Hard Choices

FOREIGNER, "I WANT TO KNOW WHAT LOVE IS", ATLANTIC... The legion of soundalikes their success has spawned could take a run at everything but Lou Gramm's virtuosic vocals. Now, one of rock's master emulators steps into the solo spotlight, draped in synth and satin. Less is indeed more on one of the most moving and powerful ballads of the year.

BILLY SQUIER, "EYE ON YOU", CAPITOL... When you've got to make your moves under the "Next Big Thing" microscope, every switch counts...So regardless of your video/follow-up single reservations, we're still talking a million plus units and sold-out shows...A reality check tells us "Eye On You" deserves a strong second look.

Chain Reaction

TRIUMPH, "THUNDER 7", MCA... Their name says it all—#1 Most Added with 51 out-of-the-box. New at #24 Metro/#28 National... "Spellbound" leads at #30, with "Rock Out" primed to roll on the chart shortly...from Ted Uzz, KTRQ, "Definitely their best. They've fine-tuned their arrangements and production to bring them to a new level...Bob Kraines, WBCN, "A band that is long overdue to be recognized has given us a mesmerizing record".... Kid Leo, WMS, "They have what we call the 'mystic metal' sound down pat. 'Spellbound' should enthrall their fans"...Paul Haine, WJHQ, "Already #1 requested, and huge in retail"...Curry Gary, WBBN, "Triumph has come back with a great debut record for MCA. This is the most natural recording they've come up with yet."

PHILIP BAILEY, "EASY LOVER", COLUMBIA... Obviously album radio doesn't plan to watch you come home Phil Bailey—we want to be there with bells on, bubba...#1 more give the Phils a full 80 station count in the last two weeks, debuting the LP at 31/#2 on the Back Page... "Easy Lover" makes it look that way, soaring 62-27, the biggest jump on the Index...Those crucial play increases are already the haps, too—9 in all, including WMS, WYSP, WHJY, WFBO, WCCO, and KATT, and though it's early, the Check/1st yields builder status of 24, loaded with the right stations...from the field, WZZR's Tom Stein reports, "I was expecting very positive female calls and possibly some negative male but no-o-o, the male calls were upper demo and extremely favorable"...from Bob Ellis, WKQQ, "It's gonna be on a ton of radio stations, so be smart and beat your CHR competition on this."

DAVID BOWIE, "TONIGHT", EMI... This song simply didn't get its due when the album was released, but 18 adds and the 95-68 Underline says green light. Kid Leo ain't lyin', "While I think that the album is a much weaker radio record than his previous one, hearing 'Tonight' on the air makes it seem a much, much better song than I first gave it credit for"...Increased play on WCCO, WJHR and WTPA, with WLUP, WBRB, WLIR, and WJNR up to max.

PAT BENATAR, "TROPICO", CHRYSALIS... The softer sound may have kept some stations on the fence, but every week the list lengthens. 1E more adds, including KOMA, KZAP, WBBN, KSRR, WHJY, WSKS and WKQQ. Play increases on WBBN, WLLZ, KLAQ, WJQX, WJNR, and KRCK tweaked the Back Page 4-2 National and Metro. "We Belong" is solid at #2 with 78 max play mentions (second only to Bryan Adams), and still building in the Most Requested, 8-6... "Diamond Field" is now second in command 68-50, with "Crazy World" 73-67.

BRYAN ADAMS, "RECKLESS", A&M... As the world goes deeper, Bry continues to show on the Most Added. This report has him at #7 with 15 adds, still comfortably #1 in across-the-board album play, with "Run To You" still #1, upped on 10/33 max... "It's Only Love" 37-29, up on 4, 11 max... "Summer Of '69" up on 2, 4 max... "Kids Wanna Rock" 70-69.

DON HENLEY, "BUILDING THE PERFECT BEAST",

GEFFEN... There's so much to say, we hardly know where to start building this writeup. How about the "Boys" 6-2 vault in the Most Requested? Maybe the fact that 28 play increases rolled in on top of last week's 31 ups. Then there's 62 max play mentions. How about gushing, ecstatic raves from Messick, Gary, Kane, Martin, Lopez, Stillens, Anthony, Clifton, Brooks, Tepper, Stewart, etc.? We could fill a page with "Sunset Grill" comments alone—that came in at #75. And don't the lyrics to "Drivin' With Your Eyes Closed" just kill you? It's new at #59. We've got to shout about the week's highest Back Page debuts #4 Metro/#5 National. And all the interest in "You Can't Make Love", "Man With A Mission" and "All She Wants To Do Is Dance"...Hmmm, better get out the TipSheet Handbook.

THE KINKS, "WORD OF MOUTH", ARISTA... Lots to yap about here, too. The album finishes #3 Most Added with 31, debuting at #9 Metro and #10 National... "Do It Again" nails down a toothy 18 play increases, moving 5-6, and you know how tight the top 10 traffic is... Now max play on 14, including KISW, KLGL, KRQR, WYSP, WAAP, KOAK, and WCMF... 43 more list "4" emphasis rotation... Bob Kraines offers "Cut for cut, it is without a doubt the best record The Kinks have done in a long time"... Karen A. Small, WJHR, "Another great album from one of the most consistently excellent bands around. This one deserves a 10 on the volume knobs of the home stereo and studio monitor"... Ron Sorenson, KBLE, "Their cross cultural acceptance is one of the most interesting facets of The Kinks' longevity. From the old farts to the nevo wavers, it seems everybody is excited about The Kinks album"... "Living On A Thin Line" is next up, new at #97.

RICK SPRINGFIELD, "BRUCE", MERCURY... Rick racks up top 5 phones at WZLX, WTPA, WJHR, WKDF, and WKLC this week. And KSHE, WJRO, KZOK, KISW, KZAP, and WFVY pace the 18 new believers. Note the majors include WNEU, WYSP, WJZZ, KICT, WYYY, WNET, WJOT, WCMF, KBPI, and WMS... factor in his 72-58 Prime Move, and remember that when it comes to novelty items, use it or lose it is the bottom line.

PLANET P. PROJECT, "PINK WORLD", MCA... Once again, the P stands for Primer, as the concept crunches out double Underlines 40-32 National, and 44-40 Metro... "What I See" saws thru for one of the healthier liners, too, 61-37... Increased air on WCCO, ATT, KLPX and WRXL. Steady on 32, down on 1. Ananda Tepper, WBRU, has this for the boldouts, "The moodiness of the entire 'Pink' double album may put off your hook-orientated AOR ears at first, but properly dayparted, this tune fits into a rock sound quite well. And once you tell your listeners about the anti-nuke scene the album is based on, you'll probably get the response we did. Strong and steady interest"... WNET's John Anberg adds, "It's one of those rare concept albums that actually works. Getting the message across with stunning production and performance."

GIUFFRIA, CAMEL/MCA... The Journeyesque sound may have been the door opener, but there's a lot more here. KILO's Alan White comments, "The Perry similarities aren't the only reason this record is building. Our listeners are responding to the Angel ties"...How about this from Curt Gary, "Biggest surprise this week was how deep Giuffria really is. All of Side 1 is a very pleasureable listen, and believe it or not, there are fans out there who remember Angel"...WRCN's John Grappone warns "Not a record to be ignored. It could be a monster"...New on 9 including KISW, KSRR and KISS...18 play jumps is tremendous for any new act. Only 1 decrease, 58 steadies..."Call To The Heart" collects top 5 phones at WLAV, KLPX and KNCN, pushing 26-17 on the Song Index.

LOS LOBOS, "WILL THE WOLF SURVIVE?", WARNER BROTHERS... Paws that refreshes? Fangs for your support? Cub reporters? If it takes wordplay to get wolfplay, no prob. We think your steeltrap ears should do the job if you give 'em a chance...Curt Gary believes big, "As long as there are people out there who enjoy good boogie blues, this wolf will never go hungry"...KILO's Alan White knows he's right, "We're having great success with this type of rock and roll a la Thorogood and Stevie Ray. Basic and bluesy"...New on 14, for 64 to date, up on KATT and KMOD, no play decreases. Debut at #49 Metro, up 48-47 Nationally (with 4 debuts ahead). "Don't Worry Baby" is Underlined 61-49.

BILLY IDOL, "CATCH MY FALL", CHRYSALIS... What fall? Spring is more like it--Billy boings out triple primers: "Catch My Fall" 45-38, boosting the Lp charts 43-38 National and 42-38 Metro...Upped at KXZL, KZEW, WHJY, WNOR, KRUV, and KMET...Steady on 32, down on 2.

FRANKIE GOES TO HOLLYWOOD, ZTT/ISLAND... It's working in Dallas, as Ted Utz tells us, "Local sales are definitely making a statement about this marketplace. When it comes to something new and a little different, the Big D has big ears"...From Mike Boyle, WMGM, "Thru the roof. It's been a while since I've seen all the demos reacting to a group like this. The phones and research are proving it"...And Brian Taylor tells us the truth in Duluth, "The second straight week that this one has completely sold out every copy in town. With this kind of story in a market in the upper midwest, I can only imagine the action in the bigger markets"...New on KDKB, KFOG and WGIR. Up on WYDD, KAZY, WNOR, WPLR, WBLM, WRDU and WRCN. Top 5 calls at WBCN, WLIR, WHCN, KZAP, KFOG, DC101, WCKO, WTPA and more...Up 24-22 on the Song Index, Going! Going! Goneski!

BIG COUNTRY, POLYGRAM... Pear tree? Shoe tree? No, Big Country!!! And at the rate that they're selling (over 200K), it'll be under more than a few Christmas trees...10 more majors clock in for 54 adds to date. "Where The Rose Is Sown" stretches out with a 71-60 Underline, picking up play increases on WNOR, WPLR, WPDH, and WLIR, where Larry the Duck reports, "The AOR mix has brought a breath of fresh air to the album. Big Country's patented sound has once again captured America's interest"...From WBCN's Bob Kranes, "They've certainly built their base, therefore, no hesitation with Steeltown. The band is as strong as ever here in Boston, and I certainly foresee an extended stay this time around"...Based on 21 considering and 16 building on the Checklist, we do too.

AUTOGRAPH, RCA... KLOL, WDHA, WCKO, and KFMQ sign in, rounding the count out to 80 now playing...KISS increased play, and WDVE, WSKS and WKQQ list top 5 calls...From Bryan Taylor, KQDS, "Since Autograph hit the airwaves, it's outperformed many of the superstar projects out this time of the year. It's been consistently top 5 phones since its debut"...From KILO's Alan White, "Real good recognition. People remember the name of the song and the band. Very positive"...#49 in the Nationals, #36 Metro, with "Turn Up The Radio" now #41.

SURVIVOR, "HIGH ON YOU", SCOTTI BROTHERS/EPA... It may not have the "hook-a-second" appeal that made "I Can't Hold Back" such a huge airplay item, but you've got to be impressed with the roll call. Current play includes KBPI, KSRR, WYNF, KATT, WCMF, KKCI, KQRS, WEBN, WHJY, WMET, WDIZ, WZXR, WFYV, KMOD, WSKS, and KLOL. with KSHE, WDIZ and WQMF increasing play. Underlined 93-65.

EUROGLIDERS, COLUMBIA... The Metro totals get top billing--35-31 Underlines, and in spite of The Kinks/Henley debuts, the Lp held at #27 in the Nationals...Strong increased play follow thru, too, with 8 in all, including WRIF, WYSP, WGRQ, WMET, KXZL and WCCC...KESI and WQBK upped, 57 held, 1 down.

REO SPEEDWAGON, "CAN'T FIGHT THE FEELING", EPIC... What's the easiest, smartest backtrack add of the week? Got to be "Can't Fight This Feeling"...WZXR's Tom Stein tells us "#1 phones for the third week in a row"...From WKLC's Jo Robinson, "It continues to dominate the phones. #1 three weeks in a row. It's a smash"...And Pepe Lopez, KLAQ is also feeling it, "Tremendous response. We can hear 'Hi Infidelity' in this record, too, and the ladies love it"...A 63-54 Song Index Prime Mover, with increased play on WEBN, WSKS, WIOT, WNOR, KRUV, and KMOD... Meanwhile, the single looks great at 8.

RED ROCKERS, "BLOOD FROM A STONE", COLUMBIA... Between their excellent treatment of the Barry McGuire classic and this fired-up Hooters rendition, the Rockers have the chops to do it all. "Blood From A Stone" rolls up a 100-91 Underline, with 12 adds in the last two weeks. From WPDH's always charmin' Pam Brooks, "This should be the song that keeps them alive. No need to squeeze this one. The Rockers give you every drop they can"...WRCN's John Grappone comes to the band's aid with "'Blood' should bring them the recognition they deserve"...With 24 considering on the Checklist, he's bloody well right!

DEEP PURPLE, POLYGRAM... Aside from several new entries, the album charts this holiday week didn't shake much, so this week's purple picture focuses on 8 play increases including KSRR, WDVE, WFBQ, WDIZ, and WKLS. "Perfect Strangers" hammers 23-19, with gangs of top 5 phone reports moving it 2-1 Most Requested, and "Knocking At Your Door" looking good for a debut in our next Sheet...Now max play on KISW, WDVE, WQFM, WAAF, WCCC, WDIZ, WIOT, KLPX, WLAV, KZOK, and WRCN.

DENNIS DE YOUNG, "DON'T WAIT FOR HEROES", A&M... We got caught flat-footed on "Desert Moon", here's a little quick ink on "Heroes". It debuts at #94, with new air on 9, including WKDF, WPYX, WKLS and KEZO. Last week KGB, KLAQ, WFYV, and WIQB led the charge.

MOLLY HATCHET, "STONE IN YOUR HEART", EPIC... As evidenced by the out-of-the-box radio reaction, "Satisfied Man" was ear-pleasing, textbook Hatchet, southern rock. Now 8 weeks into the project, it looks as if, despite the radio raves and solid sound, it's not the phone/retail monster we were hoping for. Now take a hint from the #100 debut, and roll your airplay investment over to our pick from day 1, "Stone In Your Heart". It's the real rocker. Just ask KMET, WMET, WDIZ, WZXR, WCMF, WSKS, KZOK, or WFYV.

IRON MAIDEN, CAPITOL... As Buddy Bear pointed out in his ad last week, the sales picture and European success portfolio present a super credible argument for serious re-evaluation. "Aces High" stakes its claim with a #98 Song debut, thanks to recent adds at WIOT, KZEW, KLAQ, KLPX, KKCI, WPYX, and more.

BRUCE COCKBURN, "ROCKET LAUNCHER", GOLD MOUNTAIN/A&M... Class acts always seem to take it in the shorts from the metalmeisters, video whizzes, and other assorted flashpots, but here's one upper demo item we're happy to stick with. Note the 84-80 advance on the song chart, with top 5 calls at KBCO, WQBK, WBRU, and WTCS...WMMS and WCMF increased play. If you listen and like, trust your ear instincts and have at it.

QUEENSRYCHE, EMI... "Take Hold" does look like it's taking off...New on WLLZ, WPLR, and WPDH, with KISS, KMET, KISW, WYNF, KZOK, KGB, KTXQ, WGRQ, WQFM, WLQV, and WCMF among the notables already on board...Up 82-78 on the Top 100. From Tom Scheppke, KISS, "Glad to see stations finally getting on the bandwagon. 'Take Hold of The Flame' has been one of our most requested songs for the past few months, so it's about time.

JOHN HUNTER, "TRAGEDY", PRIVATE I/EPIC... Here's a record primed to pop through--the move to 83 builds on last week's #96 debut...New spins on WYYY, WCMF, WIMZ, WLAV, and WHTG, with a full complement of majors on the Checklist's 31 considering...WYSP and WYDD increased play. Watch it.

THE BEAST HAS BEEN RELEASED!

AND RADIO REACTS WITH A RAVE REGATTA:

Curt Gary, WEBN: "Henley has come close to building the perfect record. On the third and fourth listen, you start to realize how much music is there."

Dave Kane, WCMF: "Since its release, the new Don Henley has been the only record on my home turntable and the only tape in my car. 'Sunset Grill' is probably the most stunning song I've heard this year. The entire album has me totally captivated. . . . What a great piece of work."

Craig Martin, KRCK: "Of all the former Eagles he seems to have captured the spirit of his old group best on 'Building The Perfect Beast'. The perfect combination of serious love songs, crunchy rockers and a little bit of plain weirdness. Henley always wrote the tougher lyrics, and that style continues to shine thru on the finest solo album from an ex-Eagle today."

Bob Bittens, WHCN: "Until Henley started making solo albums, I didn't realize he was the major talent behind the Eagles. In a sea of mediocre post-Eagles solo efforts, his are the only ones that stand out. No need to think twice about going deeper into 'Beast', it's an album with amazing depth."

Ken Anthony, KSJO: "As a certified Eagles freak, (check my wallet), I've always felt that Henley was the best songwriter in that band. This new album showcasing that songwriting talent with soon-to-be Henley classics as 'You Can't Make Love' and the incredible 'Sunset Grill'."

Rad Messick, WDIZ: "The classiest record of the year . . . it has all quality artistic elements that make a record great. 'Sunset Grill' is my favorite by miles. The guitar synthesizer sounds better than real horns, and that line that goes 'what would we do without all those jerks anyway, besides all my friends are here', sounds to me like 'you can check out, but you can never leave'."

John Cooper, WQBK: "It's a very mature effort with quality writing, playing and production. 'The Boys Of Summer' continues to be a hot request time item."

Doug Clifton, KBCO: "Don Henley has put together an album that could have been the next Eagles Lp had they stayed together. The single has been a favorite since its release and now 'Sunset Grill' becomes my new favorite off the album. . . . This album recreates the mood captured on 'Hotel California'."

Pam Brooks, WPDH: "Henley's got what would have been the perfect 'next Eagles Lp'. We're wild for 'Building The Perfect Beast', 'Boys Of Summer' and 'Sunset Grill'."

Brian Taylor, KQDS: "I certainly second the accolades on the Don Henley album. It rates as one of the best 'Don't-bother-me-I'm-in-a-trance' albums that I've heard in a long time."

Jo Robinson, WKLC: "Henley's 'Sunset Grill' is so incredible . . . a perfect record."

Glenn Stewart, WWTR: "Henley delivers a primer on how to build a perfect album with 'Boys Of Summer' as the foundation and 'All She Wants To Do Is Dance', 'You Can't Make Love' and 'Sunset Grill', Voila!"

INNOVATIVE PROMOTION DEPARTMENT: This Announcement from Island's BOB CATANIA: "What's Trevor Horn got that you don't? Probably lots of money, but now Island is giving you a chance to be right up there with Trevor. We need an edit of 'Welcome to the Pleasure Dome', the title track of the Frankie Goes to Hollywood album. Trevor's a bit busy right now, so we are appealing to all you production wizards for help. (I mean, you're always in production when I call.) Anyway, the edit should be 5-7 minutes in length and not compromise the integrity of the song. The best edit will be used in the making of an album rock 12", and we'll put your name on a snazzy sticker, just like Arthur Baker or Jelly Bean. Also, we'll throw in a CD player for your trouble. Time is of the essence, so send your edits to Bob Catania, Island Records, 14 E. 4th St., New York, NY 10012, by December 7th. Who knows, the notoriety from this could start a whole new mega bucks career for you. Don't delay."

Radio Action

KSJO, SAN JOSE, CA M.D.-KEN ANTHONY: "The Thanksgiving new music list is heaped with great stuff(ing)!---And no turkeys! At the top of my list is the new Don Henley album 'Building The Perfect Beast'. As a certified Eagles' freak (check my wallet), I've always felt that Henley was the best songwriter in that band. This new album showcasing that songwriting talent with such soon-to-be Henley classics as 'You Can't Make Love' and the incredible 'Sunset Grill'...The Kinks are back, as well as the new album 'Word Of Mouth' with some great new Ray Davies tunes. We like 'Good Day' and 'Livin' On A Thin Line'. Can't wait for The Kinks tour, too... The Philip Bailey/Phil Collins single 'Easy Lover' is an easy choice for R&R hitsville. Whatever Phil touches turns to g-o-l-d!"

KTXQ, DALLAS, TX P.D.-TED UTZ: "I'm goin' nuts! There's an epidemic of Springsteen fever in Dallas/Fort Worth. He's finally here. It was two months ago that both shows sold-out in just a few hours! People have had time to get psyched! Our ticket promotions have been on fire! I'm glad we had time to see things fully develop. Thanks to Michael Scurlock of CBS for all your support...The holiday album glut is finally subsiding, now we'll have some time to catch up...The first piece of business is 'Thunder Seven' from Triumph--definitely their best. They've fine tuned their arrangements and production to bring them to a new level. 'Spellbound' and 'Time Goes By' are only the beginning. Mike Levine says they'll tour with the largest indoor production ever...Local sales on Frankie Goes To Hollywood and the Honeydrippers are definitely making a statement about this marketplace. When it comes to something new and a little different, the Big D has big ears...A&M has a monster record on their hands with Police's 'Live Synchronicity'. Q-102 has been the World Premiere station for the last few weeks and the audience loves it. I hope the April release date moves up...This week we'll also add Planet P, 'What I See'."

WEBN, CINCINNATI, OH M.D.-CURT GARY: "In answer to the musical question 'Will The Wolf Survive' by Los Lobos? Definitely yes! As long as there are people out there who enjoy good boogie blues, this wolf will never go hungry!...Obviously, spending two years off, Triumph has come back with a great debut record on MCA. As I told the band in Chicago, it is the most natural recording they've come up with yet...WEBN gets 'In The Pink' with Planet P...Don Henley has come close to building the perfect record. It's one of those Lp's that on the third and fourth listen, you start to realize how much music is there...Biggest surprise this week was how deep Giuffria really is. All of side 1 is a very pleasurable listen, and believe it or not, there are fans out there who remember Angel...Gearing up for The Kinks on Dec. 3rd! That one ought to be fun!...John Parr's got his 'Naughty' licks on WEBN... To start the holiday season off, we threw a two-day rock-can-roll benefit, which after night one has already produced thousands of canned goods for the needy--and a rockin' good time!"

WHCN, HARTFORD, CT ASST. P.D.-BOB BITTENS: "I was wondering why they were bothering to put out the new Foreigner record this late in the Christmas release season--that is, until I heard it! The song is a s-m-a-s-h, which would no doubt do well no matter when it came out. If the album is as good as the 12", it will be one of the biggies of early '85...Until Don Henley started making solo albums, I didn't realize he was the major talent behind the Eagles. In a sea of mediocre post-Eagles solo efforts, his are the only ones that stand out. No need to think twice about going deeper into 'Beast'. It's an album with amazing depth. 'Sunset Grill' is our first choice for second track. One of my personal faves is 'You're Not Drinking Enough', the best little country song Merle Haggard never wrote.....Speaking of albums with depth, I'm still trying to figure out which of the songs on the new Kinks album I should play. It's all there. The trademark guitar sound, Ray Davies' audible sneer, and the biting lyrics. After 20 years, The Kinks are still one of the world's great rock and roll bands!"

KRCK, PORTLAND, OR M.D.-CRAIG MARTIN: "Ray Davies takes a knockin' and keeps on rockin' and The Kinks are sounding better than ever! After the CHR success of 'Come Dancing', I thought we might have gotten a very pop-oriented follow-up. But I should've known better. The Kinks never do what you'd expect, except make great R&R albums. Aside from some scattered hits, The Kinks really are one of our own--an album rock radio band and 'Word Of Mouth' is another great one from Ray and the boys, in the vein of classic Kinks albums, and they were great on Saturday Night Live as well...Of all the former Eagles, Don Henley seems to have captured the spirit of his old group best on 'Building The Perfect Beast'. The perfect combination of serious love songs, crunchy rockers, and a little bit of plain weirdness. Henley always wrote the tougher lyrics and that style continues to shine through on this, the finest solo album from an ex-Eagle to date!"

WNEW, NEW YORK, NY M.D.-MAXANNE SARTORI: "Regards to everybody who is on a fast for the following holidays! Those little rice cakes they sell in the health food stores will help!...Congratulations to Don Henley on a beautiful album...Does anybody like the song by Julie Brown 'Cause I'm Blond' ...This time I'll only say it twice--Los Lobos, Los Lobos...Really, you should try listening to XTC's 'All You Pretty Girls'...Did you know that MCA Records has in their catalogue the Three Stooges 'The Nonsense Songbook', music to have fun by?... Top Requests: Kiss 'Heaven's On Fire', Van Halen 'Hot For Teacher', AC/DC 'Jailbreak', Deep Purple 'Perfect Strangers', Honeydrippers."

WMMS, CLEVELAND, OH M.D.-KID LEO: "While I think that Bowie's album is a much weaker radio album than his previous one, hearing 'Tonight' on-the-air makes it seem a much better song than I first gave it credit for! The band does have maybe the biggest mystique in rock and roll and one of the most widespread audiences in terms of age and sex...I'm definitely in love with 'Loverboy'. Billy Ocean is too new to have any kind of preconceived image. This song coulda-woulda-shoulda been done by many, and with Mutt Lange helping to pen the tune, it's definitely right up every single station reporting to this Sheet's alley!...The change in label for Triumph has not changed their sound at all--not that I expected it to--and they shouldn't have. They have the what we call the 'mystic metal' sound down pat. 'Spellbound' should hold their fans, enthrall their fans!"

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-RON DIAZ: "MCA signed a great band and Triumph delivered. WYNF staged a 'Thunder Seven' listening party at a local watering hole the day the Lp was released and it went over like gangbusters - huge crowd, huge reaction - all favorable. Special thanks to Mike Levine for the visit and for signing all those autographs and Lps. I be likin' 'Spellbound', 'Rock Out Roll On', 'Follow Your Heart' and 'Cool Down' which has a Blind Faith 'Can't Find My Way Home' feel to it the way it shifts into high gear and cranks. Good job, Mike Levine and Triumph and March from MCA...The whole Henley Lp is strong. Although there isn't as obvious a track as 'Boys Of Summer', 'Sunset Grill' and 'All She Wants To Do Is (The Dirty Laundry) Dance' are next...Instant phones for Philip Bailey and Phil Collins and so far we logged only one negative. This is a #1 record. Play it now. You're already late...Personal to Bryan Adams: Good hearing from you, continued success."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPEKE: "Glad to see stations finally getting on the Queensryche bandwagon. 'Take Hold Of The Flame' has been one of our most requested songs for the past few months. It's about time. Our next cut from 'The Warning' is 'Road To Madness'. This song has great production by 'Wall' producer, Guthrie. Check it out on your metal show...Eric Martin - his first Lp came out of nowhere. The song, 'Can't Stop The Fire' on the 'Teachers' Soundtrack with friend Neal Schon is just too smokin' to not play. I hear that the guy has been signed to a contract again, looking forward for more to come...Dokken - these guys just can't quit. I hear at least four or five hits on this Lp. 'Just Got Lucky' is hot. Check them out in concert. (Don, you're beautiful)...I hear thru the grapevine (their manager) that Triumph will be on the road the day after Christmas. Looking forward to seeing the boys back on the road...Finally, Motorhead hits town this week. Watch for the video - see them in concert and like the ad says, you better play this record or Lenny will move next door to your mom...Upcoming concerts: Nov. 27th - Motorhead, Exciter, and Merciful Fate; Dec. 11th - Aerosmith, Black 'N' Blue and Stone Fury."

WYDD, PITTSBURGH, PA M.D.-DAVE SHEDLOCK: "The Cars pulled in at #1 on our request list this week. We believe our edit of the 12" mix of 'Hello Again' brought the Lp back to life...Madonna caught fire this week as she broke into our top 5, both in sales and phones...Look out for Frankie - the man's for real and drawing phones from all demos...'Wire', the new 12" from U2 is great. It's classic U2 and the streets are already buzzing here with the anticipation of a concert stop next year...If you're looking for something different, check out the new 12" from Shalamar. The record's loaded with hooks."

KGB-FM, SAN DIEGO, CA ASST. P.D./M.D.-TED EDWARDS: "BURP!"

WGRQ, BUFFALO, NY ASST. P.D.-PAUL HEINE: "Buffalo is Triumph's home-away-from-home and 'Thunder Seven' and Triumph found a home on WGRQ. We're starting with the title, 'Follow Your Heart' and the Police-sounding 'Stranger In A Strange Land'. Already #1 requests and huge in retail. C'mon AOR, let's take this and Deep Purple and shove it up CHR's collective ass...Speaking of Deep Purple, the granddaddy of heavy metal is #3 retail and #2 requests. Welcome back...Pat Benatar building in sales, #7 this week. .Hey, Warner Bros., where's the 3-D cover the the Madonna album?...FGTH is building (building what, we're not sure)...Hop on the new Prince single 'I Would Die 4 U', before your competitor with the jingles and the pukey jocks does...Another one to get on early is 'Too Late For Goodbyes' from Julian Lennon. This will be bigger than 'Valotte'. Chrysalis and Kevin Sutter - a class act gets classier...Top 5 Retail: Prince, Honeydrippers, Deep Purple, Bruce Springsteen, and Duran squared...Top 5 Requests: U2 'Pride', Sammy Hagar '55', Prince, Triumph 'Open', Deep Purple 'Perfect'."

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "KBCO/KADE would like to extend our thanks to everyone in the record community for their support over the years. We're glad so many of you could make it to our open house and help kick off a new phase of development. Thanks to Art Phillips for making the trip to Colorado and joining in the celebration. Very special thanks to Curtis Hawkins, Jeff Gold and Mark Williams...Finally got to meet Sandy Thompson this past week. I know we'll be seeing you again soon for Frankie Goes To Hollywood...Don Henley has put together an album that could have been the next Eagles Lp had they stayed together. The single has been a favorite since its release and now 'Sunset Grill' becomes my new favorite from the album. This album recreates the mood captured on 'Hotel California'...Phones have been picking up for Los Lobos and Frankie Goes To Hollywood...Crazy 8's and Matthew Wilder are doing quite well as is Bruce Cockburn...Congratualtions to Mad Max on his new position as P.D. at 91X."

KTXQ, DALLAS, TX M.D.-BOB ELLIOT: "First off, thanks to all for the baby congrats. Now, how do I get the aroma of dirty Pampers out of my clothes?...Deep Purple continues to blow out windows at retail. 'Perfect Strangers' is one of our top 5 phones, along with the new Triumph 'Time Goes By'...For the metal mongers this week, Metallica. There's already a street buzz on this band...Helmets off to Jeff Cook and Rob Sides for support of the Q102 combat zone kits. Not only did our winners enjoy the Dio/Dokken show, they survived the muther. No easy feat considering an expected crowd of 7500 turned into a 12,000 strong metal hungry monster...And just in time to work off the fat from T-Day--The Boss."

WCCC, HARTFORD, CT P.D.-DAVID GROSSMAN: "Deep Purple is the most requested 18+ record for the second week! Excellent upper demo all day record--even doing well 25+ at #2 most requested...A pleasure to be promoting The Kinks Hartford show. The album will certainly yield lots of tracks. 'Sold Me Out' and 'Massive Reductions' join the single for starters here...Toto's 'Stranger' album sales are up 2-1 over last week...Steve Miller's 'Italian X-rays' is by far one of the best cuts on the album, with good upper demo phones...Krokus 'Our Love' is another one of those songs I classify in my 'three piece suit' metal bag. Palatable for all demographics...On Bowie's 'Tonight', requests have been there since the album was released. With the CHR support, this will be a major multi-format track...Red Rockers 'Blood From A Stone' is mass appeal music from one of the better new groups to have emerged in '84...Henley's 'Sunset Grill' lyrics are a statement of the reality of the times we live in...And the Foreigner single features excellent production, excellent vocals and powerful lyrics that certainly hit home to most upper demo listeners."

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "Consider it Built, and a Monstrously strong structure here on PDH. Don Henley's got what would have been the perfect-'next-Eagles' Lp. We're wild for 'Building The Perfect Beast', 'Boys Of Summer', and 'Sunset Grill', all in heavy, and I just can't pry this one off my turntable. Wow!, Don! I guarantee there isn't a track you won't like...Any Genesis and/or Phil Collins has always been a strong factor for us in Poughkeepsie, as well as any project Phil has touched. The man with the golden hand has done it again and Philip Bailey is the benefactor. Not that he needs Mr. Collins to help his career, but it can't hurt to have such a super duo together! It sounds golden on-the-air and 'Easy Lover' is for us. A little touch of class for those upper demos...I was anxiously awaiting the new Kinks Lp and it was worth it! Ray's back with a vengeance (stopped your sobbing, eh Ray?) and 'Word Of Mouth' is on everybody's lips. We especially like the strains of 'Living On A Thin Line', so we're going with that as our second track, for two different sides of the boys...Red Rockers 'Eve Of Destruction' made a lot of folks take notice of an album when there was a whole lot of product out there, but 'Blood From A Stone' should be the song that keeps them alive. No need to squeeze this one, the Rockers give you every drop they can, and it this doesn't make it, nothing can...The 'Rocket Launcher' Bruce Cockburn is looking for you. Play it or take emergency cover. Bruce cuts thru all the shit and shoots from the hip and the phones light up... In parting, I hope everybody ate their faces out for Thanksgiving!"

WDIZ, ORLANDO, FL P.D.-RAD MESSICK: "Let's talk about the classiest record of the year from Don Henley, 'Building The Perfect Beast'. It has all the artistic elements that make a record great. Down at the 'Sunset Grill' is my favorite by miles--that guitar synthesizer sounds better than real horns and that line that goes 'what would we do without all those jerks anyway, besides all my friends are here, sounds to me like you can check out but you can never leave'. If the Eagles were still around in 1985, this is what they would sound like...The other current class act, Bryan Adams, maintains Top 5 sales and phones...Surprise reception by the audience to Phil Bailey/Phil Collins as they might be called. 'Easy Lover' will be a CHR s-m-a-s-h, glad to get there first...Triumph has come a long way since 'Play The Game'--'Spellbound' has great metal power but it's still singable...Moves to heavy this week for Giuffria and Deep Purple...In the 'special thanks column', Ed Leffler treats me better than my Mom. Thanks, Ed, for all the hospitality on Sammy's last gig for 1984! Save the 'Star Spangled Banner' till next year!"

WBRU, PROVIDENCE, RI M.D.-AMANDA TEPPER: "WBRU is now the official radio station for the 'Nuclear Family'. First '99 Luftballons', then 'Rocket Launcher' (currently our top request), then 'Two Tribes', and now 'What I See' by Planet P. The moodiness of the entire 'pink' double album may put off your hook-oriented AOR ears at first, but properly dayparted, this tune fits into a rock sound quite well. And once you tell your listeners about the anti-Nuke scene the album is based on, you'll probably get the response we did--Strong and steady interest. People are requesting the 'Tony Carey anti-Nuke song'--and we're playing it!...Anything with Don Henley's voice on it reminds me of my roots in Southern California, and makes me partial to l-o-v-e it, but even so, Don's new album is great. Jim and I came up with six different songs we could play. I can't think of many other albums that are that solid! Since we don't have room for six right now, we're starting with 'All She Wants To Do Is Dance'. Those horns got me hooked. 'You Can't Make Love' will be next...Benatar jumps to #3 sales in Providence, and we're going deeper on her album too, with 'Diamond Field'. The feeling around here is that Pat is getting better with age...Our BRU night with Los Lobos promises to be a hulluva time--not only will it be George Skautbitis' New Year christening concert, but the Del-Lords are opening! The Del's great debut album calls for an add. 'Get Tough' is just that! We're expecting at least as strong a response to it as we got for Los Lobos...The Schemers are opening for Culture Club in Worcester--Will somebody sign those guys?...Speaking of bands that deserve a contract, the new Jon Butcher Axis song is great--We'll be playing it soon!"

DON'T WORRY ABOUT THE WOLF . . . HE'S THRIVING!

TAKE IT FROM THESE GUB REPORTERS:

Curt Gary, WEBN: "In answer to the musical question, 'Will The Wolf Survive'? Definitely YES, as long as there are people out there who enjoy good boogie blues, this wolf will never go hungry."

Rob Ellis, WKQQ: "Another great song is Los Lobos' 'Don't Worry Baby'. Good upper demo cut that sounds like a cross between the Stray Cats and Stevie Ray Vaughan."

Alan White, KILO: "We're having good success with Los Lobos, a la Thorogood, and Stevie Ray. Basic and bluesy."

Bob Kranes, WBCN: "If you are ranting and raving about Los Lobos, and added it out of the box . . . BRAVO! 'How Will The Wolf Survive' is the most accessible record they've done to date."

Steve Strick, WFNX: "This great Lp deserves much more airplay than it is getting."

Scott Douglass, KATT: "The guitar riff and vocal are reminiscent of 'Scuttle Butt' from Stevie Ray Vaughan. Great stuff."

WRCN, LONG ISLAND, NY M.D.-JOHN GRAPPONE: "There was a double threat this week at WRCN with members of W.A.S.P. and Stone Fury stopping by. Thanks to everyone involved in making it a happening...As for new music, the new Foreigner record is in and even though it's a bit reminiscent of 'Waiting For A Girl Like You' I predict it will be a smash. Good female upper demo song...We finally gave in to 'Blood From A Stone' from the Red Rockers. This should bring them the recognition they deserve...Triumph sounds great. My faves are 'Rock Out Roll On' and 'Cool Down'...Giuffria is not a record to be ignored. It could be a monster. And finally, it pleases me to see the Eurogliders glide to the top."

WQBK, ALBANY, NY P.D.-JOHN COOPER: "I'm very happy to announce that Peggy Apple is now handling the music director duties at WQBK-FM. Peggy has been with the station for almost a decade and has witnessed all the changes in radio and music over the last 15-20 years. You can reach her for music information between 3-5PM Monday to Wednesday at 518-462-5555...The Kinks album is super. We're headed in deep on this one with three cuts on already: 'Good Day', 'Word Of Mouth' and 'Do It Again'...If Bill Hard is right, and I think he is, Don Henley's album will sell a lot of white wine. It's a very mature effort with quality writing, playing and production. 'The Boys Of Summer' continues to be a hot request item."

WFYV, JACKSONVILLE, FL M.D.-LEX STALEY: "Ray Davies should get dumped on by somebody like Chrissie Hynde every time he writes an album. The result is good, gritty Kinks like we're used to. 'Do It Again' will be in the rock and roll Hall Of Fame right next to 'You Really Got Me All Day And All Through The Night'...We're getting great calls on Planet P's 'What I See'. Even though it's on the Pepto Bismol vinyl, at least the sound of it isn't making them sick...And Hall And Oates' 'Going Through The Motions' has become a real phone monster. A top 5 request item here in a week's time...Merry Christmas."

WZXR, MEMPHIS, TN M.D.-TOM STEIN: "The Philip And Phil Show is a big hit. I was expecting very positive female calls and possibly some negative male calls, but - n-o-o-o - the male calls were upper demo and extremely favorable...Survivor's 'High On You' continues to get top 5 phones while REO's 'Can't Fight This Feeling' remains #1 phones for the third week in a row...It was great to meet all of the Arista people in NYC. Thanks for a great weekend...Looking forward to seeing REO, Survivor, and Zebra Thursday night...Th-th-that's all, folks."

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "What a weekend! Friday afternoon it was off to Toronto for Kim Mitchell, on his home turf, and what a show it was! A rocking 90-minute-plus performance that showcased much of the new material on 'Akimbo Alogo'. An inspired 'Go For Soda' closed the show and it was really something to hear all 2400 fans screaming that chorus. By the way, after less than a month on CMF, 'Soda' is our most requested song. Thanks to Tom Berry and the folks at Alert Records and the Kim Mitchell Band for a memorable stay up North...Eternal gratitude to travel agent B and hockey meisters Bruce and Doug and 'Could Be Wild'. Incidentally, last week one hockey night in Buffalo was nothing out of the ordinary, except I never saw wings disappear so fast until I saw the G-Man and Howie Castle inhale them in record time!...Since its release, the new Don Henley has been the only record on my home turntable and the only tape in my car. 'Sunset Grill' is probably the most stunning song I've heard this year. The entire album has me totally captivated. What a great piece of work! 'Drivin With Your Eyes Closed' will go in as our second!...Nothing like a little aggravation in life to inspire a record with some piss and vinegar! Such is 'Word Of Mouth' from The Kinks. We are also going with 'Good Day' to provide maximum exposure, and they are headlining our Xmas concert...We thought we'd take a risk and roll the next Survivor before Top 40 gets it...And the rookie slot this week goes to John Hunter's 'Tragedy' which will be a real up and comer... Finally, Birthday Wishes and a big hug to Geffen's golden boy, Marko Babineau."

KESI, SAN ANTONIO, TX P.D./M.D.-BOB LINDEN: "If I were marooned somewhere for my vegetarian Thanksgiving, I sure would like to have that Don Henley song with me...I'm sticking with 'Tenderness' by General Public as one of the hottest songs of the year. And why is the general public ahead of the music industry on this one?"

KLPX, TUCSON, AZ M.D.-BRYAN MILLER: "Life is a reality sandwich...A very happy Thanksgiving to one and all."

WIOT, TOLEDO, OH M.D.-THE ROZ: "There's so much good product out now that even the jocks aren't getting sick of the music on their shows...No problem making Triumph an official add. We've been playing 'Spellbound' since the day it came in and after just one week, the phones are jingling...Philip Bailey was an unexpected surprise. 'Easy Lover' should start appearing on Christmas lists soon and we're finally going with 'What I See' from Planet P, although the Lp, as a whole, could put the Sominex people out of business... MCA's 'Three Stooges' Lp is a howl. The 'Alphabet Song' is my new theme - bi ee bye bicky bye bee bow bow...Frankie Goes To Hollywood debuts at #14 sales, Bryan Adams at #8, Deep Purple at #3, Duran Duran at #4 and Whitesnake slithers back up to #5 in anticipation of their show Friday."

WTPA, HARRISBURG, PA P.D.-BRUCE BOND: "As of Monday, November 26th, WTPA is part of the Key Market Corporation. They own approximately six or seven other radio stations. Concerning all the rumors of a format change, I seriously don't know anything 100%, but being the #1 station in ratings and billing, I can't see a change at this point. I guess only God knows. Just remember everything always works out...Congrats to Bobbi Silver and Pat Milanese on their new gigs...And never sleep with anyone crazier than yourself."

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "Frankie say, 'Happy Thanksgiving.' Duck say, 'Ritz show left me in awe.' Frankie has the show of the year! I'm convinced Frankie Goes To Hollywood is my favorite album of the year...Running a close second - the new General Public album. It's happening - phones and sales. Great to be associated with this album since 'Tenderness' as an import...Looking over the front page of the sheet, I realize how time whips by. We've been playing the Billy Idol album over one year now, and 'Catch My Fall' still proves the depth of Billy's album...Also, if you are looking for another track and you haven't found one already on the Kinks album, 'Massive Reductions' was originally the B Side of 'Better Things', and it was Screamer Of The Week here back in July of 1981...Finally, Big Country, 'Where The Rose Is Sown', the AOR mix, has brought a breath of fresh air to the album. Big Country has a patented sound that has once again captured America's interest...Past 5:30 Phone Calls: Fred of the B-52's, Robert Smith of The Cure, Producer John Luongo, and EBN of Ebn Ozn...Screamer Of The Week, and Duck Pick To Click: The Flying Lizards' 'Dizzy Miss Lizzie' import."

WTCS, FAIRMONT, WV M.D.-SCOTT REPPERT: "ADDS: Philip Bailey, Stone Fury, Lindsey Buckingham, Dennis DeYoung...CONSIDERING: Metallica...MOST REQUESTED: Timothy B. Schmit, Frankie Goes To Hollywood, Pat Benatar, Duran Duran, Don Henley...INCREASED PLAY: Alphaville, Big Country, Deep Purple, Bryan Adams, The Dads...As the holiday season approaches, I am waiting for either the U.S. or Russia to blow up the world and all of its people so I can come back and tell a future generation that I wrote 'The Boys Of Summer'."

WCPZ, SANDUSKY, OH M.D.-KEVIN YOUNG: "ADDS: "Giuffria, Philip Bailey...CONSIDERING: Julian Lennon, Honeydrippers, U2, Don Henley, Timothy B. Schmit...INCREASED PLAY: The Kinks, REO Speedwagon, Don Henley, Tom Robinson, U2...Last weekend was an Eagles weekend here at WCPZ. It was no less than a huge success with our listeners. Our phones were busy all weekend long with upper demo requests. Extra special thanks go out to Jay Brooks from Elektra for his special attention and support. And also to Larry Bole of Warner Bros. and Mike Rose from MCA for their support above and beyond...With the coming of Thanksgiving also comes the growling of stomachs and an appetite for something to party by, and that's why we've increased play on REO, Don Henley, U2, The Kinks and Tom Robinson. And speaking of REO, 'Can't Fight The Feeling' is a hard one to resist. We've got lots of phones on it...On the lighter side, Rickie Lee Jones picks up where 'The Real End' left off and Chicago goes into HOT this week with the second most difficult cut to resist, next to 'We Could Stop The Hurtin'."

The Bangles also must be credited for a fine opening set with Cyndi and we thank them for visiting our backstage studio. Their performance here is sparking new life into an album that has already been performing quite well in this region...Getting back to the subject of Kim Mitchell for just a moment - several of my colleagues in the States have mentioned that the lack of an American release on this Lp is a huge injustice and several stations have gone so far as to play Canadian copies with great response. It's a smash...Henley's 'Sunset Grill' is so incredible, a perfect record...We're getting excellent response to 'Somebody' from the Bryan Adams Lp. I think it will turn up as a very successful single...We'd like to echo the sentiments of Kid Leo on programming Madonna and to add that we're still waiting on complaints from our listeners. They aren't there!...A belated, but large thank you to Linda Abrams of Arista, Dave Loncao and Marko Babineau and Nancy Orlandella from Geffen/Warner Bros. for helping us pull off very successful promotions for a Hagar/Krokus show. We loved it and so did the listeners."

WWCT, PEORIA, IL M.D.-JOHN AMBERG: "ADDS: Triumph, Planet P, Rick Dees, Rick Springfield...CONSIDERING: Big Country...MOST REQUESTED: Julie Brown, REO Speedwagon, Deep Purple, Van Halen, Philip Bailey...INCREASED PLAY: Giuffria, Julian Lennon, Billy Idol, Roger Hodgson...INCREASED SALES: REO Speedwagon, Honeydrippers, U2, Madonna, Duran Duran...Tony Carey comes into his own with his latest Planet P Project. 'Pink World' is one of those rare concept albums that actually work. Getting the message across with stunning production and performance. It's like Tony Carey said, okay album rock, here's one for you and you alone. 'Pink World' is too good to pass up...Rickie Lee Jones in concert is also too good to pass up--so don't! See her on this tour. I did, and it really struck a chord inside me. Thank you, Richard Wolod of Warner Bros. for an unbelievable concert experience...Happy Thanksgiving everybody!"

KRIX, BROWNSVILLE, TX M.D.-RICHARD "ACE" BROOKS: "ADDS: Bryan Adams, Philip Bailey, Bruce Cockburn, Red Rockers, Triumph...CONSIDERING: Armored Saint, Joe King Carrasco, Thompson Twins...INCREASED PLAY: The Kinks, John Parr, Los Lobos...INCREASED SALES: Springsteen, Benatar, Stone Fury...MOST REQUESTED: Deep Purple, Bryan Adams, Stone Fury...Bryan Adams has released the record we always knew he could. A superior effort--we're already four cuts deep!"

WWWV, CHARLOTTESVILLE, VA P.D./M.D.-JAY LOPEZ: "ADDS: Philip Bailey 'Easy', Dennis DeYoung 'Wait', Rick Springfield 'Bruce', David Bowie 'Tonight', Kinks 'Summer', 'Good', 'Word', 'Living', Don Henley 'Love', 'Sunset', 'Dance'...MOST REQUESTED: Don Henley, The Who, Pat Benatar, Bryan Adams, Bob Seger, 38 Special and the Kinks...INCREASED PLAY: Kinks, Toto, Al Stewart, John Hunter, and Deep Purple...INCREASED SALES: Peter Wolf, Deep Purple, Honeydrippers, and Hall & Oates."

WKLT, TRAVERSE CITY, MI P.D.-CHUCK POET: "ADDS: Philip Bailey 'Easy', Rick Springfield, Eurogliders, and Don Henley...MOST REQUESTED: Bryan Adams, John Parr, Duran Duran, AC/DC, Cars 'Hello'...INCREASED PLAY: Toto, Don Henley, David Bowie, Sammy Hagar...INCREASED SALES: David Bowie, Bruce Springsteen, Duran Duran...I've got s-n-o-w on the ground, so here's my start to winter...The Don Henley album is superior. I think a lot of the songs nobody but Don Henley could do... 'Tonight' is another great cut from Bowie...I'm starting to think it's time to do a 'Tina Turner With' weekend. 'It's Only Love' by Bryan Adams is one of the finest duets I've heard in a long time...Speaking of duets--I'm going to have a great weekend and a great holiday season!"

WIQB, ANN ARBOR, MI M.D.-DEBBIE DALTON: "ADDS: Chicago 'Inspiration', Steve Perry 'Foolish', Triumph 'Spellbound', Rick Springfield 'Bruce', Philip Bailey 'Easy', Michael Furlong 'Two', Molly Hatchet 'Stone'...MOST REQUESTED: Don Henley, Roger Hodgson, Sammy Hagar, Honeydrippers, and Julian Lennon...INCREASED PLAY: Kinks and John Cafferty and the Beaver Brown Band...INCREASED SALES: The Who, Julian Lennon, Rickie Lee Jones, and Roger Hodgson...The Don Henley album has turned out to be everything I expected, although the cut I think is a great crossover hit is one that no one seems to be mentioning--'Land Of The Living'. The hook is infectious...I'd like to thank Lou Reed for giving the station a great interview and for giving Ann Arbor a great show...And I'm more than looking forward to seeing Rickie Lee Jones this weekend...Hope everybody had a great Thanksgiving!"

KFMX, LUBBOCK, TX M.D.-WES NESSMAN: "ADDS: Triumph, Don Henley, Dennis DeYoung...MOST REQUESTED: Rick Springfield, Julian Lennon...INCREASED SALES: Honeydrippers, Bruce Springsteen, Julian Lennon, Pat Benatar, Hall & Oates."

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: "A couple of real interesting adds this week. Philip Bailey's 'Easy Lover' is gonna be on a ton of radio stations. Be smart - beat your CHR competition on this. How 'bout Phil, the guy's still showing up everywhere...Another great song is Los Lobos' 'Don't Worry Baby'. Good upper demo cut that sounds like a cross between the Stray Cats and Stevie Ray Vaughan...Also added 'Spellbound' from Triumph, Planet P's 'What I See' and went another deep on the pop punk Billy Idol 'Catch My Fall', Pat Benatar 'Diamond Field' and Hall & Oates' 'Bank On Love'...Have a good holiday."

WHFS, BETHESDA, MD M.D.-BOB SHOWACRE: "With respect to Laurie Anderson's forthcoming 5 Lp set, Keith Jarrett took out."

KLAQ, EL PASO, TX M.D.-PEPE LOPEZ: "MCA saved the best for last - Bubba Wayne McManners had alerted us that Triumph was going to release their best album ever - it was an understatement. Now Bubba Wayne, No Doze Impresario lead singer and manager for the Scuse Meez, is a good old Texas boy and occasionally he's been known to embellish truth, but not this time. Triumph's 'Thunder Seven' is ten tunes that keep listeners spellbound. What a triumph for MCA and the Messrs. Emmet, Moore and Leving. We went with 'Spellbound' out-of-the-box, but 'Rock Out Roll On' and 'Stranger In A Strange Land' deserve airplay as well. If you want to have some fun, play 'Time Cannon' and let your listeners guess who it is. First correct answer gets a watch with a fuse and a Ray Bradberry Survival Kit...Arin is wild about the new Don Henley Lp. She calls it building the perfect hunk. There is a variety of tunes to choose from on this record. Arin picked 'You Can't Make Love' based on upper demo female appeal. She was right, of course. The phones have been heavy since we started playing it...We're getting the same response for REO's 'Can't Fight This Feeling'. We can hear 'Hi Infidelity 2' in this record and the ladies love it...I had just graduated from high school in the Summer of '69 so when I heard Bryan Adams singing about it, I just had to get it on the air. "Those were the best days of my life back in the Summer Of '69'...Here in the winter of '84 heavy metal continues to raise its iron fist. Metallica could be the next Iron Maiden. We were getting requests for Metallica long before they signed with Elektra so we didn't think twice about adding 'Fight Fire With Fire'...The most surprising metal is delivered by Armored Saint. Top 5 phones at night and impressive retail action make this band a sure winner."

KFMQ, LINCOLN, NB M.D.-MATT EFFKEN: "ADDS: Krokus, Los Lobos, Billy Idol, Autograph, Giuffria, Philip Bailey...CONSIDERING: Triumph...MOST REQUESTED: REO Speedwagon, Bryan Adams, Honeydrippers, Roger Hodgson, Bruce Springsteen...INCREASED PLAY: Julian Lennon, Roger Hodgson, Toto, 'Eddie And The Cruisers', Frankie Goes To Hollywood...INCREASED SALES: Bruce Springsteen, Prince, Honeydrippers, 'Eddie And The Cruisers' Soundtrack, Frankie Goes To Hollywood."

KSQY, RAPID CITY, SD M.D.-JEFF MICHAELS: "ADDS: Don Henley, Bruce Springsteen, Rick Springfield, Los Lobos, Philip Bailey...MOST REQUESTED: Bryan Adams, Bruce Springsteen, Pat Benatar, Duran Duran, Krokus...INCREASED PLAY: Cars, Toto, Scandal, Billy Idol, Giuffria, REO Speedwagon...Our friendly neighborhood record reps are starting to call K-SKY, 'Bruce Springsteen Radio'. Keeping our reputation in tact, we're going with 'Pink Cadillac' this week, and why not? Anyone who has seen The Boss on his current tour knows the magic of this song and with the release of the new Ep this week, we're on it out-of-the-box. Our local juke box supplier says 'Pink Cadillac' is out-playing 'Dancing' by a mile! That's good enough for us, friends, and while we're on the subject, Jack Daniels and I would like to go on record as our choice of best Lp of 1984--'Born In The USA', of course. Bruce-Springsteen-Radio, damn right!..That's it for this week, rock on!"

WYER, MT. CARMEL, IL P.D.-DREXEL DEFORD: "ADDS: Pat Benatar, Deep Purple, Kiss, Dokken, Philip Bailey, Metallica, Billy Satellite, Triumph, Roger Hodgson...CONSIDERING: None...MOST REQUESTED: Survivor, Deep Purple, Bryan Adams, AC/DC, Kiss...INCREASED PLAY: Giuffria, Scandal, Benatar, Deep Purple, Kiss...INCREASED SALES: Planet P, Survivor, AC/DC, Bryan Adams, Kiss, Julian Lennon, 'Teachers', Honeydrippers."

KRVV, VAIL, CO M.D.-MARO SELBY: "An excellent week, led by the Don Henley which goes to 'Open'. Who cares how the food and service are at the 'Sunset Grill'? I'm there for the intriguing atmosphere. 'Building A Perfect Beast' will appear on my Christmas list several times...We're also going deep into the Pat Benatar and the Linda Ronstadt...The Kinks single was too heavy for us, but there's plenty on the album...Madonna's 'Dress You Up' is a good enough song to take your mind off the jacket!...And speaking of dressing, hope everyone had a good Thanksgiving!"

WGIR, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "Pardon me while I rave about a tune, namely the Philip Bailey/Phil Collins record! This tune has #1-hit written all over it. Chalk up another stellar production/guest stint for Phil Collins. Not to mention the smooth craft of Philip Bailey. Bob and I haven't been this excited about a record in a long time...Giuffria's 'Call To The Heart' has an unforgettable hook and sounds like they went to the Journey school of music, which these days doesn't hurt a bit...With the word of mouth, sales, and general interest, we'll give Frankie Goes To Hollywood 'Two Tribes' a spin. It's one of those tunes that takes a while to grab you--when it does...The Kinks 'Word Of Mouth' Lp is another great album from one of the most consistent, excellent bands around. This one deserves a 10 on the volume knobs of the home stereo or studio monitor. Besides the title track, we like 'Good Day' and 'Guilty Till Proven Innocent'...Many thanks for the visit and a big 'great to see you' to Atco's Paul Brown, on a whirlwind trip thru the Northeast last week. It means a lot to finally sit down and talk to someone face-to-face! We had a good time getting acquainted...And to George: Your hearing is getting so good you won't need the phone. I'll just yell from Manchester. Glad to see you're getting better!"

WHTG, ASBURY PARK, NJ P.D./M.D.-RICH ROBINSON: "ADDS: U2 'Wire', Jethro Tull 'Wraps', John Hunter, Blancmange, Depeche Mode, Lindsey Buckingham, Heaven 17, Paul McCartney...CONSIDERING: David Bowie, Billy Idol, Dokken, Pseudo Echo, Ian Hunter, Passion Puppets...MOST REQUESTED: Frankie Goes To Hollywood, U2, Golden Earring, Deep Purple, Don Henley...INCREASED PLAY: Airrace, dB's, Planet P Project, Ronnie James Dio...INCREASED SALES: Honeydrippers, U2, Julian Lennon, Frankie Goes To Hollywood, Bruce Springsteen."

KQDS, DULUTH, MN P.D.-BRIAN TAYLOR: "ADDS: Triumph, Alphaville, Kinks, and Don Henley...MOST REQUESTED: Twisted Sister, Autograph, and Pat Benatar...INCREASED PLAY: The Kinks, Giuffria, and AC/DC...INCREASED SALES: Honeydrippers, Julian Lennon, Frankie Goes To Hollywood, and Krokus...Make that 'Frankie Goes Everywhere'--the second straight week that this one has completely sold-out every copy in town! With this kind of story in a market in the upper Midwest, I can only imagine the action in the bigger metros...I certainly second the accolades for the new Don Henley album. It rates as one of the best 'don't-bother-me-I'm-in-a-trance' albums that I've heard in a long time...Since Autograph hit the airwaves, it's out-performed many of the superstar projects out this time of the year. It's been consistent Top 5 phones since its debut...Just got the new Foreigner 12". All I can say is make some room at the top of your playlist for this one...And our congratulations to new papa, Tony Smith of EMI!"

WRUF, GAINESVILLE, FL M.D.-GREG HAMMER: "ADDS: Philip Bailey, Don Henley, Triumph...CONSIDERING: Steve Perry, Chicago...MOST REQUESTED: Honeydrippers, Bryan Adams, Deep Purple, Roger Hodgson, Don Henley...INCREASED PLAY: Pat Benatar, John Parr."

WKDF, NASHVILLE, TN M.D.-DAVID HALL: "John Parr's 'Naughty Naughty' is the big surprise success for us! It's our top request virtually every day!...Roger Hodgson has finally kicked in on the phones. 'Had A Dream' pushed into the Top 5 requests for the week. The best thing about this time of year is all the deep albums that come around. We're spreading to extra cuts from several of the big names this week. On Henley, we're going on 'Sunset Grill' ...On Bryan Adams, we're going three deep with 'Summer' added this week...And on REO Speedwagon, we can't fight the tidal wave any longer, 'Can't Fight This Feeling' goes in while 'I Do 'wanna Know' goes h-o-t on the strength of great call-out figures, and I still have to plug my pick as the best track on the album. It's tucked away, last on side two--the title cut 'Wheels Are Turnin' '!"

KFMH, MUSCATINE/DAVENPORT, IA P.D.-STEVE BRIDGES: "ADDS: Triumph, Danny Elfman, Philip Bailey, Kinks, Whitesnake, Don Henley, Son Seals, James Cotton, and Duke Tomatoe...MOST REQUESTED: Don Henley (tons), U2, Honeydrippers, Tommy Shaw, and Roger Hodson...INCREASED PLAY: Jethro Tull, Eurogliders, Billy Squier, 'Teachers' Soundtrack."

INCREASED SALES: OMD (doubled sales this week).
"Danny Beard may have a hit record on his hands with Guadalcanal Diary's 'Walking In The Shadow Of A Big Man'... Listen to Watusi Rodeo and see if you don't want to rope a rhino. On B.B. Records, of course (local boys do good!)"

WFNX, LYNN, MA M.D.-STEVE STRICK

ADDS: Philip Bailey, Danny Elfman, Madonna, The Nails, The Vels, Time Zone.
CONSIDERING: Crazy 8's, 4-3-1, Bob Dylan, True West, Dream Syndicate, SPK.
MOST REQUESTED: Ministry, Alphaville, Hoodoo Gurus, Tom Robinson, Malcolm McLaren.
INCREASED PLAY: Alphaville, Ministry, Los Lobos, dB's, Big Country, Eurythmics, The Kinks.
"When I was in New York a couple of weeks ago I had a chance to see The Nails live. They put on an incredible show. Their new Lp is no disappointment either. Check out the re-release of '88 Lines About 44 Women' plus 'Dark Brown' and 'Home Of The Brave'...Ministry continues to do well. It is now the most requested record on the station...The new Big Country Lp is a masterpiece. Listen to 'Steeltown' and 'The Great Divide'...I can't believe the immediate response we are getting to Malcolm McLaren's 'Madam Butterfly'. However, this record is only for the adventurous AOR...Finally, one word I have to describe the new Kinks Lp - fab."

KNAC, LONG BEACH, CA M.D.-MARY JO GODGES

ADDS: Danny Elfman, Kinks 'Good', Alphaville 'Young'.
CONSIDERING: 'Revenge Of The Killer B's', Julie Brown, Toni Basil, Madonna.
MOST REQUESTED: Bronski Beat 'Why', Depeche Mode, The Vels, General Public 'Fact', Bangles 'Liverpool'.
INCREASED PLAY: Frankie Goes To Hollywood, The Nails, Ramones, Kinks.
INCREASED SALES: Los Lobos, XTC, Kinks, dB's, The Nails, Julian Lennon, Duran Duran, Depeche Mode, Long Ryders, Black Uhuru.

"DJ's at KNAC have fallen under the pleasure dome while waiting for Frankie to come to Hollywood in December...Speaking of boys, the Bronski Beat is pounding out the strongest buzz I've heard in a long time. With the tough driving sounds behind Jimmy Summerville's sweet siren vocals, disco never had more soul. Donna Summer might have stiff competition...The other h-o-t-s keeping our jocks and listeners in: XTC 'Big Express', The Nails, Los Lobos, Depeche Mode, Ramones, and UB40."

INCREASED SALES: The Smiths, The Cocteau Twins, The Cure, Tones On Tails, Los Lobos.

"The Replacements combination of grass trash is number one this week. The Lp includes a mix of musical styles and even contains a poke at MTV...Los Lobos' new album is on the rise here, and the live show last weekend may give it some more steam. It was a homecoming for the band, having just completed a tour of Europe. Their synthesis of blues, rock, country and Tex-Mex may make you feel like you're at a block party, but don't be fooled. Los Lobos deals in the plight of the working man and how he forgets his problems...Finally, I'm glad for bands like these - ones who both entertain and challenge their listeners."

News From Rock Over London

First, to PETER PASTERNAK: We apologize for the error in last week's report. The new single from ROD STEWART is from "Camouflage" and not the "Tonight I'm Yours" Lp as was erroneously reported.

THE THOMPSON TWINS have a new release on Arista called "Lay Your Hands On Me" (rather naughty title, eh?). It's their first U.K. release since their #1 double platinum Lp "Into The Gap". At the moment, the Twins are busy in the studio working on their Lp to be released in early '85.

CULTURE CLUB have released "The Medal Song" as a followup to "The War Song" and GEORGE's lyrics are all about actress Frances Farmer, who refused to succumb to the pressures of Hollywood. George says, "I suppose I feel a bit of an affinity with people like that. I want to be famous, but approachable and normal. I don't want to be treated like a demi-god."

BIG COUNTRY release a track from the "Steeltown" Lp called "Where The Rose Is Sown", but check on the B Side for a previously unreleased number called "Belief In The Small Man". The U.K. 12" has an additional track also previously unreleased called "Bass Dance".

UB40 release their second single from GEFFERY MORGAN, "Riddle Me"...New ones also from the BOOMTOWN RATS with DAVE and RICK WAKEMAN, newly signed to TGB, and LIMHAL release the first solo Lp entitled "Don't Suppose".

Ex-WHO member JOHN ENTWHISTLE has raised a few eyebrows by forming a new band with RINGO STARR's 19 year-old son, ZAK STARKEY. Right now they're looking for a keyboards player for the yet un-named band and hope to concentrate on heavy metal music. Entwhistle says, "I've known Zak since he was a child. He plays extremely well and is getting better and better. He's a great musician." Zak was taught drums by the Who's drummer KEITH MOON, who died in 1978. Entwhistle reckons that The Who became "too calm" just before the breakup. He's hoping to record the new group's first album in his home studio and then sell it to the highest bidding record company.

With FRANKIE GOES TO HOLLYWOOD touring the States, there's no stopping the boys, as they've released "The Power Of Love" as a new single. It's a remixed version of a song from "Welcome To The Pleasure Dome", and the B-Side is a previously unreleased number called "The World Is My Oyster".

On the DURAN DURAN front (if you're into that sort of thing), the chaps are getting on with all sorts of different projects. JOHN, ANDY, and ROGER are joining forces with singer ROBERT PALMER and are working on a new album called "Power Station". Meanwhile, NICK RHODES and SIMON LeBON are getting on with something they're calling a duo project, the shape and form of which will be revealed in early '85. But quite apart from all that, it seems as if we'll have to bid "LeBon Voyage" to Simon who's just announced plans to take part in one of the world's most dangerous yacht races, The Whitbread Round The World Race, in which Simon is the only British entry. Just think of it, this would leave the music world deprived of a Duranette for a period of no less than 8 months. P.S. Also look for Duran Duran to be releasing the title single to the new James Bond movie out next year called "A View To Kill".

On ROCK OVER LONDON this week you can hear that previously unreleased track from CULTURE CLUB, "Don't Go Down That Street". EDDY GRANT returns with "Baby Come Back", the 80's version of the old EQUALS song. We also play the latest from AZTEC CAMERA, BIG COUNTRY, and a new group we tipped for '85 success, THE Adventurers..And in the naughty bits department, we have some secret news about a secret 4-year-old romance of BOY GEORGE. Film at 11.

MICHAEL CAPLAN, EPIC (212-975-5687): "Post Thanksgiving thoughts: Martin Fry, eat your heart out. Frankie Goes To Hollywood should and could have been the second ABC album. Obviously, a producer can mean a lot in terms of the final disposition of a given album. Take Survivor for example. Ron Nevison has done a brilliant job producing 'Vital Signs' as 'I Can't Hold Back' success will testify. This record is exploding at retail and is now selling in excess of 35,000 copies a week! There is certainly no reason why you should not be playing track number 2, 'High On You', already on over 40 reporting AOR stations...The value of a great producer is also easily gleaned from the latest effort of Molly Hatchet. Terry Manning has brought out the best in these boys. Just listen to 'Stone In Your Heart' with an open mind and I'm sure you'll be convinced...Hot flash: On your desk this week will be the new Cyndi Lauper 12", 'Money Changes Everything', recorded live at her much heralded performance in Houston last month. This is one AOR can really sink its teeth into, illustrating that Cyndi is indeed the consummate female rocker. Make no mistake about it, this girl can rock n' roll! Don't let CHR reap all the Arbitron rewards this artist has to offer!..REO continues their comeback with the second track from their 'Wheels Are Turnin' ' Lp. 'Can't Fight The Feeling' will be the smash ballad of winter 84/85...Lastly, John Hunter continues to garner more quality call letters on his future smash single 'Tragedy'--one of the most refreshing records to be released in recent months. Perfect record for mornings and middays and a worthy addition to your playlist...So, play all my records so that when I call we can have a nice chat and not be forced to yell and scream at each other!"

JEFF "FOWL-MOUTH" COOK, ELEKTRA (404-921-4086): "By the time you read this, we will all be breaking in a new notch on the old belt and performing a major stress test on the stomach level buttons on our shirts, due to extravagant consumption of turkey and potatoes. Ahh, Thanksgiving. A time for friends, relatives, and gorging oneself with tasty morsels...Well, at Elektra, we serve up tasty morsels year round. For instance, the Cars 'Hello Again' is some hot platter at radio and we're 2,700,000 strong at the store level. It would be safe to say at this point, you play the Cars and your audience will gobble it up...Dokken's new 12" 'Just Got Lucky' has been serviced to album radio and it's a mouth-watering rocker that will have your audience calling for helping after helping of this song! The band is currently touring with Dio to full houses across the land...Other delectable delights from Elektra include the meat and potatoes metal of Metallica. The buzz on this band comes straight from the street. Pop it on-the-air and watch the phones start cookin'...Lindsey Buckingham's 'Slow Dancing' goes well with any musical menu. It's tasty...Finally, contact your local Elektra person for information on the Belfegore video nights we're setting up around the country. It's a guaranteed good time...Until next week, keep rockin'!"

AL CAFARO, A&M (212-826-0477): "On your desk this week, the 12" of 'Lonely School' by Tommy Shaw and the 12" of 'Jeopardy' by Roger Hodgson...Dennis DeYoung had a strong first week on the single 'Don't Wait for Heroes'...UB40 picks up Boston and Miami...General Public's 'Tenderness' is developing into a very big h-i-t single. Don't miss this one...Bruce Cockburn slowly continues to grow...And finally, thank you for making Bryan Adams a #1 airplay album!"

RICH SCHMIDT, RHINO (213-450-6323): "Last week I offered anyone five albums from the Rhino catalogue for suggestions as how to get The Roz on the phone! Since WIOT added the record last week, I thought it was only fitting for Roz to win the five albums. Thanks, Roz...The 'Homecoming Queen' is looking very strong at the CHR level. AOR hold-outstake note: You can't keep a good Rhino record down! Don't let your CHR competition walk away with the whole prom. I'd list some of the incredible successstories but it's time I stuff a turkey. Remember, Whiscon for the holidays!"

MIKE BONE, ELEKTRA (212-484-7200): "Well, now that the media has created the impression that there's a metal backlash and convinced album rock radio, I expect to see most labels back away from heavy metal acts like I would avoid a rattlesnake (poor George Harris). In the midst of this mass retreat, Elektra is proud to announce the signing and release of our 3rd heavy metal act - Metallica. We picked up Metallica from the Mega Force label distributed by Important Records. Billboard chart researchers will know that Metallica's 'Ride The Lightning' album has been hovering around 150 in the pop album chart for months. This album is not for the faint of heart, this album is truly heavy. Play this album and you will get top 5 calls. As for sales, forget it. Our initial order is for 100,000 units. Lead with 'For Whom The Bell Tolls' and 'Creeping Death'...Also new this week is the Dokken 12" of 'Just Got Lucky', my favorite track on the album. It's positively the most commercial track. Dokken's 'Tooth And Nail' is at 200,000 units sold. Not bad, huh? Dokken kicks ass live every night on tour with Dio from now through February...Just in time for the holidays: every mother's nightmare, the Motley Crue, returns to terrorize album rock radio and record retailers with a picture disc of 'Helter Skelter'. (In the words of Charles Manson, 'This song burns me up'.) Don't be standing in front of the door of the record store when they unpack their initial shipment of this picture disc...Last but not least Euro-rockers Belfegore are opening the entire Hanoi Rocks tour. Check them out live if you love the video...METAL TAKES NO HOLIDAY AT E/A."

JAY McDANIEL, MCA (404-447-6405): "MCA is gaining airplay everywhere on our new Triumph 'Thunder Seven' Lp and 12" of 'Spellbound'. First week totals are proof positive of immediate requests and audience response to Triumph everywhere!...Meanwhile, our Giuffria has become the hottest new group to surface this year. Giuffria and 'Call To The Heart' along with the cut 'Do Me Right' from the Lp 'Giuffria' are already huge airplay and listener favorites. Retail sales are kicking in both on the Lp and single...'Sunshine In The Shade' has exploded at CHR and now we are rush releasing the live version to album radio. This will be a special 12" release and sounds great even in the shade...Stone Fury and 'Break Down The Walls' continues to get excellent response, both retail and request action are hot!...The new Joan Jett And The Blackhearts single 'I Love You Love' had an excellent first week. The 12" also features 'New Orleans' and a special cut, 'Little Drummer Boy'. 'I Love You Love' will be huge...The Planet P Project and now the Planet P video (which is great) are causing a retail active reaction. This special double concept Lp has broken through at both retail and AOR...The special re-mix of the Danny Elfman cut 'Gratitude' is being rushed out. Watch for it. This could be a big listener favorite!...Late news: We are immediately releasing the new Glenn Frey cut 'The Heat Is On' from the forthcoming soundtrack 'Beverly Hills Cop'. The single should be in your hands today."

SEAN COAKLEY, ARISTA (1-212-489-7400): "Coming around to the home stretch of '84, and I just can't get this Kinks tune out of my head. 'Do It Again'! No Matter how many times you've seen them, don't miss the Kinks on this tour. To say that the Davies Brothers are playing with an unabashed renewed enthusiasm is a ridiculous understatement. No pretenders here 'Shut Your Face, Yeah'!...The Billy Ocean, as we've been predicting for weeks, has closed on Top 40 in about one hour. The video is getting six plays per day on MTV. You snooze, you looze...'Our Love' is really kickin' in all over the country. Krokus is headlining the West Coast, while 'The Blitz' is heading toward platinum. This is all due to your airplay. Thank you, AOR!...Anyone presently digging the wonderful Philip Bailey album should go back and dig up the two David Lasley Lp's which escaped on EMI over the past two years. Absolutely magical...The A Team is ecstatic over the acquisition of one of radio's finest (and biggest) sets of ears: John Mrvos! We've hired Buchman to tutor John in Rangers Appreciation 101 while, at the same time, enrolling him in a Chicago Cubs deprogramming class! God knows we couldn't go through that depression every October. (Hey, lighten up Norm, I'm just kidding). We'd also like to welcome AOR promo man Jeff Laufer to the team. Nicknamed 'Skin', Jeff will be rockin' the West Coast with his indomitable style starting today. Hey, we be bad!"

RECORD ACTION CONTINUED

MICHAEL PRINCE AND THE FAT MAN, ATCO (212-484-6400): "Extra special thanks to everyone in the Northeast from the Fat Man for their hospitality. People named Starr, VanZant, Cox, Haskell, MacDonald, Small, Andersen, Turco, Rising, and LaVigne and Mayer sure can lay out a good time...When you live in a car for a few days, music begins to sound differently from the way it does in the office. 'The Boys Of Summer' and 'Kids Wanna Rock' are blow-aways when the cruise control is on...WIZN's birthday party should be pencilled in on everyone's calendar for next year. It'll be their second. Steve Forbert was the surprise guest and he just tore the crowd apart. Be there next year...Happy Thanksgiving to all and to all a good night... Since you did, thanks for reading."

BOB CATANIA, ISLAND (212-477-7159): "Well, here we go again. It seems that 10 seconds of 'Two Tribes' over the phone lines doesn't sound enough like Journey to satisfy the passive listeners. So despite huge sales and requests plus immediate media blitz unlike any other seen in years, those slaves to call-out are dumping 'Two Tribes'. Once again, a small minority of album rockers are hurting the efforts of a vast majority of their peers looking to put excitement back into album radio. So to all programmers who plan to use passive research as the sole judge for determining the fate of 'Two Tribes' on their station, please save all of us a lot of anguish and simply do not play this record! It won't work on that level. However, if it's the excitement of one of the truly important bands of the year that you desire, continue to play 'Two Tribes'. Frankie say: 'You can take that to the bank!'"

MICHAEL PLEN, I.R.S. (212-826-0477): "Ten weeks ago we told you General Public was gonna be a h-i-t and you laughed! This week it took off at Top 40 radio and album radio strengthened as well. Add 'Tenderness' soon or you'll look like a goon!"

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "Eurogliders into heavy! That's what is happening across the country. Why? Because it works! And, it is the perfect balance record for the season. We are beginning to put out programs together to support all this airplay. Video goes into heavy at MTV and the band will perform live on MTV's New Year's Eve Special. The band will then embark on a tour coast to coast across the country. Thanks to everyone for helping launch another new and exciting act...And, 'Won't you come home, Phil Bailey!' If this isn't rocket-to-the-moon-time, I don't know what is. Wait until you see the video--Phil--it's great! It's the making of a video inside a video, and Phil Collins does the 'Shimmy'--cool...The Red Rockers are making a comeback with 'Blood From A Stone'. Thumb back to the Columbia ad and check out the call letters. This is a very worthwhile record!...Next, check out the hot new re-mix of 'Say No'--it's Romeo Void's. A h-i-t!...And last but certainly not least you must play Steve Perry's 'Foolish Heart', perfect for this time of year!"

KEVIN SUTTER, CHRYSALIS (212-758-3555): "Hello to everyone, and thank you programmers who extended the courtesy of taking my calls this week...I'd like to set forth the fact that we're going for #1 on Pat Benatar and I think it's gonna happen real quick. We're on the street with almost half a million singles and over 800,000 albums...Our next shining star is Billy Idol who made breaker in R&R's album tracks, which, through mathematics, means half the country has seen 'Catch My Fall'. Catch my drift?...Jethro Tull is coming back stronger than ever with the best overall performance on their album, and the conversion factor seems to be going real well. So, if I say anything, it's go back and check out 'Under Wraps'. The 12" is in your hands...And our drive for sainthood for Armored Saint is picking up with new territories daily. Some successes have been the WLLZ broadcast--just ask Lee Arnold. And from the gang down El Paso way, we've got Top 5 phones at night from KLAQ, thanks Pepe. A recent canonization is WIOT...This time till next!"

ANDY ALLEN, RCA (212-930-4518): "RCA Records has just released a new Eurythmics single 'Sexcrime (Nineteen Eighty-Four)'. The tune, available in both 7" and 12" formats, is the debut single from RCA's forthcoming Lp '1984 (For The Love Of Big Brother)'. The album features nine original Dave Stewart-Annie Lennox compositions, derived from the Eurythmics' original score of the motion picture '1984'. Dave Stewart also produced the Lp. Eurythmics recorded the album at Compass Point Studios in Nassau following the completion of their critically-acclaimed 1984 'Touch' Tour which took Annie and Dave to sold-out venues throughout North America...A Virgin Film Production, '1984' is currently a box office smash in its own run in London's West End. The film, based on George Orwell's classic novel 1984, was directed by Michael Radford and stars John Hurt and the late Richard Burton in his final screen appearance...Eurythmics called upon Orwell's fictitious language 'newspeak' in creating the lyrics and texture for 'Sexcrime (Nineteen Eighty-Four)'. In '1984' 'newspeak' is a method of speaking specifically designed to prevent expression of ideas."

JAY ZISKROUT, ENIGMA (800-421-4163): "EMI/Enigma is proud to present the debut from New York's Del-Lords, 'Frontier Days'. Debut on CMJ 35*, debut Gavin 30*, already on KZEW, WFNX, KRQU, KVRE, KFMF, KTCL, WOXY, KBLE, WNCS, WIZN, KNAC, WHFS, and KCGL. Please join Enigma and EMI America in preventing those holiday blues by adding the Del-Lords to your Christmas 'play' list. Check out 'Mercenary', 'Double Life', 'Get Tough' and 'Pledge Of Love'...Also out on Enigma is a special rush release, after long last, of the Christmas classic 'Christmas With The Devil' by Spinal Tap. Time for interviews and IDs is running out fast. Call me for a market exclusive. Release date: Nov. 24th...And yet another yuletide release, 'Reason For The Season' from the only real Christian metal band - Stryper. 'Reason For The Season' b/w a rockin' version of 'Winter Wonderland'."

GAIL LEE, PASHA (213-466-3507): "On your desk now should be the 12" from Rod Falconer 'Only So Much Time', from the Lp 'Rules Of Attraction'. Give it a test drive on your turntable for your listeners. There is a corresponding video and MTV has had it in rotation for 5 weeks now. All radio stations with their own video shows should also have been serviced with this video -- if not, please give me a call...In January get ready for an incredible musically exciting Little River Band Lp 'Playing To Win' and 'Looks Like Trouble', the new Lp from Danny Spanos who wanted what you got all over himself...Don't forget Quiet Riot and Kick Axe are on tour coming soon to a city near you! I'll be glad to work with you on any promotional ideas you might have in connection with a date in your city. Just call."

BRUCE MOSER, COULD BE WILD (716-885-8200): "Congratulations to Charlie Prevost and Island Records on signing Kim Mitchell to Bronze Records. Last weekend I saw a SRO concert that was nothing short of spectacular. Kim Mitchell is a hit act and you can write that down and take it to the bank. Could be another scathing editorial. David Carpen was the only other A&R person not to pass on Kim Mitchell. The record business wants to know why it's in trouble, this is a real good example. It's a mystery to me why Kim had such a hard time getting a deal. It must have been he failed his audition for Duran Duran or that he couldn't get Mick Jagger as a special guest to do inspirational dancing. Whatever the reason, Kim is signed and ready to rock his way to the top of the charts...Last but not least, to Jim Sotet, who made it all possible: Jim, you deserve a break today, not to mention your job back. However, since there is no justice, go to McDonald's and 'Go For Soda'. It's on us and Tom Berry, who might be light but he keeps it fun."

"Meat Loaf's video for 'Modern Girl' has been edited, after the recent bombing of a British hotel where Prime Minister Margaret Thatcher was staying. A Thatcher look-alike was featured, sitting on a pile of debris, wagging her finger and saying, 'Give me the future.' There's also a Princess Anne look-alike in the clip...Spandau Ballet are constantly badgered by the press in their video for 'Highly Strung', filmed in Hong Kong. In fact, the clip also tells the story of a lonely model, played by Suzy Kwok. She's so well-known that she's constantly being hounded by photographers, and she decides to leave for China. In the clip's closing shot, we see her leaving for the mountains while members of Spandau Ballet are in a helicopter above...Tracey Ullman's 'Helpless' video was filmed at the Richmond Theatre in England. Ullman described the video 'as a kind of dress rehearsal for my live performances next year.' She plays a variety of roles including that of a glamorous star, an usher, and an aggressive fan...Paul Young's video for 'I'm Gonna Tear Your Playhouse Down' opens in an empty Royal Albert Hall in London. It shifts to a black and white sequence in which he meets a very weird girl. Paintings start dripping, and walls collapse, and things get even stranger as he opens the doors to his dressing room."

VIDEO NEWS

Planet P Project has just finished an eight minute video from the new
 album, "Pink World." The conceptual clip tells the story of a young
 boy in a post nuclear holocaust. The entire piece was directed in
 London by ROGER LYONS, who's also worked with XTC, Dire Straits, and
 John Lennon...Some earth-shaking news on U2. It seems the Irish
 rockers have become the first rock band in history to hit the Richter
 Scale. Richter Scales are used to measure earthquake-related ground
 tremors. But when U2 played last week at the Forest National in
 Belgium, Brussels, a seismic station three miles away registered the
 vibrations from their performance on its Richter Scale. There are
 also reports that plaster fell from the ceilings of some buildings
 near the hall. This just might get U2 into The Guinness Book Of World
 Records. The boys will get a chance to shake some American soil when
 they start their U.S. tour on December 1st at the Philadelphia Spectrum
 ...Metallica, the new heavy metal band from San Francisco, have just
 released their first album. It's called "Ride The Lightning." The
 first video from the album is "For Whom The Bell Tolls" and it will
 be directed by ZBIGNIEW RYCZNSKY, who's done clips for the Art Of
 Noise and Belfegore. Metallica are now on tour in Europe - they'll
 start a U.S.tour in February.

INTERVIEWS

ROBERT PLANT told us about the "Sea Of Love" video: "That was done in
 Ibiza, in the Balearic Isles, in a matter of hours really. It was a
 great deal of fun. Now the outtakes are probably of far more value
 than the combined, finished effort cause there were a lot of funny
 things going wrong all the time. There's girls who were bobbing
 around in the sea...one, if the tide went out rather rapidly there
 were all sorts of exposures that wouldn't have gone down too well, but
 it was funny, very nice."

The Rock Report

LONDON CORRESPONDENT MAL REDING spoke to Robert Plant this past week and told us that Robert is very pleased with the success of the Honeydrippers' record. Plant is currently in London working on his third solo Lp and promoting the Honeydrippers' Ep. Robert told Mal that he was interested in getting B.B.King to appear on the sessions, but unfortunately B.B. was unavailable. Maybe next time? Plant also mentioned that he is interested in taking the Honeydrippers back on the road again. The group played small clubs and pubs in and around London in 1980-81. The only problem, Robert says, is that they would have to go under an anonymous name this time around due to the popularity of the band and its members. Remember to keep the date of December 15th open for Robert's appearance on "Saturday Night Live" with some very special guests.

THE ROCK REPORT HAS LEARNED THAT PHIL COLLINS, drummer/vocalist for Genesis and solo artist in his own right, is taking his own show on the road. This is Collins' second solo tour, the last time Phil was out with the Fabulous Jacuzzi's in 1982. This time he's with the Hot Tub Club consisting of Chester Thompson on drums, Peter Robinson on keyboards, Daryl Stuermer on guitar and Lee Sklar on bass. The tour is set to kick off in February and will take in Europe, Japan, Australia and America. Currently Phil is recording his third solo Lp for Atlantic which will probably be released before this tour begins.

PAUL MC CARTNEY WILL BE AWARDED THE KEYS TO LIVERPOOL this week in a celebration that city is holding for the former Beatle. The City's Council will present the keys to one of their favorite sons who returns home after 15 years to receive the award. Coincidentally, McCartney's movie "Give My Regards To Broad Street" debuts the same day in London.

THE ROCK REPORT SPOKE TO ROGER HODGSON, former vocalist with Supertramp, who told us that there is a possibility that in the future he may work again with the other members of that band. They will not work together as Supertramp though. Hodgson said that the members of his old band have cooled off a bit since his initial departure. So maybe somewhere down the road we'll see the members of Supertramp involved in another collaboration.

DURAN DURAN MAKE THEIR TELEVISION DEBUT in Britain the end of December via two hour-long Specials. The first being "Blue Silver", a documentary of "the backstage realities" of their North American tour of last year. The second special to be shown is titled "As The Lights Go Down", and is the actual concert footage from the tour and features such songs as "Rio", "Is There Something I Should Know", "The Chauffeur", "Union Of The Snake", and their latest single "The Wild Boys". The channel carrying these back to back Specials is ITV.

FORMER CLASH-MAN MICK JONES is facing heavy legal action as he tries to secure a new record deal. Apparently a company called Heavy Metal Records is interested in signing the singer/songwriter/guitarist but is facing threats from Jones' old record company. While all this legal hassle is going on, Mick just keeps on workin'. He's been busy with Ian Hunter and a new London band called The Hot Dogs.

THE THOMPSON TWINS RELEASE A NEW SINGLE this month called "Lay Your Hands On Me". The single was produced by Alex Sadkin. This is the first new material from the band since their platinum-selling "Into The Gap" Lp. Currently the band is in London working on new material for their upcoming Lp.

THE BRITISH SENSATION SADE finally gets a release in this country by way of her new single "Hang On To Your Love" on Epic. The record company plans to release her album "Diamond Life" sometime soon. This record has been topping the charts in West Germany, The Netherlands, Italy and Britain. Sade (pronounced Shar-Day) is a beautiful British singer of African descent whose work is very sultry and smooth and has to be heard to be believed. She dabbles in jazz and R&B. No word yet on any American tour dates, but keep an eye out for her new video to "Smooth Operator", a song that was in the British Top Ten for a month.

JOHN MARTYN HAS JUST RELEASED his 12th Lp called "Sapphire". The record was recorded at Compass Point Studios in Nassau and produced by John himself. Robert Palmer makes a guest appearance on the record. The first single off this new Lp is "Over The Rainbow". Martyn has quite a cult audience throughout the U.S. and Europe due to his unique style of guitar playing and singing. He previously worked with Phil Collins and has just finished his own solo tour. This record will be released through Island.

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
