R&R Throws Down A Gauntlet

Friday's R&R featured a challenge from Country Editor **Lon Helton** to Country Radio: Raise \$500,000 for the Country Music Hall of Fame and Museum by next year's CRS. The call to action follows the launch of All for the Hall, a fundraising campaign spearheaded by **Vince Gill** that asks every country artist to donate one night's pay to ease the museum's significant financial burden. The campaign is explained in detail in **Chuck Aly's** Aug. 12 Nashville column.

WSIX/Nashville and Clear Channel have set a precedent for radio, donating \$25,000 to All for the Hall. Moving forward, R&R/Nashville is challenging every radio company and station and all who make a living in Country radio to donate a day's income to the cause. R&R, Helton and Aly have already pledged their donations.

We will periodically post a tote board in this space to track radio's progress toward the \$500,000 goal. To pledge your support, visit www.allforthehall.com, and remember to earmark your donation as being from radio. For copies of the two all for the Hall-related columns, e-mail countrynews@radioandrecords.com.

Wright Rises At ADG

Audience Development Group programming consultant **Brian Wright** has been made a partner in the firm founded by Tim Moore in 1993. Moore says,

"Brian has enjoyed multiple successes over the 10 years he's been on the ADG staff. He's a fine programmer who also understands the chemistry and choreography of today's radio cluster." Prior to joining ADG, Wright programmed WCUZ-AM & FM/Grand Rapids.

ADG also announces it is opening a Naples, FL office and plans to open a third office, on the West Coast.

KAJA Launches Podcast

Clear Channel's KAJA/San Antonio has launched Country radio's first podcast. Visitors to www.kj97.com can download the podcasts, hosted by air staffers **Kactus Lou**, **Randy Carroll** and **Clayton Allen**. Interviews with Craig Morgan, Chris Cagle, Gretchen Wilson, Andy Griggs, Blake Shelton and SheDaisy are already available.

Franks To Keynote Seminar

Franks, best-known as the four-star Commander-In-Chief of U.S. Central Command, led the U.S. military campaigns in Afghanistan and Iraq from 2000 until his retirement in 2003. Stationality: KZLA/Los Angeles hosted a special reunion last Friday when **Lynn Anderson** stopped by the studio. Seems the original "Rose Garden" songstress heard Martina McBride's version of the tune and at various times called KZLA jocks to chat about it. She was invited to join the morning show last Friday and was surprised with a call from McBride. For the occasion, KZLA also put together a special "Rose Garden" mix featuring both singers.

The Chili Pot brought in \$15,000 last year.

120 Country reporters. Songs ranked by total points for the airplay week of 8/14-8/20. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
