BOB SEGER.....MOTLEY CRUE.....DAN FOGELBERG.....RICHARD MARX.....Y&T.....
WARREN ZEVON.....IQ.....PRINCE'S TRUST LP

BOB SEGER, "SHAKEDOWN", MCA

Bob teams up with modern maestros Keith Forsey and Harold Faltermeyer for this "Beverly Hills Cop II" ditty, and the payoff is one of his best, most refreshing rockers of late. Unlike much movie music, "Shakedown" is first-rate, anything-but-leftover material, and the infusion of crisp contemporary elements (synths, brass, vocal effects) adds new life to one of Rock's evergreens. "It's a true bust and a #1 record" sez WLVQ's Lee Randall, and with the imminent movie exposure guaranteed to hit everyone from 6 to 60, better put it right into power...or you're busted!

MOTLEY CRUE, "GIRLS, GIRLS, GIRLS", ELEKTRA

One listen to the new Crue should completely vaporize any reservations about their past image, appeal or material. This obvious summer smoker from the PMRC's favorite band will move them into the Van Halen league in terms of mass-appeal, mega-retail/power rock. Given Hit Radio's recent posture of pursuing pure rock records early, we'd say best keep the Crue in your court. Easily their least abrasive, most mainstream effort, and well worth the two-year wait.

DAN FOGELBERG, "SHE DON'T LOOK BACK", FULL MOON/EPIC

With Dan's penchant for AC-leaning ballads of late, we never thought we'd get an energetic rocker like this. Backed by an all-star cast, Dan drop kicks us a chunk of slick catchy rock 'n rhythm that'll hone in on your upper demos with laser precision. With 14 million albums sold, Dan and your audience go way back, so rekindle the fire with his most format compatible effort in years.

RICHARD MARX, "DON'T MEAN NOTHING", MANHATTAN

From the "Life's Been Good" guitar intro, to "The Long Run"-inspired verses, this thoroughly captivating tale of life in the Southern California fast lane has Eagles written all over it. It's no coincidence either, what with solid backing from Joe Walsh, Timothy B. Schmidt and Randy Meisner. But it's Marx's sparkling songwriting and great lyrical finesse that set him apart from the pack, and make him one of the most promising new singer/songwriters to come down the freeway in a long time. And he's only 23! Already on KZEW, WAAF, WFYV, WEZX and three more.

Y&T, "CONTAGIOUS", GEFEN

Y&T's reputation as pure rockers of the highest order has built them a loyal cult following coast to coast. Now here's the palatable power hitter single they've needed to fully infiltrate mainstream Rock Radio. Yeah, it's anthemic, fists-in-the-air rock 'n roll, but Kevin (REO, Starship) Beamish's glossy production and those elephant-sized vocal hooks are guaranteed to sink your boats, or your money back.

WARREN ZEVON, "SENTIMENTAL HYGIENE", VIRGIN

From the moment Warren yells "Hey!!!" before that first break, you just know the excitable boy's back in a big way. Pairing him with R.E.M. and Neil Young is a bizarre stroke of genius, and it works in a wonderfully warped way. Poignant lyrics, haunting moody melody, Neil's exquisitely distorted guitar--it's all here, but the bottom line is it's simply great to hear that commanding one-of-a-kind voice again, especially in front of a top shelf tune like this. The Young Virgins hot streak continues!

IQ, "NO LOVE LOST", SQUAWK/POLYGRAM

Balance is critical to any successful station's music mix, and to that end hasn't there been a tremendous dearth of quality progressive/art rock lately? Fill the void with the American debut from England's IQ, first heard on our Super Sampler 2. The lead track conjures up images of "Trick Of The Tail"-era Genesis or Marillion, and it's no secret that a huge market still exists for that endangered species of Rock. And wait'll ya hear it on headphones!

THE PRINCE'S TRUST 10TH ANNIVERSARY BIRTHDAY

PARTY, A&M...Hey! What programmer can't use a live version of Dire Straits and Sting laying out a rave-up rendition of the #1 album track of '85? Or Phil Collins' stark and stirring performance on "In The Air Tonight"? Don't Tina and Slowhand throw flames on "Better Be Good To Me"? And that grand finale jam on "Get Back", featuring Paul McCartney is sure to spark curiosity calls. Hit 'em short-term, then move it directly to live options. Kudos to A&M on the simultaneous CD/Lp service.

AUTOMATICS

Depth Trax From Established Albums

PSYCHEDELIC FURS, "SHOCK", COLUMBIA

We touted "Heartbreak Beat" as the most accessible/strongest P-Furs track to date, and Rock Radio delivered the knockout punch, (peaking #12 Trax, with a plethora of phone activity). The band has very obviously stretched far beyond their world famous cult status and "Shock" offers further evidence that "Midnight To Midnight" is the artistically commercial package to solidify the P-Furs as an AOR staple. "Shock" possesses that rhythmically infectious beat, their haunting signature sound, Richard Butler's raspy vocals and a killer sax line. Added this week at WHJY, WTPA, WHTF, KRXQ, WMGM, KNCN and WWTR; while already power at WBCN, heavy at WXRT, KROQ and KTXQ, and on WDHA, KBCO, 91X, WBRU and three more.

THE CULT, "LIL' DEVIL", SIRE/WARNER BROS.

"Love Removal Machine's" Top 15 Trax, Top 4 Most Requested showings are significant, especially in light of the format's reluctant pure rock climate. And our latest tracking turned up Top 5 phones at 29 including KLOL, WDVE, WBCN, WNEW, WYFN, KTXQ, KOME, WHCN, KLAQ, WBRU and WFYV. Now keep that tradition alive with the follow-up, "Lil' Devil", new at WNEW, KROQ, KRXQ and KATP. No one can pump out AC/DC meets Zeppelin meets Stones firepower like The Cult, and when it's derivative of three of Album Rock's all time hall of famers, what's to lose?

DOUBLE SHOT

Deserving Second Trax From Newer Acts

STRANGLERS, "DREAMTIME", EPIC

They've long been a significant Alternative staple, but it took "Always The Sun's" dreamy textures to cross the Stranglers to mainstream AOR. "Dreamtime", the album's stunning title track, is the ultimate hybrid of high tech/progressive and futuristic funk. Pop it in to add a good measure of challenging, forward thinking, late '80's Rock to your mix. Look for the forthcoming CD re-service.

REACTION RECORDS

JON BUTCHER, "HOLY WAR", CAPITOL

SUZANNE VEGA, "LUKA", A&M ... (21 New/78 Cume)...

This week's #1 Album Gainer honors go the Vega way as the Lp rockets 45-35* National, 47-31* Metro. There's nine already pulling Top 5 phones while 30 report Good/Excellent calls creating a 17-16 Most Requested climb. WQBK's Bob Welch gives us this bulletin, "'Luka' rolls in as our #1 request this week with

the Lp debuting at #23 Sales!"...Kim Alexander, WHCN cites, "Top 5 calls and Top 10 sales!"...Doug Clifton, KBCO is digging deep, "Anyone who is programming to a 25+ audience should be at least four cuts deep on the Lp" ...And WMAD's David Anderson heralds, "Suzanne Vega is a class act. Sophisticated, intelligent--a great upper demo record."... Given the opportunity, don't miss this class act on the road. Suzanne just blew away the Big Apple and FMQB staff members at NYC's Shubert Theater. But catch it on the air first!

ACE FREHLEY, "INTO THE NIGHT", MEGAFORCE/ATLANTIC..(27 New/46 Cume)...Ace is back and Rock Radio ain't wastin' no time. 27 new stroll "Into The Night" including KTXQ, WLLZ, KBPI, WXRK, WBAB, CILQ, KZAP, KILO, WPYX, KICT, WNOR, and KWHL, swelling the two-week cume to a robust 46 and lunging the track 99-77*, our #2 Trax Gainer. And the phone action has detonated; #14 debut Most Requested. The Lp bags highest debut honors in Album Action with a pair of 45*s. Alan White, KILO asserts, "The night crawlers are juiced for this one!"...Michael Davis, KFMG reports, "Ace is off to a fast start; hot phones every night!"...Mark Williams, WWZU is right on, "Whether it's old Kiss fans, new Ace fans or just rockers in general, they love it"....And WXRK's Bob Kranes attests, "'Into The Night' is sitting pretty; coming around a little more often than Haley's--Frehley's Comet fits right in and has a built in audience as well!"...Rock on!

ANDY TAYLOR, "DON'T LET ME DIE YOUNG", MCA (20 New/53 Cume)...A.T. continues to convincingly romp through Rock Radioland with a full head of steam as "Die" lives on 20 new this week including WNEW, WKLS, WKFM, WFYV, KBPI, KMOD, WPLR, WKLC, WXP and KJOT augmenting the cume to 53 and producing a 76-64* Trax surge; while the Lp holds 38* National. Andy's phones are alive and well thank you as 24 cite Good/Excellent calls (WAAF, WAQY, WHTF, WMGM, WTPA, KLB, KFMH, KSQY, WRUF, KNCN). The Double Shot roll is on!

WHITESNAKE, "WHITESNAKE", GEFEN Whitesnake maintains its stature as one of the hottest rock projects on the streets as the audience demands the Double Shot! "Here I Go Again" (19 New/38 Cume) subtly sneaks onto the Most Added column as WDIZ, WKLS, WLQ, KATT, KOZZ, WRXK, WRKI and WRQK are among the newcomers sparking an 82-72* Trax jolt! "Still Of The Night" remains strong as we find 10 play increases, 74 rotating Power/Heavy, 16* Trax and that prestigious hold at #1 Most Requested! Check out the "Greg" report for further evidence ...Greg Morrison, WRQK, "No doubt about Whitesnake. Public demand pushed 'Still' to heavy. Check out 'Here I Go', an excellent second track", and Greg Mull, WRXK, "Whitesnake cannot be denied. The Lp outsells everything. 'Here I Go' will blow away the phones!"...Keep on keepin' on!

TOM PETTY, "LET ME UP (I'VE HAD ENOUGH)", MCA The TP & The HB's hit parade just keeps on rollin' as "Runaway Trains" assumes the leadership role regarding new airplay (18 New/116 Cume), with 53 spinning in Power/Heavy, catapulting the track 28-19*! Among the new guys are WLUP, WIYY, KYYS, WZZO, WNOR, KGON, WDIZ, KEZE, KOME and KZEL. Meanwhile, back at the 1* Trax position, "Jammin' Me" holds on strong with 135 powers and 16 heavies, while 56 report Top 5 phones for that impressive hold at #2 Most Requested, and the album struts 4-2* National and Metro. It's Lp's like this that make digging deeper fun as well as productive.

CROWDED HOUSE, "SOMETHING SO STRONG", CAPITOL (16 New/127 Cume)...Thanks in no small part to another 16 newcomers (#9 Most Added including WKLS, WSHE, WIYY, WHCN, KDKB, KZEW, WFYV and WLNZ), this report's top ranked 28 increases (KBCO, WBAB, KSJO, WPYX, KLAQ, KEZO, WRCN, WPLR) and the 127 current mentions, Crowded House notches its second Top 20 track as "Something So Strong" cruises 24-18* Trax. With smokin' stats like that, you know the album will keep pace: 20-14* National (our #3 Lp Gainer); 20-16* Metro. Top 5 curtain calls are reported at WPLR, KKFM, WHMD and WGIR while 12 spin at Max and 47 more supply Heavy exposure. How's that for strength?

DAVID BOWIE, "NEVER LET ME DOWN", EMI The format continues to dig deep and "Time Will Crawl" continues to be one of the more active Reaction tracks out there, once again turning up in the Most Added column at #9 with 16 new (KBPI, KFOG, KOME, WLUP, WIYY, WRXK, WRFX, KPOI, WKFM). And as 11 more increase play paced by WBYP, WRKI, KMBY, KZEL, WBRU, WOUR and WRDU, it bolts 30-22* on the Hot Trax 100. Among the 117 now playing, 15 rotate in Power, 42 supply Heavy emphasis, 28 report Excellent/Good phones with Top 5 requests at WOOJ. Also remaining highly active is "Bang Bang", new at WSHE, KSJO, WTUE, WHTF, WBLM, KPOI, KBAT and KRZQ, up at WGIR, now on 56 (24 Max/Heavy), improving 57-56* Trax with Top 5 calls at WBYP, WDIZ, WTOS and WHTQ where Slats sez, "No matter where you drop the laser on this Bowie, it's definitely got the goods. We've upped the secondary tracks and added "Time Will Crawl"...Meanwhile, "Day In..." holds at #3 Trax, #11 Most Requested as the Lp holds strong at 5* on both Album Action charts. Is it any wonder?

PATTY SMYTH, "DOWNTOWN TRAIN", COLUMBIA (16 New/91 Cume)...Patty's Double Shot checks in at #9 Most Added as the "Downtown Train" picks up 16 new passengers this week headlined by WCCC, WNOR, KGB, KDKB, WLQ, WCMF, WTPA, WKLC, WFYV, WRXL, KZRR, WZZO and WKGR. As KMOD, WPLR, WOUR and WIMZ increase airplay, the Max/Heavy column swells to 23 out of 91 current mentions (WLLZ, KSHE, WNOR, KDKB, KUPD, WDHA, WRXK, WPLR, WLAV, KOZZ, WMGM, KBER, WIOQ, KLB, KWIC, WAAF). While Top 5 curtain calls is the haps at KFMH, a quick check of the airplay charts shows a 43-35* Trax leap, 28-25* National elevation and a torrid 34-26* Metro surge--that chart's #3 Gainer. Get a seat now because this one is destined to be standing-room only before too long.

LITTLE STEVEN, "TRAIL OF BROKEN TREATIES", MANHATTAN...(15 New/115 Cume)...Everyone has been hitting the "Trail" lately and this week it's more of the same. Little Steven's latest checks in at #10 Most Added, collecting 15 new commitments including KSJO, CILQ, CHEZ, CFOX, KMOD, KDJK, WAQY, WBLM, KMJX and WRUF to bump the on count to 115. While WNEW, KLOS, WCCC, WIOT and WAQX increase air, "Trail" pounds 36-31* Trax as the Checklist turns up a build at 13, building phones at six, building phones and sales at four, 11 more considering, plus Top 5 phones at KTXQ ...Keith Masters, WIOT, suggests, "If you tend to think that apathy is abundant and social awareness is not on the rise, I suggest two things: 1) Toss Little Steven on the CD tray, and 2) then listen to the phones" ...WHTQ's Slats comments, "Little Steven has always been a fave and 'Trail' is the most workable song he's given us yet."...Take advantage!

STAN CAMPBELL, "YEARS GO BY", ELEKTRA (15 New/15 Cume)...Nothing like a #10 Most Added showing to get an artist's initial solo project off and running OTB. "Years Go By" bags 15 first-week commitments headlined by KRQR, KZAP, KBCO, KRXQ, KOME, KWIC, WAOR, WRXK, KFMF and KFMH, and you can bet the CD

JUDE COLE, "LIKE LOVERS DO", WARNER BROS.

Every now and again a new tune crosses our desks that literally jumps off the turntable on first listen. Such was the case with Jude Cole's mid-tempo rocker, "Like Lovers Do". We were so excited over the multiple eargasms we experienced that we just had to find space for it on our Super Sampler 2 cassette and give you good folks an advance listen. Jude's credits are certainly impressive, and we think you'll find this Russ Titelman-produced, guitar-driven track comes complete with a monster hook and an infectious beat...WMGM's Al Branca needs no convincing, "Jude Cole's 'Like Lovers Do' only took one listen to like this one. Strong song with a great big beat"...First week adds are supplied by KFOG, WMGM, KFMF, KNCN, KSQY and KFMH. This deserves more than a shot, but a shot will suffice. Listen up.

DIRT ALERT!

EXCLUSIVE: WBMW DEBUTS 25-49 AOR FORMAT

After two months of market research, Infinity's recently acquired WBMW, Washington, is set to debut its new AOR format on Monday the 11th. Targeted 25-49 adults, the all compact disc format will showcase a "very, very wide music mix with everything from Sanborn to Springsteen," according to WYSP, Philadelphia PD Andy Bloom, who has been consulting the station.

A newly assembled air staff--comedian Richard Belzer in morning drive; DC101 defectors Sandy Edwards and Cerphe in middays and afternoon drive, respectively; WYSP and WGRX alumnus Bob Payne in nights; ex-WCXrer Tony Colter covering late nights; and B106 survivor Eric Davis on all nights--will hit the air starting at 6AM on the 11th. At press-time, Belzer had committed to only two-three weeks of AM drive duty, and the possibility of simulcasting Howard Stern's show in mornings had not been ruled out.

Look for intensified combat for adult demos in the nation's capital. Positioned as "106 point 7, WBMW, Washington's Adult Rock 'N Roll", Infinity will compete with Capitol's DC101 (who have lured WEBN, Cincinnati, MD Curt Gary as Op.Dr.); classic rocker WCXR; and alternative WHFS. Should 'BMW simulcast Stern, a morning show battle of epic proportions would result between two of America's highest profile shock jocks: Stern and DC101's GreaseMan.

Expected to lean 60% library/classic, 40% current/recurrent, WBMW's music will be "extremely adult with extensive variety," sez Bloom, adding "The idea is to provide higher quality programming than anyone else in Washington is providing." In addition to programming 100% from CD, Infinity plans to set 'BMW apart from the pack with "signature songs"--customized station songs that will identify the station and add "a unique production element." Says Bloom, "The station will sound completely different from anything else you've ever heard before. We're coming on the air 100% tested and 100% sure of ourselves. I think we're going to do a pretty devastating number on men 25-49 and probably women too."

Acting PD Bob Payne is handling music and day-to-day programming until a permanent PD is found. Interested applicants should approach VP/GM Ken Stevens. DC101 Promotion Director B. J. Cohen has jumped ship for the same position at 'BMW effective immediately.

TOM HUNTER TO MTV VP MUSIC PROGRAMMING

After having programmed album radio, Top 40, progressive, hybrid, AM, FM--you name it--KBPI, Denver PD Tom Hunter is headed for one of the few mediums he hasn't conquered: music television. He assumes the newly created post of VP Music Programming at MTV next month, reporting to MTV/VH-1 Senior VP and GM Lee Masters.

Hunter's new assignment includes "scheduling music and on-air promos, and the interpretation of music research for MTV" Masters told FMQB. The job is separate from MTV VP Programming Sam Kaiser's position.

Starting as an air talent/music assistant at WBRU, Providence, Tom went on to program WZOK, Rockford, WMJQ, Rochester, WPJB, Providence and WIRE, Indianapolis before landing at KBPI. His multi-format, multi-market experience makes him a natural for the MTV gig.

"A search for Tom's replacement has begun," KPPI MD John Edwards says. "We hope to have the programming slot filled within a month or so. If you're a major market competitive programmer who is looking for a fresh challenge, please contact Sanduskey's VP Programming, Jeff Sattler".

BROWN BAGS KBER PD

KBER, Salt Lake City, has snagged Katherine Brown -- Production Mgr. at crosstown AC KMGR AM & FM -- as PD, replacing Bill May who recently resigned. A former AOR programmer at WLVI, Elmira, NY, Katherine is married to KBER LSM Nicholas Terpolilli. "She has AOR roots and an AOR background," KBER President/GM Chris Devine told FMQB. "She's happy to get back to the format. Katherine is one of the two key elements we needed to get the edge in Salt Lake City. We wanted someone with great creativity, leadership and production skills. The other element we need here is a key afternoon team. I'm looking to hire a duo along the lines of Dahl and Meier."

KFOG, San Francisco, OM Dave Logan is informally consulting KBER, along with other Devine properties WBYR, Buffalo and KKBR, Albuquerque. WBYR is also consulted by B/A/D/E. Look for a third album outlet in the Salt Lake market when AC KBNG segues to soft AOR.

DIRT ALERT

Continued From Previous Page

DIRTY SHORTS

John Foster lands the KMOD, Tulsa MD chair, replacing Jim Jones who recently upgraded to PD. John has been with the station for a few months doing swing/fill-in work.

KLPX's Jack Green called to alert us that given Arin Michaels departure from the station's PD post, he has been dubbed interim PD. Jack tells us, "I've been appointed interim PD until a replacement has been found or they give me the office with the big chair. For the time being I'll be handling both music and programming."

KZEW, Dallas afternooner Tempie Lindsey is no longer Acting MD. PD Dennis Anderson now handles music, with Summerfield in charge of computer music scheduling.

Score one for WSHE, Miami, in the never ending battle of WSHE vs its former morning team Herman and McBean. The latest court ruling says H & McB were in violation of their non-compete clause when their names appeared in 'GTR sales literature while they waited out the non-compete period. WGTR PD Bill Wise says the case will be appealed. "Herman and McBean are still on the air. All this means is that we stay in court".

Seattle rocker KXRK makes quite the Arb debut checking in at a 4.3 in the winter book.

Former KSHE morning mouth J.C. Corcoran returns to the St. Louis airwaves, via KSD-FM on Monday the 11th, presumably in morning drive. Concurrently, the AC outlet will shed its "KS-94" moniker in favor of "93.7 KSD-FM". At the same time the station will shift from a background AC posture to a foreground adult personality AC/CHR hybrid approach, under new PD Jim Morrison (former PD at WQXI, Atlanta). How will JC's irreverent humor fit in with KSD's females/heavy audience? Says Acting GM Bill Coffey "We're going to have a tremendous tune-in when he goes on the air on Monday. We're going to be careful, not so much that we play music that his loyal audience wants, but rather that we retain as many of our females as we can without completely catering to them. But we're not going to be a negative to those who want to sample J.C. that came from KSHE. It's a unique situation."

Look for Z-ROCK to surface in Columbus, via WNRE, Circleville.

THREE WAY ROCK RADIO BATTLE LOOMS IN BUFFALO

At this point, about the only ingredient missing from WBEN-FM, Buffalo's evolution from CHR to AOR is the official announcement. The station, positioned as "Buffalo's Rock 'N Roll Legend", has dropped virtually all urban/dance/pop product in favor of Gregg Allman, U2, Bryan Adams, Fleetwood Mac, etc., carries an extensive oldies library, does Two-Fer Tuesday, and is consulted by George Harris. But PD Kevin Belcastro maintains, "We're playing some album selections, although we're still pretty much a CHR leaning Rock. We are examining various adult formats...We're going through a transition period."

Across the street, classic hits WHTT continues its rocket ratings ride, improving 7.0-7.9 12+ in the Winter ARB, steady at #3 in the market. PD Jim Pastrick and crew dominate Men 18-34,

18-49, 25-49 and 25-54; Women 18-34; Persons 18-34 and 18-49.

Meanwhile, WBYR, which suffered a disappointing 4.1-2.6 12+ finish is rumored to be close to hiring seasoned morning pro Charlie Seitz, who's done wake up duty at WGRQ and WPHD, Buffalo, and more recently, WNCX, Cleveland.

E PLURIBUS DIRT

On Saturday, September 5, a major concert event sponsored by Greenpeace will take place in both Moscow and Washington, D.C. Among the 10-15 big name artists scheduled to perform include the Pretenders, Bryan Adams, Simple Minds, Fleetwood Mac, U2 and The Cars. Thanks to the Pollack monitor for tipping us to this event.

Looking for a hot, new listener-participation morning show feature? Why not tap Gregory Stock's "The Book Of Questions", which contains 267 moral queries, such as "Would you be content with a marriage of the highest quality in all respects--but without any sex?", or "Would \$50,000 be enough money to induce you to take a loyal, healthy pet to the vet to be put to sleep?" Pose a few of these interesting propositions to your audience and watch the phones light up!

The Denny Somach Productions produced daily feature "Psychedelic Psnack" will be one year old this month. The program, carried by over 150 FM stations nationwide through the Westwood One Radio Network, spotlights the music of the psychedelic era with WNEW-FM personality Dave Herman serving as host. To celebrate the show's one-year anniversary, DSP has kicked off a worldwide search for prominent rock artists from the years 1965-72, and could use your help. If you know what happened to the members of such bands as Rare Earth, Sugarloaf, Moby Grape, The Left Banke, Frigid Pink, or other of the era's hall-of-famers, Denny Somach Productions wants to hear from you soon.

Congrats to WXRT, Chicago's News Department (News Director and afternoon news anchor Neil Parker, morning news anchor Charlie Meyerson and reporter Michelle Damico) on winning the "Best Newscast" award in the 1986 Illinois United Press International Broadcast News Competition.

Billy Joel has announced the addition of six dates in the Soviet Union this summer as part of his world-wide "Bridge" Tour. Joel and band will play three in Moscow, July 26, 27 & 29, and three more in Leningrad, marking the first fully-staged rock performance in the Soviet Union by an American Popular artist.

WNEW-FM, New York, will broadcast the Fourth Annual "Live From London" show from 2-5PM the week of June 1-5. 'NEW personality Scott Muni will once again host the show, which coincides with the 20th Anniversary of both the station and the Beatles landmark "Sgt. Pepper" release. The June 5 program will be broadcast from the EMI Abbey Road Studios where the album was recorded.

Some of the cleverest TV spots we have ever had the pleasure of seeing have to be the WIOQ spots currently running on local channels in the Philadelphia area. The commercials are send-ups of some of the more well known rock videos featuring ordinary local folks with not so ordinary names. For instance, a 50-year-old University of Pennsylvania professor lipsynchs the words to "Addicted To Love" while a bevy of beauties poses as the band backing him up. The set and wardrobes are exactly like those in the video. The profs name? Why, Robert Palmer, of course. The spots also feature 16-year-old Phyl (Phyllis) Collins, George Harrison, Simon and Garfunkel, and more. Original, clever, and funny.

Bon Jovi's monster third release, "Slippery When Wet", has just been certified by the R.I.A.A. for U.S. sales of 7 million copies. With worldwide sales of their entire catalogue now over 12 million units in just three years, Bon Jovi now holds the record for selling more albums faster than any rock band in history, according to Polygram.

On Friday, September 18, CILQ, in conjunction with Labatt's Blue Live, will present the first annual Toronto Music Awards at the city's Massey Hall. The event will mark the first awards ceremony on this scale to focus its attention solely on Toronto talent. Ballots will be distributed in the Toronto Sun as well as through participating Toronto retailers, schools and clubs. Fans will be

The awards show will feature performances by many established and up-and-coming artists and will be hosted by several of the station's on-air personalities as well as a celebrity guest not yet named. To commemorate the event, Toronto Mayor Arthur C. Eggleton has proclaimed the day "Toronto Musicians Day".

FMQB was saddened to learn of the recent passing of two of the industry's notable talents, blues harmonica player Paul Butterfield and New York state concert promoter Jack Belle.

Jim Del Balzo will be returning to Columbia Records as National Director of Album Promotion. Most recently holding the position of Director of Talent Relations at MTV, Jim's certainly no rookie to the promo fields of fire. He was National Promotion Manager at Polygram and in '81 joined Columbia as New York local Promotion Manager and held that position through March of '86, then joined MTV. Jimmy told FMQB "I was really happy at MTV, but I wanted to get back into record promotion and the only company that I really wanted to do that with was Columbia. I'm very excited about going back to once again work with Marc Benesch, Paul Rappaport, Burt Baumgartner and Jim McKeon." VP of Album Promotion Paul Rappaport commented, "Jim is one of the greatest promotion men I've had the pleasure to be associated with and is a natural for this position. It's nice to have him back in the family." Jimmy replaces Burt Baumgartner who has recently moved on over to Director of National Singles Promotion.

New York Giants wide receiver Phil McConkey joins Polygram Records as a management consultant.

RCA Records has promoted Nashville Director/Marketing Dave Wheeler to VP/Sales. Wheeler, with the label for the past 18 years, will now be based out of New York and will oversee sales of all of the label's product. Concurrently, the label has promoted Teri Muench, A&R Talent Manager for the last five years, to Director/A&R Contemporary Music, West Coast. Muench has been with RCA for nine years.

STATION TO STATION

Milwaukee Album Rock outlet WQBK has switched to AC.

FMQB has learned that Jessie Brice will exit her MD post at KZRR, Albuquerque, on June 26, as she and her husband are planning to relocate to California. Brice hopes to land another radio gig with a left coast outlet sometime in the future, but has not committed to anything as yet, according to KZRR PD Frank Jaxson. Jaxson told us that he plans to fill Jessie's MD and nighttime airshift positions from within, but commented that an organized, hard-working and talented person like Jessie will be near impossible to replace. Said Jaxson, "I'm hoping she'll fail miserably out there and she'll return in a few months." Brice has been with the New Mexico outlet for the past six years.

Night jock Jason Tyler is now serving as WRUF-FM, Gainesville, MD, replacing Jack Degnan, who remains with the station in a yet-to-be-disclosed capacity.

Duane Doherty has been upped from MD to Asst. PD at WKLC, Charleston.

KKGR, Anchorage, is no longer programming soft AOR, opting for Transtar AC and new calls KENI-FM. Staying on as PD is John Roberts.

KQRS, Minneapolis, MD John Lassman has changed his music call hours to Monday and Wednesday from 10A-12 Noon.

New to WMAD-FM, Madison, nights is John Anthony, most recently with WXQR, Jacksonville, NC.

Shelli B. is new to WKFM, Fulton/Syracuse nights, from the same at WXRC, Charlotte, NC.

Former KMET, Los Angeles, staffer Rick Lewis is now on mornings at Anaheim Top 40, KEZY.

Johnny Dixon exits as KEYX, Phoenix, PD, as OM Larry Hayes assumes the station's programming responsibilities.

New to WTPA, Harrisburg, nights is Kim Rodkey, formerly of WHLM, Bloomsburg.

David Chaney is new to KRQR, San Francisco, weekends, from crosstown KITS.

Lee Roberts, most recently at KMYZ as MD/Asst. PD, who's past experience includes KICT, Wichita; KLPX, Tucson; and KXXY, Oklahoma City, has declined the job at WEZX, Scranton. Said Lee, "Shamrock, WEZX and Dave London are the best, but it just wasn't the right gig at the right time for me. I can be reached at 918-834-6199."

New music call hours for PD Brian Taylor and MD Lex Staley at WFYV, Jacksonville, FL are as follows: Brian-Friday, 10A-12 Noon; Lex-Monday and Friday from 2-4P.

At KRXQ, Sacramento, Pamela Roberts is serving as Programming Asst. to Ron Garrett, who is handling Programming and Music responsibilities for the time being.

The on-going evolution from Top 40 to Album Rock has been completed at WJXQ, Jackson/Lansing, MI. Reach PD Dave Scott or MD Bill Webster at 517-788-6360.

Dan Garfinkel, who's career credits include work as a consultant to radio and TV stations as well as six years with WMMS, Cleveland as Promotion Director, is now serving as Promotion Consultant to McVay Media clients.

ROCK OVER LONDON
PLAYLIST

This show airs around the world during the week of May 17...and three more U.S. radio stations join us: KDEY, Lufkin, TX and another station, KHOS in Sonora...and WRIK in Paducah, Kentucky.

CUTTING CREW/"MIRROR
AND A BLADE (LIVE)
(SIREN)

The band of the moment delivers some powerful concert rock - of course it's an ROL exclusive.

THE ROCK OVER LONDON TOP FIVE

- 1 (1) LEVEL 42/"To Be With You Again" (Polydor):
- 2 (-) JESUS AND MARY CHAIN/"April Skies" (Blanco y negro):
- 3 (2) SMITHS/"Sheila Take A Bow" (Rough Trade):
- 4 (4) SPEAR OF DESTINY/"Never Take Me Alive" (Ten):
- 5 (-) WET WET WET/"Wishing I Was Lucky" (Phonogram).

One of London's top rock venues The Hammersmith Odeon, is back in trouble again this week with local residents up in arms about the noise and litter caused by the Odeon patrons. When the venue's entertainment license falls due for renewal, a group of locals will petition the licensing committee on the local Hammersmith Council to limit the number of gigs at the Odeon, which currently features major bands most nights of the week. The Rank Organisation, which is the owner of the venue, says it will fight any decision of that nature - but stories like this are becoming familiar because a couple of years ago the Odeon had a Greater London Council ban imposed on lorries loading equipment late at night because of the noise. No sleep till Hammersmith, as Motorhead would say.

We have to give the promotion boys at EMI Records a big hand for the hype they managed to create over a new single called "Coming On Strong" which sounds exactly like MICK JAGGER...they send out a quiz with membership of a top London health club as a prize, one of the questions being "What's the connection between this band as Marianne Faithfull?" That fuelled the feeling that Mick had somehow snuck back to EMI and released a real powerhouse piece of rock 'n' roll. But no - the connection is Broken English, of course the title of a Faithfull LP and the name of the mysterious band. Anyway, no matter who it is, it's a strong single - and the band is being managed by Colin Johnson, the man behind Status Quo for most of their extraordinary career. He tells us he hasn't felt so strongly about a new band since he parted company with Quo. The single's out in Britain on May 11.

U2 are to headline the largest ever open-air concert in

IT BITES/"THE OLD MAN AND THE ANGEL" (VIRGIN)

They topped the Rock Over London chart last summer with "Calling All The Horses" - this is in the same, punchy style.

JOHNNY HATES JAZZ/"SHATTERED DREAMS" (VIRGIN)

They're a new Anglo-American trio, this is their first release, and it's steadily climbing the UK charts.

PAUL BRADY/"THE GAME OF LOVE" (MERCURY)

The Irish singer-songwriter releases another stylish album, and this track features Mark Knopfler on guitar.

ZODIAC MINDWARP & THE LOVE REACTION/"PRIME MOVER" (MERCURY)

It's loud...brutal...and we think it's a hit - think of an amplified "Love Removal Machine" and pierce your eardrums with ROL.

Scotland. It takes place at the Murrayfield Stadium in Edinburgh on Saturday, August 1. It's the venue DAVID BOWIE played three years ago and the promoters say they're expecting to sell even more tickets this time. Just prior to this U2 plays two other Scottish shows which both sold out within hours.

BOWIE #2: himself has added another football venue to his UK itinerary: Manchester City Football Ground, Maine Road, on July 14.

BOWIE #3: David himself had to settle for a new entry at number six in the British LP chart for "Never Let Me Down" which has met with generally poor reviews (but not from us). Still, it gives him his 18th UK Top Ten album which is a pretty good way of answering the critics. "Now 9" still rules the chart, but "Invisible Touch" is undergoing a remarkable revival for GENESIS, jumping back from 12 to 2 in its 46th week on the chart. CULTURE CLUB'S "This Time" has just about run out of steam, up from nine to eight, and FLEETWOOD MAC'S "Tango In The Night" actually dropped from its entry position of seven back to nine, the consolation being that the CD jumped straight into the compact disc chart at number two. SPEAR OF DESTINY, already overjoyed by the success of "Never Take Me Alive" as a single, now have a hit album to go with it, "Outland", which arrives at 16 (see our separate SOD story). There was a remarkably modest entry at 84 for the live album from the Prince's Trust concerts of last June at 84.

UB40 have their "UB40 CCCP" video released in the UK on May 15, documenting their Russian tour. The b-side of their current "Watchdogs" single is a song recorded in the USSR. "Don't Blame Me", and there's a live version of "Watchdogs" itself on the 12-inch. The BBC network rock station Radio One this week aired an hour-long documentary on the band's Russian jaunt.

"Keep Your Distance" is the title of the debut album by CURIOSITY KILLED THE CAT, already snapped up no doubt by every 14 year old in Great Britain by the time you see this. The next single, a re-release of "Misfit", will be out on May 26.

We'll shortly be seeing soul legend CURTIS MAYFIELD back in the UK singles charts, because the track on the Blow Monkeys LP "She Was Only A Grocer Daughter" that features Curtis. "The Day After You", is being released as a single in the next couple of weeks.

KATE GARNER, once of HAYSI FANTAYSEE, and STEPHEN LUSCOMBE, once of the similarly defunct BLANCMANGE, have teamed up in a new band called DEEP SPACE, together with a third member called MISS JULIA.

An all-Scottish charity record has been cut to raise money for the Caterpillar Truck Company in Glasgow, featuring such major label names as HIPSWAY, LOVE AND MONEY, HUE AND CRY, THE MCCLUSKY BROTHERS, BIG DISH, FRUITS OF PASSION, JESSE RAE, THE BATHERS, THE PASTELS and Britain's Eurovision Song Contest entrant RIKKI.

ERASURE'S "Victim of Love", the one we tipped as their next single, is duly released on May 18, the same day as a new single by MIKE OLDFIELD. A week earlier BOY GEORGE releases the follow-up to "Everything I Own" and a week later, on May 25, his CULTURE CLUB colleague Jon Moss debuts his new band HEARTBEAT UK.

MADONNA'S British number one "La Isla Bonita" means she's had more chart-topping singles in the UK than any other female vocalist - the previous best was SANDIE SHAW'S three

numero unos in the '60s.

Arista drew a discreet veil over the British failure of "Get That Love" this week by hastily releasing another THOMPSON TWINS single from the "Close To The Bone" album "The Long Goodbye."

Last week we were discussing how SPEAR OF DESTINY have finally made a UK Top 40 breakthrough after some four years of knocking on the door...and it certainly didn't take long for their old record label Epic to see the pounds signs lighting up: this week they release a compilation call "S.O.D. The Epic Years."

Scottish foursome WET WET WET make their international debut in the ROL Top 5 this week but already they've played 6 nights at Wembley Arena supporting LIONEL RICHIE. The current release "Wishing I Was Lucky" is their first single, produced and mixed by themselves with a little help from a chap called Wilf Smarties...they've also worked with soul producer Willis (AL GREEN/TINA TURNER) Mitchell. From a small independent label to a major signing - looks like these lads are headed in the right direction...not bad considering they're only 21.

THE DANNY WILSON LP, receiving good notices here and in the States, brings forth another single on May 11, the track called "Dozy"...TOYAH has an album out on May 25...PETE WYLIE'S "If I Love You" is scheduled for June 1 release and Phonogram still hopes to have a DEF LEPPARD single and album out in June. More definite for them, though, is the return of ABC, with an LP on June 22 and a single on May 26 titled "When Smokey Sings."

Our favourite band name of the week, spotted on the London gig circuit OFFICER DIBBLE AND TOP CAT...wonder what most friends get to call them?

BILLY BRAGG has cancelled his planned US tour to support the pro-Labour Red Wedge movement in the run-up to the general election. He's trying to arrange a series of British dates around Labour's campaign.

Arista band 5TA have a new single out this week, "Low Rider"...BELOUIS SOME'S new release "Let It Be With You" is the most outrageous JAMES BROWN recreation we've heard all week...Warning: THE ANTI-NOWHERE LEAGUE are back with their first LP in four years, "The Perfect Game."

THE WEATHER PROPHETS' first album "Mayflower" is out this week, produced by the former guitarist with the Patti Smith Group LENNY KAYE. They're touring this month to support it.

Every year, the items on offer in rock and pop auctions become increasingly obscure...going under the hammer on May 14 at a Phillips sales are BOY GEORGE'S hat and SAMANTHA FOX'S cuddly toy. Although the stars can still come up with the odd knick knack for charity, it seems interest is generally on the wane. A recent fund-raising sale at London's Hard Rock Cafe has to be postponed when only a handful of people turned up to bid for ALISON MOYET'S platinum "Alf" album, a DIRE STRAITS gold disc and a book signed by PAUL MCCARTNEY. Meanwhile Christie's and Southeby's are busy compiling the catalogues for their late August auctions and hope to attract plenty of serious buyers.

CBS has produced a 12 inch single of FERRY AID'S "Let It Be", but it will only be available mail order in the UK. The B-side features personal messages from some of the stars who were involved in or gave their encouragement to the project including DAVID BOWIE and BOY GEORGE.

Bob is seen sitting in a pub giving sound advice in plain language and it's hoped this will help get the message through to youngsters. ROCK REPORT

MONDAY JUNE 1 is the day we can expect to stand in line for THE BEATLES SGT. PEPPER'S LONELY HEARTS CLUB BAND compact disc. In celebration of this event, which coincides with the 20th Anniversary release of the album, Capitol Records is planning to include a 32 page booklet containing an introduction by producer GEORGE MARTIN, an essay by the designer of the now famous cover, PETER BLAKE, plus text on everything you

ever wanted to know about all of the included tracks. This pamphlet will be offered in its own accompanying case and will also include several rare photographs from the BEATLES archives along with lyrics and the original album cover artwork with a detailed explanation of who's who.

WE TOLD YOU MONTHS AGO ABOUT RONNIE SPECTOR signing with CBS Records to work on her first album in seven years. Now let us be the first to give you all of the details of her forthcoming Lp UNFINISHED BUSINESS. The album ships May 18 and features the single WHO CAN SLEEP which was written by ALAN GORDON, the man responsible for such hits as THE TURTLES' HAPPY TOGETHER and 3 DOG NIGHTS' CELEBRATE. EDDIE MONEY returns the favor to RONNIE by adding backing vocals on the track. Other tracks of interest include DANGEROUS, a tune written by BILLY STEINBERG and TOM KELLY, the gentlemen who penned MADONNA'S smash LIKE A VIRGIN and CYNDI LAUPER'S TRUE COLORS. BANGLE SUSANNA HOFFS adds backing vocals to this track which, by the way, also appears in her debut movie, THE ALLNIGHTER. UNFINISHED BUSINESS is a track written by the latest R&B heartthrob, GREGORY ABBOTT. Other tracks included on the Lp are: GOOD LOVE IS HARD TO FIND, WHEN WE DANCED, LOVE ON A ROOFTOP and IF I COULD WALK AWAY (a song written by DON DIXON, producer of R.E.M., MARTI JONES, and SMITHEREENS). The album was produced by DESMOND CHILD, MICHAEL YOUNG and GARY KLEIN and features the keyboard prowess of LATE NIGHTER PAUL SHAFFER on most of the tracks. Plans are currently in the works for RONNIE to take to the road and when this is firmed up we'll let you know.

WE TOLD YOU LAST WEEK ABOUT PINK FLOYD dates going on sale, and selling out in record time in Canada for their September shows. Word now has it that both DAVID GILMOUR and NICK MASON are at A&M Studios in Los Angeles putting the finishing touches on the new album. Still no word on the title but since the Lp is almost done, we can assume we'll see it by the "Dark Side" of Summer.

STING continues work on his follow up to THE DREAM OF THE BLUE TURTLES in New York City. He's enlisted several of the band members that appeared on his debut solo album to help out on this one like drummer OMAR HAKIM, bassist DARRYL JONES and keyboardist KENNY KIRKLAND. STING is producing the record with JEFF COX and CLAUDE ACHILLE engineering. We can expect this still untitled album sometime in the Fall. Meanwhile, STING is gearing up for the release of his latest film, JULIA AND JULIA, which also stars KATHLEEN TURNER. The movie should be out sometime in late Summer.

WARM WEATHER BRING PEOPLE TOGETHER as evidenced by the number of band reformations currently underway on the West coast. THE STANDELLS, best known for their hit, DIRTY WATER, is back at it again as is SPIRIT with original members RANDY CALIFORNIA and ED CASSIDY. Both of these acts are recording new material and will probably tour when all is said and done.

EX-EAGLE RANDY MEISNER has formed a new band with one time FIREFALL guitarist and vocalist, RICK ROBERTS. The two are currently in Los Angeles working on material along with the rest of the band which includes guitarist BILLY DARNELL (worked with DEWEY MARTIN), RAY THOMPSON and LYNN COULTER. No word yet on when this new record will be released.

SPEAKING OF EX-EAGLES, one time member of that band, BERNIE LEADON, has just replaced guitarist JOHN MC EUEN STEEL of the NITTY GRITTY DIRT BAND.

FANS OF DEBBIE HARRY will want to keep their eyes on the movie page of local papers for the release of her latest flick FOREVER, LULU. Distributed through Tri-Star Pictures, the film resembles a campy version of DESPERATELY SEEKING SUSAN with HARRY cast in the role of LULU. The story revolves around a transported European now living in New York and having a rather tough time of it. making a cameo appearance is everyone's favorite sex therapist, DR. RUTH WESTHEIMER. This film is due out any time soon.

BILLY JOEL: Billy Joel's six date concert tour of the Soviet Union in July will be filmed for a TV show and videocassette by Robert Dalrymple, who did the "Live Aid" broadcast, as well as other productions about musicians visiting the U.S.S.R.. Joel's tour will include one show in Moscow and two in Leningrad.

BRYAN ADAMS: Bryan Adams will shoot his first live video at concerts in Atlanta and Albany, Georgia, on May 16th and 17th. The clip is for his next single, "Hearts On Fire".

JENNIFER WARNES: Jennifer Warnes, Eric Carmen and Bill Medley are among the artists contributing songs to the soundtrack for "Dirty Dancing", due out this summer. RCA is releasing the album.

FABULOUS THUNDERBIRDS: The Sixth Annual Fabulous Thunderbirds Riverfest takes place May 25th on Austin's Lake Shores. The T-Birds guests are Robert Cray, Bonnie Raitt, Nick Lowe, The Gregg Allman Band and Chris Isaak.

GENESIS: Genesis laid out over \$100,000 to charter the Concorde from New York to Paris on June 1st to arrive in time for a concert. That might sound extravagant, but they will have earned about \$700,000 from five U.S. dates at the end of May.

ELVIS COSTELLO: Elvis Costello's father and girlfriend play on his new single, "A Town Called Big Nothing", released in England. Ross Mac Manus plays trumpet and Cait Riordan has a speaking part. Attractions Pete Thomas and Steve Nieve are also on the single, which was released under the name, Mac Manus Gang.

U2: It is believed U2's concert in Edinburgh on August 1st will draw the largest audience for a music event in the history of Scotland. Forty-five thousand fans are expected to attend the show at Murrayfield Stadium.

WANG CHUNG: Darren Costin, who was Wang Chung's drummer for seven years, has formed a new group called Heroes, which will release its debut album on RCA Records on June 15th. Costin no longer plays drums and has written most of the material on the album.

MICK JAGGER: Mick Jagger has hired John Napier, the designer who created the sets for "Starlight Express", "Les Miserables", and "Time", to design the set he'll use on his first solo world tour. Jagger's tour is expected to play the U.S. in the fall and early 1988.

IT WAS PETTY'S IDEA FOR ROCK & ROLL CARAVAN: It was Tom Petty's idea for "Rock And Roll Caravan" with The Heartbreakers, Georgia Satellites and Del Fuegos touring the U.S. together this summer. Petty says he was inspired by the tradition of early rock and roll shows. He feels The Del

Fuegos and The Satellites are among the best of the new, guitar-based American rock bands. He also contributes backing vocals on one song on the new Del Fuegos album. "Rock And Roll Caravan '87" will be hitting major cities starting May 26th in Tucson, Arizona, and continuing through July. The first leg of the tour includes a four night stand at the Universal Amphitheater in Los Angeles.

TECHNOLOGY REUNITES MONEY, SPECTOR IN CONCERT:

Instead of having his wife or a female member of the audience join him on "Take Me Home Tonight", Eddie Money is now using the original master recording of Ronnie Spector's vocal parts in his shows. Spector's vocals have been stored in a computer and are heard when Money's keyboardist triggers it from his synthesizer. "This is just the first phase," jokes Money. "Next year, we're going to put the whole band on computer and send it on the road while I stay home and sit by the pool."

ZZ TOP GUITARS TOP ITEM AT ROCK AUCTION:

A matched pair of guitars donated by Dusty Hill and Billy Gibbons, of ZZ Top, which went for \$4,000, brought the highest bid at the Annual Rock and Roll Auction held by Houston radio station KLOL earlier this month. The price was a record for the four year old event. Joe Walsh and members of Motley Crue and Night Ranger acted as the celebrity auctioneers during the five-hour event, which raised a total of \$22,000 for a local food bank. Another guitar, donated by Joe Walsh, also brought top dollar at \$2,000. A pair of Billy Idol's leather pants went for \$800; Genesis' autographed sweatsuit commanded \$425, and Ozzy Osbourne's stage costumes brought \$325. Entertainment was provided by Joe Walsh, who played "Rocky Mountain Way", using a neck he broke off a beer bottle as a guitar pick.

CUTTING CREW TO MAKE U.S. DEBUT WITH BANGLES IN

NEW ORLEANS: Cutting Crew returns to the U.S. on May 18th. They'll tape TV appearances on "Solid Gold" and Joan Rivers before making their American performing debut in New Orleans on June 4th, opening for The Bangles. Cutting Crew's first U.S. tour will include dates with The Bangles through Texas and Oklahoma and two shows with Huey Lewis in Southern California in mid-June. Kevin McMichael recalls the night a year ago when partner Nick Van Eede came up with the phrase that went on to become a No. 1 record. He says: "Nick had been apart from his girlfriend for a while and they were reconciling. They went out and had a wild night together. I remember him coming in and saying, 'I Just Died In Her Arms Last Night'. Then it occurred to him it was a good song title and like a true mercenary songwriter, he actually went ahead and wrote a song about it." McMichael adds that - amazingly enough - the story does have a happy ending and they're still together. McMichael also said he's sure the song is the one that got them their recording contract, and that they had already decided it would be their first single by the time they went in to cut it with the rest of the Crew.

PINK FLOYD STILL AN INSTANT SELL-OUT WITHOUT

WATERS: All 60,000 tickets for Pink Floyd's September 22nd concert in Toronto sold out as soon as they went on sale. The tickets were put on sale early to test Pink Floyd's box office strength without Roger Waters. When it became the fastest sell-out in the history of CNE Stadium, promoters decided to put tickets for a second show on sale.

BOSTON: Boston and Aerosmith are said to be the two bands headlining this year's Texas Jam, scheduled for June 20th at The Cotton Bowl.

X: Dave Alvin has left X and formed a new band called The All-Nighters. Alvin left The Blasters for X 18 months ago as the replacement for Billy Zoom.

Recording Industry Association of America's list of multi-Platinum albums last month. The Lp has now sold seven million copies in the U.S.. Bon Jovi's self-titled album, meanwhile, was one of four albums certified Platinum. The others went to Club Nouveau, Dokken and Poison. Janet Jackson's "Control" was certified quadruple Platinum, while The Beastie Boys' "Licensed To Ill", Genesis' "Invisible Touch", and Run D.M.C.'s "Raising Hell" all hit the three million mark. Gold certifications included Europe's "The Final Countdown", Eric Clapton's "August", INXS' "The Swing", Samantha Fox's "Touch Me", and Willie Nelson's "Half Nelson".

BON JOVI'S MARKET RESEARCH FOR "SLIPPERY WHEN WET":

Bon Jovi used an interesting method to come up with their current hit album. Their Lp, "Slippery When Wet", has sold nine million copies worldwide. A group of New Jersey school students were recruited by the band's lead singer to come hear 25 songs which had been recorded for the album. He let them choose the tracks that would appear on the Lp. In fact, "Living On A Prayer" wouldn't have made the album if the students hadn't persuaded the band to keep it.

CHRIS DE BURGH: Chris DeBurgh is firming up plans for a summer tour of the U.S. now that he has his first Top 10 hit with "The Lady In Red".

FOR MANHATTAN'S LATE NIGHT rock club of the NYC elite, The Ritz, it was a night that shall long be remembered. The West 11th Street, Manhattan emporium celebrated anniversary #7 last week and, Britain's Squeeze did the evening up ever so right with a sensational set that had 'em rolling in the aisles! Of course, Squeeze needs no introduction to rock fans, but at the Ritz' celebration, the quintet played so fiercely and with such emotion, even veteran observers of the group were enthralled. Among the songs that Squeeze did at The Ritz for the 7th anniversary show were "Cool For Cats"; "Pulling Muscles From A Shell"; "Tempted"; and an outrageously brilliant version of "Black Coffee In Bed".

LOU O'NEILL JR. DID a long distance phoner with Rick Medlocke, one of rock's journeymen for the past twenty years, in whom Atlantic Records is putting a lot of faith vis a vis his new album, "Rick Medlocke And Blackfoot". When O'Neill questioned Rick as to the background of his new group (the old Blackfoot disbanded) the talented guitarist replied: "Well, to be honest, I started putting together this band in February of 1986. Why the change? Well, as sad as it was, we had come to a crossroads in the old Blackfoot. My tastes had changed and I had to do it. Sure, I miss the guys, especially Jackson. We were like brothers. I actually had tried to go in another direction with the band's music a number of years back, but they weren't into it and there was nothing I could do." Medlocke is anticipating several singles from the Lp in addition to the one just released, "Saturday Night"; "Closest Thing To Heaven"; "Private Life"; and, "Rock 'n'Roll Tonight". Medlocke believes this might be the record to break the band to a new level of commercial success. "We did 'Smash Or Trash' on WKLS in Atlanta," Rick explained, "and I'm proud to say we received over 90% positive feedback. Then we did 'Rate A Record' on WLLZ in Detroit, and the audience response was an over 88% approval rating. I feel pretty good about this record. Once you hear it, you'll start to tap your foot to it, and then you'll start to dance." Added Medlocke, "I honestly feel there's something for everyone here. As for me, I feel good about myself nowadays. I'm playing the way I always wanted to play, and it's a great feeling. It's a very comfortable feeling, too. I'm very happy because I'm really doing it my way for the first time in years." Lou O'Neill Jr. concludes with the news that Medlocke and his new Blackfoot are going out as the support band for Stevie Ray Vaughan. The video to "Saturday Night" was just wrapped in Los

Angeles, and Rick thinks fans will be pleased.

"THIS ALBUM IS MORE ROCK, more passionate, and more direct. What we really set out to do is make an Lp which rocked as hard as we rock onstage." Heart lead singer and co-songwriter Ann Wilson is talking about what distinguishes the group's forthcoming album for Capitol Records, "Bad Animals", from last year's "Heart" - a #1 disc that sold well over five million, and spawned no less than five Top Ten hit singles on the Billboard Charts. The highly-anticipated new Lp, is due to hit the streets on May 15th, and will be preceded by the newly-released first single from the Lp, "Alone". Of course, Heart will support the album with a world tour beginning on the 26th of June, in the United States. More details as they develop.

THE WORLD OF MUSIC SUFFERED another significant loss this week with the death of harmonica player, Paul Butterfield, who died at the all too tender age of 44. Paul had played with some of the best in the industry, and was highly regarded by everyone who knew him.

KEEP IT IN YOUR PANTS JIM BAKKER

Tom Griswold, of "Bob and Tom" from WFBQ's morning show, shares his latest creation about (as Tom calls him) "The Semi-Reverend" Jim Bakker.

"KEEP IT IN YOUR PANTS JIM BAKKER"

performed by: The Ricky Rydell Review

written by: R. Rydell and Tom Griswold

Well, lately everytime I watch the news, or read the paper, I hear about somebody else who's sleepin' with Jim Bakker.

They say that he has had himself all kinds of sexual joys, A secretary? A prostitute? An' a couple of choir boys?

Well, it appears to me Jimmy, things haven't worked out well. You had yourself a lot of fun, but you lost the PTL.

Well, only you know Jimmy, why you do the things you do.

But, if you don't mind listenin', here's some advice for you.

CHORUS

Keep it in your pants Jimmy, get down and Praise The Lord.

You can't be pullin' out that thing whenever you get bored.

Keep it in your pants Jimmy, get on your knees and pray.

And, when you get a "woody", take it home to Tammy Faye.

Well Jim, we know that you think you deserve a second chance,

But, how can we believe you with that big bulge in your pants.

You had us send you money, to help fulfill your dream,

But, how were we to know what you were dreamin' was obscene.

Well, you said come out to Heritage. You can pray and you can shop.

But, how were we to know we had to bring a wife to swap.

Well, you say that you are sorry. That your sinnin' days are through.

Well, there's just one way to prove it. Here's what you gotta do.

REPEAT CHORUS

Well, Jim we're gonna miss you, and your ever weepin' wife.

Does she really put her makeup on with a putty knife?

Well, we know that you're unhappy, and you think that you're a flop.

But, who knows maybe someday, we'll see you back on top.

(That's how this whole thing got started.)

Keep it in your pants Jimmy, get down and Praise The Lord.

You can't be pullin' out that thing whenever you get bored.

Keep it in your pants Jimmy, and mend your evil ways,

Next time you climb into bed, make sure it's Tammy Faye's.

AMEN...

DO YOU KNOW THE WAY OUT OF SAN JOSE?

Jeff Scott Blazy is still fairly new to KOME/San Jose, and is trying to get in locally by paying more attention to local issues, just so people know he's into the local scene. He told us of the city's latest and probably long-

est plight: "Downtown San Jose has been ripped up for two years, trying to put in a Light Rail system. That's fine for the future, but for right now it's a huge inconvenience. I took Wang Chung's 'To Live And Die in LA', and rewrote it to be, 'To Drive Downtown San Jose'." Here's a verse or two.

TO DRIVE DOWNTOWN SAN JOSE

I drive downtown everyday

I drive in downtown San Jose

They try to piece those streets together

Downtown everyday

In downtown San Jose.

The day the song was aired, the San Jose Mercury News put a little blurb in the paper about it. The day after the song was aired, a local TV news station, not only interviewed Jeff, but took him out to the construction area and shot a music video around the song!

Jeff doesn't disregard national issues completely. He does touch on a few certain unavoidable topics. Jeff told us: "On a national level, like everybody else, I talk about the FCC ruling. Since they say the ruling goes beyond the 'seven dirty words' of George Carlin fame, we came up with another list of words that you can't say on the radio, including: pianist. When you fall down on your tail bone, no longer can we say that someone fell on their coccyx, exacerbate, pussy willow, and we recently received a letter that we read on the air; and it said, 'Dear Jeff, can you still say Dick on the radio, signed, Dick'."

WAKING UP HAWAII

HONOLULU'S

98 Rock
KPOI-FM

Brock Whaley has the difficult chore of waking up Honolulu... and getting paid for it! Brock has been working at KPOI for about three and a half years now; and doing the morning show for one year, with News Director, John Burnett. We asked Brock to give us an idea of what kind of humor goes over in Hawaii: "Well, we do a takeoff on Casey Casem, called 'Casey Caustic'. (In Casem character)...and you know, he tells a story just like Casey does, but it always isn't the right story...It's kind of a play on words that we all experience when we're on the air. People calling up and requesting songs; and getting the name wrong because

they don't really understand what the song title is. So Casey told a story about Barney Rubble on the Flintstones, who was in reality Tom Petty, in a song, 'I Was Barney Rubble'. I think the one we're doing this week is Bob Marley's 'Pajamas'. 'I hope you like pajamas too...'

"We also had a real successful thing we did April Fool's Day. This is one of the better one's we've done, because it had people calling for weeks afterwards, wondering if it was true or not. We told everybody that, as we all know, record companies make most of their profit off of vinyl, because they're cheaper to press than cassettes and compact discs. The manufacturers of turntables are getting a little uptight, because nobody's buying turntables anymore, they're buying CD players or cassette machines. So we came on the air, and very matter of factly explained this to our listeners; and explained that the solution to it was that beginning the first of the year, all records will revolve counter clockwise. So, everyone is going to have to buy new turntables and replace your entire vinyl collection. Boy, did that work!"

GET A JOB!

Long Island's Quality Rock

WRCN/Long Island's Lenny Bloch went into the job placement business on his show one morning, by accident, in the middle of a bit. Lenny explained the circumstances: "A couple of weeks back, it was the 22nd anniversary of the release of 'The Mouse' by Soupy Sales. We put out a call for a clean, playable copy of it. Into the studio walks a 37 year old father of two, who, when he opens up his mouth, the whole building starts to shake. He has an incredible voice. We thanked him and he told us how he bought this original copy of 'The Mouse' back in '65 at some small record shop. In the meantime, this guy's voice kept resonating in my earphones. I asked the guy what he did for a living, and he told me he was one of 3500 employees working at the Fairchild Aerospace Plant on Long Island. 3500 of them are getting layed off in just a couple of weeks. So, I put two and two together: great voice, guy out of work, it's in the community, let's serve the community and see if we can get some work for this fellow. At first, I was going to ask him to do a resume on the air, but I figured his resume was his voice--maybe I can use him. I opened up the studio lines and asked people if they'd like to hear this man on the air. The phones went crazy. Women loved the sound of his voice. Guys loved the sound of his voice. So we decided that we'd look into the possibility of taking him off the unemployment line and putting him on the radio."

POLYGRAM PRESENTS QUESTION of the WEEK

This week's question was suggested by Oedipus at WBCN. How does your station define an "add"? What happens to a record when you add it? What's the minimum that a record company can expect from your station when a record is added?

OEDIPUS, WBCN: "An add at WBCN will be available in the air studio for airplay until dropped from rotation. That's the minimum that people can expect from an add. At WBCN, there are jock choices every hour where the DJ's can reach for and play that add. We build a record from that point, based on listener and jock feedback and based on action on the record around the country. Once the timing is right, based on those factors, we move it into our heavy rotation, and that means we move it on our chart. Keep in mind that this is the minimum for an add. Many records are not added because we simply don't think they are good enough to be aired on the radio station. On the other hand, many records that are added go immediately into heavy rotation. We're very selective. We also have records that are added to specific specialty shows. For example my show, 'Nocturnal Emissions' and Tony's show, 'Raw Power'...Some of these records cross-over into regular rotation. We try, and hope that these records can cross. These records that are added to specialty shows are also available to all the jocks in the air studio to play on their shows."

HARVEY "DR K" KOJAN, KLOL: "We define an add as a new record that gets a minimum of one play per day, between the hours of 5 AM and midnight. With us, as with most people, a record that is added immediately goes into rotation and is scheduled for airplay. There are certain songs which we may play during the course of the week for flavor, or in a testing mode (looking for reaction, etc.) but until we decide they'll receive a full commitment via regular airplay, we will not report them."

LARRY MILES, KOME: "An add at KOME is a record that is in fact getting airplay. When a record is added, it is most definitely added into a controlled rotation on the station's playlist. Given special days of the week, example--Twofer Tuesday, No Repeat Thursday, Block Party Weekends and other such features, a record added to medium rotation (the slowest current rotation we have) will be played from one to three times per

day. And let me stress that phrase 'will be played'. Our rotations are strictly controlled to ensure that records that are added do get played. And obviously those records are reported to the trade magazines for proper representation."

BOB KRANES, WXRK: "An add is anything that gets played in a prominent daypart or during a show that attracts high ratings.... When we add a record, it automatically gets put into the studio and is available for the jocks to play it--of course we have a framework to which the jocks have to abide by...Solid exposure on the radio station, whether it be a specialty show or not."

REDBEARD, KTXQ: "It has to be verifiable, a minimum of 3 plays per day--we have Light, Medium and Heavy....The minimum a record company can expect is one play per day within a 24 hour period."

JIM STEEL, WIOT: "For our purposes, an add simply is a project that has full support from Keith Masters and myself. All members of the air staff are given information about the band to help sell the new music and if the song is strong enough on its own, the music and lyrics will do the talking. (There are times that we don't have any information on new artists and we sure could use it.) We are notoriously slow with new music so when we get the green light, it's something that we all believe in. A Medium add will be played between 3 and 4 times a day. We won't add it until we are totally convinced for the benefit of the station."

POLYGRAM ROCKS RADIO ROCK N' QUOTE OF THE WEEK

"Rarely do I hear a song that I fall in love with at first listen. '10,000 Lovers' grabbed me within three seconds and now I'm hooked for life. It's the perfect blend of no nonsense rock and a clear, strong vocal track that will knock your headphones off. Goosebumps all over!"

Cynde Maxwell
Assistant PD/KWHL

BRIAN KRYSZ, WKLC: "An add is something that the record company bugs the shit out of me until I can't stand it anymore, I then call into the trades...Hopefully it sells. The minimum that a company can expect is me to bug them as much as they bug me for promotions, time buys and support in the market!"

QUESTION OF THE WEEK

Continued From Previous Page

LEE RANDALL, WLVQ: "An add is a record that we believe in that will service our 25-49 demographic, that we'll play for at least 6 weeks with no less than 21 plays a week. When we add a record it really gets played. The minimum that a label can expect from WLVQ when a record is added is commitment to the record, artist, and cover of the record, whoever it may be."

DAVE KANE, WCMF: "An add is any new song that we put into any of the regular rotating new music categories. From the time we add a record, it is immediately put in the studio and scheduled into the music mix. The record company can expect immediate airplay on an add with a minimum of 2-3 plays per 24 hour period."

CHARLIE LOGAN, WYNF: "An add is a record that we're going to give airplay to--not paper play, but real airplay. When we add a record it immediately goes into the studio and the night jock has his choice of playing it. We always make sure that every record we add gets at least 3-5 spins a week. That's the minimum, most records go immediately into a regular rotation."

KEVIN VARGAS, KWHL: "An add is a new song pre-sold as such and given a significant rotation which is two to three plays per day. When we give a song a shot; we believe it's worth playing, therefore it gets a legitimate shot. We don't have a Light category yet. We're not against using a Light rotation for testing or exposure purposes."

LEX STALEY, WFVY: "A Light add means in a two day period you'll hear the record at least 3 times. Medium adds you'll hear about 3 times a day. A Heavy is rotated 4-5 times per day, Powers come up 7 times a day. The bare minimum that an add gets here is at least one play per day."

TOM STARR, WOUR: "There are 'image' tracks that we use in addition to full time rotation tracks on current records but they do not receive consistent enough rotation to qualify as an add. Only if and when they graduate into a regular rotation category will they be reported."

DON BERNS, CFNY: "An add for us is any song (single or album track) that is put in the studio for airplay by the music department... When we add most records they are put into a forced play category that will spotlight the song at the beginning of a record sweep so that it won't get lost in a long mix. We find that this increases audience awareness of new product to the extent that phone reaction happens within one to three weeks; and with over a 150 current songs being played at any one time, this says a lot about our audience if nothing else. Certain records which are added in other categories are by known artists with identifiable sounds... In terms of airplay, a record company can expect a minimum of one spin per day in accordance with our policy of not repeating tracks in a 24 hour period. However, there are exceptions to every rule and I'll leave it there because I don't want to lay everything out at once for everybody to see... P.S. Any particular album by an artist will get more exposure with us than just a single

release; because while we may not repeat tracks in a twenty four hour period, we will definitely play any number of songs from a current album."

INESSA YORK, KGON: "An add is a track or tracks that go into either Heavy, Medium or Light airplay rotation. When a record gets added at KGON, we play it. The minimum a record company can expect when a record is added at KGON is that we play it."

WAYNE SUMMERS, WRCN: "An add is a new addition to our current playlist. We really try not to add a record unless we feel it has potential to move up in rotation. Generally speaking, currents will have an eight to ten week run."

DAVID ANDERSON, WMAD: "When a song is completely new to our current rotation and we begin playing it it's an add. The minimum a record company can expect would be Light rotation."

TY BANKS, KQWB: "An add will get played at least once a day. It will appear on the regular playlist and occur in a regular rotation."

KAREN ANDERSEN SMALL, WGIR: "When we add a record, we will play it in good rotation. The record will see the light of day."

WBCN, BOSTON, MA M.D. - CARTER ALAN:

"It's been a busy weekend in Boston, to say the very least, with three sold out U2 concerts, a short hop to Providence for the two Bon Jovi shows, Rank And File on Friday, May 1st, and two crosstown record release parties for Scruffy The Cat's latest and the Neighborhoods' new Lp on Emergo. The latter is entitled 'Reptile Men', and it features hard hitting rock from Boston's premier punk power trio still alive and well in the 80's. These guys mix pop melody with the power to create a buzz saw potion that pleases while it rocks. We love 'Pure And Easy'...Scruffy's latest is an Lp which features the cut 'My-babyshe'salright' -- scruffy and ready, down and dirty, this cut works for us...Ozzy Osbourne was a guest at WBCN last week for a couple of hours. After some late morning coffee in the music department's battle zone, Ozzy sat in for an hour with 10:00AM to 2:00 PM jock Ken Shelton talking about the new 'Tribute' Lp, playing some of his favorites, and taking live auditions on the phones for a guitarist to replace the exiting Jakie Lee. It was a great visit, topped off by Ozzy signing autographs for 20 minutes in front of WBCN for the fans who had gathered as the interview progressed. Meanwhile, the 'Tribute' album is a killer record with those great licks from Randy Rhodes. Our requests are going through the roof...Motley Crue

Upward movement this week for Crowded House, Gregg Allman, REO and Little Steven."

They gave us a scoop on their forthcoming tour--it will start in Europe very shortly--a few dates in Europe and then by July they'll kick-off their U.S. tour here on the west coast...We're seeing instant phones and sales on Mason Ruffner. "Talk about successful promotions! The CFNY Video Road Show drew 11,500 people to the Kingswood Music Theater at Canada's Wonderland for their opening day last week. Now, if each one of them only had a diary!...Timbuk 3 blew into town and performed before their largest Canadian audience last week. I l-o-v-e their new stuff, especially 'Assholes On Parade'. With the '1984' type atmosphere being created by the FCC, too bad nobody will get a chance to hear that song when it's recorded. To give you a Canadian perspective on the 'obscenity' issue, the CRTC (Canadian Radio and Television Commission) takes the position that if a song has artistic merit, it can be played on-the-air as long as we take the attitude of responsible broadcasters and play songs with potentially offensive language in time slots when young children aren't listening. This allows us to play such gems as the Violent Femmes 'Add It Up', which is one of our all time most requested records. So, do you think it's a bit hypocritical of the FCC to say 'if you value your license you'll climb into bed with us'? For a real good perspective for how out of hand this whole issue can get, I strongly suggest you read Dave Marsh's piece in the current issue of Rock And Roll Confidential. It sure is frightening!...Now, on to music and there's a lot of it this week: My

single pick-to-click is Spear Of Destiny's 'Never Take Me Alive'. A great production that's bigger than life...Also, Depeche Mode give us a taste of their next album with 'Strange Love', and to these ears it's great to have them back in a dance mode, although it's not as industrial as the songs off 'Some Great Reward'...It's a bit tougher to pick album-of-the-week, with the stunning Long Ryders and R.E.M. finally out here, and Wall Of Voodoo making their best Lp since Stan Ridgway's departure... And of course, there's Suzanne Vega's 'Solitude Standing', which should definitely break her career wide open...Many thanks to Timbuk 3 and Karl Wallinger of World Party for stopping by the station for live mike interviews...And, special thanks to I.R.S. for arranging appearances by Wall Of Voodoo; Hunters And Collectors and Concrete Blonde during our live from L.A. broadcast last week--P.S.: It's a great promotion! Thanks to John McGhan and California radio for putting it all together!"

Now maybe things will get back to normal? here in Boulder, Colorado...Thanks to Sharon White-Gilbert for the Bob Seger preview and the London stories."

KQRS, MINNEAPOLIS, MN M.D.-JOHN LASSMAN:

"New time to call and schmooze: Monday, 10:00AM - 12:00 Noon; Wednesday, 10:00AM - 12:00 Noon (unless you're Erin Riley, then call me at home)."

KLOL, HOUSTON, TX M.D.-HARVEY "DR. K." KOJAN:

"With the plethora of re-mixes currently available, mass confusion is sure to result; so we propose the following solution: The 'Self-mix'. Instead of the extensive, time consuming process of producing a multitude of AOR, CHR, Dance, London, New York and Missile mixes, just send each station a dub of the multi-track master and let us mix it ourselves. Think of the possibilities: Each individual jock can create his or her own personal interpretation. For example, here at KLOL we'd have the 'Doc-mix', 'Rick-mix' and 'Steele-mix'. Others that immediately come to mind: The 'Trip-mix' and the 'Trapp-mix', the 'Chris-mix', the 'PYX-mix', the 'Duck-mix', 'Bloch-mix', 'Beard-mix', 'Moss-mix' -- well, you get the idea. Plus song parodies would be a snap. No need for that messy out-of-phase technique. Just drop those nasty vocals right out of the mix and let the fun begin! We fully expect all labels to adopt the 'Self-mix' policy as soon as possible."...(DR. DIRT'S NOTE: "Right on, Dr. K! We fully agree with you and support the 'Self-mix' policy. It's the single most important issue affecting the future of the format, and we applaud your efforts to shed somelight on this situation which cannot, must not, and will not continue to go unchecked in our industry.")

WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI:

"The Wilson sisters have picked right up where they left off with 'Alone'. If this song is any indication of what's in store on the new Heart Lp, then it looks like my favorite pair of sisters has another big album on their hands... 'One For The Mockingbird' is a good follow-up to Cutting Crew's 'I Just Died In Your Arms' because it showcases the group's diversity. I like this song because it's very upbeat... Mason Ruffner's 'Gypsy Blood' gets my blood going. It makes me want to blow off work and enjoy the nice weather we're starting to get... Robert Cray's success should continue to build with 'Right Next Door'. This man is deserving of any good fortune that comes his way. Robert personifies the term 'nice guy'... I would like to thank Don Bernstein of Thames Talent for all his help with the Deep Purple show we had here last week. Thanks to Roger Glover for stopping by the station, and to Drew Murray and Bobbi Sliver of PolyGram Records for

their time and help with Purple... Tesla's 'Little Suzi' is not only a favorite among callers (Top 5 Most Requested two weeks in a row), it's also a fave among some of the air and office staffs here at 'DVE.'"

WLWQ, COLUMBUS, OH P.D.-LEE RANDALL:

"This week it's a retail riot with U2 in the #1 spot (Record of the Year). Whitesnake and Bon Jovi battle it out with the 16-25 demographic sales... It's refreshing to see the Cutting Crew lodging itself nicely at #7 between Lou Gramm and Night Ranger... Thanks to Bob Seger for doing his new song for our traffic cop: Officer Al, the motorist's pal. It's a true bust and a #1 record... To Larry 'The Duck': Columbus is alive and well with a 13.1 and the Columbus Clippers in second place. Think we might have to ship you a few players, Larry, like we have in the past-- and if Erasure has hit the big time, I'm glad I'm not in your neighborhood. Come on in for a hot dog sometime with some real brown mustard. Didn't know you got mail on an island!"

KOME, SAN JOSE, CA ASST. P.D./M.D.-LARRY

MILES: "Lots of changes on major artist tracks this week, as we've gone on 'Hearts On Fire' from Bryan Adams; 'Bullet The Blue Sky' from U2; 'Time Will Crawl' seems to be the major emphasis track from David Bowie; and Tom Petty's 'Runaway Trains' is clearly a change of style for Tom and the band, and a welcome one at that... The excitement generated out of the new Montrose record after just one play of the track 'Don't Damage The Rock' leads me to believe that Ronnie really has a strong record with 'Mean'. Stan Campbell's 'Years Go By' first feels like another Michael McDonald record but with a few more plays, I think you'll agree that this record is gonna take on an identity of its own... Concrete Blonde; Mondo Rock and Mason Ruffner all are welcome additions to our playlist, offering us a fresh variety of new music... Lastly, this week's big surprise has been listener reaction to Heart's 'Alone'. The upper demo males are on the phones as much as anyone else!"

WHJY, PROVIDENCE, RI ASST. P.D.-GLENN

STEWART: "Here was the week-that-was: Deep Purple at the Civic Center Tuesday night... Dinner with Ozzy Osbourne on Wednesday night... Bon Jovi and Cinderella at the Civic Center on Friday and Saturday nights... Farrenheit in town Saturday night and U2 in Worcester on Sunday night. Holy social calendar, Batman! Thanks to everyone for keeping my week busy!"

KGB-FM, SAN DIEGO, CA M.D.-PAM EDWARDS:

"Smart move from the Wilson sisters once again. They've put aside any other consideration and have simply opted for a great song in 'Alone'--and, when you get right down to it--that's all that counts! This album will surpass all expectations... Try Shy! We've already got great phone reaction to this song, co-written with Don Dokken. Now on their second outing with RCA, this group has matured magnificently... The Cult is climbing high on the sales chart and getting great response. Raunchy and raucous it is, and our listeners l-o-v-e it... Don't deny the Ozzy Osbourne. Randy may be gone, but not forgotten."

KRQR, SAN FRANCISCO, CA M.D.-JOHN MC CRAE:

"Heart comes through with consistent quality!... The Montrose sounds really fresh on the radio, not to mention his local appeal... Hoodoo Gurus is a great up-beat midday tonic... The Stan Campbell record wears really well and sounds better every time I hear it... The Farrenheit 12" comes in like a 90-mile-an-hour + fastball!"

KLPX, TUCSON, AZ M.D.-JACK GREEN:

"Now that the dust has settled a bit, I have a chance to bring everyone up to date on the changes here at the radio ranch: Arin Michaels has gone on to bigger things and is in a great state of mind. She will undoubtedly do terrific things! I've been appointed interim P.D. until a replacement can be found or they give me the office with the big chair. For the time being, I will be handling both music and programming. I would like to thank everyone for their support during this transition--especially Roger Smith. You've all made it much easier to cope...As far as music goes, my big rave this week is Jon Butcher's 'Holy War'. Incredible timing, incredible song. Need I say more?...Suzanne Vega will also go in this week. A very haunting song on a very serious subject. Good luck, Suzanne."

WTPA, HARRISBURG, PA ASST. P.D.-CHRIS JAMES:

"The new Heart should be a h-i-t in all formats. At first I thought I had the AC version, but shows to be growing, especially in upper demos...I love the Farrenheit follow up 'Lost In Loveland'. Any disbelievers as a rock 'n roll band before can't deny them a shot now!..Thanks to Bill McGathy for pointing out the Richard Marx track. What deja vu. You'll think you're listening to The Eagles. With Randy Miesner; Timothy B. Schmidt and Joe Walsh, he's got all the tools. It should prove to be one of the biggest ones of '87... Thanks to Bart, Rick and the Smithereens, as well as everyone at Enigma, for all their help with the show. If you think the band's good on vinyl, catch them live!"

WAQY, SPRINGFIELD, MA M.D.-JOE MARINO:

"Thanks to the FMQB for Super Sampler 2--great stuff!...Jon Butcher is building very strongly here at 'AQY with 'Holy War'... Can't wait to hear the whole Heart Lp. I believe we have a monster on our hands... Also building here at 'AQY is World Party's 'All Come True'. Once again they've come out with a song that will have you singing and humming for quite some time."

WEGR, MEMPHIS, TN M.D.-KELLY CRUISE:

"Wow! Europe played here Sunday and what a show! Memphis had the largest crowd the band has drawn since starting their U.S. tour--and everyone went wild over the ballad 'Carrie', so it was an add this week...The Richard Marx tune, with the former Eagles, sounds great, and that will be on our CD player next week...Special thanks to

Al Moss for the Hendrix CDs and to Beaver Brown of KDJK for the 'Banjo-vi'--Fantastic!...To CBS's Larry Wall: Thanks for taking care of biz after the Europe show. Our listeners loved it."

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS:

"Heart's latest is drawing immediate interest. I feel that they are in the league where everything they do is appreciated in large numbers. Heart remains one of rock's truly unique groups...The nighttime monsters continue to roll in. The Ace Frehley is off to a fast start. H-O-T phones every night...Tesla; Stryper; White-snake and Ozzy live are records that cannot be denied. This is the best list of 7-mid-night records in a long time."

WRQK, CANTON, OH M.D.-GREG MORRISON:

"If World Party comes to your town, don't miss it! Thanks to Van O. and Chrysalis for the chance to see the World Party American premier in Cleveland last week. Still getting 60's flashbacks from 'All Come True'...No doubt at all about White-snake. Public demand pushed 'Still' to heavy. Check out 'Here I Go Again'. It's an excellent second track...U2 and Tesla pulling good phones and retail action also."

WHEB, PORTSMOUTH, NH M.D.-CHRIS GARRETT:

"Well, another rainy U-Tuesday in New England but all is well as we bask in the aftermath of U2. A lot of times when you hear all these great things about a band it's often difficult for them to live up to your expectations. As I reflect back on their show, May 3 in Worcester, I'm quite sure that it's not possible to overhype this band. They mesmerized the audience from the moment they took the stage. Then a two hour set of tantalizing music--but, more importantly, music with a message. U2 is on the verge of becoming the single most important and influential band of all time and, as they run up that 'One Tree Hill', the world is destined to be their stage!... Now, on to music this week: Coolest new song is Jon Astley's seductively haunting debut 'Jane's Getting Serious'. If the Lou Reedish vocals don't get you, the Clapton licks surely will. The production on this record is phenomenal, and why not--from such a producer extraordinaire! Two plays and you'll be hooked on this hook. Please take Jon and Jane seriously."

WPLR, NEW HAVEN, CT M.D.-CHRISTINA:

"Farrenheit zapped me in the first five seconds! Now, that's the way to do it! 'Lost In Loveland' is a very H-O-T rock 'n roll tune...Mike; Andy; John and Custer--you can take our call letters off that chalkboard."

KEZE, SPOKANE, WA ASST. P.D./M.D.-BREW

MICHAELS: "Rock 106 is looking for artist ID's and interviews on disc, over the phone and in person. Our slogan is: 'Rock 106, Spokane's home of rock and roll' (pretty clever, huh?). For those of you not yet blessed with the Northwest experience, the 'kane' in Spokane is pronounced as in 'gimme a can of petite asparagus spears or I shoot' -- not as in 'cane' the primary export of the Dominican Republic! Confusing? Phone me at (509) 448-8888 for further info and/or counseling...Top three phones: Little America 'Walk On Fire'; World Party 'All Come True' (primarily male 25+); and Whitesnake 'Still Of The Night'."

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER:

"We would like to welcome to KIX-FM Shelli B. from WXRC in Charlotte, NC where she was doing the 7PM-Midnight shift. She'll be 'taking numbers' in the same shift for us. This area hasn't had a female rocker for awhile, and it should shake things up a bit...We'd like to pay a tribute to one of the cornerstones for Central New York rock 'n roll: Concert promoter Jack Belle recently died. Jack helped make the concert scene happen for the last 20 years! The man was instrumental in establishing Syracuse as a major concert city. He also debuted the Carrier Dome as a concert venue featuring Santana back in 1981. Since then he's brought in groups like the Police and Bruce Springsteen. Jack did it with class. He will be missed very much. Keep rockin' and rollin', Jack."

KFMQ, LINCOLN, NB M.D.-JOE SKARE:

"The KFMQ morning team of myself and Linda Kelley had a great time broadcasting live from New York City, from NBC Studios at 30 Rockefeller Plaza. Thanks to Michael Hughes; Gig Barton; Bob Madigan; and all at NBC's The Source. Also, thanks to Atco's Alex Miller for a great evening on the town and are there any American cab drivers in New York City?...Also, last Sunday, mother nature rained out our annual Concert-In-The-Park for the Lincoln Food Bank. Listeners get in free to an outdoor concert with three of the area's best bands by donating a can of food. We'll try again this Sunday. Looking for a great afternoon under the sun!"

WWTR, OCEAN CITY, MD P.D.-SKIP ISLEY:

"As a person going through Steely Dan withdrawal pains still, the Danny Wilson album is just what the doctor ordered... Personal to Atlantic Records: If the record is good, we'll play it. Have a little faith, but please stop sending those damn postcards!"

WCLZ, PORTLAND, ME ASST. P.D.-LORETTA

CRAWFORD: "Here's what the critic is saying about U2 live: The singularly, most amazing performance I've ever been witness to. Bono holds the audience individually and collectively in the palm of his hand. A spirituality unmatched in many churches, let alone arena rock performances. See this one! Thanks to Danny at Atlantic and Bob at Island. U2 is on this week!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA:

"ADDS: Heart 'Alone'. Great lead off track. Instant power! I've heard the rest of the Lp and I'm sure it'll be around at least as long as their last...Montrose 'Game Of Love'. Don't let the short grooves fool you. This tune is big on originality, even though it's a remake. Coolest record of the week...Danny Wilson 'Mary's Prayer'. Nice, smooth tempo ballad that won't wilt...Jude Cole 'Like Lovers Do': Only took one listen to like this one. Strong song with a great big beat...Psychedelic Furs

'Shock': Good follow-up as the Lp continues to blow out at retail...Also on Bryan Adams --'Into The Fire' and Rick Medlocke 'Saturday Night'...Top 5 Phones: 1) Whitesnake 'Still Of The Night', 2) Heart 'Alone', 3) Tesla 'Little Suzi', 4) Gregg Allman 'Anything Goes' and 5) Cinderella 'Somebody Save Me'."

WLNZ, LANSING, MI M.D.-CATHY DOWN:

"Michigan is one great state this week! Put aside the unemployment rate and bring out the hockey sticks and hoops 'cause the Detroit Red Wings and Pistons are smokin'! The team spirit is high and the talk is frequent, right up there with Jim and Tammy Bakker and the recent U2 show at The Dome...Speaking of the talk of the town, the latest from Heart has had mixed reaction from our listeners. I personally think it's a powerful ballad that stands strong, even 'Alone'...The recent pile up of great albums has resulted in our digging deeper into the grooves of Cutting Crew; Whitesnake; Crowded House and Tom Petty. A week of high scorers on the ice, on the courts, and on the airwaves!"

WIOT, TOLEDO, OH P.D.-KEITH MASTERS:

"Having trouble getting me on the phone? You're not alone!--And no, I'm not pulling an ego trip on anyone. Just pulling some awfully long days getting ready for another great rock 'n roll Summer with some great surprises. We've certainly got the music to keep us #1!: Lou Gramm continues to pull in phones with the best Foreigner tune never done; and our Fleetwood Mac tracks sound like they just got here yesterday... If you tend to think that apathy is abundant and social awareness is not on the rise, I suggest two things: 1--Toss Little Steven on the CD tray and then listen to the phones! 2--Count the peace signs on the faces of 16 year olds at a U2 show! The Pontiac Silverdome show was my first. How much more triumphant for a man like Bono to transcend, leaping off the stage at Live Aid into each of 40,000 hearts and souls without ever leaving the front of the stage. There are no words to describe 'The Joshua Tree' tour. You simply have to be there."

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR:

"In the words of Professor Petty 'Let Me Up, I've Had Enough'. The glut of quality product from old and new names has us reeling! It would be nice to redistribute some of it to sparser times of the year, if they exist anymore...Heart's single is formula all right, but it doesn't take a genius to check the lab reports from the last album's lead single, to know this one's headed to the top pronto!...How 'bout that on-base percentage the Virgin crew has put together? Let a Dan fan meet Danny Wilson, those Becker-Fagen reunion rumors will either go away or come back stronger than ever. Either way, this band is going to be a twenty-five plus on their own merit...Thanks to Tom Petty for delivering a shining example of how a great rock 'n roll record can be made in two months and to Capitol for showing that persistence pays in sticking with Crowded House through the long cold Winter. Watch 'World Where You Live' come back as a major single sometime before the year is out...For an off-beat but on target track, check out Jon Astley's 'Jane's Getting Serious'...Thanks to Flash for having Ace check in. We're getting wailed with requests for his new one. This is one comet that won't be a disappointment!"

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS:

"Since we know from their extremely successful track record, that the sisters, Ann and Nancy Wilson, can kick ass with the best of them, I'm tickled pink by this first release from 'Bad Animals'. I'm a Heart fanatic from way back when and what always made them special in my eyes was that at

one moment they could get down with a searing rocker--and then turn you on to a beautifully delivered ballad. 'Alone' is tops, and my turntable is eagerly awaiting the rest of this Lp...The airwaves are once again graced with some amazing talented axe men that make you want to cruise and crank it to the max. Mason Ruffner's 'Gypsy Blood' is the newest smoker that has all the right stuff to take it to the top of the charts. So, be smart, and let the music do the talking...

Pam's personal plus-ins: I love, love love, Danny Wilson. A Steely Dan-esque sound, with some surprisingly wonderful twists! Key in on 'Mary's Prayer' and 'Aberdeen'. Morning, noon or night, this'll do you right...Dear Cledra: You've made my moments at the tanning salon much nicer, 'cause I can plug in Danny and listen from start to finish. What a way to go!"

WWCT, PEORIA, IL P.D.-PHIL MANICKI:

"The dust is just about settling in my new office. One problem: Jeff took all those Platinum Records and the walls are bare. Hint, hint! I wish Jeff Murphy all the best at KKLZ, and am confident he will deliver. I've learned a lot from you, bud, and will put it to good use to keep the tradition going...Record for the week: Heart. C'mon, is there any doubt with this one?...Don't look silly and get beat with The Portland Brothers. You know they'll do it!...Timely Jon Butcher takes the offensive with 'Holy War'. I still say he sounds like Rick Derringer vocally."

WXXP, PITTSBURGH, PA M.D.-DEB BRADY:

"The Replacements have their most accessible Lp to date in 'Pleased To Meet Me' and 'Alex Chilton' is great...One listen to Julian Cope's 'Eve's Volcano', and you should be sold...I'm patiently awaiting the release of Alison Moyet's album, 'Rain-dancing'. She's got a winner, but that's no surprise with Jimmy Iovine behind the controls. Her former Yaz partner, Vince Clarke, should also score with Erasure's Lp 'The Circus'. It's a solid follow-up to 'Wonderland'...Thanks to Jerry and Todd at Virgin, and Joe at Polygram for setting up interviews with Balaam & The Angel and The Mission U.K. Their show in Pittsburgh was wonderful, though I'm sorry they couldn't use the light show that I've heard is spectacular!"

WXKE, FORT WAYNE, IN P.D.-RICK WEST:

"Next week we're coming out with the first lazer cut holographic bumper sticker! It has 3 dimensional effects. It is extremely effective in sunlight and also headlight beams will make the effect startling. We're putting it out on our 11th Anniversary. It's a great way to promote lazer image on the street!"

KATT, OKLAHOMA CITY, OK M.D.-SCOTT DOUGLAS:

"Congratulations to my little brother, John Foster, on his promotion at KMOD to Music Director and middays---watch it! I'm gonna rock your ass!"

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE:

"Just a short but special note of thanks to Paul Brown and the I.R.S. gang for remembering WDHA's early support on R.E.M. with the first Gold CD award. Now, I've got to ask: If we took it out of the glass case, would it play? But, who cares--it looks great!"

WQBK, ALBANY, NY M.D.-BOB WELCH:

"A couple of great live shows in Albany in the past week, from Robert Cray and Suzanne Vega. Speaking of Suzanne, 'Luka' rolls in as our #1 request this week with the album debuting at #23 in our sales report...I was saddened to hear of the passing of promoter

Jack Bell--a man always ready with a smile and a handshake, no matter how poorly the show was doing. A true gentleman in every sense of the word (though he kicked my ass when he heard me call him the G word). I'll miss that crazy man!"

KRXQ, SACRAMENTO, CA M.D.-RON GARRETT:

"Many thanks to Michael Moore for setting up a wonderful two hour on-air interview with Ozzy Osbourne. Ozzy is truly a trooper handling phone calls and all the fans who showed up at the station, autographing everything from cymbals and guitars to baby diapers and cars. By the way, Ozzy was looking better than ever--a real gentle person...Thanks for your patience during this transition period. I'm handling the Music Director/Program Director duties for the time being and I haven't been able to take a lot of your calls. My Programming Assistant, Pamela Roberts, is a recent graduate of Cal State University. We are talking Dean's Honor Roll with a Degree in Marketing. She is doing an excellent job of passing along your information, and giving some very valuable feedback concerning the music...The Long Ryders kick booty...The Cult 'Lil Devil' is the most Daddy O...And Omar And The Howlers are every nerd's nightmare--Quick, Muffy, get the BMW--let's blow this place. See ya!"

WAQX, SYRACUSE, NY ASST. P.D.-LORRAINE

RAPP: "The Winter Book is in! 95X went from a 7.0 to 7.8! Great demos! Long live rock!...More great news coming soon...We were totally knocked out by the Bon Jovi/Cinderella show this weekend. After having personalized Bon Jovi drop-ins (telling listeners how to win the only front row seats in town, backstage passes, and an autographed Kramer guitar and concert packs), we had a banner contest that drew--literally, hundreds of entries including one zealous listener who attached a full length banner to an 18 wheeler and drove around the block long enough to have the police cite him for having too much fun! It's great to have a band that we supported when they were playing club shows, support us by playing the arenas. A class act! No wonder they're so well liked. Special thanks to Chuck Chao; Bon Jovi; Cinderella (especially Freddie); Pat Rascona; and all concerned for a fantastic promotion...Syracuse and 95X lost a great friend this weekend with the passing of Jack Belle, the founder of Creative Concerts. He'll be missed by all who knew him."

WFYV, JACKSONVILLE, FL M.D.-LEX STALEY:

"The Richard Marx record is sensational. Besides the fact that he obviously has a great back-up band, he was smart enough to take it one step further and rip off their production technique too! I think it's a k-i-l-l-e-r!...I predict the Montrose will be right up there on the phones in a couple of weeks with The Cult and White-snake. 'Game Of Love' is a s-m-a-s-h. It has a great hook, and that patented Montrose guitar sound...Now, gotta take care of a little bit of biz: New call times here at Rock 105: For P.D. Brian Taylor--Friday 10:00AM-12:00Noon--For Lex--Monday and Friday 2:00PM-4:00PM."

even though Heart's 'Alone' doesn't break new ground, I really like it a lot. With a ballad this strong, who needs to worry about new direction! This is going to be another h-i-t!"

WMAD, MADISON, WI ASST. P.D.-DAVID ANDERSON:

"1957: That great rock 'n roll psychic, Chuck Berry, sings about New Orleans, evergreens, and a boy playing guitar like a ringing bell--1987: Mason Ruffner fulfills Berry's 30 year prophecies--pass the polk salad--this boy is h-o-t!...Suzanne Vega is a class act. Sophisticated, intelligent, a great upper demo record. Even our resident metalheads likes her album...Napolitano is not an ice cream flavor. She's Johnette, the vocalist on 'Dance Along The Edge', Concrete Blonde's hypnotic, twisting rocker! Watch the female and upper demo calls come in. Play it before your CHR competition comes in on it...How'd you get your head to tilt like that? 'Beautiful Imbalance' from the Thrashing Doves must be Max Headroom's favorite song. It's a record for those who don't quite fit in--and are perfectly happy about it. We like the song a lot."

WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS:

"Ace Frehley's 'Into The Night' is an ace-in-the-hole! #1 phones in one week. Whether it's old Kiss fans, new Ace fans, or just rockers in general, they l-o-v-e it Thanks to Flash for setting me up with Ace on the phone...Last Sunday, WWZU tied in with Penn State University for the Spring Regatta. John Cafferty And The Beaver Brown Band headlined the event. Glad to say a record 40,000 people showed up. Pictures on the way. Thanks a lot to Biff Kennedy for setting us up with John; and, by the way, tracks from the new album were played live and they sounded great. Looking forward to new John Cafferty product."

WKQQ, LEXINGTON, KY M.D.-STACY YELTON:

"After repeated listens to 'Tango In The Night', 'Seven Wonders' by Fleetwood Mac has emerged as my favorite track--but, I'll probably have a new fav next week. I'll let you know...Heart has a ballad in the truest sense. This one's one step further than 'These Dreams'. Can't wait to hear the whole album...Mason Ruffner's 'Gypsy Blood' just chugs along like a well-oiled train. Dave Edmunds' production brings Mason's talent way out front where they belong. This is the good stuff...Yes, it's true that Jon Butcher's 'Holy War' is timely, but that's not why we're playing it. The record simply blows me away. If Jimmy were alive today..."

KATP, AMARILLO, TX P.D.-JACK RANDALL:

"The new Heart arrived and it's already lighting up the phones with very positive calls. Give me the new album quick--before I go crazy!...It's great to see Ronnie Montrose back on the charts. Thanks to Bart from Enigma, and Dennis from the Smithereens for making an interview possible...If you're considering Concrete Blonde 'Dance Along The Edge', consider us a test market. KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS:
"I'm not a Motley Crue fan, but I do have the brains to not let personal taste interfere when I hear such an obvious Summer smoker. 'Girls, Girls, Girls' is in tune with every American male libido and has nothing to do with pre-pubescent fantasies or coppin' a smoke in the boys room! When the phones explode, it won't be just the Crue kids. It's Summertime rock 'n roll and it's made me real curious to hear the album...Also on the Friday Morning Quarterback Sampler, you'll find a track from iQ. This song will mesmerize you. The instrumentation sound is reminiscent of pre 'Dance Hall Days' Genesis. Shades of 'Trick Of The Tail'. PolyGram has a winner with this track."

WHTQ, ORLANDO, FL M.D.-SLATS:
"No matter where you drop the lazer on this Bowie, it's definitely got the goods."

We've upped the secondary tracks, plus added 'Time Will Crawl'...Little Steven has always been a fave and 'Trail' is the most workable song he's given us yet...No need to talk more of Crowded House, 'cause it's a h-i-t! Same goes for the Heart. When Ann's voice hits high gear, it just excites me."

WRXK, FT. MYERS, FL P.D.-GREG MULL:
"First, thanks to Rick Medlocke And Blackfoot for the 'Saturday Night' out on the town. The record's a good remake. Check it out. The audience will be instantly familiar with it...Whitesnake cannot be denied--The album outsells everything. The stores can't keep enough copies. The branch is out of CD's and there are adults buying this record! The new track, 'Here I Go Again' will blow away the phones. Females--adult men! Do yourself a favor and add this baby before they do across town!...Isn't the Tom Petty album great? It didn't bowl me over at first listen, but after a few spins I think it could be his best ever. My favorite track is 'The Damage You've Done'...Also good to have Florida's own John Philip back with a track that smokes. I hear he's trying to put together a band to do a quick tour of the States. I know that'll be h-o-t...With so-o-o much great music out, how can you go wrong?"

WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON:
"If you're a rock 'n roll station, at least play the live Ozzy at night. It just makes good sense. Real r-o-c-k, from a pioneer. All aboard!"

WIZN, BURLINGTON, VT P.D./M.D.-STEVE CORMIER:
"Suzanne Vega's 'Luka' is burning the phone lines out! For the second week, it's the number one requested song and it debuts in our sales tracking at #2, behind U2. This is truly a great record...Nice to see Warner Bros. finally release The Pretenders 'Hymn To Her'. It's been one of our favorites since day one. It's pulling in Top Five phones from males and females...Here's hoping Jon Butcher will do a guest host shot on PTL. His timing is incredible!"

live. It was eerie to say the least, to hear several thousand people sing along to 'My Spine Is The Bassline'. Thanks to Island's John Souchack for setting up artist interviews with both bands. It was a pleasure to see Bob Catania at the show... The Cure's 'Why Can't I Be You' is one of the fastest selling 12"s in Boston right now and it remains our most requested song... Words cannot describe the U2 show in Worcester last weekend. It is shows like these that make the year's worth of club crawling, worthwhile. Thanks to Island Records, Keryn Caplan of Principal Management and the Don Law Company for their efforts above and beyond the call of duty... We here at WFNX insist on playing the new Revolting Cocks record, in spite of the recent FCC ruling. Thanks to MCA's Nan Fisher and Laura Engel from LAPD for setting up the interview with Danny Elfman from Oingo Boingo...Faith No More has certainly stirred up some phones with 'We Care A Lot'. They did a great version of Eddie Cochran's 'C'mon Everybody'. 15,000 people in attendance, each with their own seat and not one person sat down during U2!...The Replacements are ready to break big-big-big. Soon this band will be on the tip of everyone's tongue and the tip of everyone's tone arm...Pick-of-the-week: L.L. Cool J 'I'm Bad'--He's bad, but he's good. PAUL RAPPAPORT, COLUMBIA (212-975-8616) "THE BUTTER MAN IS GONE -- THE BUTTER MAN IS GONE -- GOD BLESS YOU BUTTER wherever you are. I last saw Paul Butterfield at a bar called J.P.'s on the Upper East Side. We both ordered drinks and when I told him I was buying he made his a double. I could tell he was on that all too familiar road that too many musicians seem to travel. I guess it's harder and harder these days to just play real music instead of looking for the all powerful hit. All I know is when I was growing up and learning how to play guitar, I mean really learning how to 'talk' with my instrument, those early Butterfield albums were my very first Bibles. So Gabe, I hear you're quite a horn man, but scoot over on the stand 'cause a killer harp player is on his way up!...World, prepare for OMAR AND THE HOWLERS!"

MICHAEL PLEN, VIRGIN (213-278-1181) "Hello radio. It's exciting being a Virgin now. Looking forward to putting out records without holes; the better to break them with, my dear...On to records. The CUTTING CREW 'Mockingbird': What's to be said other than an album approaching gold, a #1 single, and where's Album Radio on the second track? You're awaiting too long. You should already be all over this song...GARY MOORE: Still some non-believers out there. How much more mainstream can this record get? Add it soon or your listeners will be 'Over The Hills And Far Away'...OTHER ONES: Building slow but sure, at both Album Radio and Top 40. Look for this one to be a long haul but we're sticking with it...T'PAU has gotten some interesting comments, so check out 'Heart And Soul'...Also listen to SPEAR OF DESTINY

'Strangers In Our Town'. This epitomizes great British rock...The record everyone is raving about is DANNY WILSON, 'Mary's Prayer'. If you can't hear this one, you should resign from the business. This song will be another Top 5 from Virgin...And on a finishing note, two records that are coming out in the next couple weeks: WARREN ZEVON with members of R.E.M. as the band and Neil Young doing all the leads. They'll tour that way as well... And a solo album from THE EDGE. The song 'Heroin', the lead song, features a female lead vocal but that classic guitar sound is obvious. It's very adult in appeal. Expect the unexpected...Can't wait till the KEITH RICHARDS album comes out in September... Personal to Jeff Naumann: Seen any corn lately?"

MICHAEL PRINCE/ALEX MILLER, ATCO (212-484-6400)

"The Friday Morning Quarterback has called BRIGHTON ROCK'S 'Can't Wait For The Night', 'A great power ballad that should be easy.' With a rave like that, how can you go wrong? Audience reaction to Brighton Rock has been strong, and upward moves in rotation prove their success with this track. Meanwhile, the Brighton Rock tour continues up the West Coast...This week check your mail for the RECKLESS 12" 'Crazy Over You', a rocking cut from the 'No Frills' Lp...Please drop a needle on side one, cut one, of the EDDIE AND THE TIDE Lp, 'Waiting For The One'. It's one of the best tracks on this very deep record... Distinctive vocalist GARY NEUMAN arrives back in the U.S.A. with a song entitled, 'Radio Heart'...Before we go, there's one last thing, 'AIN'T IT A SIN?'...Since you did, thanks for reading."

RAY GMEINER, ELEKTRA (213-205-7433)

"'Girls, Girls, Girls', the title track from MOTLEY CRUE'S forthcoming Lp (May 18) will be THE biggest song of the summer. The sound is lean, rockin', NOT METAL and destined to be heard everywhere you go this top-down season. Promise me you won't let those CHR geeks, excuse me, competitors beat you to it. Tie your daughters down, the Crue tour starts soon...WNEW and WXRK add THE CURE'S 'Why Can't I be You?' But they're not blue hair music stations! Or has Kranes lost his hearing? Maybe Chernoff smoked a big one before doing his adds? Hell no! Those guys know a hit when they hear one. Another major sold-out tour coming soon... 'Good Times' by the HOODOO GURUS has a summer time sound that is undeniable. Also, check 'Out That Door', side one, cut one, for a Gurus' tune with some AOR punch. Tour starts in June...And for the sleeper song of the upcoming hot months, check out STAN CAMPBELL'S 'Years Go By'. Great first week action at KFOG, KRQR, KOME, KSJO, KZAP, KRXQ and KBCO. Thanks to all our friends in Northern California for letting their ears decide...Let's have fun this summer!. The GEORGIA SATELLITES are going out on tour with Tom Petty (Hot tour, eh what?!)...P.S.: It's not too late to get in on the biggest live broadcast of the summer. Ladies and Gentlemen, Wednesday, May 20th -- '60 Minutes With Motley Crue'. For your free satellite feed, contact Karen Lee at Elektra Records (212-484-7291) by May 15th."

JEFF NAUMANN, VIRGIN (213-278-1181)

"Programmers, and especially women, are beginning to go crazy for the band DANNY WILSON. The buzz is real and 'Mary's Prayer', among other tracks, are going to be hits from this album. One word to describe Danny Wilson's sound is 'class'. There's room for class music on every playlist, and Danny Wilson certainly fits the bill...The long, long awaited WARREN ZEVON is coming out this week. It's certainly worth the wait. When you put the needle or lazer beam on 'Sentimental Hygiene' it should take about thirty seconds

to hear that this is a #1 Album Radio song. Warren's band on 'Sentimental Hygiene' includes three members from R.E.M. and Neil Young on a scorching lead guitar. How can this miss?...Can any radio station play the second cookahh from the CUTTING CREW, 'One For The Mockingbird'? Even though 'I Just Died' won't die and the single has been #1 for two weeks in a row, it's common sense that your audience is hungry for more Cutting Crew. 'One For The Mockingbird' will be another hit. By the way, sales on the Cutting Crew album have gone beyond the 400,000 mark already...Finally, since it seems the hottest thing on radio these days is U2, we have a timely soundtrack performed by U2's guitarist THE EDGE, from the movie 'Captive'. This should hit radio around the 21st. More on this next week."

RICHARD PACHTER, PROMOTION IN MOTION (305-482-6629)

"MONTROSE is back with a timely remake of that old chestnut from the venerable Wayne Fontana And The Mindbenders, 'The Game Of Love'. Check it out...Also, be sure to listen to the HIPSWAY 12" 'Ask The Lord'. Their first track may have been questionable for Album Radio, but the new one is a natural...The RICHARD MARX song 'Don't Mean Nothin'' is already generating a lot of excitement. Listen and you will discover why...It's gratifying to see the great reaction to SUZANNE VEGA'S 'Luka'. Demographically, it's just what you need...Cudos to all concerned with Super Sampler II. It's great."

MIKE CORCIONE, RELATIVITY (718-995-9200)

"Sssssssssccccccrrrrruuuufffy THE CAT! Don't be left out. Play them now and be a part of breaking the hottest new band of 1987. Now on tour!"

ED TRUNK, MEGAFORCE (201-254-6533)

"Once again 'Into The Night' continues to storm radio and retail! ACE FREHLEY and his new band, FREHLEY'S COMET, are back stronger than ever. The Russ Ballard penned rocker is doing exceptionally well at retail on both the album and 7" picture sleeve single. The video for 'Into The Night' hits MTV next week. It was shot at night in San Francisco and looks great, combining conceptual footage with performance clips. All the elements are there to make 'Into The Night' a smash: The proven song-writing hit potential of Russ Ballard, the excellent production of Ace and Eddie Kramer, a huge fan base, and an amazing response at retail--all add up to a hit record. Above all, 'Into The Night' is a mass-appeal mainstream rocker (my mother likes this song!) that is generating major requests everywhere it's played...ANTHRAX just filmed a tremendous video for 'Indians' from the 'Among The Living' album. It was filmed by the Company and is sure to bring their new Lp to even greater sales heights. 'Among The Living' is out on CD May 18th, and the American tour begins May 26 in Rochester, NY...OVERKILL begins their American tour May 15 in Tampa. They just came off a highly successful tour of Europe...TESTAMENT will soon be kicking off an American tour in support of their new album 'The Legacy'...Once again, if you have any doubts at all about adding ACE FREHLEY'S 'Into The Night', WDHA's Mike Boyle says, 'This record is going to be bigger than King Kong's dong!!!' You better believe it!!!"

SCOTT BORCHETTA, MTM (615-242-1931)

"Dede has really flipped her wig. She's really starting to believe in this Vanna thing. This morning she was overheard mumbling something about Chuck Wollery being the original and was complaining about a vowel movement. Help!...To business: HEGE V -- Here he comes. This is what I've collected so far this week: WNCS, WPYK, WRAS, KDXR, KLWD, WUOG, WXYC and KVRE and counting."

'House Of Tears' and 'Burial Ground Of The Broken Hearted' are getting the bulk of the adds, but we've tracked adds on seven cuts so far. This album has depth!...IN PURSUIT hits the road this week with PSEUDO ECHO, so check it out Memphis, St. Louis, Cleveland and Detroit. We'll see ya next week on Hollywood Squares!"

VICTOR S. LENTINI, "EARTHWORKS" HEADQUARTERS,
(818-500-7677)

"Be hip! That's exactly what I mean. Play EARTHWORKS! Bill Bruford is smokin'! For those of you who have forgotten, Bill played drums with Yes, Genesis, UK and King Crimson. Need I say more? EARTHWORKS demonstrates what is happening with the British jazz scene. I'm not talking to jazz programmers here, I'm talking to AOR programmers, college and commercial, that aren't afraid to play an Lp that sounds tasteful, and blends perfectly on stations like WXRT, KMMX, WCLZ, KEYX, WLNZ, KTCZ, WBGK, WSIE, KINK, KVRE, KILO, KZAM, WEQX, WNCS, KMTN, or KKCX (who's already on it), just to name a handful. Checkout these tracks: 'Thud', 'Making

A Song And Dance', 'Up North', 'Pressure', 'My Heart Declares A Holiday', or 'Emotional Shirt'. Downbeat magazine (May 1987) gave EARTHWORKS ****1/2 out of ****! I'm telling you, it's hot. If you need a copy, call me now. Thank you very much."

PROGRAM PRODUCER

ED PINKA, RADIO INTERNATIONAL (212-734-3328)

"I went into a record store over the weekend and they were playing the CUTTING CREW album in-store. Two customers next to me started talking about the group when one said, 'They play these guys all the time on ROCK OVER LONDON.' I think I bust a button. Anyway, we do play Cutting Crew all the time, started last September and they're on this week's show, 'LIVE!'. The best new English rock, always first, on ROCK OVER LONDON....And thanks to Lenny at 'RCN for the kind words about BRITISH WAX MUSEUM. If you don't believe me, ask him."

MADONNA'S upcoming summer tour is shaping up to feature a lot of dancing. And, there'll be a couple of familiar faces among her four on-stage dancers. FELIX HOWARD, MADONNA'S teenage co-star from the "Open Your Heart" video, will join her on the road. But we're told they won't recreate the video onstage. Also SHABBA-DOO, the dancer featured in CHAKA KHAN'S video "I Feel For You", will perform. The June 26th start date of MADONNA'S tour could be pushed back a few days...DAVID BOWIE just shot the third video off his "Never Let Me Down" album in New York City, for "Time Will Crawl." And while the production was shrouded in secrecy, inside sources tell us it was shot by British director Tim Pope. BOWIE recently shot a video for the title cut of "Never Let Me Down" with French director Jean Baptiste Mondino, who worked on MADONNA'S "Open Your Heart". BOWIE'S world tour opens May 30th in Rotterdam, the Netherlands. He'll arrive here in early August...The BEACH BOYS' 1968 Hit "Do It Again" is being done again--by Wall Of Voodoo. And the song's composer, Beach Boy BRIAN WILSON, just shot a guest appearance in the video--which is full of BEACH BOYS references. The clip opens with Brian sleeping in a sandbox, being awakened by WALL OF VOODOO'S version of "Do It Again". He later sees WALL OF VOODOO performing the song on a beach. "Do It Again" is the first single off WALL OF VOODOO'S new album, "Happy Planet"...WANG CHUNG will open for TINA TURNER when she kicks off her American tour in August. The first date will be in Portland, Maine on August 10th. WANG CHUNG will tour with TINA TURNER for a month, after which ROBERT CRAY may be signing on as an opening act. CRAY is touring Europe with Tina right now.

INTERVIEWS

FLEETWOOD MAC: It's never easy working with one another. I mean, it never has been. I think it's part of the magic of this band.--It's such a challenge. It's not that we don't get on well--we do actually. There's always a certain tension which I think contributes..to the music, the end result.
