THE KGFJ LIST IS TABULATED WEEKLY FROM LOS ANGELES' RECORD REPORTS SUPPLEMENTED BY LISTENER REQUESTS

Ayem-Efem

This week dear AYEM-EFEM readers we are going to take a peek into the life of one VIP of the radio scene here in L.A.

When first you meet CAL MILNER of KGFJ you immediately think of a linebacker you may have met in college. You were right. Cal was a linebacker in football before radio took his heart in 1948. After all, a nephew of Frank Leahy would have to look the part.

It was fun today going back into the fifties and seeing what we had in common back then. The record biz was a ball, overnight hits with a few interesting disc jockey conventions in-between.

Before KGFJ, Cal spent four years linebacking at KHJ. Cal writes, spends time dreaming up contests for the station, handles FCC renewals/transfers & union matters.

The KGFJ group includes the popular KUTE/102 & KPOK in Portland, Oregon. For those interested, Cal was and is the producer in the Soul Search Talent Shows since 1967.

The day we met with Cal, the whole outer office of the station was filled to capacity with promo people from the record industry. With the power of the outlet this is readily understandable.

Unlike many powerhouse radio stations in the country, the promo folks are welcome here. In this manner, Cal & the folks at KGFJ get a true picture of what's happening in the record industry. In this manner, the listeners in Los Angeles are getting the best.
