COMMON CARRIER WEEK

The weekly intelligence source for busy telecommunications executives... *organized* so the news you need is easy to find!

Common Carrier Week tracks proposed regulation changes, looks at successful (and unsuccessful) business strategies, comments on new equipment and services, reports on what decision-makers in the industry are up to, and provides the advance information successful executives need to stay ahead of their competition.

For subscription information, call collect: **(202) 872-9200.**

Television Translators

As of September 4, 1991

VHF and UHF Channels

Asterisk (*) preceding a listing indicates construction permit(s). Dagger (†) preceding a listing indicates application only. All others are licenses. Transmitter power output (TPO) is given at end of each listing; all translators are one watt (1-watt) unless otherwise indicated. Channel numbers are contained in call letters. For example, Ch. 4 is indicated for Adak Alaska by K04LY. Call letters and location of station repeated are in parentheses. This listing includes all existing & proposed translator stations, including those which are owned & operated by television stations.
