Newmark Heads New CO5 Nashville Division

Los Angeles and Dallas-based CO5 Music is opening a Country division to promote and market music using the same model it's used for promoting music to the Alternative, Triple A, Hot AC, CHR/Pop and Active and mainstream Rock formats for the past two years. CO5 Music co-founders **Tracy Brown** and **Todd Sievers** have selected 35-year promotion veteran **David Newmark** to head the Nashville operations. Joining Newmark are industry vets **Darlene Starr**, **David "Bubba" Berry** and **Trudie Richardson**. The company's first clients are **Collin Raye** and **Forty5 South**.

Explaining the concept, Newmark says, "Most independent labels have all the pieces in place for success — marketing, distribution and publicity — but they don't have their own dedicated and cohesive field staff of promotion professionals in place to fully represent them at radio. The CO5 brand sends an instant message of credibility to radio, corporate-radio format heads and consultants, a fact that greatly increases our probability of success in getting the music we represent into the programming decisionmaker's hands." CO5 creates customized radio-marketing plans for each client. Implementation includes single setup, budgets, mailings, e-mail and online campaigns, specialty show promotion, promotional tours, presence at tour dates and interview schedules.

The vitals and titles:

- **David Newmark**, National Promotion Executive/Northeast, 615-469-1756 and factor@co5music.com. Most recently with DreamWorks/Nashville, he has also worked for Columbia, Geffen, Epic and RCA. He is relocating from Dallas to Nashville.

- **David "Bubba" Berry**, Promotion Executive/West Coast, 972-234-5271 or bubba@co5music.com. Most recently with RCA/Nashville, Berry has also worked at Equity Music Group, Atlantic/Nashville, Giant-Reprise/Nashville and Giant/Nashville in addition to KSCS/Dallas, where he was Promotions Director.

- **Trudie Richardson**, Promotion Executive/Southeast, 770-947-6810 or trudie@co5music.com. Most recently with Vivaton, Richardson has worked for Curb, Curb/Asylum, Audium, Atlantic/Nashville, Decca, the Erv Woolsey Company and Nashville Nights on WSIX/Nashville.

- **Darlene Starr**, Promotion Executive/Midwest-Texas, 972-312-1400 or darlene@co5music.com. Most recently with Equity Music Group, she has also worked at Warner Bros./Nashville, MCA/Nashville, Warner/Elektra/Atlantic and KUTZ/Austin.

in Friday's (9/9) **R&R Country Daily**, recently promoted MCA/Nashville Manager/Secondary Promotion **JoJamie Hahr** is joining BBR as Director/Southeast. The changes follow the recent exit of Director/National Promotion **Tony Benken**, who also handled the Southeast.

VP/Promotion **Jon Loba** says, "Lee and Shelley have been a huge part of our success and growth at BBR. They have in many aspects already been acting in national capacities, so their formal elevation to those posts was an easy decision. They each bring a different skill set, which we will capitalize on as we continue strengthening our team. JoJamie is the perfect fit for our team. She brings a love of country music and radio and is creative, passionate and as organized as anyone I know."

Country Joe Goes; More S.L.C. Country?

KSOP-FM/Salt Lake City morning personality and Country Music DJ Hall of Famer (2001) "Country Joe" Flint has resigned after an incredible 34 years at the station. If you want to wake 'em up in one of the greatest cities in the U.S.A., send your T&R to Debby Turpin, 1285 W 2320 S, West Valley City, UT 84119 or to debby@ksopcountry.com.

Street Talk: The big question is, of course, where Joe is headed — and it's not to the local trout stream. S.L.C. ST is buzzing about Citadel's launching a new Classic Country outlet to team with its mainstream Country KUBL. In addition to KSOP, the market is also supporting Simmons Media Group Country combo KEGA & KEGH. We might have news of a launch as soon as later this week.

120 Country reporters. Songs ranked by total points for the airplay week of 9/4-9/10. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
