**I'LL BE
ON MY WAY**

The sun is fading away,
That's the end of the day
As the June-light turns to moonlight
I'll be on my way.

Just one kiss then I'll go,
Don't hide the tears that don't show,
As the June-light turns to moonlight
I'll be on my way

To where the winds don't blow
And golden rivers flow
This way I will go.

They were right, I was wrong—
True love didn't last long.

As the June-light turns to moonlight
I'll be on my way.

(Repeat from "To where the winds
don't blow" to end.)

**DO YOU WANT TO
KNOW A SECRET ?**

You'll never know how much I really love
you,

You'll never know how much I really care.

Listen, do you want to know a secret?
Do you promise not to tell?

Whoa—closer let me whisper in your ear,
Say the words you long to hear,
I'm in love with you-ooo.

(Repeat from "Listen, do you want to
know" to "you-ooo".)

I've known the secret for a week or two,
Nobody knows just we two.

(Repeat from "Listen, do you want to
know" to "you-ooo".)

MISERY

The world is treating me bad—Misery
I'm the kind of guy who never used to cry
The world is treating me bad—Misery

I've lost her now for sure
I won't see her no more
It's gonna be a drag—Misery

I'll remember all the little things we've done
Can't she see she'll always be the only one
—only one

Send her back to me, cause everyone can
see
Without her I will be in Misery

I'll remember all the little things we've done
She'll remember and she'll miss her only
one—lonely one
Send her back to me, cause everyone can
see
Without her I will be in Misery

In Misery
My Misery

ASK ME WHY

There ain't a damn you tell me things I want
to know

And it's true that it really only goes to
show

That I know that I, I, I should never
leave, never be free

How can he give me happiness still making
me cry

And in this case I understand the reason
—why

Why not because I know

But none of the others that I know ever had
happy endings, it's happened to me
I can't remember of any more either...

Ask me why I'll be far from you
And I'm never thinking of you

I know you're not gonna think I want
to know

Send it back and really you gotta know
That I know that I, I, I should never
leave, never be free

And the only way I can know

And I'm never thinking of you

I can't remember of any more either

And the way it's happened to me
I can't remember of any more either...

THANK YOU GIRL

Oh, oh,
You're lookin' great to me
You oughta be glad when I see you
And somebody
I'd like to go to town with you,
And all I gotta do is
Thank you, girl,
Thank you, girl.

I could sell the world
A thing or two about you here,
I mean, little girl,
Only a fool would doubt our love
And all I gotta do is
Thank you, girl,
Thank you, girl.

Thank you, girl, for being the one who
you do,
It's that you do,
That's the kind of love that is not meant to
be true,
And all I gotta do is thank you, girl,
Thank you, girl,
Oh, oh,
You're lookin' great to me
You oughta be glad when I see you
And somebody
I'd like to go to town with you,
And all I gotta do is
Thank you, girl,
Thank you, girl,
Oh, oh, oh,
Oh, oh, oh, oh, oh, oh.

PLEASE, PLEASE ME

Last night I said these words to my girl
I know you never even try, girl
Come on, come on, come on, come on
Please, please me Oh yeh—lilo
I please you

You don't need me to show the way love
Why do I always have to say love
Come on, come on, come on, come on,
Please, please me Oh yeh—lilo
I please you

I don't want to sound complaining
But you know there's always room in
my heart to say heart

I do all the pleading with you,
It's so hard to reason with you
Oh, yeh, why do you make me blue

Last night I said these words to my girl
I know you never even try, girl
Come on, come on, come on, come on,
Please, please me Oh yeh—lilo
I please you
Oh, yeh, lilo I please you
Oh, yeh, lilo I please you.

FROM ME TO YOU

If there's anything that you want
If there's anything you do
Just call on me
And send it along with love from me
to you
I've got in my hand that you want
Like a heart that's on so tight—
Just call on me
And I'll send it along with love from me
to you
I got arms that long to hold you and keep
you in my life
I got legs that long to kiss you
And keep you safe and sound
If there's anything that you want
If there's anything I can do
Just call on me
And I'll send it along with love from me
to you
From me to you

Just call on me
And I'll send it along with love from me
to you
I got arms that long to hold you and keep
you by my side
I got legs that long to kiss you
And keep you satisfied as you go
If there's anything that you want
If there's anything I can do
Just call on me
And I'll send it along with love from me
to you
To you To you To you

I'LL GET YOU

Oh yes, oh yes, oh yes, oh yes

Imagine I do in love with you
It's easy, isn't it?
You imagine I do in love with you,
When every man knows better
He can't see me in love with
But I do you
I'll get you in the end,
Yes, I will,
I'll get you in the end
Oh yes, oh yes

I think about you night and day,
I want you and I do
When I think about you I get you
I'll be there when you're there
So I'm waiting for the best
That I can get
I'll get you in the end,
Yes, I will, I'll get you in the end
Oh yes, oh yes

Well, there's nothing like a girl
Who'll be yours through your eyes
So you imagine I'll be yours
Oh yes

Imagine I do in love with you
It's easy, isn't it?
You imagine I do in love with you,
When every man knows better
He can't see me in love with
But I do you
I'll get you in the end,
Yes, I will,
I'll get you in the end
Oh yes, oh yes, oh yes

I CALL YOUR NAME

1. I like your name because it sounds like _____.
A. I like the sound of the _____.
O. I like the way it sounds when I say it.
I like _____.
I like _____.
I like _____.
I like _____.

each other your favorite
color and why you like it.
I like _____ because _____.
I like _____ because _____.
I like _____ because _____.
I like _____ because _____.
I like _____ because _____.
I like _____ because _____.
I like _____ because _____.
I like _____ because _____.

HELLO LITTLE GIRL

Well, she was just standing there
You know what I mean?
And before long she was
Dancing with me
Well, she was just standing there
You know what I mean?
And before long she was
Dancing with me
Well, she was just standing there
You know what I mean?
And before long she was
Dancing with me

I SAW HER STANDING THERE

Well, she was just standing there
You know what I mean?
And before long she was
Dancing with me
Well, she was just standing there
You know what I mean?
And before long she was
Dancing with me
Well, she was just standing there
You know what I mean?
And before long she was
Dancing with me

I'LL KEEP YOU SATISFIED

You don't need anybody to hold you
Now I stand with my arms open wide
Give the love and affection what I hold you
I'll keep you satisfied.

You don't need anybody to kiss you
Every day I'll be here by your side
Don't be 'wary, I'm afraid that I might miss
you
I'll keep you satisfied.

You can always get a simple thing like love
Anytime

But it's different with a boy like me
And a love like mine

So believe everything that I told you
And agree that with me by your side
You don't need anybody to hold you
I'll keep you satisfied.

(Repeat from "You can always get
a simple thing like love" to end.)

Give the love and affection what
I hold you
I'll keep you satisfied.

I WANT TO HOLD YOUR HAND

Oh yes I'll hold you sometimes
I think you're wonderful
Now I'll see that something
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand

Oh please only to do
You'll be the only girl ever
And please only to do
You'll be the only girl ever
Now I'll see that your hand
I wanna hold your hand

And when I touch you
I feel happy inside
It's such a feeling
That my love I can't make it any other
way I know

And you get that something
I think you're wonderful
When I see that something
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand
