January 17 1942

We welcome the renewals of Albert Bartholomew, Eric Bristow, Jack Quintrell and Fred Van Voorhees. Lots of Pleasure and DX.

## DX CALANDER

DATE	CALL	LOCATION	KCS	CLUB	TIME ALL EST
JAN 21	KOOS	Marshfield Ore	1230	GNSWLC	4:00 - 5:00 AM
25	KOH	Reno Nev	630	GNSWLC	2:45 - 3:00 AM
27	KMYR	Denver Colo	1340	GNSWLC	4:00 - 5:00 AM
FEB 8	YSS	San Salvador-El Salvador	638	NNRC	4:00 - 5:00 AM
The above program also over YSD-7894kc and HUB-5560 kcs					
*17	CKVD	Val d'Or Que.	1230	N R C	3:00 - 4:00 AM

You will notice that special DX programs are getting fewer all the time. Stations cannot guarantee these programs and no one knows if they would be heard if put on. Our CPC staff have decided that it will be an aid to both the DX clubs and the stations if these special programs are dropped for the time being. That is not to contact stations until such time as the channels are again clear and the stations can be sure of a good number of reports. Dick Cooper has been going through real difficulties and that is the reason for no CPC Corner. Please bear with him.

Next issue of RADEX will be a special TP issue, containing lists, tips on identifying, and tuning the stations of Australia and New Zealand. Send your order for the February issue to RADEX 148 Copley Ave., Teaneck, New Jersey now. Subscribe yearly and save 40¢. Single issues 30¢.

## F C C Information

New Station-Susquehanna Broadcasting Co, York Pa. 900 kc 1kw Daytime.  
New Station-Jacksonville Bdgs Corp. Jacksonville, Fla 1270kc 5kw Unlim.  
Station KTNM has been granted permission to operate from 7am-7pm only  
Station KFQD granted permission to operate unlimited time for 30 days.

The World Wide Dial Club will meet on Saturday January 31 1942 at 8:00 PM Chicago time at the home of Matt and Zana Kandle, 1206 E. 82nd St., Chicago. This will be one in a series of combined Chicago-Milwaukee get-to-gethers. A large turnout is expected. Leo Herz.

Remember to have your reports in by Thursdays. Most of the reports did arrive this week in that mornings mail and it made a big difference at this end. Please continue this method, it is appreciated here. There were no listings of the BCB contest this month due to veries being so slow coming back. Be sure to have your corrected standings in to the contest manager so they can be published in the bulletin of Feb 7th. February 3rd is the deadline for that issue so send in your standings.

Private Merlin Steen one of our former members is now located at the following QRA. Pvt Merlin Steen-125 F.A.-Battery E-34th Division A P O 1001-c/o Postmaster, New York City. Drop him a line as it will be appreciated. While were at it the following is Bill Stones QRA, another member in the Canadian service. B-31015 Pte Stone William H.-RCAMC Nol Cdn Medical Centre-Canadian Army Overseas; You only need a 3¢ stamp to mail a letter to Bill Stone. When you have a spare moment or two sit down and drop these boys a line especially those who have meet them. I know both will appreciate hearing from any of you.

We have asked that members sent in their VIS-VIC ratings on the BCB. During these times when DX is not just as plentiful as it has been we believe it would be interesting to publish these standings. There are no prizes connected and is only to see just how you members stand. Some of the boys have written in asking how this VIS-VIC rating is counted. To figure your VIC you take 1 point for each country you have verified and to figure your VIS you take 1 point for each state-province or district (or however the country is divided) and the total will be your VIS. For example if you have a station in each of the 48 states and the District of Columbia verified and 6 of the provinces of Canada and say 5 of the Districts of Mexico your VIS will be 60. Your VIC would be 3. Puerto Rico-Alaska-Hawaii each count as a different country. Now figure out your rating and send it to HQ and we will keep it on file and at different intervals it will be published. After you send in your first rating please inform HQ when additions are made.

Frank Wheeler has another idea which we believe will be of interest to you members. He asks that all of you drop him a card containing your full name including middle initial along with your total number of stations heard and total number verified and he will do the rest. He asks that you do this at once and then make it a monthly habit to keep him informed of any increases. Send it to Frank Wheeler, 406 Eagle Pt. Erie P.

JIM WEDDEWER-DYERSVILLE IA. Cold weather just abating here after a week of terrific sub zero readings. Only veries received are a card from KDYL after 2 months and letters from KSAL-KVCV-CJRM-WLDS and on a SW card without a stamp from CHNX after 2 reports, and a letter from RAIE in 3 months. I now have 33 SW countries verified, 72 countries heard and on BCB 11 heard and 5 verified with 112 stations verified on BCB and 61 on SW. New loggings and reported to are WNAC-KOIN-WBBZ-KGRK-KDNT. The veries just start coming in. I overslept this am on YV6RC and am really mad. I shut the alarm off without knowing it. How come nobody hrd KVCV? I got their verie already. CHAB like a local here lately but havent answered last 3 rpts. I would like the QRA of HJAR to send a follow up.

ERIC BRISTOW-CHICAGO ILL. Have sent reports to KTHM-KFYO-KGIN-KRIC-KSL-KFEL-KGHL-KFLB-KROC-WISE-WFAA-WAIT-WAPI-WOAI-WHAS-WKAR-WTAM-CBM-CKAC-CBL-WNOX. Have rec veries from WBZ-KMOX-WCCO-WABC-WOVO-WTCN-WLAN-CKY-WNES-VJAX and KPPY. Am having a P.O. examination soon so will not do much DXing until after that. (Keep it up Eric and tnks for renewal)

PAT REILLEY-JANESTOWN N.Y. I'm still alive but very little DXing for several weeks, bed feels too nice to get up. YV6RE came thru good on their DX for us. WGGG only verie received in nearly a month and 17 reports still out yet. Too many stations on the air to appreciate DXing. (That last statement is Pats but to those who might not know it, Pat had worked nights for the past 20 years getting home at 2 Am, now that he is working days I am sure all of us can appreciate how hard it is for Pat to arise from a bed once he crawles in. Anyway Pat lets see a little more action from down Janestown way-Ray)

STEVE MANN-HANOVER N.H. Here I am listening to YV6RE-YV6RC special coming in very well on both frequencies. Good program. Only verie received is HJCR. BCB conditions pretty good. HOK on 640 hrd well around 10 PM several times. Both YV6RC-6RE hrd well and really had a good program, announcing both in Spanish and English. HJAN-HJCO-HJ CZ and other S.As continue to come in well in the evenings. To me there is still plenty of DX.. It just remains for the DXer to get it. (Steve Jim Wedewer would like to complete QRA of HJAR. his address is 904 E Victoria St. "REMEMBER BUY U.S. DEFENSE STAMPS AND BONDS WHENEVER POSSIBLE" IT PAYS.

NATIONAL RADIO CLUB DX NEWS

BCB Page 3 \_\_\_\_\_ TIPS and LPO REPORTS \_\_\_\_\_ January 17 1942

DAVID THOMAS-PROCTORVILLE O. Latest veries are WATH-WBE(19850kc)-KSCJ-KQW a nice letter and ekko stamp verified reception on Sunday evening Dec 28th 1941 from 4-6 PM EST on 740 kcs. WSON-WLDS-WTJS(card shows picture of WTJS) a very nice neat verification. Another nice verie and letter from "Radio Eireann" from Dublin postmarked and dated Dec 2nd and gives present schedule as daily in GMT as. 12-1:30 PM and from 5:30 to 6:15 PM on 17840 kcs. 6:30 to 9 PM on 15120 kcs and from 9:10 to 10PM on 9595 kcs. This is GMT. WHBL rules on 1330 here from 5:30-6:15 PM nightly after WFIN signs and before KFH starts their nightly fight. WL0L at times can be hrd near 5-5:30 pm behind them. 1/13 3:10-4:06 YV6RE was Q4 R7 and YV6RC was Q4 R9. Both stations were well heard. YV6RE was best after 3:20am. Other veries in are KOL-WIGM and ZNS.

LEN KRUSE-DUBUQUE IA. Most of past week temperatures were still below zero and so our hobby DXing was good for a change. WKRO hrd several early mornings with equipt tests on 1/7 and thereafter. 1/8 Hrd KVCV with R8 sig at 3:30. WTOC new logged on same date. KJBS sked is from 1 PM E ST to local sunset next day. 1/10 logged WNAD-KIUN during freq checks, WCAZ testing on 3:30am, WEBC on several hours this am describing large fire in Superior. WPAB hrd with reg program 5:45-6am EST. Thanks for tip in NRC bulletin on WSON logged from 8-9 am on Sunday. 1/11 Both WATL & WEBQ hrd with reg Sunday morning programs. KFFA hrd s/on at 8:45am. I missed special DX from WHT(As reported by me from West coast) KWKW not to be on 1430kcs as planned. KPFE started operations on Jan 1st. KWRC on the cir. KTPN is thin air never to materialize as is the new Hollywood station which was to be on 1240 kcs. Veries in the past week are WRNL-WFHR-WLAC-WRVA-WINK-KJBS-KPO-KOL-WSYR-WOWO-KYW-WJAX. WINK also sent book of personalities from their station. (Your WOC dope taken care of)

GRANT BATSON-WESTFIELD N.Y. This is the way I like it, more veries than reports. Cards from WQAM-KSL-KCRC and KOL. Reports sent 1/11 KWJJ-3:50 4:10am. 1/12 KNET poorly hrd behind WNOE on NRC special, also hrd KABR on 1420 FCC test 5:05-5:20 Q5 R9, tried for PRF-3 on 1410 but no soap. PRE-7 not hrd either, also on 12th from 7-7:15 on 196 kc hrd a longwave German speaking station Q4 R9, hope I can get Iceland on long wave. How about some one that has the times and freq of some of these long wave stations sending them in to be published. especially between 140-380 kcs. I tuned to 640 kcs and heard a BBC program, hope I got enough to drag out VONH. I hope. (Grant it might have been HOK, better listen good)

JACK QUINTRELL-SEAT PLEASANT MD. Late veries are KLO-WJAX-CKRN-CHLN-WKAR-KSRO-WGNY. A few BBC stations coming thru 3:30-5 PM. New stations are only WKRO and WOSH on 1/7. No specials hrd except WHT and PRF-3. S.A. are coming in fairly well. (Tnks for renewal Jack)

HOWARD KEMP-WATERBURY CONN. KPAS in Pasadena Calif expects to start broadcasting in 2 weeks and KwJB will dx for the GNSWLC on Jan 12 from 4-5 AM. (Say Howard how about a good sized report on your activities)

LEO HERZ-CHICAGO ILL. Sent reports to WHK-WSMB-WREC. Veries from WBAL-WOOD-WLDS-WFHR-WJAS-KFYR-KVFD. Log now stands at 324 logged and veries at 290. VIS 52 VIC 6. WREC was logged thru WMT. I still did not get a verie from WJMA and I need help on XEG and WTMA.

ERNEST COOPER-BROOKLYN N.Y. Veries this week from WGGG-CKCO-KBIZ. Look for Van Nostrand checks on Jan 15th instead of 1st Wed & Thur. KVCV was drowned out by WITH, which is silent Tues am 3-5am. Dont feel bad about missing CKVD, they will be on for us Feb 17th 3-4. Look for programs also from KSOO-KDRO-CKCA-WGGG. Failed to hear alarm third time this year & missed my CHAB special. Thanks for the Xmas cards fellows, I didnt get the address list so I couldnt send them to you. Please consider this as a personal greeting. didnt try for WTMA as thought it would be assigned.

## NATIONAL RADIO CLUB DX NEWS

BCB Page 4 \_\_\_\_\_ TIPS and LFC REPORTS \_\_\_\_\_ January 17 1942

FRED VAN VOORHIES-CINCINNATI O. Haven't done much listening lately, but to prove I still could log and report a station, I reported WMBR-XEW-WRUW-KLO-WMBR-KRIS. Veries are already in from WMBR and KLO, added to recent veries from WTPG-WBHP-WCOU for my up to date DXing. Oh yes forgot I reported KFEL also. Stations heard but not reported were WITH-WCAE-WLAK-KDYL-WAML-WPAX-KSL (which owes me a verie)-WIZE and WSON. Spent last Saturday visiting Joseph Becker, and let me tell you all we had a swell afternoon talking over club and DX in general. He certainly has a nice collection of veries, and my hat is definitely off to him. (I know you had a swell time Fred as I know Joe Becker-Ray) Tnks for renewal.

ELDON ADDY-MARCUS IA. Since last week the weather has about faced and is very nice now. Also DX is better as I have heard and reported the following new stations. WJJD-KDYL-WDGY-KSLM-KEVE-KELO-KOIN-WLAC-KVFD-WHAM-WMFR. Veries in from WABC-KFI-WJJD-WDGY-WALA-KWBD and finally from KBIZ for NRC special. Best time to hear KSLM is on Sunday AM. KGER leaves the air at 2AM EST leaving only KSLM on 1390 kcs who has dance music till 2:30 and then leaves the air. WSON heard here other morning at 8AM but not good enuf for a report. YV6RE was on this morning but so was KWJJ and nothing doing there. YV6RC on 3450 was badly messed up by some point to point stations I believe so missed both. Till next time the best of DX to all. (Eldon your letter postmarked 2:30 PM Jan 13th and it arrived Thursday morning Jan 15th. So evidently this is OK-Ray)

AL BARTHOLOMEW-BRADFORD N.Y. YV6RE pretty good here but experienced considerable interference at times from KWJJ. They were 4-5 R6 most of the time. Only other reports are WPAT-KSKY both heard Sunday morning 7-8AM Veries in from KBWD signed by T.D. Flatt, c.e. and was mailed from KBST in Big Springs where he was assistant. Says he is 22 yrs old, quite young for a c.e. eh? Other veries WINX plus a swell book of station; WNAB finally with card verie, cant make out signer and letter verie from WOSH, said Oskosh was up to then the largest city without a station. Signed by Nathan Williamson, station engineer.

DON REYNOLDS-NEWBURGH N.Y. My first report in quite a while due to the increase in business during the holidays. (Business first Don) Veries coming in slow here too. Only new ones since last report are WCAR-WRAK-WITH-WTPG-WPEN-WISH-WIBC-CFPL-KXA-KBIZ-WMBD-WHLD-WCHS-WAGE-WHP-WBRY-WPAT The following were reported during November and so far have not answered WKAT-WMBG-WJIM-WKEX-KBWD (promised verie) XEJP-XEMC-KGU-WCAE-WTOC. Well I still have hopes Hi. Just recently reported were 2BL-WWNY-KOIN-WKST-WICA-WAYX (Don I'm laughing at this one-Ray)-WBBB-WSAR-WFCI. Total BCB veries now 535 in 33 countries. 1/8 PRA2-800 kcs hrd near 6:30PM tangled with KESK & TIXD, also Paris PTT-695 and Lyons-648 at same time. 1/12 I hrd HJCZ-YV5RL-PRA9-LS1-CX6 all heard off and on from 7-9. PRA9 was hrd R7 for a few minutes. 1/13 No signs of YV6RE but a little later after 4:30am the Aussies were heard fair, 1YA-4YA and 2BL all hrd well. 2BL was reported. I notice that the FCC checks were on this past week. I'll have to lay for them in February. Still trying to get better reports on several S.As so I guess as long as its 5:30 I better get back to those Spicks and see what can be done about it.

JOHN LEVISOHN-CRESTWOOD N.Y. I would appreciate a copy of your DX News. Heard about the NRC over WWSR in St Albans Vt. I have been a DXer for about 1½ years and have received about 450 stations all on the regular waves. Of the total 6 are Mexicans, 7 are Cubans and about 30 are Canadians. My best catches in the U.S. are KWEM-Hobbs, N.Mex; KLO in Ogden Utah; KMO, Tacoma Wash; KFBK, Sacramento Calif and KFJM in Grand Forks, So Dakota. (Thanks for your inquiry John and hope we can induce you to become one of our members.-Ray)

JOHN KALMBACH-WILLIAMSVILLE N.Y. Veries from WAAT-WHOL-KBIZ. WJMA now long overdue-it would seem if someone could persuade them to answer. F. Borchardt claime a snow storm blew his antenna down-could it have been overloaded with piegons? (Well well look boys finally a report or as it?

DON BARNES-ST ONGE S.DAK. Sorry no report last week, but weather so bad no trains ran here for 2 days so couldnt get a letter off. We really had it cold for a few days, 20 below and 18 in of snow. KFRE has begun operation on 1340 kcs and KARM on 1430 kc must have begun early this month as I reported KARM on 1340 late in Dec. DX improving a great deal now, either Aussies and Zedders coming in almost every morning. Just this morning copied 2TM on 1300-44K on 1220-3BA on 1320-2KO on 1410 all with R4 signals at times. Others in last 2 weeks WKRO on 1/7 and KVCV on all night same date also KSLM at 10am; 1/9 KWLK at s/off; 1/11 CJVI on till 4am; KLBM testing and XEF with R7 signal on 1427 with special. Veries still very slow with only KROD-WLAV-KPOW-KBWD in 2 weeks. FCC tests heard but all nighters not signing off for them.

DEAN LONDON-RINGLING OKLA. The reason no report from me lately is that I've done very little DXing in last 2 months. However I figured that during the past year I heard 910 stations on the BCB which together with 48 hrd previously makes a total of 958. If I had stuck to my guns I might have made it a full 1000, BCB stations hrd during 1 year. I slept thru many a DX. (Thats bad) New ones hrd here since last report, WMAN-WIGM-WENY-KGFJ-WEAU-790)-WLDS-WHLN-KIEM-WATL on at 7:30am Sun)-WRRN-XEH on 1420-KARM on 1430-HJAN-WKRO-KVCV(R7)-CKTB-KEVE(off 2:10)-XELA. Counting new freq seperately I have heard 1521 stations. KNX & KWJJ blocked out YV6RE. Altho KEVE & CKWX were R7, CJVI was audible from 2am on. KRLD off at 2 instead of 3 on 1/13. KEVR should be hrd if they are on after 2. Still havent hrd WHBI-CJOR-WHA-CBA-CHRC and others that look easy, on paper. (Glad to see your report again Dean, we missed them-Ray)

CARROLL SETH-WELLSVILLE N.Y. Frigid weather has brought my best DX since October. Am concentrating on certain frequencies in hopes of hearing Wyoming & Montana again and this time I'll send reports. Hrd KOH-630 on 1/1/7 and although covered by KVOD most of evening, stays on a couple minutes past 3 in the clear. 1/8 hrd KPRO on 1440 and Victoria, B.C. on 1480 Call letters were not given as CFCF but sounded like CJBR. (Correct ones are CJVI) Rceived verie from TI4NRH and my diploma says, "Acknowledging 725 kc-TI4NRH date and time. In view of Sr, Marin's sometimes imperfect use of our language. I like to think this is a verification. How about reconsidering Frank? Ed Wyman paid me a visit during which we covered DX from A to Borchardt. ED's too modest. If Ray Edge heard little KTOH on a 6 tube set we'd never hear the end of it. (I'll say you wouldnt)

QUESTIONS & ANSWERS

To J. Wedewer-4RA of XEB is Estacion Radio Difusora XEP, Apartado Postal 89, C. Juarez, Chih. Mexico; XEG veried in 31 days from Monterrey (Card) To L Kruse-WCRW is only on afternoons, will not DX for us, have tried. Jack Quintreil wants the signer of KGFY verie, Come on HEHZ & ADDY.
