SUBJECTS

	<i>Page</i>		<i>Page</i>
Accounts, Annual, for Year ending March 31st, 1949	252	Ceramic Capacitors. W. G. Roberts ..	184
Address, Presidential	2	Circuit Requirements, Valve Characteristics and Electrode Design, Co-ordination of. I. A. Harris	125, 238
Address, C. O. Stanley	445	Circulation of Scientific Information ..	169
Amateur Radio Exhibition, Second Annual	9	Colorimeters	450
Amateur Radio Exhibition, Third Annual ..	444	Committees :	
American Broadcasting, J. H. Battison ..	258	Education and Examinations ..	245
Amplifiers	448	Finance	250
Annual General Meeting, Twenty-Fourth, 1949,		Library	249
Notice of	277	Membership	243
Report of	353	Parliamentary	250
Annual Report, Twenty-Third of General Council, for 1948/49	241	Professional Purposes	242
Appointments Register	243	Programme and Papers	247
Appreciation of Local Sections	385	Technical	248
Array, Four Antenna, at the Corners of a Square Around a Central Parasitic Antenna, Radiation Patterns and Gain. G. Boudouris	427	Conference, World Engineering	73
Audio Frequencies, A Valve Assisted Filter for. J. D. Storer	268	Co-ordination of Circuit Requirements, Valve Characteristics and Electrode Design. I. A. Harris	125, 238
Balance Sheets :		Correcting Networks and Filters, Graphical Symbols for. G. H. Foot	82, 144
General Fund	252, 355	Council (See General Council)	
Special Funds	254, 355	Counters	450
Balancing Machines	448	Current Literature	317
Battery, Dry, Characteristics and Applications of. N. M. Potter	61	Curve Tracers	451
Benevolent Fund	256, 355	Demand for Professional Engineers	425
Birmingham Pilot Transmitter	352	Densitometers	452
Book Reviews	87, 240	Design and Characteristics of Marine Radar Equipment. A. Levin and M. A. Haley ..	202
British Standards Institution	74	Design for Double Tuned Transformers. J. B. Rudd	306
Building and Engineering Exhibition	74	Developing an Indicator for H ₂ S Equipment. R. T. Croft	75
Calculation of the Electrode Temperatures in Radio Valves. S. Wagener	318	Dielectric Heaters	452
Capacitors, Ceramic. W. G. Roberts	184	Discussion on The Magnetic Amplifier and the Effects of Supply Frequency on Performance. E. H. Frost-Smith	440
Carrier-current Control Apparatus	449	Dosemeters	453
Cathode-Ray Oscilloscopes	449	Double Tuned Transformers, A Design for. J. B. Rudd	306.
Centimetric Power, Some Possibilities of Heating by. R. Keitley	97	Dry Battery Characteristics and Applications. N. M. Potter	61

	<i>Page</i>		<i>Page</i>
D.S.I.R. Exhibits	352	G.E.C. Conversazione	276
Education and Examinations Committee ..	245	Geiger-Muller Tubes and Counters (see also Dosemeters)	456
Elections and Transfers to Membership 29, 122, 167, 220, 351, 357, 413	413	General Council 1948/49	1
Electrocardiogram, Fourier Analysis in Re- lation to. W. E. Benham	170	Election of, for 1948/49	353
Electrode Design, Valve Characteristics and Circuit Requirements, Co-ordination of. I. A. Harris	125, 238	Report of	241, 277
Electrode Temperatures in Radio Valves, Calculation of. S. Wagener	318	Graduateship Examination. (See Examina- tion)	
Electrometers	453	Graphical Symbols for Filters and Correcting Networks. G. H. Foot	82, 144
Electronic Aids to Industry	446	H ₂ S Equipment, Developing an Indicator for. R. T. Croft	75
Electronic Equipment for the Production Engineer	222	Heating by Centimetric Power, Some Pos- sibilities of. R. Keitley	97
Electronics in Heavy Engineering. W. Wilson	278	Heavy Engineering, Electronics in. W. Wilson	278
Electronic Switches (see also Counters) ..	455	Impedance Transformation in Folded Dipoles.	
Electronic Trigger Circuit as an Aid to Neurophysiological Research. H. W. Sipton	374	D. Guertler	344
Electron Microscopes	454	Indicator for H ₂ S Equipment, Developing an. R. T. Croft	75
Engineering Exhibition, Building and ..	74	Induction Heaters	456
Errata	144, 238	Industry, Electronic Aids to	446
Examination, Graduateship, of Institution :		Institution of Production Engineers	144
Centres for	246	Integration Method of Linearizing Ex- ponential Waveforms. A. W. Keen	414
Pass Lists	95, 168, 339	Interference, Radio, Suppression and, Measurement of. J. H. Evans	46, 144
Prize Winners	320	Intermediate-Frequency Transformers, Measurements on. E. Stern	157
Experimental Study of the Magnetic Ampli- fier and the Effects of Supply Frequency on Performance. E. H. Frost-Smith 358, 440	440	International Television Exhibition and Convention	144
Exponential Waveforms, The Integration Method of Linearizing. A. W. Keen ..	414	Library	
Expression of Metric Values in Scientific Papers	45	Additions	145, 317
Facsimile Equipments	455	Committee	249
Filter for Audio Frequencies, A Valve Assisted. J. D. Storer	268	Journals	74
Filters and Correcting Networks, Graphical Symbols for. G. H. Foot	82, 144	Local Sections, In Appreciation of	385
Finance Committee	250	Magnetic Amplifier and the Effects of Supply Frequency on Performance, An Experi- mental Study of. E. H. Frost-Smith 358, 440	440
Flaw Detectors	456	Marine Radar Equipment, Design and Characteristics of. A. Levin and M. A. Haley	202
Folded Dipoles, Impedance Transformation in. D. Guertler	344	Measurement and Suppression of Radio Interference. J. H. Evans	46, 144
Four Antenna Array Located at the Corners of a Square Around A Central Parasitic Antenna, Radiation Pattern and Gains of. G. Boudouris	427	Measurements on Intermediate-Frequency Transformers. E. Stern	157
Fourier Analysis in Relation to the Electro- cardiogram. W. E. Benham	170		

	<i>Page</i>		<i>Page</i>
Member's Responsibility	321	Physical Society Exhibition	239
Members of the Council	426	Plastics, Radio Frequency Welding of. L. Grinstead, H. P. Zade	322
Membership Committee	243	Postwick Grange Transmitting Station	384
Membership, Transfers and Elections to	29, 122, 167, 220, 351, 357, 413	Premiums	248
Merchant Venturers' Technical College	444	Presidential Address	2
Metal Detectors	457	Production Engineer, Electronic Equipment for	222
Metric Values in Scientific Papers, Expression of	45	Production Engineers, Institution of	144
Microwave Television Link	221	Professional Purposes Committee	242
Microwaves, The Physical Application of. J. B. Birks	10	Programme and Papers Committee	247
Mobile Services, V.H.F., Radio Equipment for. D. H. Hughes	30	Public Address System	460
Moisture Meters	457	Pulse Time Multichannel Radio Systems, A Technique for the Design of. M. M. Levy	386
Mond Nickel Fellowship Committee	239	Radar Equipment, Marine, Design and Characteristics of. A. Levin and M. A. Haley	202
Motor Speed Control	458	Radiation Patterns and Gain of a Four-Antenna Array located at the Corners of a Square around a Central Parasitic Antenna. G. Boudouris	427
Multichannel Radio Systems, A Technique for the Design of. M. M. Levy	386	Radio Communication and Electronic Engineering Association	124
National Physical Laboratory Open Day	276	Radiochemical Centre	276
Naval Short Service Commissions	239	Radio Components Exhibition	352
Navigational Aids	458	Radio Component Manufacturers' Federation	9, 144
Neurophysiological Research, An Electronic Trigger Circuit as an Aid to. H. W. Shipton	374	Radio Equipment, V.H.F., for Mobile Services. D. H. Hughes	30
Notices 9, 73, 124, 144, 238, 276, 320, 352, 384, 424, 444		Radio Exhibition, Amateur	9
Obituaries		Radio Frequency Welding of Plastics. L. Grinstead and H. P. Zade	322
E. A. Kirtley	9	Radio Servicing Certificate Examination 144, 342	342
E. A. J. Rogers	73	Radio Trades Examination Board 9, 247, 342, 424	424
W. A. Beatty	124	Radio Valves, Calculation of Electrode Temperatures in. S. Wagener	318
K. S. Marsh	238	Radiolympia	320, 384, 424
E. Hargreaves	238	Recognition of the Technician	201
J. E. Chappell	320	Registrations, Studentship	60, 123, 168, 351
P. J. Best	424	Remote Control	461
Alice Everett	384	Royal Society	73
Oscillators	459	Scientific Film Association	352
Oscilloscopes, Cathode-ray	449	Scientific Information, Circulation of	169
Papers by Members Published in Contemporary Journals	317	Sections :	
Paris International Trade Fair	145	Yorkshire	9
Parliamentary Committee	250	Scottish	124
Pass lists of Graduateship Examination. (See Examinations)		North Eastern	320
Pass List, Radio Trades Examination Board	342	Short Wire Lines, Television, Distribution over. P. Adorian	89
pH meters	459		
Photo-electric control	460		
Physical Applications of Microwaves. J. B. Birks	10		

	<i>Page</i>		<i>Page</i>
Some Possibilities of Heating by Centimetric Power. R. Keitley	97	Transfers. (See Elections and Transfers to Membership)	
Sound Measurement	461	Transformers, Double Tuned, A Design for. J. B. Rudd	306
Sound Recording	461	Transformers, Intermediate-Frequency, Measurements on. E. Stern	157
Studentship Registrations .. 60, 123, 168,	351	Trigger Circuit, Electronic, as an Aid to Neurophysiological Research. H. W. Shipton	374
Suppression and Measurement of Radio Interference. J. H. Evans	46, 144	Ultrafax. D. S. Bond and V. J. Duke	146, 320
Sutton Coldfield Television Station	412	Ultra-sonics	462
Symbols for Filters and Correcting Networks, Graphical. G. H. Foot	82, 144	Valve Assisted Filter for Audio Frequencies. J. D. Storer	268
Technical Committee	248	V.H.F. Radio Equipment for Mobile Services. D. H. Hughes	30
Technician, Recognition of	201	Vibration Analysis	462
Technique for the Design of Pulse Time Multichannel Radio Systems. M. M. Levy	386	Waveforms Exponential, The Integration Method of Linearizing. A. W. Keen	414
Telegraph Construction and Maintenance Company Changes	444	Welding of Plastics, Radio Frequency. L. Grinstead and H. P. Zade	322
Television Exhibition and Convention, International	144	Wireless Telegraphy Bill	124, 249
Television Extension Screen	424	World Engineering Conference	73
Television Link, Microwave	221	X-ray Apparatus	463
Television, New Permanent Headquarters	445		
Television Service, New Equipment for	239		
Television Servicing Certificate Examination	424		
Television Station, Huddersfield Site	9		
Television Station, Sutton Coldfield	412		
Titration Control	462
