ROB JUNGKLAS, "BOYSTOWN", MANHATTAN... The "good" call count now includes WXRK, WIOT, KISS, WDHA, WKLS, WHMD, KRNA, KFMQ, KPOP, KFMG, WRUF and WLNZ, with WKQQ and WXRC reporting "excellent" reaction. KMET, WLWQ and WTKX increase airspace, with new action at WWCT, KZEL, WBLM and WRKI... "Boystown" Primes 46-41, and extremely hot phones for "Memphis Thing" at WEBN should send you back for a second listen there, too. As Curt Gary puts it, "Memphis Thing" is now top 5 requested and a party monster"... The Lp's Underlined at #34.

RUBBER RODEO, "SOUVENIR", MERCURY... WYSP, WAAF and WBLM join the club, as 29 to date and ups at KAZY and WHFS move it on out 90-83. Got those "good" calls at WBRU, WIYY, WMGM, WFXR, KPOP and WHEB. Currently on WMGM, WTUE, WHJY, WNOR, KBCO, WNEW, KSRR, WYSP, KAZY and more.

DEVICE, "HANGING ON A HEART ATTACK", CHRYSALIS... KILO's Alan White predicts, "Device could be the major surprise on the month. Holly Knight's track record certainly makes this a must listen record." WMGM's Al Branca is a believer, saying "'Heart Attack' got phones here with just one play." WKQQ's Rob Ellis sez, "Great hook"... "It's a good concept record" comments WRXL's Paul Shuegrue. WPLR's Amanda Tepper hears "Solid corporate rock"... and WEBN's Curt Gary is also a fan with "Very promising."

PET SHOP BOYS, "OPPORTUNITIES", EMI... As expected, the AOR jury is split on their latest--but the backers are adamant, as typified by WLIR's Larry Dunn, "Over half million listeners can't be wrong. It was Screamer Of The Week 8 months ago as an import." Marty Bender backs it with "Real good song"... "Smash follow up" said WPDH's Pam Brooks... From WRDU's Bob Walton, "That's a great theme for the 80's"... And from CFNY's Don "We're always at least a year early" Berns, "Already a smash here."

FRANKIE MILLER, "DO IT TILL WE DROP", MERCURY... KLAQ and WMGM drop it in, and thanks to ongoing spins at WMMR, WHJY, WKDF, KISS, WXRK, WYSP, WHEB, WHTF, WEZX and several more, we're talking a #95 debut... WHTF's Tim Drayer tells us, "Everytime we play this song we generate instant phone response"... Now, isn't that kind of reaction and those credible stations above more than enough ammo for a test spin.

JEAN BEAUVOIR, "FEEL THE HEAT", COLUMBIA... We're with WBAB's Ralph Tortora, "Between the Stallone connection and that hook, production and the big beat, you've got to be deaf to miss this one." And even if you opt to hold out, you're listeners will hear it backing the spot at least 80 times a day. Already on WRCN, WAAF, KSRR, WAAF, WLIR, WKLC, WBAB and more.

## Builders

THE FABULOUS THUNDERBIRDS, "WRAP IT UP", CBS ASSOCIATED... The Checklist confirms their second ace with flying colors, with 41 building and 16 maintaining, as if one couldn't tell from the charts... "Wrap It" rolls up a 27-19 Underline, #3 in overall points gained, powering up a National album Underline at #16 and #14 Metro Primer... #6 Most Added with 15, now on 97, and increased on 9, including KL0L, KRQS, KSHE, WOUR, WBAB and KEZO... As WEBN's Curt Gary says, "One of the classiest acts on the radio-American rock and roll at its best."

JUDAS PRIEST, "TURBO LOVER", COLUMBIA... Their deuce drives in with our third longest Song gain 60-44, thanks to 14 adds (WNEW, WHJY, WYSP, KZEW, WXRK), ups at WYNF, KMET, and KLAQ (and no decreases); and 46 stations to date... It's currently building on 18, including WYNF, WPYX, WDHA, WLLZ, WAQX, KLAQ, WKDF, KISS and WPLR, with 12 maintaining, and 13 considering... Interesting comment from KNCN's Bonnie Stacy, "Ever consider 'Turbo Lover' as crossover material? Well, that's probably too much to ask for, but watch out, it's turning up in the dance clubs."

JACKSON BROWNE, "THE SHAPE OF A HEART", ELEKTRA... The remix continues to close 'em in leaps and bounds--with 13 adds taking it just over the 100 mark, and 12 increases giving "Heart" our second strongest point gain 20-15. The Lp builds, 12-11, while Underlined at 11 Metro.

BLUE OYSTER CULT, "PERFECT WATER", COLUMBIA... They've got our second biggest Song Underline for this report, 98-81, with WQFM, WAQX, WKDF and KLBK leading 9 adds. Now on 24, including KLAQ, KOME, KISS, KIL0, WHJY and QKDS.

THE CALL, "EVERYWHERE I GO", ELEKTRA... Again--this one's hard to hear, but appears to work when given the room to move... KGB, KLPX, WHJY and 4 more add, with ups at KOME and WMGM, and no decreases... Now on 44, most notably KRQS, KMET, KUPD, KLAQ, WKDF, KLPX, KRQR, KLOS and WIOT... "Everywhere" pushes 66-55, holding the Lp at 31 in the Nationals, 23 Metro.

HONEYMOON SUITE, "BAD ATTITUDE", WB... WB is close to wrapping it up, what with 97 now playing and a 26-23 Underline... New action includes WLWQ, WPYX, KEZO and WKLC, with KISS, KL0L, KMET and WOUR heading 9 increases.

OZZY OSBOURNE, "LIGHTNING STRIKES", CBS ASSOCIATED... If you're still on the fence, let the Checklist be your guide. We found 21 builders, including WYNF, WDIZ, WPYX, WCCC, KL0L, WDHA, WLLZ, WXRK and WIOT, 11 maintaining and only 1 dropping, with 12 actively considering... New air on KL0L, and WGLU pumps the on column to 48, with WYNF and WDHA upping and no airplay decreases. "Lightning" moves 53-49, with the Lp at 37 National and Metro.

ICEHOUSE, "NO PROMISES", CHRYSALIS... Great Checklist here: 31 building, 33 maintaining, and only 1 dropping. "Promises" Primes 23-18, just added at KSHE, WYNF and 5 more, upped at 10, including KIL0, WOUR, WLUP, WRXL and WDHA... Now max at 11, including WTUE, KIL0, KAZY, KROQ, KBCO, WLIR and WLUP, with KZEW, WTUE, WHMD, WQBK and WTHG listing top 5 calls... The Lp has a #18 National Underline (#3 in overall points gained), also Prime at #17 Metro.

KENNY LOGGINS, "DANGER ZONE", COLUMBIA... Kenny's calls are excellent at WIOT, KPOI and KFMF, and they're good at 10 more, led by WNEW, WMGM, KZEW, KLAQ, WXRK and KICT. Adds at 6 takes the tally to 80 with ups at WDHA, WAPL, WIOT and KKFM, and max spins at WCMF, KRQS, KLPX, WXRK and KFMF. #32 on the Song Incx. It's riding the Cruise missile--so hop along.

STING AND JEFF BECK, "I'VE BEEN DOWN", IRS/MCA... The phones are up and jumpin', as per the #12 Most Requested debut. WXRK, WNEW, WIOT, KGON, WHCN, WLUP, WDVE and 6 more called in "excellent" reaction, with 36 more "good" reports... Five more adds takes the count to 111, with the week's 12 increases highlighted by WNEW, KMET, KMOD, KOME, KAZY, KATT and WQFM... The track gains 18-16, giving the Lp our #2 point gains at #17, and 4th best Metro increases at #19.

LOU REED, "NO MONEY DOWN", RCA... There's certainly no downside to this one's Checklist performance, with WXRK, KZEW and WBAB reporting sales builds, phones up at WMMR, WIOT, WLWQ, WLNZ and WOUR, and the phones/sales double play the haps at KOME, KRNA, WMGM, WYSP and WPLR--and a grand total of 32 builders. We found 12 considering, 24 maintaining and none dropping... It's new on 2, upped at WMMR, WAQX, KAZY, KOME and 3 more, down on only 1, and on the move 31-27. The Lp's also Prime at #26 Nationally, #31 Metro.

GOLDEN FARRING, "QUIET EYES", 21/ATCO... The phones are anything but quiet--with WNEW, KIL0, KLAQ, KISS, WDHA, WPYX, WDIZ and KICT among 25 "good" request reports... 96 now playing puts the Lp on the Back Page at 27 Nationally, 23 Metro, with KEZO, WAPL, and KSJO upping and DC101 and KRQS already listing max play.

GTR, "WHEN THE HEART RULES THE MIND", ARISTA... A big tip of the Sheet to Sean and those thoughtful Arista people for our nifty red 100% cotton T-shirts and newly minted CD... And here we go with more numbers to match: "Heart" heats up 4-3 Most Requested, and our fifth rated 15 playups push it into 7-5 Primer territory... Still max at 58.

# ALERT!

Presents ...

## WHJY TAPS 12 YEAR VET DAVE LEE AUSTIN AS PD

A familiar face is back in place in New England rock and roll radio. After a 4 year sabbatical, Dave Lee Austin returns to the trenches as WHJY PD effective May 19. The time off not only allowed him to pursue a medical career and to spend a lot of the money he made in his 12 years in radio in Europe, it also afforded Dave a valuable perspective on the biz in general. As he told us, "Stations that develop depth of personality, warmth, and real community spirit thrive and remain dominant forces in their markets no matter what the minor ratings fluctuations. Stations and PDs with clearly defined goals always succeed. We have that well-defined position at WHJY and a very experienced manager to keep us on target. We will continue to be very successful."

The former WAAF PD (79-81), WLIR Op Mgr (72-75) and WCCC, KZEW and WCOZ morning man replaces Ian Grace who has returned to programming duties in his native Australia. Dave's new job reunites him with a couple of his old compadres: Consultant Tommy Hedges, who was Dave's boss at WCOZ, and Glenn Stewart who Dave hired as a parttimer at WAAF.

## EXPANDING ROCK RADIO DEPTS: POLYGRAM UPS ISQUITH; MCA RETRIEVES FRIAR

New PolyGram Natl Mgr/Rock Radio Dept Jack Isquith has not only distinguished himself as a top gun college/alternative promo ace, he's also a hoot and a half. Regarding his new stripes at PolyGram, Jack told us, "Mr. Recordhead and I have been putting our heads together for over two years now (you should see the collar size on this guy), and I'm incredibly thrilled to join him as well as Fred, Drew and Debbie and a great local staff in forming what I'm sure will be the most effective and responsive rock radio line up in the business."

Jack will act as liason for new and developing acts between progressive and secondary radio outlets, maintain promotional contact with the trades and coordinate marketing campaigns where necessary. He will also retain his current responsibilities with college and alternative radio.

Jack joined PolyGram in the college promotion post in June 1984 from Joel Webber's Uproar Management. Prior to that he was MD at WCDB, Albany.

Rejoining MCA in the newly created post of Midwest Regional Album Promotion Director is Mike Rose, from a midwest based independent promotion firm. Based in Cleveland, Friar is the newest addition to VP Album Promotion John Schoenberger's "specialist team" that also includes Nan Fisher (Alternative), Randy Hock (Natl LP-NY), and Bob Osborne (Natl LP-L.A.). As John puts it, "Friar's experience with MCA made him an easy choice to welcome back to the family and his dedication and loyalty are unquestionable." Friar, who previously covered local Cleveland/Pittsburgh/Detroit for the label told FMQB, "After a year's absence, it's great to be back with MCA records and working with Jon, Randy and Oz. I look forward to re-establishing friendships with all my old AOR buddies and to develop new relationships throughout the midwest region."

## AOR CONVERTS: PITTSBURGH, MIAMI, DAYTONA BEACH

Stations in Pittsburgh, Miami, and Daytona Beach top this week's new format recruit rumors. Most intriguing of the three is WWCL, Pittsburgh, where scuttle on the street points to Classy 101 boosting power, changing calls and adopting an AOR format, under the direction of WLIR's Elton Spitzer and Denis McNamara. We've heard the station will have some of WLIR's modern flavor when it debuts this fall.

Unconfirmed reports from DIRT's Florida bureau indicate Daytona Beach's WCFI-FM is getting ready to rock. The Transtar satellite AC outlet, recently acquired by Duffy Broadcasting, has allegedly enlisted Florida radio vets Alan Edwards as PD and Mike Lowe as MD. New calls have been applied for.

Miami CHR WINZ-FM has shifted to an AOR top tracks posture, although CHR crossovers are still part of the music mix. The "I-95" handle has been replaced with "95-INZ".

## QUOTE OF THE WEEK

FIVE REASONS WHY IT'S NO FUN BEING AN EGG: "You only get laid once; you only get eaten once; it takes 7 minutes to get hard; you have to come in a box with 11 other guys; and the only one who'll sit on your face is your mother." ---From Flash at Atlantic who heard it from an anonymous source.

## CHARD PARTS COMPANY WITH WOUR AFTER 13 YEARS

Jeff Chard has resigned as WOUR GM, ending a 13 year association with the Utica AOR. Chard and WOUR Prez/Chief Engineer, John Bunkfeldt, who has also resigned, are making room for new owner Rick Devlin who will serve as President/GM effective June 1. Reminiscing on his decade-plus change at 'OUR, Chard told FMQB: "To be able to have had the opportunity to make FM rock 'n roll a legit form of adult entertainment is not a chance everyone has had. To be able to shape the culture of a community is a rare thing, especially in these days of the format of the month club, and to have been synonymous with a certain aspect of this community's culture is something I'll always be able to look back on with pride. After 13 years, it's time for me to move on to bigger opportunities"...Jeff wouldn't spill the beans on his next opportunity, but did state emphatically, "I'll never leave radio."

## NEW ERA AND NEW AC: WHO MADE WHO?

Last week's Q&A with Dave Logan on B/A/D/E's New Era format prompted a rebuttal from consultant John Sebastian. John strongly disagreed with Logan's statement that there are no similarities between New Era and John's New AC format: "How can you say there are no similarities when my format is the first atmospheric format and their's is also an atmospheric format and all of the elements that they are using have already been incorporated in my format. From day one we have played all the Windham Hill, New Age and Contemporary Jazz elements that are involved in New Era. They have not discovered any wheels here...The differences, of course, are drastic in that my format is much more eclectic and more variety oriented. My analogy is they're driving a truck through it and I'm driving a Mercedes through it."

## ARISTA RESTRUCTURES MANAGEMENT; ISLAND UPDATE

Moving quickly to fill the void created by Exec VP/GM Sal Licata's departure, Arista has made some changes in the company's management structure. Senior VP Promotion Don Jenner advances to Senior VP Marketing and Promotion adding supervisory responsibilities for sales, artist development, publicity and marketing. Senior VP Business Affairs Roy Lott takes on international operations and creative services duties along with his current responsibilities in the areas of business affairs and A&R administration.

Making the announcement, Arista President Clive Davis stated, "We are really fortunate to have this kind of management strength within our organization to draw on the outstanding talents of Don Jenner and Roy Lott. The creative, organizational and leadership abilities of each have made a great contribution to the company over the past few years and will now assure the continued strength and growth of Arista."

The Dirt Patrol caught up with Lou Maglia as he was getting settled in his new post as Prez of Island Records. He told us, "This will be a perfect marriage. I've enjoyed Chris Blackwell's music for many years...Coming from Boston and having seen 'The Harder They Come' about 5 times in Cambridge, I was into his stuff before anyone uptherewas. So it's really quite a cycle to come back to this now...Chris and Island are really the last stronghold in the record business that are not owned by a major corporation. Chris is the kind of guy who will be in front and ahead of everybody else."

Will Island be acting soon to fill the VP National Promotion position previously held by Phil Quartararo? Lou sez he may be looking to expand staff in the future, but he's not currently interviewing anyone and plans to "watch things for a couple of months."

## MORNING MEN IN MOTION--KZAP, WRXL, WEGL

Eight year Louisville rock radio fixture Ron Clay (WQMF, WLRS) has exited WQMF mornings for the same slot at Sacramento's KZAP. Returning to his native California, Clay replaces PD Tom Cale who will now be an off-air PD. "Replacing yourself on the air is never easy because you're always hypercritical of the new talent whoever it may be" explains Cale. "After looking for 1½ years, Ron was hands-down the best qualified to come in and do the job. I feel the combination of his talent and the KZAP legacy go hand in hand, and we're going to the top." Clay starts early next month, working with news ace Chris Davis.

When WRXL, Richmond parachuted former WTUE air talent Jeff Currey into morning drive, it also re-arranged a good part of its air schedule. Former AM driver Dick Hungate now hosts noon-3P and in what MD Paul Shugrue calls "an innovative move, he will be doing remote broadcasts in our mobile studio 3 days out of the week. We're taking advantage of Dick's recognition in the marketplace and his endless stamina for mixing with the public and leaving them with great impressions of the station. We're sure Jeff and newsperson Maria Mills will carry the morning show's momentum into double digits." As for Paul, he now has "the backbreaking shift" of 10A-Noon, which he feels will give him "a little more time to do the things I've been doing but never had the time for." Huh??

And for the AM drive triple, we take you to historical picturesque Memphis, where new AOR WEGL has hired KMJX Little Rock's morning team Tommy Smith and Donna Britt for wake-up duties. The two start May 27th. No permanent morning show replacements have been named at KMJX yet--Production Manager Michael P. and Lynn Redding are filling in for now. Asst.MD/Afternoon Driver David Allan Ross has been upped to MD.

## THERE'S NO PITY IN DIRT CITY

KSPN Aspen morning man/Acting PD Frank Ericson got the official PD confirmation this week. Frank originally worked at KSPN - July 80-February 85, as an air talent, then left to program KTIM, San Rafael. Regarding the new gig, Frank said, "I hope it doesn't snow anymore."

Get back to the country: Pittsburgh area metallurgists WOKU have switched to a country format.

KMOD, Tulsa is no longer consulted by Jeff Pollack.

Peterson Media Services have moved. Reach them at 3397 Wrightwood Drive, Studio City, CA 91604. (213) 650-4168.

A tip of the headphones to WHCN, Hartford who celebrated their 17th anniversary as an AOR on May 24th.

WRUF, Gainesville has been without a GM since Bob Leach passed away earlier this year. Word is one of the prime candidates to replace Bob is PD Harry Guscott.

Bob Maxwell is out as WAIL, Key West MD; PD Janet Planet has assumed MD duties.

New to WLIR's airstaff: "Famous Bob" Hellman joins for weekend airwork and as morning show producer; Paul "The Count" Cavalconete signs up for weekends and as production assistant; Michele Coyle is the station's new Airline Director managing the Airline, interns, and volunteers and acting as research assistant. And: Tony the Guy and Delphine Blue exit as parttime airstaff.

New to KOMA's San Francisco sales office is Rick Holmberg.

Steve Jaffe has been appointed Corporate Controller for Westwood One as Eric Weiss is named Director of Business Affairs.

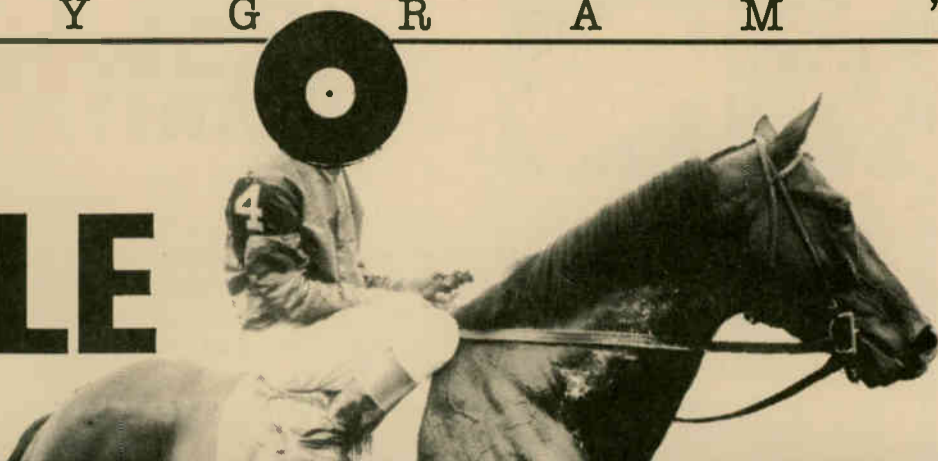

## RCA TO DISTRIBUTE LIVING MUSIC RECORDS; JEM FORMS AUDION RECORDING COMPANY

Paul Winter's 5 year old Living Music Records will now be distributed by Windham Hill and A&M through the RCA system. The label remains a self-contained entity providing Windham Hill with finished masters and artwork for manufacturing and distribution, will continue to do its own marketing and promotion, and will double the size of its catalog this year. Paul Winter's "Canyon" Lp is currently perched at #4 on Billboard's Jazz Chart.

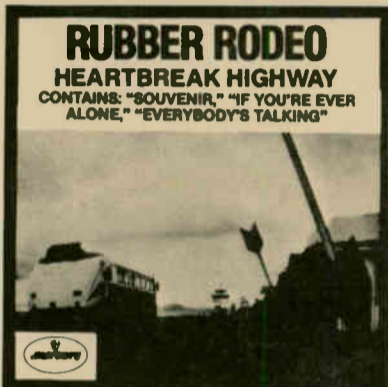

JEM Records has launched a state of the art electronic instrumental label, The Audion Recording Company. Electronic music wizard Larry Fast (Synergy) heads the Audion A&R Dept...The new label is being billed as "The first wave of the Next Age"...Included on the artist roster are Synergy and Utopia's Roger Powell.

Debra Overture was first on the Dirtphone with the correct answer to last week's FMQB quizz. She identified Joe Cocker and Jennifer Warnes "Up Where We Belong" as Island's first #1. Sez Debra, "That was easy because I worked with the guy that helped deliver it--the hippest dude in the biz, do I have to say his name---Michael Abramson." After learning she had won the coveted date with Lou O'Neill, Jr., Debra shouted, "I've always fantasized about it, and now I can do the Lou." By the way, Debra's still fielding job offers at 212-255-3952. "Call me" she sez, "it will probably be your best call of the day."

From The Daily Insider...

SIMPLY RED: Simply Red's Mick Hucknall plans to collaborate on songs for the English group's next album with legendary Motown songwriter Lamont Dozier. Simply Red is spending the summer playing European festivals in addition to working on a second album.

ROBERT PALMER: Robert Palmer is entertaining at the June 27th opening of Peter Morton's Hard Rock Cafe in Chicago. It's a benefit with proceeds going to local art and theater schools. Cyndi Lauper played at the opening of the last Hard Rock Cafe back in 1984 in San Francisco.

STING, ELTON, MAY BE ON SOVIET "NUKE AID" BILL: An English newspaper has learned that Soviet pop stars are planning a "Live Aid" type concert this summer to raise money for the victims of the Chernobyl nuclear disaster. "Nuke Aid," as it has already been nicknamed, may also feature such international stars as Sting and Elton John. In a front page story, the British national newspaper, The Guardian, said the concert was the idea of Russia's top female rock singer, but that it spread like wildfire and soon earned the endorsement of the Young Communist League. According to the newspaper's Moscow correspondent, Martin Walker, the original plan was to hold a series of Nuke Aid concerts, but that idea has apparently been abandoned in favor of holding one giant concert in Gorky Park this July. The top Soviet rock band, Autograph, is expected to headline the show, but Walker added that Sting and Elton John were also being approached. Sting appeared on a bill in Italy with Soviet stars a couple of months ago, and Elton has toured the U.S.S.R. before. He had planned to go back next month, but was said to have pulled out because of a more important American tour scheduled to begin in August.

GOVERNMENT SUBSIDIZING RECORD INDUSTRY IN CANADA: The Canadian record industry is now subsidized by the government. On May 15th, the country's federal communications minister announced a \$25 million package to be spent over the next five years. The sound recording development program includes \$16 million to increase production of records in both English and French; \$4 million for touring costs incurred by Canadian bands performing abroad; \$2.5 million for video production, and \$2.5 million to defray marketing and promotion costs of records produced in Canada. The subsidy was announced just as Canadian artists and record companies were beginning to worry about the effect free trade talks between the U.S. and Canada will have on the record industry in Canada. One thing the U.S. is said to be asking for is the abolition of Canada's 30 percent Canadian content programming rule, claiming it is "protectionism." Some fear the removal of that incentive would be a fatal blow to the Canadian record business.

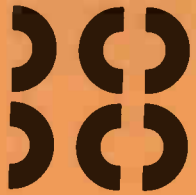

JOHN DOE OF X TO STAR IN ONE OF TWO NEW FILMS INVOLVING ELVIS PRESLEY: Two movies involving Elvis Presley are about to go into production. Joe Doe of X has been signed to play an Elvis impersonator for producer Edward Pressman in "The King Lives." It's about the impersonator going to New Orleans to get his self-identity. Shooting will begin in New Orleans this September and the film will feature a rock and cajun soundtrack. The second Elvis film, "Townsville," is about a girl who takes a joyride with a cab driver and finds herself in a remote and weird town where Elvis Presley has holed up after faking his death to get some peace and quiet. It's scheduled to begin filming in Georgia this summer. The cast has not been announced.

# DIRT ALERT!

**DYLAN TO CO-STAR WITH FIONA IN "HEARTS ON FIRE":** Bob Dylan has been signed to co-star with Fiona in the movie, "Hearts Of Fire." It will be Dylan's first major film role in 13 years. That was 1973's "Pat Garrett And Billy The Kid." In "Hearts Of Fire," Dylan will play a former 60's rock star who has retired to be a chicken farmer. Lorimar motion pictures, which is producing the \$12 million film, says Dylan will "definitely" sing and may even write some songs. Fiona is currently at work writing songs for the movie about a love triangle revolving around her. Co-starring with Dylan and Fiona is Rupert Everett, best known for his roles in "Another Country," and "Dance With A Stranger." Richard Marquand, who directed "Jagged Edge," will begin shooting the movie at Shepperton Studios in England on August 11th. Following 11 weeks of shooting there, the production will return to the U.S. for four weeks of filming at a good chicken farm location. 20

**OSBOURNE ACTS NATURALLY IN FIRST FEATURE ROLE:** Ozzy Osbourne says his first feature film role fits like a glove. He plays an anti-rock crusader with slicked-back hair and a three-piece suit in Dino De Laurentis' "Trick Or Treat." "Playing an anti-rock crusader just comes naturally," shrugs Ozzy. "These people have been a part of my life for so long, I have all sorts of articles filled with the rubbish they've printed about me." In a talk show scene, Osbourne talks about the "destructive influences," of heavy metal, using his own "Ultimate Sin," album cover as an example. The movie is described as a horror-comedy about a high school nerd who takes his revenge on Halloween night with the help of a dead rock star.

**DALTREY, TWIGGY, TO STAR IN CHRISTMAS MOVIE FOR BRITISH TV:** In England, Roger Daltrey is planning to star in a TV show with Twiggy. They're going to be doing a version of Hans Christian Anderson's story, "The Little Matchgirl." The film starts production next month and will be shown as part of British television's Christmas season. Says Daltrey, "I play the part of the little matchgirl's father and Twiggy plays a lady of leisure. I'm really looking forward to it," the singer added, "because Twiggy and I have never worked together although I've always admired her."

**RONNIE LANE ONE OF SIX A.R.M.S. OFFICIALS SUED BY TEXAS:** Ronnie Lane is one of six former directors of the A.R.M.S. organization who have been sued by the state of Texas in an effort to recover money spent in an alleged pattern of self dealing and mismanagement. Lane's lawyer says even though Ronnie did receive over \$10,000 from A.R.M.S. for rent, medical bills and other expenses, he helped blow the whistle on what he thought were irregularities in A.R.M.S. finances. He called it an "abomination" that Lane was being sued.

**STARS TURN OUT FOR FORMER GO GO MEMBER'S FIRST SOLO SHOW:** Belinda Carlisle's first show as a solo artist was at the Moxy in Los Angeles last Thursday, May 15, and brought out Andy Taylor, who joined her on "Mad About You," just like he does on the record. Prince and the Bangles were in the audience. Carlisle is off on tour now opening for Robert Palmer. She'll also be on the Statue of Liberty benefit, which has now been moved from May 27th to June 24th, along with Loverboy, Chaka Khan and Lou Reed.

From Lou O'Neill Jr....

**THE UPCOMING SOUNDTRACK** to the film "Ruthless People" will contain songs by stars ranging from Bruce Springsteen, Billy Joel and Paul Young, to Kool & The Gang, Dan Hartman and Luther Vandross. But, the most unusual song is probably the one written by Daryl (Hall & Oates) Hall and Dave (Eurythmics) Stewart and sung by Mick Jagger. Explains Hall, "Dave Stewart and I went to Dave's basement in London and wrote the melody in a half-hour. Then Mick came down. We found we had a common sense of humor. We all jumped around and Mick's yowls and yips turned into an amazing lyric."

**THE EVERLY BROTHERS**, who were recently honored by being inducted into the newly formed Rock 'n' Roll Hall of Fame, were ecstatic to learn that Cleveland had been selected as its home and it's scheduled to open in 1989. "Cleveland was our first choice from the beginning," said Phil Everly. "It's a city that's been synonymous with rock from day one. When our song 'Bye Bye Love' was released in the late 50's, Don and I journeyed to Cleveland on our first-ever promotion trip. There was a saying: 'If your record broke in Cleveland - chances were it would break and be a hit around the country.'" For the record: "Bye Bye Love", the Everly's breakthrough hit, reached #2 on the National Pop Charts in 1957.

**BLACK SABBATH** is off to Europe where they will continue their rock assault in connection with their "Seventh Star" album release on Warner Brothers. It kicked off May 21st, and lead guitarist Tony Iommi said, "We're anxious to perform for our fans in the U.K. and Europe. You just can't stop the import of rock 'n' roll because of recent events."

**PLANET/MCA RECORDING ARTISTS** The Fixx have just released their new album "Walkabout", and already the buzz is incredible. Least quite from Cy Curnin, lead vocalist of The Fixx: "Every generation always thinks it's going to be the last -- there's always that angst -- but things have a way of working out. There's got to be room for those poor little souls." When he says, "poor little souls," Curnin of course is referring to the arrival of his first child, who came into the world in late 1985. By the way, the title cut of The Fixx album, "Walkabout", is derived from an Aborigines' rite which denotes the passage from adolescence into manhood - the young man ventures into the wildness armed with nothing but a stick and journeys to a place known as Ayersrock. The Fixx will be doing a major North American tour later this year, and the word is they'll be coupled with the Moody Blues.

**HOT!! WORD FROM OUR SOURCES** in Europe is that Rod "The Rooster" Stewart is talking seriously with his former mates about a "Faces" reunion at some point during his European tour. Speculation is that the British rock star will play Northern Ireland this time around, and that there'll be lots of surprises on the road.

**WE DON'T KNOW** how many of you saw it, but Lou Reed was terrific on the "David Letterman Show" the other day. The man who is always taking a walk-on-the-wild-side looked tanned and fit and was completely relaxed -- and did he rock!!!

**IT'S OFFICIAL.** According to unimpeachable sources, the Police - Sting, Stewart Copeland and Andy Summers - held a confidential meeting in London and made a final decision. Sting's two colleagues will not be joining the enigmatic bass player when he performs for Amnesty International in front of an expected 80,000 fans at Giants Stadium on June 15th. There had been talk of a Police reunion, particularly since Stewart Copeland came out and jammed with Sting in Salt Lake City earlier this year, when the musician played a concert in that town.

**LOOKS LIKE THE MOODY BLUES** have finally selected the opening band for their American tour. We are tipped that it will be none other than Cy Curnin and his Fixx men

**HOW HOT IS HOT?** Mick (Foreigner) Jones, the executive producer of the blazing Van Halen album is telling friends he never expected it to take off like it has. As you know, "5150" is nearing quadruple Platinum for 4 million unit sales in the U.S. alone.

# DIRT ALERT!

FOR A LONG, LONG TIME the rock world has wondered what Joe Elliot and the rest of Def Leppard were up to. Lou O'Neill Jr points out that when the man released "Pyromania" in January of 1983, it went on to sell a staggering six million copies - more sales than any other heavy metal record in history. Now, O'Neill has learned that Joe Elliot and the rest of the Leps will be back on stage, and their first date is August 16th at Castle Donnington in England. The headliner is Ozzy Osborne with The Scorpions and Leppard, too. Then, Joe Elliot and Leppard venture to Stockholm, Sweden where they back The Scorpions and Ozzy in the same order. After the show in Scandinavia, Def Leppard travels to Nuremberg, Germany for two blockbusters back-to-back on August 30th and 31st. This time The Scorpions will headline, with Ozzy and Leppard in back of them. Did you know that The Scorpions speak only German when they're playing concerts there? It's true. According to Lou O'Neill Jr's sources, Leppard is to add a few more dates - perhaps in Barcelona and Madrid - in September, although nothing is official. Rick Allen will be drumming with the band. Here is the line-up for the forthcoming tour: Joe Elliot, Rick Savage, Phil Collen, Steve Clarke, Rick Allen, and help from Jeff Rich on the drums. The band is certain that Rick Allen can and will make a big contribution to Def Leppard, despite the tragedy of losing the use of one of his arms in a recent auto accident.

CONGRATULATIONS TO the very talented guys in Level 42, who did such a sensational job on "Saturday Night Live" last week with "Something About You". It was their debut appearance on American television on their debut tour, and they're now wrapping up their concert campaign with West Coast dates, and will finish in British Vancouver on June 6th.

THE PRODUCERS OF "KARATE KIDD II" have tapped a song from Dennis DeYoung's new album, "Back To The World", as a key single for the late June film. DeYoung is the singer/songwriter who sold over 20 million records as the lead of the rock band Styx. His tune, "This Is The Time", will also be the basis for one of the film's first music videos.

THAT LITTLE OLD BAND from Texas, ZZ Top, made their first television appearance in sixteen years on Johnny Carson's "Tonight Show" last Friday. ZZ Top did it all live with no gimmicks, and now you know why they're one of the finest rock bands in the business today.

THE VOTING HAS ENDED, and WNEW-FM will have the big countdown during the Memorial Day weekend when it broadcasts the top 1,027 songs-of-all-time. And, the betting is that Led Zepplin will be right back at #1 with "Stairway To Heaven". It's been the station's perennial #1.

LOU O'NEILL JR reports that Billy Joel continues to record his next Columbia release at the Power Station in New York City, with Phil Ramone handling all of the details. And, adds Lou, he saw Phil Ramone's silver Lincoln stretch limo last week - and does Phil give new meaning to the word stretch!! By the way, Billy's wife Christie Brinkley has been by on a number of occasions, with baby in tow.

At that point, it was considered by the Guinness Book of Records the loudest concert in history. We wonder why! On this date in 1975 England's Rolling Stones announced that a new guitar player would be joining their band. His name was Ron Wood. Curly Joe Opry, of "Felony", is 31.

### LEFT: HARD CHOICES: NOW AN ACTION PACKED MOTION PICTURE BLOCKBUSTER!!!!

Naturally we were floored by this movie ad Dawn discovered in the Village Voice. Phone calls to a few major movie studios confirmed our hunch that flicks about teenage tipsheet whiz kids will be the cinema rage this summer. Hard Choices, based on a real life drama, deals with an overzealous, oversexed promo exec and a tenacious tipsheet tyrant and their battle over tips, picks, ads and a 19 year old blonde pin-up star.

Tina's Gala usually features only British artists. The charity concert, hosted by PRINCE CHARLES and PRINCESS DIANA, takes place June 20 at Wembley Stadium...**STEVE WINWOOD** is shooting a new video for a track called "Higher Love", and he'll be working with the team of PAULA GREIFF and PETER KAGEN, who have directed videos for SCRITTI POLITTI and the DREAM ACADEMY. "Higher Love" will be the first single from his new album, "Back In The High Life", which is now due out in July. Steve plans to hit the road for a U.S. tour in August...**INXS** will be back in the U.S. in July, for three months of touring. Right now, INXS are in the midst of a European tour. Before they left for Europe, they shot a new concept video for their latest single, "Listen Like Thieves". It was shot by RICHARD LOWENSTEIN, who also directed "What You Need". Vocalist **MICHAEL HUTCHENCE** also did some other filming with Lowenstein: He wrapped up his feature film debut in the movie "Dogs In Space", which is due out early next year...**CHICAGO** is in the studio once again with producer DAVID FOSTER, and they've got a new lead singer. His name is JASON SCHEFF, and he's also the band's new bassist. Their former lead singer, PETER CETERA, will release his first solo album on June 23. It's called "Solitaire, Solitude" and the first single, "Glory Of Love", will be featured on the soundtrack to "Karate Kid II".

## INTERVIEWS

**MIKE & THE MECHANICS**, Mike Rutherford: "The reason we've done stuff outside the band (Genesis) is nothing to do with dissatisfaction with what happens in the band, as is normally the case. It's just that here are three guys who have been playing together for the last 'X' number of years, and if all you do is to play with the same two other people, it's not enough really. I mean you need to have other influences. Every time you work with new people you learn something. It just brings fresh air, I think, into our lives--new ideas, and we go back to Genesis kind of rejuvenated."

Quarterback Album

# The Rock Report

More and more musicians are moving out of the recording studio and on to the movie soundstage to dabble in the world of the silver screen. DAVID BOWIE, STING and PAUL MC CARTNEY have done it, and now adding their names to the list are TOM PETTY, NEIL YOUNG and RIC OCASEK. The three singer/songwriters have joined TIMOTHY HUTTON and KELLY MC GILLIS in the new Lorimar film "MADE IN HEAVEN" being shot on location in North Carolina and Georgia. PETTY, YOUNG and OCASEK are managed by ELLIOT ROBERTS who, by the way, is rumored to also have a small part. No word yet on any details with regard to a soundtrack. Meanwhile, TOM PETTY and THE HEARTBREAKERS are working at Los Angeles' One On One Studios on the follow-up to "SOUTHERN ACCENTS". PETTY is behind the board for now since their usual producer, JIMMY IOVINE, is in the studio with THE PRETENDERS.

\*\*\*\*\*

Former BAD COMPANY members SIMON KIRKE and MICK RALPHS are in London working on demos for a new band they've formed. FOREIGNER's MICK JONES, hot off the heels of his work with VAN HALEN, may be tapped to produce. The new group's first record will be released through Atlantic although no date has been set. More on this next week.

\*\*\*\*\*

JOHN WAITE is in New York working on the follow up to last year's "MASK OF SMILES" Lp for EMI. The first single, "IF ANYBODY HAD A HEART", will be released June 4th. It's a tune that was originally recorded a few months back for the upcoming film "CAPTIVE HEARTS". The song, written by J.D. SOUTHER and featuring back-up vocals from DON HENLEY, was produced by DANNY KORTCHMAR.

\*\*\*\*\*

Pushed back yet another week, we can now expect the new PAUL MC CARTNEY album June 27th via Capitol. Details are scarce on this record but we do know that PHIL COLLINS and PETE TOWNSHEND make appearances on a track entitled "ANGRY". Rumors of a tour abound but seem unlikely.

\*\*\*\*\*

One tour that is likely though is BOB SEGER, who has blocked off the end of July as the start of his U.S. jaunt. SEGER won't be a stranger in town; his new Lp is hanging tough in the top ten.

\*\*\*\*\*

MOODY BLUES keyboardist PATRICK MORAZ is busy working on the score for the upcoming ARNOLD SCHWARZENEGGER film, "PREDATOR", now shooting in New Mexico. Apparently, the producers for the new RICHARD GERE film are also interested in getting MORAZ to grant them the same favor. As far as the MOODY BLUES are concerned, the first leg of their U.S. tour starts June 19th in Atlanta with THE FIXX opening.

\*\*\*\*\*

TANGERINE DREAM, the band often cited as the example of exploratory synth music, is gearing up to release the 19th album of their career, "UNDERWATER SUNLIGHT". Coming June 16th from Relativity Records, the self-produced Lp will be supported by a tour which kicked off last week at Vancouver's EXPO '86. The band, which now consists of founding member EDGAR FROESE, CHRIS FRANKE and PAUL HASSLINGER, plans to play 24 North American dates. During their 2½ hour set, the band runs through some of their older material along with performing their new album in its entirety. They are accompanied by a spectacular light show, which according to FROESE, is "a tale designed by light. It can't be described by words."

\*\*\*\*\*

CARS bassist/vocalist BENJAMIN ORR has been in London working on his debut solo record for Elektra for some time now. Currently ORR, who produced the record with MIKE SHIPLEY ("HEARTBEAT CITY" and "TONIGHT SHE COMES"), and LARRY KLEIN are in England but they plan to head back to THE CARS studio, Syncro Sound, in Boston for the mix-down. Expect this album in September.

5/29/81	<u>BRUCE SPRINGSTEEN</u> returns to London after a six year absence. The reason for the delay between visits was apparently due to his record company's ad campaign for the debut appearance claiming "Finally London is ready for <u>BRUCE SPRINGSTEEN</u> ", a tag line that didn't set well with the English.
5/30/78	<u>LED ZEPPELIN</u> enter the studio for the first time since the death of <u>ROBERT PLANT</u> 's son.
6/1/67	<u>THE BEATLES</u> release " <u>SGT. PEPPER</u> " in the U.K.

## POLYGRAM PRESENTS Question Of The Week

A midwest company has developed a computerized radio monitoring service that can provide continuous airplay audits of records played at hundreds of radio stations across the country. The service is being marketed to labels to assist promotion/marketing strategies. What advantages/disadvantages do you see in airplay audits? What effects do you see them having on conventional methods of reporting airplay? Do you think your competition monitors your station and do you monitor them?

**JUDY MCNUTT, KMET:** "I can see an advantage certainly for record companies who want to be fully apprised of what's going on in a given market...but in the national overview, I can see it making for a much more efficient way to get a quick fix on what's going on, nationally, with a given record...In markets where radio stations are more likely to hype their reports--for whatever reason--I can see it possibly having a detrimental effect on the publications that are traditionally looked towards to find out what's going on...I can say without reservation that is a bloody fact that everything we're doing is being closely scrutinized, not only by our radio competitors, but also by stations in other markets, consultants, concert promoters, record companies, and the whole Magilla. And I know how closely they watch what we're playing and how long we've played it, and how much play it's getting."

**PEPE LOPEZ, KLAQ:** "Everybody in town listens to us including the competition. We periodically monitor other stations to find out what they're using of ours. The trades will probably have a hard time competing for monitoring service. I can't envision any disadvantage or advantage. I rely on the trades to keep me informed. It should clean out paper adds."

**LEE RANDALL, WLVO:** "The advantages: It outlines music played at a radio station. It can skim advertisers...  
Disadvantages: It cannot mathematically dictate radio stations' categories or rotations. It doesn't portray personality of the station."

**DICK SHEETS, KZEP:** "My only response is that when you're dealing with humans you have human ears. When you're dealing with humans and computers, you have human ears and machine error to deal with. I think the reports are accurate as they are...We want to play the better tunes, but we try not to get locked into the same rut of comparing reports to actual airplay, etc. We use our ears. If it feels good, play it."

**TIM SMITH, WKLC:** "More accuracy and truth will always add to the advantage from both sides, radio and records...It will bring up differences in subjective criteria that different programmers have for making their reports...I could see them having an effect, because a heavy in one trade is not necessarily the same as a heavy in another trade, and the same thing goes for medium and light rotations also. It can vary as much as from a feature to two plays a day for light...In stations where we have a skimmer, yes, I use it very much."

**JULIAN WRIGHT, WKGR:** "I haven't considered too many disadvantages. I think the one key advantage is that it will eliminate a great deal of paper adds and create more honesty in reporting."

**GREG MULL, WXRC:** "One of the problems with audits would be dissention between labels and stations. If the relationship is solid between the two, then they shouldn't need audit information. I only see the audit info being used to contradict something the station has already told the record company and that can only cause dissention between the two parties."

**MARK WILLIAMS, WWZU:** "In Central Pa. we are surrounded by all-hit CHR and AC stations. The CHRs are obviously monitoring us closely as we're hearing songs on the air that they ripped off from us. Essentially we paved the way for rock 'n' roll in Central PA...Yes, we monitor the competition, especially when we see requests for a track that we're not on."

**WAYNE SUMMERS, WRCN:** "Careful now. Big Brother is closing in. The airplay police are monitoring your playlist. It's an obvious advantage for a label to know just where a particular record really stands. The crux of the matter however lies in the question, 'what will they do with the information?' Radio stations that are practicing, as you put it, 'conventional methods of reporting airplay' should either put up or shut up."

CURT GARY WEBN: "I can see where it could be beneficial to find out which radio stations are giving paper adds, and might make people more honest about their reporting. We are, of course, concerned, but we don't follow the competition's airplay that closely. Because we know what direction we're going, we have to keep an eye on what we're doing, but if I was that concerned I'd sit one of my research people down and make them listen all day--and save myself a hell of a lot of money...There are good and bad points. Though paper adds could help a band get started, in the long run when you don't see any sales, it could hurt them. For that reason you might be able to use the service."

TOM SCHEPPKE, KISS: Sounds like Big Brother's going to be listening--and I don't care, I'm clean. Hopefully, every chance they get."

HARRY REYNOLDS, KOZZ: "It seems audits would help the labels determine which stations are honestly reporting airplay, but it wouldn't be of much use to us as a radio station. Since we don't have a real serious AOR competitor here, we don't go head over heels with monitoring the competition. KOZZ is #1 in the market, so my guess is the competition is listening closely to us."

PAUL SHUGRUE, WRXL: "I'm sure it would make a big difference in markets with multiple stations with the same format but it doesn't apply to our situation in Richmond. As far as its usefulness, it seems it would be a more specific report than the trades offer, but again it depends on your market as to how helpful that would be."

RON DIAZ, WYNF: "Audits would be helpful for monitoring all the competing stations in town without going thru all those skimmer tapes."

KAREN ANDERSEN SMALL, WGIR: "All I can say is you'd better be playing what you report. I don't know how much we're monitored, but I make sure that I have a good idea what the other rock signals coming into this market are doing."

BOB BITTENS, WHCN: "I think the main advantage is that record labels can now get accurate play per day figures on their records being played on any radio station. I've been dismayed by the fact that labels make no effort to get actual data as to what medium and heavy airplay really is at any given station...As far as effects, the best thing that can happen is that reports will be made more honestly...We monitor our competition fairly carefully, they listen to us constantly. Otherwise they wouldn't know what to do."

**NEXT WEEK'S QUESTION:** If you weren't in radio, what would you be doing? -- Suggested by Karen Andersen Small.

## News From Rock Over London

FREDDIE MERCURY plans to begin a "trial separation" from QUEEN as soon as their European concert tour is over. The break is expected to last at least two years and will enable Freddie to pursue film projects and enjoy his London home. He has no plans to make a solo album. Bassist JOHN DEACON says there is no animosity and the band is not splitting up.

The car accident involving SQUEEZE members GILSON LAVIS and JOOLS HOLLAND (ROL News, 16 May) has forced the postponement of rehearsals for the recording of the band's follow-up album to "COSI FAN TUTTI FRUITTI". Squeeze will now delay the start of the rehearsals for quite some time, as Lavis broke his arm and will not be able to resume playing for a couple of months.

SIMPLY RED'S "HOLDING BACK THE YEARS", following its American success, is now being repromoted by WEA and looks set to provide MICK HUCKNALL and company with an overdue follow-up hit to "MONEY'S TOO TIGHT (TO MENTION)". The band have just completed a successful European tour.

EURHYTHMICS, steeling themselves for an eight-month world tour, release their new album "REVENGE" in June, preceded by a single entitled "WHEN TOMORROW COMES". A busy time indeed for DAVE STEWART, whose production on the new DARYL HALL single we'll also be hearing very shortly. In fact, Stewart's been so busy that Church Studios, owned by Dave and Annie Lennox, is undergoing major expansion to incorporate another 24-track studio.

THE SMITHS are finally ready with their new single "BIGMOUTH STRIKES AGAIN", out this week backed with "MONEY CHANGES EVERYTHING" and an extra track on the 12" called "UNLOVEABLE". The band have undergone a rather mysterious line-up change, with bassist ANDY ROURKE leaving the line-up, replaced by CRAIG GANNON, former bass player with Aztec Camera.

Here in the UK it's not easy to herald the beginning of summer when we're still shivering in unfriendly temperatures, but CHRIS REA is doing his best to help the cause with his new single, a fine, atmospheric piece called "ON THE BEACH", also the title of his current chart album.

CULTURE CLUB, who made a successful return to the British Top Ten with "MOVE AWAY", aim to continue the improvement with "GOD THANK YOU WOMAN", another track from the Lp "FROM LUXURY TO HEARTACHE". Just to confuse us, the B-side is called "FROM LUXURY TO HEARTACHE" but wasn't included on the album of the same name.

BANANARAMA are back in action this week with a new single, a cover of the old chestnut "VENUS"...TOM ROBINSON will shortly release a new 45, "THE REAL THING", with an album to follow featuring vocals by KIKI DEE... And we observe amazing chart action in the UK for the B52's seven-year-old "ROCK LOBSTER", which just made the Top 40 on first release but is now high in the Top 20.

This week's album action was dominated by BILLY OCEAN, whose "LOVE ZONE" album jumped onto the chart at #2, second only to BRYAN FERRY and ROXY MUSIC'S "STREET LIFE" compilation. The STYLE COUNCIL'S "HOME AND ABROAD" live Lp entered at #8...And in the Rock Of Ages department, DIRE STRAITS completed a full year on the list with "BROTHERS IN ARMS" still right up there at #4. Now available in the UK is a Dire Straits video called "BROTHERS IN ARMS - THE VIDEOSINGLES", featuring the promos for "MONEY FOR NOTHING", "SO FAR AWAY", "WALK OF LIFE" and the title song.

News this week of a big concert coming up in Manchester to mark the 10th anniversary of the birth of the city's punk scene back in '76. The venue will be the new G-MEX centre, the date sometime in July, and already lined up to appear are the SMITHS, NEW ORDER and PETE SHELLEY, former lead of the Buzzcocks.

The HUMAN LEAGUE'S forthcoming album, currently being mixed by hot dance producers JIMMY JAM and TERRY LEWIS, who also produced the Lp, will include five songs contributed by the producers and six by the League.

# Rock Over London Continued

ZZT still have their fingers firmly on the pulse of FRANKIE GOES TO HOLLYWOOD...A press statement just released in response to the band's massive "bash" at Montreux dismisses rumours that lead singer HOLLY JOHNSON was so upset he threatened to quit. The reason they behaved like vandals was apparently an "emotional and spontaneous response to pop music in 1986" and a general dissatisfaction with the whole festival scene. Their refusal to give press interviews apparently had a lot to do with those exaggerated descriptions of their antics in the papers the next day. Anyway, their new single, "WARRIORS OF THE WASTELAND" is now due in July and the album, as yet not tastefully named, should be released in September.

BOB GELDOF is about to start work on a solo album to be produced by DAVE STEWART. And for once he'll be on the receiving end with offers of help from GEORGE MICHAEL, PAUL YOUNG, PAUL MCCARTNEY, ELTON JOHN, DAVID BOWIE and more...Despite this "solo" project, rumours of a permanent split from the Boomtown Rats haven't been confirmed.

YUSAF ISLAM, better known as CAT STEVENS, may be making a comeback.. He's contemplating a record to help raise funds for Afghan refugees...but he won't use instruments to comply with Islamic law.

ROGER DALTRY is to star in a fairy tale - "THE LITTLE MATCHGIRL" - which will be shown on Christmas TV...And PHIL COLLINS looks set to return to the set of "Miami Vice". His appearance as a game show host may account for several film offers that have been coming his way.

SADE recently revealed how she got into her first band: "I was tinted, wore a leather mini-skirt and looked as if I could dance - that's all you need."

WHAM! will take their time to say goodbye on June 28 - their Wembley show called "WHAM! THE FINAL DAY" will go on for six hours. ELTON JOHN and PAUL YOUNG intend to put in an appearance and "FOREIGN SKIES", filmed on their Chinese tour, will be premiered.

So, DRUM washed up third in the big race and even SIMON LeBON wasn't allowed to leave the boat until the customs men had taken a real good look. Apparently he's written a song about the trip, but it probably won't turn up on the album currently being recorded.

JULIAN LENNON plans to get together with MARILYN MARTIN for a duet...and there was a heavy celebrity turn-out for his recent London concert at the Royal Albert Hall, the one show that remained from his postponed European tour. All three members of GENESIS, ROD STEWART, FISH OF MARILLION and HUGH CORNWELL of the Stranglers were in the audience, and witnessed Julian finish off the show with versions of "DAY TRIPPER" and "IT WON'T BE LONG".

JOE JACKSON's new British release from "BIG WORLD" is the excellent "HOME TOWN", backed with "TANGO ATLANTICO" and two extra tracks on the 12" edition, "WHAT'S THE USE OF GETTING SOBER" from his Jumpin' Jive days and his big '83 hit, "STEPPIN' OUT".

SIMPLE MINDS, who were due to appear at the opening ceremony for the Commonwealth Games in Edinburgh, have pulled out. They had been approached to appear at the closing ceremony instead, but when the band found out that the event was for athletes only, not the general public, they decided against it.

More details of the PRINCE'S TRUST charity concert at Wembley Arena on June 20: As we reported last week, the concert will be in two parts, the first featuring sets by BIG COUNTRY, SUZANNE VEGA, LEVEL 42 and STATUS QUO. The second will take the form of a supergroup session, which we can now confirm will star PAUL YOUNG, HOWARD JONES, PHIL COLLINS, TINA TURNER, ELTON JOHN, (pause for breath) MARK KNOPFLER, ERIC CLAPTON, JOAN ARMATRADING, MIDGE URE and Level 42's MARK KING.

BIG COUNTRY's UK follow-up to "LOOK AWAY" is "TEACHER", also taken from the new album "THE SEER" which is out in mid-June.

PETE WYLIE's "SINFUL" video will not be seen on British TV due to an "irresponsible" sequence in which the singer appears to spontaneously combust. European TV will continue to show it, but UK broadcasters are demanding a less inflammable version.

And a few feathers have been ruffled in the wonderful world of British rock this week as "THE CHICKEN SONG" from TV's satirical puppet show "SPITTING IMAGE" clucked its way to the top of the chart. When told that his comic ditty had reached No. 1, the show's executive producer said "What an appalling indictment on today's music industry!" This may be the first time in rock history that a chicken has made everyone look like turkeys.

"CHESS", the new musical written by TIM RICE with BENNY and BJORN from ABBA, had its opening night at London's Prince Edward Theatre last week. The music was described by one reviewer as "always tuneful, occasionally incandescent", and leading lady ELAINE PAIGE was said to make her usual mark. The musical uses the chess theme to illustrate a story about the conflict between East and West. Czechmate, perhaps?

And East may well meet West in a huge concert planned to raise money for victims of the Chernobyl disaster. STING and ELTON JOHN have been asked to take part in the Moscow show which is being set up by Russia's favorite singer ALLA PUGACHEVA.

On the forthcoming ROCK OVER LONDON, an early opportunity to hear the new GENESIS album "INVISIBLE TOUCH", with not just the title track single but another song called "THE LAST DOMINO". We've the STYLE COUNCIL live, JOAN ARMATRADING's new Lp and music and words from THE FIXX. JEFF LYNNE of ELO chooses this week's Rock Request, there's some high-class reggae from BLACK UHURU and a major reshuffle in the Top Five, with a number one and three new entries. Plus, in the Metting Pot, a final chance for listeners to win a CD car stereo by guessing JUSTIN HAYWARD's Wildest Dream.

## Program Producers

GARY & THE WACKY SISTERS, MJI BROADCASTING (212-245-5010): "You want superstars?? We've got superstars!!! Next week's special guest on The Comedy Hour is the one and only Mr. 'you look marvelous' Bitly Crystal. If you think the 'Late Night With Dave Letterman' is a hip show, just wait until you hear this edition of The Comedy Hour...Next week's lineup on Rock Today isn't too shabby either. We've got Sammy Hagar, Lou Reed and Sting, plus both Phil Collins and Tony Banks will be talking about the new Genesis album."

# Radio Action

WXRT, CHICAGO, IL M.D.-LIN BREHMER: "The Kronos Quartet doing 'Purple Haze' is now classical? Can the Chicago Symphony be far behind? Can we manage a declarative sentence in an interrogative world?...We agree with Chernoff and the East about the Smithereens. 'Blood And Roses' is a solid rock 'n roll song...'Step Aside' from Emerson, Lake & Powell and 'Treasure It' from The Fixx are sleepers -- wake them up!...There isn't much I've heard that compares with the new Peter Gabriel...Adds this week include: Peter Gabriel; Emerson, Lake & Powell; Genesis; Rod Stewart; Get Smart!; The Smithereens; Rob Jungklas; Roy Buchanan; The Fixx; Larry Carlton; Freddie Hubbard w/Woody Shaw and John Abercrombie."

WYNF, TAMPA/ST. PETERSBURG, FL ASST. P.D./M.D.-RON DIAZ: "Peter Gabriel's timely tasty piece 'Red Rain' is the perfect follow up after the power of the 'Stedehammer'. Mr. Gabriel is going to have one hell of a Summer vacation!...I can't deny the amount of calls for 'Who Made Who' from AC/DC, so night plays are the answer here...Polygram couldn't have picked a better guy than Dave 'Legend' Loncao for the Midwest Regional gig! (Dave, is that the way you wanted me to put it?)"

WLIR, LONG ISLAND, NY ASST. P.D./M.D.-LARRY "THE DUCK" DUNN: "My favorite new album so far has to be Peter Gabriel. If you say 'so what', I say 'so there!' Depth is the word--predictability has never been Peter's middle name. I love 'Big Time' and the Kate Bush duet. It's been worth the wait. Peter--you've got my vote!...By the way, if you added the new Pete Shelley 12", you don't have to step out to play the Steve Thompson import remix. It's only a minute longer than the single and it's h-o-t and happening. This could make the difference for you between a non-add and a heavy add...If you're afraid of playing the Pet Shop Boys 'Opportunities' because it's 'eurodisco', over half a million WLIR listeners can't be wrong. It was Screamer-Of-The-Week 8 months ago as an import. A hit is a hit is a hit!...Thanks to Siouxsie And The Banshees for phoning in and thanks to all at Geffen Records for a successful co-promote at Radio City Music Hall...Screamer-Of-The-Week: The Quick (import) 'Bed Of Nails'--(I hope A&M is reading this!)."

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "People have been wondering when the Phil Collins b-u-r-n would set in, but listening to the new Genesis single, and having heard a few other tracks from the album, I think it's safe to say it will be quite some time before that burnout point arrives! This is the album that Genesis needed to do to get away from the pop image of the Phil and Mike solo projects...And, an old Genesis alumni, Peter Gabriel, has put out what may be his most consistent album to date: 'Your Eyes', 'Red Rain', and 'Big Time' are all great songs...I was floored when I heard the whole Emerson, Lake & Powell record. After just a few days of play, 'The Score' is already lighting the phones from all the old ELP die-hards. 'Step Aside' is also a very interesting direction for these guys to go...Let's face it, Rod Stewart has not been the best AOR artist for a while, but from time to time he does make a pleasant pop song that fits and the Caribbean feel of this one is a nice way to fall into Summer...I'm not head over heels about this Glass Tiger single, but when you get the album--check out 'I Will Be There', featuring Bryan Adams on co-lead vocals...The Isle Of Man isn't bad--kind of has that Roxy Music feel. Things like this haven't gone over gangbusters in Pittsburgh, but this one is definitely one to watch...After seeing Van Halen last week, the audience has told us that 'Best Of Both Worlds' is the cut to pound right now. With David Lee Roth gone from the band they've become much more musical and much less of a circus type affair. The only low point was Sammy's guitar playing on 'Why Can't This Be Love', while Eddie played keyboards. Also, it was great to see these guys lighten up and were willing to meet people backstage and even sign autographs and have pictures taken...After tabulating the 1986 version of the WDVE Memorial Day 500, 'Stairway To Heaven' still rules as Pittsburgh's favorite song by a 2 to 1 margin over 'Freebird'."

KMET, LOS ANGELES, CA M.D.-JUDY MC NUTT: "I love the Gabriel with more quality songs than any of his previous albums. 'In Your Eyes' is our second choice for airplay and we think 'Red Rain' is also a natural AOR track...Kind of nice to have some new Genesis...Morning-only play for the new Rod Stewart single... What can I say about Isle Of Man that I didn't say two weeks ago? It's a smash and we're already getting reaction to 'Am I Forgiven'. Must be a lot of guilty people out there. I wasn't at all convinced on the Lou Reed on first listen. Believe it or not, it sounded too commercial to me and too unlike his best songs. I'm more accustomed to Lou being more ahead of the styles and doing something a bit more twisted--but I have to admit that after repeated listens and hearing it on the air, it works...We're probably going to switch over to 'School's Out' from Krokus. There are advantages to using this version over the original. It's commercially available, and we'll definitely be bringing it to the attention of a whole new audience--and, of course, there's the timeliness factor. Plus, we've already played 'Burning Up The Night' to death and Krokus definitely has a following. So, what the hell!...Danny Wilde looks fabulous--still real strong. Larry and I were discussing him this morning and agreed that he could be as big as Bryan Adams if only he were Canadian. I actually think Danny's debut is stronger than Bryan's first. The songwriting is right there, the riffs are strong, and the production is better. It's all there now, so why wait? Anybody wanna buy a Danny Wilde soap box?"

KZEP, SAN ANTONIO, TX M.D.-DICK SHEETZ: "Many thanks to Greg Kihn, a true performer. Even in a Texas-sized downpour, the man grabbed his acoustic guitar and played away. A good time was had by all...The new Peter Gabriel has airplay written all over it...If you're looking for a new ELP tune to back up 'Touch And Go', try 'Learning To Fly'...You can't miss with The Fixx."

WIYY, BALTIMORE, MD M.D.-CHRIS EMRY: "Our P.D., Tom Evans, sends his thanks to local Capitol rep, Dave Garbarino, for the unusual promotion of Joe Cocker's 'You Can Leave Your Hat On'. Dave brought a stripper to the station and by the time she left, her hat was about all she had on. She did the trick, so to speak. Joe Cocker is an add along with The Outfield and, of course, Genesis. New station policy: No strippers - no add."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "It's not that easy to pack that much fun into one weekend, but I did my best. I had always wanted to go to New Orleans and the Liberty Ride Festival seemed the perfect excuse. Where else could you get the Neville Bros., Huey Lewis And The News, and two of my all time favorite bands, Hall & Oates, and, of course, the Hooters. It had been months since I'd seen them. Their tour with Loverboy had taken them to 75 cities. Boy, were they good in the Superdome. Now they're getting ready for round two. They'll be starting work on Hooters album #2 this summer...And back to Hall & Oates, it was their only performance in the States this year and they took full advantage of the situation. Daryl's singing was stellar - makes me impatient for his upcoming solo album...The new Fixx song 'Secret Separation' is quickly becoming my favorite song on the radio and the album is just full of great songs...I know you all think the big add of the week is Genesis 'Invisible Touch', but you're wrong!! It's Mark Edward, a spitting image of his daddy, Fred Deane. Congrats, Fred. A prouder dad there never was."

KGON, PORTLAND, OR M.D.-INESSA YORK: "One complaint I often hear from our listeners regarding albums: they buy 'em only to find out there ain't much between the grooves. Often it's a complaint that's justified. One hit song and seven other lots of nothings. All this to say the new Fixx album simply does not fall into that flimsy vinyl category described above. True, some tunes may have more of that certain AOR compatibility than others ('Built For The Future', 'Treasure It' and certainly the single) but what about those others! They're superb. ('OneLook Up', the title track, 'Walkabout', and I also like 'Between The Lines'...We've always liked the John Eddie, and felt that it had a great catchy beat and was a wonderful spring/summer song. Just needed the room...The Hornsby is another one we've been working on. Glad to be able to start it out. Hopefully it will do its own wonderful subtle thing...Personally, I prefer the Gabriel to the Genesis. He's an artist, not a hit factory, and that's a very special difference."

**KOME, SAN JOSE, CA M.D.-CANDI CHAMBERLAIN:** "I wish you could see our KOME Rock Bus. We have a county transit bus painted KOME yellow and black, that features our call letters very prominently displayed all over it. We'll be travelling many different regular transit routes all thru the summer, as well as using the KOME Rock Bus for special promotions (i.e., sending listeners to concerts, group functions, etc.). We're thrilled about the KOME Rock Bus, and it's turning heads everywhere it travels in Santa Clara County!!... Now, I'd like to take this opportunity to thank Ray Gmeiner and Dave Johnson of Elektra Records for Don Dokken's surprise visit to KOME this past Thursday. One of the few times I've been totally surprised. Everyone at the station enjoyed Don's visit, and our listeners were thrilled to hear what he had to say about the current tour with Judas Priest. It was just one of those extremely rare times. Thanks a million, guys!!"

**KSJO, SAN JOSE, CA M.D.-KEN ANTHONY:** "Another great week for new music with Genesis' 'Invisible Touch' leading the way. This is one of the most obvious future #1 AOR tracks I've heard. It's Phil Collins at his best with Mike Rutherford and Tony Banks adding their bit to the sound. Hey, Genesis fans, the Lp has no horns!!!...While you're at it, check out the new album from Peter Gabriel and The Fixx - great depth on both."

**WHCN, HARTFORD, CT ASST. P.D.-BOB BITTENS:** "First of all, a note of self congratulation. Saturday, May 24th marks the end of HCN's 17th year as an album rock station. We look forward to continued success as Connecticut's dominant rocker...It's a big week for quality progressive music. Starting with the 'Album Of The Year' - Peter Gabriel's 'So'. Mr. G has certainly moved in a more accessible direction, but he hasn't sacrificed creativity to achieve a more commercial sound. From the Ferryish 'Red Rain' to the beautiful duet with Kate Bush called 'Don't Give Up', Gabriel has crafted an outstanding music work. I love it. Gabriel's old band mates have a top five single on their hands...When my wife, whose taste generally runs to Streisand and Whitney Houston, starts bugging me to get her a copy of the new Genesis single, I know it's going to be a massive hit. Can't wait to hear the rest of the album...Great tunes and flawless Rupert Hine production make 'Walkabout' the best album yet from The Fixx...We also decided to give a shot to the Smithereens this week. 'Blood And Roses' sounds somehow immediately familiar yet brand new at the same time...Finally, a great big thank you to those few labels that have taken a realistic attitude regarding the servicing of CD's to album radio. With records being pressed from melted down bowling balls and ash trays, the only way to insure that your product is being presented in the best possible light and that our airwaves are free of unwanted noise, is to get CD's to radio."

**WNEW-FM, NEW YORK CITY, NY M.D.-MARK CHERNOFF:** "Southside Johnny is celebrating ten years since first appearing with the Jukes at the Stone Pony and we're proud to be anchoring the anniversary broadcast and presenting Southside live on the beach May 30th as we broadcast live all day from Asbury Park. Johnny's album has a great remake of 'Walk Away Renee' and we're also playing 'Hard To Find'... Rod Stewart's in great voice on 'Legal Eagles'...Instant favorite this week at the station is 'Wrap It Up' from the Fabulous T/Birds...The Peter Gabriel Lp is magnificent. 'Red Rain' is our choice for a second cut and congratulations to the newest promo kid on the block: Mark Edward DiSipio."

**KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN:** "We just came out of a new music weekend featuring cuts every hour from one of the many terrific new albums. We got terrific response. Who said listeners only want to hear oldies? Rubber Rodeo 'High And Lonesome' version of 'Everybody's Talking' seems like a good bet for us. Since they're old friends of mine, I won't tell anyone here in Texas that they're really New England Yankees...Lots of great deep cuts are on the ZEW right now and Peter Gabriel's 'Red Rain' is leading the pack, but let's face it, the whole album is wonderful. This week I've been humming 'That Voice Again'... Top requested song on the ZEW this week is 'E=MC<sup>2</sup>' by Big Audio Dynamite."

**WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON:** "Finally, a little time to talk! We've been nothin' but Rock 'N Roll for a little over two months and things are still a little chaotic, but very, very exciting! It's great to hear from people who say they've started to listen to the radio again after years of tapes, etc. ... Savannah is my home town, and I'm glad to be back here and involved in something that has been needed for so long! I have always said AOR can work here and can't wait for that first Book that will prove it to everyone else! The people of this city have needed an alternative and the response from them has been tremendous and even flattering at times, when they say 'Wow! I still can't believe I'm hearing this in Savannah' (a response to Robin Trower's 'Bridge Of Sighs')...If the rock 'n roll wasn't enough already, we've got some fantastic promotions. We gave away our first I Roc 'N Roll Camaro last week! The event created music excitement and a lot of visibility and there's more to come when I Roc Phase II begins. Do I sound excited? I am! Is a lot of ass going to be kicked by 195? A certainty! I think it's gonna be one hell of a Summer... And, while I'm ramblin'---We are exposing music (much of it, older) that has never been heard before here. We hope that we can get a lot of cooperation from respective labels in the way of ID's, giveaways, and promotions...To complete our Team, we need a few good part-timers, dedicated to rock 'n roll radio. We're also accepting T&R's for future full-time openings...PLEASE SEE DIRT ALERT...Next week, maybe a little more spoutin' off and finally music talk!"

**WHMD, HAMMOND/BATON ROUGE, LA M.D.-KLIFF KAHUNA:** "Many thanks to Andy King and John Lily of The Hooters for the interview at the Kodak Liberty Ride Fest. They are a very nice bunch of guys. It's refreshing to run into some artists whose heads don't take up the interview room! Thanks for the drops. I hope to be hearing from you guys soon for the next single...Thanks to Michael Donnelly from Kodak, who helped set up the interview...Now, if we could only get those interviews with Huey Lewis And The News, and Hall And Oates!"

**KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS:** "I really enjoyed Seattle this past weekend! Special 'thanks' to Freddie Z of MCA for the B.B. King show. Thanks to Larry Raymann of Columbia for the good times at Judas Priest and thanks to Ray Gmeiner and Michelle Meisner of Elektra for Dokken. Also, it was nice seeing Robert Nesbitt of Chrysalis and Stan The Man (who discovered Alaska) Foreman of Capitol, who is coming to restake his claim this week, so I'll have all kinds of stories of debauchery--ask me later. Next week, please be looking for my comments. I have something very important to say that I feel is an observation which needs to be said!"

**WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN:** "Two records are the buzz words in Syracuse this week and retail is gearing up for fast sales. The latest from Peter Gabriel and Emerson, Lake & Powell have sparked interest from the normally silent majority. One store reported a deluge of Gabriel requests. Another literally freaked when the expected shipment didn't arrive. The quote was 'those Gabriel maniacs are driving me crazy'. A similar fervor is building for the Emerson, Lake & Powell. Though the hairstyles of the Emerson, Lake & Powell clientele is decidedly more rock 'n roll, it's become evident that Peter Gabriel has finally crossed over from chic to mass with 'Sledgehammer' becoming his biggest song ever...The Genesis has grabbed the #1 most requested spot, though some have used 'Phil Collins Meets Mike + The Mechanics' comparisons... There's a great new album out from local favorites, The Kingsnakes. Their brand of blues is indicative of what makes Syracuse tick...And the Rods Project is out on Passport/Jem. 'Love Is Pain' is the killer cut!"

**WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS:** "Emerson, Lake & Powell are really taking off at WPDH. As I expected, 'Touch And Go' shot up. It's the #1 most-requested-song, two weeks in our Top 12, and the response has been give me more, give me more. So, we've added 'Learning To Fly' and 'Love Blind'. Just goes to show how strong the following is for Mr. Emerson and Mr. Lake's work...Ozzy wraps up the new package very nicely... Some stuff that's tickling my fancy and our listeners' ears: Cactus World News 'Years Later' is doing very well. This band exists on more than the fact that Bono signed them. I like the pacing of their music and the lead singer has a powerful and intriguing voice as well...The BoDeans 'Fadeaway' is so-o-o hot it'll add sizzle to any steamy Spring night, and I'm glad we finally had the room for it. They capture a catchy blend of hootenanny vocals and 80's sound, and it works!...Calls are starting to roll in for Bruce Hornsby And The Range, and mark my words--if you play anything from the 'Way It Is' you'll perk up your listeners cause this band sounds a whole hell of a lot different from most everything else you're spinning...I believe there is hope for the survival of the fittest, even with all the heavyweights out there right now. There's a lot of happening, new artists offering some fresh new sounds, and music that needs our attention. I know that room is a great problem, but we have to try not to lose a lot of fine talent in the shuffle...We're three in on GTR as we gear up for the group's appearance in the Valley. The word on the street is that this show is one h-o-t ticket and everyone's psyched!"

**KPOP, SACRAMENTO, CA M.D.-RON GARRETT:** "Just when you thought it was safe to write off AC/DC, they're back in your face with a very accessible rocker. 'Who Made Who' marks the band's return to a smoother blues sound, similar to the material on 'Power Age'. We're happy to be a part of the band's return to radio airplay... A celebration of style and taste best describes my feelings on the Danny Wilde record. 'Isn't It Enough' has the hook that floats through your mind for days...Rock 'n roll will always find its root to the blues and the Fabulous Thunderbirds have wrapped it up with another great selection from their hottest Lp ever! These diamonds in the rough keep getting smoother and smoother with every play...Those nasty boys with the facial hair, ZZ Top, come on strong as 93 Rock' woke up with wood'springing another hot one on-the-air... 'Is that a 2x4 under your sheets, or are you just happy to see me?' See ya!"

**KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE:** "Genesis is a natural add, probably the Most Added of the week! 'Invisible Touch' is very well crafted, but really no surprises here...Meanwhile, former band mate, Peter Gabriel, has become the dark horse favorite with haunting melodies and daring ideas all rolled into a brilliant album. KILO steps forward with two additional tracks: 'Red Rain' and 'In Your Eyes'...The Fixx is in with bright bouncy rhythms and ringing guitars which are their trademark and we get both on 'Built For The Future'...The Beat Farmers quickly grab our ears on 'Riverside'. This is gutsy rock 'n roll. We knew they had something on their last Indy album with 'Bigger Stones'...Device could be the major surprise of the month. Holly Knight's track record certainly makes this a must-listen record. 'Hanging On A Heart Attack' makes mine skip a beat...Thanks to Kevin, Geina and all at Chrysalis for the Chicago Listening Party. It was major fun."

**WCMF, ROCHESTER, NY M.D.-DAVE KANE:** "The latest Birch report has arrived and WCMF leads the pack with a 20.2 12+ share. We are also holding down the #1 position in all other demos and our share of 18-34 males is more than all the other stations combined...Now then, on to music. After spending some time with the advance cassette of Glass Tiger I'm not surprised with their level of success in Canada. The album is well put together and has a number of pretty strong cuts...Big calls this past week for the new Genesis which is no surprise considering that the band is almost like a religion in Upstate NY. Thanks to Bruce Moser for sending the B Side. Make sure you get one!...Phones are building for GTR; The Stones' 'One Hit'; and Honeymoon Suite's 'Bad Attitude'...H-o-t at home are Peter Gabriel; Van Halen; and Icehouse."

**WKDF, NASHVILLE, TN M.D.-DAVID HALL:** "Nashville: Who is Dave Kane, and how did he get my by-line last week? It's like Jack Benny used to say, 'Oh, Rochester!!' ...AC/DC has delivered the best piece of music they've done since the 'Back In Black' album. 'Who Made Who' is the most infectious song they've done since 'You Shook Me All Night Long'. It just might eclipse that one as their biggest hit ever. All the signs of public acceptance are there. It swamped all competition as our most-requested-song this week...Interest is surprisingly high for Emerson, Lake & Powell's comeback. 'Touch And Go' was our second most requested this week...Even though Phil Collins is all over the radio anyway, it's still great to have the new Genesis. 'Invisible Touch' is just different enough to make it stand out. I can't wait to hear the rest of the album... Aerosmith's 'Darkness' goes on this week. It was that finger-snapping intro that hooked me. If I was someone who bought the early copies of the album with this song missing, I'd be pissed and make WEA set up a 'trade in your old Aerosmith' hot line and give them Marko's home number. Just think of all the nice girls the Markoman could meet!"

WCCC, HARTFORD, CT M.D.-HARV ALLEN: "It's been a great week! Our Rock 'n Splash weekend in Montreal came off without a hitch. Our Morning Team, plus 50 CCC listeners took Montreal by storm, enjoying Simple Minds and The Call in concert, plus some adventurous white water jet boating. Thanks to Target Sport Tours for the great job they did. Beware, WCCC's summer is going to be a killer!!! Some great releases to talk about this week: The Genesis is an instant h-i-t. Don't these guys ever take a vacation?...Rod Stewart's new release is well received. Its got the clean 80's sound but he reaches back to grab some of his classic sounds of the past...We go with another 'Pretty In Pink' Soundtrack tune -- Suzanne Vega's 'Left Of Center'. Excellent sales plus requests on a track before it's even played. The single and the album are hitting homeruns here!"

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "The new Genesis track is good stuff. Hope the Lp is full of more goodens...The ELP Lp is growing on me. I'm really hooked on the song 'Miracle'. Listen to it and see why. No shield will save us. It's gonna take a miracle...The Gabriel Lp is interesting stuff. I'm starting with 'Red Rain'...Check out a T-Bird track that rocks, 'Amnesia', I think...Finally, listen to Poison 'Cry Tough'. It's got the goods and you'll see them soon with Krokus."

KFOG, SAN FRANCISCO, CA M.D.-JOHN RUSSELL: "For the curious, the hours we're taking music calls at KFOG, San Francisco are Monday, Wednesday and Thursday from 11 to 1:30."

WLLZ, DETROIT, MI M.D.-DOUG PODELL: "I'd like to thank Tom Holzer and Cy Curnan and Adam Wood from The Fixx for dropping into Detroit and giving us the U.S. premier of the new album at Detroit's WLLZ...The Fixx, along with Danny Wilde right now, have two of my favorite songs on the air...The Danny Wilde is pretty spectacular...The Glass Tiger sounds to me like U2. We do have a copy of the Canadian album and 'I Will Be There', the track with Bryan Adams, is great as well and we'll be playing that one, too. The band has a great sound...Giuffria's female appeal has been overwhelming, but in looking for a track with a little harder edge we came across 'Radio', which reminds me of Journey, but still sounds real good on the air."

WEBN, CINCINNATI, OH M.D.-CURT GARY: "Graham Parker is back and rocking better than ever. Just open the Box Of Frogs and get it on the air while you still can!!...Genesis is in the groove - on a roll. I still wish I could have a vacation from the man's voice...Second track on Emerson, Lake and Powell? Look for a short little song called 'Learning To Fly'. Lots of curiosity calls. Old fans are coming out of the closet...The Fixx is in, doing what they do best...Fabulous T-Birds: one of the classiest acts on the radio - American rock and roll at its best. We 'Wrap It Up' with their second track this week...Rob Jungklas's 'Memphis Thing' is now Top 5 requested, a party monster! If they get more product in the market they'll sell some!!"

CFNY, TORONTO, CN M.D.-DON BERNS: "It's the first day back from a long holiday weekend (you get Memorial Day, we get Victoria Day, thanks to Queen Vicky) and seeing as I'm a good day behind here and burned to a crisp from the weekend, I'll just launch into what's hot...Chalk Circle's new Lp, 'The Big Lake', has nary a weak track. A great beginning for what will be at least a major Canadian band this year...Ditto for Peter Gabriel's 'So'. You folks who like to go deep immediately on major albums will be hard pressed to find the best of the rest after 'Sledgehammer'. 'So' is a stunning effort, chock full of great songs. Our immediate faves are 'In Your Eyes', and 'Mercy Street'. This is an instant Top 5 album of the year...Those of you who think 'West End Girls' is too pop for AOR should go deeper into the 'Please' album and find 'Opportunities', the next single. 'Love Comes Quickly', 'Tonight Is Forever', and 'Suburbia' all are great tracks from a hot Lp...Our hottest new single is Joan Armatrading's 'Kind Words', which reveals a new side to this talented performer. The production gives her an edge she's never had before too. This time out you'll find that Joan is not too eclectic for any rock oriented station...Add of the week: great songs and the usual great Rupert Hine production have given us all a Fixx on 'Walkabout', the Lp that fulfills every promise of 'Secret Separation'. My fave track is the title song, which sounds great on the air and is perfect for summertime...Single add of the week: Steve Harlem, 'Heartbeat Like Thunder' import."

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Peter Gabriel's 'So' is a masterpiece! No one should have any excuse not to play this record. 'Red Rain', 'Don't Give Up', and 'In Your Eyes' make for great support ammo...The Fixx are back on target with 'Walkabout'. The single has already begun to kick in and there's lots of depth to the album...With the success of the various solo careers of Genesis' band members, the new Genesis album is a sure bet to be their biggest and best yet...Emerson, Lake & Powell is a good record for those upper demo listeners who are into brain salad surgery and trilogy...It's a pleasure to hear Rod Stewart and Southside Johnny getting back to the basics...The Beat Farmers' 'Riverside' should catch many a programmers' ear...Danny Wilde and John Eddie both make the cut this week...Thanks to Rich Schmidt for a great evening. Good to finally meet you face-to-face. Thanks to Dick Merkle for making that meeting possible...Special thanks to Rubber Rodeo for the phone call last week!...Nice umbrella, Kevin!"

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "To my AOR brothers and sisters: If you ask me, Jeff Paris got robbed of a h-i-t! Better luck next time, man...Speaking of hits, Jean Beauvoir cannot be denied! Between the Stallone connection and that hook production and the big beat, you've got to be deaf to miss this one... Summer's here and the time is right to feel the heat...Another one bound for hit city is the Bowiesque debut From Isle Of Man (Go get 'em, Caplan)...This new Fixx Lp is simply their best yet and it should have been the follow up to 'Reach The Beach'...Last but not least, congratulations to Mr. & Mrs. Fred Deane on the arrival of Mark Edward (what a radio name!)."

RADIO ACTION CONTINUED

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE: "Here in Jersey this past week, we thought it was the weather that was h-o-t, but actually it was the new album from Southside Johnny and the Jukes that started the recent heatwave! There isn't a bad track on the album! Our favorite is 'Tell Me'. Check out those horns! Thanks to Southside for calling in on the album's release day!...Peter Gabriel's new album is a gem! 'Red Rain' is a very topical track, what with all that's going on in Russia!...If you're looking for some depth on the Golden Earring album, listen to 'They Dance'!...Last, but not least this week, how about that Emerson, Lake & Powell album! 'The Score' is a track that should go down in musical history as a masterpiece!"...

G.M.-BOB LINDER: "The real value of any industry sponsored get-together is the chance to meet and greet, to see and be seen, to hear and be heard, to f... (never mind!)--That's why we're going to the New Music Seminar, even though its direct involvement with radio is peripheral...If an event is rated by the quantity and quality of attendance, then Elektra's party for the Unforgiven last week in N.Y.C. was certainly a big success. 'Hi' again to Pam Brooks, Lenny Bloch and Wayne Summers, Mark 'King Of Dirt' Didia, Steve Leeds and, of course, the great gang from Elektra (Steve and Brad, etc.)...Thanks again to Mark, Charlie and Scott at WNEW for the grand tour...Next week is the final week for entries in our 7th Annual New Jersey Band Contest. If you know an unsigned New Jersey-based artist or band with some great original material, we'd like to give them a real promotional boost with airplay and inclusion on our next 'homegrown' album 'New Jersey Rock V'. For more info, call 201-328-1055...My favorite album/CD of last month was the new Moody Blues. This month I'm wild about the return of Emerson, Lake & Powell. Picking up where they left off years ago, this album is among their very best and Cozy Powell is a strong new asset!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "This Genesis fan loves 'Invisible Touch'. I can't get that song out of my head. It's one of those tunes that just makes me feel happy when I hear it! Once again Genesis has come up with the goods...This week we have some quality upper demo adds: The Roxy Musicish sounds of Icehouse is gripping and Bruce Hornsby is bound to perk up some ears...Last Sunday was the time for ROCK 101's 6th Annual Land And Lake Triathlon. The event was held in a nearby State Park and 68 teams participated! It was a wonderful warm, sunny New Hampshire day and a good time was had by all!"

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "Please excuse me while I rant and rave about Peter Gabriel! A gabrillian masterpiece is what I find in 'So'. His haunting vocal return to early Genesis style, while keeping up with the 80's influences. Nuff said. 'Sledgehammer' is an obvious s-m-a-s-h, but keep your ears perked for 'Red Rain', 'For Your Eyes' and 'Big Time'...Emerson, Lake & Powell doesn't trip off the tongue easily but it makes for an interesting front-sell. Not to mention that it made people who have not seen the light of day for years crawl out of their caves, and telephone to make 'Touch And Go' our #1 request...Adds this week focus on depth, something I feel personally and professionally strong about. I hope that AOR doesn't turn into 12" oriented radio...Congrats to Jerry Blair from Chrysalis on his first Boston bash. 'Hi' CFNY person, Don Berns. I know you're reading this. I like you too!"

KATT, OKLAHOMA CITY, OK M.D.-SCOTT DOUGLAS: "A special 'thanks' to Jeff Hackett, Jeff Lauffer, and Charly Prevost and the whole Chrysalis crew for Texas-sized hospitality at the Device Listening Party. It was nice to see Charlie West and Jim Jones from Tulsa and Tom Marshall from Albuquerque. Hope to see you all again soon...Everytime I play John Eddie's 'Jungle Boy' I get excellent calls!"

KMYZ, TULSA, OK M.D.-SAMMYE LEE: "Get down and get back up--Peter Gabriel 'Sledgehammer' has got to be the hottest thing on-the-air right now in Tulsa!...Turn up Honeymoon Suite's 'Bad Attitude'. It's great!...Also, the Fabulous Thunderbirds' 'Wrap It Up'. Three of the best songs around and Tulsa loves 'em...Also, thanks for the Heart cassette from James Bishop. We appreciate it!"

WRXL, RICHMOND, VA M.D.-PAUL SHUGRUE: "Gabriel's 'Sledgehammer' continues to pound out #1 requests. Can't imagine why this song is not a 5 format smash already! Between Phil Collins, Mike + The Mechanics, GTR, Peter Gabriel and Genesis, has anyone thought of doing an all-Genesis format?"

KICT, WICHITA, KS M.D.-PHIL THOMPSON: "Peter Gabriel's 'Sledgehammer' and The Fixx 'Secret Separation' are getting such great response that we're going on another track from each. 'In Your Eyes' from Mr. Gabriel and 'Built For The Future' from The Fixx are our choices...The Outfield 'All The Love In The World' is a great followup to 'Your Love'...Now that we're running approximately 75% compact discs, it's nice to see some of them arriving by mail before we go out and buy them...GTR and Jackson Browne are the most recent. Thanks and keep 'em coming!"

WPLR, NEW HAVEN, CT M.D.-AMANDA TEPPER: "The new Genesis sounds like it could have been on any of Phil Collins' solo albums. Therefore, it sounds like another h-i-t!...Hitbound would also be the way I would describe Rod Stewart's 'Love Touch'...Thanks to Jerry Blair for a great night up in Boston at the Device Listening Party last week. It's always good to see the BRU folks--Good luck to Rick Barr and Alison Stewart in their regime!"

WFXR, CHARLESTON, SC M.D.-R. G. JONES: "What a week we've got here: Genesis; Peter Gabriel; Rod Stewart, along with The Fixx; AC/DC, all coming in this week should make for a great Memorial Day holiday...I want to thank George Cappellini for hand delivering the Peter Gabriel to us. It was nice to meet up with George... You sure can't seem to slow down Robert Palmer. He still continues to climb!...It looks like Icehouse is showing very big promises...I'd also like to thank Michael Steel for all the help at MCA. I appreciate him taking care of us!...I hope everybody has a good holiday!"

KBER, SALT LAKE CITY, UT M.D.-ROB ROMAN: " 'Sledgehammer' is a perfect first track for the Gabriel album--but force shouldn't be necessary! Just listen, and you'll find additional tracks. We think it's Gabriel's best ever! Try 'Red Rain', 'In Your Eyes', 'Big Time' -- or, our choice 'That Voice Again'...The numbers have finally convinced us to listen again to Danny Wilde. If you're still a doubter, we suggest you do the same. It is a fine record...And, if you weren't sure about Kenny Loggins 'Danger Zone', go see the movie 'Top Gun'. The audience reaction to the movie and the song should convince all ye doubters!...Emerson, Lake & Powell is still reaping monster requests!"

WHTF, YORK, PA M.D.-TIM DRAYER: "Whatta ya know. Another great music week! The Emerson, Lake & Powell sounds great...The Genesis sounds great!...The Peter Gabriel is a fantastic album! Variety is the key to that album...I listened to the Box Of Frogs album and I like the track 'Get It While You Can', better than 'Heart Full Of Soul'. I'm going to try to push for 'Get It While You Can' for an add next week...One song I'm particularly impressed with is the latest from Frankie Miller 'Do It Till We Drop'. Everytime we play this song we generate instant phone response. Don't overlook this one!"

WKLC, CHARLESTON/HUNTINGTON, WV P.D.-TIM SMITH: "Phil Collins and Genesis answer the call again with 'Invisible Touch'. The sound is stunning! The achievements he has reached are coming close to those of Elvis and The Beatles! We've been asking our peers for several years now, 'when is this guy going to burn out?' Yet there are no signs of that happening with the public! His influence and the quality of the style in general is overwhelming, especially considering the songs we are playing in power by Mike + The Mechanics; Howard Jones; the new Genesis; Peter Gabriel; GTR; and the Moody Blues...Adult rock and roll stations show their viability and the artists and record companies respond and we thank you for that!"

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "Without a doubt, the AOR album of 1986 is 'So'. This Lp will be remembered by musical historians as the greatest Peter Gabriel project ever. Peter has a god given talent that comes straight from the heart of positive creative energy. The 'Invisible Touch' extends its magical influence to shape and mold yet another great Phil Collins/Genesis track. Instantly in heavy rotation here, and we eagerly await the rest of the Lp...Upon reflection, it seems to me those alluring, esoteric, cosmic sounds we loved in the early to mid 70's are renewing themselves with tremendous vigor in the mid 80's: Emerson, Lake & Powell; the Moody Blues; GTR; Peter Gabriel and Genesis. Just consider me happy as a pig in shit about it!"

WTUE, DAYTON, OH M.D.-JOHN BEAULIEU: "Here at TUE, some changes in the air staff: As of this week I've segued from P.M. Drive to give a shot at Mornings, and team up with Maury Williams to replace exiting Morning Team Jeff Curry and Tony Kale. Best Wishes to Jeff doing Mornings at WRXL, Richmond, and Tony who moves into sales! Also promoted are K.C. from All-Nights to Afternoons and part-timer Dave Mayes to All-Nights...Phone-wise I will now be available for your abuse Tuesday thru Thursday from 10:00AM to 12:30PM only...Musically, the unmistakable sound of Phil Collins is once again back in the form of Genesis! Seems he's always on-the-air...Emerson, Lake & Powell finally slips in and the new Rod Stewart will probably be a huge CHR h-i-t!...The Golden Earring album is deep and possibly their best yet...The fave-of-the-week is the new Southside Johnny. If the shoe fits--play it!...Hey, the Reds won! The Reds won!...Zzzzzz!"

WRKI, BRIDGEPORT, CT P.D.-BUZZ KNIGHT: "A big 'thank you' to everyone during this time of evolution at 195! I'll be as capable and at your service as possible (and as time permits), while I'm in the morning shift. Your patience would be greatly appreciated!...A big 'thank you' to Judy Libow of Atlantic for the Frampton extravaganza. This woman always comes through!"

WQMF, LOUISVILLE, KY MUSIC ASST: KEITH TAYLOR: "Good luck to Ron Clay at the new gig!"

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI M.D.-RICK PANNECK: "A reminder that I take music calls on Fridays from 10:00AM-11:45AM and 4:00PM-6:00PM, and on Mondays from 10:00AM-11:45AM...Adds are available on Tuesday mornings at 11:00AM...I managed to see the BoDeans again--this time opening for George Thorogood. If you get a chance, catch this band live! The BoDeans are what rock 'n roll is all about!...Looking ahead to July 11th. We'll be attending the New Music Seminar in New York!"

WPYX, ALBANY, NY ASST. P.D./M.D.-BOB WELCH: "Star Fest '86 was an absolute success! Saturday night, WPYX simulcast a fireworks extravaganza put on by the Grucci family. An estimated 60,000 people were able to fit into the parking lot with traffic backed up on major thoroughfares for several miles. By everyone's account, an absolute s-m-a-s-h -- one that'll keep people talking for years to come!"

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "Thanks to those who've inquired about the record service problem that exists here! Some of the areas of concern have been cleared up; however, the main culprit has yet to come forward with a solution and is on the verge of not only losing a couple of records from our playlist but, respect and professional privileges as well...On the bright side, Arista Records realizes the need of radio for CD service and delivers on GTR...Ozzy rocked and rolled a sold-out Tingley Coliseum last week. Thanks to Joe Bravo and Epic Records for their support and the Ozzy entourage for an evening to remember...ROCK108 hops aboard the Danny Wilde train after 1,000 spins at home--I'm glad we've gotten it on the radio...Genesis has certainly developed into one of the greatest bands of all time. Phil Collins is just warming up for the 1990's!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "Genesis purists have had their Phil of the band's streamlined commercial sound and are voicing disappointment with the new track, but they are vastly outnumbered by the masses that love the groove...Good thing we've got the Gabriel record here to pacify the malcontents! Most of them wrote the band off when Gabriel left anyway...One of the most captivating record in our audition pile is 'Blood & Roses' by the Smithereens. It's living testimony to the fact that the major labels don't always corner the best new bands. Their quality just might be good enough to overcome the lack of corporate clout behind them...AC/DC's new one is stalking the nighttime airwaves at OUR...Nice edit on the Jackson Browne. It gives it upward rotation, mobility it wouldn't get otherwise...Any song with a line like 'she'll blow you down just like a twister--I thank the Lord she ain't my sister' captures the true essence of rock 'n roll and belongs on the radio! John Eddie's 'Pretty Little Rebel' is great and when '86 is said and done, we'll be proud to have been among the first supporters outside of his home turf!"

WCPZ, SANDUSKY, OH P.D.-RANDY HUGG: "ADDS: Genesis 'Invisible Touch'; Rod Stewart 'Love Touch'; Southside Johnny 'Hard To Find'; John Eddie 'Jungle Boy'; Wax 'Ball And Chain'; BTO 'Hey You'; Simply Red 'Holding Back The Years'...MOST REQUESTED: Peter Gabriel 'Sledgehammer'; Bob Seger 'Like A Rock'; Rolling Stones 'One Hit To The Body'; Moody Blues 'Wildest Dreams'; John Cougar Mellencamp 'Rain On The Scarecrow'...INCREASED PLAY: Icehouse; Jackson Browne; Van Halen."

WTOS, SKOWHEGAN/BANGOR, ME M.D.-DUANE SHERMAN: "ADDS: Genesis 'Touch'; Rod Stewart 'Touch'; BTO 'Queen'; Southside Johnny 'Hard'; Dream Syndicate 'Away'; Jazz Butcher 'Caroline'; Peter Case 'Echo'; AC/DC 'Who'; Greg Kihn 'Wild'; Pet Shop Boys 'Opportunities'; Unforgiven 'Hear'; The Cure 'Let's'; Isle Of Man 'Am'; Jonathan Richmond 'Neon'; Pete Shelley 'On'...CONSIDERING: None...MOST REQUESTED: Lou Reed 'No'; Blow Monkeys 'Digging'; R.E.M. 'Ages'; Sting 'Down'; The Fixx 'Secret'...INCREASED PLAY: Rob Jungklas; John Eddie; The Cure; Emerson, Lake & Powell; Lou Reed...And the music keeps on coming! Guess those Genesis break-up rumors can finally be put in the dumper. This new song has a great synthesized hook and tremendous phone action...Personally, I'm still flying high on Sigue Sigue Sputnik's 'Love Missile F-111'--what a great song! Dance, dance, dance!...Lend an ear to the following music: The Unforgiven on Elektra Records--Kind of like the Long Ryders jamming with The Alarm...Also, check out new releases from Southside Johnny; The Dream Syndicate; The Pet Shop Boys; and Pete Shelley (whom you may remember from the Buzzcocks)...Pick-Of-The-Week: The Cure 'Let's Go To Bed'. When will American radio finally latch on to this band? Do yourself a favor and your listeners an even bigger favor--play it--It's that simple!"

KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY: "ADDS: Genesis 'Invisible Touch'; Rod Stewart 'Love'; Joe Cocker 'Hat'; The Alarm 'Howling'; The Firm 'Tear'...CONSIDERING: Just about everything that's out!...MOST REQUESTED: Metallica 'Master'; Judas Priest 'Turbo'; Outfield 'All'; Loudness 'Let'; Bob Seger 'Rock'...INCREASED PLAY: Peter Gabriel; GTR; Eric Johnson; Emerson, Lake & Powell; Journey...INCREASED SALES: Moody Blues; Judas Priest; Eric Johnson...I still say 'Darkness' should have been the lead track off 'Done With Mirrors'. Hell, it should have been Aerosmith's lead track from 'Toys In The Attic'...Ever consider Judas Priest 'Turbo Lover' as crossover material? Well, that's probably too much to ask for, but watch out--it's turning up in the dance clubs!...The Fixx Lp is really great--and more of what we want from them, I think. 'Walkabout', 'Built For The Future', and 'Sense The Adventure' are great places to start!...Best listens this week: Cactus World News and The Suburbs."

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "In the early days of Genesis, Phil Collins played in the shadow of Peter Gabriel. When Peter left the group, Phil took the limelight and soon Peter seemed to be in the shadow! But now with his new album 'So', Peter can be on equal ground. The album is just superb! My favorites, beside the single, are 'In Your Eyes' and 'Big Time'. (I think Peter realized that Phil didn't have a patent on horns!) Meanwhile, Phil and Genesis haven't lost their touch with 'Invisible Touch'. Chalk up another s-m-a-s-h!...Plus, the turntables are warming up for Icehouse. 'No Promises' is a quality record...And, we'll take care of business with BTO's 'Mississippi Queen'!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "First of all, congrats to the new daddy, Freddie D, and his lovely wife, Arlene! Freddie, you did good!...Adds this week: I'll let everyone else talk about the new Genesis record...The Unforgiven 'I Hear The Call'! How could Bill Hard overlook that record this week? We'll forgive you this time, Bill, but give it another spin!...Southside Johnny: The entire album is airable and perfect for summer, but 'Tell Me Our Love's Still Strong' is, without question, the hottest track. You can't sit down when you listen to this tune! The happy horns just jump out of the speakers!...Device: 'Hanging On A Heart Attack' got phones here with just one play!...Jimmy Barnes 'I'd Die To Be With You Tonight' good follow up to 'Working Class Man'--strong vocals!...Isle Of Man adds texture to any playlist...Also on Frankie Miller, AC/DC and Limited Warranty."

WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS: "Things are red h-o-t here in Central PA at ZOO-92: Bruce Hornsby & The Range; The Unforgiven; Danny Wilde; The Call; The Outfield; Emerson, Lake & Powell and GTR are all great reaction records. They bring a long-awaited-for freshness to Central PA radio! According to ZOO-92 Morning Man, Kenny Vanemon, 'Bruce Hornsby will put a smile on your face. It did mine!'...Between Danny Wilde; The Unforgiven; The Call; Outfield; Emerson, Lake & Powell and GTR, the ZOO-92 phone lines are worn out! Immediate heavy phones prove that the Unforgiven is on their way. If you haven't heard the call, listen to the Unforgiven. It's all their vocals, hook, guitars, drums and guts! Forgive me, I love it!"

WKGR, WEST PALM BEACH, FL M.D.-JULIAN WRIGHT: "ADDS: Emerson, Lake & Powell 'Touch'; The Pheromones 'Yuppie'; Giuffria 'Must'...CONSIDERING: None...MOST REQUESTED: Bob Seger 'Rock'; Howard Jones 'No'; INXS 'Listen'; Mr. Mister 'Is'; GTR 'When'...INCREASED PLAY: Peter Gabriel; Genesis; Sting/Beck; Moody Blues; Robert Palmer...INCREASED SALES: Moody Blues; Heart; Journey; The Outfield; Fabulous Thunderbirds...The Julian Lennon promotion is in high gear--We have an exclusive on the West Palm Beach performance along with 100 pairs of tickets to give away. WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "Portland has just been treated to one of the greatest live shows on the road! Simple Minds and The Call made their mark on Maine with a performance that made everyone in the audience an instant fan of both bands! Jim Kerr is both dynamic and spiritual, giving each and every song a special individual quality. It was wonderful to hear earlier Simple Minds' songs like 'Waterfront' and 'Book Of Brilliant Things'. The Call played a great opening set, only much too short! I'm looking forward to seeing them do Boston in June. Meanwhile, play the heck out of 'Everywhere I Go', as Jim Kerr said Mike Been is one of the greatest song writers of today and the U.S. should be proud to have an American band like The Call---Not to mention the strength of the song itself! Thanks to A&M for Jim Kerr's live call-in and thanks to Chuck Bliziotis and Karen Durkott for all the promo for the show. Also, it was great to see you in Maine, Brad! You ought to visit us more often. See you in Boston the 5th!"

KNAC, LONG BEACH, CA M.D.-KEVIN STEPHENS: "ADDS: AC/DC 'Chase'; Hurricane 'Out'; Keel 'Rock'; Poison 'Action'...CONSIDERING: None...MOST REQUESTED: Metallica; Judas Priest; Van Halen; Hear 'N Aid; Ozzy Osbourne...INCREASED PLAY: AC/DC; The Firm; Great White; Ted Nugent...INCREASED SALES: None."

It helped a lot."

KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: Peter Gabriel 'In', 'Mercy', 'Don't'; Metros 'Am I', 'Baby's Got', 'Up The Ladder'; The Fixx 'Read'; Emerson, Lake & Powell 'Learning', 'Lay'; Southside Johnny 'Till The End', 'Walk'; Belinda Carlisle 'From'; 38 Special 'One', 'Once In'; Box Of Frogs 'Hanging', 'Heart', 'Strange'; Beat Farmers 'Riverside'; Genesis '12'; Dream Syndicate 'Slide'; Rod Stewart 'Love Touch'...CONSIDERING: None...MOST REQUESTED: None...INCREASED PLAY: Latin Quarter; Bob Seger; Pet Shop Boys; Culture Club; Moody Blues; Icehouse; Bruce Hornsby; Rubber Rodeo; GTR...Peter Gabriel's 'So' seems to be a definite effort to be accessible and is certainly Peter's most commercially viable record, front to back...We played 'em when they were the Minneapolis Metro All Stars. Now they've lost most of the name and obviously gained a larger recording budget as the Metros. The All Stars are definitely all stars...Beat Farmers sounds like Dire Straits would have if Mark Knopfler would have been born in Oklahoma. 'Riverside' is A-plus material!"

WRUF, GAINESVILLE, FL M.D.-RICK RICHARDS: "Our Morning guy, David Singer, wants to 'thank' Lou Reed for a killer interview. It was nice, Lou, to help us out and good luck with his new album...Genesis is back and rockin' with an old philosophy: Don't change a good thing! H-o-t phones after only two days on-the-air. It debuted at #4 on our Top 5 and we're looking for it to go to the top!...With such instant response to Emerson, Lake & Powell's 'Touch And Go' we added 'Love Blind' and expect it to do the same...We're looking forward to Greg Kihn in concert tomorrow night and we'll have a report on the show next week...Personal to Virgil Thompson of WIXV: Will says your wallet is in the control room and your keys are locked in the office!"

KRNA, IOWA CITY, IA M.D.-STEVE KOSBAU: "The Bangles latest is exactly what we want! It is already proving to be a powerful female magnet, and a favorite for men too!...We are also having tremendous luck with Giuffria. Our phones are constantly lit up for this mass appeal grabber...'Secret Separation' is the tune that will put The Fixx in rock 'n roll's elite class. It has an almost hypnotic effect on me. In fact, it ranks #2 only to great sex in my weekly list of favorite things!...And the Genesis--Wow! The energetic fun 'Invisible Touch' radiates makes this smash impossible to pass up. We l-o-v-e it!"

KMBY-FM, CARMEL/MONTEREY, CA M.D.-PATTY MARTIN: "ADDS: Glass Tiger 'Thin'; Ozzy Osbourne 'Lightning'; Aerosmith 'Darkness'; Jimmy Barnes 'Die'; Glen Burtnick 'Crank'; Greg Kihn 'Wild'; Krokus 'School'; Genesis 'Touch'; Box Of Frogs 'Heart'...MOST REQUESTED: Emerson, Lake & Powell 'Touch'; GTR 'Heart'; Peter Gabriel 'Sledgehammer'; 38 Special 'Like'; Sting 'Down'...INCREASED PLAY: Emerson, Lake & Powell; Wild Blue; Kenny Loggins; The Fixx; ZZ Top; 'Live For Life'; Honeymoon Suite; Giuffria...I may be burnt from a weekend in the sun, but my Peter Gabriel cassette is in heavy rotation on the Walkman...Box Of Frogs is quirkier than the last one--I like it!...Ian Dury is still alive...Graham Parker is always cool--all it needs is Dave Edmunds on 'Hanging From The Wreckage'...Thanks to Dave Johnson from Elektra for the dinner...What are Russian potato skins anyway?!"

KRIX, BROWNSVILLE, TX ASST. KFMF, CHICO/REDDING, CA M.D.-MARTY GRIFFIN: "Danny Wilde finally makes it on the KFMF playlist this week! The record is already generating positive listener response. I'm sure glad we had a spot open this week. 'Isn't It Enough' is what rock radio is all about. Play it--You won't be disappointed...Other adds this week include another Top 5 selection from Genesis...Also added the Fabulous Thunderbirds and Greg Kihn...Hey, how 'bout those San Francisco Giants?!...Til next week--keep rockin'!"

WPGU, CHAMPAIGN, IL M.D.-BRENT PETERSON: "ADDS: Genesis 12"; Kenny Loggins 'Danger'; Journey 'Girl'; Rod Stewart 'Love'; Box Of Frogs 'Heart Full'; Julian Lennon 'You'; Wax 'Ball'; Moody Blues 'Other'; Zeitgeist 'Atlantic'; The Outnumbered 'Long'...CONSIDERING: Smithereens; Dream Syndicate; Wild Blue...MOST REQUESTED: Peter Gabriel 'Sledgehammer'; Belinda Carlisle 'Mad'; 38 Special 'Like'; Van Halen 'Best'; GTR 'When'...INCREASED PLAY: 38 Special; Icehouse; Emerson, Lake & Powell; Bob Seger; Sting; Jackson Browne; Fabulous Thunderbirds; The Fixx; Belinda Carlisle...INCREASED SALES: Otis & The Elevators; Van Halen; GTR; Joe Jackson; Moody Blues; Brian Setzer; Lou Reed."

WNCT, PEORIA, IL M.D.-PHIL MANICKI: "ADDS: Genesis 'Invisible'; Rod Stewart 'Love'; Bob Seger 'Aftermath'; Moody Blues 'Side', 'Rock'; John Eddie 'Jungle'; Rob Jungklas 'Boystown'...CONSIDERING: None...MOST REQUESTED: Joe Jackson 'Right'; Van Halen 'Dreams'; Sting 'Down'; Genesis 'Invisible'; Honeymoon Suite 'Fee'...INCREASED PLAY: Kenny Loggins 'Danger'; Bob Seger 'Like A Rock'; The Outfield 'All'; Joe Jackson 'Right'; The Fixx 'Secret'; Sting 'Down'...INCREASED SALES: Van Halen; The Outfield; 'Pretty In Pink' Soundtrack; Bob Seger; Journey...More 70's product this week with Rod Stewart; Bob Seger; and Genesis! Going back for 60's-rooted rock 'n roll with the Moody Blues, plus 80's philosophical hometown-flavored rock with Rob Jungklas 'Boystown'. The way this song takes you up and brings you down with power, passion and everything in between makes me think we'll hear a lot from him in the future...Phil's fave-of-the-week is John Eddie, which reminds me a lot of Gary Glitters'Rock And Roll Part Two'. It's got it all: Power, hook, and most importantly it makes you feel good!...Oh yea, I almost forgot--Go Sox!"

INCREASED PLAY: Smithereens; Icehouse; The Fixx; BoDeans; Winter Hours.

"A lot of people have been talking about the Smithereens, including me! I think the record's performance at FNx speaks for itself. 'Blood And Roses' cracks out Top 20 and moves into heavy rotation this week. Greetings to Don Magi who comes to town as the regional rep for Atlantic!...The Fountainhead's 'Rhythm Method' is not only a great dance tune but it also rocks hard enough for album radio."

WRAS, ATLANTA, GA M.D.-JENNIFER GROSSBERNDT:

ADDS: Beat Farmers "Riverside"; Beastie Boys "Hold"; Pete Shelley "On"; Smithereens "Blood"; Walk The West "Back"; The Meat Puppets (open); Black Uhuru "Vibes"; The Ramones "Somebody"; Peter Gabriel "Give".

MOST REQUESTED: Art Of Noise "Peter"; Stan Ridgway; Jazz Butcher "Devil"; Brian Brain "Fun"; Depeche Mode.

INCREASED PLAY: Walk The West; Black Uhuru.

INCREASED SALES: BoDeans.

"No fat, just lean, so tough! The Jazz Butcher is h-o-t! hot! h-o-t! How many hot dogs do you want? Do something with this record!...P.S.: Attention Link Records: Who is Jenny Gross for 50, please?"

WMRY, ST. LOUIS, MO. M.D.-TED HABECK:

ADDS: Roy Buchanan "Judge"; Ronnie Montrose "Love To You"; Genesis; BTO "Live"; Beat Farmers "Riverside"; Southside Johnny "Hard".

CONSIDERING: The Cure "A Forest", "Let's Go To Bed"; Gerard McMahon "True To You", "Lovers"; The Unforgiven "Hang 'em High".

MOST REQUESTED: Emerson, Lake & Powell "Touch"; Sting "Been"; Passenger "Steal"; Blow Monkeys "Digging", "Sweet Murder"; Bourgeois Tagg "Mutual", "Heart"; Lou Reed "No".

INCREASED PLAY: Eric Johnson.

"Every Monday night WMRY sponsors the 'Monday Night Blues'. We present St. Louis' best blues bands live in concert in the beer gardens in Union Station. The last show was supposed to be May 26, but the response has been so-o-o strong we decided to continue it through the end of September!...WMRY is trying to collect 100,000 signatures to get the True Confessions U.S. tour to come to St. Louis. The response from clients wanting to use their outlets as petition collection centers has been overwhelming. We've received calls from as far as 90 miles away from fans wanting to get a petition. After only 4 days on-the-air, we're already getting petitions in the mail...Southside Johnny would have to release pure trash to disappoint me, and the new Lp is anything but! You don't have to be a fan to appreciate the new one. I'm hoping the single goes at least Top 10 because, after 10 years this guy deserves it! Also, love the left bank cover of 'Walk Away Renee'...I'm glad the Beat Farmers are finally on a major label. Hopefully MCA will make the public aware of what we've known for some time! The Beat Farmers just played a 650 seat club last weekend, all but selling out with very little airplay...I like the BTO 'Live' a lot. This may include the all new classic version of 'Mississippi Queen'...Genesis is Genesis! Nuff said there!...I expect the Ronnie Montrose will do equally well in St. Louis which has always been a good market for him...And, if there are any bubblegum stations left in this country, the Rod Stewart might stand a chance. Sorry, Bugs Bunny, this one leaves a lot to be desired!"

# Record Action

**PAUL RAPPAPORT, COLUMBIA (212-975-8616):** "Turbo Lover' our second engine in the JUDAS PRIEST 'Fuel For Life' campaign is kicking in! Big talk on this as many programmers definitely feel it will go all the way! This act is doing phenomenal business on the road and the requests at radio keep pouring in - this is major league...If you haven't seen 'Top Gun' yet make it a priority - this is the hippest movie of the summer. It also just did 8 million dollars at first week's box office and immediately is the #1 picture in popularity and sales. G-R-E-A-T I-M-A-G-E! FLASH! FLASH! FLASH!...Get your JEAN BEAUVOIR 12" and re-listen to 'Feel The Heat'. This thing will be huge. Just out and on twenty already in the middle of all these hits! An instantly recognizable hook, a monster movie, and an artist that's here to stay...Yes the same guy who produced the Ramones, played in the Plasmatics and was instrumental in powering Little Steven - Go For It. Pronounced John (with a soft 'J') Bōwvar. Another Columbia 110% commitment The OUTFIELD are poised to explode. The Lp is 10\* again in Billboard this week. 'All The Love In The World' is a smash and at this rate of sales, platinum is right around the corner - Hey, this thing was just gold three weeks ago - that's how fast it's blowing out. It looks like multi-platinum time. Hope to have one hanging on your wall soon...Now, your basic JOHN EDDIE. It's hard to not make things sound like a hype when you're basically flipped out over somethin'. See, we weren't lyin', 'Jungle Boy' is a smash, BIG league phones and all! By now, hopefully, you've listened to the rest of the Lp and know that the songs and the performances are stellar. This is rock and roll."

**TONY GATES, ARISTA (312-637-4291):** "J. A. M. - what's it spell? Hit record. Jersey Artists For Mankind. No one can accuse Bruce and the gang of anything sad related. This is a serious long-time-coming effort to put food in hungry bellies, and in doing so puts a hook in each ear or one ear if you're not AM stereo. 'We Got The Love' has got the goods and we at Arista are proud to be a part of it...Have you done your job lately? Too busy to listen? Go Over The Fence! As The Sluggers say, 'There must be a world out there. I can't stand the suspense. Let's go over the fence.' If John Wayne were alive he'd rock to The Sluggers - True Grit!... 'School's Out', the jury's in, perfect timing for a Krokus spin. You can't let yourselves forget that tremendous rush of busting out those classroom confines with rebel desire in your heart and mind going directly to a friend's house, calling the radio station and rocking to 'School's Out'. Do it Krokus style. 15-50 can relate. Think of it as a rite of spring ritual...Speaking of which, GTR devotedly climbs the charts. The compact disc in your hand still precedes retail. Can you say exclusive? Look for 'The Steves' in a small acoustic setting near you. Some nice surprises are planned for the shows...Can't tell you how happy I am to be part of such an invigorating company. Every department is full of happy, talented, productive people. It's the Clive Vibe. If you're happy and you know it, play our band."

**JEFF NAUMANN, RCA (213-468-4055):** "By this time you have the great new rock remix of Wax's 'Ball And Chain'. This song is absolutely AOR all the way...If you aren't playing Lou Reed and Bruce Hornsby yet, what's your problem? Both albums are getting tons of requests and both are selling well, too. At least play our hits... Belinda Carlisle put on an amazing show at the Roxy last week. Don't miss her when she comes through your town (she looks great, too)...Now for some poetry:

There once was a man from Jose  
Who said 'Bruce Hornsby? No way.'  
But the Nipper barked and quickly checked;  
That guy couldn't hear a train wreck  
And the record came home, all the way.

**Late flash:** Just received a tape of the new Eurythmics album 'Revenge'. This ultimate, veritable suchaahh rocks from start to finish. The track 'Missionary Man' will be out in early June."

**DAVID FLEISCHMAN, ATLANTIC (212-484-6017):** "The ATLANTIC SUMMER CALVACADE OF HITS is out and working Hard! (No, that does not mean they all called Bill)...AC/DC 'Who Made Who' is being called their best since 'You Shook Me'...Genesis is a gone gator (Southernese for thru-the-roof)...'Listen Like Thieves' is taking INXS to platinum, and they will be back on the road starting in the middle of July... 'Taken In', which you now have on 12", will be the next hit track from Mike + The Mechanics. M+M hits the road on June 5th...Julian's tour starts this week, and 'Want Your Body' will support the concerts in fine fashion...Fiona's 'Hopelessly Love You' IS the track that will finally give this lady the hit she deserves...Look out for the Andy Taylor record 'Take It Easy'. Yes, I've heard some snickerings from some of the AOR bubbas about this record--so let's check back in a few weeks. Remember, he or she who snickers last, snickers best...Many of you have been asking about John Parr. Ask no more. His new 12" entitled 'Two Hearts' is in your hands. Like Andy Taylor's record, this is also from the soon to be released 'American Anthem' Soundtrack...Southside Johnny & The Jukes are back with their best ever. The lead 12" is 'Hard To Find'. Looking forward to the 10-year anniversary broadcast by Southside Johnny & The Jukes from the Stone Pony in Asbury Park on May 30th. Many of you are carrying the broadcast, and don't be surprised if some 'special' guests drop by and sit in."

**MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400):** "Brace yourself as we venture on to the subject of time experiences which, in reality, are pre-recorded past events guaranteed to generate future disturbances... The Golden Earring Lp 'The Hole' is possibly their strongest project to date. That's right, 'The Hole' is deep. 'They Dance' and 'Jane Jane' are already turning heads and adding fuel to the fire ignited by 'Quiet Eyes', which is getting more and more airplay. Thanks, Buzz, we needed that... 'Victory Line' from Limited Warranty is wedging itself deeper and deeper into the cortices of programmers as time goes by. Their self-titled Lp is an impressive debut. It's amazing how comfortable these freshmen are with a variety of musical idioms. Check out 'Yesterday's News', 'Domestic 17' and 'Hit You From Behind'...Speaking of amazing, Danny Wilde's Lp just won't go away. Week in and week out, stations are succumbing to this deceptive and infectious little record. 'Isn't It Enough' appears to be enough to convince people...Since you did, thanks for reading."

**RICK WINWARD, ENIGMA (213-640-6869):** "What a week! First, the out-of-the-box-into-heavy commitment for the Smithereens from WNEW; then the word out of Boston that Oedipus loved 'Blood And Roses' so much on first listen that he just had to add the track immediately. And finally, the late-breaking news out of Cherry Hill that the hook had earned favor even in the hallow halls of Hard-ness. Thanks to WNEW, WXRT, WBCN, WHCN, 91X, KBCO, WHFS, WHEB, WDHA, KTCL, WTOS, WHTG, WRNC, WIZN, WEQX, WOXY, WXTQ and all the others that got past the 'no space right now' or 'no space for indies right now' to get on a record that's earning support instantly from turned-on listeners. I've got a new and relatively happy dilemma to face these days: Now that everyone has listened and likes 'Blood', how can I get you to add the thing this week? Enough waiting; it's hesitation that kills projects like ours, not a lack of quality. Do it for the underdog, do it for the indies who are telling you how good the track and Lp are, do it cause we are a major label now (with Capitol distribution and indie promoters with credibility bringing the news to your ears), do it because the song rocks out, kicks ass--and do it NOW!...And then there's Poison. Listen to the track. The music our four Harrisburg natives make is not metal. It's a new breed of hard-rocking pop that's created the kind of stir in L.A. that hasn't been felt since the early glory days of Van Halen. 'Cry Tough' could work on CHR if programmers would give it a shot, but it's so undeniably a rock record that it won't happen that way. Take the initiative! Identify rock as rock, a hook as a hook, and then understand how Poison will work for all your listeners."

**LINDA KIRISHJIAN, COLUMBIA (212-975-1701):** "Make it a B.A.D. habit. 'E=MC<sup>2</sup>' by popular demand is out as a 12", single edit, Lp version and extended version. This track has been selling the record in Texas and L.A... JOHN EDDIE is the goods. Requests and air play (or is that airplay and requests). 'Jungle Boy' and 'Pretty Little Rebel' lead the way. Wait til you see the 'Jungle Boy' video...JEAN BEAUVOIR 'Feel The Heat' is going to be one of the biggest records of the summer... 'Cobra' opens soon. I don't know about you, but I constantly hear the song in the bed of the commercial for the film. And it sounds great...Are you a 'Turbo Lover'? JUDAS PRIEST's 12" is out now and, as this record approaches the jaws of platinum, we find it's doing some severe sales damage. The OUTFIELD are almost platinum (on the quick road to multi-platinum land). 'All The Love In The World' is now the official second single...Speaking of second singles, for JOURNEY, it's going to be 'Suzanne'. (Shhh! Don't say I told you?...Have you encountered the 'Danger Zone'?...STABILIZERS album is out now. Check out 'Simple Thing'. This whole album is A-mazing! Take it from moi, I can't stop playing it...Have you built your 'House Of Stone' yet? If not, start Roaring (boys and girls)!

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
