CLIFF—ON LOCATION

RECORD MAIL goes on location this month, to Greece, where Columbia star Cliff Richard has been working on his new film, "Summer Holiday". Columbia recording manager Norrie Paramor and his wife, Joan, visited Cliff there and brought back with them a series of photographs (all taken by Joan Paramor), which Record Mail presents exclusively this month on Pages 8-9. This Page One 'trailer' shows Cliff—at the other end of the camera, for a change—on a boat he had hired to take other members of the cast of "Summer Holiday" for a day's cruising.
