If not I hope you will from now on as the lease we can do is to show our appreciation in obtaining these programs. I know the CPC men can not arrange these programs so that all of us can tune them in so remember if you can not hear them a Thank You card is very appropriate.

Your Editor had one grand time at the joint NRC-IDA mid winter convention. I am very grateful the the Cleveland members who made this possible and will look forward to attending again next year.

NEWS OF THE IDA-NRC 2ND ANNUAL CONVENTION AT CLEVELAND, OHIO, JANUARY 18 AND 19 SPONSORED BY CLEVELAND RADIO CLUB

Twenty-nine persons attended the convention. They were:-- From the Cleveland area: J.E.Gardner, Mrs. J.E.Gardner, Mrs. C. Carey, Francis Gmeiner, Miss Alice Pender, Jack Siringer, Miss Jean Kelley, Fred Herke Jr, Miss Jean Doing, Charles Wolfe Jr., William Hahn, Steve Mann, Miss Patricia Conrad, R.X. Things began early Saturday morning when three of the Chicago boys arrived. They were met and shown around town etc. By late afternoon most of the rest had arrived. About 5 PM, Ray Edge and Tom Carberry got in surprising every one as they were not expected. The banquet at Hotel Westlake began promptly at 8:00 PM and following it short speeches were made by J.E.Gardner, President of the Cleveland Radio Club; Charlie Trezise, 4th District Director of the IDA who spoke on behalf of Charlie Morrison, President of the IDA; Ed Schenk, President of the World Wide Dial Club of Chicago; Ray Edge, Editor of the NRC bulletin; and Leo Herz who spoke on behalf of Joe Becker, President of the NRC. Following this the prize drawing was held. Tommy Grey of Lyons, Ill., the most distant DX'er present, won a prize of stamps donated by J.E.Gardner. Mr. Grey also won the NRC membership donated by the NRC. The three IDA memberships were won by Ralph Berger, George Cryder, and Mrs. Carey. The Radio Amateur CallBook donated by Randolph Hunt was won by Steve Mann. After the drawing, several flash-pictures were taken of the group.

The bunch then went downtown to WTAM's studios for the big DX broadcast broadcast from 11:07 to 11:30 PM. Jack Siringer m.c. ed the program on which all out of town guests as well as several others appeared.

The next day, Sunday, was spent in visits to the DX shacks of R.X. Breymaier, Jack Siringer, Steve Mann, and J.E.Gardner. In the evening to finish off the convention, a hot bowling series ensued. Complete returns of said bowling is given below:

CONVENTION GOSSIP

....It is said that R.X. Breymaier intends to become a teacher of the fine art of bowling....In a hotly contested ping-pong battle, Jack Siringer using an ax for a paddle barely nosed out Leo Herz who used a regulation paddle by the score of 21-4....Jack Siringer showing the female contingent around as usual....We have it on good authority that during a pinochle game by the Chicago boys at their hotel around 2 AM Sunday morning, one Leo Herz fell asleep; thereupon, the players began to hear loud noises resembling the rumblings of a volcano--such loud noises that the hotel manager politely requested quiet and friend Leo had to be awakened....Junior Carberry was saddened because he couldn't say hello on the WTAM program to a certain young lady in Erie, Pa....We understand that Charlie Trezise met the light of his life during his stay--ah yes, great thing these conventions....And then you should have seen Ed Schenk and Gail Beyer playing with the airplanes in the toy department of one of Cleveland's larger stores....George Cryder had that HJGK veri with him--why can't I have his luck....Ray Edge thinks we should all see Niagara Falls during the coming NRC convention Labor Day....

Stuff heard 1/13 Suprise of me DX career. From 1:28 till 2:15 AM EST I
heard and logged with a consistent QSA5 R8 signal Radio-Lyon in Lyon
France. Signal was almost completely free from fading. The same morning

R.X. BREYMAIER LAKEWOOD OHIO Jan 20 I had some real luck. During the eve-
ning I logged OAX4A-YV3RE and TIEP. Now I hope they verify. Early morn-
ing DX includes Radio Lyon-1393kc-KGMB for new ones as well as many US
stations. I enjoyed seeing lots of the boys here at the convention. (Well
Bob we enjoyed it a lot also and will be looking for you fellows at the
annual convention that will be held here in Buffalo this fall-Ray)

CHARLIE WOLFE JR. LAKEWOOD OHIO After silghtly over one months BXE DXing
I have over 100 verified with about 50 reports out. Out of the country
DX includes ZNS which has been heard well and easily loggable signal
every day for the past week. TGW easily heard late evenings and numer-
ous Cubans including CMW-CMBL and many others. Goal is 300 veries by
June 1st. (Well Chas I dont think that will be hard as there are a lot
of new stations on and you still have at least 2 good months for the
Frequency checks.)

Well boys all the news is cleaned up so will fill this space with
odds and ends.
