Mullins Joins Regent As WBKR PD

Veteran Country programmer **Moon Mullins** has been named PD/morning personality for Regent's WBKR/Owensboro, KY. He replaces **A.J. Martin**, who last month was named PD of Saga's WVVR/Clarksville, TN.

Regent VP/Programming Bob Moody said of Mullins, "The fact that we can hire someone of Moon's caliber speaks volumes about Regent's reputation among programmers as a great place to practice their craft. I've known Moon for nearly 30 years. It's a pleasure to finally be working with him, rather than against him."

Mullins, who also spent nine years of his career in Louisville, said he's happy to be returning to the Bluegrass State. "Above all else, I can hardly wait to get back on the air, doing what I wanted to do at the age of 8. And now I can act like I am 8."

Most recently OM of Journal Broadcast Group's KVOO & KXBL/Tulsa, Mullins also previously programmed Country stations in Louisville and Nashville, as well as WHN/New York and WDAF/Kansas City.

Rossman To Moraine

Gulf Coast Records National Dir./Promotion **Nina Rossman** has been named to that post for Moraine Records. She replaces the exiting **Stan Byrd**. This reunites her with Moraine CEO **Brent Maher**, who was President of Magnatone when Rossman joined the label as Dir./National Promotion in December 1994. She was upped to VP/Promotion in July 1995. She can be reached at 239-592-5276 or, until activation of a Moraine e-mail address, at conferencecall@comcast.net.

Her background also includes stints in promotion, sales and marketing at Marco Promotions, Filmhouse and in the **R&R** Los Angeles office.

Moraine's roster includes **Keni Thomas**, **Jenai** and **Sean Locke**.

Figenshu Opens Consultancy

Radio management and programming veteran Bill Figenshu is leaving his post as President/Western Region for Citadel Broadcasting to form a broadcast management company, FigMedia1 (www.figmedia1.com).

Fig notes, "FigMedia1 is a manifestation of a notion that I have had for some time: Create a company that provides guidance to radio-station operators in a post-consolidation environment. Create a company that can improve cluster bottom lines in a short period of time. And, finally and most importantly, create a company that identifies the next generation of people and ideas, and then match them with companies that seek change."

He can be reached at FigMedia1, P.O. Box 310, Skytop, PA 18357. The phone is 570-595-2444, the fax is 570-595-9678.

This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President **John Hart**. Here's a look at some of the biggest stories Hart looks at in next week's issue (July 8):

"Toby Keith's 'As Good as I Once Was' spends yet another week as the No. 1 song in the sample and the No. 1 passion song. Sugarland make a major move from last week's No. 4 to this week's No. 2, and they have the No. 3 passion song with 'Something More.' Country radio listeners really like Van Zant's 'Help Somebody,' ranking it the No. 3 song overall, up from No. 5. Bobby Pinson is new to the top 10, with his 'Don't Ask Me How I Know' at No. 10, up from last week's No. 14. Sara Evans has a strong growth song with 'A Real Fine Place to Start,' which ranks No. 12, up from No. 16. Craig Morgan looks like he has another major song with 'Redneck Yacht Club.' This song has been on a strong growth trend, ranking at No. 13 overall, up from No. 20."

of "Mississippi Girl" for the event, to be held at the Country Music Hall of Fame's Ford Theater before an audience of 250. The one-hour special is being produced with no national commercials by Huntsman Entertainment. The album hits stores Aug. 2.

He would have been 51 on July 10. Services were held June 29 for the country and pop tunesmith, who for years worked with Rick Hall at the Fame Studios in Muscle Shoals, AL. A member of the Alabama Music Hall of Fame, Byrne had numerous No. 1 hits, including Earl Thomas Conley's "I Can't Win for Losin' You," "Once in a Blue Moon," "That Was a Close One" and "What I'd Say"; Ronnie Milsap's "How Do I Turn You On"; Lorrie Morgan's "I Didn't Know My Own Strength"; and Shenandoah's "Two Dozen Roses." Byrne was instrumental in Shenandoah's career. After seeing them in a Muscle Shoals nightclub, he wrote some songs for the band and encouraged them to work with veteran producer Hall.

Among other artists who cut Byrne's songs were Alabama, Roy Orbison, Helen Reddy, Mac Davis, Anne Murray and The Carpenters.

The new single

"GOODBYE IS ALL WE HAVE"

"Everybody is looking for songs that make a difference. Alison Krauss' music does just that. Playing her can help stations seem 'neo-radio,' and cool. But along the way, something else interesting will happen... Mainstream Country fans will love it! Alison has been a power-testing artist for KZLA - it can work for programmers on so many levels."

121 Country reporters. Songs ranked by total points for the airplay week of 6/26-7/2. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number. MOLLYE REES

"Anybody can record and sound great, but the real test is when they sing acoustically and it sounds better than the original." WDEN/Vance Shepherd

"What impressed me most about Mollye is her commitment to the substance of her songs and not just the sound. She sings about what she believes and that comes through in her music." WGOL/John Pilati
