Hard Choices

GENESIS, "INVISIBLE TOUCH", ATLANTIC... Here's the easy favorite for #1 Most Added and highest debut honors next week...And why not? It's your basic Genesis popstart, with a nice democratic mix that has Phil down a notch or two and that can't miss group sound up and at you. Call it yet another one of their "Greatest Hooks" packages.

THE FIXX, "WALKABOUT", MCA... Who isn't enraptured with the leadoff single? It's our #1 point builder, moving 17-11, and clearly their most melodic and seductive offering ever. We think they've finally become Americanized, as befits their vastly superior sales and acceptance base here. "Walkabout" is as tuneful and varied as it is textured—all infused with the Fixx's trademark dream state production—and as Tom Starr sez, "One of the pivotal bands of the 80's is on the verge of releasing their best album yet"...Now plug in "Built For The Future", "Chase The Fire" or "Treasure It".

GOLDEN FARRING, "THE HOLE", 21/ATCO... "Quiet Eyes" has effectively precluded the public's harkoles at this point, what with 94 on board and top 25 exposure. Since we're all agreed that this number was the career course correction the Radio Doctor ordered, give the people the double whack pack with the equally visual and visceral "They Dance". A fun track with lots of splash.

KROKUS, "SCHOOL'S OUT", ARISTA... And our leading candidate to cross rock to all format radio? Gotta be Krokus' faithful, rockin' rendition of Alice Cooper's classic rite of spring. The timing couldn't be better on this ageless anthem, guaranteed to have 'em smokin' in the boys room, the girls room and at the PTA. Hey, it's about time to power the original again, so why not?

Reaction Records

EMERSON, LAKE & POWELL, "TOUCH AND GO", POLYDOR... ELP's new configuration touches down to the tune of 120 stations and a #13 debut, with raves and requests to match: WCCC's Harv Allen says, "The listener response is already nothing short of excellent"...Pope Lopez, KLAQ, "We tested it and the phones were jammed for hours"...Rob Roman, KBER, "Top requested for the week after only 4 days play"...Tom Starr, WOUR, "Calls are building quickly"...Al Branca, WQSM, "Top 10 phones already"...Wayna Summers, WRCH, "Phenomenal is the word. Phones are wild"...Phil Thompson, KICT, "Getting great phones. Sounds like it could be classic ELP"...Mark Chernoff, WNEW, "Instant top phones"...Here's more from K5J0's Ken Anthony, "Like they never left. Dramatic big sound"...Dana Brown, WQFM, "Extremely dynamic, a must-play item"...Mike Wolf, WYSP, "The perfect ADR record from the perfect ADR band"...Glenn Stewart, WHJY, "The definition of ADR"...Jim Steel, WJOT, "Smooth and sensual"...Far and away the week's strongest checklister with a 47% "instant classic" rating.

STING WITH JEFF BECK, "I BEEN DOWN", IRS/MCA
The rough and ready collaboration collects another 32 reports--as 106 adds to date and 8 increases gives it some of the week's most lively stats: The 35-18 Song Primer rates #2 in points and #3 in positions, which gives the album our strongest, longest album Underlines: 31-17 National and 29-19 Metro...Top 5 calls now include WQVE, KMET, WHCN, WNEW and KBER, with overall "excellent" response at 22 (WJOT, WXRK, WQIZ, KGON, WJFM, WBCN, WMPR, KLPX) and "good" calls at 23 more...KGON's Inessa York comments, "Funny how tunes such as this get the interest of listeners right away"...And from WOUR's Tom Starr, "The collaboration is a refreshing format exclusive."

PETER GABRIEL, "SO", GEFEN... "Sledgehammer" wedges 5-2, again the week's play-up dominator with 29, and a max play leader with 81. Plus, Peter's exclusive phone franchise continues with a repeat at #1 Most Requested. And even without a driving wheel like that, the album would still easily qualify as one of the year's most ethereal delights, with "Red Rain", "Your Eyes" and the incredible Kate Bush duet on "Don't Give Up", all destined for world class airplay. His best overall effort ever and as soulfully satisfying as a record has a right to be.

EMERSON, LAKE AND POWELL, POLYDOR... Yes, we know the reaction write-up is below, but with a #1 Most Added showing for the 12", and all those great phone reports, we just couldn't bear to tighten up our coverage. And with that kind of industry and listener awareness, you can't play just one! We like "Learning to Fly", "The Score", and "Lay Down Your Guns". Welcome back old friends.

ISLE OF MAN, "AM I FORGIVEN", PASHA... The intro might suggest yet another slippery synthsingle—but get past the slightly cliched opening and you're a goner. Resist that cascading "Am I Forgiven" chorus and the best "ooh ooh oh's" since the Five Stair-steps? No way. Far and away our favorite new pop/adult crossover.

AC/DC, "WHO MADE WHO", ATLANTIC... Their best song in years gets their best start in same—with 46 fast adds and a #52 debut...WRCH's Wayne Summers calls it "The best in a while from these guys, proving they've still got what it takes to be classified as meat and potatoes rock"...WBLM's Robin Mathieu hears, "Their most accessible song to date, with immediate top 5 phones"...From WHJY's Glenn Stewart, "Song of the day, week, month, and even year—an absolute monster already getting mega requests"...Amy Bahlman says, "Their first solid shot since 'Back in Black'"...KZEM's Cindy Bailen states "Not a metal record!"...Best in a while was the word from WNEW's Mark Chernoff...WBCN's Bob Krane sez, "#1 most requested within 5 days"...Their best in years said KRNA's Steve Kosbau...and "Best in a long time" was how WXRK's Mark Diddle put it...Look for a phone check next week.

KENNY LOGGINS, "DANGER ZONE", COLUMBIA... The soundtrack scores our highest LP debut at #28, courtesy of 19 adds, 74 now playing and ups from KYYS, WCMF, KOME, KLPX, KSRR and 5 more...The 43-32 Song move places #5 in points, due in part to max mentions from DC101, WCMF, KQRS, KLPX, WXRK and KPMF.

BOX OF FROGS, "HEART FULL OF SOUL", EPIC... This week's #8 Most Added 17 station showing pumps the count to 43—with majors DC101, WHCN, WHJY, KATT, KMDD, WQVE, WLLZ and NLUP, and KGB, WNEW, KRQR, and WCCC heading the list...WQVE reports #1 phones with Greg Billis updating, "Top 5 phones this week have BOX OF Frogs legitimately at #1"...WPTA, KBER, WGLU, KLAQ, WBCN and WHCR also list "good" calls...Underlined 79-57. And just wait till you dip into brahim Parker's "Get It While You Can" and Ian Dury's hilarious "Average" (our fave).

Tips

PET SHOP BOYS, "OPPORTUNITY", EMI... We can only assume the perceived semi-novelty cum one-hit vibe on their lastoff single held the AOR roll call to around 60. Based on very active phones all around the circuit, we think it's waxy of you passed on a workable #1 CHR track. The LP's up to 700 K units, will probably go to #1, and a number of your competitors have been warning this baby up for weeks. KSRR, WSMC and KRQQ are already in—and here's your second chance to cash in on their far-real appeal.

DEVICE, "HANGING ON A HEART ATTACK", CHRYSALIS... Bandleader Holly Knight's songwriting credits include "Never", "Love Is A Battlefield", "Invincible", "Better Be Good To Me", "Pleasure And Pain", "The Warrior", "Change", and "One Of The Living" to name a few. You'll probably get the message on the first pass—and if not, keep pumping and you will. The odds are definitely in her favor.

THE BEAT FARMERS, "RIVERSIDE", CURB/MCA... Where the hell ya gonna find room! Picks on the front, tips in the back, all kinda new stuff all over the joint. That's a problem you rootsrock devotees had better start in on, cause one listen to beauty will have you raving "too much!" Dire Straits meets J. J. Cale. Dig it.

SOUTHSIDE JOHNNY & THE JUKES, "HARD TO FIND", ATLANTIC... Southside's patented combination of to's R&B, boogie-walk romance, and boss brass always equals rave-up party-down rock'n'roll and that's definitely the hype here. Jersey rock's never been hotter and count on max exposure from the 10th Anniversary Stone Pony broadcast. Stick it in and get your radio juke joint jumpin'. Southside's back, better alert the soul patrol.

Reaction Records Continued

ICEHOUSE, "NO PROMISES", CHRYSALIS... "Promises" ices another chart topping week; 14 play ups rank #5 in that vital stat, it's #3 Most Added with 15, the 29-23 Song Underline gives the LP our #2 National point and positions gains 15-18, with the 24-17 Metro Primer second in points and third in positions...Performing well phone-wise, too, with KLFZ, WQON, KXFN, KPOF, WQBF and WERC listing "excellent" calls, and "good" request activity at 21, including WIGT, KATT, KICT, WLVY, KRQQ, KGOV, KLAQ and KZEW.....Now on 10R reporters.

LOU REED, "NO MONEY DOWN", RCA... WAPL's Rick Parentt says, "It's great to see Lou on the verge of having his biggest record yet"...Looks that way to us, too: "Money" powers 37-31, with 11 adds, 92 to date, and ups from WTUE, KRMA, WIGT, WQBF, WERC, WAZU, WHFS and KZEP...The album totals reflect with the Back Page's third longest moves 32-18 and 35-31 Metro...CFNY's Don Berns asks, "Ever notice how Lou gets better and better. Some 'older' artists could and should take lessons from Lou on how to stay in touch with the times"...Or as WOFN's Dana Brown puts it, "He's right on track for what's going on musically with AOR today."

JOHN EDDIE, "JUNGLE BOY", COLUMBIA... The single count swells to 56 and this week's 12 adds includes hammers KID, K15W, WNR and WUP...KTXQ and KQME too 4 play increases, with WXRK, WDMA, WNEW, WRCN and WCCC among the top fivers, and "excellent" calls also at KATT, WQON, WMMR, KSJO, WCCC, WYSP and WQBF, and "good" reports from WAAF, WJZY, WKDF, KSER, KLAQ and 6 more...WNEW's Mark Chernoff says, "Jungle Boy" continues as our #1 request, and "Stranded", "Cool Walk" and "Pretty Little Rose" also sound great on the radio"...WCCC's Harry Allen adds, "After just one week, listeners are going nuts over John Eddie—quitting top 5 requests"...The LP debuts at #33, #30 Metro, with a 57-44 gain for the "Jungle Boy."

Automatics

FABULOUS THUNDERBIRDS, "WRAP IT UP", CBS ASSOCIATED... WJZY's Glenn Stewart knows the logical move—with the local CHR on "ruff lauff", it's only good programming sense to get on "Wrap It Up"... Or as KRTX's Ace Paladino puts, "Top phones should have you convinced to 'Wrap It Up' before someone else beats you to the punch"...And, you can't argue with the early phone check, with KZEW, KLAQ, WCCC, KGOV, WPLR, KRQQ, WIGT, KPCF and KLDJ already up to "excellent" and KSPD, WPDH, KNER, KICT, WLVY, WQBF, WRLI and 5 more "good" mentions...You can't miss 25 adds either, as well as ups from K15W, WRCN, KMET, KZAF and 3 more... "Wrap It" locks our third strongest 41-27 point build, moving the LP 17-14, Nationally (#3 points) and 20-14 Metro (#4 points). Now on 82.

THE OUTFIELD, "ALL THE LOVE IN THE WORLD", COLUMBIA... As noted by WLVY's Dave Lange, they have turned out to be quite the hit factory—now smash #3 stretches out with all the right moves! New on 12, upped on 6 and underlined 40-34...KRMA's Steve Furbau updates, "Can't say enough good things. Our research shows it to be even stronger than 'Your Love' at this stage of its development"...WKLC's Tim Smith adds, "The Outfield continues its outstanding performance with consistent top sales over the past several weeks."

ZZ TOP, "WAKE UP WITH WORD", WB... Kind of hard to miss this one, too. Howzabout 22 adds and the week's second longest 53-25 sprint! It's also the fourth rated point gainer...Uped at WRCN, WNEW, WDMA, KQME, KZAF and KQDS, and 4 or better emphatic at 23, including WLVY, WRCN, WJZY, WPLR, WKDF, WNEW, K15S, WITZ, KQME, WXRK, WRLI, KZAF, WYNN, OC101 and WAAF.

JUDAS PRIEST, "TURBO LOVER", COLUMBIA... Though it's only been the emphasis track for about a minute, the phone check reveals quick start listener interest. WPYX, WIGT, KUPD, WKDF, KMET, WAQX, KNER, KFMG and KQZZ list "excellent", with WJZY, WDMA, WPLR, KLAQ, WRCN and 5 more "good" reports... New on WPLR, WLVY, KLAQ, K15X, WRCN, KFMG, WJZY and KQML, upped at KMET and WDMA. Now on 32, including WERN, WLLZ, KLD5, KQME, KGB, K15S, WQCK and KLAQ.

JACKSON BROWNE, "SHAPE OF A HEART", ELEKTRA... The facts speak for themselves: #10 Most Added with 14...Now on 88...Uped at WLDJ, KZAF, KQON, KZY, WQDU and WHPD...Now max on KUPD, KRQR, KQCD, WUP, KZL, K10 and KXPK...Underlined 31-20.

ROBERT PALMER, "HYPERACTIVE", ISLAND... At this point the name carries as much clout as the song—and the early phones prove it. They're "excellent" at WDD, WQIZ, KRQQ, KPOI, WEZZ and WQON, "good" at 20 more, led by WIGT, KRMA, KATT, WJZY, WQON, WLVY, WPLR, WCCC, WSKS and KZEW...Now on 91 with 11 adds, 9 max and ups from WTPA, WQY, WPDH, WRCN and WHPD...Prime 26-22.

BOC, "PERFECT WATER", COLUMBIA... Based on the Checklist, here's a follow up to bet on. Pape Lopez sez, "Should have been the first single"... "Great sounding record" comments KSRR's Warren Williams...KLAQ's Ben Anthony tells us "The LP version was good and the remix is even better"...From WQEU's Garrett Hart, "Great LP track with good early response"...Their best in a long time" says KZEP's OYER... "Great remix" reviews KRU's Andy Preston... "Blows me off my chair" came from WQEM's Dana Brown...WAAF's Russ Novita praised the "interesting guitar hooks"...And KISS' Tom Schoppek calls it "One beautifully perfect song"...On the ladder at #58, with new air on KZEP, KPOI, KLAQ, K15S, K10, WQIZ, WQBF and 4 more.

INXS, "LISTEN LIKE THIEVES", ATLANTIC... Looking especially healthy in max mentions and play ups. "Thieves" closes in on top 10 play with a 14-12 Primer. 14 increases include WAQX, WYWF, KSHE, KSJO, KRQN and KZAF (with only 3 decrease), with the 19 station max column boasting WLE3, KTXQ, WYWF, KLDL, KRQQ, KRQN, WCCC, WAAF and WUP...Now on 6, now on 114. Also check the 15-13 LP underlines.

TURBO LOVER

Buzzbands

GLASS TIGER, "THIN RED LINE", MANHATTAN. Tim Smith, WKLC, sez, "Out of 25 records we listened to last night, the one standout was Glass Tiger. Good arrangement"...Gosh, the same thing happened here at FMQB, and look--up in the sky--7 more adds, ups at WRUF, CILQ, KRQU and a debut at #87. Now on 24, including KRQR, WAAF, WDHA, KBER, KTXQ and KZEP.

BRUCE HORNSBY, "EVERY LITTLE KISS", RCA. Pay close attention--at the rate interest is intensifying, it's time to take a much harder look. Builders include KATT, WAAF, WLAV, KZAP, WOUR, KRKE, WXRC, KKFM and WAQY--with 25 total, and no droppers reported...New on KOME, KILO, KFMM and WWZU, with ups from KMET, KAZY, WNOR, WOUR and WXRC...The 75-58 Song move is our third strongest, giving the Lp our second longest 47-40 Underline...WRDU's Bob Walton says, "If you want good, melodic, upper demo music, please check out Bruce Hornsby"...KBCO's Doug Clifton adds, "The Hornsby is beginning to develop a retail story behind it, and Bruce continues to be our hottest phone item."

The Smitereens will blow you to bits if you let them"...KFMQ's Bob Allen adds, "I'm still in search of one person at this radio station that doesn't like the new track on first listen"...WTOS' Duane Sherman quips, "They have a real haunting sound with the leadoff 12" kind of like the Doors meet the Femmes--on ludes"...WBLM's Robin Mathieu says, "Great shot!"...From WAQX's Amy Dahlman, "Good, raw garage sound. And from WBCN's Bob Kranes, "Straight ahead, hooky, belongs on the radio."

THE BODEANS, "FADEAWAY", SLASH/WB. It's still early to be finding big phones, sales, etc., but we think their good raw sound has a definite future, and were encouraged to find at least 11 actively considering this week...WFNX's Bruce McDonald reports, "Those fabulous BoDeans generate serious phones and hold their own with the Alarms, Lou Reeds and Peter Gabriels of the world. The Lp has proven itself on our airwaves"...New on WXLP and WHMD, with WNOR, KPOI, KBCO and WHFS upping... Already on at KGON, KLAQ, KYYS, WSHE, WBAB, WLIR, KILO, WMGM and more. Underlined 91-79, bringing the Lp on at #49 Nationally.

ERIC JOHNSON, "ZAP", WB. The cut spread on this guitar whiz has made it tough to nail down a track, but "Zap" appears to be that rare instrumental with phone punch, as noted by KISS' Tom Schepke, "Try it--guaranteed to get immediate phones with that 'Dixie Dregish' sound"...From KRIX's Ace Paladino, "'Zap' is turning into the sleeper track of the year. Top 5 phones right now"...From Inessa York, KGON, "'Zap' is a rock radio signature piece"...And from the ZOO's Cindy Bailen, "The Eric Johnson record shows good sales in Dallas"...Also check out "Off My Mind", up 95-92, with ongoing play at KLAQ, KTXQ, KZEW, KMOD, WBAB, KOZZ, WQFM, KILO, WMGM and more.

THE SLUGGERS, "OVER THE FENCE", ARISTA. One of the best power trios to emerge since Producer Terry Manning and his two accountants, The Sluggers get to first this week on KRIX, KLBj, WTOS, WDHA, WEQX, WTCS and WLNZ, with a surprising Checklist reaction: WKQQ's Rob Ellis cites the "Good Nashville sound"...To WLNZ's Cathy Down, it's "Love at first listen"...Instantly catchy" said WBAB's Ralph Tortora...WOUR's Tom Starr says, "Good format exclusive"...WMGM's Mike Boyle hears a "homerun"... And "Good roots rock" was the review from WAAF's Russ Mottla.

ROB JUNGKLAS, "BOYSTOWN", MANHATTAN. Another good Checklist here, with 17 building and considering...Moving up at KLPX, WCCC, KZAP, WXRK, WKQQ, WDHA, WIOT, WBCN, WAAF, WKDF and WXRC, with 21 maintaining...New on WRDU, WIOT, and KMBY, with KRQR, KZAP, WNEW, KATT, and WRUF among the 8 play-ups and no play decreases reported...The song Primes 50-46, with a 38-34 National album Underline.

FRANKIE MILLER, "DO IT 'TIL WE DROP", MERCURY. KSRR's Warren Williams was one of many mentioning his personal regard for this artist and song this week, as the tune many picked from day one landed fresh air at WYSP, WMMR, WHJY, KISS and 3 more...WXRC's Greg Mull calls it "My favorite add of the week"..."Best cut from the Lp" said WXRK's Mark DiDia..."Love that heavy funk" came from WBAB's Ralph Tortora...And "Give it a chance" urged WSKS' Marty Bender...Last week WKDF's David Hall raves about the track, and this report updates, "Instant phone response here."

JEAN BEAUVOIR, "FEEL THE HEAT", COLUMBIA. We told you so's are the tipsters' favorite tortures and we're gleefully building our case on Mr. Beauvoir's rock 'em sock 'em Heat treatment. From his road and record work with the Plasmatics right up to production chores on the latest Ramones album, you'd better believe he can do it all--and has. Didja notice the adds at KSRR and WAAF?

WILD BLUE, "FIRE WITH FIRE", CHRYSALIS. the on-column holds at 29, with a most credible call letter read out: WLUP, KTXQ, KISW, WQFM, KGB, KOME, KSJO, KMOD, WSKS, KSRR, WLLZ and KLAQ included. Note the Lp debuts at 49 and 44, and this week's third longest 86-69 Song Index climb. KSJO's Ken Anthony reports, "Showing good initial reaction. It's a great summertime rock and roll record, and Renee Baro sings with a lot of enthusiasm."

RUBBER RODEO, "SOUVENIR", MERCURY. This week's adds at KTXQ, KSRR, WNOR, WCPZ and KZEL and ongoing play at WIYY, WNEW, WHJY, KBCO, KAZY, WZZO, WEZX, WHFS and 13 others should tell you this rodeo's for real. WMRV's Ted Habeck pegs it, "A record we expect to do well with"...WQBK's Peggy Apple seconds with "'Souvenir' is currently tugging at my heart strings. Don't toss that one off." This Ken Scott produced, Fleetwood Mac flavored dish could be this year's big American export to break overseas, so pay attention. Advancing 100-90.

Double Shots

JOE COCKER, "YOU CAN LEAVE YOUR HAT ON", CAPITOL. The new single is already teasing the request lines--with good calls at KMET, WHCN, WIOT, WAAF, WKDF, KLAQ, WRUF, KICT and 5 more...We're looking at a 54-43 Song jump behind 8 adds (KRQR, WRKI, WGLU, WPLR, KRKE, WAQY, WXRC, WWCT), and ups from KMET, KLOS, KWHL, WIOT and WHMD...Now on 52 stations, with KZEW, WLUP, WLLZ, WNOR, WDHA and KAZY, KBCO and WTUE among those listing "4" or better rotation.

THE CALL, "EVERYWHERE I GO", ELEKTRA. If, like us, you had initial hesitation based on the rather repetitious song structure, it's time to rethink. Their unorthodox hook is working everywhere it goes on. Builders include WIOT, WKQQ, KUPD, KQRS, WEZX, WLBM, KLBj and WXRC--and we found 21 considering. New on 11, including KRQR, WQBK, WMGM, WIOT, now on 37 and upped at KMET. Also note the 92-66 Song Underline is that chart's biggest jump...KOME's Candi Chamberlain vouches, "The Call record is doing extremely well for us. It sounds fabulous on the radio and is getting good phones."

OZZY OSBOURNE, "LIGHTNING STRIKES", CBS ASSOCIATED. There's smoke and fire on the phones, with "excellent" response at WIOT, KUPD, WXRK, WHJY, KLAQ, WPLR, WBLM and WXRC...And "good" calls reported at KMET, WSKS, WCCC, WDIZ, WKDF, WAAF, KATT, WPYX, WDHA and 5 more...It's new on KSRR, WCCC, WLAV, WLNZ, WRUF and KRNA, and that KMET increase helps out the 62-53 advance...Now on 45.

AEROSMITH, "DARKNESS", GEEFFEN... Why, look what the Most Added list dragged in! It's the new Aerosmith track with 15 out of nowhere believers...KZAP's Bill Prescott says, "This is one of the best Aerosmith cuts that never made it onto the 'Done With Mirrors' album until now (it was always available on CD and cassette). It will join the other great songs on future copies of the Lp"... KISS' Tom Scheppeke adds, "Smart move to release this track. Its got that signature 'Toys In The Attic' Aerosmith sound."

JIMMY BARNES, "I'D DIE TO BE WITH YOU TONIGHT", GEEFFEN... Track #3 scores quick builder status at WQFM, WYNF, WXRK, KLAQ and KLBJ, with 28 hot to trot at the considering gate...New on 8, including KLPX, WQFM and KOMA, where Candi Chamberlain says, "The follow-up is going to be a smash. It's been a while since I've heard anything as refreshingly honest. There's something about that man's voice that makes him totally believable"...New at #88, with WDHA, WXRK, WKDF, KMET and KMOD among those already playing.

WAX "BALL AND CHAIN", RCA... The leadoff track performed admirably, though heavily pop/R&B targeted. Many of you liked "Ball And Chain" out of the chute, and you'll love this thoroughly reworked and righteously rough remix.

Builders

THE MOODY BLUES, "YOUR WILDEST DREAMS", POLYDOR... The top 5 calls continues to pile in--motivating a 3-2 Most Requested gain...Although the Gabriel move pushed the tune back a notch 3-4, it's clearly still gaining with 14 increases, 74 max, and our 5th best Lp point gain with an Underline at #5..."The Other Side Of Life" points up 48-42 with 2 adds, 3 ups, and 47 to date.

38 SPECIAL, "LIKE NO OTHER NIGHT", A&M... Here, also, the 2-3 "slip" is strictly a function of chart mechanics. This record is building thru the roof. Try our #3 ranked 21 increases, 79 max, and a #6 album Underline. "Somebody Like You" is new on 6, including KQRS and WPLR, now on 44, and upped at KSHE...Underlined 56-48. Time to go back for another listen to "Heart's On Fire", debuting at #98. Hear it on DC101, KOMA, KQRS, WFYV, KLOS and WOUR.

GTR, "WHEN THE HEART RULES THE MIND", ARISTA... This one's up or underlined everywhere. 6-4 Most Requested. 8-7 on the Song Index...And Prime at #7 National and Metro...The single rolls up our second best 26 increases, with 46 now max..."Jekyll And Hyde" Primes 77-62 with 4 adds and 30 total, and "The Hunter" bags a 96-89 advance with WYNF upping and KISW, KRKE, KATT, KILO and WOUR among those playing.

DANNY WILDE, "ISN'T IT ENOUGH", ISLAND... Judy McNutt tells us it's now closing in on top requested status at KMET...And we were pleased to hear KOMA's Candi Chamberlain call Danny "Another relatively new artist bound for great things"...KLOS, KOMA and WPDH add this week, with KMET, WKLC and WWZU upping...The tune's building at WGLU, KATT, WXRK, WDHA, WQFM, WWZU, WMGM and, of course, KMET with none dropping and 23 considering...The Lp advances to #47 in the Nationals, debuts at #50 Metro, with "Enough" squeezing out an 84-72 Underline.

GIUFFRIA, "I MUST BE DREAMING", CAMEL/MCA... One of the classiest remakes of '86 walks in with adds at WKDF, WNOR, WIOT, CILQ and WGIR, and ups at KMET, WDHA, WSKS, WLNZ, WHMD and WWZU...Top 5 phones include WCMF, WYMG, WPDH, KILO, KUPD, KPOP and KRNA..."Dreaming" pushes to #29, pulling in the second strongest 30-24 Metro album advance, and 28-25 National progress.

HOWARD JONES, "NO ONE IS TO BLAME", ELEKTRA... 88 adds to date ain't kibble, but as we've said before, this made-for-dayparting masterpiece should be across the board by now. It picks up the 21-19 Primer, with ups at WNEW, KLAQ, WDHA, WIOT, WCCC and 6 more, with the album Underlined at #20 in the Nationals.

BOB SEGER, "LIKE A ROCK", CAPITOL... Yeah, a rock the size of Topeka. Imagine if you will a 6-1 Airplay assault--complete with 5-3 Most Requested progress...The new single runs up our 4th best increase count with 18, with max play now on 83.

HONEYMOON SUITE, "BAD ATTITUDE", WB... Expect it to fill in quickly from here on in, what with 10 adds in this week and 22 in the previous two...Key adds this report include KYYS, KLAQ, KLPX, WIYY, and WPLR, with ups from WLAV, WAQX, KZAP and 4 more, along with top 5 phones at WTKX, WRUF, WLNZ, WQMF, KOZZ, KSJO and KRKE...Underlined again, 32-26.

JOE JACKSON, "RIGHT AND WRONG", A&M... Just a quick check in on the old up vs. down ratio...You like 12 up (WKLS, WPLR, WDHA, KAZY, WNOR, KSJO, KMET, KQDS) vs. 3 (WTPA, KATT, WCMF) down? And 19 max? We thought so.

VAN HALEN, "DREAMS", WB... Thought most of you are already on the case, be advised that "Dreams"'s 12-6 Most Requested surge is that Index's strongest move, with a corresponding 11-9 Airplay Underline behind 7 adds and 13 ups.

JOURNEY, "GIRL CAN'T HELP IT", COLUMBIA... And, of course, this is the one to go for from their latest collection. It's new on WQFM, KLOS, KNCN, WBAB, WRXL and 4 more, with plenty of major muscle among the 13 increasing--WKLS, WHJY, WCMF, KMET, WCCC and WRIF most notably. Now max at 23.

POLYGRAM ENLISTS LONCAO, SMITH FOR REGIONAL POSTS; RASCONA, TOBIN TAKE NEW ASSIGNMENTS

Hot on the heels of Mr. Recordhead growing from a single Lp to a box set, PolyGram has completed the final mixdown of its regional promotion staff. Assuming the position of Midwest Regional Promotion Manager is ex-New Avenues Music man Dave Loncao. Described by Director Pop Promotion David Leach as "A top rock radio specialist", Loncao's presence gives the label regional direction in the Midwest for the first time in 3 years. PolyGram's local promo managers in Chicago, Detroit, Cincinnati, St. Louis, Kansas City and Minneapolis will report directly to Dave, who remains based in Chicago. A former WIOT, Toledo PD, Loncao has previously worked in local and regional capacities for MCA, RCA and Arista.

"One of the finest promo men ever to come out of the South." That's the Leachman's rap on new National Singles Specialist/Southeast Southwest Regional Promotion Mgr Billy Smith. Starting his career at ABC Records, Smith went on to cover national singles at Elektra/Asylum, and directed West Coast promotion for RCA before heading up his own southeast independent promotion firm. Based in Atlanta, Smith will cover local Atlanta along with overseeing promotion in the Carolinas, Nashville, Florida, Dallas and Houston.

Meanwhile, Dallas Promo Mgr Pat Rascona returns to his native New York as the local Fun City recordhead, while Neda Tobin ("one of our bright upcoming local people") transfers to Dallas after a year in PolyGram's Charlotte region. "With these appointments, PolyGram's promotion team is now in place" concluded Leach noting a May 19 effective date.

Late breaking news at PolyGram has National Mgr College Radio Promotion Jack Isquith upping to National Mgr Rock Radio Dept. Word is Jack will work with secondary stations in addition to college/alternative, along with assuming additional duties. Look for the official story, here, next week.

MAGLIA WINS ISLAND PRESIDENCY

Lou Maglia is now in place as President of Island Records. Lou's 11 years at Elektra/Asylum culminated in an Exec VP position in 1984. He left Elektra last November.

Maglia couldn't be joining Island at a better time. The label is just coming off a #1 single from Robert Palmer, Island's second #1 in it's history. FMQB quizz: Guess Island's first #1 and win a date with Lou O'Neill, Jr. at Mr. Chow's.

WMAD RETURNS TO AOR; LIONEL RITCHIE RECORDS TRASHED

1986 is proving to be a pivotal year for new AORs. But will it also be remembered as a time that many format defectors returned to the fold? Recent rock realignments at WFXR, Memphis and now WMAD, Madison suggest it might. WMAD, synonymous with Madison AOR in the 70's, pulled the plug in favor of satellite AC in December of '83. By February of last year, new owners Blackburn and Blackburn has switched to live AC under VP Operations Tom Teuber. But over the past several months, the station has been instituting special weekend programs like the Quiet Hour and Jazz Sundays, and has slowly evolved into an adult AOR approach. "The Lionel Ritchie records were sounding more and more out of place" sez Teuber, whose background includes WCMF, WPDH, WGRQ, WLVQ and WMET. "We made the decision to take all of them off and make a clean statement that we are, in fact, an adult AOR." Targetting for 25-34 adults, 'MAD uses "singles, album cuts, some jazz, some new age, lots of classics, but NO heavy metal" according to Tubeless. Eclectic artists like Paul Winter and Hiroshima enjoy regular rotation alongside more mainstream acts. "You'll find us harder and more familiar than Sebastian's New AC, but some of the elements of his format are similar to ours."

Replacing Steven Clean (now heard on KZEW) is new morning man David Anderson (from middays). David's 8 years in Madison radio date back to WIBA in its freeform period.

HARRIS EXPANDS CONSULTANCY; HIRES CHRIS GABLE

Less than a year after its inception, Harris Communications has announced expansion into multiformat consultation. The Philadelphia based firm has brought on board WWLI-WEAN, Providence Station Mgr Chris Gable as VP/Programming. Gable will direct the diversification into AC, Country, CHR, Soft Rock, and Nostalgia formats. "The focal point of the company will remain Adult Rock, and we will continue to build that format" explains company President George Harris. "But we have had many requests from radio stations for consultation services in formats other than Adult Rock."

Gable, a former Program Manager at Miami AC WAIA (82-85), Op Mgr at Country WRKZ, Hershey (80-82), PD at AOR WKLC, Charleston and air talent at WMGK, Philadelphia and WYNY, NY told FMQB, "I'm thrilled to be joining Harris Communications. The firm already consults the #1 and #2 Adult Rock stations in America (WNEW, WMMR). Now we'll be able to provide the same kind of winning strategies to aggressive broadcasters in other formats." Gable started May 12th.

QUOTE OF THE WEEK

"Yeah, we're writing the new album in Niagara Falls, why don't you drop over sometime"--Helix lead singer Brian Vollemer in a recent WSMI/Capitol press release.

ATLANTIC SETS NEW LOCAL AND REGIONAL STAFF; RCA BEEFS UP

Atlantic has all but completed filling those local promo openings produced by the advancement of 4 local reps to newly recreated regional posts. Tackling the Houston/New Orleans territory is former KSRR Asst. PD, Michael Stevens. He tells Dr. Dirt, "Going from one side of the desk to the other will be very educational. I had a tremendous career in radio and I'm looking forward to an even better one in records." Stevens replaces Kim Stephens recently named Southern Regional Pop Promotion Director.

The local Cleveland gig goes to---dat da daaahhh--the envelope please--WCPZ MD Kevin Young! "I don't want to hear any of you New Yorkers or West Coasters moan, 'who would want to live in Cleveland?' It's a great town" quips Kevin. "Everybody at Atlantic knows how excited I am to be working with them." Kevin picks up the turf formerly covered by Bob "Buckethead" Clark, whose new title is Midwest Regional Pop Promotion Director.

New to local Atlantic, New York is John Weston from a similar post at PolyGram. John replaces Bruce Tenenbaum, who now heads up Northeast Regional Pop Promotion.

Local Boston belongs to Don Maggi, formerly with John Scher's Monarch Entertainment. Rock Allan Thibble checks out of San Francisco and into L.A. for local duties there. Rock succeeds Mark Gorlick, who currently pilots West Coast Regional Pop Promotion. The local San Francisco job was open at press time.

Updating Promo Dept changes at RCA: Atlantic Assoc. Director National Singles Lisa Velasquez-Nuzzo takes on RCA National Promo Mgr, CHR: RCA Coordinator Album Promotion Rhonda Herlich-Dorfman segues to National AC Promotion. New to local promo positions at RCA are--Houston: Skip Bishop; Cincinnati: Pete Spasoff; Dallas: Mila Collins; Nashville: Bobby Hurt.

NBC HIRES HUGHES AS MGR PROGRAM ADMINISTRATION

WIOT PD Michael Hughes joins the NBC ranks as Manager, Program Administration, NBC Radio Entertainment. "We were looking for someone at the receiving end of the network with that fresh point of view that someone in the field could bring us" explains NBC's Frank Cody. "And Michael's always been vocally forthright in telling us exactly what he wanted from the network."

Now Michael's counting on affiliates to be as open as he was when it comes to offering input to NBC. He tells us one of his objectives is "to give the network more of a local perspective. I'll be working on finding out from PDs around the country what they want and how to give it to them. To join a network team with such a strong commitment to excellence and such high standards is very challenging."

In his three years at WIOT, Hughes advanced from weekend air talent to PD, taking the station to a 15.3, 12+ in the latest Birch report. NBC Radio Entertainment is a new expanding division of the network that supplies a broad array of programs, ranging from "Dr. Ruth's Sexually Speaking" to "The Jazz Show With David Sanborn" to "Legends Of Rock."

LEE'S NEW ERA: ATMOSPHERICS, INSTRUMENTALS, AND NO VOCALS

After hearing rumblings of an imminent Lee Abrams New Era format, we contacted B/A/D/E's Dave Logan for this New Age update:

PAUL HEINE: Is the format currently on the air?

DAVE LOGAN: Not yet. We've had some inquiries, and we're looking for a station in a major market.

PAUL: How would you describe New Era's sound?

DAVE: It's an atmospheric format devoted exclusively to New Age music with some jazz. All of the music is instrumental. It targets 25-54, with a particular lock 35-44.

PAUL: Is New Era similar to John Sebastian's New AC?

DAVE: No, there's no similarity. You won't hear any James Taylor or soft rock or pop. And there are no vocals with New Era. You will hear lots of music from the Private Music and Windham Hill labels. Artists like Tangerine Dream and Patrick O'Hearn's new record 'Ancient Dreams' are particularly well suited to the sound we're looking for.

PAUL: Won't the specialized nature of the music limit the format's appeal to a small group of musically sophisticated listeners?

DAVE: No. AOR fans will be able to appreciate it for its progressive sound. But you don't have to be musically sophisticated to enjoy it. It's mostly a mood station, a totally passive format that can act as a very comforting background service. It's atmospheric in the way that beautiful music is.

PAUL: So is it some sort of audio wallpaper?

DAVE: No. It can be enjoyed on a foreground level if the listener so chooses. The artists certainly are musically sophisticated enough for that. It can be used as the perfect background or the perfect foreground.

FMQB WELCOMES NEW REPORTERS: WMRY, ST. LOUIS; WBGK, MILWAUKEE; KKFM, COLORADO SPRINGS

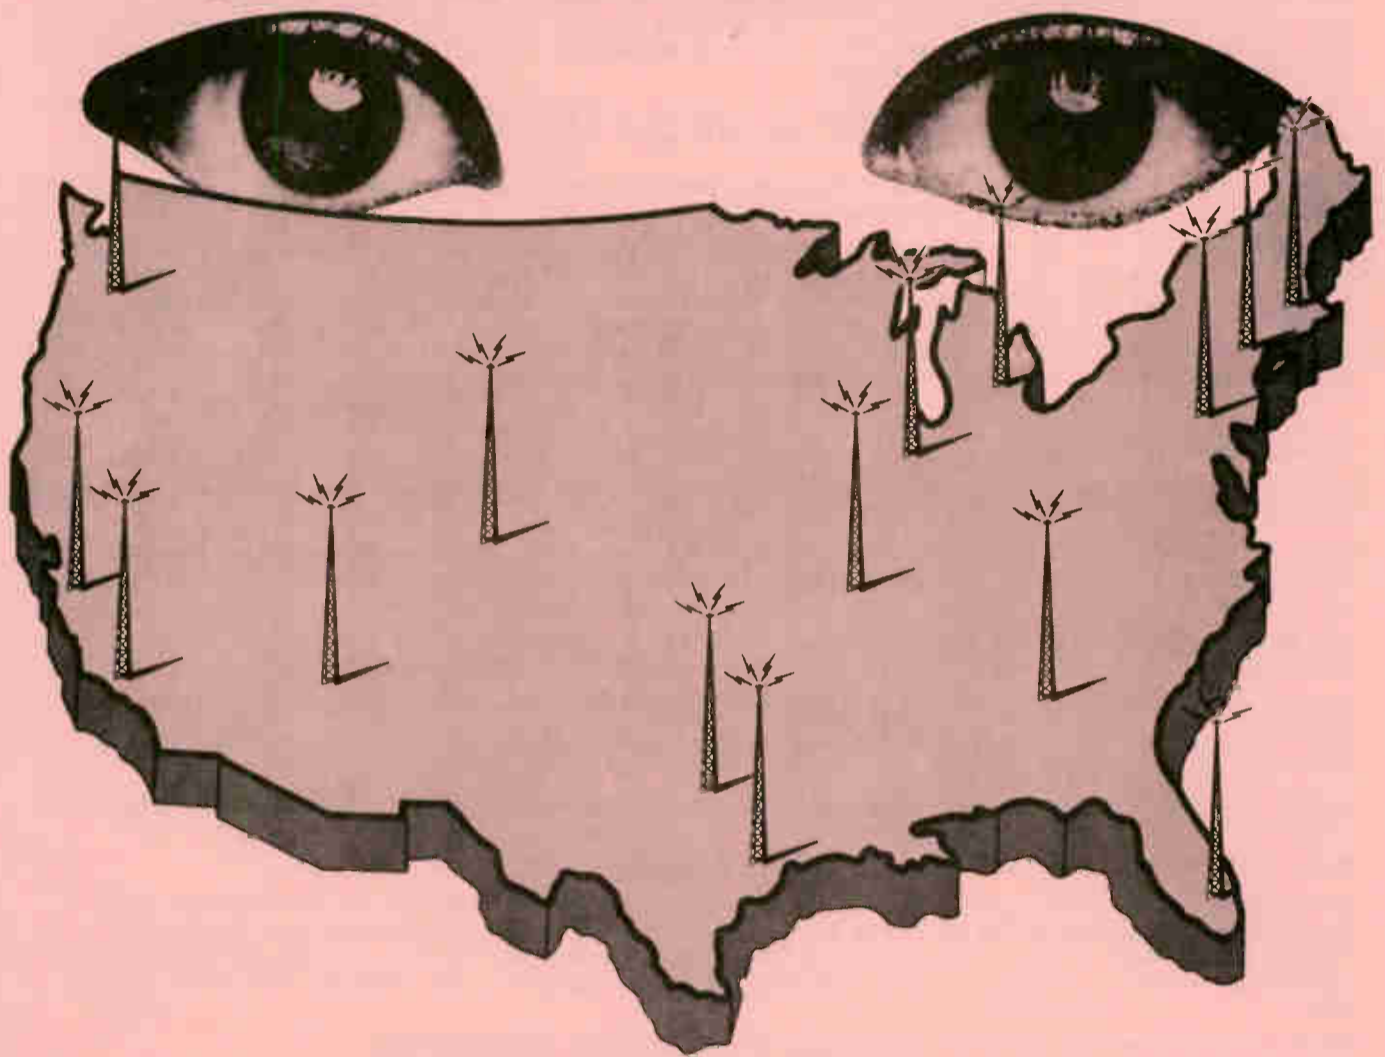

From WMRY MD Ted Habeck: "Thanks to FMQB for giving us our first crack at being a major market reporting station. Everyone here is very excited and I'm real glad to be back doing what I'm doing. We're taking a stance and exposing the market to many artists that haven't been played here before a la Del Lords, Blow Monkeys and Rubber Rodeo."

From WBGK MD Randy Stewart: "We're a John Sebastian consulted station. We kicked off our new format April 1. The lineup is: Mornings: Jeff Peterson (formerly of WQFM, Milwaukee); with Dave Jonasen handling news. MIDDAYS: PD Alan Lawson (ex-PD at WGRX, Baltimore). Afternoons: Yours truly (from WZUU). Nights: Brian Jarrett (ex-morning man at KTCZ, Twin Cities). Overnights: Kathy Hart (ex-WZUU). We deal with a wide variety of music and the initial response has been excellent. A special thanks to A&M, RCA, Capitol, EMI and PolyGram for help beyond the call of duty. A reminder to all labels: We need service on all AOR, pop and jazz product."

From KKFM PD Mark Seger and MD Kelly Thomas: "96.5 KKFM Colorado classics is pleased to be a member of the FMQB. What is Colorado classics? First of all we want to emphasize we are not an oldies station. We are an adult-oriented album radio station playing the best rock and roll of the 60's, 70's and 80's as well as today's best adult rock. Thanks to those of you who have been providing excellent service in the past. Please review our mailing status as we need to be added to the AOR mailing list. Especially appreciated is artist service that appeals to 25+. If possible, send us a CD catalogue as we are playing a great deal from compact disc. We look forward to hearing from you. Power segs to you all."

WZZO STEALS WRKI's MORNING TEAM; STEINBERG HANGS WITH NURSE RATCHET

WRKI breakfast flakes Mark Devine and Tim Scott sign up for wake-up duties at WZZO beginning May 27. The two replace morning man/Promotion Director Dave Richards who has bailed for a Promotion/Marketing Director slot at WBAB, Long Island. "Mark and Tim's tape blew me away on first listen and I'm sure the market will have the same reaction" sez PD Gene Romano.

That puts WRKI PD Buzz Knight in the market for a topical quick-witted individual or team with strong production for mornings. Buzz is handling that shift until it's filled.

We tried calling Rob Steinberg at the Philadelphia hospital where he's recuperating from an auto accident. Instead we got this message on his answering machine:

"Hi, this is Rob. I'm not in right now, I'm in physical therapy but I'm doing much better. So, if you want to leave a message do so when you hear the tone and I'll get back to you just as soon as I get back from Nurse Ratchet and all the crazies down in physical therapy...Beeeeeep" An answering machine on a hospital phone? Could a secretary be next? Rob did get back to us. He's being released on Wednesday (21st) and hopes to be back in action within 2-3 months. Until then, send your cards, letters, cash donations, stripograms, etc., to: 521 Revere Road, Merion, PA 19066.

DIRTY LAUNDRY

KFMX, Lubbock hires Gary Winter as PD from crosstown KRLB as Wes Nessman steps down to Asst.PD; Bill Bateman remains as MD.

WDVE, Pittsburgh imports Laurie Githens (ex-WBAB, WGRQ) for a newly created news position. Laurie will do morning news with Jimmy Roach and Steve Hansen along with producing rock news and entertainment features to run in afternoons.

DIR Broadcasting names Lauren Karasyk Director of Talent Acquisition. Lauren's background includes A&R positions at CBS and MCA, and a stint as Director of Client Relations for Gene Simmons and Paul Stanley.

George Silva (ex-Warners, Motown, Schwartz Btos.) is the new EMI ace, Philly style.

WCPZ PD Randy Hugg has assumed additional music duties as a result of Kevin Young's departure for Atlantic. The air lineup is being rearranged to fill Kevin's afternoon drive slot.

Comedy producers Stevens and Grdnic are now doing comedy consultation for radio stations. For more info, contact All Star's Merrill Barr at 213-850-1169.

Music calls at KQWV, Fargo are now being taken by Greg Steel.

In response to mega giveaways on other New York area stations (WNEW is giving away 8 Porsches), WLIR, Long Island has schemed up the 92.7 Cent Giveaway. Listeners are eligible to enter the giveaway by calling on the morning show. When Mark from Commack won, he shouted, "Oh Mom, now you can get that hair removal operation", and when Christine from Port Washington cashed in, she shrieked, "I'm gonna quit my job."

Buy a birthday brew for Columbia's Jim McKeon (5/21) and WMMR's Ted Utz (5/22).

Michael J. Calhoun has been upped to Station Manager from News Director at WIZN, Burlington.

Matt Effkin former MD at KFMQ, Lincoln has rejoined the station as a parttime air personality.

New to K-Rock (WXRK, New York) weekend mornings is Robert Benjamin.

Loretta Crawford has been awarded the MD post at WCLZ, Portland, ME.

Now on WRKI, Bridgeport nights is Nick Danger. (3rd Eye?)

Now doing mornings at WRXL, Richmond is Jeff Currey, formerly of WTUE, Dayton.

Scott Jordan leaves WMS, Cleveland for afternoons at KSTM, Phoenix.

WKGR, Ft. Pierce has undergone a facelift. New additions to the staff include: MD Julian Wright, midday personality Sharon Sutton, afternoons Randy Luce and Scott Free, and overnight man John Ford.

New to KWHL, Anchorage are Jennifer Thompson and Bob Buchanan.

DIRT ALERT!

PEOPLE AT EPIC RECORDS are eagerly anticipating the soon-to-be-released soundtrack from the movie "Ruthless People" starring Bette Midler and the diminutive Danny DeVito. The first single that the label will rush out is by none other than Billy Joel. Word is that it will be cross-released, and the track will also be featured on Joel's forthcoming Columbia Lp. In addition, insiders say Mick Jagger will contribute a tune, as will Bruce Springsteen in the form of "Stand On It", a most-requested 'B' side from 1985. Watch for other new material, including something from Luther Vandross and Dan Hartman, as well as several other artists.

IT APPEARS TO BE more than mere rumor that Eric Clapton and Lionel Richie are really working together, especially on the song "Tonight Will Be Alright", a tune from Lionel's Lp on which Eric plays monster guitar. Meantime, Tina Turner took some time off from her holiday to add vocals on two of Eric Clapton's tracks for his next Warner Brothers album. He'll do the same for Tina.

DETROIT'S TED NUGENT made his debut as a guest on the Dr. Ruth Westheimer talk show last Wednesday. Ted called Dr. Ruth "an incredibly sexy woman." And, The Nuge added after the taping: "Life is one big female safari and, in my opinion, Dr. Ruth is my guide and outfitter!"

SOUTHSIDE JOHNNY has just returned to the road. Watch for his new project to be out momentarily on Atlantic Records. This week Johnny is at the Air Force Academy in Colorado Springs (5/17). He then ventures to Fast & Cool in Dallas (5/19 & 20), and moves into Rockefeller's in Houston (5/21). Other dates on this leg of the tour include Asbury Park, NJ (5/30) and a date at the Garden State Arts Center, tentatively set for this July. If Southside Johnny is booked into the Stone Pony in Asbury Park, NJ, on Friday night, May 30th, who's to say the man known for his electrifying surprises - Bruce Springsteen - might not show up? We are not privy to any inside information. It's just a thought.

415/COLUMBIA recording group Translator is continuing on tour in the U.S. for the first time in more than two years in support of their fourth Lp. The first leg of their tour -- which concentrates heavily on college towns-- extends until the 3rd week of June. Their Lp "Evening Of The Harvest" comes close to capturing the spontaneity of Translator in their favorite environment - a live performance. The Lp could be a real sleeper.

SPEAKING OF VAN HALEN, we understand the guys pulled Sky Daniels on stage last week in Detroit, when Sammy Hagar enticed the radio "doctor" to join them on their classic, "Jump". Sky did it, and we understand he cut quite a figure. Meantime, according to our sources, watch for Van Halen to do just a minimal amount of the old classic material, but really concentrate on meat and potatoes from the new album, including: "Best Of Both Worlds", "Why Can't This Be Love", "Get Up", "Love Walks In" and, of course, "5150". Van Halen has never sounded finer.

LATEST ON THE SALES of Bruce Springsteen's album "Born In The U.S.A.": Well....it is now just over 10 million copies. It has had a sensational run of nearly 120 weeks on the Billboard charts.

PEOPLE SAY renowned session guitarist Chris Spedding is back in a New York City recording studio working on a top secret project. The man can make the guitar do just about anything he wants, and has backed up some of rock's luminaries, among them Paul McCartney.

THE HOOTERS have landed the front cover of the June issue of Creem Magazine. Yes, Creem is back, newly revitalized and newly bankrolled by Publisher Arnold Levitt. WHY ARE THESE LADIES AFRAID OF EDDIE?

Word that Nancy Reagan did not want Iron Maiden to perform at the now cancelled concert That Counts and the band's inclusion on a PMRC non-favored list prompted this Eddie goes to Washington cartoon. Kind of like Heavy Metal's answer to Gary Trudeau, dontcha think? Or maybe J. Frank Wilson of Zap fame.

STICK EM UP!!..Major in-house yuks were had by all, thanks to this collector's itme Heart Cleavage Tour pass. We're not sure who's left or right, and we can't tell if this is in fact an "all access" pass.

IT'S A GAS! GAS! GAS!!..The recent drop in gas prices has given motorists reason to celebrate, but free gas is even more reason, and WKLS hosted the celebration April 17. KLS offered a 9,600 gallon giveaway intended to last 6-7 hours. But police revoked permission for the giveaway after approximately 5,000 gallons were pumped and traffic was backed up for miles in all directions. Said PD Bill Wise, "Guess we did our job too well!"

IS IT THE REAL LOU or the Godley and Creme Clonatron? Lou Reed made a rare national radio appearance on Westwood One's Line One last month, chatting with co-host Carol Miller and listeners across the country. But was it really Lou fielding calls or the automaton from the "No Money Down" video?

GIUFFRIA

Not Dreams . . . Just Facts

DAVE KANE, WCMF

“GIUFFRIA proves that they’re in for the long haul with an excellent cover of Willie DeVille’s ‘I Must Be Dreaming’. We’re getting good phones and steady sales.”

RAD MESSICK, WDIZ

“It has done very well for us, consistent Top 5 phones since we put it on. Sales are building, and I think it’s turned out to be a real sweet dream.”

FARM AID II has been scheduled for this July 4th at the Austin Memorial Stadium in Texas. Already pledging their talents are: JOHN COUGAR MELLENCAMP, HUEY LEWIS & THE NEWS, DAVE MASON, NILS LOFGREN and NEIL YOUNG, who is currently recuperating from a shoulder injury he sustained in a recent car accident. Tickets are on sale for \$20.00 with all proceeds benefiting the American farmers. Pledges are still being taken by the organization's toll free number: 1-800-FARM-AID.

Work continues on ERIC CLAPTON's forthcoming album at New York's Hit Factory with PHIL COLLINS sitting in the producer's chair. The first single to be pulled from the new record will more than likely be "WHEN THE WORLD IS ONE", a tune written by JERRY WILLIAMS, the man who penned "FOREVER MAN" and "SHE'S WAITING" from Clapton's last Lp, "BEHIND THE SUN". Also making an appearance on the record is TINA TURNER, who lent her vocal talents on at least two tracks.

Speaking of ERIC CLAPTON, he and U2 drummer LARRY MULLEN are just two of the guests to appear on the upcoming solo album from PAUL BRADY, one-time member of PLANXTY. You may remember Planxty; they had five albums out on Polydor with the most recent being 1980's "WOMAN I LOVED SO WELL".

"BACK IN THE HIGH LIFE AGAIN" is the title of the new STEVE WINWOOD record due June 16th from Island. The first single, which is the title track, is a duet between Winwood and JAMES TAYLOR. Steve will be back in New York this week to shoot the video for "Back In The High Life Again", but it is not known if Taylor will appear in the clip. Steve has two producers helping him out, RUSS TITLEMAN and NILE RODGERS. Tour plans are in the works, but nothing is confirmed as of yet.

STEPHEN DAVIS, the author of the definitive LED ZEPPELIN biography, HAMMER OF THE GODS, is busy at work on another book about another super-group. This time the author is focusing on FLEETWOOD MAC. The authorized tome has the band's full support. In fact, Davis has been spending a lot of time in Los Angeles with MICK FLEETWOOD since the band is taking a break from recording their new album as STEVIE NICKS is on a solo tour. We can expect this book in the spring of '87 from William Morrow.

CINEMAX SESSIONS: "FATS & FRIENDS" will be the first in a series of musical programs coming to cable television this summer. Scheduled to be taped on June 5th, "Fats & Friends" is an hour-long look at the classic hits of FATS DOMINO as performed by him and some very special guests including RAY CHARLES, JERRY LEE LEWIS and ROLLING STONE RON WOOD. Handling the baton as Music Director will be everyone's favorite "Late Nighter" PAUL SHAFFER. The show will be taped in Domino's home town of New Orleans and will include such Fats' classics as "BLUEBERRY HILL", "AIN'T THAT A SHAME" and "THE FAT MAN".

In more cable television news, HBO has inked in June 21st for the debut of "BOB DYLAN IN CONCERT". Filmed during the Sydney, Australia performance of the TRUE CONFESSIONS tour a few months back with TOM PETTY AND THE HEARTBREAKERS, the hour-long concert includes a myriad of Dylan faves. Aussie director GILLIAN ARMSTRONG (MRS. SOFFEL, MY BRILLIANT CAREER) was behind the camera.

ROY ORBISON is currently at work on a new record, and that has apparently excited JOHN COUGAR MELLENCAMP, GLENN FREY and J.D. SOUTHER as they have all contributed songs.

POLYGRAM PRESENTS

Question Of The Week

The Hands Across America project is going to take place Sunday, May 25th. Are you planning any promotional tie-ins, special broadcasts, or other involvement in this event?

ANDY PRESTON, KPOI: "We at KPOI were disappointed to hear that there wouldn't be a team of 250,000 scuba divers to stretch the Hands Across America to the 50th state. However, in conjunction with our station's music magazine, The Beat, KPOI is having a contest to send two winners to join hands in Los Angeles as Hawaii's representatives to Hands Across America. We're getting tons of response and if our hands aren't with them on the 25th, our hearts certainly will be."

PEGGY APPLE, WQBK: "We just got finished with a promotion to send 45 listeners to West Chester county to join Hands Across America. Included in the package - a t-shirt, lunch, and a bus ride to the event. Plus, we are continuing to talk it up heavy on the air."

MIKE BOYLE, WDHA: "WDHA will have a few staff members in the line and we're now planning to do reports from the various locations that our staff will be in!"

WAYNE SOMMERS, WRCN: "We're not planning on becoming involved in an official capacity. However, we are running P.S.A.'s on it and will cover it as a news item when the event is staged. It will be a great feat if they can pull it off. You gotta give 'em a hand."

MIKE THOMAS, WYMG: "MAGIC 100 WYMG is planning a post Hands Across America party featuring four local bands and an afternoon of fun to salute those patriotic Americans for supporting a great cause. Best of luck to the whole organization. I hope the project is a success."

DAVE KANE, WCMF: "Aside from keeping the audience informed and up to date on HAA's progress, we are not doing anything extra special, but we are also open to doing further activities."

JIM STEEL, WIOT: "We've been talking about it since January, daily. We've hosted Ken Kragen, on the air. We have two miles to fill on the 25th with 104 listeners. And we have put up 15 billboards throughout Northwest Ohio, reminding people that we need their help. And as far as the day of the event, we're donating all 50,000 watts to help promote this event."

GREG MULL, WXRC: "We're going to be participating in our local event, 'Hands Across Charlotte' since the closest that the 'Hands Across America' line would come to our area is 600 miles. Local record bars and radio stations have put together our own event to coincide with the national event with all local monies raised going to support the effort of the Metrolina Food Bank, which supplies food to the needy in over 20 North Carolina counties. Our station will be sponsoring a mile of the 'Hands Across Charlotte' event and is soliciting listeners to stand in our mile and make their contribution to the event. All participants in WXRC's mile will receive a t-shirt and are asked to bring their jam boxes so we can truly rock Charlotte."

PAM BROOKS, WPDH: "Since Poughkeepsie is close enough to Manhattan, yet the event was not coming through the Hudson Valley, WPDH has planned its own. It's called 'Hands Across The Hudson' and we're looking to get at least 2,000 people to span the Newburgh Beacon Bridge which, obviously, puts you across the Hudson. Each person participating must make at least a \$10.00 donation and we plan to send half of the money to Hands Across America project and the other half will stay here in the Hudson Valley to take care of the homeless and hungry in our area."

JULIAN WRIGHT, WKGR: "We can't join in because we're so far south of the line, but we'll be continuing to check the wire and other sources of information to keep our listeners informed of the progress of this effort to feed and help the underprivileged of America. My suggestion is next time they should criss cross the country. That way they can get more people involved. Put an X across America and cross out hunger."

DICK SHEETZ, KZEP: "The map puts us too far away from the line."

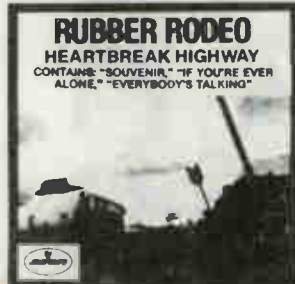

AL BRANCA, WMGM: "Since Hands Across America will not run through Atlantic City (poor planning) we are sponsoring a bus trip to the Trenton site where the line will pass through. In addition, we are sponsoring our own charity event Sunday, June 8th., 'Hands Across The Beach'. It will pass through Atlantic City, Ventnor, Margate and Longport and we're tied in with other radio stations in the market to help out. This charity event will benefit the needy here including the Atlantic County Food Bank, The Salvation Army and the Rescue Mission. One advantage to ours is it's \$10 cheaper. A \$15.00 donation will reserve your place in line and entitle you to a commemorative t-shirt."

QUESTION CONTINUED

MIKE WOLF, WYSP: "WYSP has been committed to the Hands Across America project since day one. As many of you have read in the Dirt Alert columns of the past few weeks, we bought the first mile in Philadelphia for \$25,000. We are now in the process of giving away places in that mile on the air. A couple weeks back, we had a unique 13 hour radiothon/variety show featuring local and national comedy and music, all done in order to urge people to sign up for Hands Across America. Over 1500 people signed up as a result. On the actual day of the event, we will be broadcasting live from the site, both on the ground and in the air via helicopter. We will be giving away t-shirts to everybody in our mile and will also be releasing 5000 red, white and blue balloons."

RANDY STEWART, WJCK: "No we're not planning to tie in...Although it's a very worthwhile project, there doesn't seem to be any synchronized timing on Hands Across America. Certainly all the aid projects deserve support, but frankly, we feel a lot of people are aided out, not to mention how difficult the Hands project will be to accomplish logistically."

TIM SMITH, WKLC: "I have one suggestion for the Hands Across America people. Invest in a David Letterman arm extender."

CINDY BAILEN, KZEW: "Our involvement with Hands Across America will be mostly with our news department. News Director John Rody is creating a Texas radio network that will enable us to have radio stations all over the state reporting on the event in their area."

KEVIN VARGAS, KWHL: "Obviously we're not involved with Hands Across America. We couldn't even do 'Hands Across Alaska'. That's what happens when you have this much space. We'd gladly be involved in supplying the bodies of our air staff. If any record company feels the need for more people, all they have to do is fly us anywhere they want us. We'll gladly accept a weekend vacation anywhere in America."

SCOTT DOUGLAS, KATT: "We're supporting with public service announcements."

CHRIS JAMES, WTPA: "We are currently running live carted public service announcements and we are going to have at least two jocks in the line, who will be broadcasting throughout the day from the line. We are also running, in conjunction with the national people, a membership drive."

GREG GILLISPIE, WDVE: "I think it's awfully presumptuous of the Hands Across America organizers to assume that radio would embrace this project with, shall we say, 'open hands'. So much of the burden has to be placed upon AOR radio during a crucial Spring sweep that I don't see a tremendous amount of interest from them--at least contemporary music formats and Western Pennsylvania. Many of the small towns are getting excited, but above and beyond that, it's awfully difficult for a project of this magnitude to be organized with what I would consider an inadequate flow of information...I don't think our audience is 'caused out' as much as perplexed by the magnitude of this project. There are many other entertaining things to do on a Sunday afternoon besides standing out in the middle of nowhere and holding hands with somebody you don't know! WDVE is committed to raising funds for charitable organizations. In the last year alone we've raised nearly \$50,000, all for Pittsburgh based charities."

JESSIE BRICE, KRKE: "KRKE bought the first mile in New Mexico along with Burger King. We are the flagship station for Hands Across America in New Mexico."

ROBIN MATHEIU, WBLM: "We're doing a 'Hands Across Portland' event sponsored by the United Way for statewide hunger."

NEXT WEEK'S QUESTION:

A midwest company has developed a computerized radio monitoring service that can provide continuous airplay audits of records played at hundreds of radio stations across the country. The service is being marketed to report labels to assist promotion/marketing strategies. What advantages/disadvantages do you see in airplay audits? And what effects do you see them having on conventional methods of reporting airplay?

News From Rock Over London

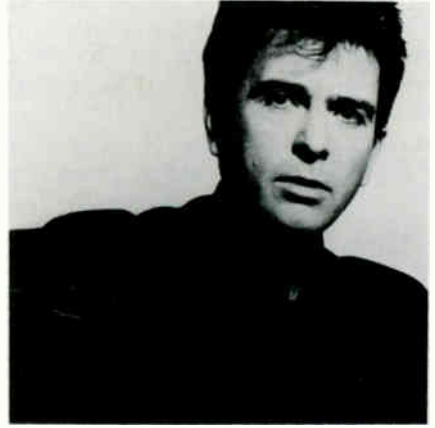

There's been a sudden wave of reluctance among American artists to come to Britain, as a result of fears of retaliatory Libyan attacks in the U.K. Some of the cancellations seem to make more sense than others! NEIL YOUNG, who had scheduled a London concert appearance, won't be coming because he has reportedly damaged his shoulder in a car accident...HUSKER DU have declined because of "personal problems and mental and physical exhaustion"... Then it starts to become rather questionable: JANET JACKSON, doing extremely well in the British charts with "WHAT HAVE YOU DONE FOR ME LATELY", had planned a promotional visit here to do press interviews. She won't be coming now because she feels she can do the interviews on-the-phone...Our favorite, though, is PATTI LABELLE's reason for cancelling her Hammersmith Odeon date. The concert, incidentally, would have been an excellent reinforcement for her "ON MY OWN" single which, at writing, appears set for number one in the U.K. Patti heard that the American club that was blown up in Berlin was called THE LABELLE and thought this was a bad omen!

Details of Britain's biggest live event this year have now been confirmed: "THE BIRTHDAY PARTY" is a special rock event to celebrate the 10th anniversary of Prince Charles' youth charity THE PRINCE'S TRUST and will take place at Wembley on June 20 with the Royal couple present. The first half of the concert will feature individual bands and artists, and, in the second half, there'll be a great get together up on stage which should be pretty spectacular as included on the bill are: ELTON JOHN, ERIC CLAPTON, PHIL COLLINS, MARK KNOPFLER, HOWARD JONES, JOAN ARMATRADING, LEVEL 42, MIDGE URE, PAUL YOUNG and BIG COUNTRY. The concert will not be filmed, recorded or televised.

Long time no hear from the STRANGLERS, but they return to live action on June 16 in the unlikely setting of Iceland's annual Arts Festival! They'll be headlining the festival, and it's estimated that one-third of the country's population will be watching them live. After that, it's off to Gdansk in Poland to film a TV show which will be screened throughout the Eastern bloc. The audience for this one is a potential 300 million! Next month the band release their single "FROM RUSSIA WITH LOVE", with the album "DREAMTIME" due to follow in August. They look set to record that in Australia. The band is fond of choosing the unlikely music venues.

SIMPLE MINDS can now count on a formidable line-up of support acts for their appearance at the Milton Keynes Bowl on June 21. THE CULT, THE BANGLES, THE WATERBOYS and IN TUA NUA will all be there, and all 45,000 tickets for the open-air show have now been sold.

The comeback of sixties siren SANDIE SHAW, announced in this column recently, is now upon us. She returns with "ARE YOU READY TO BE HEARTBROKEN", a song which began life as a track on the first LLOYD COLE AND THE COMMOTIONS album.

Rock Over London Continued

JULIAN LENNON features on the coming ROCK OVER LONDON with "TIME WILL TEACH US ALL", a track from the "Time" musical, which features backing vocals by STEVIE WONDER, but, at the same time, Virgin are releasing another Lennon single, this one from the "SECRET VALUE OF DAYDREAMING" Lp. It's "THIS IS MY DAY", backed with "EVERYDAY".

DOCTOR AND THE MEDICS have jumped onto the British charts with their cover of NORMAN GREENBAUM'S "SPIRIT IN THE SKY", but they ran into a small hitch with the release of their "LAUGHING AT THE PIECES" album. As a gimmick, they thought they'd include "DOCTOR ON CALL" car stickers in the Lp package, but when the Department Of Transport heard about the idea, they got very heated and impounded the first pressings! So, expect a new batch without the offending stickers!

JOAN ARMATRADING follows the release of the single "KIND WORDS (AND A REAL GOOD HEART)" with her tenth studio album "SLEIGHT OF HAND", which shows a new, more rock-oriented edge to her work. Joan will be touring Britain in the Autumn.

A GET-WELL-SOON message to SQUEEZE drummer, GILSON LAVIS, recovering in a hospital from a broken arm and broken ribs sustained in a car crash on the M5 motorway after a charity concert in Plymouth.

The seminal punk record "NEW ROSE", the first ever release by THE DAMNED back in the angry days of November 1976, has been re-released by Stiff in white vinyl and its original black and white sleeve.

A budget album called "THE SURVIVOR" appears this week. The title referring to ERIC CLAPTON, whose early singles with THE YARDBIRDS are featured along with extracts from their live album with SONNY BOY WILLIAMSON, first released here by FONTANA in January, 1966.

ROD STEWART has confirmed that he'll be playing at WEMBLEY STADIUM on Saturday, July 5, with the BLOW MONKEYS and "another big name" supporting. And rumours that he may reform THE FACES for the occasion continue amidst speculation that DURAN DURAN'S JOHN TAYLOR may take RONNIE LANE'S place.

Meanwhile, there are reports that the second of DURAN'S TAYLORS wants to leave the band. Only a couple of weeks after Roger made it clear he wishes to continue his "indefinite sabbatical" from stardom, songwriter ANDY TAYLOR is reputed to have told friends he wants out too!

At long last, Britain is about to get an all-night TV music service broadcast on Independent Television, but only for 3 months-- And only up in Yorkshire! The programmes will come from RICHARD BRANSON'S satellite channel MUSIC BOX, which broadcasts in Europe. If the experiment works, we southerners might get the chance to stay up all night too!

A TV co-production deal has just been signed between makers of "THE TUBE" TYNE TEES and a Dutch independent. They'll be making a 10 part series provisionally called "ACOUSTIC" and featuring artists like PHIL COLLINS, ELTON JOHN and PAUL McCARTNEY playing their favourite music along with selected musicians, plus a bit of chat about the rock scene.

TYNE TEES are also planning their biggest ever project, a programme called "TWENTY YEARS AGO" celebrating next year's 20th anniversary of THE BEATLES' "SERGEANT PEPPER'S LONELY HEARTS CLUB BAND". A combination of British and Hollywood directors possibly including SPIELBERG, KEN RUSSELL, DEREK JARMAN and JULIAN TEMPLE will work on the album's 13 tracks. A separate documentary tracing the making of the show is also in the pipeline.

Despite a valiant attempt to defeat the best songsters in Europe, the British entry failed to win the EUROVISION SONG CONTEST, but something good has come out of this annual shindig, an Anglo-French project to make it the subject of a comedy/drama. Should be a real laugh!

One of the best films to turn up in last week's history of the video televised by the BBC was some archive STONES' footage. It features them playing their '67 hit "WE LOVE YOU", which is certainly not a record the band want to remember. That might have something to do with the "video" being hidden away in an old barn for the past few years. We were also treated to the uncut versions of their "UNDERCOVER OF THE NIGHT", plus BOWIE'S "CHINA GIRL" and FRANKIE GOES TO HOLLYWOOD'S "RELAX" complete with the naughty bits the BBC never let us see before!

Encouraging promises from the powers-that-be at RADIO ONE, Britain's national pop station. Station controller JOHNNY BEERLING, who has just completed a reshuffle of programmes and presenters, is believed to have issued his DJs a "cut the chat" edit. He wants the jocks to concentrate on promoting the station's identity rather than their own egos, and has also reintroduced the playlist system which was in operation until five years ago, the records being chosen by a panel of daytime producers and presenters. The overall aim, says Beerling, is to make Radio One less reflective of the TOP 40 and more selective in what it plays.

The MONTREUX MUSIC FESTIVAL, taking place as we write, has seen a succession of acts rather uneasily lip-synching their recent hits in front of a live audience. JOE JACKSON, performing three songs from his current album, was so enraged at not being allowed to sing live that he deliberately mimed out of time; ROGER DALTRY was the only artist who did sing live to a backing track, on a version of "THE PRIDE YOU HIDE".

No change atop the U.K. album charts where ROXY MUSIC'S "STREET LIFE" compilation still holds sway...with another collection making the highest debut of the week: EARTH, WIND AND FIRE'S "THE COLLECTION"; BRONSKI BEAT'S new album "TRUTHDARE DOUBLEDARE", jumped on at 18 and the MOODY BLUES' "THE OTHER SIDE OF LIFE" debuted at 24 despite the apparent failure, so far anyway, of "YOUR WILDEST DREAMS" to repeat its international success.

Expect SPANDAU BALLET, free at last from their contract with Chrysalis, to announce their signing to Phonogram.

Apart from JULIAN LENNON, this week's ROCK OVER LONDON features a completely new live acappella version of "LIFE IN ONE DAY" by HOWARD JONES, recorded only a few weeks ago in London. There's another exclusive as we play a previously unreleased live track by FREE, recorded in 1970, and there's more in-concert music by GENERAL PUBLIC. Yet another exclusive is a new TALK TALK song not featured on "THE COLOUR OF SPRING"....The Melting Pot features another clue about JUSTIN HAYWARD'S wildest dream, which will help an ROL listener to win a CD car stereo, and there's our usual countdown of Britain's five rock bestsellers.

Program Producers

GARY AND THE WACKY SISTERS, MJI BROADCASTING (212-245-5010): "People are beginning to think that you have to have a famous brother if you want to work at MJI Broadcasting. First, we hired Len Belzer (Richard Belzer's brother) to produce The Comedy Hour, and now we are proud to announce a new producer for Metalshop. His name is Mark Snider, and -- you guessed it -- he is Dee's brother! Mark has been doing a fabulous job with the 'only show with teeth', but, unlike his brother, Mark did not have his teeth filed down to points... What's funnier than a music marathon? The Comedy Hour, of course. This week's special guest is the man responsible for 'The Yuppie Rap', Kip Addotta. Make your 'music-intensive' format 'fun-intensive' with The Comedy Hour...By the way, if you have a famous brother and are looking for a job, give us a call!"

WLIR, LONG ISLAND, NY ASST. P.D./M.D.-LARRY "THE DUCK" DUNN: "We just came off a successful weekend. Erasure sold-out at the Ritz and The Alarm sold-out at Malibu Night Club. Our thanks to Sire records for a terrific radio concert taping...In the 'you better add these records now, or forever hold your peace' department, the new Peter Gabriel and The Fixx singles are certified h-i-t-s! Both are Top 5 requested here, as well as the new Belinda Carlisle single. This is the surprise of the month to me. Not only is it great, but the listener reaction out-of-the-box has been extremely positive...Thanks to Vince and Andy of Erasure; Neville of Belouis Some; and Iva of Icehouse, for phoning in live from Australia...Co-Screamers Of The Week: Depeche Mode 'A Question Of Time' and the Blow Monkeys 'Digging Your Scene'."

WQFM, MILWAUKEE, WI M.D.-DANA BROWN: "Thanks to Tony Smith and Mike Scheid of EMI Records for all their help and support on what turned out to be a very successful Brian Setzer show here in the market last week. Talk about records and radio working together! This was the largest club attendance for Brian on the tour to date--Way to go guys!...Also, thank you for the weekend going out to Dr. Barry Lyons and all the crew at Elektra. They were terrific hosts for The Call show at the Vice in Chicago. A good band! A good time was had by all!...Moving back to music--If you haven't added the new one from Emerson, Lake And Powell, check your pulse. 'Touch And Go' is extremely dynamic and must be played!...Three cheers to Lou Reed this week for 'No Money Down'. He is right on track for what's going on musically with AOR today...Pleasant surprises coming from some new ones like Eric Johnson 'Off My Mind' and The Fixx 'Secret Separation'--It took a little while to hear these, but the old cliché rings true--'better late than never'! Both deserve a listen!...Once again, Milwaukee is the home of the h-i-t-s. Hearty congrats to the BoDeans for coming through as a power week after week with 'Fadeaway'."

CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERN: "Howard Jones hits the top of our airplay chart without the single receiving one spin! How does this happen you ask? Simple, I answer! It's the other three tracks from the 'Action Replay' Ep! Howard is h-o-t!...Icehouse is breaking ground in Toronto with 'No Promises' and the 'Measure For Measure' Lp, which features the haunting 'Angel Streak'--a classic track if I've ever heard one!...Has anybody noticed how Lou Reed gets better and better? Some 'older' artists could, and should, take lessons from Lou on how to stay in touch with the times. 'Mama's Got A Lover' and 'The Original Wrapper' are our early picks for depth tracks from the 'Mistrial' Lp...Those of you who play dance-oriented material should be wailing with Alphaville's import, 'Dance With Me'. I predict this one will be Top 10 on its release on these shores. Ditto on the Mike Oldfield/Jon Anderson duet, 'Shine'. It has h-i-t written all over it, which makes it kinda tuff to read the label, but who cares when you're listening to such a great tune?...Thanks to Cy Curnin; A Flock Of Seagulls; and Modern English for stopping by to do live mike interviews...Special thanks to Billy Duffy from The Cult for not only dropping by, but also picking CFNY to be the first station in the world to air their most recent recording, 'Electric Ocean'. A case of burning rock 'n roll!...The promotion-of-the-year goes to Paul Orescanat I.R.S. who got me all hot and bothered over flowers and a mash note before I figured out that the Belinda who sent them was Belinda Carlisle!...And, it was great to meet WBRU M.D.-Alison Stewart and G.M.-Doug Mayer this past weekend, which caught me hobnobbing with P.D.-Peter 'Twang Thang' Litman, who will soon be turned loose on an unsuspecting radio world. Anybody who has need for a good M.D. or Asst. P.D. should be calling Peter now. He's a future hot-shot in this industry, and he'll help you move into a new house, if necessary!"

WLLZ, DETROIT, MI INTERIM M.D.-THE ROZ: "Ah, area concerts are the highlight of rock 'n roll, aren't they? That's why I'd like to thank Chris Pollen and the entire Van Halen organization for the superb treatment extended, not only to myself, but our entire station, as the band blasted through the Motor City with three incredible weekend shows...Also, advance thanks to Tim Collins; Steve Barasso; and Faith Raphael for the Aerosmith tour arrangements. The band's stage, sound and attitude make it their most kick-ass tour ever!"

WIYY, BALTIMORE, MD M.D.-CHRIS EMRY: "Emerson, Lake And Powell is back! From our point of view, here in Baltimore, it was nice that Keith and Greg replaced one old Oriole with another! Jim (Carl) Palmer with Boog (Cozy) Powell! Take that John Boulous, you Yankee slime!...Good song! You can't go wrong with the new Fabulous Thunderbirds 12". Great songs on both sides...If ZZ Top hasn't hit your part of the country yet, get ready for the attack! One show at the Capitol Centre (approximately 18,000), has turned into four shows. The first two were sold-out in less than an hour!...I'd sure like a piece of the cheap sunglasses concession!"

KOME, SAN JOSE, CA M.D.-CANDI CHAMBERLAIN: "There are a couple of new tracks we added this week that I'm really excited about: Jimmy Barnes follow up to 'Working Class Man' is bound to be a s-m-a-s-h. It's been a while since we've heard anything as refreshingly honest as 'I'd Die To Be With You Tonight'. There's something about that man's voice that makes him totally believable...I feel very much the same about Danny Wilde's 'Isn't It Enough'--Another relatively new artist bound for great things...The Call record is doing extremely well for us. 'Everywhere I Go' sounds fabulous on the radio and is getting good phones...Other strong tunes include Dokken's new one, 'Unchain The Night', and Emerson, Lake And Powell's 'Touch And Go'... Until next time.....TTFN!"

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "Top 5 phones this week have the Box Of Frogs legitimately at #1...And Emerson, Lake And Powell h-o-t on their tails. The anticipation for this record is very high and I expect big sales right off the bat...ZZ Top's 'Velcro Fly' continues to smoke me at #4 and Peter Gabriel goes to h-o-t, based on Top 5 requests... 'Thanks' to Tom Holser and the folks at MCA for bringing The Fixx by yesterday. It was nice to get a chance to talk to Cy and Adam about the new album and, when you get your copy, check out 'Built For The Future' as a strong backup to the single...This Sting/Beck collaboration took me by surprise with its Top 10 phone response after one week of airplay. Maybe it has a longer life than I expected...The AC/DC needs a slight edit to it. As it stands now, it's a hot Summertime tune, but it has a few too many rough cuts to it...I heard some of the Genesis the other day and I'm glad they have kept their progressive edge and not gone for flat out commercialism, a la a Phil solo album. What I've heard so far reminds me of the 'Abacad' record, and also a couple of things from before that."

WCCC, HARTFORD, CT M.D.-HARV ALLEN: "ELP 'Touch And Go' has all the ingredients of a multi-format hit. Already the listener response has been nothing short of excellent...After just one week, listeners are going nuts over John Eddie. He's pulling Top 5 requests...I can't wait for the official release of the Gabriel Lp. It's already in power rotation in the car...Joe Jackson's Lp 'Big World' is selling gangbusters. We're looking for our CHR competitors to help us put this one over the top...Fabulous Thunderbirds continue to help take us through the springtime with not one, but two killer tracks. Southern New England album sales take Fabulous Thunderbirds from #6 to #5 this week...A quick thanks to all who have been very helpful promotionally...it's appreciated!"

KMET, LOS ANGELES, CA M.D.-JUDY MCNUTT-FRIEDMAN: "I didn't like the AC/DC at first, but I finally found the guitar riff that I was looking for at the end of the song. You know me, no guitar, no cigar...And speaking of guitars, if Alan Whittington the third doesn't show up for a performance one night, who'd miss him? That's because the Unforgiven fronts three guitars. We like the song so these boys start first at Los Angeles, KMET...Major requests for Poison. Start with 'Cry Tough', but there's plenty of depth on the album...ELP phones are Top 5 the first day. In fact, we were getting requests by name before we even got it in the studio...Added 'Body To Body' from Danny Wilde since 'Isn't It Enough' wasn't...The Fixx 'Secret Segregation' sounds great but is causing problems in Watts...Danny Wilde goes all the way up to max, close to the top requested song on the station....Gabriel also to max with calls almost as heavy...Judas Priest's three killer shows on town with Dokken opening have calls for both on the up...I talked about Dokken's 'It's Not Love' last week and after seeing them, I'm here to tell you that George (the guitarist from Dokken) has got to be the knockout guitarist for this year. A killer player."

ELTON JOHN spent last weekend in a London studio with GEORGE MICHAEL.
 Elton played keyboards on a track for WHAM's farewell album, which will be

 spent the last few months writing songs with BERNIE TAUPIN and will record
 the Lp in Holland with long-time producer, GUS DUDGEON...ERIC CLAPTON and
PHIL COLLINS were in a New York City studio over the weekend. They were
 laying down some horn tracks for Eric's new Lp, which is due out this
 summer. Phil's producing and playing drums on it, and may even tour with
 Eric this summer. Meanwhile, later this month, Eric will join GEORGE

 A couple of BRUCE SPRINGSTEEN fans are trying to open a Springsteen museum.
 Those fans, STEPHEN BUMBALL and BILL SMITH, are meeting with MAYOR FRANK
FIorentino of Asbury Park, New Jersey -- where Bruce became a local hero
 before reaching international superstardom. Bumball and Smith have been
 collecting Springsteen memorabilia going back to 1966 -- when Bruce
 recorded with his first band, THE CASTILES. They hope to open the Bruce
 Museum this summer, as part of Asbury Park's beach-front renovation.

INTERVIEWS

TEARS FOR FEAR' Roland Orzabal: "I don't enjoy being recognized in the
 street. I don't enjoy seeing my picture in the papers, because inevitably
 they're not very good pictures, but, I don't enjoy that aspect. I do like
 having hits -- big hits. I like seeing the record that I love get the
 number one. That is a nice feeling, isn't it? Cause it means that what
 you're doing is translated to an awful lot of people, and I don't think
 that we're insulting anyone's intelligence either by making the music we
 make."

RADIO ACTION CONTINUED

WRKI, BRIDGEPORT, CT M.D.-MARK DEVINE: "I'm delighted to tell you that my Morning Drive partner, Tim Scott, and myself, will be the new Morning Team at WZZO starting May 27th! Yes, the breakfast flakes are invading Allentown and we can't wait! Gene Romano and the Holt Corporation have made us feel very wanted and our commitment to them is just as strong. Tim and I can't wait to get down there and kick ass! On the other hand, I'll miss all the people I've come to know as Music Director at WRKI. I wish Buzz Knight continued success. He's been a good friend and a good teacher. I won't be Music Director at WZZO, but hope to get back into programming somewhere down the line. I tried to get in touch with all you record folks personally to give you the news. If you're reading it for the first time here, sorry! I appreciate all you've done for me and the station, and especially for your friendship. Don't think you've heard the last of me though! I'm taking my Rolodex with me!"

WXRC, CHARLOTTE, NC P.D.-GREG MULL: "How 'bout that new Frankie Miller record!? This guy's been around forever and has had little success getting a record played on the radio, and has had even less success at retail--but I think the new album should change all that. Frankie has written hits for everybody from rock to country, and lists among his fans, a guy from Detroit named Bob. This guy Bob has even asked Frankie to open all his shows for his upcoming 'Like A Rock' tour. We rockers will be doing ourselves a favor by breaking this artist now, so that when the tour comes our way, we'll have a new artist the 'hot hits' guys haven't burned out...Also, sad to hear Neda Leopard is leaving Charlotte for the greener pastures of Dallas/Fort Worth. Polygram's smart in advancing Neda because she is, in fact, the hardest working animal in rock and roll and my sympathies to all programmers in the Big 'D'!"

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "Who made whose week? AC/DC made mine, with their most accessible song to date, and immediate Top 5 phones! A great 'start the summer', rock 'n roll tune to blow everyone else out of the market...Peter Gabriel hits a homer as 'Sledgehammer' moves to heavy and the rest of the album is waiting in the wings begging for airtime...The Call pulls a double with 'Everywhere I Go', the lead off tune to one of the meatiest album sides around today. We can't wait to see them open the Simple Minds show on the 19th...Thanks to Tony and George for the Heart/Honeymoon Suite promo. And a big thanks to Roman of MCA for The Fixx listening party in Beantown, but maybe I should screen those pictures!..Michael Plen: The last minute Alarm passes were much appreciated, and a great performance by them, as usual!"

WPLR, NEW HAVEN, CT M.D.-AMANDA TEPPER: "To be honest, the last few weeks of music have been really frustrating. Even with our depth on all the major albums, we have plenty of room for more great new music but almost everything I've been worked on is just mediocre. And the few records I really do like and believe in aren't priorities at their respective labels...Bitching aside, there are a few bright musical notes: Looks like The Bangles have another great hit on their hands (their Lp is still Top 10 sales here!)...You don't need me to tell you how well Peter Gabriel's single is doing!...Joe Cocker does such a great job with Randy Newman's 'Leave Your Hat On' that we had to give it a shot this week...Thanks to Steve Schnur and the Elektra gang for a great time at the Listening Party for the Unforgiven. If you like The Alarm, you'll like 'I Hear The Call'--what a great record!"

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI M.D.-RICK PANNECK: "It's great to see that both Peter Gabriel and Lou Reed are on the verge of having their biggest records to date! Maybe the AOR format is finally starting to loosen up a bit...On the ratings front, WAPL, once again, comes out on top in the latest Birch with a 16.7 share. ..We're right in the middle of our 'Vacation-A-Day In The Month Of May' promotion. Thanks to all who helped us put it together...Musically, The Fixx and Wild Blue really impress me...We're also starting to see some reaction to the Models and Joe Jackson in both sales and requests."

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "Long Island concert leader, WRCN, celebrates ZZ Top in the Nassau Coliseum June 13th and we'll be there with beards on. Stay tuned for details!...WRCN continues to be the station that gives 'em the most rock 'n roll on Long Island (while others just babble on), and this week we're treating the fans to some great new AC/DC. Best in a while from these guys, proving they still got what it takes to be classified as meat and potato rock!...Phenomenal is the word to describe Emerson, Lake And Powell! Phones are wild for 'Touch And Go'. Powell proves that a drummer by another name is just as good, as long as the name begins with P... 'Blood And Roses' conjures great imagery...The Smithereens will blow you to bits if you let them. Come on! Get in a New York State of mind!...Very impressed with the way Jean Beauvoir rocks out with 'Feel The Heat'...Finally, thanks to Steve Schnur and the Elektra people for a great time in the City Monday Night. You guys really know how to conduct a Listening Party! It was a real pleasure meeting some of radio's finest: Erin Riley; Mark DiDia; Mike Boyle; Amanda Tepper and Pam Brooks. (You missed a great time, Ralph!)."

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "I can hardly believe it! A major release, from a major record label, but yet only one copy of the Lp has arrived! I've complained about and criticized this problem before, yet it remains a serious issue. Perhaps a solution: Maybe these labels will take notice when their product isn't on our playlist. I work 50 to 60 hours a week as it is, and I'm not going to add an extra hour to call around to make sure I've got 2 or 3 copies of an Lp--An unnecessary waste of time and our station's money! If a couple of back-ups don't arrive ASAP, after release, I'm forced to believe the particular label isn't concerned for us--or their release! Leeway and warnings will be given, but this is a major problem and is being dealt with seriously here. Are we asking too much? I think not!...Special thanks to the good folks at Judas Priest and Columbia Records--a well run show!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "With current rotations so crowded with household names, we've become even more reluctant to add advance songs by newcomers before hearing the airplay potential of other cuts on their album. This has been the source of aggravation to some labels. It's understandable but, experience proves that when the advance 12" by a debut act is convincing enough to make rotation at WOUR, the album usually lives up to advance billing. John Eddie is a recent case in point. Great advance and a superb Lp. 'Jungle Boy' is so good I would have not regretted the add, even if the rest of the record had nothing to offer. Advances with that much clout are few and far between. Even though the one-hit wonders category is one of my favorites, I'll take on John Eddie for every 5 Monroes, Split Enz, Sniff And The Tears etc., etc. Advance cassettes of albums are always appreciated and sometimes result in an earlier add for a label's advance 12" priority. Of course, if the rest of the album pales in comparison with the 12", I wouldn't expect anyone to be anxious to send cassettes out--but, if that's the case, why were they signed in the first place?...The Beck/Sting collaboration is a refreshing format exclusive...Good to hear Emerson, Lake And Powell back and rocking with authority. The calls are building quickly for that one...The Listening Party for The Fixx in Boston may never be equalled. It was even attended by a man I'm probably safe in assuming is the band's biggest fan--Bill Walton! Thanks and congrats to Roman of MCA and Tom Holser...It was great to see Cy and Adam from the band again. One of the pivotal bands of the 80's is on the verge of releasing their best album to date!"

WQFM, MILWAUKEE, WI MUSIC ASST.-KEITH TAYLOR: "Glad we missed the 'Sledgehammer' last week...Aerosmith is looking good for possibly next week."

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "Thank you to Uncle Roman for the Fixx-ation. It was a great party...A very big welcome to a fellow Jersey type Atlantic Records' new guy in town, Don Maddi."

KATT, OKLAHOMA CITY, OK M.D.-SCOTT DOUGLAS: "Sad to say goodbye to an old friend this week, Pat Rascona from Polygram. Everyone at the KATT wishes him well. Watch out New York! Stay in touch."

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "The music that's red hot is classical rock, the streamlined 80's version...GTR, Moody Blues, Peter Gabriel, Genesis and now Emerson, Lake And Powell. The older demos are loving it. Even without Palmer, the magic is still there."

RADIO ACTION CONTINUED

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "I'm thoroughly enjoying the new Lp from Peter Gabriel. The entire record is a real treat, especially 'Don't Give Up' which features Kate Bush. I would expect that, like his last Lp, this new one will be recorded digitally which will make for some intense headphone action when the CD is available...Here's a tip on Honeymoon Suite: We've been bangin' 'Feel It Again' for awhile now and it shows no signs of letting up soon. However, when it does, 'Bad Attitude' will be ready to take its place. As of this writing, we've been playing it for just over a week and the calls are building steadily. The tune and this band are for real."

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "'Turbo Lover' it's hot, it's rock and roll, it's an add. This song is intensity to overdrive. Ok, so it's not romantic, but it is 'do it in the wilderness' passion all the way...The Emerson, Lake And Powell isn't a sound we haven't heard before, but since no one is doing it and these guys do it so well, can you say obvious add...Speaking of sounds, 'could the sound of the late 80's be jazz?' How about a blues-based, sometimes jazzy rock sound?! With the success of Stevie Ray Vaughan, the Fabulous Thunderbirds, George Thorogood and others, don't bet against it...The Sting and Jeff Beck track is the kind of name credibility to push this sound even further into the forefront. It's been there all along, but it's finally receiving mainstream AOR audiences top discoveries...Along this line, the latest from Roy Buchanan deserves serious consideration and Alligator Records deserves serious applause for their recent release. I won't mind having some stock in this company myself. Their time may be coming soon."

WBGK, MILWAUKEE, WI M.D.-RANDY STEWART: "Incredible early response to Bruce Hornsby. People are calling asking where they can buy the album. We're two cuts deep and are seeing equal response to 'Every Little Kiss' and 'The Way It Is'. Every album station should put it on and see what happens...Another Lp that has exceptional depth is the Moody Blues. Naturally, the single was a hot early play priority for us and now the title cut could be even bigger."

WKLC, CHARLESTON/HUNTINGTON, WV P.D.-TIM SMITH: "Peter Gabriel's 'Sledgehammer' is knocking down all age and format barriers. Very reassuring to have requests from a 38 year old dad who has been reintroduced to the radio station by his teenage son, and wants to hear Peter Gabriel...Emerson, Lake and Powell 'Touch And Go' is very recognizable and just what we would expect from the name...The Outfield continues its outstanding performance with consistent Top 5 sales over several weeks...Thanks to Arista for the GTR compact disc, which is still getting major requests and the CD makes it all the more supersonic...Elektra's got a gem with The Call. Adventurous? Yes. Good? Yes...Also thanks to the heaviest one for BTO in time for the show...Out of 25 records we listened to last night, the one standout was Glass Tiger. Good arrangement rock...Also worthwhile is John Eddie's 'Pretty Little Rebel'. Although the Lp takes an aggressive rock and roll stance, 'Rebel' is the most palatable, has the most texture, and is the best one for our money...Big phones on Seger 'Like A Rock'; Gabriel 'Sledgehammer'; GTR; Journey; and the Stones' 'One Hit'."

KLAQ, EL PAST, TX P.D.-PEPE LOPEZ: "Things are heating up here in the west Texas desert. Our first annual hot air balloon fiesta happens this weekend. Over 40 balloons are entered. Not bad for the first year. Even hotter than that are those terrific tunes...The big buzz is over the Fixx. Bubba Bob and Bubba Wayne did their bubba blitz recently and just blew this bubba away with the advance cassette. 'Secret Separation' is already Top 5 phones and when the follow-up single gets out, you will be a believer...Pepe's pick is the ELP single. When we tested 'Touch And Go', the phones were jammed for hours. Looks like a triumphant return. It sounds too good on the radio. I'll bet it would sound even better on CD. Hint, hint."

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "My main man Lou Reed has got himself a spot on the X and 'No Money Down' and all of 'Mistrial', for that matter, has that undeniable Lou groove that makes him so cool and definitely Twilight Zone part 2. But that hypnotic hook has done its job and we're on it... Many thanks to Roman at MCA for the good times at the Fixx album party this week. 'Walkabout' has no less than three solid AOR cuts...What can I say about the ELP that your ears won't tell you? It's simply brain salad surgery material at its utmost. The best from one of the all time greatest. I know, too many superlatives for a credible comment, but let's just say the new ELP--it's OK, but I love it."

WDIZ, ORLANDO, FL P.D.-RAD MESSICK: "Emerson, Lake And Powell has come up with the consummate blend of the 70's and the 80's! All the keyboard textures that made them famous, and that trademark Greg Lake vocal, are back and better than ever...The GTR single is performing so well here (thanks for the CD) that we've added 'Jekyll And Hyde'...Great relief record from Sting and Jeff Beck. Beck burns, and the band ain't too shabby either!...Fabulous Thunderbirds also get a second track with 'Wrap It Up'. Does this wrap it up; Michael?...Bob Seger's 'Aftermath' looks to be the next logical choice after 'Like A Rock'...Considering: AC/DC and John Eddie."

WLAV-FM, GRAND RAPIDS, MI P.D.-DAVE LANGE: "The production on this album from Rubber Rodeo bounces forward quite a bit. I especially like their updated version of 'Everybody's Talking'...After seeing the success of Simple Minds, they may very well be the American version...Ozzy Osbourne's 'Lightning Strikes'--just ready to switch cuts on the old Oz here. The album's selling well...Same goes for Judas Priest with 'Turbo Lover'...The Outfield is developing into a hit singles factory in this town, so we're onto single #3!...Emerson, Lake And Powell have a great song. Phones are real good right away!...Bruce Hornsby comes out the first week with a small sales story. It's a start...Things even sound better on that GTR CD. Mucho thanks! (Bill says, 'where's mine for chrissakes?')...Top phone has to be Peter Gabriel, and the rest of the album is amazing--Right up there with Phil, Townsend or Sting!...The Call is finally catching on here. Their appearance with Simple Minds tonight should rack up some numbers in the stores...38 Special goes to max. More cuts next week!"

WCPZ, SANDUSKY, OH M.D.-KEVIN YOUNG: "ADDS: Emerson, Lake And Powell 'Touch'; The Fixx 'Secret'; Bangles 'If'; Limited Warranty 'Victory'; The Firm 'Tear'; The Metros 'After'; Fiona 'Hopelessly'; Jean-Michel Jarre 'Fourth Rendez-vous'; Rubber Rodeo 'Souvenir'...CONSIDERING: None...MOST REQUESTED: Peter Gabriel 'Sledgehammer'; Boys Don't Cry 'Cowboy'; Bob Seger 'Rock'; INXS 'Listen'; OMD 'If'...INCREASED PLAY: Fabulous Thunderbirds 'Wrap'; Boys Don't Cry; Kenny Loggins; Howard Jones; 38 Special; OMD; Jackson Browne; Joe Jackson...INCREASED SALES: None...Well, it's been great at WCPZ, but it's time for me to leave! That's right, it's another one of those farewell addresses! I'll be taking a local job in Cleveland with Atlantic Records, and I don't want to hear any of you New Yorkers or West Coasters moan 'who would want to live in Cleveland'? It's a great town! Look forward to speaking with you radio folks in Cleveland; Akron; Canton; Buffalo; Erie; Rochester and Syracuse, and I know that everybody at Atlantic Records knows how excited I am to be working with them. Special 'thanks' to all those folks who have been such a positive influence on me. You know who you are! Randy Hock, our P.D., will assume my duties...Call him Monday, Tuesday and Friday from 10:00AM-1:00PM. That's it!"

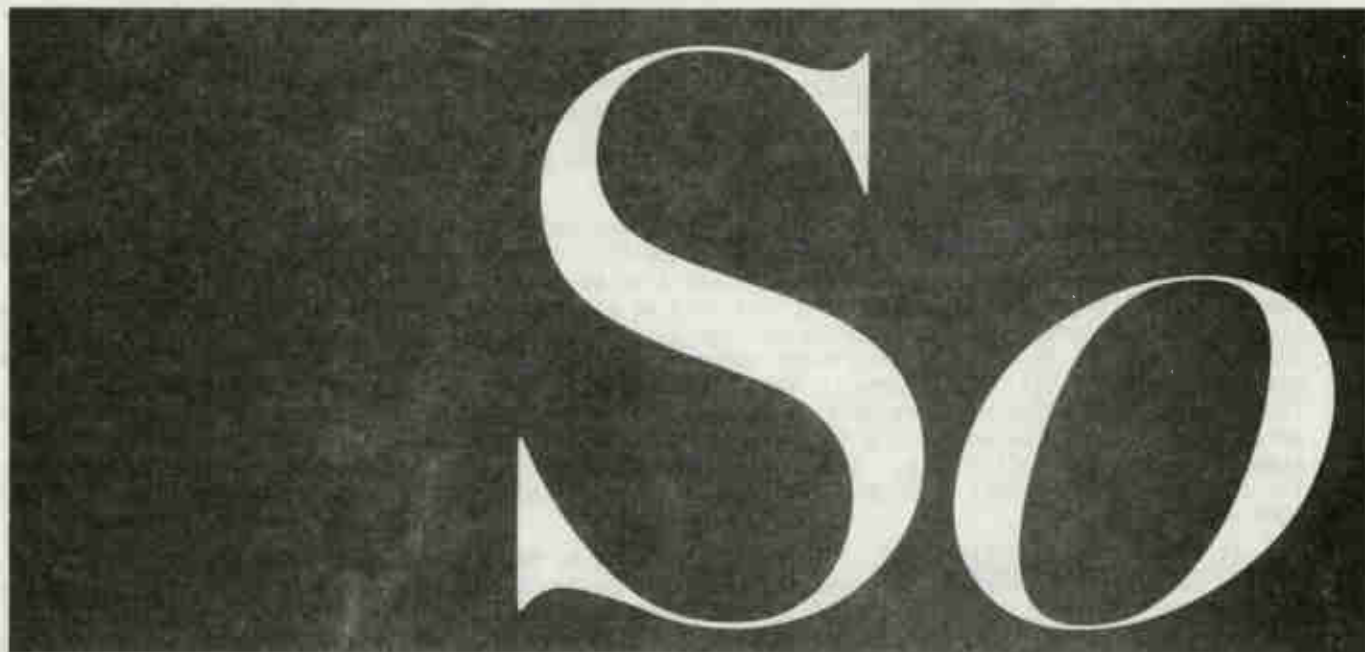

WUVA, CHARLOTTESVILLE, VA P.D.-KATHY SCRUGGS: "ADDS: Sting/Jeff Beck 'Down'; Emerson, Lake And Powell 'Touch'; Walk The West 'Living'; Pet Shop Boys 'Opportunities'; The Alarm 'Side'; Joe Jackson 'Hometown'...CONSIDERING: Box Of Frogs; Glass Tiger; The Church...MOST REQUESTED: Art Of Noise 'Gunn'; Lou Reed 'No'; Cactus World News 'Years'; Peter Gabriel 'Sledgehammer'; Bruce Hornsby 'Kiss'...INCREASED PLAY: The Fixx 'Separation'; Lou Reed 'No'; Fabulous Thunderbirds 'Wrap'; Bruce Hornsby 'Kiss'; Art Of Noise 'Gunn'...INCREASED SALES: Rolling Stones; Bob Seger; Lou Reed; Joe Jackson; Fabulous Thunderbirds."

WHMD, HAMMOND/BATON ROUGE, LA M.D.-KLIFF KAHUNA: "Art Of Noise 'Peter Gunn'--fabulous remake! Play it! Your older listeners will l-o-v-e it!...The Outfield 'All The Love In The World'--great followup to 'Your Love'... Eric Johnson 'Emerald Eyes'--for a new artist, it sounds like he's been around for awhile!...Blow Monkeys--you must add this song. If you haven't already, you've missed out on a gold record on the wall!"

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE: "WDHA had its 1986 Open House this past Saturday, and it was a huge success! It's a day we set aside each year for our listeners to tour the station! We'd like to thank Glen Burtnick; Carolyne Mas; Eddie Testa; The Cucumbers; Grover Gemble; and the Smithereens for stopping by during the Open House to talk and play for us! I'd also like to thank Jerry Lembo from Columbia; Arthur Field of Capitol; Kim Freeman of Billboard; and Jay Ziskrout of Arista, for stopping by too!..Musically this week, we think the Emerson, Lake And Powell is brilliant! Who says you can't 're-group' and make it work?...We are 110 percent behind New Jersey's own Smithereens! 'Blood And Roses' was one of the easiest adds ever! Please make it a point to check out this band!..Another easy choice this week was The Sluggers' 'Over The Fence'! This is just good, straight ahead rock 'n roll that your audience will react to!..Have you heard Walk The West yet? Your 12" has three different cuts, but we feel 'Living At Night' is the place to start!"

WQBK, ALBANY, NY M.D.-PEGGY APPLE: "Jane Siberry offers a technicolor movie for your ears with her song 'One More Colour'. More than a gust of fresh spring air--Jane Siberry's voice is bewitching. Here's a song perfect for our demos...We still believe in the Call and 'Everywhere I Go' is destined to travel far... 'Souvenir' by Rubber Rodeo is currently tugging at my heart strings. Don't toss that one off...Golden Apple Song of the Week: Lou Reed 'No Money Down'."

KRNA, IOWA CITY, IA M.D.-STEVE KOSBAU: "Giuffria continues to generate incredible phone response. It's already our #3 most requested tune!...I can't say enough good things about the Outfield 'All The Love In The World'. Our research shows it to be even stronger than 'Your Love' at this stage of its development... The high quality of 'In The Shape Of A Heart' rivals that of any Jackson Browne tune I've heard in years. What a song!...I'm also very excited about 'Boystown'. This record will definitely hasten Rob Jungklas' vault to superstardom."

WIOT, TOLEDO, OH ASST. M.D.-JIM STEEL: "Sure could use some CD's!!!...Okay, so the Indians have gone from contenders to pretenders. That doesn't matter much when the only thing Rick Van Gil and myself have to do to lift our spirits is listen to our station. The #1 station in the city playing the best music... Sure could use some CD help..Gotta go. R.V.G. is pulling me by my chief wahoo to start our all night vigil for the tribe...Oh, by the way, did I mention that we could use some CD's?"

WRDU, RALEIGH, NC M.D.-BOB WALTON: "It's personal crusade time. The compact disc is the most wonderful invention to ever hit radio and home entertainment. It provides state of the art sound reproduction--the way Thomas Edison wanted us to hear it. The CD's are virtually indestructible. It even says on the labels, they're designed to last a lifetime. But, to the industry, I ask this question. If they're designed to last a lifetime, how can you package them in anything less? You know the cardboard covers will not last. Please stick with the 'jewel boxes'. You owe that to the consumer. They're more than willing to pay for them...Now onto music. With memories of 'Love Beach' still in my head, the Emerson, Lake And Powell reunion had the potential for disaster. Thank goodness it's wonderful! It's truly classic style rock and roll. It fits right in between trilogy and brain salad surgery. It's reminiscent of great 70's rock and roll, but I don't think it's stuck there...The new Fixx song is what our radio station is all about. It's state of the art and it's smooth...And if you want good, melodic, upper demo rock and roll, please check out Bruce Hornsby. Don't make the Bob Walton mistake and delay listening to this. This is a superb record."

WLNZ, LANSING, MI M.D.-CATHY DOWN: "I would like to thank Ron Count of Atlantic Records for helping make Lansing's Little Miss Dangerous Contest at the Nugent concert a mega/gonzo success...Great rock this week from the Sluggers. It's gonna be a home run hit...One of my personal faves which continues to grow is the live mix of Sting with Jeff Beck, 'I Been Down So Long'. It's white hot...Heavy phones continue on Krokus, Honeymoon Suite, GTR, and, of course, Van Halen."

WKDF, NASHVILLE, TN DAVE KANE: "I hate soapoperas, so I'm gonna end one before it gets started. Any readers hoping for a juicy fight between Paul Rappaport and me in these pages will be disappointed. My comments about an incident at the Bangles concert here were aimed solely at the road manager who dumped on us. I've got no problem with anybody at Columbia Records, least of all Rap, who's gotten things done for me when others couldn't or wouldn't. I've got no problem with the Bangles, who were nice to me when I met them in Florida. And I appreciate the call of concern from Chris Lamson of their organization. No doubt things will be better for all concerned next time around. If you call what I did unprofessional, all I can say is sometimes unprofessional actions breed more of the same, and I didn't start it. You'll never make me believe a quiet phone call would have been as effective as the public protest was. As far as talking about withholding airplay goes, that's just using about the only weapon a radio station has at its disposal. Finally, I'll point out that saying never again didn't hurt Sean Connery's credibility when he changed his mind."

KBER, SALT LAKE CITY, UT M.D.-ROB ROMAN: "We're getting phenomenal instant phones on Emerson, Lake And Powell. It's our top requests this week and we've only been playing it for four days...Congratulations to Honeymoon Suite for their recent success. 'Bad Attitude' definitely deserves a shot...Thanks to Dick Merkle from A&M and David Newmark and Bob Margolis from Geffen for their recent visit. Dave, Bob and I had a good time watching Bo Didley do his thing in a local club...Drake is back from Buffalo with a staff pretty much intact for WBYS. They should be on the air in three to four weeks. Drake wishes to thank Bruce Moser and his wife Mary for their hospitality."

KQRS, DULUTH, MN P.D.-DAVE HAMILTON: "To EPA's Bill Bennett from Dave Hamilton: Random sample research conducted in Minneapolis has indicated dangerously high levels of negativity toward Ozzy Osbourne among KQRS core listeners in addition to cumers. Ozzy is synonymous with the things that had given KQ a poor image in 25+. In the past year KQ has nearly tripled its audience in 25-34 men - that's where the money is still, and you admitted it in my office. No Ozzy gold is playable in this market. Unaided, and aided recall, on Ozzy tells us that he is regarded as violent, satanic, and a geek who bites off the heads of animals (which caused public outrage at a Twin Cities show 2½ years ago) - people haven't forgotten. KQRS will never play Ozzy Osbourne. Judas Priest, on the other hand, tests well. Artist recall is generally neutral 25-34 and highly positive 18-24. They are an act that we have to deal with at night. Bill, it's all in the numbers and you should know that - this is not an emotional question."

WHJY, PROVIDENCE, RI ASST.P.D.-GLENN STEWART: Song-of-the-day, week, month and year: chalk it up to AC/DC. 'Who Made Who' is an absolute radio monster already getting mega-requests. With persistence this one will happen at CHR...Alphabet soup continues with Emerson, Lake And Powell. Those keyboards feel like a comfortable show on upper demo AOR tastes...With the local CHR on 'Tuff Enuff', it's only good programming sense to get on the T-Birds 'Wrap It Up'...Krokus' 'School's Out' doesn't add much to Alice Cooper, but why bother trying to change a classic song? The kids will eat this one alive...The Icehouse gets the shot it's earned this week."

KKCY, SAN FRANCISCO, CA P.D.-KATE HAYES: "One of the smartest moves we ever made was adding Jane Siberry's 'One More Colour' out-of-the-box. Since we played her first album, our audience was expecting us to program 'Speckless Sky'--but even we were surprised by the phone reaction! Kudos to Jane and Open Air. Another terrific record taking THE CITY by storm...And, as expected, Peter Gabriel has 'sledgehammered' his way into Top 10 sales locally...Unexpectedly, the Blow Monkeys took a flying leap up onto big time retail. So they're joining Mr. Gabriel in the heaviest of heavy...For beauty, try Rick Wakeman's 'Waterfalls' and 'Heather Carpet'. Truly lovely stuff and quite a departure for the king of bombastic sync...Summer solstice has a strong tradition in San Francisco, and we generated quite a lot of attention and excitement by resurrecting its celebration on radio last year. We signed on on June 21, 1985. We'll be celebrating our first anniversary (as well as our status as the #2 station in the city) in major style--including a 48-hour observation of the solstice with a totally San Francisco twist. The buzz is already on the street about that and our birthday bash six weeks ahead of the event, and our phones are going nuts for details. I promise details here later."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "Emerson, Lake And Powell 'Touch' is hot and already getting good phones...New AC/DC will be big. With a soundtrack like this, the movie's gotta be a killer. Check out the video. Too cool!...Krokus, it's time, 'School's Out'. An excellent remake of the yearly classic...Aerosmith, 'Darkness': smart move to release this track. It's got that signature 'Get Your Wings'/'Toys In The Attic' Aerosmith sound...BOC, 'Perfect Water': This is one beautifully perfect song...Eric Johnson: try the instrumental 'Zap'. Guaranteed to get immediate phones. Sounds Dixie Dregsish...Accept, 'It's Hard To Find A Way'. This power ballad blows away all the heavy metal/noise stereotypes. Try it and see!...Finally, Frankie Miller's got another great song, 'Do It Til We Drop'. By the way, he opens for the Seger tour... And, special thanks to Elektra's Rob Siden for the Jackson Browne show. P.S.: Check out 'Lives In The Balance' tour when it comes to your town. It's great!"

KROQ, SAN FRANCISCO, CA M.D.-JOHN McCRAE: "Glass Tiger jumps out of the box and dares you to take it off the turntable! The quintessential record for dominant rock stations."

KGON, PORTLAND, OR M.D.-INESSA YORK: "Isn't it funny how tunes such as that Beck/Sting blues thing gets the interest of listeners right away? Talk about roots rock...In another way, it's the same with Eric Johnson. 'Zap' is a rock radio signature piece."

WLWQ, COLUMBUS, OH M.D.-LEE RANDALL: "This week has been a pleasure in front of the cassette player, with albums like Peter Gabriel, songs like Fiona, Emerson, Lake and Powell, and The Fixx...Top sales explosions into the top 20: Honeymoon Suite #14, ZZ Top still hanging in at a strong #7, and the Outfield a surprising #3 album. Journey and Van Halen continue to battle each other for the #1 spot, with most of the requests going to Van Halen...The Fiona remix (sure sounds like one) has a lot more punch and style than the album version...Last evening had the pleasure of taking in the Simple Minds tour. Talented, polished musicians with a show that lives up to the cost of the ticket. Dynamic. Bordering on a theater presentation as they interpreted their newest album and their career depth to a very satisfied audience, 10% who had half haircuts...A thank you to Denise George, Chuck Gullo, and Simple Minds for a complete evening..Question: Should there be one day a week where every P.D./M.D./G.M. goes out to lunch with everybody? A round table with every rep fighting for the bill?"

KZEP, SAN ANTONIO, TX M.D.-DICK SHEETZ: "I'd like to say thanks to Tony Smith and Be-Bop for their cooperation in our Greg Kihn show on the 16th...On Saturday, the 24th, it's the Alarm in San Antonio. Thanks to Barney Kilpatrick for giving us the lead on this band and this concert. KZEP brings a fresh sound to San Antonio. Thanks again."

KICT, WICHITA, KS M.D.-PHIL THOMPSON: "Thanks to all for helping me ease into this new M.D. spot. Hope it will be permanent...Love the John Eddie, Bruce Hornsby, Danny Wilde and AD/DC among others. Hope to be on these next week...The new ELP is getting great phones. It sounds like it could be classic ELP...And the GTR was a nice surprise."

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "Glen Burtnick did a club night for us here at the Shore last week and blew the crowd away! Great job, Glen...And 'thanks' to Al Cafaro and Mark Mazetti of A&M...Also 'thanks' to Biff Kennedy of Epic for dropping by last week...Hey, Arista! The GTR CD sounds great!...The only record on my mind this week is Emerson, Lake And Powell. Sounds like a long lost cut from the 70's, and that's a compliment! Top Ten phones already!"

KFMF, CHICO/REDDING, CA M.D.-MARTY GRIFFIN: "It's always nice to come back from vacation to find a desk stacked with new records! It's kind of like opening presents on Christmas morning. The problem is trying to find time to listen to all of them...This week's question: 'What Happened to Carl Palmer?' Who cares? Cozy Powell fits in perfectly! I just love the new one from Emerson, Lake And Powell. Guaranteed to be a Top Ten record, and what great upper demo appeal...Other favorites this week include: Bruce Hornsby; Wild Blue; Glass Tiger; Lou Reed; The Fixx; Sting and Jeff Beck, and a terrific sounding new album from Let's Active. Go back and listen!...I've got a lot of catching up to do, so 'till next time, keep rockin'!"

WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS: "Let's talk about great rock 'n roll, with no dayparts and the women love it! Bruce Hornsby and The Range and Box Of Frogs, plus any Journey track you wish, guarantee to make this Summer the hottest ever!"

Top 5 phones right now. Another one of Texas' favorite sons brings it home!...Sharing Top 5 phones with Johnson is (who else?) The Fabulous Thunderbirds! They should have you convinced by now to 'Wrap It Up' before someone else beats you to the punch...And now, back to the Freeway which is already in progress!"

The boys are back in the form that put 'em on the rock 'n roll map! Great guys to work with and meet too!...Phil's fave-of-the-week is Emerson, Lake And Powell. With all the great 70's bands resurfacing, it wouldn't be the same without these guys being part of it!"

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "So, here's the growing story. We played Emerson, Lake And Powell for a mere three days and it got strong enough calls to debut at number 8 at our Top 12 at 12, and with the phones still ringing, it's a shoe-in to move up even more this week. Monster Lp? You bet! Big Seller! That will be the rest of the story! I'm already addicted to 'Touch And Go'. It's just one of those 'I just can't get it out of my head' tunes!...Who Made Who, who cares? I'll come out of the closet to admit I've always been an AC/DC fan. Energetic rock 'nroll from the git-go. We're talking movers and shakers who aren't mired by the whole metal 'show', and the Stephen King flick too. Now, there's a marriage made in conference room heaven...The Fixx is in! My ears are fixed on The Fixx. Fixx it please. Hey, whatever! The fourth smash Lp from The Fixx will most certainly be 'Walk About', if 'Secret Separation' is any indication. Melodic overtones coupled with their signature style makes this track a sure bet!...Thanks to Peter Frampton for the great hour on-the-air. He talked, joked, played some of his stuff and some of his other favorites, and made all of our part time help very nervous about keeping their jobs. Peter was a real treat and our listeners were psyched...To just Steve Schner: Howdy guy! You sure know how to throw a good party, burp!"

KFMQ, LINCOLN, NB ASST. P.D./M.D.-BOB ALLEN: "All too often I've heard the sad results of more than a few less-than-inspired musical reunions and reshufflings. Desperation does not always make for good music! And so, I was pretty happy to find a refreshing exception to this occurrence when I first heard Emerson, Lake And Powell. The core of the first incarnation of Emerson, Lake And Powell responsible for writing so unique a chapter in 1970's music has teamed up with talented drummer Cozy Powell. The result is as new and exciting as if it were 1971 all over again! They surprised me with a winner...I'm still in futile search of one person at this radio station that doesn't like the new Smithereens' track on first listen, and with a name like that--they've got to be winners! Thank you's this week to Bob Catania for the panties. They look real cute on Tom!"

KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: Limited Warranty 'Never Enough', 'Victory Line', 'Eat Down The Door'; Siouxsie And The Banshees 'Sweetest Chill', conversion on 'Cities' and 'Parties Fall'; Ian Messenger 'Ride Out The Storm' and 'Wait So Long'; Billy Ocean 'Without You'; John Eddie 'Buster'; Emerson, Lake And Powell 'Touch And Go'; Roy Buchanan /Delbert McLinton 'Can't Judge A Book', and the Double 12"...I don't foresee any consumer action problem with Atco Records' new Limited Warranty. Even Ralph Nader would have to agree that these guys deliver the goods as promised!...Siouxsie And The Banshees have been all over the rock 'n roll lot, from totally tonal to quite listenable--'Tinderbox', fortunately, falls into the latter category...For adult album radio types: Check out Billy Ocean's 'Without You'--mellow, but not totally wimp! ... A definite rave for a new A&M act called Double. They sound like a cross between Ben Sidran and Boz Scaggs--just right for old farts!"

KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN: "We're taking a shot on a record this week just 'cause we love it. It's by the Rave-Ups, 'Positively Lost Me'. Remember the song was in the 'Pretty In Pink' movie, but not on the soundtrack Lp. Check out the Rave-Ups Lp 'Town And Country' on Fun Stuff Records... On the homefront, Fabulous Thunderbirds are still knocking 'em dead with 'Wrap It Up' and 'Why Get Up'... Icehouse gets lots of reaction and the Eric Johnson record shows good sales in Dallas...I still can't say enough about Peter Gabriel. It's gotta be #1...I've gotta think the Fixx will happen big...Thanks to Bubba Wayne for being patient with us...Finally, congratulations to our George Gimarc who just celebrated his 9th anniversary of the ZOO's Rock 'N Roll Alternative show. And they said 'new wave' was just a passing fad."

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "It's easy to predict a hit for Genesis. The great thing about 'Invisible Touch' is that I honestly love it...Roger Chapman's voice is back on the air via the Box Of Frogs project. You either hate or love this guy's voice (I'm in the latter category). Curious to see what the audience response will be...Ever wonder with Little Feat might sound like today? Well, check out this band from New Jersey called Cheater Jones. Call Bill McGathy for a copy...This Sluggers' tune is instantly likeable...Jean Beauvoir is a killer too. We'll try to get both on next week...Yo, Capital, you want Joe Cocker to have an AOR/CHR hit? Then release 'Don't You Love Me Anymore'...From one baby boomer to another this Sad Cafe Lp is quite enjoyable, very 25+...The strongest Fiona track ever is finally on 12". 'Hopelessly Love You' is her best to date."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "ELP's 'Touch' is hot and already getting good phones...New AC/DC will be big. With a soundtrack like this, the movie's gotta be a killer. Check out the video. Too Cool!...Krokus: it's time, 'School's Out'. An excellent remake of the yearly classic...Aerosmith 'Darkness', smart move to release this track. It's got that signature 'Get Your Wings'/'Toys In The Attic' Aerosmith sound...BOC 'Perfect Water', this is one beautifully perfect song...Eric Johnson, try the instrumental, 'Zap'. Guaranteed to get immediate phones. Sounds Dixie Dregsish...Accept, 'It's Hard To Find A Way', this power ballad blows away all the heavy metal/noise stereotypes. Try it and see!... Finally, Frankie Miller's got another great song, 'Do It Til We Drop. By the way, he opens for the Seger tour...Finally, special thanks to Elektra's Rob Siden for the Jackson Browne show. P.S. Check out 'Lives In The Balance' tour when it comes to your town, it's great!"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "The new ELP sounds great. They seem to have just picked up where they left off. Cozy Powell has no problem filling Palmer's shoes...The new Box of Frogs is a little tougher than the first album. As a follow up to 'Heart Full Of Soul' we'll try 'Get It While You Can', which features Graham Parker on vocals...Peter Case from the Plimsouls has a solo Lp out right now with some tasty material. We'll start off with 'Steel Strings'...We've gone with another track from the BoDeans; 'She's A Runaway' is a big jock favorite right now...The Bruce Hornsby is beginning to develop a retail story behind it. And Bruce continues to be our hottest phone item...The Jane Siberry record has the most unique sound of any record we're playing right now. She's a great artist for any station that considers herself progressive rock. Songs include 'One More Colour' and 'Seven Steps To The Wall' and 'The Empty City'...Thanks to Pete Schwartz and Geoffrey Schulman for the visit last week... Enjoyed having a chat with Graham Nash. Thanks to the folks at Atlantic for lining that one up...Also thanks to Jim Davenport for making a special trip to Boulder so we could interview Brian Setzer...We now have music meetings on both Monday and Tuesday mornings. Music calls will be taken Wednesday, Thursday and Friday 9:30 to 11:30 A.M. and 3:30 to 5:00 P.M."

WNEW, NEW YORK, NY M.D. MARK CHERNOFF: "Had a chance to meet with John Eddie last week. Here's a guy who will go places fast. His appearance on our morning show generated instant phones and 'Jungle Boy' continues as our #1 request. And then 'Stranded', 'Cool Walk' and 'Pretty Little Rebel' also sound great on the radio...Other guests this week live on WNEW included The Alarm, Joe Piscopo, Golden Earring, Yoko Ono and Giuffria...Also I enjoyed having lunch with Cy and Adam of The Fixx...And good to see the Markoman with the Models...The Fixx's 'Secret Separation' is starting to generate some early phones...Anxiously awaiting Alvin Lee's 'Detroit Diesel' album. We had Alvin on Live From London and he debuted the title cut - boy, does it rock...Looking closely this week at 'Feel The Heat' by Jean Beauvoir, which looks like a multi-format hit...And, coming soon, on WNEW, the Smithereens, live in concert."

KZAP, SACRAMENTO, CA M.D.-BILL PRESCOTT: "'Darkness' has come. This is one of the best Aerosmith cuts that never made it onto the 'Done With Mirrors' album until now. (It was always available on CD and cassette.) It will join the other great songs on future copies of the Lp. If you have the 'Darkness' 12, play it. Play it - damn it."

KSJO, SAN JOSE, CA M.D.-KEN ANTHONY: "Johnny Weismuller would be proud that 'Jungle Boy' from John Eddie sounds like the next hot rocker from the Jersey area. On his very strong debut album he shows very strong songwriting savvy. With that classic sweaty rock pose, Mrs. Jackson and the rest of the world, watch out!...I find the ELP a real pleasant surprise. Drummer extraordinaire, Cozy Powell, fits in nicely, and the song 'Touch And Go' sounds like ELP never left. I'd call it a bona fide AOR smash... I like Icehouse's 'No Promises' a lot, but 'Cross The Border' has a bit more punch for KSJO...Wild Blues showing good initial reaction. It's a great summertime rock and roll record, and Renee Baro sings with a lot of enthusiasm."

WGLU, JOHNSTOWN, PA P.D.-GARRETT HART: "Hey there rock 'n roll warriors! The Van Halen concert in Pittsburgh last night was a kick ass extravaganza for the folks in the Steel City, complete with more explosives than North And South Book III. Eddie's brilliant guitar work and the Red Rockers high wire act kept the audience screaming all night long! Thanks to Mark Wallace for a hot time in the Steel Town!...This week we're coming in on Wild Blue's 'Fire With Fire'. It's a scorcher of a lead track from an Lp with some real depth. Check out 'Nowhere Left To Run' and 'Only You'...In the serious Blues Department: Roy Buchanan and Delbert McClinton have a bona-fide butt kicker with 'You Can't Judge A Book By Its Cover'. Don't overlook this one! Remember, the blues is truth! Ron plays it and Delbert sings it! You gotta git down with this one!"

"Concert welcomes: The Lords Of The New Church (May 14) and The Long Ryders (May 19)..On Saturday, June 7, WMYR hosts a charity event on our grounds, which are located on 250 beautiful acres owned by the Oblate Fathers of Minneapolis/St. Paul. Panterra's is supplying the pizza. There will be six hours of live local music, clowns and magicians for the kids, and attendance prized for the bike races...Musically, Let's Active sounds like early John Lennon to me. 'Last Chance Town' is somewhat reminiscent of 'Cold Turkey'...The Del Lords' 'Heaven' has a very fresh contemporary sound to it. The first time it was played it got two immediate curiosity calls...Great phone reaction to the Blow Monkeys 'Digging Your Scene' every time we play it...Also lighting up the phones are Bourgeois Tagg 'Mutual Surrender' and 'Heart Of Darkness'...Still hanging in real strong is The Call (which we've been on since January)...Records we expect to do well with: Rob Jungklas 'See That Girl'; Roaring Boys 'Every Second Of The Day' and Rubber Rodeo 'Souvenir'."

 "For those of you who've been distracted by the recent inundation of Jackson-Cougar-Seger-Stones (and Powell?) product, here are some artists that stand head and antlers above the rest: I am truly destroyed by the Smithereens. 'Blood And Roses' has been on the air less than a week and we're already getting excellent phones...With advance cassette in hand, I can honestly say the Smithereens will be huge on FNX. The album 'Especially For You' is chock full o' riffs...Those fabulous BoDeans generate serious phones and hold their own with the Alarms, Lou Reed's and Peter Gabriel's of this world. Their Lp has proved itself on our airwaves...The Blow Monkeys have a surprisingly deep and varied record with 'Animal Magic'. For those of you who can't handle the groovy schmaltz of 'Digging Your Scene' (already a bona-fide FNX hit) try the hot funk of 'sweet Murder' or the bluesy 'Aeroplane City Love Song'...The Boston based Dumptruck belongs to AOR radio. If you knew that classic hits' fix--try segueing 'Back Where I Belong' to the Guess Who's 'No Time'...As always, it was a pleasure to see Michael Plen from I.R.S. when he was in town with the Alarm. They did two hot shows in Boston and we had Dave Sharp on the air for an interview... From the hospital bed of Space Bug: Are you cool enough to play George Clinton?...I had a lot of fun at the Boston Rock Seminar last weekend. I was very pleased to meet Nick Cucdi from Relativity, John Souchack from Island, Ann Clark from Rockpool and Janet from Second Vision...Congratulations to Mike Jones who moved to New York to do promotion for Combat Records."

DANNY BUCH, ATLANTIC (212-484-7631): "So hockey's over for Danny Buch and his New York Rangers. Suicidal-- who me? So now I gotta wait til October. Big shit! I'm a man, I can take it!....So, like you must be thinking to yourself, 'What can I do as an influential radio programmer to cheer Danny up? To put a big smile on Danny's face? To keep Danny from kicking his poor defenseless dog when he comes home at night?' The solution is simple: ADD DANNY'S RECORDS IN POWER ROTATION AS SOON AS YOU'RE DONE READING THESE ALL IMPORTANT COMMENTS!...Danny's records are: AC/DC's 'Who Made Who' (guaranteed summertime, mega-smasheroonie) ...INXS's 'Listen Like Thieves' (gold, heading toward platinum)...Mike + The Mechanics' 'Taken In' (on the heels of two hit singles)...Fiona's 'Hopelessly Love You' (a great track from a future star)...Julian Lennon's 'I Want Your Body' (on tour soon)...Graham Nash...Peter Frampton...Ted Nugent...The Firm...Sad Cafe... Virginia Wolf...Savatage...JUST OUT: SOUTHSIDE JOHNNY...GENESIS...We've been friends for a long time. Do you want it on your conscience that you did nothing to help your pal, when a simple little thing like adding five Atlantic Records could have kept me from going over the edge?? Remember--sending flowers ain't gonna make you feel much better once it's too late!"

MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400): "Programmers: When you're done with your morning coffee and donuts, play 'The Hole'! Solid reaction so far to 'Quiet Eyes', the lead 12". Other tracks to look at are 'They Dance' and 'Jane Jane'. This Lp is Golden Earring's strongest and deepest yet, with a U.S. tour to follow...Robert Palmer's 'Hyperactive' has put this album and ticket sales into hyper-space. So, if you're not playing--you're late...With all the majors out there, don't overlook a solid effort from Minneapolis' rockers, Limited Warranty. A strong rhythm line and hooks to go with it, 'Victory Line' deserves your attention...Loudness: What else can we say? Just good, old-fashioned, foot-stompin' rock and roll...Since you did, thanks for reading."

RECORD ACTION CONTINUED

MICHAEL PLEN, I.R.S. (212-605-0606): " 'Sounds too blues'... 'Sounds like KFOG'... Those were the immortal excuses from a San Jose P.D. (rhymes with 'wang'), who said playing Sting with Jeff Beck was not for his station. I guess I just can't believe that album stations would not play this song. Not only have we released the record specifically for your format (we're not releasing a single), but it's by two of the biggest artists of your format in the past 10 years. I've heard some great excuses in my day, but this takes the cake... Beyond that, please listen to Belinda Carlisle 'Mad About You'. She's on tour with Robert Palmer and the song is quickly becoming a smash single. Don't lose out... And listen to 'Suspicious Minds' by the Fine Young Cannibals--a definite upper demo hit of a classic song... And lastly, Midge Easter's Let's Active, currently the #1 college radio record in the country. The music is so mainstream it really shows radio's weakness for not listening to new music; because if you were really listening to this record, you'd be on it. It's that obvious and that great. Look for our 12" of 'In Little Ways' b/w 'Last Chance Town' and 'Talking To Myself', which seems to be what I'm doing with this record. But a few listens will certainly convince you that Midge Easter is a genius."

JEFFREY NAUMANN, RCA (213-468-4055): "Two new hit releases from the Nipper this week include Wax's 'Ball And Chain' and the long awaited Lp from Annabella (remember Bow Wow Wow?). Wax's 'Ball And Chain' is completely remixed, revamped and edited from the Lp. It is hot! The cuts we're going with from Annabella are a very 80's and ballsy remake of, yes, Peggy Lee's 'Fever', and a super remake of Alice Cooper's 'School's Out' (It's much better than Krokus', I think). Both Annabella tracks were produced by Jim Lea, of Slade... There is no stopping Lou Reed's 'Mistrial' album. Lou's sales are at almost 100,000 units already. He'll be on all the Amnesty International dates and the tour is in the works for later this summer... People continue to rave and add the best new act of '86 - Bruce Hornsby And The Range. We have 100% success stories from every station playing this record. Don't let Top 40 take over at this point - add Bruce Hornsby now. We know where you live. Bruce is calling stations and doing ID's for anybody who wants them. So, let your RCA rep know what you need... For those about to rock, we have White Wolf. Tons of metal shop and evening play on White Wolf already!... Who is that girl??? Isn't the Belinda Carlisle record a veritable suchaahh??"

JEFF "SHAMU" COOK, ELEKTRA (404-921-4086): "Hi there, landlubbers. This week Elektra Records has a whale of a lot to tell you about. We've got records guaranteed to make a big splash and float to the top at your radio station. First, The Unforgiven 'I Hear The Call'. By now you've all seen the video we shipped to you and the 12" should now be in your hands. This band has the song and the look to make them as big as Moby Dick. Add now, before your audience starts blubbering for it... Also released this week - a greatest hits compilation from The Cure - the band voted most likely to surface at commercial radio this year. This Lp shipped over 200,000 out-of-the-box and tour dates are selling out as quickly as they are announced. Elektra is going to spout about the Cure cause they are making waves... Are Jackson Browne's 'In The Shape Of A Heart' and Howard Jones' 'No One Is To Blame' in heavy rotation at your station? If not, I can't sea why. These records are huge hits... 'Everywhere I Go' by The Call is one great tuna. Album radio broke the first song and album sales are now in excess of 150,000. If you ain't playin' The Call, prepare to hear some heavy beaching from your Elektra reps... Dokken is out touring with Judas Priest and 'Unchain The Night' is just the right song for your large rock and roll audience."

SEAN COAKLEY, ARISTA (212-830-2178): "Instead of digging out the mouldy oldie, why not put on the cleverly humorous KROKUS interpretation of 'School's Out'. It's a proven hit made for this time of year and the cross-format play should certainly help take it over the top... By week's end you should all have the J.A.M. (Jersey Artists for Mankind) single. (A 12" will be available in a few weeks.) The song is called 'We've Got The Love' and features some of your favorite Garden State musicians (Yes, HIM too!) playing their asses off for the benefit of hungry people all over America. Hey, charity record or not, this song will give you chills and should obviously be carted up the moment it comes in the door... 'Over The Fence' is a made-for-summer rock radio scorcher that is generating 'instant phones' at WDHA. THE SLUGGERS swing for the fence... GTR is heading for #1. Rock radio does it again!... Personals: The BODEANS is my favorite record of the year. Who are these guys?... Attention all RODNEY CROWELL fans: his upcoming album (Columbia) will leave you breathless and win him the kind of mass acceptance that you've always known he deserved. Go Indians!"

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "I would like to dedicate these comments to one act and one act only - THE BANGLES. Somewhere, somehow there are far too many people classifying this great band (not good band, great band) as pop stars not belonging to the album rock format. Nothing could be farther from the truth! And the truth is what this crusade is all about. The truth is that if you go to a Bangles show, not only will you see a band that has the Hollies, Supremes, Beatles, Association, etc., etc., etc. all wrapped up into one beautiful sound and package; when you look at the audience you'll see your demo scattered all over the place!!! This isn't a band that is attracting screaming teenagers. During their recent show in New York, the audience, who were quite mature, (and these are New Yorkers mind you) stood up for the whole damn show! Look at their new video. These people are celebrating the magic we all grew up with - Vox and Rickenbacker guitars, four-part harmonies - this band is made for the format! I am reminded of a scene in the Wizard Of Oz where Dorothy asks the scarecrow how can he talk if he doesn't have a brain, and the scarecrow replies, 'Oh I know a lot of people that do a lot of talking who don't have any brains at all!' This pop rap sounds like the all too familiar one liner that someone says and everyone else just takes up the chant about, without thinking for themselves and really realizing just what is going on. How many phenomonons in music get into TIME MAGAZINE?!!! What demos and psychographics read TIME? Duh! All kinds of major artists have been turning up at the Bangles' shows to check them out. Don Henley went out and bought four tickets for the L.A. show just to make sure he had them. Lindsey Buckingham's a fan, and even Bruce went to check out a show! Is that hip enough for you?!! The only reason this pop rap exists is because the band had a huge hit single and over half the album stations in America played the tune, instead of all the album stations. Granted, there are a few out-and-out rock and roll radio stations that might have difficulty with this sound, but aside from those few everyone else is going for mass appeal. Now, the new song is written by Jules Shear who is only the hippest thing around, and for those album rockers who are number one in their market or on their way to this prestigious position, why on earth make people have to tune in across the street to hear what is about to become one of the most important songs and most important acts of the year? This record is flying out the doors at retail, on its way to platinum. The band has gotten more press than even the Hooters (which is hard to believe), and they are breaking BIG - be a part of it, their image is good for you!"

TOBY MAMIS, RHINO RECORDS (213-450-6323): "Greetings from 'Life In The Slow Lane'. Kip Addotta is keeping us busy, and keeping us laughing, as the album 'Life In The Slow Lane' is over 55 adds and counting. In addition, don't miss his appearance on Dr. Demento (most markets: Sunday, May 25th), and live in Portland and Eugene, Oregon this week. Or you can catch the video on MTV: V56 in Boston or TV-69 in Gainesville, Florida. Come on you fruits and vegetables out there in radio land--join the fun!"

RICHARD PACHTER, PROMOTION IN MOTION (305-482-6629): "I sure do like that Box Of Frogs album. The Ian Dury song is hilarious... Blue Oyster Cult's 'Perfect Water' remix is a stunning rocker that you must hear and share with your audience. I like the original album version a lot, but the new mix by William Whitman and Sandy Pearlman gives the song a whole new dimension and vitality. Check it out!... If you're not on 'Hyper-active' by Robert Palmer you are wrong. Period... Ditto with Danny Wilde. 'Once Isn't Enough' is broken. An album full of good stuff from this guy... Good luck to Lambert, Lake and Lancao... See ya!"

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.

Hard Choices

DAVID BOWIE, "UNDERGROUND", EMI... This one's more news than music what with the George Lucas/Jim Henson film collaboration, and Bowie is one of the few multi-media personalities with the stardom to pull it off. The man's clearly the Baryshnikov of rock, with a dash of Andy Warhol and Calvin Klein thrown in. Expect better CHR coverage than "Beginners" enjoyed--and it'll do nicely until David delivers more of what made him great in the first place. And that's substance to match the style, dear hearts.

JOAN ARMATRADING, "KIND WORDS", A&M... We love the Wilson sisters, Stevie Nicks and Pat Benatar too, but puh-leeze, the talent pool doesn't stop there. Sooner or later we've got to break a new voice in, and "Kind Words" is an easy place to start. It's her grittiest, most aggressive work to date, but still as distinctive as ever. No sell out for sell thru, either. And judging from A&M's CD/Video/Viny assault, they're more than willing to meet you half way to bring "Kind Words" home.

BILLY JOEL, "MODERN WOMAN", EPIC... The High Priest of Yuppledom sharpens his pen for a shot at the stereotypical '80's woman, and it's obvious he's done his homework. As befits Billy's ever ascending affluence, here's the Upper East Side edition of his patented social commentary, all dressed up to kill multi-format in his always hooky, harky, jerky, quirky style. Should be his biggest record in a while, thanks in part to the sure bet blockbuster film "Ruthless People".

Reaction Records

GENESIS, "INVISIBLE TOUCH", ATLANTIC... As you can see from just about any Vantage point, this record defines the ultra Automatic: Out of the box on 121 reporters, half of which start it at max. The week's strongest chart entry at #8, and rated four-star classic material at 70% of those surveyed, and in at #5 Most Requested. As Bob Bittens puts it, "Top 5 before the end of the tune"...WRUF's Rick Richards feels "They're back and rocking with an old philosophy--don't change a good thing"...From WOUR's Tom Starr, "Genesis purists have had their Phil of the band's streamlined, commercial sound and are voicing disappointment with the new track, but they are vastly outnumbered by the masses that love the groove"...KZEW's Cindy Bailen says, "Sounds more like Phil than Genesis"...And "Pop goes Genesis" was the call from WNEH's Mark Chernoff...And KLOL's Dayna Steele knows the bottom line, "They have the formula down."

ROD STEWART, "LOVE TOUCH", WB... It wasn't love at first listen in our office, but we like what radio is telling us. For instance, Greg Gillispie and "Rod hasn't been the best ROR artist for a while, but from time to time he does make a pleasant pop song that fits; and the Caribbean feel of this one is a nice way to fall into summer"...KBCO's Doug Clifton says, "I like the return to the older style"...WLUP's Jim Steele sez, "Silly, smooth and seductive"...WDHA's Mike Boyle reports, "The females love it already"...WHEB's Garrett Hart calls it "his best stuff in 10 years"...And from KICT's Phil Thomson, "We'll beat CHR on the single, and then play the Lp"...#2 Most Added with #5, debut #48.

SOUTHSIDE JOHNNY AND THE JUKES, "HARD TO FIND", ATLANTIC... John's home base northeast corridor comes alive with 10 adds, including WMMR, WNEH, WARK and WDHA--but fans all over the map are testifying: From WRRY's Ted Habeck, "You don't have to be a fan to appreciate the new one. I'm hoping the single goes at least top 10 because after ten years, this guy deserves it"...Or as WLUP's Bill Evans says, "No one deserves success more"...WMMR's Al Branca calls it "Perfect for summer"...KBCO's Doug Clifton reacts, "A very nice surprise"...WTUE's John Beaulieu calls it his "Fave of the week! If the shoe fits, play it"..."Love that song!" said KATT's Scott Quigley...From Ron Sorenson, KBLE, "Welcome back horns!"...WPDH's Pam Brooks praised the "Perfect Southside sound."

PETER GABRIEL, "SO", GEFEN... Let's just say it'll be one of 80's top six--and could well top the list based on raves like this: Rad Messick, WDIZ, "1986's 'No Jacket Required'"...Erin Riley, WMMR, "How many great songs can you put on one record"...Doug Clifton, KBCO, "Best record of the year"...Alan White, KILD, "Album of the year"...Bob Bittens, WHCH, "Album of the year"...Mike Molt, WYSP, "Could be his best record ever"...Harv Allen, WCCC, "An absolute smash"...Bill Evans, WLUP, "His best to date"...Cindy Bailen, KZEW, "The whole album is wonderful"...Don Berns, CFNY, "A stunning effort, chock full of great songs"...Michael Davis, KFMG, "Best record of '86 so far"...Ron Diaz, WYHF, "Excellent"...Ron Sorenson, KBLE, "Certainly his most commercially viable record front to back"..."Sledgehammer" powers into the #1 airplay slot with 10 ups and 89 max, and it's still #1 Most Requested. "In Your Eyes" picks up 23 adds and a #68 debut, with WMMR, DC101, WAAF, WHCH, KFOG, KMET and KZAP heading the heavies. "Red Rain" claims 15 (WYHF, KDON, WDIZ, KFOG, KZEW, KZAP, WLUP, WNEH, KISS) for a #76 debut.

JOHN EDDIE, "JUNGLE ROY", COLUMBIA... One of our most active new builders brings home another 13 adds--as 69 total and 4 more ups (WMMR, KFMG, WDHA, KILO) fire up the #1 National Lp point gain at #33, and #3 Metro increase 20-20 (also that chart's second longest gain)...The Checklist offers builder status at 24, including WYHF, WDIZ, KSJO, WCCG, KATT, KROR, KOME, WXRK, WMMR, WOUR, WNEH, WYSP and WMMG, with 17 maintaining and 18 considering. Now a top 5 item at WNEH, WDHA, WXRK and WCCC...KDON's Inessa York finally found room, saying "We've always liked the Eddie, and felt it had a great catchy beat and was a wonderful spring/summer song"...WAGT's Phil Manicki feels, "It's got it all, power, hooks, and most importantly, it makes you feel good"...Also check the 44-36 Song Underline.

EMERSON, LAKE & POWELL, "TOUCH AND GO", POLYGRAM... Gabriel may have aced the boys for top Lp debut honors--but "Touch And Go" grabs 13 adds and our third best 15 ups for the top rated Song Index point gain and a 13-11 Primer...And the Lp debuts at 10 and 5 Metro is obviously top drawer performance...You've also got to respect the #4 Most Requested debut--bolstered by 41 "excellent" phone mentions... "Learning To Fly" and "Love Blind" were our most talked about backtracks, with 13 adds putting "Love Blind" on board at #93.

Tips

BIG AUDIO DYNAMITE, "E=MC²", COLUMBIA... We know how many times are we going to tip, pick, endorse, get behind and otherwise nag you on an album that's been bubbling under since Adam? Fact is, this is the tune all concerned should have clobbered you with since "Jump Street." KROQ made it a hit in L.A.; Rob Barnett heard it at the Bowling Party, went home and made it a monster in Dallas. And we're talking Texas, 1,100 miles from their bi-coastal base. Cindy Ballen calls it "The surprise record of the year"...CHR play has now forced it on KSRR--and the explosion is definitely headed in your direction.

JOHN CAFFERTY, "VOICE OF AMERICA'S SONS", SCOTTI BROS... AOR has John down as a "one track at a time" artist--and although that keeps deserving depth material off the air, it does effectively freeze dry cool tunes for future use. This one's "Thank The Lord For The Night Time" riff will work till he'll freeze over--or till Sly nails an Oscar, whichever comes first.

JERSEY ARTISTS FOR MANKIND, "WE'VE GOT THE LOVE", ARISTA... As cause records go, this one's pretty good. And lucky for them because by now it takes something a little special to get noticed. Great to hear Bruce Hill that string 90 seconds into the song--and you've gotta love the overall good time feel. Sounds fair on the air, too.

Reaction Records Continued

AC/DC, "WHO MADE WHO", ATLANTIC... Take a look at the #10 Most Requested debut--people obviously want to hear this track, with KILQ, KISS, KRIZ, WJHA, WHTF, WMLN, WXRK and WKDF among the top fivers, and "excellent" reports from 20 more, including WYAF, KLOL, KOMA, KILQ, KFMS, KICT and KZZZ.
