HOW TO SQUEEZE THE MOST OUT OF A DETROIT MINUTE

The WWJ Stations understand their community. This understanding serves Detroit in many ways: Special emphasis on local affairs and news. A knowledgeable approach to total programming. A sincere devotion to community service. An affiliation with NBC that goes back 38 years. And home ownership by The Detroit News.

Because Detroiters know that WWJ and WWJ-TV understand their community, they are more receptive to advertisers' sales messages on these stations. Consistent results through the years have proved that the way to squeeze the most out of a Detroit minute is to spend it on the WWJ Stations. Whether you sell cakes or cosmetics.

How to 'crack'
the South's most
important market

HIGH TOWER WVEC-TV
NORFOLK/HAMPTON, VIRGINIA

Here is Virginia's No. 1 Market.

Here is the largest concentrated
military market in the free world.

Here is a vital market of over 1,200,000 viewers.
WVEC-TV reaches them all . . . because WVEC-TV's new
1049 foot tower increases coverage 3000 more
square miles — 60,000 more homes.

A nice nut to crack.

MR. MAGID FOUND OUT MILWAUKEEANS ARE CRAZY ABOUT US.

For example, they think WTMJ-TV is the most professional, most modern, most mature television station in Milwaukee. They feel WTMJ-TV has the best, most complete news. And the most experienced, most professional news staff.

What about weathercasts? They like those on WTMJ-TV best. They like our weatherman most of all, too. Sports? The majority said WTMJ-TV has the top coverage. Best sports staff, too. And movies? There again Milwaukeeans prefer to watch ours.*

What's all this mean to you? Simply this: Since WTMJ-TV is first choice with Milwaukeeans, shouldn't it be first choice with your Milwaukee television plans? Of course it should.

**From a study of attitudes and opinions, Frank N. Magid Associates. For further information, contact WTMJ-TV or its national representatives.*

THE QUEEN "GOT THE NEWS" IN 1493

Your competitors would hock their family jewels to hear about a market like Puerto Rico in 1966.

A market with limitless tropical beaches, lush mountain scenery and 2,500,000 eager and prosperous customers. Discover the mountains and beaches for yourself and, while you are living it up, El Mundo Enterprises will deliver the 2,500,000 customers. Each of these customers buys twice as much U.S. goods as his Canadian counterpart and he lives in a market more than twice as easy to reach.

To reach this rich market El Mundo Enterprises provides a unique quadriga of media to get your message to the eyes and ears of more people than live in Dallas and Houston combined!

El Mundo Newspaper is first, by far in circulation and prestige. Founded in 1919, it pioneered ABC certification outside the continental U.S.

and today its editorial influence is reflected in its advertising effectiveness.

Telemundo (WKAQ-TV, Channel 2) according to the latest Island-wide survey airs the first fourteen out of the Top Fifteen shows in Puerto Rico. With Network coverage, Telemundo reaches virtually every TV home in Puerto Rico with Grade A reception.

WKAQ is not only the most popular station on the island, but it also adds more evidence of the vision of El Mundo Enterprises. For forty years it has served the community with the best available programming and facilities. With its network affiliates, WORA, Mayagüez; WPRP, Ponce; and WABA, Aguadilla, it saturates this lucrative market.

Film and Dubbing Productions, Inc. offers meticulous lip-synch dubbing in a flawless "neutral" Spanish acceptable in both pronunciation and vocabulary in all Spanish-speaking markets.

TV Allocations, State, City

Note: UHF and VHF TV allocations have been made by the FCC to the following cities. A plus or minus after a channel indicates that a station occupying the channel must operate with its carrier frequencies offset 10 kilocycles above or below, respectively, the normal carrier frequencies. The offset indicators are not shown for UHF assignments, which were the subject of a rulemaking adopted June 4, 1965. The designators were to be added in a later order, but had not been published by time the Yearbook went to press. Meanwhile, the appropriate designators are shown on construction permits and licenses issued for UHF stations.

Asterisks (*) indicate channels reserved for noncommercial use.
