# FMQB ALBUM REPORT

December 3, 1982

**BILL HARD, Editor**

## Easy Choice

### SAMMY HAGAR, "THREE LOCK BOX", GEPHEN

As noted in our single comments last week, what Sammy needed was to move it more to the middle without leaving his core behind - mission accomplished. "Your Love" is perfectly positioned, with instant Top 40 and album acceptance (debut #21) on the Song Index. "Remember The Hero" has that tremendous Mike Reno/Loverboy tie in. We also recommend "Never Give Up", "I Don't Need Love" and "Growing Up".

## Chain Reaction

### DURAN DURAN, CAPITOL

When we rolled the Front Page shot two weeks ago, we were naturally expecting a pick-up in visibility, but the #1 Most Added showing this week is a real surprise. Certainly an amazing resurrection for an LP out over 6 months...New on 42 of our reporters including KLOL, WYSP, KROR, KSHE, KDXB, KTAQ, KMET, WOVE, WITY, WLPX, and KQAK...Expect Metro and Index debuts next week...Heaviest on WSYR, KRQQ, WTNF, and WKLS...Greg Gillespie, KEZO, "I was very surprised by the overwhelming positive response to Duran Duran's 'Hungry Like The Wolf' on our 'Consumer Guide' last week--78% positive with a good spread on demographics sounds like a winner to me"...Elll Simmons, WMYX, "If you haven't played Duran Duran yet, you should. Getting good phones from MTV and local video exposure"...Ron Kennel, WOVE, "Duran Duran remix is a smash. There's quite a buzz and I'm sure about this one"...Dave Kane, WCMF, "The time for this band is now! It's a must play record! If you want great modern music, you're not going to find anything better"...The Doctor, WYFE, "Duran Duran's sound lies somewhere between the wide appeal of 'Steppin' Out' by Joe Jackson and 'Words' by Missing Persons. It fills that gap quite nicely"...Stew Schantz, WPDH, "We have increased rotation on 'Hungry Like The Wolf'. As a matter of fact, we're playing the six minute version. Good phones!"...Susie Austin, WLPX, "'Hungry Like The Wolf' (complete with poant) is fantastic."

### NIGHT RANGER, BOARDWALK

Week 3 has this potent debut cranking on the afterburners. The strongest Index gainer, 47-29, and a super healthy Metro debut at #29...#2 Most Added with 20 for a 3 week total of 64 adds...Dave Logan, KFOG, "We like to lean on the local angle and Night Ranger is such a strong record that we can't lose"...Doug Davis, KMXL, "Night Ranger is doing nicely with increased airplay on 'Sing Me Away'. Real positive phones"...Ted Utz, WPYX, "With all the 'new music', it's great to have a rocker to break wide open. After one week we've upped rotation"...The Doctor, WYFE, "Night Ranger sounds better on the radio than I first expected, which is always a pleasant surprise"...Jose Diaz, WBLM, "The Night Ranger LP, as we all know, is tailor made for radio. We'll start with 'Don't Tell Me That You Love Me', but before it's all over, 'Sing Me Away' and numerous other cuts may see the light of airplay"...Airplay: 29 steady, 1 down 9 up: WMMS, WOVE, KISW, KROR, WBAB, KLAQ, KJED, WOUR, and WSKS...Heaviest on: WAAF, KTAQ, WRON, KGOH, and WTNF... "Don't Tell Me You Love Me" moves 39-22, with "Sing Me Away" also building.

### OZZY OSBOURNE, JET/CBS

The second highest debut this week--#23 Index, #26 Metro...Tied for #2 Most Added with 20, for a two week total of 104, including 37 level 1 reporters...Max play mentions: WJLS-FM, WJOT, WLAV-FM, KMET, and WMBN...Top 10 retail: KLOL, WMYX, WNOR-FM, WJOT, WCMF, KGOH, WBAB, KOME, and WCOZ...Top 5 requests: WCOZ, WLLZ, WLVQ, WOVE, WLPX, KZAP, WYSP, KGOH, WRON, WPYX, and WRDQ...Comments: Bill Weston, WGRQ, "I had heretofore believed heavy metal was on its way out what with the new sound and all. But speak of the devil, Ozzy again brings them out of the woodwork"...Jack Silver, KSHE, "Ozzy live is a ballbuster. What a great package"...Bob Welch, WPYX, "If Zep rules, Ozzy rules! The Fanged One debuts at #23 in sales and pulls in #2 requests"...Top Trax: "Paranoid" leads at #52 with "Iron Man" debuting at #82 in the Top 100.

### LED ZEPPELIN, "CODA", SWANSONG

117 adds convert for the week's strongest debut showing--#8 Index, #9 Metro, and with 17 more adds, expect a move into the top 5 next week...We have 53 max play mentions, 19 more in heavy rotation...Already top 5 requested at majors WLPX, WOVE, WLLZ, WCOZ, KYYS, WGRQ, KGOH, WYSP, KLOL, KFOG, etc...Jack Silver, KSHE, "I don't care where or when Zeppelin recorded the trax on 'Coda'. Few bands can get so many programmers this excited. The streetbuzz is still heavy on the delivery of the new LP"...Bill Simmons, WMYX, "Led Zeppelin debuts at #1 in retail, narrowly edging out Men At Work"...Bob Welch, WPYX, "Led Zeppelin rules the phones and local sales debuted at #13"...Scott Seagraves, KSMB, "Led Zeppelin and Ozzy catapult to #1 and #2 on our sales tabulation as well as on the phones"...Trax: "Darlene" (debut #24) and "Ozone Baby" (debut #27) garner most of the play, with "Poor Tom" (debut #96) and "I Can't Quit You Baby" (debut #93) following.

## CHAIN REACTION CONTINUED

### FOREIGNER, "RECORDS", ATLANTIC

The live "Hotblooded" seems to be the radio fave and combining all those hits on one disc sure makes it easier on the jocks (who, me--using filler comments?) #3 Most Added with 17.

### FRANK MARINO, COLUMBIA

We've seen consistent major market add action for several weeks now and now the Index reflects that progress with a #47 debut. Up 40-44 for a Metro Prime Move, too...#5 Most Added with 13, led by KOME, WLPX, KDWB, KRQR, WKLS, and WILS-FM...Doug Podell, WLLZ, "The biggest surprise goes to Frank Marino. If you originally missed this one, go back and check it out. After a week and a half, 'Strange Dreams' is building nicely"...Steve Feinstein, WYSP, "Once I kicked and screamed at the idea of playing Frank Marino. I can't protest now. The record's a smoker, and my mouth is full of the humble pie I'm eating. Let's hear it for the Lifeset method of vinyl resuscitation."

### ENGLISH BEAT, IRS

Now that the major releases have slowed, time to go back and pick up some of the more deserving stuff that got squeezed out by the heavies, and as we've said a number of times, this is a leading candidate for your consideration...#6 Most Added with 11, including WFBQ, WHJY, KRQR, WCMF, and WPYX...Lots of strong comments, too: Art Phillips, KILQ, "The perfect combination of pop, soul, and ska is the new single from English Beat. This admittedly took a half dozen listens, but the hook comes through and this should be that perfect 25+ spice that we're constantly searching for"...Jeff Riccio, WHJY, "The tune is great. The sales in town are super, and as a matter of fact, the show was one of the most enjoyable I've attended in quite a while"...Bruce Bond, WZZO, "It's really there. Sure it may take you awhile to hear 'Save It For Later', but it's definitely there"...Bruce Goldsen, WRKI, "I'm adding the English Beat. I'm tired of getting beaten up. 'Save It For Later' is a pleasant sounding track and we've picked up some sales on the record"...Dale Wolter, WMAD, "As someone in this Sheet astutely put it, 'If the band came to town for a show, it would sell out in no time'. And you sure can't say that about a lot of the formula rock bands touring at the present. It took a few listens, but we are very excited about the potential of this excellent album."

### KISS, CASABLANCA/POLYGRAM

10 more adds takes the 5 week total to 51 stations--obviously, expect a debut in our next report... New's include: KTXQ, KISS, WSHE, WYSP, WGRQ, WILS-FM, and WHCN...Heaviest on: WSYR, KGON, KZAP, and WLPX..."I Love It Loud" is top 5 requested on WLPX, WZXR, WROQ, WPYX, WIMZ, WSYR, WAPI, KZEL, WSKS, KSMB, and KGON...Checklist: 21 of 57 not playing are considering, none dropping, 8 maintaining, and 23 building, including KGON, WKLS, WZXR, WAAF, WDVE, WLPX, KISS, WSHE, WSYR, WIOT, WHCN, and WFYV... Radio Action: Bob Bittens, WHCN, "Five years ago when Kiss was at their peak, their biggest audience was in the 12-16 year old range. Those same people are now 17, 18, 19, and right smack dab in the middle of the target demo for most AOR's. We're getting good early reaction to 'I Love It Loud'"... Drake Hall, KTXQ, "We got strong phone calls on Kiss before we even played it, so we think it's worth a shot"...Joanne Peterson, WAPI-FM, "Kiss is pulling in most positive phones. Who would have guessed it?"...Scott Seagraves, KSMB, "Kiss just starting to sell, but giant calls"...Susie Austin, WLPX, "Kiss goes to heavy this week due to audience response."

### ROUGH TRADE, BOARDWALK

#7 Most Added with 10, including WBCN, WYNF, WKLS, and WIOT, for a grand total of 27 FMQB reporters. "All Touch" leads. Also consider the title track.

### WAITRESSES, POLYGRAM

It's time to think holiday programming, and "Christmas Wrapping" is the best seasonal rocker we've heard lately--#7 Most Added with 10, including KBPI, WDHA, and WPYX...Already on: WNEW-FM, WXRT, KNAC, and KROQ.

### MICHAEL JACKSON, "THRILLER", EPIC

As of report deadline, only a handful of our stations had the new Lp in hand, and we still logged in air action on heavies KGB-FM, KBPI, KQRS, and KTXQ...Drake sez, "I don't care if Michael is green, this record makes my pee-pee stand up and salute. I played it on the air, asked for comments, and it's all positive so far. There is no reason on God's earth not to play this record. It's great"... Joe Folger, KQRS, "No guts, no glory. Michael Jackson's on"...Paul Lemieux, WCOZ, "My biggest post Thanksgiving treat was the arrival of 'Thriller'. I never thought Michael would do a straight ahead guitar song, but with Eddie Van Halen's help, it really rocks."

### PRETENDERS "BACK ON THE CHAIN GANG", SIRE

15 more for Chrissie's latest, including KAZY, WAPP, KZAP, WMET, KTXQ, and WNOR-FM...Now on 43 FMQB stations...Heaviest on WQBK, WXRT, KNAC, WBRU, KWXL, WPDH, KZEL, and WSKS...A top 5 request item at WQBK, KZEL, WPLR, WMAD, and WDVE...Comments: Ted Utz, WPYX, "For those of you who have discovered the new preppie/trendy, you'll find the Pretenders' 'Chain Gang' at the top of their list. The masses are just around the corner"...George Bradt, WBRU, "WBRU and local record stores were flooded with calls about this one when we played it as an import, and all that interest has translated into outstanding sales now that the domestic 45 is available. We couldn't have asked for a stronger track"... Also, keep an ear on the flip as noted by WDVE's Ron Nenni, "'My City Was Gone' by the Pretenders is a top 5 request item and debuted #15 in sales."

### ADAM ANT, EPIC

The 19-10 Index gain puts Adam Ant right behind Night Ranger in the major chart move department...Up 25-20 Metro...New: WLLZ, WFBQ, KISS, KAZY, WTUE, and WIQB...Airplay: 57 steady, 6 down, 13 up: WYSP, WNEW-FM, WMET, WAPP, KOME, KGB-FM, KDKB, WWCK, WQDR, WCCC, KZAP, KSMB, and WSKS...Top 10 retail: WCOZ, WMMR, WBAB, WBCN, WPLR, WGRQ, WIOT, WSKS, KLOL, WILS-FM, and WMYK...Top 5 requests: WLPX, WYSP, WZXR, WPLR, WFYV, KISS, WCMF, WGRQ, WKQQ, WMYK, WAQX, WHCN, WAPI, and 8 more...The crusher Checklist: 1 dropping, 10 maintaining, and 64 building...10 of 17 not playing are considering... "Goody Two Shoes" dances up the Song Index into the #2 spotlight.

### PSYCHEDELIC FURS, COLUMBIA

The Furs came on the Metro Chart at 50 last week and claimed the #50 Index slot this report...New: WMET, WYSP, WKLS, WDHA, and KNCN, for a total of 49 adds to date...Increased spins: WSHE, WNEW-FM, KILQ, and WQBK..."Love My Way" hits the Top 100 at #63.

### VANDBERG, ATCO

9 adds (including WAVA, WDVE, WMMR, DC101, and WKLS) bring the FMQB station count to 74 over an 8 week period...Up 42-38 Index, 45-43 Metro...Airplay: 38 steady, 1 down, 5 up: KRQR, WAQX, WMAD, KILQ, and KSMB...Heaviest Play on WSYR, KGON, WQFM, and KSJO...Radio Action: Ted Burton Jacobsen, KKRQ, "Vandenberg checks in with a future smash in my book. Another believable act from Atco"...Steve Feinstein, WYSP, "1982 was the year that heavy metal discovered the value of a good melody. Vandenberg's 'Burning Heart' is the latest in a line of expertly crafted big ballads a la Scorpions and Def Leppard"... "Burning Heart" is up 37-33.

### CHAIN REACTION CONTINUED

#### PHIL COLLINS, ATLANTIC

Nice upward moves: 7-4 Index, 7-3 Metro...Airplay: 58 steady, 1 down, 16 up, including KZOK, KWK-FM, KTXQ, WKLS, KSJO, KRQR, KQRS, KGON, KGB-FM, WZXR, and WABX...Top 10 retail: KATT, WTUE, WSKS, KEZY, WIOT, WAQX, WCMF, and WMMR...46 max play mentions...Trax: "I Don't Care Anymore" goes 16-9, "Do You Know Do You Care" follows.

#### SCANDAL, COLUMBIA

Holding steady at #49 on the Index, but a Metro underline 47-42..."Goodbye To You" at #48 on the Song Index...A solid add week: WDVE, KOME, WHJY, KLOL, and KAZY...13 Checklist builders include: WMMS, KQAK, WBAB, KQRS, WNEW-FM, KBPI, WHJY, KATT, KISS, WYSP, KTXQ, WILS-FM, and WZZO...Airplay: 24 steady, 3 down, 4 up: KQRS, KRQR, KTXQ, and WYSP.

#### GOLDEN EARRING, POLYGRAM

Up 16-12 Metro, Prime Move 20-14 Index...New: KLOL, KDKB, WBLM, WTUE...Airplay: 63 steady, 2 down, 11 up: WSHE, WLPX, WIYY, WNEW-FM, WBCN, KZOK, KTXQ, KQRS, KDWB, WZXR, and WSYR...Max on: KLOS, KISW, WILS-FM, and WBRU...Heavy play stations include WKLS, WYSP, DC101, KZEW, KYYS, KRQR, KPRI, KPKE, KGON, KGB-FM, WFYV, WHCN, KZAP, and KISS..."Twilight Zone" moves 13-8-5.

#### ROBERT PLANT, "FAR POST", IMPORT

A number of programmers have told us they feel "Far Post" is as strong as anything on the Lp. This week KFOG, KQRS, KLAQ, and 4 more came in, and with a 62-50 underlined move on the Song Index, the single is an obvious candidate for reconsidering.

#### FRIDA, ATLANTIC

A solid week: Up 35-31 Metro, building 31-30 Index. New: DC101, WABX, KLAQ, WNOR-FM, WKQQ, and WRKI...Airplay: 43 steady, 4 down, 8 up: KTXQ, KQRS, KBPI, KAZY, WQDR, WMJQ, KEZY, WDHA...Max play: WNEW-FM, KDKB, WRNO, KILO, and KWLX...Heavy on WMET, WLLZ, KZOK, WSYR, WPLR, WLAV-FM, and KISS...Checklist: 29 maintaining, 8 dropping, 20 building, including KGON, WLVQ, KQRS, KDKB, WAPP, KZOK, KBPI, WGRQ, KTXQ, WILS-FM, and WPYX...The single builds 23-19.

#### TONY CAREY, ROCSHIRE

The marvelous cover graphics kept this one at the bottom of the audition stack for a couple of weeks, but when adds at WYSP, KISS, WILS-FM, WIOT, and more came in, we took a hint and dug it out. Try the single "I Won't Be Home Tonight". Excellent multi-format item...From Steve Feinstein, WYSP, "Tony's got himself a vibrant little number. This record is laced with hooks and driven by its punchy, poppy dynamics."

#### POP-O-PIES, 415

When Howie Klein sent along the Ep, the accompanying note said something like "Hey--no pressure guys, this one isn't for airplay--just listen for personal enjoyment"...Well, guess what Howie, you finally get some Chain Reaction ink. We think the A side "Truckin'" version is a scream and would make for perfect novelty programming.

#### THE MEMBERS, JIVE

"Working Girl" doesn't knock you back on first listen, but the hooks do endure, and in the past seven weeks, we've seen action on WXRT, WYSP, KQRS, WMMS, and KROQ...New on: KBPI, KOME, KLAQ, and KBCO.

#### MOVING PICTURES, NETWORK

This hot Australian pop/rock outfit continues to round up credible calls...New on: WMET, WYSP, WHJY, WYFC, KFMQ, WYMX, and WZZO..."What About Me" is the prime cut.

#### BLOTTO, "METALHEAD", PETER PAN

This novelty item did well where programmed, then was more or less rolled over by the big boys. One of the rare tongue-in-cheek offerings in the relatively dry heavy metal genre. Consider for AM-drive.

# Radio Action

KBPI, DENVER, CO P.D.-PHIL "STRIDER" ROBINSON: "Michael Brannan, Atlantic and Mike Linehan, Warner Bros., are two of the country's best promo people. If you betray their trust, you deserve a cut-off. And if the national offices hang their locals out to dry and once again screw the stations that do play by the rules, then I guess we'll have to start playing dirty, too. Is this can of worms really worth opening?"

KAZY, DENVER, CO ASST. P.D.-BRUCE WHEELER: "What goes around comes around. We respect our Warner Brothers and Atlantic people for having the integrity to stand behind their principles."

**KFMQ, LINCOLN, NB M.D.-BOB ROSEL:** "Adds: Frank Marino, Moving Pictures, Vandenberg, and Pretenders 12"... What is it about radio that makes us so petty? What is the cause of this boring, degrading, child-like behavior where people in radio feel they must play out their little personal feuds in front of all of us? Either it's bitching about one thing or another, or it's cock-a-doodling about how great the last Book was. This grudge fighting and rooster strutting is fine for kids and roosters, but I, for one, am tired of reading all that crap in these Pages. I feel these Pages can be better utilized by exchanging ideas on radio programming and music and an occasional thank you for a visit or favor. It's my understanding that professionals fight their battles in private or on the field, so let's keep our personal wars out of these Pages and quit boring us. If you've got the guts, why not call your adversaries on the phone and tell them what you think of them directly? Let's show a little class. You got a beef with someone-- Tell them, don't tell us. For one, it's the easy way out; and, two, who cares? Now I'd like to tell my wife she's a lousy cook and a poor housekeeper. I mean, let's get on the ball, honey, my time's too valuable to waste it with someone who can't boil a hot dog. Oh, by the way, the latest Husbandron Book shows me with a 12.7 infant-plus rating. That's up 1.3 points from my last Book, making me #1 in my ADI household. And that tops any Book my malt-o-meal mouth predecessor ever had. So there, twinkie teeth... Enuff said on that subject. I think it's time for all of us to go back and look at the music we overlooked these past few weeks. Solid efforts from: Frank Marino, Joni Mitchell, Jack Mack And The Heart Attack, Moving Pictures, Pretenders, and David Lindley, among others. They should be listened to again and be considered for airplay...Finally, thanks to: Max Gronenthal of Jack Mack And The Heart Attack for the phone call."

**WYSP, PHILADELPHIA, PA M.D.-STEVE FEINSTEIN:** "Robert Plant's 'Far Post' is more than a non-Lp curiosity item. It's for real, a refreshingly rollicking romp of a record, recommended...1982 was the year that heavy metal discovered the value of a good melody. Vandenberg's 'Burning Heart' is the latest in a line of expertly crafted big ballads a la Scorpions and Def Leppard...Once I kicked and screamed at the idea of playing Frank Marino. I can't protest now. The record's a smoker, and my mouth is full of the humble pie I'm eating. Let's hear it for the Lifeset method of vinyl resuscitation...Tony Carey's got himself a vibrant little number with 'I Won't Be Home Tonight'. This record is laced with hooks and driven by its punchy, poppy dynamics. Remember you're hearing it first from the guy who made the Monroes a household name... If McCartney woke up from his middle age musical menopause, he might make records as spirited and sprightly as Squeeze's swell swan song 'Annie Get Your Gun'. Wouldn't the world be a less lonely place if there were more singles 45 and under...Big jumps in sales for: Golden Earring and The Fixx...Keep an eye out for Philly's favorite son Robert Hazard and his Ep, set to arrive as you read this...Attention shoppers: This is your last reminder to call A&M Canada for the Payolas 'Soldier' 45...Thanks to Terry Meiners and Mike Bone for providing the comic relief and at the same time a sense of proportion in their comments... Time to climb up on my high horse and raise my voice in protest of the vile these pages have been oozing recently. Enough already with radio folks complaining about record folks (and vice versa). Enough with vain bragging of how your station is more committed to new music than the competition and was first on a certain record. Enough of ragging on consultants. Enough of petty personal attacks on the competition across the street. Let's can the backbiting and use these pages to talk music. (End of sermon)."

**WDHA, NORTH JERSEY, GM-BOB LINDER/P.D.-MARK CHERNOFF:** "For quite some time we have quietly watched stations boast of their unauthorized early airplay of major new albums. With comments this week, many from Doubleday stations, we feel we must say something. No one operates in a vacuum. All of our actions, to some extent, affect everyone else. Certainly with the present state of the economy, it's more important than ever to help each other. So, it seems inconceivable to see blatant nose thumbing at record companies by many in the radio industry. Like WAPP's framing of their cease and desist order or KPKE's Randy Raley saying 'I am not in this business to please you. I am in this business to win listeners. Therefore we will play a record any way we want, any way we see fit.' Statements like these are an embarrassment to responsible broadcasters. We care a great deal about trust, playing by the rules, and helping others in the music business. When a date and time is set for a special announcement or an album's debut, we feel morally bound to honor the request. Without trust or mutual respect, what's left? An Arbitron number? Who the fuck cares when those selfish actions hurt everyone else. To win fairly is fine. But to gain by stomping on others will only boomerang back in the end...Now, stepping off my soapbox, WDHA's adds this week include: The Furs, Waitresses, Foreigner's Hits (love the cover), and the English Beat (so Michael Plen won't have to mow our grass. By the way Mike, we have a private patch you might enjoy mowing.) But seriously, The Beat is worthy of all the promotional push. 'Save It For Later' is the key cut...Winter's almost here and it's definitely time for Furs to keep the turntables warm...We've added the Waitresses primarily for the classic 'Christmas Wrapping' but 'Square Pegs' also faired quite well in last week's testing...We had a busy Thanksgiving weekend with 3 parties for over 2500 DHA listeners. Many thanks to John Boulos for Steel Breeze who blew in for a visit prior to their show in Passaic that we hosted... By the way, our NJ rock album is selling at all locations. It looks so good we're making a t-shirt out of it."

**WILS-FM, LANSING, MI P.D.-LES COOK:** "Record of the week: Led Zeppelin, all tracks. This is meat and potatoes...Duran Duran's 'Hungry Like The Wolf' goes in this week along with ex-Rainbow member Tony Carey. 'I Won't Be Home Tonight' sounds great on the radio stations...We're trying Kiss, and so far no negatives... 'Strange Dreams' from Frank Marino belongs on album radio. 'Try it, you'll like it'...Now, to Jerry Casale. I have my facts straight, pal. I was there. I saw the show and a member of Devo certainly did flip the audience the bird, and bitched about the lights, and I still think you guys need an attitude check. A one-hour and 15 minute show with no opening act and a tantrum instead of an encore for a \$11.00 ticket price is not my idea of giving your fans value for your concert dollar. If you forget your fans, they will in turn forget you."

**KTXQ, DALLAS, TX M.D.-DRAKE HALL:** "Michael Jackson is my life. I don't care if he's green. This record makes my pee-pee stand up and salute. I played it on the air, asked for comments, and it's all positive so far. There is no reason on God's earth not to play this record. It's great...This is obviously Sammy's most accessible record to date. If the album rocks like I hear it does, this is homerun city...Increased rotation on the Frida and on Patti and Scandal...Is Bonzo really dead? Not seeing a lot of excitement on 'Coda'. I think the already fried catalogue is lending itself to this album's rather low excitement quotient. It will, of course, sell for 3 or 4 weeks. After that, I don't know. 'Darlene' is the standout, though...Ozzy is a joke. We're getting some phone calls, but he won our turkey of the year award by a landslide...We got strong phone calls on Kiss before we even played it. So, we think it's worth a shot...Also rolled with Texas favorites Fabulous T-Birds. Should work well also in Northeast industrial markets, if you get my drift...If you're looking for a third track from Men At Work, 'Be Good Johnny' is a smoker... Incredible phone calls and sales on Utopia's 'Hammer In My Heart'. Finally upped to heavy this week...Also the new Duran Duran is doing great in both phones and sales. What a great comeback effort for the Capitol staff...Christie's 'Chain Gang' sounds good on the radio. If you can't find it at the local import store, too bad."

**WMMR, PHILADELPHIA M.D.-LISA RICHARDS:** "Two great imports to check out: Flock Of Seagulls 'Wishing-- If I Had A Photograph Of You'. If you've never been a Flock Of Seagulls fan before, you will be now; and Human League 'Mirror Man'...I had a marvelous time in New York this week and had the opportunity to see The Fixx at the Bottom Line and the Stray Cats at the Ritz. I was particularly impressed with Sy of the Fixx, who has a striking resemblance to David Bowie and lifeguards everywhere. The Stray Cats, as usual, were on fire. It was great seeing: (stroke time) Alan Wolmark, Jerry Jaffe, John McGhan, Jim Monaghan, Derek Shulman, Chris Dye, John Waite, and Neal Mirsky. Thanks to Linda Feder, Don Wasley, and Mr. Lim-O-Zine man for a wonderful time."

WBCN, BOSTON, MA M.D.-MARC MILLER: "Got to see Little Steven And The Disciples Of Soul last night, and bless my soul, those guys can cook. They bring all the excitement of all the great New Jersey bands right into your face, and they left the crowd screaming for more. If this isn't enough to entice you, drummer Dino Dinelli, formerly of the Rascals, has not aged 30 seconds since he played on the Ed Sullivan Show. It's truly one of the hotter shows on the road. Don't miss it...Also got the chance to see Peter Gabriel in NYC last week. That's another incredible show for all kinds of different reasons. His use of headset microphones is truly innovative, and I think he's one of the few performers who can actually get away with having both of his hands free. Another one not to be missed...Is there any truth to the rumor that Ozzy Osbourne put out his live album because of a similar idea by some of his former cronies? Any further info would be greatly appreciated...And now the moment you've all been waiting for, DANNY SEZ: 'Congratulations to Sire Records for having the foresight to release Modern English's 'I Met With You'. This song has been a favorite around here for months. Don't pass it up, it's infectious and carries a punch guaranteed to light up any phone...Another winner is Rank And File on Slash Records. This band brings Country and Western into the 80's and beyond. Harmonies and guitar licks for days.'"

KGB-FM, SAN DIEGO, CA M.D.-TED EDWARDS: "There's so much sun out here that I'm thinking of changing my name to Troy or some such crazyfornia moniker. But on the other hand, there is weather out here, as you may have noticed from the national news. And although Larry Bruce lost two trees and the fence in his backyard, things are back to normal. So let's add some records...First in this week, a man who cannot be denied or he'll eat your first born. Ozzy's on the radio at KGB-FM. We'll start with 'Paranoid'... We also went with the newly recorded version of 'Hot Blooded' by Foreigner. A nice little piece of work to spice up the air as we head towards Christmas...We also did a couple of Re-Adds this week, the first being The Fixx, 'Stand Or Fall'. KGB went on this early, and it didn't seem to quite work at the time. But considering the national picture, it seems like a more than appropriate time to give it a second shot...Sames goes for Judas Priest. The Re-add is for: 'You Got Another Thing Coming'...Personal to Paul Lemieux: These are jokes."

DC101, WASHINGTON, DC M.D.-DAVE BROWN: "We welcomed Rush and Rory Gallagher to the Capitol Center a couple of night ago. We all would like to thank: Rory Gallagher and his management for being so gracious. Also thanks to: Bob McKenzie and Jerry Jaffe of Polygram for their help and cooperation in putting it all together."

WDVE, PITTSBURGH, PA M.D.-RON NENNI: "Hey, c'mon, give it a shot. There's nothing out. C'mon. There's only one more report week. Sound familiar? Yes, 82's almost over and we're finding room for material that we've felt strongly about during the past couple of months, such as Vandenberg. 'Burning Heart' is a quality song that should do well...My old buddy Merv 'Have-I-ever-steered-you-wrong?' Amols and I agreed that 'Hungry Like The Wolf' by Duran Duran was a smash. After the remix and so forth, the time of truth is here. There's quite a buzz, and I'm sure about this one. By the way, Capitol should listen to guys like Merv more often...If you played 'Rosanna' from Toto, 'This Time It Must Be Love' by Donnie Iris will work. It's a Top 5 request item in town...Let's face it, it's Eddie Van Halen with Michael Jackson, not Michael Jackson with Eddie Van Halen...Saga was in town this week. They're a supergroup in Pittsburgh. Thanks to: Harvey, Frank, Bill, and Lenny. The pirhanna brothers in heavy forever... 'My City Was Gone' by the Pretenders is a Top 5 request item, and it debuted #15 in sales...J.Geils Band debuted at #12, Saga at #11, Ozzy debuted at #8, and Led Zeppelin debuted #2...Things are looking good for Night Ranger. Getting good phones, and we've moved it up in rotation...Ozzy and Led Zeppelin still rule the phones."

WNEW-FM, NEW YORK, NY M.D.-JIM MONAGHAN: "Welcome back, Ray Free and Deby Gould. Ray, you look 10 years younger. And Debbie, you've become absolutely charming since you don't have to promote Ozzy anymore... New Adds this week include: Bruce Springsteen's Import 45 with a previously unreleased B Side from the 'Nebraska' sessions; the Culture Club album (a hit); a re-add for Duran Duran; the Stray Cats 45 with the non-Lp B Side; and, 'Sexual Healing' by Marvin Gaye. Not only are we playing the record, but we'll even tell listeners who he is...If you're having difficulty with Scandal, check out the song 'Love's Got A Line On You'. We even got mail for it...I think it's time to get a couple of facts straight: One, not only did our competition not have the World Premiere of the new Led Zeppelin album, they didn't even have the NYC debut. Two, there was only one live radio broadcast in NYC on Thanksgiving Night. Linda Ronstadt from Dallas on WNEW-FM. Three, copies of New York Metropolitan Area maps complete with streets, avenues, and major thoroughfares are readily available at gas stations and newsstands...Personal to Chip Hobart: Your calendar is in the mail, honest. Please be careful what you say about Scott Muni in front of other people. Very, very tacky."

WLPX, MILWAUKEE, WI M.D.-SUSIE AUSTIN: "First of all, I'd like to give a big thanks to: John Brodey at Network Records; along with: Todd Rundgren, Roger Powell, Kasim Sulton, and Willie Wilcox of Utopia for autographing all the Utopia albums we gave away when we did our live Utopia simulcast with USA Network on Thanksgiving Night, along with a limited edition T-shirt. Thanks...Our George Thorogood 'Bad To The Bone' promotion went over big this past week. Thanks to: Jeff McGuire of Capitol/EMI for coming down Thanksgiving Night to help us judge Milwaukee's hottest guitar licks. The winner walked away with a \$1,000 gift certificate, and the runner-up got Capitol/EMI albums of their choice...The Stray Cats played here Friday to a soldout audience. We're also giving away a vintage Rock-ola 'Rock This Town' juke box filled with 45's, along with five litter boxes filled with Stray Cats' albums, pins, posters, T-shirts, and, yes, even kitty litter...Kiss goes to heavy this week due to audience response; along with Golden Earring's 'Twilight Zone'...Riot's live 'Restless Breed' is a real cranker...Duran Duran's 'Hungry Like The Wolf', complete with moans, is fantastic...Buck, you can call me Susie."

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "Good thing there wasn't much listening to be done this week, 'cause nothing short of a crowbar could have gotten Dexys Midnight Runners off this kid's turntable. Derivative of the most unlikely combination of styles, and thus, totally unique. This one is destined to ignite a tremendous response. We're seeing it already...Also, fun to see retailers achieving nirvana with the Zeppelin."

WCOZ, BOSTON, MA M.D.-PAUL LEMIEUX: "My biggest post-Thanksgiving treat this week was the arrival of 'Thriller' by Michael Jackson. I never thought Michael would do a straightahead guitar song, but with Eddie Van Halen's help, 'Beat It' really rocks...Glad to see MTV is keeping Duran Duran alive. 'Hungry Like The Wolf' could turn out to be another left field album radio hit--like Missing Persons 'Words' or A Flock Of Seagulls...Charlie Farren, formerly of the Joe Perry Project, has a new 45 out with his current band The Enemy. It's called 'America Rocks', and it's already on our local and new music show 'Party Out Of Bounds'. If you'd like a copy, contact: Masci Management, 304 Boylestown Street, Boston, MA 02116...Finally, a personal to Ted Edwards: Until Sarah gets there, anyone is like a sheep to you."

WMMS, CLEVELAND, OH M.D.-KID LEO: "Hi, Mom!"

KRQR, SAN FRANCISCO, CA ASST. P.D.-JON RUSSELL: "Briefly want to thank: Rapper and company from Columbia for the great Moroccan meal. The belly-dancer made me so dizzy, I had the flu for a week. I felt like signing up for the Navel Academy...We're also one who had originally gone on Frank Marino out-of-the-box. Due to lack of national support, we let it slip away. We're now glad to see it coming back and have re-added it this week...Looking forward to the English Beat show here in S.F. next week, which makes me feel even comfortable about adding the record--not to mention it's a good tune. I know the show is going to do real well...Have a great week. No comments for me next week, so Merry Christmas and Happy New York all you knuckleheads. Now get outta here."

**RADIO ACTION CONTINUED**

WGRQ, BUFFALO, NY M.D.-BILL WESTON: "New life from an album almost 26 weeks old. We added another track from Men At Work, 'Be Good Johnny'. As Top 40 begins to pound 'Down Under', now is the time to keep the Lp fresh with a new track. #1 in sales in Buffalo...Adds include: Sammy Hagar and Kiss...I had heretofore believed Heavy metal was on its way out, what with the new sound and all, but speak of the devil, Ozzy again brings them out of the woodwork...On the other end of the spectrum, I was delighted to take in part of the Spyro Gyra homecoming this week. Check out their new Lp 'Incognito' at home. Thanks to Transcon/Amherst Records rep Paul Bapst for a real classy show...Led Zep is #3 sales in Buffalo. Calls are heavy. #2 most requested: Darlene...Joni Mitchell nearly top 10 sales. Using it morning and middays only."

KROQ, LOS ANGELES, CA M.D.-LARRY GROVES: "The November Birch came out and in L.A. KROQ had an 8.2, making us the #1 musical station and the #2 station overall for the third month in a row."

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-RON DIAZ: "This past Saturday, Central Florida had its eyes and ears on one of rock 'n' roll's truly great bands, THE WHO. The concert was just about flawless. Everything was right, including the weather (a clear night in the 70's), the sound (best ever at the Tangerine Bowl), the stage, the crowd, and most importantly, the band. Pete, Roger, John, and Kenny were well rested, enthusiastic, and HOT! The last time I saw The Who was 1973 in The Garden, and I really believe they haven't lost anything with the exception of the irreplaceable 'Moon' man. If they're headed your way, don't miss 'em...There is one record this week whose progress I'm especially pleased with: Duran Duran's 'Hungry Like The Wolf'. I've been getting off on this tune for months, and it's great to see it explode into heavy rotation on YNF. The whole album is top notch...Sammy Hagar has a hit in his back pocket with 'Crazy'. It fits our station like a glove."

KSHE, ST. LOUIS, MO M.D.-JACK SILVER: "I spent Thanksgiving week in Chicago. So to make up for lost ink, here goes: Here in the Gateway City, anything that Sammy Hagar releases is met with instant acceptance. The two advance cuts from '3 Lock Box' proves what I've known for years, Sammy can write 'em and sing 'em with the best. Anxiously awaiting the entire Lp...I don't care where or when Zeppelin recorded the trax on 'Coda', few bands can get so many programmers this excited. The street is still buzzing over the delivery of the new Lp...Ozzy live is a ballbuster. Any jock who has ever answered a request line has definitely heard 'War Pigs' asked for a million times. What a great package from the Blizzard known as Oz...Other trax that really sound great on KSHE include: 'Prisoner Of Rock And Roll', 38 Special (don't miss this one); and, 'Nobody's Business' from Don Henley; what I consider the best rock track on the air right now, Rainbow's 'Power'; Dire Straits, 'Industrial Disease'; and, 'Sing Me Away' from Night Ranger...Waiting anxiously for Bryan Adams's new Lp...On a different subject, my week in Chicago once again made me realize that the Windy City has to be the hottest radio market in the U.S. No stroke, just fact. Up and down the dial there's jock excitement, musical variety, and strong promotions. From Dahl to Daniels, Terry Hemmert to Patti Haze, we can all take lessons from the Chicago jocks...Checking the sales chart: Men At Work the #1 album for God knows how long, Stray Cats #4, Saga selling at #13, and the band of the 80's, Novo Combo, resurges to Top 30 sales."

WLLZ, DETROIT, MI M.D.-DOUG PODELL: "Well, it's that time of year again when things slow down. That gives me a chance to go back and refresh myself with records I may have missed. The biggest surprise goes to: Frank Marino. If you originally missed this one, go back and check it out. After a week and a half, 'Strange Dreams' is building nicely...Also, CSN's 'Southern Cross' is picking up very big positives. This is another album I really didn't treat too seriously...Buck Dharma's '5:35' starting to pick up some increased action on the phones. This one took a little while for us, but it looks like it could be around awhile...Also went back and checked the Robert Plant import 'Far Post', and that's also doing very well...Locally, there's a band called Rhythm Method here who may have the hottest Detroit rock project since the first Romantics album back in '78. If you'd like more information, feel free to call...Some other good local projects include: The Look and Toby Redd...Adam Ant finally goes this week. About a year ago, Dan Denigris, Epic's rep in Minneapolis, and I did everything in our power to convince people that Adam Ant was for real. Boy, Danny, I wish we were together right now to raise a toast. I guess our ears weren't that bad after all...Congrats to: Howie Klein and everybody out at 415 for Pop-O-Pies. Great record...Speaking of Minneapolis, I saw my old boss Alan Young over the holidays. Congrats on your new position at WILS-FM, Lansing...Also good seeing: Beth Rosengard and Les Cook...In the 'crazies' department: A big 'Hey' to Lee Randall--good talking with you, you knucklehead...And finally, to Essa: Keep fighting the good fight and we'll see you in Detroit...And one big 'finally'--get ready, world--Seeger is back!"

DAVE GARIANO, SEBASTIAN, CASEY & ASSOCIATES: "The award for the best radio station on my recent travel is a tie. The award goes to WAPP, NY and KPKE in Denver. These two Doubleday stations sounded hotter than a pistol. Real enjoyable listening...Be on the lookout for one of the hottest debut albums in rock 'n' roll, Jon Butcher Axis on Polygram Records. The Rock Department has it coming your way in early February of '83 and this will be the next Boston band to power their way up your playlist...Belated SC&A welcomes to John Posey KZOK, Seattle from KEZE, Spokane; Greg Crouch to WMJQ, Rochester as Production Director; and to Andy Geller, WDWQ, Charleston from WAAF, Worcester...Remember only 18 shopping days til total credit card withdrawal."

KGON, PORTLAND, OR ASST. P.D.-GLORIA JOHNSON: "Sales: 1) Men At Work, 2) Pat Benatar, 3) Judas Priest, 4) Stray Cats, 5) Hall & Oates. Led Zeppelin debuted at #9 and Ozzy at #12...Requests: 1) Kiss 'War Machine', 2) Led Zeppelin, 3) any Judas Priest, 4) Ozzy, 5) Men At Work...On Monday nights each week, we've been taking requests for five hours and playing back the top 10 at midnight. Top 5 this week were: 1) 'Hellion/Electric Eye' by Judas Priest, 2) still 'War Machine' by Kiss, 3) 'Another Thing Coming' by Judas Priest, 4) 'Screaming For Vengeance' by Priest, 5) 'Dirty Laundry'...In anticipation of the domestic release of the Michael Schenker Group, we added 'Dancer'. Michael is one of the finest rock guitarists around, and he certainly has an active audience here in Portland. I hope Chrysalis doesn't wait too long for the domestic release...Glad to see WAPP is resurrecting 'Boulevard Lights' by Chuck Francour. He's a real talent. He's got some new material and is shopping for a label deal. A&R departments take note."

WABX, DETROIT, MI M.D.-GREG ST. JAMES: "Hope everyone's Thanksgiving was great. Doug Podell proved he can communicate with anything, but he's best with turkeys. You should have seen his turkey take-off at the turkey trot. WABX and Clutch Cargo's had a pre-Thanksgiving party, Wednesday the 24th, with the Fixx and Rhythm Method--a really hot shot...We're doing a holiday food drive with Tubby's Sub Shops. People are asked to donate a non-perishable item; anyone making a donation gets a Pepsi. The response has been great. It's good to see in these hard times people can still help folks having a tough time...Dangerous Xposure fave raves include: Culture Club, Rhythm Method, Thomas Dolby, ABC, and Duran Duran."

KQRS, MINNEAPOLIS, MN M.D.-JOE FOLGER: "Not guts, no glory. Michael Jackson's on...Close to the Psychedelic Furs and listening hard to local favorite Prince...Lynn Wells, our new music fanatic, has finally convinced us--Duran Duran is real... Re-added 'Space Age Love Song' fro, Seagulls... Robert Plant's import 'Far Post' sounded excellent at the local import store, so I brought it to the station and put it on...The J. Geils is doing well for us. Researching well...Finally John Mrvos at WXRT: Obviously the sample base did not include a proper balance of North Star fans. Our consultants, Broughton, Cicerelli and McCarthy, tell us Chicago won't make it past Minnesota in the playoffs, and I have a KQ shirt that says 'I'm 100% positive'."

KFOG, SAN FRANCISCO, CA P.D.-DAVE LOGAN: "Our big excitement this week is the new Thomas Dolby Import 'She Blinded Me With Science'. Superb music from a guy who's been in power rotation with us from the start on 'Europa'. Check out his interview in the new Musician for some background on this truly refreshing individual. Lewis Heydelmeier was right about this guy...Records hogging the phone around here include: Joe Piscopo's Medley, Pop-o-Pies 'Truckin' rap, Fashion, Bill Nelson, and the Joni Mitchell album...In the belated thanks department: I'd like to tip my hat to Atlantic for their cool attitude on the Zeppelin sneak. Also, a nod to Paul Rappaport for being a real ace while in town with the Psychedelic Furs. Thanks for all your support of late. Also thanks to Steve Countryman at Leopold for the nice acknowledgment...In answer to a question posed a few weeks ago, we were chosen to be the Who station because we were the DIR affiliate, thereby giving us first call in the market. Funny that comment should come from a station that has continually called the syndicators and offered to pay whatever it takes to get the show. Sorry, next time move faster. Despite your comments on the street, we ain't rollin' over and playin' dead. We're still here and will be for a long, long time."

KQAK, SAN FRANCISCO, CA ASST. P.D.-BELLE NOLAN: "Four-day holidays are hell. Not only do you have to make provisions to accommodate the holidays before they happen (by cramming five days of work into three), but once returned, it's a disorienting mad dash to pick up where you left off...The Valley Of The Sun was not so sunny. They had some major storm activity down there (a few sprinkles of rain) that was not necessarily a description of the weather only. KSPM (the Storm) sounded sprite and musically expressive, and dare I say slightly experimental. Keep it up, Jeff. KDKB was into a 10 in a row weekend, and that pretty much was the extent of the rap I heard. I did notice a lot of the dead weight gone, though--the dinosaur stuff so prevalent in many markets--and the station had a very current feel to it...Good seeing the Evening Star people. Also great seeing Clarence Clemmons at Dooley's. That was pure joy...In the meantime, Bob ventured to his home town of Chicago and drummed up some trouble with his old cohorts, Jim DeCastro, Tim Kelly, and Sky Daniels...Hardly any sunshine in Phoenix, and little when we returned to the Bay Area. But that won't stop us from being solar powered December 6th. You see, the sun doesn't have to shine all the time in order for solar energy to be effective. It's one of the misconceptions we hope to shatter. Monday night, the Solar Quake goes nationwide via satellite via 'Rockline', capping off our day of sunshine. With the anniversary of the opening of Fillmore West coming, it seems appropriate to invite Bill Graham down to the Quake to talk about the advent of one era as well as introducing a new era coming up in rock and roll--one that is highly technical, computer assisted, and solar powered. We're proud to be involved in this promotion...We've been sitting around in sheep's clothing watching the Duran Duran for awhile and know that even grandma would approve of the add. MTV definitely is having an impact on that one. If it's not 'Hungry Like The Wolf', it's hungry for Peter Wolf and company. We gobble 'em up in the Bay Area. Party music for a party season...'That's Good' definitely is, and we'll bypass the previous Devo negatives for a new shot at a very good record...Night Ranger is on as well. Brad Gillis is a local boy. We like to lean on the local angle, and since Night Ranger is such a strong record, we can't lose...The Tubes debuted their new album 'Live In Petaluma'. Hooray, they may have to change their name to 'Trees'. 1982 is almost over. This is their year, no matter how long it takes."

WAPI-FM, BIRMINGHAM, AL M.D.-JOANNE PETERSON: "The Who were in town last night. What a show, all expectations were fulfilled in a 2½ hour show. That proved without a shadow of a doubt that The Who are the best in the world. Backstage was really a treat. The band was so friendly and gracious, and Pete Townshend did a live interview with Steve Runner. The best concert this city has ever seen...Playlist was frozen this week. We're gonna give everything we've got some breathing room...The response on Led Zeppelin is as expected monstrous...Men At Work, Saga, and The Clash still dominate the phones as well as Adam Ant, The Fixx, Hall & Oates, and Donald Fagen...Kiss is pulling in most positive phones. Who would have guessed it?"

WQMF, LOUISVILLE, KY M.D.-DUKE MEYER: "Adds: Asia; Vandenberg; A Flock Of Seagulls, second cut; and Don Henley, second cut...We supplied some folks with tickets and transportation to The Who's performance in Lexington last week aboard the QMF Who Express, and man I hate to see those guys stop touring...Something I forgot last week, thanks to Guy Evans for all the help on the Pat Benatar Express that took folks to Cincinnati for her show a couple of weeks ago...C'mon folks. The comments in this Sheet are getting as mud slinging as J.R. Ewing on a bad night. The turkey's from last issue were enough to make me think there's not total harmony in our little radio community. I remember a saying, 'It's better to keep your mouth shut and make people wonder if you're stupid, than to open your mouth and prove it.' Man, I am so depressed, I don't have any body to run down. On second thought, Meiners Yo Mammy."

WPYX, ALBANY, NY M.D.-BOB WELCH: "Adds are: Duran Duran, English Beat, Waitresses, Foreigner, and the Rainbow Live tape, and Stevens & Grdnic...Tip of the hat to W/E/A for their steps in reducing Lp and tape prices. Come on the rest of you, give 'em good quality and good prices. Prices they can afford and watch 'em come back into the stores...Led Zeppelin rules the phones and sales. Debuts at #13 in local sales. If Zep rules, Ozzy drules! The fanged one debuts at #21 in sales and pulls in #2 requests. Watch this space for further developments on Ozzy vs. Glen Falls, NY...Glad to see Capitol has finally decided to go after 'Hungry Like A Wolf'. It took you guys a while to make up your minds, but this remix sounds like a hit to me. That goes right into a medium rotation...Night Ranger moves up this week. This record is a mo-fo. Brad Gillis' guitar is hot. We've been getting calls for a song 'by Ozzy's guitar player'...Golden Earring is drawing top 5 phones, especially for the long version. Sales are about to happen on this one...Couldn't save the English Beat for any later. 'Save It For Later' goes on this week. The song has an irresistible hook...Thanks to Polygram for the live Rainbow. We're picking up renewed interest through this excellent live version of 'Power'...Finally, if you haven't checked out 'Too Much Fun' from Blotto's 'Combo Akimbo', do so. It brings many fond memories of the morning after the night before."

WPYX, ALBANY, NY P.D.-TED UTZ: "First off, apologies go to a certain few to whom I may appear to be a bit aloof. Bruce Moser, for instance. I never formally thanked you for the baby books. Thanks, they're great. Since being upped to Operations Manager for WPYX and our sister WTRY, my hands have been full, and I haven't given the time to the music side that I used to. Best time to catch me is Wednesday thru Friday between 10AM and 2PM...Congratulations are in order to Ed Levine for his awesome showing in the Most Verbose Poll. Years of fine tuning really paid off...Cindy ToTIn, you're looking good. I'm getting my big white horse ready (I don't know who will be riding though)...Musically speaking: After one week, Night Ranger moves right up. With all the 'new music', it's great to have a rocker to break wide open... After months of considering, the time is finally right for Duran Duran. The 12" will take it a long way...For those of you who have discovered the new preppy/trendy psychographic, you'll find the Pretenders' 'Chain Gang' at the top of the list. The masses are just around the corner...'Allentown' and 'Space Age' go to power this week...Men At Work, Joe Jackson, Stray Cats, and The Clash are our Top 4 retail albums...Top Phones For: Led Zeppelin, Adam Ant, Ozzy Osbourne, and Saga...P.S. to Neil Lasher: I saw Larry B. over the holidays. He sends his best personal regards, 'Gobble, Gobble!'"

WFBQ, INDIANAPOLIS, IN M.D.-CAREY CARLSON: "When Peter Gabriel comes to your town, don't miss him."

WBRU, PROVIDENCE, RI P.D.-GEORGE BRADT: "'Smiling In Winter' by the Spoons is right on time. Good production, a strong hook, and the seasonal lyrics should make this one a New England favorite. The instrumental track before 'Winter' called 'Trade Winds' makes a nice segue as well...The Pretenders' single goes into heavy this week. WBRU and local record stores were flooded with calls about this one when we played it as an import, and all that interest has translated into outstanding sales now that the domestic 45 is available. We couldn't have asked for a stronger track."

**RADIO ACTION CONTINUED**

WHCN, HARTFORD, CT M.D.-BOB BITTENS: "When the new Kiss album came out, we featured it on our 'Prime Cuts' program. We've been getting requests ever since. This week, we finally have room to officially add it. Five years ago when Kiss was at their peak, their biggest audience was in the 12-16 year-old range. Those same people are now 17-18-19 and right smack dab in the middle of the target demo for most album radio stations. We're getting good early reaction to: 'I Love It Loud'...One of the big audience participation songs in the J.Geils show is 'Walls Come Tumblin Down', so it's no surprise that the same song is getting a big reaction whenever we play it from the new live album. The Police have their 'EEyo, EEyo', Joan gets them to sing 'Yea Oh Yea', and now the Geils Band gives us '000h Yea, 000h Yea'...Former and present Deadheads should call up Howie Klein at 415 Records and ask him for a copy of Pop-O-Pies, especially the rap version of 'Truckin' that definitely gets this month's funniest record award. By the way, Howie, I appreciated the compliment. For a guy who so rarely gets his record played here, you still keep a very positive attitude. I'm sure that one of these days soon, I'll manage to live up to your faith in me by committing airplay to one of your records...Those of us working at consulted radio stations at times tend to get so locked into our systems that when a record comes along that doesn't fit into one of the clearly defined categories (to which we fit all new albums), it drives us nuts. Ozzy Osbourne's new live album is one such record. I was talking to Roger Lifeset the other day, and I was amazed that a number of stations were giving him a hard time about the album because 'it's all old material'. These people don't want to report 'old' music as getting current airplay. They don't want to clutter up their current airplay categories with 11 year-old songs, and their systems don't provide a category in which to place this record. They don't know what to do with it. The bright programmer should realize the obvious necessity of giving this album more than the limited airplay of a jock option when those old Sabbath tunes come up in recurrent rotation. The smart programmer makes exceptions to the system when necessity arises."

WLIR, LONG ISLAND, NY M.D.-ROSIE PISANI: "Good news. The latest Birch Reports show WLIR doubling our ratings in NYC...It's great to see Missing Persons, Duran Duran, Stray Cats, and ABC achieve their recent success, both sales and radio wise. I think each of these artists reaffirm the fact that there is a significant market ready to hear music for new and innovative artists...WLIR's very own Bob Krane and Ben Manilla spent Thanksgiving weekend at the Jamaica World Music Festival. And they were really working, getting exclusive interviews with Chris Difford and Glenn Tilbrook of Squeeze, The Clash's Mick Jones, the B52's, and the first lady of soul, Aretha Franklin...Thanks to: Sammy Vargas of MCA and John Huie of FBI for the WLIR free live radio concert with The Fixx. The show was SRO...Moving on, this week's Screamer: Madness...Heavy phones continue on: Berlin and Culture Club's 'Do You Really Want To Hurt Me'... Check Combo Audio's romanticide. They're a 3-piece techno-pop band from Illinois on Secret Records... An automatic go on: Elvis Costello's 'Party Party' from the Soundtrack of a forthcoming movie."

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "WCMF adds this week: English Beat, Duran Duran, re-add on Taxi and the Foreigner Live 12"...English Beat's 'Save It For Later' goes into light rotation for starters. It's like Michael Plen said, 'You might as well play it now, 'cause you're gonna have to later'. Besides, who wants to get chopped up by Plen's lawn mower. Not this boy...The hard work on the part of Terry Van Dyne and Dave Morrel of Capitol get Duran Duran's percolating popper 'Hungry Like A Wolf' added. The time for this band is now! It's a must play record! If you want great modern music, you're not going to find anything better...Taxi gets another chance here with 'I'm Leaving'. 'Cocktail Queen' didn't do it for us, but maybe this one will...Foreigner's live version of 'Hot Blooded' gets the old live option. Sure, it's twice as long, but, hey, it is something new and Lou Graham is from Rochester...We've gone onto 'Stray Cat Strut' from the Lp, which is #1 in retail here...And we've changed the Little Steven cut to 'Forever'...Hall & Oates go to heavy this week, and they come in at #3 in retail...Rounding out the top 5 retail are: Men At Work at #2, Benatar at #4, and Joe Jackson at #5...Large phones for Phil Collins, Men At Work, and Adam Ant...Close but no cigar this week for: Moving Pictures, Spoons, Scandal, and Kiss... Looking to move up soon: The Furs, Vandenberg, Donald Fagen, and Golden Earring. Time will tell for these records...Poisonals: Alan Wolmark: We see you hiding on the Foreigner 12". You can droid but you can't hide...Ted Mussaro: Don't worry about the other guys. We'll always love you."

WTUE, DAYTON, OH M.D.-BOB CLARK: "If you get the chance to see the Pat Benatar show, don't miss it. Saw her in Cincinnati last week. The lady can sing; one big surprise, the drummer almost stole the show for me. Myron Grombacher is really underrated. The guy is fantastic; he hits a lot of things at once. Hits them continuously and hits them hard...Thanks, Guy Evans, for arrangements for the show and meeting the lady afterwards...Our promotion to raise toys for this Christmas was a success. We raised about 1,200 toys for the Toys For Tots program and the local Ronald McDonald house."

WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-BRUCE BOND: "The English Beat is definitely there. It's really there. Sure it may take you awhile to hear 'Save It For Later', but it's definitely there...I finally got George Harrison into medium rotation. The beginning of 'Wake Up My Love' and the beginning of the Steel Breeze hit are so similar I had to check out the Steel Breeze credits to see if George was on keyboard...Get well soon, George Stone...Happy to report that both Scandal and the Psychedelic Furs move to medium. Both tones 'Goodbye To You' and 'Love My Way' should not be overlooked...I'm getting unusual requests for Tane Cain...Mike Bone and I would like to thank everyone for keeping up with our megaforce for the music director-record promotion man synopsis. You gotta laugh once in awhile...Thanks to MCA for the invite to see The Fixx last week, and thanks also to Joel...I really don't care if you don't believe that the Trio song is our #1 requested song two weeks in a row. Why would I lie about a thing like that? It's an exciting bizarre song that works. And just remember, you can make a tape out of an album, but you can't make an album out of a tape."

WDIZ, ORLANDO, FL M.D.-MIKE LYONS: "The Who were in Orlando at the Tangerine Bowl last Saturday, the 27th, to kick off the second half of the last American tour. After taking off from Phoenix on Halloween, they went to London and came back in fine shape. As a legendary Who fan, I was delighted. They opened with 'My Generation' for the first time on the tour. Also played: 'Tattoo', 'Magic Bus', and the highlights of 'Tommy' and 'Who's Next'. Opening act Joan Jett was fine, but the B52's were booted off stage after a very short set. That's the first time I've ever seen that in this city...I'm prepared to eat the grapes off the wallpaper as soon as the Michael Jackson comes in."

WHJY, PROVIDENCE, RI M.D.-JEFF RICCIO: "The story with the English Beat is we've decided not to save it for later and added it this week. I'm just as confident as Bill Hard is that this record will come home. There were a number of contributing factors that helped this record get added by us. The first being that it's a great tune. The second reason materialized with the help of Keith and Peter of I.R.S./A&M, who demanded that I attend the English Beat show in town. I was not disappointed. As a matter of fact, it was the most enjoyable show I've attended in quite a while. Finally the sales on this record in the area are super. It's time for this record to be played...Another record I believe is going to break in the New England market soon is the one by Scandal. 'Goodbye To You' has been dancing on my home turntable for weeks, and it's good to finally get it on the air...Getting back to the English Beat performance, I don't want to forget to say that The Fixx, who opened for them, were a pleasure to see. It's exciting to catch a band performing their first American tour just as their record is breaking big. Good luck to 'em."

WSKS, CINCINNATI, OH M.D.-CHRIS GEISEN: "Adds: None...Weather: Too warm for December...Christmas: To near...Talk to you next week."

**RADIO ACTION CONTINUED**

KZAP, SACRAMENTO, CA ASST. M.D.-JONAH CUMMINGS: "Night Ranger's 'Don't Tell Me You Love Me' burns up the turntable. Brad's guitar work is awesome...J.Geils Band's 'I Do' moves to hot at the ZAP, along with The Clash's 'Rock The Casbah'...Adam Ant's 'Goody Two Shoes'; Kiss, 'Love It Loud'; and, Missing Persons are generating good phones and requests...Bonzo, we love you wherever you are. Great response to 'Bonzo's Montreux'."

WAAF, WORCESTER, MA P.D.-ROB BARNETT/M.D.-ROB LIPSHUTZ: "To The Who: Rob and I are as ecstatic as our listeners are about The Who playing right across the street from us in Worcester. When you get to town, tune into 107FM. Then call 799-6318 for our special Eel Pie and Chips recipe."

WZXR, MEMPHIS, TN M.D.-TOM STEIN: "Just saw The Who last night in Birmingham. They put on a powerful show. I wish all of the young people in the U.S. who think that The Clash and some of these newer groups are too punk to listen to would go see The Who to see who the original 'punk' rock and rollers are. Then we could get this word 'punk' away from a derogatory area and just call everything from 1968 thru 1982 good rock and roll instead of putting labels on it...Also, in Memphis, music really seems to be coming from all directions with Men At Work, Stray Cats, Duran Duran, and The Clash selling extremely well; and, Kiss grabbing the top phone requests. It makes radio more exciting to be in now than ever before."

WLVO, COLUMBUS, OH M.D.-TIM SMITH: "A flood of new local rock hits the WLVO airwaves this week with the official release of the second album from Money. There was a previous release under the name of Muffs. But with a revamped personnel lineup and stagershow, they improved--Yes. Great production--Yes. Great songs--Yes. Great musicianship--Yes. Sounds like a band on a hometown album--No. Give Money for Christmas. Contact: Bison Records, 394 Mt. Vernon, Columbus, OH 43215...Bison also released this week, a live two-record set from J.D. Blackfoot. His history includes local hits years ago and, more recently, a strong following in the St. Louis area. We welcome him home...I want to share some observations on last week's CHR and AOR comments in R&R. It sure seems to this reader that the comments presented from AOR programmers reflected a stronger hesitation to move towards modern rock than those of CHR programmers. Considering the direction and strength of MTV, it's easy to conclude that MTV is hip, and, God forbid, hipper than many AOR's. That's somewhat acceptable since the penetration is not as deep as radio's. But as AOR programmers, we cannot allow ourselves to be a step behind CHR. I hope both the comments printed were not reflective of the mentality of all AOR programmers. Move forward and whip it...Led Zeppelin debuts #2 sales behind Men At Work...Frida #2 requests; Adam Ant #3 requests...Next week, we debut our 4th Hometown Album."

WMYK/WZAM-AM, ELIZABETH CITY/NORFOLK, VA M.D.-BILL SIMMONS: "Led Zeppelin debuts at #1 retail, narrowly edging out Men At Work which has been consistently Top 5 for the last 10 weeks...If you haven't played Duran Duran yet, you should. 'Hungry Like The Wolf' is getting good phones from MTV and local video exposure...Ozzy Osbourne is burning up the phones with reaction from his new Lp. The key here is dayparting."

WMJQ, ROCHESTER, NY ASST. P.D.-MICHAEL ISABELLA: "I went back to Ohio. My city was not gone. My friends and family are still there. The Browns still stink. I still love them all. Way to go, Ohio...WMJQ Adds For This Week: Night Ranger and the Foreigner 12"...Heaviest airplay: Men At Work, Steve Winwood, Pat Benatar, and Tom Petty...Frida is starting to happen...Thanks to: Jay Miggins for the Aerosmith boxed set. It'll make a great gift for one of our listeners...Thanks to: Dave Morrell for the NYC airchecks. I'm glad you had a chance to party with Barney."

WCCC, HARTFORD, CT P.D.-BILL NOSAL: "It's great to be back."

WSYR, SYRACUSE, NY M.D.-CHIP KNIGHT: "First from Bernie Kimble: 'Many, Many, Many, Many thanks to: Ted Cohen and everyone else at Warner Bros. for the exclusive Pete Townshend interview. And many more thanks to Pete...Thank you to: Cindy Tollin for the pictures of our A&M/Supertramp/'Rockline' promotion. You should be looking for a Care Package in the mail. Keep up the great on 'Rockline'... Now from Chip: Since we've already established Duran Duran as a hit, it's nice to hear everyone else follow the leader...Can the Kiss record be far behind?...Thanks to: Ellen Schwartz and Roger Bruno (writers of the Pat Benatar song 'Tell It To Her') for calling. Nice to hear followups...A three-way race for most requested: Kiss, Duran Duran, Stray Cats; and, lovable Ozzy is close at night...Musical Youth is incredible...Ditto, English Beat and Sammy Hagar...Golden Earring is doing nicely after a slow start...Starship's 'Black Widow' is the cut from 'Winds Of Change'. Many requests...Coney Hatch requests won't quit here...Same for George Thorogood...Adam Ant--in a word: Gonzo!"

WAQX, SYRACUSE, NY P.D.-ED LEVINE: "The timing on the release of Duran Duran could not have been better. We've noticed fairly decent requests and retail in the last few weeks. That has been based solely on the airplay on MTV and the two alternative radio stations in town. Now that we're playing it, I look for the thing to really kick in...Adam Ant has gone thru the roof this week. How's #5 retail grab you? In fact, 4 of the Top 5 selling albums in town would have been considered left of center a year ago. Without a question, that is the big story in the industry of 1982...The reaction on the Zeppelin continues to be super strong. We've now focused in on: 'Ozone', 'Poor Tom', and 'We're Gonna Groove'."

KNAC, LONG BEACH, CA M.D.-MARY GODGES: "Grace Jones is a member of the new breed...Two chartered buses leave for Snow Valley December 11th, for the KNAC Ski Trip. The \$25 package includes: transportation, breakfast, lift tickets, a KNAC ski hat, and a full day of pure stimulation."

WHFS, BETHESDA, MD P.D./M.D.-DAVID EINSTEIN: "We're grateful that an American label had the savvy to sign Modern English. 'I Melt With You' and 'Someone's Calling' have done well here for months...Good luck to the American effort. We love the humor of Pop-O-Pies on 415 Records. The two versions of 'Truckin' are great. The Deadheads think it's sacrilegious...Culture Club and The The seem to have the two most requested tunes this week...The Stray Cats recently played the Warner Theater, and it sold out in 8 hours. The show was incredible, but you don't know what paranoia is until you've been in the balcony of a 60 year-old theater that's rocking to the 4/4 time of 'Stray Cat Strut'."

WQBK, ALBANY, NY M.D.-LIN BREHMER: "The English Beat is our most played record this week...Marvin Gaye is crossing over nicely. We're increasing rotation on 'Sexual Healing' this week...Culture Club, The Members, and Talk Talk are all new records worthy of your auditioning...Jack Mack And The Heart Attack is still getting requests. It's a good album...Grace Jones and Dexys Midnight Runners are two staff favorites we added this week...If you listen to only one new record between now and Christmas, listen to Modern English. We're still waiting for the domestic release, but the import was hot here for a couple of months...Joe Piscopo's station ID is the best I've ever heard. Thanks, Joe. You're a real class act."

WIMZ, KNOXVILLE, TN M.D.-DAN WALSTON: "Just saw the Who last night for what will probably be the last time. We chartered a Magic bus from Knoxville to Lexington. The winning passengers, who registered at local businesses won two tickets, two commemorative t-shirts, free Schlitz beer aboard the bus, and, of course, transportation. On the way up, we checked in on Lexington's WKQQ. They handled their remote broadcast very professionally from Rupp Arena. And QQ helped make the concert event of the year just that. In viewing the show, Pete Townshend has picked up much of the limelight that had at one time been reserved for Keith Moon. There were indeed some magical moments in Townshend's chops as well as style -- his complete command of the guitar is--yes--awesome. Roger Daltrey was, as usual, vocally in fine form. And John Entwistle, besides being Mr. Bass Man, exuded an Ian Anderson type of humor. By the way, who's your tailor, John? And in closing, I'd like to say it was great to see The Who on their farewell tour and to hear tracks that span the rock and roll generation from 'Substitute' to 'Eminence Front'. At the same time it was kind of sad. Thanks to all involved, especially Schlitz."

**WYMX, AUGUSTA, GA M.D.-OWEN HOLMES:** "Adds: Moving Pictures, Clash, Sammy Hagar 12", Adam Ant, Ozzy Osbourne and Outlaws...The holiday spirit has once again struck and everybody is in a gay mood. The music meeting last night (when you read this it would have been last week) was exciting, especially when we heard Adam Ant's 'Goody Two Shoes'. Mary and myself did a gig on the carpet and we simply added it after that...Sammy Hagar's new one 'Your Love Is Driving Me Crazy' will definitely bring craziness to the New Year...Personals: Hello to Bob Catania who is always on the road. I think I'm going to rent out your office space, Bob, 'cause you won't need it soon! Call for more details...Want to thank Alan Orman for all of his help in the Billy Joel connection in Atlanta. Without it, we would be stuck with those giggling females. Thanks a lot, Alan...Sales: Dire Straits, Led Zeppelin, Billy Joel, Fleetwood Mac, Hall And Oates...Prime Movers: Pat Benatar and Led Zeppelin (of course)!"

**WBLM, LEWISTON/PORTLAND, ME M.D.-JOSE DIAZ:** "We've just gone through the 141 tapes that we received in the BLM Miller Beer Rock To Riches Talent Search. It wasn't easy but we came up with 4 songs for an Ep which we're putting out in January. It will be called 'The Blimpville Beat'...The Night Ranger Lp, as we all know, is tailor made for radio. We'll start with 'Don't Tell Me That You Love Me' but before it's all over, 'Sing Me Away' and numerous other cuts may see the light of airplay...We're doing very well with Hall And Oates 'Maneater' which I'm sure will make Jeb Brien a little happier as he continues to spread the Hall And Oates album...The Joe Piscopo 'I Love Rock And Roll Medley' has caught on! We are getting lots of phone calls for this novelty item...The Led Zeppelin Lp is generating lots of interest. It's obviously going to stay around on its own two musical legs and go beyond the novelty...'Your Love Is Driving Me Crazy' from Sammy Hagar really sounds good on the radio. 'Three Lock Box' already sounds like it's going to be a multi-cut release."

**KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON:** "Finally, a slow week as new release madness begins to taper off! Best of the bunch was John Martyn's 'Well Kept Secret'. With a release of this caliber, John shouldn't remain any kind of secret for long. This record is even more accessible and rock-oriented than his recent Phil Collins' produced effort. I suggest that rockers zero in on 'Could Have Been Me', 'You Might Need A Man', or 'Back With A Vengeance'...If the Phil Collins version of 'Can't Hurry Love' is starting to burn out, you might beat up Ken Benson or your local EMI person for a stock copy of the Stray Cats 'Rock This Town' 45. The B side is perhaps a more appropriate rock and roll version of 'Can't Hurry Love', and the extra tune is enough to move the Cats back into medium for us...Adds: John Martyn, Passport, Grover Washington, Jr., Stray Cats 45. Jazz Add: George Winston."

**WMAD, MADISON, WI M.D.-DALE WOLTER:** "Sure is nice to have some breathing room again! Thus, a pet project went in this week addwise--that being the English Beat 'Save It For Later'. As someone in this Sheet astutely put it, 'if the band came to town for a show, it would sell out in no time'. And you sure can't say that about a lot of the formula rock bands touring at the present. It took a few listens, but we are very excited about the potential of this excellent album...While we're on the subject of formula, the Hagar goes in this week along with Foreigner's live version of 'Hot Blooded'...I'm not 100% on the Duran Duran, but God knows the record company support is there. MTV is selling records, and we are getting a few stray requests for it. We'll see what happens...In sales: Men At Work rebounds to the #1 spot, followed by a most consistent Stray Cats, #3 is Supertramp, #4 Led Zeppelin, and #5 Pat Benatar...Other items doing very well, considering their infancy, include Ozzy, Little Steven, Saga, Vandenberg, and the addition of 'Telegraph Road' to the playlist has definitely boosted sales on Dire Straits...Finally, a few thank you's: To Ron Leslie for covering us on a moving Peter Gabriel event. To Gary Triozzi for stumbling into Madison and doing up a flaming Pat Travers show with us. And last but not least, a belated thanks to Rick Sudakoff for a magical night at Crosby, Stills And Nash."

**KQDS, DULUTH, MN M.D.-BRIAN TAYLOR:** "Adds: Duran Duran, Kiss, Fashion...Unemployment levels here have topped 11% but the dancing peasants are still buying records. Benatar and Zeppelin top the list in sales and phones, followed closely by Men At Work, Stray Cats, Supertramp and Tom Petty...Considering: Rough Trade, Devo and Fabulous Thunderbirds...For those of you kicking around Culture Club, check out the track 'You Know I'm Not Crazy'. Boy George may not look like someone you'd want your kid sister to go to the prom with but his singing is so smooth with some catchy licks throughout...Since we don't have MTV in the market, we're putting together a local television show using the latest videos. We're hoping to start production in January and I need help from all labels who'd like to promote their product. So, call me soon, eh?"

**WKLC, CHARLESTON/HUNTINGTON, WV P.D.-NEIL LASHER:** "Adds: Ozzy Osbourne, Sammy Hagar Ep, Duran Duran... First off, tonight is a full moon and I find no Cosmic Muffin in this week's Hard Sheet! How will I ever make it through the week without it?...FM105's first live satellite feed came off without a hitch. A Thanksgiving gift from FM105 to our listeners-Linda Ronstadt live from Dallas. I'd like to thank all the people at The Source and Sam Kopper of Starfleet...FM105 sent a magic bus to see The Who in Lexington, KY Monday night. 50 lucky winners got on our magic bus! They were fed, t-shirted, buttoned, and had a great time...Saw Billy Squier singing his heart out Monday in Huntington. Thank you Tom Mohler and Dick Bethel of Capitol...Top 10 retail: Stray Cats, Men At Work, Pat Benatar, Hall And Oates, Tom Petty, Supertramp, Don Henley, Who and Joe Jackson...Starting to see a burn on Taxxi, Fixx and the Stray Cats!"

**WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN:** "Adds: Pretenders 12"...I hope Chrissie Hynde gets another Pretenders group together real soon. It's been too long since the last Pretenders album, and even though that's understandable 'Back On The Chain Gang' indicates that a Pretenders spirit is still there in full force. Keep up the auditions, Chrissie...The Billy Idol 12" is doing well on the phones. It has been building ever since we added it and as yet shows no signs of slowing down...And, of course, Aerosmith phones are huge in this neck of the woods...Hots: Joe Jackson, Men At Work, Stray Cats, Don Henley, Hall And Oates, Pat Benatar, Phil Collins, Tom Petty, Billy Joel, and Supertramp."

**WWCT, PEORIA, IL M.D.-JEFF MURPHY:** "Adds: Ozzy Osbourne, Led Zeppelin, Sammy Hagar 12", John Cougar (Re-add), Duran Duran, Rough Trade, Tygers Of Pantang...MCA comes up with another powerful band in the Tygers of Pantang. We'll start with the cut 'Rendezvous'. If you liked Wrabit, give these guys a listen...We're leaving Ozzy open for the staff and listeners to choose their favorites. Look for mondo sales double album or not...We shoot Adam Ant to heavy this week; in fact, the more the song is heard on the radio, the more it blends in with today's sound...We're 4 cuts deep on Led Zeppelin--'Darlene', 'Ozone Baby', 'Poor Tom' and 'Wearing And Tearing'...Also playing both sides of the Pretenders single. Both of those items have been big requests for us...Looking forward to Peter Gabriel in our area at Illinois St. Univ. this week. Then comes the dreaded winter dry spell for live rock and roll!"

**KKRQ, IOWA CITY, IA ASST. P.D.-TED BURTON JACOBSEN:** "Adds: Robert Plant Imp, Little Steven, Duran Duran, Rough Trade...Vandenberg checks in with a future s-m-a-s-h in my book. Another believable act from Atco...Little Steven brings the Springsteen touch to Motown on 'Forever' and the result is deserved airplay... The Hagar tune is large-time, second only to the Pretenders in audience response!"

**WRKI, BRIDGEPORT, CT M.D.-BRUCE GOLDSSEN:** "Adds: Kiss, English Beat, Robert Plant (Imp), and Frida (Re-add)... Alright, I was wrong. It happens, though not to me. I was right that Frida is a great record. I was wrong that it's not a hit. It just took a while. Anyway, I'm glad to put it back on...Because Plen is such a poor loser, I'm adding the English Beat. I'm tired of getting beaten up. 'Save It For Later' is a pleasant sounding track and we've picked up some sales on the record...We're seeing phones on Blotto. People are finally getting the idea that 'Metalhead' is not supposed to be taken seriously...Personals: Big thanks to Jim Hopke for his help with Peter Gabriel. The show was great. Nice seeing John Boulof. Don't give up hope yet...Lastly, would you join in a Culture Club that has Boy George as a member? And does he have one?"

## RADIO ACTION CONTINUED

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "The releases are slowing down but we're still listening to lots of music! This week we've concentrated on our current play list and have added some cuts from certain Lp's and dropped some that have been around for a while...We also added 5 new jazz releases into the regular format. We have a jazz show Sunday nights from 10:00PM to Midnight so we can always use jazz record service. Our jazz adds this week include: Lee Ritenour, Earl Klugh, Bob James, Stanley Turrentine, Ramsey Lewis, Grover Washington...Our other adds for the week include Mental As Anything, The Members and Musical Youth...I've been behind Mental As Anything from the start and was glad to finally get it added this week. We like 'Too Many Times' and 'The Nips Are Getting Bigger'...KBCO joins 'The Membership' drive as we go with the song 'You And Me Against The World' from The Members...Sharon, you were right--The video is going to do the trick with Musical Youth. It's only exposure has been on MTV and FM. It hasn't been on that long and we're already getting calls on it so, we'll give it a shot. 'Pass The Dutchie' please...Duran Duran was re-added last week. This week we've expanded play with two more cuts which are 'Rio' and 'Nightmare'...KBCO has long been a supporter of The Fixx and with its continued support and growth on the charts we've moved up the play on 'Stand Or Fall' and have also added 'Red Skies'...We're going with the second cut from Little Steven And The Disciples Of Soul, that being 'Under The Gun'...Talk Talk gets another cut added and it's 'Have You Heard'...Retail in the Boulder/Denver area looks like this: #1 Men At Work, #2 Stray Cats, #3 Joe Jackson, #4 Led Zeppelin, #5 Pretenders single, #6 Joni Mitchell, #7 Dan Fogelberg, #8 Don Fagen, #9 Dire Straits, #10 M/Persons...Other major releases in the Top 20 include: Phil Collins, Tom Petty, Pat Benatar, Supertramp, Devo, and J.Geils...KBCO is in the process of building up a library of artists' I.D.'s and holiday greetings. If we're playing your product, we're interested in talking to you. Please schedule times with myself, John Bradley, or Dennis Constantine...Thanks to Ray Gmeiner and the management of Utopia for helping us with the Utopia giveaway and live broadcast...Finally, even though it was brief, it was good visiting with Blake Lawrence...and, keep on rocking Houston!"

KTYD, SANTA BARBARA, CA M.D.-RICK WILLIAMS: "Adds: Duran Duran, Night Ranger, Jimmy And The Mustangs, Modern English, Pop-O-Pies, and Dexys Midnight Runners single."

KWXL, ALBUQUERQUE, NM M.D.-DOUG DAVIS: "Boy, it's nice to be back home and back rocking on 94 ROCK! My old hometown of Phoenix has changed a lot. My old high school is being closed down, Arizona State football choked against the University of Arizona and my old radio alumni KRIZ is gone forever. Now no KRIZ and KRUX radio battle! Radio now in Phoenix is somewhat unique. It struck my ears as being quite mellow compared to 94 ROCK with a lot of 5AM to 6PM dayparting. KDKB and KUPD sounded good, although the most aggressive station to my ear was KFTM in little old Apache Junction, Arizona. If they had a better signal, I think they'd cause some real damage...Dear J. David Holmes: Your security system is excellent. We pounded on your door for an hour and you still wouldn't let us in!...Thank you to Joe Bravo of Epic Records and Mike Papale for some fine spirits and company ...Local concerts kick-off December with Judas Priest on the 1st--it should be intense. If Hell had a juke box they'd probably be playing Judas Priest...Adam Ant comes on the 3rd and since we were one of the first stations to play 'Goody Two Shoes' we expect an overwhelming response...Cheap Trick comes in on the 10th...Night Ranger is doing real nice with increased airplay on 'Sing Me Away'. Real positive phones...The Pretenders are red h-o-t and Blotto is building!"

WCKO, MIAMI, FL M.D.-TRISH ANDERSON: "No adds this week but, much thanks to Ed Neuffer and Ted Cohen of Warner Bros. Records who made it possible for me not only to interview The Who but also hit one of the highlights of my career. You guys are the best!"

KSMB, LAFAYETTE, LA P.D.-SCOTT SEGRAVES: "Led Zeppelin and Ozzy catapult to #1 and #2 on our sales tabulation, as well as on the phones...Kiss just starting to sell but giant calls...CSN is still Top 10 sales after 19 weeks on our chart...Big thanks to Alan Sneed, Denny Moffitt, and Bob Hogan at Mighty 7 Rock--an unexpected early Christmas for our listeners--just wish I could've been there to share it!"

KEZO, OMAHA, NB P.D.-GREG GILLISPIE: "Adds: Duran Duran and Kiss...I was very surprised by the overwhelming positive response to Duran Duran's 'Hungry Like The Wolf' on our 'Consumer Guide' last week. 78% positive with a good spread on demographics sounds like a winner to me...We'll also use Kiss in the evening emphasizing the song title more than the band's name...The response to Ozzy's live album has been mainly younger teens and mid 20's while the 17 to 19 year olds seem to be disappointed because there's no live versions of Ozzy's solo material...Zeppelin is a h-o-t item on the phones. Still no favorite tracks have emerged, basically just playing lots and lots of it...Sammy Hagar sounds good on the radio but it's really too early to gauge any response...However, we are getting a good buzz on the Furs, The Fixx and Talk Talk...Adam Ant continues to pull good phones. Last week I was a bit worried that it was starting to become strictly a teen item, but there still seems to be a fairly good spread on the demos this week...Peter Gabriel had his best week request wise. If the record company keeps after this one, they may have a legitimate hit on their hands...Men At Work moves up to #1 in sales this week with Benatar #2. I think the 45 is starting to get a little burnt out. May I suggest 'Looking For A Stranger' for a follow-up?...Squier comes in at #3, followed by Fogelberg, Supertramp, Stray Cats, Led Zep, The Clash and I'm kind of surprised that Tom Petty is back down to #10! The album is so solid it's really surprising that people aren't going out and picking this one up!"

KFMH, MUSKATEEN, IA M.D.-LISA CATALONA: "Adds: Tony Carey, Gottlieb and Egan, George Winston, Michel Berger 'Big Apple', Duke Tomatoe And The All Star Frogs...Enormous response to The Fixx 'Stand Or Fall' and 'We're Gonna Groove' from Led Zeppelin...Let's talk about tunes. We have great tunes this year. If the record companies and radio stations could quit bitching long enough to take notice, '82 was a great year! In my opinion, sales are not down because of the product. People aren't taping either. They are worried about losing their job or have just lost it and aren't buying tapes or discs. The music is far better than at any time in the last 5 years, despite, or maybe perhaps, the fact that lists are so tight. No, KFMH ain't advocating a tight list. It's just we have far better product to choose from because of competition and less chance of goofs...Speaking of goofs, Merry Christmas to everyone at WXLP!"

WDEK, DEKALB, IL M.D.-JOANIE WILLIAMS: "Adds: Waitresses, Rough Trade, 'Brimstone And Treacle' Soundtrack, Bus Boys 12", and Duran Duran (Re-add)...Hots: Supertramp, Donald Fagen, Phil Collins, Tom Petty, Hall And Oates, Dire Straits, Spyro Gyra, Billy Joel, Joni Mitchell, Peter Gabriel, Al Di Meola, Starship, Don Henley...Mediums: Joe Jackson, The Who, Rush, Mike Rutherford, David Lindley, Missing Persons, Fabulous Thunderbirds, Linda Ronstadt, Fashion, Little Steven, John Martyn, Apprentice, Steve Winwood, Steve Douglas, Talk Talk, Jimmy And The Mustangs, Culture Club, J.Geils and Devo."

WYFE, ROCKFORD, IL ASST. P.D.-THE DOCTOR: "Last week's considerations have become reality this week. Duran Duran fits in well with the format of new rock that is abounding us these days. It lies somewhere between the wide appeal of 'Steppin' Out' by Joe Jackson and 'Words' by Missing Persons. And it fills that gap quite nicely! 'Hungry Like The Wolf' should have been noticed earlier, but better late than never. By the way, the remix of the album is superb...Night Ranger sounds better on the radio than I first expected, which is always a pleasant surprise. I think the listeners will catch onto the band fairly quick as well...I've been intrigued by the Moving Pictures track 'What About Me' and we have finally decided to give its final test for on the air performance. It should do well especially for the upper demos...As for Ozzy Osbourne, what do you say about a madman? It's amazing the wide appeal he really does have and the recognition the kids have for his older Sabbath material...Rose Tattoo's 'Scarred For Life' rounds out our adds for this week...Top sales in Rockford: Billy Squier, Stray Cats, Pat Benatar, Dan Fogelberg, and Men At Work...Here's to happy holiday listening and see you next week."

RADIO ACTION CONTINUED

KZEL, EUGENE, OR M.D.-KEN MARTIN: "Hot request and phone action this week for: Adam Ant, The Clash, Men At Work, Missing Persons, The Pretenders, Kiss, Night Ranger, and Sammy Hagar...Can't wait for Hagar's new Lp...With the Christmas rush of superstars winding down, hopefully we will be able to get some of the other product that's been waiting on the sidelines for the past few weeks...We have an immediate weekend opening available. Send cassettes and resumes to Charlie Van Hall, P.O. Box 70128, Eugene, OR, 97401, but please no calls."

WKQQ, LEXINGTON, KY P.D.-DAVE KRUSENKLAUS: "Can't deny the hooks in the Frida record. One listen and it's memorized. I, too, was worried about the similar sound between Frida and Phil Collins, but after further consideration and Frida's steady build nationally, my concern dwindled. This'll be a good record for her...Pretenders 'Back On The Chain Gang' sounds good on the air. Should have gone on this the first week out...During the Christmas season, considering the Rough Trade record. It's a pretty tasteful package and I like 'All Touch'...Also like 'Love My Way' from the Psychedelic Furs. It has a knockout hook and I think it could be a big record with women...The Fixx is finally beginning to pick up on requests as is Hall & Oates 'Family Man'...Still not seeing the kind of pick up on Talk Talk that I had hoped to...Zeppelin debuts top 5 sales, not doing much on the phones though...Also selling well is Dire Straits. This has always been a good Dire Straits market and I'm happy to see the audiences receptive to what I feel is the best Dire Straits album ever...A killer sold-out Who show the other night. Like to thank Nancy Orlandella and Ted Cohen of WB for all their help in arranging post show interviews. Pete Townshend is more than generous in his willingness to talk about The Who."

WRCN, LONG ISLAND, NY P.D.-BARRY GRANT: "I really enjoy reading the comments in the Hard Sheet. They often show great perception and imagination. In this era of radio, it's very hard to find creative people with workable ideas. Many Hard Sheet contributors demonstrate they can offer more than a stroke to who they saw or who took them to lunch. Other trades are generally boring. They seem to reach most of the time for something to write about. Have you ever noticed how inaccurate some articles are? Unfortunately, GM's and other management folks sometimes read these things and panic or drive programming people crazy. An example would be poorly documented stories about the death of a format...A follow-up to Jim Buckley's comments last week. We do play records like Starship and Bad Company that sound great on the air, but show weak sales all the time these days. Some of the consistent big sellers are records like The Clash that we were on months ago out of the box. We've been lucky in picking the 'hits', though our batting average on the ones we're sure about is about .900."

WQDR, RALEIGH, NC M.D.-BOB WALTON: "Fortunately, there's not a lot to talk about his week. But, I will anyway. For those not already on it, I strongly recommended the Robert Plant import 'Far Post'. It's at least as good as anything on 'Pictures At Eleven'...Next week, I hope to be on Duran Duran. This record has been real close for many weeks & now is the time. 'Hungry Like The Wolf' leads with 'Rio' close behind...A tip from the Mickey Mouse ears to Mr. Bill. One hell of a gutsy pick on Michael Jackson. The rational with sound and the key words were underlined, 'The right song!'...We're getting continuing good response to Dire Straits, Pat Benatar, Men At Work, Stray Cats, The Clash, and Frida...Quite frankly, Led Zeppelin is not doing as well as expected. So far very few requests and we will see about sales next week...I wish CBS would send out stock copies of the new Billy Joel single. I understand that the flip side is not on the Lp. In fact, I wish all record companies would make it a policy to send us singles with unreleased B sides...To Heavy Lenny: Sarcasm will get you nowhere. We've never claimed to be a bastion of progressiveness but we have a 28 share in the latest Birch and I notice you are working Sammy Hagar. Talk to you soon."

WPDH, POUGHKEEPSIE, NY M.D.-STEW SCHANTZ: "Not too much to talk about this week as far as new music goes; however, we did make room for another Canadian band--Spoons. If you're playing Talk Talk or Flock Of Seagulls, check out 'Nova Heart' on the Spoons album...Good phones this week on: Clash, Rush, Stray Cats, Saga, Led Zeppelin (needless to say), The Fixx, Adam Ant, Blotto (if you're not playing 'Heavy Metalhead' you're missing a major phone grabber), Buck Dharma (check out 'Your Loving Heart'--it gets interesting calls every time), and Vandenberg...We have increased rotation on Duran Duran's 'Hungry Like The Wolf'. As a matter of fact, we're playing the six-minute version. Phones are very good on it...We're giving Frank Marino's 'Strange Dreams' a second shot...Incidentally, if you're looking for females, daypart 'What About Me' by Moving Pictures. They'll love it! ...Till next time!"

CHEZ-FM, OTTAWA, CANADA M.D.-GREG TORRINGTON: "The only add this week is the Human League 12"...We're still waiting on the Sammy Hagar and expect it anyday...The enthusiasm expressed over the live Ozzy Lp isn't being shared by us...Obviously, the leading phones and sales response this week is for 'Coda'. However, early indications seem to say that the Lp may burn out quickly. Three stores in our callouts actually said it wasn't their best seller. A sign of the times?...Daily increasing response to Adam Ant's 'Goody Two Shoes' and renewed interest in The Fixx, since our broadcast a couple of weeks ago...We're looking forward to Rough Trade's visit to Ottawa tomorrow night...Tonight we've got Kim Mitchell, former leader of Max Webster, in with his new band...Next Monday will be the Headpins first foray into town!"

KILO, COLORADO SPRINGS, CO M.D.-ART PHILLIPS: "If you think Men At Work is heading to recurrentville, better take a listen to the next smash hit from the album, 'Be Good Johnny'. After seeing the video and spending some time with the song, there's no doubt that this could go as far as the first two singles. Can't wait to see how Men At Work, Asia, and A Flock Of Seagulls place in our KILO 1982 music poll... 'Hungry Like The Wolf' is already burning up the airwaves, and yes, we should have been on this long ago!... The perfect combination of pop, soul and ska is the new single from English Beat. This admittedly took a half dozen listens but the hook comes through and this should be that perfect 25+ spice that we're constantly searching for...Don't miss the Bus Boys new single 'Boys Are Back In Town' (not Thin Lizzy's), a new song from the Nick Nolte movie '48 Hours'...Night Ranger goes to h-o-t after 2 weeks and we've added a second cut, 'Sing Me Away'...To Don Zucker, who never gets his name in the trades: Here you go big fellow--you're the best, now get out of here!... Heartfelt congrats to KBPI-Denver, for their bold move to add and expose more new music. Strider and his staff are psyched and this new positioning in the market could very well be the winning combination for the 80's."

# Modern Rock

## Off The Air:

### ENGLISH BEAT

#### "Save It For Later"

The strongest all around record of the week. Now in heavy rotation at the majority of our radio reporters, and a top seller in Boston at Strawberries, the Harvard Coop, and Rocket Records. Sales are coming out of Leopold's in Berkeley, and San Francisco's I-Beam reports action on the dance floor, too.

### PETER GABRIEL

#### "Shock The Monkey"

Right up there with the English Beat, Gabriel is tearing up modern rock radio and clubs as well as mainstream radio. It's a club hit at Boston's Spit, LA's Moodies, and San Francisco's Berkeley Square. Sales are a forgone conclusion at this point.

### PRETENDERS

#### "Back On The Chain Gang" b/w "My City Was Gone"

Reports on the Pretenders' new single show significant heavy airplay and lots of play increases. The immediate future looks bright due to both the radio and the initial retail response. We find top rank sales in L.A., New York, and San Francisco already.

### P-FURS

#### "Love My Way"

Retail is strongest in New York at Disc-O-Mat and Metro, and in the Bay Area at Leopold's and Aquarius. At I-Beam, San Francisco, the Furs are flying, too. Meanwhile, in modern radio circles, heavy airplay is the norm.

### DEVO

#### "That's Good"

Heavy play at new music stations and club action in L.A. (Moodies) and Boston (Spit) tell the Devo story. In New York, it's selling very well at Metro.

### LENE LOVICH

#### "It's You, Only You"

If it's not already in heavy, modern radio is moving Lene's airplay up. She has strength in the Boston club scene (Spit), and at retail (Harvard Coop). Also action in Los Angeles on Moodies' dance floor and at Leopold's in Berkeley. One of the most talked about new songs.

### STRAY CATS

#### "Stray Cat Strut" b/w "Can't Hurry Love"

The Stray Cats may be an old story but their rockabilly is a current and continuing sales story, especially in the East, Boston, and New York.

### THE JAM

#### "The Bitterest Pill"

We know The Jam's history in the Boston area, but we are hearing about major sales coming out of New York's Disc-O-Mat and St. Mark's Sound, and L.A.'s Rhino Records and Vinyl Fedish. Binky Phillips of St. Mark's Sound says, "The Jam are going out in style. Their new double single import is possibly the best thing that they have recorded." Radio reports primarily heavy airplay.

### GRACE JONES

#### "My Jamaican Guy" and "Nipple To The Bottle"

She's just getting added but by the look of the retail action, Grace Jones is a confirmed hit. All four of our focus markets are telling us about top or increasing sales. Chris Ferrio at Strawberries, Boston, "The Grace Jones keeps getting hotter. It entered our sales chart at #4, which is a pretty good start. Sales are across the board, too." An obvious club record, too.

Other records doing well in Modern Rock Radio include: Waitresses, Mission Of Burma, Dexys Midnight Runners. Depeche Mode, Wall Of Voodoo, Phil Collins, and Kate Bush.

## Off The Street:

### MUSICAL YOUTH

#### "Pass The Dutchie"

If there ever was a buzz on a record, this is the one. Musical Youth is hot. Stores from Boston to L.A. and San Francisco to New York are screaming about this one. Tami Heide at Newbury Comics in Boston raves, "They've already taken our store by storm and we can't keep the record in stock." Both the domestic "Pass The Dutchie" and the new import "Youth Of Today" are important.

### SIOUXSIE AND THE BANSHEES

#### "Slow Dive"

In clubs like Berkeley Square and I-Beam in the Bay Area, and Spit in Boston, Siouxsie mixes it up. But the stores are not far behind. Reports from Leopold's, Newbury Comics, Vinyl Fedish, St. Mark's Sound, and Metro all show broad acceptance.

### CULTURE CLUB

#### "Do You Really Want To Hurt Me"

Purely a retail story, the Culture Club record is breaking out of New York City capturing top sales in 99 Records and Metro with increasing sales at Disc-O-Mat and St. Mark's Sounds. In Los Angeles, the story is similar. Already we are getting top sales from Rhino and Vinyl Fedish.

### THOMPSON TWINS

#### "Lies"

Clubs in San Francisco, I-Beam, and Berkeley Square, tell us the Thompson Twins is a hit. They are confirmed at Moodies in L.A. with sales at Vinyl Fedish to back it up. At Strawberries in Boston, we see an East Coast nibble.

PRINCE  
"1999"

Prince is selling well at Rhino, Leopold's, and Disc-O-Mat. There is some Berkeley Square club action, too. "1999" is the track of choice but our contacts in Boston, Hugh Munoz at The Channel and Albert at Spit, are spinning to a different track. Albert sez, "I was disappointed in '1999', but when I heard 'Let's Pretend We're Married' I knew that was the song."

ABC  
"The Look Of Love"

Steve Countryman at Leopold's in Berkeley notes that, "The video is a factor in ABC's current success." Undoubtedly, he's right but strong club play, especially in Los Angeles and Top 40 airplay is also contributing to their surge.

Other street records to watch include: Marvin Gaye, Dream Syndicate, and Bananarama.

### RETAIL

STRAWBERRIES, CHRIS FERRIO:

TOP SELLERS: Marvin Gaye, J.Geils, Stray Cats, Grace Jones, Men At Work, Pat Benatar, English Beat, Luther Vandross, Adam Ant, Hall & Oates.  
INCREASED SALES: J.Geils, Grace Jones, Luther Vandross, Adam Ant, Hall & Oates, Led Zeppelin, Grover Washington, Supertramp.  
RECORD FUTURES: George Clinton, Level 42, Tom Petty, Phil Collins, Depeche Mode, Thompson Twins, Squeeze.  
COMMENTS: Grace Jones keeps getting hotter. She entered our sales chart at #4 which is a pretty good start, and the sales are across the board...Adam Ant is also coming on...Hall & Oates continues to move up and I think it will keep going...Out of all the Parliment/Funkadelic stuff, I think the George Clinton is the most accessible, and has the most commercial potential. It goes beyond the standard R&B sound...Level 42 has had some 12"s out and they are established enough that I think this album will do well...Phil Collins is definitely a hit. It's completely different from his first solo. It goes back to the R&B roots of today's music...Even though the Thompson Twins' album hasn't been released yet, I feel that it will be very hot. The 12" of "Lies" is setting things up perfectly.

ROCKET, HAYDEN CRILLEY/FRED JEFFREY:

TOP SELLERS: Squeeze, Stray Cats, Men At Work, Gary Moore, MSG, The Fixx, Grace Jones, Musical Youth.  
INCREASED SALES: Musical Youth, D.O.A. 12".  
RECORD FUTURES: Musical Youth.  
COMMENTS: It's rare that someone who is unknown can premier with as much a demand as Musical Youth has...Other than that, I'd say it was a very Led Zeppelin week...We have been doing well with the Squeeze import, but the domestic looks like it's going to do even better. It was our 4th best seller last week.

HARVARD COOP, BOBBY HALL:

TOP SELLERS: Stray Cats, English Beat, Lene Lovich, P-Furs, Gang Of Four, ABC, Kate Bush, Healing Of The Nation.  
INCREASED SALES: Dede Stewart.  
RECORD FUTURES: Musical Youth, Robert Wyatt, Bauhaus (Imp), Human League 12", Electric Guitars 12".  
COMMENTS: Robert Wyatt's 12" "Ship Building", an Elvis Costello tune based on the Falkland Islands, is a really good song that comes across with a strong message...Dede Stewart is a local artist who was signed to Kirshner Records a couple years ago but nothing happened. Still popular in the Boston area, she's a cross between Holly Near and Linda Ronstadt...ABC is like Roxy Music meets David Bowie. They are selling well mostly from club play.

BOSTON CONTINUED  
NEWBURY COMICS, TAMI HEIDE:

**TOP SELLERS:** Musical Youth (huge), Siouxsie And The Banshees, The Jam, and The Cure 12".  
**INCREASED SALES:** Angry Samoans, D.O.A., Human League, Iron Cross 45, and Negative Approach 45.  
**RECORD FUTURES:** Malcolm McLaren, Little Steven, The Shaggs, Certain General Ep.  
**COMMENTS:** Only Malcolm could get away with this record. He's done what no one else would think of doing, he's blended the old American square-dance with the equally American disco and come up with a charming little dance number that should burn up the charts. But, probably won't. Still, it's a record that I think everyone should own at least one of...A New York band with a dynamic live show is The Certain Generals. Their debut Ep of "Holiday Of Love" could bring them to national attention even though they're relatively unknown...The Shaggs, from New Hampshire, are comprised of the Wiggins sisters from the netherlands of New Hampshire. They have graced us with their second Lp called "The Shaggs Own Thing", and I'm sure that is exactly what it is. I'm not sure if The Shaggs are your thing, but they're certainly one of my favorite things. The album includes their hit "My Pal Foot Foot" and a live version of Pitkin's song "Gimme Tat Ding". A must for the eclectic collector...Musical Youth, a charming pop-reggae British band, could take off in the U.S. Just like the Jackson 5 did. They've already taken our store by storm and we can't keep the record in stock.

CLUBS

THE CHANNEL, HUGH MUNOZ:

**CLUB HITS:** Yaz, November Group, Modern English, Prince, Brian Brain, Q-Feel, Trio, Gun Club, Pretenders, ABC, Pylon.  
**NEW ACTION:** Heaven 17, The The.  
**RECORD PICKS:** Human League 12", The Dark.  
**COMMENTS:** From the new Prince Lp, the cut "Let's Pretend We're Married" is getting very, very strong reaction on the dance floor. Yet, there's been no radio action to help it along...It seems awfully curious to me, but is CBS Sports programming more new music than 95% of all album rock stations? This past weekend, Haircut One Hundred, Human League, ABC, Q-Feel, Thompson Twins, and Heaven 17's music were all used under promos for upcoming sports programs. Maybe when Bauhaus is featured on "One Life To Live"?"

SPIT, ALBERT O:

**CLUB HITS:** Billy Idol, ABC, Stray Cats, Adam Ant, Peter Gabriel, Yazoo, Devo, Toni Basil, Lene Lovich, Flock Of Seagulls, Men At Work, November Group.  
**NEW ACTION:** Musical Youth, The The, Culture Club, Wall Of Voodoo, Wham.  
**RECORD PICKS:** The Cure 12" (Imp), Malcolm McLaren, Prince "Let's Pretend We're Married", Siouxsie And The Banshees, Slow Drive, Modern English.  
**COMMENTS:** November Group seems to be a local band that is going beyond the local Boston scene... The Cure has dragged themselves out of the doldrums. They have their first good dance tune since "Primary"...Although the Wham tune sounds like just a rap record at first, if you listen again you'll see that it becomes much more...Musical Youth seems to be doing as well on the dance floor as it is on the radio...It's kind of old but it's just been released domestically. Modern English's "I Kneel With You" has as big a crossover potential as "I Ran"...I was disappointed in "1999", but then I heard "Let's Pretend We're Married". That's the song! It may be too dirty for airplay but in the clubs it works. Thanks to Hugh Munoz for turning me onto this Prince smash.

## New York

WLIR, LONG ISLAND, NY P.D.-DENIS MCNAMARA:

**ADDS:** China Crisis, Individuals, Jimmy & The Mustangs, Johnny Warman, Falco (Imp), Bananarama, The Cure, Visage, Elvis Costello.  
**HEAVIES:** Peter Gabriel, Clash, Devo, The Fixx, Stray Cats, Romeo Void, Lene Lovich, Squeeze.  
**INCREASED PLAY:** Madness, Romeo Void, Lene Lovich, Seagulls, Mutants, D.A.F.(Imp), Ballistic Kisses, Culture Club, Squeeze, APB (Imp).  
**MOST REQUESTED:** Squeeze "Annie", Clash "Casbah", Stray Cats "Town", Elvis Costello "Hands", Berlin "Sex".

WNYU, NEW YORK, NY M.D.-JOHN LOSCALZO:

**ADDS:** Bad Manners, Grace Jones, China Crisis, The Sound, Musical Youth, Billy McKenzie, March Violence, The Cure.  
**HEAVIES:** Musical Youth, Konk, Pylon, Brian Brain, Monochrome Set.  
**INCREASED PLAY:** The Exploited, Madness, Higgs, P-Furs, "Shadow", "End Games".  
**MOST REQUESTED:** Konk, E.S.G., Heaven 17.

RETAIL

ST. MARK'S SOUND, BINKY PHILLIPS:

**TOP SELLERS:** Joni Mitchell, Jam (Imp) 45, Stray Cats, Men At Work, Musical Youth, Pretenders, Siouxsie And The Banshees, Grace Jones, Captain Sensible, Clash 12".  
**INCREASED SALES:** Stray Cats, Human League 45, Lene Lovich, Culture Club, Musical Youth, Cure 45, Peter Gabriel, Elvis Costello 45, Robert Wyatt 45, Television (live on cassette on Reach-Out International), Joe Piscopo.  
**RECORD FUTURES:** Kinks, Led Zeppelin, Tav Falco, The Blue Bells, Killing Joke, Marie Wilson (The Compact Organization).  
**COMMENTS:** The Jam is going out in style. Their new import double single is possibly the best thing they have recorded...As MTV loudly proclaims, they are truly responsible for Men At Work and Stray Cat successes...It seems that every Joni Mitchell fan has crawled out of the woodwork for this album. A surprising number of new music types have been buying it...Lene Lovich sort of invented the new wave female persona/vocal style and we felt that time had passed her by. But, sales on the new album indicate that she is far from forgotten...We at Sounds feel that the R.O.I.R. people are putting out interesting music that offers a real alternative...After an initial period of hesitation, the non-disco audience has embraced the 12" and mini-Lp concept wholeheartedly.

DISCO-O-MAT, MIKE BONVENTRE:

**TOP SELLERS:** Joe Jackson, Men At Work, Stray Cats, Michael Jackson, Hall & Oates, Pat Benatar, Led Zeppelin, Supertramp, Donald Fagen, Phil Collins.  
**INCREASED SALES:** P-Furs, Adam Ant, Culture Club, Little Steven, Prince, The Jam, Kate Bush, Don Henley, Ozzy Osbourne, J.Geils.  
**RECORD FUTURES:** John Lennon Collection, Squeeze, Foreigner, Abba, Eagles Greatest Hits Volume II.  
**COMMENTS:** The Culture Club is starting to take off, and I think that it's beyond club play. The video is having some effect...That's also true for P-Furs and Adam Ant...Peter Gabriel's video is also sending people into the store raving...The Michael Jackson record will go across the board because of the line-up of artists on the album...All kinds of people are coming in for Joe Jackson. Sales are still growing for him...It may be that, in the case of The Jam and Squeeze, the band's breaking up could be helping focus interest on them.

NEW YORK CONTINUED

99 RECORDS, ED BAHLMAN:

TOP SELLERS: E.S.G., Culture Club, The Cure 12", Yaz, Malcolm McLaren.  
 INCREASED SALES: Thomas Dolby, Jah Wobble, Allez Allez, Valley Of The Kins 12", A Certain Ratio 12", DVA 12".  
 RECORD FUTURES: Vision 12", Risan 12", Paul Haig 12".  
 COMMENTS: The Cure just came out and it's already doing very well. People have been waiting for it to come out...Thomas Dolby is probably the smartest synthesizer fellow in England. He's someone people should be watching closely.

METRO, PHIL McCAFFERTY:

TOP SELLERS: P-Furs, Simple Minds, Ultravox, Culture Club, The Damned, Pretenders, Psychic T.V., Siouxsie And The Banshees, Soft Cell 12", XTC, Tears For Fears, Burning Ambitions Compilation, Yazoo 12", Led Zeppelin, Heaven 17 12", Devo, New Order 12" and 7".  
 INCREASED SALES: The Cure 12", Visage 12" (Remix).  
 RECORD FUTURES: The Cure "Let's Go To Bed", Bananarama.  
 COMMENTS: The Cure has built an audience with their past records, and this one is going out of the store in a big way...This is the first original tune that Bananarama has done and it's starting off very nicely, especially in the clubs...In general, 12"s and EP's are getting more and more acceptance beyond the disco crowd. People are now used to spending the money for a different version, like an extended mix, on a song.

## Los Angeles

KROQ, LOS ANGELES, M.D.-LARRY GROVES:

ADDS: Bad Manners, Mental As Anything, Heaven 17, Cells, Dexys Midnight Runners, Josie Cotton.  
 HEAVIES: Payolas, Duran Duran, Modern English, The Flirts, Missing Persons, Lords Of The New Church, Bow-Wow-Wow, Stray Cats, Translator, Adam Ant, Peter Gabriel, Berlin, Tom Petty, Devo, Culture Club.  
 INCREASED PLAY: Members, English Beat.

KNAC, LONG BEACH, M.D.-MARY GODGES:

 REQUESTS: Culture Club, Berlin, English Beat, Billy Idol, Adam Ant.

RETAIL

RHINO RECORDS, NILS CLINE:

TOP SELLERS: Rank & File, Culture Club, Prince, Pretenders 45, Bruce Springstone, The Jam 7" (Imp), Marvin Gaye, Dream Syndicate, George Clinton, King Sunny Ade.  
 INCREASED SALES: Grace Jones, Gregory Issacs, Yaz (Imp), The Cure 45 (Imp), "Rat Music For Rat People", Vortex Soundtrack.  
 RECORD FUTURES: Tony Williams Lifetime, George Winston.  
 COMMENTS: When the George Winston, on Windham Hill, comes in it will sell very well. This whole label does well for us but Winston is a phenomenon...The other thing that's not out yet, but will be huge is the Musical Youth "Pass The Dutchie". It's on AM Soul stations and the response is incredible from all different kinds of listeners. It's a hit!...The Jam fans are going for the new double 7" import which represents no stylistic change but it is their last hooray which may account for the sales...Rank & File is number one for us and you can expect a steady climb from here. They're going to get a lot of attention from the National press...The Dream Syndicate opened for P-Furs to mostly lukewarm response. The reason for this is that they depend on a sense of spontaneity and I think the audience was expecting something more polished, more pre-fabricated. This problem may dog them throughout their career. There haven't been any bands of this nature since about 1970...Just released on the R.O.I.R. label is a Television live cassette and in spite of some pretty bad sound quality, we diehards find it to be mana from heaven.

VINYL FEDISH, JOSEPH BROOKS:

TOP SELLERS: The Cure 12", Malcolm McLaren, Jam 45, Human League 12", Culture Club 12", Bananarama 12", B Movie 12", Berlin, Culture Club Lp, Bauhaus, Modern English, Theatre Of Hate, Heaven 17 12", Madness Lp, GBH 45, Thompson Twins 12", Bad Manners Lp, Klaus Noni.  
 INCREASED SALES: Musical Youth, Adam Ant, Siouxsie And The Banshees 12", The Beat 45, Soft Cell.  
 COMMENTS: The best new music in a long time is out around right now. I especially like the Soft Cell B Side.

CLUBS

MOODYS, RICHARD BLADE:

CLUB HITS: Berlin, ABC, Yaz, Men At Work, Duran Duran, Devo, Stray Cats, Adam Ant, Toto Zoelo, Missing Persons, Oingo Boingo, Peter Gabriel, Culture Club, Thompson Twins 12", Lene Lovich 12".  
 NEW ACTION: Fashion, Sparks Imp 45, Heaven 17 "Let Me Go" (Imp).  
 PICKS: Golden Earring, Human League, Members (radio dub).  
 COMMENTS: Playing in L.A. this week are some of the bands listed in my Top 15. Three more of those bands will be here by the end of the month. This week: ABC, Adam Ant, Peter Gabriel, Thompson Twins. By the end of the month: Berlin, Missing Persons, and Oingo Boingo.

LHASA CLUB, PETER WESLEY:

CLUB HITS: Simple Minds "King Is White" and "In The Crowd" and "Colours Fly" and "Katherine Wheel", Shriekback "My Spine Is The Baseline", Blancmange "Feel Me".  
 NEW ACTION: Robert Palmer 45, Heaven 17, "Don't Stop The Rain", ABC (American mix of "Look Of Love").  
 PICKS: Clash "Long Time Jerk" (B Side of "Rock The Casbah" 45).  
 COMMENTS: The Clash song, "Long Time Jerk", may not be easy to find because it's not on the album, but it's definitely worth finding--even though it's danceable, it's very rocky.

### AQUARIUS, EVA LAKE:

TOP SELLERS: Mutants, The B People, Bauhaus, The The 12", Musical Youth 12", Klaus Noni, P-Furs, Pretenders 45, "Soweto", Mick Karne.  
INCREASED SALES: Pop-O-Pies, Rank And File, Prince Nico, Virgin Prunes, Weekend, Dream Syndicate, Mission Of Burma, Ultravox.  
COMMENTS: The Bauhaus is creating more and more excitement, mostly because they are coming here and this is their third album so they are well known. You also get the live recording if you buy the import. It's excellent...I can't keep the new Simple Minds album in stock. I wish they'd come back, because they were great."

### ROUGH TRADE, MARY SVIRSKY:

TOP SELLERS: Virgin Prunes, A Certain Ratio, Psychic T.V., Cabaret Voltaire, Augustus Pablo, Toxic Reasons, The Twinkle Bros, Theatre Of Hate, Negative Approach, D.V.A., Abrasive Wheels, The Mighty Diamonds, David Thomas, The Descendants, Weekend.  
INCREASED SALES: The Orange Juice, Rita Marley, Crux/Crash.  
RECORD FUTURES: Vortex Soundtrack, The Kitten Kompilation (cassette), Musical Youth, "Youth Of Today".

### LEOPOLDS, STEVE COUNTRYMAN:

TOP SELLERS: Clash, Joe Jackson, Stray Cats, Peter Gabriel, ABC, English Beat, Prince, Men At Work,  
INCREASED SALES: Lene Lovich, Grace Jones, Siouxsie And The Banshees, Clash "Mustapha", Rita Marley, Jungle Signals Imp., Missing Persons, Trio, Gregory Issacs, Aswad.  
RECORD FUTURES: Musical Youth, P-Furs Ep, "Goodbye" (Dance mix), Weekend, Modern English, Heaven 17, Riuichi Sakamoto Masami Tsuchiya.  
COMMENTS: Robert Scott and Adrian Belew combine for interesting affects on the Riuichi Sakamoto song "Left Bank". Its hook sounds like water dripping, if you can believe that... Jungle Signals features Roots Aradics (Gregory Issacs back-up band). It's reggae with a big band twist, humorous as well as musically interesting...The video is a factor in ABC's current success. I've seen it on MTV and ShoTime.

## CLUBS

### BERKELEY SQUARE, DAVID BASSIN:

CLUB HITS: Grace Jones, Shriekback, Siouxsie And The Banshees, Peter Gabriel, Thompson Twins, Prince Lp, Marvin Gaye, Human League, Pop-O-Pies, Virgin Prunes, Colour Boxx, Quando Quango, Race, George Clinton, A Certain Ratio, Bananarama (New), Flipper, Dread At The Controls Orchestra, Vortex Soundtrack, Melle Mel, and Duke Bootee.  
RECORD PICKS: Flipper, Bananarama.  
COMMENTS: I think that there is a severe lack of Black music being played in the clubs...The Virgin Prunes have just released their first record, and it's very interesting. They're a very challenging band, much like some bands from 10 years ago. They are making provocative and challenging music...I think this Bananarama record shows a lot of growth. They're breaking away from Fun Boy Three, and they're making music that is accessible without playing to the lowest common denominator...The Vortex Soundtrack contains lots of stuff, but "Black Box Disco" is the track that has the most potential for a wide audience.

### I-BEAM, ALAN ROBINSON:

CLUB HITS: Siouxsie And The Banshees, Psychedelic Furs, Fad Gadget 12", Virgin Prunes 12", English Beat Lp, Rank And File Lp, Grace Jones 12", Musical Youth 12", Mutants Lp, Quando Quango 12", Ignatious Jones, Thompson Twins 12".  
NEW ACTION: Units 12", Quando Quango.  
COMMENTS: The Units are a local band that's been around for about two years. It's a synthesizer outfit that has recently augmented their sound with a couple incredible percussionists. They were produced by Michael Cotton of The Tubes. It'll undoubtedly be a big hit in the clubs...Not much is known about the Quando Quango record. It's on Factory Records of England, and is very danceable, English disco...Ignatious Jones is a synthesizer-pop record from Australia on WEA. It's very popular in clubs in L.A. and S.F., as well as on progressive radio. "Like A Ghost" is a great song.

# Program Producers

**GAYLE MILLER, LONDON WAVELENGTH (212-682-5390):** "Led Zeppelin in Concert! A radio blessing come true? We've discovered a vintage, 90-minute concert in the BBC archives. It's never been heard in America before, and it's available from London Wavelength December 15th through the 22nd. With all the brew-ha-ha that 'Coda's causing, grab this concert now!...Other things brewing here include a Who special which has gotten raves. It's available through December 20th...The BBC Rock Hour proudly presents Phil 'Hello I Must Be Going' Collins this week with Phil's first interview about his new album, and we're pleased as punch to bring him to American radio...Also on the Rock Hour in December, look for Greg Allman and The Fixx in concert...The BBC College Concert Series features The Jam this week...I'm also very excited about presenting the international radio concert debuts of the Psychedelic Furs and Blotto in December. These are two of my favorite bands -- so tune in and find out why...Thank you's to Linda K., Joe Piscopo, Harvey Leeds, Jerry Jaffe, and Blotto Industries...In hot rotation on the train: Blotto, P-Furs, and Phil Collins...Til next week, keep the beat."

**SAM KOPPER, STARFLEET/BLAIR (212-752-0400):** "A lot of us worked on Thanksgiving for Starfleet this year, and it was a pleasure. As many of you know, we were in Dallas producing the lovely Linda Ronstadt broadcast live to the 60 stations that subscribe to The Source. Ronstadt is a premier singer with a great band and a professional road production. Very special thanks to Peter Asher and Ira Koslow and all the stations who carried the show...Production of a flawless network is an intricate science and a subtle art. In the spirit of the day, we thank the Gods of the airwaves that Starfleet does it better than anyone. That should be no surprise, we're the only ones who get regular practice. How would you like it if you knew that the pilot of your next 747 flight only flew three times a year? Starfleet stays current!... We like the great state of Texas so much that we're going back one more time. On December 12th, we'll be producing Kenny Loggins live from the University of Texas' Frank C. Erwin Entertainment Center in Austin...Coming up, a mid-January project that's still under wraps--but just you wait. As for the rest of the Winter and early Spring, we'll keep the airwaves hot musically even if that Mexican volcano cools down the climate."

**JAY GOLDMAN, CLAYTON WEBSTER CORP. (314-726-0906):** "For Christmas, Retro Rock delivers The Police Live. With live recordings like: 'I Can't Stand Losing you', 'Roxanne', 'So Lonely', 'Message In A Bottle', 'Man In A Suitcase', and 'Don't Stand So Close To Me', Retro Rock delivers! Top off your Christmas with The Police brought back live especially for the holidays...Rarities increases your holiday repertoire with: 'Call Me For Christmas' by Gary U.S. Bonds, Squeeze's 'Christmas Day', and 'Silent Night' by the Elvin Bishop Band...The Sporting News Report this week asks: 'Is Ed Garvey unfairly maligned?' 'Is the football strike a personal vendetta?' 'How well did the football players really do?' and, 'What the hell was the point of the football strike?' For the answer to these and other vital questions, stay tuned to The Sporting News Report."

**CINDY TOLLIN, GLOBAL SATELLITE NETWORK (213-344-5651):** "Thanks to Judy and Jessica for a great ROCKLINE with Foreigner on Monday night. Also, great to see Jeb Brien--thanks for everything!...I hope everyone had a great Thanksgiving, and remember we'll be rockin' through the holidays with: Peter Gabriel, Saga, Phil Collins, and The Who, all coming up on ROCKLINE...P.S.: Did you know, Perry Cooper of Atlantic Records is personally thanked on Phil Collins latest Lp? P.P.S.: Do you care?"

**BOB MYROWITZ & PETER KAUFF, DIR BROADCASTING (212-371-6850):** "From Paul Zullo and David Knight: We're keeping ourselves in motion in the pre-holiday season recording Biscuit with The Fixx, Stray Cats, Saga, Chilliwack, plus leading edge indicators the Psychedelic Furs and Adam Ant. Arena-filling superstars are in the works too--identities to follow. In December on King Biscuit: The Moody Blues, Triumph, Pat Travers, Johnny Van Zant and more. Coming in January, Rainbow's only concert appearance for 1982-83. Note: Our Pat Travers on December 19th is from the 1982 tour, and the only one from this year. Also as such, it's the only one that has 'I'd Rather See You Dead'...From Roxy Myzal: Thanks to The Who/DIR network affiliates for their patience and understanding, and for causing me to start drinking on the job... Last call: 38 Special live from Memphis on New Year's Eve. Give me a call...Don't forget, this week's Inside Track features John Lennon. That's all for now."

**JOHN MCGHAN, ROLLING STONE MAGAZINE PRODUCTIONS (212-350-1222):** "The Continuous History Of Rock And Roll is more powerful than ever. Our 'Christmas Rocks' show is a classic, followed by 'More Doors' as requested by affiliates...Great Guest D.J. shows this month from: Warren Zevon, Peter Gabriel, Joe Piscopo; and new for 1983, Pat Benatar, Aldo Nova, Father Guido Sarducci, Marty Balin, Bob Seibenberg of Supertramp, and lots more to be announced...I encourage everyone to see The Fixx. I haven't seen such a great band since Heavy Lenny forced me to see The Police at the Whiskey three years ago...1983 will be the 15th year celebration for Rolling Stone Magazine, and I fully intend to blow the roof off album radio with definitive radio shows. Major Production is now in progress, and I hope you like it."

**RICHARD KIMBALL, WESTWOOD ONE (213-204-5000):** "Exclusively in '83: Fleetwood Mac, Journey, and now Crosby, Stills and Nash. We are pleased to announce that we just secured the exclusive radio broadcast rights for CSN for next year. We will also be providing the satellite stereo simulcast for ShoTime's Crosby, Stills and Nash TV concert. Other stereo simulcasts from Westwood One in '83 include: Olivia Newton-John and Fleetwood Mac via HBO...There's no question that '83 will be a great concert year for us, highlighted by the 10-week Coca Cola Superstar Concert Series available only through Westwood One...Specials galore in '84? Let's just talk about what's coming up. 'The Great Lost Who Tapes', hosted by Rolling Stone's Bill Wyman, has now been cleared on over 300 stations for airing the week of December 13th...Off The Record Specials With Mary Turner feature: Warren Zevon the week of December 6th, Rod Stewart the week of December 13th, The Clash the week of December 20th, and a very special Off The Record featuring an exclusive interview with Tom Petty the week of December 27th...Dr. Demento will be doing Christmas From Dementia and the year's most Demented Requests for New Year's week...Upcoming on our pop concerts: The Little River Band, Olivia Newton-John, and Air Supply...The Rock Chronicles kicks off in January. The premier hour will be rock festivals from Woodstock to US. Rock Chronicles has already cleared some great radio stations including WNEW-FM and KMET...Aside from being great, Jack Mack And The Heart Attack are fast on their feet. At a gig we recorded last week, the L.A. Fire Department cancelled their second show due to overcrowding. Undaunted, the band started playing their way down Sunset Blvd. Quite an experience. We got the first show on tape and you'll hear it next year."

# THE SOURCE

NBC Radio's Young Adult Network

Denny Somach produces the report for the NBC Source Radio Network, fed daily to over 174 stations. You can get in touch with Denny at 19 Rock Hill Road, Bala Cynwyd, PA 19004; 215-667-5118. The following are excerpts from this week's report.

BILLY JOEL has confirmed that he will play the Allentown, PA area on Dec. 27th at Lehigh University. The date is in honor of his song "Allentown" from his latest album "The Nylon Curtain". Rumors have it that the mayor of Allentown may declare Dec. 27th Billy Joel Day.

The Rock Report has learned that the new BOB SEGER album "The Distance" will include a cover of the Rodney Crowell hit "Shame On The Moon". It's also the first single off the album.

RUSS BALLARD and JAY FERGUSON have recently formed the BALLARD/FERGUSON BAND. Ballard used to be in Argent, and wrote the hit single "Winning" that was recently done by Santana and "Since You've Been Gone" by Rainbow. Ferguson was in Spirit. The band will soon start work on their debut album.

JOAN JETT finishes her tour of Japan Dec. 6th, and will then head off to tour Australia. Joan was also the first American to perform inside the Iron Curtain in Weimer East Germany on Nov. 18th and 19th.

THE GO GO'S are in California resting up and writing material for their 3rd album. The next tour of the States starts in Jan., but as of now the dates are not confirmed.

TRIUMPH's next Lp "Never Surrender" will be out in January. Songs will include "All The Way", "When The Lights Go Down", and "World Of Fantasy". The tour starts Feb. 15th.

ROBERT PALMER will have a new album out in early February called "Pride" on Island Records.

RENNAISSANCE's new album is called "Time Line", and will be out in February. The songs that may be included are "Flight", "Missing Person", and "Auto Tech". Their tour will probably start in March.

The San Francisco band 415 are now being called THE JOHN MARTYN BAND. They are handled by Tasmania Productions.

BIRTHDAYS THIS WEEK: 12/7: Tom Waits is 33; 12/8: Gregg Allman is 35; 12/9: Rick Danko formerly of The Band is 39; 12/12: Dickey Betts is 39; Paul Rogers of Bad Company is 33.

## Record Action

DR. DOUBLE J, POLYGRAM (212-399-7047): "Only Hoboken's pride Mike Bone could force me to shed my public reticence and avow in these spirited pages that I am not now, or ever have been, Jerry Aldini. Moreover, I would never stoop so low as to incur the wrath of my life long friend, Allentown's Bruce Bond. Many of you might not know that my own father played the role of Fuzzy the Cook opposite Bruce's father Ward Bond on that great, vintage television show Wagon Train, together with the fact that our respective dads went into business by starting a white bread company. To top it off, I sat on the dais at Bruce Bond's Bar Mitzvah five years ago, a real earthy, working class affair held at the AFL/CIO Union Hall in downtown Allentown with music provided by Pete Seeger and Arlo Guthrie. By the way, Billy Joel was my waiter, a little known fact. I hope this sets the record straight."

JIM SOTET, POLYGRAM (212-399-7813): "A tip of the hat to Mr. Hard and staff for the Pinch Hit on Michael Jackson. If urban contemporary radio can have open ears when it comes to the Police, Toni Basil, The Waitresses, ABC, and numerous other bands, I really think album radio, as a format, can take a chance on one of the true superstars, Michael Jackson...Things I don't understand department: When a portion of a station's audience calls in about a record, it's perceived as 'receiving great phones', but when the calls are about Kiss, the callers are dismissed as 'members of the Kiss army'. Give me a break! I don't care if you're uptight about Kiss' image, which is pretty calm compared to Culture Club, for example. If the music's good (as in the case of Michael Jackson or the Culture Club), then the music deserves a shot--plain and simple. So thank you to everyone who put aside 'image' and are playing Kiss music... 'It's Alright', the Yoko Ono album, should be yours for the listening now. Please do, it really is a wonderful musical record that album radio can deal with if they want to. I've found in the past few weeks that interest in Yoko as a person is extraordinary. I think her music deserves the same attention...I'll leave the rest of our music to my colleagues in the Rock Department, but while opening your ears to new music, please don't overlook Dexys Midnight Runners. 'Come On Eileen' is the song...Hot at home: 'Pass The Dutchie', Rank & File, English Beat, Mission Of Burma, Siouxsie And The Banshees, Marvin Gaye, and the reggae album Mike Bone sent me. Thanks, Bone!...And thank you Linda at CBS for the great package. It was really appreciated."

DREW MURRAY, POLYGRAM (213-277-1412): "Just a brief thank you to all concerned (album radio, consultants, MTV, etc.). On July 21st, 1981, we released 'High And Dry', the second album from Def Leppard. On Monday, November 22nd, 1982, the album and tape sales surpassed the 500,000 mark. In the words of Tonio K, 'Better late than never'. While we await that 'gold' certification, the Rock Department would like to thank all of you for the last 16 months of support, and we hope you all get a severe case of 'Pyromania' on January 21st, 1983."

SEAN COAKLEY, ATCO (212-484-6400): "Vandenberg is already busting into the top 20 retail in several cities, notably San Jose, Grand Rapids, and Portland. Simply put, the record sells where it's heard. And most recently it's being heard on WKLS, WMMR, WQVE, WQMF, and WAPP. Hey, this is the best 'Burning Heart' I've ever had. It's nice to know that a long-haired band can still be heard on album radio...Personals: Randy Raley: The same people you walk on the way up, you meet on the way down. Bear in mind, in this business there is room for both hard, well-fought competition and professionalism. The key ingredient is honesty. It's perhaps the only thing we on the record side have a right to expect...Bob Welch: I'll never forgive you for that one...Bone: Mick says he'll do it...To Regis Boff from Bill Heltemes: Thanks for the best seats in the house. Long live rock!"

JEB BRIEN, CHAMPION ENTERTAINMENT (212-765-8553): "It's been a long time comin', but WEBN is on 'H2O'. This is the first record in the last five I believe they've played. It's great to have them back. This is indicative of what's happening across the country on the album...POWER TO THE PEOPLE: Hattrick's KKCI debuts 'H2O' in power due to phenomenal research on 'Maneater'. Thanks to Joe MacCabe for the support he's lent to this record. The last time we had a #2 Lp in Kansas City was never!...Phil Strider could make us local heroes in Denver; three weeks at #1...Both 'Family Man' and 'Maneater' are heavy at MTV. As a matter of fact, both cuts are listed as #4...Our reorder pattern has developed to the point where we have overtaken Supertramp, which by the way ain't no small potatoes. We are over 850,000 units, a shoo-in for platinum by Christmas. The Lp has just turned platinum in Canada...While Lambert vacations, Heckman takes to the road. Or while Craig fiddles, Eric burns!...We are looking for increased rotation as we approach the holidays. With the record going so well, another cut would be the wise move. On a record this huge, you can only help by going deeper...Why are all the successful new modern groups appearing on the lame 'Square Pegs'?"

**RECORD ACTION CONTINUED**

JOEL WEBBER, INDEPENDENT (212-255-7408): "The P-Furs are rounding the home stretch and are headed for the finish line. Following in the successful paths blazed by Men At Work, FOS, etc., the Furs look like a sure thing at this point. Columbia has really stuck by the act and will be rewarded by yet another new band broken this year. By the way, MTV just upped the rotation on the Furs video...One of the factors of KROQ's success has been the heavy amount of 'novelty' songs that they play. Album radio, however, does not have much to choose from when it comes to novelty records that fit the format, and that's why I'm amazed more stations aren't taking advantage of Blotto's 'Metalhead'. Not only is it one of the funniest take-offs on a genre of rock and roll that is ripe for satire, it also happens to fit the format on a musical level. Songs like 'Metalhead' will always work for you if you play them...My vote for the most overlooked song of the year goes to Prince's 'Little Red Corvette'. How many album radio M.D.'s have even listened to that song? It is a S-M-A-S-H. Best lyrics this side of Bruce Springsteen...Personal to David Filipov: If I make you nervous when I ask you to explain to me why a station that purports to be into playing new music never played ABC, Toni Basil, and didn't even play the Adam Ant record until after your Pollack consulted competition did, I wonder who's a turkey. Start playing the hits, Dave, instead of old Tull records, and I promise I'll stop yelling at you...It's Christmas record time again. Among all the new rock and roll Christmas releases, my fave for the year is Christina's 'Things Fall Apart' on Island. Those who remember my 'hang in there for the holidays' X-Mas cards a couple of years ago will love this record."

MIKE BONE, ARISTA (212-489-7400): "Let it be remembered that Arista Records started working A Flock Of Seagulls in December of 1981, one year ago. 'Space Age Love Song' continues to build impressively on CHR. (Breaker this week)...The Members' 'Working Girl' track is doing just that, working. If you like 'Girl Of My Dreams', you will love The Members' 'Working Girl'. No, this song is not about a lady of the night, but rather a factory worker who is supporting her old man...Fashion gives a tip of the stylish camouflage cap to Joe MacCabe and Phil Strider for getting off on the good foot with 'You Only Left Your Picture'. This is the song that's doing the trick coast to coast...You received a single in the mail this week by the Bus Boys entitled 'The Boys Are Back In Town'. (Not the old Thin Lizzy song). This single is from the movie '48 Hours' featuring Eddie 'Buckwheat' Murphy and Nick Nolte. It is a stone killer, and the movie will be a huge Christmas hit...I know I've been raving about the Thompson Twins since I got back from England. Now that they are on tour, you will start to see raves from other people coast to coast. The Thompson Twins live Ep is #1 in Rockpool this week, and the album is slated for January release...Other upcoming releases from 6 W. 57th include: the Heaven 17 album, and the Ministry Ep, 'Work For Love'. Both of these items are guaranteed to light up any playlist that's in need of pep...Personals: Welcome back to Bill Nosal...George Hawras: May your T-shirt business be as successful as you were at making friends in the record business...Steve Leeds: Thanks for a good time at the Fixx show...Bruce Bond: Jerry Aldini sends his best regards and says you are a beautiful cat and don't you ever change. Ciao, baby."

BILL MCGATHY, RCA (212-930-4095): "This week you can look for one of the most exciting new signings in years to show up on final from RCA. Before you gasp, 'Oh God, how many times have I heard that before', listen to 'Escalator Of Life' from the Ep presented to us from Robert Hazard. Robert has been a Philly phenomenon for a couple of years selling out concerts and 30,000 pieces on an independent label. The time has come to turn the rest of the country on to Mr. Hazard...The Jefferson Starship have been playing some of their best gigs in years around the country, and many thanks for the great comments from programmers in these pages. They are getting ready for 3 sold-out dates in L.A...Steel Breeze continued its maiden voyage across the heartland last week with Who dates in Houston and Dallas...Chilliwick's upcoming single looks to be 'Secret Information', but we should not let that take away from the success that the current single and 'Don't It Make You Feel Good' are generating in many markets...Triumph's new Lp "Never Surrender" will be on your desk January 3rd. It's a step beyond 'Allied Forces'. Til next week, cheers."

ROGER LIFESET, PEER PRESSURE PROMOTIONS (213-506-0771): "Thanks, Bill, for the mention of our organization's 'phone moxie' regarding Frank Marino's 'Strange Dreams'. What a capper. This is my most dynamic year in record promotion. What do you do with a hit that was never meant to be? 'Juggernaut' was released the same week of the big blood bath at Blackrock and timing has always been the 'X' factor of this campaign. When we came back on this project in October, it seemed that the timing of a change of seasons was our biggest difference from the token airplay of August to power plus rotations from the metros this fall! As the temperature went down, our radio interest got hotter. I expect the next 3 weeks to be our hottest since release, and you must know by now we will still be touting Frank's 'Strange Dreams' in January as the hit that beat the system...Onto a fresh newcomer: Tony Carey. We have pencilled a long term agreement with Anaheim, CA based Rocshire Records whose dynamic roster will amaze you. Although we are currently doing a large scale reservice, many of you should have received Tony Carey's debut with Killer Kut 'I Won't Be Home Tonight'--very catchy and quickly finding immediate acceptance in southern California, Detroit and Dallas...With over 8,000 records out on Jimmy And The Mustangs, we are getting sales in L.A., Denver, Boston, and D.C. Our southern California base is enough to attract strong retail feedback at both KMET and KLOS. Watch!...Last week's comments on Ozzy's creative use of cranberry sauce makes we wonder. Do you really know what bat innards and dove brains look like? In any case, after our double platinum war cry of 'Ozzy Rules', we now feel 'Ozzy Drools' is what the world wants to hear. Remember P2 won't do. To treat this double live monster as a recurrent is like burying Dracula in Bill Bennett's garlicmalt recipe. Ozzy might be testy, but those enormous sales and requests are going to eventually max you out. In over 200 calls made by us folks at Phone-at-the-Mouth, Ozzy requests are out-doing Zep's 2 to 1...Boogie on voodoo chile."

LENNY BRONSTEIN, INDEPENDENT (213-450-6224): "To all record companies: Now is not the time to be stingy with DJ copies. Many stations complain about getting more and more releases late or getting only one copy. It's still the cheapest form of promotion and most effective. Lots of jocks influence their M.D.'s and P.D.'s and many of them eventually move up to M.D. & P.D. Also, the recently abolished VIP lists for other record company personnel, indies, etc. should be reformed. Most of us talk about how good competitive product is and like to be well versed in it. My mailing address is: 2343 31st St., Santa Monica, CA 90405. I'd especially love EMI, A&M, Elektra and CBS service. Thank for reading and listening. Stay heavy and daring. (P.S. To Larry Groves & A&R ears: Pick up those French girls and Blancmange for your consideration)."

MIKE COOPER, IMPORTS (404-355-8686): "Two releases are the most obviously interesting ones of recent weeks on the U.K. music scene. The Human League's 'Mirror Man' and The Jam's 'Beat Surrender' both show a noticeable '60's influence. In the case of the Human League 'Mirror Man' because of several tempo changes in the song, which in spots sounds very 1960's, while still sounding very electro-pop in others. The Jam, meanwhile, have released an almost mod song for their last new release, which comes as the band embarks on a farewell U.K. tour. Both tracks are highly recommended...Jo Jo Zep have a successful single in Australia that sounds almost danceable, a la Kid Creole...The new album from Siouxsie & The Banshees is on a par with previous releases and doesn't seem stylistically different from earlier Lps. It's good if you like them...Also notable is 'The Story Of The Blues' from Wah, the band formerly known as Wah Heat and Shambeko Say Wah! Not exceptionally commercial, but one of the strongest U.K. releases of late...Congratulations to the English Beat for their performance at the Jamaican music festival. I understand the band was the hit of the Friday night show, coming back on stage for five or six encores...News from the British music scene: Haircut 100 have cancelled tour plans to have more time to work on their second album...Musical Youth cancelled their plans to tour because the show was so late that their very young fans couldn't attend them...Pick up the British copy of David Bowie and Bing Crosby's 'Peace On Earth/Little Drummer Boy'. While the domestic B side has a track from the 'Lodger' album, the British B side is a spoken word exchange between Bowie and Crosby that sounds totally adlibbed. In it, Bowie rings the doorbell to a home, and Crosby answers. The dialogue starts off: 'Hello, you the new butler?' 'Well, it's been a long time since I been the new anything.' and wanders on from there...Nice to see Culture Club video on Atlanta's Video Music Channel."

**RECORD ACTION CONTINUED**

35  
**BOB LAUL, GENETIC (212-496-8326):** "Okay turkeys, Thanksgiving is over. Now that everybody has added Led Zeppelin (snore) and Ozzy (super snore), let's get down to business and play some new music by a band that is in it for the long one. Five U.S. tours (2 financed alone), 3 Lps, several record deals, moderate rotation on MTV, and the ever-growing popularity of 'Working Girl' by The Members. Album radio will make them one of the hottest acts in 1983. I rest my case (for this week only)."

**WYNN JACKSON, INDEPENDENT (404-321-5228):** "Well, the word must be out on the donkey 'cause the hotels at Disney World are all booked up for January...Congratulations to EMI on a smooth move with Little Steven opening for the Who in Cleveland. Also a great video on Miami...Stay tuned for major changes at EMI in L.A....Rough Trade leads the Canadian explosion with 'All Touch' getting major market exposure and growing... With energy sources becoming harder and harder to come by, I suggest you get the Sammy Hagar Lp on the turntable as soon as it arrives. You won't miss the package, it'll be the one that glows! Try the single and 'Remember The Heros', and look at the credits under this song...I really like 'Love Up' from the John Martyn Lp...My vote for the 'turkey of the year', a week late, goes to Atlanta Falcons head coach Leeman Bennett, who's a whole season late."

**MICHAEL ABRAMSON, ISLAND (212-355-6550):** "Looking for something a little different? Something with a bit of a new twist? Then let's waste no time in talking about one of the most dynamic forces in music in the past decade, Malcolm McLaren! Malcolm was the brainchild and driving force behind the Sex Pistols, Bow-Wow-Wow and Adam And The Ants. And now we've signed him as a recording artist in the United States. He has travelled the different parts of the world to record local folk music and has compiled an album where each track represents a different ethnic dance, drawing from places in South Africa, Cuba, and even the South Bronx. The album is due in February, but we have just released the first single from the album entitled 'Buffalo Gals'. The 12" includes three versions of 'Buffalo Gals', a Tennessee square-dance tune. McLaren recorded one version 'straight' with local 'hill musicians' in Tennessee. The other two versions include the square-dance tune 'Funked Up', using the 'world famous supreme team show' and are updated to portray the current dance trends in New York. The music was produced by Trevor Horn, one of the original Buggles who is also known for his work with ABC and Dollar. Check out 'Buffalo Gals' a.s.a.p.!...Also, be on the lookout for a new 12" from Christina entitled 'Things Fall Apart' (a great new music Christmas record) b/w 'What's A Girl To Do'. Christina has been a huge smash in Europe and will soon capture the hearts of American radio...Music on my time: ABC, Yaz, Jack Mack, The Pretenders, Hall & Oates, and Golden Earring... Til next time."

**MICHAEL PLEN, I.R.S. (212-980-6698):** "The story of the English Beat according to radio. Five week success pattern. Week 1 Promo man says, 'Listen to "Save It For Later".' Radio programmer says, 'Ska band. Not interested, but I'll check it out.' Week 2 Promo man says, 'Have you listened to "Save It For Later"?' Radio man says, 'Yes, it's okay. Don't think we'll play it.' Record guy says, 'Listen again.' Week 3 Record guy says, 'Save It For Later'? 71\*\* in BB and 90,000 sales later, radio guy says, 'Sounds okay. I'll keep an eye on it.' Record guy says, 'Great. I'll send you some glasses.' Week 4 Record guy says, 'Save It For Later'? Radio guy says, 'Yea, beginning to like it.' Record guy says, 'Great!' Week 5 Record guy says, 'Save It For Later'? Radio guy says, 'Great song. We added it.' What's the moral of this story? The majority of radio programmers thought 'Save It For Later' was just an okay track on their first couple of listens, but the bottom line is it took 4 or 5 listens for them to appreciate the hit potential of this song. Have you given 'Save It For Later' the necessary 4 to 5 listens it takes to understand this hit? Do yourself a favor. Listen again, and again, and again...Don't forget about 'Mexican Radio', that great track by Wall Of Voodoo that's breaking on MTV and some of the key stations around the country. Remember, it's not a border hit anymore, it's a mainstream one. Active phones, active sales, active mouth. Yours will drop open after you play it once on the air and see the reaction... LAWN MOWER BLADE OF THE WEEK AWARD goes to Karin Nakamura of KOME. Karin, after seeing the Go Go's, Stray Cats, Clash, and now English Beat break from retail to radio (and break big), you'd think one could begin to see the light after a while. Watch out for those screaming iguanas, Karin. Chop, chop, chop... HIYAAAH!"

Duran Duran	3	8	Ditto Talk Talk comments.
	% OF KEY ACCOUNTS	COVERAGE	
Ozzy Osbourne	100	H	Outsold Led Zeppelin on initial orders.
Led Zeppelin	100	H	This is one of the very few records released this year that had consumers waiting in the record stores for its arrival.
Waitresses	75	L	Some interest generated by TV exposure.
Night Ranger	--	-	Too early for numbers, but this is a good one to chase.
Rough Trade	--	-	Ditto Night Ranger comments.

"Hot at home: Phil Collins, Fabulous T-Birds, Tom Petty, J. Geils, Missing Persons."

DENVER-Gary Abrams  
 (303-371-2190)

	SALES	POTENTIAL	
Henry Paul	4	6	Light airplay, light sales.

Vandenberg	-	-	Wait and see.
Talk Talk	2	6	Interest has faded a bit.
Duran Duran	5	7	Sales picking up within the last two weeks. Still little airplay.
	% OF KEY ACCOUNTS	COVERAGE	
Ozzy Osbourne	100	L-M	Good reaction even at retail price. Hopefully will be a good Christmas item.
Led Zeppelin	100	L-M-H	Reaction was varied overall. Have not seen huge reorders at present. I believe it's too early to tell whether this will be a hot Christmas item, or even a hot item.
Waitresses	80	L	Great price. Initial orders not as expected.
Night Ranger	30	L	Way too early to tell. Now just starting to get a few inquiries.
Rough Trade	--	-	Will wait for airplay to begin.

## LIEBERMAN CALL CONTINUED

MINNEAPOLIS-Bruce Lowry  
(612-887-5300)

36

	<u>SALES</u>	<u>POTENTIAL</u>	
Henry Paul	3	7	Off to a respectable start. Some reorders from outlying areas.
Frida	5	9	Continues to sell well. New airplay should guarantee mega-platinum sales.
Vandenberg	3	6	Starting to see increased reorders.
Talk Talk	4	7	Steady top 40 sales since release.
Duran Duran	4	7	MTV has delivered top 40 sales.
	<u>% OF KEY ACCOUNTS</u>	<u>COVERAGE</u>	
Ozzy Osbourne	100	M-H	Ozzvious.
Led Zeppelin	100	M-H	Can we drop some of the oldies now?
Waitresses	60	M	Good metro response. "Christmas Wrappings" should be good this season.
Night Ranger	50	L	Perfect formula rock. Some metro reorders already.
Rough Trade	60	L	Their small cult should be pleased. This record is refreshing enough to sell big.

"Top 5 this week: Zeppelin, Ozzy, Benatar, Stray Cats, and Men At Work...Strong upward movement: Adam Ant, English Beat, Prince, Fagen, Dire Straits, Starship, Toni Basil, and Culture Club."

PORTLAND/SEATTLE-Joe Maita  
(503-283-1293)

	<u>SALES</u>	<u>POTENTIAL</u>	
Henry Paul	3	6	About as interesting as boiled rice.
Frida	5	9	Sales are indeed spreading.
Vandenberg	3	8	Gee, what a fabulous original sound. Kids who have never heard anything like it will eat it up.
Talk Talk	3	8	Light sales destined to increase as airplay intensifies.
Duran Duran	4	7	Steady sales since release, most likely due to cable TV play.
	<u>% OF KEY ACCOUNTS</u>	<u>COVERAGE</u>	
Ozzy Osbourne	100	M-H	Quite possibly the most disgusting album of the 80's.
Led Zeppelin	--	--	Due to the Bert & Ernie truckline WEA employs, we didn't receive stock on a, to say the least, timely basis. High interest.
Waitresses	80	M	Unquestionably mediocre.
Night Ranger	40	L	Interesting feedback from those who have heard it.
Rough Trade	40	L	Quite entertaining actually.

"Due to a new radio station in Portland, there has been a resurgence of rejection on the Tarney Spencer and Franke & The Knockouts records. We are, however, answering numerous inquiries regarding the long-awaited Gary 0 record, which is certain not to save our beleaguered industry."

CHICAGO-Tom O'Flynn  
(312-593-2120)

	<u>SALES</u>	<u>POTENTIAL</u>	
Henry Paul	4	6	Selling at a fair pace.
Frida	3	5	Some action starting to develop.
Vandenberg	3	5	Sales growing, steady action in secondaries.
Talk Talk	2	4	Very light sales.
Duran Duran	3	6	Nice potential here.
	<u>% OF KEY ACCOUNTS</u>	<u>COVERAGE</u>

Waitresses	70	L	Budget pricing will help classy package.
Night Ranger	60	L	Their retail coverage will increase with bangup promotion efforts by MS distributors and our one stop.
Rough Trade	50	L	WXRT airplay helping out in sales.

"WLS 'Animal Stories Volume II' ends up as #1 breakout Lp last week with a strong reorder pattern already developing...Adam Ant took a big sales leap."

KANSAS CITY-Vici Simmons  
(816-231-2470)

	<u>SALES</u>	<u>POTENTIAL</u>

Duran Duran	2	6	Light sales.
	<u>% OF KEY ACCOUNTS</u>	<u>COVERAGE</u>	
Ozzy Osbourne	100	M	Very strong reaction for a double live Lp. Good reorders already coming through.
Led Zeppelin	100	M	Toss-up on requests between Ozzy and Led Zeppelin. Also good follow-through orders.
Waitresses	50	L	Delightful Ep from the title to the price. Light sales to start.

Before the lead cut listings, you will notice three columns of numbers. We feel that it is highly relevant to include the number of weeks a station has been on a given album--so we're listing that information in a third column at the far left...We list debuts with a small "d". That indicates that the Lp is in the second week of play. So--this week, we took last week's debuts, and gave them a 3 in the "weeks on" column. Next week those 3's will change to 4's--and so on. It's pretty simple.

FOR YOUR INFORMATION:

When reading the individual station report, please remember that there are three ways in which album rotations are tracked.

1. **PLAYS PER DAY** - This refers to the actual number of exposures an album gets between 6 AM and Midnight on an average day of the reporting week.
2. **PLAYS PER WEEK** - Most of our weekly play reporters go back over their music logs for the previous week, and those totals are relayed to us and printed up.
3. **AIRPLAY EMPHASIS** - Be careful not to confuse this with **PLAYS PER DAY/WEEK**. EMPHASIS is a system of relative scaling, based on 5. If the highest rotation album gets 8 spins per day, it receives 5 points. If another album gets 4 spins, it merits 3 points, etc. This allows a much more detailed rundown than the conventional light/medium/heavy system.

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by converting all daily and weekly play reports to a 1-5 emphasis system and totalling the points on a given Lp. We use a simple percentage breakdown to indicate the amount of play on each track.
