# It's all the business of show business.

Showbiz news reaches far beyond the borders of Hollywood. And so does the need for up-to-the minute show business information.

*Daily Variety* has been breaking showbiz news since 1933. And for people in the film, television, video and cable industries, knowing what's happening quickly is *essential* to getting ahead *and* staying ahead.

*It's all in Daily Variety*: the most complete listing of films and television currently in production (both cable and network) and weekly film box office reports. You'll also find reviews of current films, network and cable programs, a detailed listing of showbiz stock transactions and even international showbiz news.

Get your showbiz news when it breaks, instead of when it's recent history.

THE COMPLETE GUIDE TO THE SATELLITE COMMUNICATIONS INDUSTRY

Over 1,200 page Directory covering 380 satellites, 5,000 companies, their products and services - In fact over 25,000 entries. The 1994 all new 9th edition is organized so that you can reference any subject, company, name, address, product or service in Satellite Communications in seconds!

*Inside the Directory you'll find -*

**INTERNATIONAL ORGANIZATIONS.** Government Regulators and Administrators worldwide; all the PTT's - every contact you'd need to set up satellite communications with details on video standards, electrical systems used etc.

**SATELLITE OPERATORS.** Intelsat, Inmarsat, Intersputnik, Arabsat, Aussat, Eutelsat etc. Extensive information on Regional, Domestic and Planned satellite systems. Every Satellite Operator worldwide is covered in detail.

**SPACECRAFT.** Manufacturers and a detailed description of rockets & launch vehicles, launch schedules 1994-1997.

**MANUFACTURERS .** Manufacturers of satellites & satellite components. Ground transmit & receive equipment; Consumer systems; DBS and Commercial systems; VSAT's etc. - in fact complete coverage of all manufacturers worldwide.

**GPS & MOBILE SYSTEMS.** Satellite Positioning & Tracking systems, Mobile telephones, Data and voice systems, Transportable Uplinks and other mobile equipment.

**UPLINK EARTH STATIONS.** Details on most International and most US domestic earth stations including capabilities, interconnectivity, which satellites they access and contact information.

**NETWORK SYSTEMS.** Integrated satellite systems, System Integrators, Corporate networks & VSAT users, VSAT System Managers & Operators, Videoconferencing & Teleconferencing networks.

**USERS OF SATELLITE SERVICES.** Satellite Programmers; Broadcasters (Radio & TV); Educational & Religious Programmers, Complete world transponder listings of TV & Radio programs; Videotex; Major Cable Companies.

**PROVIDERS OF SATELLITE SERVICES.** Distributors, Common Carriers; Transponder Brokers; Transmission and Downlink Services & Teleports.

**GENERAL SERVICES.** Technical and Consulting Services; Installation and Maintenance Services; Associations; Legal, Licensing and Insurance Services; Research, Educational and Technical Centers; Publishers and Publications; Financial Institutions.

**GEOSYNCHRONOUS SATELLITES.** Information such as Location, Prime Contractors, Owner/Operator, Operating Frequencies, Number & Type of Transponders, Polarization, TWTA/SSPA Power etc. is included in this exceedingly informative chapter. There are over 350 pages of information with maps showing the EIRP, G/T & SFD of satellites worldwide.

**INDEX, BUYERS GUIDE & GENERAL INFORMATION.** - A very comprehensive glossary of satellite terms, statistics and an extensive index cross referenced by all the thousands of companies that are detailed in the Directory & a helpful and exhaustive product cross reference guide.

At AT&T Bell Labs  
your necessity is the mother of our invention.

Once you plant a seed in the fertile minds at AT&T Bell Labs, it's only natural to expect a breakthrough idea. We not only come up with solutions to fit the changing needs of the satellite industry, we answer—and even anticipate—the specific needs of our individual customers as well.

That's why our new Telstar 4 satellites offer capabilities that go above and beyond the norm. Besides variable power, variable bandwidth and in-orbit reconfigurability,

*all* C- and Ku-band transponders on Telstar 4 will reach all 50 states, Puerto Rico and the U.S. Virgin Islands.

So no matter what your future needs may be—compression, data, interactive TV or applications you haven't even thought of yet—we'll be ready to get cracking.

To see how productive we can be for your business, call 1 800 847-9335 for a bird's eye view of SKYNET® Satellite Services.

# Nobody puts more energy into your business than our satellite team.

We're not just whistling in the wind when we say that. The fact is, whatever your needs may be, both now and in the future, AT&T is better equipped to rise to the challenge than anyone else.

With the launch of Telstar 4, we're launching a revolutionary idea: a new generation of satellites with powerful built-in capabilities that enable us to customize service and operations to your every wish and every need. The result is unprecedented flexibility that

can generate all kinds of possibilities in the marketplace: new technologies, new ideas, new applications, new operational benefits, new programming, new audiences, you name it. Telstar 4 can be your most valuable resource in the fast-moving world of satellite communications.

To find out how you can empower your business, call 1 800 847-9335 and get things going with SKYNET<sup>®</sup> Satellite Services.

# IT TAKES MORE THAN LUCK TO SUCCEED IN ADVERTISING

## It Takes The Right Resources

With talent, dedication and the right tools (plus a little luck), you'll do well. But with reliable and comprehensive information on the ad industry, you'll do even better.

The Red Books — *Standard Directory of Advertisers* and *Standard Directory of Advertising Agencies* — give you accurate information on over 26,000 advertisers and 9,000 advertising agencies. And it's reliable! Only The Red Books include information provided directly by the agencies and advertisers. Now that's a competitive advantage.

## It Takes The Right Strategies

Whatever your objectives are — sizing up competition, finding new prospects, locating top executives, and more — turn to The Red Books. You'll get the Agency Red Book in January and July with cumulative updates in April and October; the Advertiser Red Book in January with quarterly updates, in your choice of the Business Classifications or Geographic volume; plus a handy Advertiser Index volume.

## It Takes The Red Books

So don't leave it to luck. To succeed in advertising, put the right resources and strategies together and order The 1994 Red Books today. With this special prepublication standing order you'll save \$89.50 but you must order before February 14, 1994. Call **800-521-8110** or fax **908-665-6688**. Also available the *Standard Directory of International Advertisers & Agencies*. Complete set available on CD-ROM.

# Increase Your Sales With R.R. BOWKER Mail Lists

Radio, TV and cable mailing lists are available from the *Broadcasting & Cable Yearbook* you are holding.

## Ultimately a direct marketing campaign wins or loses by one important decision—Which Mail List To Use?

When you need to reach key decision makers in the radio, TV and cable industries, the best source is mailing lists from the *Broadcasting & Cable Yearbook*. The entire spectrum of key radio, TV and cable industry players in the U.S. and Canada are represented. You'll find over 13,000 radio stations, nearly 2,000 TV stations, and more than 600 MSO's along with their large and small systems serving 1,000 subscribers or more.

### Quality

The mailing lists from this directory are top quality because the data comes from the most reliable sources—the companies themselves. The *Broadcasting & Cable Yearbook* does not rely on second- or third-party reporting sources, and the Yearbook is updated frequently to assure accuracy and deliverability.

### Accuracy

With the *Broadcasting & Cable Yearbook*, you zero-in on the exact professionals who buy your products and services.

With the *Broadcasting & Cable Yearbook*, you get direct access to all influential industry professionals from owners and general managers to sales and promotion managers.

The *Broadcasting & Cable Yearbook's* lists are managed by Cahners Direct Mail Services, an experienced list manager whose account executives can advise you on the best list selections for your direct mail programs.
