QUESTION BOX

- 1140 (For Anderson) Signer of WSIV is Paul L. Prandoni, C.E. (Morse)
- 1340 (For Gabriel) Signer of KWRZ is Martin F. Turner, General Manager. (Addy)
- 1460 What about KGNT, North Platte, Neb.? They are not listed in Foerster's Log for 3 issues. Are they delisted, or what? I verified them in 1942. (Wymair)
(Answer) WOW bought them out a couple of years back, and moved them to 1240 Kc/s. with unlimited time, and the call letters were changed to KODY at that time, after the last name of Buffalo Bill (Cody). (Lefty)
- 1510 What time does WMRP sign on now? (Becker) If after 6, no good, as WMOH ruins that part of the dial for me.

Do you enjoy talking DX? Do you have trouble finding some one willing to listen to you? I guess most of us have that trouble, for so few are interested in DX. But you are interested in this fascinating hobby, and you can do plenty of talking about it at the annual National Radio Club Convention, which will be held in Buffalo, N.Y., on the 3-day week-end of Aug. 30, 31 & Sept. 1. Why not lay your plans to attend now? More details will be forth-coming in the June and July issue. As one who has attended regularly for some years now, I can promise you we all have loads of fun. If we didn't, I wouldn't attend. Yes, it'll be well worth your while, and you may of course, bring the family along. Mrs. Edge entertains the ladies, as do her daughters, and all have a fine time. Something new, you say? Yes, it is, but once you come, you'll wonder why you have put it off in years past! So, reserve the Labor Day week-end now, everybody! There are other get-togethers being planned, also. NNRC is planning a convention, and there is the meeting of the World-Wide Dial Club in Chicago, and a Staten Island Picnic for the near future. See Page 9 for information about the latter 2. Lots of fun ahead! Again may I urge you to make the Verie-signer list grow. Everybody - today - right now - sit down and jot those signers down for the past season, and shoot them along to Walt Bishop who is compiling the list. If you want name of a verie signer, write him, and please fill that list with your signers! See P. 8.

KC.

Well Fellows, I'll continue this list into the next issue and thne it will be finished..Do not gsurantee this list..Nor do I know how accurate it is..If any one knows more about it will be glad to add to it or print any corrections that may be needed to do the bringing up to dateness of it...Nothing in the way of Dx here..Have not been listening..Just getting plenty of sack time..Say Duffy when is the next get together up there??Count on me..Well at least I'll try to be there. That's it for this month..Nice summer vacations to you all..Vince.....

MUSINGS OF THE MEMBERS

Ken Albrecht - Van Nuys, Cal.

Thought I'd surprise you with the first report from California for the ex-Connecticut Flash, hi. First of all; the following is a list of reports still out from my East Coast DXing: WJLS WAJR WRAL KSJB CKBI KWLC CHGB WOSH WCAW WSGC WKDA Lopik WCKB WPBP CFOS CJCA KAVE WJOR KAVR WBAB WMMJ WHAL WASL CJBC WTIP KALL ZBM KMAC WICY WIAC CKVL. The following veries have been received as a result of DXing out here under sunny (?) California skies: KRUX KECK KHSI KWRZ KFLW KNAK KSUB KFXD (on DX) KCNA KREO KGFL (Said my rpt was their first from California) KTRB KSFO KYOS WGAD KWJJ KGLU (with 1 kv on 1480) KLBM. Verie total now 814. And here's a list of stations still to be heard from while twirling the California dials: KYA KCOK KOPO WDMG KWOR WIMA (?) KINT KROD KXL KSVP KBIO KCOY KCID KTYL KWBR KBNE KVKM KSUN KPRL KAWT CKNW KELA KTIP KOVO (on DX) WBBQ KIST WKJB (good signal, for the distance) KPHO KPPC KXLJ KCRS (quarterly f/c) KCRS. The only mornings I'm up at present are Sundays and Monday's, with the latter much the better of the two. (Glad to hear from you Ken - will write when time permits - Ed.)

J. Warren Routzahn - York, Penna.

How come you didn't take over managing the Dodgers? I thought you were their staunchest supporter, & it would just take a guy like you to put them over. I won't say where!! Anyway, I'll take time out for probably my last report for the summer as I don't expect to DX for a while. With the coming of Daylight time, DX goes out for me. I know there is plenty to be heard during the summer but there are too many other activities then so I'll be laying off. Since my last report I logged: WHFL WJOI WNCA WKYW WINZ WKAL WBAY KSYL WTUX KVET WWNS WMGR WOAY WMCK WDAY WTIP KAKC KLIZ WGAD WTOB KRKN WNGO WSIC WJVB.

Received veries from KAMR WXP CFBC WQMI KPSA CHAT VMIQ WNCA WAUX WKYV WKAL WPPB WWSN WNOK WMCK WHFL CMBZ CFCC KLIZ VDMG WTUX WJOI KRNW VNOX WTOB KVET. Aimed at 1000 veries this season and just passed 1100 so am well satisfied with the numbers but don't get too much kick out of all these Eastern Stations. WSIC WJVB WNGO WTOB etc. were new ones on testing equipment. Probably be lots of them on during the summer but I'm signing off and saying 'so long' till fall. And so goes the so-called report. Plenty of fixing up and painting to do around the place again, but I like to get outdoors in summertime since I'm indoors about all the time in the winter. Keep up the good work, Lefty, & we'll all be back in there in a few months. So long and good luck for now.

Joe Pellatier - Altoona, Penna.

I've been quite busy so I haven't had much time to DX or report in the past 2 months. The season ended for me with 137 veries out of 185 reports. I hope to do as well next year & get a few more of the specials. I'm working at WFDG now & helping to install WRTA which we hope to have on the air by the 15th of May. Our equipment tests will be for only 1 night if everything goes well at first. Perhaps we can have a DX program from WRTA & WFDG next season. WTWS still not on the air. Looks like a long time yet. To Ray Edge, keep sending my bulletin to Du Bois. Watch for WRTA (just as soon as the tower gets up). Any later developments I'll let you know about. Hope to see you all in Buffalo this year.

Al Maley - Highland Falls, N. Y.

A long over-due verie card received from YVERB on a report of Dec. 7, 1945, hi. While there's life, there's hope. Also fairly recent veries from WETH (understand he's tough to get a verie out of) & WTUX. At least I've got one state complete - Delaware. Also KDWT. Was overwhelmed to receive a nifty colored QSL card from WKWF on a report of almost 2 years ago. They verified promptly at that time by letter, but apparently held all reports in abeyance until they had these nice cards printed, & then sent cards also. The most amazing part of it all was that the verie signer on the WKWF QSL cards was none other than that former arch-enemy of DXers, James G. Cobble, formerly of WMFO & WHMA, etc. KOVO not heard here & don't go trying to tell me that they are an everyday catch like you did when I first told you I had them lined up. Ray wrote me that even Kenny Page was going to lose sleep over them as he needed KOVO & he's no slouch when it comes to veries. (Guess you need a Scott for KOVO, Al - hi, Ed.)

Hank Frankel - Brooklyn, N.Y.

I see by the bulleting that you boys are pitying our Lurcherless Dodgers but I see by the papers that these same Dodgers now lead the league. All the N.Y. clubs broadcast all games - what other major league clubs broadcast & where? I'm not working a present due to labor difficulties so can listen to all my Buns' games. Sorry I couldn't get to Staten Island, but I'll try hard to make the next get-together. (I hope so, Hank -Ed.)

INTRODUCTION

This issue will introduce a new item for the bulletin which will continue as a regular feature if you fellows want it. We intend to list by frequency all broadcast stations of the world not covered by the URDXC's NARBA list and by Art Foerster's U. S. list. No stations with a power less than 100 watts will be listed. This log will be in a continued form, a little appearing with each issue until the entire Broadcast Band is covered. Please send any additions and corrections to Fred L. VanVoorhees, 33-06 165 Street, Flushing, New York. Also send along suggestions as to what to include under each station. Also we would like to know if you would rather have NARBA stations included or not. When sending additions or corrections, please indicate the source from which you obtained them, and their date in order that we can keep our records straight here. Send all mail pertaining to this log to Fred VanVoorhees rather than to Lefty.

MUSINGS OF THE MEMBERSVince Stesen - Philadelphia, Penna.

To all the Western members, I did not mean to cast any slurs on the Western members re their DX on Eastern Stations. It is noticed in my section that few western members have sent in reports to my section (Hi, Randy) But I was just wondering what they were hearing on the West Coast in regards to the East Coast. Far be it from me to cast any slurs! As a DXer, I'm not so hot, and neither as an Editor, hi. But that is not the issue at the moment - I take a back seat to all the members as I do not claim to be a hot-shot DXer so nothing was meant. Re "Duffy's Tavern" - I'd like to get up there for some hot dogs and ----- in June so set the date and we'll see what we can do. Enjoyed the get-together on April 5 & I wish to convey my thanks to all who made it enjoyable, sort of took a back seat on all those 5, 10, 15, 50 watter stations that those fellows had verified. Enough to put you in a daze! Re my list of Australia stations, suggest members keep it for next season, as it may come in use. Do not know how accurate that list is, but some of our members might, and we can correct any that are wrong. Incidentally, that first trip to the Big City of New York makes me sound like a small-town hick, hi, but I originally hail from Seattle, Wash., but left when I was a young lad of 6, & went to Chicago, Ill. for about a year or so and then on to Philadelphia, so I've been around, hi, especially in the Army, in about 7 or 8 states. Regards to all,

Bob Brown - Lafayette, Ind.

Follow-ups netted me a card from WOSQ & a letter from WHBL. Other veries in are cards from CFCO & WKWF (duplicate), & letters from KDWT WDSQ KOIL KWOS. My total is now 642. Reports are out to KSYL & WFAK on ET's. I've working on a noise limiter. I sure hope it works. If it does, I'll drop you a line & let you know about it pronto. Especially since I have a 23 tube Scott, and you and others also have that model. I won't say anything more about it until I get the kinks worked out, except that it won't be a part of the set, so you won't have to tear into the innards of your purty Scott. (Fine, Bob, and that bit sounds most interesting! -Ed.)

Hal Wagner - North Girard, Penna.

I see Phil Nichols reported a verie from 7BU in recently, so assume that Bill Stone has his, too. So I say 'Congratulations' to both of them on a superlative bit of DXing & in my opinion they have a verie that they can really be proud of. OK on Dave Moreles' saying that all Mexicans are on even frequencies. I quite agree that they are supposed to be, but they do drift a little bit now and then. Even the new KERY was heard on 1572 for quite a while & may still be there for all I know. Don't know where Randy Hunt got the idea as he said in the 3/29 bulletin that I am complaining about my reception from the South. Can hear WSB in Atlanta in early afternoon, 3 p.m. with the local WJR in Detroit on 10 kc/s. away. Can also hear WESC or WNBC in daytime, whichever I want, merely by use of proper aerial. Must disagree also on directivity of the Inverted 'L' antenna depending on its length. An inverted 'L' only $\frac{1}{2}$ wave long receives best at right angles to length of wire. This 90-degree angle diminished to 18 degrees for an aerial 8 wavelengths long & that is approximately 6000 feet for 1500 Kc/s., & that is a lot of wire. Advise anyone interested in antenna design to buy the ARRL Antenna Book - it tells you everything you want to know about them, & the cost, only 50¢, will soon be written off with what you learn from it. That guy Addy is really going to town & I see he has a verie from KMVA but my air-mail report of 3/21 is still unanswered. Maybe it got lost, or don't I live right? Since the blizzard of 3/25, 3/26, DX has gone out the window. Utility pole broke off out in front, then a 14" diameter tree broke off & came down on lines too. Had about 18" clearance between car roof & 2300 volt lines for about 100' when I drove down the road & into the driveway. Sure sweat blood on that & especially the next AM on the way out as a snow-drift had piled up in the worst place. Got thru it luckily, & outside of aging 10 years - more or less - am no worse for the experience. Could pouch phone lines from the ground, they were so low. Company made temporary repairs, but lots of grounds & shorts remain & can't copy much under R-9 signals since then. Was out of radio for over a week also when the Spring house-cleaning hit the DX den. Yep, static is really rough, hope it is better for the WOOD special. KFAR verie states: "We appreciate your rpt - which you say is your 2nd to us. We are glad you rpted again, as that is unusual. 1 rpt is usually all we get from a DXer. If you should ever hear KFAR agn, we would be glad to receive another report. Until then, the best of DX." Wonder why DXers don't send them more than the 1 report?

Location Change - 580 WIAC, to Santurce, from San Juan, Puerto Rico.

Delete - 550 WJKD Clinton, North Carolina. Says Clinton can't support two stations.

NEXT "DX NEWS" WILL BE ON JUNE 14. DEADLINE JUNE 10.

"DX TOWN THE DIAL" REPORTS TO VINCENT STASEN - 5347 PRISCILLA STREET - PHILADELPHIA 44 PA.
 "MUSINGS OF THE MEMBERS" REPORTS TO ERNEST R. COOPER - 438 E. 21 STREET, BROOKLYN 26, N.Y.

Bill Barrett - Denver, Colo.

It's been a long while since I wrote in last. Anyway, DX here has slowed down a good bit because I haven't been getting up in the AMs & have been letting the school work get the best of me. However, did manage to send out 30 reports in the month of April with the following verified: KAFY WBEK KCOY KPRN KOFO WRGA CKRC KFXD XEXX WDMG KHSL WGAD KPHO WTBF KPOA KSFO KOTN KNIP WPAX KAVR KRIG KJZ (vy FB card) KDLK KVOU KHUZ WGYB CFPL KPAB KLPM KSVP KTUL KSSN KWEC KQBD KOH KOVC WAUX WKNA KEDM WTIK. And these are the latest reports: KDWI KSWO KPLC KSWB KXRJ XEBG WJVB R-5 on their ETs on the 25th and 26th, WKY KSOO (Hi, Eldon) WELO KGBC KXC with special ET on the 12th, KGLU on 1480, KPRL on at 4:15 to 4:30 on Mondays, WCAT with test on 7th & announcements every minute, with KTRF & KPHO in the background. WCAT was R-9. Nothing much new - here are some statistics on the season - 166 reports sent, with 123 veries. Worst delinquents are KGKY WBBZ KBST KWOS KIUN KAVT KFPW KTY KWC KPSA WWXL WBUY WBL KOL KBOL (just 25 miles from here) KRDO KOLT WLAQ. From the 5th to the 10th or 11th of May I am going to be down in Odesa, Texas with my dad, so I will see quite a few stations on the way - KRIG KVKM KBST in particular, though I plan to get pix on all that I can plus DX info, etc. Sounds like a swell trip & can hardly wait. Boy, do I have to hang my head in shame about the Cardinals - last place & 9 straight losses! (Who are they, Bill, hi -Ed.) Boy! And them Bums is doin' all right. Darn. Just wait until later, though, I hope. Hi. DXed a few minutes on May 3 & heard KAYX on 1990 in Waterloo testing on initial f/c, R7-9 with music & announcements.

Randolph Hunt - Leucadia, Cal.

In last DX News Warren Landes of San Francisco wrote of difficulty of DXing from WEST to EAST & he is so right! When Steve Mann was here I pointed out to him that we DX backwards against time & he agreed with me. Many PST stations do not sign until 1 AM, besides the all-nighters, a few stay on part of the night. For U.S. DX those in EST have excellent set-up, CST good, MST fair & PST poor. Lefty's list of f/cs has about 700 stations & 160 have finished checking by midnight PST, & many, many more by 1 AM. We have chance at East rn st tions at sign-on, but they soon fade due to approaching daylight, sometimes there is an exception, for example I have verie from WKWF for 25-minute report ending at 8:15 AM, EST, on Feb. 4. It surely was daylight in Key West. This verie was delayed, it gives me 28 states verified in about 90 days of DXing. You members in the East can verify 48 states in 30 days or less, hi! Also noticed in last DX News that our Vice-President in charge of antennas, or to be correct, antennae, suggests we use the summer months to check and improve same. Yesterday, May 1 I changed from 7 x 22 stranded to single 12-gauge wire, did have 2 x 3's for poles, but needed the lumber & put up pipe, the open end is 20' high & at shack is 18' wire, including lead-in is 85' direction, still North & South, sorry, no Taco. KMVI fixed up verie so now have 6 of 8 in Hawaii, haven't checked for a couple of weeks to see if KULA is on the air. The May issue of National Geographic Magazine tells that Mrs. Ida A. McNeil (of KGFX) designed the South Dakota State Flag.

Leo Hers - Chicago, Ill.

Not much time spent at the dials, but did send out 2 reports - ~~WML~~ WML, the new Milwaukee station on 1290 Kc/s. on regular schedule, also KWAT on f/c when I came home from the night shift on which I am for 10 days, although KWAT had terrific QRM by WLAG. Have a new addition to my listening post - an RME DB-20, which I bought from my DX buddy, Gail Beyer, for \$45.00. It was practically new. Gail did not need it as he bought a National HRC with 2 stages of RF. My RME-45 has only 1 stage so with the DB-20 it gives my 3 stages of RF. Veries in from KSST XERF & WVI. My over-due reports are KWCO (Nov. '46). For Feb., still out are: WDRC WLAN VEED WBHF WABJ. March: KRCD WWXL. Wish WDRC WLAN & WBHF would come in, as they will count in the contest. Veries now 438, with 13 reports out. Volunteered for CPC work & was accepted by Chairman Kruse. Watch for the August f/c from WATN. If nothing un-foreseen happens, Eldon Addy, Derek Wharton & yours truly will appear on that program. Boost your club to your DX buddies. Every member get another member for the best DX Club in the world, the National Radio Club.

Alfred E. Bruce - Philadelphia, Pa.

Recd veries from WNYC, N.Y.C., & WTUX, Wilmington, both came in R-9. WJMJ, Philadelphia, will be on in the middle of May. I wish all members a good summer!

MUSINGS OF THE MEMBERSMel Oliver - Houston, Tex.

A few veries still coming in, & an occasional report sent out. The first week in April things closed up here & couldn't hear a thing - then about the middle of the month it opened up again & has been fairly good until last night or two, but temperature hit 94 here yesterday, so you can imagine what it will be hereafter. (It's hotter than that in one of the Hereafters, Mel, they tell me, hi -Ed.) Reports since last time sent to KRIG KWCJ WRUF WTPR WVIC WFAK KCLE KTRM WEDO, with veries in addition to those underlined from WGN WKSR KDWT WGAD WDMG WSVS WCYB KPOF (my prepared card) WKAT & KOLE. 4/23- WOHS testing at 3:40, KWCJ with ET & f/c at 4:15. 4/25- KDWT with tone for FM @ 3:30; WTPR, Paris, Tenn., 710 Kc/s., with FM test @ 4:00; WVIC testing @ 4:20 (If they verify, it will be my first from Connecticut) WJVB, Jacksonville Beach, Fla., 1010 Kc/s. with ET @ 4:50. 4/26- WFAK, Charleston, S.C., 730 Kc/s., testing @ 3:50, WDIG, Dothan, Ala., 1450 Kc/s., concluding first test @ 4:30, but I caught him too late for a report. 4/29- KTRM, Beaumont, Texas, 990 Kc/s. with ET @ 3:30, KOAM with carrier & occasional announcement, also unidentified station on 1600, testing. KCLE, Cleburne, Texas, new station on 1120 Kc/s., heard here fairly well in daytime. Call of KGKO was dropped on 570 Kc/s. Sunday, 4/27 when WFAA-WFAP took over. KATL announced in papers that they were delayed by technical difficulties & telephone strike. Wonder what a town the size of Tyler, Tex. will do with 3 radio stations? I have an idea quite a few of these stations currently being licensed will fold up before they celebrate many anniversaries on the air. And by the way, Lefty, you can forget I'm a Cardinal fan if they don't show some improvement soon! (Join the throng, Mel, rooting for Dem Bms! Plenty of room! -Ed.)

Walt Bishop - Rensselaer, N.Y.

DX News recd here in Apr. 19 mail & I have just finished reading it. Thanks for the swell build-up on the verie-signers' list. I sure hope that the boys will go along with it. It will never work if they don't co-operate. I have just about used up the 2-year guarantee on this new ball-point pen during the past week, but I now have an up-to-date list of all stations in the K & W groups. I also have list of stations for Canada, Mexico, Sweden, & Cuba. All I need now are the names of hundreds of verie-signers & I'll be all ready to open for business. Your fine list helped out a lot & I hope the coming weeks will bring in many more like it - I HOPE! I think that will cover all for now so I'll say WZ's & best of DX. Don't let them kid you OM - I still think the Dodgers got a very bad deal! (Ah - a friend! -Ed.)

Ted Saling, - Estacada, Ore.

Only 3 reports sent out since last letter & those to local stations. An afternoon report to KUGN, KFJI on f/c 6:10-6:25 a.m., 2nd Sat., & KLFJ at 9 a.m. regular Sunday s/ on - 8:00 a.m., week-days. V/card in from WBIR & WKDA & V/letters from KOCS KFXD WCOY WFJI KBYI KLFJ WAUX. KFJI say they have requested 1150 Kc/s. with 1,000 watts power which if granted will eliminate another 100-watter. KBPS is still 100 watts, & KODL, 100 watts at night, 250, days. Parley Rasmussen of KOVO dedicated numbers to DXers on his DX but not too well received here.

Eldon Addy - Marcus, Iowa

Still DXing out here yet with these new stations reported: KOLE KGLU (1480) KTBI (810) KRIG KWEW KWCJ WQOK WJVB WHNC WSIW thanks to Sully's tip, WOCB KXOL K3WS WBDT KGAK. New veries in from WGAD WKY WLEX WTIK KVOU KDWT KMLB CFCO WDMG KCBS KMHT WAUX WTXK KOLE KGLU KWEW KOPO WTAX. KHUM had DX April 27-till 4:30 E.S.T. & was asking for reports. KSWO now on 1330 Kc/s. till 2:00 daily. KWEW CE says they don't care for DX reports. Ouch! Had a swell time in Dedar Rapids with the Iowa N.R.C. fellow-members. Hope it will be an annual affair.

EdEd Wyman - Baltimore, Md.

About 15 minutes ago I discovered an item in a Forest City, N.C. newspaper that Station WBBO in that city is going to take the air about July 1. I don't know whether this is a change of call letters or not, but I have them in my log as WRTR. Anyway, Gordon Anderson is to be manager. He was formerih with VBIG. I don't know who the CE is. I'm going to write to him to find out when they are going to test. You had better write also, because WAPX never did answer me. That's about all for the moment! (Thanks, Ed! -Ed.) EVERY ONE! PLEASE - AS SOON AS YOU FINISH READING THIS ISSUE, TAKE TIME OUT, DIG OUT YOUR 1946-1947 SEASON VERIES, AND JOE DOWN ONE SIGNERS' NAMES & SEND THEM TO WALTER E. BISHOP, 1722 SIXTH STREET - RENSSALAER, NEW YORK. SUCCESS OF THIS PLAN DEPENDS ON YOU!

May 10, 1947

NATIONAL RADIO CLUB "DX NEWS"

Page 9

/THIS-A AND DATA/

ON THE STATIONS' STATIONERY

CJOC - LETHBRIDGE, ALTA.

HELP WANTED!

Mr. Ernest R. Cooper - Dear Sir:

"We wish to advise the National Radio Club that this station will be increasing its power from 1000 to 5000 watts on the 10th of May, 1947, and at the same time changing frequency from 1060 to 1220 kc/s.

"In this regard we are pleased to be able to ask the co-operation of your Club in reporting our new coverage.

"It is planned that the actual change-over will take place Saturday night, the 10th of May, between 8:00 and 9:30 P.M. & M.S.T., during a special program arranged for this period. Thus it would be interesting, where possible, for your members to report on both the old frequency and power, and the new frequency and power.

"Following this Saturday evening, CJOC is arranging a 'Radio Week' in Lethbridge, during which time, we will be on the air 24 hours a day with special DX programs each evening of the week until May 17th.

"We will take a great deal of interest in watching your reports come in and trust this notice will give you time enough to notify your members."

Yours very truly,

Broadcasting Station CJOC

(signed) R.A. Reagh, C.F.

MEMBERS - Mr. Reagh has put on DXes for us in the past, and has been a swell friend to us in the National Radio Club. I realize some of you have hung up your phones for the warmer weather, but we certainly hope you'll take them down again and give CJOC a report, on the night of May 10 if possible, but if not, on one of the 7 consecutive DX programs, running all morning with 5000 watts on 1220 Kc/s. We've been asked to help with reports - let's keep high the eggs of the good old NRC by coming through for CJOC!

WDRC NOW VERIFYING DX PROGRAM REPORTS. (Via phone to Phil Nichols.

Answering several queries in NRC re WDRC veries, talked to Mr. Broderick on phone 5/3 & he says he has all but about 12 answered & is doing it at home in his spare time. Will try to finish up shortly & will furnish list of all reporters, around 50 he thinks.

KFEL TENTATIVELY PLANNING TO STAND BY FOR WVDI.

Dear Mr. Maley:

"Replying to your letter of April 21, 1947, regarding the special Armed Forces radio program from WVDI, Trinidad, on Saturday, May 10, 1947, from 12:00 Midnight until 1:00 AM, Mountain Standard Time, this is to advise that KFEL is regularly silent for maintenance period from Midnight to 6:00 AM, MST, on Monday mornings. So it would be much better if you could arrange your DX listening period on a Monday morning where there would be no interference from KFEL.

"To remain silent from Midnight to 1:00 AM, MST, on Saturday, May 10th, would interrupt our regular broadcast schedule, but if there is no way for you to work out a Monday test we may be able to interrupt our schedule on Saturday morning to accommodate you."

Cordially yours,

(signed) Gene O'Fallon, Mgr.

WE MUST REALIZE that for KFEL to sign for a portion of this program they will be making a goodly sacrifice, for they undoubtedly have many listeners, that early in the morning who have not yet retired. Every single member of the club should be deeply grateful to Mr. O'Fallon, and if KFEL does stand by for WVDI, please - please, everyone, send him a card or a letter of thanks, even if you don't tune in for WVDI, as this sort of courtesy should not go un-noted by our members, even if they are not DXing at this season of year.

MAY W.V.D.C. MEETING

The May meeting of the World-Wide Dial Club of Chicago will be on Tuesday, May 20, at 8 p.m. in the home of the W.V.D.C. Secretary, Gerrard Jansen, 2551 West Monroe, Chicago 12, Ill. All Chicago-area DXers are welcome! - Leo Herx/ Chicago, Ill.

STATEN ISLAND DXERS' PICNIC

Would like to have a "bring your own" picnic in my countrified yard some Sun. late in June; if I could get tentative promises to attend from 25 N.Y.-area members. If more than that express willingness to attend we can accommodate all at near-by scenic & real picnic ground, Willowbrook Park, adjacent to Halloran Veterans' Hospital. Let's hear from you guys! - Berard J. Duffy, 68 Watchogue Road, Staten Island 2, N.Y. Phone 612-8812

No entries received from Lippencott, Lecke, Meyer, Seth, Vandervort and Wyman. You have until June 30 to get your late entries in to Sid Steele. No reception after Midnight March 31 will count, of course, for that is when the contest closed. But we all know how late the verifications are, so be sure you let Sid have your final standings by Monday, June 30, 1947. There will be no listing in the June 14 issue, but the final results, along with the prize winners, will appear in the July 12 issue of DX News. Sid Steele's address, again, is 5815 Michigan Drive, Louisville 12, Kentucky. When you send in those late entries, it might not be amiss to say a word or two of thanks to Sid for compiling these figures and listing them for us every month. It takes work, you know, and a word of thanks means a lot to anyone.

Your Editor would like to thank all of you who have sent in reports this season. It has been grand having your co-operation, which has spurred me on, and I hope to continue to serve you as at present. Thank you, one and all.

MISINGS OF THE MEMBERSAl Maley - Highland Falls, N.Y.

Nothing new in the way of DX, not even a verie for the past week. I recently wrote KFEL to see if they would stand by for at least a part of the WVDI DX, and the reply is printed in part on Page 10. I'm going to write Mr. O'Fallon and tell him it's too late to change the date now, but will suggest that WVDI conduct their contemplated monthly DXes on a Monday morning. I will also request that he stand by for at least a part of the May 10 DX, & I think he will. If he does stand by for WVDI, I hope the boys will be good enough to write him a card or letter of thanks. These new calls just won't verify for me & I have plenty of them out for several weeks or more. All my good U.S. catches are delinquent - KOCS KQVR KSMO KTIM KCOK KBIO KRDO KQRT KCLE, etc. These are from memory and there are plenty of others

George Hutton - Milwaukee, Wis.

BCB reports sent out since Mar. 1 are: WCKB WBUY WCPS WAGA WCOP KAKC KFXD WMUS (on their inaugural on regular sked) WSUI (On regular sked) & WKNX, (Regular sked.) Those underlined have verified. KFXD sent a swell picture of their new 530 Kc/s. transmitter which is my first confirmation from Idaho. To Dave Thomas: I was glad to hear that you heard and confirmed WXLS. My report to WWCO was mailed at 1:30 a.m. after about 1/2 hour of listening. I don't know ~~his~~ exact postmark. I assure you all that it was a pleasure to represent "America's Dairyland" in the WWCO contest. Due to the static I think I'll leave the BCB until Fall. I sincerely hope that all NRC members had a very successful season with a variety of new DX catches

Stan Moss - Bradford, Mass.

Report to WHIM on regular sked. Veries from WPHG KFXD WJOR WCYB (DX) WKWT for Jan. 1946 report WRRZ VWXL WJOI WSVS WTUX WDMG CFCC WGAD. On WLAW asking for phone calls, it's been OK here in New England - No phone strike here!

Bernie Duffy - Staten Island, N.Y.

Liked the write-ups in the April 19 bulletin. Was surprised though that mine of April 7 didn't appear - didn't you get it? (Apparently not, Bernie - can't find it here -Ed) New additions to my log are WMUS WHIM WKOX VKNX WELM WGAD.

Nelson Seese - Bethesda, Md.

Just received latest copy of "DX News" and note you do not have QRA of HOK, HON, and HP5K. Here is QRA from a QSL from HP5K: "La Voz de la Victor" Apartado 35, Colon, Panama. Hope you can use this info. (Thanks Nelson! -Ed.)

IOWA GET-TOGETHER OF N.R.C. MEMBERS AT CEDAR RAPIDS, IOWA.

Len Kruse was the first to arrive by bus from Dubuque at 11:15 a.m. & was met by Bob Gorsuch. Headquarters was set up at Montrose Hotel. Eldon Addy arrived at 11:45 & the DX session started & lasted till 2:30 p.m. when we knocked off for lunch. After lunch the trio drove to Bob's house & looked over his vast collection of veries & read the NRC bulletin which had just arrived. The DX session lasted till 6:30 & then a swell dinner was served by Mrs. Gorsuch. At 7:30, over to Mrs. Wachtel's and looked at her veries & talked DX till 9 when the 4 Iowa DXers drove back to Gorsuch's. More DX & talk till 12:30 a.m. when Bob & Eldon drove Mrs. Wachtel home. Len took a little wink of sleep in order to DX when the other 2 got back. At 1, all 3 at the dials of the SX 28A but lots of static. However KOLE was hrd on f/c at 1:30. At 2, Len & Eldon went to the hotel, for some sleep while Bob stuck to the radio & added KDLE & KRKN. Sunday lunch at 1:30 at Roosevelt Hotel, then back to Mrs. Wachtel's where good-byes were said & Len the bus at 4 p.m. Eldon left at 4:30 for Marcus. A good time was had by all. Highlight of the gathering was the showing of their KOSF veries by Mrs. Wachtel & Bob. By the way, Mrs. Wachtel had 25 new station veries the other 3 did not have, so she is a real DXer. This is the start of an annual meeting of the Iowa members of the NRC. Next one, next year, same time. - by Eldon Addy.

HERE'S WHAT D. X. NUTT HAS TO SAY ABOUT THE IOWA CONFAB

The 1st annual get-together of Ia. DXers was held in Cedar Rapids over the Apr. 19-20 weekend. Bob Gorsuch's cozy home was the meeting place. Eldon Addy, who drove from Marcus, Len Kruse who came by bus from Dubuque & Mrs. Clara Wachtel together with Bob comprised the group. You can bet your bottom dollar everyone had a good time, comparing veries, and talking DX in general. They did their darndest to log some newies Sun. AM but typical Ia. spring shower made reception awful. All agreed it was fun & tentative plans were made for another meeting next year. Thanks to Bob for his warm hospitality!

Kennet Geary - Walnutport, Pa.

The following 24 new veries have been received since the last bulletin: CJOR KATL KDWT KFXD KHSL KMHT KOAL KOPO KSMO KXOL WDMG WELM WFAK WGAD WJEF VKOX VKSR WRR WSLA WSVS WTOB WTUX WWGS XEXX: all letters except KOAL WDMG & WSVS, which are nice printed cards. KFXD also sent a photograph, and an EKKO stamp, and an advertising folder. Also received was a duplicate verie card from CFCO. Reception conditions have been rather spotty although a few good mornings have been encountered, with KPMO being the best catch. Reports were sent out to the following stations: 4/17 WELM on ET from 3:14 to 3:32 a.m.; KHSL on regular sked from 3:41 to 4:02 a.m.; & VKOX on ET from 4:38 to 4:48 a.m. 4/18- WMLO on ET from 3:15 to 3:48 a.m.; 4/21- WWOK on ET from 2:05 to 2:30 a.m.; WSLA on ET from 2:17 to 2:55 a.m.; KWGJ on ET from 2:57 to 3:50 a.m.; & KDWT on f/c from 3:32 to 3:46 a.m. 4/23- WJEF on f/c from 1:03 to 1:15 a.m. 4/24- WMUS on reg. sked. thru WBAL from 6:05 to 6:30 a.m. 4/25- WRR on reg. sked. from 1:09 to 1:30 a.m. s/off, WFAK on ET from 1:50 to 2:13 a.m.; & WJVB on ET thru WINS from 2:33 to 3:00 a.m. 4/28- KTRM on ET from 3:14 to 3:39 a.m.; WHBT on ET from 3:00 to 4:15 a.m. (The 'Voice of Progress') & KPMO on ET from 4:07 to 4:50 a.m. 5/2- WTPR on ET thru WOR from 3:27 to 3:54 a.m. 5/3- KAYX on ET from 3:30 to 3:50 a.m.; VSIC on f/c from 4:25 to 4:54 a.m. & VSKY on test from 4:54 to 5:04 a.m. 5/4- WREF on reg. sked. from 5:00 to 5:50 a.m. & WRAM on reg. sked. from 11:30 a.m. to 12:10 p.m. 5/5- KCTX on ET from 2:54 to 3:20 a.m. & KWSL on ET from 3:22 to 3:42 a.m. Well, another all night pest in the form of WINS on 1010 Kc/s. with a stinko program. Lucky for me their antenna is directional eastwardly so I was able to hear WJVB in good shape thru the QRM. I hope everyone will enjoy a fine summer, and if any of you fellows expects to travel thru eastern Pennsylvania, please look me up. Drop a line to R.F.D. #2 for directions on how to get here. So long until next month.

Ralph Johans - Buffalo, N.Y.

Last week, (ending May 1) FCC broke records with 52 new AM's & 50 improvements grants. WHDH (850) & KFBK (1320) to 50,000 w., WHOM (1480) to 5 kw - DA VMAZ (940) & KWJJ (1080) to 10 kw., WHUS (1440) to 5kw - KCRA (1340) to 1320 - KELO (1230) to 1320 - KOME (1340) to 1300 - KTCK (1400) to 1000 - KHON (1400) to 1380 - KVVU (1230) to 610 - VKVM (1230) to 1070 - WLOE (1490) to 250 w. - WHKC (610) to 5 kw - WPPA (1360) to 1000-500DA - WKBZ (1490) to 850 - WAGF (1400) to 1320 - CHSJ is now 5kw. & A.D.S.T. WITH (1230) is EDST and silent 2-4 AM Tuesday now - 2 50 kw'd 990 CBW, Winnipeg & CBX 1010 Lacombe Alta. KOPO (1450) in operation since Feb., will have June 1 opening - VSCR (1000) Scranton, Pa. ready for test. KULA (690) Homer Johnson, GE opens May 15. CHVC (1600) H. Bedford, owner says June 1 opening & studios at the Rainbow Bridge. WMLO (1290) opened 4/20. WEEK (1350) 4/27; WFAK (730) 4/27; KBYE (890) 4/22; WMCK (1320) opened 4/30 & will mail printed v/cards soon. CFRA 560 is at 180 Rideau St., write R.R.Wood, Coml Mgr. KCMO (810) will test irr. for a month & $\frac{1}{2}$ yet b4 ready, Karl Troeglen, Tech. Dir. says. Past week hrd 4/25- WDIG KBYE KVSQ WAYS etc. 4/26- WFAK WCRS KANE KWJ. 4/27- KHUM KOB WWOK 4/28- WFIL & WIND tests - WHKY KLO KOAM (860) 4/29- WHBT WTPR WTOB WHOT WDSG. 4/30- XECL WMCK. 5/20 WMOB WTPR. 5/3- KRKN WRRZ WPPF KAYX. 5/4- KAYX CFRA. 5/5- WELM WLEX WSNE WGIL WWCX XELO KMJ WCAM WSIC (1400). Rec'd WJAR WONS WTUX WAGF WHUN WELM KCMO KFKA V/ letters & WKWR (2) WJPF KTHH V/ cards for a total of 823. WNBZ (1450) & WMBN (1340) hrd 4/18. Have to skip rpt to Stasen & so: 1400 WELM is on tests now, 6-12:05 AM. WHUN (1400) sked: 6:50 (Sun. 7:30) to Midnight (These 2 EDST -Ed.) WWNC (570) 5kw. about middle of May. KTHH (1230) to 790 about 3 months & 5/1kw. conditional. KCMO, when 810, sked 50/10 kw. 6-2 AM. WONS (1410) sked: 6:00 (Sun. 7:45) - 1 a.m. WJAR verified my s/cn rpt Thomas C. Prior, C.E., etc. hrd 5/5 1400 WSIC s/off test 4:25 EST. 5/4- CFRA (560) thru WIND 3:15 3:45 a.m., etc. Sked: 6:30 (Sun. 8) - 1 AM, & Sat., thru till 3 AM Sun. 5/3- WPPF (800) 4:30 ET s/off. WRRZ (880) till 2:15 ET s/off 4/29 & 5/3 WTPR (710) ET thru WOR 4:10-4:35 s/off. Sorry Lefty, but I've not so much time anymore, but will try for a little rpt every so often. Had a nice visit by Mr. and Mrs. Joe Brauner from Williamsville N.Y. & believe Joe must have nearly 2000 veries, if you see the quarterly magazine of V. Page Metals, you'll see J.B.'s pic on full front cover! (He's a 'good' man!) Sun. Eve. Bill Wells & Stone & Bruce Kennedy came for a visit & so we got Bob Spencer to join in with Canada, I bet I beat 'em all, to CFRA tho. Les Fiederman WMBN 1340 told me to send rpt via W.U. & C.O.D. (I did - 50 words!) 5/10 is Sun Eclipse, but DST is pain in neck. Yours till the all-niters become IM only - Rrrrrrr. (Sounds like a long time, Ralphie!)

MUSINGS OF THE MEMBERS

Joe Becker - Hamilton, Ohio

Well, Ernie, I still DX about 2 or 3 mornings a week & Saturday morning May 3 was a good morning for me. I snagged KWSL Lake Charles, La., WSIG, Crowley, La., WSKY, Asheville, N.C. & KAYX, Waterloo, Iowa, some other new ones heard lately are WHBT WDIG WWOK KWCJ WSLA WELM WTOB KOLE WHIM KDWT KRKN WOOD WGAD KSTP VMCK KOPO WDLB KOLE WSVS KATL KCBF KVET KVLK KSYL KTYL WTUX. Honestly, WSKY topped WWSW & WJBK. Well, I finally landed a verie from KPHT, a postal card, & on the reverse side they stuck on my 3¢ stamp. Wonder what ails WAYN WWNS WNGR WROM WDSG KFMJ KAKC VCAV KCLA KOLT WKVM WCTA WTOD KWOC WLAN WBHF WNOK WABJ WBAY - these are all in arrears. WAYN heard 12/1/46 & also on the NRC Dedication. Well Ernie, I have heard approximately 260 new ones since Nov. 13 1946, 194 new veries since Nov. 1946. Texas leads in new ones heard - 23, North Carolina 16, Georgia 20, Tennessee 13, Pennsylvania 11, Louisiana 11, Florida 11, Arkansas 9, Alabama 13. I really do miss the NRC Bulletins. Well, I notice the Dodgers are going pretty good - I like the Reds but if they can't win, I hope Brooklyn does. I have XEFI verified, also have WTCB verified. WWOK also was heard here 4/22. I have old WBBC verified from years ago. I hope I will be able to be at the NRC Convention this Fall, I always have a great time at these conventions. Heard a Nashville call on one frequency but no station there, also heard Oak Park mentioned, but not on that frequency. I wish I could have identified all calls heard, but to weak to get the call correctly. Imagine at least 40 calls which I could not identify, WCPO & WING spoiled many a new call for me. (Nice going, Joe - Ed.)

N E X T I S S U E W I L L C O N T A I N R E S U L T S O F V O T I N G !

Phil Nichols - East Hartford, Conn.

5/3- WSCR testing this AM & I think KAYX on 1090, not sure. (Others say 'Yes!' -Ed.)

Stan Morse - Bradford, Mass.

(Second report)

Reports out to KWCJ WNAR (on Reg. 5:45 AM s/on) KOAM on 860, KAYX on initial test, CKRC & WELM. Veries from KOLE WFAK WTAX (on Spec.) KOLE WKOX WSLA KVET. Couple more all-nighters to bother us - WINS & WHK. WHK on this A.M. May 4, all AM. with record request show. WQQW on testing all AM May 4. WOOK testing May 2, with R-9 signals. WEDO really comes on early - 3:30, E.S.T.

Lefty Cooper - Brooklyn, N.Y.

Little DXing done of late, but a few reports have gone out, and those to: WKOX WWOK. Veries now total 1290 here, with the receipt of WKOX WELM WKNX WFUX KCBF & one card, but a honey, and one long-awaited for, YV5RB for Dec. 1945 reception. Nice card, and specifies 790 Kc/s., too. Well, E.D.S.T. is here, and it is in effect in all of New England and in New York, New Jersey, Pennsylvania, and I believe in Maryland and Delaware, and also in Chicago and St. Louis. That means many changes in schedules, and the opening up of channels hereabouts earlier. WEBC hrd on top after 12:00 P.M. here & I believe KOLT in back. WADC same hour (12-1) had WEEK in back. WBZA's check, and WSNJ's are now an hour earlier during the DST period. WMCK can be heard on reg. sked. in evenings now, second to WDRG. Although I was up all AM 5/5, I got nothing but oodles of QRN from an electric storm somewhere near Buffalo- Why didn't you chase it away, Pop? I've missed out on lots of new ones, but I'll be trying all summer. Meantime, put your money on the Dodgers, fellows!

KFXD's PLEASED WITH REPORTS!

Dear Mr. Maley:

"In regard to your letter of April 24th, we have received 30 letters from DX fans, Mr. Hurt, owner of Station KFXD was very pleased as the letters were from all over the country. We received only one letter that was not a DX fan. It was from Portland, Oregon, stating they heard our broadcast. The most distant letter received was from Boston, Mass.

"As we have announced before, our next DX program is May 5. It will begin at 1:00 o'clock and end at 1:30 a.m., Mountain Standard Time.

"Thank you very much for your splendid cooperation."

Sincerely yours,

Radio Station KFXD

(signed) Ken Bort, Chief Ann.

IN NEXT ISSUE WE CONTINUE VAN VOORHIES' FOREIGN LIST.

REPORTS FOR DX DOWN THE DIAL TO VINCELYN STASEN - 5347 PRISCILLA ST. PHILADELPHIA, PA.

REPORTS FOR MUSINGS OF THE MEMBERS TO ERNEST R. COOPER - 430 E. 21 Street BROOKLYN 26 NY

WRITE STANERS TO WALTER BISHOP - 1722 SIXTH STREET - HENNSLAER, NEW YORK C U June 14

Hated to see a blank page so with the same results from Board Chairman Fred Van Voorhees on the Voting, thought it might as well be put in here.

E Cooper	63	Righter	15	Morss	4	Koop	2
Reilley	51	Wagner	15	Routzahn	4	Sahlbach	2
Johanns	45	Legge	15	Seth	4	Burnham	2
Becker	39	Mann	15	Gorsuch	4	Spencer	2

Stone	19	Atherton	5	Bristow	2	Strawn	1
Maguire	16	Barrett	4	Hetzel	2	Whitworth	1

Corrections to above;-Sully Sullivan originally received and checked the votes. He then sent them to Board Chairman Van Voorhees who with Steve Man re-checked them. Here are the differences. Sully gave E Cooper 62- Wagner 15 and Wyman 5 and Routzahn 4; Van Voorhees and Mann found that the correct number should be Lefty 63-Wagner 14-Wyman 4 and Routzahn 3. So change Wagner-Wyman and Routzahn in the above list to this latter no.

The first 10 will have voted by the time next bulletin is issued and a complete list of N R C Officers will be published.

1240 WTIP Charleston; W Va. Now on 24 hrs daily Tues thru Sunday. They are silent Monday AMs. As ann by Station May 6th.

EDGAR KOOP-RODNEY MICH Has been a long time since I have written and I have been busy and how. Started to work on the assembly line at the Hanhett Mfg Co in Big Rapids the 1st of April and worked nights. Then went on days and then took over Stock Manager of the Gamble Store here in Big Rapids where I am now working. Between change over and the work I have to do at home it keeps me darn busy as I do not get home from work till 7 PM Havent time to do any DXing at all. Missed all the latest specials also. Have received seom veries from rpts 2-3 months old, also a lot of reports out but no answer, they are really slow this spring. Want to take this means to apologize to all the swell boys who wrote me and that I have not answered as yet. I will try to do so shortly. Hope all have a swell summer.

RAY EDGE-BUFFALO N.Y. No DX and as to Veries. What are they? Oh yes did get one today from KMHT for 3/10 rpt. and a card from WBHF for Feb 24th rpt. Total sill a long way from that 1200. Still lots of rpts out. Am behind on my mail, but will catch up soon. Getting outside things done.
