POWERFUL RADIO STATION DATA THAT WILL EMPOWER YOU!

100000 WATTS.COM

>>>>>> US radio and TV directory

**THE MOST ACCURATE PLACE FOR RADIO AND TV INFORMATION
IN THE US. 19,086 STATIONS ARE TRACKED AND LISTED.**

Key to M Street Markets section:

This section lists the **M Street RADIO MARKETS** in the United States followed by those in Canada. In general, a station is included in a market if it is licensed to a city in that market or if the market is a primary focus of its marketing activities.

For each listing, the market name is followed by the M Street 2005 market rank (MST) and population estimates, and if applicable, the Arbitron Spring 2005 market rank (ARB) and metro population, followed by AM and FM stations in dial order.

For more information on the format descriptions for each station, see the **FORMAT CLASSIFICATIONS** section at the front of the book.

As with other sections of the book, **M Street RADIO MARKETS** are a condensation of data collected and are revised on an ongoing basis by M Street. Please call or write us with updates, corrections, or inquiries for customized applications of our market data.
