## RADIO GUIDE

The sensational news came a few hours too late to get included in the magazine: Initiated by Bob Geldof (Boomtown Rats), 40 top pop stars from the UK recorded under the name of **Band Aid** a single, *Do They Know It's Christmas*, for which the proceeds and royalties will go into a trust fund which will be used in 1985 to send shipments of medicines and supplies direct to the famine victims of Ethiopia. Artists who gave their free time and talent include a.o. Annie Lennox, Paul Young, Wham!, U2, Sting, Phil Collins, Bananarama, Paul McCartney, Frankie Goes To Hollywood, Ultravox, Jody and The Style Council. We therefore gladly reserve free advertising space for this goal. By the time you read this, the single will be most probably no. 1 in the UK, cause shipment figures in the UK are exploding and further to that, the record jumps right in the European Airplay chart at no. 23. With the inclusion of this single, it will not be too difficult to make a special Christmas program looking at the other Christmas records that traditionally are being (re) released at the moment: artists like Wham! (Last Christmas), **Captain Sensible** (One Christmas-Catalogue) and **Roy Wood** (the 1973 re-release of *I Wished It Could Be Christmas Every Day*) can be added to the list that we gave you already last week.

### FRANKIE AND GERRY

Frankie Goes To Hollywood's 3rd single, The

*Power Of Love*, went to no. 1 in the UK this week and this makes them the first artists after 21 years to have their first 3 single releases charted at no. 1 in the English charts. Only the Mersey band **Gerry & The Pacemakers** were able to accomplish this feat in 1963. *Power Of Love* is after 2 weeks already up to no. 18 in the European charts, and together with **Depeche Mode**, **McCartney** and **Pat Benatar** one of the fastest moving singles in the upper half of the European Top 100 Singles. Further changes in the Top 100 are for **The Eurythmics**, moving to no. 9, **Billy Ocean** up to no. 2 and **Stevie Wonder** still at 1. Changes in the European Airplay include **Culture Club's** *War Song* moving again due to heavy play in France and a high entry for the **Thompson Twins**.

European Crossover product making chart impact at the moment include **Valerie Dore's** *The Night* (Merak Music), a nice and steady Italian synthi song charting in Germany at the moment but definitely suitable for other markets as well; **Tullio De Piscopo** (*Stop Bajon- Zyx*), another song from Italy, jumps high in the German charts this week and is a contender for other markets as well and it seems that French singer **Axel Bauer** is finally making some impact in Germany, we expect the single *Cargo (Vogue)* to happen in Germany very soon. Other candidates for Euro-Crossover should be Dutch band **Golden Earring** (*Something Heavy Going Down- 21 Records*) and Dutch **Curtie & The Boombox** (*Let's Talk It Over In The Ladies Room- RCA*). This cheerful dance track is picking up a lot of responses in the US at the moment. Belgium singer **Jo Lemaire** has a

new single out called *Tentations* (Vertigo) and this track can easily compete with a lot of new wave products coming from the UK.

### TWO LOVELY POP TUNES

Two lovely pop tunes which we would (again) bring to your attention are **Keats-Turn Your Heart Around** (EMI), a beautiful AOR track and a winning candidate for your pop programming. Although the record has been out already for months, this record hasn't picked up nearly any response yet. The record was produced by Alan Parsons and features **Colin Blunstone** as the vocalist. A ballad tipped by us months ago is **Chris de Burgh's** *The Head And The Heart*. Both in lyrical content and musical simplicity so charming that it is amazing that it hasn't charted yet in any of the European countries.

**Alison Moyet** continues to be successful after her departure from **Vince Clark**, the album is new in Germany this week and all 3 singles of the album are charted in different places in Europe. First single *Love Resurrection* is coming up in Germany very strongly and a hit in Italy, *All Cried Out* is being tipped in France, while *Invisible* is charted in the UK. Another act who is able to release a 'debut' album being a Greatest Hit compilation at the same time is **Matt Bianco**; after hits with *Get Out Of Your Lazy Bed* and *Sneaking Out*. *The Back Door*, *Half A Minute* is now upcoming in the UK, Italy and Austria, while *Whose Side Are You On* (the 3rd single) is high on the French Airplay list (by the way have you heard **Breakout Krew's** striking cover of *Matt's Mood?* A sure hit for your disco and dance programming!). See you all next week with our special on European Radio.

## TURNTABLE TIPS

**Jean-Michel Jarre - Zoolook**- Dreyfus/Polydor  
First reactions on this album are overwhelming and only one week after release charted in the UK, Germany, Belgium, Holland and Denmark. What Jarre offers us is very fascinating and quite unusual at the same time. In a lot of languages like Aboriginal, Russian, German, Sioux etc. original recordings of the human speech and song were made and together with Laurie Anderson these voices were specially edited and transformed by using different electronic instruments. A very intriguing musical spectrum is offered throughout both sides of the album and especially recommended are the titletrack, *Ethnicolor* and *Diva*.

**Talking Heads - Stop Making Sense**- EMI  
Are live concerts better or worse than records? Why a movie? Why a big suite? Some of the questions on which Talking Heads let us ponder. At first thought it might come over as rather senseless making (another) live album as the first effort for a new label. But the majority of the songs get such fresh arrangements that the answer on the first two questions are immediately obvious. Not only a must for the loyal fan, but suitable to attract new audiences as well. *Psychokiller* gets an acoustic version, (the single) *Girlfriend Is Better* is even more hypnotic than the original, while *Life During Wartime* and Al Green's *Take Me To The River* are straight forward and funky.

**Chess** - Benny Andersson, Tim Rice, Bjorn Ulvaeus- RCA  
This musical, about romantic, political and sportive confrontation between East and West, has toured along the major European cities. The end of 1985 sees Chess as a complete theatre production in London. In the meantime the musical has already yielded two singles, one from Elaine Page (*Nobody's Side*) and the one that is receiving a lot of tips the last few weeks, Murray Head (*One Night In Bangkok*). A beautiful combination between opera pop and rock, suitable for special programming. Best memorable tracks are the above mentioned plus *Florence Quits*, *Heaven Help My Heart*, *The Deal (No Deal)* and *Embassy Lament*.

**M**IDEM VIDEO CLIP is the sensational new video clip 'show within a show' at MIDEM – the world's greatest music industry show, now in its 19th year.

It is so prestigious, in fact, that not only is it eagerly awaited and attended by the executive Who's Who of the international music fraternity – but also by many of the top singles artistes and groups.

So MIDEM VIDEO CLIP will be the definitive international market-place for video clips: the one event in the year when you can meet face to face with the top people who want and can buy your services.

They are the world's decision makers, the people who really run the music business, and they want your services because they know good video clips are vital in getting new record releases in the top 50.

That's why MIDEM VIDEO CLIP is the one unmissable market place for anyone involved in producing videos for the music industry.

Many of them are desperate to get their stars onto TV channels nationwide and

they are aware that great videos are the one sure way of doing it.
