (2:30) [P.D.—Otten] The ancient provides another waltzer from the instrument.

JUANITA NIXON (King 5375)
(B) "LET ME BE FREE" (1:55) [Selbonn BMI—Myles] Stylist gives a good account of the semi-emotional blueser. Combo and chanting gal chorus help in the drama.
(C+) "STOP KNOCKIN'" (2:35) [Stebrita BMI—Myles] More of a basic blues sound to light upbeat presentation.

FOUR TOPS (Columbia 41755)
(B) "AIN'T THAT LOVE" (2:22) [Levi Stubbs BMI—Stubbs] R&B-flavored team bows on the label with a happy-beat blueser. Team has a fine teen spirit.
(B) "LONELY SUMMER" (2:48) [Merrimac BMI—Kosloff, Kasha] Item gives the crew a chance to display its rock-ballad wares, and it comes-across with sincerity.

JERRY ROBERTS (ABC-Paramount 10130)
(B) "MADONNA" (2:09) [Dundee BMI—Roberts, Roberts, Petty] Nice, "Venus"-sounding affair from the songster and Latin-styled setting. Teeners will like the sentiments.
(B) "ALL THAT REMAINS" (2:00) [Dundee BMI—Roberts, Roberts] Vocal & whistle in this plaintive portrayal.

JERRY DANE (London 1926)
(B) "YOU'RE MY ONLY GIRL" (1:45) [B. F. Wood ASCAP—O'Mahoney] Deck is hep to current sounds. Dane warbles a catchy affectionate and receives effective string comments from the ork. Due for OK spins.
(B) "NOTHING BUT THE TRUTH" (2:00) [Progressive BMI—Hirst, Ruvin] Strings speak well again in this pleasing middle-beat effort.

CHARLES SIMS (Aladdin 3466)
(B) "TAKE A BATH" (2:05) [Aladdin BMI—Sims] Rockin' blueser aimed mostly at the R&B trade. Sims turns-in a solid sock vocal, and the combo backs-up with driving zest.
(B) "YOU'RE GONNA NEED ME BEFORE I NEED YOU" (2:30) [Aladdin BMI—Sims] Deliberate-paced blues wailing in this corner. Good honky-tonk effects from keyboard.

The Cash Box Best Bets

LEE HAZLEWOOD (Jamie 1158)

(B+) "THE GIRL IN DEATH ROW" (2:39) [Dijon BMI—Hazlewood] Songster Hazlewood and the Duane Eddy-directed rock-a-string backing offer a haunting account of a folkish item from a new pic, "Why Must I Die." Striking session that can come thru.

(B+) "WORDS MEAN NOTHING" (2:09) [Gregmark BMI—Eddy, Hazlewood] Could be sales news for this portion, a light romantic bouncer conveyed with a sure-handed teen-touch by the singer and setting.

PASADENA POLYTECHNIC SCHOOL GLEE CLUB (Warner Bros. 5168)

(B+) "THE WHOLE YEAR 'ROUND" (2:44) [Montclare BMI—Gilkyson] Charming cut with a "leader" (could be Terry Gilkyson) giving the kid chorus the lyrics to a disarming tune of hope. One of those items that could prove a "sleeper"...

(B) "THREE RINGS" (2:30) [Montclare BMI—Gilkyson] The group performs engagingly without the "leader" bit.

STAN FREBERG (Capitol 4433)

(B+) "COMMENTS FOR OUR TIME—Part 1" (1:44) [Freberg ASCAP—Freberg, May] The satirical hand of Freberg comes thru humorously in this date which has a sort of "blackouts" quality, with short bits wedded together by a catchy theme from the Billy May ork. Could make it.

(B+) "COMMENTS FOR OUR TIME—Part 2" (1:44) [Freberg ASCAP—Freberg, May] More thoughts for the thinking man.

GENE McDANIELS (Liberty 55265)

(B+) "GREEN DOOR" (2:20) [Trinity BMI—Moore, Davie] The awhile-back novelty hit returns in a smart, Bobby Darin-type swing date, with songster McDaniels nicely hip in front of the bright, build-up arrangement from the ork. Could score.

(B) "THE FACTS OF LIFE" (2:19) [Famous ASCAP—Pockriss, Crosswell] Searching romantic philosophy in this legit croon date. Handsome showing.

BABY BOY JENNINGS & SATELITES (Savoy 1589)

(B+) "LITTLE GIRL" [Savoy BMI—Everhart, Ennis] Infectious blues-flavored date that could do important pop business. Tune is catchy, and reading by Jennings and the songsters has pro zest. Watch it.

(B) "GOIN' HOME" [Savoy BMI—Jennings, Lattaker] More of a driving blues nature to this well-done waxing.

ERNIE MARESCA (Seville 107)

(B+) "I DON'T KNOW WHY" (2:27) [Tray ASCAP—Maresca] This fetching up tempo romancer has a bright hit sound to it. Chorus and ork supply the finger-snapping showcase for Maresca's teen-appealing piping. Strong side to watch.

(B) "LONESOME BLUES" (1:48) [Tray ASCAP—Maresca] Haunting, steady beat entry here. Can also make noise.

BOBBY JOHNSTON (Mercury 71668)

(B+) "THAT CHICK AIN'T LOVIN' YOU" (2:10) [Robert Mellin BMI—Harrison, Johnston, Mellin] Songster knocks one out about the clues to true-love. Accompaniment from the combo-chorus is colorful. Kids will welcome the sound.

(B) "FLAT TIRE" (2:20) [Brenda BMI—Otis, Dixon] Somewhat less punch to this romantic-novelty, but the youngsters will again appreciate.

PILTDOWN MEN (Capitol 4414)

(B+) "McDONALD'S CAVE" (2:28) [ACM BMI—Mayorga, Cobb] Label's new combo attraction offers an original driving sound in this teen version of the kiddie favorite, "Old MacDonald Had A Farm." Percussionist has a good slap gimmick. Fine sock-rock product.

(B+) "BRONTOSAURUS STOMP" (2:28) [ACM BMI—Mayorga, Cobb] Boys again present a strong, all-out rock stint.

STARGAZERS (Palette 5059)

(B+) "THREE BEAUTIFUL WORDS" (2:00) [Zodiac BMI—Barnes, Adams] Popular British vocalists make their U.S. disk bow with a fine ballad on a pretty opus. Effective bits in the deliberate-beat combo stand. Could come-up with important deejay action.

(B) "SECRET STAR" (2:00) [Zodiac BMI—Barnes, Adams] An intriguing plaintive sound to this session.

BOBBY & LILLY (United Artists 247)

(B+) "ONE STEP DOWN" (1:47) [Sea Lark BMI—Pitney, Schroeder] Beat is bright in this colorful stint by the boys and backing. That backing includes Don Costa's usual teen know-how with rockin' strings and chorus statements. Could happen.

(B) "YOU'RE SORRY" (2:40) [Champion BMI—Self, Allbritten] Effective lazy blend by the vocal-duo on the pretty, years-back plaintive. Don Costa's strings are appropriately unhurried. Attractive date.

LOUIS WATTS (Val-ue 1001)

(B) "MY FOOLISH HEART" [Joy ASCAP—Young, Washington] Beautiful oldie receives a warm blues-type vocal from the singer. Deliberate-beat from the combo includes a heavy triplet sound. Has pop-R&B appeal.

(B) "DON'T FORGET" [Hart—Watts] Session has a funky-ballad sound.

DAVE CURTIS (Don Ray 5961)

(B) "SWEET LITTLE LASSIE" (1:30) [Don Bennett BMI—Finley, Stevens] Side is in lively rock spirit. The Curtis vocal is enhanced by fine femme comments and a strong combo beat. Solid rock joy.

(B) "COLD GREY DAWN" (1:50) [Don Bennett BMI—Mershon] As the title indicates, this is a tale of loneliness, and all concerned get the plaintive picture. Effective essay.

JOHNNY OLIVER (Mercury 71662)

(B+) "WHAT WENT WRONG" (2:40) [St. Louis BMI—Pomus, Schuman] A fella's disenchantment is carried with conviction by the artist, who receives a soft and sympathetic support from the ork-chorus. Should see some action.

(B) "IF EVER A MAN NEEDED SOMEONE" (2:23) [Actual BMI—Medley] More of a rhythm nature—ala a Brook Benton & Dinah Washington outing—in this session on a tune with an old-fashioned ballad flavor.

JERRY DIXON (Don-Mar 4044)

(C) "I SAW MY DARLING LEAVING" (2:56) [Antone ASCAP—Macario] A wistful waltzer from singer Dixon.

(C) "I LOVE ONLY YOU" (2:07) [Antone ASCAP—Macario] A polka-beat also about a gal who's left the chap.

RUDY LEWIS (Art 157)

(B) "MOONBEAM" (2:24) [Artrec BMI—Rudasill] Appealing theme gets a pretty combo setting, with accordion & tambourine heading the arrangement. Kind of sound that could get some attention.

(C+) "BEER, BEER, AND MORE BEER!" (2:26) [Artrec BMI—Rudasill] Songster & chorus perform in this polka date.

HERMAN FELLER JR. SWISS BAND (Cuca 1007)

(C+) "SWISS TEEN SONG" (2:40) [James E. Kirchstein BMI—Arr: Feller] The band presents a polka which also includes yodeling.

(C+) "NEW GLARUS WALTZ" (2:13) [Kirchstein BMI—Feller] A waltzer with a yodeling stint.

ROBERT HOLLIDAY ORCH. (Everest 19370)

(B) "IT HAPPENED IN NAPLES" (2:40) [Famous ASCAP—Gabler, Cicognini, Savina] A big ork-chorus sound to this version of the oft-cut pic main-title. Handsome production that rates spins.

(B) "GOLDEN EARRINGS" (2:25) [Paramount ASCAP—Young, Livingston, Evans] A little more subdued work on the lovely melody by the late Victor Young. Also worth plays.

JUNE SCOTT (King 5385)

(B) "AFTER TONIGHT" (2:08) [Jeannie ASCAP—Shapiro, Parman] Songstress is over-dubbed as she nicely offers the wistful. Attractive Latinish sound from the rock-a-string backdrop.

(C+) "PRIVATE PROPERTY" (2:11) [Lois BMI—King, Stewart] A country flavoring to this semi-jump date.

JIMMY NALL (United Artists 242)

(B) "RED SWIM SUIT" (2:23) [Nash-Beau BMI—Greene] Good easy jump-beat tale of love found at the beach is relayed with pro teen stuff by the singers and rock-a-string ork. Pro summer-rock stand.

(B) "THE HEARTACHES THAT YOU BRING" (2:08) [Nash-Beau BMI—Lee] A country-styled disenchanted for the artist, who wraps-it-up with conviction.

JAMIE VAN LOAN (Blue Bell 501)

(B) "ASK" (2:15) [Muret ASCAP—Wisner, Crawford] The former member of Billy Ward's Dominoes does an honest job on the feelingful, inspirational-type romantic. Handsome affair. Jamie distributes the label.

(B) "WHAT'S YOUR NAME, LITTLE GIRL" (2:10) [Fury BMI—Van Loan, Lutz] For the R&B market comes this novelty blues rocker.

LORI PHILLIPS (Tops 318)

(B) "ALL ALONE" (2:22) [Irving Berlin ASCAP—Berlin] Stylist encounters the venerable ballad with a nice light-swing touch. In the setting, strings back a cozy combo sound. Merits deejay attention.

(B) "FALLING IN LOVE WALTZ" (2:38) [Marlen ASCAP—Burke] Organ is featured in the lark's sentimental, multi-tracked reading.

DORIES (Dore 556)

(B+) "DON'T JUMP" [Hillary Little Darlin' BMI—Martin] Effectively done affair by an unbilled thrush about a gal who tells her boyfriend not to jump to his death from a ten-story building (seems he found her cheating on him). These kind of themes have been hitting (i.e. "Teen Angel"); could be activity here.

(B) "THEY GO APE" [Hillary Little Darlin' BMI—Jay] Mixed group presents a rock-novelty about a top chick.

Ertegun To ARMADA Board; Ross Named Exec-Sec'y

NEW YORK—Ahmet Ertegun, President of Atlantic Records has been named to the executive board of directors of ARMADA, it was announced last week by Art Talmadge, president of the organization. Ertegun joins the ARMADA executive board which includes Amos Heilacher and Harry Apostolerie.

The appointment of Jordan Ross as executive secretary of ARMADA was also announced by Talmadge. An attorney and accountant, Ross will headquarter at his Chicago office, 185 North Wabash. Ross is now working in conjunction with ARMADA's legal counsel, Blanc, Steinberg, Balder & Steinbrook, on bootlegging developments in California.

Terry Snyder Signed By UA For New Ultra Audio Label

NEW YORK—United Artists' Art Talmadge has announced the signing of Terry Snyder to an exclusive recording contract with the label. The label's vice president and general manager said that final arrangements with Snyder have been completed by David V. Picker, executive vice president and Don Costa, director of A&R. The signing of Terry Snyder signals the kick-off of a new UA Sound Series to be released September 15. The series will be released on a new label Ultra Audio (using the initials of the parent label) a product of United Artists Records.

Snyder's "Persuasive Percussion" album on Command is the top selling stereo album in the country. It has been the Number One album for the past three or four months. Snyder's follow-up album "Persuasive Percussion Volume 2" is in the top twenty on the nation's best-selling album charts. Snyder developed the ideas for other strong selling albums on the Command label including "Provocative Percussion."

The first album in the new Ultra Audio series will be "Mister Percussion" by Terry Snyder and the All-Stars and will be released as one of five albums to retail for \$4.98 in mono

and \$5.98 in stereo.

Information about the Ultra Audio series was given out at UA's recent distributors' meeting in New Orleans but was not announced in detail.

Several features will highlight the release of the Ultra Audio series. Each album is being packaged in a special polyethylene container. An unusual dispenser has been developed to provide dealers with an attractive display unit. The albums will be double-jacketed providing space for visual illustrations of the recording performance of each instrument. Along with the package Ultra Audio is including a mechanical gimmick, being kept secret for the time being, which will enable a listener to be his own engineer. The listener will be able to test his speakers and balance them correctly. Ultra Audio is mapping out an extensive consumer ad campaign to back up their releases.

Plans are set to release at least fifteen more albums in the series by the first of the year. UA expects to increase its annual billing by at least \$1,000,000 as a result of the new label.

Shown at the contract signing, above, are Art Talmadge, Terry Snyder, David Picker and Don Costa.

Ram's Personality Prod. Opens Ohio Branch

NEW YORK—Personality Productions, Inc., owned by composer-producer Buck Ram, with offices in Hollywood and New York, is expanding activities to include a third branch office in Cleveland, Ohio, under the management of Bill Crane, owner of the Manhattan Talent Agency there. Crane, a former West Coast DJ, who gained popularity a few years ago as "The Raven," has already brought two acts in to the organization—Sonny Turner, who replaced Tony Williams of The Platters, and a singing trio known as The Kampus Kids. The group, under the musical supervision of Buck Ram, will hit the market in September with its initial release on a major label.

Crane has his own road tours throughout the country, his own recording studio, and he plays host to many artists who visit Cleveland. His added duties for Personality Productions will include the screening of new talent and promotion of records and activities of the artists now under management. The addition to his organization of an artists' business manager like Crane will make it possible for Ram to do more writing and recording of the artists—to supply the various major labels with whom Ram has independent production deals for masters.

Ram has also accepted the Musical Directorship for the first of six pictures to be filmed in Europe by Lancer Films, Inc. next year, while currently he's working on plans for a new record company with Irving Green, president of Mercury Records, which will handle the releases of Tony Williams formerly of The Platters, and other new artists as well.

Walt McGuire of London Records, in the meantime, reports very favorable action on the Felsted label for The Flares first release produced by Ram, called "Hotcha Cha Cha Brown" and "Loving You," while another release on Felsted is being set for late August, this one by Stewart Rose.

Norman Paul retains the management of Personality Productions West Coast office, while Jean Bennett remains head of public relations and management in New York.

Cosnat's New Chi Outlet To Add 1 1/2 Million Annual Volume

NEW YORK—Cosnat Record Distributing Corp., last week predicted that its Chicago branch, opening this week (8), will add between \$1,500,000 to two million dollars annually to the Cosnat volume.

"Chicago will prove to be the stepping stone to Cosnat's expansion in the West," said Elliott Blaine, general manager of the Cosnat distributing organization, upon his return to New York from helping to set up their newest branch at 1321 So. Michigan Avenue.

Ed Walker's appointment as branch manager was also announced at this

time. Walker, a veteran of 14 years record experience, had formerly been branch manager of Decca Records.

The Chicago office, the third new branch to be opened by Cosnat within a year, with Cincinnati having been opened in November and Pittsburgh in May, is the eighth branch in the Cosnat organization.

2nd Camden "Popeye" LP Follows A Kiddie Smash

NEW YORK—"Popeye's Favorite Sea Shanties," which has been on the "best-selling children's" album list for over a year, now has a companion-package with the release of "Popeye's Favorite Stories" on the Camden label. The demand for a second "Popeye" album among Camden distributors and dealers has reportedly been "unprecedented," and in ordering the new Popeye album, the distributors and dealers are placing heavy orders for the initial package as well, as they feel that the two albums can be sold as a "team."

The new album as well as the original "Popeye" album will be promoted via approximately 175 TV stations from coast-to-coast and there will be special promotions sparked by Camden in these areas for both albums.

NEW YORK—Kitty Kallens' next Columbia single will be "Be True To Me," an English version of "Sabor A Mi" which is currently a best-seller throughout Latin America. NEW YORK—Allan Emig, head west coast engineer for Columbia Records for the last two years, has announced his resignation.

In addition to his engineering duties, which included supervision of west coast recordings, Emig also served as producer in the pop A&R department, and was active in planning and development of the new west coast studio, soon to be opened. Before joining Columbia, Emig was employed by Capitol Records.

Another Pic For Eddy

HOLLYWOOD — Guitartist Duane Eddy has been re-signed by producer Jerry Bresler for his next Columbia picture, "Gidget Goes Hawaiian." The Jamie disk standout appeared in Bresler's "Because They're Young," the main-title of Eddy's current hit. A new Eddy album—to be named after "Young"—is in the works.

Villettes Bow On MGM

NEW YORK—The Vilette Sisters (Elaine and Regina), seasoned French vaudevillians just in their teens, are beginning a new career as a recording team for the MGM label.

Discovered in a Paris night club by publisher and artist manager George Weiner, the girls were brought to the attention of MGM president Arnold Maxin who signed them to an MGM contract. Their first sides, due out soon, are "The Rainbow" and "I Gave Him Back His Ring."

Above, the sisters pose for a pic with MGM recording director Ray Ellis (left) and manager George Weiner.

Gay Adds 3 More Stations

WASHINGTON, D.C.—Connie B. Gay, radio and TV producer and president of the Country Music Association, has purchased three (3) more broadcasting properties, subject to the approval of the FCC.

Highlighting his latest venture is the acquisition of his first television station, KFEQ-TV in St. Joseph, Missouri. KFEQ is on Channel 2, and is a basic CBS affiliate holding a secondary agreement with ABC. Also purchased was KFEQ Radio (5000 watts at 680 kc) in St. Joseph. The third station obtained in this multiple buy was KLIK (5000 watts at 950 kc), in Jefferson City, the Missouri State Capitol. Total purchase price is \$1,850,000. The sellers are the Fine family and Associates of Evansville, Indiana. All three stations are managed by Theodore Nelson and no staff changes are anticipated.

KFEQ-TV has been operating for seven years, while its companion radio station is one of the oldest in the nation with a record of 37 years of service to the agricultural belt of Northeast Missouri, Southwest Iowa, Southeast Nebraska and Northeast Kansas. Channel 2's signal is well known to sports fans throughout the Midland Empire since the CBS game of the day is blacked out in Kansas City as well as other major league cities. Other Gay holdings include: WQMR-Washington, D. C.; WGAY-FM, Washington, D. C.; WTCR-Huntington, W. Va./Ashland, Ky.; WFTC-Kinston, N. C., as well as the "Town & Country" enterprises through the U. S.

New Philco Phonos Tie-In With Col's Auravision Disks

NEW YORK—The Philco Corporation, in behalf of its new "Philco Reverberation Sound" phonos, is the latest company to make use of Auravision, the sound-with-printed-matter sales tool developed by Columbia Transcriptions—a department of Columbia Records.

More than a quarter of a million self-mailing Auravision records have been ordered by Philco, according to Columbia Transcriptions General Manager, Calvin Roberts. National advertising and department store mailings will invite consumers to write in for the free demonstration record, which includes music by Percy Faith and a Philco message by Patrice Munsel. After playing the record at home, consumers can make vivid comparison between their home equipment and the new "Philco Reverberation Sound" demonstrated at local stores.

Since Columbia Transcriptions introduced its Auravision process five years ago, the new device has developed new concepts in the use of premiums. The recordings have been used as Christmas cards, charity appeals, direct mail advertising and, magazine inserts. Remington Rand was the first company to use a recording in a national magazine ad, distributing over 6,000,000 Auravision discs through its advertising in Look magazine.

**Liberty Fall Program Most "Ambitious";
Featured Is Ten New Albums**

LOS ANGELES—Liberty Records "most ambitious and diversified sales program yet" fall program and ten LP's to go along with it were announced last week to those attending the label's annual, two-day distrib conference. The diskery said the LP's would be backed by a "powerful and extensive merchandising and promotion" program.

The LP's are: "60 Years Of Music America Hates Best"—Spike Jones; "Around Midnight"—Julie London; "Laughs For Losers"—Dave Barry (this is the diskery's first entry in the spoken-word comedy field); "Martin Denny's Exotic Sounds Visit Broad-

way"; "The Swingin' Eye"—Si Zentner; "Together Again"—Country artists Bob Wills & Tommy Duncan; "Dreamin'" — Johnny Burnette; "Learn—Play Bongos"—Jack Costanzo; "Swing Along With The Singin' 30's"—Johnny Mann Singers; "The Original Hits—Past & Present"—Thirteen original singles hits.

"No package of Liberty releases," said label president Al Bennett, has ever embraced a more varied and lively selection of artists, covering the full range of recording entertainment. Bennett predicted this would be Liberty's most successful fall release in the history of the diskery.

Duffy Named Victor Pop A&R Producer

NEW YORK—Bob Duffy has been appointed as a pop A&R producer for RCA Victor Records, it was announced last week by Robert L. Yorke, division vice-president of Commercial Records creation department.

In his new assignment, Duffy will concentrate on producing LP's. One of the main emphases of his job will also be the seeking out and auditioning of new talent in both the pop and jazz fields.

Duffy brings a wide-range of musical experience to his functions as an A&R producer, from actual performing to personal management. In the late 40's, he had his own TV program as well as radio show devoted to pop music. For several years, Duffy headed up his own band and toured the Eastern seaboard in a long series of engagements. He has worked with Ralph Bellamy and Melvyn Douglas, among others, in dramatic TV shows and has personally produced several of the most successful special-package night club shows in the country.

London Handles Seville

NEW YORK—The London Records Group has taken over the distribution of the Seville label. Seville's co-owners Murray Sporn and Danny Kessler will continue to produce the diskery's sessions. First release under the deal is "I Don't Know Why" by songster Ernie Maresca, who is also an arranger-writer.

PMM-Waring Outing Set

NEW YORK—The Professional Music Men and Fred Waring have set September 9 as the date for their 16th annual "get-together." The affair, by invitation, will be held—as in the past—at the Fred Waring Country Club, Shawnee on Delaware, Shawnee, Pa. Arrangements are being handled by Bob Miller of the PMM's office, 1270 Sixth Ave., this city.

In addition, Duffy has been closely involved in personal management and music publishing.

Duffy joined Victor in 1956 and has spent most of his time as a member of the Victor field sales force, heading up both the east-central and north-eastern sales force organizations before moving into Victor's 24th Street office.

ALL ABOUT DISK JOCKEYS

WNBC-New York on July 29 based much of its programming on material culled from **The Cash Box** disk jockey poll which appeared in our 18th Anniversary issue. . . . Cleveland KYW Radio's **Swingin' Sweeney** won the annual Oil Can Derby sponsored by the Standard Oil Co. of Ohio. The race, for radio and television personalities in Cleveland, is held each year in conjunction with the Cleveland Plain Dealer's Soap Box Derby. The broadcaster's race is a humorous and much-awaited highlight of an afternoon of youthful enthusiasm viewed by 10,000 spectators. Sweeney, a newcomer to Cleveland, having shifted to KYW last month from WHOT-Youngstown, beat out eight others racing down a steep hill in midget cars. . . . While on the subject of cars. . . . **Bob Sievers**, WOWO-Ft. Wayne disk jockey, figured recently in a supreme hoax but took it like a sport. (Did he have any choice?) While he was driving an old-fashioned mail buggy to the rural mail carrier's convention in Decatur, Ind., he was held up by armed, masked desperadoes who tied up the baffled deejay and left him in a wooded area, taking the listeners' mail he was delivering. Indiana State Police arrived on the scene, gave chase and brought back the mail; then took Sievers to the convention the rest of the way by helicopter. As it turned out the holdup was planned by a group of businessmen from Decatur and a local riding club, staging the event under the protection of the police who were in on the gag. One of the leaders claims the inspiration for the holdup came from watching a TV western. . . . Unbeknownst to each other, two jockeys are Europe-bent. **Pierre Andre**, who recently celebrated his 30th Anniversary with WGN-Chicago, is making plans for his annual month-long tour of the Continent. And **KDKA-Pittsburgh's Rege Cordic** is spending August in London, Paris and Istanbul. A portion of his trip will be devoted to filming and recording commercials for **Olde Frothingslosh** (the pale stale ale with the foam on the bottom) in English settings to duplicate the Upper-Crudney-on-the-Thames site where the brew was supposedly first developed. Originally a Crodic spoof on beer commercials, **Olde Frothingslosh** was marketed by the Pittsburgh Brewing Company half a dozen years ago. It is now sold in six states each Christmas-New Year's season. Cordic and his company (**Bob Trow & Carl Hardman**) have recorded some 60 comedy routines for use on the show during their absence.

Something new has been added to Houston radio—the "3-D" sound of KNUZ. A new sound system, put into operation last week at the station, gives a "crisper and fuller" sound said general manager **Dave Morris**. Reports indicate listeners are equally enthusiastic about the new "concert hall quality" of the station sound. . . . While we get word that **Dave Sweet** (WICE-Providence) became the poppa of **Jennifer Nancy**, we also learn that two **KISN-Portland, Ore.**, jockeys are anticipating deliveries by their wives in November. Since both are due in November, and each not to be outdone, **Bob Stevens** challenged **Hal Raymond** to an election day bet—that is, both claim their kids will first see the light of day Nov. 7. Rival camps have been formed for the ensuing competition. . . . **WINS-New York** is searching for the "prettiest little girl in WINSland" between the ages of 2 and 12 years to be crowned "Miss Peacock." Entries, from photographs sent in by listeners, will be judged by the **Foster-Ferguson Talent** agency. Winning gal will get an all-expense paid trip to Las Vegas for her and her parents. . . . **KEX Wacky Waikikians** enliven Multnomah County Fair: The DJ's at the Portland, Ore., station worked up a comedy act for local personal appearances known as the **KEX Wacky Waikikians**. They inflicted themselves on Multnomah County Fairgoers but luckily it was for only one appearance. . . . Now that the party conventions are over and the 1960 political "talk-a-thon" just underway, **WCKR-Miami** disk jockeys thought listeners had heard more than enough talk; so for an entire day last week, jockeys **Jim Tate**, **George Patrick**, **Tom Looney** and **Rick Shaw** whispered only. No out-loud talking was allowed and listeners who called in quickly when a slip was made were awarded five bucks shush money. . . . The **WSET-Glens Falls, NY "Music Makers Four"** donated two skin diving suits to two area divers who have recently uncovered a rich discovery of old ships at the bottom of historic Lake George. The station has had exclusive coverage of the entire operation. . . . "Dixieland Workshop," a new program hosted by **Skip Arthur** and **Burt Johnson** aired over **WSBC-FM-Chicago** featuring the best in Dixieland music bowed July 30. Both co-hosts are avid students of the art and bring to the program a knowledgeable and informative approach to Dixie.

VITAL STATISTICS:

During **Rege Cordic's** (and company) August absence from **KDKA-Pittsburgh**, **John Stewart** is conducting the 6 to 10 AM stint. . . . New program director at **WIRL-Peoria, Ill.**, is **Dave Diamond**, who was formerly with **KOIL-Omaha**. Diamond replaces **Jay Lawrence**, now spinning disks for **KLIF-Dallas**. Another change at **WIRL** has **Ray VanSteen** replacing **Bruce Still** as production supervisor. . . . **Tom Griffiths** has taken over two weekend disk shows for **KYW-Cleveland** in a recent personnel shift at the station. . . . **Tom Breneman** moving around and up the ladder quickly. After a brief but successful six month stint at **KTKT-Tucson** he's moved into a post with **KTLN-Denver**.

The Ventures

Don Wilson, Bob Bogle and Nokie Edwards, guitarists, and Howie Johnson, drummer, the four young men who make up the instrumental group known as the Ventures, are quickly rocketing to stardom via their first recording, "Walk, Don't Run."

The history of the group goes back only two years when Don and Bob began taking guitar lessons together. They appeared for a while as a double in clubs in their home town of Tacoma, Washington. In February of this year the group was enlarged to include two more musicians from Tacoma and the four quickly gained recognition as a top instrumental combo around town.

The group was "discovered" by **Josie Wilson** who immediately recorded them in "Walk, Don't Run" for release on his local **Blue Horizon** label. Reaction was so quick that **Dolton Records**, a **Liberty** affiliate, bought the master and released it through **Liberty** distribution channels, assuring nation-wide distribution of the record. That's all that was needed, for the song gained immediate acceptance—jumping this week into the #9 slot on **The Cash Box** Top 100.

The Ivy Three

Like so many of their contemporaries, the three young men who comprise the **Ivy Three** met while attending the same school and began singing together strictly on a campus entertainment basis. Their success with their classmates led them into professional work and eventually to a record date which resulted in the novelty hit, "Yogi."

The group, consisting of twenty-three year old **Long Islander's** **Don Rubin**, **Charlie Cane** and **Artie Berk**, first assembled on the campus of **Adelphi College** in **Garden City, Long Island**. Each realized an individual ambition to sing and together found local success in this ambition. Dates at college functions and local clubs followed.

Then came what the boys consider their first big break—an audition for **Shell Records** and a recording contract. **Shell** producers and songwriters **Lou Stallman** and **Sid Jacobson** came up with the "Yogi" song, based upon the **Huckleberry Hound** TV character, and this was set as the **Ivy Three's** first record. It proved to be a wise choice.

Peggy Lee Honored By Musicians

LOS ANGELES—Peggy Lee was recently honored by Local 47 (Los Angeles) of the American Federation of Musicians (AFM) when they cited her for her "extraordinary contribution to the profession of live music and the cultural enrichment of our community." Presentation of a plaque commemorating the honor was made to the Capitol recording star by Max Herman, vice president of the AFM local, on the opening night of Miss Lee's engagement at L.A.'s Ciro's Club. Her appearance here is her first in almost two years, following successive smash appearances at New York's Basin Street East and several San Francisco concerts, where she shared billing with fellow Capitol stars George Shearing and the Kingston Trio.

Caedmon To Cut Shakespeare Plays With Star Performers

NEW YORK—Caedmon Records has undertaken a project that will result in the recording of all of Shakespeare's thirty-seven plays, which will mark the first time all of the Bard's plays have been put on disks by professional casts.

The sets—to be cut in London in both monaural and stereo—will feature such stars as Sir Michael Redgrave, Sir Ralph Richardson, Stanley Holloway, Claire Bloom, Trevor Howard, Anthony Quayle, Margaret Leighton, Richard Burton, Frank Silvera, and others. Howard Sackler will direct.

The label has formed the Shakespeare Recording Society, which has organized a charter membership group in which a member agrees to buy four albums (including the initial order) during the first year of his enrollment, and receives as a free gift a two-disk album of "Macbeth," starring Anthony Quayle, Gwen Frangcon and Stanley Holloway. A second free gift is a portrait of Shakespeare in wood-cut style. A charter member has the right to cancel after the first year but if he continues, shall receive with the fifth purchase and every four purchases thereafter, a free Caedmon word recording or set.

Clovers' Lead A Single; Remains With UA

NEW YORK—Billy Mitchell, formerly lead singer for The Clovers, is now on his own and is recording for United Artists Records. FCC Report Sets-Down Programming Policies

NEW YORK—In a "report and statement of policy" just released, the FCC has re-affirmed that the foundation of its authority over broadcasting rests upon the operation of outlets in the "public interest, convenience and necessity." While highly emphatic in its stand against governmental censorship, the agency notes in the report that the "Commission may not grant, modify or renew a broadcast station license without finding that the operation of such station is in the public interest."

The report is largely based on nineteen days of public hearings conducted by the FCC between December 7, 1959 and February 1, 1960. The report includes a separate statement of dissent from Commissioner Hyde who said that the report "misses the central point of the hearing" and that the "main concern requiring a fresh approach is what to do in the light of the law and matters presented by many witnesses in the hearing."

The "major elements" listed by the FCC "usually necessary to meet the public interest, needs and desires of the community in which the station is located as developed by the industry, and recognized by the Commission, have included": 1. Opportunity for Local Self-Expression; 2. The Development and Use of Local Talent; 3. Programs for Children; 4. Religious Programs; 5. Educational Programs; 6. Public Affairs Programs; 7. Editorialization by Licensees; 8. Political Affairs Programs; 9. Agricultural Programs; 10. News Program; 11. Weather and Market Reports; 12. Sports Program; 13. Service to Minority Groups; 14. Entertainment Programming.

The report emphasizes, however, that the "elements set out above are neither all-embracing nor constant. We re-emphasize that they do not serve and have never been intended as a rigid mold or fixed formula for

station operation. Later on, the FCC states that "we do not intend to guide the licensee along the path of programming; on the contrary the licensee must find his own path with the guidance of those whom his signal is to serve."

Regarding "those whom his signal is to serve," the FCC proposes a documented program submissions prepared as the result of assiduous planning and consultation covering two main areas: first, a canvas of the listening public who will receive the signal and who constitute a definite public interest figure; second, consultation with leaders in community life—public officials, educators, religious, the entertainment media, agriculture, business, labor, professional and eleemosynary organizations, and others who bespeak the interests which make up the community."

Broadcasting licensees must assume responsibility for all material which is broadcast through their facilities, the report says. "This includes all programs and advertising material which they present to the public... the broadcaster is obligated to make a positive, diligent and continuing effort, in good faith, to determine the tastes, needs and desires of the public in his community and to provide programming to meet those needs and interests. This again, is a duty personal to the licensee and may not be avoided by delegation of the responsibility of others." Licensees, the report adds, especially in television, place "practical reliance" on networks for the selection and supervision of network programs which, of course, are the principal broadcast fare of the vast majority of television stations throughout the country." For the latter reason, the FCC recently recommended to Congress enactment of legislation providing for direct regulation of networks in certain respects.

Decca Issues Jerome LP With Stereo Emphasis

NEW YORK—Decca Records rushed into release last week an LP, "Brass Brass," a Henry Jerome-directed band LP which makes special use of stereo. Assigned sometime ago to Jerome as a special project, the LP includes a full brass section (trumpets and trombones) playing open horn on one speaker, and a full brass section playing muted on the other speaker. Through engineering techniques, the sound has been jumped by crossing circuits. Dick Jacobs penned the arrangements.

Decca pre-tested the quality of sound by submitting copies to manufacturers of stereo equipment. The label said orders from "several large manufacturers" have been received.

Jackie Wilson Songbook

NEW YORK—"The Jackie Wilson Song Book"—a book containing sheet music of songster's top hits plus photos—will be distributed via Decca branches. Arrangement for the songbook were made by Harry Goodman of Merrimac Music and Decca veep Sydney Goldberg. Included in the book are Wilson's latest Brunswick sides, "All My Love" and "A Woman, A Lover, A Friend." The latter songs are only available in sheet music via the song-book.

Camp, sec-treas., are shown inking the contract with Roy Brown. Also signed was Dave Dixon. Epic Master Purchase

NEW YORK—Epic has purchased the master of "You Are My Girl" by the 3 Stooges on the Spinit label. Deck was a Pick of the Week in the August 6 issue, and appears again on the review pages because of a correction.

Han-Sig Fall LP's Backed By "Operation Kick-Off"

NEW YORK — Hanover-Signature's fall release of seven LP's will be backed by a distrib program tagged "Operation Kick-Off." According to sales head Morris Diamond, the plan is basically patterned after the label's successful "Operation Happy Birthday" a few months ago.

The plan goes into effect September 15 for an indefinite period of time. For every four LP's purchased, the distrib gets one free or one box of twenty-five free for every four boxes (100 LP's) ordered. The new LP's will form the bulwark of the deal.

They are: "Jazz For The People" and "Songs Of Inspiration"—two LP's by Arthur Godfrey; "Fiorello!" & "Little Mary Sunshine"—Jimmy Rowles; "House Of Flowers" & "Peter Pan"—Paul Smith; "Eastern Paradise"—Werner Mueller; "Take Me To Your Leader"—Steve Allen; "Yuk-A-Puk"—Morey Amsterdam.

Diamond said that the label's smash LP, "My Name . . . Jose Jimenez," had reached the 90,000 sales mark.

Atlantic Buys Storm Pact

NEW YORK—Atlantic Records has purchased the contract of songster Billy Storm from Columbia Records. Storm hit on Columbia with "I've Come Of Age."

Atlantic veep Jerry Wexler said the label would conduct Storm's initial session this week for a single disk to be released immediately. The disk, Wexler added, would be backed-up with an "all-out" deejay and consumer promotion. Atlantic's album chief, Nesuhi Ertegun, will record Storm in LP due for release at the end of this month.

King Re-Issues Ballard "Twist"

CINCINNATI—King Records has re-issued its Hank Ballard version of "The Twist." Syd Nathan, label topper, said the disk—issued about a year ago—has been provided with a "special new sound" by an "electronic gadget" developed by his engineering staff. "This record has been sent out to at least 1,600 deejays, just the same as if it were a brand new release," Nathan added.

Album Reviews

(\$1.49 thru \$2.98)

"FRANKIE LAINE—THAT'S MY DESIRE" Wing MGW-12202, \$1.98
Content: Title tune plus "Black And Blue," "Georgia On My Mind," "We'll Be Together Again," 7 others. Cover: Action shot of the songman. Good display. Performance: Laine has enjoyed two separate and successful careers. One started with "That's My Desire." This first career is recalled here with choice selections from a repertoire that rated the vocalist as one of the leading singers of the 1940's. Excellent listening. Commercial Value: Big name value and excellent material for the middle-30's shoppers. Stock it.

"THE BEST FROM 'FIORELLO!'—'THE SOUND OF MUSIC'" Florence Henderson with Sid Bass and Orch., RCA Camden CAS-599, \$2.98, Monaural \$1.98
Content: "Gentleman Jimmy," "Til Tomorrow," "When Did I Fall In Love" (Fiorello)—"My Favorite Things," "Climb Every Mountain," title, ("Sound of Music"). Cover: Split between two shows with humorous art illustrating each. Color. Performance: Miss Henderson handles the selections on both sides in a very professional manner. She swings with the Sid Bass beat and cuddles the ballads as well. Commercial Value: Both shows are current hits and the Florence Henderson name won't hurt sales one bit.

"SWING, SWING, SWING" Benny Goodman RCA Camden CAL-624, \$1.98
Content: "Hunkadola," "Popcorn Man," "Bach Goes To Town," "Chloe," 6 others. Cover: Unique black and white shot of BG with his name set off in yellow at upper right. Very dramatic—good display. Performance: Typical Goodman—great deck. Recorded between 1935 and 1939 with sidemen like James, Elman, Musso, Wilson, Krupa, Stacy, et al. Martha Tilton lilt, and its collector's material all the way. Commercial Value: Worth plenty to the jazz addict, the collector, and the host of BG fans. Should move fast at \$1.98.

"SWEET & SWING" The Ames Brothers RCA Camden CAL-571, \$1.98
Content: "I Can't Believe That You're In Love With Me," "It Only Hurts For A Little While," "49 Shades Of Green," 7 others. Cover: Color shot of the four brothers in formal attire with titles at top. Performance: Very good Ames style since it includes some of their big one. A pleasant brace for the Ames Bros. followers. Commercial Value: Big name value here with quartet a draw via the TV route and clubs.

"SOUTH PACIFIC" Somerset Orch., Boris Mereson, Cond. Perfect PS-14028, \$2.98, Monaural \$1.98
Content: 14 selections from the Broadway show score include "Some Enchanted Evening," "Bloody Mary," "Bali Ha'i," "Happy Talk." Cover: Colorful islands scene complete with palms and setting sun. Good display. Performance: The orchestra presents a most pleasant performance on all 14 selections in a style that is just a bit more pronounced than a background music feeling. Enjoyable. Commercial Value: Strong name value here with original still breaking records. Jacket should help the cause.

Commercial Value: The "Dr. Seuss" children's books are best-sellers and the name value should be very strong.

Decca-Coral "Rainbow" Issue

Getting Big Response, Salidor Says

NEW YORK—There has already been specific action on various LP's in Decca-Coral's new "Rainbow Of New Product" release, according to national promotion topper Leonard Salidor. In addition, a track from the Sammy Davis Jr. LP, "I Got A Woman," the old Ray Charles hit, has been edited and released as a single (a Pick of the Week selection in this week's issue of *The Cash Box*).

Salidor noted reaction to comedienne Betty Walker's "Love And Laughter" LP and Wayne King's "Music Of

The Islands," two Decca packages close to the off-beat field, and ones with which immediate reaction would not normally be expected. In the classical area, Decca's new LP by guitarist Segovia was proving itself, Salidor said. Coral standouts, Salidor said, were Pete Fountain's "Informally," the clarinetist's own arrangements of tune's associated with other men of the instrument, and the five-package "Golden Favorites" series, LP's by Jackie Wilson, McGuire Sisters, Lawrence Welk, Ames Bros., and Teresa Brewer. Biggest reaction to the series is from Wilson's "My Golden Goodies."

The move to issue the Davis single—from his "I've Got A Right To Swing" album—was based both on enthusiasm from Decca execs and dealers, who previewed the LP during Decca's recent city-by-city introduction of the new product.

In line with the response to Wayne King's LP, Salidor seems to think that perhaps there will be trend toward Hawaiian music, even in the singles field. Salidor was basing his opinion not only on the King album, but on the "surprisingly" solid reaction to Decca's Hawaiian promotion in June, which usually begins the summer sales doldrums. Highlight of the promotion was Alfred Newman's "Magic Islands," released about two years ago, and still getting big sales, according to Salidor.

The "Rainbow" release consisted of 30 Decca LP's, and thirteen Coral.

Decca Chi Fete Intros Fall "Rainbow" Release

CHICAGO—The entire Decca organization in this area recently hosted a cocktail and dinner party at the Edgewater Beach Hotel in this city. The affair was primarily planned to demonstrate "dramatically" a preview of Decca, Coral and Brunswick records and music appliances in a promotion titled, "Rainbow Of New Products."

Hosts of the affair were Sellman Schulz, Shim Weiner, Al Oldrich, Ed Walker, Margaret Kraft, Frank Scardino, Paul Geallis and most of the salesmen from the entire organization.

Dealers throughout a wide area responded to the invitation and Weiner stated, after the affair, that interest among the dealers and immediate sales was quite considerable.

Meet Me In St. Louis

ST. LOUIS—Norm Weinstroer, who recently formed Norman Distributing here, has sold his home in Plainview, N.J., and has moved his wife and children to St. Louis.

WBZ Hosts SPEBSQSA Night

BOSTON—Radio station WBZ held a Night of Harmony at the Hatch Memorial Shell here in behalf of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing In America (SPEBSQSA). A two hour and forty minute program consisting of barber shop quartets, choral groups, a kazoo band, community singing and fireworks was presented at the shell, located on Boston's Charles River Esplanade, to an estimated 20,000 persons.

Top photo: WBZ personality Alan Dary turns the mike over to Art Merrill, former international president of SPEBSQSA, who introduced the quartets and choral groups.

Bottom photo: The Tone Deaf Quartet—WBZ staffers Fred Jay, Dave Maynard, Jim Holt and Ed Pearle, officially open the evening's entertainment with their renditions of "The Old Songs" and "Daisy."

Artists Change Hands

HOLLYWOOD—In a recent deal with Class Records, Rendezvous Records acquired a trio of artists for its roster. Rod Pierce (left), Rendezvous president; and Leon Rene (right), Class prexy, flank the artists involved: pianist Googie Rene and vocalists Bobby Day and Eugene Church.

Perfect Releases 7 LP's

NEW YORK—Perfect Records, the low-priced Epic subsid, has seven LP's on tap for this month. They include the Somerset Orchestra conducted by Boris Mersson in two LP's, selections from "South Pacific" and "My Fair Lady." Others are: "Great Sousa Marches"—Gordon Highlanders Band, Douglas Ford, bandmaster; "Best Loved Songs Of Germany"—Herbert Hoffman Choir; "A Mambo, A Cha Cha, And You"—Alminana Soler directing the Tropicana Orch.; "Three Fingers Callahan Plays Honky Tonk Piano." Saint-Saens: "The Carnival Of The Animals"—Hamburg Bash Orchestra—Sondra Bianca & Herbert Crechsel.

Victor Signs Niece Of Oysher

NEW YORK — Seventeen-year-old Marilyn Michaels, niece of the late cantor and Yiddish performer Moishe Oysher, has been signed by RCA Victor Records as a pop singer, it was announced last week (5) by Hugo and Luigi, the label's pop A&R team. Her first single—due this week—is the "answer" to the Ray Peterson "Tell Laura I Love Her" smash, "Tell Tommy I Love Him." Miss Michaels' first recording session fulfilled a prediction made by her famous uncle in a Victor studio where the cantor was recording several years ago. "Within two to three years, three at most, you will be recording for RCA Victor," he said. At Marilyn's first session, her mother gave her a locket which her uncle had set aside for her with instructions that it be presented to her when she started her climb to stardom.

Marilyn's mother has appeared professionally in Yiddish theatre as Fredele Oysher, and her father is a member of the Metropolitan Opera chorus. Marilyn and her mother have appeared on MGM—New York's "Cavalcade of Stars." She is presently studying voice and piano privately while attending classes at the High School of Music and Art.

Capitol And Desilu Half Shipment Of Somerset "Untouchables" LP

HOLLYWOOD—Capitol Records and Desilu Productions have taken steps against Miller International to stop distribution of a Somerset and Stereo Fidelity record entitled "Music and Sounds from the Era of the Untouchables."

Capitol, which is releasing the original music from "The Untouchables," and Desilu, producers of the TV series, complained that the Miller International album implied that the music was actually from the television series and was authorized by Desilu. In fact, only the "Untouchables Theme" is contained in the Somerset-Stereo Fidelity album, and the remaining music has no connection whatever with the series.

Miller International used the composition entitled "The Untouchables" under claim of statutory license since it is the practice of Desilu, in those instances when it issues mechanical licenses, to impose a restriction against use of the title of the composition as the title of an album.

Following the demand of Capitol and Desilu, through the New York law firm Halperin, Morris, Granett & Cowan, Miller International agreed to discontinue sale of its album and to destroy all existing album covers and printing plates.

The Desilu-authorized album, "The Untouchables," containing music as originally written and conducted for the series by Nelson Riddle, is being released by Capitol Records this week (8).

Madison Pacts Bell Notes; New Dante & Evergreens Deck

NEW YORK—The Bell Notes, songsters who had a big hit in "I've Had It" on the Time label, have been signed to Madison Records by topper Larry Uttal. Team bowed on the label with a single, "Shortnin' Bread." Uttal also announced the release of a new Dante & The Evergreens deck, "Time Machine," a follow-up to its current smash, "Alley-Oop."

POPULAR PICKS OF THE WEEK

"DARIN AT THE COPA"—Bobby Darin—Atco 33-122

Only the famed NY Copa remained on Darin's conquer list, and when he did conquer Atco was around to get enough of his sensational, record-breaking performances to fill this package. With complete assurance and an overdose of hipness, he tamed the crowd with "Some Of These Days," "That's All," "Love For Sale" and reprises of "Clementine," "Bill Bailey," "Dream Lover" and received a standing ovation for "Mack The Knife." Some of the choicest moments of the act are here and will no doubt be grabbed up quickly.

"THE DESERT SONG"—Mario Lanza, Judith Raskin—RCA Victor LM-2440

Having scored a triumph with Romberg's "Student Prince," the late artist is heard in a recording of the composer's other great work. Recorded just before his death, the LP features Lanza with soprano Judith Raskin, baritone Raymond Murell and bass Donald Arthur, but it is the consummate artistry of Lanza's tenor which holds the spotlight. A glorious score magnificently executed.

"RALLY ROUND!"—The Brothers Four—Columbia CL 1479

Newest vocal group sensation, the Brothers' Four second Columbia LP presents them in readings of "My Tani" and "Ellie Lou," their latest single excursion, as well as exuberant and youthfully perceptive performances of "Marianna," "Hey Liley, Liley Lo" and "Follow the Drinkin' Gourd." Will follow the success of their first album.

"JOHNNY HORTON MAKES HISTORY"—Columbia CL 1478

Making disk history with such Americana as "Sink The Bismarck," "The Battle Of New Orleans," "Johnny Reb" and now "Johnny Freedom," Horton now offers more musical bits of American history here with "The Battle Of Bull Run," "John Paul Jones" and "Young Abe Lincoln." Included also are the above-mentioned singles hits. It adds up to good entertainment for young and old.

"KICK THY OWN SELF"—Brother Dave Gardner—RCA Victor LPM-2239

Brother Dave's homespun manner resulted in one hit record, "Rejoice, Dear Hearts!," and this succeeding set should find its way home again. Speaking in a smooth Southern drawl and using native colloquialisms, Gardner manages to communicate the same amount of intellectual humor as the other comedians who, with him, have taken America by storm. Date was cut live at the Tidelands in Houston, which location provides him with strong allies in laughter. Mark it for a chart spot.

"MORE GUNFIGHTER BALLADS AND TRAIL SONGS"—Marty Robbins—Columbia CL 1481

The country—and now pop—artist's forerunner "Gunfighter" set sprouted 2 singles hits—one a million seller—and was a huge success in itself. This followup promises just as many benefits. He leads off with the lilting Mexican charmer, "San Angelo" and proceeds melodiously through "Streets Of Laredo," "Five Brothers," "She Was Young And She Was Pretty" and other entertaining Western-attuned ballads. Immense potential.

"THE OTHER CHET ATKINS"—RCA Victor LSP-2175

As head of the label's Nashville A&R dept., Atkins is one of the men most responsible for the success of country music as a pop commodity. His other side shows him to be a sensitive and talented musician on the Spanish (unamplified) guitar. With this instrument, which can in capable hands be a most beautiful instrument, he delivers enchanting performances of "Begin The Beguine," "Sabrosa," "El Relicario," "The Streets Of Laredo" and "Maria Elena." Artistic achievement; entertainment on a high plane.

"THE THEME FROM THE 'UNFORGIVEN'"—Don Costa Voices and Orchestra—United Artists UAL 3119

A parade of flick themes led off by the orkster's current click, the lush album titer. This is followed by equally lush, liquid portrayals of "An Affair To Remember," "The 3rd Man Theme," "From Here To Eternity" and "Return To Paradise." The ork is augmented by humming voices, aiding the projected mood. Staple instrumental disk fare with large commercial prospects.

"HITS OF THE 50's"—Sam Cooke—RCA Victor LSP-2236

The selection of hits of the era beautifully essayed by Cooke here are, unlike most such pop albums, concerned only with the soft melodic niceties, culled from the other flourishing music. They include "Hey There," "Mona Lisa," "Unchained Melody," "Secret Love" and "The Song From Moulin Rouge." Glen Osser warms the vocal fires behind the singer with subtle guitars, not the vibrating kind, and Cooke heeds the cue with a cultivated and impressive display of talent.

"SPECTACULAR BRASS," "PERCUSSION," "HARMONICAS," "ACCORDIONS," "HARPS"—MGM SE 3844, 3845, 3846, 3856, 3836

No time wasted by MGM as it rushes headlong into the stereo sound for stereo's sake fray armed with a "Spectacular" series which offers the consumer a full range of sounds from which to make his individual choices. All finely engineered with crisp, clean sounds, the albums run the gamut in selections from the sturdiest oldies to the newest in musicalisthenics. Should take its place in the front line of special stereo albums.

"RIDE THIS TRAIN"—Johnny Cash—Columbia CL 1464

Aboard an almost-extinct steam locomotive (heard in the background), Johnny Cash takes the listener on an historical tour of America stopping off at several places and pausing in his narrative for an interlude in song. His story touches upon such subjects as "Loading Coal," "Lumberjack," "Going To Memphis" and "Old Doc Brown" which songs he renders in outstanding vocal manner. An album of uncommon interest, produced with imagination and artistic taste.

"SHOW TIME"—Doris Day—Columbia CL 1470

An engaging trip past the footlights is afforded by the charming vocalist as she amiably renders such Broadway likeables as "I Got The Sun In The Morning," "When I'm Not Near The Boy I Love," "I've Grown Accustomed To His Face" and "They Say It's Wonderful," the most gratifying track in the album and one of her most sensitive and penetrating disk performances. Fragrant disk diversion by the thrush.

"IT TAKES TWO TO . . ."—Warren Covington and the Tommy Dorsey Orchestra—Decca DL 78996

A program of danceables of infinite variety by the Covington-led aggregation. Beats of all categories are provided for the uninitiated through vehicles "Bye Bye Blackbird," "The Hokey Pokey," "Shadow Waltz," "Charleston" and "The Bunny Hop." Topmost party dance package.

"ROLLIN'"—Terry Gilkyson and The Easy Riders—Kapp KL-1196

Gilkyson's pen has provided pop artists with much hit material but here as leader of a quartet he returns to his original idiom, a singer of folk material. In a style typical of such popular groups, the Easy Riders provide light folk entertainment with readings of "Saturday's Child," "Ride Away Vaquero," "Il Fait Si Beau," "Poor Boy" and the Gilkyson clefted "Cry Of The Wild Goose."

Album Reviews

"I GOTTA RIGHT TO SWING!"—Sammy Davis, Jr.—Decca DL 78981

The swingin'est Sammy on record here. One reason is the lineup of top jazz talent booting behind him; another, the carefree, relaxed feelings evident during the session. The artist's sophisticated, true showmanship approach soars to thrilling heights on "The Lady Is A Tramp," "Do Nothin' Till You Hear From Me," "There Is No Greater Love" and "I Gotta Right To Sing The Blues." Deluxe entertainment.

"MY INSPIRATION"—Liberace — Coral CRL 757344

The Liberace faithful will be charmed by the pianist's excursion here which finds him softly attuned to the lilt of inspirational pop songs. Complemented by strings and voices under Gordon Robinson's calming leadership, Liberace tramples lightly through "You'll Never Walk Alone," "I Believe," "Smile," "May The Good Lord Bless And Keep You" and "Love Letters."

"LOVE . . . FROM EVERY ANGLE!"—Billy Andre—Rona LPM-R 1001

Debut of label and vocalist Andre. He displays a big warm voice with a legit, straight-laced attack. Orkster Richard Thurston provides him with easily assailable settings for performances of "Day By Day," "Tell Me Why," "Love For Sale," "I'm In Love" and "Love Is Just Around The Corner." Songster with a future.

"BERNSTEIN PLAYS BRUBECK PLAYS BERNSTEIN"—The New York Philharmonic with the Dave Brubeck Quartet conducted by Leonard Bernstein; the Dave Brubeck Quartet—Columbia CL 1466

Howard Brubeck's (Dave's brother) "Dialogues for Jazz Combo and Orchestra" was enthusiastically received and critically acclaimed when Bernstein preemed it at Carnegie Hall early this year. Now recorded, it takes its place as a successful experiment in combining the forms of jazz and classical music and remains of high interest to students of this blossoming serious art. Side two finds the Brubeck Quartet alone for exemplary performances of Bernstein "show" music; "A Quiet Girl," "Maria," "Tonight." Deeply intriguing jazz issue.

"NEWPORT JAZZ FESTIVAL ALL-STARS"—Atlantic 1331

The group with which Newport Fest producer George Wein opened the '59 session featured a front line of early jazz sturdies—Buck Clayton, Vic Dickenson, Pee Wee Russell and Bud Freeman—and caused favorable critical commotion. In this waxing the group runs briskly over the waves of "Royal Garden Blues," "Sunday," "You Took Advantage Of Me" and 4 others in its antiquated yet emotionally intense style. Good traditional LP.

"THE BEST OF BRAFF"—Ruby Braff—Bethlehem BCP 6043

Braff owns a particularly mellow trumpet style, sweet in tone but never saccharine, and he always manages to bring out its melodious quality. Here, working with Sol Schlinger, Bob Wilber, Mundell Lowe, Walter Page and others, he holds top spotlight position in swing era-like performances of "When You're Smiling," "You're A Sweetheart," "I'll Be Around" and "Mean To Me." Good, basic jazz listening.

JAZZ PICKS OF THE WEEK

"JAMAL AT THE PERSHING" Vol. 2—Ahmad Jamal Trio—Argo LP 667

This light, piano jazz program comes from the same Jan. 1958 engagement at the Chi club which sprouted Jamal's smash "But Not For Me" LP and rocketed him to disk stardom. Tho the performances are over two years old they are basically in the same derivative, pop-angled vein that Jamal features now. Standards "Too Late Now," "Cherokee," "My Funny Valentine," "Billy Boy" and 7 others are well-paced and well-played. Will do land-office business.

"PETE FOUNTAIN SALUTES THE GREAT CLARINETISTS"—Coral CRL 757333

Having established himself as a top clarinet attraction, Fountain here turns to derivative material for his latest Coral session. Nothing new or adventurous to recommend it, but the album bears the Fountain name and features his brand of easily likeable swing stuff, which is surely enough to produce another chart rider for him. Among the selections are Shaw's "Begin The Beguine" and "Frenesi," Dorsey's "Green Eyes" and "Amapola" and Goodman's "Let's Dance" and "Sometimes I'm Happy."

"SKETCHES OF SPAIN"—Miles Davis, Gil Evans—Columbia CL 1480

The third collaboration between Davis and arranger Evans again points up that this is the most successful, consistent and challenging combination practicing modern jazz for both musical and experimentation value. From a distance the album appears to be an elaboration of Davis' loose "Flamenco Sketches" from his best-selling "Kind Of Blue" album but the presence here of Evans is felt in the complicated harmonics, the superb orchestral backing, in general the entire scope of the album. And Miles comes through for him with an unerring performance of clarity and soul. A great LP.

CLASSICAL PICKS OF THE WEEK

VERDI: "Il Trovatore"—Leontyne Price, Richard Tucker, Leonard Warren, Rosalind Elias, Giorgio Tozzi, Rome Opera House Orchestra and Chorus, Artur Basile, conductor—RCA Victor LM-6150

This recording of the heroic and tragic Verdi opera marks a first and last for Victor. First: the initial opera appearance of Miss Price, who is scheduled to make her Metropolitan debut this season; Last: Leonard Warren's last disk appearance for the label. The others in the cast are, as usual in Victor opera recordings, at their best. This release far surpasses Victor's other available recording of the work and should rank in the forefront of available versions.

PONCHIELLI: "La Gioconda"—Maria Callas, Orchestra and Chorus of La Scala Opera House conducted by Antonino Votto—Angel 3606 C/L

The illustrious and controversial soprano has been superbly captured in an immensely gratifying recording of the work. Heading an all-Italian cast, mostly unfamiliar to American audiences, Mme. Callas' dramatic sense, cultivated through the years, enables her to surpass her first recorded venture of this opera (Cetra). Angel's stereo is superb.

RACHMANINOFF: "Concerto No. 2 in C for Piano and Orch.;" Prelude No. 3 in D, Prelude No. 6 in E-flat, Prelude No. 2 in C-sharp—Philippe Entremont, pianist, Leonard Bernstein and the New York Philharmonic—Columbia ML 5481

One of the most recorded pieces in the classical catalog, the Rachmaninoff appears on wax for the third time by pianist Entremont (but the first for Columbia). Oddly, this is Bernstein's first collaboration on the concerto. The two esteemed artists have produced an enlightening and graphic portrayal of the great work, taking its place in illustrious disk company.

ENGLAND

Top Rank last week completed a production-releasing deal whereby Joe Meek, former A & R manager for Triumph Records, will join the company as an independent producer. During his career with Triumph, Meek produced eight records, four of which made the charts, including the "Angela Jones" by Michael Cox. Bob Roberts, commercial manager for Top Rank, announced the deal as part of his company's policy of expansion which demonstrates its intention to give opportunities to the creative talent of independent producers. Under the new agreement, Cox, Ricky Wayne, The Fabulous Flee-Rakkers and John Leyton (whose first disk, "Tell Laura I Love Her," is due on August 12) will now record for the Top Rank label. Rank will also reissue on its own label certain previous releases by Meek's artists including "Green Jeans" by The Flee-Rakkers and "Hot Chicaroo" by Ricky Wayne.

Jack Scott's fast rising Cash Box number, "Cool Water," with over a reported quarter million sales for Top Rank of America will be released here on August 12. Radio Luxembourg of this week chose the Top Rank waxing of "Tintarella Di Luna" by Dorothy Collins as its 'Record Of The Week.'

Triumph Records has announced the appointment of Johnny Keating, late of the Ted Heath Organization, as A & R manager for the label. Another big name appointment to this department will be announced in the near future. A spokesman for Triumph said that new artists will in future be signed to the label and not to the A & R manager as previously. Latest artist to sign for Triumph is Carol Jones whose first disk, "Boy With The Eyes Of Blue" backed with "Cinderella Jones," is now on release.

Selection Records, well known here for its folk and jazz recordings issued on the Collector label, has recently completed a deal with The Folk Lyric Recording Company of America, to issue its recordings in this country. The first release is out this week—a 12" LP entitled "Angola Prisoners Blues," featuring recordings of Negro convicts actually made in Angola Prison. The Folk Lyric Recording Company will reciprocate by issuing certain Collector disks in the States. Selection Records Chief, Colin Pomroy, told The Cash Box that the firm are now launching out into the pop field with a new EP by Italian singer Vittoria Mongardi—all four tracks including the title song "Romantica" are sung in Italian. Mongardi, whose contract with Italdisc was ended by mutual consent, has signed an exclusive five year contract with Selection. The company last week also issued a new EP of authentic flamenco music featuring singer Carlos Basileco under the title "Cuadro Flamenco." A further EP as well as a 12" LP are planned for future release. Initial reaction to the disk has been very favorable the diskery said.

A new series of language tuition records was announced last week by the Delta Record Company on its second label. Gem. The series, entitled 'Get-Along,' will comprise six 7" 33 1/3 disks, the first being "Get Along In France," retailing at 10/—and including a well produced instruction booklet. Designed to assist those about to spend a holiday abroad, subsequent issues will cover Italy, Spain, Germany and Austria.

The Canford Summer School of Music will be held again this year from August 7-21. The school, which was founded in 1953 by Noel Hale, musical advisor to the Bournemouth Corporation, with the aim of giving a summer holiday combined with music tuition to students and lovers of music, was taken over in 1955 by Mills Music Company which has sponsored, financed and organized the event ever since with Jack Mills as president and Cyril Gee, the London manager for Mills, as vice president. Gee told The Cash Box that this year close on 600 students from all over the world including Sweden, Canada, Nova Scotia, Denmark, France and Austria will be attending the two weekly courses, which are held at Canford School near Bournemouth. A week's course, including accommodation and full board, costs ten and a half guineas (\$32). Tuition by well known and authoritative instructors in a wide range of subjects is available including chamber music, piano, guitar, international folk dancing, madrigals and motets, recorder chamber music, Scottish country and Highland dancing and music in education. There is also a Bach course for choir and orchestra; a conductors course and a symphony orchestra course. Commenting on the fact that Mills Music is the only publishing company in England sponsoring this kind of event, Cyril Gee points out that the courses have helped considerably in promoting the company's very large catalog of educational music.

Pop-wise, Mills Music publishes the current British hit, "Shakin' All Over" by Johnny Kidd on Parlophone, to be released in the States by Ampar Records. Another British hit for Stateside release by Ampar is "Apache" by The Shadows on Columbia, published by Francis Day & Hunter. Both these titles are riding high in this country.

George Seymour of Cinephonic Music publishes Johnny Preston's Mercury release, "Feel So Fine," and the new Dean Martin "Buttercup A Golden Hair," just out in the States and to be released here on August 12 on Capitol.

Theme music from the new BBC TV serial, "Golden Girl," starring Catherine Boyle is published by Dash Music. The composition is by Jack Jordan, who has also recorded it with his Orchestra on the Parlophone label. Backing is "Beauty And The Beach" from the Anglo-Scottish picture of the same title, published by High Fye Jingles. Dash Music also publish "Geraldine" by Terry Dene on Oriole.

Everyone at David Toff Music delighted with sales of "Cindy Lou" written and recorded by Johnnie Lee on Fontana. Dave Toff reports that the number has been sold all over the world except Greece and Russia. Handed in the States by Chappell & Co. Ltd., which has promised American coverage for the disk. Dave Toff has also just acquired ten instrumental compositions from Alfred Scholz of Asco Musikverlag of Salzburg, and a new Hebrew tune, "Shir Habokrin" from Illan Melody Press of Tel-Aviv for Great Britain and the Commonwealth of Nations. Also last week, Toff took over the Era Music Publishing Company and its associates, Plaza and Mansion Music Companies of London.

One of Switzerland's leading music publishing companies, Edition Coda of Zurich, will in future handle the entire Francis Day & Hunter and Feldman catalogs for Switzerland—the deal was set up by Jack Denton of Publications Francis-Day in Paris and Cedric Dumont of Edition Coda. The latter firm have had at least two of its publications in the Swiss Top Ten for the last fourteen months. Current Coda hits include "Banjo Boy," "Heartaches By The Number" and "Muli Song."

Lawrence Wright Music Company of London has acquired the rights of Cedric Dumont's "Golden Rhapsody" for Violin and Orchestra for Great Britain and the Western Hemisphere. British composer-conductor Tony Osborne has recently returned from Switzerland where he discussed recording and publishing matters with Cedric Dumont.

Reg Reed, chairman of The Gramophone Record Dealers Association, returned to London after a six weeks holiday-cum-business trip to South Africa full of praise and gratitude for the warm reception and generous hospitality accorded him in Cape Town, Port Elizabeth and Durban. Reed reports that record dealers in South Africa feel much the same as in this country that there

are too many disks released—but unlike us they still do a large trade in 78's primarily for the native population. However, EP and LP sales are expanding. South Africa has no Top Twenty as we know it—mood and background music is very popular. Reed was most impressed by the new Gallo Store in Durban catering exclusively in musical instruments, gramophones, radios and records. Gallo is sole importers for Decca and also issues its own disks on the Gallo label. Record stores generally appear to be very well equipped with great importance attached to window display. Browseries, too, were much in evidence.

Visiting London is George Grief, personal manager for recording artists Billy Eckstine (Roulette) Gogi Grant (Liberty) The Kirby Stone Four (Columbia) and Joe Castro (Atlantic). As a result of negotiations between Grief and manager Paul Cave, who handles many British stars including Frankie Vaughan (Philips) The King Brothers (Parlophone) and Richard Allen (Parlophone), agreement has been reached whereby Cave will handle Grief's American artists in this country and vice versa. Commenting on the arrangement, Grief told The Cash Box, "We have made this deal on a personal management basis because we feel that in this way artists are assured of the best possible treatment in both countries." Possible dates for The Kirby Stone Four to visit England later in the year have been under discussion.

Tony Hall, manager for the Coral label, currently making plans to welcome Jackie Wilson to London in September when he arrives for television and variety dates. This will be the star's first visit to England. His latest Brunswick hits, "All My Love" and "A Woman, A Lover, A Friend," are released here on Coral.

BBC TV last week-end made two outside broadcasts from the Fifth Beaulieu Jazz Festival—an annual Bank Holiday event organized by Lord and Lady Montagu and held in the house and grounds of their ancestral home in the heart of the New Forest. Programs featured Acker Bilk and his Paramount Jazz Band, Ian Menzies and the Clyde Valley Stompers, The Jazz Five with Vic Ash and Harry Klein and making his first appearance on British television, American blues singer Memphis Slim.

Popular Danish recording stars Nina & Frederik have been contracted for a three-week cabaret appearance at London's Savoy Hotel in November. Possible television dates for the BBC are also under discussion.

Phono Goods Involved In New Britain-Japan Trade Pact

LONDON—The Board of Trade has announced the signing of a new trade agreement between the United Kingdom and Japan covering a twelve month period ending March 31, 1961, benefiting both countries by providing for a substantial and balanced increase of trade between them. Phono equipment is involved.

Following Japan's recent program of import liberalization, a substantial list of items has already been freed from control and United Kingdom exporters will be free to send these goods to Japan. Likewise, the U.K.

has agreed to liberalize imports of a number of items from Japan, some of which were previously restricted by quotas.

Among the goods to be completely freed from import control are phono needles and styli and parts thereof, and the import quota of Japanese transistorized radio sets, phonos and radio-phonos have been increased to £200,000 for the year and phonos, radio-phonos, other than transistorized to £100,000; and radio and television sets other than transistorized also to £100,000.

AUSTRALIA

In one of the best planned campaigns in the entire history of the record industry in this country, Australian Record Company Ltd. will launch the Warner Bros. label here on August 11. A.R.C. has produced color brochure for the occasion, listing the first twelve albums on Warner Bros. Records together with details of future releases. It is one of the most attractive promotion pieces seen here for many a long day.

Prior to the release date—on August 2—A.R.C. held a "Preview Presentation Of Warner Bros. Records" of the twelve big albums included in the initial release. Special invitations were sent to record reviewers, retailers, radio and TV management, disk-jockeys and programming personnel, giving them the opportunity to see the progress and potential of the Warner Bros. label. The evening began with refreshments being served between 6 p.m. and 7:30 after which there were filmed comments by Jack Warner, Jim Conkling plus TV stars and local DJ's. At the conclusion of this visual presentation, tracks were played from the albums on the premiere release. Material in this release includes the following albums: "Sousa In Hi-Fi"; "Latin Rhythms In Hi-Fi"; "Bill Haley and His Comets"; "Kookie"; "Hawaiian Eye"; "Continental Visa"; "Tab Hunter"; "Behind Brigitte Bardot"; "Join Bing and Sing Along"; "Beach Romance"; "Paul Desmond" and "The World's Ten Greatest Popular Piano Concertos." All this action should get the WB label off to a flying start in Australia. The premiere has been arranged by Bill Smith, Jim Sutton, Ray Bull and the staff of Australian Record Company, Ltd.

Peter Smith, star DJ with the Government-operated Australian Broadcasting Commission, will soon become the first DJ here with a direct broadcast Australia-wide hit parade session. The program is planned for twice-weekly airing. In addition to this Pete also runs a TV hit parade each Saturday afternoon from ABV-Channel 2. All Smith's programs originate from Melbourne.

Mercury recording star June Valli is reportedly booked for television appearances in Australia soon. June has the current single of "Apple Green."

Col Joye last week became the first Australian artist to receive a gold record. Ken Taylor, sales and A&R chief for Festival Records, presented the "goldie" to Joye on the big national TV program "Bandstand." The record was presented for Joye's three number one Australian hits, "Bye Bye Baby," ("Rockin' Rollin') Clementine" and "Oh Yeah Uh Huh." Taylor stated that Joye had achieved the equivalent of a million seller with these disks. Brian Henderson of "Bandstand" congratulated Col and expressed the wish that his current disk "Moonlight Night" should also achieve this goal.

W & G Records has made a rush release of Jo Ann Campbell's new single, "A Kookie Little Paradise." This one has been rushed through to make a simultaneous release with the United States. This could be one to set Miss Campbell up here as a disk attraction.

Benny Carter, one of America's all-time great alto players, has arrived in Melbourne with his group to play a season at "The Embers" nightclub. Carter recently appeared at the riotous Newport Jazz Festival.

There is some talk in the trade here that Johnny O'Keefe—when he recovers from his recent car accident—may terminate his television appearances with the Government-owned network in favor of a national show for commercial interests.

By far one of the hottest singles across the nation is "Clap Your Hands" by the Beau Marks, released here on the Viking label. Viking is the New Zealand company that began functioning in Australia some weeks ago and its debut release here carried the hot deck.

Roy Farr, boss of Essex Music in Australia, is very happy with his successful batch of hits at the moment: "My Old Man's A Dustman"; "Burning Bridges"; "Apple Green" and "The Madison Time." Essex also handle the two tunes recently recorded on the Pye label by the Allen Brothers—a local pair—"First Kiss" and "My Secret." Essex Music is closely associated with Tyler Music (England) which is owned by Lonnie Donegan and Roy Farr is looking forward keenly to Donegan's first visit to Australia which is to be quite soon.

Pat Boone almost caused a riot on his recent arrival at the Sydney Airport. He was met by a great crowd of autograph hunters and fans reminiscent of the sort of reception received by Johnnie Ray in his heyday in Australia. Boone's seven days in this country will see him travelling some 10,000 in a series of one-nighters in all capital cities.

Making his debut on Pye records is popular young Sydney star Rob E. G. His new single carries "Do You Love Me" c/w "Whiplash," the title tune of the new TV series being produced in Sydney.

Among the many new singles released on the Festival group of labels are "Don't You Know (Pretty Baby)" by Johnny O'Keefe; "Should We Tell" by Frankie Brent; "Mule Skinner Blues" by The Fendermen; "Banjo Boy" by Dorothy Collins and "How Deep Is The Ocean" by Toni Fisher.

IN HAMILTON ONTARIO: George Balcaen of CKOC ran a contest to determine the acceptance of the beard he was then wearing. It was a split vote—so they split the beard. The clipping took place at the Greater Hamilton shopping centre. It took twenty minutes to cut off one side. Last week George placed his vote—he then clipped the other side himself.

Records showing most action on CKOC are, "I'm Sorry," "Only The Lonely," "Alley Oop," and "Mission Bell."

Rights To Italian Tune

LOS ANGELES—Jack Hoffman, of Winston Music, this city, has acquired the American, and Canadian rights of the song, "Un Amore A Roma" written by E. Patti—Talarico, and Giorgio Fabor, from Minstrel Edizioni Musicali Intl., in Rome, Italy. Song was recorded by Miranda Martino on RCA-Italiana Records, and is the main theme and title song of an Italian motion picture being completed, entitled, "Un Amore A Roma."

Vera Pleased

LONDON—Vera Lynn's got that pleased look as she discusses the music for her first MGM session, held at the EMI studios here, with musical director Geoff Love (left) and A&R manager Norman Newell.

GERMANY

On August 1, Deutsche Grammophon took over the United Artists line and quickly released Don Costa's "Never On Sunday." The disk is getting big action and has already been covered by Helmut Zacharias and his orchestra for D.G.G.'s Polydor label.

The "Paper Roses" race is on. The Anita Bryant hit has been covered by Lolita for polydor, Peggy Brown for Decca and Sim Malmkvist on Metronome. Lolita seems to be ahead at this writing, but anything can happen.

French hit "Milord" is in the same position with 5 top versions on the market and all are moving well.

Metronome is moving full speed ahead with its Atlantic catalog. The majority of the American disks seem to be suitable for release here and all are getting top promotion and radio play. The spotlight is on the jazz releases.

Mercury Record's Ricky Steinberg, who is acting as Central European manager for the firm out of Cologne, is very excited about the success of Johnny Preston and The Riverboat Five. Both artists are hot at this time, and all of their releases are moving well. On the other side of the fence, Brook Benton and Dinah Washington are having less success here. It seems that the blues stylings of these top American artists are just not suited to German tastes at this time. "It's too darn American. Our listeners just don't understand this music" say the deejays.

Telbec is hot at present with the new Vico Torriani record, "Kalkutta Liegt Am Ganges (Calcutta's on the Ganges)" and is pushing its new artists, Germany's number one jazz songstress, Inge Brandenburg represented with "Goody Goody" and youngster Gerd Bottcher, who's recording of Jambalaya is moving well. They also are excited about its cover of Edith Piaf's smash, "Milord" by the Melody Stars. Ivo Robic, who rose to stardom with "Morgen" and "The Happy Muleteers" has released his third record and it looks like hitsville once again for the Yugoslavian lad. The happy combination of composer Peter Moesser and A&R man-musical director Bert Kampfert were retained and the top side looks like "Endlich" (At last).

Los Angeles music man Jack Lloyd is in town for a short look at the German market.

The Dutch Swing College, a swing-dixieland styled group is going great guns with covers of top foreign hits. The last two outings were Egyptian-French tune "Mustafa" and the French hit, "Milord." Both are selling like hit cakes.

One pair of young gals never have to worry about finding a hit song. The Honey Twins are specialists at covering tunes that are already established on the market, especially American material. They started their career with a cover of "Charlie Brown" and have followed with similar successes. Their latest two etchings are "Banjo Boy" and "Cathy's Clown" b/w. "Ting A Ling My Banjo Sings." Although this method has not produced a million seller for the girls, their records consistently reach the 50-100,000 mark which brings in a nice chunk of royalties. They record for Polydor here, and are presently represented with "Banjo Boy" on Decca stateside.

It seems that Russia won't claim the invention of stereo. The government owned record company (there's only one there) has ordered a complete stereo recording studio from Telefunken here. The studio is now being built in Hannover and will shortly be delivered to Moscow. One other iron curtain country also got into the act. Poland's Nagrafia record production company also ordered a complete stereo studio for their Warsaw plant.

Germany seems to specialize in poetical D.J.'s Camillo Felgin from Radio Luxemburg and Joe Balke from Radio Salzburg (Austria) are both top lyric writers and are presented with many top hits on the German charts.

Since there's still a little space left, I'd like to ask you, the reader, a favor. If there are any special features that you would like to see in this column or if there are any points of information that are not being covered, please write me and let me know. For instance, one record exec has written and asked for a regular list of American releases in Germany and German covers of American tunes, and starting next week, this information will be carried in every column. That's it for this week in Germany. Auf Wiedersehn.

American's Symphony Wins Italy Prize

NEW YORK—James Cohn, young American composer and a musicologist for ASCAP, has just been notified that one of his five symphonies has received the third prize in the competition sponsored by AIDEM (Associazione Italiana Diffusione Educazione Musicale). The jury of the "Premio Serate Musicali Fiorentine," a competition for small chamber-orchestra works, selected Cohn's symphony from numerous scores submitted by composers from Italy, France, Belgium, England, Czechoslovakia, Israel, U.S., Argentina, Uruguay and other countries.

No first prize was awarded. Instead, the second prize was divided between two composers: Giorgio Cambissa and Giorgio Ferrari, both living in Northern Italy. Cohn will receive, in addition to the third prize, a cash award

of 200,000 lire and a premiere performance at the Pitti Palace in Florence this fall. The jury of the competition, in addition to its president, Professor C. Ramorino, included: Maestri A. Damerini, V. Frazzi, Goffredo Petrassi and C. Zecchi.

Interdisc Head In U.S.

HOLLYWOOD—Jack Lewerke, president of Interdisc, S.A. of Lugano, Switzerland, returned to this country for a short stay, to negotiate for new lines to be distributed in Europe. At the present time, Interdisc is distributing for several American firms in all major European markets. Lewerke announced that Interdisc is opening a second office in Milan, Italy and that the firm enjoyed a very successful first year in business.

ITALY

Through error, in analyzing "Italy—The Past 12 Months" in the Anniversary Issue, Red Record Comany was omitted. The information which should have been included follows—Red Records is managed by Mr. Bonaccina and their plant was transferred outside of Milan, two months ago. Their new address is Red Record, Pero-Milan, Italy. Red Record started moulding light disks recorded on only one side, to be included in every copy of the Italian music magazine, Il Musichiere, but now it boasts of a cast of its own singers, such as Don Marino Barreto, famed performer of cha cha cha songs. Don is the brother of the equally famed Marino Barreto, Jr.

Mr. Casetta of Bluebell phoned to report that Joe Damiano and Peter De Angelis are touring Italy for the month of August. Their program schedules performances in the best night clubs on the Italian Riviera, and they will also record. During the Crame's TV show, "Buone Vacanze" (Happy Holiday), Joe Damiano performed his hit, "Forever" and his latest recording of "Vivere Insieme" (To Live Together), which is by Gianfranco, Intra.

Marino Barreto, Jr., successful performer of Bindi's smash hit, "Arrivederci," number 3 in the Italian best sellers of the past 12 months, has recorded Bindi's latest tune, "Il Nostro Concerto" (Our Concerto), released in the States by Harry Finfer in the original version sung by Bindi himself on Ricordi.

Dalida and Harry Salvador, two of France's best artists, will be guests in August at the well known night club, Oliviero, near Viareggio, as reported by SAAR press office. Dalida was at Oliviero on July 9th, and at The Casino of San Remo on July 14th. Salvador's latest hit recording is "Dans Mon Ile."

"The Madison," Al Brown's original recording, appeared in Italy on the new Variety label, created by the young Ri-Fi Record Company, handled by Mr. Ansoldi. Ri-Fi Records are distributed by Mr. Casetta of Bluebell. Italian Southern Music publishes "The Madison" sheet music.

Fonit Cetra, Modugno's record firm, is closed for the annual holiday from the 1st to the 17th of this month. During this same period, many other companies discontinue their activities for holiday.

"Mule Skinner Blues" by The Fendermen on Top Rank is sure to be a smash here and will soon enter the charts. Vittorio Zivelli, R.A.I. disk jockey, broadcasted it twice, which is very rare in Italy.

On August 16th, at Riccione, a public spectacle will take place, and a prize will be awarded to a singer. Last year it was won by Gino Latilla of Cetra. This year, in memory of Fred Buscaglione, who died a few months ago in an automobile crash, a golden prize medal will be offered to an Italian personality who has remarkably increased the charm and success of our light music. The participation of Joe Sentieri, Aturo Testa, Gino Latilla, Gastone Parigi, Gino Paoli, Gege Di Giacomo and Corrado Lojacono in the Riccione spectacle has been assured.

"Cathy's Clown" by The Everly Brothers has already been in circulation for some time in Italy, distributed by SAAR. Although the record is selling fairly well, it has not reached the chart, as it did abroad.

NEW YORK—During the filming of the musical "Sound of Music" for German TV viewing, Eva Nelson visited the set to present show's stars Laurie Peters and Kurt Kasznar with a copy of her Panorama album "Berlin—Portrait of a City."

SCANDINAVIA

Three French songs are currently on the Swedish hit parade; "Milord by Edith Piaf, "Tom Pillibi" by Jacqueline Boyer and "Mustapha" by Bob Azzam, which shows up this week in the No. 20 slot.

American singer Billie Poole is in Stockholm for a series of personal appearances. Her recordings will be released in Scandinavia in the near future on the Swiss ITN label, to whom she is contracted.

Organist Eddie Leyton, Mercury recording artist, was in Stockholm early in July for an organ concert. While here he visited the E.M.I. office where he was very impressed with the new recording studio and its modern equipment.

Helge Roundquist of Cupol Records (Stockholm) back from business talks in Oslo, Norway. According to Roundquist, "Marina" by Rocco Granata, released by Cupol in Scandinavia, was the most popular record on the Norwegian market during the first six months of 1960.

American pianist-singer Earle Howard, appearing at the Bacchi Wapen night club in Stockholm's Old Town, reports he has been offered a contract to appear there until the end of 1961.

Bodil Udsen has recorded a Danish version of the Swedish song "Lyssna bara till ditt unga hjerte" (Only Listen to Your Young Heart) for release on the Danish Polyphon label. Early reports indicate the song has strong potential in Norway and Denmark since it can be played on the air but Swedish Radio refuses to air it since it sounds too much like music played by the Salvation Army.

Polydor star Ivo Robic put in a guest appearance on Danish TV August 6.

Jussi Bjorling made his traditional appearance at the outdoor scene at the Grona Lunds-Tivoli on July 28. His annual concert at the Tivoli is one of the most frequented events of the year, particularly because the Swedes have too few possibilities to see and hear their famous tenor in person.

Monika Wahlberg, contracted to the BFB label, has been booked into the China Variety Theatre for August.

Anton Kontras' Hungarian Quartet and the Danish show-orchestra lead by Finn Ziegler booked into the new restaurant Domino which will open around September 1.

"Porgy and Bess" is doing very well at the new Astoria. A report by a daily newspaper indicated that no film ever shown in Sweden has resulted in so many recordings. Most labels here have at least one EP or LP or songs from the film, many have both English and Swedish versions.

Berthe Wilke, Danish singer on the Philips label, on a short visit to Stockholm for radio broadcasts.

American singer William Clausen sang the title role in this year's "Bellman" plays at the Grona Lunds-Tivoli. The Bellman Plays are an annual tradition. They are based upon the 18th Century poet Karl Mikael Bellman. This year the plays were aired to neighboring countries.

STOCKHOLM—The so-called "pirate" radio station, Radio Nord, located on a ship outside Sweden's three mile limit, is now beginning to look more of a reality. Jack S. Kotschack, head of the radio station, and Bok Reitzel, an American adviser of the company, recently presented some details of the project. Reitzel, 37, producer and specialist of radio advertising and sponsoring, is American with 15 years of experience in this work. He has been connected with CBS and most recently with a radio station in San Francisco.

Head of the program dept. of Radio Nord will be Gert Landin, who has five years with BBC in London as well as a job as editor of the Swedish Reader's Digest as background. Nils-Gustaf Holmquist, theatre manager of Europa Film, and a well known name in Swedish Radio, will be main announcer of the programs. As assistant he will have, among others, Nils F. Nygren, formerly with IBRA Radio (a religious radio station) formerly operating from Tangiers in North Africa. Pelle Lönndahl, sound engineer at Sandrews, is contracted as Studio Manager. The record department will be handled by Raya Ravell, once one of the Harmony Sisters, a singing group who were very well known in Sweden some ten years ago.

Kotschack has not yet mentioned under which flag the ship will sail, but the name of the ship will be M/S Bon Jour. It cost \$90,000 to buy, and about as much to rebuild for its future mission. The station will be of 20 kilowatts from two 47 meters high masts. It will operate 24 hours a day, and the start is scheduled to take place around middle of September.

"There will be no politics, no religion and free charity programs" announced Kotschack.

The music and record industry in Sweden is most interested in the result of this project, as it, according to Kotschack, will mean a lot to the music and record people."

It is estimated that so far some three and a half million Swedish Kronor (five Kronor equals one dollar) have been put into this project, most of it paid in US dollars.

As to the ad prices, Reitzel reports that one hour will cost around 10,000 Kronor (2,000 dollars). Estimated audience of the station is two and a half million people.

The Warner Bros. LP, "Sunday Meeting" by the Victory Baptist Choir, has met with immediate success—and not only in religious circles.

Popular classical singer Cora Canne Meyer, in from Holland, paid a visit to Bovema's studios last week.

The Picks of the L.C. Phonogram are: "Alley Oop" by the Hollywood Argyles, "Only the Lonely" by Roy Orbison, "Look For A Star" by Billy Vaughn, "Josephine" by Bill Black's Combo and "Because They're Young"/"Rebel Walk" by Duane Eddy.

"SUMMER'S ALMOST GONE" (2:25) Central Songs BMI—Collins
"KEEP DREAMING" (2:41) Central Songs BMI—Collins
TOMMY COLLINS (Capitol 4421)

Keep your eye peeled on Collins' "Summer's Almost Gone" for it shant be long 'fore it wrassels a high chart position. A top cleffer, he's penned himself a beauty which combines a warm, tender verse with a fresh and infectious chorus. Looks great! It's backed up with an appealing ballad stint appropriately tagged "Keep Dreaming."

- THE STANLEY BROTHERS**
(Starday 506)
- (B+) "(GATHERING FLOWERS) FOR THE MASTER'S BOUTIQUE" (2:25) [Starday BMI—York]
The old traditional sacred hymn is lovingly portrayed by the boys with true country feelings. They have a staple market and always sell well, especially here, one of their finer gospel disks.
- (B+) "RANK STRANGER" (2:53) [Starday BMI—York] Flip it over and another inspirational message is proudly and superbly delivered by the brothers.

- TEX WILLIAMS** (Capitol 4413)
- (B+) "SMOKE! SMOKE! SMOKE! (THAT CIGARETTE)" (2:40) [American BMI—Travis, Williams] Williams' novelty which scored for him million seller-wise several years back is offered in a new brightly swingin', pop angled version. Might even mean another ride up the ladder for the tune.
- (B+) "THAT'S WHAT I LIKE ABOUT THE WEST" (2:35) [Ritter ASCAP—MacGimsey, Bergdahl] Another past Williams hit is the coupler. If you remember, it's a humorous novelty narrated in the famous Williams style (like the above). Also worth a nostalgic spin.

- RED SOVINE** (Starday 510)
- (B+) "BURNA THE SCHOOL" (2:20) [Cedarwood BMI—Walker] The delightful Italian dialect which was so successful for Red Sovine on "Little Rosa" is put to work for the artist on his initial Starday outing. Brisk march beat melody similar to "Row Row Row" is utilized in the comic session.
- (B+) "ONE IS A LONELY NUMBER" (2:30) [Starday BMI—Jones] Red has good strength here too with a deeply felt essay of a tear-drenched lament. Eye 'em both.

- LEON PAYNE** (D 1150)
- (B+) "THINGS HAVE GONE TO PIECES" (2:30) [Glad BMI—Payne] Tearful lament proves Leon can really turn the faucet on. And for good reasons too as he sings one of the saddest broken-marriage stories on record in a long while. Can happen with the right exposure.
- (B) "BLUE SIDE OF LONESOME" (2:55) [Glad BMI—Payne] Another opus from the crying-towel category. Soulfully chanted by Leon in waltz time, it rates a careful listen too.

- CECIL SURRATT & SMITTY SMITH**
(King 5383)
- (B+) "DO YOU MEAN THE WORDS YOU SAY" (2:45) [Lois BMI—Surratt] Country vet duo asks the timeless question, doing it in attractive warm vocal tones. Lovely ballad offering could get them back on the click trail.
- (B) "LIZA JANE" (2:00) [PD—Arr. Surratt, Smith] Sizzling instrumental slice of the evergreen. Hot guitar pickin' is aided by action-packed combo backing.

- RAY PRESSLEY** (D 1147)
- (B) "LET'S TRY AGAIN" (2:20) [Glad BMI—Price, Pressley] Bubbling bright romancer taken over the sincere route by the songster. Top notch combo-chorus settings give the deck a sound worth hearing.
- (B) "SHE NEVER LOVED AT ALL" (2:05) [Tree BMI—Pressley, Price] Easy beat sentimentally tenderly caressed by Pressley is a fine coupler.

- JIMMY DALLAS** (Decca 31133)
- (B) "MY KIND OF LOVE" (2:35) [Bee Gee BMI—Dallas] Dallas slips easily into a fetching romantic pose and delivers a striking send-off of this self-penned, sprightly-tuned lilter.
- (B) "HURTIN' IN MY HEART" (2:32) [Bee Gee BMI—Dallas] Tantalizing quick beat and intriguing melody is Dallas' vehicle for his attractive chanting here.

- BONNIE SLOAN** (Shasta 138)
- (B) "THE WOMAN WHO MADE HIM THAT WAY" (2:40) [Riverside ASCAP—Stinson, Wakely] Thrush debuts, and its a strong bow she takes, warmly and tenderly poised on the lilting waltzer. Interesting lyric tells about a guy who fell without the gal's love.
- (C+) "NO ONE WILL EVER KNOW" (2:16) [Milene ASCAP—Foree, Rose] More sentimental tears for Bonnie's heartfelt essay on this half.

- RICHARD MORRIS**
(Country Jubilee 541)
- (B) "ROSETTA" (2:39) [Ralph's Radio Music BMI—Morris] Strong driving rhythm sets up this gal-titler as a teen attracter. Infectious display of combo rhythm talent almost overpowers Morris' belting vocal.
- (C+) "TEARDROPS FALL AGAIN" [Ralph's Radio Music BMI—Morris] Morris slows down to a walk, treating this traditional ballad cut to a feelingful essay.

With country music's swingin'est show, Red will play dates in twenty states between now and September 28. Slim Wilson emceed the "Jubilee" last Saturday (6); and next week (13), when Cousin Minnie Pearl will be shoutin' out her "Howdeeee" on the ABC-TV program, Snooky Lanson will hold the reins. . . . The Springfield home of Crossroads TV vice president John Mahaffey is featured in a two-page color photo in August's "American Home" magazine. . . . Porter Wagoner, wife Ruth and the Wagoner small fry were recent Springfield visitors. . . . Red and Sally Foley enjoyed a just-by-chance airport meeting with Bing Crosby and Phil Harris at Calgary, Alberta, when Red arrived there for the annual Calgary Stampede. . . . Uncle Cyp Brasfield is helping Lion Oil Co. introduce itself to the people of the Ozarks via a flock of taped TV spots—they'll be telecast on Springfield stations. . . . George Jones is passing out cigars with the inscription "It's A Boy." Name's Bryan Daily Jones, named after "Pappy" Daily, whom George credits with recognizing his talents and guiding him to the top of the country music heap. . . . The August 26 "Mr. Dee Jay U.S.A." will be Lorne Harasen of CJGX-Yorktown, Sas., Canada. Lorne's also set for an "Opry" guest shot the following Saturday. In his note to us he says he's real excited about the trip South and is looking forward to meeting a lot of fine country people. Lorne would also like to be included in any and all mailing lists for disk and promo material. . . . Also in need of country wax is Dave Denny, who's spinning 'em out on the airwaves of WROW-Albany, N.Y. . . . Our best wishes for a speedy recovery go to Howard Anderson, who's recuperating from an operation at his home in Ateco, New Jersey. . . . RCA Victor out with a special Jimmie Driftwood release coupling two sides from his "The Westward Movement" LP. Not a regular issue, the disk comprises "The Wilderness Road" and "The Marshall of Silver City." Heavy jock action could prompt it being released.

Peach Records president Slim Williamson has just completed a deal whereby Zirkon Records of Montreal will release on Zirkon a selected number of Peach releases. First Peach master that Zirkon gets under the new pact is "But You Used To" by Laverne Downs. Slim says he expects to make similar deals with companies in other countries, meanwhile is busy setting up nationwide distribution for his label here in the states. Peach, originally an all-country firm, is now lining up pop, R&B, folk and gospel dates, as well as country. . . . Tex Williams initiated his new exclusive disk contract with Capitol with a new etching of his first big hit, "Smoke, Smoke, Smoke (That Cigarette)." Flip side is another of his original Capitol clicks, "That's What I Like About The West." "Smoke" was one of the first million-selling records on the Capitol label. Williams resumes a tie-up with Capitol which first began in 1947. He had left the label in 1951. . . . New on the wax scene is lovely Loretta Lynn who is skedded to take off on a cross-country promo tour for her soon-to-be-released Zero pressing "New Rainbow" b/w "Heartache, Meet Mr. Blues." Trip will take the lass through most of the northwest and southern states. . . . Biff Collie back on the scene—simultaneous with wife Shirley's Liberty country bow. Biff's got his own afternoon show on KFOX-Long Beach, Calif., and all he's got to say is "What a pleasure!" . . . Biff also tells us wife Shirley is sending out taped voice tracks and station breaks to anyone who will use them. If interested, contact the thrush at Box 1248, South San Gabriel, Calif. . . . Tillman Franks, Johnny Horton's manager, was in Los Angeles last week conferring with 20th-Century Fox studio heads regarding music he's writing for a forthcoming John Wayne flicker. . . . Jimmy Newman brought his wife Mae and his young son along for a combined business-pleasure trip to L.A. doing personals and plugging his current chart rider, "Lovely Work of Art." . . . Neil Levitt spins for KHAT-Phoenix, Ariz. and writes a "Country Ramblin's" column for Phoenix's Tee Vee magazine. One of Neil's recent columns was an ingenious bit of composing a cute romantic episode using titles of current country hits.

Initial reaction to Ferlin Husky's "Wings of a Dove" are stronger than any of his Capitol releases since "Gone" according to the word from Hubert Long. . . . Cowboy Howard Vokes now handling Bill Price and Bobby Simpson—The Country Pardners—who were formerly with RCA Victor. Vokes will entertain interested requests for personals, etc. Just write him c/o Vokes Music, New Kensington, Pa. . . . Smilin' Jerry Jericho, keeping busy through Texas and La. plugging his "Since I Lost You" All-star outing, now heads up a Sunday country jamboree show on KTRK-TV-Houston.

SAVOY RECORD CO.
NEWARK, N. J.

What every operator should know about the 7-INCH 33 $\frac{1}{3}$ RPM SINGLE STEREO RECORD

WHAT IS IT?

It is the 33 $\frac{1}{3}$ RPM stereo version of the 7" single record. It is the same size but with the small standard center hole.

IS IT AN ALBUM RECORD?

No. It is a *single* record. However, most 33 $\frac{1}{3}$ stereo 7's which have been released to date feature single versions of best selling album selections.

HOW LONG DOES IT PLAY?

IS IT AN EP?

It has an average playing time, as the 45 RPM single does, of approximately 2 $\frac{1}{2}$ to 3 minutes. It is *not* an EP with two selections although two-tune versions can and probably will be released at a later date.

WHAT DOES IT COST?

In general the pricing structure seems to be about the same as the 45 RPM single.

WHY A 33 $\frac{1}{3}$ STEREO SINGLE?

There are several reasons. First, the sale of singles has been rapidly declining. Many record companies feel that a 33 $\frac{1}{3}$ single stereo record may revitalize this market. Why? Because first, it is recognized that the public dislikes the inconvenience of two different sized center holes and two different speeds. Furthermore, 45 RPM stereo has not caught on and there are millions of home players in the country that can play the 33 $\frac{1}{3}$ single.

WILL THERE BE A MONAURAL 33 $\frac{1}{3}$ SINGLE?

There is a monaural 33 $\frac{1}{3}$ single soon to be produced by Capitol and Columbia and probably contemplated by other companies.

WHY DID SEEBURG DESIGN ITS CURRENT LINE TO PLAY THE 33 $\frac{1}{3}$ SINGLE?

Between 80 to 85 per cent of the dollar volume in records today is in 33 $\frac{1}{3}$ albums. Most of this music is largely unavailable as singles, either monaural or stereo. Seeburg believes the 33 $\frac{1}{3}$ stereo single makes sense and may ultimately be the standard for the industry. If so, equipment that plays only one speed may soon be obsolete.

CAN 33 $\frac{1}{3}$'s BE PLAYED INTERMIXED IN THE SEEBURG RECORD MAGAZINE?

Yes—in any position and in any proportion. The Seeburg "dual spindle disc" senses the speed of the record from the size of the hole and automatically plays it at the proper speed

WHAT IS THE "ARTIST OF THE WEEK" PROGRAM?

It is a program that enables the operator to feature a specific artist and his best selling album selections on location and to dramatize it on the phonograph by displaying an actual reproduction of the album cover.

WHY IS THIS GOOD?

This is an age of dynamic merchandising in all fields. A beautiful album cover can sell records in shops without the patron's even hearing the record. Seeburg has tried to bring the tremendous selling power of the album cover plus the adult music America loves best to the location.

IS THE "ARTIST OF THE WEEK" A PROVEN MONEY MAKER?

Locations in every area of the country are reporting amazing gains in revenue as a result of the "Artist of the Week" program. Income reports will be featured in next week's Seeburg ad.

ONLY THE MODEL "Q" CAN PLAY 33 $\frac{1}{3}$ AND 45 RPM RECORDS INTERMIXED!

Export Sales Pave Way To Better Deals For U.S. Ops

American coin firms, in general, have benefited greatly with the removal of British import restrictions. The music machine ban removal came first—then came amusement games. The English firms, conservative and cautious, are being spurred into greater activity by several Americans who have opened wholesale firms. Many new locations have been “opened” by British operators; and practically all locations have been serviced with more modern equipment.

France, a month or so ago, also removed import restrictions on amusement games. It is predicted that import restrictions on music machines will also soon be removed. While France had been importing about 100 new amusement machines each month during the restrictive period, it is now possible to bring in reconditioned equipment. This area, of course, will in no way match the business potential of Germany, Belgium or England, but another market is being created for American exporters.

These export markets reflect a great advantage to the American coin firms. Manufacturers are able to produce equipment in added numbers to satisfy the foreign sales. Wholesalers who have developed customers, and who are adding new ones in these markets, find a sale for reconditioned machines—taken in trade from operators. Even those wholesalers who do not ship to foreign buyers, are able to sell off their trade-in machines to those wholesalers who do ship.

The American operator, while he may not realize it, is likewise a benefactor. Were these sales outlets not available, the operator would not now be receiving the trade-in (or sale) price for his used machines. The operator thruout the United States would be wise to take advantage of all the deals he can make for new equipment—and this new equipment will add to his collections—further increasing his average income.

N.Y. Games Ops Continue Approval Of "King Of Games" Contest Idea As PR Firm Reaches Halfway Mark

Look For Mid-September Starting Date Of City-Wide Games Tournament

NEW YORK—Martin Greenfield, Craig-Todd Agency, publicity firm currently introducing the city's games operators to a "King Of Games" city-wide contest which is designed initially to stimulate collections on games locations, advised last week that "every games operator spoken with to date has personally endorsed the tournament idea and it appears that a September 15 starting date would be most realistic."

A mailing went out last week to all games operators in the area advising them of the contest idea and also of the trade press coverage this project has received since it was originally introduced Thursday, July 28 (The Cash Box, August 6 Issue).

Teddy Blatt, Haskell & Blatt, attorneys for several games operating firms, continued to assist the publicity firm in contacting operators and explaining the contest which will not start until 2000 games have been officially included in the tournament. Blatt stated, "The question is not whether we can afford a tournament of this type but rather can we afford to do without it." The cost per game, per week, has been set at \$1.75. The contest will run for thirteen weeks at a total cost to each game on location of twenty dollars.

Greenfield advised that Albert Arnold, Empire Music, Queens operator, will host a meeting on Wednesday, August 10, at his home located at 215-01 Peck Avenue, Flushing, N.Y. Arnold reportedly invited games operators from the Queens area to meet at his home for an afternoon social and meeting, the social end including a barbecue and swimming. Arnold's telephone number is HO 5-1199. "Something must be done soon," stated Arnold, "to stimulate this business and the idea deserves the attention of every operator in business."

Among the operating firms giving

the Craig-Todd firm approval to go ahead was Irving Holzman who stated, "I will go all out on the contest idea pledging 100% cooperation." Greenfield reported that with the addition of Holzman's name to other firms approving this week, plus five operating companies submitting immediate approval at the initial meeting last week, the total number of machines reached the halfway mark of 1000. Two thousand machines have been set as the goal before the city-wide contest starts.

Greenfield and his firm were very enthusiastic as the tournament reached solid proportions after only one week of actual contact with the City's operators. The goal of two thousand machines appeared certain especially with dozens of operating firms to be contacted.

The contest idea will be conducted throughout New York's five boros for a thirteen week period, following a four-week warm-up period which will be promoted heavily in order to attract the greatest amount of attention during the actual tournament. Prizes will include a trip to the Caribbean Sea, a Ford Thunderbird, and similar awards to winners. Play-offs will bring about location finals, regional and district play-offs, boro finals and major finals tentatively scheduled to be held in a prominent New York center of attraction.

The entire program will be accompanied by heavy advertising-publicity-promotion programs especially on locations. Posters, stickers, cards, name buttons and banners will carry the contest message.

All types of coin-operated amusement machines will be suitable for the start of the contest in order that locations with varied equipment start a program designed to choose ten top players from each neighborhood spot. Play-offs will start at this point.

Seeburg Opens West Coast One-Stops

LOS ANGELES—Arnold Silverman, national promotion manager, The Seeburg Corporation, set up a record one-stop operation in conjunction with the Seeburg factory branch here.

The move was part of a program instituted by Seeburg in order to "fill a definite need for this type of service at the distributor level which has been lacking for some time," according to Silverman.

He explained that there is a definite place at the distributor level for a one-stop with the operator solely in mind.

The one-stop will feature the complete line of stereo single 33 1/3 rpm records plus all 45 rpm disks, both monaural and stereo.

Dean McMurdie, sales manager of the distributor firm, stated that this program of one-stop service offered by Seeburg distributors "would be of great importance to the operator in helping him program his phonograph more effectively, resulting in increased income." Silverman recently opened a similar record one-stop service in the San Francisco area.

Notables Attend Gottlieb Cornerstone Event

CHICAGO—Recent cornerstone ceremonies of the Gottlieb Memorial Hospital (The Cash Box, July 9 Issue) attracted many leading State and local notables to the site of the \$4 million building.

Pictured above, Dave Gottlieb, president of D. Gottlieb & Company, addresses assembled guests against a background of concrete pillars and unfinished construction forms. Otto Kerner, seated extreme left, Democratic candidate for Governor of Illinois, spoke at the event and paid tribute to Gottlieb for his contribu-

tions and leadership in building the new medical institution.

Pictures below show other notables who attended the event including Dr. Otto L. Bettag, director of Illinois Department of Public Welfare; Col. Jacob Arvey, Democratic national committeeman for Illinois; Dr. Karl Meyer, head of the Cook County Hospital; and Tony Weitzel, Chicago daily newspaper columnist who was master of ceremonies for the event. Louis Zahn, president of the West Towns Hospital Association, sealed several newspaper stories telling of the event, into the cornerstone box.

D Automatic Appointed To Distribute Fischer Pool Line In S. Indiana, N. Ky.

CHICAGO—W. R. (Bill) Weikel, director of sales for Fischer Sales & Manufacturing Company, announced the appointment last week of D Automatic Sales Company to handle distribution of the entire line of Fischer billiard tables and equipment throughout Southern Indiana and Northern Kentucky.

D Automatic is headed by M. A. Morris, and is located at 615 Main Street in Evansville.

Weikel departed from his offices in McHenry, Illinois, just after announcing the appointment of D Automatic Sales, to visit the Fischer plant and its president, Ewald Fischer, in Tipton, Missouri. While there Fischer and Weikel will discuss short and long range plans for the usually busy Fall and Winter seasons.

Weikel unhesitatingly predicted a very successful Fall campaign with

Alert Programming Increases Collections

No Summer Slump In Record Sales As New Artists, Material, Hit Top

NEW YORK—It takes a keen eye (and ear) to stay abreast of the record business especially as it pertains to new artists and new hits. Which explains why the neophyte may not recognize the name of a tune or a recording artist once he gets past the Guy Lombardo-Lester Lanin band names or, in the list of song titles, "Stardust" and "Tennessee Waltz" are just about his speed.

Fine musicians and wonderful songs but they aren't among the top sellers today and that's where the money is being made. Juke box operators in the New York area have complained this summer of falling collections and the reasons for this problem have been attributed to just about everything but the material on the phonographs.

This has puzzled many in the music business because official sales figures from dozens of leading record firms and many independent recording companies show record sales to the consumer at an all-time Summer season high. Since school let out more new hits have climbed to the top of the chart in a very short time than has happened during previous "Summer doldrum" months.

One leading music operator with machines on location in Manhattan and Brooklyn has advised that programming of phonographs during the past three months has required a closer look at The Cash Box Top 100 each and every week. "I've never seen so many unfamiliar names before in my life!" "The tunes might be familiar but the artists are unknowns aren't they?" "Just how many new record labels are going into business each month?" "are all samples of this operator's conversation when the topic turns to hot programming material for the City's juke boxes.

Actually, record sales are at an all-time high and the artists, along with the publishers of some zany titles, are responsible. While the material is brand new to the ears of listeners when first introduced, the time it takes to put a new disk on

the top of the charts isn't long. Two to three weeks and an "Alley-Oop" record is no longer the name of a comic strip character but a top selling disk all over the nation. Sharp programming must recognize this to be the money making material it is and not necessarily just another newcomer with a zany title. "Itsy Bitsy Teenie Weenie Yellow Polka-Dot Bikini" was double-talk last month but reached the number-one mark on The Cash Box Top 100 charts two weeks ago. The artist's name is Bryan Hyland, a kid from Queens who never made a record in his life.

The operator has about a one-week waiting period before getting onto a hit record. Every week after that could cost him part of his collections, since, as everything that goes up comes down—and many of the overnight hits fall off the charts after several weeks.

Close scrutiny of The Cash Box Top 100, from the bottom up, taking into consideration the disks coming onto the charts for the first time, which, of course, stand the best chance of getting a longer run should they hit, is about the best way of covering the record field. The average music operator has little or no interest in listening to the top hits, and probably wouldn't recognize a tune if he heard it on his own machines—but its the leading operator, such as the one mentioned earlier, who keep their ear to the music industry through The Cash Box charts and record reviews published each week. In that way disks with titles such as "Yogi" and "The Twist," records that more than likely haven't even been heard by operators reading this feature, and artists with names such as "Chubby Checker" and "The Ivy Three," will be spotted early in the expected performance and will not come as a surprise when the new material reaches the top of the charts but will be disks programmed weeks before during the height of the juke box play on this same material.

EASTERN FLASHES

Coinmen with games locations in the New York area were concerned with the progress of the Craig-Todd Agency last week after the publicity firm outlined a plan to games operator's whereby a "King Of Games Contest" (a city-wide tournament), would be conducted on games locations registered with the firm for the contest. The initial meeting between the publicity firm and the games operating companies netted five operating companies representing about 300-400 machines. Craig-Todd is looking for 2000 machines before starting on a program which will cost each operator approximately \$1.75 per machine each week for 13 weeks. Teddy Blatt, of Haskell & Blatt, was originally the middle man in the deal and it was Teddy who introduced the publicity firm officials to the games operators. Unofficial reports had additional operating firms giving approval last week for the contest on their locations and considering the short time the idea has been aired acceptance is very positive. Craig-Todd will meet with several games firms this week and if you wish to learn more of the contest proposition call Teddy Blatt. He'll refer you to the publicity firm officials.

The Upper New York State area lost one of its most likable operators last week when Bill (Mac) McCarthy passed away after suffering from a heart attack. Mac was a veteran in the business and was probably known by every coinman in the upstate area. He was quite popular in political and hotel circles and at the time of his death spent a good part of his time with the operation. Bill leaves his wife, Millie, who is treasurer of the NYS Operators Assoc., and 4 children—Robert 20, Victor 17, Kathleen 13 and Nancy 10.

* * * * *

Mrs. Gertrude Browne, a happy operator, strolls the boulevards of coin machines and has her usual pleasant greeting for all. . . . Mike Munves coasting after enjoying a heavy pre-arcade season business keeps getting machines in shape for the regular weekly trade. Joe Munves happy over the sales on "Champ Grip-Test," the old "Ingo" machine. Nothing has changed but the name, and considering that Ingo lost the fight, sales are spectacular. Orders from the West Coast alone this week were double what they were when the machine was introduced. "More important," states Joe, "the repeat orders are what I'm looking for. These are the ones that convince me every time that we've got a good little machine here." . . . Irv Holzman, Black Sales Company, out of the office when we call but Murray Sandow back in after a vacation in the Upstate area. "We spent a beautiful vacation about four miles from Lake George in an adult camp and did absolutely nothing but relax," said Sandow, and he looked just as rested as he sounded. "Whitey" Druckman still doing double-duty while brother Lou finishes off the second week of a vacation that is being spent on Long Island. . . . News from London, England, advises that Jack Mitnick, veteran coinman from this area, and formerly with United Music in Chi, has opened up a new firm in London, called American Coin Machine Equipment Ltd. Mitnick is selling fruit machines and consoles to the English market.

* * * * *

Abe Lipsky, Libra Distribs, happy over the Wurlitzer "2400" reception and reports that the firm has experienced no summer doldrum business. This seems to be the pattern all along the avenue. Business is generally very good. Harry Koeppel down to the Florida Keys to visit with his grandchildren. Abe still handling the Philly outlet with the help of his son, Bert. . . . Dave Lowy and Sylvia were just about ready to depart from their present showroom and set up shop in the new outlet up the street when the flats above them let loose with a broken water pipe flooding the shop. The delay shouldn't take more than a few days before they go ahead as planned and move to 652 Tenth Avenue. . . . Al D'Inzillo busy at the Albert Simon, Inc., showrooms as Al S. spends some time away from the office. ChiCoin's "Pony Express" rifle is moving well as is the "6-Game Bowler," according to Al D. . . . Barney "Shugy" Sugeran, Runyon Sales, drops into the New York office wearing sport clothes in place of the usual formal attire and advises that his tieless neck is weary of the heat. Morris Rood agrees and appears in a sport shirt but with a bow tie while "Kempy" Kempner just loosens his tie at the neck, the result being an impression of some very hard-working salesman—but Perry Lowengrub, stays cool as a cucumber, moving out the last of the Bally "Ball Parks" and continuing a fine selling job on the AMI Model "K" phonos. Lou Wolberg relaxed after a vacation awaiting the arrival of Barney Ross who is currently handling publicity for Jimmie Saunders, new singing star on the scene. . . . Murray Kaye and Meyer Parkoff, Atlantic New York Corp., huddle over the recent "Artist of the Week" presentation held last week in Connecticut and decide that it was one of the best "showings" ever conducted. Meyer opened the doors of the Waverly Inn, in E. Hartford, on Thursday, July 28th, to a throng of 75 operators from the Conn. area and proceeded to serve the guests with cocktails and dinner before going into a 2-hour discussion of the "Artist of the Week" plan that Seeburg has recently introduced. Parkoff, Jack Gordon, Seeburg veep; Bill Prutting, Seeburg rep; Gene Weiss, Columbia Records; Joe Mathews, Capitol Records; all spoke on the subject and, according to Meyer, "it was one of the finest meetings we have ever conducted." Conway Twitty, MGM recording star, dropped by the Atlantic N.Y. Corp. showrooms and was happy to see that his current LP material was programmed on the Model "Q" installed in the reception room. Twitty was one of the original artists programmed on Seeburg phonos with Frank Sinatra and the Kingston Trio the latest arrivals, just released for 33 1/3-single packages on August 1st. . . . Joe De Cristofaro, Islip, Long Island op, on Tenth Avenue to replenish the route. . . . Iz Edelman, Cine-Sonic Sound Corp., happy as a lark over background music system sales and will depart for Europe some time in September to do the same thing in Israel, England, Germany and wherever else Iz's European distributors advise him to go. Edelman has a European network set up and will expand it during his trip. Meanwhile, it's back to Schroon Lake, New York, for another week's vacation for Edelman after spending more than two months in the city arranging the planned export trip. . . . Bert Betti in Europe with the family having a ball looking forward to the Olympics in Rome.

French Economy Improves

PARIS, FRANCE—The French economy is expanding smoothly and steadily in a climate of general stability, Finance Minister Wilfrid Baumgartner told a press conference this week. And, he added, it appears that conditions will continue to improve.

With import restrictions on amusement machines lifted recently, and the removal of import restrictions on music machines in view for the near future, this latest optimistic report on the French economy bodes well for the coin machine industry. Prior to World War II, France absorbed quite a number of American coin machines. The French public always supported coin operated equipment well at that time, and if it now has, and will have, additional money for low priced entertainment, it will once again make operating here sufficiently profitable for the French coinman to import more equipment.

This situation is interesting to coin firms thruout Europe, as well as in the United States, which will find new sales opportunities available.

CHICAGO CHATTER

The new Fall season can't be too far away when coin industry people in the manufacturing and distributing level of the business are voicing their optimistic reports on a noticeable increase of late. Actually, the general feeling is that, barring any unforeseen circumstances, this approaching Fall will show a marked rise in the sales picture. Music equipment sales are more than holding their own generally throughout the country. Both games and music machines are maintaining a steady, fairly high level in many overseas markets, according to the general consensus of opinion gathered here over the past week.

Both, Sam Stern and Sam Lewis are singing the plaudits of Williams Electronic's new "Space Glider" rifle-target upright game, with the "Star Reserve Bonus" feature. "Glider" and Williams' "Darts" pingame are more than holding their own in nationwide sales during these, so-called "dog days." . . . Ewald Fischer, prexy of Fischer Sales & Mfg. Co., happily reports that his doctors are now permitting him to spend some time on the golf course now that he's very much on the mend after that heart attack some months ago. Better still, he can now swing his woods as well as putt (neither would do our game any good!). Fischer and sales chief Bill Weikel very definitely look forward to a productive Fall and Winter season with Fischer's line of billiard tables. . . . Art Weinand, sales director of Chicago Dynamic Industries, infos that not only is Chicago Coin looking to a fine Fall with amusement games;

but that every day's production of ChiCoin's "6 Game Bowler" is shipped to distribs immediately. Also, the "Pony Express" rifle-target upright and "King" and "Queen" bowlers are making it a pleasant summer with steady production and shipping schedules in the plant. Mort Secore planed out to the east coast last week to call on distribs.

Clarence Schuyler, pres. of Games, Inc., broke away from his heavy schedule on Games' "Twin Super Wild Cat" upright game for a short vacation trip. Probably looking for the smallmouth bass that got away last year. . . . Art Garvey, with that ever present, pleasant smile on his face, takes a few moments away from the constantly ringing phone on his desk at Bally Mfg., and tells us there hasn't been the slightest letup in production and shipping through these sweltering days. Bill O'Donnell, Bally's general sales manager, and vice prexy Herb Jones are confident that next Fall will be a banner season for Bally amusement games and kiddie rides. . . . United Mfg's Bill DeSelm and Herb Oettinger are pushing hard on production of United's fantastic "Bowl-A-Rama" big ball bowler" "'cause ops are screamin' for them across the country." Meanwhile, LeRoy Kraehmer and Glen Johnson report the firm is enjoying peak sales results with United Music's new "UPC-100" phonograph. Johnny Casola, United's southern rep., is back in the office this week planning a new itinerary.

Empire Coin's Joe Robbins tells us the sale of Rowe Mfg's. vending equipment is picking up steam with each succeeding day. Joe, ever the quipster, passes this dilly along in reporting about Jack Burns and John Stocksdale's visit with Paul Padens in his South Bend home. "It so happens," sez Joe, "that Jack and John were almost electrocuted in Padens' swimming pool—the juke box fell in—and, a United juke box, at that!" . . . There is much enthusiasm being generated at Seeburg these days by a very energetic and pleasant exec, who is known by many in the music industry as Jack Gordon. When Jack falls upon his favorite subject—Seeburg's "Artist of the Week" promotion—he generally gets fairly poetic in his discussion. He is raptly seconded by Tom Herrick and Arnold Silverman. . . . World Wide's Joel Stern advises that he is very hopeful that the upcoming Fall season will show an appreciable increase in coinbiz. Len Micon and Fred Skor agree with Joel, and assure us that this has not been the best summer sales-wise—far from it!

Alvin Gottlieb and Judd Weinberg, D. Gottlieb & Co., just can't say enough about Gottlieb's new 2-player "Captain Kidd" pinball amusement game. Production is constantly being pushed hard to meet the demand all over the country and in the overseas markets. Nate Gottlieb drove up to Camp Ojibwa to visit his son, Shelly, who is vacationing there for the summer. . . . While J. H. Keeney vice prexy Paul Huebsch has been popping in and out of the city, Clayton Nemeroff and Harold Dorgan have been minding the store. Harold is helping out in engineering, and Clay is getting "writer's cramp" jotting down the orders coming in over the phones. Both "Red Arrow" and "DeLuxe Red Arrow" amusement games are enjoying a field day in the sales department, according to Clayton. Harold tells us that Keeney's "Popcorn Vendor" is selling exceptionally well in the eastern part of the country. V. N. (Al) Allbritten is so busy in his southern territory during the summer months that he's finding it difficult to break away for a little vacation time. . . . We're told that Alaskan distrib, Mike J. Stanley, is well on the way to developing a very strong distributorship in Anchorage.

First Coin's Sam Kolber infos that Joe Kline departed last week for a much needed rest with his family. Sam further reports that export business is keeping a steady sales pattern, and that it appears this pattern will continue well into Fall. Fred Kline and Nick Nelson spend mucho time on the phones trying to latch onto the much needed games and music equipment to fill export orders. . . . Charles C. Cauchoise of England was a visitor in Chi last week. . . . Ed Blumenfeld, Michigan City, Indiana operator, is in Michigan City's St. Anthony Hospital ailing. Drop him a line and let him know his coinbiz friends

are thinking about him. . . . Chet Gore's Exhibit Supply plant is rolling along at peak production supplying photo cards and vacuumatic card vendors to the amusement park trade these days. Chet is readying Fall plans which will offer a boon coinbiz item to operators everywhere.

Al Warren, sales manager of Auto-Bell Novelty Co., reports steady sales and shipping on Auto-Bell's "Super Circus" upright amusement game. . . . Prexy Lou Urban and sales director Eddie Howard of Jennings & Company, happily advise that they've finally discovered a fine source to produce the color slide transparencies for their new "Vend-A-View" color slide coin-operated vendor. . . . During our travels around the coin row circuit t'other day we dropped in on Mike Spagnola in his spankin' brand new headquarters for AMI Sales Co. While there we had a cook's tour through AMI Rowe Corp.'s recently constructed building, and it can now be reported, since it is almost completed, that it is certainly something to behold. Not of least importance are the excellent transportation facilities and convenience. Naturally they have a parking area which is second to none. Mike tells us he is enjoying a steady sales pace with AMI phonographs during the hot summer months.

Marvel Mfg. prexy Ted Rubey is enjoying a pleasant vacation on the west coast. Estelle Bye expects to leave for her annual sabbatical just as soon as Ted returns. . . . National Coin's Mort Levinson is having a whale of a time selling Gottlieb's "Captain Kidd" 2-player pinball game to operators. He makes no bones about the fact that it is a terrific sales getter. Prexy Joe Schwartz enplaned to Florida recently, and from there he will hop over to Puerto Rico. It is a combined business and pleasure trip, according to Mort. . . . Purveyor's Herb Perkins and his staff are on their vacation schedule now. The busy distrib will resume operations next Monday. . . . Lou Casola, president of the Coin-Machine Council popped into Chi last Thursday to be on hand when Herb Oettinger (treasurer of C-MC) received a fat \$500 check for the national public relations organization from the ABC Buyers Club of Chicago, represented by Vincent Angeleri and A. H. (Andy) Hesch. Needless to say it, but both Angeleri and Hesch strongly urge all operators' groups to come out 100% for the Coin-Machine Council's PR program.

New York Is Still Biggest In U.S.A.

NEW YORK—The New York coin-trade will be interested in a report by the Census Bureau that the metropolitan area still has the biggest population in the United States. A total of 10,604,300 includes 7,710,346 in New York City and 2,893,954 in Nassau, Rockland, Suffolk and Westchester Counties.

Population of New York City dropped 2.3 per cent, or 181,611, between 1950 and 1960. The population outside the city increased by 73.9 per cent, or 1,229,968.

Population by borough and a comparison with the 1950 figures is as follows: Bronx: 1,415,025, down 2.5 per cent or 36,252; Brooklyn: 2,604,001, down 4.9 per cent or 134,174;

Manhattan: 1,668,172, down 14.9 per cent or 291,929; Queens: 1,802,119, up 16.2 per cent or 251,270; Staten Island: 221,029, up 15.4 per cent or 29,474.

Holzman To Chicago

NEW YORK—Irving Holzman, Black Sales Company, United distributors this city, advised that he will begin a business trip on Friday, August 5, which would include Miami and Chicago and extend for about one week's time.

While in Chicago, Holzman expects to spend most of his time with United Manufacturing Company officials discussing manufacturing plans for the coming fall season.

Before leaving, Holzman met with officials of the Craig-Todd Agency, New York firm currently organizing amusement games operators in the New York City area for a city-wide tournament to be conducted on a minimum number of 2000 games and offered 100% cooperation to the tourney group. (See story on page 48).

Auto Bell's New "Five Jacks" Popular In Foreign Markets

CHICAGO—Zeke Wolf, president, and Al Warren, sales manager for Auto-Bell Novelty Company of this city, declared last week that Auto-Bell's exciting, new "Five Jacks" counter amusement game is already experiencing heavy sales action in several foreign markets.

Both Wolf and Warren cited several good reasons why "Five Jacks" received immediate acceptance in these markets because it is an original, new type of game, which offers the player much suspenseful action in play. Also, it offers the operator (in foreign markets) the highest possible earnings at the lowest possible cost for this type of amusement equipment. The coin chute takes one, two or three coins.

Warren particularly stressed the fact that "Five Jacks" is produced only for export, and is being channeled to Canada and the European markets. Presently it is receiving wide acceptance in most Canadian territories.

"Five Jacks" features a skill trigger which controls the coins. There are five winning traps, and five large award pockets. Each pocket is constantly being refilled for continuous play. This counter game is 100% mechanical and requires no servicing. This is a prime feature which is proving very interesting to many operators in foreign markets.

Bert Betti Off On European Trip

BERT BETTI

UNION CITY, N.J.—Bert Betti, Eastern Novelty Distributors, Inc., this city, left for Europe recently with an eye to increasing the firm's current export business. He expects to visit approximately six countries on a trip designed to promote European sales on used and reconditioned amusement machines.

"Of course, during my visit to Italy, I expect to see at least a portion of the Olympics which will be staged during my stay in Rome. In addition, I expect to stop in England and tour the London distributor showrooms," stated Betti.

Betti is exclusive distributor for the Fischer Sales & Manufacturing Company and also distributes pool table supplies to the nation's pool table wholesalers and operators.

Expect West Europe Boom To Continue

GENEVA, SWITZERLAND—Western Europe, which buys considerable numbers of coin operated machines from the United States, is enjoying an economic boom which should continue unabated for the rest of the year, according to United Nations economists.

The report stated that the increase in total industrial output for 12 Western European nations jumped 7 per cent between 1958 and 1959 and more than 12 per cent between the first quarters of this year and last.

The UN Economic Commission for Europe attributed Western Europe's "highly favorable" economic situation to:

- 1) A "very high rate" of industrial expansion.
- 2) "Considerable" productivity advances.
- 3) Moderate wage increases and stable prices for imported raw materials which allowed a "remarkable degree of price stability."
- 4) "Comfortable" foreign exchange reserves.

This "boom" condition in Western Europe can reflect extremely favorable for those in the coin machine industry, both in Europe and the United States. It's acknowledged that when the general public is enjoying full employment and good wages, coin operated equipment gets its share of the entertainment dollar spent. With equipment in Western Europe enjoying good play, more and newer equipment will be in demand, and these machines, for the most part, can be supplied by American firms.

**Blatt Looks To
Big Miami MOA
Show In May '61**

MIAMI, FLA.—Music Operators of America officials are laying the groundwork for a 1961 Convention in Miami and Willie Blatt, veteran coinman, and MOA board member, and also a resident of Miami, Florida, has started the task of publicizing and promoting the convention from the site of the meet to the nation's operators.

The Convention will be held at the Deauville Hotel on May 15, 16 and 17. "We can bring back the tremendous conventions enjoyed by this industry before WW II if every operator, distributor, jobber, and manufacturer gets behind MOA with the intent of presenting the industry in its true light," stated Blatt. "I believe a Convention in Miami will bring about this success."

Blatt went on to say that many vacationers have avoided Miami Beach for a relaxation spot due to the prohibitive costs at certain times of the year. "However, I can assure you of a room with meals for about the same as the cost of only a room at many of the Chicago hotels. Plan now to bring your family and I can guarantee you a wonderful time," said Blatt.

Blatt advised that MOA is prepared to accept applications from manufacturers of every type equipment considered legal by the Federal Government. MOA is looking to the vending industry for support since the music operator of today has, in many instances, diversified to the point of operating all types of equipment.

CALIFORNIA CLIPPINGS

Atlantic N.Y. Presents Connecticut Music Ops With "Artist Of Week"

EAST HARTFORD, CONN.—Meyer Parkoff, Atlantic New York Corporation, Seeburg distributors in New York, New Jersey and Connecticut held a dinner meeting of Connecticut operators here on Thursday, July 28, at the Waverly Inn. The prime topic of the meeting was Seeburg's current "Artist of the Week" merchandising program and the 75 operators in attendance heard the presentation delivered by Atlantic and Seeburg executives.

Mac Perlman, branch manager of the Connecticut outlet, conducted the business part of the meeting introducing Jack Gordon, Seeburg vice-president in charge of phonograph sales, who made a presentation on the future of the record industry as it pertains to speeds, both 45 rpm and 33½ rpm, and its relationship to the phonograph industry.

Gordon's talk touched on the increasing LP sales in today's record market. "Every dollar spent on records by John Q. Public today is distributed unevenly with 80¢ going over to LP sales. Only seven years ago singles accounted for about two-thirds of the dollar volume," said Gordon. Gordon continued talking specifically about the type music phonographs should, but do not, offer an adult listening public. "One-half of the juke boxes on location today are in taverns where the teenager does not congregate. But the music available for programming is recorded for teenage tastes. The adult public wants LP selections and the record sales prove it. Seeburg's 'Artist of the Week' program is designed to give every phonograph this material," concluded Gordon.

Gordon was followed by Gene Weiss of Columbia Records and Joe Mathews of Capitol Records, with both record industry representatives

MEYER C. PARKOFF

presenting their respective firm's thoughts and plans for the new speed as well as the 45. Both firms supply Seeburg with seven inch stereo single material.

Bill Prutting, Seeburg district manager, presented Seeburg's point of view with a Seeburg "Salesmate" presentation, a merchandising idea aimed at helping operators get better terms from locations owners.

Meyer Parkoff spoke to the operator group limiting his talk to the part The Seeburg Corporation plays and has played in the phonograph industry since its inception. "It was Seeburg with the change from 78 to 45, they were first with high fidelity, cabinet design changes, and stereo sound. Seeburg has again led the field with the introduction of a new speed that it feels will be the only speed in the record industry before too long. It is logical that phono-
