ESTABLISHED AS A SYMBOL OF NATIONAL SERVICE

Like the coat of arms of ancient families, the Insignia of the CBC has a special significance. Two golden electric flashes converge below a map of Canada symbolizing the fact that, through the medium of national radio, each part of the Dominion is brought into contact with all other sections of the country.

Just as the fathers and grandfathers of Canadians talked familiarly of the CPR, the GTP and the CNR so today modern Canadians think instinctively of the Canadian Broadcasting Corporation in terms of the initials CBC.

That is because CBC is an established institution whose influence is felt in every province, county and township in the Dominion. Day after day the CBC makes a definite contribution to the pattern of national life. Day after day it covers all Canada in a broad, national service . . . enabling Canadians everywhere to share fully in the panorama of music, drama, entertainment and news services provided by the converging of many of the finest programmes from five other great broadcasting systems with the programmes of the two networks of the CBC.

One of the many

helped make . . .

The SUPER-MARKET of Recorded Radio Shows

IF you are looking for sure-fire, ready-made programs to solve the help problem, have a look at the shelves at radio's super-market, the NBC Radio-Recording Division.

You'll find a show for every taste, well-seasoned and neatly packaged, unrationed and far below the ceiling prices.

NBC's list of syndicated features contains many programs of varied lengths and varied subjects . . . all within a price range which enables you to keep the budget balanced . . . all of *proven* worth.

Here are a few of the outstanding buys:

The Weird Circle—spine-tingling mysteries by master storytellers of the past;

Modern Romances—real-life love stories, vibrant enough for the young, mellow enough for the old, from the pages of *Modern Romances Magazine*;

Stand by for Adventure—tales of exciting happenings in far places, among strange people;

Through the Sport Glass—a close-up of America's sports personalities and events with Sam Hayes.

The big-time list goes on and on—The Name You Will Remember, Let's Take a Look in Your Mirror, Betty and Bob, Time Out for Fun and Music, Getting the Most Out of Life Today—and many others.

And don't forget radio's super-market has a catering department too—to build programs to your specifications.
